## Plains Welcomes New Business

Barbara's Chateau, new business in Plains, celebrated its formal opening Monday, March 22, with an open house.

Barbara Howell, owner, welcomed eighty-three guests during the day. Coffee and donuts were served, along with candy and balloons for the children. The afternoon was climaxed by a drawing for a variety of prizes. Winners of manicures were: Kaye Ellison, Mary Jane Norman and Pearl Ellison. Those winning haircuts were Janie Field and Wana Trout. Winners of a can of hair spray were Sandra Ellison and Lois Romans. A lash and brow dye was won by Connie McWhirter and the largest prize, a permanent, was won by Jackie Coke.

The shop, converted from a vacant building at 604 E. 11th, was designed by Mrs. Howell with the restoration of the building done by Leroy Howell, Jim Barron and Tommy Barron. Painstaking details before opening were handled by Mrs. JoAnn Barron, Margie Barron, Lavelle Howell, Marguerite Barron and Barbara Howell. Others who made it possible to complete the shop before its open house were Albert White of Osh Kosh, Neb. and B. A. Howell of Seagraves.

Barbara's Chateau will be open Monday through Saturday offering professional hair styling by Jo Ann Barron and Barbara Howell.

## Local Men Attend Meeting

Ray Bearden and Dan Thurman attended the Texas Farm Bureau State Convention, which was held in the Baker Hotel at Dallas last Monday. Over 800 voting delegates were in attendance. The organization adopted an expanded program to promote the image of farmers and ranchers through television and radio.

## Business Open Again

The Tumbleweed Drive Inn has been closed for the past several days while the owners, Mr. and Mrs. M.S. Weed went to Saint Jo, Texas to attend the funeral of Mr. Weed's cousin, Mr. Nile Weed, former long-time resident of Morton. The deceased was a retired grocer, who with his wife had been visiting a daughter, Mrs. Dak Merritt of Morton. After complaining of not feeling well, he decided to go back home. The next morning while sitting in the grocery store now owned by his son, Mr. Truman Weed, former resident of Plains, he had a fatal heart attack. He is survived by his wife, Lily, and 5 children.

## Eleventh Annual Community Sacred Music Program

The Eleventh Annual Community Sacred Music Program will be held at the First Baptist Church in Plains, Texas on March 25th at 7:30 p.m. This program is sponsored by the PLAINS FINE ARTS CLUB.

The organ prelude will be by Miss Debbie Addison. The program director will be Mrs. Robert White, who is President of the Fine Arts Club. Rev. Klief Quisenberry, pastor of The United Methodist Church will give the invocation.

Programs will be brought by: United Methodist Church Choir of Plains; United Methodist Church Quartet, of Plains; United Methodist Church of Seminole, Texas; Assembly of God Church of Plains; Baptist Mission Choir, Plains; State Line Baptist Church, Bronco, Texas; First Baptist Church Choir, Plains; Memories Quartet, Plains; First Baptist Church Youth Choir, Plains; Fine Arts Trio, Plains; Fine Arts Choir, Plains; and Group Singing. Rev. H. A. Tarkington will give the benediction.

## Vernon Townes Speaks To Lions

County Attorney Vernon Townes spoke to the Plains Lions Club last Thursday. Lion R. M. Carothers arranged the program. Vernon, who is well known to all members of the Plains Club, and a very able attorney, was a very welcome speaker.

The subject of wills and inheritance taxes was well covered in a 30 minute discussion. Many exceedingly important facts regarding individual last wills and testaments and their relationship to final inheritance were related.

Vernon is a fine speaker and while his subject was very broad he brought a concise description fully packed with facts that held the intense interest of the Club and will furnish food for contemplation for some time to come.

The Award for "Farmer of the Year", was awarded Mr. Robert Beasley of Meadow, Texas by Lion Murrell Thompson. This award is made each year by the Plains Lions Club and the recipient is selected by the Yoakum County Soil and Water District. Mr. Beasley is the owner of the 2-B Ranch north of Plains. He has done extensive work on his ranch in connection with the soil and water conservation program. Mr. Ray Bearden of Plains received the 1970 award.

## Cowgirls Win

March 12th-13th, The Cowgirls participated in the Howard County Junior College Tournament at Big Springs. The Cowgirls won second in the tournament and were only defeated by Midland High.

Pam McDonnell was nominated to the All-Tournament team. Sue Spencer received the trophy for All-Tournament set, and Peggy Rushing received the award for All-Tournament spike.

## Farmers Union Meet

The Yoakum County Farmer's Union met Monday night at the courthouse club room.

A report on the membership drive which was conducted during the week of March 8th with the assistance of Mr. Don Lentz and Mr. Garnet Symington of North Dakota revealed that 28 new members were added to the membership rolls of the Yoakum County local.

The Farmers Union, who is especially interested in the small and independent farmer, discussed the Occupational Safety and Health Act of 1970 and its relationship to the Texas Farmer.

The Local FU want on record as opposed to the farmers being classified under the act with industrial institutions.

It was related that under the present regulations the farmer comes under the same safety regulations as the steel mills and automobile manufacturers. It was stated that when the new law goes into effect April 27 the farmer will lose the previous exemptions he has had and will be forced to match farming practices and equipment to

health and safety standards laid down by the secretary of Labor. The Local FU feels that the small farmer should gain in regulations which are not applicable to the farm industry and the small farmer. The FU feels that it would be far more acceptable for the farm safety regulations to be under State Administrative control.

## Swine Shortcourse Scheduled For April 1st And 2nd

Yoakum County swine producers are urged to attend a two-night shortcourse on swine production on Thursday and Friday nights of this next week. The meeting will be held in the new sheep barn at the Livestock Exhibit Building in Plains. Starting time each evening is 7:30.

Three area specialists located at the South Plains Research and Extension Center north of Lubbock will be the instructors. Dr. Bill Clymer, area Entomologist will make a presentation on the control of internal and external parasites, and Dr. Gilbert Hollis, area Swine Specialist, will be on the program each night. Mr. Marvin Sartin, area Farm Man-

agement Specialist, will bring out some of the important points in swine management.

There is no tuition charge for this shortcourse and anyone interested in swine production is welcome to attend. This is an opportunity for the people in Yoakum and surrounding counties to get some valuable and up-to-date information concerning one of the fastest growing farm enterprises in the area.

This shortcourse is sponsored by the Yoakum County Swine Committee and it is a part of the South Plains Development Program, an over-all plan for increasing farm income in Yoakum County and the South Plains.

## Tsa Mo Ga Club Wins District Awards

The Tsa Mo Ga Study Club brings home sixteen district awards. Nine first place and seven second place awards were received. The award most treasured was the first place awards for their yearbook. The course of study for 1970-71 is "The Power of a Woman". Programs have been on Club Federation, Americanism, Education, Conservation, Texas Heritage, International and Public Affairs. Tsa Mo Ga Club was High point club in the district with a score of 209 points.

The eleventh annual Caprock District Convention of the Texas Federation of Women's Club was held in Plainview, Texas March 19 & 20th. "Take Time For This Land Of Mine", theme for the convention, stressed Americanism. The keynote address was given by the State President, Mrs. Phillip A. Carpenter of Burk Burnett, "In the Know Through Federation."

Mr. Tom Warren, Tsa Mo Ga Club President was among some 49 club Presidents giving a resume of club work being done entitled "Timely Tips from Caprock District." Mrs. Warren spoke on the Rubella Clinic sponsored by Tsa Mo Ga Club for school age children, 6 through 10 years of age and pre-schoolers, 1 through 5 years of age.

168 school age children and 25 pre-school children received Rubella shots at a cost of \$2.50 per shot, being paid by the club. "Americanism" was the theme for the annual Banquet. Those attending were Mrs. M.W. Luna, Mrs. Sherm Henard, Mr. & Mrs. Tom Warren, Mrs. Darrel Lindsey, Mrs. Ty Field and Mrs. Pete St. Romain. Mrs. Luna was recognized with ten other Life Members of Caprock District. Mrs. Darrel Lindsey was honored with a fourth place for Outstanding Clubwoman of the Caprock District.

All Department and Divisions of Federation work was presented in Gay 90's Attire by the clubwomen. "A Backward Glance and Forward Look" was most interesting and enlightening presentation. Mrs. Edmund

Judge Gene H. Bennett performing a marriage for a couple from Lovington. They are Lupe Sarcia Lopez and Reyes Gomez Madrano. Judge Bennett has performed many ceremonies since he took office in 1965.

Hyacinths are ideal for contemporary gardening, as their well-defined silhouettes permit their use in clumps, in rows, in planter boxes, window boxes, and as accent flowers with other Spring-blossoming bulbs and plants. Their wide variety of color—blue, red, pink, orange, deep purple, yellow, and white—permit many colorful planting patterns and designs. Hyacinths should be planted in the Fall before the deep winter freeze. The bulbs should be set firmly in well-drained soil, approximately six inches deep and six inches apart.

**LETTERS**  
TO THE EDITOR

Dear John,  
First, I want to thank you for the nice write up you gave me last June. It was quite encouraging and inspired me to do quite a few things.

You can see by the inclosed news clipping and letter combined and the photo that I am still flying. The letter and the news clipping were sent to me by some very dear friends and neighbors in Rimrock, Ariz., where I own property joining theirs. Rimrock is located in the Verde Valley, approximately fifteen miles south of Sedonia, Ariz. (A town where a great army of our Western movies are made) and about twenty miles east of Jerome, (The ghost City).

In February, I started to fly over the Grand Canyon on the Colorado river, to take some aerial pictures, but ran into a blinding snow storm over Flagstaff, Ariz. and had to turn back. On the way home I dropped down in the Verde Valley and took a picture of this Historic Ghost City built on the side of a mountain. Soon as the weather permits, I am going to fly back up to the Grand Canyon and get some pictures of the canyon, dams, lakes and Humphreys Peak, etc. This is where they ski until late in the spring. I will send you some of the pictures if you care for them.

Jerome is a historic place, set aside as a monument here in Arizona. The mining town was named by and after Eugene Jerome, cousin of Jenny Jerome, "Sir Winston Churchill's (of England) Mother.

I enjoy your paper very much. I feel like I know almost everybody in and around Plains. I remain,

Very truly yours,  
Clyde Fitzgerald.

Three calves and three barrows received ribbons and premiums for placing in the South Plains Junior Livestock Show held last week in Lubbock. Gwen Fitzgerald exhibited a 10th place steer in the medium weight Angus Class; Matt Lindsay had a 12th place steer in the medium weight Hereford Class and Kathleen McGinty had a 15th place steer in the same class.

Neal Bearden exhibited a 4th place barrow in the medium weight barrow Duroc Class; Kreigh Blount had a 7th place barrow in the light weight Duroc Class; and Kay Stephens exhibited a Hampshire barrow in the carcass division. Her barrow placed 6th in the on-foot judging but when the carcasses were judged, she moved up to second place in the class.

The carcass contest is something new and this is the third year it has been held in connection with the Lubbock Show. Kay's 200 pound Hampshire barrow was selected as one of the top ten in a class of twenty light weight barrows. The judges who evaluated the carcasses found that her barrow had a dressing percentage of 70.7; an average backfat thickness of 1.18 inches; a loin eye area of 6.74 square inches; and the percent ham and loin was 43.71 percent. The loin eye area on Kay's barrow was the largest of any of the thirteen pigs that qualified for a place in the carcass judging. Seven of the twenty barrows in the two carcass classes were disqualified from the final rating. Kay will receive a premium of \$17.50 for placing second in the class.

Judges for the exhibits at the Food Show were: Mrs. Jewel Robinson, Hockley County HD Agent and Mrs. Robin Taylor, Bailey County HD Agent.

A 4-H Foods Group has been meeting once a week for the past 4 months at the Old Court house in Plains. The girls have been cooking and learning about nutrition at these meetings. Their 4-H leaders, Mrs. Linda Powell, County Extension Office Secretary, and Miss Lupe Flores, Community Action Worker have worked together to organize the group. The girls have not yet organized their own 4-H Club, but hope to do so in the near future. Seven of the fourteen girls entered the 4-H Food Show March 20, and they are pictured from left to right, Front row: Angel Flores, Anita Moreno, Ida Barbosa. Back row: Rosa Estrada, Cindy Flores, Diana Huerta and Diana De Los Santos. Angel Flores won a 1st place ribbon and the rest of the group won a 2nd place ribbon. This is very good if one considers the tough competition they were faced with Saturday. The 4-H Food Show provided a wonderful learning experience for these girls, and next year the group hopes to have at least one of them competing in District.

Saturday, March 20th, four Junior and three Senior 4-H members were selected as winners in the annual County 4-H Food Show. The high scoring Juniors were: Melvin Dearing, Son of Mr. and Mrs. Jesse Dearing of Tokio; Michelle Toney daughter of Mr. and Mrs. C.W. Toney of Denver City; Kathy Thetford, daughter of Mr. and Mrs. Norman Thetford of Denver City; and Judy Lehnert, daughter of Mr. and Mrs. E.E. Lehnert of Denver City. The three Seniors that will also compete in a 20-county area contest on April 17th in Lubbock are: Judy Mitchell, daughter of Mr. and Mrs. A.R. Mitchell of Denver City; Shelley Williams daughter of Mr. and Mrs. Charles Williams of Tokio; and Debbie Addison, daughter of Mr. and Mrs. Claude Addison of Plains.

Others participating in the County Food Show included: Tim Addison, the eight year old son of Mr. and Mrs. Claude Addison of Plains, received a blue ribbon. In the Bread Group: David Thetford, Terry Thompson and Angel Flores were blue ribbon winners. Dayne Bacon, Carol Carothers, Diann Hobbs, Anita Moreno, Ida Barbosa, and Carolyn Richardson were winner of red ribbons.

In the Meat Group: Amy Grubb, Diann Santos, and Donna Long were red ribbon winners. Those competing in the Fruit and Vegetable group: Bayne Bacon and Marvin Dearing were blue ribbon winners. Andy Richardson, Angela Teaff, Rosa Estrada, and Kellye Conder were receivers of red ribbons.

Blue ribbon winners in the milk group were Tammy Bacon and Jena Altman. Red ribbon winners were Cindy Flores, Claudia Curtis, Brenda Hobbs; and Diann Huerta. The three seniors received Food Show medals and Gladia Cook Books donated by the Fant Milling Company, Sherman, Tex. The four high scoring Juniors received product certificates for five pounds of Gladia Flour, also given by the Fant Milling Co.

Adult Food Leaders that received recognition for the wonderful work done with these 4-H'ers were Mrs. Norman Thetford, Mrs. John Dale Curtis, Mrs. Tom Box, Mrs. R.M. Carothers, Mrs. Terry Bacon, Mrs. Charles Williams, Mrs. Darwin Hobbs, Mrs. Harry Richardson, Mrs. Ty Powell, Miss Lupe Flores, Mrs. Claude Addison, Mrs. Jesse Dearing, Mrs. R.G. Hartman and Mrs. A.R. Mitchell.

Nelda Haines, Terry Toney and Christina Moreno turned in records but were not in the Food Show. Each Contestant and adult present were presented a 4-H Cook Book with the recipes and girl's names who participated in the show.

The judges for the menus and recipes were leaders; and for the exhibits at the show, Mrs. Jewel Robinson, Hockley County Home Demonstration Agent and Mrs. Robin Taylor, Bailey County Home Demonstration Agent were the judges.

PLAINS REVIEW

Be not guilty of gossiping about your neighbor. Be worthy of the trust that your employer may place in you.

In order to meet life joyously and successfully, we all need to cultivate a positive attitude toward life. This will give us a feeling of being in tune with the good and will help us bring it forth. After all, it is our attitude toward life that brings us joy in living.

To cultivate a positive attitude toward life, we should place our faith in some strong and positive idea. Instead of letting circumstances and conditions rule us and make us unhappy and resistant toward things that happen, let us accept an idea like this: "God is the ruling and sustaining power in my life. I place everything that concerns me into His care and keeping." This idea holds true, no matter what we have to face. It does not free us from having to meet circumstances and conditions, but it arouses our faith in the principle of good and in the knowledge that God is in charge. It gives us a positive outlook, which is always followed by a right solution.

**Faye McConnell**

A man who is a real peace maker is a rare find and a real friend.

For the past month, there has been a number of articles written praising our FFA and 4-H club girls and boys for the splendid work done by them. Thanks have been given to the buyers and the help they did by purchasing the animals, but few words of praise have been given to the Officers and Directors of the Junior Livestock Show, who put in many hours to make the show a success. The Plains Review thinks that they also should be recognized for the success of the show.

However, another person who has worked harder and put in more long hours than all the others is our county agent, Leo White. There has been only a few words of praise given to Leo for what he has done through the years and is still doing for our young people. He has spent many long hours training our boys and girls how to feed and groom the livestock. He had only come home from the El Paso Livestock Show with some of our boys and girls, and began immediately with the FFA and 4-H Clubs, working until late each night, getting the livestock ready to start the Yoakum County Junior Livestock Show. It was somewhere around 1:30 a. m., on Thursday morning before he had finished helping the young showmen to groom the last of the livestock for the Thursday morning show to begin.

No one knows, unless they followed all the many miles Leo drives and the many steps that he takes during the year, and especially around livestock show times and during the play days, the long hours of work that he puts in.

The Plains Review salutes Leo for this work, and it is very sure that most of the Yoakum County citizens do the same.

If our girls and boys learn to live by the mottoes of these two clubs that are taught to them, we will have many young people in the future that we can feel proud of and have full confidence in, to help rule our nation and keep it democratic.

There were two happy young ladies in Plains Monday morning, Barbara Howell and Jo Ann Barron were a delight to behold. Monday was the day for the opening of "Barbara's Chateau", and these two girls beamed with happiness. In fact, they were so happy and excited that when they started to serve the first cup of coffee, all that came from the pot was hot water. Jo Ann, in her excitement, had forgotten to put coffee into the pot.

Mr. & Mrs. Bob Rucker, Marguerite Barron and I had to do without our coffee, but we later made up for it by drinking two cups after work hours.

In reading from the Denver City Press, it seems that if a certain bill is passed by our Senate and House of Representatives, that Yoakum County may still have a chance to vote for a Junior College. The bill calls for a 2,000 school census and at least a \$30,000,000 tax valuation. Our county's tax valuation for 1970 is \$115,049,865, and we can by only a small margin, surpass the 2,000 school census.

Mrs. Manxie, our mother Manx cat, is in the family way again. Sunday afternoon she jumped upon Editor John's lap, and along with petting her and slapping her paws for sticking her claws into his leg, he promised her that if she brought into our family a bunch of long-tailed kittens, that she would have to leave home.

During the vote of the desalination water plant and now during the campaign for city councilmen to be voted upon on the 3rd of April, many wild and untruthful things are being told. I read an article a few days ago that I would like for all to meditate upon. It goes as follows:

"No greater tragedy could befall us than that we should spend our time and spiritual energy chewing on each other."

**NEWS BRIEFS**

The Eastern Star women served a quail supper to the Masons at their meeting this last Monday night. Mr. & Mrs. Ray Lackey were guests of honor. Ray and Hazel live in Brownfield at this time and have for several years, but Plains still claims both of them. Ray's family was an old time family of Yoakum County and Hazel's parents have lived in Plains for many years. Her father, Mr. H. M. Smith, passed away a year or so ago, but Mrs. Smith is still living here and to know her is to love her.

In talking to Mary Nokes to find out if she had any news for the paper this week, her answer was that she was knee deep in flowers, for which she was thankful. Mary said that she must sleep in Denver City just for the convenience to Bill's work, but that she still lives in Plains, and calls this her home. Bless her heart, just talking to her over the phone with her happy laugh and the joyful expression in her voice, makes a person feel good all over.

The two daughters of Mr. & Mrs. Joe Cox of Levelland, formerly of Plains, Charmaine and Shirley Cox spent from Sunday through Tuesday with Mr. & Mrs. Roy Edwards' girls.

Mrs. Dee (Thelma) Keck had as a weekend guest, Mrs. Jewel Robinson from Levelland. Mrs. Robinson, who is County Home Demonstration Agent at Levelland, was in Plains helping our Home Demonstration Agent, Mrs. Sudie Thompson, with a program last Saturday. Mrs. Robinson and Thelma are long-time friends. In fact, Thelma worked as secretary for awhile in the agent's office in Levelland.

Mr. & Mrs. Ab White of Oshbosh, Nebraska, parents of Barbara Howell, visited Barbara and family over the weekend. Barbara not only enjoyed the visit, but she put her husband, Cotten, and father Ab to work installing some of the cabinet work for her new shop.

Mrs. Sudie Murphey came home Sunday afternoon, March 21st, after having spent several days in the Yoakum County Hospital. Mrs. Murphey was taken to the hospital on the 10th of March by her daughter, Mrs. Pearl Loe. The doctors said that Mrs. Murphey was doing as well as could be expected for a person her age. She is at present in the home of Mrs. Loe.

Mr. Pete St. Romain and Gary McMillan attended an "Americanism Program" that was held in Midland, Texas this last Monday night in the Community Theater.

Rev. F. E. Fenton was the speaker for the evening and much of his talk was on communism and the way the Communists work. The agents start our young people by getting them to join some seemingly innocent programs with seemingly innocent slogans, but gradually make each program and slogan a little more communistic, until, before our young people realize what is happening to them, they are faced with destroying property, sit down strikes, rioting and wearing such symbols as the "broken cross" and the "Hammer and Sickle."

Cotten Howell reported that his Weblos of the Boy Scouts will have a Pack Meeting this coming Monday night at the Scout Hut. Among the three achievement awards to be given to some of the boys are the Citizenship Awards, and two Weblos will receive an Artist's Award.

He also reported that Calvin Smith had been elected as the Assistant Den Leader. All of the boys are very thrilled to have Calvin as the Assistant Leader and they all have a high regard and love for him.

**Parents Know the Drug Threat**

**The Child You Save May Be Your Own**

By Vernon Townes  
County Attorney

Today's Subject: Barbiturates — Depressants

Barbiturates, unlike Marijuana, Heroin and Hallucinogens, are legitimate drugs. However, although they can be and are prescribed legally by physicians, they can be extremely dangerous when misused because normally used they depress the central nervous system... the brain and spinal column. In this category are:

SECONAL, SECOBARBITAL: these are red capsules and referred to by drug misusers as "Red Devils" — NEMBUTAL, PENTOBARBITAL: these are yellow in color and in capsule form also. Slang term is "Yellow Jackets" — TUINAL, AMO-WITH SECO-BARBITAL: red and blue (half & half) and called "Rainbows" on the street market — AMYTAL, AMOBARBITAL: all blue capsules, called "Blue Heavens" by abusers.

These are all dangerous prescription drugs usually prescribed as sleeping pills. They are the most commonly found barbiturates on the illegal "street market". BARBITURATES ARE HIGHLY ADDICTIVE. Physical addiction or, as it is called, "physically hooked" users will:

Require increased doses regularly because the body builds a tolerance to these drugs.  
Be depressed, drowsy and demonstrate marked slurred speech.  
Become psychologically dependent, or mentally "hooked".  
Suffer withdrawal pains if dose is not available and can experience nervousness, tremors, convulsions, delusions, hallucinations and delirium.

"Intoxication" on barbiturates can range from lethargy to deep coma, depending on how much is taken. The trouble is, after taking too much the misuser doesn't remember how much he has taken and often takes more and more until a coma results. In addition to these dangerous possibilities, drug users often drink alcoholic beverages in addition to taking drugs, at the same time they are "on" drugs. It has been proved that barbiturates, when combined with alcohol, can be deadly! Intended or accidental death can result. More people commit suicide with barbiturates than with guns!

It is best to keep well in mind the fact that some barbiturates are obtained by youth from home medicine chests, but the vast majority are obtained from "street markets." Most barbiturates are made legally in the U.S.A., sold legally to Mexican and other foreign firms, and reappear back in the U.S.A. on the illegal "street market" within 6 months. They cost about 25c each and are usually packaged in foil wrappers containing 4 to 6 for a dollar.

It is of some comfort to know that stimulants and barbiturates are regulated by the Food and Drug Administration under the drug abuse control amendments of 1965. These provide for a strict accounting of supplies of the drug by the manufacturer, distributor, and seller, and restrict the user to five refills of the prescription, at the discretion of his doctor. Therefore, these drugs can be had legally only through a physician. Illicit manufacturing and dispensing of barbiturates can bring fines of \$1,000 to \$10,000 and prison sentences of 1 to 3 years. Those convicted of selling the drugs to persons under 21 can receive up to \$15,000 fines and 5 to 6 years in jail.

How to handle tell-tale signs of drug abuse in a child will be discussed in another article. Right now we are going over the facts so that we all have firmly in mind the nature of the "enemy" we are facing. Watch for next week's "letter", in this newspaper. I am sure you will find it informative and enlightening.

**Library News**

The Librarians from Denver City and Plains attended a special meeting Friday March 19th in Midland concerning "Story Telling". Films can be borrowed from Midland County Library for use here in Yoakum County at the cost of \$5.00 per film. There are films of interest to adults as well as children. Some listed were "Story Telling Time", "Dope", "Air Travel", and many others. There are many new books coming into the Library every day. There are books for adults, young people, and children. We have received books on Texas Counties that have been very interesting, books to help learn different fields of interest such as sport psychology, crafts, home decoration, college guides and what to expect there, divorce and its problems, Estate and Heirs. We have received many good novels such as mysteries, historical religion, science-fiction, and just interesting reading. Also, we have received many interesting biographies. Be sure to visit your local library. It is a free enjoyment for everyone, paid for by the taxes of the Yoakum County People. The Library will start its "Summer Reading Program" June 1st. There will be more on this subject later with rules and regulations on this summer program.

**Meet In Houston**

Mr. J. F. Steele of Levelland has just returned from Houston where he attended the annual stockholder's meeting of the Federal Land Bank of Houston. The meeting was attended by representatives of 68 Federal Land Bank Associations located throughout Texas. About 450 persons were present for the meeting.

Delegates, alternates, and guests heard President Herbert H. Decker give the annual report to the stockholders and addresses by Mr. Fred Gilmore, Deputy Governor of the Farm Credit Administration, Washington D.C., and Mr. William E.

Pettigrew, Financial Economist for the Fiscal Agency of the Farm Credit Banks, N. York.

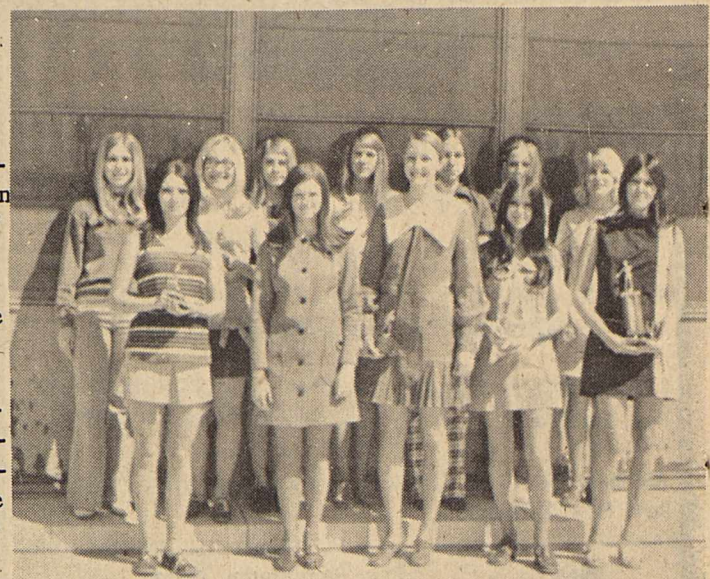

The Federal Land Bank of Houston makes long term loans on farm and ranch property throughout Texas. The Federal Land Bank Association of Levelland makes and service loans in this area. Members of the board of directors are; L. F. Schoenrock, Leon Lawson, J. F. Steele, all of Levelland; Hugh Hansen of Morton, Texas; and G. I. Sims of Brownfield, Texas. Also attending the meeting from this area was Joe Breed, manager.

**Tax Man**

**Sam Sez**

The good IRS folks are concerned about retired taxpayers. Congress has provided a number of tax benefits for taxpayers who have retired, but IRS finds that many taxpayers that are eligible don't claim the benefits. Quite a few taxpayers forget to claim their extra exemption when they pass age 65. Many don't claim the very important retirement income credit, which can reduce a retired couple's taxes by as much as \$457.20.

If you qualify for the older Americans' tax benefits, take them. You may even want to mark your return "RIC" and let the IRS Service Center compute your tax.

**Easter Cantata**

A Community Youth Choir, sponsored by the Methodist Youth, will present a beautiful Easter Cantata, "Hallelujah What A Saviour!", Sunday, March 28, 1971 at 5:00 p. m., in the Plains United Methodist Church.

Mr. and Mrs. Gerald Ritchie are directors of the Youth Group and Mrs. Bob Blundell will direct the Cantata. Miss Pat Milstead, organist, and Miss Shelley Williams, pianist, will

accompany this wonderful message in song. Solo parts will be presented by Miss Rhonda Brantley and Miss Sue Cleveland, Beth Hale and Cindy Carothers will sing a lovely alto duet. There will be many other outstanding special numbers and very effective narration will be read at intervals, so plan to attend and support the youth of our community. The Cantata will last approximately 40 minutes.

**Big Springs  
Jr. High Tournament**

Saturday, March 20th, the Plains Jr. High 8th Grade Volleyball Team and the Freshman from the High School entered the annual Big Spring Tournament. The 8th Grade came back with a 3rd out of 12 teams. The 9th won 2nd out of 6 teams.

Paula Blount, Paula Crump from the 8th grade won All-Tournament while Gwen Fitzgera

ld and Stephanie Green represented the 9th.

The girls played very steady ball and were quite impressive to the crowd.

The 8th Grade stands 13-5 for the season. The 9th Grade has a 6-6 record.

The 8th Grade will play Wink in the first round of the District SA Tournament.

Pictured above is the Freshman Volleyball Team who have also made us very proud of them. They won second in the Big Spring Tournament.

**Internal Revenue Service**

(Dallas, Texas) -- So far this year 2,075 North Texas taxpayers have not received their expected tax refunds simply because they failed to sign their federal income tax returns before filing them.

Since an income tax return is a legal document, it must be signed before the Internal Revenue Service can process it and issue a refund, Ellis Campbell Jr., District Director of Internal Revenue for North Texas, said today. Signatures of both husband and wife are required on joint returns, he added.

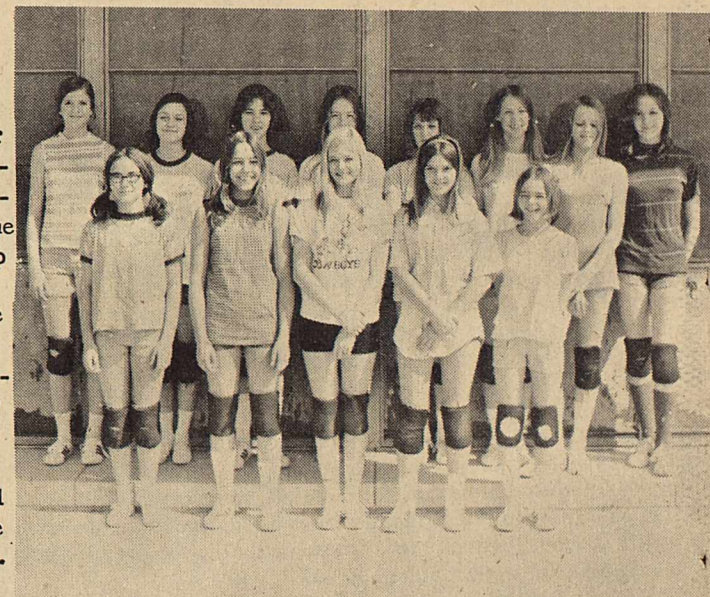

To help reduce the number of missing signatures, Form 1040 shows the signature line--and other error-prone information areas--highlighted in red ink.

Other causes of delayed refunds are missing Social Security numbers, arithmetic mistakes, and failure to follow instruction accompanying the tax form.

Mr. Campbell asked taxpayer to use the blue preaddressed name label that came on the cover of the package containing their blank Forms 1040. The top part of the label should be replaced on the tax return. If the return is prepared by someone other than the taxpayer, we urge the taxpayer to give the label to the preparer and ask him to use it on the return to be filed with IRS. Use of the label allows the IRS to process the return faster without verifying the taxpayer's identification.

So far this year, the IRS Service Center in Austin has processed 149,075 refunds worth \$32,786,915.08, Mr. Campbell reports.

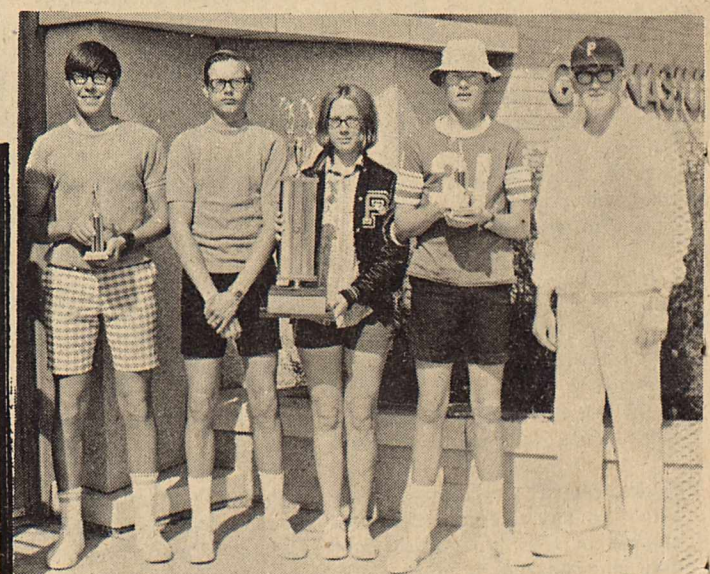

Skunks, take a back seat. Science has come up with an odor-causing substance--it may prove useful in warning people away from dangerous places--that is over 100 times more powerful, ounce for ounce, than the stuff skunks use.

Pictured above is the 8th grade volleyball team who won 3rd in the Big Springs Volleyball Tournament. This team deserves a lot of credit, they have done real well this season.
