Secret of Courage

Lesson for February 24, 1952

THERE are different kinds of courage. One is physical, either enduring pain or enduring the prospect of it. Another is moral, enduring ridicule and slander, or the prospect of it. Some occasions call for both kinds.

Dr. Foreman

Just as there are different kinds of courage, so there are different causes of it. Physical courage may be in some cases no more than the result of ignorance.

A passenger on a boat during a storm said to an old salt: "I'm not a bit afraid." The old Irish seaman sniffed. "Them as knaws nawthin' fears nawthin'." he said.

Men who have been in combat can recall some character who lacked all the virtues but one; he was never afraid. Physical courage can even be instilled by drugs or by rum. But moral courage cannot be induced by drugs, alcohol or otherwise.

It takes more than a tough nervous system to stand up against slander, hatred and ridicule. Some men who can take a razor-blade and calmly operate on themselves for snake-bite, cannot stand the sight of human snakes who try to hiss them down.

The Inner Circle

JESUS was always on the lookout for brave men. Indeed, he made brave men.

There were three men in his innermost circle—Peter, James and John. They were men of quite different temperaments; tradition reports that they differed widely in age also. But for whatever reasons, Jesus treated these men differently from the other nine.

That is, he kept them close to him on certain occasions when the rest were left behind or shut out.

It was as if the Master had said to himself, these men, at least, shall know me. And though they failed him, the time came when they did not fail.

Our story in Acts shows how these men stood up against odds; against all the weight of popular opinion, all the force of law, all the attack from the leaders of society, these men stood up with a simple courage. They showed both physical and moral courage at the same time.

And even their enemies, surprised and baffled and blind as they were, understood the secret of their courage; they knew that they had "been with Jesus."

Heroes Without Medals

NOT all heroes wear medals. To this very day there are Christians who show the same kind of courage made famous by Peter and John. When a minister in Louisiana or Kentucky speaks out against the gambling which has become an octopus in his community; when he not only risks a dynamite bomb on his front doorstep from the gambling lords, but the name of "crackpot" from his neighbors; when the ministerial association of Gary, Ind., dares to stand up against powerful business interests in that city in the name of decent housing for the poor; when a Frank Graham of North Carolina dares to stand for Christian fairness to the Negro even when it means continual slander and political defeat; when Kefauver dares to stand up against corruption; you can be sure that the secret of such courage is the old one: these men have been with Jesus.

The story of Christian missions is full of such things. More than fifty years ago a heathen mob was about to tear a missionary named Pitkin to ribbons. They asked him if he had anything to say first. "Yes," he said, "tell my son to come out here and finish my work."

They killed him; but the son did come. And one of his first converts was a man who as a boy had seen the elder Pitkin die. He had never been able to forget that kind of courage.

In our own time another missionary, with the axe literally above his head, was asked: Aren't you afraid?—Afraid of what? he said. If you kill me I shall go straight to heaven.

Wrong Kind

"Have you any alarm-clocks?" inquired the customer. "What I want is one that will rouse father without waking the whole family." "I don't know of any such alarm-clock as that, madam," said the shopkeeper. "We keep just the ordinary kind that will wake the whole family without disturbing father."

It's Wonderful the Way Chewing-Gum Laxative Acts Chiefly to REMOVE WASTE -NOT GOOD FOOD

Here's the secret millions of folks have discovered about FEEN-A-MINT, the modern chewing-gum laxative. Yes, here is why FEEN-A-MINT's action is so wonderfully different! Doctors say that many other laxatives start their "flushing" action too soon... right in the stomach where food is being digested. Large doses of such laxatives upset digestion, flush away nourishing food you need for health and energy. You feel weak, worn out. But gentle FEEN-A-MINT, taken as recommended, works chiefly in the lower bowel where it removes mostly waste, not good food! You avoid that typical weak, tired, run-down feeling. Use FEEN-A-MINT and feel your "peppy," energetic self—full of life! Get FEEN-A-MINT! No increase in price—still 25c, 50c or only 10c.

The Way it Happened...

IN LUNENBURG, MASS. . . The town suddenly lost its treasurer, tax collector, town clerk, board of health agent, board of selectmen's clerk and veterans' agent when Daniel P. McGuire was recalled to active duty by the Army.

IN VIENNA, GA. . . Officials at the county jail discovered that inmate Marvin Daniels, 13, had been sneaking out at night through a ventilator, pilfering candy, food, cigarettes from nearby filling stations.

IN SAN FRANCISCO . . . Elliott Poor was booked for public drunkenness after he climbed an 80-ft chimney, began to bellow the first verse of On Top of Old Smoky, told rescuers: "I just felt like getting high."

IN SOUTH DEERFIELD, MASS. . . Driver Frank Wojtkiewicz lived to tell how his car crashed through Mr. St. Peter's gate.

IN LONDON . . . The British Colonial Office finally admitted that the Empire had become 100 square feet smaller in 1949 when volcanic Falcon Island in the Tongas suddenly slipped under the sea.

Finest Lubricant Is Costly Fluid

If you're worried about the quality of oil used in your automobile, a refinery in Pittsburgh has available what is claimed to be the world's finest lubricant—provided you are willing to pay \$1,500 a gallon.

Developed under a research fellowship from a watch manufacturer, this "perfect" synthetic lubricant ended a 25-year search to find a replacement for porpoise-jaw oil. That oil, one barrel of which supplied the entire watch factory for 40 years, is no longer available in pure enough form.

The new lubricant, discovered after 55 fruitless experiments with other synthetic agents, is "oily" yet will not creep out of the microscopically small jeweled bearings of a watch.

COFFEE-TIME CINNAMON ROLL

It's no trick to shape these sweet rolls! You just cut them with a cookie cutter, dip them in sugar and cinnamon, and arrange them double-decker in the pan.

BAKE at 375°F. for 35 to 40 minutes. MAKES 1 dozen double rolls.

DISSOLVE 1 package RED STAR Special Active Dry Yeast (or 1 cake compressed yeast**) in 2 tablespoons warm water (110° to 115°F). COMBINE 2 table- spoons shortening, 2 tablespoons sugar, 1 teaspoon salt, 1/2 cup scalded milk. COOL to lukewarm by adding 1/2 cup cold water. BLEND IN dissolved yeast. ADD 3 cups sifted Pillsbury's Best Enriched Flour* mix until smooth. KNEAD dough on lightly floured board for 3 to 4 minutes; place in greased bowl and cover. LET RISE in warm place (85° to 90°F.) until double in bulk, about 1 to 1 1/2 hours. ROLL out on lightly floured board to 1/4-inch thick-

ness. Cut into rounds with 2-inch cutter. DIP each roll in melted butter, then in mixture of 3 tablespoons sugar and 1/2 teaspoon cinnamon. Place twelve rolls in greased 9-inch round layer pan or 11x7x2-inch pan. Top with second layer of rolls. LET RISE in warm place until double in bulk, about 30 to 45 minutes. BAKE in moderate oven (375°F.) 35 to 40 minutes. Serve warm.

*If you use Pillsbury's Best Enriched Self-Rising Flour, omit salt.

**If compressed yeast is used, dissolve in 2 tablespoons lukewarm water.

Blood Mobile Unit To Visit Eastland County

Mrs. Joseph M. Perkins, county chairman of the American Red Cross, accompanied Mrs. Art Johnson to Cisco last week where they visited the hospital and the local doctor, obtaining their cooperation for the visit in March of the Blood Mobile bank in Cisco.

Mrs. Johnson, chairman of the Blood Mobile arrangements for the county, with Mr. Reeves, field representative from the Fort Worth office met earlier in the day with Mrs. W. W. The unit will be in Ranger two days and in Cisco one day. Citizens in the eastern part of the county including Olden, Carbon, and Gorman were asked to go to the place most convenient and the citizens in the western part of the county were asked to visit the unit in Cisco, which also includes the Rising Star area.

Mrs. Minnie Ferguson accompanied Mack Stubblefield to Fort Worth Tuesday where she visited her sister, Mrs. Helea Lovett.

F. F. A. News
