## From The Superintendent's Desk

Dean Andrews

It is just three weeks until school begins and you as parents are probably looking forward to a semi-vacation from noon meal preparation as students return to school and to eating in our cafeteria. We have eight ladies who work in the school cafeteria. They are: Willie Jones, Marie Tidwell, Manuela Martinez, Elouise StRomain, Pat Curtis, Ruby Bilbrey, Felicita Huerta and Helen Perkins. These ladies realize the challenge they face for the 1988-89 school year.

Their challenge is in preparing 76,146 lunches, and 25,050 breakfasts that are appealing and nutritious. They will prepare 150,000 rolls, 76,000 desserts, main dishes and vegetables, plus they will smile and try to give each person served the feeling that this particular meal was prepared especially for him/her.

Our record keeping for the cafeteria operation is very comprehensive. We keep a daily inventory and cost analysis for each meal served. Our cost per lunch this past year was \$1.66, and cost per breakfast was 63 cents. Our school board has elected to continue to serve meals to students at no cost to the student. All employees are eligible to eat in the cafeteria at a cost of \$2.00 per meal. The cost of operating the school cafeteria this past year was \$149,643.17. This is pretty big business in the total operations of our school. I guarantee that we have the best staff and meals of any school - and that is fact. We are very proud of our cafeteria people.

J.B. & DIANNE WILSON & SONS

## Former Plains Graduate Obtains Principal's Duties

High school students will be greeted by a new principal, J.B. Wilson, when classes begin for the 1988-89 school year. Not a stranger to this area, Wilson graduated from Plains High School in 1963. He comes to Plains from Hart where he had served as school superintendent.

Son of Joe B. Wilson of Denver City and the late Evalyn Wilson, the new principal received bachelor and master's degrees from Tarleton State University. He served as teacher/coach in Whitney, Coleman and Big Spring before moving to Ballinger in 1973. He was principal of Ballinger Junior High School from 1978 to 1980 and high school principal from 1980-1985. He served as superintendent of Hart ISD from 1985-1988.

Mrs. Wilson, the former Dianne Porter, will be teaching first grade in Plains Elementary School. She is the daughter of Mr. and Mrs. Gene

R. Porter of Stephenville and graduated from Stephenville High School. She earned a BS degree from Angelo State University in 1978 and is currently attending graduate school at Texas Tech University. She taught elementary grades at Ballinger and Hart.

The Wilsons are parents of two sons, Joel, 19, is a sophomore at Texas Tech, attending on an Air Force ROTC Scholarship. He is majoring in math with a minor in computer science and plans to become a career Air Force officer. He is a member of the Texas Tech Marching Band.

Brian, 13, is a seventh grader anxious to get involved in football, basketball and tennis.

"We are happy to be living in Plains and look forward to many rewarding years here," Wilson says. "It's good to be renewing old acquaintances and meeting new friends."

## School Board Sets Tax Rate, Adopts 1988-89 Budget

Board of Trustees of Plains ISD met at 7 p.m. Monday for a budget hearing.

Budget for 1987-88 was amended and the 1988-89 budget adopted.

At 7:30 p.m., the board called a tax rate hearing. The 1988 tax roll was accepted as certified. The board also adopted an ordinance setting a tax rate of \$0.369 per one hundred dollars valuation for the 1988-89 school year.

Concluding the tax rate hearing, the board entered into regular session. Routine business was transacted and substitute teachers for the 1988-89 school year were approved including William Adams, Margaret Box, Lola Bryan, Linda Devitt, Vicki Lewis, Kenneth McGinty, Kenneth Peterson, Karen Bearden, Dianne Bennett, Donna Bowers, Barbara Brown, Beth Ann Cain, Gloria Covarrubias, Cindy Davis, Terri Ann Dearing, Judy Fitzgerald, Kathy Jones, Wilma Lewis, Sidney Murphey, Sharon McGinty, Paula McMinn and Ginger Wilson.

Early dismissal days for the upcoming school year were approved

with classes to be dismissed at 1:15 p.m. Sept. 30, Oct. 7, Nov. 23, Jan. 19, Feb. 16, and June 2.

In other action, the board approved the teacher appraisal calendar and process and adopted and amended board policies. They also adopted a resolution concerning the supplementary retirement plan and approved the teacher contract renewal form.

Board members authorized Superintendent Dean Andrews to enter into contract with South Plains Public Health District for nursing services. The 1988-89 Junior/Senior High Handbook was adopted and July bills approved for payment.

Supt. Andrews resented financial reports for general operating, cafeteria, tax and transportation areas.

Resignations of Dennis Casey and Renee Casey were accepted. Employed as teachers for the upcoming year were John Eric Banfield, Sue Banfield, Cindy Conway and Terry Davis.

#### ENERGY SAVING TIP.....

Locate your water heater close to areas where most hot water is used. Long pipe-runs let water cool down. If long runs are unavoidable, insulate pipes to conserve energy.
