Plains Rough Riders

The Plains Rough Riders traveled to Brownfield on June 11th to take part in the Rodeo Parade. This is the first rodeo our riding club has attended this season.

They group of Plains youngsters won a 1st Place Trophy in the Junior Division. Pam Peterson, daughter of Mr. and Mrs. Tommy Peterson, is the new 1970 Rough Riders Sweetheart.

4-H Playday Monday

By Leo L. White, Co. Agricultural Agent

The second 4-H play day of the 1970 season was completed Monday night, June 15, with 24 boys and girls participating. This play day was scheduled to be held a week earlier but the Pee Wee Western Pleasure Class was the only event held before the rain and hail caused postponement. Mr. Darrell Lindsey was the judge of the Western Pleasure and reining classes. Six play days are scheduled for the summer and the next one will be held next Monday night, June 22. The Western Pleasure Classes will get under way as soon after 8:00 p. m. as possible.

Following is a list of winners in the five events held Monday night:

The Hillside Church of Christ Vacation Bible School begins Monday, June 22nd. The school will begin at 9:00 p. m. and continue until 11:00 p. m. There will be a picnic for the children in the park Friday following the classes. Everyone is cordially invited to attend.

Medica Diversified Inc.

May Take Over Co. Hospital

For several years, the Yoakum County Commissioners' Court have tried to obtain a doctor for Plains, and since Dr. Joseph Sharp moved from Denver City, more doctors have been badly needed in our county.

Recently the Medica Diversified, Inc., which is a corporation devoted to upgrading the medical facilities in small Texas communities, has contacted Johnnie Fitzgerald, Commissioner of Precinct #4, and the Commissioners' Court in regard to taking over the Denver City Hospital and the Plains Clinic, and staffing both with sufficient doctors.

J. B. Brame, M. D., President of the Medica Diversified Inc. has talked over the phone with a number of the Commissioners' Court. Tuesday morning, D. R. Barfield, the Vice President had a session with the commissioners' Court and described in detail how this corporation is run.

poration is run.

In addition to physician procurement, the corporation offers the services in the administration and management, engineering and in participation in the Medical Programs, for hospital and nursing home licenses, and for approval by the Joint Commission of Hospital Accreditation. Through bulk purchasing and planning experience, the corporation can generally operate the existing facilities at much less cost than currently is the case.

Mr. Barfield explained that they would not be interested at all if the doctors that already live in Denver City were in full agreement with their plans. That they would be here to help the communities and would not do anything that would not make for good public relations with all doctors and people. There would still be a Hospital Board made up by citizens of the county.

If the hospital in Denver City and Plains clinic can be obtained under the conditions, this corporation is very interested. The corporation would still need some assistance from the county such as maintenance of the buildings and major overhauls. Otherwise, the corporation have plans to build a nursing home as an annex to the hospital, and it is also hoped that they can be able to purchase the Plains Nursing Home. However, Mr. Barfield said that Mrs. Baker was not wanting to sell this home at this time.

Further plans will be worked out later if the Commissioners' Court, after talking with and seeing other places that are being run by this corporation, can agree on the conditions set out by this corporation.

Under the circumstances talked so far, this will make a very large saving for the County of Yoakum money wise.

Miss Gail O'Neal Named to Hockley Co. Extension Staff

LEVELLAND. . . A new assistant county home demonstration agent will join the Hockley County Extension staff on June 21.

She is Miss Gail O'Neal, according to a joint announcement by Hockley County Judge Hulon L. Moreland and Mrs. Aubrey W. Russell of Lubbock, district home demonstration agent with the Texas Agricultural Extension Service.

Miss O'Neal replaces Mrs. Norma Davis who resigned on May 31.

The new agent is a native of Plains and is a graduate of Texas Tech University with a B. S. degree in home economics education. Miss O'Neal is a member of the American Home Economics Association. She served as an apprentice home demonstration agent in Yoakum County during the summer of 1969.

During her youth, she was actively engaged in 4-H Club work in Yoakum County. She is the daughter of Mr. and Mrs. James A. O'Neal of Bronco.

Miss O'Neal will be working with Hockley County Extension Agents Bill Taylor, Mrs. Jewel Robinson and Ronald Stovall in conducting adult and 4-H educational programs.

Special Class for Drivers' License

A special class in Driver's license lessons will be held in Brownfield at the Wheatley school house on June 22, 23 and 24 from 8:00 to 10:00 p. m. This will be a 6 hour course with two hours each night.

The special class is anyone who has had trouble in obtaining driver's license

for lack of education, or not being able to write or speak English well, or for any other trouble that may have caused a failure in the test.

Those interested should contact the driver's license bureau in Brownfield, or if impossible to do that, just be there and you can attend.

4-H Youths Observe Dairy Month

SPECIAL - June -- Dairy Month -- pays tribute to the nation's dairy farmers and the dairy industry. It also has special significance for thousands of 4-H boys and girls working hard to complete their dairy and dairy foods projects for this year.

These youngsters are engaged in activities having to do with raising dairy animals or in utilizing dairy products. Some are enrolled in the national 4-H dairy program sponsored by White Farm Equipment of Hopkins, Minn., while others participate in the 4-H dairy foods program supported by Carnation Company of Los Angeles.

Learning about the nutritional value of milk is at the top of the list. Described as nature's most perfect food, the ingredients of milk -- particularly calcium and riboflavin -- are important to infants and adolescents alike. Calcium in milk is needed to build bones and teeth, and riboflavin is needed for clear vision, smooth skin, and helps cells use oxygen for growth.

The dairy animal program is open to all youths ages 9 to 19. Small town and city youngsters carry out dairy projects without owning a calf or cow.

They visit farms or zoos to see and touch the real thing. They read up on how milk gets from the cow to the refrigerator, and how important milk is to good health. A tour of a dairy, ice cream or cheese plant is an education in itself, and often a treat when free samples are passed out.

Members who choose the dairy foods program are primarily interested in the culinary art of making nutritious and delicious dishes from dairy products. They explore local

Plains Little League Report

The Plains Little League ball players are well along with their season's schedule. The spirit of the teams is fine and the competition is keen. The two top teams at this time, the Indians and the Yankees, are tied for first place while the Cubs and the Giants are tied for third place, at the close of the ninth game played Tuesday night. Six more games remain to be played and at this time the final outcome would be difficult to predict.

The following is a report of the last two games and the standings of teams at this time:

All Night Gospel Singing

The third annual "ALL NIGHT GOSPEL SINGING" will be held in Andrews Saturday June 20, under sponsorship of the Andrews County Chamber of Commerce.

The event will again be held at the Mustang Football Stadium, and is expected to attract an attendance of around 8,000. As an outdoor program in 1968, the opening year, it was attended by a large crowd from Andrews and surrounding West Texas and Eastern New Mexico. Many of these people brought lawn chairs and blankets and remained most of the night enjoying the variety of music presented.

Last year, hundreds were turned away when it was necessary to move inside due to threatening weather. This year, arrangements have been made by the Chamber of Commerce for a backup indoor location where seating will be available for up to 5,000 people.

Featured in the program will be some of the best-known gospel singing talent in the nation, including the Blackwood Singers with Ron & R. W.

Texas Department of Public Safety

The Texas Highway Patrol investigated three accidents on rural highways in Yoakum County during the month of May, according to Sergeant Hal Pirtle, Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property damage of \$860.00.

The rural traffic accident summary for this county during the first five months of 1970 shows a total of 17 accidents resulting in no persons killed, 11 persons injured, and an estimated property damage of \$11,628.00.

During the next three months millions of motorists will be heading for the road on vacations and outings. According to past facts and figures this will be the most deadly consecutive three months of the year.

During 1969 in Texas 996 persons were killed in traffic accidents during the summer vacation period.

The Sergeant stated, "This should be a challenge for all drivers and pedestrians not to be a fatality this summer."

RODEO QUEEN CANDIDATE: Pat Milstead, 15 year old daughter of Mr. and Mrs. A. L. Milstead, is a candidate for the 1970-71 Rodeo Queen Contest. Pat is being sponsored by the Chamber of Commerce.

Pat will be a sophomore in Plains High School next year and her past activities include "B" Team Cheerleader, freshman volleyball team and Varsity Band. Pat is an active member of the First Baptist Church in Plains. Her interests include playing the piano and organ and sewing.

All the support you give Pat will be greatly appreciated!

Reverend L. Kiel Quesenberry

New Methodist Pastor Named

The Reverend L. Kiel Quesenberry has been appointed pastor of the United Methodist Church. Mr. Quesenberry, who moved his family to Plains on June 4th, is a graduate of Muleshoe High School; Texas Tech University; and the Southern Methodist University's Perkins School of Theology. He was licensed to preach in 1952 and received his Master of Theology degree in 1961.

He came to Plains from Meadow, Texas where he was pastor. He has also served St. Luke's Methodist Church of Colorado City; St. Marks Methodist Church Midland as associate pastor; and Higgins United Methodist Church, Higgins, Texas.

Mr. Quesenberry is married and has three children. The oldest son, Kwin, will enter the 3rd grade; Paul will enter the 1st grade, and Dencey is his 15 months old daughter. The family will reside in the parsonage at 1201 Ave. G.

Billy Graham Crusade

KNOXVILLE, Tennessee--- Evangelist Billy Graham closed his East Tennessee Crusade here Sunday, May 31st, after 10 days of history making and highlights that included a visit by President Nixon and songs by Johnny Cash.

Well over a half million people filled into Neyland Stadium since May 22 to back a new team playing on the University of Tennessee's Tartan Turf. It's the same football field where the nationally acclaimed Volunteers have beaten some of the great teams of the country, but during these days there has not been an orange jersey in sight.

President and Mrs. Nixon flew into "orange country" early Thursday evening for a stopover at the Crusade while on their way to the Western White House in San Clemente, California. Approximately 100,000 people swelled the stadium area far past capacity in what was thought to be the largest crowd for any event in Tennessee history.

address from Graham's platform, the President received 14 ovations, one a full minute, from the vast majority in the sympathetic audience.

Evangelist Graham called the President's reception in East Tennessee "one of the greatest receptions I have ever seen given a President anywhere."

President Nixon told the vast sea of humanity that, "I can tell you America would not be what it is today, the greatest nation in the world, if this were not a nation which has made progress under God."

It was youth night at the Crusade and a high percentage of the audience were young people and students who jam-packed the stadium long before the 7:30 p. m. when he declared: "And if our young people are going to have a fulfillment beyond simply those material things, they must turn to those great spiritual resources that have made America

Things to Think About

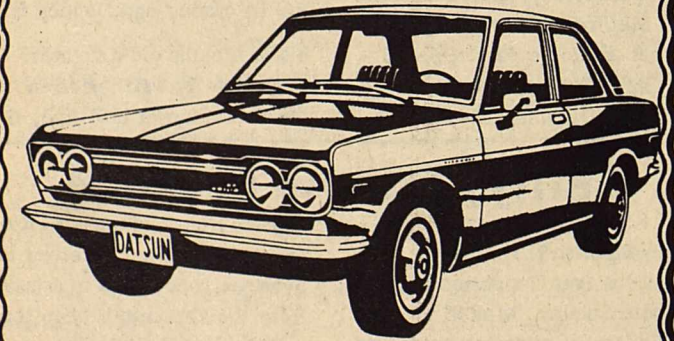

In May of 1919 at Dusseldorf, Germany, the Allied Forces obtained
 a copy of some of the "Communist Rules for Revolution." Nearly fifty years later, the Reds are still "following the Rule." As you read the list, stop after each item and think about the present-day situation where you live and all around our nation. We quote from the Red Rules.

- A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.
- B. Get control of all means of publicity, thereby:
 1. Get people's minds off their government by focusing their attention on sexy books and other trivialities.
 2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.
 3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.
 4. Always preach true democracy, but seize power as fast and ruthlessly as possible.
 5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
 6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster lenient and soft attitude on the part of the government toward such disorders.
 7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledged word, ruggedness.
- C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

Take time to think seriously of the above and draw your own conclusions.

In the June 11th issue of the PLAINS REVIEW will be found a LOYALTY PLEDGE drawn up and promoted by Lions International for the members of the various Lions Clubs throughout the

Friendly Chats with

Faye McConnell

There are times when the days are just not long enough to do all the things that a person must do. It was that way last week and I missed writing my weekly chats. Surely do hope that you missed them. I have yet to see the person who doesn't enjoy a compliment once in a while. As the old saying goes: "Tis an old maxim in the schools, that flattery's the food of fools; yet now and then your men of wit will condescend to take a bit."

Yesterday I read in the paper where Hubert Humphrey was criticizing our President for the role he had taken in sending troops into Cambodia. I told Editor John if Humphrey were near enough, I would finish pulling out the rest of his hair, which wouldn't take me very long since it is already so sparse. Makes me wonder when I read things that he says which doesn't make sense, if perhaps someone else hasn't already had the same idea.

I also read where "one senator severely criticized our President's welfare proposal which would require all able-bodied persons to work if work is available." The critic said "such a procedure might cause a welfare recipient to perform work which is 'demeaning.'" Now wouldn't that be too bad! Personally, I do not think one kind of work is any more demeaning than another, because I do not particularly like any kind. Although I began working very early in life, in fact, I can't remember the first time I milked a cow, I can just remember that it was one of my jobs around the home, plus cooking, washing dishes and ironing, and oh, how I despised to iron. Work has always offended my sensibilities and I have never emotionally adjusted to it. Many times when there was work to do, I had rather be playing the piano or riding horses, or swimming in a large earthen tank at some ranch home. Later in life, I have taken up oil painting, and now I enjoy it immensely. In fact, so much, that many times my work at home has gone undone while I painted. But not to the point where I can't hold down my position that brings in the bread and butter.

Did I have some good luck Saturday afternoon? The editor and I went to the horse races in Ruidoso Saturday, hoping that we could obtain an ad from the tracks as we did last year, and of course, while there, we attended the races. I had won a little on each race I had bet on until the 11th, and I lost \$4.00. That set me back so much that I had decided that I would not bet in the 12th and last race. The editor made his bet, but I just sat there, all the time wanting to bet on one certain horse. Just about 10 seconds before the windows were closed, I couldn't sit still any longer, so I rushed up to the "show window" - I am always too big a coward to bet to win and handed them my \$2.00 bet. And sure enough, my horse came in winner so when I went to collect my money, I was handed more than what I thought I should have. I told the woman that she had paid me too much as I only bet "to show." She showed me my ticket and in the last few seconds, I had accidentally rushed to the "winner ticket window" instead of my usual "show window." Was that ever a thrill!

Kathleen McGinty really was beating the other queen candidates of the rodeo Monday. District Court and Grand Jury were in session and she was busy at the cafes during the noon hour selling tickets to judges, lawyers, jurors and witnesses. Hurrah for Kathleen.

"Every time a man gets to thinking he is a 'big gun'... somebody fires him."

In conjunction with this pledge of loyalty are four pledge blanks made available for Club members and any person wishing to express their loyalty to the President, to the Governor and the Mayor in the support the effort to stamp out violence and establish confidence in the American government and the principals for which it stands.

This is an opportunity for every loyal citizen, Man, woman and child to express their allegiance to their government. After signing the blank see that it is delivered to the mayor as per instructions printed on the Blank.

Immediate action will assure recognition of the Americanism Pledge Program on nationwide television June 27th. Blanks of the pledge are available at the office of the PLAINS REVIEW. The dissenting minority have been heard, now let the great loyal MAJORITY be heard.

RUIDOSO DOWNS

Friday, June 19, brings about a lull between big stakes events at Ruidoso Downs. Last Sunday presented the twentieth running of the "Kansas Quarter-Horse Futurity", and next Sunday sees the running of the "Rio Grande Kindergarten Futurity" worth \$25,000 est.

Friday's card is headed by the renewal of the "New Mexico Highway Commission Purse" at five and one-half furlongs. Running for a claiming tag of \$5,000 will be such spring specialists as Art Pollard's Jorena's Prince, Clarence Lackey's Two Drills, and Norse Cairn, owned by Wilbur Barclay. The latter two horses, both won their latest tests over the Ruidoso Downs' oval.

The field of Challengers for the favored trio will be head-

ed by Grady Hopper's recent acquisition, Sheila Sheila, who has turned in three very sharp performances in readying for this race. Completing the list of eligibles will be Chaeper's David, representing Robert Hester's Robert Rule's Big Arthur Policy Pete, from the Robert Barnett stables; George Hazelton's John's Gem; and Kancity Kitty, owned by Grady Dodd.

The race honors the New Mexico State Highway Commission who have done such a wonderful job of improving the facilities and safety of highway travel in the state of New Mexico, especially in the Ruidoso area.

First post for Friday's card will be 1:00 P.M.

the student deferment (II-S) leading toward a degree?

A - Only to the extent that under legislation now pending in the Congress, a man who obtains this deferment by enrolling on April 23, 1970, or thereafter, may lose it in the future. Of course, this legislation will have to become law before this takes place.

Q - Does this apply to approved apprentice training programs and technical schools as well?

A - Yes.
 Q - Can I get a deferment to attend a technical school now?

A - Yes, provided you take a full-time course and you perform satisfactorily in it.

Q - Can I get a job deferment if I apply in June after Graduation?

A - No. No job deferments can be granted on a current application.

Q - I have had an occupational deferment for two years. I understand there are some new regulations on this subject. Do they apply to me?

A - Since you were granted this deferment before April 23, 1970, you may still continue in it at the option of your local board.

Q - I've been thinking of changing occupations. Could I still hold the job deferment?

A - No. Under the President's executive order of April 23, 1970, you cannot continue in the job deferment if you

change occupations.

Q - I'm about to become a father. Can I get a paternity deferment?

A - To qualify for this deferment, there must be information in your draft board file received or postmarked prior to April 23, 1970, that a child has been born or conceived.

Q - I qualify on that. What must I do to retain it or have it renewed?

A - You must continue to maintain a bona fide family relationship in your home with your child or children.

Q - A friend of mine had a child born in early May of 1970. Can he get the paternity deferment?

CHDA ★ Says...

One of the most important foods in the diet of children and teenagers is milk. It offers several important nutrients and is especially valuable as a source of calcium.

What should a mother do to get her children to drink enough milk during the summer? The solution is easy. Use dairy products in cooking. Milk and other dairy products are plentiful during June.

Cottage cheese, sour cream, and yogurt--the tangy trio of dairy products--help you plan nourishing, delicious dishes because they're made with milk products.

Sour cream can add a delightful and healthful touch to many recipes. This most adaptable dairy product can be used in place of whipped cream to give desserts a tart and delectably different flavor.

Sour Cream in Baked Beans adds a lively note to outdoor barbecues and indoor styled picnics. Add 1/4 cup dairy sour cream to every 1-pound can baked beans in tomatoe sauce. Sprinkle with salt, pepper and garlic salt. Bake 25 to 30 minutes at 400° till beans are bubbly. Top each serving with a dollop of sour cream. To tote away from home, tightly cover baking dish and carefully wrap in newspapers to keep beans temptingly hot 'til serving time.

Yogurt and salads just naturally seem to go together. For a refreshingly tangy treat fix **Creamy Fruit Salad Mold**.

1 package peach-flavored gelatin
1 cup boiling water
1/4 cup cold water or peach syrup
1 cup plain yogurt
1 cup fresh or canned peach chunks

Dissolve gelatin in boiling water. Stir in cold water or syrup drained from canned peach chunks. Pour mixture into a fancy-shaped 8-cup mold. Chill until firm. Yogurt dressings add a subtle flair to fresh salads and crispy fresh greens. Spark yogurt with lemon or lime juice. Blend with large curd cottage cheese as desired. Serve a dollop atop your salad creations, and sprinkle with chopped mint for added interest.

If you're watching your diet you and your family need not suffer--nutritionally, that is. Serve them dishes made with wholesome cottage cheese. Milk and dairy products provide a sound basis for gaining or losing weight, according to nutritionists, and also contribute many of your daily vitamin and mineral requirements.

Try **No Bake Cheese Cake** for a scrumptious dessert.

2 envelopes unflavored gelatin
6 tablespoons sugar
Dash of salt
1- 1/2 cups skim milk
2 tablespoons lemon juice
1 teaspoon vanilla
3 egg whites
3 egg yolks
1 teaspoon grated lemon rind
3 cups creamed cottage cheese
6 tablespoons sugar
1/3 cup graham cracker crumbs

Combine gelatin, 6 tablespoons sugar and a dash of salt in the top of a double boiler. Beat skim milk and egg yolks together, add to the gelatin. Stir constantly while cooking over boiling water until gelatin dissolves and milk thickens, about 6 minutes. Remove from heat, add grated lemon rind, and chill. Whip cottage cheese into billowy lightness (3 minutes at high speed of electric mixer does the trick). Stir in lemon juice and vanilla, fold in thickened gelatin. Beat egg whites until stiff, add rest of sugar and continue beating until stiff peaks are formed. Fold egg whites into the gelatin mixture and spoon into an 8-inch spring form pan. Sprinkle graham cracker crumbs on top, and chill until firm. Yields 12 servings.

which said, "Thou Shalt Not Kill," gathered in the east section of the stadium and shouted slogans throughout much of the service. Several minor incidents were reported, and some arrests were made.

Singer Johnny Cash, who has emerged as today's champion of the down-trodden and troubled, told last Sunday (May 24) of his experience with drugs and dramatically warned youth at the Crusade, "It ain't worth it."

Silence fell over the audience in the sun-drenched stadium, as the famed Western singer stood on the speaker's platform and said: "I'd like to ask the young people to take it from a man who's been there that know what he's talking about."

"In plain everyday words, my young friends, it ain't worth it. There's a beautiful thrill and ecstasy that comes from some drugs the first time. But then as time goes by, and it only takes a short time, you cross that line between ecstasy and terror and that's where you stay--on the terror, the horror side of that line."

"I escaped. I was lucky beyond measure. Don't try it. It ain't worth it."

Cash, earlier in a meeting with reporters, told of his Christian conversion experience as a 12-year-old boy in an Arkansas Baptist Church. He said that "However, lately I have been placing a new emphasis on the spiritual things of my life."

Appearing with Cash were the entire cast of his television show, including the Carter Family, the Statler Brothers, and Carl Perkins and the Tennessee Three.

Cash and his group sang rousing songs including "The Old Account Was Settled Long Ago," and "What is Truth?"

Some 42,000 people paused for 60 seconds of silent prayer Saturday afternoon for "the boys in Vietnam and Cambodia" in what was considered the largest Memorial Day ceremony held this year in the United States.

Color guards, representing the Army, Air Force, Navy, Marines, and Coast Guard, marched to the center of the field and presented the colors as the huge audience sang the National Anthem and repeated the Pledge of Allegiance led by UT's head football coach, Bill Battle. American flags waved throughout the observance.

Evangelist Graham who said he was "thrilled" by the service, personally called on the throng to pray for "the boys in Vietnam and Cambodia, that peace will come soon in this war which has gone on far too long, pray for the war prisoners, and wives of those men in prison. ... what agony they have gone through."

The evangelist's nightly sermons portrayed various subjects, most of them aimed toward young people. However, as a characteristic of his Crusades, Evangelist Graham stuck to basic ideas about Christ and salvation.

Many people have wondered why the Billy Graham Team would come to such a small populated area of the country--Knoxville populations is about 170,000--but its decision to come here was well rewarded by the people of East Tennessee. The Crusade drew 45,000 people the opening night and averaged well over 50,000 every service. Monday night of the meeting was one of the largest Monday night crowds ever assembled to hear Dr. Graham. Some 55,000 were present.

Also, some 12,300 people marched across the green carpeted field to commit their lives to Jesus Christ.

This is the first time a Graham Crusade has been held in the center of a great University. Students live in the stadium dorm at the very site of the Crusade meetings.

UT is the third largest university of the south, with nearly

Bridal Courtesies

Mrs. Joe Pierce

WEDDING VOWS EXCHANGED

Miss Joyce Lynn Warren became the bride of Joe Lee Pierce on Friday, the 12th of June at 7:30 P. M. in the Plains United Methodist Church. Reverend James Moseley, pastor of Plains Baptist Church officiated at the double ring ceremony.

An arrangement of blue carnations accented the altar. Blue carnations, two candle trees and one pyramid candleabra complimented the scene. Candles also accented each pew.

Parents of the couple are Mr. and Mrs. James Warren and Mr. and Mrs. Gilbert Pierce from Plains.

Given in marriage by her father, the bride wore a formal gown of white sara-peau organdy. The empire bodice featured vertical rows of tiny tucks and val lace, a high crystal pleated collar and long bishop sleeves with wide cuffs outlined with the crystal pleats and closed with tiny covered buttons. The softly draped slender skirt was finished with a detachable train, bordered with val lace and attached beneath a flat bow at the back of the waist-line. A chapel length veil edged with val lace was attached to a small sala-peau organdy bow, with seed pearls to form the bridal head-piece. She carried a cascade bouquet of white orchids surrounded with white roses. The bride also wore the traditional blue garter-something new was her own-something borrowed was an ankle chain from her Matron-of-Honor, and something old was a cameo belonging to her Grandmother.

Janie Hamm, of Plains, served the bride as Maid of Honor. Bridesmaids were Joetta Warren, sister of the bride and Janie Pierce, sister of the groom, Mrs. Ronald Naylor, sister of the bride served as Matron of Honor, and Mrs. Don Etheredge of Lamesa as Bridesmatron. The attendants wore long sleeved, peau-de-creap turquoise dresses with high pleated collars and

lace vest. She wore an orchid corsage made from her bridal bouquet.

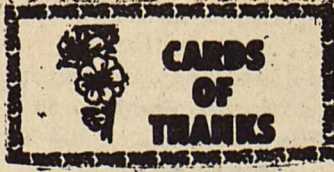

The bride is a 1969 graduate of Plains High School and attended South Plains Junior College.

The groom graduated from Plains High School in 1968 and also attends South Plains Junior College.

The couple plan to make their home in Lubbock in the fall where they will continue their education at Texas Tech.

Bridal Shower

There will be a wedding shower honoring Mr. and Mrs. Mike Pippin on Saturday, June 27th. It will be held in the home of Mr. and Mrs. John Dale Curtis at 8:30 p.m.

Many, many thanks to the whole community for making the Talent show a success. I would like to express my deepest appreciation for the proceeds from the show.

Sincerely,
