

# The Carbon Messenger

Carbon, Eastland County, Texas, Tuesday, May 14, 1959

Number 3

## Personals

Ronald Adams and wife of Carbon and Mrs. Faxon of Burdett visited Mrs. W. Lovell last Sunday.

Mrs. Henry Lovell spent the week end with her daughter, Mrs. Egall Allison, and family of Arlington.

Edgar White and family of Odessa, Everett and family of Carbon, Bud Clark and family of Carbon visited their parents, W. White and wife, Sunday.

John Gilbert and family of Dallas spent the week end with his parents, C. C. Gilbert and wife.

Sunday guests of Mrs. J. L. Black were Jack Black and family of Brady, Rayneal Baze and family of Ranger and Bruce Lasater and wife of Eastland.

J. A. Cates and family of San Angelo, Jimmy Weaver and family of Fort Worth and Don Weaver and family of Abilene visited their parents, Jim Weaver and wife, Sunday.

Guests during the week end of John Nicholas and wife were their children, Don Nicholas of Monahans, Lester Nicholas and family of Odessa, Tommy Nicholas and family and Kenneth Mayhall and family of Abilene.

Troy Wright and family of Rock spent the week end with his parents, John Guy and wife.

Week end guests of Hubbard Gilbert and wife were their daughter, Mrs. J. S. Craddock, and family of Colorado City.

Visitors during the week end of Henry Collins and wife were their children, James Bigby and family of Carbon, Pat Collins and family of Ranger and Mike Collins and family of Eastland.

Week end guests in the A. S. Jackson home were their children, Dwain Jackson of Fort Stockton, Bob Jackson of Odessa, Mrs. John Griffith and children of Midland and Bettye Jackson of Dallas.

## Planting Demonstrations

### Control of the Pecan

Control of the pecan pests, along with characteristics of several new pecan varieties, will be among topics discussed at the annual Eastland County Pecan Field Day, to be held at the Victor Hotel in Cisco Friday, May 15.

Oscar Schaefer, president of the Eastland County Pecan Growers Association, announced that the field day would be held in two sessions — the morning meeting at the Victor Hotel, and the afternoon session in the F. O. Hilburn orchard approximately five miles southeast of Cisco.

The morning session, to begin at 10 o'clock, will consist of lectures on the control of the pecan scab, the pecan nut casebearer, the walnut caterpillar, and characteristics of the new and Wichita pecan varieties.

The afternoon session will be made up of a survey of the eggs and larvae of the pecan nut casebearer, a spraying demonstration, a pecan grafting demonstration, and two power saw demonstrations.

Chamber of Commerce agricultural

## Vacation Bible School Planned

Plans for the Vacation Bible School at the Baptist Church are underway. The school will be for all children from 3 years through 16 years. Preparation Day will be Friday, May 22, from 2 till 4 p. m. The school will begin Monday, May 25, and meet from 2 till 5 each afternoon.

All children are cordially invited to attend.

## Attention Pre-School Parents

The Homemaking department of Carbon High School is having a playschool the week of May 18-22. Time 8:30 to 10:45 a. m. Each child will bring crayons, a color book, package of construction paper, paste, and a pair of blunt pointed scissors. Everyone is welcome, but it is not compulsory.

Attention: There will be an adult sewing class beginning at 6 p. m. May 18. Everyone is welcome. There is no charge. Bring material for some type of garment. Thank you.  
Mrs. O'Connor

## Singing Every Friday Night

There will be singing every Friday night in the Kokomo Community Building. Every Friday night before Fourth Sunday will be special night. Mr. Tyrone will be in charge, inviting all quartets and singers from surrounding communities. Refreshments will be served.

Kokomo Club Singers

## W. M. S. Meets

The Women's Sewing Society met their program with a song Monday followed by a prayer by Mrs. Jackson.

Mrs. Usery presided over a short business meeting in which they made plans to buy a water heater for the parsonage. A gratifying report was made on the Bake Sale of last Saturday. Everyone was pleased with the results and fully appreciated the cooperation of the Carbon community in helping to make it a success. The group worked the flower beds around the church after the meeting which was closed with a prayer by Mrs. Jackson.

## Nursing Home Opens In Cisco

Mrs. Witt Springer has announced that Mrs. Julia Lawson is the new operator of the Golden Age Nursing Home in Cisco.

Mrs. Lawson, president of the Texas Nursing Association, previously operated nursing homes in Abilene, Merkel and Rotan. She said the home would be fully licensed, and will have licensed nurses on duty 24 hours a day. Both well and sick residents are being accepted.

Week end guests of Cullen Rogers and wife were their children, Bill Huddleston and wife of Odessa and Mrs. Glen Clement and children of Carbon.

A. J. Wilson and family of Fort Worth visited her parents, J. S. Vaughn and wife, last week end.

Jim Jackson and wife have returned from a recent visit with their children in Seminole and Andrews.

## New Varieties Of Pecans Will Be Discussed Here

Characteristics of the Choctaw and Wichita, new varieties of pecans, will be discussed by the originator, L. D. Romberg, Brownwood, at the annual Eastland County Pecan Field Day at Cisco, May 15.

The new varieties of nuts were developed at the U. S. Pecan Field Station at Brownwood by Romberg where the Comanche and the Barton Varieties also were developed and released a few years ago. The Choctaw is a cross between Success and the Mahan varieties. The Wichita is a cross between the Halbert and the Mahan.

The morning session of the all day affair will be held in the Victor Hotel. It is being sponsored by the Eastland County Pecan Growers Association and

See me for satisfactory barber work. Your business is appreciated.

Arguments have gone back and forth for years on the matter of using sawdust for mulching plants, with much evidence both for and against the issue. One concern has to do with the fact that plants sometimes tend to become pale green or yellow after they are mulched heavily with chips, shavings, bark or sawdust. Many people think that sawdust and woody wastes are poisonous.

This is not the case. Scientists with the Bureau of Plant Industry investigated and found several years ago that the yellowing is brought about by a soil microbe, not by poisonous material in sawdust or other woody waste. These microbes like nitrogen so well that they use it up; hence, the plant does not get enough to live green leaves.

We now know that a heavy application of nitrogen fertilizer will put enough food into the soil for plants and the soil bacteria too. Commercial fertilizer containing nitrogen or barnyard or chicken manure applied be-

fore the sawdust or with it, helps supply this need. One bushel of manure to each 100 square feet, or to each 100 feet of row should suffice. If plant leaves show signs of yellowing, apply one or two cups per 100 square feet. Sprinkle heavily or irrigate to insure immediate use of the nitrogen.

Sawdust will help to "mellow" a hard soil and make it easy to cultivate. It helps soil to hold water. It is good for heavy soils and sandy soils, too.

## MISS WILLIE WORD IS ELECTED 'WOMAN OF YEAR' BY HD CLUBS

Miss Willie Word of Route 3, Cisco, prominent member of the home demonstration organization in this area, was named outstanding clubwoman of Eastland County at a meeting of the county HD council Wednesday afternoon in the basement of the First Baptist Church in Eastland.

A charter member of the Word Home Demonstration Club, Miss Word was selected from a group of seven nominees selected by each club in the county. She has been active in all phases of club-work, as well as church and community affairs.

In addition to serving in all the offices (some several times) in her home club, Miss Word has been a member of the county council for a number of years, holding numerous offices there. Miss Word lives on a farm three and one half miles south of Cisco with her brother, Kent. She is a member of the First Presbyterian Church in Cisco where she teaches a Sunday School class and sings in the choir. She is a circle chairman

and takes an active part in other church affairs. She is widely known for her cooking, and is very popular in club and women work. For years she has used her own car to pick up members and take them to the meeting.

Other nominees for the honor included Mrs. R. W. Gordon, Morton Valley; Mrs. Oliver Harrelson, Nimrod; Mrs. Elva Altom, Lake Cisco; Mrs. Leonal Hale, Pleasant Hill; Mrs. Bulah Turner, Flatwood; and Mrs. Clara Burkhead, Rising Star.

The judges who had the difficult task of choosing the winner were Mrs. Cecil Collings, Mrs. Myrtle Anderson and Mrs. Iral C. Inzer. The contest was part of the county observance of National Home Demonstration Week (May 4-8).

The program for the meeting was a book review of "Dear Abby" by Abigail Van Buren given by Mrs. Johnson, English teacher at Eastland High School. She was assisted by Misses Sandra Taylor, Dixie Durham, Laura Harris and Laura Crabtree who gave musical selections accompanied by Mrs. Ima Ruth Taylor on the piano.

Editor: Home Builders Tomorrow's World  
Editor: Home Builders Tomorrow's World

Some 40,000 Texas Home Demonstration club women will be among 7 million homemakers throughout the nation who will observe their 14th National Home Demonstration Club Week May 3-9. Today's Home Builds Tomorrow's World is serving as the National theme again this year.

During the week, most 1,300 home demonstration in the state plan special activities to highlight their program. The home demonstration program is planned by home and carried on cooperatively with the Extension Service, of the U. S. Department of Agriculture, the land-grant colleges and county governments. New research information in all phases of home-making is brought to women and families through specialists, home demonstration agents and local leaders. Club members also conduct special programs in civil defense and encourage and assist with local 4-H club programs.
