## Poll Tax Count Shows Decrease

Voting strength in Eastland County is now almost 3000 below that of 1948 according to figures released by the office of County Tax Collector, Neil Day.

Complete figures show that only 4,153 poll taxes were paid as compared to a little over 7,000 last year. Final tabulations aren't as yet available on the amount of poll taxes paid in Eastland alone but they are expected to be below last year's total also.

Last year being an election year both nationally and county is a partial reason for the larger figure for 1948.

Lesson for February 13, 1949

ONCE UPON a time, so the old story goes, there was a chameleon, a lizard that can change its color to match whatever it stands on. They put him on a black cloth and he turned black; on a red tablecloth and he turned red; on a green billiard table and he turned green. Then some mean person set him down on a Christmas necktie—and the poor little thing exploded. Dr. Foreman This is a parable of the person who tries to please everybody. It can't be done—and it ought not to be tried. "Woe unto you," said Jesus, "when all men speak well of you."

**For Quick Cough Relief, Mix This Syrup, at Home**

Here's an old home mixture your mother probably used, but, for real results, it is still one of the most effective and dependable for coughs due to colds. One tried you will swear by it. It's no trouble at all. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments until dissolved. No cooking is needed. Or you can use corn syrup or liquid honey. Instead of sugar syrup.

Now put 2 1/2 ounces of Finex into a pint bottle, and fill up with your syrup. This makes a full pint of splendid cough medicine, and gives you about four times as much for your money. It keeps perfectly and tastes fine.

And you'll say it's truly excellent for quick action. You can feel it take hold quickly. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. This is quick breathing, and lets you breathe. Finex is a special compound of proven ingredients in concentrated form, well-known for its quick action on throat and bronchial irritation. And, it's refined, it's not abused in every way.

HIS YOUR FRIEND?

and Friends don't let you down, which is why your home-town business man deserves your trade.

He never gave up or loosened a single friendship on his critics' account. Some of his friends gave him up, but he never gave them up.

So the Christian, if he has anything like Jesus' gift for making friends, may find himself criticized for their sakes.

**"EVEREADY" BATTERIES LONGER LIFE!**

So we may sometimes be accused of "biting off too much," of going beyond our powers or capacities. Our critics may be right, you know, though Jesus' critics never were. But how often they are wrong!

If Lincoln had listened to his critics he never would have left his backwoods law office; they did not think him fit to be president.

The Company You Keep JESUS' friends got him into trouble, as Mark shows us. For one thing, some were the "wrong sort" like Matthew the tax-collector. Then his friends had an unconventional kind of religion, they actually seemed happy about it instead of gloomy like some of John's disciples. And to make matters worse, his friends "broke" the Sabbath laws much as Jesus did. At all, Jesus' critics complained that Jesus' friends were a bad lot, and they judged him by the company he kept. But Jesus knew his friends better than his enemies did.

When your "Eveready" batteries cut in between uses, the chemical elements in the cell develop fresh energy—recover power—so that . . .

Next time you buy batteries for your flashlight, be sure you get "Eveready"—the large-selling brand in the world. Then you'll see why "Eveready" batteries are the batteries with "Nine Lives!"

When you snap on your flashlight again, the batteries bounce back with renewed power. That bounce back gives "Eveready" batteries longer life!

They claimed that he was "blasphemous," that is, that he was deliberately making light of God's law...

Stepping Out of Bounds WHEN Jesus healed the man with the palsy, it was not the cure his critics found fault with...

Now Jesus did have both the right and the power to say what he said in that case and in the trial man. And he made no apologies for going beyond the limits his critics set for him.

So we too may sometimes be accused of "biting off too much," of going beyond our powers or capacities. Our critics may be right, you know, though Jesus' critics never were...

The Company You Keep JESUS' friends got him into trouble, as Mark shows us. For one thing, some were the "wrong sort" like Matthew the tax-collector...

He never gave up or loosened a single friendship on his critics' account. Some of his friends gave him up, but he never gave them up.

So the Christian, if he has anything like Jesus' gift for making friends, may find himself criticized for their sakes.
