## Caprock Girl Scout Council to host national 'Wide Op' event

Caprock Girl Scout Council, in cooperation with Civic Lubbock, Inc., proudly presents the musical "Daisy" Saturday, Aug. 7 at 7:30 p.m. in the Lubbock Municipal Auditorium. This exciting production features Girl Scouts from around the nation as part of a Wider Op offered for Cadette and Senior Girl Scouts in grades seven through twelve.

A Girl Scout Wider Op is defined as any experience beyond the regular troop setting with nationwide participation. Girl Scout Wider Opportunities provide girls with opportunities to travel and explore interest in careers, the out-of-doors, arts and culture, science and math. Approximately 2,500 girls participate in Girl Scout National Wider Ops annually and an average of 50 participate in International Wider Ops. Caprock Council is one of 27 councils nationwide to be selected by Girl Scout USA to host a Wider Opportunity for girls in 1993 and the only Texas council hosting such an event.

Caprock Girl Scout Council's event, called "Stages 'n' Stetsons," is their first National Wider Op. The focus of the event will be the performance of the opera "Daisy" written by composer Julia Smith of Denton, Texas. The opera was commissioned by the Opera Guild of Greater Miami, The Girl Scout Council of Tropical Florida and authorized by the Girl Scouts of the United States of America in celebration of the sixtieth anniversary of its founding by Juliette Gordon Low in 1922. The work was premiered on Nov. 3, 1973 at the Florida Family Opera, a division of the Greater Miami Opera Association, at Dade County Auditorium in Miami, Fla. The Lubbock performance will be the Texas premiere of the work.

Julia Smith's family will be honored at a reception from 5:30 to 7:00 p.m. at the Lubbock Sheraton Inn prior to the "Daisy" performance at the Municipal Auditorium at 7:30 p.m. on Aug. 7. Reception tickets are \$15 each

or \$25 per couple and include tickets to the performance. Reservations for the reception may be made by calling the Council Office at 745-2855 or 1-800-530-4957.

Not only will the girls be performing, designing sets, and learning more about sound and lighting, but they will also travel to Palo Duro Canyon to attend the outdoor musical "Texas" and spend the night at the Girl Scout Camp at Crosbyton. On July 25, the girls were honored with an ice cream social, dinner and dance at the Ranching Heritage Center.

The girls will be working with some of the best professional staff in the country. Toni Cobb, casting direc-

Boosters will sell hamburgers and breakfast burritos following the Friday and Saturday night rodeos during the

Old Settlers Reunion. Members will also man a table selling memberships during the barbecue.

# THE PRISON SYSTEM VERSUS SCHOOL FUNDING IN TEXAS

"Let us reform our schools and we shall find little reform needed in our prisons."

John Ruskin, 1819-1900

By Monte Hasie  
State Board of Education Member

The answer to funding public education in Texas is very simple: pass a law making it a felony to be between 6 and 18 years of age. Then we can send all of our school children to jail where the state will spend \$35,000 a year to help them instead of a paltry \$2,300. That way, every child could grow up having his own teacher. Talk about test scores going up!

In November, voters will be asked to pass a \$1 billion prison bond issue to increase capacity by 20,000 beds (\$50,000 per bed, not counting interest which will probably double or triple the cost). Of course, if we borrow the money (instead of appropriating the needed amount) we are spending tomorrow's tax dollars today and there are two distinct benefits:

No. 1-- The politicians of today can be heroes in their hometowns by bragging that they have prisons in 88 locations across the state.

No. 2-- Politicians can write articles and tell the world they did a great job of increasing spending by only 12.9 percent (8 billion) this biennium after an increase the previous two-year cycle of 32.4 percent (\$15.5 billion) and did not have to raise taxes. Of course,

at the same time, it was necessary for the Legislature to NOT fund even enough money for the growth of the student population of the non-voting school children of Texas. I believe all of this falls under the heading of false economy.

When the governor of Texas increases her staff from some 185 persons to 345 and when state employees increase during her regime by 34,000 through the first quarter of this year, there is going to be a day of reckoning and it is steamrolling down the track toward the taxpayers of Texas--full speed ahead.

On top of all of this frivolous activity, let me now note and all of us long remember that \$1 billion was budgeted for the schools when a minimum of \$1.2 billion was needed for the growth in enrollment alone.

In addition, after the voters rejected Robin Hood by some 60 percent to 40 percent--even after being threatened with school closure, consolidation and state income tax--the Legislature then passed a law and presented to the courts a solution which arguably is the same thing as Robin Hood.

Where is the threat to our schools? Our Legislature has attempted to legislate the school children's permanent school fund to make investment decisions that could cost the students \$1.7 billion over the next 10 years, so the politicians will not have to fulfill their financial responsibilities for this biennium.

What is the answer? At some point, we need our elected representatives to do what you and I do at home. They need to say: "This is a good idea, but we cannot afford it." We, as taxpayers, cannot afford all of these good ideas either.

Again, local school boards will have to raise local taxes because of state legislative action. When, are we as taxpayers, going to yell "calf rope?"

If you are new to the Plains community and have a student or students who wish to attend Plains Schools during the 1993-94 school year, please check with the appropriate campus office during the week of August 9-13, 1993. Any student who was not enrolled in Plains Schools during the last week of school (May 17-21, 1993) should also check with the office.

Each student should present a birth certificate, social security number, and immunization records in addition to any records you may have from a previous school. If you have a child who may qualify for pre-kindergarten or Headstart programs, please bring proof of income in addition to the other documents. It is not necessary for students who pre-registered in Pre-K or Kindergarten to come to the office unless you have questions. The income guidelines are printed below. Pre-K classes will be one-half day in length only - (half of the students attending the morning class, the other half attending in the afternoon)

We look forward to meeting our new students and to a great 1993-94 school year. Welcome to Plains Schools!

**NATIONAL SCHOOL LUNCH PROGRAM/SCHOOL BREAKFAST PROGRAM**

Parent/Guardian:

The Plains school takes part in the National School Lunch Program/Breakfast Program. Meals are served every school day and all Plains students receive free meals from our cafeteria, however, Plains ISD may be reimbursed for meals served to children from families who qualify under the stated guidelines.

In order to claim reimbursement for these meals, a completed application form must be on file for each ELIGIBLE child. If your child/children would qualify for free or reduced price meals, please complete the application form and return it to the school as soon as possible.

If you now get food stamps or AFDC for your children, your children can get free meals. If your total household income is the same or less than the amounts on the Income Chart below, your children can get free meals or reduced price meals. A foster child may get free or reduced price meals regardless of your income.

**HOW TO APPLY**

If you now get food stamps or AFDC for the children you are applying for, the application must have the children's names, a food stamp or AFDC case number for each child, and the signature of an adult household member.

If you are applying for a foster child, the application must have the child's name, the child's "personal use" income, and an adult signature.

If you do not list a food stamp or AFDC case number for all children you are applying for, then the application must have the children's names, the names of all household members, the amount of income each person got last month and where it came from, the signature of an adult household member and that adult's social security number or the word "none" if the adult does not have a social security number.

**Verification:** Your eligibility may be checked at any time during the school year. School officials may ask you to send papers showing that your children should get free or reduced price meals.

**Fair Hearing:** You may talk to school officials if you do not agree with the school's decision on your application or the results of verification. You may also ask for a fair hearing. You may do this by calling or writing:

Name Pete Simmons, Superintendent Phone 806-456-7401

Address P.O. Box 479, Plains, TX 79355

**Reporting Changes:** If your children get free or reduced price meals because of your income, you must tell the school if your household size decreases or your income increases by more than \$50 per month or \$600 per year. If your children get meals because you get food stamps or AFDC, you must tell the school when you are not getting AFDC or food stamps for them. You may then fill out another application giving income information.

**Confidentiality:** School officials use the information on the application only to decide if your children should get free or reduced price meals.

**Reapplication:** You may apply for meals anytime during the school year. If you are not eligible now but have a change in status, like a decrease in household income, an increase in household size, become unemployed or get food stamps or AFDC for your children, you may then complete an application.

**Handicapped:** Meal substitutions at no additional cost for children who meet the definition of "handicapped" will be served, provided a physician has submitted a statement attesting to this fact and prescribing a substitute.

IN THE OPERATION OF THE CHILD FEEDING PROGRAMS, NO CHILD WILL BE DISCRIMINATED AGAINST BECAUSE OF RACE, SEX, COLOR, NATIONAL ORIGIN, AGE OR HANDICAP. IF YOU BELIEVE YOU HAVE BEEN DISCRIMINATED AGAINST, WRITE IMMEDIATELY TO THE SECRETARY OF AGRICULTURE, WASHINGTON, D. C. 20250.

Tracy Bearden, Gabriel Flores, Becky St.Romain and Mrs. Canada attended the yearbook workshop. They

learned how to pick a theme for the annual, design layouts and cover.

The 1993-94 annual will be the fifty-first volume published. The library has a copy of the 1943 yearbook. If persons know the whereabouts of earlier annuals, please contact Mrs. Canada. The staff plans to feature previous annuals in the upcoming edition.

### DEAR EDITOR

Dear Editor:

My name is Jennifer Lollar and I am a member of Girl Scout Troop 74 in Plains. One of the things that I am looking forward to being able to do as an older Girl Scout is to apply to go on a wider opportunity (better known as Wide Op).

There are a lot of different Wider Op programs to select from. You can go places like California, Kentucky, New York, Pennsylvania or Wyoming, and do things like dinosaur digs, horseback riding, animal care, hiking, studying marine life and seeing a sunken ship, and LOTS MORE!

For the first time ever, our council, Caprock Girl Scout Council, is sponsoring a Wider Op program. It is called "Stages and Stetsons" and is a theatrical based program. The Wider Op began July 23 and will last until Aug. 8. Four girls from Caprock Council and 40 others from all across the United States have come together to produce a musical entitled "Daisy". While here the girls will visit the outdoor dramas "God's Country" and "Texas", as well as spending a couple of days in the covered wagons at Girl Scout Camp Rio Blanca and enjoy an authentic cowboy chuckwagon breakfast on a working cattle ranch.

The final phase of "Stages and Stetson" will be the presentation of "Daisy" Saturday, Aug. 7 at 7:30 p.m. in the Lubbock Municipal Auditorium at Texas Tech University. Tickets for the production are \$4 and are available through Select-A-Seat, 806-770-2200 or 1-800-735-1288.

If you are looking for something to do that weekend, it should be a great show.

If you are a girl in Kindergarten through 12th grade, there are lots of adventures awaiting you in Girl Scouts this year. Now is the time to start thinking about joining a troop this fall.
