SANTA ANNA, COLEMAN COUNTY, TEXAS, THURSDAY, OCTOBER 10, 1963

NUMBER 41

THE
AMERICAN
WAY

FARMERS ARE
PEOPLE, TOO

By Harry Browne
Editor, Freedom Magazine

An obvious area where taxes and government spending could be reduced is the farm subsidy program.

But whenever anyone suggests such a thing, the bleeding-hearts always cry that the farmer couldn't live without his subsidies.

That, of course, is the worst kind of insult—implying that a man isn't man enough to stand on his own two feet.

Why do the politicians continually underestimate the ability of the American farmer? Is the farmer any less capable of surviving in a free enterprise economy than other businessmen? Is he any less able to provide for himself and his family?

Symbol

On the contrary, the American farm is the symbol of self-sufficiency. In fact, the farmers have been giving the bureaucrats apoplexy by out-producing demand—no matter how tight the planners apply the controls.

While it's undoubtedly true that many farmers have been carefully maneuvered into a state of dependency upon the government, it is foolish to assume that the average farmer benefits from this whole crazy farm program.

Does he enjoy being punished for growing crops that are not in harmony with the bureaucrat's production schedules? Does he like living in fear of diverse government action that could ruin a year's crops overnight?

Does he relish the system that allows him to be taken by a Billie Sol Estes with the acquiescence of his "patrons" in Washington?

And do you imagine that farmers are not uneasy about the growing size of the Dept. of Agriculture? There are now a little over half the number of farms that existed in 1935—yet the Department now employs almost 50 percent more people than it did in 1935. While the farms go down in number, the Department gets bigger.

It seems that the farmer is the most under-rated and over-regulated creature in America.

And while all taxpayers—farmers included—currently pay better than \$150 per year to finance the government farm program, the farmers stand to gain the most from an end to that system.

Once agriculture is part of the free enterprise system again, farmers will be free to compete, to grow, to prosper—without meddling planners to tell them what to do.

Potential

The capable farmer will regain his self-respect—he'll no longer have to defend, or apologize for, his subsidies. And he'll undoubtedly make more for himself—as he competes to better serve the American consumer.

The fair and just private enterprise system will weed out those who should not be farming in the first place. They can then find work in more productive areas, where their talents will earn them more, and where they will contribute to our standard of living.

As a matter of fact, since the total number of farms will go down, the Department of Agriculture will undoubtedly be needing more employees. And who would be better qualified than a farmer that couldn't make a go of his farm?

Community Chest Drive To Begin Next Tuesday

At a meeting of the chairmen of each of the areas in Precinct No. 2, it was decided to begin the annual Precinct No. 2 Community Chest drive Tuesday of next week. The goal set for the drive is \$3,000.

Organizations being helped by the Community Chest are: Red Cross, Salvation Army, Quarter-back Club, Summer Recreation Program, Boy Scout, Chisolm Trail Council, Cub Scouts, PTA, Milk Fund, Heart Fund, Cancer Fund, Texas Rehabilitation Center, Boys Ranch at Tankersley and the Contingency Fund.

When the workers call on you, you are urged to be as generous as possible in your contributions.

County Baptist Association Meets Here Oct. 10-11

DR. JAMES BASDEN

The 58th annual session of the Coleman County Baptist Association will be held in the First Baptist Church in Santa Anna Thursday and Friday, Oct. 10 and 11. Rev. Raymond Jones, pastor, will be the moderator. Rev. J. H. Hallford, pastor of the Talpa Baptist Church and new Area Missionary, will bring the annual sermon at 8:15 p. m. Thursday evening.

The program will get underway with a song service at 7:00 p. m. T. Knox Campbell of Talpa will give the scripture reading and offer prayer. "The Brotherhood and Its Call" will be given by Rev. R. H. Stainback of Talpa, past president of the Associational Brotherhood. Ed Taylor, pastor of the Glen Cove Baptist Church, will discuss, "Awake, Training Union, Hear the Call." At 7:40 Rev. Jones will introduce the new pastors in the association and make any announcements.

Rev. Andrew H. Villarreal, pastor of the East Coleman Baptist Church, will discuss "The Call for Latin American Work" at 7:45 p. m. A hymn and special music will precede the annual sermon.

The session will convene at 9:30 Friday morning. On the morning program will be Johnny Bryson of Leaday, in charge of song service; Charles Mitchell, pastor of the Gouldsbush Baptist Church; Mrs. M. W. Young of Glen Cove, president of the WMU; Rev. E. G. Key, pastor of the Burkett Baptist Church; Rev. Frank Hamby, pastor at White Chapel and Mrs. C. D. Bruce of Santa Anna. Reports will be given at 10:30 a. m.

Dr. James Basden, Secretary of the Human Welfare Commission of the Baptist General Convention of Texas, will speak at 11:25 a. m. on "Awake to the Call of the Denomination." Dr. Basden works with the administrators of the four children's homes and eight hospitals owned and operated by Texas Baptists. He directs the Commission efforts to bring about closer cooperation among the various Human Welfare institutions sponsored by the Convention and to promote the development of a more effective Christian leadership within these institutions.

The host church will serve the noon meal in the church annex.

The afternoon program will get underway with a song service at 1:00 p. m. A report on the Resolutions Committee will be heard at 1:15 and Rev. Robert Elkins of Novice will discuss, "TANE Has Heard The Call", at 1:25 p. m. Others on the afternoon program include Lester O. Probst, pastor of the First Baptist Church in Coleman and J. H. Hallford.

The Convention will end with Dr. Clifford Nelson, District Mission Secretary, of Brownwood, Coleman County Association; "God Is Calling," at 2:15 p. m. All Southern Convention Baptists in the county are invited to attend.

2ND SUNDAY SINGING

The regular Second Sunday Singing will be held at the Assembly of God Church Sunday, October 13, from 2 to 4 p. m. Everyone is invited to attend.

Mountaineers To Host Marble Falls In Homecoming Game Friday Night

The Mountaineers will play hosts to the Marble Falls Mustangs in the Homecoming Football game Friday night at Mountaineer Field. Game time is 8:00 p. m. Admission will be \$1.00 for adults and 25 cents for students.

Terry McIver, who was injured in the Goldthwaite game last week, is expected to be back in the line up Friday night, unless unforeseen complications develop this week. He did not suffer any apparent serious injury, but possibly a mild concussion. X-rays did not show any broken bones.

Because Marble Falls has been picked for the bottom place in the district does not by any stretch of the imagination mean they will be there. The Mustangs have defeated Class AA Llano and last week they tied the powerful Boerne Grayhounds, who had not been either beaten or tied this season. Marble Falls lost to Blanco 12-32 and to Johnson City 0-27, but came out on the long end of the score with Llano 14-13 and held Boerne to an 8-8 tie. We do not feel that the game here Friday night will be an easy one, and urge the Mountaineers to get their spirit and determination back in top condition for this game.

Actually, the Mounties should bound back after the loss they suffered last week. But they are faced with this being a Homecoming game, which usually seems to get the football boys in about the lowest ebb they can get in.

This is the time when more effort than ever before should be put forth for the sake of the school and the many visitors who will be here for the Homecoming.

This will be the second conference game for the Mounties and the first for the Mustangs.

BILL HORNE INJURED

We did not know it until after the first part of this issue of The News was printed, but Bill Horne suffered an injury to his knee in the final moments of the Goldthwaite game. Coach Smith said it was highly possible that Horne would not be in the line up Friday night, or might be used very sparingly, just depending upon what condition his knee was in at game time.

Doyle Wright Loses Finger In Accident

Doyle Wright, employee of the City of Santa Anna, lost a finger in a freak accident Monday afternoon. He and Clifford Stephenson were working with the ditch digging machine when the accident happened. Wright also had another finger badly mashed, but he apparently will not lose it. He spent one night in the Santa Anna Hospital.

Coffee Shop and Sewing Center To Open Monday

Mrs. Keetie Haynes and Mrs. Sue Morelock announce they will open the Santa Anna Coffee Shop and Sewing Center in the building formerly occupied by the Howard Barber Shop, next to Bobby's Beauty Shop, on Monday of next week. They will serve free coffee all day during the opening day.

They plan to use the front for a coffee shop and the back for a sewing center, where they will make just about anything that can be made from material.

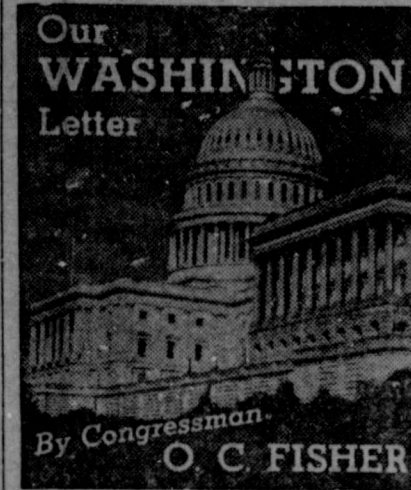

SON BORN TO KENNETH HERRINGS OCTOBER 5

Mr. and Mrs. Kenneth Herring are the parents of a six pound, 12 ounce baby boy born at 10:39 p. m. October 5, in a Brownwood hospital. The little boy has been named Max Ray. He has three sisters, Kimarie Kay, Johna Fay and Elizabeth Gay.

Grandparents are Mr. and Mrs. Casey Herring and Mr. and Mrs. John Geer of Bangs.

Great-grandparents are Mrs. Ben Herring and Mr. Elmer Cupps.

Typewriter paper at the Santa Anna News.

Like the fair maiden who had to choose between two suitors, the Administration last week chose Civil Rights ahead of Tax cuts, in a popularity contest on priorities.

Civil Rights, Senate whip Hubert Humphrey announced, is simply too hot to be acted upon in Congress during an election year just when people are getting ready to vote.

But tax cuts, it was reasoned, would be quite palatable in the Spring, just before tax-paying time.

Humphrey's announcement, following a White House conference, made it apparent the Administration does not consider the tax bill so important, after all.

The decision probably didn't matter much, except for appeasement purposes (in response to NAACP's demands), since Senator Harry Byrd, chairman of the Senate committee that will handle the tax bill, has indicated he will take his own time in giving the tax measure a good going over. And that can hardly be completed before the end of the year.

And by January, Byrd's committee will be better able to judge how far the Congress is willing to go in reduced spending. The record for this session will have been finished. The tax cut bill, which some of us opposed because we were not convinced the promised retrenchments in spending would take place, was approved in the House only after glittering promises were made that "unnecessary Government activity" would be cut out, with immense savings. But not a single specific cut-back in nonessential projects was identified.

In September, the House had to be content with promises; in January, the Senate can look at performance.

Everyone agrees that taxes are too high. But sponsors of a tax cut at this time also agree that a chaotic fiscal situation will result unless there is also a genuine program of reduction in spending. There is the matter of an estimated \$10 billion deficit during the current year, not taking into account the loss of revenue if the \$11-billion tax cut passes the Senate.

And, along with that, there is now pending in the Congress measures calling for new and expanded spending programs, amounting to around \$7 billion. There is no question but that all or most of this could be sidetracked, if retrenchment promises are honored. It remains to be seen.

Robert Pritchard of Amarillo AFB, spent the weekend with his mother and brother, Mrs. Bill Pritchard and Mr. and Mrs. Don Pritchard and family.

Visitors in the John Gregg home Sunday were Miss Juanell Mercer and Dwayne Wheat, students in Tarleton State College. Juanell received an 8-year perfect attendance award at the North Side Baptist Church Sunday morning.

Mr. and Mrs. Jim Jones of Truscott visited in the W. E. Vanderford home Friday, enroute to McGregor. Mrs. Jones is a sister of Mr. Vanderford.

Going into business for yourself? If you plan to hire one or more employees, ask your nearest Internal Revenue office for information on how to file your employer quarterly reports for social security.

Local Youths Take Honors At Waco Fair

The annual trek to livestock shows all over Texas got underway last week with a number of local youths taking lambs to the Heart of Texas Show in Waco. And, as is the case very often, Coleman County youths almost took all the honors of the show.

Joe Ed Wise of Rockwood, showed the grand champion lamb of the show and a Novice boy showed the reserve champion lamb. Coleman County youths took first place in every division of the lamb show.

In the Southdown division, Joe Ed Wise took first place and Korky Wise took second place. Les Guthrie took 20th place. In the fine wool division, Darylne Jones took first place. Other places locally were: 2nd, Steve Valdez; 3rd, Joe Ed Wise; 4th, Korky Wise; 5 and 6, Frank Valdez; 7th, Bubba Jones; 9th, Eddie Jones; 10th, Les Guthrie; 11th, Wade Jones. In other breeds and crosses, Wade Jones took 6th place; Larry Avants took 13th place and Darylne Jones took 14th place.

Tom Kingsbery has been really generous with the 4-H Club and FFA youths, and all of them appreciate his help. Of the seven top winners in the fine wool class, 6 of them came from the Kingsbery Ranch and the 10th place winner also came from the Kingsberys.

District Club Women Coming To Santa Anna

The Self Culture Club will be host to a district-wide meeting and workshop of women's clubs on October 19. Reaching from Ozona to Gorman, the district comprises about 80 clubs and delegates from most of the towns are expected to attend the session.

Mrs. Tom Kingsbery is president of the host club. Mrs. C. D. Bruce is chairman of plans for the workshop.

Registration will be in the high school, followed by a breakfast, which will be a courtesy of the Community Chamber of Commerce of Santa Anna. Mrs. Chas. Evans is breakfast chairman. Assisting her are Mrs. Byrl Sparkman, Mrs. Ford Barnes and Mrs. Hardy Blue.

Mrs. Norval Wylie, Mrs. B. A. Parker and Mrs. Preston Bailey will register those attending. Greeting guests there and at the luncheon will be Mrs. J. L. Harris, Mrs. C. L. Eeds and Mrs. Joe Mathews.

A luncheon will be given in the school cafeteria, planned by Mrs. Kingsbery, Mrs. Henry Newman, Miss Alta Lovelady and Mrs. J. W. Taylor. Presiding throughout the day will be Mrs. A. G. Lee of DeLeon, District President. Mrs. Glenn R. Lewis and Mrs. J. O. Mills, both of San Angelo, who are vice presidents, will attend the meeting also.

About 75 to 90 women are expected at the workshop.

Juniors Win Over Bangs Tuesday

The Junior Mountaineers won over the Bangs Juniors 38-0 on Tuesday night in a well played game. They scored twice in the first period and once in each of the other quarters. Some passes were attempted, but mostly power plays were used through the line. Two end sweeps accounted for TDs.

The Juniors will entertain Goldthwaite here next Tuesday night. The Junior Eagles are the ones to beat at the present time. They beat Cross Plains 46-6 and Bangs 32-0. Bangs beat Cross Plains 18-12, and Santa Anna beat Bangs. However, Cross Plains beat Santa Anna. So, the one next week should be a good game.

Stapling machines at the News Office.

DIAL A PRAYER — FI-3100

The 10th annual Homecoming of Ex-Students of the Santa Anna Schools will be held here Friday and Saturday, October 11 and 12. Every former student of either of the Santa Anna Schools is cordially invited to attend. Graduates of all classes ending in "3" will be honored on Saturday morning.

The Homecoming activities will get underway with the Santa Anna-Marble Falls football game Friday night at Mountaineer Field. Most of the half-time activities will pertain to the Homecoming. Immediately after the ballgame, all former students are invited to the lunch room at the Elementary School for an informal gathering. This will consist of refreshments and visitation.

Registration will begin at the high school at 9:00 a. m. Saturday and continue through most of the day. All former students and their spouses are invited to register. A coffee will be held in the lunchroom from 10:00 a. m. to 12:00 noon honoring graduates of classes ending in "3". Each of these ex-students will be presented a corsage.

The time from noon to 4:00 p. m. will be allotted for classes to have their reunions and for general visitation. A business meeting will be held in the high school auditorium from 4:00 to 4:45 p. m. New officers and directors will be elected and other business that come before the assembly will be taken care of. The Mountaineer Band will present a concert from 4:45 to 5:15.

At 5:15 p. m. the annual barbecue supper will be served in the lunchroom.

A variety program will be presented in the high school auditorium at 7:00 p. m. Beginning at 8:00 p. m. the annual Homecoming dance will be held in the National Guard Armory.

County Brotherhood To Meet Here Tuesday Evening

The Coleman County Associational Baptist Brotherhood meeting will be held in the Santa Anna First Baptist Church Tuesday, October 15, at 7:30 p. m. A good stewardship program is planned, with refreshments to be served.

All members are urged to attend.

L. V. CUPPS SUFFERS BROKEN LEG

L. V. Cupps, an employee of the Santa Anna Silica Sand Co., suffered a broken leg just above the ankle about 10:00 p. m. Saturday night. He is presently in the Hendricks Memorial Hospital in Abilene.

Happy Birthday

"Happy Birthday" to all who have birthdays during the next week. Below are listed the birthdays we have this week.

OCTOBER 11
Dorothea Carpenter
Mrs. Lillie Cole
Mrs. Mena Shuford

OCTOBER 12
Dayton Jackson
R. B. Rutherford
Tony Tucker
Vickie Lynn Lee

OCTOBER 13
Bob Knox, San Angelo
Robbie Miller

OCTOBER 14
Doyle Lynn Wright
Loretta Jackson, Rockville, Md.
Mrs. Chas. Evans
Marvinia Green, Corpus Christi

OCTOBER 15
Thomas R. Rutherford,
Concord, N. H.
Mrs. Nell Beard
R. W. Matthews
Charlie Avants

OCTOBER 16
R. L. (Bob) Steward
Daniel Gilbert
Kathryn Jennings
Billy W. Lowry

OCTOBER 17
Mrs. C. C. Gilbert
Bill Lowry
Linda McIntire

Would you like for your name to be published on your birthday? If so, please be sure to let us know when it is. Next week we will publish names of those having birthdays between October and October 24th.

Loans Available To Rural Communities; Farm Groups For Water, Soil Measures

Rural communities together with neighboring farmers may now obtain loans from the Farmers Home Administration to develop the water resources they need, according to John H. Curry, the agency's local county supervisor.

"Recent legislation has broadened this credit aid. Individual farmers and rural residents with water problems can team up to obtain a loan for securing a good water supply and distrib-

uting the water to their farms and homes," Mr. Curry said.

"The construction of modern water systems makes rural communities more attractive, encourages the growth of rural industries and aids in rural areas development," Mr. Curry added.

Mr. Curry said 697 of Texas rural communities over 100 population do not have water systems.

An association loan for water development or soil conservation purposes may be made for as much as \$1,000,000 if the funds are supplied by a private lender and insured by the Farmers Home Administration, or up to \$500,000 if made from direct funds appropriated by the Congress, Mr. Curry said.

The interest rate on a direct loan is 4 1/2 percent. The interest rate of insured loans carries but may not exceed 5 percent. Loans are scheduled for repayment over periods up to 40 years.

Water development and soil conservation may be used to finance water supply reservoirs, rural water supply distribution

systems, pumps, pumping plants, pipelines and other facilities necessary for an adequate water system.

These loans may also be made to develop or improve soil conserving measures such as the construction and repair of terraces, dikes, ponds and tanks, ditches and canals for drainage, waterways and erosion control structures.

Loans may also be made for shifts in land use to grazing, forestry and recreational purposes.

Associations applying for loans obtain and pay for the technical help they need, but Farmers Home Administration engineers will see that proposed improvements are sound and that cost estimates and plans are complete. After a loan is made, the agency periodically inspects progress to see that funds are used as agreed upon and that construction meets approved standards.

An organization desiring to obtain an association loan or individuals interested in forming an association for the purpose of obtaining a loan may contact County Supervisor John H. Curry.

The agency also has authority to make low-interest-rate, long-term watershed loans to organizations sponsoring plans to protect, develop and utilize the land and water resources in small watersheds encompassing areas up to 250,000 acres. These loans may be made for periods up to 50 years and bear 3.046 percent interest for the fiscal year ending June 30, 1964.

Lists October Plentiful Foods For Texas

This fall season will bring abundant supplies of a variety of foods to adorn early fall dinner tables with nutrition and goodness, reports the Texas Agricultural Extension Service.

In more-than-ample supply this October are grapes, rice, cheese, apples, cranberries, potatoes and frying chickens.

When supplies are heavy, buyers will be pleased to note, prices usually are more economical.

California's record - large grape crop has once again placed Thompson Seedless and Flame Tokay varieties high on the plentiful foods list of the U. S. Department of Agriculture.

With rice estimates 29 percent above the five-year average, cool fall mornings should be perfect for steaming dishes of this versatile favorite. Rice also is delicious cooked with chicken, another October plentiful, for a tempting casserole, as well as for many other uses.

Housewives will be using abundant apples and cranberries served individually or in colorful combinations.

Cheese and potatoes can be used in almost any type of meal to add zest, tang and healthful goodness. Cheese can be melted, mixed or served as is for flavorful enjoyment. Potatoes are excellent baked in the skin, fried or creamed to deliver that final

glowing touch to any meal. Serve these plentiful often this month. They mean extra quality at economy prices.

Black Friday was Sept. 24, 1963.

All 1964 Autos To Be Displayed At State Fair

A \$5 million display of 1964 model automobiles will be spotlighted at the 47th Annual Southwestern Automotive Exposition to be held during the 1963 State Fair of Texas October 5 through 20 in Dallas.

This display will be first big national showing of the 1964 models.

One of the largest shows of its kind in the world, the exhibit will bring together in the Fair's Automobile Building every make of American car on the market and a number of foreign lines including Rolls Royce, Volkswagen, MG and Jaguar.

In addition to the stock models and one-of-a-kind cars, the show will include special automotive exhibits and displays plus free entertainment every day.

High Heating Costs ?

Low Comfort ?

...not with Flameless Electric Heating!

Drafts are out... comfort is in... because electric house heating lets you wrap heat around each room — with separate room controls, too! And you can choose from a variety of built-ins — installed inconspicuously in baseboard floor, ceiling, or wall. Here's a treat for your budget, too; you save on installation because no flues or chimneys are needed. Annual operation costs for heating during the winter months in the territory served by WTU averages about 7¢ per square foot of living area in the home. Why not ask your electrical contractor or WTU to survey your home for flameless electric heat?

HEAT BETTER... ELECTRICALLY

Notice - Tax Payers

Important Information — Please Read Carefully

On November 9, 1963, an election will be held to determine what type of voter registration will be used in 1964.

If the Constitutional Amendment, which is to be voted on at that time is adopted, the procedure and form to be used will be substantially the same as we now follow and use, EXCEPT the cost to register will be 25¢ instead of \$1.75. If the Amendment is not adopted, the cost will remain \$1.75.

In view of the above, you probably will prefer waiting until after November 9, before either registering or paying a poll tax for 1964. Under the proposed law, those persons paying their poll tax prior to November 9, will be unable to secure a refund if the Amendment is adopted.

It is impossible to give you all the information regarding the proposed changes, but I will be glad to hear from you if there are questions you would like answered. Our telephone number is 625-5269, Coleman.

JOHN SKELTON

Tax Assessor-Collector of Coleman County

Austin, Texas — President John F. Kennedy is coming to Texas around November 22 to help lift the 1964 Democratic presidential campaign off the launching pad in this state.

As early as he is, the President appears to be somewhat behind the political timetable of Texans.

Gov. John Connally, who announced the President's visit, called in nearly 50 of his top supporters to begin getting his

own campaign organization in shape.

Republicans also summoned key local leaders to Austin for a "leadership conference." They pow-wowed over finances, talked up their talent scouting for candidates and began organizing a drive to register 600,000 new members of the GOP.

The Republicans picked up another candidate for the U. S. Senate, Dr. Milton V. Davis, Dallas chest surgeon. George H.

W. Bush of Houston announced last month.

CATTLE KILLER

Agriculture Commissioner John White warned Texas farmers against the "deadly danger" of letting livestock graze in fields which have been defoliated by the use of certain cotton chemicals. Warning came after a Breckenridge farmer lost more than half his herd of cattle from the effects of arsenic poison.

White urged farmers to seek full information on the effects of any chemical before applying it to their fields.

OIL INDUSTRY WOES

The Texas oil industry is in a three-way bind, Governor Connally told the Texas Independent Producers and Royalty Owners Association. Stabilization of foreign imports would strengthen the troubled industry, he said, but Texas oil also is losing markets to other states and to natural gas. TIPP-RO backed legislation to require pooling of small tract oil and gas leases for operational purposes. Connally went to Washington to ask Secretary of Interior Stewart Udall for more imports controls.

OLD-AGE HEALTH PLAN UNDERWAY

Fifty-three insurance companies have joined the state-wide coop, authorized to write health insurance for citizens over age 65. Among the first senior citizens to sign up for insurance were Gov. John Connally's mother and father-in-law, Mrs. J. B. Connally of Floresville and Arno Brill of Austin.

The voluntary health insurance plan is available to all those 65 and older, regardless of their health condition. Plan was authorized by the 58th Legislature.

BUDGETMAKERS BALK

Legislative Budget Board declined to give its immediate consent to a new \$1,000,000 conference center building at the University of Texas. Members said they feared Governor Connally might red-line the item.

Board approved additional outlays for new high speed data processing equipment for the State Highway Department and a study to determine future needs of all agencies for such equipment.

Board Director Vernon McGee warned of an approaching revenue problem. He said scare studies of smoking results might drastically cut tobacco tax income.

EDUCATION FUNDS NEEDED

The Committee of Governing

Boards of State Colleges and Universities estimated \$15,000,000 more will be needed by Texas' 20 tax-supported colleges and universities this fiscal period to keep up with the national pattern of teaching salaries, libraries and research.

Committee will work with the Governor's study committee and the Texas Commission on Higher Education to blueprint educational growth. Governor Connally told the college board members they should take a searching look at their own schools to see if all programs are necessary.

HAPPY WITH PARKS GIFT

Land Commissioner Jerry Sadler applauded the gift of 3,000 acres of lake property in Jefferson County to the State Parks and Wildlife Department. Gift was from the J. L. C. McFaddin Estate. He withdrew an old request to the Attorney General to push a State claim to the acreage. Sadler predicted the waters will be developed into a "sportsman's paradise."

COURTS SPEAK

Vending machine operators selling items which cost less than 25 cents each have to pay the state sales tax on their take, the Supreme Court ruled. However, the Legislature now has adopted amendments to exempt vending machines, newspapers and merchants with a majority of sales less than 25 cents.

The Supreme Court ordered the state to pay back to four utility companies in Houston, Corpus Christi, Shreveport and Abilene \$355,000 plus interest in franchise taxes. It found the corporations were exempt from paying the tax on sums kept in reserve to pay deferred federal income taxes.

The high court heard new arguments over constitutionality of the 1961 dedicated reserve gas tax.

HUNTING LEASE LOTTERY

Sportsmen will cast lots for the right to hunt game on six State preserves. Applications, available from State Parks and Wildlife Departments, must be returned before October 31. Winners of the drawing will be notified a few days thereafter.

Preserves open for the hunt include Kerr Wildlife Management Area; Sierra Diablo area in Culberson County; Gene Howe area in Hemphill County; Angelina area in Sabine and Cherokee counties; Black Gap area in Brewster County; and Engeling area in Anderson County.

TRUCK DRIVERS COMPLIMENTED

R. L. Atwell Jr. of Houston says Texas truckers have an excellent safety record because "we live with safety, we breathe it, we think it all day and dream about it at night."

That's why the Texas truck driver is known and recognized as the safest man on the high-

way, the TMTA director stated. His remarks were made at an Austin meeting of the Texas Council of Safety Supervisors and the Oil Field Haulers Council of Safety Supervisors.

Atwell's own operation, Coastal Transport Company, Inc., is a leader in the field of safety. Coastal has won national and other awards for accident-free-

SHORT SNORTS

Shipment by the State Library of Braille books and "Talking Books" for blind people reached all-time highs in September, according to Dr. Dorman H. Winfrey, State Librarian.

Bureau of Business Research statisticians are conducting a detailed study of seasonally-adjusted indexes of Texas business activity, with an eye to determining whether the 30-month upward climb on the business barometer has run its course.

The Railroad Commission ordered oil field brine pits in Stephens, Shackelford, Eastland and Callahan counties to be abandoned by March 1.

Lee Thomas was promoted to general counsel of Texas Employment Commission to suc-

ceed C. M. Turrlington of Marshall, who resigned.

Texas aeronautics Commission's 14th annual "Fly-A-Thon" covered a 34-city and 3,000-mile tour of the state.

State Highway Department is offering a free 16-page calendar of 448 events that are scheduled for Texas towns during the Fall and Winter months.

School News

Editor-in-Chief Sandra Davis
Assistant Editor Jerry Ellis
Sponsor Mr. Dan Tindol
Reporters — Frances Davenport, Les Guthrie, Patricia White, Karen McCluskey, Barbara Baucom, Lawanda Horner, Linda Campbell, Velda Cullins, Eugene Davenport, Anita Ellis, Mary Haynes, Wanda James, Gary Rider, Linda Robinson, Leland Williams, Lois Ann Simmons, Pamela Garrett.

Once again this year, the Santa Anna Beta Club is going to sponsor a section of High School news in The Santa Anna News. We would like to ask the cooperation of all the students in turning in news to a Beta reporter. Due to the shortness of time and space, there will not be much news this week, but look for it next week. We hope you enjoy the news.

ASSEMBLY
The Student body met at 8:30 for general assembly. We gave the Pledge to the U. S. Flag and sang "Texas Our Texas." Sandra Davis was at the piano while Lawanda Horner led the singing. Announcements were made by the faculty and student body. Brother Bobby Weathers from the First Methodist Church, gave a short devotional. The assembly was closed by the singing of the Santa Anna Alma Mater.

GOSSIP
Sandra, who was that cute boy in the car with you Saturday night at the show? Could it be an SAHS Ex with the initials of J. D.

Cynthia, I hear Eddie didn't get to come Saturday night. Geraldene, what is that little thing on the 3rd finger of your left hand? Congratulations!

Dianne, do you have a new interest in Coleman? Are his initials D. H.?

Mac, how did you like your date with Melody Rush Sunday night? Bet you had fun!

Mary Haynes, did you lose your friend, Jimmy T. to a roving Mountaineer out of gas Friday night?

How did the pink lemonade get on your car, Karen Jones? Donnie N. did you have troubles Sunday night? Couldn't you find her anywhere?

The World Day of Prayer is celebrated in our village by a united meeting of Afrikaans-speaking and English-speaking women. Our programs are printed in these two official languages of South Africa, so that everyone can participate in the service.

Last year our leader, who is Afrikaans, very truly pointed out at the beginning of the meeting that we were there neither as Afrikaans-speaking nor English-speaking women, but only as children of God.

In our world of race and color prejudice, how glorious and how wonderful to know that in God's sight "there is neither Jew nor Greek, there is neither bond nor free" — all, all are His!

PRAYER
Dear Father, the fact that we say "Father" means that we are all members of one family. Help us to pray more, to live nearer to Thee, and to recognize with love our brothers and sisters. We ask that Thou wilt help us to do this, empowered by Thy love instilled in our hearts through our Lord Jesus Christ. In His name we ask. Amen.

THOUGHT FOR THE DAY
"The love of God is broader than the measure of man's mind."
Eileen K. Duxbury (South Africa)

MRS. PRESSLEY HUDSON GUITAR

Jane Horne, Pressley Guitar Exchange Vows At Methodist Church Saturday Night

After a wedding trip to Mexico City and Acapulco, Mr. and Mrs. Pressley Hudson Guitar will be at home in Abilene.

Mrs. Guitar is the former Jane Horne, daughter of Mr. and Mrs. Roy Joseph Horne. Her marriage to the son of Mr. and Mrs. Repps B. Guitar of Abilene, was solemnized Saturday evening.

The First Methodist Church was the scene of the wedding for which the Rev. B. F. Weathers, pastor, was officiating minister.

Nuptial music was presented by Ann Stanford, organist, and Mary Lou Stanford, soloist, cousins of the bride.

Mr. Horne gave his daughter

American beauty velvet. They wore matching bow headpieces and carried cascades of pink carnations and American beauty roses.

The bridegroom's brother, Repps B. Guitar Jr., Abilene, was best man. Groomsmen were Jerry Henson; Dan Laughter, Jim Hooks and Henry Warris, all of Abilene.

Ushers were Bill Horne, brother of the bride, David Guitar, brother of the bridegroom, John Stowe and Carl Robinson of Abilene.

Reception following the wedding was held in the Fellowship Hall. Members of the house party were: Mrs. Lee Glasgow, Mrs. Jim Phipps, Mrs. George B. Graves, Mrs. Bill Galusha, Mrs. Repps B. Guitar Jr., Mary Rehm La Quinn Cooper, Judy Bryan, Mrs. Blanche Grantham, Mrs. J. C. Bullion, Mrs. R. W. Stanford, Mrs. Joe Bob Whitt and Mrs. Ed Keeling.

The bride is a graduate of Santa Anna High School and attended McMurry College, where she was a member of TTP social club.

The bridegroom is a graduate of Abilene High School and also attended McMurry College and the University of the Americas at Mexico City.

The bridegroom's parents were hosts for the rehearsal dinner Friday evening at the Holiday Inn in Brownwood.

Local Members Attend Dallas OES Convention

Mmes. Rosa M. Bass, Lillian Herndon and Blanche Grant-ham were in Dallas September 29 through October 4, to attend the "Resplendent Light" Eighty-first session of Grand Chapter, Order of Eastern Star.

Highlights of the session were the church service Sunday morning in Memorial Auditorium Theatre, a speech by Gov. John Connally Monday night and "The Upward Reach" installation held Thursday night.

Mrs. Grady Goodpasture of Brownfield became the Worthy Grand Matron; F. E. (Van) Plumer of Dallas the Worthy Grand Patron; Mrs. Lud Goebel of Waco, Associate Grand Matron; and Dr. James H. Goette of Houston, Associate Grand Patron; Mrs. Edna Erle Duke of Beaumont, Grand Conductress; and Mrs. Mildred Sharpe of Dallas, Associate Conductress.

Mrs. Ellie Locks of Brownwood was appointed Deputy Grand Matron of District 3, Section 5, which includes Brownwood, Comanche, Cross Plains, Santa Anna, Coleman, Bangs, Zephyr, Indian Creek and Blanket. Mrs. Locke is a member of the Indian Creek Chapter No. 255.

Mrs. Locke plans to conduct

Fall Screwworm Buildup Is Here

Mission — There is no longer any doubt that Texas will experience an increase in screwworms this fall. The buildup that officials of the Southwest Screwworm Eradication Program warned about is a reality.

Announcing ...
THE OPENING OF

The News, Santa Anna, Texas, October 10, 1963 Page 7

Officials at the sterile fly production plant near Mission say that more than four times as many infestations are now being reported weekly as a month ago. Producers in a number of counties where no screwworms have been reported for months are now discovering cases. Recent rains over most of the state and plenty of animal wounds are credited for the upswing in cases.

Eradication workers are concerned about the increase because it necessitates using more sterile flies for treatment of individual cases. This is at a time when all available flies are needed in the barrier zone between the United States and Mexico to protect the Southwest from being infested by migrating flies.

Of particular concern to eradicators are reports that many farmers and ranchers are no longer using smears and sprays for screwworm prevention and treatment. This makes their livestock "sitting ducks" for screwworm attack during the fall.

In spite of the upsurge of cases, the September total of 439 was still far below the Sep-

tember 1962 tally of 3,967. However, officials said, early eradication will depend on the cooperation received from livestock producers. They should continue to treat animal wounds, collect larvae samples and report cases promptly to the county agent, livestock inspector or vocational agriculture teacher.

McIver Injured In Goldthwaite Game

Terry McIver, Santa Anna quarterback and leader of the Mountaineers suffered an injury just after midway of the first quarter of the Santa Anna-Goldthwaite tilt Friday night. The Eagles took advantage of the depressed Mountaineers and scored four TDs in less than five minutes to take a commanding 28-0 first quarter lead. They increased that to a 44-0 half-time lead, then took it easy during the last half of the game.

McIver was carried off the field and taken to the hospital where no serious injuries were found. He was back at the ball park by half-time, but did not go back in the game. No one seems to know exactly what happened, but he was hit hard when he stopped a line plunge by the Eagles right at the Mountaineer goal line.

The Eagles went 2 feet on the next play to score their first TD. Bill Horne took over the quarterback slot for McIver and Mac Boyet took over the kicking duties. Both did good jobs. However, the loss of McIver took the spirit out of the Mounties and they were never really back in the game. During the final minutes the Mounties managed to get to the Eagle 7-yard line but on the final play of the game lost back to the 10-yard line.

THE GAME

McIver took the kickoff on his 9-yard line and was almost trapped right there, but twisted loose and raced 43 yards before being brought down on the Eagle 48-yard line. A 5-yard penalty put the Mounties back on their 47 and 2 plays put them back on the Eagle 48. McIver tried a long pass that was intercepted on the Eagle 24-yard line. The Eagles gained 3, lost 2, then connected with the first of their long passes that took the ball to the Mountie 41-yard line. Using power plays, the Eagles drove the 41 yards in 5 more plays and scored with 5:24 remaining in the first period. A pass was good for 2 extra points.

Boyet took the kickoff and returned it 20 yards. Horne, now in at quarterback, did a good job, but just couldn't get to rolling. Boyet punted to the Eagle 46-yard line. The Eagles scored in three plays. They ran the 2 extra points, with 2:03 left in the quarter.

Horne took the kickoff back

Results of Games For Last Week

The Goldthwaite Eagles took advantage of a psychological moment when Quarterback Terry McIver was injured and literally run over the Mountaineers Friday night to the tune of 51-0. McIver was injured midway in the first period and the Mounties never got back their composure after letting the Eagles run four TDs in five minutes, in the first period.

Non-Conference foes of the Mounties did very well Friday night. Baird had an open date. Cross Plains held the Class AA DeLeon Bearcats to a 0-6 score; Dublin powered their way over Ranger 32-14; and Clyde held the powerful Anson eleven to a 12-14 game.

Copperas Cove handed the Early Longhorns a sound 35-0 lashing in the conference opener for these two teams. Copperas Cove now has a 4-1 record while Early has a 1-2-1 record.

Burnet took an easy 38-14 win Friday night at Bangs, in the conference opener for these two teams. Burnet piled up a total of 13 first downs and 468 yards rushing to 11 first downs and 160 yards for the Dragons. Burnet scored early in the first quarter, then minutes later intercepted a Bangs pass and ran it back 65 yards for the TD. Bangs scored in the third and fourth quarters. The Bulldogs scored in each of the other quarters also. Burnet now has a 2-3 record and Bangs has a 2-2 record.

Marble Falls held the Boerne Greyhounds to an 8-8 tie in the only non-conference tilt of District 9-A teams Friday night. Boerne had chalked up four straight victories before this game. Marble Falls now has a 1-2-1 season record. Boerne scored in the second period and Marble Falls in the third period. George Nelson carried most of the Mustang load, gaining 64 yards on nine carries. He blasted over from the 5 for the TD. Butch Forehand carried over the 2 extra points for the tie.

GAMES THIS WEEK

Marble Falls at Santa Anna
Gorman at Baird
Cross Plains, open
Clyde, open
Dublin at Decatur
Goldthwaite at Copperas Cove
Bronte at Bangs
Early at Burnet

15 yards, but fumbled with the Eagles recovering on the Mountie 24-yard line. The Eagles attempted a pass that was incomplete in the end zone with no Mountie defenders anywhere close. On the next try the Eagles raced the 24 yards for their third TD with 1:13 left in the quarter. The pass for extra points failed.

The Eagles recovered their on-side kick on the Mountie 49-yard line and on the first play a pass was good for the 49 yards and the Eagles' 4th TD with 57 seconds left on the clock. Their pass attempt failed again and they had a 28-0 lead.

Valdez took the kickoff back

13 yards, to his 28. As the quarter ended the Mounties had gained to the 30-yard line. They gained to the 32 and Boyet punted to the Eagle 18-yard line. Two penalties put the Eagles back on their 10-yard line, then they gained to midfield, but another penalty brought them back to their 18-yard line. A pass was good to the 29 for a first down. Staying on the ground, the Eagles scored in five plays with the fullback going the last 9 yards. They went through the line for the 2 extra points.

Horne returned the kickoff 13 yards. The Mounties gained 3 yards in two plays, lost 5 on a penalty, then gained 7 and punted to the Eagle 40-yard line. It took the Eagles only two plays to cover the 60 yards to pay dirt with 3:46 left in the half. A pass was good for the 2 extra points.

Horne returned the kickoff 13 yards and the Mounties gained to their 46 in five plays, but fumbled with the Eagles re-

covering. The Eagles took a 5-yard penalty back to their 49, then gained to the Mountie 32 as the half ended.

The Eagles took the kickoff to start the third quarter, returning the ball 8 yards, to their 32-yard line. They lost a yard, then a substitute halfback broke through the line and raced the 69 yards to pay dirt, with only one minute gone. They kicked the extra point, making the score 51-0. The Mounties took the kickoff and drove to the Eagle 41-yard line. The Eagles run one play and punted to the Mountie 17-yard line. The Mounties drove to their 36-yard line and fumbled, with the Eagles recovering. The Eagles punted on first down, but was penalized 5 yards. They punted again on first down with the ball going in the end zone. The Mounties took the ball on their 20 and drove to their 28 as the quarter ended. They made a first down on the 30, gained to the 32, lost back to their 28, made another first

down out to their 43, then lost back to their 32 and punted, but the Eagles were penalized 15 yards for roughing the kicker. This was not enough for a first down and the Mounties punted to the Eagle 5-yard line. The Eagles picked up 18 yards, then punted on first down, to the Mountie 43-yard line. The Mounties gained 2 yards in 3 tries, and punted to the Eagle 17-yard line. The Eagles made a first down, then again punted but it was very short with the Mounties getting the ball on the Eagle 28-yard line. Picking up two first downs, the Mounties drove to the Eagle 7-yard line but on the last play of the game they lost back to the 18-yard line.

During the first period it looked as though the Eagles were going to see just how much they could beat the Mounties, but they slowed down in the second period. During the last half the Eagles did not push their game, but just protected their goal line and let the

Mounties run the ball. There is no telling how many points they could have made if they had decided to keep pushing like they did in the first period. The Eagles have a good ball club.

Fight Hard Mountaineers - Win This Game

Whon News

By MRS. TOM RUTHERFORD

We are sorry to report the serious illness of Mrs. Wright, who is a patient in the Brady Hospital. Mrs. Wright is the mother of Mr. Graham Fitzpatrick. Mr. Fitzpatrick's brothers from California have arrived and all the children are at their mother's bedside.

Mr. and Mrs. Tom Rutherford and Lynda, Mr. Sammie and Calvin Shields attended church services at Coleman Sunday morning and were dinner guests with Mr. and Mrs. Hilary Rutherford and children. Mr. and Mrs. Loyd Rutherford were also present.

Mr. R. A. Baker of Midland is spending this week with his daughter, Mr. and Mrs. Darwin Lovelady and Randel.

Mr. and Mrs. Floyd Morris and Jamie Lee spent Sunday with Mr. and Mrs. Ramon Morris and Archie of Camp San Saba. Mr. and Mrs. Joe Floyd Morris of Brady accompanied them to Camp San Saba.

Mrs. Floyd Morris visited Mrs. Darwin Lovelady briefly Monday afternoon.

Mr. and Mrs. James Avants and children, Pat and Jimmy, Mr. Douglas Avants of Brady, were Sunday dinner guests with their parents, Mr. and Mrs. Aaron Avants. Pat and Jimmy are spending this week with their grandparents. Their mother, Mrs. James Avants, will have surgery Tuesday night in the Santa Anna Hospital.

Doug Jr. Avants of Brady spent the weekend with his grandparents. Mr. and Mrs. Aaron Avants, Douglas came for him Sunday. The Douglas Avants family are driving a new car.

Mr. and Mrs. Earl Cozart spent Sunday with her mother, Mrs. Bob Johnson in Coleman, in the home of Mr. and Mrs. Clifton Straghan. The Straghans' son, Mr. and Mrs. Hubbart Straghan of Houston, were also guests.

Mr. Oscar Lovelady spent the weekend with Guy and Alta Lovelady in Santa Anna. Oscar states he is real easy to get along with this week. Since the

Dodgers won the World Series. Seemingly that is the feeling of several baseball fans of our community.

Mr. and Mrs. Cecil Baker of Cisco were Sunday guests in the Darwin Lovelady home.

Ronnie Cooper of Rockwood spent Thursday night with Don and Nell Fitzpatrick.

Mr. and Mrs. Loyd Rutherford of Coleman spent Friday night with Mr. and Mrs. Tom Rutherford and Lynda.

Mr. and Mrs. Floyd Morris and Jamie Lee were supper guests with Mr. and Mrs. Joe Floyd Morris in Brady Sunday night. Mr. Floyd Morris checked on his father Sunday while in Brady and reported his dad feeling very well.

Lynda Rutherford and Linda Abernathy attended the FFA meeting at Santa Anna High School Monday night.

Shields News

By MRS. E. S. JONES

Mrs. Norman McCluskey and children of San Angelo spent Saturday night and Sunday with the Grady Williams family. Mr. and Mrs. Jesse Williams and boys were supper guests with the group.

Edward Dillingham of Sunland, Calif., came Monday for a visit with his mother and brother, Mrs. Ura Dillingham and Richard and Jack and other relatives. Edward has been an employee at Lockheed Aircraft Co. for 17 years.

Mr. and Mrs. G. C. McDonald and Gerald Harper were guests of the A. D. Eppler family Sunday.

Mr. and Mrs. E. D. Jones of San Angelo spent Saturday and Sunday night with Mrs. E. S. Jones.

Mr. and Mrs. Curtis Kemp and children, Jerry and Pat of Glen Cove, Mr. Dock Skelton of Voss, Mike Baker attended morning services at the Church of Christ and were dinner guests of Mrs. Ema D. McClain. Afternoon visitors were Mr. and Mrs. E. D. Jones of San Angelo.

Mr. and Mrs. Glen Scarborough, Sherry and Randy visited Saturday evening with her parents, Mr. and Mrs. Manton Jamison at Leaday.

When the Quilting Club met at the Community Center Tuesday afternoon, ten members and two visitors, Mrs. Ione Caton of Santa Anna and Mrs. Leonard Williams, were present. The quilt for the hostess, Mrs. Sam Dalton, was finished.

John Dillingham, student at Tarleton State College in Stephenville, and Sandra Fowler of ACC in Abilene, spent the week end with home folks.

Mr. and Mrs. O. B. Watson of Coleman visited Sunday with Mrs. Ura Dillingham and Richard.

Visitors during the weekend with Mr. and Mrs. O. C. Yancy were Mr. Lewis Densman and Mr. Baker of Hitchcock and Mr. and Mrs. O. C. Yancy and girls of Fort Worth.

Mrs. Bill Price has been helping care for her mother, Mrs. Jess Griffith, who was in the Coleman hospital several days and brought to her home in Santa Anna on Friday and is improving.

GO TO CHURCH SUNDAY.

Cleveland News

By Mrs. Sid Blanton

Mr. and Mrs. Darrell Cupps, Ricky and Sydney visited the Edward Leonards in Coleman on Sunday.

Mrs. M. F. Blanton returned home on Wednesday night after spending several weeks in Andrews with Mr. and Mrs. Don McBeth and Kelley and Mr. and Mrs. Wayne Myers and children.

Mrs. Jewell Clifton's grandchildren, Mike, Brenda and Roger Clifton, are spending several days with her while their parents, Mr. and Mrs. Harold Dean Clifton, are in Rockdale, to attend funeral services for Mrs. Harold Clifton's brother, Lawrence Townsend.

Mr. and Mrs. C. T. Moore, Mrs. Melvin Pollock, Traci and Theron, Karen Mills and Mrs. Sam Moore all spent Sunday with Mr. and Mrs. Ed Hartman and children.

Mr. and Mrs. C. M. Barrington of Rockwood were playing 42 in the Sid Blanton home on Tuesday night.

Mr. and Mrs. Bruce Hibbetts visited Mr. and Mrs. Joe Wallace of Shields on Saturday.

Donations to the Cleveland Cemetery Fund this week are Willie L. Hodges \$5.00 and Mr. John O. Baugh \$5.00.

Mr. L. V. Cupps, son of Mr. and Mrs. William Cupps, is in Hendrix Hospital in Abilene with a broken leg and his ankle is injured.

Mr. and Mrs. Dick Baugh are the grandparents of a new son, born to Mr. and Mrs. James Reid of Del Rio last week.

Mr. and Mrs. Casey Herring are grandparents of a son born October 5 to Mr. and Mrs. Kenneth Herring.

Mr. and Mrs. Bruce Hibbetts were sightseeing at Fredericksburg last weekend. They visited the Enchanted Rock of pink granite, which is 640 acres at the bottom, 16 acres at the top and 500 feet high. They reported this a sight to see and had a wonderful trip.

Mr. Kippy Clifton and Tommy Blanton attended a party at the Armory on Saturday night. They reported a wonderful time.

Mrs. Charles Fleming visited Mrs. Hilburn Henderson on Sunday afternoon.

Mrs. Lucille Blanton and Tammy visited Mrs. Jack Banta in Coleman Wednesday afternoon.

Mrs. Mary Stephens of Bangs spent several days in the home of Mr. and Mrs. Virgil Cupps last week.

Mr. Charlie Fleming enjoyed the ballgame on TV Sunday with Sidney Blanton. Mr. and Mrs. O. Epperson of Coleman also visited in the Blanton home.

Miss Karen Mills, daughter of Mr. and Mrs. Buck Mills, and Mr. and Mrs. Harold Mills and Gala, all of Olney, visited their grandmother, Mrs. Sam Moore, over the weekend.

Mrs. Mae Flores of Bangs and Mr. and Mrs. J. C. Bible and Jamie Jo all visited in the Dick Baugh home Sunday. Mrs. James Reid and new baby son returned home with her family on Sunday morning, to Del Rio.

Trickham News

By Mrs. J. E. York Telephone DU2-3336

Mr. and Mrs. Gus Fuller of Brady spent Sunday afternoon with Mr. and Mrs. Fred Haynes and Billy Don. Other recent visitors were Mr. and Mrs. John Haynes, Mr. and Mrs. G. K. Stearns and Stanley James.

Rev. and Mrs. Bruce Hornell of Fort Worth spent Saturday night with her parents and brother, Mr. and Mrs. Grady McIver and Terry. Miss Ora Beth Henderson of Snyder and Melvin Bull of Bangs were Sunday visitors.

Beth and Linda Dean of Rockwood spent Sunday night with their grandparents, Mr. and Mrs. S. M. Fellers.

Mrs. Stafford Stephens returned to her home on Saturday, after several days stay in

a Brownwood hospital, where she had undergone surgery. We wish her a quick and complete recovery. Mr. and Mrs. Marvin Whitley visited with Mr. and Mrs. Stephens Sunday afternoon.

Mrs. Zona Stacy spent Thursday afternoon with Mrs. Minnie Wilson. Mr. and Mrs. Walter Stacy and Mr. and Mrs. Joe Stacy visited Sunday afternoon with their mother.

Miss Sherrill James of Ranger Junior College spent the week end with her parents and brother, Mr. and Mrs. Eugene James and Stanley.

Mr. Bob Garrett and Sue of Santa Anna visited Sunday afternoon with Mr. and Mrs. Jack Dockery.

Mr. and Mrs. Marion Ford were dinner guests of Mr. and Mrs. Dayton Jackson in Brownwood Sunday.

ROCKWOOD WMS SOCIAL MEETING

The Woman's Missionary Society of the Rockwood Baptist Church held their regular social meeting at the Community Center Monday. Halloween decorations were used in the party room. Gifts were exchanged from a lace covered table, centered with a pumpkin and an arrangement of autumn flowers and leaves. Mrs. Bill Bryan conducted recreation. Mrs. R. J. Deal conducted the business session. Mrs. F. E. McCreary brought the devotional. Mrs. Claud Box was at the piano for group singing.

Mrs. Joe Wise and Mrs. Cecil Richardson served pumpkin pie and iced tea to Mmes. Bill Rehm, Era Blackwell, Junior Brusenhan, Mary Brusenhan, Evan Wise, Henry Smith, Bill Bryan, Hilton Wise, F. E. McCreary, A. L. King, Claud Box, Matt Estes, M. D. Bryan and R. J. Deal and two little boys, Lance Mueller and Jodie Brusenhan.

NEW MEMBER IN ROCKWOOD WMS

Mrs. D. W. Whittenberg was welcomed as a new member when the Woman's Society of Christian Service met at the Rockwood Methodist Church in the fourth session of mission study, "Christian Issues in Southern Asia," by P. D. Devanandan. Mrs. M. A. Richardson was at the piano for group singing with Mrs. Marcus Johnson as song leader.

Mrs. Aubrey McSwain brought the devotional, using Matt. 5:10-16 as her scripture. Miss Bernice Johnson prepared the worship center and directed the discussion of the final chapter of Christian Issues in Southern Asia.

Members assisting were Mmes. M. A. Richardson, Whittenberg, John Hunter, Aubrey McSwain, Marcus Johnson, Edd Collier, Fox Johnson and Miss Bernice Johnson.

J. W. Payne of Phoenix, Ariz. visited his parents, Mr. and Mrs. W. L. Payne recently. Mrs. Payne returned to Bloomfield, N. M. with him, where she visited two weeks with her daughter, Mr. and Mrs. Tommy Gene Priddy and family.

Texas House Plans Available

Plans for many different types and sizes of houses are illustrated in a new publication of the Texas Agricultural Extension Service.

Careful, thoughtful planning prior to building is important to prevent costly and inconvenient mistakes, says MP-663, "House Plans For Texas." The booklet outlines the proper steps in this planning as determining the family's needs, selecting the site, collecting ideas and information and getting the desired plans on paper.

The 44 separate plans in MP-663 may satisfy the homebuilder as they are or they may be used as ideas for other schemes. The publication explains that size of the house, the materials for its construction, and the proper installation of utilities is im-

portant in planning the house. Important points in fitting a plan to the family's needs are given in the publication. When selecting the plan, consider space, the traffic pattern, equipment space, and flexibility, as well as economy and outdoor planning, it says.

For a copy of MP-663, "House Plans For Texas," visit the local county agricultural agent or write the Agricultural Information Office, College Station, Texas.

Mrs. Billie Ruth Van Huss and daughter, Tanya, Mrs. Janie Sharon Huston and son, Bobby, Mrs. Sharon Van Huss and son Timmy, all of El Paso, spent the weekend with their mother and grandmother, Mrs. Jewel Owen and Mrs. Mary Gore.

36th Division Now Designated As Texas Division

Austin (spl.) — The traditional designation of "Texas" has been bestowed the 36th Infantry Division, Major General Selden Simpson, Amarillo commander, revealed here today.

General Simpson said the official designation was certified and signed by Cyrus Vance, Secretary of the Army. A certifi-

cate denoting the designation from the Department of the Army has been received at division headquarters here.

The document maintains that the special designation to the 36th Infantry Division has "become traditional through its many years of loyal, faithful and distinguished service" and "is recognized for having earned the honor and right" for the award.

The "Texas" division can trace its first taste of fire to Oct. 2, 1835, at Gonzales. There Mexican forces came to take a cannon from the settlement. Flying a banner embroidered, "Come and Get It," the Texans charged and sent the Mexicans in full flight. This episode marked the beginning of Texas' War for Independence.

However, actual organization of the division as it is known today came in 1917 when troops

PRISON RODEO STAR— Minnie Pearl, America's foremost country-style comedienne, will make a personal appearance at two performances of the 32nd Annual Texas Prison Rodeo in Huntsville. She will open the 1963 rodeo series on Sunday, Oct. 6, and then return on Sunday, Oct. 20 for a second performance. Minnie Pearl made her debut with "Grand Ole Opry" in 1940 and since then has been entertaining audiences in all parts of the nation, both in person and on radio and television. Other headliners for the prison rodeo will include thrilling inmate contests, inmate entertainment groups and a Girls' Barrel Race for "free-world" riders. The show begins at 2 p.m. and lasts two hours.

from Texas and Oklahoma were combined for World War I action. Units from those two states were among the initial ones to be mobilized by the War Department with the declaration of war with Germany.

In the Second World War the division was credited with 400 days of combat during which time T-Patchers won 14 Medals of Honor; captured a record 175,806 enemy prisoners; participated in five campaigns throughout Italy, France, Germany and Austria; was active in two amphibious operations in addition to winning a host of other honors.

Since the division was organized in 1917 the outfit has successfully undergone four realignments. The latest was in March, 1963, with the conversion to the ROAD (Reorganization Objective, Army Divisions) concept. The newest shakeup brings T-Patchers under the most modern Army structure.

Under the plan the division has internal flexibility as well as an improvement in the balance between nuclear and non-nuclear firepower. There is also an improved command and control structure.

Units of the 8500-man Texas division are located in 65 different statewide cities. There are 98 federally recognized segments of the division of which 88 are company-sized units.

Accent on Health

J.E. PEAVY, M.D.
Commissioner of Health

Austin — Are cataracts catching? Is it safe to look directly at the sun while wearing dark sunglasses? Will a child eventually outgrow crossed-eye?

Medical scientists know the answers to these questions. Do you know them? September, Sight-Saving Month, serves as an annual reminder to check your eyesight and eye I. Q.

You may be going blind and not realize it. Chronic glaucoma, often called the "sneak thief of sight," may cause permanent loss of sight very slowly and without symptoms noticeable to the patient, especially those over 40 years of age. The best defense against glaucoma is a medical eye examination at least every two years.

Are cataracts catching? Cataract, the clouding of the lens within the eye, cannot spread from one eye to the other. It is not contagious. It may, however, develop independently in each eye.

Surgery is the only known effective treatment for cataract at present. Claims that magic salves or drops will dissolve the cataract are false.

Is it safe to look directly at the sun while wearing dark sunglasses? No, never look directly at the sun while wearing sunglasses. Tinted lenses will provide relief from the sun's glare but not from the harmful infrared rays that can penetrate the dark glasses and damage the delicate retina of the eye.

Is blindness preventable? One of every two cases of blindness could be avoided, according to the National Society for the Prevention of Blindness, by diligent use of sight-saving knowledge.

Can glaucoma be cured? Glaucoma, or hardening of the eyeballs, can usually be controlled if discovered in time. Increased pressure causes the eyeball to harden. The eye doctor - ophthalmologist - can usually control the pressure so that vision is preserved.

Since glaucoma symptoms may be absent while the disease is present, health authorities advise a periodic eye examination.

Can eyes indicate bodily disease? Sometimes the eyes act as a barometer and foretell the coming of bodily ailments. Such conditions as hardening of the arteries may first be detected in this way. Periodic examinations enable your physician to detect the signs.

Will a child eventually out-

grow crossed-eyes? Children do not outgrow crossed-eyes. Visual defects such as crossed-eyes and amblyopia — dimness of vision — can lead to permanent loss of vision in the affected eye. Treatments should be initiated at least by six years of age. Eye exercises, glasses or surgery may be required.

4-H Girls Master Homemaking Marvels Unknown in Grandmother's Youth

Many mothers and grandmothers of today's 4-H Club members were themselves 4-H'ers. But unlike their young counterparts, they pursued sewing, cooking and homemaking projects in quite a different manner.

Most of the portable kitchen appliances common in modern homes were either in the luxury or non-existent class two gen-

erations ago. The electric sewing machine was heavy and limited. Now sewing machines are streamlined and can do about everything a young seamstress desires — from sewing backwards to making button-holes.

Frozen foods were unknown to the teen-agers of the 1930's. Today's popular cake mixes and precooked foods were merely simmering in the minds of the researchers.

Automatic washing and drying equipment, do-it-yourself dry cleaning, vast shopping plazas, and the super-super market stocked with thousands of items are only a few of the new developments since mother was a girl.

The remarkable variety of so-called miracle fabrics, patterns and sewing notions (like the zipper) is another boom to 4-H'ers engaged in the 1963 version of home economics.

Grandmother was limited to the familiar silk, wool or cotton, and hook-and-eye fastener.

Yet to be thought of were household terms such as drip-dry, steam iron, spray-on starch, fitted sheets, aerosol can, family room and countless

Social Security Provides Benefits

Self-employed farmers and ranchmen must pay social security tax if their operations return a net profit of \$400 or more annually, says C. H. Bates, farm management specialist, Texas Agricultural Extension Service.

The tax is 5.4 percent of the actual net profit up to a maximum of \$259 for a net farm profit of \$4,800, says Bates. When farmers were first made subject to this program in 1955, a maximum of \$4,200 was the annual basis limit for tax payments, he adds.

There are three types of benefits that the self-employed other.

In addition to learning how to cook, 4-H homemakers of the 1960's explore nutritional facts and fallacies. Weight control, grooming, home management, interior decoration and child care are part of the popular program supervised by the Co-operative Extension Service and local 4-H Club leaders.

One thing about the 4-H home economics program has not changed: Recognition for a job well done.

This year, as in the past four decades, members will have a chance to show what they have done and will be rewarded accordingly by Montgomery Ward, the program sponsor.

More than 8,000 home economics members are expected to receive a county honor medal. Top-ranking girl in the state will be a delegate to the National 4-H Club Congress held at Chicago the first week in December. There, Ward officials will personally present six national champions with \$500 college scholarships.

Enrollment in the national 4-H home economics program last year totaled more than 1,220,000, reports the Extension Service. Statistics for 1963 have not yet been compiled, but an increase is predicted.

operator derives for himself and his family from this annual tax payment. First, he is entitled to retirement benefits when he reaches age 62 and will receive monthly payments, subject to his level of current earnings, says Bates. He is then entitled to disability benefits when he has paid for the required period of coverage, but only if he is unable to continue work.

The third phase of the program is similar to life insurance in that his survivors are entitled to limited lump-sum payment plus monthly benefits payments. These payments are based on the amount of credit accumulated by him before his death, and further, upon the number of dependents who are deprived of normal support, according to Bates.

Bates reminds that those not certain about the conditions by which they must report and pay the social security tax should see representatives of the Social Security Administration. Generally, these staff members make periodic visits to each county and your local county agricultural agent can tell you when they will be in your county, advises Bates.

TAX MAN SAM SEZ:

There are 62,000,000 income tax returns — almost 99,000,000 Americans affix their signatures to the individual income tax returns, since 36,900,000 of the 62,000,000 returns are joint returns. This shows that a lot of husbands and wives can agree on how much tax they owe Uncle Sam. There are 134,000,000 signatures on tax returns of all types. It's obvious that taxes are an important part of all our lives.

The Social Security Administration urges all employers to file their quarterly social security reports on time and accurately. Proper reporting will mean proper recordkeeping and will pay off in time saved by not having to file corrections.

Prison Rodeo To Feature Topflight Entertainers

Huntsville — One of the highlights of the 32nd Annual Texas Prison Rodeo will be the personal appearance of five of the nation's topflight television personalities, in addition to thrilling inmate contests and other specialties designed to round out a fast-moving, two-hour show.

On the bill of fare will be Minnie Pearl, Grand Ole Opry Star, on Sunday, October 6 and again on Sunday, October 20. Eddie Anderson, Jack Benny's own "Rochester", also will be on hand Sunday, October 6.

Terry Wilson, who plays the role of "Bill Hawks" on the Wagon Train TV series, is scheduled for Sunday, October 13. J. H. "Dizzy" Dean, popular TV sportscaster and former baseball great, will be the stellar attraction on Sunday, October 27. Linda Loftis, Miss Texas of 1961-62, a talented singer from Fort Worth, will appear each Sunday during the Rodeo series.

Other events will feature inmate entertainment groups, including the Goree Girls. There also will be "free world" trick riding, mounted quadrilles, clowns and a Girl's Barrel Race. Net proceeds from ticket sales go to aid all inmates of the Texas Department of Corrections through a well-balanced program of rehabilitation.

Reserved seat tickets at \$2.40, \$3.75 and \$4.40 each, tax included, may be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

The rodeo is held in the prison stadium in Huntsville, beginning at 2:00 p. m.

Stapling machines at the News Office.

Color Or Action
Expert anglers argue pro and con as to which is more important in a lure... color or action. Most authorities agree, that color is more important, though they admit action plays a big part in catching lunkers. Use light colored lures on a cloudy day; dark colored or black lures, for night fishing.

USE SAFETY CANS FOR GASOLINE
Tiny flames from pilot lights and even static electricity sparks can ignite gasoline vapors, the National Board of Fire Underwriters cautions.

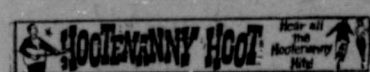

If small quantities of gasoline must be kept on hand for power lawnmowers or outboard motors, use an approved safety can for storage. A thorough clean-up of cellar debris such as old newspapers and empty paint cans also can help to prevent fires, the National Board says.

TEX MAN SAN SEZ:
This is the time of year when Fathers worry about how much summer income their sons and daughters earn before going back to school. For 9 years (since the 1954 Code) Dad has had an income tax exemption for his son or daughter if he provides principal support. There are still a lot of Dads who fail to understand that although Sue may have to file a tax return on her own income because she made more than \$600, he can still claim an exemption for Sue on his own tax return. Sue claims her own exemption on her return. Dad will also claim her on his return. As long as Dad provides principal support and Sue is a full time student or under 19, Dad keeps the exemption. Of course, if she gets married and files a joint return with the new husband, Dad loses Sue and her exemption.
