### From The Superintendent's Desk

Dean Andrews

Our 1988-89 extra-curricular year ended on Monday, June 4, 1989, with Steve Crutcher being awarded a Division I rating in vocal solo at the State contest in Austin. This was the climax of an outstanding academic and extra-curricular year for the students of Plains Schools.

"We did not win every contest in which we participated, nor did we master every problem that might have been presented, but if we gave our very best, then we are all winners." That was the text of our graduation speaker's remarks, and we thank Ken Peterson for an outstanding baccalaureate address. Our graduation ceremony was very nice, and we hate to see this group of seniors leave our school.

Our school year ended last week, and we have already begun planning for the 1989-90 school year. We have high expectations of good things happening for our students this next year. It is our desire that every decision made by this school, is in the best interest of the students we serve. We are working to make 1989-90 the best school year ever. We need your help, concern, encouragement, and support for our students. I hope each of you have a super summer.

## Juan Villareal Participates In Hugh O'Brien Seminar

West Texas State University hosted the annual Crown of Texas Hugh O'Brien Youth Leadership Seminar June 2-4 for outstanding sophomore students. Plains sophomore, Juan Villareal, sponsored by Tsa Mo Ga Study Club attended.

The seminar was conducted in 84 locations across the United States with the purpose of bringing a select group of students together with groups of distinguished leaders in business, government, education, and the professions so they could discuss present and future issues, using an informal question and answer

format. The specific goals are to seek out and reward leadership potential in high school sophomores; encourage and assist students in their quest for potential leaders; to recognize leaders of today through give and take discussions on a variety of current and critical topics; and provide through this exposure the opportunity to explore America's incentive system and our democratic process.

Seven seminar sessions were conducted with a panel of speakers, evening management games and talent show.

Coached by Chris Auld, team members other than Winn, were Freddie Sanchez, Anthony Trantham and Smokey Herrera, Denver City; Todd Moore, Seagraves; Sedric King, Levelland; and Jason Sumners, O'Donnell.

Results of the first game found "West Texas Heat" overpowering the "Lubbock Dusters" by 53 points 94-41. "West Texas Heat" fell to the Amarillo Shooters by two points in game two, with a score of 51-53. During Saturday's first match, "West Texas Heat"

outscored the "Lubbock Dusters" again by a score of 70-43 and then outdid the Amarillo Shooters 81-73 to capture the championship title.

### Mary Guetersloh Gives Program

Mary Guetersloh spoke to the Plains Lions Club Thursday during a regular meeting of the group.

Chief Adult Probation Officer for Terry and Yoakum Counties, Ms. Guetersloh advised the members that the State of Texas is asking all local governments in Texas to join in efforts to get control of the criminal justice system in a meaningful way.

Speaking of the update to the Criminal Justice Reform Act as presented to the Governor for his signature, it was pointed out that legislation offers some challenging programs, backed with money. The legislators are clearly hoping that the local governments will take advantage of these opportunities.

Ms. Guetersloh reported positively about the progress on plans for a Regional Court Residential Treatment Center to be built in Brownfield. There is work to be done before the money can be allocated, and plans are proceeding with the support of the community.

The annual mop and broom sale conducted by local Lions was discussed.

Those present were guests, Mrs. Jennola Maples and Joe H. Thompson; and members Milton Bayer, Johnnie Fitzgerald, Larry Mason, Dick McGinty, T.J. Miller, Ken Peterson, L.J. Sanders, Pierre St. Romain, Frank Spencer and Sherm Tingle.

Next meeting is June 15 at which time a talk by Harvie Pool will be given and the installation of officers will be held, with Wayne Ward, Deputy District Governor of District 2T2 as installing officer.

ress; Mary Jo St. Romain, Associate Conductress; Paul Cobb, Chaplain; Wilma Powell, Marshal; and Star Point, Adah, June Anderson, Ruth, Marilyn Reinert, Esther, Cyndy Koncaba, Martha, Mary Lou Parks and Electa, Sudie Thompson; Edna Chambliss, Warder; and Aubrey Altman, Sentinel.
