THE AMERICAN WAY

I DREAMT THEY REPEALED THE 20TH CENTURY

By Harry Browne
Editor, Freedom Magazine

Last night I had a honey of a dream. The self-styled "liberals" might call it a nightmare — for I dreamt that the federal government had been taken over by a "reactionary" Congress. All economic laws were repealed, the regulatory agencies were disbanded and the government confined itself to national defense. As the saying goes, they "repealed the 20th century."

But the results were astounding. Here are some that I can recall:

First:

1. New labor-saving products were quickly marketed by companies that had formerly been restrained by anti-trust laws, oppressive taxes and artificial regulation. All firms were now free to develop new ways to please their customers.

2. Prices were reduced on most products — as business no longer had to keep costly records for the government, submit expensive reports and defend itself against unjust government accusations.

3. Unemployment went downward as employers hired the handicapped, the teenagers and the unskilled. They were formerly unemployable because they were not productive enough to be worth the politically established minimum wage.

4. Wages became a measure of a man's worth, instead of an industry-wide policy that provides no incentive. As a result, production went up, wages went up, and prices came down.

Then...

5. Taxes were cut in half — as the government no longer needed money for business ventures, subsidies and costs of artificial regulation.

6. Railroads lowered their freight rates — since there were no more government-imposed minimum prices. The truckers and shippers were thereby forced to do the same, and the retail prices of many effected products were lowered.

7. For senior citizens, "social security" became a reality, instead of a political promise. Now every pensioner had a contract from private enterprise, he knew without doubt what he would receive, and he could disburse the benefits as he saw fit.

8. The word "inflation" was not mentioned once in my dream — for government was no longer manipulating the money supply with valueless federal reserve notes. Every dollar in circulation was backed up by a dollar's worth of gold or silver.

Everywhere I turned, I could see evidence of a higher standard of living. Incentive had been returned to the economy and most people had an insatiable urge to produce, to compete, to acquire and to prosper. Years of progress took place in months.

Responsibility and self-government were accentuated. Ambition was heightened, but greed was diminished — as more good things came within the reach of more people.

Yes, the self-styled "liberals" were right. That "reactionary" Congress had truly repealed the 20th Century — and shot us forward into the 21st century almost overnight.

When?

While such a state of freedom may today be only a dream, there is no mistaking the benefits that freedom can bring. If we will only give it a chance, it will quickly work its inevitable magic — and bring us prosperity never before experienced by any civilization in history.

It's time for us to start making dreams come true.

State Representative Ben Barnes Visits In Santa Anna

State Representative Ben Barnes of DeLeon, visited in Santa Anna Tuesday. He was guest speaker at the Lions Club meeting at noon. In the afternoon he spoke to the student body at the high school.

Rep. Barnes reviewed some of the major legislative work accomplished by the Legislature earlier this year.

Ceramic Show To Be Presented Here Sept. 22nd

A number of Santa Anna ladies who have a hobby of Ceramics is sponsoring a Coleman County Ceramic Show for all county folks who are amateurs in this field. The show will be held Sunday, September 22, in the Lions Club den.

A number of professional ceramic teachers and others from the Abilene area have indicated they will bring some of their works for display also.

The entries from Coleman County will be judged and awards presented. Anyone interested in entering their works may do so by contacting Miss Charlotte Moseley.

The show will be open to the public from 1:30 to 6:00 p. m. There will be nothing to sell, they just invite everyone to come in and see the displays.

Mrs. Lucy Price Injured In Auto Accident

Mrs. Lucy Price was critically injured in an auto accident Friday, Aug. 30, as she was coming into the outskirts of Fredericksburg on her way from Kerrville to Santa Anna. The accident happened about 6:00 p. m.

Mrs. Price crashed into a highway roller that was being moved from one construction job to another.

She suffered a broken ankle, crushed knee cap and internal injuries. She underwent surgery on Tuesday of last week in the Peterson Hospital in Kerrville, where she remains a patient.

Cause of the accident has not been determined.

Mrs. Price has been working with a sister in a fabric store in Kerrville for the past several months. She was coming to Santa Anna to spend the Labor Day weekend.

Band Boosters To Have Called Meeting

A called meeting of the Santa Anna Band Boosters Club will be held in the Band Hall at 7:00 p. m. Thursday, Sept. 19. All who are interested in the band and their activities are urged to be present.

Some officers will have to be elected and other activities will have to be completed before the organization can function for the year. It is important for everyone interested to make plans now to attend.

County Youth Rally To Meet Here Saturday

The regular monthly meeting of the Coleman County Youth Rally of the Southern Baptist Convention will meet in the First Baptist Church here at 7:30 p. m. Saturday, September 14. All Intermediates and Young People are invited to attend.

Miss Mary Wigger, Junior Student at Howard Payne College and daughter of Rev. and Mrs. Harry C. Wigger, a former Santa Anna pastor, will have charge of the program. She will show a number of slides of her work in the Home Mission Field.

Small Business Representative To Be In Brownwood

A field representative of the Small Business Administration Regional Office will visit Brownwood, Texas, the third Wednesday of each month, Mr. Robert E. West, Regional Director of SBA, announced today. Mr. Homer N. Tanner Jr., Manager of the Brownwood Chamber of Commerce, has made space available for the Small Business Administration representative to interview small businessmen in the Brownwood area.

Mr. West stated that this action was taken in order to better serve the small businessman in the Brownwood and surrounding area.

Any businessman interested in obtaining information about SBA business loans or other services is requested to call for an appointment at MI5-2646 or to contact the SBA Field Representative on Sept. 18 at the Brownwood Chamber of Commerce Office at 201 North Fisk Street.

Father of Artie Irby Buried Friday

Will A. Irby, 87, passed away in Comanche Wednesday, Sept. 4, following a short illness. Funeral services were held on Friday.

Mr. and Mrs. Irby lived in Santa Anna during the 1920s, but had lived in or near Comanche since that time. They observed their 69th wedding anniversary August 9th.

Survivors include his wife of Comanche; three daughters, Mrs. J. E. Merritt of Brownwood, Mrs. Lillie Brinson of Coleman and Mrs. Montie Brinson of Comanche; five sons, Otis Irby of Ballinger, Otto Irby of Coleman, Elva Irby of Seagoville, Artie Arby of Santa Anna and Cyril Irby of DeLeon.

4-H CLUB TO MEET TODAY

The Santa Anna 4-H Club will have their first regular meeting of the school year today (Thursday) at the Elementary School Luncheon. The meeting will be at 4:00 p. m. All boys and girls between the ages of 9 and 18 years are invited to attend.

Purpose of the meeting is to elect officers and discuss the program for this year.

Adult leaders of the 4-H Club are Rev. and Mrs. Raymond Jones and Mr. and Mrs. Richard Horner. A special invitation is extended the high school students to attend the meeting.

ACREAGE SURVEY STARTING

Postmaster Lee Strother announced today that Rural Mail Carrier will begin distributing 1963 Acreage Survey Cards to patrons on their routes about September 12.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1963.

To be sure this community is well represented in the survey, Postmaster Strother urges each patron receiving a card to fill it out and return it to his mailbox.

Rural carriers working on this project are: M. L. Guthrie Jr., Route One and Two; D. H. Moore, Whon Star Route; and Mrs. Bertha Allen, Rockwood Star Route.

Light Rain Here Sunday

A light rain fell in the Santa Anna area Sunday morning and helped to keep the temperature down for a short time. Saturday afternoon late light showers fell to the west and south of town. None of the rain amounted to very much, hardly enough to register. But it was welcomed very much.

Clayton Jackson Gets Scholarship

Clayton R. Jackson, a 1963 graduate of Santa Anna High School, has been selected to receive a scholarship to Tarleton State College in Stephenville. The award was based primarily on his scholastic achievements during his senior year in high school.

He is a son of Mr. and Mrs. Dayton Jackson, formerly of Santa Anna, who are now making their home in Coleman.

Clayton will register at Tarleton Monday as a Freshman.

Six Flags Begins Saturday & Sunday Operating Schedule

Labor Day marked the beginning of Saturday and Sunday only operation for Six Flags Over Texas, and that means that a great many of the Park's collegiate hosts and hostesses will be carrying their happy smiles and courteous manners into the classrooms of dozens of universities and colleges throughout the United States.

The 1,200-plus student staff who manned the 115-acre family funland every day during June, July and August, has been adjusted with additions of new personnel and deletions of those students who attend school too far distant from the Park to work during the fall when Six Flags is open only on Saturday and Sunday.

Beginning the weekend of September 7, Six Flags will be open from 10 a.m. until 10 p. m. on week ends only. Labor Day marked the end of seven day a week operations for the Park. Thus far during the 1963 season, which opened April 20, 1,300,000 guests have enjoyed Six Flags and its over 70 rides and attractions.

All rides, shows and attractions will remain in full operation until Six Flags closes for the season on December 1.

Heart Association To Meet In San Antonio Sept. 13-15

The Texas Heart Association's 28th annual meeting and Scientific Session will be held in San Antonio September 13-15. Leading medical authorities will lecture on various heart and circulatory problems prior to the Assembly Meeting of the Texas Heart Association.

Leaving Thursday afternoon, Dr. John Duke of Coleman will represent Coleman County as a delegate of the San Angelo Heart Association. R. T. Caperton, alternate delegate, will be unable to attend.

Fellowship At First Baptist Annex After Home Games

Rev. Raymond Jones, pastor of the First Baptist Church, announced this week the church will sponsor their Fellowship Program after each home football game again this year.

The fellowship will be held in the church annex and all young people of the community are invited to attend. There is no charge.

After the game, you are invited to come by the annex and enjoy refreshments of cold drinks and sandwiches. There is no planned entertainment, just come by and enjoy yourself for any length of time you desire.

This program has been sponsored for the past two years by the First Baptist Church and has been well received by the youth of the community. More than 100 youths have been served on several occasions.

Spanish Language Drivers Handbook Available Now

Austin — The director of the Texas Department of Public Safety announced today the first officially-approved editions of the Texas Drivers Handbook printed in the Spanish language rolled off the presses this week and are now ready for distribution.

Col. Homer Garrison Jr. said they were produced as a public service by Humble Oil & Refining Co. in cooperation with the DPS and the Texas Good Neighbor Commission.

He pointed out that due to the limited supply, only those persons who are unable to use the English version of the Drivers Handbook should request the new Spanish edition. It will be available to them upon proper request at Drivers License Testing Stations throughout the state.

Humble will distribute the handbooks through its Touring Service, its Mexico Travel Service offices in Laredo and Brownsville, and through a limited number of service stations in areas with large numbers of Spanish-speaking people.

Glenn Garrett, director of the Good Neighbor Commission, said the handbook will help fill a need among the Spanish-speaking people of Texas and should make a significant contribution toward safer operation of motor vehicles in the state.

Translated by the staff of the Good Neighbor Commission, the booklet is 100 pages in length and includes a glossary of terms for quick translation from English to Spanish.

Large Grass Fire Saturday Afternoon

Four members of the Santa Anna Volunteers Fire Department fought a grass fire on the railroad right-of-way about three hours Saturday afternoon. The Bangs Fire Department started fighting the fire coming this way, with the local group fighting it and meeting the Bangs department about half way.

There was three areas where the fire had spread to a considerable size. It was apparently started by a train that went through shortly before hand.

Mrs. Curran Pieratt Dies In California

Mrs. Evelyn Louise Pieratt, 43, of Santa Anna, Calif., died August 31. Services were held Tuesday, Sept. 3.

Mrs. Pieratt was a native of California. She was a graduate of Alhambra High School and Pasadena Junior College. She was a member of the Episcopal Church.

Mrs. Jewel Pieratt of Santa Anna and Mrs. Virginia Curry of Fort Worth attended the services.

She is survived by her husband, Curran M. Pieratt of Santa Anna, Calif.; three sons, James, Wayne and Barry, all of the home, her mother and a sister.

The Mountaineers will play hosts to the Cross Plains Buffaloes on the local field at 8:00 p. m. Friday. This will be the first home game of the season. Prices of admission will be \$1.00 for adults and 25 cents for students. There are still a few reserve seat tickets left and can be purchased from Roy Mathews at the high school. The remaining tickets will be on sale at the gate.

The Mountaineers are expected to be in top condition for the Friday game. No injuries were suffered in the 8-6 win over Baird last week. A film was made of the game and many of the mistakes made will be worked out this week. Each boy can be shown exactly what he did wrong in the first game and how to improve his playing ability.

Determination could well be the factor that brought home the victory from Baird. Numerous mistakes in the first half, plus an 89-yard punt return for a TD that should have been called back to mid-field on an infraction, and four fumbles resulting in loss of the ball, could have taken all the spirit out of the Mountaineers. But it did not. They came back even stronger during the second half and just out played the Bears. The Mounties seemed to be in top physical condition and were ready for the encounter.

Cross Plains lost to Bangs last week 18-6, but the score does not really indicate the game. The Buffaloes also suffered a lot of the usual first game mistakes and are expected to be in much better shape this week.

City-Wide Church Census Planned For Sept. 29th

Five local churches will participate in a City-Wide Church Census Sunday, September 29. All homes in the Santa Anna area will be canvassed between the hours of 3 and 5 p. m.

Churches participating are: First Christian Church, Assembly of God Church, First Methodist Church, Presbyterian Church and the First Baptist Church. If there are other churches that would like to take part, your are requested to contact Rev. Raymond Jones or Rev. Bobby Weathers.

The town has been divided into five areas and each church will be responsible for one area. Purpose of the census is to have a complete listing available for each church in making plans for a City-Wide Revival Meeting that will be held next summer.

All participating in the census will meet at the First Baptist Church, where materials and supplies will be issued and instruction for taking the census will be given.

State Capitol NEWS

Austin, — Now in effect is a new compulsory school attendance law which requires school children, ages seven to 16, to go to school 165 days out of each 175-day school year.

Before the 58th Legislature passed this law, the minimum attendance requirement was 120

days. This left a wide margin for truancy — especially by children of migrant farm workers who are on the move two to four months out of the year.

Laxity of compulsory attendance laws has been cited as one reason for the high rate of illiteracy among Latin Americans. Texas' rate of illiteracy is high for all races. It has been estimated that almost 10 percent of the state's population is functionally illiterate.

A recent U. S. census survey showed that the average school child in Texas, with a Spanish surname, did not go past the fourth grade. Average Anglo finished the 10th grade and the average Negro completed the eighth.

It will be up to individual school districts to see that children attend school 165 days a year, according to Leon Graham, deputy commissioner

of the Texas Education Agency. However, the main responsibility lies with the parents. If a school officer warns the parents of a truant child, they are subject to a fine of \$5 for the next day he fails to attend school; \$10 for the second offense, after a warning, and \$25 for each subsequent offense.

Graham said it is no problem for a migrant parent to enroll his child in any school. No formal transfer is required. "Our schools are here to serve the children of Texas," he said. "All they have to do is say, 'Here I am!'"

SCEWORM PROGRAM PRAISED

Dr. E. F. Knippling — known as the "father of the screwworm eradication program" — addressed Southwest Animal Health Research Foundation trustees at their annual meeting in Austin, and praised the progress of their eradication campaign. But he cautioned them against complacency.

Knippling reported that in August, only 31 screwworm cases were reported in Texas, compared to 5,088 in August, 1962. But a large percentage of the 81 were in the Trans-Pecos area.

Animal health officials feel the Trans-Pecos problem is a direct result of screwworm flies migrating from Mexico. Mexico's northern border has been the target of sterile fly drops for several months now. But newly-gained knowledge that the fly can travel about 180 miles on his own volition is worrying the officials.

Knippling said, "We must intensify our survey efforts to find where fly drops will be most effective; then widen the barrier to prevent infestation."

FALL RAINS MAY POSE PROBLEM

Charlie Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, said his group is beginning to worry about a growing rate of screwworm infestation when fall rains come.

Cool weather and dampness, usually associated with early fall, may couple with shearing and calving wounds to foster screwworms if livestock producers don't take precautions. Scruggs said an "information campaign" will be launched soon.

NEW OFFICERS

Dolph Eriscoe of Uvalde is the new president of SWAHRF. The young rancher just completed a term as president of the Texas and Southwestern Cattle Raisers Association, before he took the animal health post.

New vice-president is Joe Lane of Alpine. T. J. Richards of Paducah is secretary-treasurer.

EDUCATORS MEETING SET

Texas Association of School

Administrators and Texas Association of School Board will hold a joint meeting in Austin on September 22 and 23 to hear talks on education in the Space Age. They will hold seminars on: School dropouts, the migrant pupil, religion and the schools, teaching Americanism-versus-communism, and textbook selection in Texas.

POLL TAX REPEAL

Campaign for repeal of the poll tax as a requirement for voting was launched by the Texas League of Women Voters, with Gov. John Connally and Vice President Lyndon Johnson giving their support to the movement.

On November 9 Texans will vote on a constitutional amendment to remove the 60-year-old requirement that you pay a poll tax to vote. Texas voting will be under the shadow of a proposed U. S. constitutional amendment outlawing taxes on the right to vote in elections of Federal officials. Legislatures of 36 states already have ratified this amendment, and when two more approve, it will go into effect.

Texas Legislature provided Texans a "do it yourself first" route by submitting the proposed amendment to the Texas constitution at the November 9 election. There is no chance for the U. S. amendment to go into effect until after that date.

TOURISTS

Texas' first formal effort to attract tourists will get under way now that Governor Connally has appointed the seven men to head the new Texas Tourist Development Agency.

Interestingly enough, most of the seven are natives of other states, indicating that Connally felt they would know best how to bring other Americans into Texas.

Frank Hildebrand Jr., former Louisiana, Baytown, Houston and Dallas news writer, will be executive director. For the last year, he has been chief of the travel promotion section of the Texas Highway Department.

On the advisory board which will help Connally direct Hildebrand are Bill Berger of the Hondo Anvil Herald and president of the Texas Press Association; Chris Fox, El Paso banker; James M. Gaines, San Antonio radio-TV executive and president of the Texas Tourist Council; John McCarty of Dallas, vice president of advertising for Frito-Lay, Inc.; G. A. (Pop) Mabry, Houston, public relations director for Humble Oil & Refining Co.; and John Powell, Austin hotelman.

AGING

State Senator Walter H. Richter of Gonzales was named by Governor Connally to head the Governor's Committee on Aging.

Secretary of State Crawford Martin headed this committee while he was in the Texas Senate. Many of its recommendations have become law, but Connally said much remains to be done.

On his list of assignments the governor suggested work to remove from state mental hospi-

als about 2,100 persons over 65 who are senile, but not really mentally ill. Many feel they have been sent to the mental hospitals simply because there was no other place for them to go. Effort will be made to transfer them to nursing homes.

Because people are living longer, the number of Texans over 65 increased 45 percent between 1950 and 1960. Population increased only 24 percent.

TALKING BOOKS

A new record was set in August on circulation of "talking books."

These are the albums of phonograph records distributed by the State Library under a federal-state program to aid the blind. Current magazines and popular books are read onto records and distributed free to the blind persons.

During August a total of 6,374 albums of records were distributed.

State Library also distributes books in Braille as a part of this service.

GAS

Natural gas continues to be one of the major cash crops of Texas.

Texas Railroad Commission reports that in June, 21,044 gas wells and 125,169 oil wells produced 573 trillion cubic feet of gas. The lion's share, 406 trillion, went into transmission lines.

Of all the gas produced, 39.83 percent was exported to other states, and 30.99 percent was carried by pipelines for use in Texas.

Internal Revenue will furnish employers a free copy of "Employers Tax Guide" covering social security and income tax withholding.

Santa Anna spent Sunday afternoon with Mr. and Mrs. Jack Dockery, John and Tinker. Brief visitors were Mr. and Mrs. Roger Craig and daughter of Corsicana, Wilma Townsley and Mr. and Mrs. Oil Martin.

Coach R. C. Smith and family of Santa Anna were bedtime visitors with Mr. and Mrs. Grady McIver and Terry Thursday night.

Mr. and Mrs. Carl Harris of the Mt. View Community visited with Mr. and Mrs. O. R. Boenicke on Saturday. Mr. Pete Walkovika of Houston and Mr. Bill Carrins of Priddy were supper guests of the Boenicke's on Sunday night.

Mr. and Mrs. Wylie McClatchey spent last Monday night with their son and family, Rev. Pat McClatchey in Florence. Mr. and Mrs. J. L. Burney of Pueblo, Colo., and Mrs. Maud Burney of Coleman, spent Wednesday afternoon with Mr. and Mrs. Wylie McClatchey. This morning (Monday) Mrs. McClatchey visited in Bangs with Mrs. Beula Kingston and reported her to be feeling pretty good. Mrs. Kingston had just received a letter from Mrs. Tom Bingham, her sister-in-law, of Eden, telling her Mr. Bingham was doing fairly well. Two weeks ago he had gone fishing and apparently slipped on a slick rock, fell and broke his hip. As he was by himself, he pulled himself to some willow trees where he lay for seven hours before being found. He was taken to a hospital where he had surgery. We wish him a complete recovery.

Mr. and Mrs. Jack Gartman of Brady and Mrs. Creighton Craig of Houston visited Mr. and Mrs. Bill Vaughn Wednesday.

Mr. and Mrs. A. H. Dean of Bangs and Mr. and Mrs. Al Caviness of Coleman were bedtime visitors of Mr. and Mrs. Walter Stacy Saturday night. Mr. and Mrs. Stacy visited Sunday afternoon with Mrs. Jo Grant and the James Ford family in Santa Anna.

Mr. and Mrs. Jerry Haynes of Brady spent the weekend with his parents and brother, Mr. and Mrs. Fred Haynes and Billy Don. Other visitors on Saturday and Sunday were Mr. and Mrs. John Haynes and Mr. and Mrs. G. K. Stearns and Sherman.

Mrs. J. E. York attended the funeral of Mrs. W. K. Bradley in Brownwood Thursday. Her son, Key Bradley and family lived at Trickham several years, where they ran a store. Our sympathy is extended to them.

Mr. Jerry Henshaw of Brownwood was a Saturday afternoon visitor and supper guest of Mr. and Mrs. E. E. Pinson, Virginia and Helen.

Mr. and Mrs. Weldon Lucas of Coleman, Mrs. Clara James, Sherrill and Stanley and Mr. and Mrs. Walter Stacy visited Mrs. Zona Stacy on Tuesday night. On Friday Mrs. Stacy celebrated her 85th birthday by having her children visit her. Present were Mr. and Mrs. Joe Stacy of Brookesmith Community, Mrs. Lula Hancock of Zephyr, Mrs. Desta Bagey of Brownwood, Mr. and Mrs. Marvin Ford and Mr. and Mrs. Walter Stacy. Mrs. Carrie Cozart was a brief visitor.

Contributions to exempt organizations are deductible, but the organization must be approved by Internal Revenue.

Mrs. Lon Minicla and Mr. R. A. Baker of Midland came to the Darwin Lovelady home Friday afternoon. They, with Mr. and Mrs. Darwin Lovelady and Randal, went to Duncan, Okla., Friday night, where they were weekend guests with Mr. Baker's sister, Mrs. Nancy Huffman. They reported a wonderful trip.

Mr. and Mrs. Joe Floyd Morris were dinner guests with his parents, Mr. and Mrs. Floyd Morris Monday, enroute to their home in Brady, following spending the weekend with relatives in Coleman.

Oscar Lovelady spent Saturday night with Guy and Alta Lovelady in Santa Anna.

Feather For A Gun Barrel
Maybe your hunting friends will think you are nuts. And they may even laugh at you. But if you will tie a small feather to the end of your shotgun barrel you'll improve your marksmanship.

The feather will record the slightest wind action, which will help you to subconsciously adjust your lead accordingly.

ANOTHER DRIVE to increase salaries of government employees is under way. Committee hearings are now being held, following a special message from the President recommending a general increase across the board, with a few substantial raises. This proposal follows recommendations made by a 12-man advisory panel, appointed by the President.

Under this plan, Cabinet Members would get \$50,000 a year; Members of the House and Senate, \$35,000; and Supreme Court Justices, the Vice President and the Speaker of the House would receive \$60,000 a year.

I am opposed to any such increases this year. It will be recalled that there was a very substantial general increase for government employees last year, costing about \$1.2 billion per year in addition to what was previously paid. Faced with a \$10 billion deficit this year, it hardly makes sense to talk about pay increases now. It would seem to be much more appropriate for the Congress to think in terms of reducing costs of government, tightening our effort to achieve a balanced budget, and making a concerted effort for all military personnel, budget.

In June of 1962, the President appointed a special group, headed by a lawyer named Gerhard a Gesell, to study racial problems in the military. On June 21, of this year that group filed a report that has raised grave concern among many people. Already the Secretary of Defense has indicated the Gesell recommendations will be put into effect.

Under this controversial proposal, a military base commander would have the authority to prohibit any of those under his command to visit or trade in business establishments in nearby communities which were allegedly practicing racial discrimination. Such business places could be declared "off-limits" for all military personnel, whether on duty or off duty. Basis for opposition stems

Last Year For Korean Veteran Schooling Begins

The last full year of schooling for veterans taking education or training courses under the Korean GI Bill begins this September. Mr. Hague Manager of the Veterans Administration Regional Office in Waco, Texas said today.

When this school year ends, only a half year of schooling will still be obtainable under the program. Courses starting in September 1964, must come to a close on January 31, 1965.

Congress has set this cut-off date for the Korean readjustment program of education and training for veterans without service - connected disabilities. The law gives no authority to the VA to extend these benefits beyond these dates, Mr. Hague said.

Originally, Korean Conflict veterans were eligible for 36 months of readjustment courses but now only 17 months will remain before the final deadline when school classes resume this September.

To be eligible for such readjustment education or training veterans must have had active

service at any time between June 27, 1950, and January 31, 1955. They also must have served at least 90 days and entered training within three years from their first discharge from that service. Re-enlistment does not extend the three year limit.

Eligible veterans may choose their own type of training in any school or establishment approved by an appropriate state agency.

They may enroll in schools or colleges; take on-the-job training; enroll in institutional on-the - farm training or other courses including flight training, cooperative or correspondence school courses.

Veterans will receive an allowance each month to meet part of their training and living expenses.

First step is to obtain the necessary application forms at the nearest VA Regional Office. This can be done by mail.

(Korea Conflict veterans with service - connected disabilities come under a different program and have no deadline to cut off their training).

Stretch Cotton For Circular Knit Wear To Be Studied

The possibility of using all-cotton stretch yarns in circular knit wear may expand the uses of this valuable fiber.

Research is to be conducted at the School of Textiles, North Carolina State College of Agriculture and Engineering to evaluate the yarns. The U. S. Department of Agriculture has contracted the work which will be based on research by its Agriculture Research Service. The Service recently developed three processes for making all-cotton

stretch yarns. Yarns supplied to North Carolina State College by the USDA will be knitted into rib - and jersey-type circular-knit fabrics. The scientists will determine the effect of yarn structure and fabric construction on fabric properties such as the degree of stretch and recovery, breaking strength, and resistance to tearing and abrasions. The study will also include in-service tests on half hose and T-shirts, and correlation of the tests with the physical properties of the fabric, says the Department. Advisors for the test will be scientists of the ARS Clothing and Housing Research Division, it adds.

Grandson of Mrs. J. J. Gregg Marries In Bishop

Miss Ellen Elizabeth Suggs and James Robert (Buddy) Jones of Bishop, Texas, were united in marriage Friday, August 30, at the First Baptist Church in Bishop. The Rev. Carl Schlobach read the ceremony. White gladiolus and greenery formed the setting for the wedding vows.

Parents of the couple are Mr. and Mrs. James Laverne Suggs and Mr. and Mrs. James Brandon Jones. Buddy is a grandson of Mrs. J. J. Gregg and has a number of friends here.

The bride wore a street length dress of white lace over bridal satin with a short lace jacket. Her veil was caught by a circlet of pearls and she carried a white orchid corsage.

A reception was held in the Fellowship Hall of the church. The couple are graduates of Bishop High School and are students at Texas A&I College where Mr. Rip is a member of KappaSigma Mu. They will make their home in Kingsville.

FHA Has First Meeting of Year

The Santa Anna FHA Chapter had a called meeting Thursday, Sept. 6, at the noon hour, with the president presiding.

Dues were set at \$1.25 a year per girl. All new members must have their memorization completed and all members must have their dues in by Sept. 13.

Billy Don Cupps was elected as Freshman Boy Sponsor and Terry McIver was elected as FHA Beau.

Frances Davenport gave the degrees report.

Due to shortage of time, the meeting was adjourned.

Gift Tea Honors Recent Bride

A gift tea honoring Mrs. Van Aldridge, the former Nita Needham of Coleman, was held in the home of Mrs. W. E. Vanderford Tuesday morning. Hostesses for the occasion were Mrs. Norval Wylie, Mrs. Clifford Morris, Mrs. Don Pritchard of Santa Anna and Mrs. Rip Mayo and Mrs. Doris Lane of Coleman.

The bride's chosen colors of blue and white were used in decorations. The table was laid with a lace cloth. The centerpiece was made of blue and white carnations.

In the receiving line were Mrs. Vanderford, grandmother of the groom; Mrs. Warren Aldridge, mother of the groom; and the honoree, Mrs. Don Pritchard registered the guests. Mrs. Bill Pritchard and Mrs. Rip Mayo were at the refreshment table.

Others in the house party were Mrs. Lottie Cozart, Mrs. Morris and Mrs. Wyle. A number of guests called. Many nice gifts were received.

If your social security check is ever lost or stolen, be sure to notify your nearest social security office at once. This will help to expedite the investigation so a replacement check can be sent to you.

Nitia Daniell Circle Regular Meeting

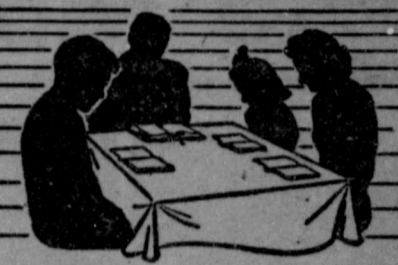

Mrs. Hettie Scarborough and Mrs. Eva Nell Bengel were hostesses for the regular meeting of the Nitia Daniell Circle of the First Methodist Church on Tuesday night. Mrs. Mae Watson had the devotional for the program, which was centered on the theme, "You Are Christ Sent."

Mrs. Lillian Herndon was program leader. The purpose of the program was to share our faith with each other. In an informal sharing time, the members answered the questions outlined by Mrs. Herndon.

The hostesses served refreshments of punch, sandwiches and cookies to Mes. Gilmore, Welch, Niell, Weathers, Herndon, Dean, Watson, Crews, Young and one visitor, David Young Jr.

At the conclusion of the fellowship hour, the group was dismissed by joining together in singing, "Blest Be the Tie."

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Read John 6:25-35

They that wait upon the Lord shall renew their strength. (Isaiah 40:31.)

In our living room we have a philodendron. It stretches part way across the room. We noticed that the farther it extended itself from the container in which it is planted the more it diminished in thickness and strength.

Here and there along the vine's length nodules appeared as if in search of fuller life. The plant lover in our home conceived the idea of putting these nodules, without severing them from the vine, into a series of additional containers filled with rich earth. The plant has taken on new life from this supplementary feeding.

It is a long step from Sunday to Sunday, and it is a longer step from Easter to Easter. Too many persons who have professed Christ as their Savior and united with the church neglect to feed the soul between these special days. We all need to bear in mind that, just as supplementary feeding aids the growth and development of the philodendron, daily prayer, Scripture reading, and meditation will assure growth and development for our souls.

PRAYER:
Our Father, we look to Thee in faith, asking forgiveness of our sins. Feed us this day on the bread of life and grant us

Mr. and Mrs. Jim (Papa) Harris returned from Brownwood during the weekend, where Mr. Harris had been in the Memorial Hospital for two weeks.

Mr. and Mrs. Myron Hays of Winters were in Santa Anna over the weekend with her mother, Mrs. Theo Kirkpatrick, who is a patient in the Santa Anna Hospital.

Amos Taylor was admitted to the Medical Arts Hospital in Brownwood Friday but was dismissed and returned to his home Monday. He is reported to be improving nicely.

Mr. and Mrs. Cecil King, Susan and Celia of Brownwood visited Mrs. Kate Holmes Sunday and attended the singing at the Assembly of God Church.

Miss Stella McDaniel, who has been visiting her sister, Mrs. Ed Bartlett, returned to her home in Austin. While here, they visited in Merkel with Mr. and Mrs. Clyde Bartlett. On Friday Mrs. John B. Smullen and daughters, Mahlon and Susanna, of San Angelo, visited with them.

Breaking In Footwear
Breaking in your outdoor shoes is important. You should do this far in advance of any camping or fishing trip you intend to make. First, buy footwear plenty large for your feet, allowing for feet swelling. Put them on and hike a couple of miles the first few days, three the next several days, and so on, until you are doing five miles per day. Finally, with footwear on, stand in water four or five inches deep for 15 minutes. Allow shoes to dry while on the feet so that the leather will be formed to fit your feet.

Mr. and Mrs. Noel Harris of Gainsville, visited the Jim Harris' in Brownwood and here during his illness.

Mr. and Mrs. Loyd Morris of San Angelo were brief visitors with Mrs. R. B. Archer Sunday afternoon. They had visited her mother, the former Mrs. Leona White of the Thrifty area, who is now a rest care patient in a Bangs rest home.

Mr. and Mrs. D. K. (Dock) Lamb of Norfolk, Va., visited last week with his sister, Mrs. Clara Traylor and with the Melvin Lambs and other relatives.

Mountaineers Take 8-6 Win In First Game

The Mountaineers overcame some of their first game handicaps during the second half Friday night and took a hard-fought 8-6 win from the 10-A Baird Bears. Four fumbles and an 89-yard punt return in the first half were not enough to break the Mountie's spirit. Playing good defensive ball throughout most of the game, the Mounties were plagued in their efforts to get the offense to functioning.

The Mountaineers took the kickoff to start the game, but received a 5-yard penalty for offside, then took the second kickoff and returned it 20 yards. Bill Horne and Frank Valdez made a first down by driving to their 49, but on the next series the Mounties lost back to their 46 and punted. Wally Harris, 134-pound Baird halfback took the ball on his 11-yard line and went the length of the field untouched for their only counter of the night.

Mac Boyet took the kickoff back 19 yards, then the Mounties drove to the Baird 26-yard line. Here they suffered their first lost fumble of the evening. Baird lost back to their 20 in the series of downs, punted and the Mounties fumbled on the Baird 41-yard line. The Bears could not gain and punted again, with the Mounties fumbling this one on their 27-yard line. As the quarter ended, the Bears drove to the Mountie 18-yard line.

The Bears made a first down, then lost 15 yards on a penalty and could not gain another first down. The Mounties took the ball on their 26-yard line and drove to the Baird 46, then received a 5-yard penalty and could not gain a first down. They punted and Harris took the ball back about 30 yard, but a clipping penalty put the Bears back on their 11-yard line. Failing to gain, the Bears punted and again the Mounties fumbled the ball with the Bears taking it on their 33-yard line. The Bears drove to the Mountie 36 and a 15-yard penalty against the Mounties put the Bears on the 21-yard line. Trying desperately to score, the Bears tried the passing attack, but did not get it to working against the steller defense of the Mounties. As the half ended, the Bears were back on the Mountie 30-yard line.

Game Results For Last Week

Coach R. C. Smith's Mountaineers came out after the half-time rest Friday night and overcame a lot of their first half mistakes, and a 6-0 Baird lead. Bill Horne scored from 39 yards out early in the fourth period to tie the game, then shortly after the Mounties gained two points when they tackled the Baird quarterback in the end zone, making a final score of Santa Anna 8, Baird 6.

Bangs' Ray Findley and Jimmy White teamed up to beat the Cross Plains Buffaloes 18-6, scoring six points in the first period, then six points in the third and fourth periods. Cross Plains scored their TD late in the fourth period.

Dublin unleashed a tremendous passing attack Friday night in the first period to roll over the Early Longhorns 52-0. The Lions scored 32 points in the first period, then 14 in the second. Their reserves played most of the remaining part of the game and scored 6 more points in the third period.

Goldthwaite lived up to expectations by downing the Class AA San Saba eleven 26-20. The Eagles used a passing attack for their primary scoring punch, but showed power on the ground also.

Copperas Cove also sounded a warning note to other members of District 9-A by handing the Thrall eleven a 44-6 defeat. Larry McMasters, Charles Bishop and Melvin Millsap did the scoring.

Burnet dropped their opening game to Llano 24-12. Burnet's Kinsey scored in the first two minutes, then Llano ran the kickoff back for a TD. Llano gained 280 yards to 173 for Burnet.

Clyde, expected to be one of the powers in District 10-A, proved they are likely to be just that by turning back Roscoe 35-14. The Bulldogs rolled up a 20-0 halftime lead, then scored 15 more points in the third period.

and returned 18 yards, but could not gain a first down. They received a 15-yard penalty on the punt, then punted again from their 24-yard line. McIver returned the punt 7 yards. The Mounties could not gain and punted, this time Harris fumbled the ball but recovered it on his 6-yard line. They drove out to their 14 and punted to the Mountie 47-yard line, but a penalty against the Mounties put the ball back on their 44-yard line. They gained 8 yards, then tried the jump pass that had been rather successful. This one was intercepted and returned to the Mountie 49. The Bears lost

back to their 40, then punted to the Mountie 38-yard line. As the quarter ended the Mounties were on the Bear 45-yard line. The Mounties made a fourth down effort pay off and gained a first down on the Bear 39-yard line. Horne rambled through his right tackle, bounced off two would be tacklers and a Mountaineer or two, then broke into the clear and crossed the goal line just as he was tackled, tying the score. The try for 2 extra points failed.

Harris took the kickoff and almost got loose for another TD run, but was finally brought down on the Mountie 48-yard line. The Bears failed to make a 4th down effort pay off and lost back to the Mountie 46-yard line. Failing to make a first down, the Bears were preparing to punt when Baird received a 5-yard penalty, making the first down. However, the Mounties failed to gain and McIver got off an excellent punt that traveled 47 yards and went out of

bounds on the Baird 2-yard line. On the next play, the Bear quarterback fumbled in the end zone but recovered the ball as he was tackled, giving the Mounties the 2-point margin they needed to win the game. Baird kicked from the 20, with the Mounties ending up with the ball on the Bear 49-yard line. Failing to make a first down, the Bears took over on their 41-yard line. A pass was good for 9 yards, then their fullback got loose for a moment and went to the Mountie 16-yard line. The powerful defense of the Mounties was really good here as they pushed the Bears back to the 21 in four downs. With only seconds left to play, the Mounties attempted to run the clock out, but the stubborn Bears kept stopping the clock with infractions and time out in a desperate attempt to get their hands on the ball again. However, they were unsuccessful and the game ended with the ball in Mountaineer possession on their 44-yard line.
