Borden County Landfill TO CLOSE

The Borden County Landfill will be closing as of October 7, 1995, if the EPA (Environment Protection Agency) does not approve a proposed rule change that will delay the implementation of Subtitle D for two years. The Borden County Commissioners' Court regrets having to take this action, but because of the high cost of the tough, stringent environmental standards dictated by the EPA Subtitle D this action was necessary.

Major EPA SUBTITLE D Regulations

1. Drilling and testing of groundwater monitoring wells
2. Financial assurance for thirty years after closing
3. Methane gas monitoring
4. Leachate disposal
5. Endangered wildlife assessment by qualified biologist
6. Stormwater runoff control
7. Benchmark surveying of site
8. Daily cover of waste
9. Permit modification to meet Subtitle D regulations by licensed engineer

If the EPA approves the rule change, the Borden County Landfill will remain open until the Subtitle D regulations take effect. This will allow the citizens of Borden County approximately two years use of their landfill. The EPA will announce the decision on the proposed rule change in 30 to 45 days (October 1, 1995).

The Borden County Commissioners' Court encourages anyone who would like to assist in getting the rule change approved to write or call their U.S. Congressman and/or U.S. Senator.

Rep. Charles Stenholm

If the Borden County Landfill is forced to close, each family will be responsible for obtaining waste disposal at their own expense; therefore, please assist the Court by contacting the above public servants.

AN OPEN LETTER TO BORDEN COUNTY:

I have waited until six months have passed since the plane crash before finally sitting down to compose this letter.

I have written personal thank you notes to all those friends and relatives who came to our rescue back on March 21st of this year, but I felt I needed to tell one more time of how fortunate and grateful we are to everyone.

I still do not know exactly what happened, but it must have been very quick. I remember only bits and pieces of the actual rescue by the Borden County EMS, but I would hate to think of where we would be without them and their dedication to our well being. My heartfelt thanks goes to each of those who were at the site as well as all the other volunteers who give of their time for us all.

I had times of despair, depression and thoughts of whether I could function as I was used to, but I am almost back to normal except I can not lift more than 30 pounds until March and my knee is still stiff.

I believe I had a guardian angel that day and everyone that had me and my family in their prayers had a part to play in my recovery. Many

people in the surrounding counties see me in town or at ball games and remarked that they were also praying for me. This is a great feeling to know that so many people were concerned and had me in their thoughts even though I never knew at the time. My thanks to all those friends that came to my spiritual aid.

I can not express how

grateful we were to have so many friends and relatives to come to work cattle, feed, mark lambs and help at shearing and haul water for livestock. With football in full swing and the filming of games started, I believe it feels like things are back to normal.

Thanks again to everyone for their help and prayers.

Ag Facility Work Day Planned: Saturday - Sept. 30th

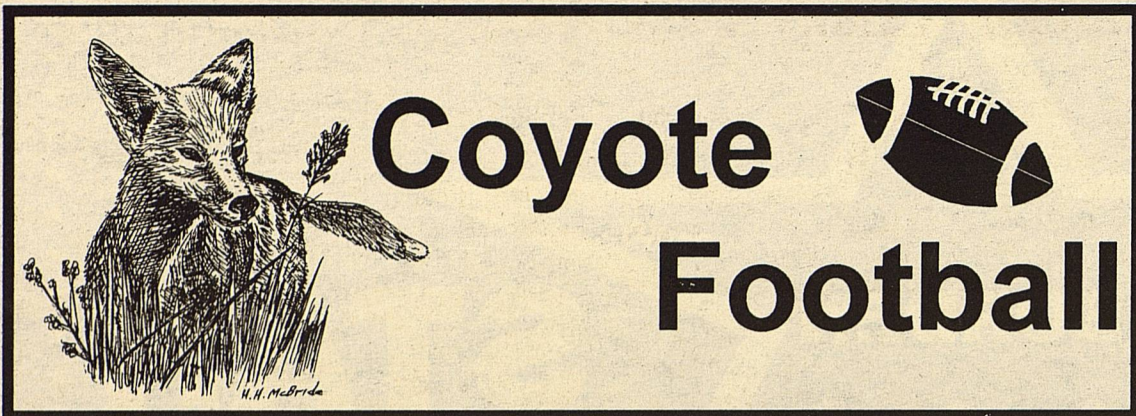

If you have not been to the Borden County High School Ag. Facility west of Coyote Stadium lately, then you may be in for a surprise. There is construction taking place towards another feeding facility.

The original FFA & 4-H feeding facility was constructed six years ago. It has grown so well that there are more students wanting to feed animals at this facility than there is room available. Due to this fact, the school has generously approved plans for the construction of new 18' x 90' barn consisting of 15 pens.

The goal is to have the new addition operating by November. Mr. Wallace and the Ag Mechanics Sr. Ag. class are working on this construction as part of

their skills development activities. However, to achieve this goal, there will be some work time needed in addition to student working during classroom hours. The first of these work days are scheduled for this month. Each will be on Saturday and will start at 8:00 a.m. Tools needed will consist of welders, welding equipment, torches, ladders and cut off saws. The focus of work on Sept. 23 and Sept. 30 will be on framing the 18'x90' barn. Anyone having questions concerning these work days should contact Buddy Wallace at 806/756-4313 (work) or 806/756-4478 (home).

Thanks for your support.

Southland Blanks Borden County 21-0

The Borden Coyotes' varsity team visited Southland, Friday, September 22, and were held scoreless by the Eagles. The Coyotes were unable to get much offense going and failed to reach the end zone. The Coyote defense played tough and held the Eagles to only 21 points.

The score at the half was 14-0 after Southland completed a 40 yard TD pass and a one yard plunge into the end zone.

It looked like Borden County would get into the end zone after Fernando Baeza ran 16 yards to the Eagle 5 yard line. The Coyotes were stopped short of the goal line in the next

4 plays. This was the only penetration of the 20 yard line for the Coyotes and they came up empty handed.

The Eagles scored their third TD early in the 4th quarter to make the score 21-0.

Oscar Baeza led the Coyote rushers with 13 carries for 51 yards and he had 15 tackles on defense.

Fernando Baeza carried the ball 16 times for 44 yards. He led the defense with 24 tackles.

Colt McCook completed 5 passes out of 12 for 53 yards.

Ryan Grant caught two passes for 25 yards. and

Roy Clayton caught a pass for 23 yards.

Grant Key had 11 tackles on defense.

Borden County managed 148 yards of total offense. The Coyote defense played well all night long. They held Southland to 262 total yards. The Eagles benefited from big plays that produced scores from 40 yards and 50 yards out.

The Coyotes played hard the entire game and never gave up. Although they played good defense against the speedier Southland offense, they could not seem to get any type of offense going of their own.

Junior Varsity Falls to the Southland Eagles 39-18

The Borden County junior varsity football team played host to the Southland Eagles, Thursday, Sept. 21. This was the second game for the JVs of the season and their home opener. Both teams entered the contest fresh off of shutout victories in the previous week's play. Mistakes proved to be the difference on a cold and rainy night as the Coyotes came up on the short end of a 39-18 final score.

The game started with the Coyotes choosing the wind to open the game and allowing the Eagles to start with the ball. After holding Southland to 2 yards on 3 plays, Borden County got the ball in good field position. The first of several Coyote mistakes happened on 4th down when they fumbled to thwart any opportunity in this drive.

Again, the Coyote defense held and forced a second Eagle punt. On this chance, the Coyote offense drove the ball 50 yards for the initial score of the game. The touchdown came by way of Clint Scott, as he followed the good blocking of the

The Coyotes scored again in the fourth period, this time by Robert Stamper who followed blocks by Lee Pepper and D.J. Smith to the end zone. The PAT failed over making the score 34-6.

Others seeing action were John Harding, James Bond, Georgie Vasquez, Ross Aten, Ryan Sanders and Carson Blagrave.

Coach's Comments:

The Pups played well and endured the elements. Everyone received plenty of playing time and had fun even though the coaches were freezing.

front line, fullback, and quarterback to score on a 30 yard run with 9 seconds left in the 1st quarter.

In the 2nd quarter, the Eagles tied the score at 6-6 with a 50 yard TD run. The extra point failed.

At this time the wheels fell off the wagon for several minutes when the JVs gave the ball to the Eagles at the Coyotes' 18 yard line. Five plays later the Eagles had a lead of 13-6 that they did not relinquish.

The Coyotes fumbled the ball away on their own 22 yard line on the next series. Again, 5 plays later, the Eagles increased their lead to 20-6 with 45 seconds left in the half.

The Coyotes proved to be gracious hosts as they fumbled the ball away on heir own 8 yard line. Two plays later, the Eagles increased their lead to 27-6 at the half.

Borden County got the ball to start the 2nd half, but could do nothing with it and were forced to punt for the first time of the year. They would have taken over on downs near mid-field, but a late hit penalty enabled the Eagles to continue a drive that would not stop until they reached the end zone upping their lead to 33-6.

The Coyotes took over at their own 17 yard line and Clint Scott scored his 2nd touchdown on a 63 yard run behind a super play fake and great blocking. This cut the Eagles lead to 33-12.

The Coyote defense held the Eagles on downs, but a "roughing the punter" penalty allowed the Eagle drive to continue and it did not end until Southland reached the end zone for their final score of the game reaching a 39-12

Coyotes Pups Tromp and Stomp the Eagles 34-6

The Borden County junior high football team endured a night of cold and wet weather as they defeated the Southland Eagles. The Pups got a bitter taste of the first cold front of the year as the blue northern wind blistered the field and made the pig skin hard for the Pups to hold on to.

The young Coyotes took the lead in the first quarter as Kevin Pinkerton rolled around the left end for the score. Ramon Griffin put the 1 point PAT over on a dive play to make the score 7-0.

The Pup defense held the Eagles without a first down. Defensive standouts were D.J. Smith and

Robert Stamper at cornerbacks, Justin Lawrence and Nick Flanigan at defensive ends and Ramon Griffin and Kevin Pinkerton at line-backers.

On the Coyotes' next possession, Kevin Pinkerton found the end zone again following blocks laid by Ramon Griffin and Robert Stamper. Kevin took the ball over for the PAT to make the score 14-0.

The Eagles took first possession in the second half as Nick Flanigan turned into a wild man as he sacked the quarterback and D.J. Smith fell on the forced fumble. Two plays later, Kevin Pinkerton went 15 yards for the third TD

of the night. Kevin also ran the PAT over to make the score 21-0.

The highlight of that cold and wet night for the Eagles was when then 4'0" tall running back burst into the open field and went 50 yards before being run down from behind by Lee Pepper. The little type took the ball over the goal line from 3 yards out on the next play. They missed the PAT making the score 21-6.

On the Pup's next play, Kevin swept around the right end for a 43 yard TD run. He then followed Ramon up the middle for the PAT to make the score 28-6.

Cross-Country Season Begins

The 28 athlete members of the cross-country teams traveled to Seminole, Saturday, September 23 to compete in a meet being held there.

Seventy competitors were entered in the junior high girls 2 mile division. Julie Mays won 3rd with a time of 14:37, Lindsey Smith, 8th - 14:55 and Holly Thomas, 9th - 14:56. All three received medals. Ky Merritt ran a 16:11 and Kaci Poole ran a 17:44.

The Lady Coyote junior varsity competed against 54 other entrants in the 2 mile division. Kati Merritt came in 2nd - 13:34; Sandy Brummett, 9th - 14:55 and Katie Kemp, 14th - 15:08. They each received a medal. Other runners making a strong showing were: Regan Smith, Shelby Isaacs, Tori Vargas, Carey Cox, Monica Schooler, Nadia Baeza, Nicole Lawrence, Crissy Armstrong, Laura Hensley and Rebekah Copeland.

In the boys junior high 2 mile division, there were 42 young men entered. Borden County had only one competitor, Lee Pepper and he finished with a time of 15:53.

Thirty seven runners competed in the boys

junior varsity three mile division. Colt McCook ran the 13th place in 19:51 and Fernando Baeza was 19th with a time of 20:48. Both of these young men took home medals as the top 20 runners in each division, both girls and boys, received a medal.

Others running the three miler were: Clint Cowart, Colt Miller, Clell Knight, Oscar Baeza, Roy Clayton, Josh Hobson and Grant Key.

Coach's Comments:

Most of these young men played in a football game Friday night, also the young ladies played in the band and cheered for that same team. They all had to get up early Saturday morning for the long bus ride to enter the 2 and 3 mile cross-country races. "I think it shows how competitive these athletes are and all of Borden County can be proud of our cross-country teams," said Coach Stout. "I was thankful for LaNita Avery's help Saturday," he commented.

The teams will be in Big Spring, September 30 for another cross-country competition.

lead. The Coyotes took the kick-off and marched 50 yards, but had to give up the ball at the Eagle 3 yard line. Two plays later Clell Knight recovered a fumble on the 5 yard line and Clint Scott scored his third TD of the game. This gave the Coyotes their final score of the game at 39-18. This game put the Southland Eagles at 2-0 while the Coyotes dropped to 1-1.

Clint Scott lead the Coyotes with 22 carries for 214 yards and 3 TDs. Blocking for Clint were Cesar Mujica, Josh Hobson, Jason Scott, Preston Sharp, Clell Knight, Jeff Dennis and James Nance.

On defense, Clint Scott also lead the defense with 16 tackles. Josh Hobson had 11 tackles, Preston Sharp had 10 tackles, Jason Scott had 6, Clell Knight had 4 tackles and one

recovered fumble, Jeff Dennis had 2 tackles, Cesar Mujica and Ronnie Rivera each had 1 tackle.

Also contributing on defense were Clint Cowart, Clint O'Brien, James and Ronnie Gutierrez.

Coach's Comments:

I was really proud of the guys. They played real well. They just had a short stretch where they allowed Southland to score 20 rapid points. They will have the opportunity to play this team again in two weeks and it could be a different story.

The Coyotes had more yards than the Eagles, but mistakes and turnovers really hurt. Good job guys. We will get them next time.

A heartfelt thanks goes to our fans for braving the cold rainy weather and supporting these fine young men.

Mesa Irrigation Co.

Zimmatic, Center Pivot Irrigation

This modern up-to-date establishment has done much to modernize farming methods. It was originated by men of character and integrity with farming know-how and experience and by developing and applying new methods they have progressed as this section has grown and progressed. Mesa Irrigation Co. features the Zimmatic system of irrigation, a center pivot system which can save you 25 percent or more than some other types of irrigating, such as gravity flow irrigation, while helping you maximize yields. Through these savings alone the system can pay for itself in 5 to 7 years. Crops grow better with pivot irrigation. As you know, the right amount of water at the right time can significantly reduce the stress on your crops. Farmers who have switched from gravity flow to Zimmatic center pivot irrigation have reported increased yields between 10 and 20 percent. This system allows you to use only the water your crops need, there saving the expense of pumping and can save you as much as 70 percent of the amount of water you use. They also maintain complete repair and service department for your convenience. For the best, this Good Neighbor Review recommends Mesa Irrigation located on the Lubbock Hwy in Lamesa. Phone 806/872-5479 or 872-2611.

Foremost among the professional men is this popular veterinarian, located at 1204 S. Dallas Av., phone 806/872-3183. In every community there are individuals who, because of specialized services are an indispensable factor in the community. Foremost among these, especially in a rural community, is a good veterinarian, who saves thousands of dollars for the farmers or ranchers. He has proven capable and is ready to serve those who call upon him. He has fitted himself with years of study and experience, so that you may call upon him day or night and be assured that he will be there as soon as it is humanly possible. He will do everything that can be done for the pet or any other animal. So, in this review and directory of reliable business and professional people in our area, we wish to compliment Dr. Bo A. Brock and suggest that if you are in need of service of this kind, that you get in touch with him.

Their position among the people of this district is evidence of well-placed confidence and in this review we take pleasure in recommending this loan association to the farmers and ranchers of this and surrounding territories. During their years of operation they have done everything in their power for the improvement of the community. You too, will find this association a most desirable firm with which to do business.

Jones-McCall Pharmacy

Jones-McCall Pharmacy is located at 1605 N. Bryan in Lamesa, phone 806/872-5453. Here prescriptions are accurately filled from quality drugs by professional pharmacists. The relationship between the professional pharmacist and the physician is very close. the people should have confidence in the doctor, and the doctor must have implicit confidence in the pharmacist, for he is unable, without a chemical analysis, to determine whether all the ingredients called for in his prescription are contained in the compound and if they are pure and fresh. Moreover, the pharmacist, in many cases is the medium through which the physician gains certain of his knowledge. To be progressive he is expected to know all the newer preparations that are available. As soon as any biological or medical discover is proved of worth, he will have a supply on hand for the doctors and the public use. We in this good neighbors review recommend this pharmacy for your drug needs.

Acevedo Restaurant

Specializing In Fine Mexican Foods

This fine mexican restaurant is located at 312 S. Dallas Ave. in Lamesa and is one of the finest and most popular in this section. They have gained a name that has spread over a large area as a place where both the local and traveling public can well satisfy their demands in good eating. The menu consists of many tempting mexican dishes served with courtesy and a pleasant smile. It is indeed refreshing to find such an up-to-date restaurant as this. It is unsurpassed by any eating place in the way of fast service and good food. When Hector and Grace Cantu went into business it was with the idea that a modern mexican restaurant would be appreciated, and by reason of their ever increasing patronage, this has proven to be true. Everyone will find this a pleasant place to visit while in Lamesa, whether working or shopping for the day.

Teacher Spotlight

At football games or pep rallies, when singing the School Song, beyond the band or the echo you may be able to hear one single voice proudly belting out the song. This voice has been singing the song most of her life. First as a student and then a mother and a teacher.

As a native Mrs. Lewis proudly represents the history of BHS. She is one of few teachers that has graduated and is now teaching at BHS also.

She not only gives her students direction for the future but also a history from the past of BHS.
