VOLUME 55.

BALLINGER, TEXAS, THURSDAY, SEPTEMBER 26, 1935.

NUMBER 3.

Premium Lists for Runnels County Fair are Ready

Premium lists for the Runnels County Fair, October 8 to 12, are ready for distribution and may be had by calling at the office of the Ballinger Chamber of Commerce or by writing J. D. Motley, secretary of the Runnels County Fair Association.

The folder is in condensed form, but provides prizes for all departments and is a complete listing of cash awards to be made this year.

Every person who has products to exhibit, should get a folder and study it carefully. The general rules and the names of all committees are printed in the first of the list. The time limit for entering items in the fair is specified and all information necessary to becoming an exhibitor is given.

Meetings of nearly all the fair committees are being held this week. Mr. Motley stated that he would call a general meeting of all fair workers the first part of next week to report on the progress of the various departments. This will also iron out several conflicts in committee work.

The concession committee continued to do a good business this week and much space has been sold. Most of the stands are for eating and drinking near the buildings, and for grandstand privileges. There are still many good locations left, however.

Buildings are being thoroughly cleaned this week and made ready for exhibits. Exhibitors will begin decorating and preparing their displays or demonstrations the first part of next week. The sheds where livestock will be shown will be ready some time next week and all other necessary work completed, including the rodeo arena and lights for night performances.

FREE HAULING OFFERED DURING CLEAN-UP WEEK

City officials announced Thursday that trash would be hauled free during Clean-up Week, which begins in Ballinger Monday. Residents are requested to put their trash near the alley, in containers that can be loaded by two men, by Thursday morning. City wagons will start near the Halley & Love Sanitarium Thursday morning and drive through every alley in the city to pick up the refuse.

This service is offered as a special inducement to citizens to cooperate in this city-wide movement. It will be impossible for the men on the wagons to pick up trash from the ground and unless it is in containers it will be left. If any place is overlooked in the rounds, a telephone call to the city hall will be appreciated and a wagon will be sent back for the trash.

TUNNELL LEAVES TO ATTEND FUNERAL OF BROTHER-IN-LAW

R. F. Tunnell, of Ballinger, and T. V. Tunnell, of Maverick, left Wednesday for Jerrell to attend the funeral of their brother-in-law, Ernest Koontz, who was killed at that place. Newspaper accounts of the death stated that charges of murder had been filed against Constable J. W. Thomas.

Until 1914 Tsingtan was an all-German city.

Local Compress Finishes Big Run On U. S. Cotton

The Texas Compress Company plant here operated Tuesday and Wednesday of this week to finish an early run on government cotton. W. B. Woody, manager, stated Thursday that the Ballinger compress completed a 1,100-bale run in the two days, the last of the government cotton to be handled this year. Since starting operations the local plant has pressed and shipped 13,500 bales of cotton on which 12-cent loans had been advanced by the government.

There is still considerable 1934 cotton in the compress sheds being held for individuals and buyers which will remain there until sold.

The local plant will clean up on old cotton in the next few weeks and begin to receive new cotton. For the runs made on the government cotton a number of shipments were received from San Angelo and other points in this territory.

Permits for Ginning Cotton for Domestic Purposes to be Given

Every farm home will be allowed 110 pounds of tax free lint cotton over and above the amount given by tax exemption certificates this year. This cotton is to be used in the home some way and cannot be offered for sale or in trade for anything of value. If made up into any article it cannot be sold and must be strictly for domestic use.

One reason for the allowance is to help the mattress making, quilt and comfort making program by home demonstration clubs. There are numerous other ways of using the free lint cotton, however.

Before a ginner can handle this cotton, the owner must go to the county agent's office and make application for the tax free ginning. With this blank filled out, any ginner will gin the cotton without collecting a tax on it.

Blanks permitting this ginning will be received here about October 1 and any person desiring such a permit may secure it by applying at the county agent's office.

Several announcements have been made already regarding this 110-pound allowance, but this is the first time a statement has been made that a permit must be issued before it can be ginned.

Mr. and Mrs. Ed Stallcup and Mr. and Mrs. Myles Nixon went to Brownwood Friday night to witness the Daniel Baker-North Texas Agricultural College football game.

Mrs. E. O. Keaton, of Abilene, visited relatives here Monday and Tuesday.

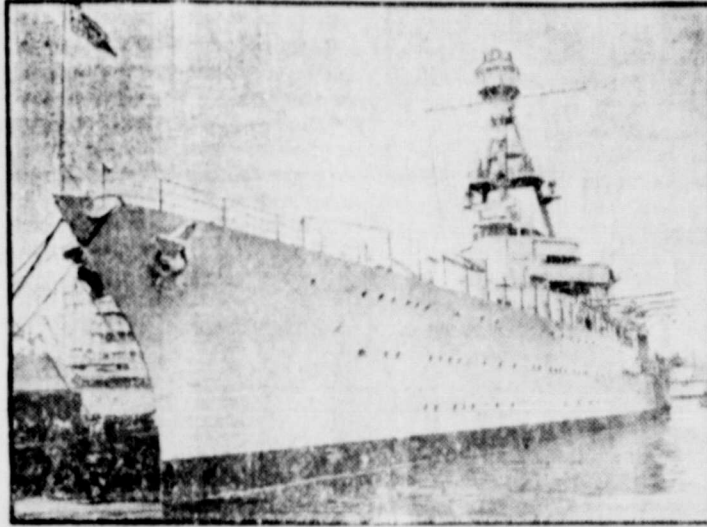

E. L. DeWitt Retires From Postal Service After Thirty Years

E. L. DeWitt, pioneer mail carrier of Ballinger, has been notified by the United States postal department that he will be retired from service on October 1. This will end 30 years and 11 months' service in this federal position for Mr. DeWitt, who is being retired because of age. He was 65 years old September 10. Because he has served in the postal department for 30 years he will be retired with a full pension.

Mr. DeWitt began working for the Dallas postoffice in December, 1904, and in the middle of November, 1913, moved to Ballinger on account of his health. He exchanged positions with George Stokes, who was city carrier here at that time. Ever since he has been connected with the Ballinger postoffice. Mr. DeWitt has carried the mail on route No. 1, the business district.

Melvin Patterson will take over Mr. DeWitt's duties October 1 and will carry the mail on route 1. Mr. Patterson's place in the local office is being filled temporarily by Joe Flynn.

President Roosevelt again to the bounding main for his vacation joys. After a trip across the United States, with stops at Boulder Dam and Los Angeles, and a motor trip to the San Diego exposition, President Roosevelt has revealed he will board the U. S. S. Houston, shown above, for a 20-day Pacific cruise. At his week on the Houston, shown at left, the president will keep in contact with United States affairs when he is not deep-sea fishing. The ocean voyage will feature a trip to the Cocos Islands. Upon its return to the United States, the Houston will pass through the Panama Canal and then either dock at a Gulf port or steam up the Atlantic coast to Annapolis, Md.

Side Agreements May Violate 1935 Cotton Contracts

Side agreements between landlords and tenants which are not according to the terms of the 1934-35 cotton contract are a violation of the contract, County Agent Elmo V. Cook points out, declaring that if such agreements are brought to the attention of the county committee, the exact terms of the contract must be complied with or all contracts concerned must be cancelled and all benefit payments returned to the government.

Landlords and tenants who have such agreements which do not correspond with the contract are advised that they should comply with the terms of the contract at once as one of the parties to such an agreement can cause both parties considerable embarrassment at any time.

During the past few weeks several cases have been called to the committee's attention where in landlords have required managing share tenants to turn the tenant's part of rental payments over to the landlord in order to secure a place for the tenant to live. Such agreements are considered the worst possible form of contract violation and proof of such agreements cancels all contracts of the landlord until payments have been returned to the tenant.

Turner Ruhmann witnessed the grid game between Texas Tech and Hardin-Simmons at Abilene Friday evening.

M. L. Bird, of Abilene, division manager of the Community Gas Company, transacted business in Ballinger Monday.

Chief Cherry Talks To Local Rotarians On Fire Prevention

Fire Chief Chester Cherry was the principal speaker at the Ballinger Rotary Club meeting Tuesday, talking on Clean-up and Fire Prevention Week. Mr. Cherry outlined the history of the state fire school, held annually at College Station, and some of the results accomplished.

He gave the school credit for reducing fire losses in Texas more than two-thirds, cutting the number of deaths by fire appreciably, and saving money for every property owner in the state through reduction in insurance premiums.

The speaker detailed the work to be done in the schools here next week and stated that methods of saving human life from fire would be stressed.

After the chief finished his talk he was asked what would be done with the weeds in the city. He replied that if they were cut the firemen would attend to burning them and stand by to prevent any danger of fire.

Mayor E. M. Lynn talked on the firemen's conventions and told of the seriousness which characterized these meetings. He urged that property owners lend the firemen more moral support in their efforts to save property and life.

Mrs. Larkin Hayley, of Norton, was the guest of Mrs. J. M. Skinner Tuesday, returning home Wednesday. Mrs. Hayley had been visiting relatives in East Texas and was en route home.

John A. Weeks, R. W. Earnshaw, John Weeks Earnshaw and Tom Agnew attended the Texas Tech-Hardin-Simmons football game at Abilene Friday evening.

Farmers Urged To Save Exhibits For County Fair

Runnels county farmers are being urged to collect and save hay and roughage for the Runnels County Fair, October 8-12. County Agent Elmo V. Cook points out that "the excellent quality of late feedstuff assures some fine exhibits in this line at the 1935 fair."

In commenting on the preparation of the bundles, Mr. Cook said, "All bundles of feed for show purposes should be from 3 to 4 inches in diameter and enough hay should be used to make a bale 8 by 10 1/2 by 15 inches in size." A small hay baler has been provided by the fair association and any samples brought in by October 8 to the county agent's office will be baled and accepted at that time in the fair exhibits. After the fair opens Tuesday, October 8, the baler will be in the agricultural building for those needing it.

All hay and roughage exhibits will be judged on quality, percentage of edible material, fineness of stems, color and freedom of trash and weather damage. Bundles will also be judged on quality of heads on the stalks.

"Exhibitors are reminded that the largest stalks are not generally the best, as what is wanted is a high percentage of edible leaves and grain," Mr. Cook said.

Scott Hartgrove, of Paint Rock, attended to business and visited friends in Ballinger Monday.

256 New Cotton Contracts Approved for This County

Runnels County Put In District No. 7 By Extension Service

Extension service work has been re-districted, making 12 districts in the state where 9 formerly served. This made it necessary to re-arrange practically every district already established in order to fix the territory of each district agent so it would be possible for him to cover the field and cooperate with the county agents under him.

Under the new setup Runnels county falls in district 7 and the district agent will be C. E. Bowles. Other counties in this district are: Jones, Shackelford, Stephens, Palo Pinto, Taylor, Callahan, Eastland, Erath, Coleman, Brown, Comanche, McCulloch, San Saba, Mills, Mason, Llano, Gillespie and Blanco.

Both district agents are expected to visit here soon to become acquainted with the work underway in this county.

The county agent's office this week received approval from Washington on 256 new cotton contracts for growers of Runnels county. These are on farms which did not produce cotton last year and have never been under government contracts until this year.

Second rental payment checks on these newly approved contracts are expected to arrive in Ballinger this week. As soon as the checks arrive contract signers will be notified to call at the office and sign for them. The total amount of the checks as shown by the government approval sheets is for \$11,329.43.

Along with the change came the announcement that Mrs. Maurine Hearn would be the new district home demonstration agent and supervise women's activities in this area.

Mr. and Mrs. A. Schnable and Mrs. Kathryn Ipson, of Shawnee, Oklahoma, left Monday morning after a few days' visit in the home of Mr. and Mrs. J. A. Schnable.

H. H. Stephens, of Concho county, transacted business in Ballinger Tuesday.

Six More Schools Opened in County; Plan Fair Exhibits

County Superintendent E. C. Grindstaff attended the opening of the Maverick school Monday morning. Many parents and pupils were on hand for the opening program. The students remained to enroll in classes and receive text books in order to begin regular studies Tuesday.

Mr. Grindstaff was the principal speaker at the Monday morning session, talking on school problems and encouraging students to put forth every effort to take advantage of their opportunities. Mrs. Marie Lee talked on Parent-Teacher association activities and an organization will be formed there this week to carry on a program during the school year.

Gordon Griggs is principal and other members of the faculty are: Mrs. Gordon Griggs, Miss Myrtle Borders and Mrs. Morena Tunnell. The Red Bank school also opened Monday morning with Miss Lucille Stokes as teacher.

At Benoit the regular 8-month term was commenced. H. C. Funderburk is principal and Mrs. Krehbsel Greenwood teaches the primary grades.

The Cross Roads school opened last Tuesday and regular studies began Wednesday. Miss Louise Wardlaw is principal and Miss Juanita Porter teaches the primary grades.

A number of the rural schools are now operating and this week Supt. Grindstaff is sending a letter to all those now open asking them to cooperate in the school department of the Runnels County Fair. He has talked to many of the principals and found them willing to arrange exhibits of the children's work.

Work started at Harmony Monday. W. T. Knowles is principal and Miss Amelia Hoseager and Miss Nellie B. Cook are assistants. Add SIX MORE SCHOOLS.

The Barnett school also opened Monday morning. Mr. and Mrs. J. L. Carroll will be the teachers at this school this year. For the past four years they have been teaching at Marie. The enrollment this term will be a little less than last year, due to the fact that more transfers were made.

The Otter school will open next Monday with about the same enrollment as last year. The same staff of teachers will serve this school for the next nine months. At the opening Monday County Superintendent Grindstaff will speak to the students.

The term at Eagle Branch will begin Monday morning with a new staff of teachers. Miss Anna Belle Hash, who taught in Coneho county last year, will be one of the instructors and Miss Juanita Huddleston will be the other.

Miss Lynette Stokes will be the principal again this year at Spring Hill when it opens next Monday and will be assisted in teaching duties by Miss Claudia Compton, a new teacher.

Miss Erna Belle Mason, who taught at Spring Hill last year will be employed at the Mason school this year.

HUGH BRATTON ACCEPTS POSITION AT PEARCE DRUG
Hugh Bratton, of Mason, has accepted a position with the J. Y. Pearce Drug Store. Mr. Bratton, a graduate of the University of Texas school of pharmacy, came here Monday to assume his new duties. Before coming here he was employed for a short time in a Mason drug store.

Mr. and Mrs. E. C. Grindstaff attended the Hardin-Simmons home-coming at Abilene Friday.

Technical manslaughter charges faced Pilot William J. Mulquoney, above, and Irwin Davis, stunt parachutist, after Mulquoney killed Len Kosnecka, below, former Brooklyn Dodgers' outfielder, with a fire extinguisher in a plane thousands of feet over Toronto, Can. Mulquoney, who said he left the controls of his ship and felled Kosnecka after the latter attacked Davis, declared it was "one life or three."

Bedrooms Scored To Begin Contest; 16 Are Entered

The first scoring on bedrooms entered in competition by Runnels county home demonstration club members will be made this week. Inspection of the rooms before work begins commenced this (Thursday) morning and will continue until all have been visited and rated. Mrs. J. G. Douglass and Mrs. C. R. Stephens are accompanying Miss Myra Tankersley, county home demonstration agent, on the tour of inspection to the sixteen entries.

Improvement will be started by the contestants at once. Final judging will not take place until next spring after all improvements are made. All entrants have a score card by which to make improvements and judging will be done according to the requirements.

The card calls for a number of divisions for consideration. Sanitation is a big factor and includes ventilation, screening, cleanliness, and ease of cleaning. Lighting is another important division with attention given to both natural and artificial methods. Interior finish includes the walls and ceiling, woodwork and floor. Furnishings takes in all furniture, pictures, and ornaments. Other items include clothing storage, general appearance of the room, and the suitability to the particular need of the person who will occupy it.

Bedroom demonstrators include the following:
Miss Josephine Ash, Miles
Miss Annie Shelton, Bethel
Miss Wilma Malone, Bianton
Miss Eleanor Adams, Dale
Mrs. Troy Nichols, Hatchel
Mrs. Gene Crawford, Hagan
Mrs. Joe Thomas, South Ballinger

Mrs. Ida Lewis, Benoit

MAN, NINETY-FOUR, SEEKING NEW WIFE

HOOPSTAD, South Africa, Sept. 25.—Ninety-four is not too old to seek a wife, according to old Platje. He lost his first one recently and is determined not to stay single.

Every week-end he walks nearly 40 miles in a wife-hunting tour, returning to work Monday morning fresh and hopeful for better luck the next week. Platje served throughout the Anglo-Boer war with George Nieuwoudt, an old seafaring man, and the two had many narrow escapes from the enemy. Platje is a Bushman, is still hale and hearty, and expects to live many years and to have at least one more spouse.

Local Officials Seek Resumption of Work At Canning Plants

County Judge Paul Trimmer and other officials are putting forth every effort possible to get operations resumed at the two canning plants in Runnels county. These plants, at Ballinger and Winters, have been closed for some time. There are many demands for canning on the toll system and a large amount of produce is going to waste.

Judge Trimmer was in telephone conversation Monday with Congressman C. L. South, who promised to do all in his power to expedite the matter. Later Judge Trimmer talked with WPA officials at San Antonio but received no encouragement in regard to reopening the canneries.

Most projects of this classification have been approved by the state board and forwarded to Washington, where paper work is said to be congested.

It is declared that there are many tomatoes being wasted in this area at this time because of lack of canning facilities.

The relief sewing room here was opened and operated for one week recently, the Ballinger Rotary Club paying for the supervision. The funds to pay workers were exhausted and the work stopped, so at this time there is no relief work of any kind being done in this county.

Direct relief is being given a few clients by the local office.

SCOT VILLAGE PROGRESSES

KILKENNY, Scotland, Sept. 25.—Lit by paraffin lamps for more than 100 years, the village of Kilkenny has decided to get in step with the rest of the world and improve its street lighting. It will install gas lamps, discarded long ago in this country. Kilkenny is one of the few villages in Scotland still using paraffin oil.

County's Club Boys Start Feeding 60 Head of Lambs

Sixty lambs were put on feed for the livestock contests next week by members of Runnels county boys' 4-H clubs and vocational agriculture classes. These animals will be fed until next spring when fat stock shows are held in this section. They will be exhibited in these shows and afterwards sold.

County Agent Elmo V. Cook stated Monday that practically all the lambs would be on exhibition at the Runnels County Fair in October and while they would not be anything like finished for show purposes, they would be fat by that time and would give the home people some idea of the kind of stock being groomed by the boys.

Club boys who put lambs on feed last week are: Jim and Winston Avlor, of Miles; Raby Padgett, Jr., of Hagan; and Don and Coy McNeill, of Norton. Vocational agriculture students who have been reported are: Cecil Vinson, A. B. Collingsworth and Ellis Lee, of Winters; J. M. Williams, vocational agriculture teacher at Winters, will have another list of names to report here this week to make up a total of about 35 lambs being fed by his class.

Regular inspections will be made of these lambs by the county agent and Mr. Williams to assist the boys in rationing feed.

3 Mexicans Fined Following Affrays Saturday, Sunday

Evaristo Mendoza and Silva y Lara were fined a total of \$23.50 each in justice court here Monday on assault charges developing from an affray Sunday night. Officers stated that both Mexicans were drunk and before the assault were disturbing the peace at the L. C. Daugherty Drug Store. They were ordered from the store by the manager when shoplifting was said to have been attempted.

Shortly afterwards the men are alleged to have attacked Troy Warren on Railroad Avenue near the Cameron Garage, inflicting a knife wound. Both are being held in the county jail to work out their fines.

Two Mexicans were arrested at Miles Sunday night following a fight at a dance. Tomas Guisar was seriously injured and Juan Hernandez is being held here, awaiting the outcome of the former's condition. Guisar was fined a total of \$14.50 Monday and action against Hernandez will be taken as soon as the other man recovers or dies.

Mr. and Mrs. H. G. Agnew attended the Hardin-Simmons-Tech football game at Abilene Friday night.

BENOIT BEATS

As your correspondent from this place seems to have taken quite a long vacation we will give your readers the happenings of this community until she returns.

While we may have to stand foot in the correspondence class, as some of them write such splendid letters for your valuable paper, a correspondent has to be very careful and use description as well as brains to report all the news of a community and keep everybody satisfied. About all the consolation the correspondent has is that he is supposed to be invited to all the socials, such as ice cream suppers, birthday and Christmas dinners.

A good rain fell Tuesday that will retard cotton picking a few days.

Buster Gibson, of Brownwood, visited his parents, Mr. and Mrs. C. M. Gibson, Saturday night and Sunday.

Among those who attended church at Talpa Sunday were: Mr. and Mrs. Milton Clayton, Mr. and Mrs. W. T. Hill, Mrs. Cora Clayton and Miss Opal Cox. Bro. Morton preached a splendid sermon that was enjoyed by the large congregation present.

Visitors in the Roy Clack home Sunday were Mr. and Mrs. Homer Wood, Mr. and Mrs. Arthur Wood, and Mr. and Mrs. W. T. Hill.

Mr. and Mrs. J. L. Green were dinner guests in the A. N. Hoffman home Sunday, also Mr. and Mrs. O. C. Cox.

Arthur Muller was visiting his brother, Joe Muller, Tuesday.

Mr. and Mrs. Irven Phipps visited A. Broyles and family, of Talpa, Friday.

School Opens October 7

The Crews school will open Monday morning, October 7. A short program is being arranged for the opening session. The enrollment will probably be the largest in the history of the school. Last year approximately 200 students were enrolled.

The faculty this year is composed of the following: superintendent, W. T. Gassiot, principal, Byron Rucker, English and Spanish, Miss Beth Stiles, elementary teachers—Edmond Dial, sixth and seventh grades; Mrs. W. T. Gassiot, fourth and fifth grades; Miss Maud Brookshier, second and third grades; Miss Nettie Landrum, first grade.

All the faculty have taught at Crews previously, with the exception of the principal, Mr. Rucker. A very successful school year is anticipated.

Patrons are cordially invited to attend the opening exercises Monday morning.

HARMONY HERALDS

The school opened Monday with

W. T. Knowles as principal, Miss Camilla Hoisager as intermediate teacher, and Miss Nellie Dee Cooke as primary teacher.

J. M. Giles, J. D. Cox and Mrs. C. B. Mosley are reported sick at this writing.

Elva Seals spent last week in the home of her grandmother, Mrs. T. H. Hill, of Ballinger.

Mrs. Lee Seals visited her mother, Mrs. Hill, of Ballinger, Friday.

EAGLE BRANCH EVENTS

Carl Bull has leased the Crews garage and filling station formerly operated by Carlos Mathis, of Crews, and has equipped it with modern tools to do general auto repair work, including acetylene welding. Mr. Bull is a prominent young farmer of this community and an able mechanic and we wish him much success in his new line of business.

Misses Mary Lou Sellers, of Dale, and Leona Cooper and Lula Vandant were guests of Miss Genova Boothe Sunday.

Mr. and Mrs. H. L. Tooker attended the Baptist preaching at Crews Sunday.

Some improvements are being made on the school grounds this week in preparation for the opening of school next Monday, September 30.

Some heavy showers fell here Monday afternoon and night, and light showers fell Tuesday and Wednesday mornings. Cotton picking will be delayed again.

Plans are being made to have a community social at the school house Friday evening of this week. The president of the Parent-Teacher Association urges everyone who is interested in the opening of school and P-T. A. work for the coming school term, to be present.

BARNETT BELL RINGERS

Rev. Gilbert W. Wilson delivered a wonderful message Sunday morning (September 22). There was a large attendance at Sunday school.

Calvin Fielder, of Blanton, and Miss Laverne Dorsey, of this community, were united in marriage by Rev. Gilbert W. Wilson last Saturday night. Only a few close friends witnessed the ceremony. Both are well known here. The bride, a daughter of Mr. and Mrs. J. B. Dorsey, has lived most of her life here. She is among the popular girls of this community. Their many friends wish them a long life of happiness.

The Barnett school opened Monday morning with practically all the pupils reporting to begin their work. Most of the parents were also present. We are very glad to have Mr. and Mrs. E. J. Carroll in our school and community. Everyone seems enthusiastic over this being one of the best years for the Barnett school, so let's all cooperate.

Practically everyone in this community has started picking cotton, and would like to see a few weeks of sunshine. Cotton has been greatly damaged by insects.

Parade Committee Completes Plans For Fair Opening

The committee in charge of parades for the Runnels County Fair announced Wednesday that all horseback riders in the county were invited to be present on the opening day of the 1935 fair and take part in the parade starting at 1 p. m.

This parade will be in honor of the pioneer citizens of this county and they will be given the place of honor in the line of march.

Members of the committee are soliciting merchants' entries, clowns and other comic entries for the opening day parade. It was announced that the parade would form on Tenth Street, move east through Hutchings Avenue to Broadway, north on Broadway to Railroad Avenue, west on Railroad Avenue to Eighth Street and south on Eighth Street to Fair Park. The order will be as follows:

1. Sheriff and officers, mounted
2. Chairman hospitality committee, C. A. Doose
3. Fair officials in cars
4. Ballinger Cherry Band
5. Pioneers
6. Company C, 142nd Infantry
7. County and city officials
8. Fire department
9. Merchants' entries
10. Carnival band
11. Horseback riders
12. Rodeo performers
13. Livestock
14. Band
15. Clowns and comic entries
16. Carnival parade.

Boy Scouts will assist local officials in directing traffic downtown during and following the parade.

PRESBYTERIANS TO HAVE SPECIAL SERVICE SUNDAY

A special program has been announced for Sunday evening at 7:30 at the Eighth Street Presbyterian Church. The program was arranged for the evening service while the pastor, Rev. W. H. F. Moore, is in San Angelo assisting in a special religious campaign.

The public is invited to hear the following program:

- Song, congregation

Chevrolet Starts Nation-Wide Sale On OK Used Cars

The Chevrolet Motor Company is conducting a nation-wide sale of unusual values in guaranteed "O. K. Used Cars."

During the month of August an all-time high in retail sales for Chevrolet was reported. This record shows in this one month Chevrolet delivered 99,018 new passenger cars and trucks at retail, an outstand-

ing performance that beats by 4,600 units the previous best August, which was in 1929.

The fact that Chevrolet's volume increased so sharply over its total in July hews unmistakably that the country's buying power is increasing, and that there is not only the ability but a universal willingness on the part of the public to buy.

This record breaking sale of Chevrolets during August materially increased the stock of good used cars to such an extent that a wide variety of all makes and models are now available at the local Chevrolet dealer and the

guaranteed "Red O. K. Tag" assure a real used car value.

PRE-SCHOOL P-T. A. TO MEET NEXT WEDNESDAY AFTERNOON

The Ballinger Pre-School Parent-Teacher Association will meet next Wednesday afternoon at 4 o'clock in the home of Mrs. Ernest Moody. This is the first meeting of the organization for the present fall season and large attendance is anticipated.

Mrs. J. D. Eoff will deliver an address on "The Well Man's Home."

IN SOCIETY

Club Entertained by Mrs. Smith

Lovely fall dahlias were used exclusively for floral decoration of rooms last Friday afternoon when Mrs. Cicero Smith was hostess to contract club members in her eighth street home.

Place cards for the games were silver silhouettes with high game score and high cut prize going to Mrs. Edward Sommer and Mrs. Rothal O'Kelly. Heavenly hash was served with a lime drink to Misses Henry Doss, Herbert Peoples, Felton Wright, Lawrence Grier, Sam Dunlap, O'Kelly and Sommer.

Triple-Four Has Closed Club It was closed club for the Triple-Four Contract Club Wednesday afternoon when Mrs. R. W. Earnshaw was hostess in her home on Eighth Street.

Margolds, golden glow and abeta suggested the white and gold color note featured. Autumn leaves adorned game appointments.

Angel cake iced in white was served with vanilla ice cream topped with fresh peaches. Guests were: Mmes. T. W. Agnew, J. B. Striplin, Harry Lynn, Alex McGregor, L. R. Tigner, K. V. Northington, Ross Murchison, E. W. Stasney, J. A. Schnable, Troy Simpson, Claude Stone, A. Schnable and Lee Lion of Shawnee, Oklahoma, Marquette Burton of Lawrenceburg, Tennessee, J. C. Richards, and Miss Thelma Midgley.

Primary P.-T. A. Benefit Party

About twenty-five tables of bridge and forty-two were in play at the benefit party given last Friday evening by the Ballinger Primacy Parent-Teacher Association in the banquet room and dining room at the Central Hotel.

Queen's wreath and roses were arranged in vases, bowls and floor baskets to give floral attractiveness.

A program of dance numbers was given by Misses Martha Louise Robinson and Helen Thomson, and piano numbers were given by Mrs. Alex McGregor and Cal Adair.

Doughnuts were served with coffee.

Sunday School Class Has Weiner Supper

The intermediate Methodist Sunday school class of which Miss Jimmy Jewel Taylor is teacher enjoyed a weiner supper and informal get-together last Friday evening in the church basement.

Besides Miss Taylor the following were present: Marion Grace Vanderpool, Erma Harville, Adelyn Horn, Eulalia Nicholson, Ida Mae Jennings and Mary Simpson.

Circles in Social Meetings

Circle One members of the Methodist Missionary Society were entertained on Monday by Mrs. Hamp Byler and Mrs. Hugh Campbell in the ranch home of the former. Mrs. W. D. Seales and Mrs. O. R. O'Neill were hostesses to Circle 2 in the Seales home on Eighth Street.

Varied fall blooms gave added beauty to both homes where Bible lessons were given by Mrs. Jack Nixon and Mrs. Ed Stallup.

Refreshments were served to forty members.

Shower for Bridal Couple

Mr. and Mrs. Leonard Willingham were honored with a surprise shower Monday evening by the employees of Perry Bros. store. Mrs. Willingham was Miss LaVerne Land before her marriage last Thursday and for the past year has been employed at the Perry Bros. store here.

The group presented the attractively wrapped package to the couple at their apartment on Seventh Street. Then all went to the home of Mr. and Mrs. P. J. Harris on Tenth Street, where refreshments of angel cake and punch were served.

Queen's wreath, roses and margolds were used to decorate the

rooms where informal games were enjoyed.

Present besides Mr. and Mrs. Harris and Mr. and Mrs. Willingham were: Mrs. Lee Sykes, Misses Elva Sykes, Cleo Hoffman, Louise Nunn, Jewel Fulton, Opal Morris and Grace Hendrix, and Mr. Furman McKinney.

Eastern Star Sponsors Carnival

The Eastern Star open air benefit carnival given Friday and Saturday evenings on the court house lawn was a thoroughly enjoyable as well as successful affair. The affair was sponsored by the circle of which Mrs. O. R. O'Neill is chairman. Other affairs will be held later in the year by the other two circles.

Mrs. Vancil is Hostess

The ranch home of Mrs. Ralph Vancil was the scene of a prettily planned fall party last Saturday afternoon. Pink and yellow were the colors emphasized in all details. The rooms were decorated with pink and yellow blooms with the dining room table being especially lovely. It was laid in lace and centered with a low bowl of pink blooms flanked with yellow tapers.

In the games high score award went to Mrs. Edward Sommer, the traveling prize to Mrs. C. P. Shepherd, and low to Mrs. Fred Kiechle. A chicken salad plate was served with coffee.

Mrs. I. Vancil and Mrs. Delbert Vancil assisted in entertaining.

Included were: Mmes. W. B. Woody, C. W. Cheatham, E. W. Stasney, Rothal O'Kelly, Homer Carsey, Robert Bruce, Charles Bailey, Leonard Stallings, Loyd Herring, E. A. Sommer, Jack Rudd, Leslie Baker, Ross Murchison, Claude Stone, Six Cottelle, Alex McGregor, R. G. Erwin, J. G. Douglass, Conda Wylie, John Currie, John Weeks, A. L. Spann, W. W. Chastain, R. W. Earnshaw, C. P. Shepherd, K. V. Northington, F. M. Pearce, J. Y. Pearce, George Kirk, J. B. Striplin, J. A. Schnable, Arthur Giesecke, Herman Giesecke, Jr., Harry Lynn, T. W. Agnew, Horace Sessions, Kiechle, J. C. Sturges, Jr., R. W. Bruce, Jack Nixon, Jr., A. C. Bauer, Ernest Nance, M. S. Patrick, Ed Richards, Troy Simpson, Misses Faye Clark, Virginia Holman, Eugenia Baskin, Griffie Atkins, Winnie Trull, Maggie Herring, and Frances Trull.

Group leaders appointed by the new president were: Mmes. James Wear, Tigner and O. B. Wilson.

During the social hour a colonial corsage fashioned of handkerchiefs and showered with personal cards attached to ribbons was presented the teacher, Mrs. Kirk, by the retiring president, Mrs. Grier.

Thirty-two were present.

Bachelor Girls Entertained

Miss Elizabeth Parker was hostess to the Bachelor Girls Wednesday evening in the home of Mrs. Guy Middleton on Ninth Street.

Roses and queen's wreath added to the attractiveness of the rooms for the usual two tables of club members and one table of guests who engaged in games of contract.

Party Series in Trimmer Home

Friends were welcomed into her home on Fourth Street in three groups by Mrs. Paul Trimmer with a noon and late afternoon affair last Friday and a luncheon on Tuesday.

Garden rows decked rooms where tables and other game appointments reflected the floral theme in pastel shades of pink and yellow.

Guests included were: Mmes. E. W. Stasney, Leonard Stallings, J. B. Striplin, J. C. Sturges, Jr., Loyd Herring, R. W. Earnshaw, Sam Dunlap, Horace Sessions, Charles Miller, Jr., K. V. Northington, E. C. Baskin, Fred Kiechle, A. J. Thorp, J. C. Richards, Bruce Creaky, Alex McGregor, Edes Lynn, Ralph Erwin, Malcolm McGregor, George Holman, Victor Miller, Arthur Giesecke, Alex Saunders, R. L. Harwell, John Guion, Claude Stone, E. L. Hagan, Frank Pearce, E. W. McLaurin, W. B. Halley, John Weeks, Georgie Stephens, M. C. Smith, Misses Maryatt Smith, Myra Tankersley, Wynis Greer and Frances Trull.

Fellowship Class in Douglass Home

Zinnias and aspen's wreath gave a pretty floral decoration to the home of Mrs. J. G. Douglass on Tuesday evening when Mrs. Douglass was assisted in hostess duties by Mrs. Jack Nixon, Jr., Misses Fay Clark, Loretta Garrett, and Jimmy Jewel Taylor.

During the business session the following were elected as officers

for the ensuing year: president, Mrs. H. G. Agnew; vice-president, Mrs. Herbert Peoples; secretary, Miss Eugenia Baskin; treasurer, Miss Griffie Atkins.

A program of piano duets and vocal numbers was given by Mrs. Peoples, Mrs. W. H. Vanderpool and Mrs. Nixon.

A plate of Italian spaghetti, congealed fruit salad, hot rolls and hot spiced punch was served 26 members.

Handkerchiefs were presented the three past presidents, Miss Clark, Mrs. Nixon and Mrs. Edward Sommer.

Clubs to Meet

The Music Club will meet October 1 at 7:30 p. m. in the home of the president, Mrs. W. B. Halley. Members are requested to bring dues or send them. An interesting program has been arranged.

The Shakespeare Club will meet in the home of Mrs. C. P. Shepherd Thursday, October 4, at 4 p. m. The program will feature a tribute to the past presidents. A social hour will follow the business period.

Alathean Class Entertained by Four

A chuck wagon dinner in the home of Mrs. B. C. Kirk on Seventh Street was given members of the Baptist Alathean Class by Mrs. Kirk, Mrs. L. R. Tigner, Mrs. F. T. Wright and Mrs. H. C. Funderburk on Tuesday evening.

The following new officers were elected: president, Mrs. Robert Lowery; vice-presidents, Mmes. Cicero Smith, L. B. Rudder, Guy Middleton and Hubert Parrish; secretary, Mrs. P. J. Harris; assistant, Mrs. Henry Doss; chorister, Mrs. Guy Lively; pianist and assistant, Mrs. Funderburk and Mrs. Lawrence Grier; teacher and assistant, Mrs. Kirk and Mrs. W. A. Green.

Group leaders appointed by the new president were: Mmes. James Wear, Tigner and O. B. Wilson.

During the social hour a colonial corsage fashioned of handkerchiefs and showered with personal cards attached to ribbons was presented the teacher, Mrs. Kirk, by the retiring president, Mrs. Grier.

Thirty-two were present.

Bachelor Girls Entertained

Miss Elizabeth Parker was hostess to the Bachelor Girls Wednesday evening in the home of Mrs. Guy Middleton on Ninth Street.

Roses and queen's wreath added to the attractiveness of the rooms for the usual two tables of club members and one table of guests who engaged in games of contract.

The refreshment plate of parfait and cookies had as favors tiny vases of bachelor buttons.

Present were: Misses Faye Clark, Maggie Herring, Lucile Williamson, Griffie Atkins, Frances Trull, Dena Meyer, Eugenia Baskin, Louise Batts, Vhelma Parrish, Nadyne Sonriecker and Genevieve Green.

TALPA SCHOOL NEWS

By Mary Fuller

Although our football team lost its first game Saturday we are proud of the efforts our boys made. We are sure that the Rockwood players feel that they did not walk away with the victory but that the Talpa boys can play football even if they are rather small. The Owls put up a good fight the entire game with every player doing his part. The Owls came back after the rest at the half and waged a stronger battle than in the first half. They threatened to score when "Granny" King, right end, caught a pass and gained several yards before being downed. Near the end of the third quarter the Rockwood quarterback intercepted a pass and would have made a touchdown had Roy Foreman not stopped him a few yards away. J. P. Thompson, center, and Coleman Parker, quarterback, did good playing. In fact, we can ask the boys for no better playing than they did. Players for Talpa were: Bunn Jefferies, Coleman Parker, Russell Bennett, Lowell Maxwell, James King, Roy Foreman, Girvin Norris, J. P. Thompson, Dixie Mercer, Emmitt Branscum and Adrell Fischer. Coach Head had three substitutes, Ewing Fuller, Hal Beck and Perry Bragg, ready should they be needed. However, he did no substituting.

There were three more boys who worked out Monday.

The Owls schedule is: September 27, Robert Lee-Talpa, at Talpa, October 4 and 5, open; October 12, Bronte-Talpa, at Bronte; October 19, Mertzon-Talpa, at Mertzon; October 25 or 26, open; November 1, Paint Rock-Talpa, at Talpa; November 9, Lake View-Talpa, at Lake View; November 15 or 16, open; November 22, Miles-Talpa, at Miles; November 27, open.

We hope our boys win these

games.

Class officers were elected Monday morning. The seniors elected Emmitt Branscum, president; James King, vice-president; Leroy Pearce, secretary-treasurer; and Mr. Mitchell, sponsor.

The junior officers are: Naomi Brevard, president; Bunn Jefferies, vice-president; Marjorie Morton, secretary-treasurer; and Miss Toombs, sponsor.

The sophomores elected Melba Marrs, president; Carrie Herring, vice-president; Bonnie Lou Parker, secretary-treasurer.

Freshman officers elected were: president, Russell Bennett; vice-president, Perry Bragg; secretary-treasurer, Lowell Maxwell.

Last Friday morning when the bell rang and classes assembled it was discovered that the Raymond Cox bus had not come. Time rolled by and finally at 10:30 o'clock the bus arrived. As students entered the study hall they were asked why they were so late. "We got stuck," was the reply. Doubtful glances caused them to add quickly, "We were stuck in a seeping creek."

It sounded rather "fishy" but as nothing more was said it must have been a satisfactory answer.

Some few students and about four teachers do not like our new bus so well because there are lights in it. To them it seems that the lights are turned on at the wrong time but to us they come on at the right time to cause some faces to look sun-burned and red.

The seniors are planning to purchase an electric clock and present it to the high school. Next year when our places are filled by other seniors we hope they think of us when they hear the electric bells ring. If those memories aren't pleasant we hope they will not waste the energy to think of us at all. We hope that they will have only good and pleasant things to remember us for.

We wish to thank Mrs. Hale for the radio she gave the school. We are very proud of it and wish that it will be installed soon.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

The South Ballinger home demonstration club will meet with Mrs. Joe Thomas on Tuesday, October 1, in an all-day mattress making. We urge that all members be present, and bring a covered dish (with something in it, too) for lunch.

How Much Are Your Eyes Worth to You?

Your eyes are the most precious of your possessions. There isn't enough money in the world to buy them.

And yet a very large majority of people neglect their eyes—and abuse them with poor lighting. Check with your eyesight specialist—that's the first step. Then make sure your lighting is adequate to prevent further eyestrain.

Do you know that defective vision exists among 20 per cent of grade school children; 40 per cent of youths from high school through college age; and over 60 per cent of all adults?

Eyesight specialists and illuminating engineers have been giving careful study to eyesight conservation and have joined in a nation-wide "Better Light-Better Sight" activity to develop better seeing conditions.

Practically all stores selling portable lamps are joining in this movement. Ask to see the new I. E. S. Better Sight lamps "with the tag." Floor and table models, all scientifically designed to make studying, reading, sewing, and all other close visual tasks easy and comfortable. And the prices are low.

The members of our home lighting department, with the aid of a Light Meter, a wonderful and very simple device that measures light, are ready and anxious to bring to you, free of charge, the benefit of their training and experience in helping you to solve your lighting problems. Phone us for an appointment.

New floor and table lamps now on display. Buy them on our easy monthly terms.

Sol is Now Dyeing Shoes Electrically

No More Rubbing or Cracking Off

My many years of experience has taught me that the old style of applying shoe-dye with a brush will NOT get the job done SATISFACTORILY, and having the desire to render my customers the very best service possible, I have recently installed an ELECTRIC SHOE DYEING MACHINE. With this machine the dye is applied more even and really forces the dye into the leather, thus eliminating all rubbing or cracking off, which is common to shoes dyed by the old hand-method.

Flynt Announces New Regulations For Bird Hunting

There has been considerable misunderstanding in regard to the open season on migratory birds. This was occasioned by new regulations promulgated by the federal government which changed opening and closing dates of the season, made it a violation to use a gun holding more than three shells, and other changes.

The following digest of state laws and federal regulations on migratory birds was received here this week by J. P. Flynt, state game warden.

Mourning Doves: Open season, north zone, September 21 to October 31; and south zone, December 1 to January 5. Bag limit 10 a day and 45 a week but not more than 20 in possession at any one time. Daily shooting hours 7 a. m. to sunset. May be taken with shot-gun, only, not more than ten-gauge or not capable of holding more than three shells. Must not lure birds with or by grain or food products. Special law provides open season December 1 to January 5 in following counties: Bastrop, Brazos, Burleson, Fayette, Grimes, Lee, Limestone, Milam, Montgomery, Robertson, San Jacinto, Smith, Washington and Wood.

Waterfowl: Open season, wild ducks of all kinds (except wood duck, ruddy duck and buffhead duck for which there is no open season) coot, geese, brant, Wilson's snipe or jacksnipe, November 20 to December 19. Shooting period 7 a. m. to 4 p. m.

Bag and Possession Limits: Ducks—Ten in the aggregate of all kinds and may not possess more than ten of all kinds. Geese and brant—Four in the aggregate of all kinds and may not possess more than four of all kinds. Woodcock—Four and may not possess more than four. Coot—Fifteen, and may not possess more than fifteen. Wilson's snipe or jacksnipe—Fifteen and may not possess more than fifteen.

Means by Which Waterfowl May be Taken: Shot-gun, only, of not more than ten-gauge and not capable of holding more than three shells. From the land or water with the aid of a dog, and from a blind or boat or floating craft of any kind, except as hereinafter provided, not more than 100 feet from the shore line as determined by ordinary high tide, or where there is natural growth or vegetation extending beyond such shore line, not more than 100 feet from such growth or vegetation protruding above the surface of the water at the time of taking such birds; but migratory birds are not permitted to be taken from or by the aid of an automobile, airplane, sinkbox (battery), powerboat, sailboat, any boat under sail, any floating craft or device of any kind towed by powerboat or sailboat. Birds must not be lured or attracted by the use of grain, salt or any kind of food or the use of live waterfowl decoys.

Rails (except coots): Open season—September 1 to November 30, with bag limit of 15 in the aggregate of all kinds and must not possess more than 15 at any one time.

ADVERTISEMENT FINDS LOST JAPANESE BIRDS

SAKAI, Japan, Sept. 25.—Dr. M. Katagiri, who recently advertised the loss of a nest of four baby swallows, stolen from the eaves of his roof, has his fledglings back. Only there are five of them.

The doctor explains that he might have miscounted the birds. They were brought back by three small boys, who apologized for the theft, and for the fact that the nest had been broken. The birds were wrapped up in cloth, and placed inside a hat. "We didn't take them to harm them," said the boys. "We often passed the house, and heard the birds cheeping, and thought it would be nice to keep them as our pets."

The human scalp has approximately 1,000 hairs to the square inch, the average head containing 110,000 hairs. Women have a higher average than men, while red heads average only 90,000.

How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women praise Cardui for helping them back to good health. . . . Mrs. C. E. Ratliff, of Hinton, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Where 'Black Gold' Has Right of Way

Out west, where oil is king, wells spring up in the oddest places. In Oklahoma City they crowd downtown skyscrapers; here, in Los Angeles, discovery of oil beneath a thoroughfare made necessary the creation of this street "island," from which an oil tower juts.

Says Cloudbursts Usually Yield More Water Than Was in Cloud Originally

WASHINGTON, September 25.—Why a "cloudburst" may yield many times as much rain as all the water in the cloud when the rain begins is explained by Charles F. Talman, well-known meteorologist of the United States weather bureau, in an account for the American Nature Association.

Even the densest clouds never contain more than about one part of water to 30,000 parts of air, which is far much less than the water in many so-called cloudbursts which have been observed and measured, even if every bit of cloud condensed and fell as rain at the same instant. It is a usual experience, also, that the clouds do not vanish during a cloudburst, but are apparently just as thick and dense afterward as before.

Mr. Talman explains that a cloudburst really is an especially sudden and violent thunder storm, in which great currents of warm, moist air from close to the ground rush rapidly a mile or more up into the atmosphere, are cooled suddenly by this rise and give up their load of moisture in the form of raindrops. The rapid up-currents of air may keep most of these raindrops aloft for a while, but presently the upward air currents slacken and billions of the suspended droplets fall as a violent rain.

The water in one of these sudden falls may have been drawn from the lower air for many square miles around the spot where the cloudburst happens. What may have been the world's record cloudburst is described as 24 inches of rain falling in less than five minutes, but Mr. Talman is skeptical.

The maximum acceptable record is one of about an inch of rain in a minute, which fell in California in 1926.

Pupils Not to be Allowed on School Grounds Before 8

At the beginning of the present term announcements were made concerning the hour school would start and other items of interest to parents and pupils. It was stated then that school would commence daily at 8:30 a. m. and that no child would be tardy until that time and that no teacher would be on the ground before 8 a. m.

A considerable number of students have been arriving at school before 8 a. m. and are there in large groups without supervision. In bad weather it is impossible to let the children in the buildings before 8:15 and Supt. H. C. Lyon requests that parents take notice and inform their children accordingly.

Certain teachers arrive at all the schools by 8 a. m. and the pupils are then allowed on the grounds. These teachers watch over the children's play until time for classes. In inclement weather there will be enough teachers on duty at 8:15 to have the buildings open and keep the rooms and study hall so that students may enter their rooms.

Phil Nolan is New Member of Faculty At Junior School

The Ballinger school board Monday completed the faculty with the election of Phil Nolan, Jr., who will go to the junior high school as teacher of science and will direct junior boys' athletics. With the election of Mr. Nolan, came a number of changes in the local faculty which were made effective Monday morning.

Felton T. Wright, who was recently sent to the junior high school as principal, was transferred to the high school as history teacher. Mr. Wright was not ready to give up coaching and preferred to remain in that work. It was necessary in order for him to be an applicant for the position as coach again, to resign as principal of the junior high school. It was announced that Jack McKay, science teacher in the high school, will go to junior high as principal and will also teach business. Miss Vhelma Parrish will go back to the junior high school to teach history and Ernest Sublett will be transferred from junior to senior high to take the science department.

Following announcement of the above changes, Supt. H. C. Lyon stated that he believed no other additions or transfers would be necessary.

Mr. Nolan is well qualified for the position he was elected to here. He holds a degree and has had varied experience in business. He and his wife arrived here Sunday and he began his teaching duties Monday morning.

Local Application For PWA Project Due for Approval

Notice was received here from Washington this week that the application of the Ballinger school board for a \$7,000 PWA loan-grant probably would be passed on the first part of this week. This application is for the construction of seats and the installation of lights at the new athletic field. It was filed more than two months ago and has received the approval of the state board at Fort Worth, the federal board at Washington, and several weeks ago was sent to the allotment committee.

In a conversation with Congressman C. L. South Sunday, Tom Caudle, trustee, was told that the application probably would be decided Monday, and a letter from Washington to the local board indicated the same time for consideration. Recent news dispatches announced that many loans would be approved Monday and the trustees believe the local application was included in that group.

In case the application was finally approved the first part of the week local officials probably will be notified the latter part of the week. If the loan is approved and the money made available at once, there is still time to make the improvements at the athletic field before the football season is far advanced.

English consumption of fresh fruits reached a new high record of 95 pounds a person in the last year. Orange consumption in England was 24 pounds and bananas 12 pounds a person.

BETHEL BEAMS

The Methodist League elected new officers Sunday night at its regular meeting, as follows: president, Clyde Simmons; vice-president, Miss Lillian Mae McShan; secretary, Miss Maureen Batts; pianist, Miss Iola Clayton; group captains, Misses Ina Crockett and Lois Batts.

The Bethel League will entertain members of all the Leagues in the Paint Rock and Eden churches with a social at the church grounds here Friday night, October 4.

A miscellaneous bridal shower was given Mrs. Jim Punneo at the home of Miss Annie Shelburne Monday afternoon. Many useful gifts were received. Iced punch and cookies were served to a large group. Mrs. Punneo was formerly Mrs. Myrtle Walker before her marriage Saturday morning to Jim Punneo, of Oklahoma. Rev. J. W. Leggett, of Paint Rock, performed the ceremony.

Mr. and Mrs. Vernon Webb and family and Mr. and Mrs. Jim Punneo spent Sunday visiting in the home of relatives at Brownwood.

J. M. Shelburne and daughter, Miss Annie Shelburne, visited Sunday in the home of Mr. and Mrs. John Adams and family, of Henderson.

Mr. and Mrs. H. R. Gassiot visited relatives at the Sealy hospital in Santa Anna Sunday.

Mr. and Mrs. Shuttlesworth spent Sunday with relatives at Valera.

Mr. and Mrs. John Batts entertained with a singing in their home Friday night. There were visitors from Dry Ridge, Ballinger and Spring Hill. Everyone enjoyed the music very much.

Rev. J. W. Leggett, of Paint Rock, and daughter, Mrs. Jessie Sealy, were visitors in this community Monday.

Mr. and Mrs. Carville and family, of Winters, visited Sunday in the home of their son, Jack Carville, and family.

Mrs. Sallie Sparks, of Stephenville, is visiting in the home of her niece, Mrs. Vernon Webb, and other relatives.

Bob Crockett, of Mullin, came in Tuesday for a visit with relatives here.

Family Birthdays

Quite a number of relatives and friends of the Crockett family enjoyed a picnic at the Ballinger city park Sunday. The all-day affair was planned in honor of nine of the connection having birthdays in September, as follows: Bob Crockett, Tom Crockett, Buster Crockett, Melvin Crockett, Mrs. Joe Crockett, Miss Maxine Crockett, Mrs. Claude Simmons, D. W. Williams and Mutt Hodges.

A very pleasant day was spent with a real picnic feast at the noon hour, spread in the pretty shady nook at the park. A large decorated birthday cake bearing the names of all the honored guests was the centerpiece for the table. The younger group enjoyed motor boat rides throughout the day on the lake near the park, while the smaller children got a thrill out of the many amusing slides, swings, merry-go-rounds on the park grounds.

Sixty-six attended, as follows: Mrs. J. J. Crockett, Winters; Mrs. D. S. Crockett, Ballinger; Mr. and Mrs. D. M. Crockett and family, Norton; Mr. and Mrs. Elton Crockett and family, Winters; Mr. and Mrs. T. H. Crockett, Ballinger; Mr. and Mrs. Bob Crockett and family, Norton; Mr. and Mrs. J. D. Crockett and family, Winters; Mr. and Mrs. Tom Crockett and family, Bethel; Mr. and Mrs. Mack Setzer, Norton; Mr. and Mrs. D. W. Williams and family, Norton; Mr. and Mrs. Fred Underwood, Ballinger; Mr. and Mrs. Earl Dorsett and family, Winters; Mr. and Mrs. Claude Simmons and Clyde Simmons, Mr. and Mrs. Mead McShan and family, Mr. and Mrs.

Paul Richardson, Mr. and Mrs. David Duke and family, Mr. and Mrs. Hedrick Shelburne and family, Mr. and Mrs. Blair Hays and family, all of Bethel; Mrs. W. F. McShan, Misses Marguerite Crimm and Elsie Gilkerson, of Ballinger; Homer Lee Crockett, of Winters; Theodore Hodges, of Ballinger; and I. V. Turner, Ballinger.

Home Demonstration Club Meets

The Bethel home demonstration club held its regular meeting Thursday afternoon, September 19, in the home of Mrs. Vernon Webb with 18 members and 5 visitors present. Four new members have been added. The coming fair at Ballinger was discussed and a number are planning to make entries. Also a group planned to attend the mattress-making demonstration in Ballinger Tuesday, September 24.

Delicious watermelon was served to all present.

The next meeting will be held October 3 in the home of Mrs. Edd Cline. All members are requested to be present. Miss Mrs. Tankersley, county home demonstration agent, is to attend this meeting.

REDLANDS REVIEW

We are sorry to report that Mrs. Marion Kerby is on the sick list. We hope for her a speedy recovery.

Winters V. A. Boys To Purchase Calves For Feeding Project

Fifteen Winters vocational agriculture boys will go to the Horne ranch near Coleman Saturday to buy calves to be fed out as a part of their project program. Approximately 50 highly bred steer calves will be topped in securing the 17 calves that are to be selected.

According to J. M. Williams, vocational agriculture instructor, the calves will weigh from 450 to 550 pounds at this time. He stated that the calves should gain 2½ pounds a day and weigh from 850 to 1,000 pounds when exhibited at fat stock show next March in the dry lot class.

As fifteen calves make up a carload, the Winters boys will show in the individual class and also in a carload lot. If a premium is won in the carload lot the boys will divide the money according to the number of calves each boy has.

A number of the boys have received financial backing from local banks in the purchase of their calves, according to Mr. Williams. "I feel that this will cause the boys to realize more responsibility and likely do a better job of feeding than they would otherwise," he said.

The boys will make the trip to the Horne ranch in cars, bringing the calves back to Winters in trailers. Supt. E. D. Stringer, Mr. Williams, County Agent Elmo V. Cook and a number of the boys' fathers will accompany the boys.

PIONEER GLEN COVE MAN IS FOUND DEAD

The body of J. B. Allen, 78, of Glen Cove, was found in a barn at the rear of his home Wednesday by E. C. Simmons, a mail carrier. He had resided at Glen Cove for many years where he operated a general mercantile store.

Termed by many as the "best liked man in Coleman county," Mr. Allen had operated the Glen Cove store for 40 years and it was a meeting place for the entire community. For the past two years he had been in ill health.

Develant was a brother of Mrs. E. J. O'Kelly, of Ballinger, and accompanied by a number of friends she left Thursday morning for Glen Cove to attend the funeral.

BEER DEALERS WARNED ON LABOR AGE LIMIT

Local peace officers call the attention of operators of places that serve beer that it is unlawful to employ anyone under 18 years of age. It has been claimed that minor boys and girls are being employed for this work by some dealers and the officers ask that this phase of the law be observed in the future.

Mrs. W. C. McCarver was here from Brownwood Sunday to spend the day with friends.

If you feel tired, run-down, nervous and out of sorts

—there is usually a definite reason for this

Now let's reason sensibly.

Don't try to get well in a day... this is asking too much of Nature. Remember, she has certain natural processes that just cannot be hurried.

But there is a certain scientific way you can assist by starting those digestive juices in the stomach to flowing more freely and at the same time supply a balanced mineral deficiency the body needs.

S.S.S. Tonic makes you feel like yourself again

Therefore, if you are pale, tired and run-down... a frequent sign that your blood cells are weak—then do try in the simplest way so many millions approve by starting a course of S.S.S. Blood Tonic.

Much more could be said—a trial will probably convince you that this way, in the absence of any organic trouble, will start you on the road of feeling like yourself again.

Furniture Week Will Boost Better Homes

National Furniture Week will be observed in the United States in the period of September 30-October 5. Dealers are cooperating in an effort to make people desire more beautiful homes and interior surroundings and during this special week are making attractive displays of furniture and pricing all items to induce buying.

Leaders in this movement point out that no other nation in the world has so many beautiful homes and that no other people take such pride in their home surroundings. For this reason a special week has been set aside, dedicated to better homes and designed to make Americans even more home conscious than heretofore.

During the years of the late depression local dealers experienced a sharp cut in their volume of business, especially in the sale of suites and large pieces. With this condition recently existing they realize that nearly every home is now in need of new furniture and have joined the national movement to increase interest in better homes.

The following proclamation was issued by Mayor E. M. Lynn: "Upon the occasion of National Furniture Week, I am glad to call the attention of home builders and home makers to a time when the furniture and department stores of the city hold open house to this section."

"National Furniture Week, sponsored by a united furniture industry, is an evidence of business recovery. It is the first joint activity of such a group since the beginning of the depression. Better homes make for a better city. If, in holding open house, and soliciting business, our furniture and department stores can help us to make our homes finer places in which to live, all will benefit thereby."

"I am told that weeks of special effort have been expended to make values attractive and displays interesting. In Ballinger, therefore, great opportunities are offered for inspecting the new styles, and I am certain our citizens will take advantage of the opportunity offered them."

"It is my pleasure, therefore, to proclaim the period commencing on September 30 and ending on October 5, 1935, as Ballinger Furniture Week, and is to be conducted in cooperation with National Furniture Week."

PARK TO SAVE ZEBRAS IS PLANNED IN AFRICA

LIVINGSTONE, Union of South Africa, Oct. 25.—To protect the almost extinct mountain zebra in South Africa the national parks board of trustees is planning to establish a new national park. The mountain zebra formerly was plentiful, but it is estimated that less than a hundred specimens today survive in the Union of South Africa.

There are believed to be about two-score in the extreme north of the mandated territory, a last refuge to which they have been driven by bushman hunters.

Fire Prevention And Clean-up Week Will Start Sunday

Annually, by presidential proclamation, the United States observes what is known as Fire Prevention Week. This year, according to Fire Chief Chester Cherry, Ballinger will observe the week in the period beginning September 30 and ending October 5, inclusive. The purpose is to have a clean town for Fair Week, and to remind the public of the huge annual toll in lives and property that is taken by fire. In 1934 Texas had a \$11,000,000 fire loss, with 416 lives lost, 70% of whom were women and children. During Fire Prevention Week there is a nationwide campaign to eliminate fire hazards and to prevent fires.

This community will join the national observance. The chief and his men request that the citizens take certain steps to protect themselves during the coming winter. "One of the chief sources of fires," said Chief Cherry, "is accumulated trash and old paper in basements and attics. A clean building seldom burns. We hope that everyone will clean out all rubbish that has been piling up, both inside and out of doors."

Another major fire cause pointed out is improper electric wiring and the use of defective electrical equipment. All fires that start because of these conditions are preventable. The fire department has expressed willingness to give suggestions on eliminating the electrical hazard to any citizens who wish to make their property safer.

Heating appliances should also be examined before cold weather sets in, citizens were advised, as stoves, furnaces and chimneys deteriorate during the summer, then when put into use they start fires. Heating systems should be inspected by an expert before used, the chief asserted.

"Our men will be glad to make an inspection of any building for fire hazards," the chief said. "They are naturally well fitted to detect dangerous conditions and to suggest remedies, because preventing fire is one of our duties, just as much as fighting a fire."

According to statistics, more than half of all fires in this country are preventable. The damage they do results in a totally needless loss of money that benefits no one. If the community loss can be reduced by "fighting fires before they start," that much in community wealth is saved, and in addition citizens are protecting their own lives and those of their neighbors.

A display on fire prevention will be arranged in the Schuhmann Hardware Co. windows. This will include posters, photographs, furniture, and other items to call attention to the observance here.

Paints Portrait To Pay City Taxes

SZEKSZARD, Hungary, Oct. 25.—While the treasury of Szekszard, will not show that Odon Miklosi, an impoverished artist, has increased the tax fund, the proof that he paid may eventually be found in the municipal offices.

Miklosi owed a great deal for taxes and arrears and had no cash with which to pay. The council considered the matter at length at their last meeting and at last a solution has been found. The artist is to be requested to paint the portraits of the mayor and leading members of the council and present the results instead of the money he owes. This was agreed upon unanimously. The council further authorized

the supply of all necessary materials, including paint and canvas to Miklosi, all at the expense of the city.

Once numbering 18,000 members, the Kansas G. A. R. reported the number slumped in 1935 to 367, with only about 50 able to attend state meetings. The "youngster" is H. I. Merrill, Wichita, who is 85.

HAS YOUR ADDRESS CHANGED RECENTLY?

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is send the change of address in advance.

Practically all Runnels county schools are now open and are settling down to business. Several schools opened early this fall and will soon declare a six weeks holiday in order to allow the children to assist in gathering the cotton crop. The Ballinger school faculty has been completed after several changes, and the largest enrollment in the history of the local educational system is now down to steady, smooth running work.

The Runnels County Fair is just around the corner. Another week and the big exposition will be in full blast. Fair officials are encouraged and look forward to the greatest show of its kind ever presented here. Many special days are designated and one will bring pioneers for a home-coming, at which time the fair association will be host to the old settlers. The 1935 fair will offer numerous new features, not a single old item having been left on the entertainment schedule, and the greatest throngs ever seen here are expected during the five days and nights.

Sunday is the beginning of Fire Prevention and Clean-up Week in Ballinger. During the special week much good can be done or the observance can fall flat. It all depends on the cooperation of the citizens. Everybody realizes the importance of this special week and believes in fire prevention but some want their neighbors to do all the work. To have a successful observance means every property owner must clean up his premises. Weeds are a real fire hazard in Ballinger at this time and every vacant lot should be cleared. Leaders in this effort also ask that electric wiring be checked, heating and cooking equipment be inspected before being used this winter, and everything done to prevent useless fires.

YOUR CHANCE WILL COME

"I'll study and get ready," said Lincoln, "and maybe my chance will come." Your chance, too, will come if you are ready for the chances that will mean happiness and independence and opportunities, pleasant work, and congenial surroundings. Turn out well-organized Employment Department chances for good positions and bright futures are being brought to scores of young people who began the Draughton Training a few months ago. 800 FARMERS HAVE NOT CALLED FOR CERTIFICATES

About 800 Runnels county farmers have not received their tax exemption certificates. County Agent Elmo V. Cook stated Monday that the certificates would be in the local office all the time with the exception of Friday afternoon, when they will be taken to Winters, and a number issued to cotton growers of that part of the county. Farmers who signed contracts for 1935 and who have not received their certificates are requested to call as soon as possible and get them. They have been in the local office for several weeks and notices have been mailed to all contract signers, notifying them that the certificates are being held here.

It's What Makes the Melancholy Days Melancholy

WEST TEXAS NEWS NOTES

The Bronte school opened Monday, September 16, with a fine program and a first day enrollment of 386. Superintendent C. R. Owens stated in his address to pupils and parents that he deeply appreciated the splendid spirit shown in Bronte in regard to all school activities.

A group of Coke county citizens went to Austin last week to appear before the state highway commission and ask for approval of a contract for topping highway 70 north to the Nolan county line. The delegation was headed by County Judge McNeill Wylie.

An election has been called at Coleman on October 23, when citizens will vote on the issuance of bonds in the sum of \$31,000 to be used in the construction of an armory-auditorium. In case the issue carries an ordinance will be passed putting rentals and other income from the building into a sinking fund to retire the bonds at the rate of \$1,000 annually.

A large delegation of highway enthusiasts gathered at Brady recently to hold a conference in the interest of the Dallas-Del Rio highway, to be known as No. 34-A. The proposed highway would pass through Brady and civic leaders there are giving aid to the proposed route.

Mason county 4-H club boys have started feeding projects and already have 100 calves on special rations. For several years Mason county club boys have won

in nearly every livestock show in the state. Many lambs will also be fed for the spring shows.

Fort Stockton citizens are planning to play hosts to the 16th district American Legion convention on October 5 and 6. Preparations are being made to entertain Legionnaires from all over West Texas and a free barbecue will feature the two-day program. A number of state notables will address the ex-service men.

Cotton ginning got well underway in the Melvin community last week when 1,235 bales were turned out. Cotton in that section is opening fast, pickers are plentiful, and the farmers are bringing in bales as fast as possible.

Menard storage companies sold more than 100,000 pounds of mohair last week at from 50 to 60 cents a pound, setting new highs for prices. The buying wave ended quickly after the above sales were made, but similar prices are reported from other towns in the Hill Country.

Junction school board members have announced the cornerstone laying for the new gymnasium as October 19. The special ceremony, which will take place in the afternoon, will be followed by the first conference football game. All school superintendents in the Hill Country have been invited to

attend the program. The Sonora Wool & Mohair Company last week posted sales of 325,000 pounds of wool, taken by Philadelphia and Boston dealers. The prices were high, most of the fleeces bringing from 26 to 37 cents a pound. Short wool sold for around 24 1/2 cents. This company reported that no mohair had been sold from its storage rooms.

Announcement has been made that a contract will be let at once for paving 14 miles on highway 9 in Concho county. This is that part of the highway from Eden to the McCulloch county line. Recently a contract was finished for the grading and drainage. Regular triple asphalt topping on rock base will be the specifications for the paving.

Approval has been given street paving projects in Comanche totalling \$197,705.79. The projects, filed recently by the city council, provide for pavement on five of the main streets. Approval was given the projects by the Waco WPA office.

CITY BALANCE IN ALL ACCOUNTS TO AUGUST 31 TOTALS \$45,750.17

The financial statement of the city of Ballinger on August 31, 1935, made public this week, shows a balance in all accounts of \$45,750.17. Receipts for the month were \$114.60 for the general fund, \$1,939.91 for the water utilities account, and \$169.47 for the sanitary service account.

Division of the accounts reveals there was \$305.67 in the city hall vault, \$14,426.81 in the Farmers & Merchants State Bank, and \$31,017.69 in securities held by the city.

Yesterday . . .

A world of easily defined limits . . . narrow in the extreme from our present point of view, hemmed in by lack of knowledge . . . a people too occupied with the problems of reproducing on farflung frontiers, the remembered existence of its fathers . . .

Today . . .

The turmoil of national adolescence, with full physical growth attained, and mental prowess beginning to assert itself in a thousand directions . . . each new achievement giving way in rapid order to another . . .

Tomorrow . . .

A richer, fuller life for everyone . . . in a world undreamed of yesterday, groped for today, accepted as a natural reward of applied intelligence tomorrow . . .

Yet, throughout every phase of our development—past, present and into a thousand tomorrows—there have been, and will continue to be certain fundamental truths, facts which must be present wherever there is progress.

Chief among these, we believe, is ambition. Without it, there would be no progress.

This bank both practices and fosters ambition. It is ambitious for the growth of this community in every direction. It fosters ambition by encouraging habits of saving and directing sound investments.

Thanks from Menard

The citizens of Menard evidently appreciated the visit of the Ballinger Cherry Band two weeks ago when they opened their new athletic field and the high school eleven played its first football game of the season. J. D. Motley, W. W. Wallace and Tom Caudle accompanied the local musicians to Menard to furnish music for the opening of the new stadium. The Menard Messenger had the following to say about the visit of the Ballinger musicians:

"If bouquets are in order, who wouldn't hand one to Doug Motley, Chester Cherry and Ballinger's youthful band, headed by Bandmaster H. H. Carsey. They came all the way from the Runnels county seat to play at the opening of Menard's new, lighted athletic stadium. The young musicians shared honors with the Kittens and Menard's black and gold squad

for an evening of delightful entertainment. Carsey would like to organize a student band here, providing enough interest is shown. Friday night's concert at Findlay Field proved beyond a doubt what he is able to accomplish with a group of youngsters."

SPORTS

Friday afternoon at 3:30 the Mozelle high school eleven will be here to engage the Bearcats in the first conference game of the season. This school has been named since the first schedule was made up and was shown previously as South Coleman.

The question of passes has caused some trouble here in the past. The athletic committee and the superintendent of schools announced this week that only the following would be admitted on passes: regular local peace officers, ticket takers at the gate, ticket sellers at the booth, one man from each newspaper represented at the game, two regular peace officers from opponent town. All teachers, pupils and others will pay the regular admission hereafter, which is 25 cents for students and 50 cents for adults. No season tickets will be sold. For championship games the above admission prices may be elevated slightly.

While the Ballinger boys defeated the Putnam crew last Friday, they were definitely outplayed and hardly entitled to the big end of the score. Local coaches realize they have much to do in order to assemble a machine that can roll smoothly in this conference chase. The locals were weak on defense, tackled poorly, and with the exception of a few players were not there in the offense.

Captain W. L. McMillan looked good. His experience and ability made him the shining light on the Ballinger eleven. He made about four-fifths of the tackles and blocked for Sheffy's end runs which put the game on ice.

The Ballinger-Brady game will be played here on Armistice Day, Monday, November 11. A contract to this effect has been signed which will be greeted with joy by the local fans who want a home game on this holiday.

In the opening games of the season last Friday, the Winters, Brady and Coleman organizations showed up as the strong teams in the district.

It has been decided to allow members of the high school pep squad and the Ballinger Band free admittance to all grid games. Visiting pep squads up to 50 in number will also be admitted free and visiting bands in uniform will be passed into the park. The pep squad and band will attend all games whether at home or in other towns.

DOGS SCENT TRAILS OF OPIUM SMUGGLERS

CHINKIANG, China, Sept. 25.—Specially trained police dogs are to find illicit narcotics and track smugglers for the Kiango opium suppression bureau.

A test of their efficacy placed Chiang Chen-chuan, a cabin boy on the steamer Kianghsing, behind prison bars. When the Kianghsing arrived in port, four of the "dope hounds" were unleashed.

They immediately headed for Chiang's cabin, with inspectors of the bureau behind them.

A search of the cabin revealed a quantity of narcotics and opium smoking paraphernalia. Chiang, who had been an incredulous on-looker of the feat of the dogs, surrendered. He confessed that he was in the habit of taking an occasional whiff of the opium pipe and had also supplied passengers who were similarly inclined.

Robert Nicholson, student at Howard Payne College, Brownwood, was here Sunday for a visit with his mother.

Rev. and Mrs. Wallace Dunson, of Bronte, were guests in the home of Rev. and Mrs. W. H. Vanderpool Monday evening.

Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theford's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theford's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

BLACK-DRAUGHT

Bearcats Outplayed But Hangup Victory

The Ballinger high school football team came through with a win Friday afternoon, when the first game of the season was played here. Competing with the more experienced team from Putnam, the Bearcats more or less lucked out on their opponents, who threw passes at will and made many yards by running plays.

During the four quarters, the Putnam lads made 17 first downs to the Bearcats' 8, penetrated the 20-yard zone 5 times to the Bearcats' 3, and made 237 yards from scrimmage to the Bearcats' 112. Nevertheless the Ballingerites staged one effective offensive drive up the field to within striking distance and sent Sheffy around right end for the counter. McMillan kicked goal.

The visitors went over for a counter a few minutes later with a series of passes and line plays but failed to convert for the extra point after touchdown.

Malish grabbed a Putnam pass on his own 20-yard line in the third quarter and raced back for the second touchdown, McMillan kicking goal, making the score 14 to 6 for the Ballinger crew. Putnam initiated another drive and scored, but a play at the line was thrown for a loss and the scoring for the day was over, leaving the count 14 to 12 in favor of the Bearcats.

Coaches Felton T. Wright and Paul Gibbs are fairly well pleased with the showing made by the locals, considering the experience they have had. McMillan, star back last year, made about 90 per cent of the tackles in the game, and the other boys will get plenty of tackling practice this week, the coaches said. The locals' pass defense was also very weak, but little attention has been given to any defensive play so far this season. The Putnam boys threw 17 passes in the game, completing 9 of them for good yardage.

None of the players were injured Friday and were ready for hard work Monday afternoon.

The Mozelle (southern Coleman county) high school team will be here Friday afternoon for the first conference tilt of the year. This is a new club in the district and lost its first game last Friday to Bangs, 25 to 0.

Announcement was made Saturday that contracts had been signed for the Ballinger-Brady game to be played in Ballinger on Monday, November 11, instead of the Friday before the holiday. The new arrangement will give the Bearcats two conference games that week.

Chevrolet Trucks In Thrilling Tests Atop Pikes Peak

In the first formally observed and timed tests of motor trucks over the perilous hairpin turns and steep switchbacks of the Pikes Peak auto highway, near Colorado Springs, Chevrolet 1½-ton and half-ton trucks demonstrated their power, endurance and efficiency over the course of the annual Labor Day hill climb contest, a distance of 12 miles, 2200 feet, with a rise of 4959 feet from the start to the summit, 14,109 feet above sea level. The upper illustrations show the 1½-ton truck, driven by W. P. Bentrup, on its way to a record of 37 minutes, 52½ seconds, with its full 3000-pound load (it made the run backward, without load, in 25 minutes, 12 seconds), and the officials at the finish (left to right: Harry Hartz, technical advisor; Robert M. Ross, Detroit Times; Dan Kennedy, Colorado Springs Gazette and Telegraph; and John L. Jenkins, Chicago Daily News). The lower photos show the Chevrolet half-ton truck, which Harry Hartz drove to the summit in 25 minutes, 3 seconds, and the finish of the run of the 1½-ton truck with full load.

Repairs Being Made At Dam and Park First Presbyterians Install New Organ

A new toe wall is being added on the lower side of the emergency spillway of the city dam. During the recent high waters the wash on the lower side of the spillway was considerable and repairs were necessary. Some of the pecan trees just below the dam in city park were partly washed up and laborers have been filling in around these with soil. When the additional toe wall is completed curbs will be built around the trees.

Much work has been done in city park during the past ten days. The grass has been mowed and is the prettiest it has ever been, tables which were washed away or wrecked have been replaced, and the entire park is in condition for any occasion.

A large amount of the rock curbing in the park was washed down during the floods and as soon as possible this will be replaced and put in the ground deeper.

None of the playground equipment was damaged by the overflows. This section of the park was covered by still water, the current at no time being strong enough to wreck the equipment.

The pipe organ recently bought by the First Presbyterian Church arrived this week and an erector is here installing it in the space provided for it. It will not be ready for use Sunday but the erection will be completed the early part of next week and turned over to the congregation.

The instrument, a Kilgen, was selected especially for the local church, manufactured to fit the space in the auditorium and to suit the size of the building. As soon as the purchase was made, alterations were started to provide space for the instrument so that installation would not be slowed up when the organ arrived. The work has been finished with the exception of connections to be made with the motor in the basement, and testing out the instrumentation.

The organ will be ready for the regular service the first Sunday in October.

Several special donations were made to the organ fund several months ago, a large proportion of the purchase price being subscribed then. Other members of the congregation made up the remainder, and after inspecting a number of organs the committee decided to purchase the Kilgen.

Member Taylor, who is in the air corps at Randolph Field, near San Antonio, came in Sunday for a two weeks' visit with relatives and friends here.

Health Check-up Held for Primary School Students

The fall check-up on children in the Ballinger primary school was held Monday, Tuesday and Wednesday of this week under the direction of Mrs. George Stephens, county health nurse. Mrs. Stephens was assisted by Mrs. Tom Agnew, health chairman of the Primary Parent-Teacher Association, and a committee composed of Misses Dorsey Read, O. R. O'Neill, W. A. Green, Ernest Moody, R. W. Earnshaw, Sam Dunlap and K. V. Northington.

Four hundred and thirty children were examined during the three days and of this number 269 had defects. This is a much larger percentage than it should have been, health authorities state, and correction of the defects by the parents was urged by the group which made the examinations.

In the summer round-up many children were examined and of the number which had defects 19% had made corrections or were taking corrective treatment.

WEDDINGS

Feeler-Dorsey

Elbert C. Feeler and Miss Laverne Dorsey were united in marriage by Rev. Gilbert W. Wilson, pastor of the Old Fashioned Missionary Baptist Church, Saturday night, September 21.

After attending Rev. Wilson's church services, the young couple with a number of friends and relatives, accompanied the pastor to his residence, 804 N. Eighth Street, where the ceremony was performed in the spacious reception room.

The bride is a charming young woman of the Barnett community. The groom is a citizen of the Blanton community, and is a very energetic and likeable young man. The couple will make home at Blanton.

Those attending the wedding were: Misses Adell Feeler, Vivian McCartney, Mary Reese, Theresa Laxton, Clemmie Lee Laxton and Alene Stinebaugh; and Bracy and Dewey Feeler, J. D. Stinebaugh, Hudson Owens, and James Reese.

Willingham-Land

Leonard Willingham and Miss Laverne Land were married at 10 o'clock Thursday, September 19, at the home of Mr. and Mrs. J. H. McClain, 800 Broadway. Rev. McClain performing the ceremony. The couple were attended at the nuptial rites by Mr. and Mrs. A. J. Hendricks.

The bride is the daughter of Mr. and Mrs. A. F. Land. She came here from Colorado six years ago and for the past year was employed at the local Perry Bros. store.

Mr. Willingham is the son of Mr. and Mrs. Arthur Willingham, prominent Runnels county residents. He is the grandson of the late C. H. Willingham, one of the first county judges and pioneer attorney of this county.

After a short wedding trip the couple returned to Ballinger to make home at 804 Seventh Street. Mr. Willingham is employed in the McMillan oil field.

Al Jolson and Ruby Keeler Co-Star in New Musical

The sensation of the year in the film world is the teaming of Al Jolson, famous "mammy" singer who first introduced the talking pictures, and Ruby Keeler, his wife, former Broadway musical comedy star who leaped to fame in the movies in two years. In First National's latest, and said to be its greatest, musical spectacle, "Go Into Your Dance," scheduled as the feature attraction at the Palace Theatre Sunday and Monday next.

While the picture is mammoth musical spectacle, it carries a well defined plot and a fascinating romance with tense emotional scenes, interspersed with hilarious comedy relief. The story is by Bradford Ropes, author of "42nd Street."

Spectacular dance ensembles were staged by Bobby Connolly with scores of Hollywood's most beautiful chorus girls. One of the most unique and striking numbers is a mammoth replica of the universe inter-cut with an artistic stairway crossing the globe in four directions representing the evolution of the tango from the pampas of the Argentine to Park Avenue and throughout the world. The dance, with a hundred beautiful girls, is led by Jolson and Miss Keeler, who sing "A Latin from Manhattan."

Al Jolson has the role of a Broadway entertainer, who is barred from the New York stage, because he quits his shows without notice, his weakness being wine, women and the "ponies." He winds up in Caliente at the race tracks, waking up with a headache and without a job.

Glenda Farrell plays the part of his devoted sister who gets him straightened up, and finally convincing him that Broadway is

through with him, persuades him to take a job in Chicago with a partner. She has already persuaded Ruby Keeler, who has the role of a clever dancer on the West Coast to team with her brother.

After a series of exciting incidents the New York opening comes off in a blaze of glory in an unusual and surprising climax.

There is a talented supporting cast which includes Helen Morgan, Barton MacLane, Sharon Lynne, Patsy Kelly, Benny Rubin, Gordon Westcott, Phil Regan, Joyce Compton, William Davidson, Akin Tamiroff and Joseph Cregan.

MISS AUDRA LEE SMITH GOES TO HICKS SAN ANGELO OFFICE

Miss Audra Lee Smith, for the past two years with the Hicks Rubber Company at Ballinger, has been transferred to the San Angelo office of the company. Miss Smith has ranked high with the local branch house and the transfer to San Angelo puts her in a more responsible position and is a decided promotion.

Tommy Hall, manager of the Ballinger store, stated that Miss Smith's place here would be filled soon, but no applicant for the position has been accepted.

Health Check-up Held for Primary School Students

The fall check-up on children in the Ballinger primary school was held Monday, Tuesday and Wednesday of this week under the direction of Mrs. George Stephens, county health nurse. Mrs. Stephens was assisted by Mrs. Tom Agnew, health chairman of the Primary Parent-Teacher Association, and a committee composed of Mmes. Dorsey Read, O. R. O'Neill, W. A. Green, Ernest Moody, R. W. Earnshaw, Sam Dunlap and K. V. Northington.

Four hundred and thirty children were examined during the three days and of this number 269 had defects. This is a most large percentage that it should have, because health authorities state, and correction of the defects by the parents was urged by the group which made the examinations.

In the summer round-up many children were examined and of the number which had defects 10% had made correction or were taking corrective treatment.

WEDDINGS

Feeler-Dorsey

Elbert C. Feeler and Miss Laverne Dorsey were united in marriage by Rev. Gilbert W. Wilson, pastor of the Old Fashioned Missionary Baptist Church, Saturday night, September 21.

After attending Rev. Wilson's church services, the young couple with a number of friends and relatives, accompanied the pastor to his residence, 804 N. Eighth Street, where the ceremony was performed in the spacious reception room.

The bride is a charming young woman of the Barnett community. The groom is a citizen of the Blanton community, and is a very energetic and likeable young man. The couple will make home at Blanton.

Those attending the wedding were: Misses Adell Feeler, Vivian McCartney, Mary Reese, Theresa Laxton, Clemmie Lee Laxton, and Aline Stinebaugh; and Bracy and Dewey Feeler, J. D. Stinebaugh, Hudson Owens, and James Reese.

Willingham-Land

Leonard Willingham and Miss LaVerne Land were married at 4 o'clock Thursday, September 19, at the home of Mr. and Mrs. J. H. McClain, 800 Broadway. Rev. McClain performing the ceremony. The couple were attended at the nuptial rites by Mr. and Mrs. A. J. Hendricks.

The bride is the daughter of Mr. and Mrs. A. F. Land. She came here from Colorado six years ago and for the past year was employed at the local Perry Bros. store.

Mr. Willingham is the son of Mr. and Mrs. Arthur Willingham, prominent Runnels county residents. He is the grandson of the late C. H. Willingham, one of the first county judges and pioneer attorney of this county.

After a short wedding trip the couple returned to Ballinger to make home at 804 Seventh Street. Mr. Willingham is employed in the McMillan oil field.

Al Jolson and Ruby Keeler Co-Star in New Musical

The sensation of the year in the film world is the teaming of Al Jolson, famous "mammy" singer who first introduced the talking pictures, and Ruby Keeler, his wife, former Broadway musical comedy star who leaped to fame in the movies in two years. In First National's latest, and said to be its greatest, musical spectacle, "Go Into Your Dance," scheduled as the feature attraction at the Palace Theatre Sunday and Monday next.

While the picture is mammoth musical spectacle, it carries a well defined plot and a fascinating romance with tense emotional scenes, interspersed with hilarious

comedy relief. The story is by Bradford Ropes, author of "42nd Street."

Spectacular dance ensembles were staged by Bobby Connolly with scores of Hollywood's most beautiful chorus girls. One of the most unique and striking numbers is a mammoth replica of the universe inter-cut with an artistic stairway crossing the globe in four directions representing the evolution of the Argentine to Park Avenue and throughout the world. The dance, with a hundred beautiful girls, is led by Jolson and Miss Keeler, who sing "A Latin from Manhattan."

Al Jolson has the role of a Broadway entertainer, who is barred from the New York stage, because he quits his shows without notice, his weakness being wine, women and the "ponies." He winds up in Caliente at the race tracks, waking up with a headache and without a job.

Glenda Farrell plays the part of his devoted sister who gets him straightened up, and finally convincing him that Broadway is

through with him, persuades him to take a job in Chicago with a partner. She has already persuaded Ruby Keeler, who has the role of a clever dancer on the West Coast to team with her brother.

After a series of exciting incidents the New York opening comes off in a blaze of glory in an unusual and surprising climax.

There is a talented supporting cast which includes Helen Morgan, Barton MacLane, Sharon Lynne, Patsy Kelly, Benny Rubin, Gordon Westcott, Phil Regan, Joyce Compton, William Davidson, Akin Tamiroff and Joseph Cregan.
