## Jr. High Wins It All!

The Borden Coyote Jr. High basketball teams started out the season in a winning way last Saturday, Nov. 18th. by bringing home both Championship trophies from the Ira Bulldog Dog Pound Classic tournament.

The Coyote Pups did a great job defeating Abilene Christian in the first game and coming back to defeat Ira in the Championship game Saturday evening.

Due to the rule, that Jr. High athletics can only participate in two tournaments a year, only 5 of the eleven eighth grade girls and 4 seventh grade girls were entered in this tournament. By doing this, the seventh grade girls along with the divided eighth grade girls would get the opportunity to play in two tournaments.

Eighth graders, Julie Mayes, Jill Stout, Hailey Adcock, Amanda Watts, and Kaci Poole, along with seventh graders Holly Thomas, Rebekah Hensley, Becky Garcia and Shawna Kempf participated in the Ira Tournament.

The girls started out on their winning course, by defeating Abilene Christian on Saturday morning with the score of 43 to 24. The Missy Coyotes were a little shaken as the big

girls from Abilene ran out on the court, but soon realized that they could get and keep control of the game.

At the end of the first period, the score was 12 to 7 and by half, the Missy Coyotes had a nice 11 point lead, never looking back. The scoring by quarters were 12-7; 9-3; 8-2 and 14-12 making the final count at 43 to 24.

Jill Stout was high point with 14 points, Kaci Poole had 8, Amanda Watts had 7, Rebekah Hensley had 6, and Julie Mayes and Hailey Adcock came up with 4 points each.

Julie Mayes, Hailey Adcock, Jill Stout and Rebekah Hensley played an outstanding defensive game by keeping the Abilene girls to only 24 points.

Excellent rebounding was done by Amanda Watts, Becky Garcia and Kaci Poole which helped the Missy Coyotes keep the ball on their side of the court.

Also getting into the action and doing a great job were Holly Thomas and Shawna Kempf.

## Missy Coyotes Take Tournament

Saturday evening, the Missy Coyotes were ready to take on the girls from Trent. These girls had defeated Ira earlier in the day and were ready for more basketball action.

The Missy Coyotes began their game at a fast pace and quickly took the lead at the end of the first quarter of 10 to 2. The score was 18 to 11 by half. In the second half, the scoring was 6-2 and 10-2 making the final score 34 to 15, giving the Missy Coyotes the Championship.

Amanda Watts was high point with 16, Julie Mayes had 12 and Jill Stout rounded off the points by scoring 6. Kaci Poole, Hailey Adcock, Becky Garcia, and Shawna

## Coyotes Win Both Boys Games At Forsan....49-40 and 33-32

The Borden County Coyotes traveled to Forsan Tuesday, November 14 with hopes of building a new tradition for boys basketball in Gail, Texas. They came into Forsan with a tough task at hand. They have not had a winning past of games played in Forsan under the leadership of Coach Richey. In three years, the Coyotes had 31-2 point average deficit in Buffalo land. All of that changed however, as the young Coyotes came away with a 49-40 victory.

In the 1st quarter, both teams started slowly. The Coyotes managed to get it going as they scored the first seven points of the game. In that period, they managed 15 points as Josh Stout and Grant Key, each contributed 6 points, Jeff Dennis added a bucket and Fernando Baeza chipped in a free throw. They jumped out to a 15-8 lead

and this lead was never relinquished.

In the 2nd quarter, the Coyotes were forced to show their ball handling skills as the Buffaloes tried to turn the tide by jumping into a 1-3-1 press. This made the Coyotes smile as they upped their lead to 32-19 at half-time. Grant Key scored 7 points, Dennis added 6, Colt McCook chipped in a 3-point basket and Roy Clayton sank a free throw.

The 3rd period did not start out very well for Borden County as they could not seem to find the range. Foul trouble was also a big factor at this time. The Buffaloes went on a 8-0 run to cut the lead to 5 points at 32-27. Borden County showed heart as McCook hit a basket to push the lead back to 7 and then a steal by Josh Stout led to a fantastic pass to Key for a

9 point lead. The Coyotes went on to outscore Forsan 7-4 over the next 4 minutes and take a 43-31 lead. Dennis added 6 more points, McCook and Key 2 points each and Fernando Baeza had a free throw.

In the first 3:30 of the 4th period, the Coyotes extended their lead to the largest of the night behind a 6-2 run to give them a 49-33 lead. This proved to be all they would need as they did not score the last 4 1/2 minutes, but they did hold on to the 49-40 victory.

Grant Key led the way for the Coyotes with a career high 17 points, Jeff Dennis added 14 points, Fernando Baeza and Josh Stout had 6 apiece, Colt McCook added 5 and Roy Clayton pitched in a free throw.

Clayton had 8 rebounds and Stout contributed 9 assists.

## Coyote Varsity and Junior Varsity Lasso the Loop Teams in Dramatic Style...49-44 and 33-30

Fresh off of a season opening victory and a new found confidence and love for the game, the Coyotes traveled to Loop Friday, November 17, to battle a very good Longhorn basketball team. The game expected to showcase the talents of 2nd team All-State Lance Yocum from Loop. But the showcase of the evening was the guts, courage and heart of the Borden County Coyotes. They battled and battled through four quarters and two overtime periods to come away with a very dramatic 49-44 victory and a 2-0 record.

Things did not start out well for the Coyotes, as they fell behind 8-0 and

the Longhorns were making everything look easy. At this time Borden County made a change that seemed to spark a confidence that was not seen early. Fernando Baeza knocked down 3 two point baskets and Josh Stout hit a pair of 3-point baskets. The latter came just before the quarter ended and that cut the Longhorn lead to 14-12.

In the 2nd period, the Coyotes played very tough defense. They were more patient and then began to take shots that they would not normally take on offense but could not make them fall in the basket. The Coyotes managed a pair of Jeff Dennis baskets

and a Colt McCook 3-point basket that gave them a 7-5 lead in the quarter and knotted the score at 19-19 at half-time.

The 3rd period saw much of the same as both teams struggled to score. The Longhorns did go on a 7-2 run to take a 5 point lead, but a late 3-point basket by McCook cut that lead to 30-27 heading into the 4th period.

The last quarter was very exciting as the Coyotes again saw themselves fall behind by 5 points, but they displayed again the hearts of champions as they used a pressing defense to force three straight steals and a

## JV Comes From Behind for Victory

The Borden County JV boys team completed a dramatic come-from-behind victory Tuesday, November 14, upsetting the Forsan Buffaloes JV 33-32.

The Coyotes were down 7 points with approximately three minutes left in the fourth period. Clell Knight scored 10 of his 23 points in that period and Ronny Gutierrez hit 2 big field goals late in the game to spark the Coyotes to come within one point of the Buffaloes with just 6 seconds left in the game.

Gutierrez set a screen for Clell Knight to get clear, catch the inbound pass and drive for a short jump shot. The shot fell with just 1 second remaining on the clock giving the Coyotes the lead and the victory.

run of 5 straight points. With the Coyotes trailing by one point, Josh Stout hit a spectacular 3-point basket to give Borden County a 2-point lead with 40 seconds to play. The Longhorns managed to tie the game with 20 seconds left on the clock. With less than 1 second to tick the end of the game, the Coyotes in-bounded the ball under their own basket and just missed an opportunity to win, but this put the game into overtime.

In the first overtime, Yocum hit a bit 3-point shot to give the Longhorns a 3 point lead. The Coyotes missed on their trip down the court and the Longhorns decided to stall the game which forced the Coyotes to run a trapping defense. Borden County got a couple of turnovers, but could not score. The Longhorns could not manage a basket or hit the free throws. With 30

Jason Scott scored 4 points and Clint Scott scored 2 points to round out the scoring.

The rest of the Coyote JV roster consists of Clint Cowart, Donnie Moore, Ryan Grant, Trini Vasquez, James Nance, John Brummett, Cesar Mujica and James Green.

This win makes the JV 1-0 on the season and gets this team started on the right foot for what could be an outstanding season of Coyote basketball.

### COACH'S COMMENT:

What a victory, this was!. The 1st, first game win for any of these guys in high school. They really earned this victory. I felt like everyone played their role extremely well and they also displayed a great deal of poise. This will allow them to win many more games if they continue. Congratulations guys, you did a super job.

seconds left, Stout hit his 4th and perhaps biggest 3-point basket to tie the game.

Roy Clayton got a huge rebound just before the end of overtime, but his shot rimmed out causing the two teams to go to the second overtime.

In the 2nd overtime, the Coyotes hit 6 of 8 free throws and allowed a single free shot to put out a very exciting and dramatic victory. In this period, Roy Clayton and Jeff Dennis had some big rebounds, while Stout handled the offense and kept the Coyotes under control. Fernando Baeza hit 2 of 2 free throws and McCook hit 4 of 6. The game ended with the Coyotes winning by 5 points, 49-44.

Colt McCook scored a season high 14 points, Josh Stout added 12 points, Jeff Dennis and Fernando Baeza each had 11 points and Grant Key added a free

throw.

Dennis added 14 rebounds, Stout had 5 assists and Baeza had 4 steals. Clayton added 5 rebounds with 3 big rebounds coming in overtime.

The Coyotes hit 11 of 16 free throws which proved to be the difference in the outcome of the game.

### COACH'S COMMENTS:

That was as an exciting ballgame as I have every been a part of. The guys

## JV Outlasts Longhorns

The Borden County JV traveled to Loop Friday, November 10, fresh off of their dramatic come-from-behind win against Forsan when they ended a 2-year losing streak. They survived some early and late foul trouble against Loop to come away with a 33-30 victory and continue their winning ways at 2-0.

In the early going, the Longhorns and the Coyotes traded baskets as neither team could build more than a 2 point lead. After one period, the game was still even at 7 points apiece.

The 2nd period proved to be a little more up tempo as the Coyotes found the range for 15 points while the Longhorns added 10 of their own. This gave the Coyotes a 22-17 lead heading into the dressing room. The Coyotes were spreading their scoring around in the 1st half as 7 different players scored points for the Coyote team.

In the 3rd period, the Coyotes scored the first 5 points of the period to build their largest lead of the game at 27-17. Foul trouble and cold shooting kept the Coyotes from scoring again the remainder of the 3rd period.

The 4th period was hard fought as the Coyotes took a 29-25 into that final

showed incredible courage.

Time after time they battled back when they could have easily thrown in the towel. This was a big win for an up and coming program. I would like to thank the fans for the support and encouragement they gave the guys. I believe they fed off of those emotions. I also would like to congratulate the Lady Coyotes on a super victory. Also congratulations to the Coyote JV.

stanza. After Clell Knight, the leading scorer of the season, hit his game high 14 points on the ensuing defensive possession fouled out. This meant the Coyotes would have to play the last 5:30 without him. The young Coyotes responded with a key 2 point basket by Clint Scott and big free throws from Jason Scott and Colt Miller. Defensively this group of young men rose to the occasion and allowed only 1 field goal in the fourth period. They hung on for an exciting 33-30 victory and a 2-0 start to the season.

Scoring for the Coyotes was; Clell Knight, 14; Clint Scott, 6; Colt Miller, 4; Jason Scott and James Nance 3 point each; Ryan Grant, 2 and Cesar Mujica 1 point. Also contributing to the victory was Ronny Gutierrez, James Green, Donnie Moore and Clint Cowart.

### COACH'S COMMENTS:

I would like to congratulate these fine young men on a super game. I thought they stepped up and played big roles for us when we needed it the most. A win this coming Tuesday against Garden City, could equal the number of JV wins Borden County has had since I have been here in Gail. Congratulations and Good Luck!

## Lady Coyotes Win Nail-Biter at Loop 34-31

The Lady Coyotes traveled to Loop Friday, November 17 to take on one of the better Class 1A teams in the area. Borden County is 1-1 and Loop is also 1-1 for the season.

They got off to a slow start with only two Lady Coyotes in the scoring column in the first quarter. They trailed by a score of 6-4 at the end of the 1st period. However, the defense had good intensity and worked hard.

The Lady Coyotes came out sluggish on offense early in the 2nd quarter. They finally started gaining momentum when Kati Merritt hit a 3-point shot and Nicole Lawrence scored 4 points inside. The Lady Coyotes trailed by 5 points, 6-11 at the half.

The key to beating the Lady Longhorns would be using great defense to break their man-to-man press.

## Win Championship

cont. from pg. 1

Kempf did a great job rebounding.

Jill Stout, Kaci Poole and Hailey Adcock helped out the scoring with some great assists and Amanda Watts, Holly Thomas, and Julie Mayes did an outstanding job on defense.

### COACH'S COMMENTS:

The girls showed good patience in running the offense. and they played very together. I think it was really good for the girls to split the teams in half, and let them all play the game together. The other half will go to the O'Donnell tourney in January. I was really pleased with all the girls this weekend. Our subs like Holly Thomas, Rebekah Hensley, Becky

The Lady Coyotes continued to work on their defense and with their offense going strong, they outscored Loop 13-9 in the 3rd quarter. In this quarter, the offense got a boost by Shelby Isaacs who scored 4 points, Katie Kemp, 3 and Kati Merritt, Sandy Brummett and Nicole Lawrence with 2 points each.

Borden County outscored Loop 10-6 by increasing the pressure by defensive rotation even more in the 4th quarter. This rattled the Lady Longhorns as they continued blocking out and picking them apart. With 1:24 left to play, Borden County had a one point lead. Shelby Isaacs got a big offensive rebound and scored for a 3 point lead. Loop went down the court and got several shots off to cut the lead to 1 point at 32-31. With just a few seconds left in the game,

Sandy Brummett scored a lay-up to give the Lady Coyotes a dramatic 34-31 victory.

Scoring for the Lady Coyotes were; Nicole Lawrence with 10 points. She also had 11 rebounds. Sandy Brummett, 8 points, 5 rebounds and 3 assists; Shelby Isaacs, 6 points and 9 rebounds; Kati Merritt 5 points and 2 rebounds and Katie Kemp with 5 points.

Also contributing was Laura Hensley, Carey Cox and Chrissy Armstrong.

### COACH'S COMMENTS:

I was really proud of the intensity and effort the girls put into the game. This forced Loop to make over 30 turnovers.

I was pleased with the way the Ladies handled Loop's press. They worked hard to come out with a win and it was a total team effort.

Garcia and Shawna Kempf came in off the bench and gave us a real boost.

## Pups Defeat

### Abilene Christian

The Pups met Abilene Christian Saturday morning, November 18 and defeated them 31-13. Borden County took a commanding lead in the first quarter with a 11-2 run. They held Abilene Christian scoreless in the 2nd and 3rd quarters and put up 18 points of their own in the process. Abilene had a run of their own and outscored the Pups 11-2 in the fourth period.

Kevin Pinkerton led the Pups in scoring with 15 points, Ramon Griffin, 8; Justin Lawrence, 6 and Lee Pepper hit a field goal for 2 points.

In the championship game, the Pups were given

a chance to redeem an earlier loss to the Ira Bulldogs. The grudge match promised to be as good as the previous meeting when Ira defeated Borden County Pups 37-30.

## Championship Game

Revenge was sweeter in the tournament as the Pups took home the championship trophy in the Ira Bulldog Dog Pound Classic with a 48-38 victory over Ira, the home team.

The Coyote Pups began the game in text book fashion quickly gaining a 10 point lead with steals off of their press. The Bulldog Pups quickly rebounded and as the first period ended, the Coyotes had a 3 point lead, 16-13.

The Pups of Gail struggled in the 2nd period scoring only 4 points to Ira's 10 making it 23-20 at

**Coyotes Take Puppy  
Pound Classic at Ira**

cont. from pg. 3  
half-time.

Borden County began the second half as they did the first half and this time they never looked back. Good press defense, good man-to-man half-court defense and good ball control offense produced a Coyote victory and the championship. The Pups outscored Ira 16-4 in the 3rd period and 12-11 in the 4th period.

Justin Lawrence led all scorers in this game with 20 points. Kevin

Pinkerton, 13; Ramon Griffin, 9; Nick Flanigan, 4; and Robert Stamper had 2 points.

Also contributing in the games were John Harding, Ross Aten, Foston Wilson, D.J. Smith, Ryan Sanders and James Bond.

**COACH'S COMMENTS:**

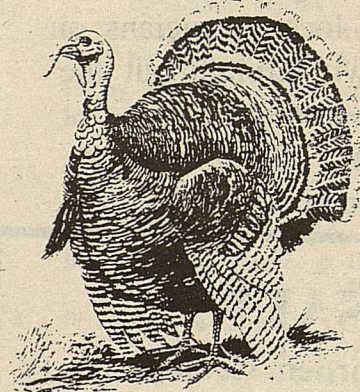

If you haven't made it to see these young men play, you are really missing a treat. They hustle 100% of the time getting up and down the floor. Make it a point to catch the Pups in action.

**Former Lady  
Coyote Gets  
Taste of  
College  
Basketball**

Former Lacy Coyote Bobbie Womack Armstrong got her first taste of action in the season opener as a lady Buff at West Texas A&M.

Friday night at "The Box" the Lady Buffs hosted the lady Eagles of Chadron State. The Lady Buffs defeated the lady Eagles 81 to 59. Bobbie, a freshman walk-on played the last minute and 23 seconds. In that time Bobbie got a defensive rebound.

Saturday night, before a packed home crowd, including Bobbie's mother and sister, Sheila and Chrissy Armstrong. Bobbie played just over 2 minutes. In those 2 minutes Bobbie hit 2 for 2 from the floor for 4 points and got 2 defensive rebounds, 1 offensive rebound and 1 steal. The Lady Buffs won 86 to 39. The Lady Buffs are 2-0 for the season.

**Turkey Trivia:  
How Much Does Your Bird  
Weigh?**

If the Pilgrims had gone hunting for a turkey as big as a large dog, turkey might not have become the meat of choice for traditional Thanksgiving meals today.

The world's heaviest turkey on record weighed 86 pounds -- about the size of a large German Shepherd -- and was grown more than three centuries later in England, according to Dr. Sarah Birkhold, poultry specialist with the Texas Agricultural Extension Service.

The turkey hens consumed now are traditionally raised to 14 to 16 weeks of age and a live weight of 14 to 18 pounds. From that, there would be 9 to 12 pounds of ready-to-cook, or dressed, meat, she said.

The toms (males) are raised to 18 to 22 weeks of age, a live weight of 30

pounds and a dressed weight of 14 pounds and up.

Large turkeys raised for institutional consumption reach 27 to 30 weeks of age and weigh more than 45 pounds alive. These turkeys yield about 30 pounds of ready-to-cook meat.

This year, about 295 million turkeys will be raised in the United States, up 2 percent from the 1994 total of 289 million. The 295 million turkeys translates into 6.61 billion pounds of live turkey, or 5.2 billion pounds of ready-to-cook turkey, she said.

Americans consume about 15 percent of those birds, or 44 million turkeys, at Thanksgiving, which is celebrated on Nov. 23 this year. About 7.3 percent are consumed

**TAX COLLECTION AND ACCOUNTING**

The Court visited with Sheriff R. D. Lewis regarding the problems concerning the Tax collection and Accounting.

Mr. David Ellison with Perdue, Brandon, Fielder, Collins & Mott, L.L.P visited with the Court concerning a difficulty he was having with delinquent taxes.

**DISCUSSION**

The Court was advised that the Health Department will be dropping Rabies Bait in Borden County in January and February, 1996.

As the fish was made for water, man was made for God. The fish may flop out of the water onto the shore, and be active. But he's doomed. And man out of fellowship with God has no future.

Man stays in fellowship with God by praying and praising. Praying is man asking God for His blessings. Praising is acknowledging God's blessings with a grateful heart.

The thankful person counts His blessings and carries His burdens, knowing that God will make all things work together for good.

The Bible urges us to be fretful for nothing, prayerful for everything and thankful for anything.

**NOTICE OF INTENTION TO CONDUCT WEATHER MODIFICATION OPERATIONS IN THE STATE OF TEXAS**

Date of the first of three weekly publications of this notice: November 15, 1995

1. Notice is hereby given that the Colorado River Municipal Water District, P.O. Box 869, Big Spring, Texas 79721-0869, has filed an application with the Texas Natural Resource Conservation Commission for a State permit to conduct weather modification operations to change, or attempt to change, the natural development of clouds for the purpose, objective, period, and by the method summarized herein below.
2. The Colorado River Municipal Water District has a valid Texas weather modification license that was originally issued in 1975, and has been renewed annually. The most recent license renewal was granted by the Commission on November 30, 1994. An application by the District for renewal of it license for 1996 is now being considered by the Commission.
3. The purpose of the weather modification operation is to increase rainfall to affect the inflow of fresh water into reservoirs J. B. Thomas and E. V. Spence. The period of the permit is to be January 1, 1996 through December 31, 1999.
4. The proposed weather modification operation is to be conducted for and on behalf of the Colorado River Municipal Water District, P. O. Box 869, Big Spring, Texas 79721-0869.
5. The proposed weather modification operation is to be carried out in both an "operational area" and a "target area" to cause the intended effects to occur only in the target area. The operational area is that area described by being between an outer boundary, defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Coke, Sterling, Glasscock, Martin, and Dawson, and an inner boundary which is that of the target area.
6. The area to be affected by the proposed weather modification operation is the target area. The target area is that area described as bounded by a line beginning at a point of origin at Big Spring, in Howard County, and running along Highway 87 in a northwesterly direction to Lamesa; thence, north-northeast on Highway 87 to the north border of Dawson County; thence, east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence, southeast along Highway 84 to Roscoe, in Nolan County; thence, south-southeast to Maryneal; thence, southwesterly to Silver, in Coke County; thence, west-southwesterly to Highway 87 at a point approximately thirteen miles northwest of Sterling City, in Sterling County; and thence, northwesterly along Highway 87 to the point of origin at Big Spring, Texas.
7. The methods and materials to be used in conducting this operation are summarized herein: A licensed meteorologist will select cumuliform clouds for seeding, using a weather-radar display, standard meteorological analyses, forecast techniques, surface weather observations, and pilot reports. With this information, he will direct an aircraft, equipped to dispense either glaciogenic or hygroscopic seeding material, into the updraft portions of selected clouds at cloud-base level to perform seeding operations.
8. Persons interested in knowing more about the technical aspects of the proposed operation should contact the applicant or the Water Planning & Assessment Division of the TNRCC (512-239-0770).
9. A public hearing on this application may be called by mailing a petition that requests a hearing to the Executive Director, Texas Natural Resource Conservation Commission, P. O. Box 13087, Austin, Texas 78711. The petition must contain (1) the signature, full name, address, and phone number of each person requesting the hearing; (2) a statement that each person is at least 18 years of age and resides or owns property in the operational area; and, (3) a description of each person's interest and how that interest would be adversely affected. Requests for hearing must be received by the Commission within 30 days of the date of the first publication of this notice. If at least 25 eligible persons make written request, the Commission shall hold a public hearing on an application prior to issuance of a permit. More information on calling a hearing can be obtained through the Legal Services Division of the Commission (512-239-0660).

## Reservations at the Ritz

cont. from pg. 1

Brown, and Brett Gibson plays bass.

According to the opening prologue, in 1964 the Plaids were on their way to their first big booking when their car was hit broadside by a school bus full of girls from a parochial school on their way to hear the Beatles on the Ed Sullivan Show. The girls were unharmed, but the harmony group was killed instantly. As the opening scene develops, it is 1995, and the Plaids, because of a time warp, are returning and have the opportunity to do their show after all. Their music includes over twenty numbers from that period including "Three Coins in a Fountain," "Moments to Remember," "Crazy 'Bout Ya Baby," "Sixteen Tons," "Rags to Riches," "Love is a Many Splendored Thing," and Perry Como medley, a calypso medley, a hilarious three-minute segment of the Ed Sullivan Show, and several numbers.

Forever Plaid was written by Stuart Ross with musical arrangements by James Raitt. It is being produced by special arrangement with Music Theatre International in New York. David Trevey is the musical director, and Judy Haines is the choreographer.

The four men who sing as The Plaids in this show sing together in real life as a contemporary Christian quartet named "4-Giv'n." They have performed together about two years at their home church First Baptist in Snyder and at other churches and functions. David Trevey, the assistant band director at Snyder Junior High, performed in the previous Ritz production Barefoot in the Park and Broadway Revue. Matt Cross is the Cardiac Rehab Director at Cogdell Hospital and performed in Amhl and the Night Visitors and The Solid Gold Cadillac for the Ritz. James Hanks is a chiro-

practor in Snyder. Wayne Knox is a welder for Sun Oil. Judy Brown is the pianist and wife of the music director at First Baptist Church. Judy Haines performed and did the choreography for the Broadway Revue last spring and has recently opened Judy's Dance Studio here in Snyder.

### Turkey Trivia cont. from pg. 6

at Christmas and 6.3 percent at Easter.

The average American eats about 18.3 pounds of turkey each year. "That seems like a lot until you remember that most of it is consumed as sausage or deli meats," Birkhold said. The sandwich is America's favorite way to eat turkey, she added.

Turkey has one-third to one-half fewer calories and fat than other deli meat options and generally costs less. It is low in calories, cholesterol and saturated fats.

It is high source of protein and polyunsaturated

fats, which means it's "nutrient dense," she said.

"You're getting more of a good thing for a lower cost in calories," she added.

Fewer than 10 percent are raised "on the range," she said. Most are raised in large poultry houses.

Domesticated turkeys don't fly, but wild turkeys do. That's primarily because of the larger breast bone and amount of breast meat which defeats their attempts to become airborne. "They just physically can't get their bulk off of the ground," Birkhold said.

Most of the turkeys are white broad breasted turkeys, not the traditional brown or golden birds seen in many holiday decorations, she said.

If the traditional oven-baked method just doesn't get the taste buds in a frenzy, she suggests that cooks try their hand at smoked turkeys, Cajun-style deep-fried turkey, or grilling tenderloins or the whole bird. Also an option are the boneless turkey

rolls found in the freezer section of the supermarket.

Some poultry alternatives to turkey include:

\*Game hens -- Each weighs in at about 1.5 to 2.0 pounds, and one per serving avoids leftovers.

\*Roasters -- These are chickens that weigh in at about 5 to 8 pounds and may be roasted in the oven or smoked on a grill.

\*Regular chickens -- By baking this with chunks of ham and vegetables, the chicken will pick up the smoky flavor of the ham.

\*Quail -- Two or three of these make a serving, and may be stuffed with jalapeno, wrapped in bacon and cooked on the grill.

\*Ducks and geese -- Ducks are available in the freezer section of the supermarket and geese may be ordered from a butcher shop.
