Mrs. McBee Passes Away; Rites Held Thurs.

Mrs. Geneva McBee, wife of the late G. L. McBee, passed away at the home of her daughter, Mrs. W. H. Phelps in Wichita Falls early Wednesday morning after an extended illness.

Funeral services were held at 2 p. m. Thursday at the Mangum Baptist Church with the pastor, Rev. Lee Fields, officiating. Interment was in the Flatwood cemetery with Hamner Funeral Home directing.

Mrs. McBee was 85 years and 8 months of age at the time of her death. She had resided in the Mangum community 55 years prior to her husband's death several years ago.

She had been a faithful member of the Baptist Church since early youth.

Survivors include four sons, Clyde, Floyd and Aubrey, all of Eastland, and Earl of Wink; two daughters, Mrs. Phelps of Wichita Falls and Mrs. Dave Putnam of Walnut Springs. Also a number of grandchildren and great grandchildren and a host of other relatives and friends.

Basketball News

The Carbon High School basketball teams played the Gorman team in their first game.

by a score of 44 to 38. It was a hard fought game all the way, but the Carbon girls proved again that they were the strongest.

The boys played a hard game all the way, but they were finally defeated by a score of 44 to 58.

Both teams journey to Gorman Friday night. This game will prove the district standing for the girls.

Everyone come out to see the games.

AUSTIN, Texas — Texas veterans are expected today that they will be until Feb. 5th to receive 56 tracts of land.

Land Office East Rudder, who is in the VLB, explained that the normal procedure is to require an application number for these tracts.

The tracts are sold, which are sections of the state, and are forfeited by original owners who purchased the property from the Veterans' Land Board.

NEW OPERATORS

H. L. and Herbert Coats, students at Clark College, will take over Monday as operators of Lake Cisco Skating Rink. It was announced by the American Legion Post here Saturday. The Legion owns the skating rink.

The Coats brothers are succeeding I. D. Coats, who is moving his home to Stephenville during the coming week. Both H. L. and Herbert Coats are well known here. Both attended Cisco High School and are veterans of the Navy in the Korean Conflict.

A special program was planned at the rink for Monday night, including for mixed couples, progressive dancing, men's racing, women's racing, tris, musical boards and ladies choice. Free drinks will go to the winners of each event.

Annual County Livestock Show Dates Set for March 29-And 30

County Exceeds Quota In Savings Bond Purchases

Guy Parker, United States Savings Bonds Chairman for Eastland County, announced today that citizens of this County purchased \$621,961.00 worth of U. S. Savings Bonds during the past twelve months. This amount represents 102 percent of the 1956 Savings Bonds Quota for Eastland County, Mr. Parker stated.

"Go to your bank now and buy that extra Bond. Your purchase will help Eastland County to make its 1957 goal, and remember," said Mr. Parker, "when you are buying that extra bond you are helping to keep your dollars stable, you are helping to keep your community strong, and you're investing in a brighter future for yourself and your family with a safe, sure United States Savings Bond."

Pay Income Tax Early Is Urged By IRS Agents

Early filing of your 1956 income tax return will help Uncle Sam and yourself, says A. E. Fogle, Jr., of Internal Revenue Service. The tax returns should be accompanied by a check, for any tax due, payable to Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas.

The IRS representative stressed that careful reading of the instructions, accompanying the forms recently mailed out, will enable most taxpayers to prepare their own returns, often in less than an hour.

The name, Minnesota, is derived from the two Sioux Indian words meaning "sky colored water."

The date for the annual Eastland County Livestock Show, at the old airport 1 mile northeast of Eastland, has been set for March 29 and 30, according to Bob Pressley, Cisco, president of the County Livestock Raisers Association, sponsors of the show.

A few of the show officials have been named, according to Mr. Pressley. C. M. McCain, Eastland Rancher, will again act as general superintendent of the affair as he has for the past several years. Assistant superintendents will be Keith McDonald, Ranger, and Johnny Aaron of Eastland.

Advertising committees for the livestock show catalogue have been named for all towns in the county it was said.

All livestock is to be on the grounds and properly entered by 11 a. m. on the morning of March 29th. Judging of all entries will be done on Saturday, March 30, Mr. Pressley said, beginning at 8:30 o'clock that morning.

Entries for the 1956 show were the largest ever for the county, officials said. Entries this year are expected to be large, especially in the boys' fat lamb and fat pig division. Judging of the fat pigs, fat steers and fat lambs will again be on a packer basis, it was explained, as has been the custom for the past several years.

Golden

Esso Extra

has the highest octane rating
of any gasoline.

Modern cars, especially the 1957 models, have engines with very high compression ratios (9 to 1, and higher!).

These engines require a gasoline that's better than the best of "premium" gasolines, better than the "supers."

The one gasoline—the only one—that permits every high compression engine to deliver its full power output is Humble's Golden Esso Extra.

It is the world's finest automotive fuel . . . with the highest octane rating of any gasoline.

Protect the value of your automobile investment—use the gasoline that gives you added value from full performance. Fill up at the golden pump under your neighbor's Humble sign.

- If you answer yes to any one of these questions, you should try Golden Esso Extra—world's finest gasoline.
- Does your car knock on "premium" gasoline?
 - Is your car air-conditioned? (On an average the engine pulls a 3-ton air conditioner.)
 - Does the engine have a compression ratio of 9 to 1, or higher?
 - Does your car have more than one carburetor or a "Power-Pack"?
 - Is the engine rated at 200 horsepower or higher?

(These points become even more important as you add miles to a new car. Anti-knock requirements increase when you pass the break-in period.)

Don't let a "knock you can't hear" rob your car of power!

Engineers call it "trace knock," a knock so faint that only a trained technician can hear it. But like all knocks, it robs your engine of power, forecasts engine damage. If yours is a modern car in any price class—especially if it's a 1957 model—prevent "trace knock" with Golden Esso Extra, the gasoline with the highest octane rating ever.
