Club Members Have Annual Christmas Tree

On Saturday afternoon at 3:00 o'clock on December 11, the '38 Study Club met at the home of Mrs. W. J. Greer for their Christmas program.

The living room was beautifully decorated in keeping with the season. The dining room was also dressed to remind you that Christmas is near.

Mrs. Clifford Gilbert carried us back through the years by asking each to tell the story of her best "Childhood Christmas". These stories were both interesting and touching. Some lovely gifts were received and every member was present except Mrs. Jackson, who is ill.

Refreshments of fruit cake topped with whipped cream was served to those present.

A short business session closed the meeting.

QUESTION: Our water supply has so much iron in it that the wash looks yellow, especially sheets, pillow slips, towels, etc. The water doesn't seem hard, and it is easy to make good suds. Is there any help for the trouble?

ANSWER: Yes, but at a price. You need an iron removal unit in the water supply. For information on this unit, inquire of the Architects Samples exhibit, 101 Park Avenue, New York 17, (a non-commercial organization).

QUESTION: How can I remove rust stains from rubber tiles?

ANSWER: You may be able to make them less noticeable by rubbing with very fine steel wool moistened with a little water.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging backache, persistent headache, attacks of dizziness, itching skin, swelling, puffiness under the eyes—loss of nerve strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or infrequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Van Doan's Pills, Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!
