VOLUME 53.

BALLINGER, TEXAS, THURSDAY, JUNE 11, 1936.

NUMBER 40.

Veterans to Meet Friday Evening to Discuss Bonds

Every World War veteran in this section is invited to a meeting of Pat Williams Post, American Legion, to be held at the city hall Friday (tomorrow) evening, beginning at 8 o'clock. Important information will be given out regarding the receiving and cashing of bonus bonds and officials of the postal department will be present to make talks and answer questions.

This job has been termed the biggest undertaking ever handed to the postal authorities and very strict regulations and rules have been made regarding the handling of the more than two billion dollars worth of bonds.

Postmaster Tom Caudie has received full and complete information regarding the handling of the bonds. Some of the rules, however, will be made locally—regarding the days letters will be delivered and days and place for certification of bonds for cashing.

Officials of the Ballinger post are offering their full cooperation to the postoffice employees in handling the work. In the meeting tomorrow night it is hoped that several hundred ex-service men will be present to get the full information. A section of the auditorium will be reserved for negro veterans as it is believed much time can be saved if all veterans understand the way the bonds will be delivered and the turning in of bonds for cash.

Legion officials will assist in identifying former service men who are unknown to the postal authorities. Notices of the meeting here tomorrow have been sent to all newspapers in the county and veterans who read one of these notices are asked to help spread the news so all men who are expecting bonds soon after June 16 will be present.

Service Officer D. G. Posey of the local Legion post has much information on the subject and Postmaster Tom Caudie will be present to explain the plan and also to answer questions. Veterans who are having any trouble with their application papers, will be able to receive aid from the service officer. Mr. Posey stated that there were some who have never filled out their application papers and this may be done tomorrow evening.

Postmaster Caudie has made arrangements for an office at the city hall, where bonds will be certified. The exact time for opening this office has not been announced, but Mr. Caudie stated that the force would work day and night in order to speed the procedure. As soon as the registered letters containing the bonds are about all delivered, the certification office will be opened.

Mr. Caudie and assistants will use the firemen's dormitory for their working office and veterans will be received in the city auditorium where they will wait their time. Some method will be used to number the men as they come into the lobby and they will be taken in order by the certification officer.

WINTERS MAN, CHARGED WITH LIQUOR POSSESSION, FINED IN COUNTY COURT

W. A. Reeves, of Winters, was arrested Saturday afternoon in Rowena by Sheriff W. A. Holt and Deputy Gerald Black and brought to Ballinger, where he made a statement and entered a plea of guilty on charges of possession of beer and whiskey. Reeves was fined \$100 and costs in county court.

In the statement Reeves said he operated a cold drink, popcorn and candy stand in Winters and for some time had been selling some whiskey. He told of his trip to San Angelo, the purchase of five cases of Berghoff and three cases of Hamm's beer, 24 half pints of Cream of Kentucky and 24 half pints of Private Stock whiskey. He said he loaded this into his car and was on his way to Winters when arrested.

Rev. I. N. Langston, field secretary for the Texas United Dry Forces, was in Ballinger Saturday, collecting funds from supporters and attending to other business.

Miss Helen Brewer left this week for Dallas, where she will assist in chaperoning a group of Odessa students on a visit to the central Texas Centennial exposition.

80 Business Firms Sign for Parade Entries June 29

The parade committee has signed eighty entries from local firms for the opening parade of Ballinger's Golden Anniversary celebration June 29. Since the canvass was made the committee has received entries from the Ballinger Rotary Club for a decorated car, several of the rural clubs, and two from the Runnels county farm council.

Mrs. C. C. Sessions has returned from a visit in Altus, Oklahoma. She was accompanied home by Miss Nylene, Harold and Kenneth Daughy, who returned Sunday; and by Miss Mary Louise Sessions, who will remain here for a longer visit.

Horace Sessions attended the Methodist laymen's service at Wingate Sunday, delivering the principal talk in the morning.

Otto T. Halffmann was taken to a San Angelo hospital Sunday in a King-Holt Company ambulance for treatment for pneumonia.

As New York Greeted Britain's Pride, Queen Mary

Welcomed with traditional New York ceremony the Queen Mary, newest Atlantic superliner, is shown, pennants flying and fresh paint gleaming, as she steamed past Staten Island and into New York harbor. Thousands lined the shore of the island to view the leisurely harbor. Adding their greetings were the many small harbor crafts shown accompanying the ship.

Merchants Name Entries In Revue to Choose Queen

"Miss Ballinger of 1936," queen of the pageant at the June 29th celebration, will be selected in a stage revue at the Palace Theatre Tuesday evening. Local firms have nominated a group of beautiful young women for the revue and out of town judges will view the entries and select the queen, who will be crowned in the finale of the pageant as the entire court is assembled for the climax of the birthday celebration.

After all the young women have passed before the judges and audience at the Palace Tuesday night seven will be recalled to the stage and one chosen as queen. The other six beauties will be ladies-in-waiting to the queen and part of the court in the ceremonies.

A number of local firms intend to have nominees in the revue but have not definitely made arrangements with the girls. Any business house in the city may sponsor a girl in this contest without cost. Nominees are to be young women who have graduated from high school or about that age and they will wear evening dresses for the revue.

A part of the proceeds of the show Tuesday evening will be given to the girl selected as queen to be used in buying her costume, crown and train.

Entries to date are as follows:

- Miss Marcella Fryar, Bob Tunnell Grocery
- Miss Helen Moore, King-Holt Company
- Miss Nell Shepperd, The Ledger
- Miss Cathleen Connelly, The Hub
- Miss Elva Sykes, Community Gas Company
- Miss Wilma Malone, J. C. Penney Company

LEDGER TO ISSUE SPECIAL EDITION JUNE 25

A special edition of The Ledger will be published on Thursday, June 25. This special will go to all the citizens in this trade territory and to many pioneers living away from here, telling about the Golden Anniversary celebration and also about the progress of Ballinger and the county since 1886.

A section of the special has already been printed and steady work will continue until it is finished. Solicitors are calling on merchants as fast as possible to sell them space in the issue, but this work will not be completed until the last week.

Anyone who knows a story of interest about the pioneer days is requested to call a Ledger reporter and the item will be carried in the news columns on June 25.

Merchants are asked to begin planning their ads for this special so copy can be assembled without delay.

30 Runnels County Students to Sing In State Assembly

Between 25 and 30 Runnels county school children will leave here tomorrow (Friday) shortly after noon for Dallas to take part in the statewide sing-song at the central Texas Centennial exposition. About 50,000 school children are expected to participate in the event, which will be broadcast over a nationwide hook-up Saturday morning from 10 to 11 o'clock.

The Runnels countians will make the trip in a school bus, accompanied by County Superintendent E. C. Grindstaff and other adult leaders. Intentions are to spend the night in Dallas and return Saturday night.

NOTICE, CLUB MEMBERS

Members of the Ballinger Country Club will meet at the club house Monday evening at 8 o'clock for the annual election and to attend to other business. A report carried on another page of this paper gives the date of this meeting as Tuesday, but it was moved up one day in order not to conflict with the revue at the Palace Theatre at which a queen will be selected for the anniversary pageant.

The club meeting is to be held Monday evening, officers announce.

Band Getting Ready To Help Entertain Celebration Crowds

H. H. Carsey, director of the Ballinger Cherry Band, is getting his musicians in shape for Ballinger's Golden Anniversary celebration, June 28-29. The band will be called on for much musical duty in the two days' entertainment.

The band will be heard in a concert Sunday afternoon, June 28, as a feature for the crowds who are not attending the church home-comings. Sunday afternoon the local musicians will play the hymns for the massed chorus at the park when the pioneer memorial service is held.

Monday morning the band's first assignment will be to head the opening parade of the day and it will appear on a number of other programs during the afternoon and evening. At 8 o'clock Monday evening the band will play the musical score for most of the pageant. Mr. Carsey will write arrangements for a number of tunes to be used in the presentation of the pageant and the band will be rehearsed fully before that date.

Since school closed a number of the band members have been on vacation trips but Mr. Carsey expects to have the full membership here for the celebration. A group of college students who will be home for the summer, will augment the band for the special occasion.

WHEAT AND OATS IN COUNTY YIELD BETTER THAN HOPED

Farmers here Monday from the north end of the county stated that oats and wheat were turning out much better than had been expected. Some of the small grain was cut with reapers, and threshers are being used, while on other farms where the grain was short it was allowed to ripen in the field and combines used.

Several oat crops averaged from 35 to 40 bushels and a few reported good wheat yields.

Committees Busy on Plans For Birthday Celebration

Several Projects Up for Approval By Federal Board

Several new bridge projects in Runnels county have been submitted through the district WPA advisory board to Washington headquarters. These projects have been oked in the district office but must be approved at Washington before work can be commenced.

The projects include a five-span bridge over Elm Creek, three miles above the new Mud Creek bridge. This bridge is to be considerably larger than the Mud Creek bridge which cost about \$7,000. The Elm Creek bridge will cost approximately \$12,000. However, the federal department will pay for everything but the lumber, nails and incidentals, and the foreman's salary. The county must pay the foreman's salary and buy the lumber and extras necessary. If this project is approved work will probably start sometime in July.

Other projects submitted are bridges over Hog Creek, Pony Creek, and one in South Ballinger. All of the latter, if built, will be low water structures.

Engineers have drawn all plans for the above named projects and the plans have been sent to the head office at Washington after being oked by the district office at Brownwood.

FIRE DESTROYS HOUSE ON SOUTH 5TH STREET

Fire of undetermined origin destroyed a house owned by J. L. Chastain on South Fifth Street Monday morning about 3:15. The wooden structure was entirely enveloped in flames before the alarm was turned in at the fire station. The house was occupied by the Leatherwood family.

Firemen reported the house and most of the contents almost completely destroyed.

TOWNSENDITE TO SPEAK

C. A. Roberson, of Portland, Oregon, accredited lecturer for Townsend clubs, editor, educator and philosopher, will speak on the court house lawn at Ballinger Saturday, June 13, at 3 p. m.

The public is invited to hear this speaker on the subject, "Creed of Democracy." All questions will be answered.

Mrs. T. C. Price, Mrs. Chapman, Mrs. Oden Willoughby and "son," of Bronte, and Mrs. Larkin Hayley, of Norton, visited friends here Tuesday. They were returning home after attending the Methodist zone meeting at Talpa.

Mrs. E. D. Walker left Sunday for Los Angeles, Calif., where she will spend the summer. She ordered The Ledger to come to her vacation address.

Maurice ("Tony") Nixon has been employed by the Weeks Drug Store and will assist during the summer in the front of the store and with fountain trade.

Committees preparing the program for Ballinger's Golden Anniversary celebration, June 28-29, all met Monday evening and were in session until a late hour making final plans and appointing other assistants to aid in the big task which must be completed within the next two weeks.

One additional committee named will arrange a short program for 11 o'clock on June 29, at which time visitors will be welcomed to the anniversary fete and a distinguished speaker presented. This committee is composed of E. M. Lynn, E. Shepperd and Paul Trimmer. This program will be presented at the court house lawn at the conclusion of the parade.

Most of the committees reported their assignments well in hand and a few said all advance preparations were completed.

Two churches, the Baptist and the Methodist, have their home-comings well planned and programs arranged for most of Sunday, June 28. Other churches' committees stated that they would plan programs and at least have special services in the morning.

Union Memorial Service
The memorial service for Sunday evening, June 28, is completed and all denominations will assemble to honor deceased pioneers who shared in the growth and progress of this section. Dr. W. D. Bradford, of Dallas, will deliver the memorial sermon by means of a public address system and a massed choir of about 100 voices with band accompaniment will sing old hymns.

Parade
Over 100 firms and individuals have signed up for entries in the parade on June 29 and some have begun to decorate floats. In addition there will be Indians, cowboys, side-saddle riders, old time automobiles and a number of entries from clubs in various parts of the county.

Barbecue Dinner

Pioneers who resided here 45 years or more ago will be served free barbecue dinner at the noon hour. One of the large buildings at Fair Park will be used for this purpose. Windows have been cut in the west side of the building so it will be more comfortable. Tables have already been provided and a small stage constructed for the program which has been arranged by the pioneer committee. Those eligible for this dinner will be issued special admission tickets, when they register and these will be taken up at the door as they enter. The Tickleville Band, of Ranger, brought to Ballinger by the First National Bank, will assist in dispensing the fun. Those not eligible for the barbecue are invited to bring their basket dinners and a committee will provide places where lunches can be spread, on the court house lawn or at city park, where ice water and tables will be available.

Club Boys, Girls Offered Special Centennial Trip

The 4-H club boys and girls and F. F. A. members of Runnels county have been offered a trip to the Texas Centennial exposition at greatly reduced prices, according to information received by Miss Myra Tankersley, county home demonstration agent.

The boys and girls will stay in the "tent city," constructed especially for them, while in Dallas, and will make conducted and arranged tours of the exhibits for two days.

Miss Tankersley stated that many of the clubs in the county would probably send some of their members to the Centennial celebration. Instead of the short course, since only a limited number can be accommodated at the 1936 short course at College Station.

While in Dallas there will be every convenience provided for the club boys and girls. Each tent will be completely furnished, with the exception of bedding. Meals will be provided, auditoriums made available for assemblies, and every other device will be employed to make the visit enjoyable for the clubbers.

A round-table discussion will be held by the county council at its meeting June 29 concerning the advisability of sponsoring trips for the club members.

These trips can also be had for home demonstration club members. The arrangements will be the same and everything done to make the visit perfect for the women.

Anyone desiring further information concerning these trips may secure it from Miss Tankersley.

Caddo Club Given Concession Rights At Birthday Fete

The Caddo Club will have all the concessions at Fair Park during the Golden Anniversary celebration here June 28-29. It was announced by the committee in charge of concessions last week.

The club will have two or three stands to serve the thousands of persons expected to attend the big celebration. Hamburgers, hot dogs, cold drinks of all kinds, popcorn, ice cream, and all kinds of candy will be sold. All profits from the sale of the refreshments will be placed in the club treasury to be used in civic work.

The committee awarded the concessions to the club after careful consideration and announced that the stands would be operated by club members at all times, with profit going to no individual. This will be the only thing the visitor must pay for during the celebration, everything else being free. The barbecue for the pioneers, the parades, the pageant and everything else in the way of amusements will be provided free of charge, the only requirement being that visitors buy their meals while here. It has been the aim of the steering committee to make the celebration cost the visitors the least possible money while in town so that no one will stay away because of lack of funds, it was stated.

Correction
In the issue of The Ledger of May 28 in the ad of the Deluxe Tailors the word Sanitone was substituted for Superitone. Superitone is the correct name for the type of cleaning done by this concern.

Officials Entertain Workers on Bridge Across Mud Creek

Dee Oliver, commissioner of precinct No. 1, and Corkill Motley, supervisor of the Mud Creek bridge project, gave a barbecue Tuesday night at their own expense for all the workers on the job. About 75 men were present for the affair and enjoyed the barbecued mutton and the musical numbers.

Mayor Estes M. Lynn made a short talk and others talked briefly to the men who did the labor on the large three-span bridge.

There is very little more work to be done on the bridge as all is completed except dressing down and finishing the cement. The supervisor stated that the work would be completed on June 27.

Mr. and Mrs. J. C. Sturges left Monday for Dallas to attend to business and visit the central Texas Centennial exposition.

Miss Loyce Fowler left Sunday for Dallas to attend to business and visit the Centennial exposition.

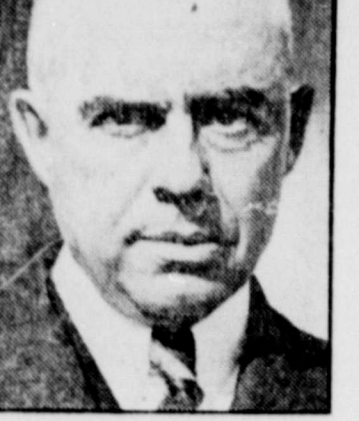

Visitors to Regatta Will Find Improved Facilities at Lake

BROWNWOOD, June 10.—Visitors to Brownwood's second annual Regatta and Speed Boat Races, June 20 and 21, will find greatly improved facilities for handling the large crowds that attend the event. Native stone repair shops, concession house, dance pavilion and picnic structures have been constructed along the shore, the parking grounds have been enlarged, paved roads built throughout the park, and a water supply system has been installed.

The races this year are attracting greater attention from speed boat racers throughout the Southwest, and it is expected that the largest field to enter a summer boat race meet this year in Texas will be on hand Sunday afternoon, June 21, for the National Outboard Association race program. These events start promptly at 2 p. m. Sunday. More than \$700 in cash prizes will be awarded the winners. Forty entries already have been assured.

The two-day program will get underway Saturday morning, with a bait and fly casting tournament under the auspices of the Izak Walton League. Prizes totaling \$30

"GREATER BUSINESS BUILDER" CONTEST CONDUCTED HERE FOR LEVER BROS. PRODUCTS

Glen Robbins, local representative for Lever Brothers Company, manufacturers of Lux toilet soap, Lux, Rinso, and Lifebuoy, is busy at work these days on a gigantic sales campaign that is now building tremendous business activity in Ballinger and vicinity.

His company is conducting a "Greater Business Builders" contest which not only brings to everybody the benefits of a

Paints Gloomy Farm Picture

friendly rivalry among Lever representatives, but creates new and better selling opportunities for wholesalers and retailers. When the contest closes early in the summer, prizes will be awarded to the men who prove themselves to be the best "business builders."

Leading local retailers, eager to have top honors and prize awards go to the Texas representative, are wholeheartedly volunteering their support to the drive. Mr. Robbins, in turn, is hard at work demonstrating his ability as a "business builder." He is showing his appreciation of the support given him by friends in the trade, by working hand in hand with the dealers—arranging feature sales and doing super-merchandising.

The results of this cooperation and Mr. Robbins' contest endeavors already are amazingly satisfactory. Dealers who are taking advantage of these extra sales-making activities say housewives have caught the "business building" spirit and are buying greater quantities of soap and other merchandise as well.

The four famous products, Lux toilet soap, Lux, Rinso and Lifebuoy are consistently supporting the "greater business building" campaign through regular large-scale advertising in The Ledger.

CREWS CHATTER

On Friday night of the previous week a large number of the candidates for office came out to Crews and made fine speeches explaining their platforms and met a large number of friends. County Superintendent E. C. Grindstaff presided over the speakers. A number of Ballinger friends accompanied the candidates. The Crews people were glad to welcome you, and the Baptist women who sponsored the social extend thanks for the fine response to their invitation.

Crops are doing fine since the rain, but continued high winds are drying the moisture out rapidly. Mrs. Edgar Jayroe, who was seriously ill recently, is improving rapidly.

Mrs. C. W. Schwartz returned Saturday from a few weeks' visit to Fort Worth with her daughters. Her youngest daughter, Mrs. Ed Thompson, and children, accompanied her home.

Miss Helen Phipps and Virgil Little, of Drasco, were married Sunday morning, and were dinner guests of the bride's uncle and aunt, Mr. and Mrs. Sid Dietz. Mrs. Dietz also entertained a number of relatives of this community, and Mrs. Little's mother and sister, Mrs. Enoch Phipps and Miss Lennie Phipps, of Drasco.

The young couple are well known here, having spent part of their life near here. Best wishes are extended.

Mrs. King returned Tuesday from a visit to her son, Lloyd McBeth, and family, and other relatives at Sweetwater.

Miss Marguerite Mathis left recently for John Tarleton College, Stephenville, for the summer term.

J. T. Whitley, of the Oxien community, was recently elected by the local school board to fill one of the school vacancies next term. Friends here have received an announcement of the birth of a son, born June 3, to Mr. and Mrs. N. C. Hinds, of the Dale community. Mrs. Hinds will be remembered as Miss DeElva Jones.

Judge Strother and daughter, of Winters, were business visitors in Crews Tuesday afternoon.

Rev. Chester Wilkerson, of Blanket, spent a night recently with his brother, Leonard Wilkerson, and family, while en route to Forrest, New Mexico, where he was engaged to hold a revival meeting.

Mrs. J. W. Mons is reported ill at this writing.

Mrs. D. S. Wilkerson, of Blanket, formerly a pioneer citizen of this community, was to meet today with her children at Lake Abilene in a family reunion. A picnic luncheon will be spread and all expect a general good time. If nothing prevents the attendance of some of the family it will be the first time this family has been wholly united in twenty years. The children expected are: L. R. Wilkerson, of Bangs; Arthur Wilkerson, of Fort Worth; Leonard Wilkerson, of Crews; Lloyd Wilkerson, of Winters; Rev. Ballinger Masons Name New Officers For Ensuing Year

Regular meeting of the Ballinger Masonic Lodge No. 643 was held Tuesday evening, officers for the ensuing year being elected and other important business transacted. A notice mailed to all members brought good attendance for the final meeting of the year.

Wm. Dooze presided as worshipful master in the absence of the regular worshipful master, Jim Duncan, and presented the various items of business.

J. A. Schnable was elected worshipful master; Everett Cooper, senior warden; G. H. Touchstone, junior warden; Ralph Ballew, treasurer; M. McGregor, secretary; and A. R. Murchison, treasurer. Other officers of the lodge will be appointed by the principal officers within a few days and notified of the installation which will be held at the next regular meeting. A called meeting will be held on June 18, at which time work in the first degree will be taken up for two candidates.

A lengthy discussion was held on the raise in annual dues which has been made compulsory by the grand lodge of Texas. Information presented to the membership was to the effect that the lodge must collect the minimum amount set by the grand lodge and that it can not be given back in any manner without subterfuge which might endanger the lodge's charter.

LOCAL BOY SCOUTS AT CAMP LOUIS FARR

Eleven members of Boy Scout troop 30, Ballinger, and two from Paint Rock left here Sunday at noon for Camp Louis Farr near Merton to spend the rest of the week. They will remain in camp until Saturday when a number of adults will go to the camp to bring them home.

Rothal O'Kelly and son, Rothal, Jr., accompanied the boys and Mr. O'Kelly will be in charge of the lads while they are in the camp.

Several other adults went over with the group but returned home Sunday afternoon.

HIS ABILITY TO KNIT SAVES HIM FROM DEATH

MANCHESTER, England, June 10.—Because his mother taught him how to knit thirty years ago, Rudolph Bosshardt, a missionary has escaped death at the hands of bandits in China. Bosshardt and M. Hayman, a fellow-missionary, were captured fifteen months ago, but Hayman was freed.

Bosshardt tried to escape, but was recaptured. While awaiting sentence, he spent the weary hours in his prison cell knitting socks. These so pleased his captors that they decided to pardon him on condition that he knit them a pair each.

Despite their decision, they later announced that he would have to pay a fine of \$200,000 and serve eighteen months in jail for "drugging simple people with teachings of the Bible." Month after month

negotiations have been carried on for Bosshardt's release, but with no apparent success.

BOYS SAVE EXPRESS

KUSHCHEVKA, U. S. S. R., June 10.—Noticing a section of rail missing young Ivan Yakimenko and Ivan Golub, sons of railway workers, took off their coats, pulled handkerchiefs out of their pockets and waved them to stop the Moscow-Sochi express train, near Kushchevka. Saving the train has brought them fame. The railway has awarded them 400 rubles each and donated 2,500 rubles to the school they attend.

Mr. and Mrs. Raymond White, of Cisco, were here for a visit Sunday with Mrs. W. F. Street and other relatives. Mr. White is employed by the West Texas Utilities Co. at Cisco.

THOUSANDS SEE PARADE OPENING WORLD'S FAIR—A colorful parade, depicting the progress of empire from 1836 to 1936, opened the \$25,000,000 Texas Centennial Exposition Saturday. Thousands jammed Dallas to witness the spectacle, then flocked to the grounds. The photograph shows the championship Wilson Clydesdale horses drawing a covered wagon from "The Cavalcade of Texas," historical drama to be presented daily on the world's largest stage.

IN SOCIETY

Two are Hostesses for Bride-Elect. Miss Wyn's Greer and Miss Lola Eubank complimented Miss LeBelle Barker, who became the bride of Elio Michaels Sunday, with a prettily appointed party in the Eubank home on Sixth Street last Thursday afternoon. They were assisted by Mrs. E. M. Eubank and Mrs. Jo Eubank.

The ranch home where the couple will live was the theme emphasized in the shower while rainbow colors were used in the decorations for the rooms. Games of bingo were played on heart-shaped boards with corn for tokens.

After the games, Jo Ann Eubank, dressed as a ranchman, and Gayle Eubank, who impersonated Cupid, led the honoree to the doors of the dining room, which were marked "Michaels Ranch." Inside was a miniature ranch house with outlying buildings and large feed stack, under which the gifts were concealed.

The dining room table was laid with a lace cloth and smilax and maiden hair fern were arranged around the punch bowl. The centerpiece was a large heart made of pansies across which was an arrow bearing the names "LeBelle and Elio" and his sheep brand, "4," and cattle brand, "XII."

Miniature farm implements were favors accompanying the plate of ice cream and angel cake which also stressed the rainbow colors and heart theme.

Guests were: Misses Barker, Cathleen Connelly, Maryvart Smith, Fern Campbell, Mildred McMillan, Loyce Fowler, Eleanor Fowler, Willwood Bridwell, Mmes. J. A. Ostertag, Ed Schuchard, J. W. Black, E. E. King, W. V. Connelly, Raleigh Reese, Jim Flynn, Jr., W. L. McMillan, Horace Attnipp, K. V. Northington, J. E. Moonen, C. C. Davis, M. D. Barnett, J. C. Wilson, E. L. DeWitt, Max Wilson, Bernice Brown, W. H. Greer, M. C. Smith, O. R. Lasater, Brooks Rudder, Paul Michaels, H. H. Wagner of Rowena, Gene Filip of San Angelo, Addie Lee Harris of Coleman, Charles Kruse and Albert Afflerbach of Winters, and Mrs. Jack Barker of Coleman.

Philathea Class in Agnew Home. Losers in a recent membership contest held by the Philathea Class of the Methodist church school were hostesses to members on the winning side last Thursday evening in the home of Mrs. Tom Agnew in Wilke Terrace.

Mrs. Agnew presided over the business session while Mrs. Gerald Black recorded minutes.

Rooms were decorated in varied summer blooms and the dining room table, laid in lace, had for its centerpiece a low bowl of nasturtiums. Punch was served from the bowl on one end of the table and assorted cookies were passed to the thirty-five members present.

Garden Party Given by Mrs. Weeks and Mrs. Earnshaw.

Mrs. John Weeks and Mrs. R. W. Earnshaw were hostesses to one hundred and fifty friends who called in two groups Friday with a late afternoon garden party at their Eighth Street home.

The yard, beautifully landscaped with the blooming shrubs and towering trees, was given added charm by the vintage plantings of tall baskets and pedestal baskets of bright blossoms.

The punch bowl, placed on a table covered in orchid gandy, was completely hidden with blooms and fern. Dainty fancy cakes were passed. Punch cups were hand-painted in the pastel shades as were the small plates. Favors were corsages fashioned of

corn flowers, fever few and baby's breath.

Assisting Mrs. Weeks and Mrs. Earnshaw in receiving and dispensing other hospitalities were: Mmes. Homer Vanderpool, Raymond Evans, Elmer Shepperd, R. W. Bruce, Charles Bailey, Tom Agnew, J. B. Striplin, E. W. Stasney, Robert Bruce, Jack Nixon, Jr., J. A. Schnable, C. G. Jennings, W. E. Midgley, Claude Stone, H. C. Lyon, Troy Simpson, Misses Thelma Midgley, Alice Morgan and Mary Simpson.

Michaels-Barker Wedding Held in San Angelo.

The First Methodist Church in San Angelo was the scene of the wedding Sunday at 1:30 o'clock of Miss LeBelle Barker and Elio Michaels of Wingate. Only relatives and very close friends witnessed the single ring ceremony performed by the Rev. K. P. Barton, pastor of the church.

Bowls and baskets of early summer flowers were used for decorations. Miss Mary Bain Spence was at the organ, playing "The Bridal Chorus" from Wagner's "Lohengrin" as the procession and soft nuptial music during the service.

Ellen Ann Saylor, daughter of Mr. and Mrs. Sim C. Saylor, was flower girl and other attendants were the bride's sister and brother, Miss Kate Barker, maid-of-honor, and Hayes Barker of Fort Worth, best man.

The bride wore an ensemble of white crepe made on tailored lines. Her accessories were also white and her bouquet was of sweetheart roses and fever few. She carried a Porto Rican drawn-work handkerchief, an heirloom of the Stallworth family, and wore a silver bracelet with heart-shaped clasp, an heirloom of the Eubank family. For going away, she chose a navy sheer ensemble with white accessories.

The couple left immediately for the Centennial celebrations in Ft. Worth and Dallas. They will be at home at their ranch June 15.

Mrs. Michaels, a daughter of L.

B. Barker, is a graduate of the Ballinger high school. She also attended the University of Georgia at Athens, West Texas State Teachers' College at Canyon, Sul Ross College at Alpine, and the University of Texas at Austin. She has taught for the past seven years in the San Angelo public schools.

Mr. Michaels is a prominent farm and ranch owner of the Wingate community and is a son of Mr. and Mrs. Paul Michaels, Runnels county pioneers.

Members of the wedding party were entertained informally with a dinner Saturday evening at the home of Mr. and Mrs. Sims Saylor, 1912 Live Oak Street, San Angelo. White roses were predominant in the rooms.

O. E. S. Installs Officers.

An informal dinner at the Central Hotel at 6:30 Monday evening preceded the formal installation ceremony for Eastern Star officers.

The big table was centered with a large bowl of varied blooms with six smaller bouquets of pink verbenas placed at its base. Mrs. Ione Allen, district deputy, of Robert Lee, and Mrs. Lucille McCutcheon, also of Robert Lee, were named honor guests. Besides these the following officers were present: Miss Loyce Fowler, Mrs. C. G. Jennings, Mrs. G. P. Teague, Mrs. T. A. Rape, Miss Cathleen Connelly, Miss Imogene Wade of Paint Rock, Mrs. Charles Bailey, Mrs. Tom Agnew, Miss Grifflie Atkins, Mrs. Paul Petty, Mrs. O. R. O'Neill, Mrs. Alex Saunders, Miss Agnes Glover, Mrs. O. R. Lasater, Mrs. Troy Simpson.

Mrs. Allen was grand installing officer, Mrs. McCutcheon was grand marshal, Mrs. Lasater was grand chaplain, and Mrs. Simpson was grand organist for the installation services.

Officers installed were: Mrs. Jennings, worthy matron; Dr. W. B. Bailey, worthy patron; Mrs. Bailey, associate matron; Dr. Bailey, associate patron; Mrs. Rape, conductress; Mrs. Petty, secretary; J. Whit Patterson, treasurer; Mrs. Saunders, organist; Miss Glover, secretary; Miss Connelly, warder; Ira L. Sims, sentinel; Miss Ada Allen was installed as Electra. The other four star points will be installed later.

Following the installation rites

Mrs. Lasater presented the past matron's pin to Miss Fowler and a gift from the chapter officers to Mrs. Rape. Mrs. Jennings was given a beautiful sheaf of gladioluses following a musical reading by Mrs. Bailey with original words written by Jack McGregor.

Following the regular meeting a social hour was enjoyed. Punch and sandwiches were served.

Mrs. Murchison Hostess to Triple Four.

Mrs. Ross Murchison was hostess to Triple Four Bridge Club members Tuesday morning in her home on Phillips Avenue.

Daisies and gladioluses were used for room decorations and centered the tables at the noon hour when a salad course was served with iced tea.

Guests were: Mmes. Harry Lynn, E. W. Stasney, K. V. Northington, L. E. Tigner, R. W. Earnshaw, J. A. Schnable, Claude Stone,

J. B. Striplin, Tom Agnew, Herman Giesecke, Jr., Alex McGregor, George Kirk and Troy Simpson.

Fellowship Class Has Picnic Supper at Park.

Members of the Fellowship Class of the First Methodist Church enjoyed a picnic supper Tuesday night at the noon in city park. As the result of a recent contest the losing side entertained the remainder of the class.

About twenty-five members participated in the affair.

J. O. Y. Class Meets in Pitzer Home.

Members of the J. O. Y. Class of the Ballinger Baptist Church were entertained in the home of Mrs. J. E. Pitzer with Mmes. Wix Currie, Jr., Byers, and Herbert Chabysek as joint hostesses.

After the class revealed their joys, Mrs. George West was presented with a shower. A salad course was served to the follow-

ing: Mmes. Bill Ueckert, Jones Parrish, Oren Chandler, Jo Eubank, G. H. Touchstone, J. E. Pitzer, J. Hornburg, West, Myles Nixon, Hendricks.

Ballinger Women Attend Garden Party at Winters.

Mmes. Sim Cottle and M. S. Patrick attended a garden party given in Winters Wednesday afternoon by Mrs. John Q. McAdams to compliment Miss Ruth Jones, daughter of former Representative H. O. Jones and Mrs. Jones, whose marriage to Eddie Little of Corpus Christi, will take place June 24.

Utilities Employees Enjoy Outing on the Concho.

Several employees of the West Texas Utilities Company and their families and guests enjoyed a swim and supper on the Concho River near Paint Rock last Friday evening.

Church of Christ Revival to Start Sunday, June 21

The Eighth Street Church of Christ will begin its annual revival Sunday morning at 11 o'clock. The closing date has not been set.

G. C. Brewer, of Memphis, Tennessee, nationally known lecturer and evangelist, will conduct the services. Arrangements for Mr. Brewer to conduct this meeting were made two years ago in order to obtain his much-sought services.

The visiting minister has been connected with some of the most prominent churches of this denomination and in addition has created a national reputation on the lecture platform. Recently he made many addresses all over the United States on communism and spoke at Abilene to a large audience of members of all faiths. In the Abilene address he branded communism as "un-American, seditious, and treasonable," adding that it was also "heretical, atheistic and blasphemous of Christ."

Mr. Brewer charged that there are forty organizations in the United States at this time spreading propaganda for communism. Discussing the colleges of the nation and referring to Abilene Christian College he said, "I know there is no communism in this college. There is little in Texas, but there are millions in this country who have been influenced by the propaganda."

About ten years ago Mr. Brewer was chosen by the protestant churches of the United States as the opponent to debate Judge Ben Lindsey, when the famed exponent of companionate marriage made a debating tour. His clash with Mr. Brewer was the last he engaged in before abandoning his projected national program.

Services will be held twice daily

during the entire campaign. The evening services will commence at 8:30 p. m. and the morning hour will be announced later. O. K. Jacob will lead the singing and the membership of the church invites all local citizens to attend every service possible.

We meet prices—Freeman's.

Higher Atmosphere Declared Very Hot By Radio Technician

CROYDON, England, June 10.—Hot air 200 miles above the earth's surface, so hot that under ordinary conditions it instantly would burn any human invader to a cinder, is another of the earth's surrounding shells of cold, heat or electricity which future interplanetary flyers must learn how to pass, according to the British radio expert, Prof. E. V. Appleton.

No balloon or other human device ever has risen as far above the earth as this, the present record being only about thirty miles. The newly found hot layer has been disclosed by tests made with short radio waves. The way in which these waves pass through any gas such as air is affected by the number of electrified particles or ions which the air contains. By long series of tests of such radio transmission through air levels high above the ground it has been discovered that there are many more such ions in the layer about 200 miles up than there ought to be.

For a long time radio experts were puzzled to explain where these excess ions came from. Finally it was decided that they must be produced by a very high temperature of the air, caused by great absorption of some of the rays of sunlight. Professor Appleton estimates this temperature as about 1,600 degrees Fahrenheit,

G. C. Brewer

but the practical problem of interplanetary navigators who may need to cross this hot zone will be simplified by the fact that it will not act exactly like a furnace of equal temperature on earth.

The difference will be due to heat capacity. The hot gases in an actual furnace are fairly dense and hold much heat. Gas in the superheated stratosphere, although even hotter, is extremely thin and can hold little heat, so that it

might seem merely a warm breeze to any space ship that encountered it.

Lee Moreland, Joe Baxter and J. O. White will return tomorrow from Fort Worth, where they attended the State Firemen's Association convention Tuesday, Wednesday and Thursday.

Calling Cards printed on short notice. Phone 27, we do the rest.

Club Stockholders' Annual Meeting is Ordered by Board

The annual meeting of stockholders of the Ballinger Country Club will be held next Tuesday evening, June 16, at the club house. The directors, in session Monday of this week, ordered the annual meeting for the purpose of electing four new directors and discussing a number of important matters. The directors hope a good representation of the membership will be present. It requires 25 to constitute a quorum.

Four directors retire this year and others will be elected to their places. The retiring directors are Fred Kiechie, R. E. Bruce, A. Giesecke and J. G. Douglass. Holdovers are A. J. Thorp, H. G. Agnew and M. McGregor. Mr. Kiechie is president, Mr. Giesecke, vice-president, and Mr. Bruce, secretary.

The directors favored holding the annual Fourth of July barbecue and golf tournament. They also suggested a bridge tourney in the morning for the women and others who do not participate in golf. The matter will be discussed further at the stockholders' meeting and a definite decision reached. The directors said if the business men of the city did not observe Saturday, July 4, as a holiday that the celebration would be held on Monday, July 6.

Another problem to be considered will be some means of killing moss in the lake. During the past several months the lake has filled to the surface with moss and fishing and swimming as well as boating has practically been stopped. Mr. Bruce has been corresponding with managers of fish hatcheries and some of these will visit here soon to study the local situation and give remedies. Killing the moss without destroying the fish in the lake is declared a

difficult undertaking. Golf players will also discuss the proposed plan for building grass greens on the local course. Estimates have been made for this improvement and with an ample supply of water in the lake, the cost would be low, officials think.

JAPANESE GIRL TO WED ASHES OF HER LOVER

TOKYO, June 10.—To the strains of a funeral march Miss Masaka Eugisaki will be married to the ashes of her lover, who died several months ago in America.

Thirty years ago, Yyoichi Oya, her lover, left for the United States to make his fortune. After waiting several years the girl went as a tutor to a Russian family in St. Petersburg, hoping to earn enough to take her to her sweetheart.

The revolution drove her back to Japan. Oya died in September and his body was cremated. The bronze urn containing his ashes has reached Miss Eugisaki and she made a vow: "Though you are dead, I will be your wife to fulfill our pledge of thirty years ago."

Mark your butter with a rubber stamp. Inquire at Ledger office.

Harold Canady arrived last week—mid from Woodsboro, where he taught school this year, to spend the summer with his parents, Mr. and Mrs. R. P. Sanady. He was reelected to teach in the Woodsboro school next year.

Mr. and Mrs. Chester Cherry left Monday for the State Firemen's Association convention in Fort Worth. They will attend the Dallas Centennial exposition this week-end.

RINGWORM

If the first bottle of BROWN'S LOTION fails to kill the Ringworm within 3 days, go to your druggist, get your money back. "I was suffering with sores on my hand and wrist. It was thought to be Ringworm. I stopped into the A. & B. Drug Store (the Razall Store), and one application of BROWN'S LOTION gave me relief. After a few applications my hand was healed. A friend of mine had Athlete's Foot. I applied BROWN'S LOTION. His Athlete's Foot is gone."—Chas. Lott, Salvation Army Home, Lawton, Oklahoma. A clear liquid, not a messy paste. VISIT THESE INTERESTING CENTENNIAL CELEBRATIONS

June 8 through July 4. Revised June 11

Texans are seeing Texas during CENTENNIAL YEAR!

Centennial year is not only an opportunity for Texas to be host to millions of visitors from other states, it's a year for Texans to travel Texas and know their own state!

For real vacation pleasures Texas is unsurpassed anywhere. We have mountains, seashore, missions, foreign atmosphere, pine woods, gay night life in our metropolitan cities, historic places, unexcelled golf and fishing—every attraction you can find anywhere, right here in our own state.

Millions of Texans are seeing the big exposition at Dallas, then driving on to various other parts of the state for other equally interesting Centennial Celebrations. The Texas Centennial is state-wide. See all of it that time permits.

Read the calendar of interesting Centennial events at the right. Write the various chambers of commerce for complete information at cities you are interested in.

For a real vacation—Texans, SEE TEXAS!

OPPORTUNITY AND CASH

At some time in every man's life, there comes an outstanding opportunity to make money.

Often this opportunity requires a cash investment. This is where thrift in the form of savings or borrowing capacity in the form of good credit enter the picture.

The thrifty usually have their own cash, while the Security is always willing to lend money to good borrowers, men and women who can meet our requirements of sound banking practice.

ROBERSON SEEKS SHERIFF'S OFFICE

To the Voters of Runnels County:
I am offering myself as a candidate for the Sheriff's office of Runnels county subject to the action of the Democratic primaries in July and August.
This being the first time I have ever asked for a public office, I sincerely hope you will consider my application.
I have had about 12 years' experience in that line of work and feel that my qualifications are worthy of your consideration. I promise, if elected to the office to do my best to make you a good officer. I will try to see each and every voter personally, but if I fail, I will appreciate your vote and influence.

Respectfully,
CALVIN ROBERSON

WEDDINGS

Murphy-Gibson
Miss Laura Bee Gibson and W. R. Murphy, Jr. were united in marriage Wednesday, June 3, at the home here of Rev. W. H. F. Moore.
Mrs. Murphy, who graduated from the Ballinger high school this year, was one of the most popular girls of the Benoit community. Mr. Murphy farms in the Valley Creek section.
After a short trip to Brownwood the couple returned to make home six miles north of Ballinger.

THREE FINES ASSESSED AGAINST TWO DEFENDANTS

Leola Claburne, of Winters, was found guilty on two charges in county court here Wednesday and assessed a total of \$60 in fines and 11 days in jail. On a charge of theft of a suit of clothes she was fined \$50 and given 10 days in jail. On a charge of receiving and concealing a dress a fine of \$10 was assessed and the defendant ordered to spend one day in jail.
Willie Stewart, negro, was fined \$14.50 on a charge of disturbing the peace and a similar charge was filed against Florenz De la Cerda, Mexican, for an affray which occurred last Sunday morning, allegedly in a game of chance. Knives played a part in the "scrap" in which the Mexican is said to have sustained severe cuts. De la Cerda has not been brought into court yet but will be given a hearing in a few days.

ARTISTE BEAUTY SHOP UNDER NEW MANAGEMENT

Miss Vera Smith, of Valley Mills, has purchased the Artiste Beauty Shop from Miss Nona Diltz and is now in charge. Miss Smith is an expert operator with seven years' experience, having operated an establishment at Waco several years. The shop will be continued under the same name.

Walter Atwell left Friday for Dallas after a visit with his parents, Mr. and Mrs. W. F. Atwell. After seeing the Centennial exposition for several days he will go to Albany, where he is manager of Perry Bros. store.

Miss Jeffie Bell, cashier at the J. C. Penney store, is on her vacation this week. She will visit friends at San Angelo and Robert Lee part of the time.

Mrs. M. H. Forgey left Wednesday morning for Fort Worth after visiting her sons here for the past three weeks.

21-YEAR TERM OF LOUIS REIS AFFIRMED BY APPEALS COURT

The court of criminal appeals, it was announced Wednesday, affirmed the 21-year sentence against Louis Reis, for the murder of Fred Brown, Talpa ranchman, in 1934. Reis was assessed the penitentiary term in 35th district court at Coleman last September and his counsel at once gave notice of appeal.

Stanley Wood, alleged accomplice, was given a 10-year sentence in district court at Brownwood shortly before Reis was tried. The state's attorney agreed to a new trial and it was ordered by District Judge E. J. Miller, but the defendant accepted the sentence and the new trial order was successfully set aside by the defense attorneys.

Brown was found murdered on a dark road near Coleman in May, 1934, and the two defendants mentioned above were arrested soon afterwards. In both trials the state's prosecutors charged the two men killed Brown for the purpose of obtaining approximately \$2,900 in cash he carried on his person.

Mrs. C. R. Stephens, Mrs. Alex Saunders, Mrs. Harry Lynn and Miss Edell Belle Walker went to Brownwood Wednesday to attend a Presbyterian meeting. Mrs. Stephens conducted an officers' training class and Mrs. Lynn and Mrs. Saunders were on the program.

Afternoon Program
At 3 p. m. a miscellaneous program of entertainment will be presented on the stage on the court house lawn for the general public.

Pageant
More than 500 performers will have roles in the pageant showing the progress of the city and county since the days of the Indian. 50 stages, each 40 by 40 feet, will be constructed for this night program. While one stage is in use the other will be made ready for the next episode. This feature will be staged in front of the grandstand at Fair Park.

Street Dancing
At the conclusion of the pageant music will be provided uptown for dancing on the pavement.

The finance committee reported Tuesday night that a total of \$730 had been subscribed and that the solicitation would be completed this week. The barbecue committee has contracted for the meat and is ready to buy other supplies. Harry Lynn, chairman of the pageant committee, stated that

It Costs Money to Run a Bank—

We were talking with a banker the other day.

We asked him, in the course of the conversation, what the biggest item of expense is in conducting a bank.

He said, "Giving service."

And then he explained. "You'd be surprised, how many people issue checks the day before pay day, then deposit just enough the next day to meet those checks. All the bank can hope to get out of such a practice is the privilege of being bookkeeper for those customers. And that privilege costs money."

We have an idea that we, as a community, abuse our banking privileges. We don't hear our banks complaining, but we wonder if it wouldn't be well to consider our individual banking practices. In other words, would we welcome our own accounts if we were the banker?

The best plan for all concerned is to send the change of address in advance.

Saturday is the last day for candidates to get their names on the ticket for the Democratic primary in July. Soon thereafter the county committee will be called to meet to arrange places on the ballot and make assessments for each office. So far the list of county candidates is lighter than in previous election years but a number of announcements may be made at the last minute.

Farmers and truck producers are warned to watch out for crop destroying insects this year. Some damage has already been done by leaf worms in pecan groves and in trees in yards. These are being exterminated by spraying and little damage will probably result. Crops are not far enough advanced for serious damage from insects but every precaution should be taken to keep any of these pests from getting a foothold.

The great central Centennial celebration is underway, opening June 6 to 117,000 paid admissions and thousands of passes. During the remainder of the year this great show will attract many to Dallas and visitors from all over the nation will witness one of the most magnificent exhibitions ever presented in the South. A record is expected to be set about July 4 when two holidays come in succession.

Finances are being raised this week for holding Ballinger's birthday party on June 29. The soliciting committee met with splendid response on its first trip around town, reporting over \$700 raised. The minimum amount needed for this program is \$1,000 and the other \$300 sought is not expected without strong solicitation. Members of the committee will continue in their assignment and in the meantime other committees are going forward with plans for the events planned for June 28 and 29.

NEW ZEALAND PROHIBITS IMPORTATION OF SNAKES

WELLINGTON, June 16.—New Zealand has determined to continue her ban against snakes and hold to her boast that there are no snakes on the island.

New Zealanders are so proud of the fact that they will not allow snakes to be kept even in the zoos. Several well-meaning people have from time to time endeavored to present snakes to the zoos in the cities, but the customs officers will not allow any live snake to be landed from a ship.

When a New Zealand journalist returned from England through the Panama Canal and brought with him a five-foot boa constrictor, which he intended to present to the Wellington zoo, the customs officials would not allow him to bring his snake ashore. It was an undesirable immigrant, according to the law. The reptile was killed.

O. K. Morgan, Mr. and Mrs. Malcolm Morgan, Misses Glac, Lee Morgan and Bobbie Avey left early Tuesday morning for Fort Worth to attend the State Firemen's Association convention Tuesday, Wednesday and Thursday. They will spend the weekend at the Centennial exposition in Dallas.

WEST TEXAS NEWS NOTES

J. H. Mosely, of Winters, assumed the position of manager of the West Texas Utilities Company office at Miles and Rowena last week. He had been employed in the Winters office for several years. Dick Teague, formerly manager of the Miles and Rowena office, was transferred to Santa Anna.

Approximately 30 young men spent three days in the second annual summer encampment of Area II of the Future Farmers of America at Junction last week. Swimming and diving, rodeo events, and stunt night provided much of the entertainment for the three-day period. Instruction was given in various phases of the work during the day by state

leaders and authorities on club boys' work. Mason county's historical marker was erected last week on highway 9 just west of the city. The shaft is of red granite and on the top is a bronze plaque which is inscribed as follows: "Mason county created January 22, 1836 organized August 2, 1838. Fort Mason established July 6, 1851, and abandoned March 23, 1869."

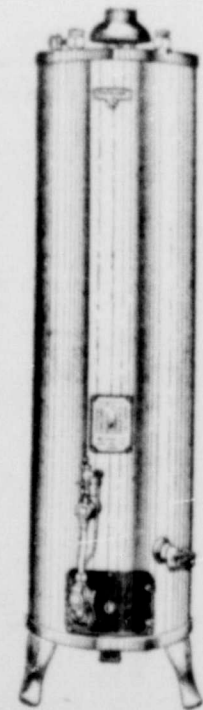

A drive will be built around the marker by workmen of the state highway department. Surfacing with caliche of the four-mile strip of road from highway 9 through the town of Melvin is progressing rapidly and it is

expected that the WPA project will be completed and turned over to the state highway department within the next three weeks. The cost of this road will be \$4,054. The highway misses the town, but the loop will give Melvin citizens an all-weather road to and from the highway.

Fire of undetermined origin destroyed the Mercury waterworks plant last week. Work of replacing the pump station is well underway and it is expected to be ready for operation this week. The engine, tank, mill and tower were all completely destroyed by the blaze.

Officials of the Brady July Jubilee declare the 1936 celebration will be greater than in many years. The privileges were sold for \$1,381 this year, which was \$27 higher than last year's total. The highest price paid for a concession was \$200 received for the cook house stand on the picnic grounds. The next highest was \$175 paid for the concession at the grandstand.

 A BIG
 CLEAN-UP**

Automatic Hot Water speeds cleaning along

Big clean-up campaigns are getting under way! From cities to individual homes things are being polished up for visitors. Before your campaign gets under way see that you have plenty of hot water. You can have it cheaper and in any amount needed at the turn of the faucet if you have an automatic gas heater. Because one costs so little to install and so little each month you can well afford this modern convenience that speeds all cleaning jobs along. See them today.

Comedians, a big carnival, four bands and a bathing revue will give Fort Stockton visitors plenty of entertainment at the Centennial Water Carnival in that city this week-end. Extensive plans have been made to entertain several hundred people at this West Texas city and everything was in readiness this (Thursday) morning for the opening tomorrow.

At a cost of approximately \$12,000 the city of Stephenville will install additional lighting equipment on the streets. The installation will be completed in about 30 days. The new system will provide 36 new standards around the court house and 78 new lights are to be added in the residential sections. The extra lights will make Stephenville one of the best lighted small cities in the state, according to engineers in charge of the installation.

Winters grocers signed an agreement last week that they would close their business houses at 7:30 p. m. each week-day, except Saturday, during the month of June, and at 7 p. m. each week-day, except Saturday during July and August. They further agreed to stay open not later than 9 a. m. on Sundays.

Milton ("Mickey") Pool, coach of the Coleman high school for the past three years, resigned his position there last week to accept employment with a major oil company. During his three years as athletic director at Coleman Pool made an enviable record, especially in football. Several applications have been received for the position, but thorough consideration will be given each applicant before the place is filled, according to members of the board of trustees.

DIVINING ROD BEING GIVEN NEW TESTS

LONDON, June 10.—New experiments in "dowsing" or finding mines of water by a mysterious hazel wand or other "divining rod" held in the hands have been carried out by H. M. Budgett, who contributes two new items to the theory about this mysterious power, the reality of which many scientific men still doubt.

One of Mr. Budgett's new claims is that he can teach the dowser's ability to about nine out of ten ordinary persons, proving that the matter is not "psychic" or otherwise supernatural. The second item is a new theory that the power depends on some unknown

radiation, perhaps like the cosmic rays but which radiates upward from the earth instead of downward from the skies.

The Friendliest Kind of Banking

—is that which sticks closest to sound banking principles.

SOUND banking protects depositors' money. Safeguards stockholders' interests and encourages borrowing customers to enter upon only such undertakings as contain the elements of success. Each one of these considerations is the truest form of friendship a bank can offer.

Sound banking principles permit only safe, profitable operations which return a fair yield on invested capital. They enable the bank to maintain an efficient organization and build up ample reserves and surplus to fortify the protection of depositors' money.

In our next advertisement we shall point out some practices which are not acts of true banking friendship, no matter how pleasantly and courteously performed.

Beery, Boles, Barbara Stanwyck Teamed in "Message to Garcia"

High adventure of the sort that sets your pulses pounding; glamorous nights of romance in the tropics; roistering, boisterous comedy—these are the elements from which the suspense-filled action of "A Message to Garcia," 20th Century's fascinating adventure romance, to be shown at the Palace Theatre. This feature will be offered Saturday, June 13, in midnight matinee and on Sunday and Monday, June 14 and 15, at regular performance.

Bringing together Wallace Beery, John Boles and Barbara Stanwyck in their first roles together, the new picture is an engrossing story of the adventure that changed the destiny of three nations.

Boles is the hero of "A Message to Garcia." Entrusted with a dispatch to Garcia, somewhere in the tropical interior of Cuba, he sets out with Beery, a crafty, humorous renegade.

In the course of their wanderings, they meet Barbara Stanwyck, whose father has been executed, and who is willing to lead them to Garcia.

Their venture almost fails because of treacherous guides; Miss Stanwyck is wounded in an encounter with the enemy, and left behind by Boles and Beery as they forge ahead to their goal.

The climax of the picture is approached when Beery mistakenly lets Boles fall into a trap laid by Alan Hale, and then leads Garcia's forces in a charge to the rescue, reunites the lovers and brings the story to a happy close.

A rollicking screen story by W. P. Lipscomb and Gene Fowler, and deft direction by George Marshall, are two more reasons why "A Message to Garcia" is a jamboree of unadulterated entertainment.

In the supporting cast, you will see Herbert Mundin in an irresistibly comic cockney characterization; Enrique Acosta, who gives dignity to the role of Garcia, and lovely Mona Barrie as an enemy spy.

"The Ghost Goes West," New Film Featuring Donat, to be Shown Tuesday

Robert Donat, the handsome young English actor who rose to world fame overnight last season when he was brought to Hollywood to play "The Count of Monte Christo," makes his latest appearance in "The Ghost Goes West." Alexander Korda's gay romantic comedy which comes to the Palace Tuesday, June 16, for one day only. Jean Parker and Eugene Pallette head the supporting cast.

Selection of "Miss Ballinger of 1936" is to be made from a group appearing on the stage of the Palace at this performance.

The film story follows the amazing and amusing adventures of a handsome and amiable "spook" who haunts an ancient Scottish castle.

When a wealthy American food merchant named Martin buys the castle from Donald Glourie, the ghost's debt-ridden descendant, and transports it to America stone by stone, the spook goes along. Donat plays the dual role of Donald and the ghost and a series of hilarious situations develop when the ghost suddenly makes his appearance the luxury liner and is mistaken for Donald who is credited with all his strange and unaccountable antics.

The story reaches a surprise comedy climax when Martin who had decided to use the ghost to publicize the grocery business, reverts the ludicrously modernized castle in New York and holds a gala reception to introduce his famous spook to the gentlemen of the press.

Formulas Given For Killing Worms And Grasshoppers

County Agent John A. Barton this week gave out a formula for a spray that will kill the worms infesting pecan and walnut trees in this section. He also added that grasshoppers were beginning to show up in numbers in some fields and gave a formula for killing them.

Mr. Barton said if the leaf worms were not checked they would seriously damage the nut trees.

The following mixture is a three-in-one formula that should be used in a number of cases. This mixture has for its purpose the controlling of the pecan case bearer, the rosette (a disease of the leaves) and killing the worms. It can be used for all three or for each individual disease or insect.

The formula is as follows:
50 gallons of water
3 lbs. of arsenate of lead (white powdered)

1 1/2 lbs. zinc sulphate
5 lbs. lime, slaked in water and strained into spray mixture.

Success in the use of the above mixture is in thoroughly covering the foliage of the trees. For this a power spray is needed, but on small trees a bucket spray can be used.

If one is spraying for worms only, 1 1/2 to 2 lbs. of arsenate is all that is required.

"Grasshoppers can be controlled and prevented from destroying crops when proper measures are applied at the right time," Mr. Barton stated.

The following mixture is applied in the late afternoon, scattered thinly along fence lines, old ditches, grain borders and other places where hoppers are beginning to eat cotton or feed. If poison bran mash is put out as stated above it will not be found in quantities to harm livestock and can even be put on grazing land. Following is the best mixture: 25 lbs. of coarse flaked bran, 1 to 1 1/2 lbs. of white arsenic, 2 quarts of cane, sorghum or blackstrap molasses, 1/2 an ounce of anise oil or 6 lemons (ground), and about 2 to 3 gallons of water to wet the bran so that when crushed in hand it will fall apart when the hand is opened. This 25 pounds will cover about 25 acres if thinly sowed.

Named Speaker of House

Following the sudden and unexpected death of Speaker Joseph W. Byrns, the House of Representatives elected Representative William B. Bankhead (Dem., Ala.) above, to serve as speaker for the remainder of the session, and then recessed out of respect to Mr. Byrns. Bankhead, like Byrns, is a veteran House leader.

BETHEL HOME DEMONSTRATION CLUB

At the school of instruction to reduce the voting body of the short course delegates at A. & M. College, the Bethel home demonstration club voted on each club sending one voting member. The meeting was in the home of Mrs. Irene Zuelke June 4, with eighteen present.

Miss Myra Tankersley, county home demonstration agent, was present and explained the various parts of the State Home Demonstration Association. Each club member who carries on her club work according to the year book programs, completing the club goals, is a member of the state association.

Mrs. Robert Weed and Mrs. W. A. Hall have been selected for short course delegates.

The next regular meeting will be in the home of Mrs. Ernest Koenig, June 18, with a special bread making demonstration by Mrs. Koenig. Each member is urged to be present to complete plans for the group to enter the Ballinger Golden Anniversary parade, June 29.

Mrs. Zeulke served leed punch and cookies.

Mrs. Hatton Laxson is on her annual vacation from the Behringer store this week.

Clark Gable, Myrna Loy and Jean Harlow Starred in Drama

Clark Gable as the husband, Myrna Loy as his wife, and Jean Harlow as the lovely secretary who innocently finds herself in the reluctant role of "the other woman," provides one of the greatest "triangles" in the history of romantic films.

It has been achieved by Metro-Goldwyn-Mayer in the new and popular Faith Baldwin story of modern metropolitan romance, "Wife Versus Secretary," which is to be shown at the Ritz Theatre next Sunday, Monday and Tuesday.

In this new and up-to-date theme, Clark Gable justifies himself as one of three international box-office champions, recently acclaimed by a nation-wide poll of exhibitors. He further proves his ability to make firmer his footing among the stars by stepping from such rugged and vigorous roles as in "Matiny on the Bounty" and "China Seas," with his newest performance as the modern business executive in "Wife Versus Secretary."

Jean Harlow too, departs from her usual types of roles to play Gable's secretary, the sage yet lovely business confidante who eventually prevents the total wreckage of his happy marital life.

As Gable's wife, Myrna Loy displays her ability to portray the ideal screen wife of a man of millions as capably as she did William Powell's sharp-witted spouse in several recent films.

The story is that of Van Sanford, wealthy magazine publisher. As Van, Clark Gable is happily married to Myrna Loy, who never dreams of being jealous of Gable's secretary, Jean Harlow.

Gossip and warning and sly insinuations begin to reach the wife, warning her she should urge her husband to discharge his pretty secretary. When Gable refuses to promote his secretary to a higher executive post, he and his wife have their first quarrel.

The quarrel is patched up and Gable flees to Havana for a rest. While he is away, a big consolidation deal arises. After he has gone the secretary uncovers something her boss must know immediately and follows him to Havana.

Events follow in rapid succession and the end will surprise most of those who witness this splendid drama.

Humor Reigns in Merry Tale of "The Perfect Gentleman"

Humor reigns triumphant in "The Perfect Gentleman," Metro-Goldwyn-Mayer picture to be shown at the Ritz Wednesday and Thursday of next week.

Co-starring Frank Morgan and Cicely Courtneidge, who represent the funniest two entertainers on the continent, the film is said to be a gale of laughter from the opening scene to the last.

Frank Morgan, of course, is that irrepressible old wag of "Naughty Marietta," "Affairs of Cellini" and other films. The same halting lines and hilarious confusion are evident in his role of a down-at-the-heel old army major who becomes a theatrical favorite.

Miss Courtneidge makes her American debut as the music hall artist to whose stardom the major hitches his wagon. Her brand of comedy is fresh and original, immediately explaining her tremendous popularity in England.

Heather Angel and Richard Waring play the romantic leading roles as the major's son and his fiancée. Prominently cast are Uva O'Connor, Herbert Mundin, Forrester Harvey, Mary Forbes, Doris Lloyd and Edward Cooper.

BARTLETT TO START HAVANA TRIP JUNE 30

Maurice Bartlett, employee of the Weeks Drug Store here, will leave June 30 for Havana, Cuba, taking a trip he recently won in a contest selling shaving lotion.

Two weeks ago young Bartlett was advised that he was winner of the grand prize for the state of Texas and that he could have the journey to Havana or the equivalent in cash. After consideration he chose the trip and has been notified that he will leave Ballinger on the above date. Robert ("Smoky") Lusk also received a prize in the contest, being the customer who purchased face lotion from Mr. Bartlett at the specified time, and was awarded a trip to the central Texas Centennial exposition or the money equivalent. He requested the cash and has received a check from the company.

Dr. E. R. Walker is in Temple this week with his daughter, Mrs. Lawrence Boynton, of Midland, who was operated on there Tuesday morning. The latest report was that Mrs. Boynton was doing nicely.

Travelers Checks for Travelers Risks

If you are planning a trip for your summer vacation, your first thought should be for relaxation and enjoyment during that period. Loss or theft of your money can do much to destroy the pleasures you have so eagerly anticipated.

Instead of the risky practice of carrying around large sums in actual cash, or the embarrassment of attempting to cash personal checks away from home, we suggest the use of travelers checks. They are economical, safe, and readily acceptable anywhere. Furthermore, if lost or stolen a refund may be obtained.

Let us supply you with these convenient checks before starting the long-awaited trip.

The First National Bank of Ballinger

Since 1886

TO THE VOTERS ESPECIALLY, AND CITIZENS GENERALLY, OF RUNNELS COUNTY:

After mature deliberation, and careful consideration of the matter, I am offering myself as a candidate for the office of County Attorney of this county. I will state frankly and candidly, that I have previously to the past few weeks, had no intention of again entering politics, but I have always applied the rule of service before self, both in private and public life.

I served this county in the capacity of County Attorney from 1928 to 1934. I have at all times during my tenure of office, tried to carry out the duties of said office, in a fair and impartial manner, without fear or favor to anyone, to the end that the Sovereign Will of the people might be observed and respected. Evidently my earnest and sincere effort in this respect, must have left a favorable impression in the minds of time, which has to a very great extent moulded considerable public opinion and expressions of favor to my policy and methods of administration.

As I take it, my faith in public trust, and my earnest desire to see justice prevail, equally and uniformly to all alike, has prompted numerous citizens, from various walks of endeavor in our county, to solicit me to make the race again for this office. I have declined the offer up to the present time, but feeling that perhaps my services, if elected, could better serve the public, and the several and separate interests of our citizenship as such officer, rather than my personal interests and ambition in private life, has prompted me to seek this important and responsible position.

I have nothing special in platform promises to make, other than I will give my entire time and effort to the carrying out the many, and varied duties imposed by law on this office, and I assure you that I will add, as occasion requires, as many new plans as may be necessary to meet any emergency that may arise. I expect to make punishment for law violators speedy, sure, and certain, and to conduct our courts and investigations, with a minimum of expense to the tax payers of our county.

Should I make any distinction, or departure from general law enforcement, it will be applied to the specific offense of driving automobiles while intoxicated on our public highways, and strict enforcement of prohibition laws. The County Attorney has but very little to do with the enforcement of laws as applied to drunken driving, other than carry their cases before the Grand Jury, but under the present law, he is charged solely with the enforcement of our prohibition law, or at least, with the prosecution of all liquor cases, instead of the District Attorney as heretofore.

In conclusion, I have no criticism of the present incumbent in his work. He has been very nice to me, and I leave the matter of his administration to the people. If his services have not been satisfactory, then I believe that my twenty years of active practice of law, thirteen of which has been devoted to criminal law, and enforcement, will enable me to better serve you, and I will certainly use all of my experience and ability, in an honest effort to fulfill the needs of our citizenship in this respect.

I was prevented in my last campaign, by sickness in my family and other unavoidable misfortunes, in seeing all of you in person. The time is of course even now limited, but I expect to see you before the campaign is over, and I will appreciate not only your vote, but your solicitation and influence in my behalf.

Very truly yours,
ROY L. HILL

Refreshing Relief

When You Need a Laxative
Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. Mr. J. Lester Robinson, well known hardware dealer at Martinsville, Va., writes: "I certainly can recommend Black-Draught as a splendid medicine. I have taken it for constipation and the dull feelings that follow, and have found it very satisfactory."

Epworth Leaguers Meet at Pumphrey; Elect New Officers

The young people's assembly of the Epworth League of the Methodist church in this zone met Tuesday evening at Pumphrey, 119 young people being present from several churches in this county. The program for the evening was presented by the Norton League after which a recreational hour was held and refreshments consisting of ice cream and cake were served.

The following program was presented:
Scripture, Viola Childress
Solo, Richard Call
Poem, "Opportunity," Stewart Setser

Principal talk, "Why the Young People," Willie Mae Gully.

Officers elected for the ensuing quarter are: Henry Mann, president, Winters; Vera Whigham, vice-president, Wingate; Omega Dobbins, secretary, Drasco; and Richard Call, treasurer, Norton.

Churches represented at this meeting were Pumphrey, Norton, Wingate and Drasco.

The new officers issue an invitation to all churches in this section to send representatives to the next meeting even if they are outside this zone.

DR. McCURE TO PREACH FOR METHODISTS SUNDAY

Dr. J. T. McClure, presiding elder of the Brownwood district, will be here Saturday and Sunday to transact business with the local Methodist church and will fill the pulpit at the morning hour Sunday. The public is invited to hear the sermon.

Marjorie Lynn and Mary Lou Creasy will represent the young people of the First Presbyterian Church at the annual encampment at Kerrville. Mrs. Harry Lynn, Miss Dorothy Lynn and Mrs. Bruce Creasy took them there Tuesday and they will remain until the end of the meeting.

Mr. and Mrs. R. W. Earnshaw and son and Mr. and Mrs. J. B. Striplin and son will leave the first of next week for a week's outing on the Randolph ranch near Junction.

Dr. E. H. Boelsche will leave Saturday for Hearne on a short business trip and to visit friends.

Vacation Bible School is Closed; Program Sunday

The second annual daily vacation Bible school conducted at the Eighth Street Presbyterian Church will close tomorrow (Friday) after most successful sessions. According to leaders of the school the children have been most attentive and have learned much during the period.

The closing exercises will be held Sunday morning at the Sunday school hour with a program arranged especially for the children.

At the closing program, the pastor, Rev. W. H. F. Moore, will give an illustrated object talk on "What the Bible is Like." Children of the primary age will render several musical numbers and recite Bible verses.

The intermediate and junior groups will also have a part on the program. Mary Joe Webb will sing a solo; the group will sing songs; and the parable of the talents will be dramatized in costume. The group will also dramatize the parable of the lost coin.

Rev. Moore will preach at the 11 o'clock hour on "The Parable of the Lost Coin."

GOLD DEPOSITS REPORTED FOUND IN NORTH CHINA

TIENSIN, June 10.—Many gold deposits have been found in the demilitarized zone under the East Hopei regime by an exploration party of technicians sent by the Tientsin office of the South Manchuria Railway Company to seek natural resources in north China.

In addition to gold, the party discovered many other mineral deposits, including iron ores, oil and coal. Exploring the great wall area, in search of alluvial gold, the technicians happened upon a deposit not far from Miyun. Encouraged, they conducted more extensive investigations which revealed that this district in the demilitarized zone contains many veins with a fairly large percentage of gold.

Metallurgical and mining experts are now conducting tests of the deposits.

Mr. and Mrs. J. Y. Pearce have gone to Mineral Wells for a two weeks' visit.

Leaf Worms Infest Pecans Hereabouts; Trees Are Sprayed

Pecan trees in this section are being damaged by leaf worms and every person who has trees in his yard or grove is advised to keep a close watch for these worms which struck here last week and gained considerable headway.

Runnels County Pecan Growers' Association officers are assisting in the fight on these parasites. Saturday and the first part of the week an expert was here from San Angelo with a commercial spray to kill the first of this invading "army." Many local citizens listed their trees for treatment and as soon as the first spraying is finished another treatment will be given to kill the eggs and prevent future damage.

These worms work very rapidly and it only requires a few days to completely strip a tree of leaves. These pests showed up here last year in large numbers and did some damage. No signs were observed until last week when practically every pecan grower began to seek aid about the same time.

Small trees can be sprayed with small hand machines and a formula for the mixture can be secured from the county agent or Runnels County Pecan Growers' Association officials.

NORTON BASEBALL TEAM TAKES GLEN COVE HERE

Eight hits and intervals of ragged fielding on the part of the opposition gave the Norton nine a 6 to 3 win over Glen Cove's baseball crew in Fair Park Sunday afternoon.

About 200 fans attended and were kept comfortably cool most of the afternoon as twenty-one batsmen went down swinging. Morgan, young Norton pitcher, registered ten strikeouts, allowing six scattered hits in nine innings. Rucker, starting for Glen Cove, was touched for six blows in six innings and fanned seven. Kemp, who relieved him in the sixth, struck out four and gave up two hits and one run as he finished on the mound for the Coleman county team. Each hurler walked one batter.

The score by innings follows:
 en Cove 000 010 002—3 6 7
 orton 000 104 10x—6 8 3

CORBETT AND WINTERS TRANSFERRED TO OTHER HIGHWAY DISTRICTS

H. H. Corbett and A. E. Winters, both connected with the resident state highway engineer's office here for the past eight years, will leave soon for new positions.

Corbett will take a similar position he has held in the local office with the Gainesville engineering office of the state highway department, and Winters will assume his new duties with the resident engineer at Alpine.

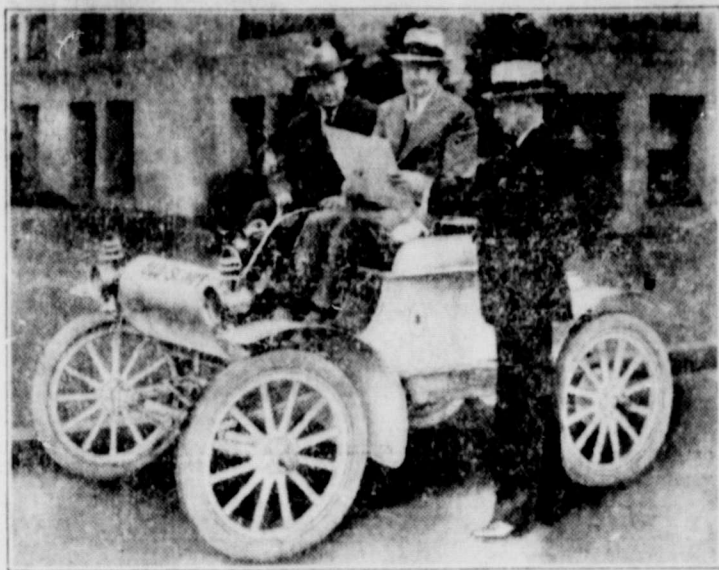

This will leave only D. W. Hooper, resident engineer, and O. N. Powell in the local office.

Mr. and Mrs. C. J. Lynn left Sunday for Dallas to meet Horace Gustavus, who has completed his course at Northwestern University, Chicago, and was en route to Houston to take the state board examination in dentistry.

David Baker is at home from the University of Texas medical school, Galveston, to spend the summer with his parents, Mr. and Mrs. C. L. Baker.

W. B. Currie returned Friday from Rockport, where he had been for the past month.

1901 Car on Its Way to Dallas

Carrying greetings from thousands of members of the Old-mobile organization, a caravan of Old-cars, including this 1901 model, is being driven to the Texas Centennial Exposition opening in Dallas June 6.

Gov. Frank Fitzgerald, of Michigan is shown giving a message of congratulations to D. E. Ralston for delivery to Gov. James V. Allred, of Texas. At the "wheel" is C. L. McUen, Olds president.

High School Football Field To be Lighted and Seated

The Ballinger schools will have a lighted football field next fall with 1,200 comfortable seats. The board of trustees in regular meeting Monday evening voted to authorize the athletic committee to proceed with the work at once and no time will be lost in getting the improvement underway so the field will be ready for the opening of the 1936 season.

This installation will give the Ballinger schools one of the best fields in West Texas with the exception of the seating capacity which will be increased as soon as possible. The athletic committee is composed of A. McGregor, chairman; Albert Fryar and O. C. Sykes.

It was decided to erect 800 seats on the home side of the field and 400 on the visitors' side. The seats will have a concrete foundation with cypress bottoms and will be built for comfort, affording plenty of foot and leg room. They will be installed in units so that additions can be made any time later when funds are available.

Lighting equipment will be supplied by the West Texas Utilities Company and will consist of an eight-pole system with thirty-two reflectors focused on the field. This is considered much better than the ten-pole system with twenty reflectors, which many schools in this section have installed, because it gives a better distribution of light on the playing field. There will be sixteen lights to the side, four on each pole. They will be on separate circuits so one light on each pole can be turned on while the crowd is assembling for the game.

The first row of the bleachers will be several feet above the ground so those standing along the sideline will not interfere with the vision of seated spectators.

The high school team's 1936 schedule includes only two games away from home. One of these is an exhibition contest at Menard, the first of the season, and in the regular district schedule the Bearcats are due to play at Santa Anna this year. All other games have been booked for Ballinger and contracts signed to that effect. At least seven games and perhaps eight will be played here next fall and increased attendance is expected to provide much of the money appropriated for the improvements.

The high school field is well sodded, has ample dressing rooms and shower baths and and the

announced improvements will make it a popular place for all kinds of sports.

BILL MOORE BUYS HOME IN WILKE TERRACE

J. W. (Bill) Moore closed a deal last week in which he purchased a six-room home in Wilke Terrace from R. B. Bigham. Mr. Moore and family will move into their new home this week. The interior has been refinished and the premises otherwise improved.

Crippled Seeds Best Handicaps Like Humans

WASHINGTON, June 10.—How crippled cantaloupe seeds pull themselves together, make more strenuous efforts than their fellows and thus do much better in life than would be expected from their handicap, just as many observers have noticed of crippled and handicapped human beings, is reported in a communication to the Washington Academy of Sciences by Professor Raymond Pearl, of Johns Hopkins University.

As a part of their studies on old age and on the life spans of many kinds of living creatures, Professor Pearl and his associates have been performing surgical operations on living cantaloupe seeds with much the same aseptic methods and other precautions used in operations on human beings.

More or less of the food material stored in the seed is removed leaving the live and growing part of the seed unharmed, much as a surgeon might cut out fat from a human body without damaging any essential organ. These seeds, handicapped by losing part of their normal food supply, then are allowed to grow in pure water, side by side with other seeds still possessing the usual store of food materials. While the crippled seeds may not do quite so well as their unhandicapped brothers and sisters, they do far better than would be expected from the extent of the operation.

Apparently they manage to make better use of the food

resources left to them than they would do had there been no operation. Professor Pearl thinks that this may be a general biological law, which may yield clues to how man himself may "unleash effectively and usefully more of his own energies."

ALFRED ZEDLITZ TO PRACTICE VETERINARY SURGERY HERE

Dr. Alfred Zedlitz will be associated with his father, Dr. R. F. Zedlitz, in the practice of veterinary surgery in this section. He will remain here until he decides on some other location where the prospects are better.

Young Zedlitz finished the veterinary course at A. & M. College with the 1936 class and took the state board examination at the college immediately after graduation. The day following commencement he was given a commission as first lieutenant in the veterinary reserves, U.S. Army.

During his four years in A. & M. College the young man made a splendid scholastic record and took part in many extra-curricular activities. He was a member of the Aggieband Orchestra, one of the most popular musical organizations in the state.

Mrs. Lula Noyes and Mr. and Mrs. Roy Miller came in this week from Orlando, Florida, to visit friends here.

2 Granite Markers Erected in County; Give Historic Data

Two red granite markers have been erected in Runnels county by the state highway department and the Texas Centennial board of control.

One of the markers is located on the Ballinger-Winters highway about a mile from Ballinger at the north end of Hillcrest addition. This marker is on the right-of-way and is in clear view of tourists who travel that way.

This marker is about four feet in height and is mounted on a concrete base. On the front is the seal of the state highway department in bronze. On the top of the marker is a bronze plate telling when the county was organized, some particulars about it, etc.

The other marker is placed southeast of Ballinger at the junction of the Concho and Colorado rivers and marks the site of the old mission San Clemente, which was established in 1683. A suitable inscription, on a bronze tablet, is on the top of this marker.

Mrs. A. H. Hall and granddaughter, Frances de Montmolin, left the first of the week for Waco to visit friends.

Mrs. Ralph Erwin visited her sister at Ranger part of last week.
