

# THE BALLINGER LEDGER

VOLUME 53.

BALLINGER, TEXAS, THURSDAY, JUNE 1, 1939.

NUMBER 34.

## Heavy Rains Fall Over Wide Area; Damage Reported

A large portion of Runnels county received good rains Saturday night, but the precipitation was spotted and some communities got only showers. At Norton, probably the driest spot in the county, about one inch was recorded but the fall was much lighter south and west of there, a quarter being reported at Maverick and only sprinkles west of the Colorado River.

Most of the farming area around Winters received more than two inches and heavy rain extended to Ballinger. Water was standing in most fields between Ballinger and Winters Sunday and all streams were up.

In the vicinity of Ballinger more than 3/4 of an inch fell with spotted sections receiving more. A heavy downpour at the Ballinger Country Club washed the golf course in spots and did slight damage to the base of the new greens. The lake was high a few minutes after the clouds loosened up and water ran around the spillway several hours.

Most farmers in the county can plant now, having sufficient moisture to bring up seed, but are far short of enough to make a crop. Most of the rains during the past few weeks have been so hard that the ground was not wet deep and a protracted rainy period is needed to grow feed and cotton.

County Agent John A. Barton said Monday that most farmers have their crops planted or are ready to begin putting the seed into the ground. This work will be done now as quickly as possible.

Only a small area near town was covered by a good rain which fell in Ballinger late Monday afternoon. Showers fell south of Ballinger early in the afternoon, amounting to a half to as much as an inch in spots.

Clouds came up from the south and east about 6:30 p. m. and for a short time a drenching rain fell.

At the Ballinger Country Club a miniature waterspout accompanied by a driving wind did some damage. The sheet iron awning on the cold drink stand was lifted by the wind and hurled on top of the building against the water tower. Posts and all were pulled from the ground. The garage at the home of C. B. Looney, club caretaker, was scattered over several acres but his car was left standing in the lot.

The club lake rose about a foot in a few minutes and water covered the ground nearby about six inches deep.

Jim Dankworth was caught in a small boat in the lake current and experienced trouble in docking. John Weeks Earnshaw and Jimmy Agnew, two small boys, swam to the boat and helped Mr. Dankworth get it to the shore.

## LARGE CROWD HEARS SINGING AT MILES

A large audience and many singers attended the song festival at Miles last Sunday afternoon. It was one of the largest groups of singers to meet in some time and a number of leaders were present.

Special numbers were rendered by the Winters male quartet, the Teague Twins of Maverick, the Lonnie Preston trio of San Angelo, the W. M. Brister quartet of San Angelo, and Prof. and Mrs. Edwards of San Angelo.

In the business session H. W. Bigler was reelected president; W. M. Stephens, vice-president; and Mrs. J. W. Prinzing, secretary, of the Miles Singing Association.

## 123 NOTARIES PUBLIC CERTIFIED FOR COUNTY

County Clerk W. W. Chastain stated Wednesday that 123 notaries public have been appointed for Runnels county by Governor W. Lee O'Daniel from as many applications filed. All but about three or four are expected to qualify by posting bond of \$1,000. Two years ago 118 qualified in this county. The commission is from June 1, 1939, to June 1, 1941.

Mr. and Mrs. H. W. Lynn went to Winters Sunday afternoon to attend the memorial service presented at the Lutheran Church by the Winters fire department.

## B. C. D. Debt Erased By Firm Donations; Budget is Increased

The Ballinger Board of Community Development is out of debt and ready to start work under the leadership of the new secretary, Gus Barr, when he comes here June 15. A committee raised enough money the past week-end to take care of all the deficit and this week all past due bills were being paid and the organization is ready to start a bigger and better program.

The membership and budget committee plans to give every resident of Ballinger an opportunity to join the organization and contribute to the budget. During the past several years the membership has decreased and many business houses reduced their pledges to the organization until it was impossible to carry on the work as it should be on account of the small amount of income.

The directory board is well organized and standing committees have been appointed to look after every phase of the work. For the past six weeks things have moved slowly on account of the lack of a secretary but when Mr. Barr arrives a new program of work for the interests of Ballinger and vicinity will be launched.

On May 1 the organization owed approximately \$250 and a list was circulated the past week-end and that amount contributed by local firms. With all debts paid and the membership dues increased and new pledges to the budget, the organization will have sufficient funds to continue all work being planned for this year.

## RUNNELS COUNTY WOMEN TALK ON FARM-HOME BROADCAST

Runnels county women were heard on the farm and home hour over station KRPC, Abilene, Monday. It was the regular scheduled period for the home demonstration leaders of Runnels county to present the program.

The subject Monday was canning problems and Mrs. B. M. Batts, of the South Ballinger club; and Mrs. O. D. Bradford, of the Cochran club, were the speakers. They explained the use of cookers, low liquid in containers, faded products and the checking of cooker gauges.

Miss Myra Tankersley, county home demonstration agent, accompanied the club women to Abilene.

## Spanish-American War Vets Attend Comrade's Funeral

Pat Dooley and Buck Burns, of San Angelo, veterans of the Spanish-American War, were here Wednesday morning to attend the funeral of Carl Wilson. Both men served with Wilson in company F, 4th Texas infantry, U. S., volunteering for the duration of the emergency.

Mr. Dooley is a pioneer West Texan and was in Ballinger on the day of the town lot sale. At that time he was working for the Santa Fe and continued to operate trains through here for many years, even after the line was extended to San Angelo.

He related a number of amusing instances that occurred here in the '80s. One was when his train was stopped a short distance west of Ballinger and one of the passengers went into a nearby field and took a watermelon without permission. When the train arrived at the depot here an officer met them and arrested the train crew and all the passengers. Rather than plead guilty and pay a fine, Dooley hired a local attorney and the case never came to trial.

Mr. Dooley keeps a record of Spanish-American War veterans and gave a Ledger reporter the following names of volunteers from Runnels county: Parker Woodward, now in South America; Dillon C. Dannelly and Lee Duncan, Wichita Falls; William N. Minstead, Miles; John D. White, San Angelo; and Carl Wilson, deceased.

Mrs. Ruth Saunders, of Snyder, is visiting relatives and friends here this week.

## Another Deluge? It Won't Bother Ark Owner

One of the famous landmarks at Olympia, Washington's state capital, is the craft known as "Noah's Ark No. 2," which serves as the home of William Greenwood, who built it. Greenwood is convinced that the end of the world is coming, and is prepared for a second deluge. At the left, Greenwood in one of his many "suits," looking like a combination of Buffalo Bill and Benjamins of Harlem. Right: The ark owner dreams up a few hot licks on a rather dilapidated organ in his homemade boat. It is only one of the "19 musics," as he calls them, that he can play.

## \$10,941 in Wheat Checks First 1939 Farm Payments

### Road District 5 To Vote on Bonds Saturday, July 1

County Clerk W. W. Chastain posted election notices Monday for a bond election to be held in road district No. 5, comprising commissioner's precincts Nos. 2 and 3. The election was ordered by the commissioner's court last week after petitions bearing names of a sufficient number of qualified voters had been submitted.

The election is for the purpose of submitting a bond issue for \$128,000. This issue failed three months ago when tabulations showed the proposal failed to receive a two-thirds majority by 185 votes.

The bond issue, if favored, will be used as follows: \$28,000 for refunding bonds outstanding in one commissioner's precinct, and \$100,000 for new road work.

Considerable interest has been manifested in the north end of the county in the road improvement program and an active campaign will be waged by the proponents to line up votes in favor of the issue.

The election has been ordered for Saturday, July 1, and all voting boxes have been designated.

Mr. and Mrs. J. A. Williams went to Abilene Tuesday to attend the graduation exercises of Abilene high school. Pat Williams, son of Mr. and Mrs. Oscar Williams of that city, is a member of the senior class this year.

### 4-H Club Sponsors To Meet Saturday; Rallies Scheduled

Sponsors and leaders of girls' 4-H clubs of Runnels county will meet Saturday afternoon at 2:30 in the office of Miss Myra Tankersley, county home demonstration agent, to discuss a number of important events in the club program.

One of the first items to be taken up is the selection of four girls in this county to attend the short course at College Station. Every club in the county desiring to participate will send a representative and the sponsors will select from this group the four who will be the delegates. One sponsor also will be appointed to accompany the girls.

Girls and boys will attend the summer session at College Station on July 5, 6 and 7. Farm men and women will be there a week later, on July 12, 13 and 14, and between the two the annual meeting of county farm and home demonstration agents is slated.

The sponsors will also set the dates and make plans Saturday for the club girls' annual encampment. This meeting, to be held in the Ballinger city park, probably

Runnels county farmers this week received the first 1939 government benefits when wheat parity checks were received in the sum of \$10,941.55. This shipment included 861 checks which applied on 632 contracts.

Thomas B. Hill, soil conservation assistant, stated that farmers and ranchmen in this county will receive a total of \$875,000 in government checks for 1939 if they comply on the contracts in all respects. This will account for all classes of payments, part of which are being distributed to the wheat growers this week.

Approximately \$3,000 more is to be paid wheat producers in the county and checks are expected within a short time. The rate of payment is 11 cents per bushel times the normal yield times the 1939 wheat allotment.

Soil conservation checks received by farmers of the county this year to date total \$452,556.36, with about \$50,000 more to be received. Ranch payments are \$17,096.84 and all contracts have been paid. When the last farm checks are received it will run the payments received this year from the 1938 farm program to well past half a million dollars.

Compliance on the 1939 contracts will start about June 5. A compliance school was held here on May 23 and 24, twenty-nine Runnels county men attending. At the close of the course all attendees were given an examination and those who made a passing grade will be eligible to measure land for the AAA office this summer.

After the papers were graded a number were accepted and appointed to do special work. N. R. Iley, of Winters, will be in charge, serving directly under Mr. Hill. Four others have been named to serve as heads of crews and re-check men. They are Dale H. Brown, Ballinger; Henry R. Leach, Sweet Home; John H. Ball, Wingate; and Buford Baldwin, Content.

The twenty-one supervisors designated are George R. Green, George P. Gordon, Louis W. Rohm-feld, Jesse P. Hutton, Roy L. Roper, John Onken, T. Ima O. Puckett, William C. Hutchins, Walter H. Pape, Aubrey H. Brunson, Walter Lange, S. K. Shelburne, Earl Scott, Ben W. Featherstone, Henry T. Caik, R. B. Dean, D. R. Greenwell, Wilburn N. Gaddy, Clay L. Allen, Chester T. Wood, and Gordon O. Griggs.

When this work is started all crops will be measured and the supervisors will put the information on forms which will be used in the local office to check against aerial maps. After the checking is finished each farmer will be advised of the results. Later in the year the information will be transferred to applicants for payment blanks, signed by the farmers, and sent to the state headquarters.

Because of dry weather more farmers will crop than ever before and indications are that practically full payments will be received in this county on the

### County's Schools Now All Closed Until Next Term

All public schools in Runnels county have been closed, the last three holding their graduation exercises last Friday. County Superintendent E. C. Grindstaff delivered the principal address at the commencement program of the Oifen school Friday night.

No definite program of improvements has been announced for any school in the county during the summer. Several have plans for seeking WPA assistance in building and campus work but approvals have not been secured.

Supt. Grindstaff and his office staff will be busy several weeks making up term reports to be sent to the state department of education. Ballinger trustees will meet this week with Supt. Nat. Williams to continue study of the proposed improvements in the primary buildings and the construction of a unit between the two schools. This application was first filed in the PWA office and since funds were exhausted in that government branch an effort has been made to get it released and the money obtained from the WPA. To date the withdrawal of the first application has not been obtained. Bonds have been voted for sponsoring this project but will not be sold unless federal funds are appropriated for the remainder of the cost.

### Two Suits Stolen Recovered Here; Traffic Cases Filed

The shoe and clothing store of H. H. Holland on Strong Avenue was entered Saturday night and two suits stolen. Officers were notified of the burglary Sunday morning and started to work on the case. A short time later the clothing was found in the cold drink stand at the auction barns north of town. They had been hidden there and T. D. Commander, operator of the stand, found them when he was cleaning up and called the officers.

No arrests have been made but police have clues that may lead to the apprehension of the guilty party.

Twelve cases were filed in city court by local officers and state highway patrolmen during the week-end. Most of these complaints were for some type of violation of traffic laws. Two patrolmen were here Saturday night and combed the streets for speeders, defective lights and other violations and gave tickets to a number of people to appear in the municipal court Monday.

Chief of Police Lee Moreland stated Monday morning that several had already sent in the money for their fines and others were at the city hall to appear

## Fire at Talpa Destroys \$35,000 School Building

### Not Guilty Verdict Instructed in Case Of Bill Strickland

The trial of Bill Strickland for the murder of Dan Liverman came to an abrupt end Friday shortly after the afternoon session was started when District Attorney O'Neal Dendy joined the defense counsel in requesting Judge O. L. Parish to instruct the jury to render a verdict of acquittal.

Prior to the instructed verdict, the defendant had been on the stand and gave testimony regarding what took place when he and another officer, W. H. Gambell, went to the Liverman place south of Ballinger to arrest Liverman on a speeding charge. He declared that he used soft lead ammunition in his gun and expert evidence prior to his taking the stand was to the effect that Liverman's death was caused by wounds made by a steel bullet. He told of firing two shots as warning to Liverman and stated that he could have hit him as he was an expert marksman with a pistol.

After cross-examination of the defendant, the district attorney asked for an instructed verdict, saying he was convinced Strickland did not kill Liverman.

The trial was started Monday, the jury formed Tuesday afternoon and the trial started. The prosecution completed its case Wednesday and all day Thursday and part of Friday was used by the defense before the unexpected finish. As soon as the court instructed the jurors to render a verdict of not guilty, they were excused by the court and all witnesses dismissed.

No other cases were taken up at this session and the five weeks' term came to an end with the completion of this case.

The case against R. H. Gambell has been passed by the court until the fall term because of the limited time left at this term.

Following the acquittal here Friday afternoon, Strickland was reinstated by the state liquor control board and will continue as an inspector.

### Veterans of Three Wars Are Honored In Memorial Rites

Decoration Day was observed here Tuesday afternoon in an appropriate program sponsored by the Ballinger American Legion post at Evergreen Cemetery. Rain, a short time before the service began at 6:30 p. m., reduced the attendance but a fair sized audience assembled to pay tribute to the soldier dead of three wars. American flags were placed on 87 veterans' graves.

The high school band opened the program, playing a group of marches. Troy Simpson, chaplain of the local post, presided, and called on the Rev. Dwight A. Sharpe, pastor of the First Presbyterian Church, for the prayer.

The Rev. Clarence A. Morton, pastor of the Ballinger Baptist Church and a World War veteran, delivered the principal address, calling to mind reasons why the patriotic dead are honored in this age-old custom. He referred to present day conditions in the world with war threatening and expressed the hope that no American would again have to die on foreign soil.

Rev. Morton said the United States had two ways of preparing for the future. One would be to build greater armies and navies and a preponderant air force to make this a military nation able

before Mayor C. P. Shepherd and plead their cases.

The \$35,000 Talpa high school building was burned to the ground late Tuesday afternoon. The fire originated about 4:30 o'clock, and Ballinger and Coleman responded to the call for help but arrived too late to be of service in fighting the flames. Talpa school officials believe the blaze originated from defective wiring.

Apparently the fire started either in the gymnasium or the home economics room, County Superintendent W. T. Graves stated, after making a cursory investigation. Superintendent Glynn Mitchell was in McCamey at the time of the fire.

Classes for the 260 pupils in the school were dismissed two weeks ago and the building has been unoccupied ever since. The 100 by 60 foot building contained nine classrooms and nine teachers composed the faculty. Bonds for the structure were voted in 1934 and construction was finished in 1935.

Members of the board of trustees stated that \$20,000 in insurance was carried on the building and contents. Meetings will be held this week-end to make plans for rebuilding in order to have the school ready for the next fall term.

### THREE COMPLAINTS FILED BY COUNTY ATTORNEY

Deputy Sheriff Gerald Black arrested Luther Pennington, of Winters, Monday afternoon and took 48 one-half pints of whiskey and 12 one-half pints of gin from his car. The arrest was made on the Ballinger-San Angelo highway about two miles west of Ballinger.

County Attorney Roy L. Hill filed a charge of transportation of liquor against Pennington Tuesday morning and incorporated in the complaint two previous convictions to make it a habitual criminal charge. Bond has not been set.

Charges of burglary were filed against Verna Ferguson and Mitchell Wheelless Monday. The latter confessed entering a local store and stealing two suits of clothing. He implicated Ferguson in the confession and both men are now in jail. Bond for Wheelless was set Tuesday at \$250.

Mr. and Mrs. W. V. Connelly spent Tuesday in Dallas, visiting and attending to business.

Miss Doris Jennings, of San Angelo, visited Miss Martha Jo Reese the past week-end.

to stand against the world. Another would be to take the stand of "peace at any price," and propagandize the nation to accept it. Neither of these proposals, he said, were his views, but that he believed citizens should live in peace with themselves, love for their fellow man, build an adequate army, navy and air corps for protection, and let the nations that want war settle their own affairs.

The audience stood at attention while the band played the national anthem.

About 30 members of company C, 142nd infantry, were on hand to fire the rifle salute of three volleys and taps were sounded in the distance for the dismissal.

American Legion members in caps in a body provided the color guard.

## New Band Class Organized Here For the Summer

Between 35 and 40 new members have come into the high school band for the summer. Director Gurthal Gilligan issued a call last week for those interested in becoming musicians to meet him at the hall and make arrangements for instruments and get the summer schedule.

To date 40 have signed up for lessons but all have not secured instruments or placed orders. Mr. Gilligan expects the total to decrease some before the class is permanent.

There is still time for students to sign up for the summer course. Anyone interested is urged to make arrangements at once before the class of beginners receives its first lessons.

The lesson period for the new members is from 8:30 to 9:30 a. m. and will continue throughout the summer. At the beginning of the school term next September those who are advanced enough will be put in the high school band.

Mr. Gilligan announced that a rehearsal for the regular band would be held each Tuesday night at the hall. A schedule of summer concerts will be arranged soon.

The new class will make about 100 children receiving band training in the high school. New instruments have been ordered for a number of pupils and they are expected to arrive this week.

## EXPERIMENT STARTED WITH RAISING WILD TURKEYS

AUSTIN, May 31.—A new method of raising wild turkeys under semi-natural conditions being tested by the game, fish and oyster commission may pave the way to the stocking of many sections of Texas with the big game birds.

In cooperation with the United States soil conservation and the U. S. farm security administration the game department has fenced a fifty-acre tract in the heart of the Fannin county land rehabilitation project area near Bonham. Forty-eight wild turkeys trapped in Southwest Texas were released in the enclosure after their wings had been clipped.

Wild turkeys do not thrive in pens, but it is believed that under the semi-natural conditions they have found in the fifty-acre tract they will prosper and propagate. A number of the hens have already nested. The birds are being given some food, but are foraging for most of their nourishment. When the young birds hatched on the area grow older it is expected they will fly over the fence. The older birds, when their wing feathers have grown out, will also leave the huge pen and will populate the surrounding territory.

Should the experiment prove successful it will be repeated in several areas of the state which provide the natural environment conducive to raising wild turkeys.

The mystery of the "thefts" of small chickens from the farm of J. Stevens near Harper, Texas, was cleared up recently when Mrs. Stevens caught a young deer, of which the family had made a pet, devouring chicks.

Why deer, which are herbivorous, should turn away from their "vegetarian" diet is explained by state game department biologists as due to the lack of sufficient protein in their usual diet. The Stevens' pet was satisfying its craving for protein by consuming chickens.

The fawn was recovered by the game department. It is illegal to keep deer in captivity in Texas unless you possess a game breeder's license.

Thousands of game and rough fish were killed in an extremely hail storm of a half hour duration in the San Saba River in Menard county recently. Game Warden Ben F. Gaddy, of Sonora, reported to the game department.

The fish, bass, crappie, bream, cat, gar, shad and sucker, were caught in the shallow water of the river by the hailstorm, which followed an exceptionally heavy rain. The hail was so heavy, drifts of it remained on the river banks for twenty-four hours and the sudden change in temperature, coupled with the stunned fishes' inability to clear their gills of silt churned up by the rain and hail caused their death, it is believed.

Game Warden G. C. Gardner, whose district is composed of Hardin and Liberty counties in Southwest Texas, reached 6,452 pupils of the 6,981 in the upper grades of eighteen schools with a wildlife conservation program for fifth, sixth and seventh grade pupils which extended over a two-month period.

Eighty-one lectures were given by the warden and sportsmen interested in preserving game and fish. A total of 441 children competed in an essay contest on the subject of "Why and How to

## CONSUMER'S VIEWPOINT

The laywoman's point of view was expressed to the national economic committee in Washington recently by Mrs. Alice S. Beister, Chicago housewife, who testified regarding various kinds of advertising which would best suit the interests of consumers.

Conserve Wildlife." A total of \$350 in cash prizes was awarded the students winning first, second and third places in each of the schools. The prizes were awarded at a banquet, at which an attractive wildlife exhibit was presented.

Sleet Frankl, of San Saba, might as well have left his hooks at home when he went fishing the other day. Frankl dropped a line into the San Saba River and when he returned to it found he not only had a five-inch catfish on the hook, but that a two-pounder had caught himself on the sinker.

## SISTER OF A. F. BROCK DIES MONDAY MORNING

A. F. Brock received a message Monday announcing the death of a sister, Mrs. Florence Copeland, at Collingsville, Alabama. Mrs. Copeland succumbed early Monday morning. Due to the long trip Mr. Brock telegraphed that he could not attend.

Read the ads—save money.

## Decoration Day Theme of Talks For Rotary Club

Memorial Day was the theme of a program presented at the Ballinger Rotary Club meeting Tuesday noon. T. W. Agnew gave reasons for decoration of veterans' graves and recalled days of '17 and '18 when young men of America were being called to the colors for service abroad.

The speaker pointed to the easy matter of taking up arms against a foe and compared this with a fight against internal forces that fight democracy with "isms" and other destructive means. The point was made that soldiers once fought to make the world safe for democracy but today we permit bunds and other alien groups to destroy democratic institutions within our own country.

Bill Clark talked for the men of the younger generation upon whom the burden of another war would fall. "Any flower is more beautiful in this country of ours than an orchid on the grave of a dead soldier," the speaker said. He acknowledged the appeal of a uniform to youth, but asserted that the young man of today would not be anxious to leave home to fight on foreign soil. "If any country in the western hemisphere is attacked, the younger generation will provide the material for future generations to decorate the graves of soldier dead," Mr. Clark concluded.

No delegate was elected to the Cleveland convention of the Rotary International and officers were instructed to prepare a proxy for some Rotarian in this section who expects to attend so the Ballinger club can be represented.

Mr. and Mrs. J. B. Pace and family, of Austin, spent the weekend here, visiting Dr. and Mrs. J. G. Douglass.

Rex Nixon is at home from John Tarleton College, Stephenville, visiting for several days before returning for the summer term.

# FACTS FAVOR FORD

1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range — and the 60-horsepower engine is even more economical.

2 The structural strength of the Ford car — frame, bracing, axles, body — makes not only for safety, but durability and long life.

3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight.

4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway.

These four points — power, strength, safety, comfort — are by far the most important essentials in any motor car. They form the basic value of your investment.

With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring.

You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see — quality of materials, precision of manufacture, fundamental engineering.

**FORD V-8**

EXCELS IN THE THINGS THAT COUNT

## Efficient Gains Made By Creep Feeding

(Editor's Note—This is one of a series of articles discussing "Southern Feeds and Their Use," published by the West Texas Cotton Oil Co. as a service to farmers and ranchmen.)

Along with emphasis on more and better pastures, Southern farmers and livestock leaders are stressing proper use of grazing. They have found that such sound practices as creep feeding serve a

two-fold purpose of better pasture utilization and better meat production.

Grass, milk and cake, or meal—combined through creep feeding—result in rapid gains, on relatively small amounts of feed, while calves are still nursing. Creep feeding saves time on the pasture and helps to maintain the cow herd in better condition. Creep feeders are easily con-

## GLOBE TROTTING - - By Melville

THE OVERLAND TRAIL, SHORTEST AND EASIEST CROSS-COUNTRY ROUTE FOR WAGON TRAINS, WAS LAID OUT AND MARKED BY BUFFALOES LONG BEFORE THE WHITE MAN ARRIVED. HIGHWAYS, RAILROADS AND AIR-LINE ROUTES NOW FOLLOW IT.

AMONG THE SOYBEAN PRODUCTS MADE IN THE FORD LABORATORIES ARE—PLASTICS, PAINTS, GLYCERINE, SOAP, SYNTHETIC WOOL, GLUE, BREAD, ANIMAL FOODS, STEARIC ACID AND EVEN ICE CREAM!

GUIDES IN QUEBEC MANEUVER CANOES THROUGH RAPIDS BY "WARPING" THEM—WITHOUT THE USE OF PADDLES OR POLES.

THE FIRST WORLD'S FAIR WAS HOUSED IN THE CRYSTAL PALACE AT LONDON IN 1851. THE PALACE WAS DESTROYED BY FIRE NOV. 30, 1936.

constructed from available boards, posts or other material by making an enclosure about 16 feet square. Openings, about 16 inches wide and 48 inches tall, are made to permit calves to enter while excluding cows. Creeps usually are located near watering places, in the shade, or at other places where the herd gathers.

As calves start eating early, they should be started in the creep when they are two to three months old. Three methods that have been successful in starting calves to eat the cottonseed cake, meal, or grain and meal in troughs or self feeders in creeps are:

1. Covering the concentrate with hay for a short time, as calves will soon start eating the hay and other feed.
2. Confining calves in the creep for several hours each day by closing the openings, until they begin eating.
3. Permitting cows to enter the creep for a few days until calves start eating.

Grains and cottonseed meal or cake are commonly used in creep feeding on farms of the South. Where grains are available and a rapid finish for market is desired, a good mixture consists of 3 to 6 part of any of the grains and one

part cottonseed meal, or pea or pebble size cake, cubes or pellets. As the supply of mother's milk decreases, the ratio of meal, or cake, is increased to one part for each 2 to 4 parts of the grain.

This concentrate mixture will be fed in troughs, hand-feeding the amount calves will clean up daily, or placed in self-feeders. Calves may be marketed direct from the creep, or given a short finishing period in the lot.

Cottonseed cake, alone, may be used in creep feeding, as is the common practice in range areas, where this method conserves grass, reduces time spent on the range and maintains the cow herd in better condition. Pea or sheep size cottonseed cake, cubes or pellets may be available at all times in the self feeder; or calves may be started on one-fourth of a pound, daily per head, in the trough. This amount is gradually raised to 2 to 4 pounds, daily, per head.

In 1938 more than 200,000 persons visited Carlsbad cavern in New Mexico.

Georgia in 1938 had 192 one-variety cotton communities which included 23,350 farmers.

## 'DAIRY DAYS' ATTRACTS MANY OVER COUNTRY

COLLEGE STATION, May 31.—With the schedule of 15 official "Dairy Days" completed, numbers of similar meetings are being held on a local scale.

The 15 meetings drew an attendance of more than 12,000 dairymen, 4-H club members, and home demonstration club women. Although no prize money was offered, 920 head of dairy cattle were brought out for classification. Of these, 120 head received the blue ribbon for excellence, 549 red ribbons, and 190 got white ribbons. Under the classification system, cattle do not compete against each other, but against the score card.

Men, women, boys and girls took part in the dairy judging with 3,973 cards—an average of 265 per show—being turned in. In addition, 1,675 people took part in the dairy products judging, where 711 samples were classified.

Among those who acted as judges were E. R. Eudaley, G. G. Gibson, W. V. Maddox, and Jennie Camp, all of the Texas extension service; C. N. Shepardson and A. L. Darnell, of the A. & M. dairy department; O. C. Copeland, of the Texas agricultural experiment station; and D. T. Simons, of the American Jersey Cattle Club.

These judges will again take part in the local dairy days, but usually only one or two judges will classify cattle and products, while three judges took part in each official meeting.

## SCHOOLS MAY CLOSE

if ITCH and IMPETIGO spread among the pupils. Stop ITCH or IMPETIGO CONTAGIOUS SORES at once with BROWN'S LOTION. You can't lose; this liquid-antiseptic is sold and guaranteed by J. Y. Pearce Drug Co.

## HAIL DAMAGE REMEDIES GIVEN BY ROSBOROUGH

COLLEGE STATION, May 31.—Severe hail on a wide-fung sector of the state has filled the mail basket of J. F. Rosborough, horticulturist of the Texas A. & M. College extension service, with letters asking for information regarding treatment of damaged shade trees, shrubs, and orchards.

Rosborough says prompt and careful action can cut down the damage to a large extent. Where the foliage, twigs, and top part of the branches have been injured, orange shellac, applied to peeled branches with an ordinary paint brush, will seal the damaged area, prevent loss of sap, and allow quick healing to take place.

In cases where large portions of the wood is exposed, the surface should be covered with

asphaltum paint after the bark has begun to heal—usually within three or four weeks.

The pruning off of damaged growth should be delayed until new sprouts have begun to come out on the branches, when the proper place to make the cuts can be easily determined.

Trees that have suffered from hail damage should be watered throughout the summer wherever possible to encourage the development of foliage, the horticulturist indicated.

## HUGE SCRAPBOOK GIVEN TO TEXAS TECH HEAD

LUBBOCK, May 31.—President Clifford B. Jones has been presented with a 26-pound scrapbook containing "Cotton Bowl" clippings from Texas magazines and newspapers. John W. Carpenter, of Dallas, sent the gift for Texas Technological College.

Each of the 208 pages in the 20x24-inch volume, bound in handtooled leather, contains eight columns of copy, equivalent of a metropolitan newspaper page. Over one million and a half words, or approximately three-fifths of a mile of copy about Tech clipped from Texas publications appear in the scrapbook.

The book contains 542 illustrations, including sports and news photographs, cartoons, and rotogravure pictures of campus scenes and Tech's national cotton girl. News stories, features, sports comment, personal items, columnists' comment, editorials, and magazine stories make up the

printed copy.

The book was presented to President Jones personally by Ted B. Ferguson of Dallas, representative for Mr. Carpenter.

## PRIVATE AUTOS MAY QUIT

TOKYO, May 31.—Successive reductions in gasoline rations planned by Japan may force all private automobiles of the country off the road. It is reported that practically no gasoline will be imported this year and its consumption will near nil by summer. Already restricted to a gallon a day many of the 10,000 private cars cannot operate at the present time. Government officials are said to wish that owners of expensive cars would see or give them to the defense service. Government department machines will be treated much the same as private autos.

The value of Montana livestock increased approximately \$12,000,000 in 1938, to a total of \$78,180,000.

## Do You Sell Butter?

DAREN'T START DRY

EVEN if this is the camel that holds all records for going without more drink, how long could he last if he had to start dry? Your car and your engine oil can't last either if you keep starting dry this Summer. But how can you help it?

You can't... not with any of these oils that are always in a rush to drain down to the crankcase completely.

You certainly can help it though, by getting your engine OIL-PLATED.

NEVER all down in the crankcase, no matter how long or how often you park your car, OIL-PLATING is lastingly close-knit to every inner engine surface by the action of Conoco Germ Processed oil. Patented Germ Processing creates the strong "power of attraction" that fastens non-detachable OIL-PLATING throughout your engine. Does chrome-plating drain down at a standstill? Neither does OIL-PLATING. Therefore actually in advance of starting, OIL-PLATING is ready to slide every working part into easy motion, without rasping dryness. And since OIL-PLATING doesn't fly off or fry up it helps your engine to shatter the record for going without more oil. That's why you want to OIL-PLATE today with Germ Processed oil, at Your Mileage Merchant's Conoco station. Continental Oil Company

CONOCO GERM PROCESSED OIL

CONOCO OIL-PLATES YOUR ENGINE

Powerful Telescopes Manufactured in \$20 Plant

Two Miami, Fla., youths, Lynn C. Burkhardt and Arthur P. Smith Jr., are operating a "factory" they built and equipped at a total cost of \$20, and are turning out telescopes that have attracted the praise of Dr. G. H. Lutz, America's foremost telescopic engineer. Left: Smith applies carborundum to the grinding glass as the mirror rotates back and forth. Twelve inches in diameter, this mirror is very large for any but a professional attempt. Center: The mirror is studied for possible defects. It takes approximately eight months to grind the mirror. Right: Here's the finished product being inspected by Burkhardt. It's ready for use in star studies.

**RURAL NEWS**

HERRING

Attendance was light at Sunday school Sunday on account of the muddy roads but let's not stay at home when we can go. Next Sunday is our regular preaching day. Our preaching days are a long ways apart and let's have a full house. Bro. Nixon won't be here Saturday night but will fill his appointment Sunday and Sunday night.

Mr. and Mrs. W. A. Hale had a family reunion Sunday, their children, all present for the occasion, are: Mr. and Mrs. Elbert Hale, of Dallas; Mr. and Mrs. Walter Hale and son, of Houston; Miss Willie Hale, of Houston; Mr. and Mrs. Ira Hale and son, of Ozona; Mr. and Mrs. W. A. Hale, Jr., of Novice; Mrs. Vera Payne and children, of Ballinger; Mr. and Mrs. Steve Hale and children and Mr. and Mrs. Flay Brevard and children, of

Glen Cove; Mr. and Mrs. Arthur Alcorn and Arnold, of Crews; Mr. and Mrs. Noel Hale, of Talpa; Mr. and Mrs. Marvin Hale and Miss Myrtle Ruth Hale, of this community.

Mrs. Ellis Madison and children, of Richland Springs; Mr. and Mrs. Ray Mullenax, of Valera; Mr. and Mrs. Ted Lindeman, of Ballinger; and Mr. and Mrs. Jim Handy, of Coleman, spent Sunday in the Mrs. Joe Bragg home.

Mr. and Mrs. Arthur Fuller and family were dinner guests in the home of Mrs. Vera Simpson Sunday.

Mr. and Mrs. W. L. Alcorn and Elton Joe, and Mr. and Mrs. Reuben Whitley and girls were visitors in the J. Rosford home Sunday evening.

Mrs. Strange and Mrs. Nola Laws and daughters spent Sunday in the Herbert Peek home.

Mrs. J. Rosford visited Mrs. S. L. Henderson Thursday afternoon.

We were very sorry indeed to learn of the Talpa high school building burning this (Tuesday) afternoon. The origin is unknown.

Mrs. Kirby Todd and children, of McCamey, are visiting her parents, Mr. and Mrs. G. C. Avant. Mr. and Mrs. J. Rosford and Dorothy spent Sunday in the W. L. Alcorn home.

Mr. and Mrs. Arthur Fuller, Norma Sue and Roy spent Saturday in the Marshal Belcher home at Eagle Branch.

Mrs. Pearl Clark and Mr. and Mrs. Arthur Clark, of Harmony, Mrs. S. H. Miller and Grady visited in the J. P. Brevard home Tuesday evening.

Leslie Alcorn, of Oxien, spent Sunday in the home of his brother, Lonnie Alcorn.

Mrs. S. H. Miller visited Mrs. J. Rosford Tuesday.

CREWS

A rain falling early Sunday morning prevented large attendance at Sunday school.

June Campbell, of Ballinger, was a recent guest of her grandmother, Mrs. Mary Clark.

We regret to learn that Archie Young, of San Saba, son of Mr.

and Mrs. A. J. Young, is in a serious condition. Mr. Young had the misfortune recently to have a foot amputated. Last reports from the Temple sanitarium, where he is a patient, stated he was having to have blood transfusions.

Mrs. Johnson, of Louisiana, was a recent guest of her sister, Mrs. G. W. Phillips.

Mr. and Mrs. Weldon King have moved to the Pumphrey community. Mrs. King has been seriously ill since moving there but is reported convalescing now.

Mrs. J. G. Phipps, Mrs. Chester McBeth, and Mrs. J. E. Dial, of Harmony, attended the funeral of their nephew and cousin, the infant son of Mr. and Mrs. Lee Tabors, at Talpa Sunday of the previous week.

Mrs. King visited Mrs. Monroe Hixon, of Winters, recently. Mr. Hixon, who had just returned from a Temple sanitarium, while still very ill, was reported improving.

Roy Brooks, of Ohio, was a guest in the home of his aunt, Mrs. G. W. Phillips, a few days recently.

Nancy Dell, little daughter of Mr. and Mrs. Walter Schwartz, has recovered from a recent illness.

Carroll Carter and LaVerne White, of Abilene, and Teddie and Tommie McBeth, of Sweetwater, are guests of their cousin, Sybil McBeth, and other relatives.

Mr. and Mrs. Halford, of Zephyr, spent the previous week with their son, Rev. J. H. Halford, and wife.

Miss Doris King visited in the home of her brother, Weldon King, and family, of Pumphrey, a few days the previous week. Several other relatives and friends from here visited Mrs. King in her illness.

Mancie King, of Abilene, visited Johnnie Bob Branham Sunday.

Miss Arlene Schwartz spent the past week with Miss Josie Lou Stacy, of Ballinger.

Mr. and Mrs. Homer Briley and family, of Hatchel, visited Mr. and Mrs. Alfred Eoff Sunday.

Glenn McKinney, of Zephyr, visited his cousin, Rev. J. H. Halford, the first of the week.

NORTON

Rain which fell early the past Sunday morning measured about one inch.

Bobbie Jo Hambricht, daughter of Mr. and Mrs. Otto Hambricht, left recently for Marlin, where she will receive treatment at the crippled children's hospital.

Mr. and Mrs. Tom Powers and baby, of Ozona, visited relatives here over the week-end.

Mr. and Mrs. Joe Snelgrove, of O'Donnell, are visiting relatives and friends here.

Mrs. A. T. Chapman and children and Miss Naomi Ash have returned from Tulia, where they visited relatives the past week.

Mr. and Mrs. Herman Scoggins and family attended the Powers reunion at Ballinger the past week-end.

Mr. and Mrs. A. Broyles, of Talpa, visited the R. L. Conder family Sunday.

Arthur and Homer C. Daniels, Jr., have returned home from Lubbock, where they attended Texas Technological College the past year. Other students who are expected home this week are Orene Guley, of Daniel Baker College, Brownwood, and Willie Mae Guley, Sul Ross College, Alpine.

Noel Fagan has completed his sophomore year in pharmacy at the University of Texas and is expected home this week.

Miss Leta Lewis, of Ballinger, spent the week-end with relatives here.

Mrs. J. E. Gilliam and little daughter, Mary Gayle, of Iran, visited Mr. and Mrs. Henry Ford over the week-end.

Mr. and Mrs. Roy Hill and Mrs.

Braden have returned to their home in Houston after a few days visit with Mr. and Mrs. Roy Roper and family.

FARM DEBT COMMITTEE TO MEET HERE MONDAY

The farm debt adjustment committee for Runnels county will hold a meeting Monday, Jun 5, in the office of the farm security administration here. Members of the committee are T. J. McCaughan, Ballinger; W. E. Puckett, Wilmeth; and J. E. Fowler, Ballinger.

All debt-distressed farmers are invited to attend.

MISS BITTIE LYNN AWARDED LETTER AT HARDIN-SIMMONS

Miss Bittie Lynn, daughter of Mr. and Mrs. Harry Lynn of Ballinger, was awarded the Presley letter at the graduation exercises at Hardin-Simmons University, Abilene, this morning. The award was made for the highest grade in the art department of the school. Miss Lynn has attended this university for the past two years and has taken two courses in art each year.

Mr. and Mrs. Carl Henson, of Brady, were here today, attending the funeral of Mrs. Henson's mother, Mrs. Otto Vogelsang.

Mr. and Mrs. Garrett Daugherty, of Brownfield, arrived yesterday to attend the funeral of Mrs. Otto Vogelsang.

Miss Fay Clark is attending Sul Ross State Teachers' College, Alpine, and will be there the entire summer.

Mr. and Mrs. A. M. King spent the past week-end at Mary Hardin-Baylor College, Belton, visiting their daughter, Miss Genevieve King.

Jack McKay is visiting and sightseeing in Mexico. He returned home with Benjamin Lara, who attended school here last year, and after a visit with him will go on to Mexico City for several weeks.

Miss Pauline Morris has returned home from Bethany Peniel College and will spend the summer here, where she is employed in the county agent's office.

Rev. and Mrs. James McGraw and son, James Robert, of Fort Worth, visited friends here Friday.

Mrs. Holliday Hayley and children, of Tyler, came in Tuesday for a visit in the home of Dr. and Mrs. A. S. Love and with relatives at Norton.

Warren Murphy came in the past week-end from Stephenville, where he had been attending John Tarleton College.

Pat and Warren Murphy, sons of Mr. and Mrs. Horace Murphy, left today for New York to attend the world's fair.

Orland Middleton and C. A. Long returned this week from a trip through Missouri, Arkansas, Oklahoma and Louisiana. They were accompanied by Wesley Gibbs as far as Muskogee. The entire trip was made in "Dynamite," Middleton's stripped model T Ford.

Mrs. A. L. Fuller is spending the week in San Antonio, visiting friends.

Mr. and Mrs. Harry Lynn went to Abilene today to attend the graduation exercises at Hardin-Simmons University.

Mrs. W. A. Francis has returned to Ballinger to make home. She had been in Abilene for a number of months, taking a business course.

HERO HONORED

The Distinguished Service medal was presented recently to Lt. Arthur F. Andrews, right, hero of the bombing of the U. S. gunboat Panay on the Yangtze river in China last year. The award was made by Vice Admiral John W. Greenstone, commander of battleships of the U. S. fleet.

Farmers to Talk Improved Cotton At Meeting Here

The Runnels County Agricultural Association will hold its regular monthly meeting in the district court room at the court house here Saturday afternoon, from 2:30 to 3:30.

Of particular interest to all members will be a discussion on what Runnels county farmers can do to regain all or part of their foreign trade. Some of the common complaints made by English spinners and merchants against American cotton will be given by County Agent John A. Barton.

Lloyd Herring, local cotton man, will speak to the group on "The Importance of Quality Cotton, and How it Can be Obtained." Mr. Herring is chairman of the agriculture committee of the Ballinger Board of Community Development.

N. S. Wright, of Miles, president of the county organization, advises farmers that the growing of improved quality cotton is a question that concerns all classes of citizens in the county and for this reason urges that everyone possible attend the meeting in Ballinger Saturday. He said all members of the association, all cotton farmers and all business men were invited to attend.

Be wise—advertise.

GEORGE STOWE RECOVERING FROM EMERGENCY OPERATION

High School Principal George Stowe was operated on for apendicitis at the Halley & Love Sanitarium Friday evening. He became acutely ill late Friday afternoon and a blood count indicated an emergency operation imperative. Mr. and Mrs. Stowe were to entertain a group of friends at their home that evening and called a couple to act as hosts when the operation was advised. They also had their bags packed to leave the next morning on a vacation trip.

Mr. Stowe is getting along nicely and will soon be able to return home.

Patronize our advertisers.

McCARVER WILL ENTER UNIVERSITY OF TEXAS

Clarence ("Nig") McCarver has been granted a year's leave of absence from Howard Payne College, Brownwood, and plans to enter the University of Texas to study for his Ph.D. degree. He will be away from Brownwood during the next school term. McCarver is head of the physical education department at Howard Payne and assistant football coach.

Mrs. Virgil Reed and little daughter, Caroline, of Andrews, spent last week here, visiting Mr. and Mrs. Henry Doss and Miss Bernice Simmons.

A. P. Jones, of Fort Worth, visited friends here last Tuesday.

ALWAYS READY TO PROTECT!

Bible classes, 9:45 a. m.  
Worship, 10:45 a. m.  
Singing Sunday afternoon, 2:30.  
Evening service, 8 p. m.  
Monday:  
Ladies' Bible study, 4 p. m.  
Wednesday:  
Bible classes, 8 p. m.  
"He that loveth pleasure shall be a poor man." Prov. 21:17.  
CLARENCE BRYANT, Minister.

## Mailman May Ask Bird-Housing Project

Tony Plummer, Newport-Balboa, Calif., mailman, peruses his postal guide for the answer to a very baffling question. In a mailbox on his route a mother linnet is rearing four babies. Postal regulations specify that rural carriers must, during the winter, carry ample provisions to feed birds on their routes. But the rules say nothing about housing. Tony has been forced to ring the doorbell and deliver the mail in person, but is thinking of applying for a federal housing project for the youngsters.

The public is invited.  
CLARENCE A. MORTON, Pastor.

**Church of Christ**  
(Eighth Street, Bonsall Avenue)  
Sunday:  
Churches of Christ radio hours, WOAI, 8:45 a. m.; KRBC, 7:30 a. m.; XERA, Del Rio, nightly except Sunday, 10:15.

## 33 Motor Vehicles Sold Past Month, Records Disclose

New motor vehicle registrations during May in Runnels county reveal 29 new passenger cars and 3 commercials sold by dealers of this section.

Following are the tabulations as shown by the records in the office of W. A. Forgey, county tax assessor-collector:

**Buicks**  
Underwood Motor Co., Ballinger, 4 passenger  
Spear Motor Co., Winters, 2 passenger

**Plymouths**  
Gilliam Motor Co., Coleman, 5 passenger  
Townsend Motor Co., Miles, 1 passenger  
Sykes Motor Co., Ballinger, 3 passenger

**Oldsmobiles**  
Winters Motor Co., Winters, 3 passenger

**Chevrolts**  
Jones Chevrolet Co., Winters, 2 passenger  
C. & C. Motor Co., Miles, 1 passenger

**Dodges**  
Sykes Motor Co., Ballinger, 1 passenger

**Fords**  
Holt Motor Co., Ballinger, 5 passenger, 1 commercial  
Kendrick Motor Co., Winters, 1 commercial

**G. M. C.'s**  
Townsend Motor Co., Miles, 1

Rev. and Mrs. E. D. Landreth and family left this week for Clarendon and other points to attend to business and visit relatives.

Jimmy Bozell, of Weatherford, is here to spend the summer with relatives.

Mrs. O. C. Sykes and son, Bobby, are visiting relatives and friends at Midland.

## Sixteen Couples Secure Licenses To Marry in May

County Clerk W. W. Chastain issued a total of sixteen marriage licenses during May. This was a slight increase over the previous month's total. Four couples asked that their names not be published and the others are listed below:

Everett V. Robertson and Miss Pearl Fahey  
Vernon Fuller and Mrs. Vernon Fuller

Edgar Tune and Miss Bernice Gray  
J. M. Jones and Miss Louise Marie Burkett

John Griffin Brown and Miss Eva Lou Poe  
Massie Lee Johnson and Miss Elnora Kyle

Clifford M. Murphy and Miss Robbie Estes  
Wallace Evans and Miss Correna Stewart

L. D. Sheffield and Miss Geneva Gatewood  
Elmer Gordon and Miss Elfreda Granzin

Alvin Atnipp and Miss Faye King  
W. H. Birdwell and Mrs. Bertie Seale.

Miss Carmen Demmer will leave Monday for Denton to attend Texas State College for Women for six weeks. At the end of the summer term she will receive an M. A. degree in primary education.

Misses Ruth and Frances Smith, who attended Abilene Christian College the term just closed, returned home today to spend the summer.

Mrs. Odell Brown and son, Ronald Gene, spent the week-end at Lamesa, visiting friends.

Mrs. W. T. McQuary and daughter, Virginia Ruth, visited relatives at Lubbock over the week-end.

## 35-Mile REA Extension Probable in Norton Area

S. R. Hale, superintendent of the rural electric cooperative in this district, was in Ballinger yesterday and stated that contractors would probably finish work on section B in Coleman and Callahan counties by June 15.

This will release men for work in section C, adjacent to Winters and Rowena and in other parts of Runnels county. Mr. Hale and aides were here Wednesday en route to Norton to secure sign-ups for a 35-mile extension of the lines which would serve 160 additional patrons. If citizens of the community sign up at once or within 20 days the extension can be included in the present contract on section C.

Mr. Hale urges that citizens along the lines in every part of the county sign up for current as soon as possible. This will help speed the work and also make it possible for all to receive service at the same time.

Engineers will devote all their time to the work on section C as soon as section B is completed and finish preliminary details much quicker.

Good progress has been made in surveying and staking lines in the county with crews working out of Winters and Rowena.

## NAZARENE REVIVAL TO BEGIN SUNDAY

A week's revival will commence at the Ballinger Church of the Nazarene Sunday morning, June 4. Rev. O. A. Brown, pastor, will do the preaching and local talent will be in charge of the music. Services will be held each morning at 10 o'clock and each evening at 8:15.

The public is cordially invited to attend these services.

H. E. Fitzgerald, of Rising Star, visited friends here Sunday.

**HAS YOUR ADDRESS CHANGED RECENTLY?**  
Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.  
Under the new postal laws newspapers and periodicals must pay postage due in notices of any change in addresses furnished by the postoffice. Besides, there is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.  
The best plan for all concerned is to send the change of address in advance.

Runnels county crops are very backward this year due to most farmers planting late on account of lack of moisture. This will cause more hazards from insects because plants will be tender at the time insects are worst. Close watch is being kept for worms and insects that damage crops and poisoning campaigns will be initiated at the first sign of danger.

This nation is preparing for a loyal observance of Flag Week, June 8-14. With threatening war abroad, alien organizations at work in our fair land, and other influences fostered that detract from real patriotism, leaders believe the correct respect for the national emblem should be taught this year. Mayors have been called upon to issue proclamations for a special observance, newspapers asked to publish special editions, and preachers to conduct special services, at all of which the colors will be honored and old and young taught to have reverence for the Stars and Stripes.

Local business men look forward to many worthwhile accomplishments since a secretary has been employed by the Ballinger Board of Community Development and a fine organization formed to carry out a progressive program. Regardless of the ability of the new secretary, the interest of the directors and the work of the committees, if achievements are made it will be because of the cooperation of the entire community. The organization must first be financed and the many business men who are too busy to devote time to regular work for the organization can at least pay and lend their moral support. Any worthwhile project requires money and if the civic group has this support there are plenty of interested workers to put it over. It is the full cooperation of the entire citizenship that makes it possible for commercial organizations to progress and show accomplishments that all the citizens are proud of. Line up with the local B. C. D. and be ready to work and pay.

"My Skin Was Full of Pimples and Blemishes from Constipation" says Verna Schiepp. "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." British Army Shows Strength in Mimic Warfare

An anti-tank gun crew in action during recent exercises of the tank division at Aldershot, England, which were witnessed by many high-ranking army commanders. The exercises were part of mimic warfare games held recently to gauge army strength and to demonstrate preparedness. Other branches of the army demonstrated their might before British dignitaries.

WEST TEXAS NOTES

The biggest oil well in the history of Coleman county was brought in last week by the Anzac Company on the Morris ranch. The official gauge recorded 2,250 barrels a day. The new well is located in the center of a 2,880-acre block and other tests will be spudded soon to determine the area of the pool. Much excitement has been created by the new discovery and considerable trading in acreage is reported.

To rush work on the large lake under construction at Santa Anna the WPA office has announced that a double shift will be started at once to make six full days' work a week. Several heavy rains on the lake's watershed recently have caused considerable loss of time. Additional machinery is being moved to the location and will provide larger crews with employment as well as speed up the job.

A bond election held in the Wingate independent school district last Saturday to provide funds for the construction of a gymnasium carried 33 to 2. The election was for the issuance of \$4,000 in bonds which will be the district's part in the erection of the new gym. A PWA grant of \$11,000 has already been approved and may be used as soon as the bonds are printed and sold. H. G. Hamrick, superintendent of the Wingate school, actively campaigned for the project several months.

A bond election for road district No. 3 in Runnels county, which embraces commissioners' precincts Nos. 2 and 3, has been called for Saturday, July 1. At that time citizens will vote on the issuance of \$128,000 in bonds, part to be used in retiring indebtedness and the remainder for new work. A major portion of the construction proposed is for lateral roads.

Power from rural electrification lines was turned on at Millersview last Friday evening and a program celebrating the event presented. The oldest citizens of the community, Mrs. Daisy Barr, pulled the switch that sent the first current through the lines. Talks were made by Gus Barr, secretary of the Ballinger Board of Community Development, and Carlos Jones.

Eden citizens have launched plans for the annual ram sale to be held on August 8, 9 and 10. Buster Lockett and Scott L. Hartgrove were added to the board of directors and as fast as possible the program will be arranged and

publicity distributed all over the country. This event draws many buyers from a number of states every year and is one of the biggest sales in the state.

Improvements to be made in the Rising Star school system started last week with the gridiron turtle-backed and sodded. The old board fence will be replaced with a fieldstone wall. New seats will be added to make the park one of the best in district 8-A. A new building to be constructed will house home economics and vocational agriculture departments and a gymnasium.

Application has been filed with the WPA for a grant to build a \$42,000 school auditorium at Hammet. The project, to employ 100 men for ten months, would replace a building constructed in 1907. An appropriation also will be sought for a new football field with a stone wall around it and seating capacity for 1,000.

Ground was broken at Howard Payne College, Brownwood, last week for the first of eight buildings included in a program now underway. The first construction calls for expenditure of \$60,000 for a physical education plant and gymnasium. It is planned to finish the building before the fall term.

Fort Stockton officials received word last week of the approval of WPA allotments totaling \$15,587 for improvements at James Rooney Park. Pecos county is sponsoring the project and the WPA will pay for labor and part of the material costs. The golf course is to be enlarged to 12 holes, 3 more than at present, and the club house will be remodeled.

City health authorities at Brady have started a war on mosquitoes with W. F. Brunkenhoffer in charge of the work. Treatment of all sewer lines, standing water and breeding places on private property is included in the campaign. Citizens are urged to pour out water contained in cans about their premises.

After a study of the operation of a day nursery the Menard county commissioners' court has reported favorably on the project provided the city council and civic organizations will do their part. This will permit mothers with small children to work in the relief sewing room and on other jobs while the kiddies are being cared for in the nursery.

Plans have been completed for holding a flower show at Junction Saturday. Prizes will be paid for first, second and third place winners in each division. The state highway department will also arrange a wild flower exhibit in connection with the show. The show will be open to the public from 1 p. m. until night.

Notice to Creditors of the Estate of H. F. Jenkins, Deceased  
Notice is hereby given that original letters of administration upon the Estate of H. F. Jenkins, deceased, were granted to me, the undersigned, on the 2nd day of May, 1939, by the county court of Runnels County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address are McGregor, McLennan County, Texas.

Hints for the Farm  
Furnished by the  
Extension Service  
A. & M. College

Responsibility for beginning and carrying out a coordinated program of soil and water conservation under the recently enacted state soil conservation act is placed squarely upon the landowners themselves by the terms of the act.

This information went to Texas county agricultural and home demonstration agents in a letter prepared by C. Hohn, soil and water conservation specialist of the Texas A. & M. College extension service, and which contained a summarized explanation of the new act. The summary was drawn up by Paul Walser, state coordinator of the U. S. department of agriculture's soil conservation service who is stationed at A. & M.; M. R. Bentley, extension service agricultural engineer, and Hohn.

First step in starting the program—the election of precinct committeemen and selection of county delegates to the district convention, has already been carried out as a result of the elections of May 15. These delegates met in the five district conventions on May 22 and elected the members of the state board.

These board members met at Temple on May 29 and set up the state organization. In addition to the five elected members, the board consists of five advisory members—Dr. T. O. Walton, president of Texas A. & M.; Clifford Jones, president of Texas Tech; Robert Manire, state vocational agricultural director; J. E. McDonald, state commissioner of agriculture; and Walser.

In its May 29 meeting, and subsequent sessions, the board will consider the location of its office, creation of soil conservation districts, assistance to the districts and coordination of the districts, plans to secure cooperation and assistance of federal and state agencies, and the dissemination of information.

Districts may not exceed 3,000 square miles in size—slightly less than the area of Reeves county or Tarrant, Parker, Hood, Johnson counties combined—and the initial step in organizing a district comes in the form of a petition for election signed by any 50, or a majority of landowners within the proposed district.

Following such petition, the state board will hold a public hearing within the proposed district, and, on the basis of the hearing, may call for an election. A two-thirds majority of the landowners voting is necessary to

create a district. Districts may be enlarged by the same procedure. When a district is created, two supervisors are appointed by the board to secure a state charter and to provide for the election of three district supervisors. All supervisors must be landowners within the district and must be actively engaged in agriculture.

Supervisors may engage district employees as needed, will keep records, carry out control measures on state lands and on other lands with the consent of the owner, enter into cooperative agreements with governmental agencies and landowners, and present land-use regulations. Such regulations or ordinances, to be put into effect as binding upon the landowners within the district, must receive a favorable vote of 90 per cent of landowners voting upon them.

The district supervisors may also acquire, maintain, and dispose of property in the name of the district, administer erosion control projects, and require contributions in the form of services, materials, and so on from landowners.

Districts may be discontinued after five years upon petition of 50 landowners within the district and by simple majority of votes in the ensuing election.

Hohn pointed out that the summary necessarily left many points unexplained, and said detailed information concerning the operation of the state soil conservation law entailed a study of the act itself.

## Lusk-Butt Nuptials in Kerrville Sunday

In the presence of relatives and close friends, Miss Margaret Ruth Butt became the bride of John Robert Lusk, Jr., of Ballinger, in the First Presbyterian Church in Kerrville at high noon Sunday.

Pink and white were the colors chosen for the church decorations. Mammoth white gladioluses and ferns in tall floor baskets marked the ends of the beautiful altar arrangement. In between, were maidenhair and native ferns with low baskets of pink and white blooms. In front was a graceful mound of white French daisies arranged with sprays of pink and orchid statice. Spaced along the organ loft rail and on the organ were bowls of white feverfew and fern.

Miss Marguerite Crawford of Kerrville was at the organ for the wedding music. Before the service she played "Call Me Thine Own" and played the accompaniment for Mr. Charles H. Cornwell of Schreiner Institute, who sang "Because." For the processional she used the "Bridal Chorus" from Wagner's "Lohengrin," continued softly with "O Promise Me" while the vows were being spoken and went into the Mendelssohn Wedding March for the recessional.

The church pastor, the Rev. Paul Shepherd VanDyke, the bridegroom and his best man, Corkill Motley, of Ballinger, entered from the vestry and awaited the bridal party at the altar.

The maid-of-honor was the bride's sister, Miss Mary Ellen Butt, of Kerrville. She wore a sport suit of flesh pink shagreen with navy and fuchsia accessories. Her arm bouquet was of variegated pink and white carnations with fern.

As the bride entered on the arm of her uncle, Eugene T. Butt, of Kerrville, and by whom she was given in marriage, wedding guests stood and continued standing, according to a local church custom, until the impressive single ring ceremony was performed. The blond beauty of the bride was enhanced by her redingote frock

of white georgette over a pastel print silk. Her hat of white felt had band and long streamer of georgette. She carried an arm bouquet of shell pink gladioluses and fern. The ring given to the bride by the groom was a plain gold band worn for 63 years by the groom's late grandmother, Mrs. H. M. Bandy and handed down to him, the only grandson. The bride carried the handkerchief of linen and lace carried by her mother at her own wedding. Her only jewelry was a tiny gold cross belonging to her closest girl friend.

Ushers were Buzz Motley and Bruce Edwards of Kerrville. Mrs. Charles Butt, mother of the bride, wore gray marquisette with corsage of pink gladioluses, and Mrs. J. R. Lusk, mother of the groom, wore orchid lace with corsage of white carnations.

Mrs. Lusk is the eldest daughter of Mrs. Charles Butt and a member of one of Kerrville's real pioneer families. She is a graduate of the Kerrville High School, of Schreiner Institute, and of the Tyler Commercial College. Aside from her social activities she is well known for her church work and as a girl scout advisor.

Mr. Lusk is the son of Mr. and Mrs. J. R. Lusk and was born and reared here where he graduated from the Ballinger High School in 1930 having played end on the '29 football team. He attended Howard Payne College in Brownwood for 3½ years. He is connected with the Commercial Credit and Improvement Company in Corpus Christi where the couple will live following a short wedding trip to San Antonio.

The bride's grandmother, Mrs. Florence Butt, was hostess at luncheon to 75 guests following the wedding ceremony. The three-course menu was served buffet style from the dining room table laid in hand-made lace with centerpiece of pastel sweet peas, feverfew and queen anne's lace flanked by pastel tapers in candleabra. She was assisted by Mrs. Bessie Shand, Mrs. H. E. Butt, Mrs. E. T. Butt, Mrs. Ross Crawford and Miss Mary Ellen Butt.

## To Query Women All Over South

Touring Reporters have now asked over 1,200 women and girls of leading Southern Cities the now famous question: "Were you helped by CARDUI?" Averaging all replies so far shows that 98 out of every 100 users questioned declared CARDUI benefited them! Users by thousands are eager to tell how CARDUI has given them appetite; helped them gain strength; has thus relieved them of the symptoms of functional dysmenorrhea due to malnutrition. Many also say that, when symptoms indicate the need, CARDUI in larger doses helps "at the time" to soothe pain.

**Supper Club in Stowe Home**  
Mr. and Mrs. Jack Rudd and Mr. and Mrs. Felton Wright acted as emergency hosts for Mr. and Mrs. George Stowe last Friday evening when supper club members and friends as substitutes were guests in their home on Seventh Street.

Following the delectable supper, contract games were played with Mr. and Mrs. Rudd winning high couple score award. Included were: Dr. and Mrs. Oren Chandler, Dr. and Mrs. Edgar Boelsche, Messrs. and Mmes. Wright, Rudd, P. A. Cobden, J. G.

## One-Man Band Totals 14 Instruments

Elmer Trudgen, 26, of Morpeth, Ontario, Canada, is busy working on the mechanism which will enable him to add a base to his one-man band, bringing it to a total of 14 instruments. The pieces include a piano, violin, guitar, harmonica, two drums, two triangles, two sets of bones, cowbell, cymbal and chimes. He has worked on it for six years as a hobby.

Tuckey, Claude Collins, Jr., and J. C. Sturges, Jr.

### B. & P. W. Elects Officers

The Ballinger Business and Professional Women's Club met last Thursday evening at the Central Hotel for election of officers.

Miss Iola Clayton, retiring president, was in charge of the business period. Elected were: president, Miss Alida Macaune; first vice-president, Miss Evelyn Crowell; second vice-president, Miss Wynis Greer; secretary, Mrs. Fate Parker; treasurer, Mrs. U. S. Daniel; and parliamentarian, Miss Marie Norwood.

As the business meeting concluded Mrs. Parker was paged and taken to the flower decorated banquet room, where she was presented a shower of lovely gifts. Mrs. Parker, a recent bride, was the former Miss Winona Jones.

Refreshments of cookies and ice cream were served. Others included Misses Alta Parrish, Cora Hays Bettye Stewart, Vera Taylor and Myra Tankersley.

**Virginia Douglass Class Entertained**  
The Virginia Douglass Class of the Methodist Church School was entertained Thursday evening by Mmes. Arthur Underwood, S. R. Causey and Ray Tisdale in the Underwood apartment on Eighth Street.

Pretty mixed blooms decked rooms where Mrs. W. E. Moss was in the chair for the short routine business session.

A salad plate with iced tea was served by the hostesses to: Mmes. J. G. Douglass, Moss, Edward Sommer, H. G. Agnew, E. C. Tinsley, U. W. Johnson, Roy Miller, Henry Moody, Price Middleton, O. McCarstin, Fred Middleton; Misses Nina Crockett, Lurline Brookshier, Wayne Byler and Eugenia Baskin.

### Mmes. Layne Moreland and L. C. Daugherty are Hostesses

Mrs. Layne Moreland and Mrs. L. C. Daugherty were hostesses last Friday afternoon in the Moreland home on Tenth Street to compliment Mrs. J. Dexter Eoff.

An unusually pretty floral decoration of gladioluses and pansies was given to rooms where contests gave pleasant diversion. In games of bingo, Mrs. Eoff was winner and received the shower of gifts which was arranged on the lace-laid dining room table.

Favors for the plate of brick cream and angel cake squares lie in pink were corsages of pink and blue cornflowers.

Included besides the honoree were: Mmes. W. C. Ryan and Jim Eoff of Winters, Malcolm Morgan, Ross Smith, Ernest Moody, K. V. Northington, O. R. Lasater, Joe Flynt, E. C. Grindstaff, John A. Barton, Alex. Saunders, Tom Caudle, J. E. Dankworth, O. R. O'Neill, Ted Jones, A. B. Legate, W. E. Moss, Jack Nixon, Sr., and Miss Gladys Davis.

**Mrs. T. O. Powell is Honoree**  
Mrs. Arthur Crockett and Mrs. Phillips Bishop were hostesses last Thursday afternoon in the G. P. Teague home on Eighth Street, naming Mrs. T. O. Powell guest of honor.

Pomegranate blossoms and cornflowers decked rooms where group games gave entertainment. Mrs. Teague, as an insistent brush salesman, displayed her wares before Mrs. Powell, as the clever way of presenting gifts to her. The Tucker twins, Jannette and Annette, were heard in vocal selections during the serving of a fruit drink with sandarts.

Others included: Mmes. Myles Nixon, W. F. Harrell, Royal Bishop, C. W. Cheatham, L. C. Daugherty, Tom Gregg, Rothal O'Kelly, Allie Mae Hirschfeld, J. E. Powell, U. E. Hartman, J. B. Arthur, Herbert

Chabysek, Vernon Dankworth, Bill Duncan, Roy Hill, W. T. Crockett, Melvin Patterson, Wilson Middleton, Fred Middleton, Tommie Hall, L. J. Campbell, Orville Rose, Oscar Harber, W. A. Forgy, Jack Strickland, D. W. Hooper, Finnon Lawless, Bill Ueckert, Charlie Edmiaston, Thomas Hill, Frank Kemp, Cecil Kemp, Jack Davis, Mord Tucker, Arthur Dooze, Gene Morrison of Norton, Cap Barnett, J. G. Tuckey, Misses Bobbie Johnson, Mickey Bishop and Altha Lee Gill.

### Two Affairs for Mrs. Cecil Kemp

Members of the Baptist J. O. Y. Class went to the home of Mrs. Cecil Kemp on Seventh Street last Friday morning for one of their "galloping teas" which is a unique plan for group visiting.

They brought a surprise gift to their hostess and were served refreshments.

On Friday afternoon Miss Mickey Bishop and her mother, Mrs. Royal Bishop welcomed guests into living rooms decorated in pink and white blooms. The dining room table was laid in lace and centered with an arrangement of pink and white larkspur and queen anne's lace. Mrs. Rothal O'Kelly laded punch and Mrs. Phillips Bishop and Mrs. Leroy Seidel served cookies iced in pink and mints. Favors were pink cornflowers and fern tied in pink. As a reward for winning a game, Mrs. Kemp received a shower of miscellaneous gifts.

Others included: Mmes. Bill Duncan, Aubrey Patton of San Angelo, Otis Jacob, Bill Ueckert, Wix Currie, Jr., Claude Collins, Jr., Weldon Howell, Austin Harper, Wilson Middleton, Fred Middleton, T. O. Powell, A. J. Hendricks, Herman Hulse, Arthur Crockett, Tom Gregg, C. C. Davis, O. T. Toney, W. T. Crockett, A. F. Kemp, W. A. McDonald of Winters, G. P. Teague, B. F. Kemp, C. C. Lacy, Herbert Chabysek, Vernon Dankworth, J. B. Arthur, Paul Kirk, Finnon Lawless, H. S. Lewis of Robert Lee, E. F. Batts, Oscar Batts, Gene Morrison of Norton, J. E. Gressett, Lester Freeman, of Coleman; Misses Tootsye Freeman, Pauline Morley, Dorothy Teague, Bobby Johnson, Gladys Kemp and Opal Bradshaw.

### Surprise Birthday Affair for Mrs. C. J. Lynn

Mrs. C. J. Lynn received a pretty surprise compliment on her birthday anniversary Monday afternoon when Mrs. O. L. Parish, Mrs. J. C. Cook and Mrs. M. G. Justice included teachers of the Baptist primary department, of which Mrs. Lynn is superintendent, and members of her circle, entertaining in the home of Mrs. Parish on Seventh Street.

The pretty decorated birthday cake was placed on the dining room table laid in imported lace and centered with purple and pink larkspurs and queen anne's lace in a low crystal bowl. As Mrs. Parish concluded a brief talk in presenting gifts to Mrs. Lynn, the group sang "Happy Birthday."

The cake was cut and served with punch to: Mmes. Lynn, F. M. Hale, T. J. McCaughan, Justice, Cook, Ernest Moody, G. B. Nixon, Henry Doherty, Jim Flynt, R. P. Canady, E. H. Forgy, Wix Currie, Sr., George Kemp and C. W. Jennings.

**Baptist Althean Class Meets**  
The Baptist Althean Class assembled in City Park Tuesday afternoon for its monthly business and social meeting. After the business period, it was necessary to move to the church parlors on Eighth Street on account of rain. At the conclusion of the informal social hour, Mmes. G. W.

Lively, Delbert Vancil, G. A. Swann and S. M. Jonas served a picnic plate with iced tea to: Mmes. Ruth Bankston, L. R. Tigner, Henry Doss, R. T. Williams, H. B. Melton, C. W. Jennings, Woodrow Cox of Corpus Christi, Royal Bishop, J. F. Owen, L. B. Rudder, Everett Witter, B. C. Kirk, J. B. Arterburn, Fred Holliday and Clarence Morton.

### Houston Visitor Complimented

Mrs. C. H. McCall of Houston, who is house guest of her sister, Mrs. Ford Taylor, was honored by Mrs. Leonard Stallings Wednesday afternoon in her home on Eighth Street.

Beautiful red roses and lilies gave added beauty to rooms where Miss Virginia Holman won high score prize and second high award went to Mrs. Taylor. Mrs. McCall received a guest remembrance.

A salad plate was served with iced tea by Mrs. Stallings assisted by her sister, Mrs. Loyd Herring. Others included: Mmes. McCall, Taylor, J. C. Sturges, Jr., M. S. Patrick, W. B. Woody, John Hollingsworth, Tommy Hall; and Miss Holman.

### Other society items on next page

### DAVID BAKER IS HONOR STUDENT AT GALVESTON

Dr. and Mrs. W. B. Halley and Charles Bailey, Jr., and Mr. and Mrs. C. L. Baker left Monday evening for Galveston to attend commencement at the University of Texas medical school, where David Baker is graduating with highest honors for the 1939 class. David was an honor graduate of the Ballinger high school and at the university in Austin received scholastic honors which entitled him to membership in Phi Beta Kappa.

# IN SOCIETY

**Mrs. Joe Beck, Jr., Hostess to Club**  
The Beck home on Eighth Street was the scene of a pretty club party given Wednesday afternoon by Mrs. Joe Beck, Jr.

Floral appointments were used for contract games played in rooms decorated in roses, lilies and sunflower daisies.

A salad course with iced tea was served by Mrs. Beck assisted by Mrs. J. J. Beck and Mrs. George Stengel.

Prizes for high score and bingo went to Meses. James Parrish and Mrs. R. J. Hawk.

Included were: Meses. Hawk, Joe Eubank, W. B. May, Tommie Hall, O. L. Huddleston, Stengel, Bynum Britton, G. A. Swann, Parrish and Billie Cordill.

## Picnic for Baptist Junior Department

A picnic planned in the City Park for the Junior Department of the Ballinger Baptist Church was held in the church basement last Monday afternoon.

Mrs. E. P. Talbot, department superintendent, was assisted by department teachers, A. O. Bartlett, Mrs. Mattie Holliday, Mrs. R. E. Canady, Miss Elva Sykes, Ed Longefeld, Ernest Moody and Wix Curtis, Jr. in directing games for the 48 children present.

Adult guests were: Rev. and Mrs. Clarence Morton, Mr. and Mrs. Gale Dunn, Mr. and Mrs. E. C. Grindstaff and Mrs. Moody.

**Chicken Barbecue for Club**  
Members of an afternoon sewing club entertained Tuesday evening for their families with a chicken barbecue at the country club.

Following the delicious supper games of bingo were played. Those included were: Meses.

and Meses. George Stowe, E. C. Grindstaff, Billie Cordill, Levy Lee, J. D. Forman, J. A. Schnable, K. V. Northington, Neil McAlpine, H. J. Zappe, K. V. Jr., and Bobby Northington, Everitt James Grindstaff and Martha Neil McAlpine.

## Nazarene "Reds" Entertain "Blues"

Climaxing a membership contest in the Nazarene Sunday school the losing side entertained the winners at City Park last Thursday evening. Miss Billie Hendricks was captain of the winning group and Mrs. Ruth Turner was leader of the "red" group.

Group games provided entertainment and ice cream was served to 80.

Individual prizes in the contest were presented to Miss Minnie Lea Camp and Mrs. M. D. Freeman.

## BALLINGERITES TO SEE NEW YORK WORLD FAIR

Mr. and Mrs. E. H. Forgy and Miss Allee Smith will leave Saturday for a trip to the New York world's fair. They will be joined by Miss Smith's niece, of Memphis, Tennessee. They will go one route and return another, visiting Buffalo, Chicago, Niagara Falls, Washington, D. C., and Smoky Mountains national park. The party plans to take two or three weeks for the journey.

Mr. and Mrs. H. C. Lyon returned the first of the week from an extended visit with relatives and friends at Wichita, Kansas, and Terrell.

C. R. Stone transacted business at Abilene Wednesday.

## Puzzle: Find Your Congressman

Members of congress are typical New York World's fair-goers if this picture of more than 100 representatives and their families is evidence. They held a "special session" in a fair stadium to goggle at the daredevil demonstrations of Jimmie Lynch and his automobile death-dodgers. The camera wielding congressman at the left is not reporting for the Congressional Record.

## ATTEND GRADUATION PROGRAM AT SHAWNEE

Mrs. E. Shepperd and daughter, Miss Nell Shepperd, went to Shawnee, Oklahoma, Monday to attend the graduation exercises at the Baptist university in that city. Mrs. Berta Spooner, sister of Mrs. Shepperd, was to receive an honorary degree from the institution for outstanding work in the state in recent years. She has been at the head of women's activities for the Baptists of Oklahoma and was a leader in the construction of a new memorial dormitory at the Shawnee university.

Mrs. Shepperd and daughter will return home this week-end.

M. S. Patrick is transacting business in Dallas this week.

## Miss Lola Eubank To Leave Sunday On European Trip

Miss Lola Eubank will leave Ballinger Sunday for Dallas, where she will be joined by a cousin, Miss Lydia Eubank, for a tour of Europe this summer. They will embark at New York June 9 on the steamship Laconia, Cunard liner.

They will land at Liverpool for a tour of England and Scotland. The next leg of the trip will be a Scandinavian cruise to Hemmerfest, "the Land of the Midnight Sun," in the arctic circle. From there they will tour Norway, Sweden, Denmark and Holland, and go on to Brussels, where they will spend five days.

Next the young women are to take a train trip through Germany with a stop at Vienna. They will conclude their travels abroad with tours in Switzerland, Italy and France and will sail from Le Havre, France, on the liner Georgic August 19, and arrive in New York August 27.

Returning to the United States the Misses Eubank will visit Niagara Falls and other points of interest. Miss Lola Eubank will be at home before the opening of school here next September.

## BLANTON WORKERS' CLUB

The Blanton Workers' Club met Tuesday, May 23, in the home of Mrs. D. L. Brevard with twenty-five members and two visitors, Miss Alma Gallant and Mrs. James Reese, present.

The day was spent in doing fancy needle work and tacking a comfort for the hostess.

The club is glad to have Misses Juanita Huddleston and Mildred Brevard with them this summer.

The members will entertain their husbands with a picnic at the Ballinger city park Friday evening, June 2.

The next meeting will be held in the home of Mrs. C. F. Tounget on June 13.

## Card of Thanks

We wish to express our deepest gratitude to our many friends for their patient and endearing kindness to us during the illness and at the death of our darling husband and father. The floral tribute was greatly appreciated. May God bless each of you is our prayer.

Mrs. Carl Wilson  
Mr. and Mrs. Ernest Reeves and family. 1-11

## DR. TURNER ADDRESSES ABILENE GRADUATES

Dr. Frank L. Turner, president of McMurry College, Abilene, and former pastor of the First Methodist Church of Ballinger, was the principal speaker for the graduation exercises of the Abilene high school Tuesday evening.

Diplomas were issued to 309 seniors.

Read the ads—save money.

## Breath Bad, Logy? You May Need This

Just as the lighthouse flashes a friendly warning to sailors, so Nature sends out headaches, bad breath, biliousness, which often warn of constipation.

Too many misunderstand or neglect those symptoms and thereby may invite a host of constipation's other discomforts: sour stomach, belching, loss of appetite or energy.

Be wise. Take spicy, all vegetable BLACK-DRAUGHT tonight by simple directions and clear your bowels gently, promptly, thoroughly. This intestinal tonic-laxative helps give tone to lazy bowels.

The long life and popularity testify to BLACK-DRAUGHT'S worth.

## IMPROVEMENTS MADE AT MILLER LAUNDRY

The Miller Laundry has made improvements that makes it one of the most modern help-selfy laundries in this section. Eight new Maytag washers, bought from the local dealer, King-Holt Company, added this week replaced all old machines in the plant.

An air cooling system has been installed that will make the building comfortable at all times. This system gives a complete change of air every three minutes and adds no moisture inside the building.

A new hot water system will provide plenty of hot water constantly. A new boiler has been installed and tested and is ready for use.

Mr. Miller stated that he was striving to render the best service possible and to make his place comfortable during the hot summer.

Misses Jane and Caroline Cheatham visited relatives at San Angelo the past week-end.

Miss Bernice Simmons visited in Paint Rock the past week-end.

## BLACK BEETLES SAID DESTROYING COTTON

A number of complaints which indicate black beetles are eating young cotton have come to the office of County Agent John A. Barton this week. Mr. Barton urges that the following formula be used where damage is sufficient to require a campaign against these bugs:

Twenty-five pounds coarse bran, 1 lb. white arsenate, ½ oz. anise oil or 6 lemons and half gallon blackstrap molasses. Add water to wet.

Mix and scatter late in the afternoon where the beetles are doing damage. Twenty-five pounds will cover from 4 to 5 acres.

John Pearce came in this week to spend the summer with his parents, Mr. and Mrs. F. M. Pearce. He attended Hardin-Simmons University the past year.

Sue and Eddie Jane Holt, of Waco, are visiting relatives and friends here.

Miss Frances Gustavus has gone to Houston, where she will attend school this summer.

## FORMER BALLINGERITE DIES AT SAN ANGELO

W. A. Glenn, 86, died at his home near San Angelo Sunday night. He was a native of Texas and for many years was engaged in the gin business in Runnels and Coke counties.

Decedent at one time resided in Ballinger and is well known in this section.

Survivors include three sons, C. C. Glenn, Bronte; James Glenn, Maverick; Herman Glenn, San Angelo; three daughters, Mrs. Carrie Williams, Bronte; Mrs. Frank Guitlar, Waco; and Miss Gladys Glenn, Abilene.

Funeral services were held at Bronte and interment made in the cemetery there Monday afternoon.

Mr. and Mrs. Elmer Psenick and daughter, Miss Alice; Mrs. Viola Korenek and daughter, LaRue; and Miss Kathleen Mka, of San Angelo, visited in Midland and Odessa over the week-end.

Mr. and Mrs. E. A. Saunders and daughter, Martha, and Miss LaVerne Smith visited in the home of Mr. and Mrs. C. G. Jennings, of San Angelo, Sunday.

# HOT WEATHER BEAUTY HINT

Keep your family cool and your skin fresh with warm water!

## JUNE ONLY SPECIAL

For as little as

\$1 Down

\$1.90 Per Month

... you can own a modern automatic gas water heater

Warm water—one of your most valuable summer cosmetics. Used with a good mild soap to wash your face frequently, it will keep your over-active pores free from complexion-spoiling impurities. (Follow up with a dash of cold water to complete refreshing and refining your skin.)

Doctors recommend plenty of warm baths for the whole family also. Keeps them cooler, fresher and happier—avoids cold-water nerve shock (especially bad for children) and many adult summer stiffnesses in joints. Take advantage of our special June offer and modernize your hot water system now.

## 'Little Princess' Shirley's First Technicolor Picture

Celebrating Shirley Temple's selection by motion picture audiences as the No. 1 star of the

screen for the fourth consecutive year, Darryl F. Zanuck and 20th Century-Fox set out to produce Shirley's outstanding triumph. The result is to be seen in "The Little Princess," opening in midnight preview Saturday night at the Texas Theatre, where it will continue its Ballinger engagement Sunday, Monday and Tuesday, June 4-5-6. This production—in technicolor—according to enthusiastic Hollywood preview reports, is even greater than "Alexander's Ragtime Band," "In Old Chicago," "Kentucky" and "Jesse James," all from the 20th Century studios.

Adapted to the screen from Frances Hodgson Burnett's beloved classic of the same name, "The Little Princess" undoubtedly will be acclaimed not only Shirley's most memorable vehicle but also as one of the great pictures of all time. Included in Shirley's supporting cast are many of the most notable Hollywood favorites, headed by Richard Greene and Anita Louise.

The story of "The Little Princess" takes place in one of the most colorful periods of English history, when Victoria's long reign was drawing to a close and the empire was engaged in the Boer War.

In addition to Greene and Miss Louise, Ian Hunter, Cesar Romero, Arthur Treacher, Mary Nash, Sybil Jason, Miles Mander, Beryl Mercer and Marcia Mae Jones are also featured.

"Captain Fury" Co-Features Victor McLaglen and June Lang. With Brian Aherne, Victor McLaglen and June Lang playing the top roles, Hal Roach's "Captain Fury," frontier drama of Australia, will be shown at the Texas tomorrow (Friday) and Saturday. "Captain Fury" is the story of dauntless men and brave women who migrated to the barren brush country of Australia to hew a nation out of a strange wilderness.

Paul Lukas, John Carradine, George Zucco, Douglas Dumbrille and Virginia Field, featured in support of the starring trio, portray the strangely assorted characters who join in this march of progress in the pioneering days of the early 19th Century.

There are about 92,000 motion picture theatres in 96 countries throughout the world. Russia leads all countries with some 30,000, but most of the so-called theatres in Russia are workers clubs and halls where motion pictures are shown.

## Darkhorse Captures First Duck Derby

These Arcadia, Calif., ducks, under the supervision of their attractive trainers, were part of a large field of entries at the first annual duck race at Santa Anita racetrack recently. Members of this feathered quartet were heavy favorites when they waddled to the post, but none of them finished in the money.

## Realistic Prison Film Booked at Palace

Lewis E. Lawes, warden of Sing Sing prison for the past nineteen years, supplied the plot and factual background for the new Warner Bros. production, "You Can't Get Away with Murder," to be shown at the Palace Theatre Sunday, Monday and Tuesday, June 4-5-6. Humphrey Bogart heads the impressive cast.

It is a realistic picture of prison life, marked by several sequences which mount to pitches of terrific excitement and culminating in one of the most moving death scenes ever filmed.

Billy Halop plays the chief supporting role, and others who are prominent in the cast include Gale Page, Henry Travers, John Littel, Harold Huber, Harvey Stephens and Joe Sawyer.

The picture, which was adapted from a play written by Warden Lawes in collaboration with Jonathan Finn, presents Bogart in the most ruthless characterization he has ever been called upon to play in his brilliant career of screen villainy.

In the excitement of a daring attempt by Bogart and the boy and two other convicts to escape from prison, Bogart shoots the kid and asserts, when he is captured, that the youngster fell under the fire of the guards. But the boy still has a few gasps of life left, and in an intensely moving death scene he straightens things out.

## BETTER CONDITIONS BEING MADE IN TEXAS PRISONS

AUSTIN, May 31.—Long strides toward socializing the Texas prison system have been made in the last two years, University of Texas sociologists believe.

Asked by state officials to conduct an 18-month demonstration, the university bureau of business research in the social sciences examined and made thorough case studies of 2,509 while male prisoners from March 1, 1936, to August 31, 1937, including 2,195 new inmates, the third largest number admitted by any state in the country.

Final report of this project has just been issued as a university bulletin, "Classification in the Texas Prison System," by Carl Basland, psychologist for the program.

Preliminary reports caused the legislature at its last regular session to make the bureau of classification a part of the state prison system.

Findings of the investigators provoked segregation of first offenders from habitual criminals, young inmates from old, and have provided special custodial supervision for the small but vicious group of "public rats," the hardened criminal leaders, Mr. Basland pointed out.

Of the 2,509 inmates studied: Six hundred and thirteen were under 26 years of age and of good rehabilitative prospect.

Eight hundred and fifty-two had some previous criminal record and doubtful rehabilitative prospects.

Three hundred and twenty had a serious history in crime. Sixteen had records of past violence.

ousness, little regard for human life and general criminal activities—No. 1 "public enemies."

They found that 105 were feeble-minded, 27 others were homosexual and 153 were addicted to drugs.

Of the total, the research classifiers recommended 400 inmates as mentally and socially capable of handling specific trade assignments for special trade training to prepare them for return to useful "free" society.

"Of those assigned all except three or four worked out successfully," Mr. Basland said.

The university investigators recommended construction of a separate unit for housing homosexuals, physically-defective, and old-age groups.

As the board of pardons and paroles is making use of the bureau's case studies and records in many cases, Mr. Basland predicted that few of the second or habitual criminals would receive early release by clemency.

## DAIRY AND CREAMERY PRODUCTS CLIMB UP

AUSTIN, May 31.—Texans consumed 775,000 gallons of ice cream, 2,556,000 pounds of creamery butter and 1,463,000 pounds of cheese, to drive the state's dairy industry to a production far above that of March, University of Texas business investigators said today. Drouthy conditions and a late season, however, kept activity to a level much below that of April last year.

Warmer weather in recent weeks coupled with relief of rains tends to improve the situation, they added.

Manufacture of ice cream, which reflects urban consumer conditions rather than production conditions which primarily influence butter and cheese output, gained over both March and April, 1938. Production is estimated by the university bureau of business research at 21.2 per cent over March and 11.5 per cent above April last year.

Creamery butter production jumped 31.7 per cent above March but dropped 29.3 per cent from April last year. Manufacture of cheese was estimated at 50 per cent over March but 37.9 per cent below April, 1938.

The assessed valuation of New York real estate is \$16,850,287,000.

## CAN YOU AFFORD TO BE SICK?

There is never a "convenient" time to be sick. Now, more than ever, it is important to conserve your health and strength. Do not neglect even the slightest disorder. Consult your doctor at once. And, remember, his prescription is safe in our hands. This store specializes in compounding "Reliable Prescriptions" from high-quality, potent pharmaceuticals.

## W. C. Fields and Charlie McCarthy in Fast Comedy

Hilarious comedy sequences deftly woven into a powerful story stamp Universal's "You Can't Cheat An Honest Man," as one of the year's best screen offerings.

Heading the cast of the picture, to be shown at the Ritz Theatre in midnight preview Saturday night, and on Sunday, Monday and Tuesday, June 4-5-6, are W. C. Fields, Edgar Bergen and Charlie McCarthy. They are rated as Hollywood's top comedy combination—and they certainly live up to their reputation.

Highlighting the film is the bitter feud between Fields and his wooden nemesis, McCarthy. Their battle reaches new heights of potency and comedy in "You Can't Cheat An Honest Man."

Charlie pops up with a black eye, instigated by Fields, and has to do one of his acts in black-face so the discolored orb won't be noticed.

The attractive Constance Moore, playing her first major role, gives a brilliant performance. Mortimer Snerd is back again too.

A brand new face seen on the screen for the first time is that of Princess Baba. Another newcomer is Blacaman, Hindu animal hypnotist, who performs some amazing feats with lions and crocodiles. Mary Forbes and Thurston Hall are well cast as James Bush's parents. John Arledge gives an excellent account of himself as Fields' son. Charles Coleman is seen in one of his never-to-be-forgotten butler roles. Edward Brophy, Arthur Hohl and Eddie Anderson are cast as a union representative, bill collector and Fields' colored helper, respectively.

## 1939 SO FAR HAS BEEN GOOD FOR MOTOR SALES

AUSTIN, May 31.—The first four months of 1939 have been prosperous ones for the motor vehicle dealers, the University of Texas bureau of business research announced today. Passenger car sales gained 27.4 per cent over the corresponding four months last year, and commercial cars gained 17.5 per cent.

Registrations in fifteen representative Texas counties reported to the bureau showed that during April, however, passenger cars dropped 31.4 per cent and commercial cars 26.6 per cent from March. Substantial gains, of 30.1 per cent and 11.9 per cent, respectively, were recorded, however, in comparison with April last year.

Claude R. Stone, Jr., is at Sherwood for a visit with relatives.

## TEXAS MEMORIAL MUSEUM ATTRACTS MANY VISITORS

AUSTIN, May 31.—Fifty thousand and eight-seers have passed through the great bronze doors of Texas Memorial Museum since its opening four months ago, officials revealed here today.

Dr. Sellards, museum director, reported that visitors from 207 Texas counties, 44 other states and 19 foreign countries have viewed the state's greatest collection of Texana, located on the University of Texas campus.

Only the states of Delaware, Nevada and New Hampshire were as yet not represented on the visitors' register. From as far as Australia, Siberia and China, foreign visitors had passed in Austin to view museum exhibits.

Seats for Jenny Lind's first concert at New Orleans in 1851 sold for as high as \$240 each. Every performance was a sell-out.

French wine producers are concerned over the relatively low demand in the United States for their products.

Federal gift taxes brought in \$34,698,000 revenue in 1938.

Miss Gladys Kemp returned this week from Abilene, where she attended Hardin-Simmons University the past term.

# DEATHS

**Carl Wilson**  
Carl Wilson, 67, pioneer of Runnels county and a veteran of two wars, died at his home in the northern part of the city Tuesday morning at 2:30. He had been ill several months and for the past several years was confined to his home with no chance of recovery.

Decedent was born in Gibson county, Tennessee, on March 18, 1872, and came to Texas when he was only six years old. He moved to Runnels county 50 years ago and made home here ever since. Back in the days of the open range Mr. Wilson cooked on ranches of this section and was a familiar figure around the chuck wagons of many a cowboy crew. He continued this work until ranches were cut up and large crews no longer required for their operation.

Mr. Wilson volunteered for service during the Spanish-American War and served the full enlistment. When the United States entered the World War he again volunteered for the army and served overseas from November, 1917, until February, 1919, with company A, 25th engineers. Following discharge from the army he returned to Ballinger and enlisted in the Texas national guard, serving company C, 142nd infantry, as mess sergeant for two enlistments. In 1933 and 1934 he was justice of the peace of precinct No. 1, Runnels county, and since then had been in failing health. After retiring from public life he spent time in the U. S. veterans' hospital at Muskogee, Oklahoma, returning home to await the result of his incurable disease.

Survivors include only the wife. There are many friends in this immediate section, however, who feel as close to decedent as though he were a relative.

Funeral services were held at the King-Holt chapel Wednesday morning, Rev. Clarence A. Morton officiating. The American Legion post and company C, 142nd infantry, provided the military rites at the graveside in the Runnels cemetery, where decedent's father was buried 40 years ago.

Pallbearers were Austin Williams, Garland Nunn, Hal Nunn, Neal Nutt, Hugh Parrish and A. T. Buchanan.

King-Holt Funeral Home was in charge of arrangements.

**Mrs. Otto Vogelsang**  
Mrs. Otto Vogelsand, 86, died at the home of her daughter, Mrs. Jim Jones, 800 Tenth Street, Wednesday at 3:45 a. m. Mrs. Vogelsang had been in failing

# British Rulers See Repulse of 'Enemy'

King George VI, second from left, and Queen Elizabeth are shown watching an anti-tank rifle in action repulsing an "enemy" attack in a sham battle at Stony Castle, Aldershot, England. The king pored over maps with the field commander, while the queen listened intently to the explanation of Britain's latest defense technique.

health due to her age but only became really ill Wednesday, death following in a few hours.

Decedent was born in Bastrop county in 1853 and was married there on December 26, 1871. She came to Runnels county in 1892 and the family settled near Hatchel, where they resided for many years, later moving to Ballinger to make home. The husband died on April 16, 1929, and is buried in the local cemetery.

Of ten children, five survive, as follows: Mrs. Frank Marburger, San Antonio; Mrs. Fred Pruser, Winters; Mrs. J. M. Jones, Ballinger; Mrs. R. C. Henson, Brady, daughters; and one son, Monroe Vogelsang, Dallas. Other survivors include 15 grandchildren and 15 great grandchildren.

Funeral services were held at the King-Holt chapel this (Thursday) morning, Rev. Dwight A. Sharpe officiating. Interment was in Evergreen Cemetery.

Pallbearers were Willie Stephens, Rothal O'Kelly, Frank Cameron, H. J. Zappe, Gerald Black and J. E. Smith.

King-Holt Funeral Home was in charge of arrangements.

**Jim Escobar**  
Jim Escobar, 16-month-old son of Trinidad Escobar, died at the family home here Friday evening at 7 o'clock. Funeral services were held at the Mexican cemetery Saturday afternoon.

King-Holt Funeral Home was in charge of arrangements.

## BALLINGERITES ATTEND H. S. U. HONOR STUDENTS' REUNION

Mr. and Mrs. C. R. Stone and Ernest R. Sublett attended the reunion for winners of the Olsen award at Hardin-Simmons University, Abilene, last Wednesday. The affair was held in the home of Dr. Julius Olsen. A medal is given for the best scholastic record in each graduating class for a four-year period.

The first award was made in 1915, T. N. Carswell, of Abilene, winning it. The second medal went to Mrs. Stone, then Miss Lucille Tolson. Of the twenty-five winners, nineteen now live in Texas, and all these were present at the meeting Wednesday. Mrs. Dan Moody was winner of the third medal awarded and attended the reunion.

## PAUL GIBBS WILL OPERATE TEXACO FILLING STATION

Coach Paul Gibbs will remain in Ballinger this summer and operate the Texaco station on Broadway during the vacation period. Mr. Gibbs leased this station several months ago and employed an operator until the close of school. He took over the active management Monday and will add new lines to the service already offered.

## BALLINGER GIRL TO ATTEND MEETING AT RIDGECREST

Miss Genevieve King will leave Monday for Ridgcrest, North Carolina, where she will attend a meeting of the Baptist Students' Union Convention. Miss King, who is the delegate from Mary Hardin-Baylor College, Belton, was president of the school's campus group last year.

Miss King recently painted a huge poster, 8 by 10 feet, to be used in the exhibits showing Texas schools that participate. The theme is a huge Texas blue-bonnet in which are about 30 schools of the state. She will return home about June 15.

## Jack Nixon, Jr., left Tuesday morning for Dallas to attend to business.

Mrs. T. P. Reed, mother of Mrs. O. C. Sykes and Mrs. Lee Sykes, is visiting relatives and friends in Arkansas and Green Bay, Wisconsin.

## Mrs. M. B. Healer spent the past week-end with relatives and friends at Lampasas.

# Ballinger Lions To Elect Officers Tomorrow Noon

The Ballinger Lions Club will hear a report from its nominating committee at the luncheon meeting tomorrow (Friday) noon and elect officers for another year. Those elected will assume their duties at the first meeting in July.

The nominating committee, composed of W. A. Purifoy, M. A. Foy and Ross Causey, was appointed last Friday to report tomorrow on men for the offices of president, first vice-president, second vice-president, secretary-treasurer, Lion tamer and tail twister.

R. J. Hawk made an interesting report last Friday on the San Antonio conference. Mr. Hawk was the delegate of the Ballinger club and had the distinction of casting the deciding vote for the man chosen district governor.

This club has an active membership committee, appointed annually by the president, and the personnel is kept secret from the other members. During the past year the club has made remarkable growth and now has an active membership of 35.

The Lions have assisted the county health nurse in securing glasses for a large number of indigent children and have done other good work.

Rev. Wallace Jones began the year as president and served until he moved to Borger. Since then Mr. Hawk has served in the executive capacity.

## OLDFEN GIRLS' 4-H CLUB

The Oldfen girls' 4-H club's last regular meeting was held in the community hall May 19 and important business was discussed. Several members displayed their dresses and slips and others made interesting reports on their progress with club projects.

It was decided to hold a style show in the assembly hall of the new school on June 2, at which time all members will wear dresses made in their wardrobe projects. The public is invited to attend.

Mercedes Faltisek and Gladys Block were selected to attend the short course at College Station.

## BALLINGER AND OLDFEN TEAMS TO PLAY BALL HERE SUNDAY

Ballinger and Oldfen baseball teams will clash at Fair Park Sunday afternoon. The Ballinger club is one of the fastest in several years and is providing some fine entertainment for the fans. The line-up Sunday afternoon will be one of the best to take the field this season.

Oldfen also has a strong team and has been making it tough for all opponents. Admission is 25 cents and women can enter free.

The Ballinger management has announced the following line-up: Burk, rf; Partridge, ss; Crockett, 3b; H. Hampton, lf; Morris, cf; Seay, 2b; Sharpes, 1b; Gomez, c; Wells, Virden or Burk, p.

## PREPARATIONS BEING MADE TO COMPLETE OIL TEST

G. U. Phillips, of Breckenridge, returned here this week and started preparations to drill deeper on the W. J. Fowler oil well near Ballinger. Work has been halted several weeks because of engine trouble but the machine has been rebuilt and as soon as some leases can be made, work will be resumed and the operators expect to complete the test.

Mr. and Mrs. Phillip Wilson have returned to their home at Carmel, California, after a two weeks' visit in the home of Mr. and Mrs. J. Y. Pearce. They had been away from this section for about 30 years but were highly pleased with the growth and progress and still like West Texas.

# \$10,941 in Checks--

(Continued from page 1)

1939 program.

Mr. Hill has sent a letter to every farmer in the county warning about growing sweet sorghums as a soil conserving crop. Some have planted doubtful varieties which are classed as grain sorghums, expecting to class them as sweet sorghums. There is a heavy penalty for planting the wrong kind and any person in doubt should confer with someone at the AAA office and be sure. In letters mailed farmers this week all grain sorghums are listed as sweet sorghums as defined by the state agricultural experiment station in a separate group.

## 2,047 STUDENTS GIVEN DENTAL INSPECTIONS

During the school year just concluded, Runnels county dentists assisted by the county nurse, Miss Sarah Harwell, made inspections in 40 schools, looking at the teeth of 2,047 children. A total of 1,204 were in need of dental care and since the examinations 297 have reported for corrections.

After the inspections parents were notified of the condition of their children's teeth and when anything was wrong, urged to take action. Miss Harwell asks all parents who received notice of defects in the teeth of their children to have the work done during the vacation period.

Miss Imogene McKown has accepted a position with the Bettis & Sturges Store as bookkeeper and saleslady. She has been with the Bob Tunnell store for the past year.

R. A. (Dick) Wagner, San Angelo typewriter dealer, who is often in Ballinger, called here Tuesday and said he was leaving soon on an automobile trip to the New York world's fair.

# 4-H Club--

(Continued from page 1)

ably will be the last week in July or the first week in August.

Each club will nominate one of its members as a candidate for a gold star girl. A committee will score the work of these girls this month and one will be certified to the state department to receive the honor.

During June 4-H club girls of the county also will hold their annual rallies and style shows. These special programs will be held on regular club assembly dates and Miss Tankersley will attend each meeting. At the exhibits will be examples of work done by the girls the past year.

and interested citizens of the communities are invited to attend. Some of the clubs plan style shows and modeling of garments made by the girls and others will hold teas with displays of the members' work in connection. All demonstrators will make their annual reports.

On June 17 the county home demonstration council will meet in Ballinger to choose four delegates to the short course and set the dates for the club women's annual encampment.

Mrs. A. B. Fields is at home after a visit with relatives and friends at Lampasas.

Mr. and Mrs. D. W. Hooper spent the week-end at Marble Falls, visiting relatives and friends.

# We Thank the Clergy

Our contacts with the clergymen in this community are frequent. We have reason to be grateful for their selfless devotion to humanity, their reverent idealism and sincerity. By their acts and deeds these men of God set a splendid example for the rest of us to follow.

May we, then, thank them here for the many gracious services they render to us and to the community at large. Steadfast in adversity, they carry their many duties without complaint or reward. This world would be a finer world if more men shared their noble spirit.
