The Constitution says nothing about the number of justices; it requires only a court and chief justice. By the judiciary act of 1789, congress called for five associate justices. In 1807 the number was changed to six; in 1837 to eight; and in 1863 to nine. In 1869 the present number of eight associate justices and one chief justice was set.

OLD FASHIONED PRESERVES

-Photo courtesy Ball Bros. Co.

A dish of your own home-made strawberry preserves is the surest way in the world to bring a gleam into the eyes of the lucky people who sit down to your table. The story is wonderful from beginning to end—the making of the preserves with the aroma of the bubbling sirup filling the kitchen; the sight of the rich red fruit and sirup in Ball Jars on your shelves; and, finally, the serving of the preserves, perhaps with hot, flaky biscuits.

The strawberry season will be upon you before you know it, so have your Ball Mason Jars and Ball Dome Caps ready to use the first day you see strawberries suitable for preserves in your garden or on the market. The

season is all too short and you might wake up to find you've waited until too late.

For preserving, strawberries should be of medium size and firm-ripe. Preserves should be cooked in small batches, not more than 2 or 3 quarts at a time. A recipe for Old Fashioned Strawberry Preserves from the Ball Blue Book calls for 2 quarts of hulled berries and 7 cups of sugar. Mix berries and sugar and let stand overnight in a cool place. Bring slowly to boiling, then boil rapidly until berries are clear and sirup thick. Skim and pour into hot Ball Jars. Seal while boiling hot with Ball Dome Caps.

Pabak and Heart-of-Texas FERTILIZER

Due to a shortage of supply of mixed fertilizers for the 1952 season, smaller than in the past. However, due to the time and effort taken in mixing and curing, we have the best fertilizer we have produced, and guarantee it to put out. We invite inspection of our fertilizer before you purchase.

Frozen Lemon Pie Is Toothsome Dish

FROZEN lemon pie is a toothsome dinner dessert for the family that's been working hard all day, says the Country Cooking editor of Capper's Farmer.

Graham cracker crumbs are crust and topping for the chilled yellow filling, she writes in the nationally circulated farm magazine. Pie-shaped pieces are made by cutting diagonally across the refrigerator tray in which pie is frozen.

The dessert which will be an ever-popular family favorite, serves 8, the Capper's Farmer expert advises.

FROZEN LEMON PIE

3 eggs, separated	1 c. evaporated milk, whipped
1/2 c. lemon juice	1/4 c. graham cracker crumbs
1/2 c. sugar	1/2 c. graham cracker crumbs

Beat egg yolks; add lemon juice and piece of rind sliced from lemon and all but 2 tablespoons of the sugar. Cook over low heat 15 minutes, stirring constantly. Remove rind and cool. Beat egg whites until stiff; add remaining sugar and fold into cooked mixture. Add whipped evaporated milk. Line refrigerator tray with waxed paper. Sprinkle with 1/4 cup of the crumbs. Pour in lemon mixture; sprinkle with remaining crumbs. Freeze with temperature set at coldest. Serves 8.

Some historians say that passage of the fugitive slave law peeved the Northerners to such an extent that they helped more slaves to freedom between 1850 and 1860 than the total number that escaped during the entire period of our government previous to 1850.
