Cemetery Notice

Spring is here and the weeds and grass are growing. Soon it will be time again to hire men to clean both cemeteries. For the past two years this has been done twice each summer. This costs money, and we need to start now to replenish our fund for that purpose.

A few have already paid, and to those who have not helped, your assistance is needed, if we are to keep our cemeteries places of which we need not be ashamed.

J. W. Jackson, Pres.
Mrs. C. C. Gilbert, Sec-Treas.

Community Night

Tuesday night, March 26, is Community Night at the Center Point community house, 7:30. Games and refreshments. Everyone welcome.

Pre-Easter Services

There will be a series of Pre-Easter services at the Methodist Church beginning April 14 and continuing through the 21. Everyone is invited to attend these services.

Results Of Recent Polio Fund Drive

Due to unfortunate circumstances, we were unable to have the Mothers March on Polio this year. The contributions to the March of Dimes for Carbon have been turned in and are as follows:

Carbon School	\$24.84
Sunshine Club	4.00
Baptist Ladies Class	3.25
Coin Collectors, in stores	13.86
Total	\$46.95

Last year Carbon's contribution was \$176.73, about \$130.00 more than this year. We would like to thank everyone that had a part in giving or working for the fight on Polio. Now that the vaccine has been secured our fight has lessened in many ways and we should be thankful for that. We should show our thankfulness by working even harder than ever before to help the many men, women and children that unfortunately had polio before the vaccine was discovered. Their fight will never be over as long as they live, and it is up to all of us to help with that fight, but for the vaccine discovery, anyone of us could be in the same condition.

Thank you and let's plan to do more in Carbon next year.

Mrs. Glenn Justice, Chairman of Carbon

WSCS Meets

The Women's Society of Christian Service met in regular session at the church Monday, March 18, the president, Mrs. King, presiding.

The meeting was called to order and a song, "We Have A Story To Tell To The Nation" was sung and a prayer by Mrs. Greer. We then had our Bible Study taught by Bro. Grace. After the study we had a business meeting with the election of officers for the coming year.

Mrs. Grace, Reporter

Thanks Sincerely

Since there are so many to say "Thanks Sincerely" to, I take this media of expressing my thanks and gratitude to all my local friends for their kindness to me during my recent stay in the hospital and after my return home. Thanks a million for your visits, cards, flowers, gifts and for the nice food brought in.

Judges Are Named For Annual Eastland County Stock Show

Dr. R. M. Anderson, Fort Worth, formerly with the animal husbandry department, University of Minnesota, will judge all classes of swine at the Eastland County Livestock Show, Eastland, Saturday, March 30 according to show officials.

Dr. Anderson, with a commercial concern, is much in demand over the state as a hog judge. All

judging will be done on the second and last day of the show.

Jack Hancock, Tuscola, formerly agriculture teacher, will judge the beef cattle except the classes of fat steers. Hancock has judged many, many community, county and district shows in past years.

Joe Bob Shelton, Brownwood, assisted by his brother Don Shelton, Menard, will judge the dairy classes. The Shelton brothers have judged at the county show here in the past. Both were in the dairy business in Brown County for many years and are outstanding Jersey breeders. The dairy animals will be judged on a classification basis.

Jimmy Kehoe, Armour and Co., Fort Worth will place the fat lambs of which over 100 are expected to be entered in the show. The judge for the breeding classes of sheep and goats has not yet been selected but a former breeder of Angora goats in the county is expected to be invited.

The show is sponsored by the Eastland County Livestock Raisers Association, Bob Pressley, Cisco, President.

Emergency Feed Program Extended

Announcement has just been made by the agriculture department that the emergency feed grain program in Eastland County has been extended through April 15, according to information today from Congressman Omar Burleson.

Under the extension, applicants may file through April 1 for a supply of feed grain necessary to carry basic livestock herds through April 15, it was understood.

Office Is Opened By Farm Bureau

The Eastland County Farm Bureau has announced the opening of a permanent office in Eastland, according to Ray Norris, secretary-treasurer. The new office is located in the Petroleum Building, rooms 212-214.

Mrs. John Love, general service agent is in charge. Other personnel include Mrs. Doris Green, office secretary, and Mrs. Bill Tucker, public relations chairman.

The office will be open from 8 a. m. to 5 p. m. Monday through Friday. Assistance will be given farmers in making applications for gasoline tax refund, Norris said.

Officers of the organization are Mitchell Campbell, president, Herman Schaefer, 1st vice-president; A. W. Wright, 2nd vice-president, and Ray A. Norris, secretary-treasurer.

Farm Bureau Has Legislative Meet

State and National issues affecting agriculture were discussed by county farm bureau officers and legislative committee members in a statewide policy execution (P-X) campaign, scheduled in the 13 Districts last week.

District 7 B-X meeting was held in Brownwood on March 5 at the Brownwood Hotel. Approximately 40 county leaders attended and participated in the "Buzz" session discussion of current legislative issues, both state and national.

Eastland countians who attended the legislative briefing were Mrs. Eula Caldwell, county director, R-2, Gorman, and Mrs. Bill Tucker, director-publicity chairman of R-2, Gorman.

Baseball News

The Carbon Wolverines opened their baseball season Tuesday with the Cisco Lobos. Our boys were defeated by the score of 10 to 4, Cisco scoring 8 runs in the first 2 innings before our boys settled down.

They play Lingleville there Friday. With more practice under the coaching of Jimmy Hughes, they show promise of giving their opponents plenty of competition.

Trustee Election

There will be a trustee election April 6, to be held in the Collins Insurance building. In order to be on the ballot, names must be submitted at least ten days before election.

City Election

A City election will be held in the City of Carbon on April 2, 1957 at which time there is to be elected a Mayor and three City Aldermen.

Goal Announced For Red Cross Drive In County

The goal for the Red Cross fund-raising campaign in Eastland County has been set at \$7,095 with \$2,550 for conducting local Red Cross services, it was reported today by Stanley Webb, County Red Cross Chairman. Cisco raised its portion of this amount in the Community Chest drive last fall, and Eastland and Ranger raised theirs through United Fund drives.

Mr. Webb stated that since July 1, 1956, the entire Red Cross disaster budget has been expended and that the critical flood areas of Kentucky, Virginia, West Virginia, and Tennessee have more than 15,000 families in need of help. The financial situation of the Red Cross is critical and needs the cooperation of everyone to give voluntarily, according to Mr. Webb.

Volunteers are needed in Carbon, Oiden, Rising Star, Gorman, and rural areas for soliciting funds, Mr. Webb stated. He requested suggestions from the citizens of the county for raising the quota.

Anyone desiring to contribute by mail may send their contribution to Earl Woody, treasurer, Box 111, Eastland, or the Red Cross Office, Box 264, Eastland.

In 1232 A. D., Gengis Khan's son, Ogdai, used rockets as a "secret weapon" in an attack on the Tartar city of Kaifeng.

Sun can't fade your colored washables in an **ELECTRIC Dryer**

Wash dresses, sport shirts and luncheon sets stay color-bright, protected from the sun's bleaching rays

You save on your clothing budget, too, because clothes last longer, dried in clean, gentle electric heat

Colored washables and new "miracle" fabrics stay bright and new-looking when you use an Electric Dryer. Clean, gentle, automatic electric drying protects colored clothes from the bleaching action of the sun. Your most precious fabrics are safe, too, from whipping winds and airborne dust. All your clothes last longer, protected from outdoor drying hazards. And, of course, you avoid the monotonous drudgery of clothesline drying when you have an Electric Dryer.
