'Tumbling Winns' Winners In World Age Group Games

World Age Group Games, held in Lubbock, this past week, came to a close on a successful note for the three young Winns of Plains.

Saturday, May 21, Ladd won his second World Championship title in Power Tumbling against 27 other eleven and twelve-year-olds from all over the world. After preliminaries Friday, he stood second, only one-tenth of a point behind fellow team mate, Matt Bohler of Tulia.

Determined to win, Ladd said "If I'll just clean up my passes I know I can win." Once again he brought home the gold. Also, he and his partner, Russ Alexander of Levelland, placed fourth in synchronized trampoline.

Eight-year-old Shyloh placed sixth in the ten-year-olds and under division of power tumbling against 230 other competitors. Throwing a pass with the highest difficulty in the finals, she was the only eight-year-old to finish in the top six.

Ashlee, 13 years old, competed against 79 competitors and finished eighth after a controversial

preliminary pass which eliminated her from finals.

Because the United States hosted the World Meet, ATTA, the U.S.A. governing body of power tumbling and trampoline will not hold a National Meet. Therefore, competitors will be ranked nationally from the results of the World Meet. Ladd will automatically be ranked National Champ. Because of the different age rule, Shyloh will possibly be ranked eight and under division Champ. Ashlee is ranked fourth in Nationals for trampoline competition.

Besides the competition, a good time was had by all competitors with the exchanging of everything from pins to articles of clothing. Shyloh exchanged her USA team warm-ups with a little girl from Cleon, France.

A banquet and dance climaxed the big event. The next World Meet will be held in 1990 in Hanover or Hambur, Germany.

The Winns will take a short break and then resume training for an A.A.U. (Amateur Athletic Union) National Meet in Casper, Wyo. scheduled for late July.

From The Superintendent's Desk
Dean Andrews

To The Graduating Class of 1988...

On behalf of our school board, administration, faculty and staff, we would like to extend to each graduating senior, our wishes for the happiness of a productive life, the respect of your fellow human beings, and the love of your family.

Our 66th annual commencement will be at 2:00 p.m., on Sunday, May 29, 1988. We have twenty-six graduating seniors in the class and their accomplishments will long be remembered. We invite you to come and share this occasion with our graduating class.

This class has portrayed the attitude that all conditions can be dealt with in a systematic way. They look at life's problems with an attitude of "It can be done," or "You can count on me". They have accepted the challenge of curriculum change, academic and curriculum competition, and have proven all the phrases of success. The spirit of success includes enthusiasm, positive attitude, and a desire to do more than is expected.

To a very special group of young people, we wish you the very best and much success.

Annual Service Awards Picnic Held In Yoakum County Park

Plains Independent School District held its annual service awards picnic at Yoakum County Park on Thursday, May 19. Plains I.S.D. employees enjoyed a meal of hamburgers, potato salad, beans and cherry cobbler.

Cafeteria workers Willie Mae Jones, Ruby Bilbrey, Pat Curtis, Felicita Huerta, Manuela Martinez, Helen Perkins, Elouise StRomain and Marie Tidwell prepared most of the food with Plains I.S.D. administrators, Dean Andrews, Robert Parks, Jimmy Conner, John Nance, Larry Devitt, Arlon Alexander and Wanda Ashburn, cooking the hamburgers.

Following the meal, Superintendent Dean Andrews presided over the awards ceremony. Six pins were presented in honor of Five Years Service; four received Ten Year Pins; three, Fifteen Years Service Pins; one, Twenty Years Service Pin; and one, Twenty-five Years Service Pin. (see photos, this page)

Unfortunately the annual softball game was cancelled because of rain so rivalries remain unresolved. Administrators and maintenance personnel show high enthusiasm for the game against the teachers next year, with both groups still claiming to "WIN, WIN, WIN!" Training continues.....

PRESENTED WATCHES FOR FIVE YEARS SERVICE are back row, ltr, Jerry Stickrod, Special Education Teacher; Robert Parks, High School Principal; Cynthia Blair, Elementary Music Teacher; front row, ltr, Paula McMinn, Bus Driver; Lorelei Andrews, Resource Center Aide; and Janis Parks, First Grade Teacher.

Larry McMinn Commended For First Aid Response

Larry McMinn, Athletic Director of Plains Schools proved himself to be the "Man of the Hour" on Tuesday, May 24. Mr. Israel Martinez, second grade teacher at Plains Elementary suddenly became ill during the lunch hour and collapsed in the cafeteria.

Persons present summoned McMinn from his classroom. Mr. McMinn administered mouth-to-mouth resuscitation and other emergency procedures while waiting for an ambulance to arrive.

Mr. Martinez was immediately taken to Brownfield Regional

Medical Center where it was determined that he had suffered cardiac arrest.

Undoubtedly McMinn's prompt action and emergency care saved Martinez' life. "As a coach and teacher, McMinn has taken numerous courses in emergency care," notes Dean Andrews, School Superintendent. "On Tuesday, that knowledge proved invaluable. Our gratitude and appreciation are extended to Coach McMinn. Mr. Martinez is reported to be recovering at Methodist Hospital in Lubbock."

TEN YEAR PIN RECIPIENTS are ltr, Estelle McAdams, Fourth Grade Teacher; Silvia Garza, Teacher Aide; Pam Smith, Junior High Secretary; and Garry Barnes, Grounds.

- (3) Your bill is figured using rates set by the electric company and government regulatory agencies.
