Dear Editor

Dear Mrs. Cannon,

On behalf of Plains Independent School District, I want to express appreciation to you for your support in sponsoring pages in our local newspaper recognizing the accomplishments of our students. Many times we read and appreciate the coverage but fail to recognize that someone pays for that coverage.

I was pleasantly surprised to see the coverage on the All District Academics and appreciate your interest in the academics of our school.

Thank you again and if I might be of service to you, please call on me.

Sincerely,

Dean Andrews,
