PLAINS, YOAKUM COUNTY, TEXAS

VOLUME 6, NUMBER 8

FRIDAY, MAY 25, 1990

SPC'S COUNTRY CARAVAN will perform a 90-minute country music extravaganza in an 8:30 p.m. performance Tuesday, June 12 in Stanford Park. Admission is free. The event is sponsored by Plains Chamber of Commerce.

Little League Organized, Team Rosters Announced

Player try-outs were held and Little League baseball organized for a new season Thursday, May 10. Officers elected were Danny Bell, president; Chris Winn, vice president and Peggy Squyres, secretary.

Operation of a concession stand was discussed. The extended Little Dribblers season and everyone's generosity in supporting that program and sending five teams to the national play-offs resulted in no interest in setting up a concession stand or holding any fund raisers.

"Unfortunately the league still needs operating funds," says a spokesman. The league will try passing the hat for contributions during the first few games. If this method is successful, a fund raiser will not be necessary. With this method, the league benefits from one hundred percent of the donations. Through a

concession, only forty percent of the income is profit for the league.

From The Superintendent's Desk

Dean Andrews

The 1989-90 school year has been a very successful year for the students of Plains Public Schools. In every grade, in all three areas, reading, writing, and mathematics, our students exceeded the state average on the TEAMS test. Our students also performed very well in all Spring academic contests and while the district did not keep totals for championships in elementary or junior high school, Plains High School was the district champion.

Plains High School's athletic teams enjoyed success with a boys cross country district championship and also the girls' volleyball State championship. We were the district marching band winner, district champion in football, boys' basketball runner-up, boys' track district champion, boys' and girls' golf district champions, we tied for district champ in tennis, were outstanding Class A school in industrial technology, district horse judging champions, and have a State champion Class A concert band.

Our students have gained many valuable experiences during this past school year and students, teachers, and coaches are most deserving of the honors they have earned. All are to be commended.

We extend our best wishes for a most enjoyable summer.
