Much Interest Being Shown In Lighting Project

The meeting held Tuesday night at the high school auditorium for the purpose of raising funds to give Carbon a lighted football and softball field, was well attended. Everyone enjoyed the musical program and around \$500 has been raised toward our goal of \$1500.

Mr. Ray Norris was named chairman of the financial committee and everyone is urged to contribute in order that we can start the work on putting up the lights very soon.

Mothers And Teachers Sponsor Bake Sale

The teachers of the Primary department and the mothers of the primary students of the Carbon school will sponsor a bake sale to be held Saturday, beginning at 9 a. m. and continuing throughout the day, in the Hamner building. All primary mothers are asked to cooperate in baking of foods for the sale and in helping through out the day.

13 Men Will Be Inducted Sept. 27

Thirteen young men from Eastland and Stephens counties have been called to report for induction into the armed forces on Wednesday, Sept. 27, according to the Selective Service offices in Eastland. Names of the first inductees were not available.

The Selective Service headquarters office was moved Tuesday to the Petroleum Building in Eastland. It formerly was located in the courthouse.

Elbert Trimble and wife and Mrs. W. E. Trimble visited F. M. Wood of Cisco Sunday.

'38 Study Club Entertained With 42 Party

Mr. and Mrs. C. C. Gilbert entertained the '38 Study Club with a 42 party at their home Friday night, September 15. The house was decorated with seasonal flowers, pot plants and greenery. Floral designs were on the score cards. Games of 42 were enjoyed throughout the evening.

Refreshments of chicken salad sandwiches, cherry pie, salted peanuts, coffee and punch were served to the following: Messrs. and Mrs. Henry Hines, Claud Stubblefield, D. D. Sardin, W. J. Greer, Glenn Justice, B. B. Poe, C. S. Eldridge and Walter J. Greer and host and hostess.

J. H. Bethany Is Awarded Navy Battle Efficiency Pennant

A member of the aircraft carrier USS Palau, Atlantic Fleet, which has been awarded the coveted Navy Battle Efficiency Pennant for the 1950 fiscal year is John H. Bethany, Seaman USN, son of Mrs. Ocie Bethany of Carbon, who contributed materially to the winning of the pennant by his ship.

The award is based on overall performance of ships and aircraft squadrons in both the Atlantic and Pacific Fleets in all forms of exercises, in general performance of assigned duties and in administrative material and operational readiness.

The emblem, often referred to as a "meatball", is a red triangular pennant on which is centered a black ball. The emblem is displayed on the squadron's aircraft. In addition, enlisted personnel are entitled to wear an "ME" on the upper right sleeve of their uniform and receive a bonus of \$20.00 in recognition of their participation in the combined effort of the command, which made possible the winning of the award.

Rev. and Mrs. J. D. Holt and son, James, of Abilene were visiting friends here Friday.

Carbon Wolverines To Play May Friday Night

The Carbon Wolverines were defeated by a more powerful and experienced eleven in Blanket last Friday night 05 to 0 in their first game of the season which was a non conference game.

Coaches Ray Wood and David Goodwin have been putting the boys through strenuous workouts this week on their mistakes of last weeks game and expect them to show a great improvement in this weeks game with May which is also a non conference game.

This game will be played in Gorman Friday night at 8 o'clock and a large crowd of supporters of the Wolverines should be on hand to back our team.

Joe Edd Reynolds Is Winner In Contest

Joe Ed Reynolds of Carbon was the winner in a recently completed county-wide contest of the Texas 4-H Electric Awards program. He is a member of the local 4-H Club.

About 12 boys entered the contest, which consisted of writing a theme on the topic of finding a better way of doing things on the farm and in the farm home through the use of electricity.

Reynolds' theme subject was, "Dairy Farming by Electricity." Brooks West of Rising Star won second place with the theme, "Two Ways We Use Electricity."

Edwin Robertson of the Carbon 4-H Club was the third place winner.

For his winning efforts, Reynolds received a gold-filled medal of honor. His theme will be entered in the state contest.

Ain't It So

Anyway, the kind of woman who can't trim her own hat has little chance of trimming her husband for a new one.

A lot of men put off what they should do today in order to have time to tell you all about what they're going to do tomorrow.

Habit is habit, not to be flung out the window by any man—but coaxed downstairs a step at a time.

A bright smile is a worthwhile accessory to wear with any costume.

Do You Have MALARIAL CHILLS?

TRY SWAMP CHILL TONIC—It's "good tasting," effective and its pleasant laxative action will help you. Ask your Druggist for **SWAMP CHILL TONIC**—Don't accept a substitute.

HAILS AMAZING RELIEF FROM CONSTIPATION

"I suffered with constipation, but had. Medicine didn't help for long. Lucky for me, I decided to make **ALL-BRAN** my breakfast cereal. Believe me, I feel like a new man!"

SWAMP CHILL TONIC, Churchville, Cleve., O. Just one of many wonderful letters from **ALL-BRAN** users. If you suffer from constipation due to lack of dietary bulk, eat an ounce of tasty Kellogg's **ALL-BRAN** daily, drink plenty of water! It not completely satisfied after 10 days, send empty carton to Kellogg's, Battle Creek, Mich. **GET DOUBLE YOUR MONEY BACK!**

Mrs. Phyllis Goff, 1902 Park Ave., Indianapolis, Indiana, is now able to go about her housework in less time than it takes to talk about it. That is, of course, since Mrs. Goff has been taking wonderful **HADACOL**. Mrs. Goff had been suffering from a deficiency of Vitamins B₁, B₂, Nicotin, and Iron, which **HADACOL** contains.

Now full of pep and energy, Mrs. Goff is able to give this fine statement: "It's pretty hard when you are in a run-down condition when you are only 32. That includes headaches, loss of sleep... I was also terribly nervous all the time. Then I heard about the wonderful results other folks were getting from **HADACOL**. After taking a few bottles my nerves were calmed. I got a good night's sleep, and I gained five pounds. I think **HADACOL** is wonderful. I recommend it to all my friends."

This is another one of the statements the fine folks who have been taking **HADACOL** gave us. Yes, there are thousands and thousands of people all over the country who are getting blessed relief from wonderful **HADACOL** when they needed Vitamins B₁, B₂, Iron, and Nicotin.

Let **HADACOL** Help You... If you are suffering from stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, or a general run-down condition, caused by food deficiencies. Remember, it will cost you nothing if **HADACOL** doesn't help you. Buy either the trial size for \$1.25 or for large family or hospital size for \$3.50 and if you are not completely satisfied—return the bottle and your money will be refunded.

If your druggist does not have **HADACOL**, order direct from The LeLaine Corporation, Lafayette, Louisiana. Send no money. Just your name and address on a penny post card. Pay postman. State whether you want the \$3.50 hospital economy size or \$1.25 trial size. Remember, money cheerfully refunded unless you are 100% satisfied.—Adv.

Writer Needs Local Color, Goes to Jail to Get It

PASADENA, Calif.—A writer, Mrs. Elouise Andrae, needed some local color for some radio crime stories she was writing. She needed to get in jail, so—

She took out temporary driver's license under the name of Susan Ann Little and used it to cash a check for \$25.

Next she charged a \$3.95 bill to a friend who didn't have an account. Still no policeman.

Then she went back to the store and pulled the same stunt for \$15.47.

Detectives hauled her away to a cell with lots of local color and booked her on suspicion of forgery.

Personal To Women With Naggling Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes does down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, nervousness and dizziness. Getting up nights or frequent passages may result from other similar irritations due to acid, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try **Doan's Pills**, a mild diuretic. You necessarily will urinate less over 48 hours. While these symptoms may often otherwise occur, it's amazing how many times **Doan's** give happy relief—help the 16 million of busy towns and cities flush out waste. **Get Doan's Pills today!**

WHAT'S AHEAD?
Can the U.S.A. continue in the second half of the century to be the world's greatest productive center, as it has been during the first half? Yes, if we keep our productivity rising by improving our use of new power, machines and skills. It's a program approved by both labor and management. You'll find it fully described in valuable FREE booklet "The Miracle of America." Send for it today. Write The Advertising Council Inc., 25 W. 45th Street, New York 19, N. Y.

raise Some Vegetables You Can't Buy

—Photo Courtesy Perry-Maine Seed Co.

The only way you can be sure of having certain delicious vegetables for your table is to raise them in your own garden.

Take Swiss chard, for example. Those appetizing greens have been widely grown in Victory Gardens these war years. The reason you don't see them in the markets is because the delicate foliage wilts quickly after picking. To enjoy Swiss chard at its best, you should use it shortly after cutting. The same planting will furnish many a "mess of greens" over a long period if only the outside stalks are cut each time, allowing the center leaves to go on growing. (See illustration).

Savoy is a type of cabbage not at all improved by being hauled from place to place... the crinkly brittle leaves bruise so easily. By growing a few heads in the garden, you can have this tender, delicately flavored, nearly odorless variety at its finest. It takes no more exertion and care than raising plain cabbage. Chieftain is the variety which has become a universal favorite.

Friends who come to dinner will exclaim over eskimo pod peas from your garden vines. This is a type of pea which is cooked and eaten like snap beans—od and all, when the young peas have barely begun to form. The picking for this mouth-watering dish may have originated in France or Holland. Folks of Dutch ancestry are the ones most familiar with edible pod peas in our own land. Once grown in anyone's garden, they are likely to be on the regular list year after year.

Do you know that odd shaped vegetable, kohlrabi? Plant a row of it and give the family something out of the ordinary. Although related to cabbage, it is milder and more delicate in flavor. It looks like a turnip growing above ground. Kohlrabi matures quite rapidly and should be eaten when about two inches in diameter.

Anybody can have common cucumber pickles. You can add that extra touch to your list of appetizers by raising West India gherkins. These prickly little oval fruits, picked when fairly small, make unusually good sweet pickles... nearly impossible to resist their days for love or money.

MK&T Safety Thoughts

Good housekeeping and safety are inseparable. Oil on the floor may cause a bad fall. Tools and material scattered over aisles may cause a serious injury. Falls are the source of the greatest number of personal casualties. Keep the aisles clean, see that tools, supplies and materials do not protrude or foul aisles. Dispose of waste and scrap in the proper receptacles. Repair leaks, drips and seepage. Good housekeeping requires good salesmanship. First, sell yourself and then pass your goods on to others.

"The right place for everything and everything in its right place" is a splendid safety slogan. Let's do our part to achieve the September goal, "NO Accidents, No-Injury s."

Carol Sandlin has entered his 1950 Sears boar pig in the Annual Eastland County show to be held at Ranger Saturday.
