If Everyone Who Drives A Car--

If every one who drives a car could lie a month in bed, with broken bones and stitched up wounds or fractures of the head, and there endure the agonies that many people do, they'd never preach safety any more to me or you.

If every one could stand beside the bed of some close friend, and hear the doctor say, "No Hope", before the fatal end, and see him there unconscious, never knowing what took place, the laws and rules of traffic, I'm sure we'd soon embrace.

If every one could meet the wife and children left behind, and step into the darkened home where once the light shined, and look upon the "Vacant Chair" where Daddy used to sit. I'm sure each reckless driver would be forced to think a bit.

If every one who takes the wheel would say a little prayer, and keep in mind those in the car depending on his care, and make a vow and pledge himself to never take a chance, the greatest crusade for safety would suddenly advance. Let's be careful.

Make your Prettiest Salads for Guests
 (See Recipes Below)

Party Salads
EVERY WOMAN likes a compliment on a salad, especially one which she has prepared when entertaining. Picture-pretty salads are wonderful decorations for holiday tables, and they give a lift to menus which are full of hearty foods.
 Fish salads molded in attractive shapes are excellent when the menu calls for extending the last of the sliced roast beef, ham or turkey. Made ahead of time to chill until firm, they'll also relieve a lot of last minute preparation.

- Tuna Mousse (Serves 6)**
 2 cups aspic jelly (canned madrilene, consommé or tomato aspic)
 1 cup pure of canned tuna fish
 2 tablespoons unflavored gelatin
 1/4 cup cold water
 1/2 teaspoon paprika
 1 cup mayonnaise
 1/4 cup whipped cream

Coat fish or ring mold with aspic jelly by pouring the cold, but not quite jelled aspic into a chilled mold and tilting the mold in all directions until completely covered with jelly. (If desired, decorate mold by pressing sliced olives into jelly.) Put in refrigerator while mousse is being prepared. Puree tuna in a blender or by running it through a fine food chopper. Soften gelatin in cold water. Heat tomato juice and paprika in a saucepan. Add softened gelatin and stir until gelatin is dissolved. Cool, then stir in pureed tuna. Add mayonnaise and whipped cream. Salt to taste. Pour into aspic-lined fish or ring mold. Chill thoroughly.

Seafood Mold, Green Goddess (Serves 4)
 Soften 1 tablespoon gelatin in 1/4 cup cold water; dissolve over hot water; cool slightly. Add 1/4 cup Green Goddess Dressing; 1 cup seafood (flaked crabmeat, salmon, or tuna; diced lobster; whole or cut-up shrimp) 1/2 cup finely chopped celery; 1/4 cup sliced pimiento-stuffed olives; salt to taste. Pour into an oiled mold; chill until firm. Unmold on crisp salad greens.

Green Goddess Dressing (Makes 1 1/2 cups)
 1 egg yolk
 1/2 teaspoon salt
 1/2 teaspoon dry mustard
 2 tablespoons tarragon vinegar
 1 tablespoon anchovy paste
 1 cup salad oil
 1/4 cup cream
 1 tablespoon lemon juice
 1/2 teaspoon onion juice
 Dash of garlic powder
 2 tablespoons chopped chives or parsley

In a deep bowl, mix egg yolk, salt, mustard, vinegar, and anchovy paste. Add two tablespoons oil; beat with a rotary or electric beater until blended. Beat in remaining oil, two tablespoons at a time. Stir in rest of ingredients. Store in tightly covered jar in refrigerator until needed. At serving time, pour dress-

ing over mixed greens in a bowl and toss lightly with two forks. For a main dish salad, add sliced chicken, flaked crab meat or shrimp to the greens.

PRETTY FRUIT salads are easy to make, when you depend on "fix-in's from the pantry shelf." Canned fruits are all ready to use—saving you precious time. As for variety, there are so many fruits available today in a number of cans that it's easy to find your favorites any time.

Try an arrangement of one or more of these salads on your nicest platter. Be sure your fruits are icy cold and well-drained—the secret to salad success.

Peach 'n Cottage Cheese — Place drained halves of canned cling peaches, cut side up, on salad greens. Top with cottage cheese to which chives have been added.

Pineapple Chunks 'n Cherries — Arrange drained canned pineapple chunks with dark sweet cherries on salad greens.

Molded Fruit Cocktail — Fold well-drained canned fruit cocktail into slightly thickened fruit gelatin. Use fruit cocktail syrup for part of the liquid. Mold as desired and chill until set. Unmold on salad greens.

Blushing Pear — Drain canned pear halves and put 2 halves together with softened cream cheese. If desired, sprinkle paprika on one side to make a "blush." Top with cream cheese and a short strip of green pepper or a leaf of watercress. Stand upright on salad greens.

***Grapefruit Surprise Salad (Serves 6)**
 1 No. 2 can grapefruit segments
 1 3-ounce package orange or lemon-flavored gelatin
 2 tablespoons sugar
 1/2 teaspoon salt
 6 to 7 Maraschino cherries
 1/2 3-ounce package cream cheese

2 tablespoons mayonnaise
 Drain grapefruit segments, reserving juice. Add sufficient water to juice to make two cups liquid; heat to boiling point. Pour over gelatin dessert, to which sugar and salt have been added, and stir until dissolved. Chill until mixture begins to thicken. Cut cherries petal fashion by quartering at stem end and cutting almost to center. Place one in the center of each cherry. Line molds with grapefruit segments. Pour slightly thickened gelatin carefully over grapefruit and cherries. Chill until firm. Unmold and garnish with watercress and serve with fruit salad dressing.
