

BALLINGER, TEXAS, THURSDAY, JUNE 7, 1934.

NUMBER 39

ie for First Room Contest

Schedule is Made For Rural Visits To Boost Fall Fair

A committee Saturday afternoon arranged dates for the trips to be made by Ballinger boosters in the rural communities of this county. The home demonstration clubs, the 4-H boys' and girls' clubs will cooperate in arranging for the visits and at each place will have refreshments to sell to assist their clubs in sending delegates to the farm short course at College Station this summer.

The committee decided three trips would be made every week from June 12 until July 5. The Ballinger Band will accompany the delegation and furnish a large part of the entertainment. Local citizens will furnish transportation for the musicians. In addition to the band programs a committee will arrange a program of other musical numbers and vaudeville stunts.

Those in charge of the excursion stated that candidates are invited to accompany the boosters and spend all the money they want to at the stands but they no political talks or announcements will be permitted. The only announcement to be made will be in regard to the Rannels county fair in Ballinger next October.

The Ballinger Chamber of Commerce and committees from the two local civic clubs will assist the trip committee in securing a large delegation for each trip.

The itinerary adopted here Saturday is as follows:

Tuesday, June 12, Maverick
Friday, June 15, Olfen
Thursday, June 21, Bethel
Tuesday, June 26, Norton
Thursday, June 28, Content
Friday, June 29, Hatchel
Tuesday, July 3, Benoit
Thursday, July 5, Dale

The final calculations showed only a fractional part of a point difference and for that reason both were given the same prize. Later in the month Miss Gertrude Blodgett, district agent, will view the prize winning rooms.

Articles written by each of the winners will be published in The Ledger next week.

COMMUNITY SOCIAL AT DRASCO JUNE 14

A community social will be held at Drasco on the evening of June 14. At this time the women of the Drasco Methodist Church will have charge of the program and serve refreshments to all who attend.

A special invitation is extended candidates to be present and talk to the voters of the community.

RANNELS COUNTY GOLFERS LOSE TO BROWNWOOD CLUB

The Rannels county golf team went down in defeat at Brownwood Sunday. H. G. Agnew was the only man from this county to win a match. The Brownwood team furnished the strongest competition in the matches so far this year.

LEGION CONVENTION TO BE HELD AT SWEETWATER

The 17th district convention of the American Legion will be held at Sweetwater on June 16 and 17. This will be the last district meeting before the state convention and committees will be appointed to look after business at the state convocation. An executive committee will also be named at this meeting to take the place of Orville Turner, who recently resigned to become divisional commander.

A special appeal is being made to all the "old wheel horses" of the 17th district to be present. Sweetwater Legionnaires are preparing for a grand welcome at the district convention and there will be entertainment and business the entire two days.

O. B. McCarver, student of the University of Texas, is visiting relatives in Ballinger.

Practical Joke is Fatal To Youth at Miles

A practical joke by boys at Miles Monday evening cost the life of Jesse Forehand, 17-year-old Comstock youth. Forehand died in a San Angelo hospital Tuesday noon as the result of a wound sustained at 10 o'clock the previous evening, when the wadding from a shot-gun shell tore a hole in his abdomen and ripped away three inches of the large intestine.

No charges were filed at the conclusion of a court of inquiry held in Ballinger Tuesday before Justice of the Peace B. W. Pilcher by County Attorney Roy L. Hill.

As shown by the evidence Miles boys for several years have played the same practical joke on visiting youths. It was disclosed to the witness stand that an automobile is usually sent to the country in which one boy has a shot-gun loaded with blank shells. Another car picks up the visiting youth to "go to the country to meet some friends," and when the

second group arrives the youth with the gun begins shooting. On this occasion the lads decided to turn the tables and Forehand was armed with a pistol and told of the hoax. When they arrived near the car already spotted in the country Albert Rogge was in charge of the shot-gun, according to testimony adduced here, and when the car with the victim arrived, he fired. One of the boys in the second machine fell to the ground as though he were wounded and Forehand drew his pistol, crying, "Now you have killed my buddy and I am going to shoot you," firing the gun at the same time. He was advancing on young Rogge and when the shot-gun was fired again part of the wadding from the blank shell caused the fatal injury.

Forehand, who graduated from the Comstock high school with the 1934 class, formerly resided at Miles.

They Head Press in Annual Convention at Dallas

Rufus F. Higgs, President, Stephenville-Empire-Tribune; Sam P. Harben, Secretary, Richardson Echo; Sam C. Holloway, Vice-President, Deport Times.

Here are the officials of the Texas Press Association which will hold its annual convention in Dallas, June 14, 15 and 16. Holloway is scheduled, in accordance with custom, to be elected president to succeed Higgs, who was named at the 1933 convention in Houston. Harben has been secretary of the association for 26 years. (Texas News Photos)

Experts Seeking Means to Combat Grain Root Blight

A good many Rannels county farmers have been forced to replant their milo maize and other grain sorghums this year on account of poor stands caused by root disease. In some cases farmers did not replant because moisture was not sufficient to germinate the seed.

County Agent Elmo V. Cook has been in communication with experts recently to ascertain if the disease could be controlled. A letter received this week from J. J. Taubenhaus, plant pathologist of A. & M. College, says there is no known specific for the disease. Tests are being made to determine if there are some grains not affected by the disease.

Farmers who have unaffected fields near fields that have shown signs of the disease, are requested to report to the county agent so that a more thorough study may be made to determine what grains are immune.

Mr. Cook says that it is possible that the grain sorghum disease may be eliminated by treatment of the seed before planting with copper carbonate, cresam, or cuprocid. This treatment will prevent head smut it was shown by recent experiments.

Experts Seeking Means to Combat Grain Root Blight

Mrs. Joe Simmons is definitely improved following an operation April 24. She has been ill since April 1 but is now recovering appreciably.

Interest Centers On Oil Tests Near Pay Sand Soon

Only one oil test in the McMillan field was active Thursday morning. Art Tucker, drilling between the first producer in the field and the old Bluebonnet well, was down 2,300 feet and without misfortune should bring the well in next week. The location of this well is considered in the best territory of the entire field.

Watt Brothers, operating a large rotary machine on the Margaret P. Dibble lease, D. L. Brevard farm, have cemented 8-inch casing to the top of the sand. The well will be shut down a few days while waiting for the cement to dry and will then be drilled in. A core test made in the bottom of the hole shows saturated oil sand and a good producer is predicted.

The Prairie Oil & Gas Company well on the T. B. Wade land is shut down at 2,300 feet, awaiting casing, and drilling will be resumed as soon as the pipe arrives and is set to the bottom of the hole.

Ila Mae and Dorothy Jennings returned the past week-end from San Angelo where they had been visiting.

Mrs. Sam Runkles, of San Angelo, is visiting her parents, Mr. and Mrs. W. W. Chastain, several days.

MISS CORDELL LEAVES FOR TAMPICO, MEXICO

Miss Edna Cordell, daughter of Mr. and Mrs. J. M. Cordell of this city, left this week for Tampico, Mexico, for a two weeks' visit with her sister, Mrs. George Hubbard, Martha Louise Hubbard, who had been visiting in Ballinger and at Sweetwater returned home with Miss Cordell.

While in Mexico the party will visit the national capital and other points of interest.

LOCAL YOUNG PEOPLE GO TO ENCAMPMENT

Three Ballinger young people left Thursday for Kerrville, where they will be for the next ten days attending the Presbyterian encampment. Those in the party from here are Miss Dorothy Lynn, Miss Mary Faye Wardlaw, Miss Marcella Fryar.

Miss Lois Powell, of Abilene, visited her uncle, Judge J. W. Powell, and family, last week. Miss Powell also attended the wedding of Miss Velma Turner and Clarence Jaeggli.

Mrs. W. E. Branch and Shelly Ann Brown have gone to St. Louis for a month's visit with R. M. Brown.

WINGATE CLUB ELECTS OFFICERS FOR THE YEAR

The first meeting of the Wingate 4-H boys' club was held last week, at which time the organization was perfected and officers elected for the ensuing year. The twenty-four members present heard a talk by the county agent.

Cecil Wood was elected president; W. A. Wood, secretary; and T. W. Burns, adult sponsor.

Congressman Bailey Will Speak Here Thursday, June 14

Congressman Joseph Weldon Bailey, Jr., candidate for the United States Senate, will speak in Ballinger at 4 o'clock next Thursday afternoon, June 14. The address probably will be made from the court house lawn.

Bob Sellers, of Dallas, was here this week to arrange for the speaking engagement here for Mr. Bailey and the date was confirmed by telegraph Wednesday from Bailey headquarters at Dallas. Other Bailey supporters of Abilene and various points in this part of the state have visited Rannels county recently in the interest of the candidate.

All citizens of this and adjoining counties are invited to attend the speaking here and hear the main issues of the national political situation discussed by this able speaker. Congressman Bailey is one of the most colorful figures in Texas politics, and is considered the most eminent defender of the state's rights theory.

Gravel Hauler Crushed to Death On Highway No. 4

J. M. Champion, 30, driver of a gravel truck, was killed instantly Monday morning when he was crushed between the steering wheel and the truck body on highway No. 4 north of Winters. The truck was heavily loaded with gravel and is believed to have burst.

The accident occurred about 9:30 a. m.

W. T. Coley, justice of the peace at Winters, after an inquest reported the death was by accidental means.

Mr. Champion was unmarried. His parents, Mr. and Mrs. J. L. Champion, reside at Brownwood. He was employed by the Uvalde Construction Company.

Mr. and Mrs. James A. Wear and children are spending this week with Mr. Wear's relatives in Fort Worth and Sherman. They will return home Sunday.

Stamp Collectors Attention

I have stamps from 44 different countries, stamp hinges, detectors, albums, etc.

Content Social Meeting Saturday Successful Affair

A large crowd attended the community meeting at Content Saturday night, held under the auspices of the home demonstration club of that place. The program was staged at the school building with a portion of the campus, some of the rooms and the auditorium used for the presentation.

A number of refreshment stands were operated on the grounds and all these did a rushing business, selling out practically all of their wares. Inside the building a number of carnival exhibits drew heavy attendance. The small attractions charged 5 cents admission and each had been carefully arranged so that it would be worth the money and then some.

"The Cave of Mystery" was one of the most popular attractions on the midway and the escorts gave the county candidates present a few added thrills as they were conducted through.

From the carnival booths the crowd was drawn to the main auditorium where music and readings were presented by members of the club. Other attractions including an auction amused the crowd and at the close of this program candidates present were introduced and given an opportunity to make brief announcements.

RANNELS HOG RAISER IS BELIEVED TO HOLD RECORD

Elmer Barnhill is believed to have set a record in the production of hogs in this county. In March he had one Duroc sow that farrowed a litter of 22 pigs. Mr. Barnhill has found no one that claims a better record than this.

CHURCH OF CHRIST REVIVAL WILL COMMENCE JUNE 17

The Eighth Street Church of Christ will open a summer revival Sunday, June 17, at 11 o'clock. The preaching will be done by Wright Randolph, minister of the Church of Christ at Slaton. This meeting will continue ten days, closing June 27.

Further and more complete announcement concerning the revival will be made next week.

PREACHING AT HAGAN TWICE NEXT SUNDAY

Church services will be held at the Hagan Baptist Church Sunday at 11 a. m. and 8 p. m. Rev. John P. Hardesty will do the preaching. The public is cordially invited to attend these services.

Miss Edith Miller and Joe Simmons, Jr., left Monday for Nogales, Arizona, for a visit with Mr. and Mrs. Hugo Miller and children. They plan to spend the remainder of June on Mormon Lake and then visit Grand Canyon, Petrified Forest and other noted beauty spots.

Miss Maunette Allman left Saturday for Alpine, where she will attend Sul Ross College this summer.

Students of Texas University Keep Order at Dances

AUSTIN, June 6.—A spirit of cooperation instead of disension on the part of students pervades the crowds at the University of Texas dances. C. N. Zivley, manager of the Texas Union said, and students assist the floor managers to enforce regulations against drinking and misbehavior. Only two or three students have been dropped from the university rolls during the past year for misconduct at the dances. First offenses are reported by the dance committee to the dean of student life, and second offenses are reported to the discipline committee, under the terms of "gentlemen's agreement" with the dance committee, with expulsion from the university being the penalty.

The highest praise for the management of the university dances has been received from visitors who have attended them, including parents of university students, regents and faculty members from other schools and others. Letters have been received asking for advice on how to model other school dances on the Texas Union plan.

Attendance at the university dances this year, 33 in number, has been approximately 30,000, the largest on record, according to Zivley. Tickets issued, including complimentary ones, have totaled 31,022, no tickets being required for women and girls. The largest dance of the year was the one following the Texas-Rice football game, when attendance was in excess of 2,000. Only five of the dances were of such proportions that they could not be held in the ballroom of the Union building and had to be removed to Gregory gymnasium. Seventeen of the dances were played for out-of-town orchestras, in response to demands of the student body, while the remaining sixteen were played for local musicians. Nine of the out-of-town orchestras were of national recognition, Zivley said.

Serious consideration is given to the selection of orchestras for the university dances, Zivley said. Before an orchestra is signed for a university dance, a thorough investigation is made of its claims, through correspondence with former university students who are familiar with the band, hotels and "night spots" where the orchestra has played, with musicians' unions, etc.

"The recent effort of the 'Big Ten' universities of the North and East to protect themselves from orchestras which seek to substitute inferior musicians under the direction of advertised leaders is an old story to the university dance committee," Zivley said. "Every member of an orchestra to play for the university dances is thoroughly investigated before the agreement is made."

More than 150,000 persons have attended the all-university dances during the last five years, Zivley estimated. The best attendance is usually during the fall, being quite large for the first few months after school opens. January is usually a bad month, with another increase in February and March. The months of April and May always register low attendance.

This is the first year the all-university dances have been held under the auspices of the Texas Union. It is significant, Zivley pointed out, that union is self-supporting, not one cent of state appropriation either tax money or otherwise, being used for its upkeep. Receipts from the university dances and from the other uses to which the Union building is put are used to defray all expenses of operation, including salaries, lights, fuel and other expenditures. The building itself was constructed largely with funds donated by university ex-students, students and friends.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sluggish and the world looks dark, don't swallow a lot of pills, mind your diet, exercise and get your bowels moving and you'll be all right. You'll feel better and enjoy life more.

For they can't do it. They only move the bowels and a more movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two quarts of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a sick, bad taste and your breath is foul. Bile also breaks out in blotches. Your head aches and you feel drowsy and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two quarts of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, acting when it comes to making the bile flow freely.

Don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware of cheap, cheap imitations. ©1921 C. M. Co.

Hardin & Simmons Commencement Climaxes Dr. J. D. Sandefer's 25th Year as President

Forty-second annual commencement exercises to be held at Hardin and Simmons University, Abilene, today (Thursday) are significant in two respects: First, it is the first commencement ever held by the school

under this new name; second, it marks the close of Dr. J. D. Sandefer's 25th year as president of the institution.

Dr. Sandefer, thought to have been president of one college longer than any other man in Texas, was honored last Friday

in a program attended by 1,500 people, including some of the state's leading school men. Dr. George W. Truett, of Dallas, delivered the main address, eulogizing Dr. Sandefer as a Christian educator.

Above are shown: Dr. Sandefer;

Mr. and Mrs. John G. Hardin, of Burk Burnett, whose recent gift of \$400,000 to the university resulted in a change of the name from Simmons to Hardin and Simmons; and George H. Mahon, of Colorado, who delivered the commencement address to 71 seniors.

fight against overwhelming odds at Isandhlwana. "They would not run," he said. "They fought even with their bare hands and stood until the last man was hewn down." When he ordered by the Zulu commander-in-chief to attack, several other Zulu regiments had been severely repulsed, but as he approached the British ammunition ran out.

Robert Bruce left Sunday for Mineral Wells, where he will transact business several days.

127 Health Awards Made Here Sunday By County Nurse

One hundred and twenty-seven diplomas were awarded women, boys and girls of the county Sunday afternoon at the Ballinger Baptist Church. The program was arranged by Mrs. Georgie Stephens, county health nurse, to close the special health classes and clubs that have been functioning the past several months.

Sixty women, members of classes organized early this year by Mrs. Nadie Thorp and completed by Mrs. Stephens received awards. These courses on home hygiene and care of the sick were furnished by the American Red Cross. Mrs. Thorp taught as long as the project was a part of the relief work and had made such good progress that the work was taken over and completed easily by Mrs. Stephens. In addition to the 60 women, 59 girls and 8 boys received diplomas in junior health clubs which were a part of the Runnels county public health nursing work during the past year.

Mrs. Joe Morrison, of Ballinger, read a paper on "What the Course Has Meant to Me." This was declared an excellent paper, written after Mrs. Morrison had completed the course in one of the Ballinger classes.

Mrs. J. H. McClain played an organ number and Miss Nell Shep-

perd gave a reading. The principal address of the afternoon was given by Mrs. Metz Bishop, Tom Green county health nurse. Her remarks were made directly to those who assembled to receive the awards.

She Lost Fat High Blood Pressure

Here's Today's Live News For Fat Women—And Men, Too Read It—Please.

"I have been taking Kruschen Salts for nearly a year for my health, and for high blood pressure and rheumatism and it helped both. My blood pressure was as high as 290 when I started to take Kruschen. I weighed 255 and now I weigh 214 that is losing 41 lbs. in about nine months and I feel fine. Wouldn't go without Kruschen Salts in the house." Mrs. W. Eckoff, Saginaw, Mich.

Besides melting away ugly excess fat Kruschen constantly keeps the bowels regular and free from waste that is always apt to poison the system.

Fat folks should give Kruschen a month's trial—it never disappoints—you'll feel so much better after taking one inexpensive jar weather.

P. J. Harris left the past weekend for various points in the state on his annual vacation.

ZULU WARRIOR CHIEF DIES IN HIS OLD AGE

VRYHEID, Natal, Africa, June 6.—Sifalane ka Zigodo, chief of the Mbata Mayama tribe, and famous for leading his Zulu followers to break the British square at the Battle of Isandhlwana in 1879, has died in Vryheid. He was 90. Sifalane spent his last years in quiet and in relating his war feats.

He never tired of expressing his admiration for the British "Tommy's" heroic hand-to-hand

Local Man Heads Hardin & Simmons Violin Department

Herbert Preston, of Chicago, former Ballinger boy, who was reared in the home of Dr. and Mrs. A. S. Love, has been elected to head the violin and orchestra department at Hardin and Simmons University, Abilene. He will take the place in the music department formerly held by Christian Thaulow, who recently resigned.

Mr. Preston is well known in Ballinger and his successful musical career has been watched with keen interest by many Ballinger friends. Dr. and Mrs. Love, uncle and aunt, reared Mr. Preston almost from infancy and gave him his musical education. He and his wife are expected this month for a visit with relatives and friends before he begins a concert tour.

Mr. Preston is a graduate of the Chicago conservatory and has studied under the eminent Polish pianist, Richard Czerwonky. He also holds the A. B. and B. M. degrees from Baylor University. During the past year he has served as

director of music in one of the largest Southside high schools in Chicago and has also taught violin, viola, and cello in his own private studio.

His orchestra of more than 300 performers was a feature of the recent convention of music supervisors held in Chicago.

In addition to his duties in the violin and orchestra departments, Mr. Preston will also

H. G. Agnew has sent to Brownwood to play with the Runnels golf team against the Brownwood team.

A Guage of Civilization

The efficiency and completeness of a city's sanitary works is a very good index or guage of its civilization. Every city owes a responsibility to its citizens of making a safe and adequate disposal of its wastes. Sanitation means civilization, comfort, health and happiness. Ballinger has a good, efficient sanitary sewer system, and your patronage and cooperation is appreciated.

Enter YOUR Letter in this \$1500 PRIZE CONTEST

50 PRIZES

GRAND PRIZE: The three absolutely essential appliances of the modern kitchen — an automatic gas range, an Electrolux gas refrigerator, and an automatic gas water heater.

SECOND PRIZE: An Electrolux Gas Refrigerator.

THIRD PRIZE: A modern gas range.

FOURTH PRIZE: A modern gas range.

FIFTH PRIZE: A modern gas range.

SIXTH PRIZE: A modern automatic gas water heater.

SEVENTH PRIZE: A modern automatic gas water heater.

EIGHTH PRIZE: A modern automatic gas water heater.

NINTH PRIZE: A modern automatic gas water heater.

TENTH PRIZE: A 10-radiant room heater.

ALSO 40 small room heaters as additional prizes for letters that receive honorable mention.

For complete details of the Contest and pictures of the prizes, ask for the Contest Broadside at the Gas Company Office, or write to Gas Contest Judges, 301 South Harwood Street, Dallas, Texas.

For the best letter on "Why I Like a Modern Gas Kitchen," your Gas Company and a number of leading appliance manufacturers offer 50 handsome prizes.

Here's an opportunity for you to win a beautiful modern gas range, an Electrolux Gas Refrigerator, or an automatic gas water heater, absolutely free. You don't have to buy a thing!

Before you begin your letter, we suggest that you visit the display of modern gas equipment at your Gas Company or gas appliance dealer's. Then write down your own ideas and enter your letter in the Contest. You can win one of the 50 valuable prizes. . . Start your letter now!

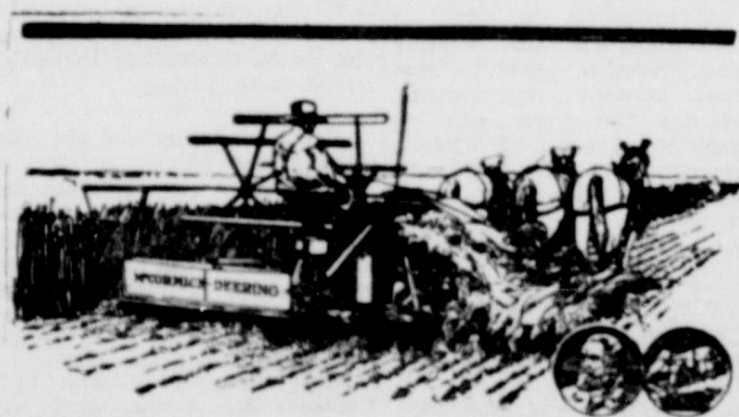

RULES

- 1 All gas customers, and Stargas customers, and members of their families served by any company in the Lone Star Gas System in Texas are eligible to compete for these valuable prizes, except employes and members of their families.
- 2 Write legibly on one side of the paper only.
- 3 Write your name and address plainly at the bottom of your letter.
- 4 Mail your letter to Gas Contest Judges, 301 South Harwood, Dallas, Texas, or bring it to the office of your Gas Company.
- 5 All entries received become the property of the Lone Star Gas System for its use and will not be returned.

The home economics representatives of three leading Texas colleges will act as judges.

BARNETT NEWS

Sunday school last Sunday was well attended.

Mr. and Mrs. Ike Watkins and Fred Yauber and son, of San Saba, spent the week-end with Mr. and Mrs. George Watkins and family.

Curtis Hoffman, of Benoit, spent Sunday with his aunt and uncle, Mr. and Mrs. C. L. Howell.

Mrs. Maxwell, of Ballinger, is spending this week with her daughter, Mrs. D. C. Camp, and family.

Mr. and Mrs. Roy Tyree and son, Bobbie, were dinner guests of Mr. and Mrs. A. W. Tyree and son Sunday.

Rev. Allen Patterson will preach at Barnett Sunday morning.

Miss Brooks, a nurse in the Ballinger hospital, spent Saturday night with Mr. and Mrs. Lee Howell.

Mr. and Mrs. E. A. Norman and son, Herbert Lindy, were dinner guests of Mr. and Mrs. Joe Bennett and family Sunday.

This community appreciated the rain that fell here Sunday night.

Miss Ruby Howell spent Saturday night with Miss LaVerne Dorsey.

Jack Smith, of San Angelo, is visiting his grandparents, Mr. and Mrs. R. L. Sides.

Misses Dot Almedia and Pauline Norman were dinner guests of Misses Hollis and Rosemary Camp Sunday.

Mr. and Mrs. Ellis Stubblefield spent Sunday with Mr. and Mrs. Dave Forney.

Miss Mildred Sides has returned home from teaching school.

Mr. and Mrs. Allen Patterson and son spent Sunday with the former's parents, Mr. and Mrs. J. A. Patterson.

Mr. and Mrs. J. H. Parrish and family, of Ballinger, visited in the home of Mr. and Mrs. E. A. Norman Monday afternoon.

Miss Evelyn Pape spent Sunday with Miss Ruby Howell.

The farmers of this community are about through cutting grain.

Mrs. Walter Morris visited in the home of Mr. and Mrs. Pape Monday afternoon.

Misses Maggie Mae and Emma Watkins spent Monday with Misses Evelyn and LaVerne Pape.

We are sorry to report that Mrs. R. L. Sides is worse and had to return to the Ballinger hospital Tuesday.

Alvin Richards visited relatives at Bethel Thursday night and Friday.

Mr. and Mrs. Linard Laxton visited Mrs. Laxton's parents over the week-end.

TALPA TOPICS

Rev. Hester, of San Angelo, preached at the Presbyterian church Sunday morning and evening.

Mrs. J. C. Smith and son, Don, left Saturday morning for Hebbronville, where they will spend several days in the home of Mr. and Mrs. J. Frank McGee.

Mr. and Mrs. Wes Bomar and children attended the funeral of Charles E. Carruth at San Angelo Sunday afternoon.

Miss Virginia Livingston returned home Tuesday morning from Pasadena, California, where she had been attending Pasadena Junior college.

Mr. and Mrs. L. T. Hood, of Ft. Worth, returned home Sunday after several days visit here with Mrs. Hood's mother, Mrs. S. P. Hale. Frank Hale Bennett returned home with them and will spend the summer there.

Stanley Wood and small son, Al J., and William Kennedy left Sunday for Temple where William will go through the Scott & White clinic this week.

Lee Givens and small daughter, Margie, and O. F. Givens, Jr., of Abilene, were here over the week-end to visit their father, O. F. Givens, who has been ill for several days, but is improving this week.

Mr. and Mrs. Coy Nalley, of Abilene, were week-end guests of Mrs. Nalley's parents, Mr. and Mrs. W. T. Gregory.

Mrs. E. L. Smith spent the week-end in Bangs with friends.

BETHEL NEWS

The nice shower that fell Sunday night was appreciated very much but a general rain is needed to do any good.

Miss Ada Simmons left Monday for Commerce to attend summer school.

Mr. and Mrs. Sam Blalock and daughters spent Saturday night and Sunday with Mrs. Blalock's parents, Mr. and Mrs. Joe Benfer.

Mr. and Mrs. Fred Culp and family visited in the Manson Causey home Sunday.

Clyde Simmons and Walter Crockett returned home last week from Lubbock where they had been attending school.

Rev. Easterwood, of Abilene, filled his first regular appointment at the Baptist Church Saturday night, Sunday morning and Sunday evening. There was good attendance at all services.

Mr. and Mrs. Lem Harvey and Mr. and Mrs. Melburne Harvey and son visited in the Lon Muncy home Sunday.

Mr. and Mrs. John Adams have moved into our community. Mr. Adams will be principal of the Bethel school next term. Mr. Adams has now gone to Alpine to attend summer school at Sul Ross College.

Mr. and Mrs. Paul Richardson, Mr. and Mrs. Hedrick Shelburne and son, and Mr. and Mrs. Kemper Shelburne visited in the J. M. Shelburne home Sunday.

Mr. and Mrs. David Duke and daughters, Misses Lois, Johnnie Fay and Maurine, visited in the Frank Krc home Sunday.

Mr. and Mrs. W. P. Johnson and son, and Mrs. Henry Scott, of Broke, visited in the J. M. Nunley home Saturday and Sunday.

Mr. and Mrs. John Lee Simmons and daughter, of Maverick, visited Mr. and Mrs. Claude Simmons over the week-end.

Mr. and Mrs. J. S. Greenhill and family, Mr. and Mrs. J. M. Nunley and son, Barney; Mr. and Mrs. W. P. Johnson and son, of Bronte; Mrs. Henry Scott and son, of Bronte; Mr. and Mrs. Oran Nunley and sons, of Concho; and Mr. and Mrs. J. S. Greenhill, Jr., and daughter, of Concho, enjoyed a fishing trip on the Concho River Saturday night.

Miss Pearl Holton left the first of the week for Abilene where she will enter A. C. C. for the summer term.

Mr. and Mrs. Fletcher Crockett, of Levelland, came in Saturday night for a visit of several days with relatives.

Mr. and Mrs. David Duke went to Eastland Saturday evening and Mrs. Crouch, Mrs. Duke's mother, returned home with them Sunday for a visit.

Ralph Hornburg and Tom Archie Davidson have returned from a visit with relatives in Louisiana.

Quite a number from this community attended the all-day program at Olfen Tuesday.

Mr. and Mrs. Nolen Butts, of San Angelo, spent Sunday night and Monday in the David Duke home.

The social at the Methodist church was postponed until this Friday (tomorrow) night. Invitations have been mailed to all candidates, who will have charge of the entire program. An invitation is extended the public to attend this social.

The school board met Monday night and elected Clyde Simmons to teach the fifth and sixth grades in the Bethel school next fall and winter. Mr. Simmons has many friends here and we are glad to have him as one of the faculty.

Mr. and Mrs. John Lee Simmons and little daughter, Betty Jane, of Maverick, spent the week-end in the home of Mr. and Mrs. Claude Simmons and attended church here Sunday.

Walter Bigby has been suffering the past few days with an infected foot.

Mrs. Mead McShan and daughters were guests in the Tom Crockett home Monday night.

BLANTON NEWS

Farmers are about up with their work, and are waiting for a rain.

Misses Mildred Elkins and Juanita Huddleston left Monday for Brownwood where they will attend the summer school at Howard Payne College.

Mr. and Mrs. Don Macune visited in Winters Sunday afternoon.

Mr. and Mrs. J. S. Flanagan and Mr. and Mrs. Ed Lindemann were guests in the R. L. Boothe home Sunday afternoon.

Mr. and Mrs. Elvis Elkins and Mrs. Krehbiel Allison left Sunday morning for Denton where Mrs. Elkins and Mrs. Allison will attend school this summer.

Miss Zell Reese, of Ballinger, visited home folks over the week-end.

Miss P. P. Holton and daughter,

Miss Pearl, spent Friday with Mrs. J. P. Boothe and family.

Misses Arlyen Boothe and Euda Mae Foreman were dinner guests of Miss Oma Lee Tounget Sunday.

HERRING TOPICS

Church and Sunday school were well attended Sunday.

The farmers are very busy chopping cotton and plowing up the grass that the last rain brought. Crops are looking good and some of the grain has already been harvested.

Mr. and Mrs. Flay Brevard, of Glen Cove, spent Sunday with Mr. and Mrs. W. A. Hale and family.

Mr. and Mrs. Marvin Hale and Mr. and Mrs. Marion Kerby and son spent Sunday with Mr. and Mrs. Clyde Brevard.

Mr. and Mrs. T. M. Hudgins and children and T. C. Payne and children spent Sunday afternoon with Mr. and Mrs. A. W. Madison of Crews.

Mr. and Mrs. Owen Bragg are entertaining a fine baby boy. The young man arrived May 28 and was named James Russell.

Mr. and Mrs. J. P. Brevard and Lexie and Louise Whitley spent Sunday with Mr. and Mrs. G. C. Avent.

Mr. and Mrs. Rosford and family spent Sunday with Mrs. Rosford's parents, Mr. and Mrs. Schwartz, of Crews.

Mr. and Mrs. T. J. Whitley and Hubert Whitley spent Sunday with Rubion Whitley and family.

SOUTH BALLINGER NEWS

How to make princess slips, pajama and bloomer patterns with the use of the foundation pattern was the demonstration given to the South Ballinger home demonstration club by Mrs. Lura Hollingsworth, Runnels county home demonstration agent, at the home of Mrs. George McMillan Tuesday, June 5.

Mrs. John Hooks and Mrs. Geo. McMillan were selected to represent the South Ballinger club at the A. & M. short course, July 30 to August 3, inclusive.

The next regular meeting will be held at the home of Mrs. B. M. Batts June 19. All members are urged to be present and visitors are always welcome.

Refreshments of ice cream and sunshine cake were served to the members by the hostess.

The community social will be held Tuesday, June 26, at 8 p. m., at the South Ward school. Plenty of ice cream and cake will be on sale and everyone has a cordial invitation to attend. A very special invitation is extended to the candidates.

Berry picking has been in progress three weeks with plenty of berries to ripen yet.

Mike Boyd's cannery has been operating day and night, canning for himself and the owners of other berry patches. The juice and pulp are canned separately in five-pound containers.

Horace Murphy finds sub-irrigation very satisfactory and has just completed 150 feet of concrete tiling to extend the sub-irrigation. He already had 320 feet in use.

EAGLE BRANCH EVENTS

Mr. and Mrs. Raymond Kurtz and Mrs. Eugene White motored to Guion and picked berries to can one day last week.

Mr. and Mrs. O. V. Cooper and children, Mr. and Mrs. Raymond Freeman, and Mrs. E. J. White and children were guests of Mr. and Mrs. Johnny Freeman, of Harmony, Saturday evening. Games of "42" were played, after which ice cream was served.

J. H. Kurtz, Albert Kurtz and Travis Cummings went fishing Thursday of last week. They report catching plenty of fish.

Born to Mr. and Mrs. Mack Jones on Monday, May 28, a fine boy. No name had been given the young man at last reports.

Born to Mr. and Mrs. Albert Kurtz on Monday, June 4, a fine

girl. She has been christened Lavera June. Mother and baby are doing fine.

Mr. and Mrs. J. H. Kurtz and children and Mr. and Mrs. Travis Cummings were guests of Monroe Kurtz and family, of Winters, Sunday.

The combines of H. G. Bradley and J. L. Elkins are running steady now. Several fields of grain have been threshed in this community.

Mr. and Mrs. Elvis Elkins left Sunday for North Texas State Teachers' College, Denton, where they will attend summer school.

Miss Mildred Elkins will attend Howard Payne College, Brownwood, this summer.

Miss Geneva Boothe was the guest of little Misses Velma and Tillie Jacob Sunday.

Mr. and Mrs. H. L. Tooker attended the picnic and candidate speaking at Olfen Tuesday. Most of the candidates of the county and several district candidates were present and were shaking hands with and passing out cards to the large crowd that was there.

Chevrolet Makes Price Reductions On All '34 Models

Reductions in prices of all Chevrolet motor cars were announced this week and elsewhere in this issue of The Ledger will be found two ads specifying the new prices. One announcement is of the showing and price of the new standard model coach which is listed at \$465. The other advertisement pertains to standard and master model passenger cars and commercial vehicles.

The Batts Chevrolet Company of Ballinger, dealers for the Chevrolet, has a large stock on its floors and is now selling under the revised price schedule.

Chevrolet dealers delivered 43,311 units during the first twenty days of May, according to William E. Holler, general sales manager of Chevrolet Motor Company.

Retail deliveries during the year to May 20 totaled 324,344 against 223,857 units for the same period of 1933, 145 per cent of the same time last year.

Retail deliveries of commercial cars and trucks continued to gain. Dealers delivered 7,943 commercial units during this twenty-day

period against 5,470 for the same period a year ago.

MISS MUDA TITLE WEDES; RESIGNS POSITION HERE

Friends of the former Miss Muda Jane Tittle, for several years Spanish teacher in the Ballinger high school, received announcements this week of her marriage on June 1 to R. L. Smithey, of Mertens. The ceremony was performed at Hillsboro and the couple left at once for San Antonio and other points on a wedding jour-

ney. Mr. Smithey, a prosperous farmer of Mertens, has visited in Ballinger several times in recent years. Mrs. Smithey is one of the most popular local teachers and has a host of friends here. She is very talented in art, taking part in many public programs.

Mrs. Smithey has tendered her resignation from the Ballinger high school faculty.

Corkill Motley came in Thursday from Abilene where he attended school the past term.

Don't give up!

I DO NOT want to give up... but why do I tire so easily... why can't I 'carry on'... and how is it that I do not feel like myself?

It may be that as the result of colds... indoor or over work... worry and the like... the strength of your blood has been weakened—that is, the red-blood-cells and hemo-glo-bin reduced... and Spring finds you with that "worn-out" and "let-down-feeling."

For such cases try that time-tested tonic S.S.S.—not just a so-called tonic, but a tonic specially designed to restore body strength by its action on the blood.

S.S.S. value has been proven by generations of use, as well as by modern scientific appraisal. Unless your case is exceptional, you should soon notice a pick-up in your appetite... your color and skin should improve with increased strength and energy.

S.S.S. is sold by all drug stores... in two sizes. The larger size is more economical. C The S.S.S. Co.

In the Springtime—take S.S.S. Tonic.

CHEVROLET

ANNOUNCES SUBSTANTIAL

PRICE REDUCTIONS

on all models of

Chevrolet passenger cars and trucks!

Reductions amount to as much as \$50 on some models

NEW REDUCED PRICES EFFECTIVE TODAY

Dual Long Cab and Stake Body	740	50

Above are list prices of passenger cars at Flint, Mich. With bumpers, spare tire and tire lock, the list price of Standard Models is \$12 additional; Master Models \$20 additional. List prices of commercial cars quoted are f. o. b. Flint, Mich. Special equipment extra. Prices subject to change without notice. Compare Chevrolet's low delivered prices and easy G.M.A.C. terms. A General Motors Value.

CHEVROLET'S reduced prices reflect in dramatic fashion the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values at these new, lower prices, Chevrolet hopes to maintain, during the balance of the year, the high level of employment so necessary to the general program of recovery.

Chevrolet is particularly glad to make this important announcement just at this time when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these cars. Be practical—compare its modern features and these new low prices with those of any other low-priced car. Then you will know even more surely than before why we say with confidence, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."

 - 1 pieced cotton quilt (size 72x90 or 90x106)
 - 1 baby or crib quilt (size 36x50 or 42x60)

INTERNATIONAL PACT TO SAVE AFRICAN BEASTS

LONDON, June 6.—Signing of the international convention to protect the wild animals and vegetation of Africa is expected to preserve much of the wild charm of that continent.

The convention closely restricts the killing of animals. A large number, grouped in class A, are to be protected as completely as possible, hunting, killing, and capturing to take place only by special permission, which will be given only in the interests of science or when essential to administration.

This covers the gorilla, some antelopes, the zebra, and the elephant when the tusks are small. In class B are included animals not to be hunted, killed, or captured save by special license. These include the chimpanzee, the giraffe, certain gazelles, the elephant when the tusks are grown, the secretary bird, and the egret.

"Buster" Caudle, son of Mr. and Mrs. W. S. Caudle, of Hatchel, is at home from Texas Technological College, Lubbock, where he has been a student the past year. He will teach in the Crews school the next term.

David Baker, student in the University of Texas, is at home to spend the summer.

BUILDERS OF TEXAS

H. O. WOOTEN
OF ABILENE, TEXAS

BORN IN TYLER, TEXAS IN 1865. MOVED TO BUFFALO GAP 55 YEARS AGO AND MOVED TO ABILENE TWO YEARS LATER.

April Shipments of Livestock Show Decline Over 1933

AUSTIN, June 6.—Livestock shipments from Texas to Fort Worth and interstate points during April fell below those of the corresponding month in 1933 for the first time during the current year, according to the University of Texas bureau of business research.

Total shipments of 8,052 cars compared with 8,794 cars during April last year, a decline of 10 per cent, the bureau's report said. "Only one class of animals, cattle, showed an increase and that was only 5 per cent. Respective carload shipments of the various classes of livestock compared with April, 1933, were: Cattle, 6,659 and 6,358; calves, 651 and 873; hogs 395 and 765; and sheep, 347 and 798. It will be noted that only about half as many hogs and sheep were shipped from the state as in April last year and about 25 per cent fewer calves.

For the first four months of the year, however, total shipments of 18,513 cars were still above the 17,907 cars of the corresponding period last year.

"This is the season of the year when large shipments of cattle and calves are made to the Flint Hills of Kansas and the Osage country of Oklahoma for summer grazing. Shipments to Kansas this year were much larger than in April a year ago, but there was a decline in shipments to Oklahoma.

"A number of significant changes occurred in shipments of livestock to important markets in comparison with last year. Fort Worth, for example, received only about one third as many sheep and half as many hogs as during April last year, and shipments of Texas cattle to Los Angeles were 80 per cent below those of April last year while no Texas

calves or sheep reached that market during the month.

"Receipts of hogs from out-of-state points totaled 277 cars, against 108 cars in April, 1933. The bulk of these receipts came from points in Kansas, Nebraska, and Oklahoma.

"Compared with last year considerable variation is to be noted in the number of animals shipped from the different sections of the state. This situation probably reflects differences in range and forage conditions. Fewer cattle were shipped from the Panhandle section than in April a year ago, but in North Texas east of the Cap Rock a considerable increase in shipments occurred. There also was a large increase in shipments of both cattle and sheep from the Trans-Pecos country, while a marked decrease in shipments of cattle, calves and sheep occurred from the Edwards Plateau."

COTTON CONTRACT CUTS WERE THE RULE

COLLEGE STATION, June 6.—Cutting cotton production figures in cotton adjustment contracts was the rule and not the exception in Texas and everywhere else, according to the state cotton review board. The farmer who feels badly that his first figures giving average five-year production were not accepted by the board, and were reduced by the county committee to put them in line with the county allotment, may feel better if he knows that nearly all farmers took similar

When all the cotton production figures put by farmers into their contracts were added up it was found that they ran over the county allotments by a rough acreage of 20% of the board states. In some counties the over-run went more than 40%.

"This does not mean that farmers were dishonest in giving their production figures, the board says, just that farmers had no way of knowing exactly what they had produced for five years. Production figures were of necessity estimates based largely on memory. The same was true of acreage figures. A farmer assumed he had 100 acres in a field but it might have been 90 acres or 110 acres if actually measured.

On the other hand the bureau of crop estimates knows with great accuracy the total bales produced in Texas every year. The average of this five year became the Texas allotment. This was apportioned out among counties on the basis of local ginnings, cross county ginnings taken into account. It was imperative if there was to be a cotton program at all, that the total cotton production given by farmers in their contracts added to that of non-signers not exceed the known state totals. That is why cuts were necessary, the board explains.

Miss Louise Tinsley has been removed from the Halley & Love Sanitarium to her home on Ninth Street. Operated on two weeks ago, she is still unable to be up.

Women! Accept this Teaspoon FREE!

Wm. Rogers & Son Guaranteed

This fine quality Wm. Rogers & Son teaspoon is yours for the asking.

But hurry! This exceptional offer expires 2 weeks after date of newspaper in which this ad appears. All you do to get this valuable teaspoon free is send one Silverware Coupon, found in every size sack of Gold Medal "Kitchen-tested" Flour, together with the coupon below. Your teaspoon will come postpaid by return mail. LIMIT—1 TEASPOON TO A FAMILY.

Frankly, this free gift offer is made solely to induce you to try the new Gold Medal "Kitchen-tested" Flour—the remarkable new flour milled from the choicest wheats. A scientific, all-purpose flour, "kitchen-tested" by actual bakings of cakes, pies, and breads under the direction of Betty Crocker, famous cooking authority, in a kitchen much like yours—to give perfect and uniform results every time.

Start a Complete Silverware Set NOW!

Here is the easiest, most economical way to get that "Sunday best" set of silverware you've been wanting. Coupons in every size sack of Gold Medal "Kitchen-tested" Flour, varying from one (1) value in small sacks to ten (10) values in large sacks.

 NOTE: This coupon entitles holder to state minimum laws governing redemption, as printed on Gold Medal Silverware Coupon. Offer limited to July 1.

Meat Curing Work Started in County; Cook is Assisting

Demonstrations for curing and cold storage of hog meat were commenced in this county Tuesday when County Agent Elmo V. Cook conducted a school at Winters before a good audience. This program will be continued as fast as possible, teaching rural citizens to kill more hogs in the summer before they have grown to such large size.

An effort will be made to hold demonstrations at meetings of the home demonstration clubs of the county and Mr. Cook will gladly visit all clubs where a hog can be butchered and chilled overnight.

In staging the demonstration he will cut half of the butchered hog and then supervise the cutting of the other half by the owner. The meat is then placed in a barrel for curing and the entire process supervised by the county agent.

Heretofore practically all hogs in this county have been killed during the fall on days when the meat would be frozen. With this one killing period for the year, some of the animals have grown to such size that they were hard to handle and the meat said not to be as good. Summer curing is declared to be just as good as that in the fall and better in some instances.

SHAMED OUT OF SECRET

LONDON, June 6.—It was a secret until someone suggested that the police of London were carrying powder puffs. That was too much for the men of Scotland Yard and they told all. Much speculation was caused when the mounted police appeared with a little white bag attached to their saddles. They stood it bravely when guessers talked of bombs and such things, but the powder puff guess brought out the truth. The bag contains a few handfuls of fodder to give the horse a snack if he is away from his stables too long.

Nazarene Meeting To Start Sunday In Large Tent

Rev. D. C. Palmore, well known evangelist and pastor of the Nazarene Church of Pearl, Texas, will open an evangelistic meeting Sunday, June 10, for the local Nazarene church.

This meeting will be held in a large tent to be erected on the corner of Ninth Street and Park Avenue, across the street from the Kelly Cottage, and will continue until July 1.

Rev. Palmore comes to Ballinger highly recommended by pastors of the state, and Rev. Ivan L. Flynn, former pastor of the local church, states in a letter that Rev. Palmore held a most successful meeting for his church.

The Webb sisters, also of Pearl, will have charge of the singing and the children's services which will be held each afternoon at 3 o'clock.

The meeting begins Sunday morning at 11 o'clock and services will be held each evening at 8 o'clock.

The regular Sunday school will be at 9:45 Sunday morning in the tent instead of at the church.

The public is cordially invited to attend each service throughout the entire revival.

Utilities Install Air Refrigeration In Local Office

The West Texas Utilities Company has completed the installation of an air refrigeration and conditioning system in its accounting department and employees are enjoying a temperature of 70 degrees during the torrid summer days.

The automatic electric machine is operated with water and air and any temperature desired may be obtained. The machine is on demonstration and patrons of the company are invited to see it and experience the comforts of an air-cooled office. Operation is noiseless and the equipment is economical in every respect. The doors and windows are closed and the air is cooled and purified at the same time. No odors are present even though smoking is permitted.

This company is always ready to install the latest electric appliances on the market. This is the first machine of this kind to be installed here, but many are in use in other parts of the United States and their absolute success has been proven.

Mrs. J. B. Striplin left Tuesday morning for several weeks' visit with relatives in Alabama.

Four Local Firemen To Attend Meeting Of State Association

Chester Cherry returned Monday morning from Austin where he attended a meeting of the executive committee of the state fire school of Texas. Mr. Cherry was recently appointed a member of the executive board. At the meeting the budget for the ensuing year was adopted and the legislature will be asked for an appropriation to carry on the work. The firemen's school year ends on November 1 and the work of the newly elected board will begin immediately afterwards.

Four Ballinger firemen will leave next week for Mineral Wells to attend the State Firemen's Association convention, to be held June 12, 13 and 14. The delegates from the Ballinger department are J. D. Motley, Chief Chester Cherry, George McMillan and Joe Baxter. They plan to spend the entire time at the convention and will be active in sponsoring the candidacy of K. V. Northington, Jr., for mascot of the state firemen's organization. Announcement was made at the meeting of the Hill Country Firemen's Association here that young Northington would seek this place of honor in the state organization and many West Texas departments have already pledged their support. He has been mascot of the Ballinger firemen's unit for a number of years and will accompany Chief Cherry to the Mineral Wells meeting dressed in his uniform. J. D. Motley will conduct a campaign for votes during the first two days of the convention and see that the boy is properly nominated at the last business session when officers are elected.

Certificate of Authority
THE STATE OF TEXAS (Seal)
Certificate No. 1563
Company No. 2264
Board of Insurance Commissioners of the State of Texas
Austin, Texas, May 7, 1934.
To Whom It May Concern:
THIS IS TO CERTIFY THAT American Central Life Insurance Company, Indianapolis, Indiana, has according to sworn statement complied with the laws of Texas as conditions precedent to its doing business in this State, and I have issued to said Company a Certificate of Authority from this office entitling it to do business in this State for the year ending February 28, 1935.

Given under my hand and my seal of office at Austin, Texas, the date first above written.
(Seal):

R. L. DANIEL,
Chairman of the Board.
24-3t

COTTON CONSUMPTION BY TEXAS MILLS INCREASED

AUSTIN, June 6.—Cotton mill activity in Texas during April showed mixed tendencies, it was pointed out in the monthly report of the University of Texas bureau of business research. Consumption by Texas mills totalled 6,844 bales, an increase of 34 per cent over April last year, and about 1 per cent above that of March, the bureau's report said.

Production of cloth amounted to 6,648,000 yards, an increase of 36 per cent over April last year but 4 per cent below March of the current year. Sales of cloth, however, totaling 3,266,000 yards, dropped 60 per cent from April, 1933, and 37 per cent from March of the current year while unfilled orders, amounting to 11,216,000 yards were 29 per cent below those on April 30 last year and 13 per cent less than those on March 31 of the current year.

"In past years there has generally been a decline in consumption of goods from March to April, and an increase in the quantity of goods sold and in unfilled orders, exactly the reverse of the situation during the present season," the report said.

Mr. and Mrs. W. L. Brown and Miss Margaret Kirk, of Austin, were here Saturday, Sunday and Monday, visiting friends and relatives and campaigning for State Comptroller George H. Shepard.

Feels a Lot Better When Black-Draught Relieves Constipation

From many states come reports like the following from Mr. W. M. Henderson, of Jasper, Pa.: "I have been taking Theodor's Black-Draught twenty years. I take it for constipation that gives me a dull, tired, aching feeling, and I have headache, too. Black-Draught relieves me of this trouble. After a few doses, I feel as good as new. I keep it in my home. I have a big family. When one of us is ailing (from constipation), we take Black-Draught and almost always feel a lot better. It has been worth it in gold to my family." "Children like the Syrup."

Thousands Attend Pampa's "Pre-Centennial"

Here is a part of the parade which was a feature of the "Pre-Centennial" celebration at Pampa, Texas, and brought thousands of visitors to the Panhandle City. This jubilee is staged as a forerunner to the Texas Centennial, planned for 1936 to celebrate Texas' 100th anniversary of freedom. (Texas News Photos.)

West Texas News Notes

Carload shipments of wool from Menard county are far behind the total on June 1 of last year. Including May 30, only 10 carloads of wool had left Menard during 1934. This is 40 cars less than last year, but approximately 1,000,000 pounds of wool are stored in warehouses, ready for shipment when the market opens.

A new up-to-date canning plant is to be opened at Mason soon. This plant will be operated under the supervision of the A. & M. College extension department and all machinery for the new project will be furnished by the extension service, and the building, lights, water, gas, etc., will be supplied by the commissioners' court. A number of people who have been on the relief rolls for some time will be employed in the new plant.

Twenty thousand people are expected to attend the big barbecue at the Brady July Jubilee July 5. Arrangements have been completed for the three-day celebration and approximately 15,000 pounds of barbecue will probably be used in feeding the record-breaking crowd expected.

Deputy sheriffs seized seven gambling machines at Junction last week. All counter devices except marble games, which are called "games of skill" were included in the seizure.

Winters has been selected by the Rainbow Singing Association as its place of meeting for next year. The convention was held at San Angelo this year and about 1,500 attended. The meeting will be held in May again next year.

Officers of the 17th district, Texas Rural Letter Carriers' Association, were elected at the annual meeting held at Brownwood last week. The meeting place for next year has not been announced yet, but

the officers will decide on the place and announce it soon.

J. M. McQueen, of Fisk, it is reported, owns one of the most peculiar freaks of nature ever seen in this section. This freak, according to reports, is a month-old calf without a tail and without eyes, but it is said to be able to go directly to its mother at feeding time. Except for its visible handicaps, the calf is thought to be normal as it is developing in a normal way.

South America is the destination of a load of registered cat-

Je from Coleman county which was shipped last week from Port Arthur. The South American buyer selected the cattle for use in breeding up the native cattle in Brazil. He chose well bred short horn yearlings of Repeater and Plato breeding and expects to use them as a nucleus of a purebred herd as well as crossing them with the Brazilian cattle.

Business men of Miles have agreed to close their places of business each day, except Saturday, at 7 p. m., beginning Monday of this week and continuing until August 31.

Six hundred and thirty cotton checks, amounting to \$40,000, were received at Melvin last week. This sum represents almost all of the checks for that section of the county, but other checks are being received daily and being distributed to the cotton farmers of that community.

NOTICE TO CREDITORS OF THE ESTATE OF HATTIE V. DAY, DECEASED.

Notice is hereby given that original letters of administration upon the estate of Hattie V. Day, deceased, were granted to me, on the 15th day of May, 1934, by the County Court of Runnels County, Texas. All persons having claims against estate are hereby required to present the same to me within the time prescribed by law. My residence and postoffice address are Ballinger, Runnels County, Texas.

C. R. STEPHENS,
Administrator of Estate of Hattie V. Day, Deceased.
17-4t

Club Reporters Hold Conference Here Last Week

Home demonstration club reporters of Runnels county met at the city hall Saturday afternoon. The correspondents are striving to give their club work more publicity and to do it in a better way. The past week-end they attended a school at Abilene under the instruction of Mrs. Annie Cunningham, associate extension service editor. The meeting here Saturday was well attended, practically every club in the county being represented. A discussion of events in the clubs by the reporters showed

that the wardrobe contest is taking much attention of the members at this time. This contest will be completed in July when the demonstrators and cooperators in two classes come here to have garments judged and awards made. The contest will be climaxed with a style show to which the public is invited. Dresses made and entered in the contest will be worn by the demonstrators in the style show.

The club women are looking forward with much enthusiasm to the annual encampment in Ballinger in August. The members will camp in city park for two days and a program will be arranged for the entire time.

The earliest clocks which in any way resemble modern one were made in 1335 by a monk.

CRAIN HARVESTING PRACTICALLY FINISHED

Harvesting of small grain has kept Runnels county farmers in the field closely the past week or ten days. Practically all the grain will be cut and in the shock by the end of this week and before July 1 threshing machines will be operating all over the county.

Grain already harvested has proved very spotted. In some places the yield is considered good while in others it is very poor. Buyers are offering around 30 cents for good oats cut with binder and threshed at the time and will contract before the grain is threshed.

The earliest known surgical instruments are copper knives found in a tomb of 1500 B. C.

Weddings

Caudle-Parker
Huley Caudle, of Clint, and Miss Inez Parker, of Goldthwaite, were married at the bride's home on Sunday, May 27. They spent a few days here in the home of the groom's parents, Mr. and Mrs. W. S. Caudle, of Hatchel, and went with a party of friends to the Concho River for a few days fishing trip.
Mr. Caudle resided at Hatchel until recently when he accepted a position with a firm at Clint. Mrs. Caudle taught in the Hatchel school the past four years. The couple left here the past week-end for Clint, where they will make home.

Gideon-Sanders
Fred T. Gideon and Miss Octavia Sanders were married Saturday afternoon at 1 o'clock at the First Presbyterian manse on Seventh Street. The ceremony was performed by Rev. E. W. McLaurin. The couple will continue to reside at Winters.

Williams-Chapman
On last Sunday afternoon at the home of Mr. and Mrs. A. T. Chapman, of Norton, Miss Onelia Chapman became the bride of D. W. Williams in a beautiful ceremony. Rev. L. B. Smith, Norton Baptist minister, officiating at the ring ceremony.

The couple marched to an improvised altar of evergreens and summer flowers in the living room to the wedding march played by Mrs. L. E. Robinson. More than 60 relatives were present to witness the ceremony which united in wedlock this popular couple.

Following the ceremony all present were guests at the Chapman home for a six o'clock dinner.

Both the bride and groom have lived practically all their life at Norton. The bride is the daughter of Mr. and Mrs. A. T. Chapman, who have resided there for years. Mr. Chapman operates a general merchandise store there. The groom is the son of Mr. and Mrs. Fred Williams, who have resided in the Norton section many years.

Out-of-town guests at the wedding included Mr. and Mrs. M. E. Miller and children, of Winters; Mrs. O. R. O'Neill, Mrs. L. L. Williams, Mrs. Jack Hampton, and Mrs. T. H. Crockett, of Ballinger. The couple will make home at Norton and both will be connected with the A. T. Chapman store.

Jennings-Murphy
C. T. Jennings and Miss Holland Murphy were married Sunday afternoon at Santa Anna. They will make home in Ballinger. Mr. Jennings operating a filling station here.

The contracting parties resided at Norton many years. The groom is the son of Mr. and Mrs. J. M. Jennings, and the bride is the daughter of Mr. and Mrs. Bob Murphy.

After the wedding the bride and groom returned to Norton in time to attend the wedding of another couple, Mr. and Mrs. D. W. Williams, who were married Sunday.

Hollingsworth-Copeland
A surprise wedding Sunday evening united in marriage two of Ballinger's most popular young people, John Hollingsworth and Miss Mary Copeland. The ceremony was performed in the San Angelo Presbyterian Church, Rev. B. O. Wood officiating.

Mr. Hollingsworth is the son of Mrs. Lura Hollingsworth of this city and has resided in Ballinger several years. He is employed by the Magnolia Petroleum Company.

Mrs. Hollingsworth, a niece of Dr. and Mrs. J. G. Douglass, was a member of the 1934 graduating class of the Ballinger high school. For some time she made home with Dr. and Mrs. Douglass.

Mrs. Paul Trimmer and sons, Paul, Jr., and Walter, will return tomorrow (Friday) from Temple and Corpus Christi, where they have been visiting for the past three weeks.

M. H. Boynton, judge of the Fort Worth city court, spent Saturday here, attending to business and visiting friends. At one time Mr. Boynton resided in Ballinger, maintaining a law office here several years.

Mr. and Mrs. G. M. Garrett left Saturday for Austin, where Mr. Garrett was a witness in suits against the state highway department in which contractors who did work in this county seek judgments.

Mr. and Mrs. Clifford Rhoden visited relatives at Merkel Sunday. Miss Nanell Jones has returned from San Marcos where she received a degree from Southwest Texas State Teachers' College. Miss Jones has been elected to teach the home economics department in the Eden school for the 1934-35 term.

Joe Forman is on his vacation this week, remaining in town.

Crime Mystery Is Solved by Two London Officers

LONDON, June 6.—A possible crime which has baffled two of the foremost scientific criminologists in the world—Sir Bernard Spilsbury, famous pathologist of Scotland Yard, and Dr. Roche Lynch, toxicologist of the British home office—has recently come to light.

On September 14 of last year Mrs. Edith Marion Rosse died in London. Two physicians were in attendance and certified that the cause of death was kidney disease, producing a toxic condition of the body. A few days later the body was buried in the churchyard of a small town named Bisham, in the Thames valley.

Mrs. Rosse's will was filed and her considerable estate duly disposed of. Slowly suspicion was aroused. Finally, on April 28 of this year, the authorities ordered the body to be exhumed and examined by Sir Bernard and Dr. Lynch. The result, however, was merely to deepen the mystery. Sir Bernard could find no sign of the kidney disease reported as the cause of death. Thus there is no doubt that the death certificate was wrong. Yet Dr. Lynch was compelled to report that months of search for every probable and improbable poison had disclosed no trace of any one of them.

Either by accident or by design, the site selected for Mrs. Rosse's grave was close to the river and occasionally was flooded. When opened the coffin was partly full of water. It is conceivable that this water decomposed or dissolved out of the body some poison by which Mrs. Rosse was killed. If so, the unknown poisoner is the beneficiary either of extraordinary good luck or of remarkable foresight in selecting the burial place. If Mrs. Rosse was not poisoned, her death was so unusual that two of the world's greatest experts can find no cause for it.

TURKISH STREET CARS TO ABOLISH SEX LINE

ISTANBUL, June 6.—The last outward sign of the great divide between the sexes in Turkey will disappear shortly when the municipality gives definite expression to the resolution to abolish the two rows of seats in the street cars reserved for women.

The assignment of special seats to Turkish women on ships and trains originally aimed at the seclusion of Musselman women from the other sex. Heavy curtains in the tramscars have separated the two first rows from the rest for this purpose. After the reform this separation was suppressed both on ships and railroads, having lost its raison d'etre, but it has persisted on the trams, where the special seats remained after the curtains had been removed.

Turkish womanhood asserts itself too actively in all walks of life nowadays for men to look with approval on what they have come to consider the unnecessary privilege of these special seats.

R. W. Earnshaw is able to be back at his work after several days' illness with an infected throat.

Barber: "This is an excellent tonic, sir—grows hair miraculously fast."

Customer: "All right—grow me a head of brown curly hair, cut it close back and sides, shingle and shampoo it, part it in the middle and hurry—I've only twenty minutes."

Singing Lady

Get a vision of Dorothy Lane, our sensational lady of songs, who is creating quite a stampede among the masculinity of Texas. Dorothy is now appearing on the Rice Hotel Roof in Houston, under the personal management of Herbie Kay, famous band leader, who is playing there. (Texas News Photos.)

Bonnie's Mother and Sister United Again

It was a tearful but happy reunion for Mrs. Billie Macz (left) sister of Bonnie Parker, and her mother Mrs. Emma Parker, when Mrs. Macz and Floyd Hamilton were cleared of charges of killing two highway patrolmen near Grapevine on Easter Sunday. Ballistics experts say that Clyde Barrow and Bonnie Parker shot the two officers, and Mrs. Parker, one daughter dead, a happy that her other daughter is free. (Texas News Photos.)

MISS TAMA KEY COULTER WEDS SAN ANGELO MAN

Miss Tama Key Coulter, daughter of Mr. and Mrs. J. D. Coulter of this city, became the bride of Oscar P. Wilemon Wednesday morning in a beautiful ceremony in the San Angelo U. S. A. Presbyterian Church. Rev. J. Edwin Kerr, former pastor here, now of Wagoner, Oklahoma, spoke the words that made the couple man and wife.

Mrs. Will Kemp was at the organ for the pre-nuptial music and during the ceremony with Mrs. Kerr singing "I Love You Truly" before the entrance of the bridal party.

Miss Mary Fawn Coulter, of Ballinger, sister of the bride, was the maid-of-honor, and Miss Winona Moore, of Abilene, was the bridesmaid. Y. C. Gray, of Garden City, attended the bridegroom as best man. The bride entered the church with her brother, Paul Coulter. Ushers were Luther Coulter and Rev. J. T. Morrow.

Mr. Wilemon is a graduate of Trinity University, and is connected with the William Cameron Lumber Company. The bride has taught for five years in the San Angelo public schools and is an ex-student of North Texas State Teachers College, Denton, and Sul Ross College, Alpine.

Out-of-town guests for the wedding included the bride's parents and her sister, Miss Moore, Mr. Gray, Rev. and Mrs. Kerr and children, Mr. and Mrs. W. E. Wilemon, Maypearl, Supt. and Mrs. Graden H. Wilemon, Kerens; Mr. and Mrs. Prentiss Garrett and daughter, Mason; Mrs. Mary Spreen, Miss Zeida Spreen, Mrs. Della Halley, Mrs. G. P. Teague and daughters, Dorothy and Billy, all of Ballinger; and Lawrence Lewis, Fayetteville, Arkansas.

Japan's foreign trade last year increased nearly \$300,000,000.

PLYMOUTH ON DISPLAY AT PIGGLY WIGGLY

A Plymouth deluxe sedan from the stock of the Ballinger Auto Company was placed on display in the lobby of the Piggly Wiggly store here this week as an advertising feature in the national contest being conducted by Ivory Soap. All local dealers of this brand of soap will be glad to explain the contest which calls for five reasons why Ivory soap is the best on the market.

The display will remain for several days as a special advertising feature by Piggly Wiggly and the Ballinger Auto Company.

Couple Celebrates 43rd Anniversary

Mr. and Mrs. P. W. Smith celebrated their 43rd wedding anniversary Sunday, June 3, with a dinner at the home of their daughter, Mrs. M. L. Forgey, on Ninth Street.

Those present at the dinner included four sons and three daughters and the grandchildren; Mr. and Mrs. A. J. Smith and son, Miles; Mr. and Mrs. Clifton Smith and daughters, Dallas; Mr. and Mrs. M. L. Forgey and children, Mr. and Mrs. John Hughes and children, Ballinger; Mr. and Mrs. A. T. Bradley and son, Mr. and Mrs. Eugene Smith, Sweetwater, and Rannels Smith, Ballinger.

Mr. and Mrs. A. J. Smith and son left immediately after the meal for Sherman and other points in North Texas. Mr. and Mrs. Clifton Smith and daughters left Tuesday morning for Shreveport, Louisiana, and Mrs. Bradley and son remained over the week for a visit with relatives and friends.

DEAD SOLDIER'S DOUBLE AROUSES SISTER'S HOPES

LONDON, June 6.—A man believed to be a British soldier, who was reported killed eighteen years ago, has just been proved to be an Iraqi serving in the Iraqi army. The resemblance was so striking that Mrs. Arthur Law, sister of the dead man, mistook a photograph of the Iraqi for one of her brothers, officially stated to have died in 1915.
 The photograph was of King Ghazi leaving parliament in Baghdad. One of the figures was a soldier in tropical outfit standing at salute. Mrs. Law was so convinced that it was her brother that she appealed to the British war office. Her belief was confirmed by a friend, but the war office has declared the man in the picture to be an Iraqi.

Miss Eleanor Williams went to Belton Monday to enroll in Baylor College for the summer term. Mr. and Mrs. R. T. Williams accompanied her to Belton, returning Monday evening in addition to getting two credits Miss Williams will take a course in speech arts.

Mrs. Rainey Elliott, of Vernon, has returned home after a visit here with Dr. and Mrs. J. G. Douglass.

Doomed Man Baptized

Under sentence of death for his part in the famous Handley to Le "baling wire" murder, W. D. May is pictured here just before being baptized in a bathtub in the Tarrant County jail. The Rev. Amer. Kelly, Ellis county Baptist preacher, who is pictured with him, dipped May under the water. May said it was the happiest day of his life. (Texas News Photos)

Ballinger Team Defeats Mertzton To Tune of 8 to 1

Notwithstanding reports published in other West Texas newspapers to the effect that the Mertzton baseball nine defeated the Ballinger club 1 to 0 Wednesday afternoon, the real score was 8 to 1 in favor of the Ballinger aggregation. Something else to be corrected is the report that the Ballinger club managed to get only 2 hits during the entire game. It took the local team three innings to acquire 2 hits, but in the remaining sessions they made 7 more safeties for a total of 9.
 The line-ups for the two teams follow: Ballinger—Coley, cf; Rosser, 3b; Moore, 1b; McMillan, c; Crockett, 2b; Rooney, lf; Ray, rf; Schuhmann, ss; Bennett, p; Virden, p. Mertzton—Perry, ss; Westfall, 1b; Thomas, 2b; Taylor, cf; Houston, 3b; J. Harkey, c; M. Harkey, rf; Joe Harkey, p; Dudley, lf; David, lf.
 The box score was rather incomplete, but the hits, runs and errors are:

	H	R	E
Ballinger	9	8	2
Mertzton	7	1	4

The Ballinger squad turned in four fast double plays during the game and Rube Virden, Ballinger pitcher, ironed out a homer in the eighth inning with two men on the sacks.
 Bennett, starting pitcher for the locals, allowed the visitors 5 hits and no runs, and Virden allowed them only 2 hits and 1 run.
 The Ballinger team goes to San Angelo Sunday for a double-header with the Sheep Herders. Cal Adair, manager of the local team, urges Ballinger fans to go to San Angelo and support their team and guarantees them a better game than the last one with the Herders.

Mary Brian Woody, daughter of Mr. and Mrs. W. B. Woody, underwent a tonsilectomy operation at the Halley & Love Sanitarium Thursday morning. A report from her bedside following the operation stated she was doing nicely.

Mr. and Mrs. T. R. Burnette have returned from Junction after visiting there for the past week with relatives and friends.

J. D. Motley attended the celebration at Olfen Tuesday.

Rudd is Elected Lions' President For Ensuing Year

Jack Rudd, recently elected president of the Ballinger Lions Club for the ensuing year, will take office July 1. Other officers who will serve with Mr. Rudd are: R. E. Bruce, vice-president; W. G. Schuhmann, secretary-treasurer; R. E. White, tall-twister; Doug Motley, lion tamer; and Elmer Batts and J. A. Schnable, directors.

Mr. Rudd and Mr. Bruce returned Tuesday from Mineral Wells where they were delegates of the Ballinger club at the state convention. They reported a well attended meeting and an excellent program headlined by Vincent C. Haskell, of Omaha, Nebraska, vice-president of Lions international and the next president of the world group. His addresses were inspiring and educational. Julian C. Hyer, of Fort Worth, a past president of the Lions international, delivered an interesting talk. Other notables heard included Arthur E. Baird, district governor, of San Antonio, and R. A. Stewart, state secretary.

Monday at noon two model luncheons were served, the Ballinger delegates attending the one at the Crazy Hotel where the Hillsboro club was in charge of the program. Featured on this program was the Hardin and Simmons University Cowboy Band which has served as the official Lions international band. A chicken barbecue at the Mineral Wells Country Club Monday evening was followed by a dance.

Frank C. Dickey is retiring president of the local club and Mr. Rudd was elevated to the presidency from the office of secretary.

MEMBERS OF CHRISTIAN CHURCHES TO JOIN FOR FISH FRY ON THE RIVER

The congregation of the First Christian Church of Ballinger and the same denomination at Millersville have joined hands to catch 200 pounds of fish for an old fashioned fish fry at Millersville Friday. Rev. Lee Whipple, who preaches for both congregations is organizing the forces who will endeavor to take the fish from the stream and prepare them for the joint affair Friday evening.

SCOTLAND TO BE GIVEN LATEST TYPE BOMBERS

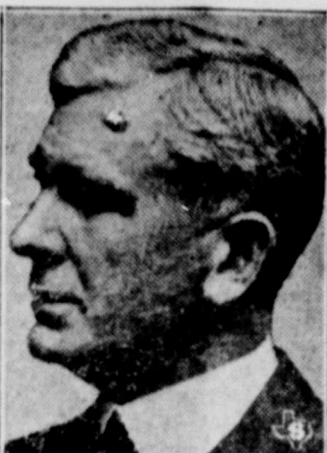

GLASGOW, Scotland, June 6.—The city of Glasgow squadron of the Auxiliary Air Force, with headquarters at Paisley, shortly will be equipped with the latest type of two-seater bomber aircraft used by squadrons of the Royal Air Force. Several of the new machines have already been delivered, and eventually the squadron will be equipped with ten new machines and two for immediate reserve.

The Hawker Hart, which has an engine of 550 horsepower, is replacing the 415 horsepower Westland Wapiti machines hitherto used. Its speed capabilities are considerably greater than those of the Wapiti, the cruising and all outspeeds being 160 and 180 miles an hour, as against 95 and 115 of the old machine, and it climbs to 20,000 feet in 12 minutes, instead of the 23 minutes taken by the older craft.

Ethelene and Allene Rudder have gone to El Campo to visit their grandparents, Mr. and Mrs. W. G. Rudder, for several weeks.

New British Phone Adapted for Use of 'Non-Dialers'

LONDON, June 6.—A new kind of dial telephone has been introduced in England for the benefit of subscribers who cannot learn to dial numbers in the ordinary way or who resent the necessity of doing so. Beside each of the new telephone instruments is a small box with from twenty-five to fifty numbers on it and with a small level projecting from the side of the box. A movable pointer may be made to indicate any one of the numbers listed.

To dial one of these numbers, the subscriber sets this pointer opposite the number desired and presses the lever. That number then is dialed automatically in somewhat the same way that any one of a list of radio stations specified on the tuning control of an automatic radio receiver is tuned in when the proper lever on the tuning box is operated.
 Numbers listed on the new device, so that any one of them may be dialed by the single lever motion, may be chosen in advance by the subscriber as the numbers most frequently called or may be changed from time to time by readjusting the apparatus.

The British postoffice department, which controls the English telephone system, has no intention of presenting to its subscribers this new automatic service, which has been christened the "autodial." Instead a rental equivalent to 50 cents or 75 cents a month is to be charged for each installation.

Busy Getting Fat

The above picture explains why one of the Jersey cows on the W. L. Moody, Jr., ranch near Port O'Connor, Texas, had been turning up at milking time minus her usual supply of milk. The pig seem to be thriving on the milk diet. (Texas News Photos)

Parisian Anglers Are Happy Now; Seine Restocked

PARIS, June 6.—The ancient and popular legend that Paris anglers never catch anything but colds has now received official attention. The authorities of Paris has just restocked the Seine at the Pont d'Iena, near the center of the city, with 10,000 young fish. Furthermore, the larger lake in the Bois de Boulogne is also to be made more attractive. The lake

recently was cleaned for the first time in fifty years. Over 12,000 pounds of fish of various kinds were taken from it during that process and placed temporarily in another lake. These included carp, eels and gudgeon—in all there were 58,446 fish of various kinds, among which were even crayfish.

The Seine is not only fished with rod and line but is also netted by those who hold government licenses to fish certain areas. There are many little riverside restaurants above and below Paris where "friture de Seine" holds the same high place as a table delicacy as whitebait used to do for

the Thames at Greenwich. The anglers of Paris turn out every Sunday during the season and line the river banks along the whole Parisian stretch of the river. It must be admitted that a catch is quite a sensation, while a collection of enough small fish to make a fry by any one angler is uncommon luck.

"Jack was the goal of my ambition, but alas!"
 "What happened, dear?"
 "Father kicked the goal."

HAS YOUR ADDRESS
CHANGED RECENTLY?

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. In addition there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

Voters of Runnels county are becoming popular as many candidates take to the field to solicit their influence and votes in the first primary July 28. Practically all offices of interest to the voters of this section have from two to ten seeking them and voters find themselves loaded down with cards, platform pamphlets and other publicity. Interest will be keen in state, district and county races this year. Most of the candidates will make a personal canvass from now until the results of the first election are tabulated.

Ballinger people have a task in front of them to look forward to in successfully staging the 1934 Runnels County Fair. Every citizen should be interested in seeing the biggest celebration of the year in the county success. In previous years this fair was of such magnitude that it attracted statewide attention and thousands thronged the gates to see the exhibits and enjoy the amusements. Those who gained experience with many past expositions will join this year to arrange a program that will surpass any in the fair's history. If these leaders secure the cooperation they should get our county fair will again be recognized as the greatest in Texas.

Merchants of Runnels county look forward to June this year with higher hopes than for a number of years. Every indication points to a better June business than in previous years because of money that will be received by many people of the county. During this month farmers will get a third of the government lease money on land taken from wheat and cotton acreage. Money on corn-hog contracts is

also due and these items will run into many thousands of dollars. Another source of ready money will be from the sale of wool by sheep raisers of this section. To date few sales have been made, but indications are that the market will be 30 cents and possibly more. The county will also have a large amount of oats and wheat to market this month. Some sales have already been contracted and others will be made as soon as the grain is threshed. The movement of some livestock to market will bring in money and the regular weekly sales of poultry products and dairy products will make it one of the best Junes since the good old days of 1928 and '29.

Notice
We have in this territory one small studio piano, balance due \$99.00, at \$5.00 down, \$5.00 monthly; also small grand \$298.00, same terms. Write Allen Sales Co., Box 178, San Angelo, Texas. 24-35

ON TEXAS FARMS
By W. R. Barrow, Extension Service Editor

Collins county farmers will receive \$691,024 from the AAA this year as a result of the crop and livestock reduction programs.

Four-H club girls in Wharton county continue to lead the way in showing the home folks how to make much of the living-at-home. Gardens are tended by 193 girls, 73 of whom made hotbeds late in January for getting their vegetables off to a quick start.

Lespedeza sericea, a rather new legume, is being tried by Stone-wall county farmers in their effort to start pastures on rented acres. The county agent says the new lespedeza promises well in the sandy river bottom soils.

From sales of black walnuts sold in the home demonstration market in Sulphur Springs Mrs. D. B. Kirk, home industry demonstrator for Arbala club, has bought a pressure cooker and a new oil stove. She says her market experience has revolutionized her cake making.

The Big Five ration has made 22.2% more profit above feed cost than other rations used by Bastrop county poultry demonstrators. The extra profit for one month was \$6.71 per farmer, the county agent reports.

Yard improvement means, according to Mrs. M. L. Bell, yard demonstrator for Farmer's Valley home demonstration club in Wilbarger county, trees for shade and background at side and back of house; smooth unbroken grass lawn; foundation plantings of permanent shrubs; screen and border plantings; roses and flowers in separate beds in side and

ask yard; walks for back and front yard; and convenient yard service including well equipped wash house, concrete cellar and sanitary toilet.

Notice of Administration
THE STATE OF TEXAS,
County of Runnels:

To those indebted to or holding claims against the estate of H. R. Josey, Deceased:
The undersigned having been duly appointed administrator of the Estate of H. R. Josey, deceased, late of Runnels County, Texas, by Paul Trimmer, judge of the County Court of Runnels County, Texas, on the third day of May, 1934, during a regular term thereof, hereby notifies all persons indebted to said estate to come forward and make settlement and those having claims against said estate to present them to him within the time prescribed by law at his residence at Ballinger, at the Farmers & Merchants State Bank, where he receives his mail, this the 29 day of May, 1934.

FRED KIECHLE,
Administrator of the Estate of H. R. Josey, Deceased.

CHOOSE THE TIRE CHAMPIONS BUY

Firestone

Tires have been on the winning cars in the grueling Indianapolis 500-Mile Race FOR 15 CONSECUTIVE YEARS

EVERY winner in the 500-Mile Indianapolis Race — the most grueling tire test in the world — drove to victory on Firestone High Speed Tires.

Race drivers know that heat generated by friction inside the cords is the greatest enemy of tire life. These men will not risk their lives on any but Firestone Tires, because they know the high stretch cords in every Firestone tire are protected by the Firestone patented process of Gum-Dipping.

Gum-Dipping soaks the high stretch cords in liquid rubber and saturates and coats the millions of fibers inside the cords, counteracting destructive friction and heat. It provides greater adhesion between the plies of the tire, and between the Gum-Dipped cord body and the tread.

Firestone chemists and engineers kept pace with new car developments by building stronger, safer tires to meet the exacting demands. Drive in today and equip your car with new Firestone High Speed Tires for 1934, with deeper, thicker, flatter, and wider non-skid tread, more and tougher rubber, more traction, giving you more than 50% longer non-skid mileage.

Remember, in Firestone High Speed Tires there is Greater Strength — Greater Safety — and Greater Blowout Protection than in any tire made.

GETS EVIDENCE THAT RATTLER CAN SWIM

Who says a rattlesnake can't swim? Raymond Boyett was asking this question of various and sundry people this morning. He then unchained into his story of a swimming rattler that he saw Wednesday afternoon.

He said that while crossing from Walton Park to State Park at Lake Brownwood late Wednesday afternoon the occupants of a motorboat in which he was riding spotted a rattler near a channel marker and that when the boat approached the snake started swimming.

The reptile swims, not like a family of Van Horn, spent the water snake, low in the water with only his head out, but about Lura Hollingsworth. They left two-thirds of his entire body in above water while he is swimming. at Hico and Stephenville. Sam Hollingsworth accompanied them and covers the water rapidly, to Hico for a ten days' visit.

Boyett said that the boat raced the snake until shallow water was reached and then the pilot, "Dobbs" Coston, took an oar and waded into the water and killed the reptile. It was about four feet long.—Brownwood Bulletin.

CREWS NEWS

A large number of voters enjoyed having the county candidates speak Friday night of the previous week.

A light shower fell Sunday night.

The grain combines and binders are busy harvesting, but gain will be light because of so much dry weather.

Rev. Wages, of Lamesa, delivered a masterful sermon Sunday night at the Baptist Church on the duty of the deacons to the church and the church's duty to deacons. At the close of the sermon Chester McBeth and Jimmie Lucas were ordained as deacons.

Mr. and Mrs. Petrie, of Herring, and Mr. and Mrs. Willie Norris, of Talpa, were guests of Mr. and Mrs. Edgar Jayroe Sunday.

Mr. and Mrs. Bob Hunt and Mrs. Carl Mathis transacted business in San Angelo Thursday of the previous week. Mrs. Mathis, who had been taking a dressmaking course of study in that city, received a certificate of merit.

Mr. and Mrs. Thompson and Mr. and Mrs. W. T. White, of Talpa, attended church services here Sunday night.

Miss Archie and Glenn Brannaman, of Bronte, were guests of Miss Alma and Irvn Phipps Sunday night.

Miss Harvey Mae Pape accompanied Rev. and Mrs. Hall on a trip to Fort Worth recently. Miss Pape represented the Methodist Missionary Society in a state gathering of Methodist women.

Miss Oma Lee Tounget, of Blanton, is a guest of relatives here.

Mr. and Mrs. D. H. Grounds, of Doole, visited the former's mother, Mrs. L. Dietz, Saturday. Mr. Grounds entered Sul Ross College Monday for the summer term. Mrs. Grounds and little daughter accompanied him and will light housekeep in Alpine.

The Missionary Society of the Methodist Church met at the home of Mrs. J. W. Wood Tuesday. Pillow cases were made and embroidered for the Wesley Home. Mrs. Hall led the services. After the services, together with a few Baptist women guests they took a number of gifts, consisting of fruits, jellies, jams, etc., to Mrs. Walter Cox, who has been ill for some time. Mrs. Cox vainly tried to express her appreciation for the slight token of love in which she is held by all who know her. Recently the Benoit club women, where they recently lived, showered her with nickles, dimes, quarters and dollars, "just to show their love."

All are invited to attend the singing at the Methodist Church Sunday night. The Winters Quartet is expected to be present. Mr. and Mrs. Quincy Traylor and family, of Merkel, were guests of relatives Sunday.

(Received Too Late for Publication Last Week)

Farmers are very busy plowing and finishing planting after two very good showers last week.

There were no church services Sunday night, as Rev. Brannaman left Sunday afternoon for the program at Oak Creek.

Announcements have been made that the revival meeting at the Baptist Church will begin Saturday before the fourth Sunday in July. Rev. J. E. Corbin, of Lamesa, will assist in the meeting. Bro. Corbin has preached here at a "fifth Sunday" meeting and all who heard him compliment him highly.

Mr. and Mrs. Theo Manning, of Winters, were guests of Mr. and Mrs. W. T. Lucas Sunday afternoon.

Mrs. Walter Cox is reported to be ill again.

We are sorry to report C. W. Schwartz is confined to his bed again.

Housewives are canning vegetables and berries these days.

Dialon and Ben Aldon Harwood, of Drasco, are visiting their grandmother, Mrs. O. S. Clark, and family.

School days are over for a few short months.

Thursday night the elementary grades entertained a large crowd with a splendid program. The Wednesday night program was rained out and a double program rendered Friday night. Sixteen boys and girls finished the grammar grades. Their exercises were the first of the program. Mrs. E. L. King played the processional, Supt. Gassiot marched in followed by County Supt. R. Z. White, six trustees, two high school teachers and the sixteen grammar school graduates.

W. E. Martin led the invocation, the pupils sang the class song, R. E. White delivered the address, and L. A. Faubion gave the benediction. Immediately following the exercises, the superintendent presented certificates to 21 on their attendance records. The eighth and ninth grade pupils then p-

Formal Opening Of New Funeral Home to be Held

Spill Funeral Home of Winters is announcing a two-day opening to the people of Winters and surrounding territory on Friday and Saturday, June 8 and 9, and extends to its many friends a most cordial invitation to visit the new mortuary. Consistent improvements, additions and rearrangements have been made in the establishment.

The interior of this funeral home would lead one to believe it a place of home beauty, furnishing, comfort and convenience. A spacious living room is offered, properly furnished and decorated with well suited colors. It is of sufficient size to be easily converted into a chapel for funeral rites if desired and will accommodate a fair sized assembly. Adjoining is a family room easily accessible, yet with all privacy and comfort for the bereaved relatives and near friends.

A state room or reposing chamber is also provided in the floor plan for the care of the deceased person, for such time as may be necessary pending completion of the arrangements. The preparation room is modern in every respect. Convenience and absolute sanitation are afforded.

Shrubbery has been added to the surroundings that increases the homelike appearance, making this entire funeral home one of beauty and service.

A new ambulance has been added to the present equipment of this establishment for the moving of sick or injured patients to a near or distant point with speed, comfort and safety.

Founded 29 years ago and in continuous service to the residents of Winters and surrounding territory ever since, Spill's funeral service has grown steadily and consistently.

An invitation is extended to the public to visit the new Spill Funeral Home Friday afternoon from 2 to 6 o'clock, the same evening from 7:45 until 10 o'clock, and all day Saturday.

HOBBSYS TO ARRIVE SATURDAY FOR VISIT WITH RELATIVES

Mr. and Mrs. Ira L. Hobdy and daughter, Eleanor, of Los Angeles, California, will arrive here Saturday for a visit with Mr. and Mrs. George Holman and Mr. and Mrs. R. G. Erwin. Mr. and Mrs. Hobdy formerly resided in Ballinger but have not been here in the past nine years for even a visit. While here other relatives will come here to attend a family reunion at which sixteen members of the family are expected.

Charles F. Johnson, of Houston, was here this week, visiting friends and attending to business.

Some short plays and a number of comedy acts. The large audience expressed themselves as being very well pleased with the entire program and also with the splendid record made by the school.

Mrs. H. V. Bradley, of Winters, visited in the community last week.

Irvin Phipps spent the week-end in Wichita Falls.

Mr. and Mrs. Ed Wood are visiting relatives at Bronte this week.

Big Stage Hit, "Cat and Fiddle," Address on Mexico Stars Navarro and MacDonald By Mrs. Padgett Interests Rotarians

After almost a year of production, "The Cat and the Fiddle" comes to the screen of the Palace Theatre next Sunday, Monday and Tuesday, as one of the most pretentious offerings of the Metro-Goldwyn-Mayer studio for the current show season.

Ramon Navarro and Jeanette MacDonald are the co-stars. Each is not only a romantic favorite, but an accomplished singer. They are teamed for the first time in this production, but their success has been so instantaneous and outstanding that M-G-M is now reported to be seeking a new vehicle in which they may appear together.

"The Cat and the Fiddle" was adapted to the screen from the successful stage play by Jerome Kern and Otto Harbach. It had a long run in New York and has been presented in other large cities throughout the country. It is a romantic musical drama and includes such hit song numbers as "The Night Was Made for Love," "She Didn't Say Yes," "Try to Forget," "One Moment Alone," "A New Love is Old," and "The Love Parade."

Lavish production went into the making of the picture, as is evidenced by the fact that it was almost six months in the making. Much of the action takes place in a theatre seating 2,000 people, which was constructed at the M-G-M studios in California as a duplicate of one of the best known showhouses of Paris.

Although there is a wealth of music throughout the play, it is not, strictly speaking, a musical picture. It is instead a story with music. Each of the numbers sung by the co-stars and members of the supporting cast has a definite place in the story and advances or adds to the interest of the drama being enacted.

The cast includes, besides the stars, Frank Morgan, Charles Butterworth, Jean Hersholt, Vivienne Segal, Frank Conroy, Henry Armetta, Adrienne D'Ambricourt and Joseph Cawthorn.

Cross-Country Bus Locale for Novel Film Plot in "Fugitive Lovers"

"Fugitive Lovers," new Metro-Goldwyn-Mayer melodrama to be shown at the Palace Theatre tomorrow (Friday) and Saturday, brings an entirely new kind of picture to the screen, according to advance reports.

Practically all the action of the exciting story takes place on a great Greyhound bus bound west from New York city to Hollywood.

As the scenes are authentic, being "shot" from a giant road cruiser as it actually sped across the continent, the auditor, by proxy, enjoys the sensations of a cross-country trip.

As the bus with Madge Evans, Ted Healy and his "stooges," Nat Pendleton, C. Henry Gordon, Ruth Selwyn and dozens of other characters aboard, speeds past a penitentiary on its first night out of New York, Robert Montgomery in the role of Porter, stages a daring prison break.

As the rifle and machine gun shots halt the bus, Montgomery manages to climb aboard, up to the luggage rack, where he hides under the tarpaulin. There he opens an unlocked bag, shifts into civilian clothes, and later enters

the bus as a passenger. Inside the bus a dramatic story is occurring. As Letty, a beautiful chorine, Madge Evans is attempting to escape from the gangster, "Legs" Caffee, who is riding along in an attempt to persuade Letty to return with him.

While the man-hunt for Porter is on, the daring escaped convict falls in love with Letty. Then "Legs," played by Nat Pendleton, discovers Porter's identity and conspires to aid in his capture.

The picture sweeps on with quickening tempo and a smashing climax to a tremendous finish. Richard Boleslavsky directed.

Horace Sessions is in the Halley & Love Sanitarium recovering from a minor operation performed the first part of the week. Surgeons stated Thursday that he would be able to leave the institution in a few days.

Mrs. Frances Stallworth and son, Bobby, of McCamey, are spending the week-end with her sister, Mrs. Joe Thomas, and father, B. F. Corum, of South Ballinger.

Charles Dameron, of Winters, attended to business in Ballinger Tuesday and went on to Olfen to attend the celebration.

Mrs. Raby Padgett was guest speaker at the Ballinger Rotary Club luncheon Tuesday. The program was under the direction of the international service committee and Mexico was the general subject.

Mrs. Padgett resided a number of years in Mexico and while there learned much of the inhabitants, their habits, dress, faiths, and everyday customs. She stated it would be a great thing if people of the two neighboring nations could know each other better. She recalled the love of the Mexican people, their romances and the strange manner in which they were conducted, their superstitions, religion, and referred to their intense love for flowers and children.

The talk by this woman who has first hand knowledge from direct contact with the Mexicans was very interesting and appealed especially to the club members as a large group plans to attend the Rotary international convention in Mexico, D. F. next year.

At the close of the program Mrs. Padgett's little daughter, Carroll, sang a group of folk songs in Spanish.

The regular meeting will not be held next week as the members

and their wives will assemble in city park Tuesday evening for a steak fry and general get-together, the Rotarians furnishing the program.

BALLINGER GIRL GETS DEGREE AT C. I. A.

DENTON, June 6.—Miss Stephens Demmer, daughter of Mr. and Mrs. H. L. Demmer of Ballinger, received her bachelor of science degree at the thirty-first annual commencement exercises of Texas State College for Women (C. I. A.) June 4. She majored in kindergarten-primary education and minored in history.

Activities of "senior week" combined with annual homecoming began with the production of "All's Well That Ends Well," traditional Shakespearean play, presented by the senior Little Theatre. A tea, banquet, and organ recital were also featured among the activities. The Rev. W. R. Hall, pastor of the First Presbyterian Church at Corsicana,

delivered the baccalaureate sermon. Elimination of a visiting speaker was inaugurated for the first time this year when Dr. L. H. Hubbard, president of the college, delivered the commencement address to the graduating seniors.

HAIL SMASHES TILE ROOF

JOHANNESBURG, Union of South Africa, June 6.—Hallstones as large as pigeon eggs are reported to have fallen at Pretoria. Much damage was done to crops. Houses having iron roofs, which are in the majority, were only slightly harmed, but the beautiful residence of a wealthy family, who had "gone modern" and installed tile on top, was flooded when the hail smashed the tiles.

Bobby Jean and "Sonny" Forman, son and daughter of Mr. and Mrs. Robert Forman, are recovering from tonsilectomy operations performed Monday afternoon.

EQUIP YOUR NEW CAR WITH THIS NEW Silent Safety TIRE
The Blowout-Proof Tire for 1934

NOISELESS RIBLESS SKIDLESS

The Blowout-Proof Tire General has now added a revolutionary new silent-safety tread. A winding, twisting tread pattern that holds and stops you in any direction. A safe-silent—longer lasting tread that doesn't make a noise because there are no spots and knobs to pound and wear off like ordinary tires—and lasts much longer for the same reason. The Blowout-Proof Tire is still a patented low pressure tire—a tire of striking beauty—and it is more safe—more economical than ever. See about a set for your car today.

Texon Crushes Local Ball Team In Double-Header

Texon maintained its lead in the West Texas Independent Baseball League Sunday afternoon by plastering two stinging defeats on the revamped Ballinger team. The Oilers took the first game by the lop-sided score of 14 to 0, and closed the nightcap with a 5 to 0 win.

Ray, Ballinger hurler, took part in both games and pitched well. Loose fielding behind him caused numerous unearned runs and the sensational fielding of the Texon club kept Ballinger players from touching the pan. The locals turned in 10 clean hits in the first contest against 13 for the visitors but 6 credited errors to the Ballinger line-up caused runs to come easy for the visitors.

The locals were unable to hit Ritter in the second game and were dismissed after the seventh inning with only two safe blows.

"Rube" Virdin was injured in the second game when he was hit in the head by a thrown ball. He was better Monday and no serious effects are anticipated from the injury.

The following box score tells the story of the double defeat:

First Game	
Texon—	ABRHAPOE
Housewright, 3b	5 1 2 0 1 0
Gentry, ss	6 1 1 4 2 1
McMillan, rf	3 1 1 3 0 0

BURGARS ARRIVE FIRST

HERSHAM, England, June 6.—Several valuable pieces were missing when an auction sale was opened at a cottage in Hershams. Burglars had stolen them. The articles included Georgian silver and ornaments. The house is only a few yards from the police station.

Mrs. Ray Sanders, Mrs. Ray Allman and Miss Maunette Allman visited in Abilene Friday, Mrs. Allman taking treatment in the Baptist Hospital.

Ready to Handle Texas' Big Wheat Crop

The newest invention to facilitate the handling of the Texas grain crop is this 34 foot 30 ton, high speed dump truck which unloads grain at the rate of 2,500 bushels per hour, one-fourth of the time formerly required. The truck is parked, up comes the floor and down goes the grain on to huge belts, where it is conveyed to the elevators like that shown in the picture. This is the Burrus elevator in Dallas one of a number of Texas elevators belong to this company. (Texas News Photos)

Snodgrass, Coleman Lawyer, Announces For District Attorney

D. L. Snodgrass

D. L. Snodgrass, of Coleman, candidate for District Attorney of the 119th Judicial District, is making a campaign in the counties embraced in the district, Coleman, Tom Green, Concho and Runnels.

Mr. Snodgrass made his formal announcement more than thirty days ago. He was born in Coleman county, Texas, April 18, 1889, and received his education in the public schools of Coleman, at Austin, and in Vanderbilt University. He was admitted to the bar in 1913 and since that time has

been engaged in the practice of law.

Mr. Snodgrass is a son of the late Judge F. L. Snodgrass, of Coleman, and a brother of Scott Snodgrass, practicing attorney of San Angelo. After being admitted to the bar he entered the private practice of law as a member of the firm of Snodgrass, Dibrell and Snodgrass, his father being the senior member of the firm. He served in the World War and is a member of the American Legion.

After his discharge from the army he served as county attorney of Coleman county and was for four years attorney for the Livestock Sanitary Commission of Texas. He has been city attorney of Coleman for the past five years and is at present a member of the firm of Dibrell & Snodgrass.

He respectfully solicits the support of the people of the district and promises, if elected, to faithfully and efficiently discharge the duties of the office.

DEVELOP NEW TERRACES

MEMPHIS, Tex., June 6.—Three Hall county farmers are reported by James A. Jackson, county agent, to be developing a system of level terraces turned up slightly at each end to catch and hold run-off water from adjoining pastures, fields and roads. The idea is to avoid the danger of damage from flood waters and also to give the fields free irrigations to insure crops in dry years.

Five Programs Will be Presented By Mrs. Kent

Mrs. Nellie B. Kent will present programs every afternoon next week on the mezzanine floor of the Sam Behringer store, to which all the citizens of Ballinger are invited to attend. The children will be remembered in special events next week and mothers are asked to see that the kiddies attend.

At 3:30 tomorrow (Friday) afternoon Mrs. Kent will give a book review for the women of this territory. She will discuss on Dorothy Scarborough's new book, "The Strawberry Smile." This novel is particularly interesting as the scenes are laid around Abilene, in this part of Texas.

Monday of next week the children's sewing classes will meet from 9 to 11 a. m. and 2 to 4 p. m. Simple sewing is taught the kiddies, from 8 to 14 years of age.

Tuesday afternoon housewives are invited to attend a lecture and demonstration by Mrs. Kent on cold cooking for hot days. This program will commence at 3:30 o'clock.

The program Wednesday afternoon will be the same as that on Tuesday except different menus will be taken up.

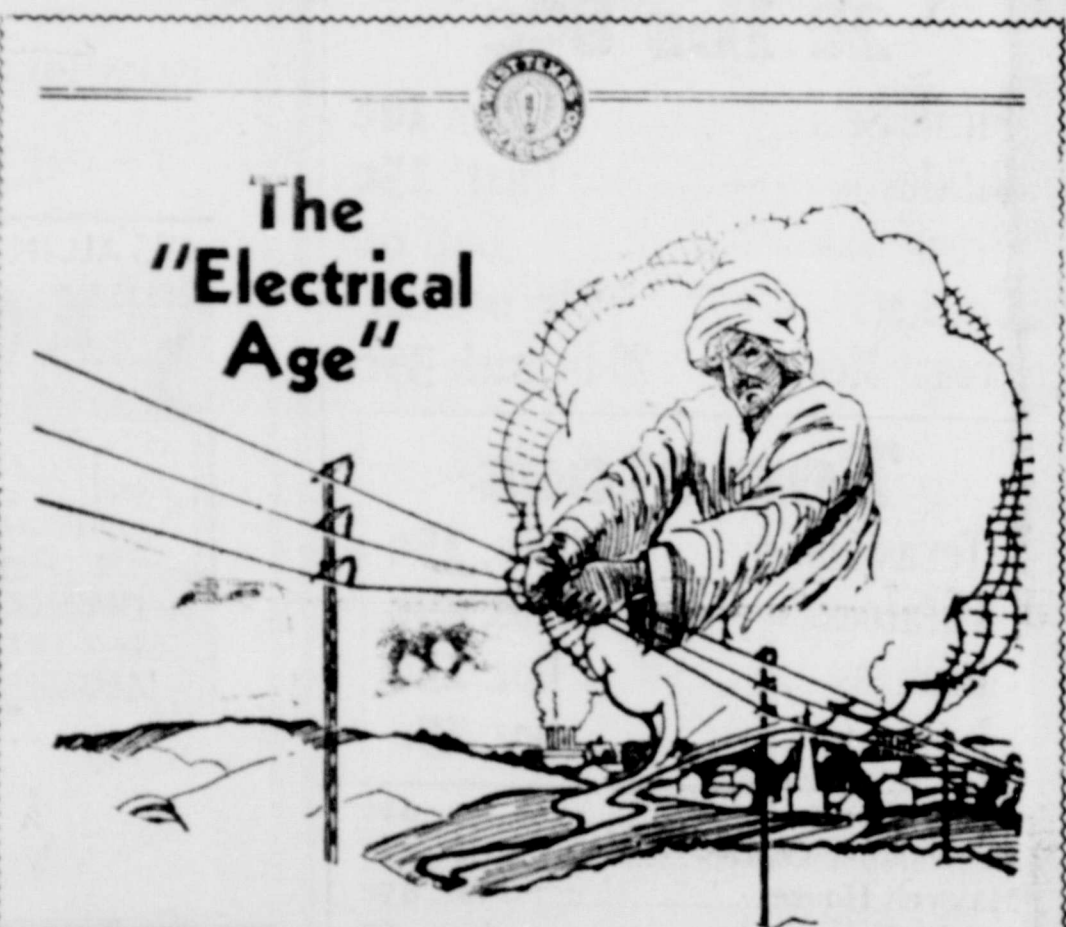

Children from 8 to 10 years of age are invited to attend an entertainment hour supervised by Mrs. Drury Hathaway Thursday afternoon. Stories, games and other amusement will make this a memorable affair for children in this age group.

Mrs. Nora Gee, of El Paso, will deliver a lecture Friday at 3:30 p. m. on "Egypt, Tombs of the Pharaohs and the Egyptian National Museum." Mrs. Gee has spent many months traveling in Egypt and her lecture will be highly entertaining as well as educational.

There is no charge for attending any of these programs and an invitation is extended every woman and child in this section.

Mr. and Mrs. C. L. Baker have moved to their ranch near Eola and will be there the remainder of the summer. Their son, David Baker, will return to Austin for six weeks in the University of Texas summer school. Dr. and Mrs. Charles F. Bailey will occupy the Baker residence here this summer.

E. E. King returned the past week-end from Mineral Wells, where he attended the annual meeting of the State Embalmers' Association.

The "Electrical Age"

Our development of 2,600 miles of transmission network in West Texas connected to three major power plants and many dependable local plants has made it possible to do all our tasks by simply pushing a button.

- Plymouths**
Ballinger Auto Co., Ballinger, 1 passenger car
Seidel Motor Co., Rowena, 1 passenger car
- Oldsmobiles**
Cameron's Garage, Ballinger, 1 passenger car.

AAA CONTRACT SIGNER MAKES MORE CASH THAN NON-SIGNER

COLLEGE STATION, June 6.—Whether the hog processing tax comes out of the farmer or out of the consumer, the farmer who signed a corn-hog contract makes considerably more money than the one who did not sign, declares E. M. Rogenbrecht, swine specialist at Texas A. & M. Colleg. He bases this statement on the contract benefits and on the current price of hogs.

Take two farmers each having four sows and marketing an average of 40 hogs of 200-pound weight each year. One signed the hog contract, the other did not. The one who signed will make \$84 more than the one who did not, assuming the current Fort Worth market price of \$3.30 per hundred.

The non-signing farmer, forgetting transportation and marketing costs, would receive \$6.60 per head for his 40 hogs or \$264. The farmer who signed the contract would reduce his market hogs by 10 head and would sell 30 hogs. At \$3.30 per hundred he would receive for those 200-pounders \$98. In addition he will receive through the year \$5 per head for his 30 market hogs, or a total of \$150. His total hog income would be \$348 or \$74 more than that received by the non-signer. This would be subject, of course, to a small deduction to take care of the local cost of his

Ilexan Honored

county corn-hog production control association in administering the program.

"The fact is," says Mr. Rogenbrecht, "that the hog reduction program, at present hog prices, means a net increase to the farmer who is cooperating of about 30%. What prices would have been had the reduction not been made by one and one-half million farmers over the United States no one can tell. When consumer demand is lively it is probable that the processing tax will come out of the consumer. When

the market drags as at present it is likely coming out of producers' hog prices. Even so, the cooperating farmer is making more money than the man who is not cooperating. In addition he is helping the United States to put production to fit demand just as manufacturers always do. In the long run this means more favorable prices to all.

PICNIC IN KENYA PROVES FULL OF THRILLS

NAIROBI, Kenya, Africa, June 4.—Picnicking in Kenya has its thrills, according to a party of young people of Nairobi who have returned from a week-end camping trip. Men of the party left in automobiles, and when they awakened Sunday morning they saw a large savage buffalo sixty feet away. Two men quickly climbed a tree, and the others hid in their car. They feared they would attract the beast if they attempted to arouse the girls, who were sleeping under a tarpaulin.

Suddenly there was a crash, and the car occupied by the two jumped three feet into the air. It had been charged by a second buffalo as it chased a tiny fox carrier, which fled under the machine. The two buffaloes then thundered away.

Mother: "Were you brave at the dentist's?"

Tommy: "Rather! I told him we could not pay the bill until next year."

DISTRICT AGENT WILL JUDGE BEDROOM CONTEST

Miss Gertrude Blodgett, district agent, will visit Runnels county June 13 to score the girls' bedroom contest. The county committee will visit the rooms prior to that time and as soon as the district agent views them winners will be announced.

Mark your eggs and butter with Rubber Stamps. Ballinger Printing Co.

Club Encampment Dates for Boys And Girls Decided

Dates for the 4-H boys' club encampment was set here Saturday at a meeting of the adult sponsors and the county agent at the court house as July 12 and 13. The regular grounds on the W. R. Hunton place on the Concho River south of Miles will be the meeting place again this year.

County agents and 4-H club members from Tom Green, Coke, Concho and Coleman counties will be invited to attend the 1934 encampment. Parents and civic workers will see that two of the main daily meals are provided and for the other meals the boys will furnish their own provisions and prepare the food. Each boy attending will bring a cot, bedding, cup, knife, fork, spoon and other necessities as well as camp clothing and a swimming suit.

The program is being arranged now by County Agent Elmo Cook who stated Monday that much of the time this year would be used for amusement instead of instruction. The two days will be a vacation for the lads and they will find plenty on the program to enjoy. Matched baseball games between the counties, swimming contests and many other diversions are included on the program and the special features

are being prepared. Indications from adjoining counties are that many boys will attend with their county agents.

The 4-H club girls will meet July 5 and 6 at the Ballinger city park for a two-day encampment. This will be strictly a recreational program and practically all the girl club members of the county have indicated that they will be here for one night and two days. Mrs. Lura Hollingsworth, county home demonstration agent, is arranging the program.

J. C. Taylor was in Ballinger Monday morning getting ready to begin irrigation at his place on Valley Creek. He said only a sprinkle fell there Sunday night and that the soil was very dry.

The best carbon paper for typewriters at Ledger office.

FIREMEN WILL RECEIVE BENEFIT AT SHOW FRIDAY

The Ballinger fire department will receive a percentage of the receipts at the Palace Theatre Friday evening and the members are making a ticket selling campaign this week. Delegates from the local department will go to the state convention at Mineral Wells next week and will need some money for necessary expenses. W. D. Scales, manager of the Palace, agreed to give the boys a liberal percentage of the receipts that evening. The firemen are selling adult tickets at 30 cents each. Children's tickets will be sold at the box office at night.

The Soviet government has appropriated 35,000,000 rubles to purchase 1,000,000 cows for workers on collective farms.

WORLD'S LOWEST-PRICED SIX CHEVROLET

Visit your nearest Chevrolet dealer

CHEVROLET
A group of additional new models for the 1934 Chevrolet line — four full-size cars — 100% Chevrolet in quality and reliability

Right at the peak of Chevrolet popularity—with nationwide demand sending production to new all-time "highs"—Chevrolet dealers are displaying an additional group of four new models. These cars are identical in quality with all 1934 Chevrolets. And the prices have been set at such incredibly low figures that you can now buy a Chevrolet for \$465! "A Chevrolet for \$465!" That's the world's lowest price for a six-cylinder car. The lowest price, also, for a car of this size, wheelbase and power! And a figure that sounds even more impressive after you find out what it buys: A great big, full-size, long-wheelbase car, 189 inches from bumper to bumper. A cushion-balanced SIX of surprising smoothness, power, snap and dash. The most economical full-size car that money can buy—a record-breaker for gas and oil mileage, as well as long, dependable service. And every closed model has a Body by Fisher. Nobody interested in motor cars can afford to let another day slip by, without seeing this "Chevrolet for \$465."

departments in the best of condition for the fall exposition. The carnival grounds need no work and the committee expects to book one of the largest shows of this kind ever to visit West Texas.

Special installations will be made at the last minute for the grandstand attractions. It will be necessary to book the entire grandstand attractions before the stage and lighting arrangements are considered.

Plans are also being made for one big feature night, probably a pageant, that will have a special appeal to citizens of the entire county.

14 Local Scouts Attending Camp Farr This Week

Fourteen Ballinger Boy Scouts are attending the encampment at Camp Louis Farr near Merton this week. They were accompanied by sponsors of the two troops and A. H. Wiesepape, who is in charge of the lads at the camp.

A number of Ballinger men and women will go to the camp grounds Saturday afternoon to take supper with the boys, attend a meeting of the district executive committee, and bring the Scouts home.

A special effort is being made to get all adult Scout workers to attend the meeting. O. L. Parsh, chairman of the Ballinger executive committee, will preside over the sessions and all workers with regular committee appointments have agreed to be present.

Dinner will be ready for the Ballingerites when they arrive and after a tour of the camp site the business meeting will be held. Camp Farr is one of the most convenient and beautiful Scout camps in the Southwest and local leaders are anxious to inspect it.

The Ballinger boys have enjoyed a real outing in the camp this week and have attended schools of instruction as well as participating in supervised play.

SOCIETY.

Breakfast for Mrs. Love

Mrs. G. W. Love, who lives on a ranch near Sierra Blanca, was honored by Mrs. J. C. Sturges, Jr., last Thursday morning with an attractive bridge breakfast in her home on Broadway. Mrs. Love is the guest of her father, J. C. Sturges, and other relatives.

Purple larkspur and wild flowers in a deep red shade used to decorate rooms, suggested the color scheme which was stressed along with a cowboy theme. Red cowboy hats with purple bands, served as place cards for the breakfast and later for the recording of contract scores. Cactus plants in small pots of colorful pottery were centerpieces for the foursome tables.

Miss Louise Batts assisted Mrs. Sturges in serving the two-course breakfast to: Mmes. Love, Rainey Elliott of Vernon, A. C. Bauer, Charles Miller, Jr., Charles Bailey, Jack Rudd, Misses Ruth Forgy, Doty Sims, Dorothy Chancey, Frances Trail, Virginia Holman, and Verda Nell Trail.

Awards went to Miss Sims for high; to Mrs. Elliott, Mrs. Bailey and Mrs. Miller for cuts; and guest favors to Mrs. Love and Mrs. Elliott.

Two Are Hostesses for Miss Shepherd

Miss Dorothy Chancey and Mrs. Charles Miller, Jr., were hostesses on Saturday afternoon complimenting Miss Evelyn Shepherd.

An artistic floral arrangement of pink roses, sweet peas and Queen Anne's lace gave added beauty to the spacious rooms of the C. S. Miller home on Fifth Street.

A bride and groom standing beneath wedding bells adorned tallies for the contract games. A lovely chromium tray went to Miss Shepherd as the hostesses' favor.

Pink sweet peas were individual favors which accompanied the refreshment plate of fresh strawberry cream with angel squares tied in green.

Included for the games were: Misses Shepherd, Doty Sims, Helen Brewer, Eleanor Hancock, Verda Nell Trail, Frances Trail, Virginia Holman, Edith Miller, Mmes. A. C. Bauer, Jr., Rainey Elliott, Troy Simpson, Robert Bruce, Charles Bailey, Claude Stone, W. B. Woody, G. W. Love of Sierra Blanca, J. C. Sturges, Jr., Ralph Erwin, R. W. Earnshaw, Woodrow Wilson, Joe Simmons, M. H. Watson, Arthur Giesecke, Frank Pearce, and Loyd Herring.

Guests were: Mmes. C. P. Shepherd, H. H. Luckett, John Curtis, J. M. Skinner, John A. Weeks, J. O. Douglass, C. S. Miller, and Miss Maryvatt Smith.

Methodist Choir Honors Miss Shepherd

Following regular weekly choir rehearsal on last Thursday evening, Miss Evelyn Shepherd was named honor guest for the informal social hour. She was given a sheet of music to sing by the director, Troy Simpson, which, on being opened, proved to be a pretty silver cheese plate—a token of appreciation from the choir personnel.

Miss Velma Turner Becomes Bride of Clarence Jaeggli

The marriage of Miss Velma Turner and Clarence Jaeggli was performed at 5:30 o'clock Friday afternoon in the home of the bride's parents, Mr. and Mrs. I. M. Turner, Rev. M. C. Golden, a life-long friend of the Turner family, spoke the words of an impressive double ring ceremony in the presence of only a few close friends and relatives of the couple. The vows were made before an altar of roses and larkspur combined with Queen Anne's lace and fern.

Guests registered in the bride's book, which was a gift from the bride's elder sister, Mrs. Davis Nunn, of Abilene; and was presided over by Miss Louise Batts.

Pre-nuptial music was given by Miss Lois Powell, of Abilene, who also played the Wedding March from Lohengrin.

At the first sounds of the wedding march Mr. Jaeggli entered, attended by Clyde Holliday.

Little Miss Mary Louise Nunn.

Lady Says She Took CARDUI for Cramps; Was Soon Relieved

Women who suffer as the did will be interested in the experience of Mrs. Maude Crafon, of Belleville, Ill., who writes: "For several years, I suffered from irregular trouble and cramping. There would be days when I would have to stay in bed. I would get so nervous, I was miserable. My aunt told me to try Cardui. She believed it would build me up, regulate me and help the nervous trouble. I knew after taking half a bottle of Cardui that I was better. I kept on taking Cardui and found it was doing me a world of good. I am in good health, which means a lot to me."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Price \$1.

only niece of the bride, carried the rings on a white satin pillow. She wore a befrilled frock of pink crepe organdie.

Miss Cordelia Batts was the maid-of-honor. She wore a pink embroidered chiffon organdie with blue accessories and carried a bouquet of sweet peas and lace fern.

The bride entered alone, carrying an arm bouquet of pink roses, combined with sweet peas, maiden hair fern and Queen Anne's lace. She was gowned in a mouseline de sole frock of heaven blue, made with fitted lines and floor length. Her going-away suit was a Chanel navy blue net swaggar with navy blue accessories.

Mrs. Jaeggli is the daughter of Mr. and Mrs. I. M. Turner, prominent residents of Hagan. She is a graduate of the Ballinger high school and has attended Hardin and Simmons University. More recently she has been a student in North Texas State Teachers' College in Denton. For the past several years she has been teaching at Hagan, where she and Mr. Jaeggli are employed to teach the ensuing year.

The groom is the younger son of Mrs. Clara Jaeggli. He is a graduate of a Fort Worth high school and of the teachers' college in Denton where he gained literary fame and was editor of the college paper. He has also done considerable work toward an M. A. degree in the University of Texas. For the past four years he has been principal of the Brookshier school.

The couple left immediately following the ceremony for a wedding trip to Fort Worth, Dallas, and Denton, where they will be at home part of the summer.

Miss Shepherd is honoree at Surprise Shower. The attractive home of Mrs. W. J. E. Hays, D. V. Yarbro, Lawrence B. Woody on Seventh Street was

given an elaborate floral adornment on Tuesday afternoon when she named Miss Evelyn Shepherd guest of honor for a late afternoon bridge party and shower.

A bride and dainty flower girl were art decorations for the place cards for the four quartet tables and the tea table with places laid for six. The dining room table was laid in Chinese linen and centered with a rectangular basket of sweet peas, baby's breath and lace fern. Other tables were laid in madeira and centered with small vases of the same blooms.

Mrs. Claude Stone and Mrs. Troy Simpson assisted Mrs. Woody in serving the two courses which emphasized a yellow and green color theme.

The miscellaneous shower of pretty gifts came as a complete surprise to the honoree and following the opening and inspection of these contract games were played.

Included were: Misses Shepherd, Helen Brewer, Katharine Penn, Sara Elkins, Doty Sims, Maryvatt Smith, Ruth Forgy, Dorothy Chancey, Eugenia Baskin, Mmes. C. P. Shepherd, H. H. Luckett, E. C. Baskin, Arthur Giesecke, J. A. Schnable, John Weeks, J. G. Douglass, J. F. Currie, R. W. Bruce, Troy Simpson, Claude Stone, Joe Foman, Leonard Stallings, R. W. Earnshaw, Charles Bailey, Chas. Miller, Jr., A. C. Bauer, Jr., Levy Lee, Crawford Lemburg of Mason, George McCulley of Kingsville, and Robert Bruce.

Mrs. Swann is Club Hostess. Mrs. G. A. Swann was hostess to her contract bridge club Tuesday afternoon in her pretty Wilke Terrace home.

Roses and sweet peas from the hostess' own flower garden decked rooms where scores were recorded on fan tallies.

Enjoying the games were: Mmes. J. E. Hays, D. V. Yarbro, Lawrence B. Woody on Seventh Street was

day, W. A. Green and Edward Sommer.

Christian Sunday School in Picnic
The entire personnel of the First Christian Sunday school was included in the plans for a picnic supper in city park late Tuesday afternoon.

The children went at four and enjoyed an hour's play under adult supervision. Adults came at six and later the delicious barbecue supper with all the accessories was enjoyed by the group.

Notice
The office of Dr. S. B. Raby is now open for the settlement of accounts making collections and attending to other business in connection with the closing of this estate. Anyone having business with the office is requested to call at once.
