SIGNS PROCLAMATION - Judge Dallas Brewer signs a proclamation designating Soil and Water Stewardship Week as April 26 through May 3. Looking on are, left to right, L.J. Sanders, Chairman SWCD; David Turnbough; Bobby White, vice chairman of Yoakum SWCD and Mario Avila, District Conservationist for Yoakum SCS.

'Our Treasured Trees' Theme Of SWCD Stewardship Week

Featuring the vital role that trees and forests play in conserving soil and water resources, the Yoakum Soil and Water Conservation District is encouraging local schools, camps, churches, organizations and individuals to join the nationwide observance of Soil and Water Stewardship Week, beginning April 26.

The local conservation district, which works throughout the year on soil and water conservation measures, is providing literature, educational material and speakers that describe how people are dependent upon and interact with trees. The local district is one of nearly 3000 conservation districts na-

tionwide that works with the National Association of Conservation Districts to encourage the wise use of natural resources through the annual week-long observance.

L.J. Sanders, chairperson of the Yoakum Soil and Water Conservation District, said he hopes Stewardship Week will encourage individuals to think about their relationship with trees and establish and care for trees in urban and rural areas. "Every citizen has the opportunity to plant a tree, care for a newly planted seedling, look after mature trees or send financial support to someone who will do those tasks," said Sanders.

Dear Editor:

Dear Editor:

I would like to express my sincere appreciation and admiration to the Plains EMT and the Yoakum County Sheriff's Department. On Thursday, April 16th, we had a young athlete collapse after the District track meet. The EMT was quickly summoned and performed with great skill and compassion. The Sheriff's Department provided escort for the ambulance and for me, as the chief school official, to the Yoakum County Hospital.

City of Plains and the citizens of Yoakum County have much to be proud of in these two fine departments.

Sincerely,
s/James Lanier
