

The Memphis Democrat

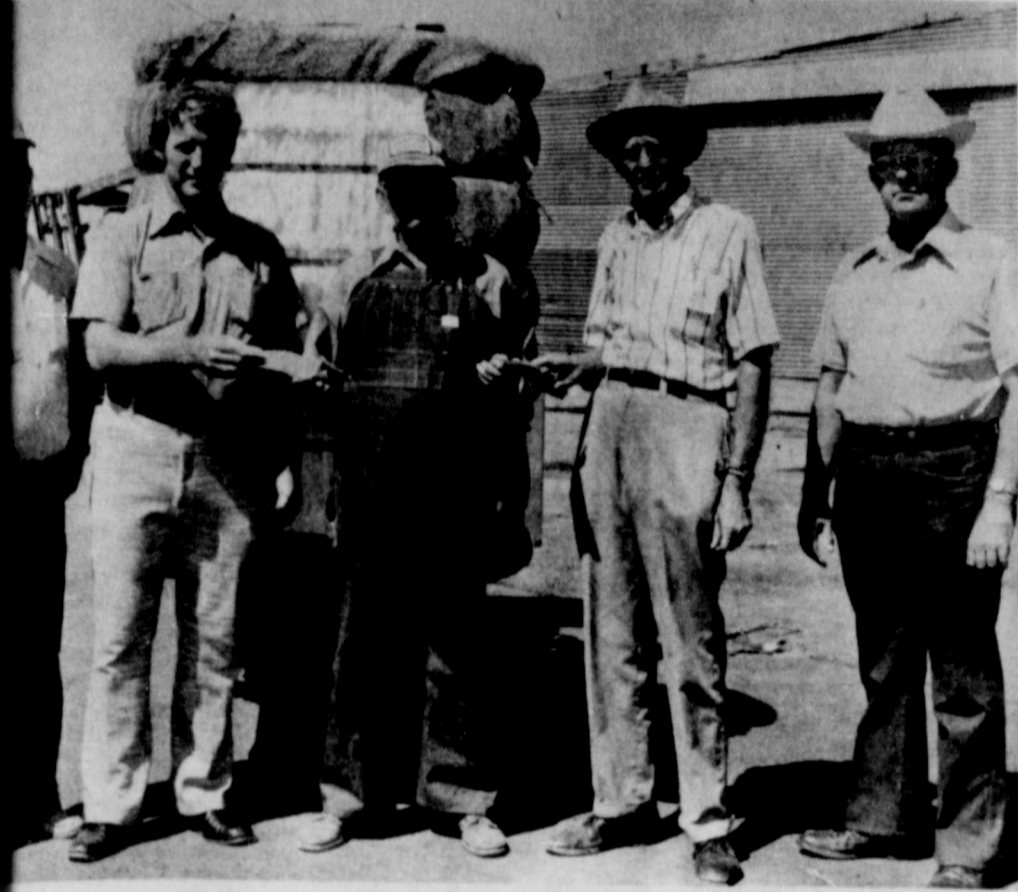

Hall County Herald, Established May 3, 1890, Absorbed by Purchase August, 1928

WEATHER SUMMARY

The Hall County area got about a half-inch of rain last weekend, and temperatures got into the low 50s or high 60s. This was the coldest it has been this fall. Heavier rains were reported in the Estelline area.

MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, SEPTEMBER 30, 1976 *** 20c (Inc. 1c Sales Tax) *** NUMBER 22

COTTON BALE — Pictured above, center, is W. D. (Bill) Stewart who led the first cotton bale of the 1976 crop on Sept. 22. The bale weighed 404 pounds and the cotton was taken from four acres of the Sammy Crawford farm west of Memphis. On the far left is Ginner Tony Salinas of the Farmers Union Co-op Gin at Plaska who ginned the bale. Chamber President Dale Lawrence (second from left) hands Stewart Chamber recognition for having the first bale. Stewart's right is Memphis Compress General Foreman Thomas Clayton who presented him with a check for the bale. On the right is Billy Hancock, manager of the Farmers Gin at Plaska.

DC Hall, Retired Farmer, Buried At Lakeview

D C Hall, 65, passed away Sunday, Sept. 26, in the Groom Memorial Hospital. Funeral services for Mr. Hall were held at 2 p.m. Tuesday, Sept. 28, in Travis Baptist Church with the Rev. V. L. Huggins, pastor, and the Rev. Young Tucker of Port Arthur, officiating. Music was provided by Joe W. Jones of Lebbok and Mrs. Carl Smith of Memphis. Burial was in the Union Hill Cemetery at Lakeview under the arrangements of Spicer Funeral Home. D C Hall was born July 7, 1911, at Sidell and came to Hall County with his parents in 1914. He had farmed in Hall County near Lesley until he retired and moved to Memphis earlier this year. On Jan. 7, 1932, he was united in marriage to Lula Viola Henson at Lakeview. Mr. Hall was a member of the Baptist Church.

Survivors include his widow Mrs. D C Hall of 1418 Montgomery, Memphis; one son, Raymond E. Hall of Lakeview; one daughter, Mrs. Wilma Newman of Lakeview; three brothers, Reed of Memphis and Jackie David & John Delbert, both of California; six sisters, Mrs. Lulu Mae Posey of Abilene, Mrs. Mattie Jones of Lampasas, Mrs. Laurella Hanlin of Basin, Wyo., Mrs. Lou Ella Morrison of Friona, Mrs. Dorothy Lewin of Rapid City, S. D., and Mrs. Thelma Lou Beasley of Napa, Calif., and six grandchildren.

One grandson preceded him in death. Funeral services were held at Perry Lambert, J. W. Hatley, Cap Byars, Jimmy Fowler, J. W. Lindley and J. O. Adams.

County Request Study Of Berkley

According to a letter addressed to Mack D. Richards, chairman of Hall-Childress and Water Conservation District, from George C. Marks, State Conservationist, State Conservationist with Soil Conservation Service, funds are being requested to initiate a flood hazard study of Berkley Creek.

Mr. Marks said in his letter, "Thank you for the request by the City of Memphis and Hall County Commissioners Court for the Soil Conservation Service to make a flood hazard study of Berkley Creek. Funds have been requested to initiate the study in January, 1977."

General Services Held Sat. For Patterson Child

Funeral services for Leola Patterson, 1, daughter of Mr. and Mrs. Thomas E. Patterson, were held at 2 p.m. Saturday, Sept. 25, in Travis Baptist Church with the Rev. V. L. Huggins, pastor, officiating.

Hall County Field Day Tour Attracts 35 Here Wednesday

Approximately 35 area farmers, businessmen and others interested in agriculture enjoyed a morning tour and lunch during the Hall County Field Day yesterday.

Attendance on the tour which began at 9:30 a.m. from the northside of Hall County Courthouse, was considered good according to Dr. Darrell E. Renfro, County Extension Agent for the county.

Registration Deadline Is For Voters

Today is the last day Hall County voters can register to be on the list for the 1976 general election set for Tuesday, Nov. 2. Those who will be 18 on or before Nov. 2, and registered voters who have changed precincts or have had a change, must register. The deadline for submitting voter applications in person is 5 p.m. Friday in the County Tax Assessor's office in Hall County Courthouse.

Kenny Black Wins All-Paid Trip To Hawaii

Kenny Black, local manager of the Allsup's Convenience Store who will take over as area supervisor Oct. 1, was notified Tuesday he has won an all-paid week's vacation in Hawaii, as guests of Allsup's Convenience Stores.

Each year, Allsup's Convenience Store conducts a contest on sale of ice and the local store manager was the winner.

The area supervisor of this district, Marvin Creamer of Borger, was named the area winner. Mr. and Mrs. Black and Mr. and Mrs. Creamer will leave on October 28 for a week in Hawaii, as guests of Allsup's Convenience Stores.

FHA Hero Club To Have Bake Sale Sat.

The Memphis F. H. A. Hero Club will have a bake sale Saturday, Oct. 2, in front of Lockhart Pharmacy. The sale will be held from 9 a.m. till 2 p.m. Cakes and a variety of other pastries will be on sale.

Tom Seay Thanks Workers On Picnic Success

Tom Seay, immediate past president of the Hall County Picnic Association, said this week he wanted to issue a "Great Big Thank You" to everyone who had a part in making the Hall County Picnic a huge success this year. "All Committee chairmen worked hard this year and received the co-operation of everyone they asked to help. One person may be responsible but it takes the entire county working together to make the event a success," he said.

An estimate on how many persons attended the picnic is hard to count, as many who estimate of around 2300 attend do not register. But an barbecue plates were served at the City Park on Sunday, Mr. Seay said.

Survivors include her husband, Mr. Seay said.

Memphis Cyclone To Travel To Quanah To Play Indians Friday

OUTSTANDING CYCLONES — Pictured above are the four Cyclones recognized by MHS coaches this week for outstanding play against Lubbock Roosevelt. Kenny Martin, left, was cited for the "big lick" and defensive linebacker-safety. Continuing from the left are Randy Orcutt, offensive lineman, Eddie Braidfoot, defensive lineman, and Don Cofer, offensive back. Players receive certificates, and earn helmet decals for outstanding play.

The Memphis Cyclone takes to the road Friday night traveling to Quanah to renew a long standing battle with the Quanah Indians. Game time is 8 p.m. in Quanah Stadium.

The Cyclone, 2-1 for the season, takes on the Quanah Indians 0-3. Quanah was off last week which gave their team two weeks to prepare for the Memphis game and time to allow the team's injury situation to improve.

Thursday afternoon, there will be two games played at Cyclone Stadium in Memphis. The Memphis 7th graders host the Clarendon 7th graders at 4:30 p.m.

This game will be followed by the Memphis - Clarendon 8th grade game at about 6 p.m. The Junior Varsity game has been called off at the request of Memphis. Coach Clyde McMurray said Tuesday night at Booster Club that the Memphis JVs just don't have enough players in uniform this week to play a game. Several players are injured.

The Memphis - Quanah game Friday night is one in which the Cyclone will get the favorite nod but Cyclone Coach McMurray said the game presents a challenge if the Cyclone is to avoid an upset.

"Every Friday night, upsets occur, so our players must take this game very seriously and be ready to improve on past performances if the team hopes to win the game," he said.

Quanah and Memphis haven't met in regulation play in several years, but the teams have scrimmaged each other each August up to this year.

About the Roosevelt game last Friday, Coach McMurray said, "We were exceptionally pleased with the first half of play. Our passing game was very sharp."

"Also our kicking game and all aspects of special team play are showing signs of maturity," he said. He cited Ricky Guy's punting, Don Cofer's kick-offs and extra point kicking, and the punt receiving and punt coverage units.

Four Cyclones were cited for outstanding play this week. Kenny Martin received two certificates, one as outstanding defensive linebacker and the other for delivering the "big lick." Randy Orcutt was named outstanding offensive lineman, Eddie Braidfoot outstanding defensive lineman, and Don Cofer for outstanding offensive back. These honors were selected by the coaching staff after grading the Roosevelt game film.

"We saw additional improvement again this week, especially from our offensive tackles, Ricky Bloxom and Val Stone. Also we were pleased that we were able to give more of our running backs game experience carrying the football," the coach said.

"Workouts have been good and spirits are high and we are in good shape injury-wise," he said. The coach told Boosters Tuesday night that it has been a real pleasure coaching this year because the Cyclone team got the season off to a great start. "Now is no time to get slipped up on, but rather its the time to improve on our performance and become more consistent with fundamentals of blocking and tackling," he said.

Starting Lineups
Coach McMurray announced that the starting offensive and defensive line-ups for the Cyclone this week will be the same as last week. Offensively, Cofer, Hall, Salinas and Fields make up the backfield, and Johnson, Bloxom, Martin, Murdock, Orcutt, Stone and Guy the line. For the Indians QB Perry Richardson (160) directs the (Continued on Page 10)

New Orleans Woman Is Wreck Victim

Leonita Phyllis Scheaffer, 48, of New Orleans, La., died Saturday in Hall County Hospital from injuries suffered at 7:30 a.m. in an automobile accident 6 of a mile southeast of Hedley on Highway 287.

Mrs. Scheaffer and her husband were on route home to New Orleans from Colorado Springs where they had attended the Glidden Antique and Classic Car Tour and were driving a 1938 Buick touring car. The car was struck from the rear by a pickup driven by Mike Hansard of Memphis causing it to overturn several times.

Mrs. Scheaffer was born May 1, 1928, in New Orleans. She was a member of the Catholic Church and was a registered nurse.

Survivors include her husband, Mr. Seay said.

Lakeview High Makes Selections For 'Who's Who', 'Senior Choice'

Lakeview High School this week announced the selection of "Who's Who" choices for the '76-'77 school year. Students voted in two classifications, "Who's Who" which the entire high school selected and "Senior Choice" in which only seniors participated in the voting. The Junior High School voted independently for their choices.

Students and teachers elected are: Mr. and Mrs. Lakeview High School, Chris Molloy and Belinda Barbee; Most Beautiful - Deedie Ariola; Most Handsome - Kelly Clark; Best Personalities - Greg Clark and Faye Owens; Most Athletic - Kelly Clark and Leslie Cofer; Most Likely to Succeed - Brad Byars and Belinda Barbee; Mr. and Mrs. Lakeview Junior High - Joel Hall and Pam Pate; Junior High Most Athletic - Brent Molloy and Pam Pate. Teachers of the year are Geraldine Herndon and Debbie Cook.

F. F. A. Sweetheart is Debbie Ariola and F.H.A. Beau is Chris Molloy.

Senior Choice selections are: Laziest - Mark Gardenhire and Tina Watson; Friendliest - Gregg Clark and Jo Ann Owens; Wittiest - Billy Chapman and Leslie Cofer; Coolest Two - David Martinez and Susie Reyes; Most School Spirit - Kelly Clark and Leslie Cofer; Most Dependable - Brad Byars and Sandy Byars; Most Flirtatious - Chris Molloy and Belinda Barbee; Most Photogenic - Steve Molloy and Karen Cofer; Most Inquisitive - Gregg Clark and Rachelle Barbee. Morning "Grouch" is Gary Gregory and Tina Watson.

Church of God To Begin Revival Monday, Oct. 4

Revival will begin next Monday night, Oct. 4, at the Memphis Church of God, according to the Rev. Jerry Martin, pastor.

The Rev. Jerry Veazey will be the speaker for the nightly services which will begin at 7:30 and continue Monday through Saturday.

A cordial invitation is extended to the public to attend the services, Rev. Martin said. The church is located on the corner of 16th and Main Streets.

First Methodist To Have Charge Conference Sun.

Members of the First United Methodist Church Memphis, will mark a most important time in the life of the congregation as they have their annual Charge (Church) Conference this Sunday evening, October 3. Every member of the church is invited to attend, and the officers and leaders are especially urged to be present, according to (Continued on Page 10)

COTTON VARIETY DEMONSTRATION—Pictured above are a portion of the 35 men who took the Hall County Field Day tour yesterday. The tour is examining cotton variety rows on the Rayford E. Hutcherson farm southeast of Memphis.

EDITORIAL

Who Is Really Concerned About Agriculture?

In a political year, this editor searched the news reports, listens to political speeches, read stacks of prepared news releases from campaign headquarters, read both the Republican and Democratic parties weekly publications searching for indications on one subject — agriculture.

It is a proven fact that how agriculture goes, so goes Hall County, the Texas Panhandle, the State of Texas and about three-fourths of the United States except the industrial centers. Why...because agriculture is the roots of what makes this nation great and powerful.

Listening to the first of the great debate last week, the subject of agriculture was not mentioned...at least the portions of the debate this editor heard. This fact, considering the light of circumstances, left this editor with cold chills.

There are those who are concerned. U. S. Representative Jack Hightower initiated a letter addressed to President Gerald Ford, and acquired 17 other signatures from Congressmen from wheat-producing states, urging the President to provide immediate assistance for the nation's wheat farmers which are now in trouble price-wise.

Among the Congressmen joining Rep. Hightower in this appeal were House Agriculture Committee Chairman Tom Foley and Appropriations Committee Chairman George Mahon.

Rep. Hightower urged the President to direct Agriculture Secretary Earl Butz to adjust the wheat loan level to at least \$2.50 a bushel, which was the level recommended in the Emergency Farm Act of 1975. President Ford vetoed this bill.

The National Association of Wheat Growers had told Hightower that the President had turned down the associations request that he adjust the loan level to \$3.00. News releases about Hightower's letter, signed by the other Representatives, on Hightower's stationery, did not mention that the request was initiated by Rep. Hightower. His name was mentioned only as a signer.

Presently, the production-loan rate is \$1.50 a bushel. Why is the production-loan rate important? Farmers borrow money under the program to finance growing or marketing their crops, using the grain as collateral until they sell it or default it to the government, which then sells it to cover the loan. A higher rate would allow them to store their 1976 harvest, without selling at a loss, and get new financing.

President Ford's administration already has a policy towards the wheat situation ... and on all agricultural commodities as well ... which was expressed clearly by Don Paarlberg, Agriculture Economics Director, USDA, recently when he wrote to the president of Texas Wheat Producers concerning the problem of low wheat prices.

In the upper paragraphs of the letter, he gives reasons why the prices are down, listing larger world wheat crop, particularly in countries which are importers, greater self-sufficiency, dramatic increases in energy costs which have placed strains upon the economies of many importers, greater popularity of energy over food, leading to a slow rate of purchasing.

The final paragraph of Paarlberg's letter presents in a crystal clear manner the Ford administration's policy towards the wheat situation.

"The increase in allotment acreage provides additional support for farmers. As you undoubtedly are aware, the allotment is part of the basis for calculating deficiency payments under the target pricing concept of the Agriculture and Consumer Protection Act of 1973. The Administration has a policy of encouraging farmers to make their own decisions regarding the appropriate acreage, and does not desire to re-impose Governmental control upon the farmers of this country."

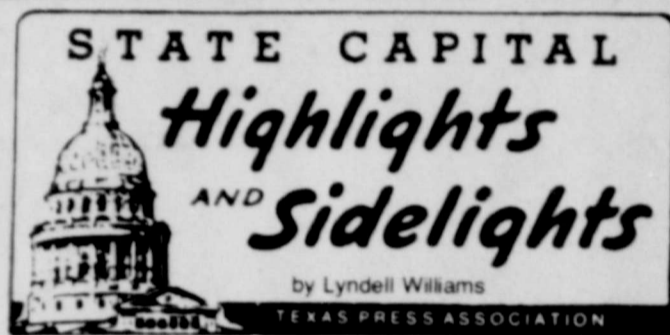

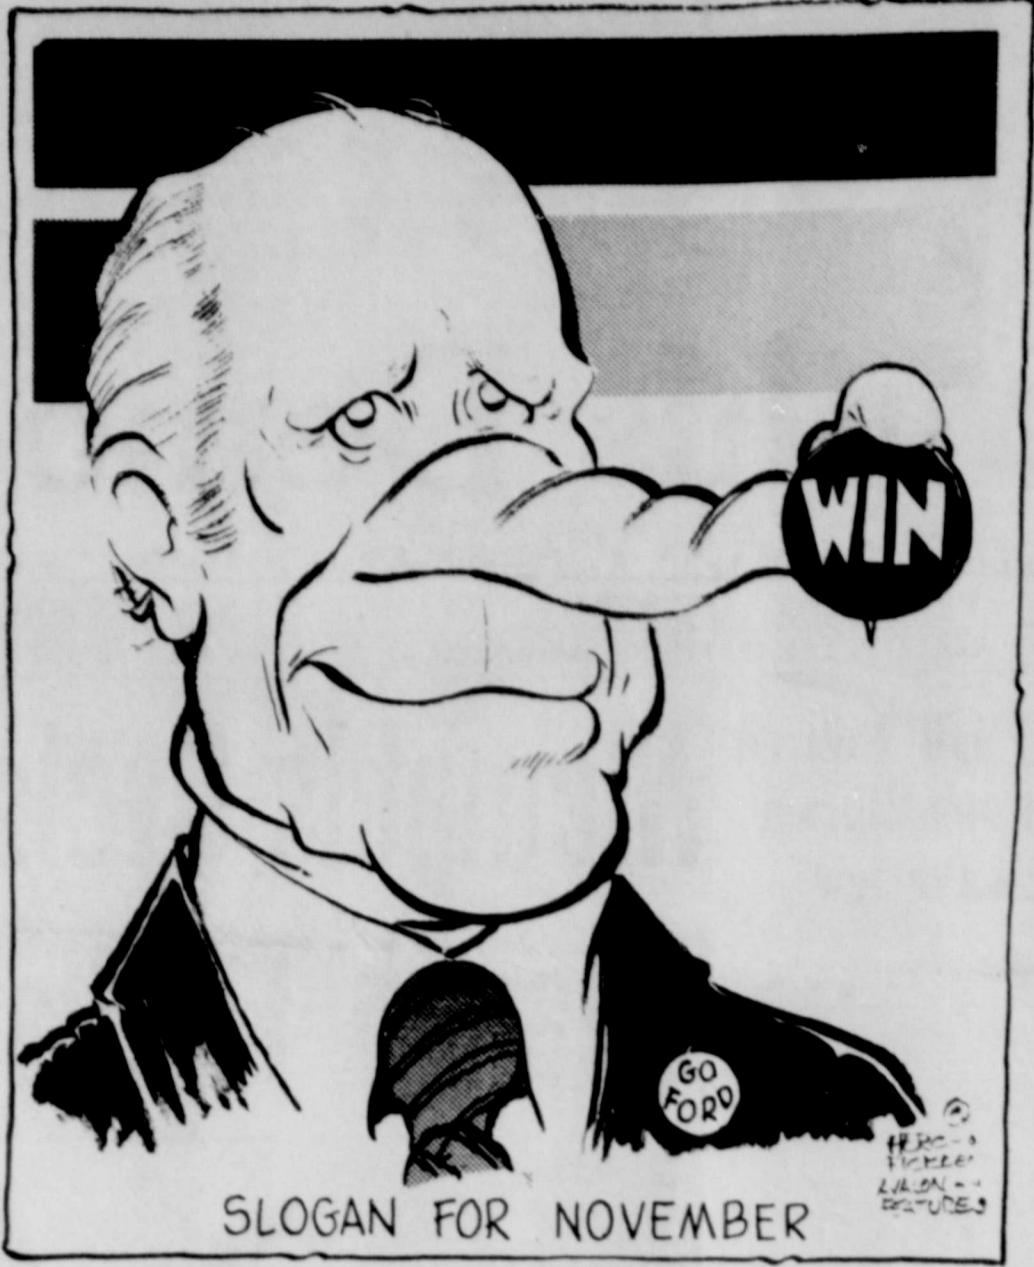

It doesn't take much learning to see that the American farmer is serving as a shock-absorber between world market prices and high inflation economy of the United States. He is squeezed into the middle.

Don Woodward, president of the National Association of Wheat Growers, said, "The Ford Administration's refusal to increase the wheat loan undermines its own farm policy and cuts deeply into the economic viability of U. S. producers. A market-oriented farm policy cannot operate successfully unless producers have the means to orderly market their crop. The unrealistically low loan of \$1.50 undermines the entire operation of the Administration's program since producers cannot carry increased stocks while seeking a fair return from the marketplace. Instead, farmers are forced to sell below the cost-of-production and suffer heavy losses without any significant benefit to consumers."

This editor can't help but feel that our own U. S. Representative Jack Hightower is doing all he can to represent all the economic groups in his big district, with agriculture, oil and gas the biggest.

The Ford Administration's policy of planting fence to fence and letting farmers take their chances in the market place just isn't going to get the job done over the long haul. It has already caught up with the grain producers. Can cotton be far behind?

AUSTIN — Massive efforts are under way to make 1976 a record year for voter eligibility in Texas in spite of apparent apathy in most areas of the U.S.

Secretary of State Mark White Jr., who is coordinating the statewide drive, predicts that as many as 6.2 million will be registered by the October 3 deadline for eligibility to vote in the November 2 election.

That figure would be about 75 per cent of the total eligible by age and residence and would represent a jump of a million voters from 1972, the previous high.

About four million application forms have been prepared for distribution to labor unions, employers, institutions, drivers' license offices, churches, civic clubs, beauty shops and grocery stores.

Cooperating organizations include labor unions, the Democratic party and a variety of minority groups. Changes in the election laws last year made it easier to register in Texas than in any other state, according to White.

Voters who have received their blue certificate cards from county tax assessor-collectors, already are registered and don't need to rush to the courthouse or look up a registration deputy.

Those who have no blue card and are U.S. citizens, at least 18 years old and residents of the state can still become eligible to vote in the presidential election if their applications are delivered to a deputy before midnight October 3.

White thinks voters are, at last, beginning to get interested in politics this year, and that a warming presidential campaign will boom the election day turnout.

New Approach Charted
Texas Animal Health Commission has ordered a new approach to the brucellosis program in Texas to control and eradicate the dread livestock disease.

The new program would seek to raise immunity to the disease through an all-out calfhood vaccination program for five years and then return to a "test and slaughter" program hopefully amended by better diagnostic tools perfected by research.

The state brucellosis study committee report will be sent to the U.S. Animal Health Association Brucellosis Committee as a guideline for negotiating support of USAHA for a Texas program following recommendations laid down by the study panel.

AG Opinions
Information on cost, type and use of electronic eavesdropping equipment used by police is public, Atty. Gen. John Hill said.

In other recent opinions, Hill concluded: A member of the Dental Laboratory Advisory Board vacates his office when he moves his residence outside the state.

Brenham State School is not entitled to a share of the state available, county available or county permanent school funds.

Rate Hike Delay
As expected, Texas Public Utility Commission suspended for 120 days effective date of Southwestern Bell's proposed \$298.3 million telephone rate increase.

The company asked an October 7 start-up for the new rates.

The rate hearing will begin November 1. Commissioners approved classification of 107 intervening parties into four interest groups to present their positions on the rate request. Cities, companies and consumer groups may set up still-other groups to express their opposition to the various rate proposals.

Cities were ordered to present their overall case jointly with Atty. Gen. Hill who represents state agencies.

Urges Permit
Gov. Dolph Briscoe called on the U.S. Corps of Engineers to grant a permit for the Limestone Reservoir project on the Upper Navasota River.

Texas Parks and Wildlife Department and the U.S. Fish and Wildlife Service recommended purchase of 15,000 acres of land to provide wildlife habitat (at a cost of \$8 million) near the area to be flooded by the lake.

Briscoe said the permit should be issued immediately without further delay over the wildlife habitat issue and evaluations.

New Industries
Twenty new industries — a record number for the year — announced plans to locate in Texas during July.

Texas Industrial Commission estimated the new firms will add more than \$35 million a year to the state's economy, creating 428 new jobs directly and another 613 spin-off jobs.

MEMORIES

From The Democrat Files

30 YEARS AGO

October 3, 1946
The Memphis High School band attended the opening of the Childrens State Fair. The judge, D. O. Wiley of Texas Tech, judged the local band as a good marching band. The Memphis beginning band performed all the nationally required maneuvers for a marching band contest and received \$25 for second place. The Junior High School band elected officers - president, Carl Lee; Davey Corley, Sec. Treas.; and Nancy Brewer, librarian. Students on the beginning high school band honor roll are Peggy Mitchell, Bobby Pat Young and Joan Lockhart.

Delivery of the city's new street sweeper is due some time in November. The mayor asked the citizenship to bear with the council during the fall period when trash collects in large quantities along curbs, and promised that as soon as the sweeper arrives it can be eliminated. When cotton stalks in Hall

County get bigger and better, they will probably be brought into the Democrat office. This week's was brought in by Weldon Gable and was about 5 feet tall with a total of 187 bolls and blooms.

20 YEARS AGO

October 4, 1956
Twelve former Memphis Scouts became charter members of the new Explorer Post No. 35 which held its initial meeting at the American Legion Hall Mon. night. Don Deaver was elected Sr. crew leader. Among other members were Swayne McCauley, Steve Watts, Jimmy Winters, Jerry Burnett, Tommy Snowden, Dick Morgan, Roger Crooks and Dan Durham.

Mr. and Mrs. Jack Hightower of Vernon announce the birth of a daughter on Sept. 21. She has been named Amy and weighed 7 pounds 10 ounces.

Mr. and Mrs. Ira McQueen returned last Friday from Wyoming where they had been on a month's hunting and fishing trip and also killed bear, elk and deer.

Specials at Coleman's Super Market — Pure Cane Sugar, 10 lbs. 89c; Bright-Early Coffee, 1 lb. 89c; beef chuck roast, lb. 35c; Fryers, Grade A, lb. 35c; beef ribs, heavy meat, lb. 15c.

Soil Conservation Reserve Program Now Open to Hall County Farmers; Payments to be \$11.00 per acre; Contracts for five year period.

Jr. High Cheerleaders were chosen last week. They are Georgia Saled, T-Nina Nelson and Shirley Kennon of the eighth grade and Teresa Backham, Sondra Stargel and Barbara Elem of the seventh grade. These girls will lead the yells at the games played

by the Junior High team Twisters.

10 YEARS AGO

October 6, 1966
Melvin Jennings, Memphis business and civic leader, came Northern Division Manager for General Telephone Company of the Southeast "Kaffeeklatsch" operation for 1913 Study Club No. 21; Officers are Momet, Baldwin, F. W. Foxhall, Hutcherson, O. L. Helm, Wrenn.

Michael L. Crow went Vietnam for army duty.

The first bale of Memphis cotton was ginned last week at Beatty Gin, according to Grover Roden, gin manager. The bale was brought by G. C. Brinson, who weighed 600 pounds of lint and a 570-pound bale was

made.

No. 30, Gary Rea, of the club, was the Cyclone player of the week in Memphis - Lockney game. Showing at Boren Theater — "Batman" starring Adam West and Burt Ward.

"Fireball 500" with James Funicello, Frankie Avalon, Fabian and Chill Wills.

A luncheon meeting of the Memphis Ex Student Association will be held Friday at the Travis Elementary School cafeteria, President Bingley announced. The Memphis Volunteer Fire Department will sponsor the annual Halloween carnival of rides and games booths on Saturday, Oct. 2. The rides will be located at the Wm. Cameron Lane Co., property south of square.

Congressman Jack Hightower Lists Worked Toward In First Term

Congressman Jack Hightower Saturday he is committed to a nation number one morally, one agriculturally, one militarily and one economically.

Hightower told area cameramen at an Amarillo news conference that he is proud of it.

"We are the greatest nation on earth, and we cannot maintain it unless we lose the foundation upon which it was built," Hightower said.

Hightower said he has a consistent program that farmers can depend on year to year instead of year to year.

"I must keep our military at the absolute peak of its efficiency against Communist aggression and make the Soviet Union do as we wish militarily."

Hightower said he tries to avoid partisanship and works with members from both political parties.

Hightower also looks for answers to the voters of the 13th district, and I vote their way. If I believe the man in the White House is on an issue, I vote for him. If I believe he is wrong, I vote against him. That is the way I conduct my life, and it applies whether I am a Democrat or a Republican."

Hightower listed the goals he worked toward during his first term:

- Integrity and candor in representing the people of the 13th District.
- A consistent, workable program in the field of agriculture.
- Reduction of the national debt which has reached \$100 billion under the current administration.
- An end to the system by which the country is being run more by bureaucracy than by national government because of too much administrative agencies.
- A realistic environmental program that eliminates agencies which are impossible to meet, damage the economy and threaten jobs.
- An end to foreign aid

4-H Foods and Nutrition Program Set for Oct. 4

Any adult interested in participating in the 4-H Foods and Nutrition projects for this year are urged to attend the leaders training meeting Monday, Oct. 4, at 10:00 a.m. at the Memphis Housing Authority.

Leader training for the foods projects will be given by Tina Willmann, county extension agent - at - large Home Economics. Guidelines for the County Food show will also be developed.

Texas Agriculture Extension Service programs are open to all, irrespective of race, color or origin.

The Lonely Heart

Both the sea horse and the chameleon can move one eye without moving the other, and they can move both eyes in opposite directions.

Family Farmer Of Potter County To Head Jimmy Carter Campaign

AUSTIN — A Potter County farmer will serve as regional coordinator in the Panhandle for the Jimmy Carter presidential campaign, it was announced today. Chuck Parrish, the state campaign coordinator for the Carter effort, named Jim Uselton of Amarillo to direct the Carter campaign in a 35-county area.

"The Panhandle is farming country," said Parrish, "and Jimmy Carter is the farmer's candidate. So it's only natural that a family farmer should head our campaign in that part of the state."

Uselton, 34, manages an irrigated farm growing corn, wheat, and grain sorghum that has been in his family for 30 years. A native of Hereford and Amarillo, where he was a precinct chairman, Uselton attended West Texas State University in Canyon. He was a history graduate of MacMurry College in Abilene and earned a Bachelor of Divinity degree at Emory University in Atlanta, Ga. He and his wife, Gay, have two daughters.

"Jimmy Carter has the best

agricultural program of any presidential candidate in my lifetime," said Uselton. "He understands what our problems are because he's been farming most of his lifetime. For example he knows how important it is to have adequate supplies of natural gas at a reasonable price for irrigation fuel. That's something we've been trying to get across in Washington for the last five years without any success."

"This year," added Uselton, "farmers have got the chance to vote for another farmer, and I think they're going to do it."

The counties in the Pan-

handle region include Armstrong, Archer, Baylor, Briscoe, Carson, Childress, Clay, Collingsworth, Cottle, Dallam, Dickens, Donley, Foard, Gray, Hall, Hansford, Hardeman, Hartley, and Hemphill Counties.

Also included are Hutchinson, King, Knox, Lipscomb, Moore, Motley, Ochiltree, Oldham, Potter, Randall, Roberts, Sherman, Swisher, Wichita, Wilbarger, and Wheeler Counties.

Education loans, not to exceed \$600 in each academic year, are available to eligible GI Bill students from the Veterans Administration.

ARE YOU A CLOSET IDEALIST?

Being an idealist today is about as fashionable as wearing a Nehru suit. Even a 200th birthday party hasn't prodded many idealists out of their self-imposed exile.

What can? Maybe a quick and candid appraisal of the American way of life. Both our economic and our governmental systems are still strong. They remain freedom's best testimonial. Yes, people's shortcomings may have brought the systems into question, but they have survived the faults of their parts.

American freedom today is real, reliable and worth speaking up for. So let's speak up for it. And put ourselves on the line for it. Idealists established our brand of freedom in the 18th century. Idealists will make it flourish in the 21st century.

Idealists like you.

Today, America needs all the idealism she can get.

LEGAL NOTICE

NOTICE OF SALE OF REAL ESTATE BELONGING TO HALL COUNTY, TEXAS

STATE OF TEXAS
COUNTY OF HALL
Commissioners Court
Hall County, Texas, at recess on the 13th of September, 1976, passed and gave its order appointing Commissioner Ed Hutcherson commissioner to sell and convey the following described real property, belonging to Hall County, Texas, Lots 1 through 22, Original Town of Hall County, Texas.

BEFORE, notice is given that on the 11th of October, 1976, same second Monday in October, at the hour of 10:00 a.m. on said day, in the Commissioners Courtroom of the County Courthouse, the commissioners will offer for public sale at Public Auction the highest bidder for all the right, title and interest in and to the above described real property.

It is hereby reserved to reject any and all bids and to resell the same.

ED HUTCHERSON
Commissioner 20-3c

Pharmacists Attend Seminar on Antibiotics

Powder and Bob Fowler attended a continuing education seminar concerning "Antibiotic Therapy." The seminar was held Sunday, Sept. 19, in Dallas and was sponsored by the Texas Pharmaceutical Association. Pharmacists received current information on recent developments in antibiotic therapy. Other topics included proper use and patient counseling, the safe and effective use of antibiotic drugs. The seminar earned five hours of continuing education credit for participants in the seminar.

Foxhall Ford To Introduce 1977 Ford Line On Friday, October 1

Two new automobiles — the Thunderbird and the LTD II — head the lineup of Ford Division's 1977 cars, which are on display at Foxhall Ford 616 Noel St. in Memphis, Friday, October 1.

From subcompact to full-size, Ford dealers in 1977 will be offering customers the widest choice of car sizes available.

Heading the list are two all-new mid-size cars — the luxurious Thunderbird, a two-door hardtop, and the LTD II, offering sporty-looking two-door models as well as elegant four-door models and station wagons.

The new Thunderbird is a luxurious mid-size car, and the LTD II is a stylish intermediate-size family car.

Other 1977 entries include the full-size LTD, with its renowned for quiet, comfort and ride; the Granada, Ford's hot-selling "swing" car; Pinto, America's most popular subcompact; Mustang II, a small specialty car sales leader; Maverick, the proven, durable

compact and the highly popular Econoline Club Wagon. For 1977, Ford cars are uniquely in step with the market," said Ed Foxhall, owner of Foxhall Ford. "Our cars give customers the opportunity to select the right size car to meet his or her driving needs."

The 1977 Thunderbird, for example, is a specialty car on a 114-inch wheelbase. Overall length is 215.5 inches. The two-door hardtop Thunderbird offers high levels of standard equipment, a quiet, comfortable ride and excellent handling — all at an affordable price.

Ford Division's other new mid-size entry, the LTD II, comes in three series. The base LTD II "S" and mid-series LTD II each feature a distinctive two-door hardtop, a four-door pillared hardtop and a station wagon. The top-of-the-line LTD II Brougham offers a two-and-a-four-door model, and the elegantly appointed LTD II Squire in Ford's high-series mid-size station wagon.

All LTD II models have a lean, sculptured look, yet offer six-passenger comfort. "Both of these cars will greatly strengthen our position in the largest segment of the automobile market," Mr. Foxhall said. "The Thunderbird and the LTD II two-door models give Ford Division a powerful one-two punch in the specialty or upper end of the segment, and the four-door LTD II models and station wagons are ideal for buyers seeking six-passenger comfort and other full-size car attributes — at a smaller price."

For 1977, all Pinto models have a new, sportier-looking front end. A new all-glass third door (a no-extra-cost option) gives three-door Pinto models a fresh, modern look, and two-and three-door Runabout models are in a lower inertia weight class (2,750 pounds) — the same as the 1976 Pinto Pony models. Addition of a Pinto Cruising Wagon in 1977 will greatly expand the subcompact's appeal in the youth segment of the automobile market. Other new Pinto options include a flip-up open air roof, a Sports Rally Package with tachometer and gauges and a four-way manual driver's seat.

In 1977, Granada becomes the first domestic car to offer a four-speed manual over-drive transmission as standard equipment. Ford LTD remains full-size for 1977. The top-of-the-line LTD Landau has been repositioned into the price class of the LTD Brougham — which has been deleted from the lineup — but continues such standard luxury features as hidden headlamps, wide, color-keyed bodyside moldings and a high level flight bench seat with a fold-down center armrest.

Mustang II for 1977 offers a host of improvements, including added standard equipment on 2 plus 2 models at no added cost, the flip-up open air roof and four-way manual driver's seat, a Ghia Sports Group and other exciting new options and money-saving packages that group popular optional items. Maverick also offers new options and convenience features, including four-way

manual seats, wire wheel covers and wide bodyside moldings. New exterior paint, vinyl roof and interior trim colors add sparkle to the appearance of 1977 Ford Division cars.

To meet the U. S. government's more stringent 1977 model year emission control standards, most Ford cars have revised emission control systems that include a larger volume catalyst and Ford's new Duraspark high-energy solid-state ignition system which provides increased voltage at both start-up and running speeds, allowing leaner air-fuel mixture and even longer spark plug life.

Spraying For Boll Weevils Now Underway

DICKENS — In an all-out effort to arrest movement of the cotton boll weevil, officials of the USDA Plant Protection and Quarantine Service and the producer-owned Plains Cotton Growers of Lubbock have completed first and second insecticidal spraying of 275,000 acres of cotton. Acreage treated extends from Briscoe County on the north to Borrdon and Dawson counties on the south, along the Caprock's eastern edge.

Roy Moritz, district supervisor with PPQ, and Ed Dean, director of field services for Plains Cotton Growers, who are coordinating the diapause Boll Weevil Control Program, say the first boll weevil spraying operations of the fall were carried out from Sept. 6 to 16. Second insecticidal applications of the 275,000 base acreage area was to have ended Friday, Sept. 24 following a record treatment of over 100,000 acres the day before. The two treatments represent an aggregate total acreage sprayed of over a half million acres.

A third insecticidal application is slated to begin in early October.

Moritz, who is coordinating field operations, says 20 spray planes are being used to cover the huge territory, and he expects up to five control zone treatments will be conducted unless an early freeze occurs.

"All fields are being block sprayed from Matador southward to Jayton, plus acreages below the Caprock in Garza and Crosby counties," Moritz says. "Fields are being sprayed on a selected basis in all other areas within the control zone unless boll weevil infestations warrant block spraying."

He says boll weevils are more widespread on top of the Caprock this year than in last several years due to migration of weevils from the east and successful overwintering below the Caprock as a result of an abnormally mild winter.

"We believe we have the necessary expertise and resources to adequately cope with this widespread infestation," says Moritz.

He emphasizes that the heavier than usual boll weevils

STRANGE LOOKING COTTON — Cotton with long, narrow leaves? The two rows of cotton between the camera and the row of men shown above is a special crossbred of plant. The cross is cotton and okra. This is just one of 14 varieties seen by those taking the Hall County Field Day tour yesterday.

vil populations found along the eastern and southeastern portions of the Caprock were forseen back in May when ever boll weevil trap catches showed an increase in weevil population over previous years for that time of the year. At that time PCG and PPQ officials recommended that producers consider early season spraying for weevil control in July.

The Diapause Boll Weevil Control Program was begun in 1964.

Presbyterian Council Meets In Clarendon Sun.

The Clarendon - Memphis Area Council met at the Presbyterian Church in Clarendon Sunday afternoon, Sept. 26, at 2:30 p.m.

The following members were present: Rev. Owen McGarity, Mrs. Fred Chamberlain, Mrs. Edna Smith, Mrs. Paul Montgomery, W. H. Goodnight and Paul Montgomery.

The business session was opened with a prayer by Rev. McGarity. The following budget was presented by Rev. McGarity to be considered by the Council: \$842.44 carry over balance; Pastor Salary, \$8700.00; pension fund, \$1670.70; auto expense, \$2476.00; telephone, \$250.00; Manse utility, \$800.00; special programs, \$150.00; secretary help, \$168.00 and supplies, \$400. The total budget is \$14,614.70.

The above budget was voted on and approved. Plans were made for the annual Thanksgiving dinner to be held on November 17 at 7:00 p.m. in Memphis.

There being no further new or old business the Area Council session adjourned.

Campaign Begun To Make Ice Boxes Safe

An official of the Texas Health Department was in Memphis Wednesday soliciting help from City Officials and citizens to launch a campaign to make old ice boxes and refrigerators safe for children.

Two children were found smothered to death in an abandoned refrigerator in Bovina recently so the Texas Health Department is spearheading a drive in all communities concerning this danger to young people.

City Fire Marshal Jack Scott said Wednesday that if local citizens know of abandoned refrigerators left in their neighborhood the city will remove these if citizens will contact his office. Citizens with refrigerators or old ice boxes who are using them for storage should take the following precautions to see that no tragedies might occur. Each of these boxes should either have the door or locking devices removed or the boxes should be equipped with a locking device and lock installed when the box is left unattended.

Serious Crime In U. S. Rose Three Percent

Serious crime in the United States rose three percent during the first six months of 1976 over the same period of 1975, Attorney General Edward H. Levi announced today. This compares with an increase of 13 percent during the first half of 1975 over 1974.

Mr. Levi said that the violent crimes of murder, forcible rape, robbery, and aggravated assault, as a group decreased six percent during the first six months. Reported offenses of murder decreased twelve percent, robberies were down ten percent, and aggravated assaults and forcible rape decreased one percent each.

Sixty-three cities over 100,000 reported decreases in serious crime during the 1976 period, Mr. Levi said.

The first six months' figures were contained in the FBI's Uniform Crime Reports, released today by FBI Director Clarence M. Kelley. Director Kelley said the

Crime Index comprised seven offenses that are considered serious because of their nature, frequency, and likelihood of becoming known to law enforcement agencies. Today's figures are based on information from city, county, and state law enforcement agencies throughout the nation.

"The percent of increase for both the first and second quarters of 1976 are considerably below those of a year ago," Mr. Levi said.

"While the trend is encouraging, there remains a net increase in serious crime — a clear reminder that all segments of the criminal justice system must continue working to solve the problem."

Serious crime for the first quarter of 1976, reported earlier by the FBI, rose four percent over the comparable period of 1975.

Property crimes of burglary, larceny - theft, and motor vehicle theft, as a group, increased four percent. Burglary was down five percent and motor vehicle theft offenses were down three percent. Director Kelley said the

overall increase of three percent for the quarter was influenced by the increase in offenses of larceny - theft reported to law enforcement agencies. Suburban areas law enforcement agencies reported an overall increase in serious crime of two percent. Agencies in rural areas experienced a one percent increase with 100,000 or more inhabitants had a four percent increase in reported Crime Index offenses.

Geographically, the eastern States reported a percent increase in serious crime. The North Central States rose three percent, the Southern States two percent.

Mrs. L. J. Kennon and Lynn B. Jones went to make entries in the South Plains Fair and Memphis Home Demonstration Club. Mrs. Ethel accompanied them to her daughter, Mrs. Weddel and family.

Jim Hansard Shows Gelding At Amarillo

Jim Hansard of Memphis showed his seven-year old paint gelding in the Amarillo Tri-State Fair show last Wednesday.

He placed third in Senior Western Pleasure riding "Jim's J. J.". He also participated in Senior Trail and showed in the aged Gelding at Halter.

This is the first time that Hansard had showed his paint gelding in a horse show and he felt real pleased by taking third in Senior Western Pleasure.

CARD OF THANKS
We gratefully acknowledge the many expressions of kindness and sympathy extended to us by our friends and neighbors during the illness and death of our loved one and especially want to thank the nurses, doctors and staff of the Hall County Hospital for their faithful service.

We are indeed grateful for the beautiful service, floral offerings, memorials, words of sympathy for the food that was served. Words are not adequate to state our full appreciation. Such spontaneous acts of generous spirit can only be manifestations of God's love. May He be kind to you in your every hour of need.

The Family of
Lea Ann Patterson

Mrs. T. H. Gattis had Mr. and Mrs. Tom Gattis and son Terry of Irving, a granddaughter, Mr. and Mrs. Joe Perrin of Adrian, and her sister-in-law and husband, Mr. and Mrs. Theodore Knight of Santa Fe, N. M., as visitors over the weekend.

CHAMBER OF COMMERCE

BOX 789 • (806) 259-3144

Memphis, Texas 79245

Thursday, October 30, 1976

To The Citizens of Memphis and Hall County:

It has been my pleasure to have had the opportunity to work with you in the development of our community as your chamber of commerce manager.

Among the chamber's many projects completed over the past four years include our community emblem and slogan: "Cotton Capital Of The Panhandle" promoted with the five highway signs, welcome door mats, bumper stickers, place mats, miniature cotton bales, and etc. We now have distributed over 4,000 of the little bales in every state of the Union and many foreign countries with their message about Memphis, Texas.

Other projects completed are: '74 governor's Community Achievement Award for Memphis, \$42,000.00 federal grant for our city park, \$2,500.00 bicentennial grant for Hall Co. Heritage Hall and Bob Mills Museum, the nationally popular Cotton Boll Caduceus, designation of Hall County as a National Bicentennial Community, creation of the Bob Mills Medal and distribution in 40 states, plus many many more local programs and projects.

Most impressive has been the chamber membership increase, 400% increase in the chamber's annual operating bud, et, and establishment of the chamber's trust fund account.

I sincerely appreciate your support over the past four years and more especially the long hours and hard work of the various officers, directors, and members of the Memphis Chamber of Commerce.

Sincerely,
Jim Edd
Jim Edd
Executive Vice President

★ Cotton Capital of the Panhandle

Roosevelt Falls Before Cyclone Attack 34-7

The Memphis Cyclone advanced its season standings to two wins, one loss, with an impressive 34-7 win over the Lubbock Roosevelt Eagles here Friday night as the Cyclone put on a dazzling display of offensive might in the first half, then called on an unbreakable defense to keep the Eagles from scoring in the second half.

The game was almost two-faced, if football games could be considered as such. Memphis scored its final points with 8:00 minutes left in the third period and at that point, the Cyclone was leading 13 first downs to Lubbock's five, and 34 to 7 on the scoreboard.

From that point on, the Cyclone picked up one first down, and that was by rushing, and completed no passes, and actually had negative yardage in the rushing department.

But while the Cyclone offense was explosive the first portion of play, the Cyclone defense bent, but was unbroken the final half of play.

The Cyclone opened scoring with their first possession after FB Kirk Fields returned the opening kickoff to the Memphis 35.

The Cyclone went to the air, as QB Don Cofer connected with a second down pass to WB Rodney Hall for 37 yards moving to the Eagles 28.

After a pass to End Anthony Johnson when incomplete, and WB Hall tested the Eagles defensive center on a counter which went for no yards, QB Cofer passed to End Johnson and the sure handed senior end caught the ball and picked up 21 yards to the Lubbock 8-yd. line.

Staying on the ground, the Cyclone put the football over on the third down with a one-yd. plunge by FB Kirk Fields. QB Cofer kicked the point after and the score was 7-0 with 9:21 showing on the first quarter clock.

The Eagles bobbled the ensuing kickoff from Cofer and had terrible field position on their own six-yd. line. The Eagles, using a power-I alignment, and moving End Darrin Mann a 180 pounder, to full back, plowed their way for a first down to the 19, then were held for a gain of seven of the needed 10, and Ricky Williams punted the football 35-yards.

On the punt, a major penalty was stepped off against Memphis and the Cyclone took over the ball on their own 22.

The Cyclone got rolling by gaining six yards on two running plays, then, QB Cofer rolled out and threw complete to WB Hall way down the field, but the play was nullified by an illegal shift penalty. Facing third and long, QB Cofer rolled out again, saw a man open and field, but an Eagle lineman deflected the pass, so Ricky Guy came in to do the punting.

Guy's punt was high, and 35 yards deep, but a yellow flag stepped off giving Roosevelt the ball on the Cyclone 43.

Taking advantage of good field position, the Eagles were able to march in for their only score of the night.

The big play in the drive, was a 25-yd. pass from QB Ray Ward to End Richard Adams on a third down and nine moving to the Cyclone 15, and a first down.

On two running plays, with TB Ricky Williams carrying, the Eagles picked up nine big yards to the Memphis six. On third down, Williams was raked up behind the line,

but officials signaled off-setting penalties, so the play was run again. Again, Williams was denied the first down, and the Eagles faced a fourth and one. Again the Eagles ran Williams behind the big fullback as a blocker and this time the play netted two yards and Lubbock had a first and goal on the Cyclone 4.

The Cyclone defense, keying on the power play, which Lubbock had run five times straight, was caught by surprise on the next play, when QB Ward faked the handoff to Williams and skirted the defensive right end of the Cyclone and went over uncontested. Richard Adams booted the extra point and the score was all tied, 7-7 with only 0:46 seconds left in the first quarter.

Freshman back Tony Richardson returned the kickoff to the Memphis 26, as the Cyclone offense prepared for the second scoring drive.

Where passing was the avenue of attack for the first TD, the Cyclone chose to stay on the ground for the second drive, and ate up big chunks of real estate as they marched the distance in six plays.

Reserve FB Woodrow Richardson made two yards on the first play. Then, TB Pete Salinas, who was the Cyclone's leading rusher for the game, averaging 10 yards per tote, tipped off 25 yards to the visitors 47.

On the next play, FB Richardson broke free and raced 39 yards to the Eagles 8-yd. line as he was caught from behind and pulled down.

TB Salinas got the ball on the next play, tried to go outside and was dropped for a one-yd. loss. Testing the defensive left side of the Eagle line, FB Fields used his blockers well and charged for the goal line. There was a big collision at the flag, and the officials marked the ball on

the four-inch line. On the next play, Fields carried into the end zone for the score. Cofer try for the point appeared to be blocked and the score was 13-7.

Again, Cofer's kick-off from the tee was deep, into the endzone, and TB Williams elected to try and run the ball out and was cut down on the Eagles 11.

Running plays netted first down yardage to the 23, but here two more plays left the Eagles facing third and 10. QB Ward went back and passed toward the sideline, but it was Cyclone Defender Tracy Galloway who grabbed the pass and raced to the Eagles 37 before being dropped.

A first down pass was high, over the head of Ricky Guy. Then, TB Salinas made six yards and TB Fields added six more and a first down on the Eagles 25.

Salinas got the ball and made a three-yd. gain to the 22yd. line.

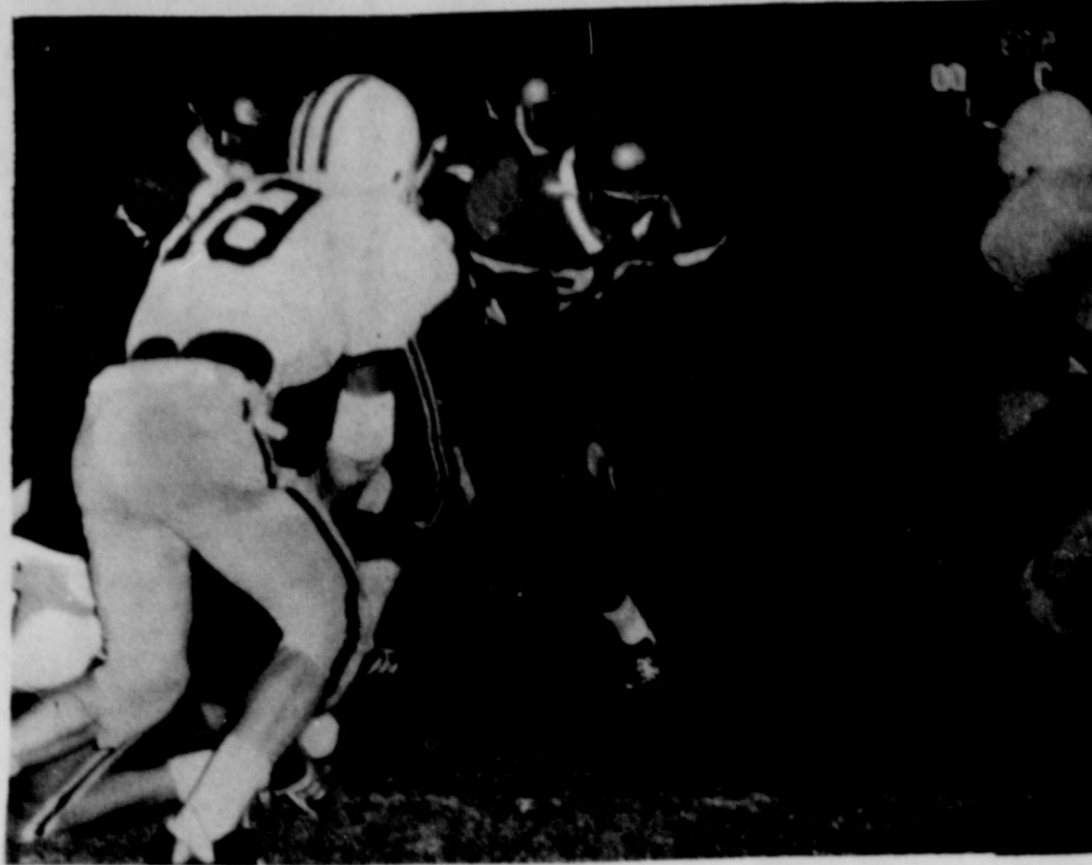

QB Cofer, on second down, went back to pass, rolled out, set up, spotted two Cyclones open at the goal line and fired the ball. WB Rodney Hall made the grab just before it arrived to End Ricky Guy and the Cyclone had six more points on a 22-yd. pass play.

This time, all went well as Cofer booted the ball through the uprights and the score was 20-7.

The teams exchanged punt after this a few times, before Memphis came into possession on their own 43.

QB Cofer rolled out to pass saw daylight outside and raced 20 yards to the visitors 37 before he was stopped.

On the next play, one of these electrifying moments occurred that certainly make high school football the exciting spectator sport it is. QB Cofer dropped back to pass and had all the time in the world it seemed to throw the football. He finally selected

GOING TO PAY DIRT — FB Kirk Fields is shown one step away from scoring the Cyclone's first TD against Lubbock Roosevelt Friday night. This defender - eye view was taken from the endzone and shows the effectiveness of the Cyclone's point-of-attack blocking. QB Don Cofer and TB Pete Salinas can also be seen.

to throw the ball long at the left-hand goal post (as End Anthony Johnson was on that route). The pass looked like a long, high spiraling punt as it sailed down the field and End Johnson had to use ever inch of the 10 yards behind the goal line to make the catch. He did just that and the officials arms shot in the air, even though they were trailing the pass somewhat.

Eagle defenders look frustrated but offered no protest to the officials. Cofer booted the point after and the score at halftime remained 27-7.

Memphis kicked off, after the half, held the Eagles and came into possession of the football on the Cyclone 30-yd. line.

It took just six plays to score again. QB Cofer raced for 13 yards. Then TB Salinas added 27 more, and the Eagles were called for hitting late, and another 15 yards

was stepped off against Lubbock.

On the Eagles 17, Cofer was dropped for a 7-yd. loss, then hit End Steve Flemmons for 13 yards on a pass. TB Salinas made one yard on the next play and the Cyclone faced a fourth down and three.

QB Cofer went to his split end, Anthony Johnson on the next play and Johnson made the catch and went in for the touchdown. Cofer kicked the point after and the score was 34-7.

At this point in the contest, Coach Clyde McMurray began substituting freely on both offense and defense.

Lubbock Roosevelt was able to get one drive going, which got to the Memphis 23, before the Cyclone defense pushed them back and took over the ball on the Memphis 35 after dropping ball carriers for losses.

Statistics

Memphis	Roosevelt
14 First Downs	16
141 Yards Rushing	148
140 Yards Passing	70

10 Incomplete Passes	10
1 Passes Intercepted by 0	0
0 Fumbles Lost	0
5 for 38 Punt Aver. 5 for 33	5 for 65 Yds Penaliz. 7 for 46
Pete Salinas was the leading rusher, with 71 yards on six carries, while Woodrow Richardson had 46 yards on five carries Kirk Fields had 21 yards on six carries, Tony Richardson had eight yards on three carries. Rodney Hall carried twice for a minus one, and Terry Allard carried once for zero yards. QB Cofer carried eight times for three yards.	
Anthony Johnson was the leading receiver catching three for 68 yards and two TDs. Rodney Hall caught two for 59 yards and one TD. Steve Flemmons caught one for 13 yards.	

Bobbie Johnson and son, Jeff, and Mr. and Mrs. Jeff Campbell, all of Lubbock, visited here Sunday with the J. C. Johnsons. Also visiting was their son, Nick Lowery of Arlington.

SIX POINTS — The raised arms of the game official tells the story as Memphis No. 35 Rodney Hall grabbed him another TD pass, this one for 22 yards from JB Don Cofer. End Ricky Guy, No. 82, congratulates his teammate. Both receivers were in position to make the catch.

Hunters Urged To Get in Shape Before Hunting

AUSTIN — Eleven months of the year the Texas sportsman sits behind a desk, smokes too much, gets very little exercise and battles an ever-expanding waistline.

His only outing is on the deer lease in November where he huffs and puffs all day long and collapses exhausted in the top bunk each night.

The white-tailed deer he pursues have a better chance of survival than our out-of-shape hunter.

Most hunters take better care of their equipment than themselves. And this season will be the last for some sportsmen who are carried home by hunting companions — victims of heart attacks.

The best insurance against a heart attack is to keep physically fit throughout the year.

Slim and trim officials at the Texas Parks and Wildlife Department recommend bicycling, hiking, jogging and swimming for staying in shape during the year. But someone who works in an office all year should not wait until October to start on a program of exercise.

Anyone over 30 or who has a history of heart trouble should consult a physician before starting any exercise regimen.

He — or she, women are not immune to heart attacks either — should start out with 10 minutes per day of strenuous physical activity to cause the heart to beat faster than normal.

After two or three weeks of exercising, increase the time to 20 minutes per day.

LEGAL NOTICES

NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS
CITY OF MEMPHIS, TEXAS
P. O. Box 40
MEMPHIS, TEXAS 79245
806/259-3546

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:
On or about October 9, 1976 the above-named Memphis, Texas will request the U. S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) for the following project:

COMMUNITY DEVELOPMENT GRANT BLOCK
STREET PAVING ON MAGNOLIA STREET FROM E. NOEL STREET (HWY. 256) TO DAVIS STREET AND SEWER FACILITIES IN VALLEY VIEW, MELLTON'S AND MORNINGSIDE ADDITIONS MEMPHIS, HALL COUNTY, TEXAS.
\$100,000.00

An Environmental Review Record respecting the within project has been made by the above-named which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

Memphis, Texas will undertake the project described above with Block Grant funds from the U. S. Department of Housing and Urban Development (HUD) under Title I of the Housing and Community Development Act of 1974. City of Memphis, Texas is certifying to HUD that City of Memphis, Texas and Kenneth Dale, in his official capacity as Mayor consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action, and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, City of Memphis, Texas may use the Block Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only

if it is on one of the following basis: (a) That the certification was not in fact executed by the chief executive officer or other officer of the City of Memphis, Texas; (b) That applicant's environmental review record project indicates essential step applicable to the review process. Objections must be prepared and submitted in accordance with the procedure (24 CFR 59.100) and may be addressed to HUD at 2001 Bryan Tower, Washington, D. C. 20540. The release of funds other than those stated above will not be considered after October 23, 1976.

The Chief Executive Officer of the City of Memphis, Texas is Kenneth Dale, Mayor. His address is:
City Hall
Memphis, Texas 38102
KENNETH DALE, Mayor

Fish Parasites Are Ugly But Are Not Harmful
AUSTIN — Those who may be ugly, but are not harmful to humans. And throwing away your fish is a waste of good fish. Park and Wildlife Department.

Fishermen may find types of worms in fish, tapeworms and roundworms which appear in the organs of fish, and yellow black grubs which are stashed along the dorsal fin of fish.

But there is little cause for alarm. Ordinary cleaning will move internal parasites the fisherman finds in the meat from both sides of the dorsal fin is the easiest to get rid of them.

Eggs from these worms enter the water by way of bird's feces and hatch into tiny free-swimming larvae which penetrate snails.

Fortunately, man is not host to these worms. As properly cooked and preserved fish is fit for human consumption even though it may appear to be affected by parasites.

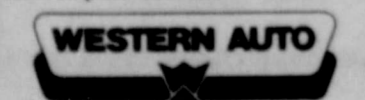

YOU CAN OWN A WESTERN AUTO STORE IN:
Memphis, Texas

Queen Family Meets Here For Annual Reunion on Sept. 19 and 20

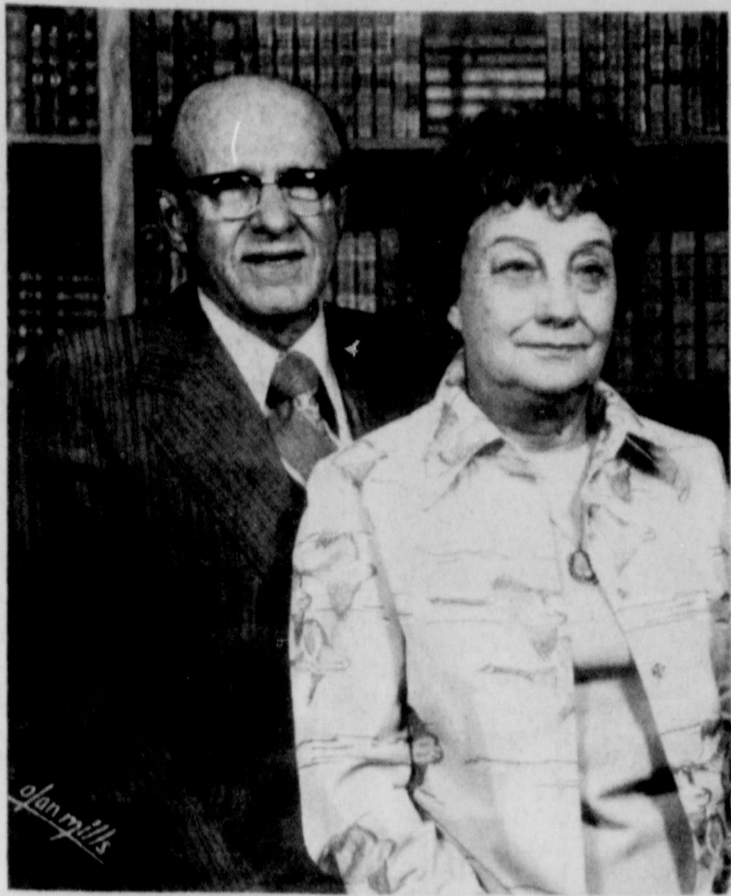

Members of the McQueen and friends met at the reunion room at Memphis Community Center on Saturday, Sept. 19, for the annual reunion.

The pioneer family, who came to Hall County in 1890's, have held a reunion annually for over 30 years.

Those attending included Mr. and Mrs. R. O. McQueen of Corpus Christi, Mrs. McQueen of Memphis, and Jean McQueen of Lakeview, Ruth Daniel of Dougherty, Wayne and Vera Hull of Greenville, E. J. Rawlins of LaMarque, Leon and Alice Prater of Fort Worth, Odie and Alice Martin of Highland, Calif., E. M. and Billy Campley and Eddie, Ray, Trudei and Janie of Lakeview, Leo Cosgrove of Dallas, R. K. and Winnie Everett of Joe and Jean Everett of Stratford.

Also Mike Everett of Tio-ga, Beck Sims of Pilot Point, Mildred McClellan of Dallas, Myrtle Rawlins of Teague, Arvor and Maryetta McQueen, Ira and Violet McQueen and Kyle and Kelli, Queen, Buster and Zee Mc-Larry and Dora McQueen, Minnie Ferrel, Winfred and Susan McQueen and Christi and Andy, Ted and Ruth Barnes, Ruby Thornton, Benita, Jerry, Raymond and Michelle Cantrell, Lester and Ruby Graham, Cordia Levi, Beulah, Jackie and Melissa Martin, David, Norma, John and Le'Ann Kilgore, Keith Lynn Martin, W. S., Cle and Troy McQueen, E. L. and Sarah Kilgore, all of Memphis and Nolan Baker of Fort Worth.

Mrs. Paul Montgomery and Mrs. Carl Harrison were in Amarillo Saturday to attend the Area Presbytery meeting.

TO OBSERVE 50TH WEDDING ANNIVERSARY

Mr. and Mrs. Orville Goodpasture, long-time Memphis residents, will observe their Golden Wedding anniversary Sunday afternoon, Oct. 3, from 2:00 to 6:00 o'clock at the recreation center, Memphis Housing Authority. Hosts for the reception will be their daughter and son-in-law, Mr. and Mrs. Dempy Archer of Albuquerque, N. M. and their grandchildren. Friends of the couple are cordially invited to attend. They have requested no gifts please. Zada Alma Cox and Orville Goodpasture were married Sept. 19, 1926 in Amarillo. Born in Cooke County, Mrs. Goodpasture came to Hall County when she was less than a year old, while Mr. Goodpasture started to school here in the first grade. He was born in Collingsworth County.

Delphian Club Has Program On Crime Prevention

The Delphian Club met September 21 in the Bronze Room of the First National Bank with Mrs. L. F. Jones as hostess.

The meeting was called to order by President Martha Clark, followed by the devotional which was given by Mrs. Henry Hays.

Program chairman Mrs. Leon Davis introduced the program on "Crime Prevention." Guests speaker for the meeting was Kenny Schull, Chief of Police of Memphis. He gave a most informative talk and members joined in with discussion of several areas of interest, such as burglaries, juvenile crime, probation and mail facilities.

After delicious refreshments were served to the members by the hostess Mrs. Jones, a short business meeting was held.

Members present were Mrs. Mmes. Norman Archer, James Chappell, Robert Clark, Leon Davis, W. C. Dickey, Henry Hays, Neal Hindman, L. F. Jones, C. D. Morris, Sim Reeves, C. L. Smith, Mildred Stephens, Wayne Swartz, Jessie Wood, and Dean Yarbrough.

Mr. and Mrs. Gary McKay of Lubbock visited here over the weekend with their parents, Mr. and Mrs. Argie Lee McKay of Memphis and Mr. and Mrs. Linton Gardenhire of Lakeview.

Plaska Sewing Club Meets in Orr Home

The Plaska Sewing Club met Thursday, Sept. 23, at 1:30 p.m. with Mrs. Vera Orr.

The afternoon was spent embroidering for the hostess. Mrs. Harvey Wines received a birthday gift from her Secret Pal.

Lovely refreshments were served to Mmes. Brown Smith, Harvey Wines, T. J. Spry, Olan Murdock, Lynn B. Jones, Odessa Crisman, Elam Orcutt and the hostess, Mrs. Orr.

Travis Baptist Groups Observe Week of Prayer

The W. M. U. and Brotherhood of Travis Baptist Church observed the State Missions Week of Prayer Program Sept. 12 through 18. The theme for the week was "Free Because He Lives." The Brotherhood brought the program Sunday at 6 p.m.

Mrs. W. S. McQueen was program leader for Monday, Tuesday, Thursday and Friday mornings, when the Baptist Women and Baptist Young Women met together and discussed the Mission projects and needs in the state of Texas. A season of prayer was held each session remembering all the needs of Texas, the missionaries and special prayer was given for the missionaries having birthdays each day calling them by name.

The women attending the morning meetings were Mmes.

G. W. Wiggins, Myrtle Dunn, W. S. McQueen, T. C. Stevens, L. G. Rasco, Lynn B. Jones, Grace Richardson, Winfred McQueen, Dale Ward, Bobby Ward, Dell Graham, Danny Martin, J. W. Chappell, E. M. Sampley and Miss Joyce Richardson.

Ward Motor Co. To Display 1977 Chevrolet Line-up This Weekend

Ward Motor Co., in Memphis will have the 1977 Chevrolet line-up on display today, Friday and Saturday, with Cokes and coffee being served Friday and Saturday, Dennis Ward announced.

The 1977 Chevrolet debuts as an all-new, full-size car for America, more closely tuned to changing consumer life-styles and matched with the nation's goals of conserving fuel and natural resources, Mr. Ward said.

The completely redesigned Caprice and Impala models offer crisp new styling with a long list of design and engineering improvements. The new Chevrolets boast more fuel efficiency and safety effectiveness while being 11 inches shorter and almost 700 pounds lighter than their predecessors.

The new models have more room inside despite the smaller exterior size. This includes more rear legroom and more front and rear headroom along with added usable storage space in the trunk.

Matching the trim new dimensions, additional operating efficiency and fuel economy is made possible by the addition of a 4.1 litre (250-cubic inch), six-cylinder engine in the standard power plant for sedans and coupes while the 5.7 litre (350-cubic inch) V8 becomes the top optional engine. All are used in conjunction with the automatic Turbo Hydra-matic transmission.

The 1977 Chevrolet is being offered in two series—the top-of-the-line Caprice and the ever-popular Impala. Two-door coupes, four-door sedans and four-door two- and three-seat station wagons are available in each series.

1977 Monte Carlo
The Chevrolet Monte Carlo heightens its appeal as a personal luxury car for 1977 with front and rear styling refinements and mechanical improvements that enhance ride and durability.

The Monte Carlo is again offered in the coupe body

style with a broad range of exterior colors and interior trims.

For 1977, the 5-litre (305-cubic inch) V8 continues as base engine. The 5.7 litre (350-cubic inch) V8 with four-barrel carburetor is the optional powerplant. Both V8s are teamed with standard equipment Turbo Hydra-matic automatic transmission.

Mechanical advances for the Monte Carlo in 1977 include new front springs for softer ride, improved corrosion protection, and a radiator pressure relief cap for more effective cooling.

1977 Chevelle
Chevrolet's Chevelle strengthens its position in the intermediate market segment with revised front and rear appearances and mechanical refinements for 1977.

Top-of-the-line Malibu Classic and standard Malibu series each offer a two-door coupe, four-door sedan and either two-seat or three-seat station wagons. The sporty El Camino three-passenger pickup model also is available in both series.

Chevelle appearance changes include new grilles for both Malibu Classic and Malibu models and a new tail lamp design for both series.

Base power plant for all Chevelle models except station wagons is the 4.1 Litre (250-cubic inch) six-cylinder engine. Standard engine for the Malibu station wagon is the 5 Litre (305-cubic inch) V8. This engine is optional for all other models except the Malibu Classic station wagon which uses the 5.7 Litre (350-cubic inch) V8 as base power plant.

1977 Camaro
The popular styling of the Camaro continues unchanged in 1977 as it is again offered in two distinct models—the standard sport coupe and the Type LT sport coupe.

The Camaro Rally Sport option commands attention with three new contrasting

1977 CHEVROLET CAPRICE—Pictured above is the 1977 Chevrolet Caprice Classic sedan. This is the debut of Chevrolet's all-new cars for 1977. Ushering in a new era of Chevrolets, the 1977 Caprices boast more fuel efficiency and safety effectiveness. Although smaller in size and weight, more passenger and storage room has been achieved by new design features. Chevrolets can be seen today at Ward Motor Co.

accent colors to go with the special glossy satin black trim.

Six power train combinations are available for 1977. The most significant change in the engine lineup is the addition of 4.1 Litre (250-cubic inch) six-cylinder as standard power plant for the Type LT.

1977 Concours & Nova
Chevrolet offers two distinctive models in the compact market segment for 1977—the standard Nova with its long-standing appeal as the industry compact favorite and the luxurious top-of-the-line Concours.

Model lineup for the Nova and Concours includes four-door sedan, two-door coupe and two-door hatchback.

The popular Nova styling is continued from 1976 but the Concours has a new appearance.

Concours styling highlights include a massive new grille, lower profile parking lamps and chrome plated bumper filler panel in front and new triple rectangular lamps in the rear.

1977 Monza
Chevrolet's Monza presents

new levels of driving excitement and styling appeal for 1977, topped by the introduction of a new Spyder appearance option.

The Monza Spyder features bold sport striping, large, hood emblem, front and rear spoilers and extensive use of black accents.

The Monza again is offered in two basic models—the Towne Coupe and 2 plus 2 hatchback. The Towne Coupe features a new rear appearance with functional tri-colored rear lamps. It is available with sport equipment and appearance options.

Both the Monza 2 plus 2 and the Towne Coupe have 2.3-litre (140-cubic inch) Dura-built engine and four-speed manual transmission as standard equipment.

1977 Vega
Vega marks its seventh year in 1977, capping a continuing development program that has resulted in greater over-all durability and drivability.

In addition to advances in corrosion resistance, the 1977 Vega offers refinements in its four-cylinder aluminum block engine as well as a sporty

new GT decor and new standard interior trims.

Vega continues to be available in three body styles for 1977 including notchback and hatchback coupes and a wagon. Models include GT Hatchback and an Estate wagon.

1977 Chevette
Chevrolet's Chevette strengthens its value as a new kind of American small car with improvements in performance, economy, and brakes for 1977.

Available in one body style a two door hatch back, Chevette will also have a new 1977 "dress-up" option, the Sandpiper.

The 94.3-inch wheelbase Chevette, which is well established as the fuel economy leader of American-built cars, offers improved economy and performance for significant engine improvements.

Jake Roberts of Abilene, son-in-law of Mrs. Ora Denney, suffered a heart attack on Thursday of last week. He was reported to be improved and was out of intensive care Monday.

Progressive SS Class Meets In Foster Home

The Progressive Sunday School class met Tuesday, Sept. 28, at 3:30 p.m. in the home of Mrs. C. R. Foster, the teacher.

Mrs. Lynn B. Jones brought the devotional from Exodus 4:2 and Isa. 32:17, reading a poem "Discovery" by Toyohiko Kagawa and "Pace" by Albert Schweitzer.

Mrs. Foster presided over the business meeting. Mrs. Harold Hodges was elected president, Mrs. R. H. Shackelford, vice president; Mrs. Ralph Scott, secretary and treasurer; Mrs. Felix Jarrell, Mrs. A. L. Rogers, Mrs. Stella Phillips and Mrs. Wilda Trent, group captains.

The next class meeting will be November 2 with Mrs. A. L. Rogers.

Attending were Meses R. H. Shackelford, Felix Jarrell, O. L. Rogers, Lynn B. Jones, Stella Phillips, Ralph Scott and the hostess, Mrs. Foster.

Gov. Briscoe Approves Grant of \$214,761

Governor Dolph Briscoe announced approval of twenty-four Community Services Administration grants totaling \$214,761 for weatherization programs.

These grants are funded under Title II of the Head Start, Economic Opportunity, and Community Partnership Act of 1974.

Purposes of these programs include repair and winterization of housing of low-income persons through replacement of broken windows, patching roofs, caulking cracks and joints, weatherstripping, and insulation. In addition, some programs may provide emergency assistance for fuel utility payments and transportation.

Texas Voters Are Urged To Register

AUSTIN — Senator Lloyd Bentsen today urged Texas voters to register to vote prior to the upcoming October 2 deadline.

"Texans are fortunate to have one of the most progressive and convenient voter registration systems in the nation," Bentsen said. "I urge every eligible Texan to meet his duty by registering and voting in the crucial elections to be held this November."

Bentsen pointed out that only an estimated 60 percent of eligible Texas voters are registered to vote and less than 65 percent of those registered may actually cast ballots in November.

"Our nation faces some terribly difficult choices in the years ahead and the voices of all Texans must be heard through their ballots if we are to have the necessary leadership to meet these challenges," Bentsen said.

Bentsen noted that voters can register at their county courthouse or by mailing a voter registration card to their county clerk. Further information about voter registration may be obtained by calling a toll free number 1-88-292-9602.

The grantees for the ongoing programs, the amount they received, and the effective dates of the grants in this portion of the state are as follows:

Texas Panhandle Community Action Corporation, \$13,000, for a three-month period beginning August 1, 1976;

Community Action Corporation of Wichita Falls and North Texas Area, \$10,000, for a five-month period beginning July 1, 1976.

Grant processing and program liaison are through the Economic Opportunity Division of the Texas Department of Community Affairs.

Brush Control Field Day To Be Near Guthrie

Thursday, Oct. 7 from 8:30 a.m. is the date and time for a Rolling Plains Brush Control and Range Improvement Field Day at Guthrie and 6666 Ranches near Guthrie. The exact location is 30 miles west on Highway 101 at Pitchfork Hay Barn.

The general tour begins at 8:30 a.m. with a catered lunch planned for noon between 12:30 and 1:30 p.m. Covered in the field day will be the latest methods both chemical and mechanical to control mesquite and annual weeds.

Locals

Mr. and Mrs. Billy Thompson have returned home following a vacation at Lake Tahoe and San Francisco, Calif. En route home they visited in Tyler with Mrs. Thompson's father, M. A. Ward, and in Fort Worth with their daughter and family, Mr. and Mrs. David Peters.

Mrs. Verna Crump of Lubbock has been a house guest in the home of Mrs. W. C. Dickey for the past several days.

Gayle Greene returned home Tuesday from Malibu, Calif., where he spent the past week with his daughter and family, Mr. and Mrs. Steve Lentz and new son, Craig. Mrs. Greene remained in California and plans to return home on Sunday.

Each year the Veterans Administration provides some training for about half of the nation's new physicians.

Hall-Childress SWCD Directors To Attend State Meet Oct. 12-14

Mack Richards, George Foard, Ernest Rea, Jan Turner and Don Crook directors from the Hall-Childress Soil and Water Conservation District will be in McAllen October 12-14 to attend the Thirty-sixth Annual State meeting of Texas Soil and Water Conservation District Directors.

Henry Gregory, Soil Conservation Service will attend with the directors also.

The theme of this year's meeting is "Resource Management - Present and Future. Approximately 800 are expected to attend.

The purpose of the meeting is to review developments of

feeting conservation programs and to plan future conservation district programs and activities.

Dignitaries to address the group include: U. S. Senator Lloyd Bentsen Representative Bill Clayton, Speaker of the Texas House of Representatives; General James M. Rose, executive director, Texas Water Development Board; David A. Witts, attorney and general counsel, Texas and Southwestern Cattle Raisers Association; Mel Davis, administrator of the U. S. Soil Conservation Service, Washington, D. C. and Dee Brune, president, Association of Texas Soil and Water Conservation Districts.

Texas F. U. President Says Farmers Are Concerned About Low Prices

"Texas farmers and ranchers are deeply concerned about low prices and the bleak outlook for next year," Texas Farmers Union President Jay Naman of Waco said today.

According to the state farm leader, Texas farmers recognize that their problems relating to wheat, feed grain and rice prices are a direct result of the policies of the Ford administration and Secretary of Agriculture Butz. "Farmers see President Ford as the man who embargoed their grain exports and drove the price down at a time when there was an adequate supply for the American consumer. The labor unions never had the opportunity to make good on their threat not to load ships, because the Administration announced its refusal to sell grain," Naman said.

Texas farmers are comparing the poor performance of this administration to the promises of the Carter-Mondale ticket, according to the farm leader. He said they are inclined to accept the pledges stated by Governor Carter to set price supports at "no less than the cost of production," to maintain open export markets, and to relieve burdensome excess supplies on the market with a reserve in farmers hands, locked away from the market.

"Texas farmers want a farmer - Secretary of Agriculture who is sympathetic with the problems of family farmers and ranchers. They identify Secretary Butz with the international grain traders and the feed processors. They can't wait to get rid of the present Secretary of Agriculture," Naman commented.

"There is deep unrest and resentment among the farmers and ranchers in Texas. Rice farmers are disgusted with the administration over the loss of the rice program. Peanut farmers are angry at the Secretary of Agriculture

for his distortion of the truth about the peanut program and bad administration of that program. Wheat feed grain and cotton producers are seething at the bad administration of the disaster program and the low loan prices set by the Secretary. Cattle producers are mad at the attitude of the administration toward imported beef.

"I know of no segment of Texas agriculture sympathetic to the farm policies of this administration. I predict the agricultural community will go for Carter and Mondale," Naman said.

First Methodist -

(Continued From Page 1)

ing to Rev. Ken Metzger, pastor.

The event will begin with a Salad Supper at 6:00 p.m. in Fellowship Hall and will be followed by the business session.

Dr. W. A. Appling, Pampa District Superintendent, will preside. Business includes the election of church officers for 1977, acceptance of appointments and benevolent askings, setting of salaries, and evaluation and goal-setting for the program of the church. Much preliminary work has been done in preparation for this conference, so the meeting itself will not take much time. The theme of the conference will be the quadrennial theme of the United Methodist Church: Committed to Christ - called to Change.

New Orleans -

(Continued From Page 1)

band. George W. Scheffer, four children; two sisters and two brothers, all of New Orleans.

Mrs. Scheffer's body was returned to New Orleans for services and burial in Lake Lawn Cemetery there under the direction of Spicer Funeral Home.

Mr. and Mrs. Elmer Teal and Miss Karen Crisman of Lubbock visited with their parents and grandparents, Mr. and Mrs. Lynn B. Jones, Sept. 17-19. They also attended the Hall County reunion festivities.

Memphis Young Homemakers Make Plans For Busy Year

Memphis Young Homemakers, which was organized in September 1967, has a busy year planned for the year.

Working with the purpose of the organization, the local chapter combines program and develops skills in home-making to provide wholesome and recreational activities. Members choose projects which will be beneficial to the community.

Among the program plans for the year are the following:

1. A butcher will be invited to give a program on meats.

2. LaNora will bring a program on hand crafts.

3. West Texas Utility will give a program on Goodies.

4. A program will be presented on Child Abuse.

5. Jack Eberhardt will give a lecture on Jew-elry.

6. A program will be presented on discipline of children.

7. Don Long will give a program about the services available to offer. Mr. Long is president of the First State Bank.

8. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

9. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

10. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

11. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

12. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

13. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

14. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

15. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

16. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

17. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

18. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

19. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

20. A program will be presented on the services available to offer. Mr. Long is president of the First State Bank.

ADVISORS—Nancy Montgomery, left, and Kathy Teat, Memphis High School homemaker teachers, are serving as advisors for the Memphis Young Homemakers. As advisors, they assist the chapter with policy making and other activities.

husbands are special guests in August.

Projects September has already been a busy month for members of the local Chapter of Young Homemakers. A donation was made to Muscular Dystrophy and the "Family of the Year" was selected by the members. The Dale Ward family was selected and presented an engraved plaque.

For the month of December, the chapter will choose

a needy family from the community. Each member of the club participates in this project. They find out what the family needs and of course there are always Christmas toys for the children.

February is the month for Sweethearts. The chapter honor their husbands with a Sweetheart banquet and select a "Husband of the Year."

"Our husbands really do a lot of babysitting for us and seem to be more than glad to

MYH OFFICERS—Officers of the Memphis Young Homemakers for 1976-77 are pictured above. They include, seated, left to right Nelwyn Ward, projects chairman; Charlotte Knight, president; Judy Stewart, secretary-treasurer. Pictured on the back row, left to right, are Cindy Welch, reporter and historian; Connie Murdock, parliamentarian; Murream Graham, program chairman and Carolyn Altman, social chairman.

help us any way they can. We would like to choose all of them, but we are limited to only one," members stated.

In March the Chapter holds its annual money making project, a Volley Ball Tournament. This year's tournament is scheduled for March 24, 25 and 26.

In May, members realize the busy year is coming to an end, and it will be time for plans to be made through the summer for the next year.

The year will conclude with the selection of a new Little Sister. The Junior girls are honored with a Coke Party in April or May which gives the chapter member a chance to meet and get to know them.

Any homemaker, age 18 to 35 years of age, is cordially invited to attend the meetings.

Homemaking Teachers Serve As Advisors For Young Homemakers

Nancy Montgomery and Kathy Teat home Economic teachers at Memphis High School, are this year's advisors for the Memphis Young Homemakers. This is Nancy's second year to serve and the club now welcomes Kathy in her first year in this capacity of co-advisor.

Nancy and Kathy attend all meeting and social functions as well as assisting the club in policy making programs, planning and serving on all committees including the executive committee. They are indeed a benefit and an indispensable element in the overall club functioning. It was stated.

Nancy's husband, Bill Montgomery, is high school basketball and assistant football coach. Kathy's husband, Roger Teat, is Junior Varsity football coach and Girl's basketball coach.

MYH Members Attend Area Meet In Lubbock

Seven members of the local chapter of Young Homemakers of Texas attended the Area I convention at Lubbock on September 18.

These members participated in the business meeting and election of area officers. Voting delegates representing the Memphis Chapter were Shirley Ward and Vivian Martin.

The afternoon concluded with a program on "parenting" given by Dr. Charles Smith and Mrs. Bryan Edwards, both professors at Texas Tech University, and installation of incoming area

LITTLE SISTER—Audrey Phillips, Memphis High School Senior and president of the Memphis Chapter of Future Homemakers of America, has been named Little Sister of the Memphis Chapter of Young Homemakers. She is the daughter of Mr. and Mrs. Cecil Phillips. Miss Phillips was recently named first runner-up in the Area I Convention Little Sister contest held in Lubbock.

officers.

The evening was the 16th annual award banquet of area I Young Homemakers and Young Farmers of Texas.

The meal and delightful program by Bill Mayes of Kalls were enjoyed by members and husbands. The highlight of the banquet was the awards presentation.

The Memphis Chapter entered the Outstanding Chapter Award. Judy Stewart was nominated for the outstanding Young Homemaker award.

Audrey Phillips, the local chapter Little Sister, received the honor of being first runnerup for the Area I Outstanding Little Sister Award. Audrey will represent the area on the state level in the event the area winner fails for some reason to act in that capacity.

Those attending Area I convention and banquet included Mr. and Mrs. Jim Stewart, Mr. and Mrs. Bobby

Ward, Mr. and Mrs. Dell Graham, Mr. and Mrs. Danny Martin, Mr. and Mrs. Dale Ward, Mr. and Mrs. Brian Welch and Mr. and Mrs. David May.

Memphis Home Demonstration Club to Meet Monday

The Memphis Home Demonstration Club will meet Monday, Oct. 4, at 1:30 p.m. in the Bronze Room at the First National Bank.

Miss Tina Willmann, Assistant County Extension Agent-at-large of Vernon, will bring a program on plants.

Everyone is cordially invited to attend, members stated.

Mr. and Mrs. Winston Jones of Lubbock visited his parents, Mr. and Mrs. Lynn B. Jones, Sept. 19 and 20.

Nelwyn Ward Newly Chartered Member

Memphis Chapter of Young Homemakers was organized in September 1967. Nelwyn Ward has the honor of being the only charter member of the organization.

Mrs. Mary Sue Beasley is the first advisor for the organization.

Ward said, "This organization has really meant a lot to me. I was new in the community and it really helped me to make new friends and find out more about my community. It is also a place to share ideas with other homemakers. I feel my life has benefited so much from the things I have learned from this organization."

She has held several offices as president, treasurer and two years social chairman. I am presently serving as projects chairman.

Members elected Family of the Year in 1969-70 and I selected Sweetheart in 1973 benefit."

The Veterans Administration will pay about \$8 billion in five million American's entitled to compensation on checks this year.

BYRON BALDWIN

All reports, the Hall Picnic was bigger and this year. I had a piece of barbecue which was the ever ate. I think Roy must have had the beehives this year. Friday or Friday. I saw the getting ready picnic - Bones McQuen and his brother-in-law, Martin of California, in a parlor getting up to improve their for the McQueen re- and the picnic. The name was Nolan Baker Worth, who was rear- the Deep Lake area, parents were the late Mrs. T. N. Baker. has been a regular at- each year for the pic- thank Nolan for his sion to Heritage Hall. was the second year to miss the picnic in 40 years, and I am forward to next year. the pleasure of viewing od parade this year, floats and with about eback riders from lit- etlands on up to the quarter horses. The dis- of the power farming ents that were in the was good. They carry inventories in Memap- I would estimate there about 1/2 million dol- irth in the parade. d the pleasure of spend- hours in Hall County ge Hall on Saturday on. It looked bigger etter to me than ever I had a lift of spirit when I attended church s, the first time in al- year. The church and looked prettier than I had another bright

checking the city re- for information in the of the La France fire that was in the parade as on display in front heritage Hall Saturday picnic, the records that Fire Chief Si came before the City il, relative to asking y to buy a 750 gallon r truck. This request med to the fire com- who were J. M. Me- J. F. Forkner and B. venport, who were soon ing bids for a new truck Mack Boyer, Seagraves, France and others. The ame in and the deci- was for the La France a price of \$1,500 cash an allowance trade-in of old Brockway chain drive with solid rubber tires \$1,000 with \$4,000 cash \$7,500 on delivery April 30, with a discount of for the cash price. At ime, S. T. Harrison was r and City Attorney was J. Hamilton, Si Woods, re chief, died from an ent while making a fire and with the old Brock- backing over him, he got to see the new La- re. My guess would be a truck of inflation times d run \$50,000 or more. remember the first fire nment after we had run- water which was a hand with regular garden hose with the fire alarm going the men would make the en foot- remember when the Mem- Volunteer Fire Dept. was ized, John Dennis (fa- of Hubert Dennis) was arter member. After the of Mr. Woods, Mr. W. angun served as fire t and the next one for position was M. G. Ray, on-in-law of Mr. Woods. d in the minutes of 1927 e the fire chief asked the City allow \$200.00 seven Memphis volunteer dept. members to attend ate meeting in San An- . The motion was made llow the amount by T. eel, a City Council mem- ward 3. In the year 1929, the City allowed 00 for 6 firemen to at- the convention in Gal- n. D. L. C. Kinara was rary for the City for a ber of years and Bill ey was tax collector and truck driver; also Dr. C. dham was city health er. We needed a health er as the City was having od many complaints on nitary hog pens and we several people that did want to put their Privy air home. In the City tes of this time, C. T. ns, S. S. Montgomery W. B. Quigley came be- the council asking for thousand dollars to help ounty build a band stand the northeast corner of Courthouse. This band- was built and the Gold al band furnished enter- ent on Saturday nights, other special occasions. I mber Mr. Forkner was r had served his time at cause leaving J. M. elvy and Bascom on the

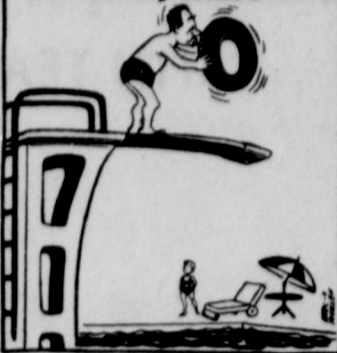

ton. He says Alvin is now a town twice the size of Memphis. Frank's mother, Mrs. Q. C. Duke, arrived in Hall County near Deep Lake in 1908 with eight children. She was a strong character and a good homemaker and manager, as she taught each one of her children the importance of work. Out of the eight children, three are still living, Jimmie of Fort Worth, Bess (Mrs. Tom Wilson of Quail) and Frank of Alvin. Frank attended school through the sixth grade at Deep Lake where his first teacher was a Mr. Glass who came to Memphis for his seventh grade work, however, he says he sat through the 7th grade and did not learn too much. In his early days at Deep Lake, there was a General Store, and he the school. Frank said he never did like to pick cotton, but it was

that or else, and he turned out to be a champion cotton picker. Frank worked in 1918

for a bank in Fort Worth for \$50 per month. In 1927 he was in Oklahoma as a salesman. He next made the trip to Valpariso, Ind., where he took an academic course for one year. He next was selling books in Virginia and also worked for the Naval Proving ground at Dato Green, Va., making enough money to get him back to his native Texas. He married an Oklahoma girl in 1929. She passed away in 1973. They had one son, who lives in Cleveland, Texas, and two daughters who live in Dallas. Frank now has 8 grandchildren and one great-grandchild. Frank lived in Artesia, N. M., and Monte Vista, Colo., before moving to Alvin where he was in the real estate business for about 26 years. He remembers when they were on the farm at Deep Lake, what a drouth they had for 2 or 3 years. One of these years they only made two bales of picked cotton and

The Lonely Heart

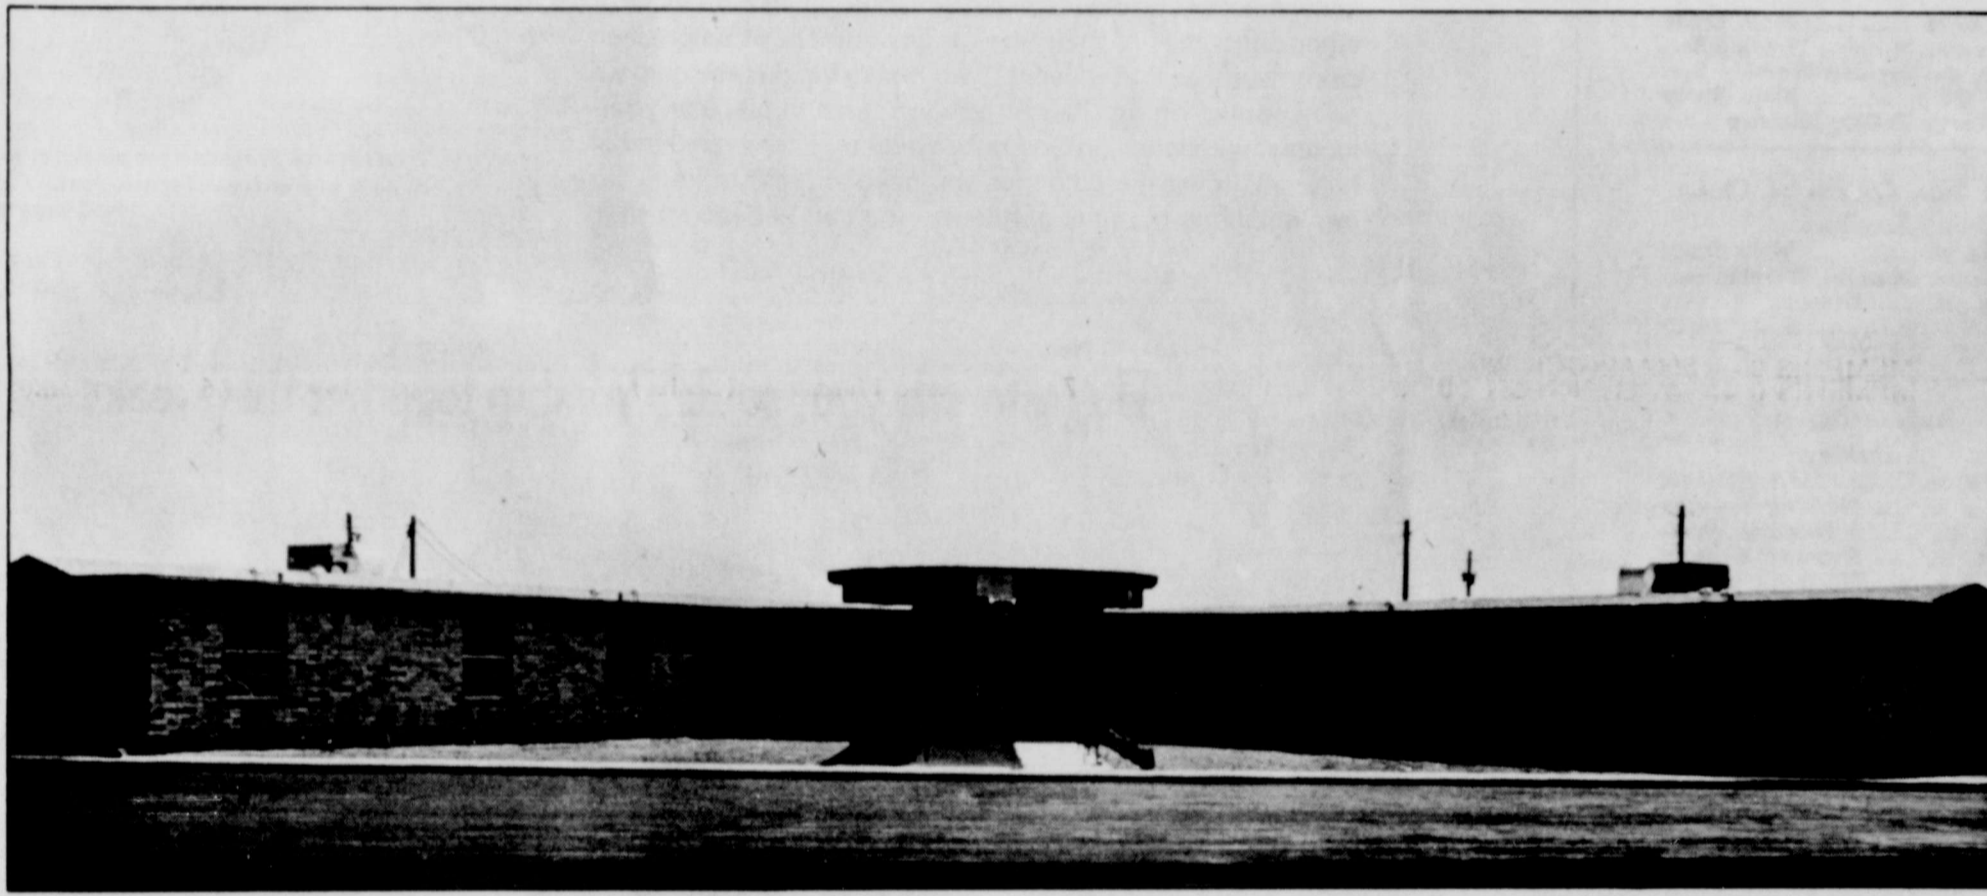

two bales of boilies. He said the drouth was so bad that all of the Baptists moved away and left the Methodists in that area, but after the drouth, some of the Baptists moved back to the Deep Lake Community. Three birthdays that I heard of on Sept. 21 (equinox day) to bring in the beautiful fall sunshiny days. Our congregations to these three and may they have many more sunshine

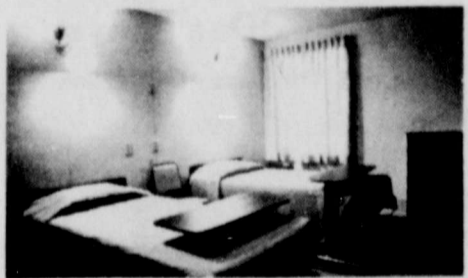

days. They were Gladys Power, Pauline Kilpatrick (Mrs. William) and Dick Jones. We had another addition to the displays in Heritage Hall. This is a very outstanding piece of handwork of crocheted pillow case in the colors of the American flag. This work of art was created by the late Mrs. M. M. Shirley. This pillow case is in a frame made of molding from lumber of the old schoolhouse at Plaska. This outstanding creation is loaned to Heritage Hall by Ada Ruth Graghead and Delora Chappell, daughters of Lizze Shirley. Mr. and Mrs. M. M. Shirley moved from Springtown to Hall County in 1916. This family moved to Friona about 1937 and lived there for a period of time before returning to Hall County. There were three children in this family, the one son, Mason Monroe, was killed in a gin accident at the Plaska gin. I am not a qualified judge of politicians, but I can express myself in my ignorance. My thinking of the debate between our two candidates for president last Thursday night on TV. They would have shown more intelligence if they had spoken their own words. To me they were more like robots with their comments pre-taped by their press secretaries which they had studied and that was all they could say. And when they went off the air, they still just stood there as statues without a word being spoken. I wish that our candidates would run on their own merits and not on the demerits of their opponents. About 30 per cent of VA's 200,000 employees represent minority groups.

Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

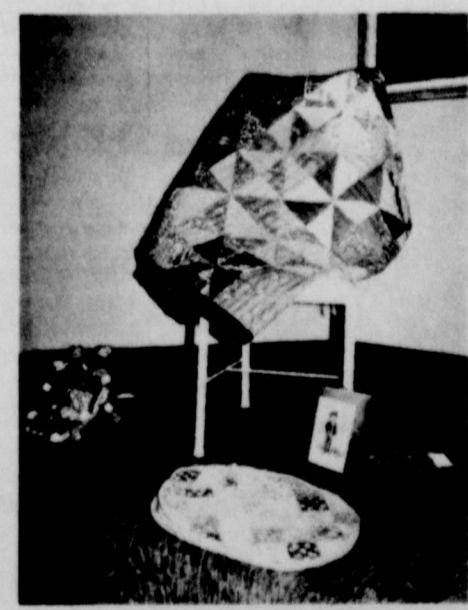

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.

Rev. E. G. Johnson, pastor

Many of us have had the unpleasant experience of depending too heavily on someone for help, with the result that the person whom we had trusted failed us at the crucial moment. Although the vast majority of people will accept a responsibility with the best intentions, they often become the victims of faulty memory, an overcrowded schedule, illness, financial or other difficulties of their own, or any number of unforeseen circumstances that prevent them from giving us the help we had counted on. In Church, you will learn to place an ever-increasing reliance on God rather than man for every kind of help, including the guidance you need in order to find your own solutions to many problems. You can depend on that.

"Put not your trust in princes,
nor in the son of man, in
whom there is no help."
—Psalms 146:3

Trust not a man's words if you please, or you may
come to very erroneous conclusions.
—George Borrow

He restoreth your soul....Worship together this week
