

BROWN'S ALL RIGHT.

In this issue of the Citizen appears the announcement of J. D. Brown for re-election to the office of County and District Clerk. His official career has been so universally satisfactory to the people whom it has been his province to serve, that we deem it unnecessary to say anything in his behalf. His administration of this important office speaks for itself.

WHAT'S IN A NAME.

The names of some of our
towns have no special significance
or pertinent meaning, but most
of the counties and some of the
towns in Texas have been named
after pioneers or men who have
been prominent in politics or in
the early history of the State.

Our county and town enjoy
the distinction of being named
after Gen. Gail Borden who was
not only an old hero of the Texas
Revolution but a very scientific
man. He was the author of sev-
eral inventions, but the most im-
portant one was the invention of
condensed milk an article now of
prime necessity and sold in vast
quantities all over the world.
It will perpetuate his name so
long as time lasts, not only as a
scientist but as a benefactor of
mankind.

Lost boy, stolen from Dr Byers
of Seeleyville, Ind. one year ago
last May. Description: 6 years
old last July, light complexion,
gray eyes, left eye noticeably
crossed, has small V-shaped nick
in edge of left ear, sharp chin and
narrow projecting forehead, is
small for his age, but very bright
and intelligent. Believed to have
been stolen by a wandering horse
trader or movers. A \$500 reward
is offered for information leading
to his recovery, or if returned by
abductor he will not be molested.
Exchanges please copy.

We had the pleasure of hearing
three able discourses delivered
by Elder Hubank at the Union
Church here on Saturday evening,
Sunday morning and night. The
subjects were: The Bible, Faith
and Repentance. The earnest
and forceful arguments of the
speaker seem to interest and se-
cure the close attention of all who
hear him.

Few people ever carry a weapon
or keep medicine in the house un-
less they expect either an enemy
or a disease to attack them.
From the number of small wooden
boxes marked "glass with care"
which are coming in almost daily
we are looking for an epidemic of
snake bites during the coming
spring and summer.

HUNT SNAKES FOR SKINS.

Men in Upper Missouri Valley Gain a Living by Capturing the Venomous Reptiles Alive.

Trempealeau, Wis.—Hunting rattlesnakes for their skins has furnished a new and hazardous occupation for many men who reside among the hills and rocky bluffs of the Upper Missouri valley, where the rattler attains perfection as to size and color. The snake must be taken alive and decapitated before he has an opportunity to strike himself, for once the deadly poison is injected the skin loses luster and value.

The price paid for perfect tanned skins is about one dollar each, and in addition the oil obtained from the snake commands a high price from its supposed value as a cure for rheumatism and kindred diseases. Each rattler captured alive means about \$1.50 to the hunter.

Among the most successful hunters is Alfred Johnson, of this place, who possesses many large and beautiful skins. His latest capture was nearly seven feet long and carried 19 rattles. Mr. Johnson has succeeded in domesticating a large number of young rattlers, which allow him to handle them as he will, and follow at his call like well-trained puppies.

SUIT TESTS DIVORCE LAWS

Short Period of Insanity Intervenes Between Alleged Cruelty and Wife's Pleat.

Carlinville, Ill.—A peculiar suit for divorce has been filed in this county, involving the construction of the law which prohibits the granting of a legal separation because of insanity. So far as is known, no similar proceeding has ever been filed in Illinois.

Mrs. Georgia Kitzmiller, wife of Former Representative James V. Kitzmiller, is the complainant. Cruelty is the charge, and the acts complained of date back 13 and 14 years. They consist for the most part of threats.

In 1903 Kitzmiller was adjudged insane, and sent to the hospital at Jacksonville. He has spent much time there, and it is understood that he has quite recovered his reason. Recently he returned to the home of his father in Girard, where he is now living. Whether the acts of cruelty complained of, and which occurred so many years ago, can be set up as proper grounds for divorce in a case where a period of mental irresponsibility has intervened, is the important question to decide.

War Must Go On.

The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ring worm and it cured completely. 25c, 50c and \$1.00. Sold by D. Dorward & Co. and all Druggists.
