Rev. Richard Wood Assumes United Presbyterian Post

Rev. Richard H. Wood, who was recently named pastor of the United Presbyterian Church, delivered his first sermon to the local congregation Sunday.

Rev. Wood and his family moved here last week from Rocksprings where he had served as pastor of a church there for some two and one-half years.

Reverend Wood, a graduate of Austin Presbyterian Theological Seminary, Austin, has also been employed in the sales field, taught school and was a training instructor in the army at Fort Jackson, S. C., prior to entering the ministry. He is also a graduate of Sam Houston State College in Huntsville where he received his BS degree in 1956.

He and his wife have five children, including one set of twins, ranging in ages from 3 to 12. Children are Ricky, 12, Teena, 11, Billie Jean, 6, all in school, and twins Jackie and Jere, 3.

W. E. Irick Sr., Peace Justice For 20 Years, Dies

Funeral services for William Earl Irick Sr., 68, were held at 10 a.m. Monday in the United Presbyterian Church with the Rev. Richard H. Wood, pastor, and Dr. Ben H. Moore officiating. Burial was in Santa Anna Cemetery under direction of Hosh Funeral Home.

Mr. Irick died at 2 a.m. Sunday in a Brownwood hospital after a short illness. He was born February 12, 1898, in Ohio, and married Mary Whetstone December 2, 1919, in Santa Anna.

Mr. Irick had been a justice of the peace here for some 20 years. He was a veteran of World War I, a member of the American Legion and Presbyterian Church.

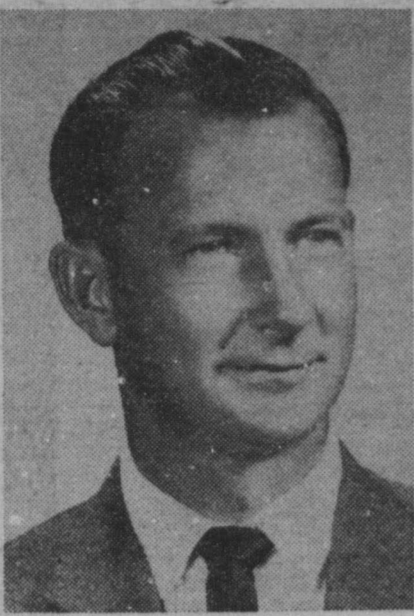

Survivors include his wife; one son, Earl Irick Jr. of Santa Anna; two daughters, Mrs. Ruth Laverne Harlow of Dayton, Ohio and Mrs. Mary Frances Williams of Melrose Park, Illinois; a sister, Miss Jean Irick of Brownwood; three grandchildren and two great-grandchildren. He was preceded in death by a son, John Franklin Irick, in 1955.

Pallbearers were Eddie Paul Voss, Junior Wristen, Ray Owen, J. W. McClellan, James Eubank, Billy Joe Harvey, Lewis Miles Guthrie and John Hensley.

REMOVING BIRDSHOT

It's not much fun to chomp down on a hidden shot pellet when enjoying a game dinner. The cook can easily prevent such a painful occurrence by inserting a small light bulb in the bird's cavity before cooking it. Light enables the cook to quickly locate imbedded shot.

Mr. and Mrs. Roy Swindell of Abilene, Mr. and Mrs. Steve Voss and Gary of Irving were visitors recently with Mrs. Jane Campbell and Buddy.

ROY D. HENDERSON
... receives promotion

Lynes, Inc. manufacturers of Inflatable Oil Well Packers, has announced the appointment of Roy D. Henderson as district manager in their newly established office in Levelland.

Henderson was promoted from service engineer in Hobbs, N. M., where he has worked for several years. He joined Lynes in 1961, at Odessa as a service engineer.

Henderson is the son of Mrs. Rosa Henderson of Santa Anna and attended the Santa Anna schools. He will reside in Levelland, with his wife Betty, and two daughter, Ana, age 11, and Sharlet, age 9.

Mrs. A. S. Hall, 82, Former Rockwood Resident, Is Buried

Funeral services were conducted for Mrs. A. S. (Millie) Hall, 82, Friday at 4 p.m. in Calvary Missionary Baptist Church in San Antonio with interment in Rest Haven Cemetery in Brady.

Mrs. Hall was a former resident of Rockwood, where she and her late husband operated the Rockwood Telephone Exchange from 1918 until his death in 1956.

She passed away Wednesday, Sept. 28, in a San Antonio hospital. She suffered a stroke some 5 years ago and had been confined to bed since that time. She was married to A. S. Hall in Brownwood Feb. 28, 1915.

Survivors include a daughter, Mrs. Minta Freeman of San Antonio; two sisters, Mrs. Flossie McWilliams of Hext and Mrs. Garland Davidson of Sweetwater; two brothers, Jack Castleman of Menard and Perry Castleman of Albuquerque, N. M., and 5 grandchildren.

October 13 Meeting Set by Neighborhood Improvement Club

The Neighborhood Improvement Club will hold its regular meeting Thursday evening, October 13th, at the Lions Club building.

A program of interest to all has been arranged, with the usual "question and discussion" period.

Come prepared to present your ideas for Neighborhood Improvement so that something may be done that will show interest in the town's progress.

W. B. Matthews returned last week from Fort Worth where he visited Mr. and Mrs. Truman Matthews, Mr. and Mrs. Ray Crabb, Mr. and Mrs. C. D. Leach, Mr. and Mrs. Bill Smith and their families.

LIONS CONDUCT AWARDS PROGRAM; BULB, CANDY SALE SET NEXT WEEK

An awards program was held at the regular meeting of Santa Anna Lions Club Tuesday at noon, with President John McDaniel presiding over the session.

One 20-year perfect attendance award, one senior master key member award, and twelve 1-year perfect attendance awards were given.

Receiving the 20-year perfect attendance award was John C. Gregg, The Senior Master Key Member award was presented to Ford Barnes, for having brought 25 new members into the club.

Recipients of the 1-year perfect attendance pins were: Rev. Bobby Weathers, Montie Guthrie, Junior Wristen, O. L. Chaney, Cullen Perry, Eigean Harris, Ford Barnes, John C. Gregg, Doc Barkley, Sye Burden, Chester Galloway and Dr. Charles Henner. Wristen and Galloway were also presented with past president's pins. Making the presentations was Dr. Henner.

Members were reminded of the light bulb and candy sale which will get underway next Tuesday, Oct. 11, immediately following the noon meeting. The city will be divided into districts which will be worked by members.

Residents are urged to purchase bulbs and candy from the Lions, with proceeds from the sales to be used for charity projects of the club during the year.

John Griffith, 82, Brother of Local Man, Is Buried

Final rites for John T. Griffith, 82, of Bangs were held at 4 p.m. Tuesday in the Bangs Church of Christ with Minister Lilly officiating. Burial was in Santa Anna Cemetery under direction of Stevens Funeral Home of Coleman.

Mr. Griffith, a former resident of Coleman, passed away Sunday at 9 a.m. in a Fort Worth hospital. He had been a resident of Coleman County for some 20 years before moving to Bangs.

He was born July 20, 1884, in Comanche, and married Timy Boles on July 9, 1919. He was a retired farmer and a member of the Church of Christ.

Survivors include his wife; one daughter, Mrs. Ima Brewer of Fort Worth; one son, Joe in the Air Force in Anchorage, Alaska; two brothers, Jess of Santa Anna, and Willie of Coleman; four grandchildren and 6 great-grandchildren.

Savings Bonds Sales Total \$7,679 in August

Robert I. Bowen, Jr., Chairman of the Coleman County Savings Bonds Committee, has announced that Savings Bonds sales in Coleman County totaled \$7,679 during August.

Series E and H Bond sales in Texas during August totaled \$12,803,089 which is an increase of 8 per cent over the same period last year. Texas sales for the first eight months of 1966 totaled \$103,042,978 which is 70 per cent of the state's goal of \$147.5 million.

RUSSELL RELATIVES GATHER FOR REUNION

Descendants of the late Mr. and Mrs. Sam Russell gathered at the Liberty Community building Sunday, Oct. 2, for a reunion.

47 members of the family were in attendance, including relatives from Dallas, Irving, San Angelo, Crane, Paluxy, Lometa, Brownwood, Abilene, Santa Anna, Brady, Liberty, and Noel, Mo. Attending from here were Mr. and Mrs. Tension Granad, Mr. and Mrs. John Howard, Mr. and Mrs. Vernon Penny, and Mrs. Jewell Powers.

Ex-Students of Santa Anna school will convene here Saturday for their annual homecoming and get-together. The occasion will be climaxed with a football game between the Mountaineers and the Blanket Tigers at 8 p.m. in Mountaineer Stadium.

The day's activities will kick-off with registration, beginning

Opportunity to ZIP Code Entire Mailing List Being Offered

Residents in the Santa Anna area will be offered an opportunity to ZIP Code their entire mailing list during October, Acting Postmaster John C. Gregg announced today.

"No Postage Needed" cards will be delivered to every family in the delivery area of the Santa Anna Post Office about October 19, the postmaster said. The cards will have blanks for addresses used most often, but for which individuals do not know the proper ZIP Code. This project will be a feature of National ZIP Code Week, to be observed throughout the nation October 10-15.

"This is a good time to get the ZIP Codes missing from your lists," Acting Postmaster Gregg noted. "This Christmas, ZIP Code will be as important as shopping and mailing early for the efficient and on-time delivery of the record-breaking avalanche of mail expected in the pre-holiday weeks."

When you receive the card, fill in the street number or box number, city and state and mail in any mail box, postage free. The postmaster and office personnel will add the proper ZIP Codes and return the cards to the sender.

President Johnson has proclaimed October 10-15 as "ZIP Code Week" to promote greater usage of ZIP Code. Postmaster General O'Brien urges every person to take advantage of this opportunity and to use the proper ZIP Code on every piece of mail.

"ZIP Code is important. It helps to get your mail to its destination in the shortest time possible. Use it regularly," the postmaster said.

Mountaineers Spoil Homecoming For Gorman Panthers With 31-12 Win

The Santa Anna Mountaineers chalked up two touchdowns in the first period and three more in the fourth to down the Gorman Panthers 31-12 to spoil the Homecoming activities for the Panthers last Saturday night. The Panthers, who were soundly outplayed, could muster only two TDs, 1 each in the third and fourth frames.

The Mounties hit paydirt early in the first period, when fullback Eddie Jones carried the opening kickoff back to his own 40. Five plays later the Mounties tacked six points on the scoreboard when halfback Butch Makuta carried the pigskin the last 15 yards and a TD. Try for extra point failed.

Late in the same period, on a 1st and 10 situation on the Mountie 27, Makuta broke loose on a 58 yard gallop to the Panther 15, from which point halfback Dickie Horner carried it across the double stripe on the first play from scrimmage. Try for extra point failed again and the Mounties held a 12-0 lead as the half ended.

The Panthers opened the third quarter with a passing attack, picking up 39 yards, before Panther quarterback Daryl Hirst scooted 8 yards for their first TD, covering 57 yard in 8 plays. Try for extra point was no good, and thus ended scoring in the third stanza.

Early in the 4th, Makuta again crossed the double stripe from 1 yard out, culminating a 55 yard drive in 9 plays.

The Panthers took to the air again in a passing attack which was spoiled by Mountie quarterback Roy Joe Harvey who intercepted a Hirst aerial on his own 46. The Mounties were paydirt bound again with Makuta lugging for 18 yards. Fullback Jones then took off on a 36-yard sprint for the Mounties fourth TD of the night. Ray

at 9:00 a.m. Coffee will be served in the high school building from 9:30 until 11:30, giving Exes ample time to chat and visit before the noon lunch at 12 o'clock in the school lunchroom.

The business meeting and program will be called to order at 2:30 p.m., with Association President Felton Martin presiding.

The "Student of the Year," Miss Ora Alice Newman of San Angelo, will be presented during the session and talk to the group.

Other officers of the organization are: Mrs. Jack Allen, 1st vice president; Mrs. Richard Horner, 2nd vice president; Mrs. J. C. Horner, secretary. Directors are Max Eubank and Mrs. Henry Newman.

"Coming Home Queen" Highlighting halftime activities at the football game will be the presentation of Mrs. Jack Kingsbery, who has been chosen "1966 Coming Home Queen."

She is the former Evelyn Bruce, and now makes her home in Crystal City. A graduate of the Class of 1946, she was an honor student, a member of the Band, F.H.A., school newspaper staff, and active in other school activities.

Following her graduation from high school, she attended Tarleton State College for two years and received her degree from Sul Ross College in Alpine in 1950.

After teaching school at Leaky for one year she married Jack Kingsbery, also a Santa Anna native, and they reside at Crystal City where he ranches and has a manufacturing business.

Evelyn now teaches history in Junior high school, and is very active in civic and church organizations, having served as WMU president, Sunday School department superintendent and teacher, an officer in the P-TA, president of a Federated Study Club, and 4-H adult leader.

The Kingsberys are parents of four children: Anne, a high school freshman, Bob, 11, Kay, 10, and Bruce, 5.

She and her family will arrive in Santa Anna Friday night where they will be guests of her parents, Mr. and Mrs. C. D. Bruce, and visit with other relatives.

\$3,350 Community Chest Goal Set

A goal of \$3,350 has been set for the local Community Chest Drive which will get underway Monday, Oct. 17, according to officials of the organization.

Hal Martin is serving as Community Chest chairman, and Rankin McIver is vice chairman.

Following the Lions Club meeting Tuesday, Drive officials and businessmen met to set the budget, name area community chairmen, and designate organizations and amount each will receive from drive funds.

Organizations designated to benefit from drive funds are the same as last year, plus the addition of two other agencies. Included are: Red Cross, Salvation Army, Boy Scouts, Cub Scouts, Summer Recreation program, Quarterback Club, Boys

Ranch, Community Milk Fund, Texas Rehab Center, Heart Fund, Cancer Fund, Abilene Mental Health Association, and West Texas Rehabilitation Center for Crippled and Retarded Children in Abilene.

Abilene Mental Health Ass'n. and West Texas Rehabilitation Center were added to the list, due to the fact that both organizations are available for service to people in this area.

As in the past, the local Community Chest drive will include the entire Commissioners Precinct 2.

Bobby Weathers was named chairman of the Santa Anna area. Other community chairmen named are: Rockwood, Jake McCreary and Mrs. Betty Bryan; Shield, Mrs. Bert Fowler; Red Bank, Mrs. Buck Jamerson; Leedy, Dick Baugh and

Tom Kingsbery; Plainview, Max Eubank; Trickham, Mrs. Bill Vaughn; Cleveland, Elmer Cupps and R. W. Cupps; Liberty, Mrs. Charles Bengel; Buffalo, Wm. R. Brown and Garland Powell, and Mayo, Mr. and Mrs. Tom Newman.

Drive officials expect to complete the campaign in about ten days, and everyone is urged to give generously in order that each participating organization may receive the amount designated to carry on its respective work.

In years past, communities have been called on to make several donations during the year, but with the Community Chest in operation only one drive is conducted with funds being distributed to the different organizations.

Sister of Local Man Is Buried

Graveside service for Mrs. Belle Caldwell, 69, of Midland were conducted at 2 p.m. Tuesday at Rockwood Cemetery with Ellis Funeral Home of Midland in charge.

Mrs. Caldwell, a former resident of Rockwood, passed away Monday in a Midland nursing home after a lengthy illness.

Surviving are a daughter, Geneva Caldwell of Midland; five brothers, Carl Ashmore of Santa Anna, Jeff of ElCorado, Barney and Hop of Bangs, and Ivan of California.

Attend church regularly.

State Capitol NEWS

Austin—Texas Research League unveiled its tentative recommendations for heading off "disaster" in growing urban counties following a statewide study ordered by Gov. John Connally. Plan contains sweeping and controversial proposals to overhaul local government in 24 major and middle-sized counties. It proposes four statutory changes and two constitutional amendments. Test public hearings have been held in Austin and Dallas-Fort Worth and more discussion meetings will be set over the state.

Basically, the recommendations aim to encourage regional planning and cooperation among units of government in solving common problems and performing services on an area-wide basis and to permit big counties to adopt a modern governmental structure best suited to their needs. State aid to carry out these recommendations would be available under League suggestions.

ATTORNEY GENERAL SPEAKS
Coordinating Board, Texas College and University System, can purchase life insurance on student borrowers and pay the premium directly to an insurance company from Opportunity Plan Fund. So held Attorney General Waggoner Carr in an official ruling.

Other recent opinions concluded that:

* Petition of September 9, nominating an independent candidate for merged Jim Wells County J. P. precinct, is valid.

* When a doctor is not available a technician may take blood from drunk-driving suspect, on his consent.

* Texas Aeronautics Commission has no regulatory authority over airline service with origin or destination points outside the state.

* Auto sales tax is due on cars transferred from subsidiary to parent corporation.

* Appointed lawyers are due a separate fee for each appeal to final conclusion in Court of Criminal Appeals.

TEACHER PAY
Texas State Teachers Association has served notice it will push for a pay raise in 1967, regardless of views of the Governor's Committee on Public School Education.

TSTA blamed a 5,500-teacher shortage mainly on pay scales and renewed its plea for a "national average" wage with built-in escalator clause.

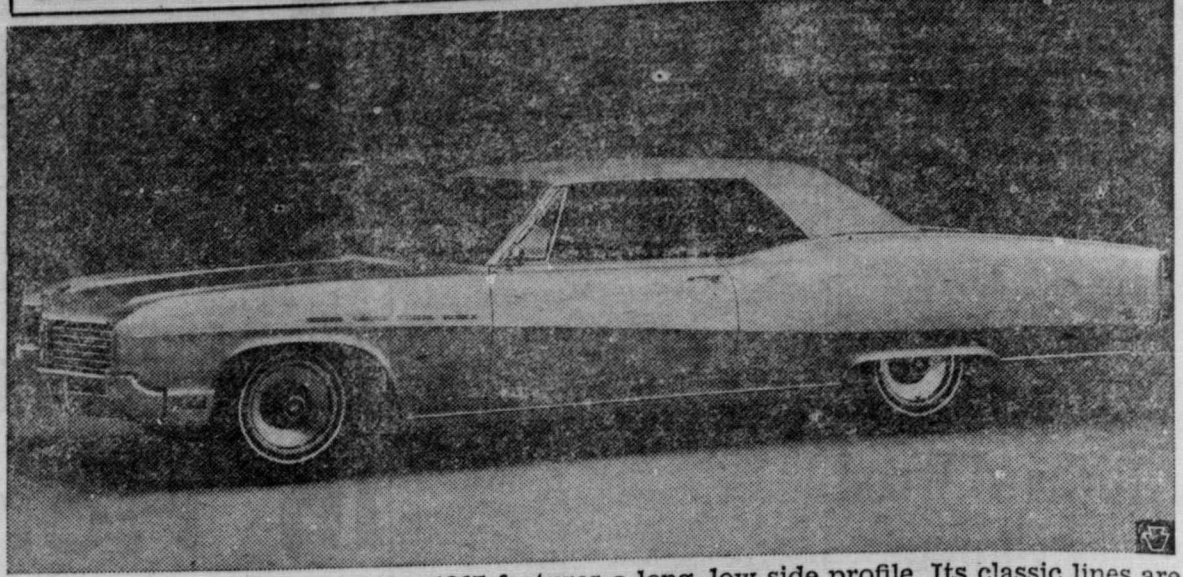

Texas Association of School Administrators joined teachers in urging an interim committee report on the need for better teaching salaries.

Stage may be set for one of the next Legislature's biggest money controversies.

FUSION FUNDS
The University of Texas, putting together a team of physicists and electrical engineers to work on conversion of thermonuclear fusion directly into electricity, has won a \$700,000 research contract from the Texas Atomic Energy Research Foundation. Previously, the contract had been held by a California firm.

Governor Connally hailed the

BUICK ELECTRA 225 TWO-DOOR HARDTOP

Buick's Electra 225 series for 1967 features a long, low side profile. Its classic lines are emphasized by a sweeping contoured line running the full length of the all-new body. A newly-designed roof line adds to the car's smartness. Buick's new 430 cubic inch V-8 engine with four-barrel quadrajet carburetor powers the Electra 225.

contract's coming back to Texas as marking a big step in his drive for excellence in higher education. The University committed a dozen faculty tenure positions to attract top men in plasma physics to join the UT Center for Plasma Research and Thermonuclear Physics.

SCREWORM EPIDEMIC
Texas is in the midst of its worst screwworm infestation since the statewide eradication program was initiated in February, 1964.

Two weeks ago, there were 33 confirmed cases. But last week (just through Thursday) 106 cases were confirmed.

Federal, state and private funds are being used to fight the infestation through dropping sterile flies from airplanes and treating infested animals. "But things don't look too good," said Dr. S. E. Walker, executive director for the Texas Animal Health Commission.

Short Snorts
Department of Mental Health and Retardation has outlined priorities for \$58,300,000 worth of construction projects for submission to the next legislature.

Garden Club leaders from over the state reviewed the Governor's Mansion landscaping plans initiated by Mrs. Connally.

Texas Securities Commission-

er William M. King revoked the secondary trading exemption of Westex Corporation of Houston.

Governor Connally approved Neighborhood Youth Corps projects in Cameron County and San Diego Independent School District and a Head-Start project for Uvalde, Kinney and Real Counties.

Austin District Judge Jack Roberts was sworn in here Monday (Oct. 3) as a U. S. District Judge for the Western District of Texas.

An election law study subcommittee has agreed that all voters should have to register, including those over 60 in cities of less than 10,000 that now are exempt.

Omar Burlison, M. C.
17th District, Texas

WASHINGTON — The voices of two foreigners were heard this week which deserve a lot of attention. They came from

opposite directions but spoke truths about which we are hearing little in this country.

ONE came from a noted British economist, Arthur A. Shenfield.

LOOKING at the experience of the British, Mr. Shenfield said that the war on poverty, guidelines on prices and wages, and some other domestic practices of the United States will destroy the free enterprise economy unless they are curtailed. He says that the chief cause of the inflationary trend today is Government spending. "Guidelines are an example of lawless action, not illegal, but incompatible with the rules of law," Mr. Shenfield said. His further comment was "No one ought to be threatened by the Government for doing something which has not been made unlawful by proper legislative process."

Nationalized Welfare Programs "which will feed on themselves" have not worked in Britain and are doomed to failure in the United States. Such programs, Mr. Shenfield said, produce three results: A bad product, high prices for the bad product in the form of taxes, and an increase in the power of the

State.

THE other voice was that of the Foreign Minister of Thailand spoken in the United Nations. Foreign Minister Thanat Khonam declared that the United Nations and its officials did not have the right to barter South Viet Nam's freedom and sovereignty for dubious promises of peace.

Thanat was an Asian voice that forcefully rejected peace proposals that reward what he termed aggression and failed to extract concessions from North Viet Nam and Communist doctrines "born in the dark" and sordid recesses of European ghettos.

The speech maker, in the words of one distinguished West European delegate, the first time in this Session of the United Nations that a pro-Western Asian "has spoken clearly against any attempt at appeasement of the Communists."

The Foreign Minister of Thailand flayed "misguided minorities" in this and other countries for demanding peace on terms favorable to the Communists.

"These Dissenting minorities, consisting of elements from legislative quarters, from the press, the church, and from the uninformed academic circles, are least familiar with and even ignorant of the true situation, but allow themselves nevertheless to be carried away by their abstract and unrealistic constructions, or by their belief in false liberalism, to voice suggestions and opinions which benefit and give comfort to no one except the nemy of freedom and liberty," he said.

"While innocent victims are daily maimed, molested and massacred by fanatic terrorists, the so-called liberals commiserate not with the unfortunate victims, but rather with those who kill, torture, and terrorize."

THE United Nations, in its 21st Session, has opportunity to direct its attention at purposes for which it was created, that is, ways and means to maintain peace in the world. Instead it is concerning itself with internal problems of individual nations.

THE International "Do-Gooders," like those here at home, have fallen into the error of thinking that legal and Constitutional procedures which are based on thousands of years of experience must be junked just because pockets of inequity remain. The United States would not want South Africa's racial policies. Neither would we want to see economic freedom curtailed here as it is in the Soviet Union. We would not like to see women denied social equality as they are in many Arab lands, nor would we like to see them denied the vote as they are in Switzerland. We do not believe in imprisoning political opponents as has been the practice in quite a few African and other countries.

THE United Nations was not designed to deal with domestic affairs. It has no authority to do so under its Charter. If there were, probably no country in the world would have subscribed to it.

The use of the finger-alphabet by deaf mutes is called dactylography.

There are three miles in a league.

THE FAMILY LAWYER

Passenger In Distress
While seated in a cross-country bus, a woman accidentally twisted her knee, throwing it badly out of joint. Although she asked for a doctor, the driver said he had no time to arrange for that. He finally deposited her at her destination, 12 hours later.

In due course the woman sued the bus company, not only for causing her needless pain but also for making her condition worse. And the court upheld her claim.

True, the bus company was not even remotely to blame for the woman's original injury. And, as a rule, the law does not require Good Samaritanism — that is, it does not require one person to go to the aid of another in distress.

However, the court's ruling was based not on Good Samaritanism but on the special relationship between the two parties. They were not merely two strangers. They were carrier-and-passenger. When there is such a relationship, and an emergency arises en route, the law generally does impose an affirmative duty to give aid.

That doesn't mean the passenger can hold the carrier liable under all circumstances. For one thing, before there is any duty to help, there must be some clear sign that help is needed.

Thus, a railroad was excused for not aiding a seriously ill woman, when the only sign of her affliction was that she had rested her head on her hand.

But once the peril is apparent, then the carrier's duty begins.

How speedily must help be given? That depends on the particular situation. For example:

In a medical emergency involving an expectant mother on a train, a court held that the train should have been halted at the next town, rather than at the next regular stop.

And how long does the carrier's duty last? Possibly even beyond arrival at the passenger's destination.

In one case, a bus rider who had suffered a severe eye injury was left in the station, alone and helpless. The bus company was later held liable for not making sure the victim was placed in responsible hands.

Summarizing the law, the court said:

"The carrier owes to the passenger the consideration and care of common humanity."

TAX MAN SAM SEZ:

Every year the Internal Revenue Service calls in thousands of taxpayers for tax audits. A large part of these taxpayers get into a discussion of their tax affairs with Internal Revenue through their failure to keep good records. Keeping good records is not an easy task but it is an important family chore that is profitable. You

can prepare a much better tax return and you may save yourself a lot of tax dollars if you take the trouble to keep a simple set of records. You will find that your records are not only helpful for preparing your tax return, but they may also solve a lot of other problems for you.

A light year is about six million, million miles.

Pecan Harvester Developed At A&M

A mechanical pecan harvester has been developed at Texas A&M University. Researchers consider it an important breakthrough.

The designer, William H. Aldred, A&M agricultural engineer, said the rig could probably be mass-produced to sell for about \$3,000. He said there is presently no economically priced mass produced mechanical harvester that harvests native Texas pecans well.

Aldred said his harvester will gather up to 4,000 pounds of nuts a day, while a man can harvest only about 150 pounds a day by hand.

A buoy with red and black horizontal stripes means Danger, Keep Off.

Social Activities . .

State 4-H Dress Revue October 14-15

Forty-five finalists will take part in the 1966 State 4-H Dress Revue, October 14-15 in Dallas.

The 4-H activity will again be staged during the State Fair of Texas, and the girls will be presented in two public fashion shows at 10 and 11 a.m. October 15 at the Women's Building of Fair Park.

Finalists in the Revue are previous winners in their respective Extension Service districts of Texas.

The first place winner at the Dress Revue will receive a trip to the National 4-H Congress in Chicago, November 27-December 1.

Fidelas Class Meets, Elect New Officers

The Fidelas Class of the First Baptist Church met in a business session Wednesday, Sept. 28, in the church annex at which time new officers for the 1966-67 year were elected.

Officers are: Mrs. Burl Sparkman, teacher; Mrs. Edd Schrader, assistant teacher; Mrs. Elton McDonald, president; Mrs. Lester Freeman, 1st vice president; Mrs. Edd Jones, 2nd vice president; Mrs. J. W. Williams, secretary; Mrs. Jess Howard, treasurer, and Mrs. Roscoe Hosch, ass't. treasurer. Group captains are Mrs. Jim Dunn, Mrs. Lige Gober, Mrs. Richard Smith, Mrs. Roscoe Hosch, and Mrs. W. B. Allison.

Following the meeting the group went to Ranger Park Inn for a sing-song and program. Mrs. Burl Sparkman led in prayer, and Mrs. Edd Jones gave the devotional. Mrs. Pat Hosch dismissed the group.

Members attending were Mmes. Jim Dunn, Edd Jones, Lige Gober, Elton McDonald, Lester Freeman, Edd Schrader, Lester McCullough, W. B. Allison, Richard Smith, Arthur Casey, Burl Sparkman and Pat Hosch.

When a Miss becomes a Mrs. she should remember to change her name on her social security card.

Mrs. Jack Cooper Named Rockwood HD Club Prexy

Mrs. Jack Cooper was reelected president of the Rockwood H.D. Club Wednesday, September 28, at a meeting in the Community Center.

Assisting her will be Mrs. Lon Gray, vice president, Mrs. Claud Box, secretary-treasurer, and Mrs. John Hunter, Council Delegate.

Mrs. Cooper presided during the business session, when plans were made for a Halloween fund-raising supper. It was voted to hire more painting at the Center. Mrs. Claud Box, secretary of the city water works, reported that the Rockwood Water Board was giving the asbestos siding, that was recently placed on the building, and paying for the labor.

Mrs. Lon Gray, program chairman, introduced Mrs. Bessie Parker, County HD agent, who brought a program on "Decorating Ideas for Your Floors," illustrated with slides.

Miss Bernice Johnson served cake squares and punch to Mrs. Bill Bryan, Mrs. R. J. Deal, Mrs. Bill Rehm, Mrs. Wayne Bray, Mrs. Lon Gray, Mrs. Jack Cooper, Mrs. John Hunter, Mrs. M. D. Bryan, Mrs. A. L. King and the guest, Mrs. Parker.

Mrs. Henry Smith Directs Rockwood WMS Devotional

Mrs. Henry Smith brought the devotional at the Woman's Missionary Society meeting and social held in the Rockwood Community Center Monday.

Mrs. Lon Gray was at the piano for group singing, and Mrs. R. J. Deal conducted the business session. Mrs. Carl Buttry and Mrs. Bill Rehm served as hostesses and directed recreation. Gifts were exchanged by those present.

Refreshments were served to Mmes. Lon Gray, Matt Estes, F. E. McCreary, R. J. Deal, Evan Wise, Walter Yancy, M. D. Bryan, John Hunter, Henry Smith, Carl Buttry, Bill Bryan and A. L. King.

A Halloween motif was carried out in arrangements and decorations.

If you have a question about social security, ask your social security representative — not your neighbor.

LOOK MA, NO RUST—Housewives of the area (and other dish washers) are being introduced to new non-metallic soap pads by local food markets. The new pads, "Rescue" brand from JM Company, have a tough nylon side for heavy duty scouring and a soft spongy side to protect hands. They're said not to rust, shred or splinter.

Rush Party Held By Sorority Group

The Delta Omicron Chapter of Epsilon Sigma Alpha Sorority of Santa Anna met Wednesday, Sept. 23, in the fellowship hall of First Methodist Church for a social and get-together.

"What Am I" was used as the theme of the party, with each member using a menu to select their food, which was listed so that one member received a knife, fork and spoon as first course, while another received tomato juice and beans. This was the main entertainment for the affair.

The table was laid with a white linen cloth and centered with a candelabra flanked by double arrangements of autumn flowers in shades of yellow, orange and brown. Large autumn leaves were placed at intervals on the table. Place cards were autumn color cards on toothpicks in gum drops.

Hostesses for the meeting were Mrs. Ken Bowker, Mrs. Allyn Gill, Mrs. Bruce Cammack, Mrs. Jackie Smith and Charlotte Moseley.

Others attending were Mrs. Montie Guthrie Jr., Mrs. Vernon Herring, Mrs. Jack Allen, Mrs. Burgess Stewardson, Mrs. John Pricer, Mrs. Jake McCreary and Mrs. John McDaniel. Guests included Mrs. Charles Walker, Mrs. Joe Riley, Mrs. Sue Hart and Mrs. Tommie Hart.

Each member and guest drew gifts from numbers on back of place cards, which also furnished entertainment.

The famous Hope Diamond is very dark blue, almost black.

W. S. C. S. Conducts 3rd Study Class

The Woman's Society of Christian Service met Monday afternoon in the third study class of "Christian Being and Doing," in the annex of First Methodist Church.

Emphasis for the study was I Peter, with Mrs. Hardy Blue teaching. Others taking part on the program were Mrs. Tom

Hays, Mrs. O. A. Etheridge, Misses E. Lee and Ruby Harper, Mrs. Dale Smith and Mrs. Cennie Ladd.

A Bible quiz was also conducted with all members taking part.

Other members attending were Mmes. Rex Golston, Joe Baker, Ora Hunter, Arch Hull, W. B. Griffin, John Bray, O. L. Cneaney, Jim Harris and Tom Mills.

My Mommy cooks With modern Gas

because

it's COOL

Gas cooking is cool because when you turn a gas burner off, it's off — instantly. There's no hangover heat to heat up your kitchen. Gas broiling is cool, too. (You broil with the door closed.) New Infra-red gas broiling is even cooler because it's so fast. So if you want to cook cool, get a modern gas range. See them now at gas appliance dealers or Lone Star Gas.

second Sunday performance of the Texas Prison Rodeo in Huntsville on Oct. 9.
Jo Ann Castle, Welk's honky-tonk pianist, and Norma Zimner, his Champagne Lady, will offer beauty and talent during the "Wildest Rodeo in Texas" in the prison's \$1 million stadium.

Along with these two performers, the management will present Justin Wilson, popular Cajun humorist, and Candy Barr, self-styled singer during the two-hour show which begins at 2 p. m.

Whales have remnants of ancestral legs.

EARLY RIG — Based on historians' reports, this is an artist's interpretation of the type of steam-powered device that Tol Barret used to drill the first Texas oil well in 1866. It reportedly employed the principle of today's rotary rig which bores a hole in the earth. In contrast, the cable tool, commonly used in many early wells, drilled a hole with the up-and-down motion of a bit suspended on a cable or rope.

OIL SCENE IN 1880's — This rare photograph, appearing in an 1891 Texas Geological Survey report, shows workmen filling barrels in Texas' first commercial oil field near Nacogdoches. It was developed about 20 years after the Barret well. Visitors to field today collect souvenir samples of oil from these wells.

**HEALTH AND SAFETY
TIPS FROM THE
AMERICAN MEDICAL ASS'N.**

HEARING LOSS

Have your friends and family got the "mumbles" lately?

Are they just not talking loud enough for you to hear them?

The chances are that the others are still the same. It's likely that your own hearing is beginning to fade.

Or do you notice someone in the family or a close friend who is often asking you to repeat words or sentences? Even when you are reasonably certain that you spoke distinctly? Perhaps this person is suffering a hearing loss.

Your physician may find that the hearing loss is due to impacted wax in the ear canal or some other obstruction, says a pamphlet of the American Medical Association. Or there may be an infection of the nerves of hearing. Certain drugs and industrial chemicals can affect hearing; mumps or scarlet fever, a cold or acute sinusitis frequently cause swelling of the mucous membranes associated with the ear. A loud noise or sharp blow may damage the eardrum.

The physician can determine by a variety of tests whether loss of hearing is due to nerve damage or to an interference with the transmission of sound waves. If there is obstruction he can tell whether it is due to infection or another cause. He will determine whether treatment will help or correct the hearing problem. Several surgical procedures are used to help the deaf to hear, and there also are medical treatments.

In many cases, however, treatment cannot restore hearing, and a hearing aid may be prescribed. There are many types of hearing aids on the market. Your physician will guide you in finding the aid that gives best results for you. Or he can advise you that a hearing aid will be of little or no help in your case.

In case of severe hearing loss it is frequently necessary to complement a hearing aid with

lip reading to secure maximum communication. Most larger communities and many small ones today have therapists qualified to give instruction in lip reading. Your physician can help you find one. Many hard of hearing people find that they already are lip reading to some extent without realizing it.

Ignoring a hearing loss will never make it disappear. As soon as the hearing loss is recognized, seek medical help. Often there is much that can be done to help the hard of hearing continue to fill a normal place in society.

Attend church regularly.

Safety Code Seen

Water recreational fatalities dropped substantially in Texas during a holiday-punctuated period normally marked by an increased comparative toll, according to an unofficial count by the Texas Parks and Wildlife Department.

Department safety personnel assumed that tighter supervision of pleasure boating has been a factor in the lower number of drownings since the faster water craft and associated water skiing significantly have not contributed measurably to the tragedies.

Worst Teacher Shortage In 25 Years Faces Texas

Texas is facing its worst teacher shortage in 25 years, according to the Texas State Teachers Association.

Results of a survey were released Sept. 29 by TSTA Executive Secretary, Charles H. Tennyson.

A need exists for some 5,500 fully qualified teachers throughout the state, he said.

The survey was conducted to include every one of the some 1,303 Texas school districts, of which 82% have replied.

Tennyson said that tabulation of the survey returns showed that by September 28th, 1,069 school districts reported a need for 5,492 fully qualified teachers.

More than 10,000 teachers are teaching in Texas this year with only emergency permits, Tennyson said.

"According to the survey returns," he continued, "superintendents apparently feel that almost one half of the holders of these 10,000 emergency permits are not qualified to handle the professional duties of a classroom teacher. Of course, many of these emergency permit teachers are excellent instructors.

"The sad fact is that Texas superintendents are today forced to hire unqualified persons in order to keep Texas schools open. We have no estimate as to the number of school children receiving inferior instruction."

Tennyson said the release of the figures at this time was made to erase any doubts as to whether there is a teacher shortage in Texas.

Education State's No. 1 Problem Barnes Says

Education is the No. 1 problem that will face the next legislature, says Ben Barnes, speaker of the Texas House.

Addressing the 40th annual meeting of the Texas Home Demonstration recently, Barnes said "we will spend twice as much on education in 1966 as in 1963."

He emphasized that "we are already experiencing an enrollment problem. By the year 2000, our population will double, from 12 million to 24 million," Barnes predicted.

Another major problem in education, he said, is the high percentage of students who do not complete high school. "Only 54 in every 100 students graduate from high school and only 36 go to college. Then only 18 get bachelor degrees, and only 1 of the original 100 gets a master's degree or Ph.D."

Barnes emphasized that Texas schools are providing only 11 percent of persons with graduate degrees needed by industry.

Yet more important, said Barnes, is the problem of the 46 who do not graduate. "Here, vocational and technical training is needed to help them increase their income."

Tourism, highway safety, and water resources are other matters that will face the legislature next session, Barnes told the Texas homemakers. More laws concerning safe roads and driving are expected to come before the 60th Legislature, Barnes said.

Persons who wish to check their social security records can obtain a post card at the social security office for that purpose.

Read II Corinthians 12:1-10

Three times I besought the Lord about this, that it should leave me; but he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." (II Corinthians 12:8-9, RSV)

The famous French novel "The Devil at Noon" by Paul Bourget, suggests that even at a mature age man may have to face the strong awakening of some forms of temptation.

In Second Corinthians we have the personal testimony of Paul who knew what it is to be harassed by human weakness. Whenever we are tried, the outcome depends much on how we react under the trial. This is a clear fact to me at this stage of my life more than ever before.

As a rule, victory over temptation is not granted one for all. It is provided as needed through abiding with the Lord, who said, "My grace is sufficient for you." Our cries to the Lord for help in times of testing tell that we sincerely want the inward peace and victorious living which He alone can give.

PRAYER: O Lord, who was tempted in every respect as we are, yet without falling, we bless Thy name with thanksgiving. Thou art truly the Savior who offers and gives victorious liv-

231 Vacancies Exist In DPS, Recruits Needed

The Texas Department of Public Safety announced today it has 231 vacancies in its uniformed patrol services and reminded interested men between the ages of 21 and 35 that the next deadline for applications is October 17.

Examinations will be held on October 22 for the next cadet training school scheduled to begin January 3.

Col. Homer Garrison Jr., DPS Director, said vacancies exist in all four of the uniformed services—Highway Patrol License and Weight, Driver License, and Motor Vehicle Inspection. Most of the openings are in the Highway Patrol Service.

He pointed out that effective September 1, higher salaries and the five-day week went into ef-

fect for all DPS uniformed personnel. He said cadets at the DPS Law Enforcement Academy in Austin will receive \$400 per month while in training, and will be off Saturdays and Sundays. The training period will last approximately 18 weeks, including 13 weeks of basic training.

The proper answer is that medicare pays all but the first \$40 of the hospital bill for up to 60 days except charges for physicians' and surgeons' services, personal comfort items, and any costs for the first 3 pints of blood.

The cadet's choice for a particular service will be granted, consistent with vacancies existing at the time, and the Department will make every effort to station a man within 150 miles of his desired location.

Upon graduation, cadets will be commissioned and assigned to the field, with salaries ranging from \$468 to \$484, depending on service assignment.

Most Medicare Questions Concern Cost To Patients

Now that medicare has been in operation for three full months, most social security offices can identify the one question that is being asked the most about the hospital insurance portion of the law. R. R. Tuley Jr., Abilene district manager, reports that the chief question asked his staff is this, "Just how much of a hospital bill will I be responsible for?"

Tuley also noted that participating hospitals agreed that no patient would be billed for anything except the first \$40 and the personal comfort items furnished. Personal comfort items (cost of which often are covered by private insurance policies) are such things not medically necessary as tele-

phones, TV, private rather than semi-private room accommodations, private duty nurses, etc. Medicare does cover laboratory fees, operating room costs, special diets, drugs furnished by the hospital, splints, casts, wheelchairs, crutches, hospital gowns, X-rays, electrocardiograms, blood tests, even a private room if medically necessary, etc., according to Tuley.

In summary, medicare covers all necessary inpatient services ordinarily furnished, plus anything else medically necessary (except the first \$40, and \$10 per day 61st through 90th days.) Persons in Texas having questions about an individual bill and medicare's settlement thereon with the hospital, should direct their inquiries to Medicare, Group Hospital Services, Blue Cross, Dallas, Texas.

B.V.D.'s were named for the firm of Bradley, Voorhees and Day.

FOLISHING DEER ANTLERS

Deer antlers make fine and useful decorations for any sportsman's den. To make antlers even more attractive, clean them with turpentine, then sandpaper, rub with pumice powder, and apply beeswax, or a good commercial auto wax.

The veins carry blood to the heart.
