State 4-H Club Leader Talks to Boys of County

A meeting held at the court house here last Thursday afternoon brought together all 4-H club officers and adult leaders of the county to confer with J. W. Potts, assistant state club agent. Twenty-one were present at the meeting to hear the A. & M. College extension service leader and to take part in a general discussion of club activities.

At the beginning of the year a goal of 140 club members was set by the leaders in this county and County Agent John A. Barton announced Thursday that 158 have already been signed and 173 demonstrations accepted.

Leaders and club officers voted in the meeting here to hold some type of program for the boys and their fathers as soon as possible. This is being done to develop a closer relationship between the boys and their parents and to increase activities in club work by creating a better understanding by the parents of the real purposes of the club program.

Club program for the remainder of the year will be changed slightly so that members will have parts on every program. The purpose is to develop more leadership among the clubbers and give each boy an opportunity for self-expression.

Mr. Potts complimented the club boys on their recent sheep feeding on a commercial basis. He believes in doing practical things and said the Runnels county undertaking was one of the best he had observed.

A check-up was made at the meeting Thursday of the number of projects signed by individual boys in the various clubs. The following tabulations resulted:

- Cotton, 12
- Maize, 21
- Corn, 4
- Swine, 62
- Beef calves, 10
- Dairy calves, 8
- Sheep, 24
- Chickens, 20
- Turkeys, 2
- Wildlife demonstrations, 10.

There are eleven clubs in the county, at: Hatchel, Crews, Content, Bethel, Blanton, Mazeland, Oak Creek, Barnett, Norton, Olfen and Maverick.

Mr. Barton stated that any boy in the county was eligible to become a 4-H club member and accept a demonstration for the year. If there is not a club in the community the boy can be assigned to a nearby club or carried unassigned. It requires five boys to form a club in any community.

4 Men Seek 2 Places On School Board; Election Saturday

School trustee elections for all districts in Runnels county will be held Saturday. Common school districts have been supplied with tickets, tally sheets and other supplies and election managers were previously named.

Interest is fair in the election in the Ballinger independent district where four men have announced for two places. The voting box will be located at the school board office on Hutchings Avenue, adjoining The Ledger office, and C. R. Stephens has been appointed election manager.

Regular voting hours will be observed and those casting ballots will need their poll tax receipts or may sign affidavits if lost.

One man on the ticket has served on the board heretofore. Henry Doss is standing for reelection after serving a three-year term. He has been chairman of the grounds and building committee and many improvements have been made during his term of office.

The three new candidates are Tom Agnew, Roy L. Hill and W. D. Scales. Agnew was announced several weeks ago by local friends after J. A. Kilough, present member, stated that he would not submit his name for reelection because of other civic work which demands much of his time. Last week the name of Roy L. Hill was properly filed with the secretary, and Saturday the name of W. D. Scales, local manager of The Texas and Palace theatres, was filed.

RABBIT DRIVE ANNOUNCED FOR HARMONY COMMUNITY

Citizens of the Harmony community have announced an all-day rabbit drive on April 4. The hunters will meet at the Harmony school house at 8 o'clock and will start soon after that hour. Dinner will be served at the school house at noon and the hunting will continue in the afternoon. Everyone who likes to hunt is invited to join the drive.

Mr. and Mrs. Price Middleton spent the week-end at San Antonio.

Phillip Evans, student of John Tarleton College, Stephenville, spent the week-end here.

'Stork Special' Wins Close Race to Hospital

When Postmaster William M. Jones of Villa Grove, Ill., found roads closed by floods, he appealed to the Chicago & Eastern Illinois railway to rush his wife, expecting the stork momentarily, to Tuscola where the nearest hospital was located. Having no other equipment handy the division superintendent hooked up this caboose, tender and locomotive and rushed the stricken mother to Tuscola. The baby, a boy, arrived two hours later, attended by Dr. R. W. Taylor, railway physician. Postmaster Jones waves "all's well and thanks" to Engineer William Mercer who piloted the "stork special."

Sewing Institute Is Held for WPA District Officials

The Ballinger sewing room last week finished making clothing for the local Mexican woman who weighs almost 400 pounds and who has gained about 200 pounds in the past three months. Sewing rooms do special work of this kind when occasion demands and provide clothing for relief clients when unusual sizes are not available at the commodity rooms.

Mrs. Kathryn McCollom, area supervisor of professional and service projects, held a training institute for areas No. 40 and 42 at Brady on March 16-17. Methods of teaching training were outlined by the supervisor. The teaching of proper construction of garments and the ability to know when a garment is rightly constructed were topics emphasized.

These methods will be used in all WPA sewing rooms in teaching certified workers. Classes will be arranged in A, B, C and D groups and supervisors will teach construction of seams used in various kinds of garments. This particular type of work will be taught each worker until she is qualified to do it without help, and then more difficult garments will be given her. This instruction period will last for four full pay periods. Individual grade sheets will be kept on each worker to determine her efficiency.

Many workers who have never used a sewing machine and those who have no knowledge of sewing whatever will be given opportunity to learn how to sew. A novel part of the instruction period will be a style show of garments made by workers and modeled by supervisors and superintendents.

Trade training and continued improvement of skill is part of the sewing room program.

50 Young Men is County's Quota of CCC Enlistments

Mrs. Carmen Lawrence, local welfare official, has received the April quota of CCC enlistments for Runnels county. This county will be entitled to furnish 50 boys between the ages of 17 and 25 for the April call which will leave Ballinger on April 6.

Any youth within the age limit, of good moral character and physically fit, and who cannot be given through parents, relatives or other sources the same advantages offered at camps, is entitled to enlist for a six-month period. After serving six months, he can reenlist at the camp for additional time up to three years.

Each young man accepted for this service will be paid \$30 monthly with \$22 of that amount allotted to the parents. At present there are 45 boys from this county serving in camps and the allotments to parents in the county each month total \$990.

Boys working in CCC camps have rendered splendid service in

soil conservation and national park improvement. They are under supervision of army officers, trained engineers and expert teachers. The duty performed by the boys in camp has proved beneficial both from developing the physical side and in an educational way.

Those interested in enlisting are urged to report at once at the Runnels county welfare office in Ballinger to either Mrs. Lawrence or Miss Hassie Price.

Mrs. Lawrence stated Tuesday that youths from any section of the county were eligible to enlist. She added that at this time the quota of fifty would be hard to secure because so many are in school and others helping with farm work. It is not necessary that families be on WPA before boys are eligible and anyone within the age limit who would like to do six months' service is urged to contact a member of the welfare board.

Brady Institute were Mrs. Ida Guion, Mrs. Adeline Harwell and Miss Loretta Wallace.

DOHERTY RECOVERING

George Doherty is recovering in an Odessa hospital from injuries sustained in an automobile accident which occurred last Wednesday night near Monahans. Mr. Doherty's mother, Mrs. H. W. Doherty, returned Sunday from Odessa.

Mrs. Charles Evans returned to Houston Friday, after spending several weeks here in the home of her parents, Mr. and Mrs. W. V. Connelly.

Mrs. Joe Forman left Tuesday for San Angelo to enter a clinic for examination and treatment.

New Olfen School Dedicated Sunday; 800 People Attend

A large crowd assembled at Olfen Sunday afternoon to attend the dedication services for the district's new public school building and confirmation services at St. Boniface Church. It is estimated 800 people were in the church for the religious rites and about 700 remained for the services at the school.

The Most Rev. Robert E. Lucey, bishop of the Amarillo diocese, presided at the confirmation services at the church. In the school dedication program, Rev. G. A. Boeckman, parish priest, presided, and County Superintendent E. C. Grindstaff and Bishop Lucey spoke.

Classwork started in the new school building Monday morning. Study had been continued in the Olfen community hall while the school building was under construction.

The new \$17,600 building, completed March 22, is one of the finest educational plants in Runnels county. The six-room one-story building is fireproof and modern in every detail. It will provide all necessary room for classroom and general assemblies and is convenient and comfortable. All rooms will have perfect light for study and the furnishings are modern. The school owned a number of new arm-chairs which will continue to be used. New teachers' desks and chairs have been purchased and other equipment added that will make the furnishings in keeping with the building.

The building was made possible by a 55 per cent PWA grant and a bond issue voted in the district. John G. Becker, San-Angelo architect, drew the plans for the building and supervised construction for the board of trustees.

H. B. Self, superintendent of the schools at Rising Star, visited here Saturday.

Mrs. Jap Adams, Jr., and son, Billie, left Friday to join Mr. Adams at Seagraves, where they will make home.

State Farm Group Head to Talk Here At Mass Meeting

Cliff H. Day, Plainview "master farmer" and president of the Texas Agricultural Association, is to address a mass meeting of Runnels county farmers and their wives at the court house in Ballinger Saturday afternoon, April 1. The house will be called to order at 2 o'clock.

Every farmer in the county is urged to attend the meeting and hear Mr. Day tell of the rapidly growing organization for Texas farmers which has headquarters at Waco.

This association, according to Mr. Day, is one that is attempting to bring to farmers a greater share of the national income which in turn would enable them to attain that goal of economic security and social justice to which the farmer is rightly entitled.

For the past two months Runnels county farmers have been active in securing memberships in the state association and to date have organized in nine local communities with a total membership of about 250.

In the following communities organizations have either affiliated with the state association or formed local clubs: Oak Creek and Marie, with J. Black, of Marie, president, and Jim McKown, of Oak Creek, secretary; Wilmett, John Ball, president, and W. J. Lampe, secretary; Miles, Fred Balling, president, and A. T. Bratton, secretary; Ballinger, Meade McShan, president, and J. Whit Patterson, secretary; Olfen, Walter Lange, president, and Herbert Lange, secretary; Barnett, Dave Forgy, president, and D. C. Camp, secretary; Crews, F. C. Fuller, president, and Miss Bobbie Estes, secretary; Maverick, A. F. Lee, president, and Mrs. Annie Mc-Auley, secretary; Rowena, Louis Rohmfield, temporary president, and R. M. Curry, temporary secretary; N. S. Wright, of Miles, is temporary president of the county association.

County Judge Paul Trimmer has received information from the state highway department listing projects in this county included on the 1940 secondary program of road building. Among these was nine miles of surfacing on highway No. 109 from Ballinger west on the portion of the Ballinger-Bronte road already graded. The project had the approval of the state highway department and the U. S. bureau of public roads.

The 1940 highway program commences September 1, 1939, and the above notice means that surfacing of the first section of this road will be done between September 1, 1939, and September 1, 1940.

At the present time a WPA project is underway on the portion of this road from one mile west of Valley Creek to the Coke county line. In this contract is a two-mile stretch not included in the separate contract at Oak Creek for the construction of a bridge, relief opening and dirt fills. D. W. Hooper, state resident engineer, has prepared plans for this work and thinks a contract will be let at the April meeting of the state highway commission. Money for building the bridge has already been provided by the commission.

Good progress is being made on highway 109 in Coke county on a contract to finish the road from the Runnels county line to Bronte, where it will connect with other paving.

ATTENDANCE IS GOOD AT OLFEN K. C. MEETING

Regular meeting of St. Boniface council of the Knights of Columbus was held at the Olfen hall Tuesday evening. Attendance was good and an interesting program of business was transacted.

A vote of thanks was extended Wilbert Eggeneyer and all those who worked on the new table presented to the council. Another vote of thanks went to members of the Olfen school board for donating the oak floor from the old school house to the council. A number of improvements will be made in the council chamber in the near future.

It was decided not to hold a meeting on the second Tuesday in April, if the executive committee of the Catholic States League has its meeting at Olfen on that date. J. A. Lange was elected alternate for the grand knight at the convention, and J. J. Fuchs will be alternate for the past grand knight.

The attendance prize was drawn for Joe Kahlig.

WACO BUSINESS MEN PLEASED WITH VISIT

Mayor C. P. Shepherd received a letter this week from L. A. Wilson, general manager of the Waco Chamber of Commerce, expressing appreciation for the fine reception given the Waco visitors in Ballinger last week.

The special train bearing 55 Waco business and professional men was met at Talpa and upon arrival here they were escorted to the court house lawn where arrangements had been made for presenting a short program. Mayor Shepherd extended a welcome to the group and introduced Mr. Wilson who responded and presented entertainment numbers by the boosters.

Ballinger Baptist Church Revival to Begin Sunday

Under the pastoral leadership of Rev. Clarence A. Morton, the Ballinger Baptist Church will launch its annual spring revival Sunday morning, to continue for two full weeks and end Sunday, April 16. Rev. Morton will open the revival, preaching Sunday at 11 a. m. and 7:45 p. m. The evangelist, Dr. C. Y. Dossey, of Dallas, will preach his first sermon Monday evening and will remain until the close of the revival, delivering messages at each service.

Dr. Dossey is one of the outstanding evangelists of this denomination in Texas. His past successes in religious campaigns have made him much sought in this field and his coming to Ballinger has caused much preparation to be made in advance for a great revival.

Special attention has been given to the musical programs for the revival which will be under the direction of Educational Director Gale Dunn. Mr. Dunn will organize a large chorus for the gospel singing and will also feature special music at each service. He will be assisted by Mrs. L. Schermerhorn at the organ and will also use a piano and orchestra part of the time.

Dr. C. Y. Dossey Evangelist

Every resident of Ballinger has an invitation to attend and take part in this series of services and to cooperate in any way possible.

Rev. Morton has announced morning services at 10 o'clock each week day and every evening at 7:45. Announcements will be made of special meetings for groups from time to time during the revival. All services will be held in the church auditorium.

One-Act Play Presented to Students

In a special assembly Wednesday, the Cue and Curtain Club presented its one-act play, "Grandmother Old Style." This was the last production of the year for the Cue and Curtain Club. The cast was as follows:

- Grandma Bowdoin Ann Kiechle
- Grandma Clark Eulalia Nicholson
- Bessie Janie Flynn
- Mildred Mary Simpson
- John Carlos Burnette
- Willie Otis Krempin

The story of a modern family, directed by Mr. Sublett, was a great success. The cast was excellent and the set was particularly good.

Senior Who's Who

Jackson, Willie Frances Wallace—Very distinctive as our only "Mrs." Has a twin sister. Belongs to the Spanish club. For hobbies has music and sewing. It would seem that Mr. Jackson settled the future for "Billie" some time ago. She took home economics, and so she is well prepared to be a good little Mrs.

Morris, Luther—A real Bearcat. Has played high school football three years and played at junior high before that. Goes in for anything athletic. This year in county meet he entered in high jump, broad jump, mile, and high and low hurdles, and brought in quite a few ribbons as high point man. Lives north of town on Elm Creek. Plans to go to San Angelo junior college. All you have to do to find "Luke" is wait around until he laughs.

Parrish, T. H.—Better known as "Sonnie," although the deep dark secret is that he is actually Thomas Hugh Another real Bearcat with two years' service. Goes in for tennis, track and baseball. Belongs to the Spanish club. Plans to go to school—maybe at Southwestern. For further information see Cousin Odena.

Where's That Birdie?

Beatrice, isn't it awful that even a black model A Ford with yellow wheels must be registered?

Boo! There's a bear. Scare you? Scared me.

Won't Boots look cute under peace bond? As cute as when in costume as "Willie."

A marriage in the faculty! Our supply of bachelors is diminishing.

Odena, please wait until in China to do as the Chinese do.

Prices of toothpicks going up due to new use as ammunition.

BIBLE CLASS MEMBERS ENJOY SOCIAL MEETING

Members of the Deas Bible Class of the First Methodist Church enjoyed a social Tuesday night in their classroom at the church. A "Hopkins county stew" with the customary side trimmings provided the menu partaken of by the 100 men present. Two washpots full of the stew were consumed.

A "radio news broadcast" took up most of the program with many "hot" personal jibes being taken at individuals in the audience. The flashes were interrupted by male quartet numbers and a sing-song in which everybody participated.

R. W. Earnshaw, president of the class, took charge at the close of the program, introduced visitors and called for a number of short talks. Responding to calls were Coach Felton Wright, K. V. Northington, George Clements, Jake Adair, John Mansker, H. W. Lynn and Rev. E. D. Landreth.

HAIR DYEING EPIDEMIC HITS RUSSIAN GIRLS

MOSCOW, March 30.—Girls of Russia have developed a craze for new shades of blond hair which they think go well with plucked eyebrows. The hair-dyeing "epidemic" is believed to have been started by a pretty stenographer who arrived at work one day with hair a new shade of yellow and streamlined eyebrows.

Other girls hastened to follow her example. A Communist newspaper has just protested that young Russian women desire to become platinum blondes. Of sixteen different shades of platinum blond which Russian hairdressers are producing, No. 16, resembling the yoke of a rotten egg, is the most popular. Next in order is shade No. 12, pinkish-yellow tint.

Spring Football Training Starts With Squad of 30

Spring football training for the Ballinger high school team got underway in a big way Monday afternoon when a squad of thirty reported to Coaches Felton Wright and Paul Gibbs for six weeks' work. Suits were issued to all candidates and new blocking pads were fitted to the players.

The school is providing shoes for all players and all are being fitted with the proper shoes for spring training. It was too early this week to tell just what the prospects are and several students are not out for training who were being expected to have a big part in the line play next year.

The two big prospective tackles, Loika and Mountz, have not reported to the coaches and it is doubtful if they are in spring training at all. Coaches were expecting to mould these two fellows, who tip the scales at better than 200 pounds each, into two of the best tackles in the district and their loss will be keenly felt. Baker, a fine prospect in the backfield, is also at work and not in training.

Limbering up for part of the squad started last week and Monday afternoon all track men reported for football training. Three veteran ends, Hyars, Coleman and Long, were at work this week.

In the backfield are Cox, Gibbs and Kopecky, who have experience, besides several new recruits and several boys from the junior high team of last year. Alvin Bell is out at center and is opposed by several promising youngsters. Coaches are pleased with the looks of the crew but have no comments to make until after more work is done.

NATIVES OF BASUTOLAND AGAINST PAROLE SYSTEM

BASUTOLAND, Union of South Africa, Mar. 30.—Natives are protesting that the European courts are showing too much leniency in punishing criminals. They especially dislike the parole system. Native leaders declare that many convicted persons are no longer sent to jail, but are let loose again among the people of their tribes.

"In former years, when the government punished a prisoner," said one Basuto leader in Maseru, "his family took him back and his punishment was over, but now when suspended punishment is inflicted the prisoner's family refuses to take him back, which results in much strife and quarrelling."

Beef may be cooked rare, medium, or well done, it may be served as steaks, roasts, or stews, the cut may be one that is skillfully taken from the choicest spot on a quality carcass, or hacked with a dull knife from the neck of a poor one—but all beef is good food if properly cooked.

Report to Housewives by the Pea Canners of America

This past year was the best year for peas we have ever known. Even the old-timers in our business can't remember a better one. It's a vintage of vintage years. We are offering some real bargains in these better peas because it was a bumper crop. A lot of money buys a lot more peas—and better ones.

How Smart Are You About Peas?

If you can answer 5 out of the 7 questions correctly, you're an expert on peas. If you serve lots of canned peas this year, you're an expert on how to feed your family well with economy.

1. How many people will a No. 2 can of peas serve?
2. What is the liquid in a can of peas?
3. What food values have canned peas?
4. Have canned peas the same nutritive value as fresh peas?
5. What is the difference between Alaskas and Sweet's?
6. May canned peas be left in an open can?
7. Do canned peas need further cooking before using?

Gilligan-Thornbury Nuptials in Temple Friday

The marriage of Miss LaNere Thornbury of Austin and Gurthall Gilligan was quietly solemnized at the First Methodist Church in Temple last Friday evening at eight o'clock with the Rev. J. W. Black, formerly pastor of the Shettles Memorial Methodist Church in Austin and a long time friend of both the bride and groom, officiating clergyman for the single ring service.

The only attendant was the bride's sister, Mrs. R. E. Kennerly of Austin.

The bride wore an early spring

costume suit of light weight navy wool with navy and white accessories. Her corsage was fashioned of blue and pink corn flowers and lace fern.

Mrs. Gilligan is the youngest daughter of the late Mr. and Mrs. A. A. Thornbury. She is a graduate of Austin High School and of the Seton School of Nursing, where she was a supervisor.

Mr. Gilligan is the son of Mr. and Mrs. Orlie Gilligan of Linton, Indiana. He is also a graduate of Austin High School. He attended Hardin-Simmons University in Abilene and the University of Indiana before he received his

degree from Texas Technological College in Lubbock. He came to Ballinger more than a year ago as director of the Ballinger High School Band and instructor of band music in the schools.

The young couple is at home at the Higginbotham apartments on Park Avenue following a brief honeymoon trip.

Band Shower for Gilligans

When Mr. and Mrs. Gurthall Gilligan returned to Ballinger last Saturday they found a large array of beautiful gifts on the dining room table from members of the band.

Installation of New Auxiliary Officers

Mrs. E. W. Stasney, who begins her second year as president of the Woman's Auxiliary of the First Presbyterian Church, directed a "Service of Praise" preceding formal installation of recently elected officers by the Rev. Dwight A. Sharpe, church pastor, on Monday afternoon in the church basement on Broadway.

A profusion of varied spring blooms provided a beautiful setting for the impressive consecration service. Reports from outgoing officers were given in the form of challenges to their successors. Mrs. Stasney gave a post-view and a preview of the year past and the year ahead. All charges by Mr. Sharpe and officers' responses were given in Scripture. Mrs. Alex McGregor sang "My Task" by Ashford with Mrs. Estes Lynn at the piano.

Mrs. W. B. Woody, Mrs. M. C. Smith and Mrs. Sharpe were hostesses during the social hour and served a molded salad with wafers, cookies and iced tea to: Mmes. Stasney, Lynn, A. McGregor, Alex Saunders, L. J. Campbell, Harry Lynn, George Holman, C. R. Stephens, Neil McAlpine, M. E. Boggess, Paul Trimmer, John Sutt, Tom Hill, J. C. Sturges, Jr., Victor Miller, P. A. Cobden, Jack McGregor, E. A. Trail, F. M. Pearce, and Rev. Sharpe.

First Presbyterian Church Host to Workers

The First Presbyterian Church was host last Friday evening to the general Sunday school superintendents and departmental superintendents in the Brown-wood Presbytery.

IN THE WINK OF AN EYE

The natural or reflex wink of an eye lasts from 1/5 to 1/4 of a second, according to measurements taken by eye-movement photography under the supervision of Dr. J. F. Neumüller, Southbridge, Mass. The sly wink lasts from 3/5 to 1/2 second.

An Italian spaghetti supper was served preceding the formal program with the following members of the Woman's Auxiliary in charge: Mmes. E. W. Stasney, Paul Trimmer, H. W. Lynn, Bruce Creasy, Jack McGregor, George Holman, John Hollingsworth, Misses Teddy Wardlaw and Laura Edith Miller.

Methodist Circles in Socials

Etta Burrows Circle members of the Methodist Missionary Society were entertained by Mrs. Davis R. Hall, Mrs. W. F. Mason and Mrs. Wilbur Redwine in the Redwine home on Ninth Street Monday afternoon. The Etta Gressett Circle was entertained by Mrs. John Weeks and Mrs. R. W. Earnshaw in the Earnshaw home in Wilke Terrace. Mrs. Fred Middleton and Mrs. Henry Moody were hostesses to the Sallie Odom Circle in the W. E. Middleton home on Tenth Street.

Purple and white iris, lilac and peach blossoms gave floral attractiveness to these homes.

The second chapter in the new mission study, "The Church Takes Root in India," on "Changing Tempo" were given by Mrs. Redwine, Mrs. J. M. Skinner and Mrs. Roy Miller.

The Easter idea was given emphasis in refreshment plates.

Present in the three homes besides the hostesses were: Mmes. Skinner, Miller, Tom Caudle, Cecil Jones, W. W. Chastain, Troy Simpson, C. P. Shepherd, D. C. Simpson, Ford Taylor, Cal Adair, Viola Allison, Gerald Black, Jack Nixon, Sr., W. J. Morrison, J. B. Striplin, E. C. Baskin, O. R. O'Neill, T. M. Marsh, Tom Agnew, E. C. Tinsley, E. D. Landreth, Wilson Middleton, U. W. Johnson, W. O. Middleton, G. R. Causey, Ray Tisdale and H. G. Agnew.

Mrs. Foy Entertains Ladies' Aid

Members of the First Christian Ladies' Aid enjoyed an afternoon spent in doing handwork as preparation for their annual bazaar in the home of Mrs. M. A. Foy on Sixth Street on Monday.

Lilac blooms graced rooms and a salad plate with iced tea was served by the hostess assisted by Mrs. Roy Kump and Mrs. Marvin Clark to: Mmes. J. R. Lusk, B. W. Plucher, Claude Wilmet, T. H. Chancy, Oscar Pearson, Frank Atwell, O. P. Dorsey, James Hargett, Wallace Jones, A. B. Stobaugh; Misses Lula McElroy, Nan Kevil and Agnes Glover.

Tacky Party for Althean Class

Mmes. Ray Halstead, Lee Sykes, Everett Witter and Royal Bishop were joint hostesses to the Baptist Althean Class Tuesday evening, entertaining with a tacky party in the church parlors on Eighth Street.

Appropriate games were played. Mrs. Ruth Bankston and Mrs. Clemmie Barnes received trophies for "tackiest" first and second places.

Red soda pop and doughnuts were served in brown paper bags from which a tiny chick protruded.

Others present were: Mmes. B. C. Kirk, C. W. Jennings, Hugh Parrish, L. R. Tigner, Fred Holliday, Freeman Owen, Guy Lively, L. B. Rudder, R. E. White, Henry Doss, Hubert Parrish, Bert Melton and Robert Lowry.

Gwen Morgan is Hostess

'Honolulu' Brings Eleanor Powell in Latest Dances

Dancing, singing, romance and laughs are represented by the top-notchers in their respective fields in the star-packed cast of the new M-G-M musical, "Honolulu," which opens at the Ritz Theatre Saturday midnight in special preview, and continues in regular showings Sunday, Monday and Tuesday, April 2-3-4.

Eleanor Powell, the screen's renowned "queen of taps," handles the dancing end of the lavish new picture, with the other headliners composed of Robert Young and the inimitable comedy team of Burns and Allen. Prominent supporting parts are filled by Rita Johnson, Clarence Kolb, Jo Ann Sagers, Ann Morris, Cliff Clark, Willie Fung, Edward Gargan, Sig Ruman, Eddie Anderson, Keoloha Holt, Ruth Hussey and Edgar Dearing.

Miss Powell introduces three specialties: "Hymn to the Sun," a tap hula, based on the traditional

Hawaiian dance; an imitation of Bill Robinson's entertaining stair dance, and a tap dance done with a skipping robe.

Scenes range from Hawaii to Broadway, with some on shipboard, and the musical numbers balance Miss Powell's dance. The work of the noted song-writing team of Harry Warren and Gus Kahn, they include "This Night Will Be My Souvenir," "The Leader Doesn't Like Music" and "Honolulu," the latter sung by Gracie Allen.

The story concerns a screen star, impersonated by Young, who wears of the Hollywood routine and wants to get away for a rest. On a big "opening night" he encounters his opportunity when a Hawaiian planter, who closely resembles him, is mobbed by autograph fiends in the theatre lobby.

The actor arranges with the visitor for an exchange of personalities and the chap agrees

'Made for Each Other' Contest to be Conducted

A one month's pass to the new Texas Theatre is to be first prize in the "Made for Each Other" contest being conducted for school children of Ballinger and surrounding territory by the Palace Theatre.

All any student need do to receive a pass to see Carole Lombard and James Stewart in the new picture, "Made for Each Other," is to list as many as twenty-five combinations of things that were made for each other such as "sugar and cream," "salt and pepper," etc., in short any two things that one automatically makes you think of the other. To the student submitting the longest list of "Made for Each Other" combinations will go a one month's pass to the new Texas and a two weeks' pass is posted for the second place winner. The lists must be presented at the Palace box office some time Monday and will be honored with a pass at the time of presentation.

"Made for Each Other," starring Miss Lombard and Stewart, which is coming to the Palace in mid-night preview Saturday night and regular showings Sunday and Monday, is the down-to-earth tale of a young married couple's love for each other and their fight for happiness against all odds. It is a flaming drama of marriage on a shoestring and two hearts against the world asking only a chance to live their own life. Carole Lombard, long known as a comedienne, is playing her first serious role in such a manner as to make one

almost too readily. The deal is made and Young heads for Honolulu, while the planter continues to impersonate the star.

Aboard ship, Young meets Eleanor Powell, a cabaret dancer, and, of course, falls in love with her. The complications become serious in Hawaii when he learns that he is wanted there for embezzlement and also is engaged to a girl he never saw. Both the missing money and the girl rightfully are the worries of his double, who is somewhere in the States.

The confusion is finally straightened out when the planter is induced to return to the island,

wonder why they have kept her out of dramatic portrayals, while James Stewart has been a star since his first picture.

The story introduces to Jane and Johnny Mason, a young couple deeply in love. Marriage follows a whirlwind courtship, and although the sweethearts are dedicated to the proposition that they are "made for each other," the usual family trouble occurs. The climax takes place with a daredevil pilot making a 3,000-mile flight in a blizzard to save their baby's life.

"Sweeps" Film Plots Fate of Prize-Winners

The experiences undergone by a madcap American family when the father "strikes it rich" in the sweepstakes is made the subject of a merry screen farce in "Sudden Money," Paramount's newest Charlie Ruggles comedy, which is to be shown at the Palace Theatre on Tuesday and Wednesday of next week, April 4 and 5.

Prominent character players have been selected to support Ruggles and Marjorie Rameau in the unusual roles. Charles Grapevin, last seen in "Artists and Models Abroad," plays a good-humored and lovable old grandfather. Broderick Crawford, who made a big hit on Broadway a season ago in "Of Mice and Men," plays the gambling-mad brother-in-law. Evelyn Keyes, as the socially-ambitious daughter, shares the romantic interest with handsome young Philip Warren. Billy Lee also figures prominently.

CREWS SCHOOL NEWS

By Beatrix Kelly
The Drasco Methodist church brought a play to Crews entitled "The Path Across the Hills." It was very much enjoyed by all who attended.

Crews school students entered a number of contests in the county meet the past week-end. In declamation Bradley Pape won first in the county; Ariene Schwartz, second in B class; Florene Berry, second place; Lavania Faubion, second place; and R. J. Fortson, second place.

The picture memory contest was won by Crews. Those contesting in this event were: Paul Kelly, Dovie Mae Boatright, Charles Campbell, Waldene Schwartz. A gold cup was awarded the winner. Donnella Kelly won third place in ready writing.

Doris King and Gladys Colom won first place in B class in debating. Miles contestants beat them for county.

Winnifred Fuller won second place in extemporaneous speaking. The Crews choral club won second place.

The Content school invited Crews over last Tuesday night, March 21. Rehearsals were held for the rhythm bands and choral clubs. In spelling, arithmetic, debating, and declamation.

The track teams went to Ballinger Saturday on account of muddy fields at Winters. It will be impossible to give all places won by the Crews track boys, but Mr. Gassiot has reported more points were won this year than in several years.

The baseball teams expect to meet at Winters April 1.

Baccalaureate To be Preached By San Antonian

Dr. D. R. Lindley, pastor of the Central Christian Church of San Antonio, has accepted an invitation to deliver the baccalaureate sermon to the senior class of the Ballinger high school Sunday, May 14. Acting Superintendent George E. Stowe made this announcement Monday following the acceptance received Sunday.

This completes the speaker list for the commencement programs to be held this year and other numbers on the programs will be arranged and announcements of the completed programs made at an early date. Mr. Stowe said all the programs would be short and made as attractive as possible.

Ernest Sublett, director of the senior class play for Monday evening, May 15, has selected "Arizona Cowboy," a three-act comedy, and will begin choosing the cast from the class this week. The group taking part in the play will consist of seven boys and five girls and numerous seniors who have sought roles in the production will be given try-outs this week.

Rev. E. D. Landreth, pastor of the First Methodist Church, will address the graduating class at the junior high school Thursday night, May 18. For the principal address at the senior graduation program, William George Gilks, head of the Salvation Army in Texas and chaplain of the American Legion, state department, has accepted an invitation. Major Gilks is a noted speaker and well informed on international affairs. He will be entertained while here by members of the local post of the American Legion.

All commencement programs with the exception of the senior class play will be free to the public. Proceeds from the small admission to be charged for the play will be used to defray the expenses of all 1939 commencement programs.

HOUSTON COUPLE WED HERE

Citation by Publication THE STATE OF TEXAS To the Sheriff or any Constable of Runnels County, Texas— Greeting:

You are hereby commanded to summon A. C. Woodruff, who is a non-resident of this State, and Robert D. Wade, who is absent from this State, and whose residence is unknown, to appear at the next regular term of the District Court of Runnels County, Texas, to be held at the court-house thereof in the city of Ballinger, on the 4th Monday of April, A. D. 1939, then and there to answer the first amended original answer and crossaction of Gulf, Colorado & Santa Fe Railway Company, filed in the said court on the 12th day of April, 1938, in a suit the file number of which is 4357, in which suit C. P. Shepherd is plaintiff, and Gulf, Colorado & Santa Fe Railway Company, the Concho, San Saba & Llano Valley Railroad Company, Robert D. Wade, A. C. Woodruff, Shattuck National Bank of Shattuck, Oklahoma, Continental Oil Company, R. S. Houston, I. W. Smith, J. N. Key, C. P. Clifton, J. W. Goodwin and Massachusetts Bonding and Insurance Company are defendants; the cause of action being alleged in defendant, Gulf, Colorado & Santa Fe Railway Company's first amended original answer and crossaction as follows:

The admission of the execution of a contract between said Railway Company and Robert D. Wade and A. C. Woodruff, partners composing the firm of Wade & Woodruff, dated May 5, 1937, under which Wade and Woodruff agreed to furnish labor, fuel, supplies, tools and equipment to take up and dismantle approximately seventeen miles of railroad for defendant Railway Company, located in Runnels and Concho counties, Texas, for a consideration of \$5,323.40; the breach and abandonment of said contract by Wade & Woodruff, the completion of work by Defendant Railway under the terms of said contract; demands made on Defendant Railway by various and sundry laborers under said Wade & Woodruff for payment of wages earned, aggregating in excess of the contract price for said work; the present holding by defendant Railway Company of \$2,844.76, due some person under the aforesaid contract, holding the same under the provisions of said contract to indemnify itself against possible claims of laborers, material men or sub-contractors, and to pay the balance thereof directly to laborers, material men and sub-contractors of said Wade & Woodruff; that Wade & Woodruff as principal and Massachusetts Bonding & Insurance Company as surety, on or about May 5, 1937, executed to Gulf, Colorado & Santa Fe Railway Company a bond in the penal sum of \$5,000.00, guaranteeing to said Railway Company the faithful performance of said contract by Wade & Woodruff, and guaranteeing the prompt payment

by Wade & Woodruff to all laborers, employees, sub-contractors and materialmen, and indemnifying defendant Gulf, Colorado & Santa Fe Railway of any liens of said laborers, employees, materialmen and sub-contractors, of Wade & Woodruff; seeking to have the court determine and pay over to the rightful owners said sum of \$2,844.76, and to cut off, terminate and relieve Gulf, Colorado & Santa Fe Railway Company of any claim to said fund which might be made by Robert D. Wade and A. C. Woodruff, and seeking to recover against Robert D. Wade and A. C. Woodruff, as principal, and Massachusetts Bonding & Insurance Company as surety, any excess, if any, over \$2,844.76, which plaintiff may recover against Gulf, Colorado & Santa Fe Railway Company.

You are commanded to so summon said defendants, A. C. Woodruff and R. D. Wade, and both of them, and to serve this citation, by making publication of this citation once in each week for four consecutive weeks previous to the return thereof, in some newspaper published in your County; but if there be no newspaper published in said County, then in any newspaper published in the nearest County where a newspaper is published.

HEREIN FAIL NOT, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

APRIL 15 IS LAST DATE TO SIGN WORK SHEETS

COLLEGE STATION, March 29.—The AAA has set April 15 as the last date on which Texas farmers and ranchmen can sign "work sheets" and thereby indicate that they intend to apply this fall for payment in connection with the 1939 agricultural conservation program.

Set according to recommendation by the state agricultural conservation committee, the deadline is a month earlier than last year's final sign-up date, and applies mainly to operators who did not receive payments in connection with the programs of 1937 or 1938. E. N. Holmgreen, state administrator of the AAA, explained.

Holmgreen said the advanced deadline is possible because acreage allotments this year were distributed much earlier than ever before, this being the first time in the history of the farm program that allotments are reaching Texas producers, generally, ahead of planting time. It has been estimated at Texas A. & M. College headquarters of the AAA that cash benefits to Texas farmers and ranchmen who

take part in this year's program will exceed \$90,000,000.

County Winners Listed for District Meet April 14-15

A large number of Runnels county students will go to San Angelo April 14 and 15 to take part in the district interscholastic league meet. Winners from county meets in this district will assemble there to narrow the race down for the regional meet.

The program shows tennis and volleyball preliminaries will start on April 15 and if possible all contests will be completed that day. Saturday, April 15, literary events will be held at the high school and track and field events at the athletic field. Preliminaries will begin in track and field events at 10 a. m. with finals starting at 1 p. m.

The one-act play contests is scheduled to commence at 4 o'clock Saturday afternoon and finals will be held that evening, starting at 8 o'clock. Ballinger players will take part in this contest and expect to attain the finals.

Ernest Sublett is polishing the play, "Grandma, Old Style," and expects to make a number of improvements over the presentation here last Thursday evening when the cast won in the county meet.

About a dozen Ballinger track men will also take part in the district meet after winning places here Saturday. Luther Morris was high point man in the county meet, winning 23 points. Others to go to San Angelo are: Douglas Cox, Gordon Powers, Bill Sykes, "Pinky" Byers, Sterling Childress, Wesley Gibbs, Hugh Parrish and Sam Wellhausen.

The Runnels county interscholastic meet for class A and class B high schools and class A and B ward schools was not completed the past week-end and events will be continued at Winters this week-end. Due to a heavy rain at Winters last Friday night, tennis, volleyball and track and field events were switched to Ballinger Saturday but so many entries made it impossible to complete the meet.

Supt. E. D. Stringer, of the Winters schools, who is director general of the meet, stated that tennis would be continued at Winters tomorrow (Friday) afternoon and that all day Saturday would be devoted to playground ball. The meet has grown to such size that it is impossible to hold all events on two week-ends.

Literary events were finished at Winters Friday and Saturday with the Winters school leading. Ballinger second, and Miles third. Track and field contests were held at Ballinger Saturday with Ballinger winning first place, Winters second, and Miles third. The winner of the meet as to total number of points cannot be determined until after tennis and playground ball finals are played this week-end.

The track and field events attracted a large crowd here Saturday and events were run off in fast order with several new records being established. Following is a report on all events for

880-yard run—Treadway, Miles; W. Lacy, Winters; Welhausen, Ballinger. Time 2:14.1.

Javelin—R. L. Wood, Winters; Cox, Ballinger; Bronson, Miles. Distance 143 feet 3 inches.

Mile run—Morris, Ballinger; Powers, Ballinger; Gotcher, Miles. Time 5:26.5.

Broad jump—Morris, Ballinger; Wood, Winters; Burrell, Miles. Distance 20 feet 1 inch.

High jump—Byars, Ballinger; Morris, Ballinger; Holliday, Winters. 5 feet 8 inches.

Relay—Ballinger; Winters; Miles. Time 3:47.

The Ballinger junior high school competed in the section for class B high school juniors. Results in this section were as follows:

Broad jump—Stewart, Norton; Compton, Norton; Morrison, Ballinger. Distance 15 feet 7 inches.

440 relay—Norton; Crews; Ballinger. Time 54.7.

High jump—Hancock, Wingate; Clifton of Norton and Mapes of Bethel tied for second; Taylor, Norton. Height 5 feet 1 inch.

Pull-up—Mathis, Crews; Loika, Bethel; Lampe, Bethel. 40 times.

50-yard dash—Clifton, Norton; Stewart, Norton; Morrison, Ballinger. Time 6.4.

100-yard dash—Compton, Norton; Morrison, Ballinger; Loika, Bethel.

In the class B senior high school division Crews led for first place with Norton second and Wingate third. Faubion, of Crews, was high point man in the meet.

Mrs. Stallings Compliments Miss Wardlaw

Mrs. Leonard Stallings entertained with a prettily appointed dessert luncheon Wednesday afternoon for Miss Teddie Wardlaw.

Iris and lilac blossoms gave floral adornment to the living room and the lily motif with a green and white color combination was used in the dining room. Lily ice cream molds, cakes iced in white with lily decoration, and coffee were served. A doll bride in white satin gown and tulle veil and tall white tapered the buffet and a large lily was the table centerpiece. This was later presented the bride by high score winner. Miss Wardlaw received a gift of crystal and Mrs. M. B. Wardlaw won the high cut trophy.

Miss Florence Westbrook was leader of the program on "Medieval Drama." Mrs. Wallace Jones assisted and Mrs. Fred Taylor conducted the English drill.

A plate of angel cake and sherbet and Easter baskets of mints with pansy corsages was passed.

Club in Baker Home

Mrs. Leslie Baker entertained the Wednesday Contract Club on Friday afternoon of last week in her home on Eighth Street.

A large Easter nest filled with bunnies, chicks and eggs formed a centerpiece for the dining room table and smaller nests marked places. A salad course was served with coffee preceding games in which Mrs. R. J. Hawk was high score winner.

Others included: Mmes. John Stitt, M. S. Patrick, Henry Dowd, Rose Marchison, Hill Hampton, Tommie Hall, Jack Holt, C. W. Cheslham, and Miss Virginia Holman.

"Fanny Women" is Shakespeare Club Subject

In continuing the series of programs on wit and humor, "Fanny Women" was the theme for last week's meeting of the Shakespeare Club on Thursday afternoon at the Carnegie Library building on Eighth Street.

Quotations from Robert Quillen's "Aunt Het" were given in answer to roll call. Women humorists discussed were Cornelia Otis Skinner, by Mrs. John Stitt; Mary Roberts Rinehart, by Mrs. J. R. Striplin; Dorothy Parker, by Mrs.

E. C. Baskin; Emily Dickinson, by Mrs. Clarence Morton; and Edna St. Vincent Millay, by Mrs. P. C. Miller.

No-Hostess Affair Compliments Miss Wardlaw

Miss Teddie Wardlaw, bride-elect of Jack Williams of San Diego, was honoree last Thursday evening at a no-hostess affair given by the Thursday Contract Club in the home of Mr. and Mrs. Henry Jones on Broadway. The deep tones of the bride's chosen colors of orchid and pink were featured in room decorations. Red bud blossoms in a crystal bowl on reflector and rose tapers centered the lace-laid dining room table where supper was served buffet style preceding games of contract. Small cut glass baskets filled with violets were centerpieces for quartet tables where violet corsages were attached to name cards. A club gift of Pickard china and a shower of handkerchiefs went to Miss Wardlaw.

Others included: Mmes. Tom Guin, Jack Seales, Sam Malone, J. C. Hollingsworth, Herbert Sledge, Misses Louise Batts and Dorothy Lynn.

Supper for County Doctors

The Rannels County Medical Association held its regular meeting at the Central Hotel last Friday evening following a supper for members and guests served in the banquet room. Dr. W. D. Anderson and Dr. H. M. Anderson from Sanatorium were the main speakers and discussed the treatment of tuberculosis.

A woman's auxiliary was organized with Mrs. Mary Fuller of Ballinger as president and Mrs. T. V. Jennings of Winters as secretary.

The three-course supper was served on one long table decorated with potted hydrangeas to Dr. and Mrs. J. W. Dixon and Dr. and Mrs. Jennings of Winters; the Drs. Anderson of Sanatorium; Dr. and Mrs. Oren Chandler, Dr. and Mrs. J. G. Douglass, Dr. and Mrs. O. R. Lasater, Dr. and Mrs. W. B. Hailer, Dr. and Mrs. Charles Bailey, Drs. F. M. Hale and J. W. Thorp, Harris Lovelace, Jack Fry and Harold Bennetfield.

Art Exhibit Well Attended

Patronesses of the art exhibit given on Thursday and Friday afternoons of last week in the City Hall auditorium felt well paid for their efforts in the great interest shown. The exhibit represented the very best in Texas art and was a part of the all-American show in New York city last summer. The styles were conservative, realistic and modernistic, and showed the greatest variety of handling paint of any exhibit shown here. The pictures included portraits, landscapes and still life all in oils. Kay Lawrence's "Overpass," which was an oil painting

handled as a water color, was the most generally admired. Especially enjoyable and instructive were the analyses of the pictures given by Mrs. Harry Thomson.

Fellowship Class Has Benefit Party

The main dining room and banquet room of the Central Hotel were in gala attire for the successful benefit forty-two and Chinese checker party given by the Methodist Fellowship Class last Friday evening.

Mrs. Price Middleton sang a group of popular numbers and Winnie Merle Adair gave a tap dance. Mrs. Wilbur Redwine played accompaniments and also a group of piano selections.

A plate of sandwiches and cookies was served with spiced tea by class members. Mrs. J. G. Douglass is teacher.

Miss Miller Names Miss Wardlaw Guest of Honor

Miss Laura Edith Miller was assisted by her mother, Mrs. Victor Miller, in entertaining last Friday afternoon to honor Miss Teddie Wardlaw.

A profusion of varied spring blossoms in the pastel color tones were given vantage placings about spacious reception rooms where tulips, in art, adorned tallies for games of forty-two and contract.

A frozen saiad plate with fruit punch and heart-shaped cakes iced in orchid and pink was passed at the tea hour. Prizes for high and low scores and a gift of orchid and pink linens went to Miss Wardlaw.

Others included: Mmes. M. B. Wardlaw, Tommie Hall, E. W. Stasney, J. G. Douglass, Dwight Sharpe, O. R. Lasater, Paul Trimmer, H. W. Lynn, Estes Lynn, Jack Seales, John Hollingsworth, Sam Malone, Jr., Tom Guin, Tom Gregg, Tom Agnew, A. J. Thorp, W. B. Woody, F. M. Pearce, C. S. Miller, Pyrie Gustavus, F. C. Dickey, C. R. Dickinson and Mrs. Henry Moody are attending the annual Central Texas Conference of the Woman's Missionary Society meeting in Brownwood. The sessions began Tuesday morning and are concluding today (Thursday).

Funderburk-Embry Wedding Announced

The March 19 marriage of Miss Kathleen Embry and Howard A. Funderburk of Palestine, has been announced.

The wedding was solemnized in the home of the groom's parents, the Rev. and Mrs. H. C. Funderburk, in Neches, with the Rev. Mr. Funderburk, a Baptist minister, reading the ring service in the presence of relatives and close friends.

The bride wore a Nile green taffeta ensemble with British tan accessories. She is the daughter of Mr. and Mrs. Dick Embry and attended San Angelo College following her graduation from high school here in 1937.

Mr. Funderburk, also a 1937 graduate, is employed in a department store in Palestine.

W. W. Embry and Mrs. J. A. Sellers, grandfather and aunt of the bride, accompanied her to McGregor, where they were met by Mr. Funderburk, Mrs. B. H. Jones and Mr. and Mrs. C. L. Rogers of Palestine.

SYNOPSIS OF THE PLAY

It is a story of three Knight brothers who all loved the same girl. This did not dim their brotherly affection, so they conducted their courting under a gentleman's agreement. The schemes to keep the letter of the plan, and still try to gain an advantage, lead to the numerous laughable situations.

THE TIME

Little Doctor of Collander Goes Visiting

Dr. Allan Dafeo, physician and one of the guardians of the Dionne quintuplets of Collander, Ont., took time off from his recent visit to Dulawa to call upon Canada's newest triplets, the Birn sisters, in the Grace hospital. They were born December 7, 1938. Left to right they are Gladys, Grace and Gail.

Ballinger Mexican Woman May Go to World's Fairs

Maria Garcia, 400-pound Mexican woman who has gained 200 pounds since Christmas, is receiving "fan mail" from every section of the United States since publicity was recently sent out from here and her picture printed in many newspapers.

The most startling mail received opens negotiations for an appearance at both the San Francisco and New York world fairs this summer. Nothing definite has been done on the offers but contracts are being prepared and will be submitted to promoters at once which may develop into employment for the Ballinger woman this summer.

Letters come in every mail and this week the little daughter of Mrs. Garcia received a box of clothing from Elgin, Illinois, and another box will come later for the mother when information

Beddo Oil Test is Down 1,200 Feet; Another Located

One oil test was underway in Runnels county today and a slush pit had been dug for another which will be spudded soon on the Fred Pruser farm in the Dale community.

Drilling of the Homer Price-J. C. Beddo No. 2 was proceeding below 1,200 feet at noon today and regular tours are being employed. Pipe has not been run in the hole to date.

This test will thoroughly explore the Serratt sand encountered in other wells on this farm around 2,200 feet. Two other tests in the vicinity were drilled to the Palo Pinto lime, one producing oil and gas, and the other failing to produce.

The firm of Hill & Omahandro, of Wichita Falls, will start a deep test on the Fred Pruser farm, ten miles from Ballinger, within a short time. The location has been made in a block of 8,000 acres and a rotary rig will be moved here from Wichita Falls to make the hole. It is planned to drill to the depth of 5,000 feet if necessary to obtain production.

Several other blocks for tests are being made up at this time with indications of success.

ONE TICKET ANNOUNCED FOR CITY ELECTION

Ballingerites will get to use their new poll tax receipts the second time Tuesday when the city election to select a mayor and two commissioners is held. The final date for announcing for these places was March 24 and at that time only the incumbent officials' names were filed for places on the ticket.

Ballots will bear the name of C. P. Shepperd for mayor and the names of George Holman and E. Shepperd for commissioners. The voting box will be at the city hall and C. R. Stephens has been named election manager.

Municipal officials are elected for a two-year term. Only the mayor and commissioners are elected and the remainder of the city officers are appointed by the commission.

Jack: "How does your mother-in-law stand the heat?"
John: "I don't know—she only died last week."

Economist: "If all girls would go back to cotton stockings for a year, there'd be no cotton surplus."

Farmer: "No, thanks. We'll take the surplus."

New Water Supply Fills City Lakes After Heavy Rain

Ballinger failed to get rain Friday night but the city reservoirs were filled Saturday with water that fell around Winters on tributaries of Elm Creek. Reports reached Ballinger early Saturday that Coyote, Mud and Bluff creeks were all up and Elm Creek was due for a rise.

At 3 o'clock Saturday afternoon the upper municipal lake was filled and water started running over the causeway. It required only one hour for the lower reservoir to fill and by late Saturday afternoon water was going over the spillway three feet deep.

The city now has a water supply that will last a year and the quality will be much better as soon as lines and standpipes have been drained. The rise on the creek was sufficient to wash out the "hard" water from gypsum-impregnated springs and replace it with "softer" rain water.

Nearing the heavy irrigation period with a very short supply, the filling of the city lakes will be of great benefit to every consumer here.

Heavy rains fell from Abilene south to Winters. Torrents fell at Winters Friday night and the Runnels county interscholastic league meet being held there was transferred to Ballinger Saturday on account of water standing on the track and tennis courts.

The Colorado River also began rising Saturday morning and by late afternoon was running bank full. Rains at Bronte and Colorado city earlier in the week started the river to running, and Valley Creek was at flood stage Saturday morning, augmenting the rise on the river at Ballinger.

The Oldest Code
Hammurabi, the king of Babylon, formulated his code about 2200 B. C., much earlier than the laws of Manu or of Moses. The pillar containing the code was unearthed in 1902 in the acropolis mound at Susa. It contained about 3,000 lines of writing in 49 columns, some five of which were practically erased. The code was divided into about 290 clauses and opens with the words: "Law and justice I established in the land. I made happy the human race in those days." Exact laws were laid down governing labor, wages, witchcraft, sanctity of oath, requirement for written evidence, public duties of officials, moral laws which were exceedingly strict, protection of legal and personal rights of women, laws of divorce and alimony and practically every human activity.

Misses Kathryn Atwell and Vera Taylor visited Miss Samantha McElroy Monday afternoon.

DEBT ADJUSTMENT GROUP TO MEET HERE MONDAY

WILL ASSIST FARMERS

Farmers who are having difficulty financing obligations which might affect their season's operations probably can work out a satisfactory arrangement with their creditors if they will go to the Runnels county debt adjustment committee, which meets at the farm security office in Ballinger Monday, April 3, at 2:30 p. m.

According to John H. Curry, farm security administration supervisor, the committee has no money to loan, but offers its services in helping to bring about an equitable agreement between the farmer and his creditors so that he can continue farming and eventually pay out. "This service, which is free and confidential, has been popular with mortgage-holders as well as debtors," he stated.

"Creditors realize," Curry said, "that it will mean more in the long run to them to bring debts that farmers will never be able to pay within their prospective income. The FSA will then cooperate in making this income as high as possible."

Committee members are William E. Puckett, T. J. McCaughan and Jesse E. Fowler.

Special Trio to Aid In Nazarene Revival Here April 2 to 16

Rev. Odell Brown, pastor of the Ballinger Church of the Nazarene, announced today a revival which is to start Sunday April 2, and continue through April 16. The Heasley-Brannon trio of Whittensburg, will conduct the special evangelistic campaign, assisted by the pastor.

Rev. Heasley is declared a spirit-filled preacher with a message that is sane and sound. The three special workers are also talented musicians and singers and will render special numbers at each service.

Services will be held each evening at 7:45 and the public is cordially invited to attend and participate during the two weeks' campaign.

Mr. and Mrs. A. C. Glover, Mr. and Mrs. John A. Barton and Dr. and Mrs. E. W. Stasney spent the week-end on the Graham ranch near Osuna.

Miss Zula McKay, of Wichita Falls, and Mrs. Edgar Ellis, of Rule, came in Tuesday to be at the bedside of Mrs. Z. A. Snell.

Mr. and Mrs. W. M. Hill spent Saturday and Sunday in San Antonio.

HAS YOUR ADDRESS CHANGED RECENTLY?
Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.
Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.
The best plan for all concerned is to send the change of address in advance.

Tomorrow is the last day to register a motor vehicle before penalties are added. The rush has been on this week and many number plates have been issued, but there are still many cars in the county not provided with the tags which permit their operation on public roads. Extra clerks will be employed this week-end to issue license plates at the office of the county tax collector.

It's clean-up time again and most cities in this section are launching campaigns that will beautify premises and make homes safer from fire. In previous years Ballingerites have cooperated fully with city officials in clean-up campaigns and this year many have already started their spring house and yard cleaning that will tie in well with the general movement. Yard improvement under-way here will add new beauty spots to the many already developed by home owners.

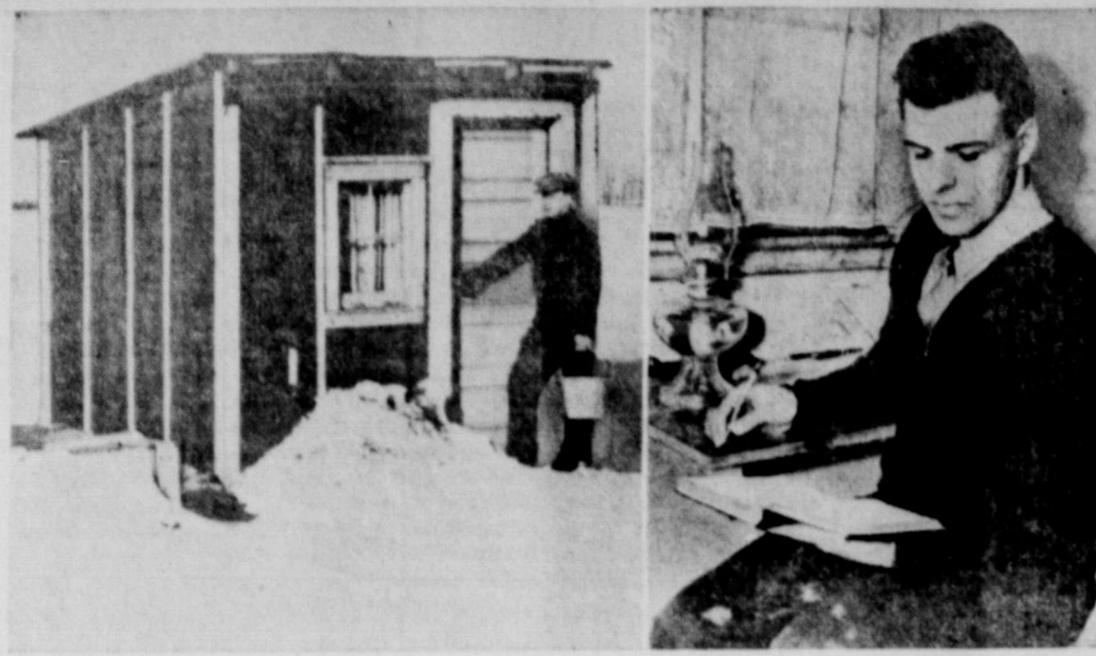

Ballinger people are rejoicing over an abundant water supply received the past week-end when a rise on Elm Creek filled the city reservoirs and washed out the channel. While no rain fell here, Elm Creek's large watershed received enough that the local water situation was solved. With spring here and the need of irrigation at hand, citizens can keep their yards up to standard and not feel that water should be conserved. The quality also is improved since the "hard" water was washed out of the lakes.

The Easter season is upon us. Sunday brought summer-like weather and made many people think of lighter clothing. Easter is the signal for changing from winter garments to new spring apparel and local merchants are advertising sales which offer excellent shopping opportunities to the trade territory. Easter is church-going day in Ballinger and this year will not be an exception. Two local churches will be in the midst of revivals and other denominations are arranging special Easter services that will attract many worshippers.

Card of Thanks
We extend our sincerest thanks to the many friends and neighbors for their many acts of kindness and words of sympathy in our great bereavement, and for the beautiful floral offerings. Especially do we thank Dr. Chandler and the nurses for their kind administrations.

Rugged Individualist Attends College Hard Way

To be "on his own" is the ambition of Horace Carson, University of North Dakota freshman from Monango. N. D. Carson, son of a farmer, refused to ask for NYA assistance when he started school at Grand Forks, and built his own right by eight tarpaper-covered house rather than accept a room in Camp Depression, the University's free dormitory. It cost him \$69 to build the house. Cooking his own meals, Carson's living expenses are approximately \$18 per month. He bought the lot, on an open prairie, for \$5.

West Texas News

At the end of the fiscal year for the city of Brownwood, officials announced that seven miles of permanent paving had been built and numerous extensions made to the water distribution system. Continuation of the pavement and waterworks improvement programs are planned during the current year.

Plans have been accepted by the Menard school board for the construction of a new grammar school building and gymnasium. The plans and specifications were prepared by Leonard Mauldin, San Angelo architect. The district recently voted \$30,000 in bonds and the rest of the money will be furnished by the WPA. The old grammar school will be razed and the new building erected on the same site.

Talpa F. F. A. boys have won \$129 in livestock shows this spring on calves and hogs they fed. Some of the best animals were entered in as many as four shows and places were won at each. The vocational agriculture class is under the instruction of Orady L. Richardson. Ira Galloway was the largest prize winner and his latest success was with calves at the Ft. Worth exposition.

Coleman county's voting strength is about 3,700 this year. The three boxes in the city of Coleman have 1,023 polls paid for the year. Receipts issued in the county for 1938 taxes total 2,900 as compared to 4,222 last year. It is estimated that 200 free votes will be eligible.

The Winters Methodist church has begun a big evangelistic campaign and one of the most noted teams in the state is directing the revival which ends April 9. Rev. Herman Cochran, the "cowboy" preacher, is delivering the sermons, and R. E. Britton, gospel singer, is in charge of the music.

D. O. Goodwin has moved from Oklahoma to Brady and will manufacture and sell "Sure Catch Fish Bait" to anglers of this section. He claims the bait has been used successfully for the past 14 years and that it gives thrills to every fisherman if fish are biting at all. He selected Brady for his home because it is near the best fishing streams of the Hill Country.

Eden people who have private wells are urged to have analyses made before drinking the water.

The new Cole Theatre at Fort Stockton was opened Wednesday night. The showhouse has been under construction several months and is modern in every respect, including new furniture and the latest type projection machines.

Robert Lee school authorities last week organized a band and made a contract with J. M. Edwards, of the San Angelo Academy of Music, to instruct students. Enough members were signed to assure good instrumentation.

MORE TRENCH SILOS ARE TO BE BUILT

COLLEGE STATION, March 30. Texas farmers and ranchmen will dig and fill around 10,000 new trench silos during 1939. E. R. Eudaly, dairyman of the A. & M. College extension service, and Texas' No. 1 trench silo apostle, has predicted.

"We filled 7,536 new trenches in 1938, and we'll do that much or better again this year. The AAA sweet sorghum ruling will be a big factor," Mr. Eudaly said. Under the 1939 AAA program, sweet sorghum can be planted on neutral acres for use as silage. This has not been the case in programs of the past.

If the dairyman's prediction comes true, Texas may see upward to 30,000 trench silos filled this year as compared with 1938's 17,019. There were only 12 trench silos in the state in 1932.

On the basis of value per ton of silage, Eudaly lists corn, grain sorghums, sweet sorghums, and sudan and Johnson grass, in that order, as the best silage crops. He points out, however, that the farmer is interested in the per acre return, and that on this basis sweet sorghum, because of its tonnage, is frequently the crop to plant.

With the AAA sweet sorghum ruling, which does not apply to corn and grain sorghums, as an extra inducement, Eudaly expects thousands of farmers and ranchmen to turn to sudan and other sweet sorghums for their silage crop in 1939.

Miss Camille Behringer, student of Southwestern University, Georgetown, spent the week-end here with her parents.

Miss Eleanor Williams, student of the University of Texas, Austin, spent the weekend in Ballinger, visiting her parents.

The vein that supplies most of the wells in the vicinity of Eden is known to contain some contamination, especially during periods of drought.

Junction high school band members will soon be dressed up in beautiful new uniforms of gold and black. Mothers of the musicians met with success in their efforts to obtain funds for this purpose that a contract was awarded for the uniforms last week and the remainder of the money will be raised before delivery is made. A specially made-up uniform was modeled on a member of the band last week and an order given to be delivered in time for the musicians to wear them to San Antonio on April 21 for "The Battle of Flowers."

Approximately 175 Concho county ranchmen met in the court house at Paint Rock March 18 to hear a general discussion of the range program. Reseeding of pastures by deferred grazing was one of the main topics, with J. W. Doak, AAA field representative, in charge of the meeting. Many ranchmen of the county will comply with the government program this year.

The fire whistle was blown at Stephenville last Saturday morning to remind citizens it was the hour set for beginning a city-wide clean-up campaign in preparation for the wild flower show to be held on May 10. Civic groups have offered prizes for the best work done by anyone during the campaign and daily inspections are to be made to observe results. Practically all property owners had agreed to participate in the movement.

Comanche county livestock men met last week to discuss forming an organization to promote better breeding and feeding. All present agreed that an organization would prove beneficial and many indicated they were ready to join.

A landmark at Melvin was destroyed Sunday morning, March 19, when the Melvin Hotel burned to the ground. The flames originated in the southwest corner of the second story, and fanned by a stiff south wind, quickly spread to the entire building. Two other buildings in the path of the wind also were razed before the fire was extinguished. Brady and Eden fire companies responded to the call and helped save other property.

Headachy, Breath Bad? Make This Check-Up

The Police Siren means "Look-out!" And so do Nature's signals—headaches, biliousness, bad breath, which are often symptoms of constipation. Don't neglect your sluggish bowels, for a host of constipation's other discomforts may result: such as, sour stomach, loss of appetite or energy, mental dullness. Help your lazy bowels with spicy, all vegetable BLACK-DRAUGHT. Acts gently, promptly, thoroughly, by simple directions. BLACK-DRAUGHT'S principal ingredient is an "intestinal laxative." It helps impart tone to lazy bowel muscles. Next time, try this time-tested product!

Hints for the Farm

For every ten acres of Texas farm land dissipated last year by the excessive demands of some soil-depleting crop, almost five acres were conserved or rejuvenated through soil-building practices carried out by farmers who complied with the AAA.

That is the conclusion of a preliminary report on the 1938 farm program showing, among other things, that soil-conserving crops such as legumes, alfalfa and green manure crops were grown on 6,500,000 acres, and that more than 1,500,000 acres in the program last year were farmed on the contour to better utilize moisture and keep land from washing and blowing away.

The report indicated that Texas farmers last year earned \$4,900,000 in soil-building practice payments and that they passed up another four million by failing to take full advantage of their soil-building allowances.

More than 13,000 miles of terracing was done on approximately 141,000 acres; about 2,225,000 acres were contoured, listed or furrowed; 310,000 acres of permanent pasture were established; 300 acres of forest trees were planted; and 2,225,000 linear feet of pasture ridging was done, by farmers who took part in the program, according to the report.

Value of the soil-saving investments is reflected to some extent in tests showing that contour furrowing increases the annual earthing power of an acre by \$2.50, on an average throughout the state, and that terracing is often worth from \$5 to \$8 an acre. In arid sections of the state, contour farming is frequently the difference between a good crop and no crop at all.

George Slaughter, chairman of the state agricultural conservation committee, explained that the AAA gives each farmer a soil-building allowance, which must be earned by approved conservation practices at specified rates of pay, in addition to payments for holding soil-depleting crops such as cotton, wheat and rice within his soil-depleting acreage allotments.

Drew Dickson, of Abilene, spent the week-end here with his parents.

UNIVERSITY OF TEXAS PRESERVES LANDMARKS

AUSTIN, March 30.—Blueprints and photographs of such shrines as Judge Roy Bean's "Hall of Justice" at Langtry, and San Antonio's famous Mission San Jose are among the 270 Texas historic landmarks "preserved" on Library of Congress records, Samuel E. Gideon, University of Texas professor of architecture, revealed here today.

A joint project of the National Park Service, the American Institute of Architects and the Library of Congress, the Historic American Buildings Survey showed New Jersey, Alabama, Maryland, New York, Texas, Massachusetts, Virginia and Pennsylvania leading the landmark field from the standpoint of number. Mr. Gideon, district officer for the survey, said.

San Antonio and vicinity, with 28 landmarks, and Castroville, with 20, led the state in the number of shrines.

He cited Judge Bean's "court" and the San Antonio mission as "representing the two ends, perhaps, of the Texas architecture range."

UNIVERSITY OF TEXAS STUDENTS LIKE DANCES

AUSTIN, March 30.—"Texas is one of the country's most fertile fields for the development of folk dancing," Miss Ruth Bass, a native Iowan, and University of Texas assistant professor of physical education, said recently. "Folk dancing itself is not only great fun but a valuable expression of folk culture which should not be lost," she said.

She cited the Swing and Turn club at the university, composed of about fifty students, whose self-styled purpose is to keep alive the dances of long ago.

Significant to her, the club's sponsor, is the fact that the students themselves "discover" new

folk dances and teach each other. Some of the dances date as far back as 1500, she declared.

NORTON SCHOOL NEWS

By Elizabeth Clifton

Norton to Have Several Contestants in District Meet

The loving cup is definitely Norton's for the third successive time. As a result, there will be several representatives from Norton at the district meet on April 15.

About eight track men are qualified. Most of them are qualified in more than one contest.

Among those are: McDonald, 100-yard dash and 220-yard dash; Compton, discus and shot; Gentry, broad jump; Ford, broad jump and mile relay; Gulley, pole vault and mile relay; Berrey, mile relay and 440-yard dash; Sharpes, javelin throw; Lee, mile relay. The only literary contestant is Elizabeth Clifton in ready writing.

Norton Wins in Choral Club Contests

Both the high school and grade school choral clubs of Norton won their divisions in county meet.

The high school chorus was entered under the direction of Kathryn Hambright in the girls' voices only division. The grade school club was directed by Evelyn Scoggins. Miss Zaza Chenoweth trained both clubs.

99 Points Norton's Total Toward Championship

Ninety points so far virtually assure Norton the class B championship for the county. Playground ball has not been played yet, and three tennis teams are still not decided winners.

Events which have aided in the securing of the loving cup "for keeps" are: extemporaneous speech, 30 points; debate, 20 points; spelling, 15 points; ready writing, 15 points; and track and field, 10 points.

There will probably be more points to add after April 1, when baseball and tennis are completed.

Sh-h! But—

Raymond, a little bird said that you and "it" both liked midgets. What about it?

Gulley, the mighty "track man," regrets the fact that he still must keep in training.

Wanted: A position in which I can teach students the proper method of shooting paper wads.—Cecil (better known as "Tete") Ash.

Kathryn, were you and Nelda terribly disappointed? Well, someone else was, too, but not on the same account.

If we had room, we'd like to dedicate the entire column to the actions of a certain singer (B. B. B.) on Friday night.

Billie, have you fully recovered? No one knows where talent will be found these days. Who'd ever have thought O. B. would go poetic and write about roses and violets and sugar and girls and things?

Goldie, don't the NYA boys work at the back of the house? Too bad the baseball ground's in the front, isn't it?

Wanted: Something good for sunburns.—The volley ball team and many, many others.

Points to consider when buying beef, as presented by food specialists of Texas A. & M. College extension service: The fatter the beef the better the quality, and thicker the muscles the more tender they are, generally speaking.

All the better grades of beef sold commercially carry the stamp of their quality on the carcass. Look for this stamp and know what you're buying.

Do not mix warm fresh milk with cold milk as this will hasten bacterial growth.

Milk utensils should be sterilized by immersing in hot water of 170 degrees for at least two minutes or by rinsing in a chlorine solution.

APPROXIMATELY 2,000 CARS REGISTERED IN COUNTY; PENALTIES APPLY SUNDAY

To Tuesday morning 1,465 passenger cars were registered in Ballinger and it was estimated 500 more had been registered at other stations in the county. About 4,000 passenger cars are subject to registration and employees of the tax collector's office anticipate a big rush this week-end.

Automobile owners can pay license fees through Saturday before penalties are assessed. The total payments to Tuesday were considered about normal that of previous years and it was estimated that half of all passenger cars, trucks, commercials and trailers were already registered.

The collector's staff is ready for the rush and will be able to issue many plates this week-end. Owners are asked to bring their last registration slips which will speed up the work.

Utilities Company Safety Meeting is Held in Ballinger

The first safety meeting in 1939 for employees of the West Texas Utilities Company in district G was held in the Ballinger city hall Monday afternoon and evening. The sessions were well attended, all towns in the district being represented.

The trophy won by the company last year in the Bureau of Safety Vehicle contest was shown the employees. This was won in competition with nine large companies in the Middle West.

A feature of the program was the showing of a motion picture, "Open for Infection," which was declared one of the best of its kind ever presented at a company safety meeting. It dealt with the care of small cuts that develop into dangerous wounds.

Other parts of the program included talks on the following subjects:
"What Should Drivers of Company Cars Do When Involved in Accidents?" A. J. McDaniel
"When a Broken or Burned Wire is Involved in an Accident, Who is Responsible for Keeping the Evidence, and What Should be Kept if the Accident is Caused by Faulty Equipment, Weak Ladder, Burned Primaries or Transformers?" Chester Cherry.

"The Precaution That Should be Taken, and the Necessity of Good Housekeeping in Yards, Offices and Work Shops," Bynum Britton
"What Care Should be Taken by the Foreman of a Crew as to the Safety of Tools, Gloves and Physical Fitness?" Joe Baxter.

Messages were also presented from District Manager W. O. Wallace and Safety Director P. W. Campbell.

FIREMEN ELECT DELEGATES FOR STATE CONVENTION

The regular monthly meeting of the Ballinger fire department was held Thursday night in the city hall auditorium, at which delegates were elected for the state convention. This year the state meeting will be held in June at Harlingen. Malcolm Morgan and D. G. Posey were named delegates with K. V. Northington and George McMillan alternates.

The organization also made definite plans to sponsor a show on April 9 and 10 at the Palace Theatre.

"What's the matter, Jenkins?" snapped a shoe store manager. "Can't you serve this customer?"
"No, sir," replied the assistant. "He's trying to find two shoes which squeak in the same key."

A policeman, making his rounds in the early morning found an inebriated gentleman standing in a horse trough and waving his handkerchief over his head.

Officer: "Hey! What are you doing?"
Drunk: "Save the women and children first. I can swim."

Eggs Go Modern for Easter Time

Colored eggs are as popular as ever this Easter, and children can decorate them with an unending variety of designs. This youngster has a whole parade of pets and other designs in decals for transfer to the eggs. While her mother looks on she dips the design in water, slides off the backing-paper onto the egg and smooths it with a cloth. It's art made easy.

Push and Pull

A sad story comes from Victoria, British Columbia—the story of a two-tailed goldfish which was found splashing aimlessly in a park pool, never getting anywhere because one tail tried to propel him forward and the other tried to drive him backward.

We have a fellow-feeling for that goldfish. This world, it seems to us, is full of people who, between the pull of progress and the push of longing to retreat to what seemed simpler times and ways, are getting nowhere in their little pools.—New York World-Telegram.

Beautiful Words

The words which Sir Walter Scott puts in the mouth of Jeannie Deans, in her memorable address to the queen, are true as they are beautiful: "When the hour of trouble comes, and seldom may it visit your leddyship—and when the hour of death comes, that comes to high and low—lang and late may it be yours. O my leddy!—It is not what we have done for ourselves, but what we have done for others, that we think on most pleasantly."

'Watering the Ropes'

In 1589 in Rome, during the erection of the obelisk in St. Peter's square, a sailor named Bresca shouted to the workmen to "water the ropes" and thus saved the giant shaft from crashing to the ground. Although he had disobeyed the order of Pope Sixtus V for complete silence during the ceremony, Bresca was rewarded with the perpetual right to supply palms to St. Peter's on Palm Sunday. And his posterity carries on the custom, says Collier's Weekly.

Hot water causes milk to "cook" and adhere to the sides of utensils, so these should be rinsed in cold or lukewarm water, dairymen of the Texas A. & M. College extension service say.

Ballinger One-Act Players Capture County Contest

The Ballinger high school's one-act play, "Grandma, Old Style," was declared the county winner here last Thursday evening at the conclusion of the contest. Content was the only other school to enter the contest and a cast of four presented a good comedy which did not score as high with the judges as the local's performance.

The decision of three judges gave the Ballinger cast first place and also all other awards. Anne Kiechle, in the title role was declared the best girl player, and "Boots" Kremplin the best among the boys.

The play was directed by Ernest Sublett and all members of the cast were selected from the cue and curtain club. The family story of three generations showed the ultra-modern in contrast with the grandmother part played by Miss Kiechle.

Players in the cast were Miss Kiechle, Mary Simpson, Eulalia Nicholson, Janie Flynt, Carlos Burnette and Kremplin. Other details of the play were handled by members of the club who were assigned to scenery, properties, make-up and wardrobe.

Sets and stage equipment was built by Mr. Sublett and members of the club.

WHEAT INSURANCE MEETING SCHEDULED IN BALLINGER

Farm leaders of Runnels, Tom Green and Concho counties will meet in Ballinger April 6, to discuss new wheat crop insurance plans aimed at a wider coverage of the 1939-40 crops and to receive instructions regarding applications for 1939 wheat rice adjustment payments to be made by the AAA.

Robert I. Nelson and J. W. Doak, field representatives of the AAA in districts 7 and 6, respectively, will lead discussions. Growers will be represented by their

county agricultural conservation committee secretaries and treasurers, county committeemen, extension service agents and county crop insurance supervisors.

Mr. and Mrs. Chester Cherry and D. G. Posey went to Junction Friday night to attend the annual banquet of the fire department.

1,095 meals are cooked in your household every year. Preparing these meals with an obsolete range is like cooking while blindfolded. Guesswork is always the hardest way and the most costly in time, money and energy.

Yes, your old gas range still cooks

... but if you can't fit the HEAT to the task you are missing some of the advantages that your modern, low-cost gas service offers.

The new gas ranges fit the amount of heat to the cooking operation at a finger tip touch of the control lever and selected temperatures are maintained constantly and automatically. Proper oven temperatures, which are so important in baking and roasting, can be measured as accurately as the ingredients of the recipe itself. Top burners provide just the right amount of heat for top-of-the-stove cooking. You can have five tiny beads of concentrated heat for slow boiling or simmering or the intense, powerful heat for quickest frying and in-between heats when and as you need them. At a click of the valve handle you can regulate heat without guess work. No stooping. No experimenting.

See the new, matchless 1939 gas ranges today. Compare them with your present range. Learn how they will save you fuel, time and money. You'll agree they are designed to do more for you than "just cook".

DEATHS

Mrs. Emma Snell
Mrs. Emma Snell, 68, died at the Halley & Love Sanitarium Tuesday evening at 10:30 after being seriously ill only since Friday afternoon. After becoming ill last Friday her condition grew worse and she was moved from her home on Fourth Street to the hospital Sunday afternoon but gradually grew weaker until death occurred.

Decedent had resided in Ballinger 35 years, coming here from Gonzales. Her husband died ten years ago. She was a member of the Ballinger Baptist Church and a faithful Christian since early girlhood. She attended all services of the church until her health began to fail a few years ago.

Funeral services were held at the Ballinger Baptist Church Wednesday afternoon, the pastor, Rev. Clarence A. Morton, officiating. Interment was made beside her husband in Evergreen Cemetery.

Survivors include a son, Charlie Snell, of Lubbock; two daughters, Mrs. A. R. Jones, Ballinger, and Mrs. R. L. Stephenson, Lubbock; a brother, Tom McCaughan, San Marcos; two sisters, Mrs. Louvinia Ellis, Nixon, and Mrs. Alice Evans, San Marcos; and a granddaughter, Mary Ann Stephenson, Lubbock.

Funeral services were held at the residence, 508 Fourth Street, Friday afternoon, Rev. Wallace Jones officiating. Interment was made in Evergreen Cemetery.

Survivors besides the wife include three sons, Duana, David and Paul Jenkins; a daughter, Gloria Jenkins; a sister, Mrs. J. C. Keltner, McGregor; an uncle, W. J. Young, Crews; and an aunt, Mrs. Eugene Rexan, Delta, Alabama.

Funeral services were held at the residence, 508 Fourth Street, Friday afternoon, Rev. Wallace Jones officiating. Interment was made in Evergreen Cemetery.

Survivors were: Wreath Jones, Jess Jones, R. E. Lane, A. B. Stobaugh, A. J. Thorp, Charles Thorp, Alden Thorp and Drury P. Hathaway.

Agnew-Wright Funeral Home was in charge of arrangements.

WITH THE SICK

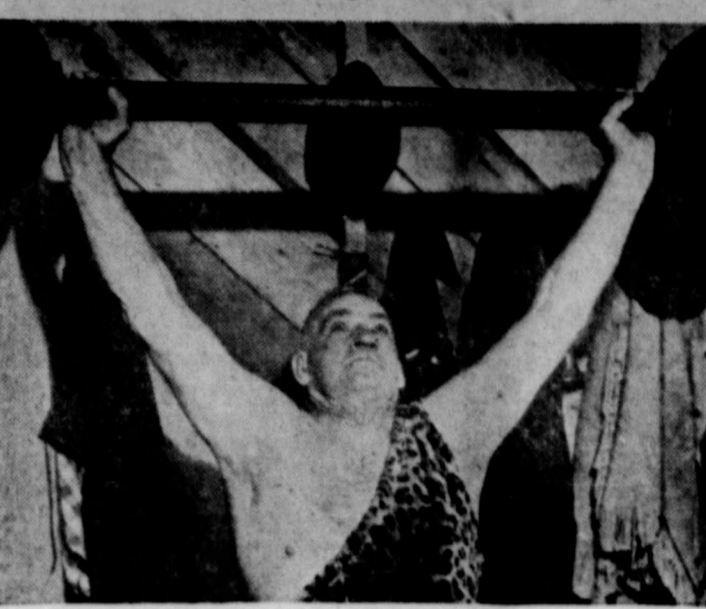

E. E. King returned Monday from Mt. Pleasant, where he had been to visit his father, who is critically ill. Mrs. King accompanied him as far as Mineola, where she became ill and remained in a hospital until Monday. She returned with Mr. King and has been confined to her home with influenza ever since.

R. T. Williams was able to be back on duty at the Higginbotham store today after illness lasting more than a week.

Tom Sharkey Weightlifter in Pageant

Tom Sharkey, famous veteran of the prize fight ring, is now appearing in the Cavalcade of the West pageant at the Golden Gate International exposition in San Francisco. At the end of his scene, Sharkey, appearing as a weight lifter, tucks his "600 pound" dumbbell under his arm and leaps off the stage with an agility belying his 66 years.

Ballinger, Winters and Norton Leading in Meet

Improved after an attack of pneumonia. She was taken to the Halley & Love Sanitarium Saturday and sulfapyridine treatment applied. She was clear of fever today and expected to soon be up and about.

Herman Carlton, pneumonia patient, is improving rapidly at the local hospital and expected to recover soon.

George Dean, who has been at the point of death for the past week in the Halley & Love Sanitarium, was much better today and given a good chance for recovery. He was operated on for gall stones.

Roy Anderson, who was operated on at the Halley & Love Sanitarium Saturday, is improving and will soon be able to return to his home.

R. L. Allen, manager of the Modern Way Grocery, was dismissed from the hospital this morning. He was operated on three weeks ago for a ruptured appendix.

Mrs. James Lee and baby were dismissed from the sanitarium today and taken to their home.

Mrs. Orville Rose has been quite ill with the flu.

Lavender Favorite Perfume
Lavender is one of the favorite perfumes the world over and enormous quantities of the dried flowers are used annually to make the perfume and other lavender products. The yield of oil varies from year to year depending on the weather and the age of the bushes. The plants are very tender to any frost. The oil has to be stored from three to five years before it is sufficiently matured for use in the perfumery and other trades.

COOPERS BUY DAY HOUSE ON BROADWAY

A deal was closed this week in which Mr. and Mrs. A. S. Cooper buy the Edwin Day residence on Broadway. The sale was made by McCarver & Lynn and is the last of the Day estate to be disposed of. A house on Sixth Street, several vacant lots, the Day gin, and a farm near Ballinger had previously been sold.

Mr. and Mrs. Cooper have been operating a boarding house in the Day home for several years.

SON TO GRAVES

Mr. and Mrs. George Graves, of Waco, are entertaining a young son, born to them Monday. Mrs. Graves and the baby are both doing nicely. Mrs. Graves is the daughter of Mr. and Mrs. E. Shepperd, of Ballinger.

SINGING SLATED HERE SUNDAY

Churches of Christ singers in Runnels county will meet in Ballinger Sunday afternoon. The convention will be held at the Ninth Street Church of Christ and the program is to begin at 2:30. The public is cordially invited to attend.

J. A. Reese returned Sunday night from Stephenville, where he and Mrs. Reese went to the bedside of Mr. and Mrs. Burton Reese's children, who are ill with pneumonia. Mrs. Reese remained in Stephenville several days.

Rev. and Mrs. Clarence A. Morton returned Thursday from Hamilton, where Rev. Morton conducted a funeral.
