

THE BALLINGER LEDGER

Red Cross War Relief Drive Goes Over Quota

A check-up of the Runnels county Red Cross war relief campaign was made Wednesday morning which showed the amount already well over the quota and a number of communities not yet reported and many incomplete.

This county's quota was \$3,400, and cash in hand Wednesday was \$3,519.44.

E. Shepperd, local chairman, said a check for \$100 was received from the Humble Oil Co. this week to boost the Ballinger contribution to the high mark for this county, \$1,776.25.

J. D. Motley, chairman for the north end of the county, made a partial report of the campaign in that section, the drive in none of the places being completed. His report showed \$941.17 raised, and Mr. Shepperd's report for the south end of the county showed \$2,578.27 to make the county total over the top.

Mr. Shepperd's report included the following:

- Ballinger, 1,776.25
- Miles, \$211.55
- Benoit, \$143
- Crews, \$100
- Olson and Greenwald, \$100.67
- Maverick, \$82.15
- Hagan, \$15
- Bethel, \$107.55
- Blanton, \$42

Rowena has not made a report but committees there have about completed their work and will report this week-end.

Mr. Motley's report included the following:

- Winters, \$647.10
- Victory, \$42.40
- Independence, \$33.89
- Pumphrey, \$81.43
- Dale, \$47.10
- Drasco, \$41
- Hatchel, \$3
- Harmony, \$2.50
- Wilmeth, \$42.75

Wingate, Cochran and Token had made no reports the first of the week but had started work.

All the above money is in addition to more than \$1,800 raised during the annual roll call in November. Runnels county was asked for a membership of 1,200 for 1942 and a final check up was completed this week, showing a total of 1,653 members reported from the county to national headquarters. In addition to the members there was approximately \$250 in donations made to the organization.

The membership by towns and communities is as follows: Winters, 561; Ballinger, 517; Rowena, 75; Blanton, 67; Wilmeth, 51; Miles, 50; Norton, 46; Wingate, 46; Victory, 33; Hatchel, 30; Dale, 29; Pumphrey, 23; Independence, 23; Olson, 22; Drasco, 22; Maverick, 18; Harmony, 14; Cochran, 11; Dry Ridge, 8; Hagan, 7.

Postal Receipts At Local Office Gain During 1941

Postal receipts at the Ballinger office for 1941 were the best in the history of the postoffice with gross receipts \$24,748.50 as compared with \$21,728.72 for 1940, a gain of \$3,019.78.

December was particularly heavy for the local office, receipts for the month amounting to \$3,167.30. November receipts were \$2,059.49 and October \$2,786.87, making a total of \$8,013.66 for the last quarter of the year.

Employees of the local office handled a large volume of Christmas business, including letters, cards and parcel post, and did the same in an excellent manner. All mail was worked, special deliveries and outgoing mail despatched on time each day. Training behind schedule made job especially hard for the limited crew of employees.

A complete record of postal receipts for the year and a comparison with 1940 follows:

First quarter	\$ 5,099.40	\$ 5,180.30
Second quarter	5,451.36	5,146.96
Third quarter	5,582.88	4,980.32
Fourth quarter	8,614.86	6,421.12
	\$24,748.50	\$21,728.72

SINGING PROGRAM TO BE PRESENTED HERE SUNDAY

All singers of Ballinger and Runnels County are invited to attend a singing at the Eighth Street Presbyterian Church Sunday, January 11, at 2 o'clock in the afternoon. All singers and lovers of music are invited to attend.

Ballinger Cadets Will Get Basic Training At Goodfellow Field

The second class of cadets at the Harman Training Center, Bruce Field, will complete their primary work next week and an announcement has been made that they will be sent to Goodfellow Field, San Angelo, for their basic training. Lieut. D. E. McIntire stated today that the men probably would leave here either Friday or Saturday of next week.

The following week-end, about January 24, a new class of 115 cadets will arrive at the field here to begin work. Information as to where they will be shipped from has not been received locally.

The graduation dance for the second class will be staged Saturday night at the city hall auditorium by the under-classes as the last social affair for the men completing their primary flying.

Fair progress has been made on new barracks, but cold weather and shortage of material has delayed construction work to some extent. Weather has also caused some delay in work at the field this week but training has continued with little interruption.

Runnels County Men Volunteer for Duty With Armed Forces

Since the declaration of war on December 8 a number of Runnels county men have volunteered through the local draft board or at some regular army or navy recruiting station and the local board has been advised of their induction.

Archie Leo Wallace, Ballinger, enlisted in Dallas and has been assigned to the regular army. The local board received notice of his enlistment Tuesday morning.

Davy Woodrow Crockett, Norton, is now in the regular army, signing up at the Dallas army recruiting station in December.

Marvin Fritz Rose, Rowena, has been accepted in the U. S. navy and the board advised of his military status this week.

Noel Fagan, Norton, is in the naval reserve and will receive assignment as soon as training is completed.

Claudell Wheeler, Winters, has been assigned to the regular army after volunteering in December.

Roscoe Ward Bartlett, Winters, has enlisted in the navy and is now in the service.

Benny Blackmon, Winters, volunteered for the regular army at Dallas and has been assigned to duty.

Charles Elliott Flanagan, Ballinger, has been accepted in the army by the volunteer route.

Jack Ennis Chisholm, Ballinger, has volunteered for service in the army and has been accepted.

Dale Brown, Ballinger, has been assigned to the air corps after volunteering for the army.

William F. Shoffett, over the 28-year-old group, has volunteered through the local draft board for service in the army.

Herbert C. Vinson, Winters, has also volunteered through the local board for service in the army.

A number of those younger than the present draft age, have volunteered recently for the various branches of service. Announcement was made this week that Victor Miller, Jr., had been accepted in the air corps at Goodfellow Field, San Angelo, and would be sent to Randolph Field, San Antonio. Others have volunteered and have not been reported because they were either over or under the draft age.

TEXAS ALMANAC AND LEDGER IN CLUB RATE

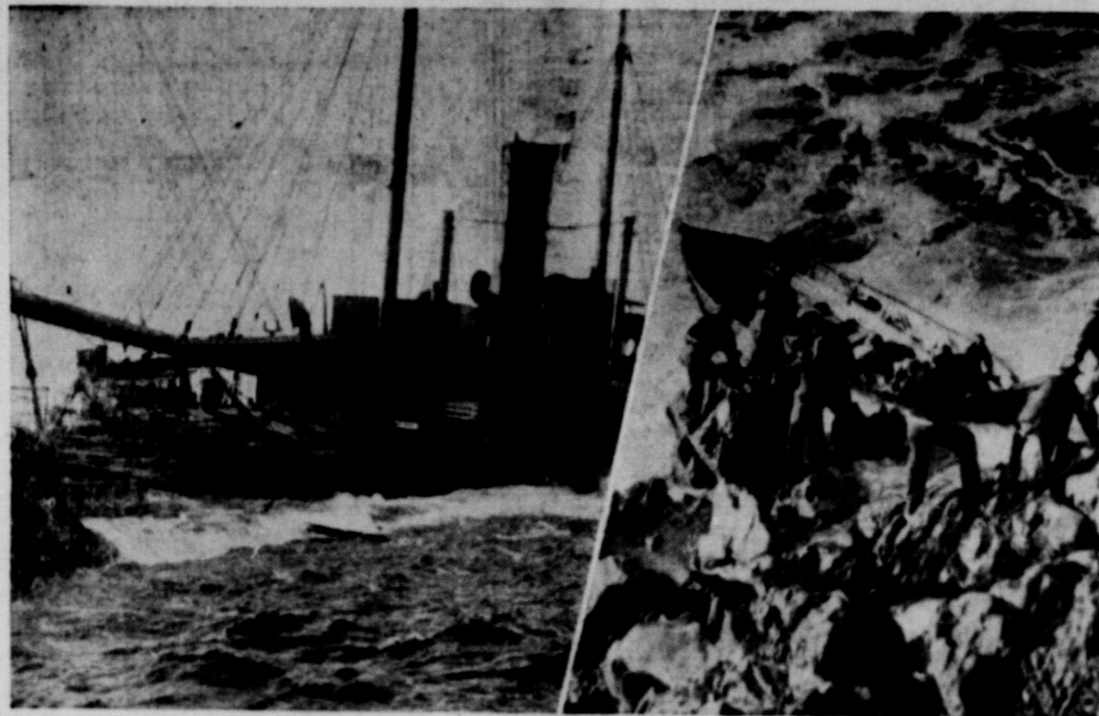

Until the supply is exhausted we will make a special offer to our subscribers, giving The Ledger for one year and a new 1942 copy of the Texas Almanac, both for \$1.50.

We have a good supply of this 576-page almanac which includes a new map section and a vast amount of information.

Get your county paper and this valuable book at once.

Alvin Simecek has returned to his school work at A. & M. College after a Christmas visit with his parents, Mr. and Mrs. John Simecek.

Victims of Jap Subs on California Coast

At left, the 5,698-ton freighter Absaroka, hit by a Jap torpedo off the California coast, is shown, with deck awash, as she made some port. One crew member was killed. Right: This photo pictures the thrilling landing of part of the crew of the tanker "Montebello," which was sunk by a submarine off California. Here a lifeboat bobs in the boiling surf, dangerously close to the rocks, as rescuers throw men a line.

Fire Loss in Ballinger For 1941 is \$26,721.93

The fire loss in Ballinger for 1941 was shown at \$26,721.93 in the annual report of the department made to the city commission. The value of buildings affected by fire during the year was given at \$120,000.00 and insurance carried amounted to \$88,614.00.

During the twelve-month period there were 34 fires which required many hours of fire fighting and the laying of 15,350 feet of hose. In addition considerable chemical was used both in town and in territory near Ballinger.

The department had thirty members on the roll during the past year and the best attendance record in the history of the department. At fires, meetings and drills there were 19 men who had a 100 per cent attendance record. Others ranked high to give the entire department an average attendance of 92 per cent.

During the year the department was represented at all conventions, firemen's schools and other gatherings of importance. Regular reports were made to the insurance department and the regular fire prevention campaigns conducted.

The department in conclusion of its annual report urged people to eliminate fire hazards from their homes. They stated that there were no hazard-free homes and the elimination of such will make possible a better fire record.

Eleven Directors Will be Elected To B. C. D. Board

The directors of the Ballinger Board of Community Development were in session Monday night to transact business in connection with the closing of the year's work and the starting of a new year.

The first item of business was the naming of a nominating committee, composed of Harry Lynn, Neil McAlpine, and Nat Williams, who will select twenty-two names from which eleven new directors will be elected. These names will be sent to all members of the organization on a post card ballot and each member will vote for the eleven of their choice and return them to the office of the B. C. D. for tabulation.

Discussion was started in regard to the annual banquet which will officially close the year's work and begin the new year. The regular program and entertainment committee were instructed to begin work of securing talent for an outstanding program and other committees are to be named to look after arrangements for the banquet, ticket sale and other work.

Gus Barr, secretary-manager of the B. C. D., and P. A. Cobden, president, will begin work on their annual statement to the membership which will present accomplishments of the past twelve months, one of the busiest years in the history of the local organization.

J. C. Sturges was ill the first of the week and confined to his home.

Caskey Chairman Of Red Cross Unit In Runnels County

T. E. Caskey was elected chairman of the Runnels county chapter of the American Red Cross at the annual meeting of the board held Wednesday morning at the court house. J. G. Tuckey was elected secretary-treasurer and other places will be filled after several conference are held and suitable people found who will be willing to serve during the current year.

One of the most vital appointments to be made will be the Red Cross production chairman. This place has been held by Mrs. W. O. Wallace for the past two years and she has tendered her resignation to take effect as soon as a successor is found.

Mrs. Wallace attended the meeting Wednesday and stated that she would continue to serve for a short time and until women could be found to take charge of the work. A plan is being discussed to form three or four centers in the county with a production chairman in charge of each and in the future that each accept a part of the quota for sewing and knitting and be responsible for its part. This will put the work closer together, may provide work centers where materials can be handled and finished garments stored. A meeting will be called of interested ladies within the next few days to form plans for the work in 1942.

No official quota has been accepted by this county to date, but yarn has been ordered and a knitting program will be started within a short time.

Mr. Caskey will appoint other chairmen within a short time which will include the roll call chairman, publicity, citizens aid, first aid, nursing service, disaster, life-saving and other special jobs which may be assigned to the chapter during the year.

Political announcements will be in order shortly and while there has been little talk of candidates for the primaries this summer, the present county and district office holders are getting ready to make their formal announcements for reelection and the first will likely appear in The Ledger next week.

As political announcements begin, it will be a reminder that all people should pay poll taxes and have receipts giving them the right to vote during the year. These taxes can be paid all during the month of January.

Mr. and Mrs. J. D. McNutt returned Friday from a holiday visit to Kenney and Brenham.

Misses Nora Dorothy Tefs and Daisy Deane Sequest, of Mason, spent Sunday in the home of Chief of Police and Mrs. J. D. McNutt.

Mr. and Mrs. Alvin Jacob and daughter, Sue Ann, were visitors in the home of his parents, Mr. and Mrs. O. K. Jacob, the past week-end. Mr. Jacob has been transferred from Nacogdoches to a new station just established at Junction for the state highway patrol.

Runnels County Tire Rationing Board Named

Legion and Ladies Eat Army Rations At Joint Meeting

Members of the American Legion and Auxiliary were in session Monday night at the city hall in the first session to be held by the veterans since America's entry into the war. The meeting opened with a typical army supper for both men and ladies served in the fire station. The meal consisted of army stew, better known as "slum" with the necessary trimmings.

Following the meal the group went to the auditorium where a short program was presented to the mixed group. This program opened with the singing of war songs of 1917 and 1918 and was followed by a talk by the Rev. Jim Johnson. He pointed out many ways in which civilians could be of help in the big task ahead and told briefly of plans for a "minute of prayer" each day. Many church groups have called upon their clergy to take the lead in their congregations to cause all Americans to stop for one minute at 6 o'clock each evening to offer one minute of prayer.

Business sessions were held with each group meeting separately. A number of important reports were heard in the Legion meeting which included a complete check up of the aircraft observation service, the home defense guard and other matters sponsored by the Legion in this territory.

A McGregor was named assistant adjutant to assist with F. A. Lawrence in this work. Mr. Lawrence being stationed at the airport made it inconvenient for other officers to contact him in rushes and Mr. McGregor will keep the record at his downtown office and attend to other matters.

C. A. Dawson, a member of the post at Throckmorton, but recently sent to Ballinger to be agent at the Abilene & Southern office, was present and asked for a transfer of membership. He is also a major in the Texas defense guard and was placed on the reserve list when he was transferred here.

In business session members of the Auxiliary made plans to send a treasure box to Waco to the veterans' hospital. Included in the box will be about 40 separate items from members and the organization will include a \$10 cash gift. The box will find its way to some soldier in the hospital.

A general discussion was held on how members of the Auxiliary could cooperate with civilian defense and in production work of the Red Cross.

Drills have been announced for Ballinger firemen for the month of January. Meetings are being held each Tuesday and Thursday nights with special training at each session. The first meeting was held Tuesday evening with a demonstration in salvage work with covers as the general theme. The remainder of the schedule is as follows:

January 8, gas masks and their uses

January 13, small tools and knots and hitches

January 15, hose and streams

January 20, first aid

January 22, ladders and their uses

January 27, ventilation

January 29, chemicals.

REGULAR DRILL SCHEDULE ANNOUNCED BY FIREMEN FOR MONTH OF JANUARY

NOTICE TO RED CROSS PRODUCTION WORKERS

All workers interested in Red Cross production, especially those from sewing clubs, organizations and communities outside Ballinger, are asked to meet at the city hall here Friday afternoon at 4 o'clock. A general discussion of the new production work will be heard and plans made for future war relief work.

A new production chairman will be elected and other business attended to.

All those making snow suits and rompers are urged to turn them in at once.

Mr. E. E. King spent the past week-end in Waco, visiting her brothers, W. A. and E. E. Holt.

Reliable and Courteous Service

Ambulance Service Telephone 440

The Runnels County tire rationing board was set up here Friday afternoon when Mayors C. P. Shepherd, of Ballinger; T. A. Smith, of Winters; and W. F. Beavers, of Miles, met here with County Judge E. C. Grindstaff for the purpose of naming three men. The board to handle the work in this county is composed of Oscar Harber, Ballinger; George C. Hill, Winters; and B. F. Moore, Miles.

The members were in session here Wednesday to study the duties, and get ready to set the machinery in action. Announcement was made that the county would only have 44 tires for sale during the month for passenger cars, motorcycle and light trucks, and 85 tires for trucks and buses. In addition there will be available 37 tubes for passenger cars and light trucks and 71 tubes for trucks and buses.

Mr. Harber stated today that applications would be received by members of the committee at Winters, Ballinger and Miles. Any tire dealer equipped to do repair work or retreading will be able to serve as inspectors for the board.

It is likely that the three members of the board will have offices in their respective towns where they will spend one or more days each week. At other times those desiring to make applications can look them up and they will assist them in filling out their papers.

A more complete announcement will be made next week which will give a list of all motor vehicles for which new tires can be purchased.

Boards will be permitted to use only 25 per cent of their quota each seven-day period of each month and no rush can be made on boards when a new quota is received.

An inspector for the board will be named to make investigations of all tires to be replaced by "eligibles" and after approval by the inspector, the board will meet to go over the applications and if approved, a permit will be issued which can be taken to any tire dealer and the purchase made.

A number of local tire dealers have been approached by strangers who sought to buy from one to a set of new tires. The dealers were of the opinion that some were federal men trying out the effectiveness of the tire market being "frozen."

County and city officials have received notice that car sales have also been frozen and it is thought that another rationing board will be set up shortly to look after such sales as will be permitted in the future.

Mark McGee, of Ft. Worth, has been named to head the state tire rationing board and all counties in Texas will be working under the new rationing plan within a few days.

Drills have been announced for Ballinger firemen for the month of January. Meetings are being held each Tuesday and Thursday nights with special training at each session. The first meeting was held Tuesday evening with a demonstration in salvage work with covers as the general theme. The remainder of the schedule is as follows:

Women's Society and Club News

Annual Junior High Football Team Party at Country Club

The junior high school football team was assisted by teachers and parents in giving the annual party last Friday evening at the country club.

Mistletoe and silvered foliage decorated the mantel and central chandelier. Dancing to a radio record-player and other games gave diversion.

Miss Payne McCandless was in charge of refreshments and was assisted in serving ice cream with cookies and punch by Mr. and Mrs. Roy Worley, Mr. and Mrs. Weyman Wilson, Mrs. Cecil Jones, Mr. and Mrs. W. L. Barber, Miss Mary Talbot and Klobert Kincaid. Others were: Carolyn Cheatham, June Wright, Charlotte Miller, Nancy Connor, Peggy McGregor, Natlynnne Williams, Billie Jo Handy, Betty Lovelace, Virginia Bell, Faydene Baker, Lillian Keithley, Gene Mathis, Betty Sue Long, Gwen Morgan, David Middleton, Bob Sykes, Walter Jones, J. H. Parrish, Jr., Bob Mathis, Wellington Pearce, Billy Ferguson, Billy and Dan Hirschfeld, Bob Northington, George McCarstin, Edgar Payne, Jack Coffman, John Weeks Earnshaw, Aubrey Frazier, Levi and Jackie Russell, Bobby Gilliam, Earl Cotton, Lucius Stokes, Bobby Long, and Coy B. Calvert.

Dance for Cadets and Dates in Agnew Home

Mr. and Mrs. Tom Agnew and Mr. and Mrs. Troy Simpson were hosts at a small formal dance Saturday evening in the Agnew home in Wilke Terrace for a group of cadets from the Harman Flying School and their dates.

Mr. and Mrs. Claude Stone and Dr. and Mrs. E. W. Stasney assisted in serving coffee with doughnuts and jam cake. Included were: Misses Jane Cheatham, Ellen Jo Early, Mary Simpson, Creola Henderson, Mary Jo Webb, Sarah Ann Stowe and Mary Lou Agnew of Abilene, Mary Lynn, Eugenia Baskin, Marjorie McGregor, Kathryn Bell, and Pat Lawrence; Richard L. Kruse, Alfred H. Williams, James B. Cheney, Frank Hauber, Jim Brady, David L. Floeter, Don H. Eldredge, Bob Kinsell, Roy Sousey, Blair Knudson, Don Cooper, Bill Kellerman, and Ray Beckly.

Officers Installed for Methodist W. S. C. S.

An impressive installation service for officers of the Methodist Woman's Society of Christian Service was held Monday afternoon in the Doss Bible Class room in the church basement on Tenth Street.

Mrs. Joe Forman was installing officer and Mrs. E. C. Carter was at the piano for hymn accompaniments and background music. After Mrs. J. M. Skinner, retiring president, heard the "Record of Achievement" of the local society since the reorganization eighteen months ago, Mrs. R. A. Dickinson and Mrs. A. B. Legate presented

pyrocanthus berry corsages to all retiring officers.

In the beautiful formal ceremony, the theme of which was "Facing This Hour," the following officers were installed: Mrs. E. C. Tinsley, president; Mrs. C. W. Handy, vice-president; Mrs. Fred Middleton, recording secretary; Mrs. Ray Tisdale, corresponding secretary; Mrs. W. R. Clark, Sr., treasurer; department secretaries, Mmes. O. R. O'Neill, W. W. Chastain, Roy Miller, W. R. Clark, Jr., Ray Cooper, Ford Taylor, J. B. Striplin, Nat Williams, and J. L. Davis.

Mrs. Tinsley read the following committee appointments: spiritual life, Mmes. Forman, B. W. Denny and Skinner; program, Mmes. Handy, Cooper, Chastain, and Taylor; finance, Mmes. Clark, Miller, Chastain, Cooper and Tinsley; membership and fellowship, Mmes. A. B. Fields, Carter, and W. E. Midgley; sacrament, Mmes. L. C. Adair, forman and Clark, Jr.; flower, Mmes. J. G. Douglass, John Weeks, Sam Behringer, and J. W. E. Meaders; publicity and printing, Mrs. Troy Simpson; baby specialists, Mrs. J. L. Davis; music, Mmes. Skinner and Shepherd; Sally Odom sponsor, Mrs. Carter; local treasurer, Mrs. Miller; Christian social relations, Mmes. Dickinson, Tom Agnew, Legate, H. G. Agnew, John Barton, Williams, W. O. Middleton, E. S. Cox, Viola Allison, Shepherd, Ross Causey, R. W. Earnshaw, and Miss Theima Midgley.

Circles were divided and organized with the following elected as chairmen, vice-chairmen and secretaries: Ettie Gressett, Mmes. Ewing Holt, Skinner, and Barton; Etta Eurrows, Mmes. Shepherd, Legate, and Dickinson; and Sally Odom, Mrs. W. R. Clark, Jr.

Know Your Neighbors Sew All Day for Red Cross

The Know Your Neighbor Sew club spent all day Monday in the home of Mrs. Ernest Moody in West Ballinger sewing for the Red Cross.

At the noon hour, a no-hostess luncheon was enjoyed. Present were: Mmes. Cecil Jones, Rothal O'Kelly, Jack Nixon, Jr., John A. Barton, L. C. Adair, Malcolm Morgan, E. S. Cox, Bill Clark, and LeRoy McAulay.

Airfield Allies Give Dance

Mmes. W. W. Schaedel, J. C. Ward, and James E. Burch planned an invitation dance for Airfield Allies last Saturday evening in the City Hall auditorium. Guests, besides members, were husbands of members, single instructors and army men and their dates and the office girl personnel.

An added entertainment feature to the dancing to music of a nickelodeon, was a clever balloon "tune" contest. On balloons, in two colors, tune names were written. Each person was required to find the one other person humming the same tune. Mrs. Fred Kingdon and Joseph P. Navik, Jr., were winners and

American Troops in Alaska

This snapshot, which was taken somewhere in the bleak wilds of Alaska, shows United States troops landing at an Alaskan post to man our most northern frontier. These troops have received special training for duty in this bleak outpost, and can be expected to give a good account of themselves against all comers.

received defense stamp albums with a start of stamps.

Baptist W. M. S. Has Business Meeting

Mrs. Carl Black, president of the First Baptist W. M. S., introduced the watchword and song for the new year in her devotional which opened the regular monthly business meeting held in the church parlors on Eighth Street Monday afternoon. The watchword is "O Send Out Thy Light, and Thy Truth," and the hymn is "The Light of the World is Jesus."

It was voted to send \$5.00 to assist in buying Bibles to be sent to Russia. All officers and committee and circle chairmen made formal reports.

Lt. Frank Coker and Miss Mary Hutchison Are Married in Alabama

The announcement of the Christmas Day marriage of Lt. Frank Coker and Miss Mary Hutchison has been received in Ballinger. The ceremony was performed in Phoenix City, Alabama. Miss Beatrice Bryan of Ballinger, and Bill Crunk of San Angelo attended the couple.

The bride is the daughter of Mr. and Mrs. Sam Hutchison. She is a graduate of the Ballinger High School and for the last few years has been employed in Beaumont.

Lt. Coker, formerly of Paint Rock, was a Ballinger High School football star. Following his graduation here, he played football at Daniel Baker College, Brownwood, and professional football at Wilmington, Delaware. He is now attending the U. S. Army Infantry School at Ft. Benning, Ga., where the couple is at home.

Mrs. Hagan Entertains Forty-Two Club

Mrs. E. L. Hagan was hostess to her forty-two club Friday afternoon in her home on Fifth Street. Pot plants were given vantage placings about rooms and a lovely white cyclamen flanked by tall white tapers centered the dining table.

A dessert plate with salted nuts and coffee was served. Included were: Mmes. Ida Guion of Austin, Newton Key of Odessa, Amos

Auto Registrations Good for December in Runnels County

Car sales in Runnels county for the month of December were good for the number of cars available and on display in dealers' show-rooms. People realized that production would be cut by national defense needs and some anticipated the stopping entirely of production, causing many sales to be made.

During the month 36 new car sales were made and 7 sales of new commercial types. These were shown in the registrations as tabulated at the office of County Tax Collector-Assessor W. A. Forgy this week.

The following makes and dealers were listed:

Gift Tea is Compliment for Recent Bride

Mrs. West Talbott, who before her recent marriage was Miss Beatrice Collier, was the inspiration for a beautifully appointed gift tea given in the home of Mrs. Clarence Morton on Broadway Tuesday afternoon with Misses Faye McCandless and Gladys Kemp being assisted by several friends as hostesses.

Reception rooms were given a pretty floral decoration of poinsettias, cyclamen, and other potted plants, while an all-white theme was featured in the dining room. Tall white candles in two-branched crystal candelabra burned on each side of a reflected arrangement of white mums and candelabra which in a low white bowl centered the lace-covered table where silver services were placed at each end. Mixed white blossoms were also used on the buffet.

Mrs. Carl Black was at the door to extend formal greetings to the eighty-five friends, who called in three groups from 4:30 to 6:45. Next in line were Misses McCandless and Kemp, who presented Mrs. E. P. Talbott, the honoree, Miss Ena Talbott, and Mrs. O. P. Dorsey. Mrs. Morton and Mrs. Chester Cherry directed guests to the dining room where Mrs. Elmer Shepperd and Mrs. Harry Lynn poured tea and coffee. Mmes. Roy Worley, Malcolm Morgan, and Theo Isbell served individual cake squares iced and decorated in white. Mrs. Ernest Moody and Mrs. O. R. Lasater showed gifts; Miss Christine Settle was at the guest register, and Mrs. Ira Watson spoke adieux.

BUSINESS BUILT ON FAITH

Faith is the corner-stone upon which every successful commercial enterprise is built. It is the foundation of business itself, for no firm or individual can continue, unless a dependable service is rendered to patrons. A business must deserve the good will it enjoys. It must also have faith in the customers it serves.

For more than 25 years, the Winters State Bank has served this territory. We have had faith in the judgement of many of the farmers and businessmen. They, in turn, have had faith in our ability to render a dependable service. Relationships have been mutually profitable.

The year 1942 promises an unusually high level of activity. Modern business will find modern banking service here. New accounts are cordially invited.

Music Club Meets with Mrs. Shepperd

The Ballinger Music Club held its regular January meeting Tuesday evening in the home of Mrs. Elmer Shepperd on Eighth Street. Silvered foliage arrangements and potted plants graced spacious rooms where Mrs. Alex McGregor presided over the business session. She announced the gift of a piano to the Harman Flying School recreation center by Mr. and Mrs. Warren Lynn and urged members to give records and sheet music or types of song books. She asked each member to memorize the words of "The Star Spangled Banner" and as a start, the first verse was sung with Mrs. W. B. Halley at the piano. Mrs. C. R. Stephens, program committee chairman, reported that the February guest artist program would probably be an organ recital.

Mrs. Halley read a paper on "American Negro Composers." She also told the story of the Fisk Jubilee Singers and gave the history of the negro minstrel. As a feature she played a difficult variation of "Old Black Joe." Gladys and Mildred, accompanied by Miss Hattie Mae Dunlap sang a "Negro Work Song" arranged by Harry Wilson, and Mrs. Alex McGregor played W. C. Handy's "Memphis Blues."

Others present were: Misses Iola Clayton, Carmen Demmer, Myrtle Ruth Hale, Mary Talbot, Clara Beth Lynn, Marjorie McGregor, Mmes. Ila G. Furgason, Arthur Giesecke, F. M. Pearce, J. F. Currie, Troy Simpson, R. T. Williams, O. R. Lasater, and L. R. Tigner.

Three Are Hostesses to Baptist Naomi Class

Mmes. J. H. Endacott, W. D. Davenport, and Herbert Dean were hostesses to the Baptist Naomi Class Tuesday evening in the Endacott home on Ninth Street.

Mums and azaleas decked rooms where Mrs. Endacott presided.

After routine reports, plans were made for the purchasing of Testaments for men in service.

A sandwich plate with coffee was served with mints in the class colors, green and white, to Mmes. E. C. Grindstaff, Cumbie Ivey, Jim Golden, A. A. Wallace, Edgar Boelsche, John Castor, W. J. Hembree, Ed Lengfeld, C. E. Maedgen, Wesley Whitman; Joan and Wesley Whitman, Jr.

Miss Seipp Hostess to Harmanettes

Miss Wilma Seipp was hostess to Harmanettes Tuesday evening in her home on Eighth Street. It was decided to go 100% into Red Cross work with a class in first aid to be begun immediately. Mrs. Virginia Ezell was initiated. After games of forty-two and contract a sandwich plate was served in the Mexican theme.

Others were: Mmes. Marcella Bradshaw, Melba Lincoln, Fred Harman, Marie Carter, Adalina Maddox, Misses Janie Flynt, Mary Ellen Osborn, Ombra Tackett, and Nancy Lou Kelley.

First Presbyterian Auxiliary in F. M. Pearce Home

First Presbyterian Auxiliary members were guests of the president, Mrs. Frank Pearce, Monday afternoon in her home on Eighth Street.

Reports of officers and committees were heard and an inspiring New Year's letter from the Presbyterial president, Mrs. Harry Lynn, was read.

Assorted candies, cookies, and fruit cake were served with coffee to Mmes. W. B. Woody, Estes Lynn, Neil McAlpine, Warren Lynn, Alex Saunders, Chester Cherry, Tommie Hall, Paul Trimmer, J. C. Johnson, G. G. Harwell, C. R. Stephens, and Harry Lynn.

Beach-Lange Wedding Solemnized in Sacred Heart Church in San Angelo

Miss Eugenia Beach, daughter of Mrs. Marie Beach of Rowena, became the bride of Clarence Lange, son of Mr. and Mrs. Otto Lange, of Offen, Monday morning at eight o'clock in the Sacred Heart Catholic Church in San Angelo with the Rev. Father Bertram Harrington reading the single ring ceremony in the presence of relatives and close friends.

The altar decoration was of poinsettias and white tapers. The Sacred Heart organist and choir gave the wedding music and mass hymns.

Mrs. Gilbert Ocker, sister of the groom, was matron of honor. Her fitted princess floor-length frock was of blue brocaded silk faille. Miss Arline Lange was bridesmaid and wore an identical gown in rose.

The bride, who was given in marriage by her elder brother, Rupert Beach, wore white slipper satin made on fitted lines with train. Pearl clips marked the sweetheart neckline and sleeves were pointed at the wrists. She wore her sister's veil of tulle, which was held in place with a

sweetheart cap trimmed in orange blossoms. For "something old" she wore an old gold bracelet worn by her mother at her own wedding, and for "something new" a locket, the groom's gift. She carried a white prayer book with shower of white satin ribbons held with white blossoms.

Norbert Beach, the bride's brother, attended the groom as best man.

Following a wedding trip to Dallas and other Texas points, the couple will be at home on their farm near Offen.

Airfield Allies Meet

Mmes. Mack Duke and Jerry Church were hostesses to Airfield Allies Wednesday afternoon in the City Hall auditorium.

Mrs. Fred Kingdon, vice-president, was in the chair for the business session. It was planned to actively engage in civilian defense. At the next meeting Mrs. Jim Duncan and Mrs. Troy Simpson will start a class in knitting. Mmes. K. K. Hoffman, C. M. Bentsen, Max Wormuth and Vincent Kelgen will plan a dance for February 14.

Sandwiches were served with coca colas. Others present were: Mmes. Sam Enot, W. W. Schaefer, Eugene Robertson, Jack Warner, Julian Hadley, Lawrence Muller, Dean McIntire, Harold Shelden, E. L. Ingram, Fred Harman, Robert Myer, and Duke of Port Arthur.

Fannie Stephens Club Has Consumer's Education Program

Mrs. J. Dexter Eoff was leader for the Fannie Stephens Study Club program on "Consumer's Education" Wednesday afternoon in the Shakespeare Club room in the Carnegie Library.

She read Mrs. W. E. Moss' review of "100,000,000 Guinea Pigs" by Arthur Kellett and F. I. Schlink. Mrs. Malcolm Morgan's topic was "New Goals for the Sleepy Consumer" and Miss Christine Settle gave the "Leccion Quinta."

"Billy the Kid's ROUND-UP"
KING OF THE TEXAS RANGERS
COMEDY: "Loveable Trouble"

'Nothing But the Truth' Brings Bob Hope, Paulette Goddard

The signal's up once again for choice, laugh-loaded comedy, for another Bob Hope-Paulette Goddard picture is about to breeze into town.

The picture is the new Paramount farce comedy, "Nothing But the Truth," scheduled at the Texas Theatre in midnight preview Saturday night, and Sunday, Monday and Tuesday, January 11, 12 and 13. Directed by Elliott Nugent, who was at the controls of a previous Hope-Goddard hit, "The Cat and the Canary," the new comedy features in its supporting cast Edward Arnold, Lief Erickson, Helen Vinson, Catharine Doucet, Glenn Anders, Willie Best, Grant Mitchell and Rose Hobart.

Fresh from his solid smash success in "Caught in the Draft," Hope this time will be seen as a stockbroker who bets \$10,000 that he can tell the truth for twenty-four hours. With Paulette Goddard to add to the comedy and romance, the prospect of Hope having to tell the truth under all circumstances has all the earmarks of hilarious comedy. Knowing Hope as we all do by now, he's the one who can make the most of a situation as cleverly contrived as this. His position as a comedian in Hollywood these days is second to none.

Cemetery Directors In Annual Meeting; Buy Defense Bonds

The regular January meeting of the Ballinger Cemetery Association was held Friday with a report from Secretary-Treasurer Drury P. Hathaway one of the main parts of the business. This report showed a total of \$3,900 invested in U. S. defense bonds of the series G type during the year from the perpetual care fund. In addition to the defense bonds purchased during 1941, the association holds \$4,000 in Ballinger bonds, making a total of \$7,900 invested from the perpetual care payments.

Maximum tax payments should be around \$3,000 per year if all lot owners paid.

Directors and officers of the association work without pay and devote much time to the business of the cemetery. Those on the board at this time include: Mrs. Nettie Currie, Drury P. Hathaway, C. J. Lynn, A. McGregor, K. V. Northington, R. T. Williams, H. J. Zappe. Mr. Lynn is president; Mr. Zappe, vice-president; and Mr. Hathaway, secretary-treasurer.

Miss Ann Morton has returned to Baylor University, Waco, after spending the holidays with her parents, Rev. and Mrs. Clarence A. Morton.

Heads U. S. Fleet

Admiral Earnest J. King, commander in chief of the United States fleet and in supreme command of all naval operating forces in Atlantic, Pacific and Asiatic waters.

than collected from the same source in 1940. This was partly due to a concerted drive in 1940 to make collections and during the past twelve months no pressure was placed on anyone for payment.

Collections during the past year were a little short of the set expenses of operation of the cemetery. The directors urge that people pay their cemetery tax so that the association can be self-sustaining and that it not be necessary to go to the expense of making a pressure drive for collections.

Directors and officers of the association work without pay and devote much time to the business of the cemetery. Those on the board at this time include: Mrs. Nettie Currie, Drury P. Hathaway, C. J. 46 Couples Issued Wedding Licenses Here Past Month

National defense is not causing a shortage in marriages and during the month of December a total of 46 wedding licenses were issued in Runnels county by County Clerk John B. Rayburn. This was a record for the past several months, although weddings have run unusually high during the past twelve months.

December is usually one of the best months of the year for weddings, many taking advantage of the Christmas season to be married. Below is a list of 41 couples who received licenses during the month and five requested that their names not be published:

- Coy Seales and Miss Dorothy Robertson
- Mark H. Akers and Miss Louise Francis Schult
- Howard R. Baker and Miss Ann Neal Hargrove
- Bert Howard Blaylock and Miss Marcella M. Rabel
- Eric Jopling Haden and Miss Emma Frances Browder
- Isiah Mims and Miss Alice Marie Johnson
- Thomas Jefferson Seals, Jr., and Miss Doris Avery
- Billy Caffey and Miss Ella C. Mahann
- Robert Edward Walsh and Miss Glenna Vell Powers
- Bernice E. Tucker and Miss Lella Margaret Batts
- William Arthur Stephens, Jr., and Miss Maxine Crawford
- Afton Dale Hudson and Miss Dorothy Agnes Busher
- J. E. Williams and Miss Letha Pearl Klattenhoff
- Donald Davis and Mrs. Hazel Ransberger
- Jim Collins and Mrs. Beulah Mae Clemons

Committees Named For President's '42 Birthday Affairs

Dr. J. W. Macune, chairman for Runnels county, has announced committees and officers for the President's Birthday celebration on January 30. These will concentrate every effort possible in raising funds to be used in protecting the health of the nation during the present war emergency.

The official staff as set up by the chairman is composed of Nat Williams, vice-chairman; Miss Lucille Botter, chairman women's activities; George Clements, secretary; Harry Lynn, treasurer; executive committee—Mrs. Ernest Caskey, Ballinger; Mrs. Roy Roper, Norton; Mrs. Claude Mills, Winters; Mrs. E. D. Stringer, Winters; Mrs. J. C. Busher, Wingate; Mrs. Pearl Marshall, Maverick; Mrs. C. S. Coleman, Miles; Mrs. Bernice Cervenka, Rowena; Rev. G. A. Boeckman, Olfen.

No announcement has been made in regard to the staging of a ball on that date and this part of the general program will be decided later. The other usual money raising parts of the program will be used including the "march of dimes" and money collecting boxes.

In past years the county has been successful in raising a large sum of money for the fight against infantile paralysis with a part of the funds being retained for use at home.

Members of the Tri-County Singing Association will meet Sunday afternoon at 2:30 at Glen Cove. All singers of this section are invited to attend.

Each arm of the devil fish has 120 pairs of suction disks.

Be wise—advertise.

Ballinger Area WPA Recreation Project Is Ordered Closed

The Ballinger WPA recreational project has been suspended as of January 1, according to announcement made the past week-end by Mrs. Mildred Campbell, district supervisor for this area. The project has been sponsored by the city and schools of Ballinger and for the past two years has been carrying on regular work in this city with five playgrounds and a community center.

The WPA quota for the district received a cut on January 1 and a large number of projects not included in defense work were eliminated. Recently the house-keeping aid project at Ballinger was closed and only a little work is underway at this time, construction of the new Ballinger school being the only WPA job of any size at this time.

The Ballinger NYA shop is doing a large amount of defense work, making desks, tables and other articles for military camps of this area. For this reason it is believed this project will be continued. At present an extension to the shop is being made and will be finished within a short time unless a suspension of work is ordered. The old part of the building houses the equipment at this time and a full crew is being employed in the manufacture of many articles.

Members of the Tri-County Singing Association will meet Sunday afternoon at 2:30 at Glen Cove. All singers of this section are invited to attend.

Members of the Tri-County Singing Association will meet Sunday afternoon at 2:30 at Glen Cove. All singers of this section are invited to attend.

Members of the Tri-County Singing Association will meet Sunday afternoon at 2:30 at Glen Cove. All singers of this section are invited to attend.

HERRING

There weren't many at Sunday school Sunday on account of cold weather. We hope there will be more out next Sunday.

Mr. and Mrs. Walter Hale and son, of Houston, spent the week-end in the W. A. Hale home.

Mr. and Mrs. Henry Presteage and daughter visited in the J. Brooker home at Rising Star over the week-end.

Mr. and Mrs. G. C. Avant returned home last Thursday after visiting in Sonora, Crane, McCamey and San Angelo.

Mr. and Mrs. Arnold Watkins and daughter, of Talpa, were visitors in the Rosford home Tuesday evening of last week.

W. L. Day, of Santa Anna, spent last week with his daughter and family, Mrs. W. L. Allcorn.

Lawton Brevard returned to Alpine Sunday after spending the holidays at home. He is attending Sul Ross College.

Dorothy Rosford spent Monday night of last week with her grandmother, Mrs. C. W. Schwartz. Joyce Schwartz visited Dorothy Rosford last Tuesday.

Quincy, Bernell and Reba Mae Jenkins, of Novice, rural, spent last Sunday in the Charlie Stephens home.

Bryan White, of a CCC camp near Breckenridge, is visiting home folks.

S. J. Brevard is leaving Friday for the army.

Mr. and Mrs. J. Rosford visited in the W. L. Allcorn home Sunday.

Mr. and Mrs. Noel Hale, of Talpa, visited in the W. A. Hale home Saturday afternoon.

First Methodist Church Sunday, January 11, 1942. Church school, 9:45 a. m. Sam Behringer, general superintendent.

Morning service, 11:00 a. m. Subject, "The Tragedy of a Lost Love."

Youth fellowship meeting, 6:00 p. m. Evening service, 7:00 p. m.

Monday: The Woman's Society of Christian Service will meet at the church at 4:00 p. m.

Church Board of Christian Education will meet at 7:00 p. m. Worship with us in all these services on the Sabbath.

1941-Gone-

1942-Is-Now-Marching On-to VICTORY.

America has a job to do—and we'll do it.

Remember—Pearl Harbor—But look—to the future.

Billions of dollars and millions of men are needed—and are available—that—Peace—Liberty—Justice—and Righteousness may prevail—in the world.

REMEMBER PEARL HARBOR KEEP—EM FLYING—

—That war—is a horrible thing—no one will deny—but life must—go on—

The home fires—must be kept—burning—World murderers and gangsters—must—and will be stopped for all time to come.

Let's not—be—down—hearted—but—cheerful and happy. Work with a will for we are FREE. Work—work—work—Sweet Land of Liberty

—with—speed—and more speed in production of ships—planes—bombers—tanks and munitions—We hope that—VICTORY—and PEACE— will come—sooner—than we now think—

Today America is working—America is working as it never worked before—

As it has never wanted to work before—

Free hands building faster planes

Free hands bringing in the sheaves

Free hands building stronger tanks

Machines turning—

Production moving—

Men at work—

Free hands keeping America FREE—

In full—cooperation—with our government and defense program—and with—a sincere—determination to make this—store—of Service to our community—we assure you—that—your 1942 business—will be appreciated—We expect to strive with all—our ability—and resources—to make—it—the best—place to trade.

A. L. Spann is recovering from illness which has kept him confined to his home for three weeks.

Mrs. Katie Harrell, of Denton, is here for a visit with her sisters, Misses Asa Cordill, J. H. Kipp and Jas. E. Brewer.

Mrs. R. W. Earnshaw was dismissed from the Halley & Love Sanitarium today and taken to her home in Wilke Terrace. She had been in the hospital for the past two weeks with an attack of pneumonia.

Card of Thanks We wish to thank each of you who were so kind and thoughtful during the passing away of our Father; also for the beautiful flowers. May we also be of help when sorrow comes your way.

HAS YOUR ADDRESS CHANGED RECENTLY

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.
 Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.
 The best plan for all concerned is to send the change of address in advance.

Civilian defense jobs are being developed fast and within a short time many people will have to devote part of their time to helping the nation whip the Axis powers in this way. There is no pay for these jobs and people must serve because they are patriotic. Some of the jobs will be hard and require much study and lots of time. It is work that must be done and all Ballinger people who have not registered for civilian defense, are urged to go to the office of the B. C. D. and do so at once.

Another class of cadets will be leaving Ballinger next week after finishing their ten weeks' training here and a much larger class will arrive. Ballinger people become attached to the boys who have come this way and they hate to see each group go. However, as new ones arrive they soon win their places in the homes of the town and the others are more or less only remembered. When months pass, and many of the boys who trained here reach fighting fronts, the war will be much closer to local people because of the many fliers who trained in Ballinger being in the thick of the fight.

TWO FRONTS

The United States must fight on two fronts.
 First, there is the military front. American soldiers, sailors and airmen are fighting and dying in the Pacific. They are living up to the highest traditions of this nation's military history. They must be given the finest battle equipment in the world, and they must be given it in lavish quantity. All the resources of this nation, human and material alike, must be used to that end.
 Second, there is the home front. We have said, time and again, that we are fighting to defend and perpetuate freedom. That is true. But the defense of freedom at home, as on the war front, demands more than lip service. It demands straight thinking from all. It demands a people who will look squarely at the facts, no matter how unpleasant they may be. It demands the kind of national toughness that knows precisely what we are fighting for, and that will permit nothing to

stand in the way of victory on the home front no less than the military front.
 We will, of necessity, demand and accept a large measure of economic dictatorship during the war. Whether that dictatorship ends when the war ends, will depend upon the resolution and the understanding of the American people. The future of this country and this kind of government is in the balance. The people will decide which way the scales are tipped.
 The free enterprise system is at stake in this war. Upon the maintenance of free enterprise all the other freedoms—freedom of press, freedom of speech, freedom of religion—hinge and depend. Anything which weakens and emasculates free enterprise is the enemy of the nation. We cannot have an ever-expanding bureaucracy and have efficiency. We cannot allow non-defense spending to go on unchecked and expect to avoid economic collapse. We cannot punish industry and expect it to be able to do its utmost.
 There is nothing dramatic about these statements. They are simply homely truths. The winning of this war—and the winning of the peace that follows—will depend on how well the American people understand them.
 There has never been such unity as this country has at present. Every American stands solidly behind the president in the pledge to wage war until international gangsterism is destroyed. The spirit of the nation is one of grim, uncompromising determination. But let all remember that the home front is as vital to war and to the perpetuation of our way of life as the battlefield. There will be subversive influences on both fronts. Only an awakened, aware people can prevent their deceptions.
 We fight for freedom, then. And we must fight for it all the way—fight for it here in America, no less than in the broad reaches of the oceans and the lands beyond.

There is nothing dramatic about these statements. They are simply homely truths. The winning of this war—and the winning of the peace that follows—will depend on how well the American people understand them.

There has never been such unity as this country has at present. Every American stands solidly behind the president in the pledge to wage war until international gangsterism is destroyed. The spirit of the nation is one of grim, uncompromising determination. But let all remember that the home front is as vital to war and to the perpetuation of our way of life as the battlefield. We fight for freedom, then. And we must fight for it all the way—fight for it here in America, no less than in the broad reaches of the oceans and the lands beyond.

Pointers for Texas Agriculture

Legumes conserve nitrates and other chemicals already in the soil by preventing leaching, add plant food through the roots, and become manure when plowed under.
 Sales of cattle and calves by Texas ranchers and farmers in 1940 brought \$100,120,000. Receipts for hogs were \$16,710,000 and for sheep \$12,396,000.
 Hash or stew made from plate beef is just as nutritious as hash made from porterhouse or sirloin.
 Foods which are valuable as source of iron are whole wheat wheat flour, rye flour, brown rice, oatmeal, eggs, lean meat, liver, kale, spinach and other greens, beans and peas, dried fruits and molasses.
 Only four out of every 100 low-income farm people are in first-rate physical condition, the USDA farm security administration has announced after a check covering 2,480, FSA clients and their families. A total of 11,947 men, women and children in 17 states were examined.

'Pause in the Day's Occupation'

Smiling cheerfully as they push German forces back the way they came, members of this Russian tank crew (left) halt for brief pause in their march westward, for lunch. Rigors of the Russian winter seem to have no terrors for these hardy soldiers. Right: These Italian prisoners in the Libyan desert seem too miserable to attempt to escape, and yet they are guarded carefully before being shipped to a concentration camp.

WEST TEXAS NOTES

Theft of cars began in Winters last week with a number of people reporting losses. One man reported the theft of a tire and wheel from a car and others lost casings.
 The new restrictions on tires was thought to be the cause of the stealing. Officers are keeping a close watch and owners of cars have been warned to use every precaution.

Building permits in Brownwood for 1941 amounted to \$2,083,647 and was the second best year in the city's history. In 1928 the amount was larger. The 1941 permits included the largest number of new homes ever built in one year in that city. October was the largest month of the year when permits totaling \$265,742 were issued.

J. H. Mosley, manager of the West Texas Utilities Company at Junction, has organized first aid classes and courses will start for all those interested at once. The school is being conducted to permit volunteer civilian defense workers to qualify with the required subjects.

The Lions Club of Robert Lee has announced a campaign for the conservation of waste paper in the city and surrounding territory. Committees have been named, a building provided for storage and publicity is being given in that section asking people to cooperate for national defense.

The Coleman Flying Field has announced a building program which will greatly enlarge the plant. A crew of fifty Coleman men started work last week constructing new barracks and a new hangar will be added to the field. One barrack is being rushed in order to be ready to take care of 146 new cadets on January 24.

Each Friday will be defense stamp day in the Paint Rock school system and all students are being encouraged to save systematically by buying stamps. School officials will have the stamps at the office to deliver to the students and they will be placed in books already started.

Rowena suspended business on January 1 and celebrated the national holiday. Only a few West Texas towns were closed for the first day of the year and in most places business was conducted as usual.

The Ft. Stockton Lions Club at their last meeting of 1941 selected a theme for their work during 1942. "Furthering Work for Victory" will be their goal during the year and they plan to cooperate in many ways with the calls to be made upon civilians. Support

tration cards are indexed.
 A new oil well, south of Rising Star, was brought in last week and the railroad commission certified it for 40 barrels per day. The new producer is expected to start other drilling in the new area at once. Oil was reached at 742 feet and drilling was halted at 750 feet in black sand.

Since May 18, \$78,822 worth of food stamps have been issued in Jones county. The program was started in May, 1941, and many stamps were used in the purchase of foods. The stamp plan will be continued with the only food removed from the list being raisins.

Citizens of Sweetwater paused for an hour on the first day of the new year for prayer. All business was suspended from 10 to 11 a. m. January 1 and all attended services at the First Baptist Church. The hour was set aside for prayer in a proclamation by Mayor E. L. Langley.

NEW METHOD DEVELOPED TO ERADICATE CATTLE GRUBS AT SLIGHT COST
 COLLEGE STATION, Jan. 8.—An inexpensive method developed recently for controlling cattle grubs, also known as ox warble, has proved highly successful, according to Cameron Sidall, entomologist of the A. & M. College extension service. The grub is the offspring of the pestiferous heel fly.
 The treatment comprises a mixture of rotenone, soap and water. During the time the grubs are present in the backs of animals it is sprinkled on the affected parts, which then are scrubbed vigorously with a stiff, fibre-bristle brush. Another treatment is dusting on the backs on infested animals a mixture of equal parts of rotenone and wettable sulphur.

Melvin farmers have started terracing of land and for several weeks many farms will be included in the program of work. Demonstrations were held in several communities last week with many farmers attending.

Registration day for civilian defense in Menard county was set for January 4 and practically the entire population signed up at that time for the jobs they will be willing to undertake. All over the nation the sign-up is meeting with the full support of the people and all phases of civilian defense will be organized by the Menard county judge as soon as the regis-

tration cards are indexed.

tration cards are indexed.

tration cards are indexed.

tration cards are indexed.

tration cards are indexed.

which requires no rubbing. Good results also are had by dipping cattle in a mixture of rotenone and wettable sulphur.
 Treatments should be started as soon as the first grubs are noticed. Since they migrate from internal areas to the backs of cattle over a period of two to three months, one application is not sufficient to kill at one time all of the grubs which may be found in an animal.
 The adult of this parasite is known as the heel fly. In the spring it deposits eggs on the hairs of the legs and under body of cattle. After hatching, the grubs begin burrowing into the skin and in the next seven or eight months work their way through muscle layers and localize under the skin at the animals' backs. After approximately 5 weeks there they emerge through holes cut in the skin, drop to the ground, and upon reappearing as flies five to six weeks later complete their life cycle in about 12 months.
 There is no practical way of destroying adult flies or preventing deposit of eggs by using repellent sprays. But Sidall points out that if the grubs are killed in that stage, development of another generation of adult flies is prevented. In many cases, he adds, the backs of animals become swollen and sore a few days after treatment, but the soreness disappears in a week or 10 days and the cattle suffer no permanent ill effect.

TEXANS SHOW INCREASED INTEREST IN WAR BONDS
 AUSTIN, Jan. 7.—Texans got the jump on the war with their increased interest in defense bond and stamp purchasing programs, the University of Texas bureau of business research reports.
 November sales of defense bonds and stamps were 46.2 per cent above November totals for 1940, and that was before the war began.
 For the current year, however, sales during the first eleven months were 12 per cent under 1940 totals for the corresponding period, probably due to the fact that the issues moved more rapidly when first offered. Impetus of war will likely make 1941 sales far surpass 1940 totals, however, trends indicate.

FOR THE DURATION THE HOME, TOO, NEEDS Streamlined Efficiency

Check Your Hot Water Service

One very practical and effective way all of us can help to win the war is not to waste time, materials or food. In streamlining your home so that no time will be wasted a modern gas automatic water heater can help. It supplies hot water when and where you need it to speed all the home's cleaning jobs along. Thus you are given the time you want for activities outside the home such as Red Cross Work. The cost is surprisingly little when measured by the benefits you'll enjoy. Investigate.

Visual Education Theme of Rotary Club's Program

Dr. Jay Keeler, representative of the Visual Education Research of New York, was the speaker at the Ballinger Rotary Club Tuesday and brought an interesting and educational address on the possibilities of visual education in the schools of the land.

Dr. Keeler has spent many years in this work and for the past five years has been in Texas and the Southwest a part of his time. He pictured the tremendous cost of educating the youth of the nation, and explained what is hoped to be accomplished by providing proper equipment and films for visual education in the schools of the nation.

The speaker gave illustrations of what had been accomplished in business by minds that concentrated and recorded what they saw. He stated that the most important person in the world is "yourself" and showed the importance of knowing names and characteristics of persons. He surprised the twenty-odd Rotarians at the close of the meeting by calling each person by name and telling them what business they were engaged in. He had only met each of the men once as they gathered in the lobby of the hotel.

Dr. Keeler will be in this section for some time and may visit Ballinger again in the near future.

Farmers Advised They Must Repair Machinery Early

COLLEGE STATION, Jan. 8.—Repairing of farm machinery considerably ahead of the time it will be needed this year will be necessary, especially if new parts are required, says M. R. Bentley, agricultural engineer of the A. & M. College extension service.

Repairing farm machinery and equipment has a direct relation to the possible seasonal or sectional shortage of labor. Consequently all labor-saving equipment should be considered in the program of repair, from the milking machine to the combine.

It is reasonable to assume, Bentley explains, that machinery manufacturers considered that they had sufficient repair parts for 1942 needs. But during the last couple of months orders to manufacturers for parts have been unusually heavy. Moreover it takes an estimated 90 days to get new parts made and delivered even when the raw material is on hand.

"Taking conditions as they are, it would seem that everyone who will need machinery parts this year should, in self protection, order them at once. Delay in doing so presents a serious hazard, especially in face of the national program to keep as much steel as possible out of unused equipment or repair parts."

The program, then, is to get needed repair parts, put them in place, and tune up the machine ready to run, Bentley continues. And when the present supply is exhausted give manufacturers time to make more before the machine needing repairs is wanted for use.

Bentley suggests that farm equipment known as orphans because of discontinuance of manufacture could, perhaps, be made usable by a local welder or blacksmith, adding that "we are told that existing manufacturers can furnish parts for machines they made 40 years ago." He emphasizes that protective maintenance of farm

Biddy Goes to Work Early

America will need millions of eggs this winter, as part of the "defense food" production. Kathryn Hines, pretty 4-H club girl, shows biddy that soldier hours will be expected. Many poultry producers follow this practice of turning on electric lights in laying houses early in the morning during winter months. The practice compensates for the fewer hours of daylight and gives hens a full day of eating and laying.

equipment never should be overlooked. "This means doing those things which will reduce the wear, corrosion or decay of equipment, such as providing proper lubrication, protection against rusting, and protecting equipment against weather damage as far as possible."

Pan, the god of pastures, forests and flocks, is credited with invention of the shepherd's flute.

Card of Thank

We wish to thank our many friends who were so kind and thoughtful at the time of our great sorrow, in the passing of our loved one. For the floral offering we are deeply grateful and we would especially thank Rev. N. C. Roth of Winters, and Rev. J. C. Johnson of Ballinger, for the beautiful tribute paid to this good man.

Mrs. C. T. Michaelis and the brothers and sisters of Chas. Michaelis.

COTTON LOAN DEADLINE SCHEDULED MAY 1, 1942

COLLEGE STATION, Jan. 8.—The deadline for placing cotton under the government loan is prior to May 1, 1942. The loans will mature on demand or on July 31, 1942.

This statement, correcting an erroneous announcement previously made, has been issued from the state AAA office here.

Because of the importance of the closing date, AAA officials urged that all farmers be advised of the correct date.

Add the concentrated foam to dry or condensed skim milk, whip it a few minutes, and you get a stiff mass that has the best whipped cream beat—as far as looks are concerned. Probably be getting it on sundaes and hot chocolate some day.

Want ads are economical and bring results.

Nutrition Chairmen Will Hold National Meeting in Chicago

COLLEGE STATION, Jan. 8.—Texas' state nutrition committee will be represented by its chairman, Mildred Horton, vice-director and state home demonstration agent, at a national meeting of state nutrition committee chairmen called in Chicago January 9 and 10. The meeting was called by M. L. Wilson, assistant director in charge of nutrition, office of defense health and welfare services, federal security agency, Washington, D. C.

Purpose of the meeting will be to give impetus to work of the 48 state nutrition committees in the present emergency. Chairman will share ideas and experiences, Miss Horton says, and she is taking with her to Chicago numerous examples of the committee's work in Texas.

Before leaving for Chicago Miss Horton announced that Dr. Helen Mitchell, principal nutritionist of the office of defense health and welfare services, is scheduled to visit in Texas March 4-7. It is likely that the 100 members of the Texas committee will have a meeting at that time, according to the chairman.

The Texas committee has been particularly successful in promoting improved nutrition through radio programs. Twenty-three stations in cooperation with county units of home economists broadcast a series of programs prepared by the state group's subcommittee. The series, entitled "Eat the Right Food" is being continued with locally written scripts on 11 stations. Seventy-one counties report using the material in club meetings, newspaper stories, nutrition classes for volunteer workers, in demonstrations, and in public speaking classes.

La Paz, Bolivia, nearly 12,000 feet above sea level, is the highest capital in the world.

ENTOMOLOGIST SAYS MOTHS WORK EVEN IN COLD MONTHS

COLLEGE STATION, Jan. 8.—Homemakers who haven't taken precautions against moths will profit by giving all woollens and furs frequent brushing, cleaning, sunning and airing, even in winter, to get rid of all moth eggs.

Cameron Siddall, extension service entomologist, explains that the moth knows no season. It goes by temperature. Warm houses give moth eggs a chance to develop, so the best prevention is to clean out cracks and corners of closets and storage places

often. Unused articles should be packed in moth-proof containers.

Then the USDA bureau of dairy industry decided that the part of milk that foamed might be different from that part of the milk that didn't foam. So they developed a concentrated skim-milk foam.

Bank Deposits Are Highest in History Here on Last Call

Ballinger bank deposits at the close of business on December 31, 1941, were the highest in the history of Ballinger at the time a call was made for a statement of condition. Local bankers stated that a short time before the call was received there was more money in banks here than on the last day of the year.

Combined deposits of the two local banks were \$2,584,983.19 on December 31, and other banks in Runnels county were also said to have the highest deposits in many years.

The First National Bank of Ballinger showed total deposits of \$1,549,499.06 and the Farmers & Merchants State Bank \$1,035,484.13. Loans and discounts of both banks amounted to \$703,283.30.

Ballinger bankers stated that during December a large amount of idle money was invested in U. S. defense bonds which cut their deposits from a higher peak about December 1. Many customers of the banks purchased bonds for investments and others secured them for Christmas gifts to members of their families.

Miss Mary Jo Webb left Sunday for Belton to resume study at Mary Hardin-Baylor College.

DEATHS

Mary C. Ramos
Mary C. Ramos, infant daughter of Mr. and Mrs. Jesus M. Ramos, died Sunday afternoon at 12:30. Funeral services were held at the graveside in the Mexican cemetery Sunday afternoon.

King-Holt Funeral Home was in charge of arrangements.

August Halfmann
August Halfmann, 79, died at St. John's Hospital in San Angelo Saturday morning at 4:30 after an illness of one week and two days of treatment in the hospital. He contracted pneumonia and was taken to San Angelo for treatment but his condition became worse until his death.

Decedent had been a resident of Runnels County for 36 years. He was born in Colorado County, Texas.

Survivors include his wife; four daughters, Mrs. F. B. Block, Offen; Mrs. H. J. Schaefer, Wall; Mrs. P. B. Kahlig, San Angelo; Mrs. J. J. Hoelscher, Offen; three sons, Adolph, A. T. and L. A. Halfmann, Offen; thirty-seven grandchildren and five great grandchildren.

Funeral services were held at St. Boniface Church, Offen, Monday morning at 9:30. Rev. G. A. Boeckman officiating. Interment was in St. Boniface Cemetery.

King-Holt Funeral Home was in charge of arrangements.

J. E. Howell
J. E. Howell, 71, died at his home in Winters Sunday afternoon at 2 o'clock after a break in health about a year before which had left him in a bedfast condition for several months.

Decedent moved to Runnels County in 1918 and made his home at Ballinger for a time and then moved to Winters where he resided for a number of years. He was a member of the Baptist church with membership at Florence.

Survivors include the wife; four daughters, Mrs. Wesley McHugo and Mrs. Herman Lee, San Antonio; Mrs. Louis Hardin, Norton; Mrs. Pat Sawyer, Winters; two sons, R. E. Howell, Big Spring; Weldon Howell, Ballinger. Other survivors include six sisters, four brothers, three grandchildren and one great grandchild.

The body was taken overland to Florence Monday morning and funeral services held in that city at the First Baptist Church, with Rev. M. B. Sasse officiating. Interment followed in the Florence cemetery.

Spill Funeral Home (Winters) was in charge of arrangements.

WEDDINGS
Cochran-Bell
Joe Lee Cochran and Miss Alfa Marie Bell were married here on New Year's night at the manse of Rev. and Mrs. W. A. Erwin. The couple came here from Eden to be married and after a short trip will return there to make their home.

Earl Childress went to Dallas Friday to be at the bedside of an uncle, W. D. Newman, who was critically ill. He was accompanied by Mr. and Mrs. Henry Childress, of Robert Lee. Mr. Newman is a brother-in-law of Frank C. Dickey, but Mrs. Dickey was unable to go.

WEDDINGS

Notice by Publication of Final Account
No. 1723, Estate of W. P. Fallon, Deceased.
In the County Court of Runnels County, Texas, November Term, A. D. 1941.
THE STATE OF TEXAS
To the Sheriff or any Constable of Runnels County—Greeting:
Leonard Stallings, administrator, with the will annexed, of the Estate of W. P. Fallon, Deceased, having filed in our County Court his final account of the condition of the estate of the said W. P. Fallon, deceased, together with an application to be discharged from said administration, you are hereby commanded that by publication of this writ once in a newspaper regularly published in the County of Runnels, and said publication shall be not less than ten days before the return day hereof, you give due notice to all persons interested in the account for final settlement of said estate, to file their objections thereto, if any they have, in said court on or before Monday, the 19th day of January, A. D. 1942, when said account and application will be considered by the court.

Witness John B. Rayburn, Clerk of the County Court of Runnels County.
Given under my hand and seal of said court, at my office in the City of Ballinger and County of Runnels, this 8th day of January, A. D. 1942.
(Seal)
JOHN B. RAYBURN, Clerk,
County Court, Runnels County, Texas.

A true copy, I hereby certify.
J. L. MORELAND,
Sheriff, Runnels County, Texas. 8-1t-*

Barney White Fined \$50 for Violation Of City Ordinance

Barney White was found guilty and fined \$50 and costs in city court here Monday morning on a charge of distributing hand-bills, papers or dodgers on the streets of Ballinger in violation of an ordinance passed by the city commission in 1925.

White was arrested Saturday afternoon by J. C. Andrews, special city policeman, after he handed Andrews a pamphlet and was advised that he could not distribute or offer them for distribution on the streets of Ballinger.

White was held in jail until Monday morning, at which time he asked Mayor C. P. Shepherd for a trial by jury. A venire was summoned and from twelve men a jury composed of Joe Forman, Robert Lowry, Frank Smith, C. A. Bissett, Chester Afflerbach and Fred Parker were selected.

White represented himself in the trial and the prosecution was handled by Paul Petty, city attorney. White presented two motions to the mayor, both of which were overruled. At the close of the case and after the verdict by the jury, a motion for appeal was filed by the defendant.

Officer Andrews was the only witness to take the stand and gave testimony showing a violation of the ordinance. White testified, using portions of a booklet published by Jehovah's Witnesses showing that they were exempt from such cases by action of the supreme court and stated that it interfered with free worship inasmuch as they worshipped God by use of the printed page, testimony and phonograph records and the street was the rightful place for such worship.

In the arguments after completion of testimony, Petty read the ordinance in force in Ballinger and reviewed the facts of the case. White continued reading from booklets and made reference to Catholics in a way that suggested unpatriotic actions. Petty, in response, said Catholic leaders had offered their church to the war effort in which this nation is engaged and added that he had never heard of one who would not salute the United States flag.

The jury was out of the room about two minutes and returned with a verdict of guilty and assessed the fine at \$50. The ordinance provides for a fine of \$1 to 100.

Civic-Garden Club Will Elect Officers At Next Meeting

The Ballinger Civic-Garden Club met Tuesday afternoon at the city hall for a regular meeting and to make plans for the closing of the year's work. Three new members, Mmes. Cal Adair, Cecil Jones and Rothal O'Kelly, were received into the group at the Tuesday meeting.

A nominating committee was named to make its report at the February meeting at which time officers will be elected for the ensuing year. Members of the committee are Mmes. B. C. Kirk, J. B. Striplin, and A. B. Stobaugh.

The program numbers for Tuesday included:

"Planting of Annuals," Mrs. Bert Frazier
"Fun with Flowers," Mrs. J. R. Golden
"Conservation and its Importance," Mrs. Edgar Boelsche.

It was announced that County Agent John A. Barton would be on the program at the February meeting to discuss soil.

The club was in charge of the home and yard decorations for Christmas and reports were made on the success of that annual Christmas contest.

SOUTH BALLINGER HOME DEMONSTRATION CLUB
The South Ballinger home demonstration club met January 6 in the home of Mrs. Clarence Routh for the first meeting of the new year.

The new year books were given all members and the program consisted of a review of parliamentary rules, arranging the dates of each program for the year and the appointment of committees to serve during 1942.

The next meeting will be on January 20 in the home of Mrs. Austin Williams, at which time "shadows" will be revealed.

At the meeting Tuesday refreshments were served to Mmes. Jack Fry, Virgil McShan, Julius Boothe, James Barron, B. M. Batts, C. D. Harris, Roy Holstead, Douglas Barnett, Harold Routh; Misses Denma Barron and Jane Routh.

Foaming of milk has long been an annoyance to dairy products manufacturers, and a lot of work has been done to try and figure out ways to keep milk from foaming.

CONCHO RESPONDS IN TRUE AMERICAN FASHION AND HELPS IN RED CROSS DRIVE

The Ledger has received the following item from a subscriber at Concho, one of the best communities in our neighboring county:

"Concho is little but loud when it comes to doing things. It was the week after Christmas when the call went out for Red Cross donations. Bob Beard and Mrs. Milton Dyer were appointed to see that the call was answered.

"They concocted a potton, half patriotism and half appetite, topping it with meringue, and called it 'a pie supper for defense.' The response was an honor to our American tradition, and a credit of \$33.00 to the Red Cross.

"This time, the glory can't be given to the head of the house, for the 'clingin' half provided the temptations—20 luscious, nut-studded, cream-topped temptations.

"Follows a list of ladies and the number of pies they donated: Mrs. Bob Beard, 2; Mrs. Jack Beard, 2; Mrs. Charlie Cape, 1; Mrs. W. McFarland, 2; Mrs. Jeff Beard, 2; Mrs. Earl Conley, 2; Mrs. J. W. Barr, 3; Mrs. John Goehring, 1; Mrs. Milton Dyer, 5.

"Anyone who has eaten pie at Concho can understand why the following men paid such handsome prices for such handsome prizes: Acting as auctioneer, a visitor from Burbank, Cal., Roy Alward, \$1.50; J. W. Barr, 85c; W. McFarland, \$1; John Goehring, \$1; Billie Barr, \$1.20; Milton Dyer, \$1.50; Bob Beard, \$1.15; John Goehring, \$1.25; Kerry Dyer, \$1.

DO YOUR EARS RING?
Maybe somebody's talking about you! They noticed your bad breath. Sour, gassy stomach often accompanies occasional constipation. ADLERIKA blends 3 laxatives for quick bowel action and 5 carminatives to relieve gas. Try ADLERIKA today.
J. Y. Pearce Drug Co. and Weeks Drug Store

Thad Dyer, \$1; Jeff Beard, \$1.20; Bob Beard, \$1.10; J. W. Barr, \$2; Charlie Cape, \$1.35; Donald Goehring, \$1.90; True Dyer, \$2; three little boys, \$1.90; Jeff Lee Beard, \$1.35; J. W. Barr, \$2; Raymond Clegg, \$1.60; Jeff Beard, \$1.50; Earl Conley, \$1.25; T. O. Cape, \$1.

"This fund of \$33 followed the membership drive in which Mrs. J. W. Barr had collected \$39, making a total of \$72 donated by the small community of Concho during the Christmas season.

"To those who may be having difficulty with additional Red Cross donations, we suggest you try it this sweeter way, and join us in saying, 'Concho, we salute you!'"

Be wise—advertise.

Miss Mary Lou Agnew has returned to Abilene after a visit with relatives in Ballinger.

Philadelphia public schools are establishing model airplane clubs in junior and senior units.

NOTICE

Interest earned to December 31st, 1941, will be paid on consumers' deposits. Customers desiring payment at this time may receive same if they will bring or mail deposit receipts to our district office at Ballinger, Texas.
