Community Night

Community Night will be held next Tuesday night, July 23, at the Center Point Community House by the Sabanna Valley Game Pre erve Association. There will be games, refreshments and entertainment for all. Everyone welcome.

Berry Greenwood, Sec. Treas.

Card Of Thanks

I would like to express my deepest appreciation to each of you for each act of kindness, the words of comfort, prayers offered in my behalf, the beautiful flowers, the food, cards, letters, and other deeds done for me in my hours of sorrow in the passing of my dear husband. May God bless you in a special way for every deed done.

His wife, Maude Nobles, and Relatives

Card Of Thanks

Words cannot express our deep appreciation to our Carbon friends and neighbors for the many kind deeds you favored us with during our recent bereavement in the passing of our father, Dalton Sandlin, of Springtown. Your prayers, the many words of condolence and the lovely flowers will forever be remembered with heartfelt gratitude. To friends from here who attended the service, we offer our special thanks. May God bless and reward each of you in our sincere prayer.

The D. D. Sandlin Family

Mrs. T. J. Poteridge of Munday visited Mrs. Roger Butler and David this week while Rev. Butler was attending the Baptist Encampment at Lueders.

Thurman Payne and family of Abilene visited Archie Jackson and family Wednesday.

Baptist Revival Will Begin July 26; August 4th

JACK WESTER, EVANGELIST

The summer Revival at the Carbon Baptist Church will start July 26 and continue through August 4. Rev. Jack Wester who is pastor of the First Baptist Church of Normangee, Texas, will be the evangelist. Bro. Wester has been pastor in Normangee for the past 28 months. He was pastor of the Pinkerton Baptist Church in Tulsa, Texas for almost 7 years. He also pastored at Guthrie, the county seat of King county, and at two rural churches out of Dickens prior to that time.

ROGER BUTLER, PASTOR

Bro. Wester is an Eastland County boy. He grew up around Staff and attended Simmons University, West Texas State and Texas Tech. He taught school for several years as well as preaching the gospel.

"I am just a sinner saved by grace, called of God to tell others that Jesus saves," he said, and

Last of Scott Noble Held Last Thursday

Funeral services for Scott Monroe Noble, 73, were held at the Carbon Baptist Church last Thursday at 10 a. m. with Rev. Roger Butler, Rev. Ross Grace and Rev. Lee Fields officiating. Interment was in the new Carbon cemetery with Hammer Funeral Home of Eastland directing.

Mr. Nobles died Tuesday while attending a livestock sale at the sales barn in Eastland. He died while eating lunch at the cafe on the livestock grounds. Death was caused by a heart attack.

Born August 24, 1883 in Faulkville, Ala., he was married to the former Maude Guy of Carbon on December 25, 1914. He had lived in the Carbon area where he was engaged in farming and ranching for the past 42 years.

Mr. Nobles had been a member of the Carbon Baptist Church for many years.

He is survived by his wife and one sister, Mrs. Lila Ruden of Eastland.

Participants for the service were J. E. Guy, J. E. McDaniel, Ed Jackson, Marvin Bass, O. C. Payne and J. E. Jackson.

Captain Sam Stone and family of Georgia are visiting his parents, O. Stone and wife.

Mrs. Lela Henderson of Odessa is convalescing from surgery in the home of her parents, Mr. and Mrs. O. D. Wesant. Pastor Duncan of Aspermont is also visiting in the home.

Buster Jones is seriously ill in the Ranger General Hospital.

Notice

See me for that Good Premier gasoline and ice. Will deliver ice any where in town.

Glen Gray

adds that he has no "ism" to preach, no sensation to parade.

The meeting will begin on Friday night at 8 o'clock with prayer meetings at 7:30.

Singing will be under the direction of Pastor Roger Butler.

Farmers Reminded To Ask Refund Of Federal Gas Tax

COLLEGE STATION, July 3.—Farmers are reminded by C. H. Bates, extension farm management specialist, that they may now apply for a refund on the 3-cent Federal tax on gasoline used for farming. The amount claimed must be based on the quantity of fuel used for farming purposes on individual farms and ranches during the period from July 1, 1956 to June 30, 1957.

Bates says that all claims must be submitted to the District Director, Internal Revenue Service and claims for the past year must be in by September 30, 1957. Only one refund claim per farm operator will be permitted and each tax claimant is cautioned to make certain that his refund request includes all eligible fuel used.

Each farm or ranch operator who applied for tax refunds in 1956 will be mailed Form 2240 for filing the 1957 claim. An instruction sheet for preparing the application will also be provided, says Bates. For new fuel users or those who failed to file last year, copies of the filing form may be obtained from the office of the local county agent.

Too, Bates suggests that a copy of Publication 308, Farmers Gas Tax Refund, prepared by the Internal Revenue Service, be obtained from the county agent's office or from the nearest District Internal Revenue Service Office.

The specialist advises agricultural producers who used an appreciable amount of gasoline last year in their farming or ranching operations to check into their eligibility for a refund. The legislation which makes possible the refund was passed by Congress in the spring of 1956 and farmers unfamiliar with the procedure should contact their local county agent or Internal Revenue Service for details.

Lightening damages or destroys an average of about \$18,000,000 worth of property each year.

Peanut Growers Association Holds Annual Meeting July 10

D. W. Warren of Gorman was re-elected as a director for district No. 2 and E. A. Walker of De Leon was elected to serve as director for district No. 1 at the annual meeting of the Southwestern Peanut Growers Association in Gorman on Wednesday, July 10.

Other directors elected were T. G. Hedley of Wewoka, Okla., and Milton Archer of Giddings. More than 100 peanut growers from the five states served by the association attended the meeting at the Gorman home office. A highlight of the day was a chicken barbecue at noon Wednesday.

The meeting was presided over by H. H. Hudson of Holdenville, Okla., president of the organization.

The group approved financial reports for the past year and the new budget for the coming year. It also approved an amendment to the by-laws which will prohibit any member of the marketing co-operative from becoming a director of the SWPGA. The amendment was recommended by the board of directors.

D. C. Langley, superintendent of the West Cross Timbers Ex-

periment Station at Stephenville, discussed work being done at the station on peanuts which included studies in diseases of peanuts, planting methods and fertilizer distribution.

Langley explained that due to the late planting season a field trip would not be of much value to the growers at this time. He said the association will try to have a field trip later in the summer of this fall.

W. B. Starr of Cisco, who was the SWPGA's first president, was given special recognition at the meeting.

Hudson also expressed regret that J. E. Bright of Pleasanton vice president of the association and a charter member of the board, was unable to attend the meeting. Hudson and his wife were seriously injured in a car accident en route to Gorman Tuesday. They are hospitalized in the Medical Arts Hospital at Brownwood where the extent of their injuries had not been determined.

Ross Wilson, manager of the association, expressed appreciation to the peanut farmers for their co-operation with the SWPGA during the past year.

Two Precincts Ask More Funds From County For Road Repairs

The Eastland County Commissioners' Court had under consideration Saturday a request from two road precincts for additional funds from the county road and bridge fund. Action on the request is due to be taken at the court's next meeting.

Commissioner J. B. Arther of Precinct 1 and Commissioner R. M. Bennett of Precinct 2 made the request. They said that floods, Lake Leon and general rising costs had cut them short of funds. Each precinct is allowed \$30,000 a year for road work.

County Auditor Paul O'Brien said the county's road and bridge fund has \$173,000 on hand and that a transfer of funds to the precincts would be legal.

Commissioner Ed McCantles of Cisco said his precinct did not

need additional money. Commissioner Bob Carter of Rising Star voiced no opposition. Bennett and Arther were due to ask for a specific amount when the court meets again.

A delegation of Eastland and Ranger residents went to the court to see the commissioners. The Star, Highway Department and Ranger requested the road and bridge fund be increased to \$400,000 a year. The road is about 10 miles long.

The delegation asked for a hearing on the matter. The court will hold a hearing on the request at the next meeting. The group that they would not recommend the project as the most needed in the county, pointing out that farm roads were needed in other parts of the county.

COUNTY TO CONSIDER RAISING SALARIES OF TWO CONSTABLES

A salary increase for the constables at Gorman and Rising Star will be considered by the Eastland County Commissioners' Court at the next meeting, it was decided Monday at the semi-monthly session of the county's governing board at the courthouse.

The court voted to publish notice of the hearing to consider the salary increase for the two constables, County Judge John Hart reported. It was proposed to raise the salaries of the two men from \$75 to \$100 per month.

Judge Hart said it was explained to the court that the Gorman and Rising Star constables are the only peace officers in the two communities and that their duties justify the additional salary. Other constables of the county, who are paid \$75 per month, live

in communities where from one to six peace officers are on the job, it was pointed out.

In other action, the court heard a delegation from Ranger requesting that the county ask the State Highway Department for a hearing on a proposal to run a farm-to-market road from the present pavement across the dam at Lake Leon, a distance of more than three miles. The court took the matter under advisement.

W. J. (Bill) Harrington of Ranger was appointed to serve on the board of trustees for the county hospital at Ranger. He was named to fill the unexpired term of C. E. May, Ranger, who resigned recently.

The regular monthly bills were approved for payment and other routine matters were transacted.

4-H Dress Revue Is Presented At Council Meeting

The Eastland County Home Demonstration Council met in regular session July 3 in the Texas Electric building in Eastland. Mrs. York Eberhart presided, and the nine clubs answering roll call were Flatwood, Lake Cisco, Pleasant Hill, Word, Nimrod, Morton Valley and Bluff Branch.

Miss Sandra Kirkland, new County H. D. Agent, was presented to the council. Delegates were elected to represent Eastland County at the T.H.D.A. state meeting at Houston from July 31 to August 2. These delegates are Mrs. Earnest Schaefer, Word Club; Mrs. Edgar McCollum, North Star; and Mrs. Cecil Bostick, Nimrod. The alternates were Mrs. V. E. Brown, Lake Cisco and Mrs. Bessie Bennett, Flatwood.

Miss Nancy Weathers presented the 4-H Dress Revue to the home demonstration club council. Miss Anna Kay Smith of Nimrod was the commentator. Miss Kirkland announced the winners of the senior group as Rose Mary Berry of Carbon, and Mary Tonne of Nimrod as the winner of the junior group.

Others who entered the revue were Anna Kay Smith, Nimrod; Carole McCleskey, Eastland; Dorothy Kanday, Nimrod; Beverly Bostick, Nimrod; Christina Stroebel, Nimrod, in the junior division, and the senior division included Bobby Spinks, Nimrod; Georgia McCleskey, Cisco; Annette Eiles, Cisco; Jean Smith, Nimrod; Jean Berry, Carbon.

Judges for the Dress Revue were Miss Barbara Schuman, Eastland; County H. D. Agent and Miss Loretta Morris, Eastland home-making teacher.

Deceased Vets Children Given School Benefits

More than 3,000 sons and daughters of deceased war veterans attended class this past school year under the eight-month-old War Orphans Education Program, Mr. Scott B. Harrington, manager of the Veterans Administration Regional Office in Dallas, Texas, revealed today.

But he pointed out that the educational programs, which went into effect after the 1956-57 school year got under way, is just now beginning to gain momentum. During the next school year, he predicted, War Orphans enrollments probably will more than double this year's total.

And the years ahead will witness even greater increases, he said, as younger children of deceased veterans reach the legal age for war orphans schooling. Generally, the program is for young men and women between 18 and 23 years of age.

At present, for example, an estimated 25,000 sons and daughters of war veterans who died of conditions caused by military service are 14 years old. They'll reach the eligible age for war orphans education in another four years. And another 60,000 are under 14. They will become eligible in another four years.

War orphans education is available to the sons and daughters of World War I, World War II and Korean veterans who died of conditions caused by their military service. They may receive up to 36 months of education with an allowable of up to \$110 for each month of schooling completed.

Quail Hunting Is Expected To Be Good This Winter

AUSTIN, July 11. — Right now conditions point to the best quail season Texans have known for years, according to the Assistant Executive Secretary of the Texas Game and Fish Commission. He has just returned from a trip through East Texas, studying first hand the effect of the hatchery program now under way.

At the same time wardens all over Texas are reporting to the Austin office of the Commission that the quail crop this year has been exceptionally good. Favorable weather conditions and improvement of habitat by land owners is given credit for the increased crop, according to the Assistant Executive Secretary.

The Commission hatchery at Tyler has some 19,000 quail on hand to be released by clubs or individuals. More than 11,000 birds already have been released this year.

"There are still some birds available to land owners with proper feed and cover," the Assistant Executive Secretary said. These birds are sold at 50 cents each to land owners who can qualify. Applications should be

filed with some exceptions, schooling must be at college level.

Inquiries regarding his program by telephone or in person should be made to the Contact Division, Veterans Administration, 912 South Ervay Street, Dallas, Texas.

Gulf Coast Fishing Is Reported Better

AUSTIN, July 11. — Fishing on the Gulf coast is getting much better, with some large catches reported in areas where water conditions have cleared from the effects of the recent floods, according to the Director of Coastal Fisheries.

He warns, however, there will be many dead fish found in some of the basins, with the advent of warm weather and calm days. Where there has been a good mixture of salt and fresh water, however, fishing conditions are much improved.

Cyanide was invented by Nikodem Caro and Adolf Frank in 1905.

In 1232 A. D., Gengis Khan's son, Ogda, used rockets as a "secret weapon" in an attack on the Tartar city of Kaifeng.

Three hundred constitutes a perfect score in bowling.

sent to the Austin office of the Commission. Wardens then will be sent to inspect the land area and conditions. After his approval the birds will be shipped out for release.

The state is producing three different types of quail this year. One is the North East Texas bird, for release in the East Texas areas. The other is the Southwestern Bob, to be released in the more arid areas. The other is the Coturnix, the new Oriental quail that is now being introduced in the state on an experimental basis.
