Cicada Killer Wasp Making Appearance

A very large wasp, the "cicada killer" is making its annual summer appearance on the South Plains, said Terry J. Millican, Yoakum County extension agent. This wasp is the largest in our area, being about one and one-half inches in length.

These wasps are much more interested in stinging cicadas than people. They can often be seen dragging or flying and carrying paralyzed cicadas back to their nests.

At suitable nesting sites, the wasps excavate a tunnel into the soil at an angle for a distance of one to three feet. The main tunnel ends in a number of branches and cells. The burrow may be dug during the day or night. The excavation will often result in a large mound of dirt. The burrow entrances are left open during provisioning of the nest and may never be closed except when the wasp's entire job is completed.

Depending upon their size, from one to four cicadas are provisioned in

each underground cell. The female lays an egg on the last cicada she places in a cell. As many as four females may provision a single nest simultaneously, although only one of them made the initial excavation.

The wasp larva which hatches from the egg has a cicada meal waiting. After consuming the cicadas provisioned in a cell, the wasp larva remains underground until the following July when the adult wasp emerges again to repeat the cycle.

Cicada killers are not aggressive and seldom attack humans. The males are not capable of stinging; only the females can sting.

Cicada killers are considered beneficial insects because they prey on cicadas. However, they can be present in sufficient numbers to be a nuisance. For control you may use one of the outdoor aerosol sprays containing pyrethrum or dust the nest entrance with sevin, the extension agent said.

MR. & MRS. RONNY HUGH WALL

Jalyn Williams, Ronny Wall Recite Twin Ring Vows

Jalyn Deann Williams and Ronny Hugh Wall recited double ring wedding vows in a garden setting July 4 in Yoakum County Park.

Officiating was Paul Jones, minister of the Church of Christ in Post.

Parents of the bride are Kenneth Dan and Glenda Vestal and James E.

and Judy Williams, all of O'Donnell. Dan Hugh and Linda Wall are parents of the bridegroom.

Charlene Isbell of O'Donnell, soloist, sang "The Rose" and "Forever Is As Far As I'll Go".

Vows were spoken in a white gazebo decorated with floral arrange-

ments of white with accents of burgundy and greenery.

Given in marriage by her father and step-father, the bride wore a designer gown fashioned with fitted bodice with a wide vee neckline embellished with lace and seed pearls. The long fitted sleeves of lace were accented with satin puffs at the shoulders. The softly gathered skirt swept to a long train.

Sheila Brinsfield of Pampa was maid of honor. Bridesmaids were Rebecca Pyron of O'Donnell, Juli Vestal, Candy Harris and April Metcalf, sisters of the bride. Kaci Vestal was her sister's flower girl.

Feminine attendants wore dresses fashioned with white bodices and black skirts with hemlines dropping from mid-calf in front to ankle length in back. They carried a single burgundy rose with greenery. Little Miss Vestal wore a dress with black bodice and white skirt.

Ben Baker of Frankston was best man. Groomsmen were Chad Wall, brother of the groom, Mike McDonald of Austin, Mickey McMinn, and David Brooks of Lubbock. Chance Van Dyke of Hobbs, NM was ring bearer. Guests were seated by Brad Williams, brother

of the bride, and Aaron Furlow of O'Donnell.

The groom was attired in a black tuxedo with tails, white shirt and black bow tie with a white rose boutonniere.

Guests were registered by Robyn Williams of O'Donnell, sister-in-law of the bride.

A reception in the park followed. The bridal table was laid with white lace over white. Highlighting the table was a four-tiered cake accented with white roses and pearls and topped with a miniature bride and groom. Punch, nuts and mints were also served.

Draped in black, the white laid groom's table was graced with the groom's black motorcycle helmet. Cheesecake with strawberry and cherry toppings, mints, nuts and punch were served.

Following a wedding trip to Montego Bay, Jamaica, the couple is at home in Seminole.

A 1989 graduate of O'Donnell High School, the bride also graduated from Hobbs Junior College School of Nursing.

The groom is a graduate of Plains High School and Texas Tech University with a degree in accounting.

Transportation

In this day and age, as our world continues toward the future, we as parents need to instill into our children faith in God, a good set of values and ethical standards.

Those values and standards come from the Word of God and need to be taught to our children, so they and their children will have a better world in which to live.

If you would like for your child to learn more about God and His Son Jesus but don't seem to find the time to take them to Bible Class, the Hillside Church of Christ will soon be starting a Bus program in Plains.

Hillside will pick up and deliver your child to your door. To arrange for transportation please call 456-3800.
