Cotton Guessing To Begin This Thursday

The Memphis Democrat's annual Cotton Guessing Contest will open today, Bill Bales, Editor, announced this week. The contest will run for three weeks. This will be the 30th contest held and the contest has been held with readers of the Democrat trying to guess the number of bales of cotton produced in this county. Entries may be made at the Democrat office or by mail. A card or letter to Bill Bales, Editor, 130 Texas 79245, list name, mailing address and number of bales. No entries will be taken over the telephone under the rules of the contest, primarily because no proof of the actual guess could be retained in the permanent file on a telephone conversation. First United Methodist To Begin 'Pony Express' Run Sunday, Nov. 7

A "trail boss" breakfast and worship service Sunday will signal the start of a Pony Express "run" at First United Methodist Church. The Rev. Ken Metzger, pastor, said he expects 28 members filling the roles of trail bosses and station agents to be on hand for the breakfast briefing. Church families on the Pony Express run will be relaying stewardship saddlebags to gather "estimate of giving" cards. Peggy Becker, general manager of the stewardship campaign, will hand out the saddlebags and run route lists at the breakfast. A relay of the saddlebags among church members will begin immediately after morning worship she said. Each saddlebag bears the names of 10 church families. A family fills in a giving estimate card, seals it in an envelope and inserts it in the saddlebag pouch and then hand carries the saddlebag to another of the families on the route. "We're excited because of the enthusiastic reception the plan has received thus far she said. "There's a spirit of teamwork and, at the same time,

SKY HAWK AWARDS—Coach Clyde McMurray took opportunity to recognize the four Cyclone defenders who intercepted passes against Wellington Friday. The four Cyclones each were given "Sky Hawk" certificates. From left to right are: Kirk Fields, Tracy Galloway, Terry Allard and Anthony Johnson.

The Memphis Cyclone lays it all on the line Friday night when the football is teed up at 7:30 p.m. in Cyclone Stadium as the traditional Memphis Cyclone-Clarendon Bronchos gridiron clash continues.

As has been the case in most years in District 2-A, this game will figure heavily in the eventual District representative in post-season play-offs.

Clarendon has lost only one game, that being to Wellington in district play, while Memphis stands at 2-0 coming off a 12-0 victory over Wellington. The Bronchos could capture a piece of the district crown with a victory over Memphis Friday.

Secondly, the Memphis-Clarendon game is always an affair where past records on home field mean very little when the two teams meet and a championship hangs in the balance. If anything, the underdog usually has the advantage as the favorite's field past records indicate.

The Bronchos are 5 and 3, while Memphis stands 3-1 for the season. Memphis and Clarendon each lost to Childress, Memphis 20-12 and Clarendon 26-0, and each has played Quanah and Wellington.

Memphis will be favored, but coming off the tremendous effort at Wellington last week, while Clarendon was idle preparing for this week's encounter, the favorite nod means little.

Clarendon brings a highly respectable rushing attack into the game, utilizing the Houston veer. No. 15 Howard Weatherston at quarterback is extremely fast and totes the ball numerous times. He also is a competent passer. No. 41 Barry Schaffer, 165, and No. 34 John Hall, 175, each have had over 100 yards in some games this season toting the football. No. 20 Tony Wallace is the wingback at 155 lbs.

Ends are No. 85 Bubba Newhouse, 150, and Irven Thomas, No. 88, 150. Tackles are Dewey Ford, 180 and Ken Shelton, 185. Guards are Jackie Longan 230 and Mark Mann 140. Defensively, the Bronchos have Schaffer and Mike Newhouse at linebackers, with Dan Brandes and Keith Topper at outside safeties.

Tony Wallace and Howard Weatherston are deep safeties. The front wall is John Hall, Dennis Petty (190), Ricky Gerner (155), Dwight Hardin (165), and John Tucker (150). The Bronchos have impressive depth.

Cyclone Starters
Coach Clyde McMurray said Wednesday the Cyclone will go with the same starting combinations the team has used for several weeks.

"When Memphis and Clarendon meet on the football field," Coach McMurray told local Booster Tuesday, "you can throw past records away. The team that plays the best will win this one."

"Since it's Memphis' Homecoming, and since the District Championship is at stake we're expecting Clarendon to play their very best, throwing everything they have at us, they have everything to win."

Memphis Coaches Tuesday, cited four players for outstanding performances. Danny Murdock was named offensive lineman against Wellington. Pete Salinas was named defensive back. Steve Browning was cited as defensive lineman and also for giving the "big lick" on defense. Kirk Fields and Pete Salinas were tied for the offensive back award so each received certificates.

Coach McMurray, then, presented Anthony Johnson, Kirk Fields, Tracy Galloway (Continued On Page 12)

EDITORIAL

Election Result Watching!

It's a bleary-eyed editor who sits at the typewriter on the morning following the 1976 general election. Early Wednesday morning with Jimmy Carter holding 235 of the needed 270 electoral votes, and President Gerald Ford needing almost all of those remaining, sleep set in. But at 4 a.m. something aroused this editor from sleep. To the TV set in a flash, just to catch ABC's credit listing on who helped with election coverage. It wasn't until early Wednesday morning that we learned that Gov. Jimmy Carter is to be our next President of the United States.

The election was close, just as newsmen and pollsters had predicted. Voter turnout at the polls over the nation was better than most predicted. Maybe this is the reason Democrat Jimmy Carter was the winner.

Hall County for example, voted 72 percent strong, as 2,347 showed up at the polls to vote of the 3,244 registered voters in the county.

Now, with a larger voter turnout, states like Texas, which could have gone either way but eventually went for Carter, were probably moved into the Democratic column because of the rural vote majority for Gov. Carter. Hall County gave Gov. Carter 71 percent of its votes, which totaled 962 voters above the break even mark.

Obviously, the big cities like Dallas and Houston voted a preference for President Ford, and the northern Panhandle counties followed a traditional Republican leaning, but southern Panhandle counties and South Plains (cotton belt) followed tradition Democratic leanings which probably made the difference, state-wide.

We want to take this opportunity to congratulate native-son Jack Hightower on his successful bid for reelection over his Republican opponent, Bob Price. Cong. Hightower enjoyed even a bigger margin of victory than he had two years ago. Hall County, this time, gave Cong. Hightower 77 percent of its votes.

Hightower and Price were active during the campaign, and the public debate was used throughout the district to help voters decide on the issues. Actually, the debate helped Cong. Hightower establish several points in the minds of district voters. One point Cong. Hightower made over and over again was that he was running for office to represent the people of the 13th Congressional district and not as a party "rubber-stamp". "I'll work with either man elected President," he said. Bob Price, on the other hand, has been a strong Party man for the Republicans throughout his public career.

It appears that voters across the nation voted their mind in the 1976 General Election, in sufficient numbers to be impressive. The right to vote is a privilege few citizens throughout the history of this world have ever enjoyed. We are all thankful that citizens of the United States felt the privilege was valuable enough to go vote during the 200th year since the experiment in self-government began.

What Other Editors Say

Those people who have been critical of Jimmy Carter for the much-publicized Playboy magazine interview should, in simple justice, read the interview for themselves, in its entirety... or shut up.

We who do not normally read Playboy, and that is a category in which the vast majority of Americans surely belong, ought to be able to overcome our prudishness long enough to read a well-written report of a serious interview (and that is what it was) while keeping our eyes averted from those provocative pictures of naked ladies (there are no pictures at all on or opposite the pages on which that interview is printed) and discover for ourselves the truth of what all the Republican campaign propaganda is talking about.

We should, that is, if we are really interested in knowing the truth.

This editor was interested, and did read the article, and is prepared to say, without qualification, that there is nothing in that interview of which Jimmy Carter need be ashamed... not even that snippet about "a lusty in his heart" which has been taken out of context and enlarged and enhanced by political propagandists to make Jimmy Carter appear as a purveyor of pornography... and those who attempt to discredit the Democratic Presidential candidate for it speak either out of ignorance or out of spite.

We feel sure that the architects of Republican Party political policy, who have attempted to discredit the Democratic candidate because he dared to speak to the readers of Playboy, did not act out of ignorance, which

leaves us only the conclusion that they are knowingly and deliberately lying to and attempting to mislead the American people... a tactic which we despise.

What is more, we think that Governor Carter's fellow church members of the Southern Baptist convention, including the estimable Dr. Criswell of Dallas, ought to take great pride in the deep respect with which Jimmy Carter speaks of his church and its teachings... even in the pages of Playboy magazine.

Deep Lake. He remembers how excellent the water was, as people from several miles around brought their barrels on wagons and sleds to fill and take home. Deep Lake seemed to have an unending supply of good water. He remembers that Mr. Moreman moved his gin to keep from polluting this fine lake of water. Some of the families he remembers so well in his early days are the Moremans, B. F. Copes, T. N. Bakers, 3 of the Hancock families and the Duke family. The C. C. Chappell family lived on their farm until they passed away. Mr. and Mrs. John Blanks farmed this land later. Mrs. Blanks was the former Sally Chappell. Bert's brother's wife, Mrs. J. W. (Jim, Sr.) is now living in Memphis where her children are now living including Jim, Jr., Judge; other children of the Jim Chappell family are Mary Jean Trahan of Houston, Al of San Angelo and Virginia Saban of Lubbock. In my telephone conversation with Virginia, she says that her mother is still a good cook and they like to come home and put their feet under Mama's table. Their dad (if I remember right) was the top mule team driver in the wagon days for his dad, C. C. I have known the remarkable family of C. C. who showed love in their hearts for them and their fellowmen. There were 13 children born to this family and 11 of them lived to be grown. There are only two of these children now living, Dannie (Mrs. McMahon who is in a rest home at Richardson, Texas) and Bert, both in ill health. In the 76 years the C. C. Chappell family had an expansion from that farm he bought from the Shoe Bar Ranch.

up and retired, "Well done thou good and faithful servant."

This Chappell family whom I have known a good many of them in the different generations and I found that they were taught in the old-fashioned way of life, "If you eat, you must work."

The story below, taken from the book, "As We Remember", which was printed by the retired teachers of Dallas County, is as follows: "In 1927 when teachers were a dime a dozen, I was hired to a position in the Bean School in Hudspeth County, not only by the magnanimous salary of \$100 per month, but also for adventure. When I excitedly descended from the pullman at dawn, the postmistress of Fort Hancock directed me to the Hare's Hotel - Cafe - Dance Hall Mercantile Co. across the tracks. There I was given a room and told that Bud Bean, one of the trustees, would be in for the mail in a day or two; he would take me to Esperanza, 10 miles down the Rio Grande, where night I was invited to the regular Saturday night dance in Hare's Hall. I danced a few times with burly cowboys in boiled white shirts and shined boots, but I was too tired from excitement to enjoy the shindig. As soon as I fell in bed, I was out like a light, only to be rudely awakened at 2 a.m. by a drunken man shaking me and demanding a dance with the new school teacher. Laughing uproariously two other men evicted him, leaving me trembling and determined to return to Austin on the next train. I pushed the dresser against the lockless door and piled every other available piece of furniture to make a mountain. The rest of the night I sat bolt upright, with the covers pulled up to my chin, my heart pounding like the clapper of a train bell at a crossing. Trustee Bud Bean arrived early the next morning and in his persuasive manner, talked me into staying. In fact, I stayed and experienced many more events new to an incredibly naive 18 year old.

Information came to me that Mrs. Ethel Fowler, Clara Pyeat and Ruby Thornton made a tour of Oklahoma and Arkansas, visiting in Oklahoma City and Will Rogers Museum at Claremore, Oklahoma, Eureka Springs and Fayetteville, Ark. Also, they made a tour of Oral Roberts

University grounds. I do not know whether or not they were trying to enroll in the university. I think they had a great time. Only one casualty I heard of was when Ruby arrived home, she could not get her Sunday shoes on and had to miss Sunday School and church (or go barefooted). She said she had to wear shoes in Arkansas as the rocks hurt her feet, trying to keep up with Mrs. Fowler and Clara Pyeat. They said the food was good and the scenery was great.

We received a letter from the C. H. Murphy family of Friona. They are doing great in that area. In this letter, he happened to think that their son Mike was named the outstanding player on their high school football team. Our congratulations to Mike, also to his parents, C. H. and Nita.

I can remember in the early days when a mother gave birth to a child, or you had an appendix operation, they would be confined to their bed 3 or 4 weeks. Not so now with modern doctors and medicine which have changed the program. I have noticed some mothers out of the hospital in two days. I think Virginia Browder had her appendix removed a few weeks ago and they only kept her from the post office three days. Of course, Virginia is above the average person with all of her vim, vigor and vitality.

we have spent a lot of money to try to elect a president. From the set up for both parties will run pretty close to a million dollars of tax. There will be a lull in following businesses — and bus fares; also, newspaper advertising; the manufacture of the stickers and the no-button manufacturers of the speech writers along with ABC and NBC. It may be that they will have a subsidy. The Democratic and Republican candidates each but 175 pounds. In the cost, and their best price per pound president we ever had in the history of the United States. If I figured it out the cost per pound of president will be over \$100 dollars as each one would have a value of \$100 dollars per pound of the sideline donation individuals and corporations taking the poll votes. I met here, it showed they were not over the candidates. Any freight comes pretty shipping our presidential candidates several over the U. S. before at the White House. I pray for the to win the seat in responsible place to carry and good will to all.

after going up and down and through canyons. I came to the conclusion that the one that gave me the directions was trying to lose me. I found the home was located in a very private place as you could not see it until you were almost in the yard. Others to whom I can remember making these deliveries were John Russell, Lee Wheeler, J. M. Ferrel, Mr. Weatherly, Fred Lacey, Joe Colvin, south of the river. North of the river I remember Henry Youngblood, D. C. Hall, Arthur Gidden and Will Beavers. We read and hear about the millions the political parties spend today. This does not compare to me with what the Hall County Democratic party did for me, when they paid me \$25 for the two-day delivery of the voting boxes as some of you will remember in the 30's, you could pay your month's grocery bill with that amount of money!

There was a special occasion Saturday in one of our local drug stores, as Fern Boone brought her friend, Mrs. Temple Deaver, down for a store bought cup of coffee and Willie Mae transplanted me at the conference table where there was a small political rally with Gayle Greene, J. Martin, Earl Clements, J. D. Riley, Henry Solomon, J. R. Mitchell and others. This was the first time I had seen Mrs. Deaver in over a year, with both of us in ill health.
We received a letter the past week from Bert Chappell who is now S. C. Chappell of 408 W. 7th St., San Juan, Texas 78589. He says he still reads the Memphis Democrat, trying to keep up with the Hall County people whom he knew when he was a schoolboy in Hall County, especially around the Lakeview and Deep Lake area. Bert will be remembered as the youngest son of the late Mr. and Mrs. C. C. Chappell who moved to Hall County in 1900 and bought a farm from the Shoe Bar Ranch near Deep Lake. Bert started school at Deep Lake in 1909 when he was 9 years old. He remembers walking 3 1/2 miles across the Shoe Bar Ranch with prairie dog town all over the ranch. He and his two sisters, Dannie and Sally, and three nephews, Eldon, Deb and Rubert Holcombe, attended the Deep Lake boxed and stripped school building with the old homemade desks and pot-bellied stove, and they had that good sweet water out of

Religious groups coming to the home during the month of October for services were El Manuel Baptist Mission each Sunday at 3:00 p.m. Church of Christ each Tuesday evening at 7:15 p.m. and the Assembly of God from Estelline each Friday evening at 7:00 p.m.

A birthday party was given October 8 for Mrs. Clara Long who was 87 October 7; Fina Allen who was 71 on October 13 and Myrtle Rea who was 83 October 27. Mrs. Eddy and Keeshe furnished entertainment for the occasion by playing the piano and singing. Ice cream and cake was served.

Another Birthday party was given October 16 for Mrs. Amanda Marián, who was 100 years old on October 14. She was dressed in a beautiful orchid long dress made by her granddaughter, Hazel Oliver. She wore a white orchid furnished by her family. Happy birthday was sung to her and her picture made with her cakes. May friends and relatives came to help her celebrate her 100th birthday.

Entertainment for the occasion was furnished by J. B. Yates, James Canida, Elmer Childress and Johnny Hancock. Ice cream and cake was furnished by Mrs. Martin's family and was served to all.

SPORTS CORNER

By BILL COMBS
I commented to one of my football friends last week that it was really a big weekend for me. Memphis played Wellington, Texas Tech played Texas, and Dallas Cowboys played Washington Redskins. I told him I would be ever satisfied with one out of the three so long as it was a victory over Wellington. I never dreamed of a clean sweep, but Memphis, Texas Tech and Dallas made it a wonderful weekend.

Let me say first off that Memphis' defense accomplished an almost unbelievable feat in crushing Wellington's highly talented rushing game. Face it, our defense this year has not stopped rushing attacks of a much weaker variety, but if our defense had played other games with the intensity they showed on the field against Wellington Friday night, they probably would have.

Also, the spirit of the Cyclone team did not show much let up throughout that contest. The game was clean, hard fought, hard hitting, and exciting, even though the defenses were dominant throughout much of the contest.

Memphis team, however, still has two more crucial district games to win before they can become a district champion. Friday night the Clarendon Bronchos, who defeated Memphis 3-12 last year, will be visiting with upset in mind and hopes for a piece of the district title much alive in Broncho hearts. Memphis will have to be up for this game with all thoughts of last week's success erased. The coaches ask that all fans encourage the focusing of attention upon Clarendon as each game is equally important in district play.

CRADLE ROLL CALL

Mr. and Mrs. Charles E. Moore of Estelline are the parents of a son born Oct. 31. He has been named Shawn Lydell and weighed 7 pounds, 13 ounces.

Mr. and Mrs. Ronald B. Miller of Childress announce the birth of a son, Ronnie D., on Nov. 1. He weighed 8 pounds, 11½ ounces.

ism to produce successful results. Call it tradition born by several years of facing district show-down games. Whatever, Coach Clyde McMurray and his staff had the Memphis team ready.

Offensively, Memphis had too many penalties in crucial situations, and allowed some scoring opportunities to slip away for the game to be rated as a good offensive night, but Wellington has the best defense Memphis has faced since Childress. But the offense put winning points on the board and that's what really counts in the final analysis.

It takes a complete team to win big games. Memphis punter Ricky Guy and the punt and kick-off coverage units played key roles in the victory. One miscue in this phase of the game could have cost dearly. Memphis, how-

ever, did not commit a single, costly mistake. This is a sign of maturity on the part of the Cyclone team.

Coach McMurray in a conversation with me after the big win said that some teams improve during the season and play their best football in November, while other teams play better at the first of the season and tend to taper off. "I believe we have been improving each week," the coach said, "and we are now at the point where our team can mix it up with any team in our classification if each player is dedicated and does his best each time we take the field."

All season long I've had one hope for the 1976 Cyclone team, and that is the squad comes through the season without serious injury to any player.

In summary, the victory over Wellington must go down in the record books along with the 1971 victory over Clarendon and the 1974 win over Clarendon as key victories for teams coached by Clyde McMurray in district play. Memphis, according to Harris Ratings, was a four-point underdog going into the game with Wellington, and since the field was wet and the temperature cold, Memphis having the smaller team which relies on passing, was at a disadvantage. The victory was impressive and the old football fever has ignited again as hopes for a playoff berth climbed another step toward reality.

Spring, 1977, fashion fabrics are heavily textured, ranging from pique and seersucker to woven terry cloth and duck. Many have a hand-woven look and seem almost heavy enough for upholstery.

Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

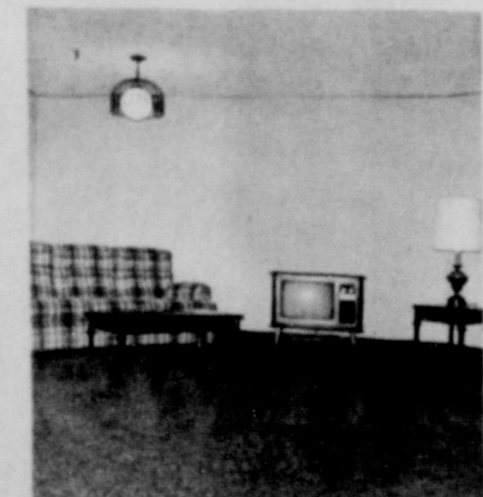

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television.

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.
