

# THE BALLINGER LEDGER

VOLUME 56

BALLINGER, TEXAS, THURSDAY, JUNE 4, 1942

NUMBER 26

## School to Keep Primary 1; Lumber Bought for Gym

The building committee of the Ballinger school board has succeeded in buying lumber to complete the new auditorium and gymnasium in the new elementary building. Due to the shortage of material and labor, the entire building will not be finished until after the end of the war. The committee plans to leave the old primary No. 1 building as it now stands and complete the building with the exception of the southwest wing. This will provide ten classrooms, offices, library, book storage rooms, rest rooms for both boys and girls, steam heat, kitchen, cafeteria, and other facilities.

All materials is on and for the completion of the building and the gym. WPA will continue to furnish labor, but crews have been cut by a number of men not reporting for work, some of these obtaining private employment and leaving the WPA rolls.

When the gym is completed it will take care of many activities. Assemblies can be held there, all indoor games will be trained for and played in the building.

Bleacher seats will be erected along both sides of the building to accommodate about 800 patrons and in addition 700 folding chairs have been purchased for the center floor to be used when the building is used as an auditorium. School officials expect to have the building complete, so far as plans are to build at this time, and ready for use by the opening of the next term. Stone work on the gym is making fair progress and the walls will soon be completed and the roof started. Window frames and other building supplies are on hand so that no delays will be caused by material shortages.

The only other improvement contemplated for the local school system this summer is at Bearcat Field. Steel has been erected for two more sections of the stands on the home side of the field. This work has been completed but the 2 by 12 inch planks for the seats are yet to be purchased.

The new sections, one added to each end of the stands, will accommodate 420 more people and make the stands on the home side take care of about 1,300 spectators. The one section on the other side of the field will accommodate 500.

Grass on the football field is beginning to grow and is receiving attention. The field was plowed the first of the year and grass seed sown to resod the gridiron. Crab grass caused much trouble but by the middle of the week workmen had finished cutting it out to give the other grass a chance to grow and spread.

During the summer the regular grounds keepers will be on the job to look after the campus and the football field.

## WATER LICENSES RECEIVED FOR THREE CITY EMPLOYEES

Mayor C. P. Shepherd has received three more state water operator's licenses for employees of the city of Ballinger which now makes five employees who hold certificates for various phases of the work. The new licenses were issued as a result of attendance at a short course in San Angelo last March.

Miss Griffie Atkins now holds an administrative operator's license, grade C; Mrs. Lillie Smith holds a grade C plant operator's license; and R. E. Harris a license for plant operation.

Licenses held by city employees include one grade A, one grade B, and three grade C. The employees have attended a number of schools, some held at A. & M. College, and others conducted by the state health department.

## FORMER BALLINGER BOY SAID MISSING IN ACTION

Mr. and Mrs. Max Wilson, of San Angelo, received word this week that their son, LeRoy (Sonnyboy) Wilson, was missing in action. Young Wilson had been in the Philippine Islands for about a year and was on Corregidor in the last days of the terrific Jap thrusts at the defenders of the fortress.

Wilson lived for a number of years in Ballinger and is well known here. He is a nephew of Mrs. L. B. Rudder and has other relatives residing near here.

No particulars have been received here but so far as known Wilson was alive and with the forces that surrendered to the Japs a short time ago.

## Delegates Appointed For Corpus Christi Firemen's Meeting

Ballinger fire department delegates will leave next Sunday for Corpus Christi where they will attend the annual meeting of the state firemen's association.

Elected delegates for the 1942 convention are Chief Chester Cherry, D. G. Posey, Malcolm Morgan and Wesley Whitman. In addition to these several ladies will attend and enjoy an outing at the coast resort while the convention is in session.

The program for this year has been changed considerably and most of the sessions will be work with very little play. No races will be held this year and entertainment features will be limited to just a few. Attendance is expected to be smaller than in past years due to the rationing of rubber, cars and lack of other forms of transportation.

Much study will be given to combatting fire under war conditions and specialists from England will be present to lecture and give actual demonstrations on handling incendiary bombs.

The convention will last for three days and will close with the business session at which officers are elected and a convention city named.

## Secretary Killough Has First Meeting With B. C. D. Board

The regular June meeting of the directors of the Ballinger Board of Community Development was held Monday evening at the offices in the city hall with practically all directors attending. The new secretary-manager, J. A. Killough, was present and was officially greeted by the board members.

Mr. Killough will assume the duties June 15.

A general discussion was held on the request of the federal government for all commercial groups to stage a short bond sale on July 1 from noon until 12:30 p. m. in which all retailers will stop business and devote their sales efforts to the sale of war bonds. This is a nationwide movement and Ballinger will cooperate.

J. A. Schnable, chairman of the membership committee, handed each director the names of two or three people to be seen in the next few days and invited to become members of the association. During the past several months a large number of people have moved to Ballinger to make home and several business changes have occurred. There will be no high-powered drive to cover the entire city but in the future all new citizens will be contacted soon after they are settled here.

The directors voted to organize and enter the human chain system already organized in the rural communities of the county. A five-man committee will be named to draft full plans for the local set-up, the town will be mapped, and persons designated and contacted to look after certain territories. As soon as block chairmen are designated, families will be notified who will call on them in all war campaigns staged here for the remainder of the emergency.

P. A. Cobden stated that a tentative date had been set for the anniversary celebration and dedication of the Harman Training Center, Bruce Field. The date probably will be July 25, which is the approximate date of the ground breaking ceremonies last year.

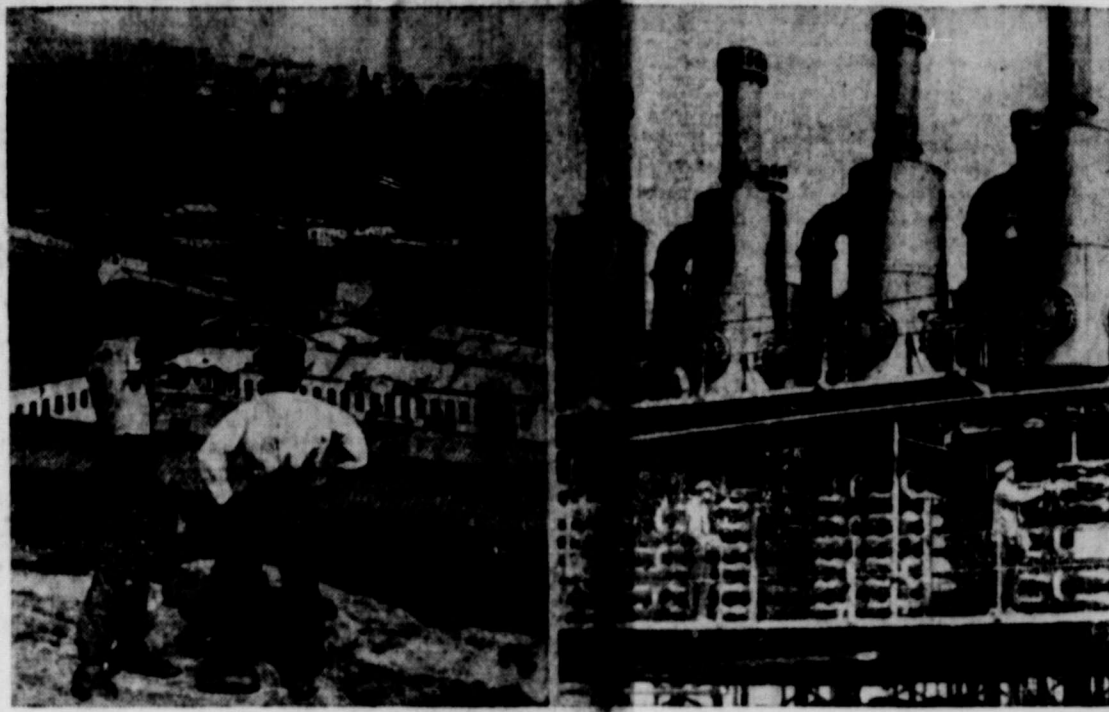

Miss Billie Nell Hinkle, of Ballinger, who is attending Draughon's Business College, Abilene, was among those listed on the honor roll for the past term.

Mary Edith Herring, student at T. S. C. W., Denton, came in last Friday to spend a few days with relatives and friends before entering summer school.

Pvt. Delbert C. Richardson, son of Mr. and Mrs. Bob Richardson, of Ballinger, was graduated recently at the army air force technical school at Chanute Field, Illinois.

Pvt. Vernon A. Jones, son of Mrs. Maud Jones, of Millersview, is now stationed at Fort Knox, Kentucky. He joined the army May 18 and went to Fort Sam Houston, San Antonio.

## Oil That Feeds Russian War Machine

Two Russian workers (left) stand on a hill at Baku, U.S.S.R., and look over a vast panorama of oil fields with the derricks resembling pins placed at random in some gigantic pin cushion. From this rich oil land in the Caucasus comes most of the fuel to feed the Red army fighting machines. It has been Hitler's most wished-for goal. Picture at the right shows an oil-cracking plant in Baku.

## Oliver Completes Three New Bridges in Precinct

Dee Oliver, commissioner of precinct No. 1, has just completed three new bridges on roads in his territory and a large number of small and large concrete culverts. This work along with a large amount of caliche surfacing has been done since the first of the year.

All three of the bridges have been completed since January 19, two being constructed by the Austin Bridge Co. under contract, and the other built by Mr. Oliver and his crew.

A large steel span bridge across Elm Creek on the New Home road has just been completed. This steel was moved from a point in south-central Texas by the contractors and is a 140-foot span with long approaches. The center of the bridge is 25 feet above water and will permit traffic even if the stream is at the highest flood stage in its history.

A three-arch concrete structure has been built across Eagle Branch on the New Home road. This bridge has a 41-foot opening and has concrete and rock abutments to hold the dirt fill leading to the bridge. The two new structures on the New Home road will permit traffic after rains and the entire road in precinct 1 has been surfaced with caliche.

Another double-span steel bridge has been finished by the Austin Bridge Co. on a road east of the Tucker Refinery. A 75-foot and a 60-foot steel span have been erected on concrete piling and two long approaches on crescented piling makes this bridge one of the largest in the vicinity. The bridge is more than 20 feet above the water and will permit traffic at any time.

Between this bridge and the Abilene-Ballinger highway, the road is being widened and will later be surfaced with caliche to make it an all-weather road.

West of Hatchel a triple-box concrete culvert 24 feet in length has been built to take care of a small stream that has tied up traffic on many occasions. In this area a large number of small concrete structures have been built to replace dips that were impassable in rainy weather.

Since taking office Mr. Oliver has built 102 concrete structures in this precinct. Ninety-eight were constructed by the commissioner's crew, two with WPA assistance, and one under contract. In most instances the regular force built the culverts at a small part of the prices submitted by contractors.

During the last few weeks two small culverts have been built on the road leading from Ballinger to the upper city dam and a large amount of caliche spread on the road.

Mr. Oliver stated that he had received splendid cooperation from land owners in all parts of his precinct in obtaining rock, caliche, and land for widening roads and eliminating corners.

At Hatchel he has surfaced a road serving the school and church and also built crossings over drainage ditches and drives into the grounds for the use of buses.

Lester Leo Doherty, son of Mr. and Mrs. H. W. Doherty, left last week for some distant training center. He enlisted in the navy and was accepted for regular service on May 19.

## Cadet Class 42-K Begins Training; West Pointers Here

A large number of aviation cadets arrived here Monday afternoon to form class 42-K at Bruce Field, the last of the 42 series to train here. The men were transported here in large busses and were assigned to barracks at once, beginning the regular schedule of work Tuesday.

Tuesday morning a small group of West Point men arrived and will be a part of class 42-K and receive primary training at Bruce Field. These men arrived on the morning Santa Fe and were taken at once to the field in the Harman Training Center bus. These men are mostly sophomores and juniors and have not received their commissions yet. Their dress is slightly different from the other cadets, but they wear regulation khaki with black belts, ties, and a special issue summer hat.

Other West Pointers were sent to Coleman and other primary air fields in this section of Texas.

Class 42-K is the largest group to train here in several months and all cadets will attend a dance Saturday evening at the Army and Navy Club given by the girls of Ballinger to honor the new class.

Lieut. J. C. Ward, personnel officer at Bruce Field, received a promotion the first of the week making him a first lieutenant. He has been here since the establishment of the Harman Training Center and has a host of friends in Ballinger who are pleased at his promotion.

Lieut. H. J. Winsouer is now on detached service at Randolph Field, where he is receiving instruction in the medical branch of the air service.

Work on the stage house at Bruce Field is nearing completion and the building will be in the shape of an "H" in honor of the operator, Fred Harman.

Grounds about all the buildings and at the entrance are changing appearance fast as grass is covering the terrain and landscaping is beginning to add beauty to the grounds and buildings.

MRS. ERWIN RETURNS HOME FROM NEW JERSEY MEETING

Mrs. W. A. Erwin returned home Tuesday after attending the recent quadrennial national meeting of the Woman's Missionary Society of the Presbyterian Church, U. S. A. at Atlantic City, New Jersey. En route home she visited in Boston, Philadelphia, Washington and other cities.

Sunday morning at the 11 o'clock hour, Mrs. Erwin will speak at the Eighth Street Presbyterian Church, giving some of the highlights of the meeting she attended.

BALLINGER MAN FIRST PEARL HARBOR AVENGER

Ernest C. Carter, of Ballinger, was the first man to receive an insigne reading "I am a Pearl Harbor avenger" at Dallas today. Carter was the first of 2,000 navy recruits who will receive the mark of honor.

The men will be sworn in at 1:25 p. m. Sunday, that hour being the time of the attack on Pearl Harbor by the Japanese just six months ago.

The insigne is a pasteboard replica of a clock, its hands pointing to 1:25 p. m. It will be given all men who qualify during this week at navy recruiting stations.

## Good Progress Continues On County's USO Quota

### Large Crowd Attends Memorial Day Rites; Captain Goff Speaks

Memorial services were held at Evergreen Cemetery Sunday evening, the Ballinger American Legion post sponsoring the annual services. Attendance was the largest in the history of the special observance due to churches of the city cooperating by cancelling their evening services and urging their members to attend.

The program, presented in the central grove commencing at 8 p. m., was concluded just before dark. The Ballinger high school band opened the program with a short concert of military music as members of the Legion and the Texas Defense Guard marched to the place of meeting behind their colors.

Rev. J. C. Johnson offered the invocation after which Post Commander O. C. Sykes called the meeting to order and presented Chaplain Clarence A. Morton. The chaplain offered a brief tribute to the honored dead of all wars and introduced the speaker of the evening, Captain Cecil Goff, chaplain of the Texas Defense Guard.

Captain Goff related how the liberty of this nation was won and asserted it was the right and responsibility of every citizen to defend that liberty. He urged all citizens to have a house in order session in their own hearts so that right can be on their side and the peace as well as the war be won. "This peace must guarantee liberty to all people in the world, regardless of tongue or color," the speaker declared.

Following the Memorial Day address, the band played "The Star Spangled Banner" and taps sounded in the distance to dismiss the audience.

Legionnaires were pleased with the splendid response of the citizens who attended and those who participated in the program.

## Tuberculosis Unit In Meeting to Plan Program for Year

The executive committee of the Runnels County Tuberculosis Association met at the city hall in Ballinger Saturday, May 30, to transact current business and discuss the program for next year.

Attending were Mrs. Nat Williams, chairman; Miss Lucille Botter, county health nurse; Mrs. E. C. Grindstaff; Mrs. John Norman, Winters; and Mrs. H. H. Shiller, Groenwald.

New board members appointed to fill recent vacancies by resignation were Mrs. G. Bedford, Winters; and Mrs. J. B. Striplin, Ballinger. After consideration of the proposed work a budget for the ensuing year was adopted.

Miss Botter gave an interesting report on the state tuberculosis association meeting which she attended recently. She announced that a mobile X-ray unit of the state department of health would be in Ballinger on September 28 on the invitation of the Runnels County Medical Association. Dr. Howard E. Smith, well-known chest specialist, will be in charge of the unit.

The Runnels county group will be working in the meantime to assist in making this a worthwhile health service.

Often leaders launched their USO drive last Sunday and the first day obtained more than three-fourths of their quota. They will complete the drive next Sunday and make a report next week when the campaign is concluded.

The Knights of Columbus is sponsoring the drive for funds at Olifen and a committee composed of Martin Maas, grand knight; Joe H. Halfmann, Leo Multer and Ben Holtman is in charge of the solicitation. The committee accepted the community's full quota and reported this week that it would be raised and turned in after Sunday.

Leaders in other communities of the county continue to work this week with the county's quota less than half raised. A check for \$1,575 to be applied on the quota of \$3,780 was sent to state headquarters the first of the week.

Ballinger is still \$150 short of its quota and more work must be done here to raise this part of the money. Any person who has not been solicited or who feels he can give more is asked to leave his donation with Harry Lynn at the First National Bank.

Both Miles and Rowena are nearing their quotas with much of the work already done in these communities. Benoit has gone over the top and is the only community in the county to achieve the goal. Wingate and Maverick committees have made nice remittances and the rest of the county has made no reports to date.

Check-ups will be made in each community next week and if the quota is still far short, a new drive will be launched and new workers asked to take over part of the canvass.

Miles was only about \$90 short of its full quota the past weekend and Rowena had received most of its quota, the First National Bank heading the list with a \$50 contribution.

## MORE KNITTERS NEEDED TO MAKE NAVY SCARFS

The Red Cross production in Ballinger is still in need of knitters to assist in making scarfs for the army and navy. The material is here and a large number have already been issued to local women and girls.

Any knitter who will help is asked to contact one of the supervisors, Mrs. Jim Duncan or Mrs. Troy Simpson, for yarn and instructions.

During the past week the following finished garments were turned in: Wristlets—Mrs. L. L. Stobie, 2 pairs; Mrs. Troy Simpson, 4 pairs; Mrs. Jim Duncan, 2 pairs; Mrs. R. W. DeMott, 3 pairs; Mrs. Clarence Bissett, 3 pairs; Mrs. Victor Miller, 2 pairs; Mrs. E. C. Tinsley, one; Sleeveless Sweater—Mrs. Herman Giesecke, Jr., one; G. D. Muffler—Mrs. L. L. Stobie, one.

A large number of sweaters and other knitted garments are now being made by knitters in a quota to be shipped soon to the army and navy.

## WILLIAMS GOES TO LUBBOCK FOR FARM-SHOP COURSE

J. M. Williams left Monday for Lubbock, where he will be in school for the next few weeks at Texas Technological College. He will take a course in farm-shop work and this will be included in the regular vocational course in the Ballinger high school. He will return here in a few weeks to resume vocational work with boys of this territory.

## Open House Held by Baptist Vacation Bible School

The First Baptist Vacation Bible School was closed Friday evening with an open house and graduation services at the church on Eighth Street planned by supervisors, Meses. Elmer Shepperd, Edgar Boelsche, Carl Black, and Roy Worley.

A large crowd of interested friends and parents saw the exhibits in various departments and heard Miss Mary Elizabeth Truly talk at the general assembly period which opened with pledges of allegiance to the United States flag, the Christian flag, and the Bible. The closing feature was the presentation of certificates. More than 140 children were registered and the average daily attendance was 125.

## Mrs. Stallings Compliments Mrs. Jones

Mrs. Alma Jones of Lubbock, who has been visiting Ballinger friends for the past week, was complimented by Mrs. Leonard Stallings on Tuesday when she was hostess at an informal twelve-thirty luncheon at the Central Hotel.

Fragrant blossoms in the soft pastels formed the table centerpiece. The menu was served in three courses. Others were: Meses. Loyd Herring, R. W. Earnshaw, L. R. Tigner, Claude Stone and Ford Taylor.

## Baptist W. M. S. Hears Convention Report

Mrs. Carl Black, president of the Baptist Woman's Missionary Society, conducted the regular monthly business meeting at the church Monday afternoon. Officers, circle chairmen, and chairmen of committees made excellent reports of all activities.

Mrs. Clarence Morton gave a comprehensive and inspiring report of the recent Southern Baptist Convention.

Open Installation for O. E. S. Incoming officers of the Order of Eastern Star, Ballinger Chapter No. 286, were formally installed at an open service Monday evening in the chapter room, which was

beautifully decorated. Mrs. Velma B. Halley, past worthy grand matron of Texas, was assisted in conducting the impressive ceremony by Mrs. Bess Cherry, marshal, Mrs. Rama Saunders, organist, and Mrs. T. J. McCaughan, chaplain.

As Mrs. Dale O'Neill, retiring matron, took her place in the East, past matrons of the Ballinger chapter, Meses. Kathleen Bailey, J. A. Ostertag, Halley, O. R. Lasater, Cherry, Saunders, Rape, and Miss Griffie Atkins were presented by Mrs. Marion Cordill, conductress, and Mrs. Clyde Gabbert, associate, as was Mrs. Emma Nash, a charter member. Mrs. Bailey read a beautiful tribute to the flag, and the pledge of allegiance was given by all, and the opening stanza of the Star Spangled Banner was sung.

Officers installed were: Miss Marie Norwood, worthy matron; Paul Petty, worthy patron; Mrs. Cordill, associate matron; Troy Stewart, associate patron; Dr. W. B. Halley, secretary; J. Whit Patterson, treasurer; Mrs. Gabbert, conductress; Mrs. M. A. Foy, associate conductress; Miss Agnes Glover, chaplain; Mrs. Treva Agnew, marshal; Miss Lola Eubank, organist; Mrs. Genevieve Kiechle, Adah; Mrs. Nellie Campbell, Ruth; Mrs. Effie Huisey, Esther; Miss Myrtle Ruth Hale, Martha; Mrs. Virginia Zedlitz, Electa; Mrs. Rachel Boswell, warder; and Mrs. Beulah Rape, sentinel.

A basket of flowers was presented the matron by the star points, and Mrs. O'Neill gave her the matron's pin, a gift from Mrs. Rape, which is passed on from year to year. Mrs. Saunders gave the chapter's gift, a past matron's pin, to Mrs. O'Neill, and Mrs. Cordill presented the officers' gift to her.

Dr. Halley gave flowers to Mrs. Nash and Mrs. J. H. Wilke. Punch was served at the social hour.

## Mrs. Troy Reese is Hostess

Mrs. Troy Reese included a group of friends for games of forty-two last Friday afternoon in her home on Broadway.

Varied summer blossoms decorated rooms where pal gifts were exchanged, pal names revealed and new names drawn.

Punch was served with cookies. Included were: Meses. Ed Farley, LeRoy McAulay, Max Phillips, R. L. Sulphren, O. K. Jacob, Dee Saylor, Foy Young, Alton Williams, Ross Smith, Alvin Neely,

Herman Hulsey, Lila Kelly, Russell Jones; and Clara Beth Sutphen.

## Party for Bill Crockett on Fifth Anniversary

Bill Crockett was honor guest on his fifth birthday anniversary last Friday afternoon when his mother, Mrs. Arthur Crockett, gave a party for him.

After guests had assembled at their home and gifts had been opened, youngsters were taken to City Park for games and refreshments. The birthday cake, iced in white and decorated with pink, with tiny pink candles, was cut and served with ice cream cones.

Assisting were: Meses. Rothal O'Kelly, O. D. Morrison, Fred Underwood; E. L. Morrison, D. W. Turner, Dale Douglass, and D. W. Williams, of Norton. Children included were: Billy Tatum, Sally and Sue Underwood, Martha Neil McAlpine, Dee Ann Saylor, Joyce Lee Wington, Charles Parrish, Olenn Morrison, Ruth Ann Erwin, Rothal O'Kelly, Jr., Linda Kay Crockett; Billy Marvin and Dickie Morrison, Dwayne Williams, C. J. Robinson, J. Wayne Turner, and Ronald Douglass of Norton.

## I'll Bet a Button

I wish that men would like my ballads  
As much as my nut-Waldorf salads,  
Or praise the highlights of my soul  
As they do lobster casserole.  
But no, it's not my soul that glitters,  
My fame rests on banana fritters!

Men say that my Biscuit Tortoni Will lead them into matrimony,  
But I, myself? Just a brunette  
Less tasty than my Crepe Suzette.

I wish that men would like my dancing  
And find my cooking less entrancing.

But what's the use? I'll bet a button  
That every man was born a glutton.

And that is why they eat at  
THE CACTUS COFFEE SHOP

## FRANCIS PEARCE HONOR STUDENT AND GRADUATE AT MILITARY ACADEMY

Cadet Francis M. Pearce

Cadet Francis M. Pearce, Jr., son of Mr. and Mrs. F. M. Pearce of Ballinger, graduated from Western Military Academy, Alton, Illinois, on May 31.

Cadet Pearce finished his courses with honors, according to R. L. Jackson, superintendent of the academy. He was a lieutenant in the Western battalion and a member of the rifle team. His military record was excellent and he also was on the honor roll in academic work and won several letters on various athletic teams.

Mr. and Mrs. Pearce and Wellington attended the graduation program the past week-end.

the trimmings. Bingo and other prize games and contests gave pleasant diversion, as did the program of accordion numbers by Sam Egnot, Jr., and the "one-man" band of Mr. C. C. Stratton. Dancing to a record-player on the tennis courts concluded the festivities.

General committee members were: Meses. Fred Kingdon, Sam Egnot, George Van Aucken, and Larry Miller. Other committees were composed of Meses. W. W. Schaedel, Gordon Koonce, E. W. Leach, Richard Ross, Robert Harold, Stratton, Homer Hall, and Robert Van Cise.

## Nat Williams Are Hosts

Husbands of members of an afternoon sewing club were included as added guests Thursday evening when Mr. and Mrs. Nat Williams were hosts with a bridge dinner in their home on Tenth Street.

The Hawaiian theme, given elaborate emphasis in all appointments, was suggested by the welcome given by the host's young daughter, Gwen, as she placed colorful leis around their necks. Small coconut palms, cleverly fashioned of corks and crepe paper leaves, decked rooms and an arrangement of fresh pineapple and other fruits formed the dining table centerpiece where the supper was served buffet style. Place cards and bingo prizes, won by Mrs. E. W. Stasney and Mrs. Harry Lynn, further stressed the chosen motif.

Natlynn Williams and Shirley Maggart assisted. Included were: Dr. and Mrs. Stasney, Messrs. and Meses. Lynn, R. W. Earnshaw, L. R. Tigner, Tom Agnew, Claude Stone, and Troy Simpson.

## Baptist Naomi Class Meets in Park

The Baptist Naomi Class held its regular monthly business and social meeting Tuesday evening in City Park with Mrs. J. H. Endacott presiding over the business session for routine reports. Mrs. W. J. Hembree gave the devotional followed by prayer by Mrs. O. T. Toney.

During the social hour, Mrs. John Rayburn and Mrs. Edgar Boelsche were hostesses. At the one long table, laid in damask and decorated with baskets of abelias, day lilies, and daisies, Coney Island sandwiches were served with iced drinks. A vacation game gave diversion.

Others present were: Meses. C. E. Maedgen, Ed Lengefeld, Ted Whitehead, Jack Brookshire, Wallace Seipp, Naomi Keithley, E. C. Grindstaff, W. D. Davenport, Pat

Michaelis, L. L. Stroble, and A. A. Wallace.

## Garden Club Meets

Mrs. James Wear, president, directed the meeting of the Civic-Garden Club held Tuesday afternoon in City Hall auditorium. Mrs. John Barton's resignation as secretary was accepted. Mrs. C. R. Stephens, Mrs. Edgar Boelsche and Mrs. Barton were appointed members of a committee to redraft the constitution and by-laws. It was reported that flowers had been kept in the hospital at Bruce Field. Mrs. B. Fraser gave an open invitation to all interested persons to visit her flower gardens at her home on the Bronte Highway. She has several hundred gladioli and about a hundred dahlia plants. The blooms are at their best before 9 a. m.

Program numbers were: "Famous Gardens of America" by Mrs. E. S. Malone; "New Garden Club Activities" by Mrs. Rothal O'Kelly; "Woman's Part in Defense" by Mrs. R. W. Earnshaw; and the "Question Box" by Mrs. Fraser.

Mrs. E. P. Talbot displayed lovely Picardy gladioli, and Mrs. Oscar Pearson, sweet peas. These bouquets were taken to Bruce Field hospital after the meeting.

"All things come to him who orders hash"—so quotes The Ledger of May 7th; but—you'll get the true flavor of prime corned beef and Idaho potatoes topped with a fresh poached egg—a real meal with zest, at  
THE CACTUS COFFEE SHOP

## Mrs. Stokes Compliments Recent Bride

Mrs. Morris Stokes was hostess last Wednesday evening to compliment Mrs. G. D. Pullin, who, before her recent marriage, was Miss Willie Mae McMillan.

Guests went in a group to the honoree's home on Thirteenth Street, from the home of Miss Gladys Davis, taking with them all party arrangements, including patriotic appointments for the surprise gift shower, and for games of forty-two.

Miss Davis presided over the register and assisted her sister in serving a dessert course. Others were: Meses. Milton Greenwood, Cam Blackmon, George McMillan, J. Whitley, T. F. Davis, Spencer Davis, Clarence Hill, Paul Pullen, Cecil Roe, and Paul Burks; Meses. Leslie Greenwood, Tom Moreland, Earl Hamilton, Dora Mapes, and Harry Moreland; Meses. Gladys Fry, Annie B. Mapes, and Jane Routh; Messrs. Horace Davis, and Stokes.

## First Christian W. M. S. Installs Officers

Mrs. W. F. Atwell, retiring president of the First Christian Woman's Missionary Society, conducted the business meeting Monday afternoon at the church on Broadway.

Mrs. A. B. Stobaugh was installing officer for the following: Mrs. M. A. Foy, president; Mrs. Horace

Murphy, vice-president; Mrs. W. O. Wallace, secretary-treasurer; and Mrs. Marvin Clark, World Cause secretary.

Mrs. Charles Bailey gave the devotional, and Mrs. Ed Walker read an article concerning the war effort of missionaries. Twenty were present.

DO YOU KNOW that chewy, yummy cookies, fresh from the oven, are baked daily at  
THE CACTUS COFFEE SHOP  
7-11

## Picnic for Harmanettes

Harmanettes enjoyed a no-host picnic in City Park Tuesday evening.

After roasting wieners over the open furnace, the supper was eaten. Afterwards, tennis and other games, and bicycle riding gave diversion.

Mrs. Marcella Bradshaw directed the business period. Others present were: Mrs. Melba Lincoln, Meses. Ombra Tackett, Wilma Setpp, Dorothy Watson, Eulalia Nicholson, Merle Branton, and Janie Flynn.

Mr. and Mrs. T. C. Hall, of Temple, are here for a visit with Mr. and Mrs. W. E. Hall, Jr.

## BLANTON WORKERS' CLUB

The Blanton Workers' Club met Tuesday, May 26, in the home of Mrs. Aris Tounget. At the noon hour Mrs. Tom King assisted the hostess in serving dinner buffet style to 16 members. Mrs. A. W. Malone received her birthday cake.

At the business hour the hostess presented Mrs. Malone a birthday gift.

During the day a quilt was quilted for the hostess and some hand-work was done.

The club adjourned to meet with Miss Audrey Reese on Tuesday, June 9.

Mrs. Theo Bell has returned home from Houston and Dallas where she had been visiting relatives and friends.

**THIS IS A TIME FOR SAVING**

It is now the duty of every patriotic American to reduce waste. Many things which have long been plentiful will be scarcer. When you save on things of daily use you also save dollars for yourself. Any kind of saving aids directly or indirectly in defense.

You will need more money for taxes. If you have a reserve, taxes and other large items will cause no inconvenience. There will always be unexpected demands for ready cash. Nothing takes the place of money in the bank when cash demands are in excess of current income.

Build your reserve at this friendly bank which so many of your friends and neighbors are using with profit. Your account is cordially invited.

**GRASS FIRE DOES NO DAMAGE**  
The Ballinger fire department was called to a location on Fifth Street Monday to put out a grass fire which did no damage. Firemen point out that a number of vacant lots and blocks are high with weeds and grass and will present a real fire hazard a little later when dry, unless a clean-up campaign is conducted.

**Jews Prepare to Defend Homeland**

This photo, released in London, shows what the Jews are doing to guard the traditional homeland against attack by the Axis. A gun post in a craggy castle on the island of Cyprus is manned by Jews from Poland, Rumania, Czechoslovakia and other countries that are temporarily under the Nazi heel. They have already seen service in Greece, Crete and Libya.

**Quart-a-Day Milk Drinking Urged by Mill Manager**

"Drink a quart a day—of milk—at all times to maintain health and morale as well as to help the dairy industry which is such an important business for local farmers," says H. W. Lynn, manager of the Ballinger cottonmill. "June is being observed as Dairy Month throughout the nation," he adds, "and all of us certainly should drink more milk and use more dairy products during this month."  
During the present emergency, especially, use of adequate amounts of milk and dairy products is being urged in the nutritional program to maintain and improve the nation's health. A minimum of one pint of milk for every adult and a quart for children is advocated, but adults who drink a quart daily will be that much better off, the mill manager points out.

"Our own cotton oil industry, so closely associated with all farm activities through the services that we render to cotton producers and livestock feeders, is rather proud of the part that we are taking in aiding both the increased consumption and increased production of dairy products, especially in cotton-growing states," he adds.  
"This spring our Educational Service has prepared a special folder, 'More Milks for Americans and Victory,' of which some 100,000 copies have been distributed by cotton oil mills, county agents and others. By making these available to every dairy cattle owner who wants them, we are helping to distribute information on efficient feeding based upon recommendations of Experiment Stations and upon practical experience."  
Annual availability of cottonseed meal and hulls, both efficient feeds in rations for dairy cattle, also is an important factor in increasing production of milk from grains and roughages produced on farms. Supplying protein that is essential for efficient milk production and is lacking in farm grains and hays, cottonseed meal enables the dairy producer to get more value from his rations and cows. Authorities have estimated that production of the average cow can be increased as much as 20 per cent by using adequate amounts of protein in rations.  
"Consumption is just as important as production if our growing dairy industry is to be of maximum value to our nation," the oil mill manager concluded, "and the observance of National Dairy Month during June gives us a real opportunity to increase our consumption of these nutritious foods."  
4-11

**Few County And Precinct Office Seekers Announce**

Monday was the final date for announcements for district offices in Texas and June 13 will be the final for county and precinct offices. Drury P. Hathaway, county chairman, announced that the Runnels county Democratic executive committee would meet Monday, June 15, to determine eligible office seekers and to fix assessments for expenses of the primary elections.  
To date there is not a single race in county or precinct candidates in this county. Politics has been extremely quiet in the county and there are no rumors of office seekers likely to enter the Democratic primaries. All present office holders are asking reelection to the posts they now hold.  
In the district races there will be considerable competition. The district attorney's race wound up with three announced candidates. They are O'Neal Dendy, present prosecutor; T. R. Johnson and O. Franklin, both of San Angelo.  
Three men are seeking the post of congressman for the 21st district. These are: C. L. South, now in the House at Washington; O. C. Fisher, of San Angelo; and Harry Knox, of Brownwood.  
There are two candidates for the office of judge, court of civil appeals, third district.

**STATE CANDIDATE CALLS ON VOTERS IN BALLINGER**

State Senator Harold Beck was here Tuesday in the interest of his campaign for the office of lieutenant-governor. While here he met a number of old friends and distributed political advertising matter to voters of this area.  
Advertisers' stocks are new and up-to-date.

**Houstonian to Lead In Revival Services At Baptist Church**

Dr. E. D. Head

Plans are being perfected for the revival which will start Sunday, June 14, at the First Baptist Church. Rev. Clarence A. Morton, pastor, has announced that Dr. E. D. Head, pastor of the First Baptist Church at Houston, will lead the membership in the evangelistic effort.  
Dr. Head is one of the outstanding speakers of the denomination and members of the Ballinger church feel honored at having him accept the invitation to participate in a two weeks' revival here.

Dr. Charles Russell Boud, head of the department of music at Howard Payne College, Brownwood, will have charge of the music and will bring special solos during the two weeks of services.  
Rev. Morton stated that services would be held each week-day morning at 10 o'clock and each evening at 8. Announcements will be made of special prayer group meetings and other group meetings to be held after conference with the revival leaders.  
All services will be held in the church auditorium and a cordial invitation is extended all people of this area to attend as much as possible.

**NAVY VOLUNTEERS TO BE SWORN IN AT SAN ANGELO 6 MONTHS AFTER ATTACK**

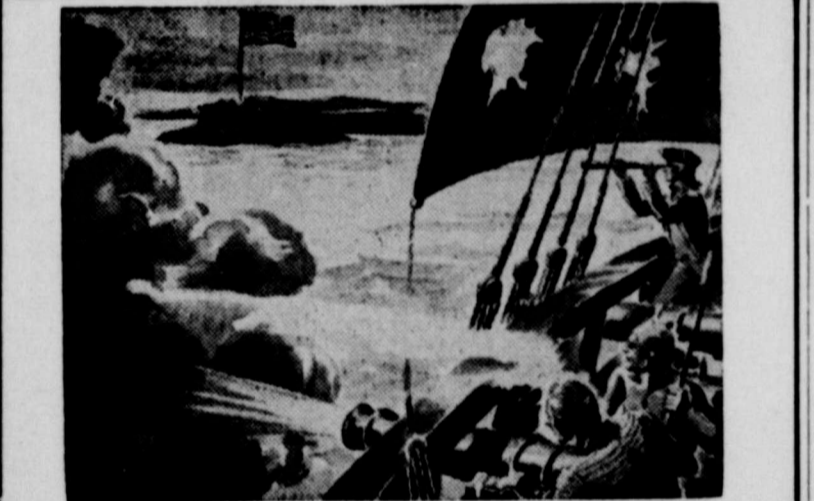

Exactly six months to the second after the Japanese attack on Hawaii, West Texas naval volunteers of this week—"The Avengers of Pearl Harbor"—will be sworn into the service at a public ceremony in San Angelo at 1:25 p. m. next Sunday.  
The ceremony will be duplicated at the same moment in every United States city with a navy recruiting station or sub-station, as a pledge of determination to avenge the attack on Pearl Harbor, Chief V. L. Ryan of the San Angelo navy recruiting sub-station announced this week.  
Parents and wives of all men in the naval service will be honored at the event to be held in a public site. A brief memorial program for the men who defended Pearl Harbor on December 7, 1941, will precede the swearing in of volunteers.  
Men volunteering through the San Angelo navy recruiting sub-station, and going to Dallas this week will take their final physical examinations there and then be sent back to San Angelo to take the oath of allegiance, administered by a commissioned officer of the United States navy.

Mr. and Mrs. G. A. Ragsdale, of Midland, were here the first of the week for a visit with Mr. and Mrs. Harry Lynn. They were en route to Corpus Christi on business and pleasure.

**"By the Dawn's Early Light..."**

THE SIGHT of our flag still waving at Fort McHenry in 1814 inspired the words of "The Star Spangled Banner." "By the dawn's early light" at Pearl Harbor on December 7th, Japan attacked the United States... and once more Americans knew that our flag was still there... that a nation firmly united would more than meet the challenge to its future life... its Freedom.

AMERICANS TOOK up the fight as they have in the past, confident and unafraid, with faith in "the power that hath made and preserved us a nation" in our way of life... our armed forces... in fellow Americans everywhere who will win this war with their work, their courage, their sacrifice...

BACK OF the battle lines stands a united people... a people determined to let nothing get in the way of the victory effort... to give their dimes and dollars to the very limit so that our fighting men will have more and better equipment to crush the enemy. Make more of YOUR dollars fight for America... for victory.

Help to Win the War—the American Way—the War Bond Way—Every Pay Day!

## IN SOCIETY

**Three Are Hostesses to Allies**  
Mmes. Howard Matteson, George Vohringer and Mel Hackman were hostesses to Airfield Allies Wednesday afternoon, entertaining in the City Hall auditorium.

Mrs. Julian Hadley was presiding officer and reported assistance had been given a worthy charity maternity case.

Guests were divided into teams for games and contests and the winning members received cookie cutter favors.

Tea was served with cookies. The following new members were given special recognition: Mmes. E. J. Harwick, Frank D. Angelone, Lee Maples, V. C. Langford, V. J. Chenault, D. W. Bair, T. A. Teays, and O. W. Parris. Others present were: Mmes. Virgil Reynolds, W. L. Barber, K. K. Hoffman, Robert Myers, Fred Kingdon, Larry Muller, Jack Rhodes, W. W. Schaedel, Jack Warner, George Van Auken, Jerry Church, Robert Van Cise, Rothal O'Kelly, R. C. Potter, Joe Navik, Douglas Henson, Harold Mills, Gordon Koonce, E. Measles, John Wagner, Sam Egnot, B. J. Welch, D. J. DeCasse, Max Wormuth.

Have you seen 'em? They're the bestest pecan rolls yet! The World's Fair at Chicago, New York, Dallas, Fort Worth, San Francisco or points west—east, north or south) never had anything to show that could beat those served at THE CACTUS COFFEE SHOP 7-11

### LIEUTENANT FOWLER IN FT. BLISS HOSPITAL

Friends of Lieut. J. E. Fowler will regret to learn that he is in Station Hospital at Fort Bliss, and will probably be there for quite awhile.

Lieut. Fowler left from Camp Bowie the first of November, 1941, and was sent to Cal-Aero, Ontario, California. He was transferred from there to Mather Field, Sacramento, California, in January, 1942, where he received his commission. Later he was sent to the Pendleton, Oregon, air base, and from there to Davis Monthan Field, remaining there only a week before being sent to the Fort Bliss hospital for treatment of a back injury.

DO YOU KNOW it's good for you to eat at THE CACTUS COFFEE SHOP 7-11

Sgt. Jack Williams, of Randolph Field, was here the past week-end for a visit with his parents, Mr. and Mrs. J. A. Williams.

Miss Winnie Merle Adair came in the past week-end from Abilene to spend the summer with her parents, Mr. and Mrs. Cal Adair. She attended McMurry College the past year.

Mrs. Howard Parker and daughters, of Cleburne, are here for a visit in the home of Mr. and Mrs. C. P. Shepherd.

Miss Odessa Parrish came in Saturday to spend the summer vacation with her parents, Mr. and Mrs. Hubert Parrish. She attended Baylor University the past year.

### FINAL WEEK OF DISTRICT COURT ENDS SATURDAY; MAUZEY HEARS ONE CASE

Judge A. A. Mauzey, of Sweetwater, was here Wednesday to preside in 119th district court in a case in which Judge O. L. Parish was disqualified. The case was that of John R. Phillips vs. Mary Stone, et ux.

A jury was secured and heard the evidence but the conclusion of the trial was dismissed and the verdict left in the hands of the court.

The final week of the spring term of court was begun Monday morning with one case heard before a jury that morning. Leo Turner entered a plea of guilty in a chicken theft case and received a two-year suspended sentence.

The term will close Saturday and Judge Parish will go to Coleman for the next term of court in this district.

DO YOU KNOW the biggest line-up of all time—surpassing even the New York Yankees—is found enjoying morning coffee, at THE CACTUS COFFEE SHOP (There's a reason!) 7-11

### NICKEL-IN-THE-SLOT MILK VENDING MACHINES FAVORED TO AID IN DIETARY PROBLEM

COLLEGE STATION, June 3.—Coin-operated milk vending machines would do much to solve dietary problems of persons now training for war jobs, executive members of the Texas state nutrition committee agreed at a recent meeting in Fort Worth.

Thus far little attention has been given to food needs of these trainees, and proper food available on the job is necessary if they are to maintain efficiency and make the greatest war contribution, the committee was told by Ruth Huey, of Austin, state director of vocational homemaking. Canteen workers will be asked to help feed these people adequate meals, Miss Huey said in seeking aid from state, county, and municipal nutrition committees.

By next fall homemakers will find only about four sizes of cans on the grocers' shelves, Martha Rogin, OPA consumer representative at Washington, D. C., forecast for the committee. Continuing benefits of the community school lunch program throughout the summer in localities where there are underfed children was recommended by the executive group. The committee also considered setting up a service for preparing patriotic menus for women's clubs and other organizations. War-time refreshments especially should be rich in vitamins and minerals as well as calories, it was agreed.

Roy Cochran, of Stamford, was here Sunday for a visit in the home of Mr. and Mrs. Ernest Caskey. He flew here in a plane, landing at the municipal field.

Albert Rogge, of San Angelo, visited friends and attended the Memorial Day services here Sunday afternoon.

Mrs. Pete Woodson, of El Paso, is here for a visit with her parents, Mr. and Mrs. W. M. Ashton.

## The Jap Attack on Dutch Harbor

was not unexpected—so the station was prepared to meet it.

The damage was slight—but it brings home to us the fact that we have a service—to our Nation—and to our Allies—that will mean Victory. Remember that:

And that's what it will take to put the Huns and Japs where they belong—Down and Out—or Down and Under—and so Deep Under that they'll never get out.

We say—all Honor to All in the Service of Our Country

We must do our part to cooperate with our Government—and keep the home fires burning. As Ballinger's Shopping Center the Higginbotham Department Store—has a service—they owe the public—and that is to give the best service and best values possible. This we pledge you we will do—that you may buy more Bonds and More Bonds—Victory may come sooner than we expect.

Higginbotham Bros. & Co.

## Net 230,000 Lbs. Farm Rubber First Day

On the very first day of the Northern California Works Projects administration drive to collect agricultural scrap, William C. Bruner, left, an orchardist at Arbuckle, Calif., turned 230,000 pounds of discarded tires over to the WPA collectors. Bruner turned the huge pile of rubber into the custody of A. J. Doyle, chief of the WPA farm salvage staff.

## RURAL NEWS

### HERRING

Bro. Allen, of Brownwood, preached for us Sunday morning and night.

Lawton Brevard, of Sul Ross, Alpine, visited his parents, Mr. and Mrs. J. P. Brevard, the first of this week.

Mr. and Mrs. Edgar Whitley and sons, of Goldsmith, are visiting relatives here on their vacation.

Miss Dorothy Rosford returned last Friday from Howard Payne College for the summer vacation.

Miss Willie Hale returned to Washington last week. Miss Myrtle Ruth Hale accompanied her for a vacation. They were also going to visit other points.

Geneta and Charles, Jr., Stephens returned home Sunday night after visiting their grandmother, Mrs. R. E. White, of Novice rural, last week.

Mr. and Mrs. Robert White, of Talpa; and Mr. and Mrs. R. E. White, of Novice, visited in the Charlie Stephens home last Tuesday.

Mrs. W. H. Schwartz and children, of Crews; Mrs. Monroe Bales and baby, of Winters; Mrs. Charlie

Gerhart and daughter, of Crews; Mrs. Doyle Lee and baby, and Mr. and Mrs. Arnold Wakins and daughter, of Talpa, visited in the J. Rosford home Sunday.

Mr. and Mrs. Reuben Whitley and daughters, Billie Ruth and Lois, Wanda White and Wilma Jackson were dinner guests Sunday in the W. L. Allcorn home.

Mr. and Mrs. G. C. Avant visited in the J. P. Brevard home Sunday.

Remember the all-day singing and home-coming the second Sunday in June. Everyone has a special invitation.

Mr. and Mrs. W. E. Middleton, Mrs. E. C. Tinsley and Mrs. Tom McIntire left Tuesday for Camp Blanding, Florida, for a two weeks visit with sons and other relatives now training in that center.

Harry Lynn returned Thursday from San Antonio, where he attended the annual meeting of the Texas State Bankers' Association.

Miss Mary Simpson, student of Hardin-Simmons University, Abilene, is at home for the summer.

## Miss Camp Advises Texans to Include Herbs in V Gardens

COLLEGE STATION, June 3.—With imports restricted by wartime conditions, most Texans may profitably include a few herbs in their victory gardens, says Jennie Camp, specialist in home production planning for the A. & M. College extension service.

Many herbs are well adapted to Texas conditions and a few might be grown commercially in Texas, the specialist says, calling attention to a recent report prepared by S. H. Yarnell, chief of the Texas agricultural experiment station's division of horticulture. Among the herbs and spices which might be grown with garden care in the state are basil, dill, mint, sage, parsley, anise, bergamot, catnip, chives, dittany, fennel, hyssop, marjoram, mustard, rosemary, savory, tarragon, and lemon verbena.

Using herbs in cooking is an art, Miss Camp says—an art which is practiced too little. They give stimulating flavors to drinks and distinctive flavors to warmed-over dishes "and in many other ways can aid the homemaker in making cooking an adventure rather than a daily chore."

Here are some rules for cooking with herbs: Use them sparingly. Blend them judiciously. Don't use herbs in every dish.

Parsley and fennel are good with poultry, veal, venison and fish. Thyme, marjoram, and savory also combine well with these meats, while lamb or mutton may have mint sauce or mint jelly. A dish of mint or tarragon

will make fruit salads more delightful. Chives, mint, parsley, pepper grass, watercress, and sorrel will give other salads new and unknown tangs, the specialist says. Poppy and caraway seeds add interest to breads, rolls and pickles. Woodruff, mint, lemon verbena, balm, rose geranium, and anise are good in beverages.

Buy U. S. defense bonds and stamps every pay day.

Widespread deposits of bentonite in Gonzales county are described in a University of Texas-WPA report on the county's mineral wealth. Sometimes referred to as "fuller's earth," the Gonzales county deposits generally have been widely used for bleaching purposes. This survey was one of a number being conducted throughout the state by university geologists and WPA crews.

## U.S. Marines - by Krieb

DURING WORLD WAR I PRESIDENT ROOSEVELT, THEN ASSISTANT SECRETARY OF THE NAVY, PRACTICED REGULARLY ON THE MARINE CORPS GOLF RANGE AT WINTHROP MARYLAND. LEATHERNECK OFFICERS SAY HE HAD A KEEN EYE AND COULD HOLD HIS OWN WITH THE BEST OF DEVIL DOG SHOTS.

MR. POTTER PLAYS FOOTBALL FOR THREE COLLEGES BEFORE ENLISTING IN THE MARINE CORPS DURING HIS ENTIRE HIGH SCHOOL CAREER. HE PLAYED IN HIS BARE FEET DURING ONE YEAR. HE AVERAGED 47 YARDS FOR KICKING.

(Subscriptions payable in advance)  
Telephone 27

**HAS YOUR ADDRESS CHANGED RECENTLY?**  
Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.  
Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.  
The best plan for all concerned is to send the change of address in advance.

Runnels county citizens did a nice job in buying war bonds and stamps during May, going over the quota more than double. The job for June is much harder, the quota being practically double that for May. Runnels countians are asked to buy almost \$63,000 in stamps and bonds this month and the county organization will begin early to secure this amount. Stamps and bonds are being sold at five places in the county and during May all reported good business.

Runnels county is again running behind other counties in this district in raising money for the USO. To date less than half of the county's quota has been donated and many people have not contributed anything. Just why Runnels county should be different from others adjoining is hard to understand. Only a few reasons have come into the open from those who would not donate or who held their donations very small. On was that it was just a "dancing crowd." The USO does sponsor dances with the best girls in the town meeting soldiers and in this way is doing all it can to offset the nearby "honky-tonks" that operate for money. Others state they are not in favor of entertainment for soldiers—that they should be trained fight. These people forget that the boys are fighting and giving their lives that they may continue to live and enjoy their American homes and liberty and just how well the boys fight will depend upon the morale which the people back home must keep building through such organizations as the USO. Those who evade their duty to

our fighting forces should remember that these boys are coming back to America some day and to their homes. They will find out who supported them and who did not.

Indications point to the quietest Democratic primary in the history of Runnels county in July. At present there is not a single county race and the usual big crowd to watch the tabulation of election returns will be missing on the night after the polls close. Office holders in this county should feel complimented that they have no opposition this year because such a condition indicates a good job is being done.

## Ballinger Country Club to Hold Annual Stockholder Meeting

The annual meeting of the shareholders of the Ballinger Country Club will be held at the club house next Tuesday night at 8:30. All stockholders have been mailed notices to be present and those who desire may send proxies in writing by representatives if they cannot attend.

A number of important matters will be brought before the stockholders as recommendations from the board of directors. Perhaps the most important will be the plan to issue a limited number of associate memberships to people who do not live in Ballinger and are only here during the war emergency. These memberships would permit all club privileges but would not give the right to vote in annual or called meetings of the club.

Another proposal will be submitted for a vote to extend swimming rights to cadets at the Harman Training Center on Saturday and Sunday afternoons. Other business to come before the group will be the annual reports of committee chairmen, the secretary, and other activities for the year. A vote will be taken as to whether the annual July 4 celebration will be held this year.

Two directors will be elected to serve three-year terms on the board and a number of other matters are to be discussed. During the past few months a large amount of improvements have been made to club property and the facilities for the summer are the best in several years. The lake was drained during the winter and is free of moss. Fishing, swimming and boating are good. The golf grounds are in excellent condition with the greens the best since grass was installed to replace sand.

## Trainees Learn What Makes a Ship 'Tick'

From the mountains and the plains young Americans come down to the sea at Port Huene, Calif., to answer the call for immediate expansion of the U. S. merchant marine. Here at the new, spacious Maritime Service Training station nearly 300 trainees are going through the streamlined three-month process of becoming seamen. At left they are shown learning to operate a 5-inch gun. Right: Lieut. Jr. Grade G. A. Painter instructs his class in boat engineering.

## WEST TEXAS NOTES

The Ballard Packing Company at Rising Star has announced that it will be ready soon to process the berry crop in that section. Farmers of the area have a good crop this season and the rush will be on in a few weeks when picking gets into full swing.

A new feature has been added to the annual Brady July Jubilee for this summer. Prize money will be offered in a band contest that is expected to attract a large number of musical organizations in this section. Special invitations have been sent to numerous high school bands to compete and they are also requested to provide concerts for the jubilee programs.

All civic organizations in Junction and Kimble counties are cooperating in a campaign to collect scrap of all kinds for the war effort. "Help slap the Japs with scrap" is the motto adopted and committee will canvass all communities for waste materials—especially scrap iron.

Jimmy Lanford, of Coleman, has been nominated deputy district governor of the Lions Clubs of Texas. He will accept his new duties and start work in district No. 7 at once. For a number of years Lanford has been a leader in the Coleman club and was honored with the new office at the last district conference.

Rents in the Brownwood defense area are being closely watched by members of the boards during the current 60-day period. The government order freezing rentals as of January 1, 1942, is in effect in the area which includes Brown, Coleman and Comanche counties. The 60-day period will end June 28 and all adjustments necessary are to be made by that time.

The Rowena Press is being mailed each week to 45 boys in the armed services from the community. Other soldiers have asked that a list of boys and their addresses be compiled and made available to boys scattered over the nation. This list has been published so that friends in the service may write each other.

A war fund group has been formed in Coke county and will seek to raise money for a number of causes including the USO, the army emergency relief, the navy relief fund, and a number of other organizations that have made drives recently or plan to do so in the near future.

Charlie Straach, Miles fire chief, has just returned from College Station, where he attended the state firemen's school. While away he took special courses in fighting fire under war conditions and will teach the methods to other members of the Miles department at regular drill periods. At the close of the school Straach made a perfect grade on his examination.

Rainfall at Paint Rock for the past two months has been above normal, 5.13 inches being recorded in May and 4.09 in April. Range and farm lands in the vicinity are doing nicely and all streams and surface tanks are full of water.

Announcement has been made that soldiers are again stationed at old Fort McKavitt. Several hundred men and officers are now quartered there with no reason given as to why their presence. Rumors have it that a training

camp is to be established in the vicinity and others say the troops are part of a group holding maneuvers nearby. Fort McKavitt has not been occupied for many years but was once a stronghold on the frontier.

Building at Avenger Field, Sweetwater, is progressing fast, with barracks, shops, school buildings and hangars near completion. The contractor has announced that the field will be ready for the first contingent of British cadets who will arrive about the middle of this month. Information received indicates that the first class will number about 100.

The Twentieth Century Club at Melvin announces that the first class in first aid in the community will begin study soon. A large number are being signed to take the course and an instructor has been secured. The course will require ten weeks to complete.

The Winters State Bank will give away two Jersey bulls to boys in the community following judging of essays in the near future. The subject for the essays is "How Dairy Farming Can be Used in a Planned System of Farming in the Winters Territory." The registered animals have been purchased and are to be donated to promote the dairying phase of the "food-for-freedom" campaign.

Approximately 200 Eden citizens were present at a meeting last week to hear Dr. John F. Hines outline work he hoped to get started soon as the medical unit's contribution to the community's war effort. Classwork will soon be started and many others are signing up as blood donors. Dr. Hines pointed to disasters that could occur to make medical training and blood for transfusions necessary.

The Comanche Garden Club held its annual flower show the past week-end and this week will stage its annual garden picnic.

## Summer School Registration to be Held Tomorrow

A second registration day for those who expect to attend the summer school here will be held Monday morning, June 8. Those who have not already registered are requested to go to the high school at 9 o'clock Friday morning, June 5. If there are not enough to register to justify a summer session, no classes will be held on Monday. In case the school does not open, fees already paid will be mailed to those who have registered.

Courses to be offered will depend upon the demand. There probably will be classes in commercial work, English and mathematics. If the demand is sufficient a course in elementary aeronautics will also be taught.

Adults interested in learning typing and filing, or in refreshing knowledge in these subjects are eligible to register for these courses to be taught in the summer school. A complete course in the fundamentals of filing and actual practice in this work can be completed in seven weeks.

Registration for adults as well as pupils who failed to enroll last week, will be at 9 o'clock Friday. The fee for one course is \$10. Half of the fee must be paid at the time of enrollment. The classes scheduled to start Monday will meet five days each week with class periods lasting for two hours.

Alvin Semeczek returned to A. & M. College Sunday after a visit with relatives and friends between terms.

## VACATION BIBLE SCHOOL TO CLOSE FRIDAY EVENING

The daily vacation Bible school which has been in progress the past two weeks at the First Methodist Church will close tomorrow evening. During the week there have been 21 teachers and 171 students in attendance. Cooperating churches are the First Christian, Eighth Street Presbyterian, and First Presbyterian.

Friday morning at 11 o'clock all students and those in charge of the school will go to the city park for a basket picnic and play period.

At 8 o'clock Friday evening in the auditorium of the Methodist church a program will be given by the children, with a display of their handiwork. Awards and certificates will be presented those who have attended the school and completed the courses.

The public is cordially invited to attend this final program of the school.

Victor Miller, Jr., was here Monday, visiting relatives and friends. He was en route to Waco, where he will receive basic training in the army air corps. Cadet Miller completed primary training in Oklahoma.

## From where I sit ....

by Joe Marsh

RUMMAGING through my desk the other day, I came across some snapshots of friends of mine made back in 1933.

If you don't think time flies ... if you don't think this world ever changes ... you ought to look at the women's hats and dresses in those pictures taken 9 years ago! Wow!

It gave me quite a start ... and then it set me to thinking ... and rememberin'! Lots of things sure happened in 1933. A new administration in Washington ... the turning point of the depression ... and the coming of Repeal.

I remember the re-legalization of beer. It came before Repeal, when Congress amended the old Volstead Act to allow legal sale of "3.2" beer.

What talk and arguments they had in those days! One argument I remember well ... was that beer would do a lot to help bring back prosperity. I wondered at the time whether that argument could be proved.

I thought about that again, the other day. I decided to check up and find out.

Well, I found out plenty. I found out that legal beer has paid more than 3 billion dollars in taxes since 1933. It has made more than a million new jobs.

According to one of the reports I've seen, beer has put more than 15 billion dollars into general business circulation. Goodness me, that's a lot of money.

Beer is sold today in every state in the Union. Every state benefits from beer's jobs and taxes. And I guess there's no denying that beer did its share in bringing back better times.

I'm glad it did, too, because beer is such a pleasant, appetizing beverage. And it stands for moderation and moderate people ... it's not likely to get you in trouble.

Joe Marsh

## John Payne, Maureen O'Hara In 'To the Shores of Tripoli'

As timely and as thrilling a subject for a movie as seen in many a moon is the plot basis for 20th Century-Fox's technicolor production "To the Shores of Tripoli," which is scheduled at the Texas Theatre in midnight preview Saturday night, and in regular screenings Sunday, Monday and Tuesday, June 7, 8, 9.

Taking a raw recruit in the person of John Payne, the film puts him through all of the paces which the U. S. marine undergoes to emerge a fighting "leatherneck." For romantic interest, none other than beautiful Maureen O'Hara in the role of a marine nurse was selected to provide the love interest with Payne. And Randolph Scott is said to turn in one of the top performances of his career as the hard-boiled sergeant.

The cast was selected with care and boasts the talents of such outstanding players as William Tracy, Nancy Kelly, Maxie Rosenbloom, Henry Morgan, Edmund MacDonald, Russell Hicks, and Minor Watson.

The film was produced with the full cooperation of the United States government and the marine corps went all out to give authenticity to the picture. Most of the scenes were filmed at the San Diego marine base, and hundreds of enlisted men took part in the production.

### Novel Comedy and Roaring Action Western Features at Texas Tomorrow and Saturday

"Right to the Heart," 20th Century Fox comedy, and a "Hop-along" Cassidy western are the two feature-length films at the Texas Theatre tomorrow (Friday) and Saturday. In addition are several short subjects.

When a playboy turns boxer you can wager things are going to happen and from all accounts of preview audiences, they do happen in "Right to the Heart."

This is a comedy which is said to pack a mean wallop—only in this sparkling vehicle the punch is driven home by a dazzling blonde. Brenda Joyce is the girl and when she meets handsome Joseph Allen, Jr., he goes down

for the count, romantically speaking. Blonde and luscious Cobina Wright, Jr., and young Stanley "Stash" Clements are seen in support.

"Hop-along" Cassidy, the screen's greatest two-gun hero of the wide open spaces, is in the saddle again—this time in "Twilight on the Trail."

The hard-riding, fast-shooting "Hoppy," of course, is played by William Boyd, with Brad King, ex-rodéo champ, and beautiful Wanda McKay in the picture for heart interest. "Hoppy's" sidekick, "California," portrayed by Andy Clyde, is in the picture, too, and contributes much of the comedy.

### Legion Convention Held at Junction; Attendance Short

Representatives of the Pat Williams Post, American Legion, and Auxiliary were in Junction Sunday to attend the meeting of the 21st district. The attendance was cut sharply because of tire rationing and the crowd was much smaller than attended the Ballinger convention last October.

Attending from Ballinger were Mr. and Mrs. O. C. Sykes, Mr. and Mrs. Ollie Floyd, Clarence Richards and Miss Griffie Atkins.

All visiting ladies were at a coffee Sunday morning from 8 to 10, and both men and women attended a union patriotic service at 11 o'clock at which Judge Weaver Baker was the principal speaker.

The Junction post served a barbecue at the noon hour Sunday to their own membership and all visitors and in the afternoon the regular business sessions were held.

Miss Atkins spoke on the afternoon program for the Auxiliary on the activities of the Ballinger unit. She displayed a sewing kit which are being made by the local ladies and given to all selectees leaving here for military training. She told of work done in the entertaining of cadets stationed in Ballinger and especially the programs staged for sons of Legionnaires at Bruce Field.

Mason was selected as the next convention city with the post there to set the definite date for the fall meeting.

The Ballinger post will celebrate its 22nd birthday on June 26 at which time a barbecue will be served at some nearby place on the river or Elm Creek. Delbert Vaneil is in charge of arrangements and will announce the time, place and program within a short time.

### Chief of WAAC

Mrs. Ovelta Hobby of Houston, Texas, who has been appointed director of the Women's Army Auxiliary Corps by Secretary of War Stimson. She is the wife of Former Gov. William Hobby of Texas.

### 28 Couples Issued Licenses to Wed Preceding Month

County Clerk John B. Rayburn issued a total of twenty-eight marriage licenses during the past month. This was an increase over several preceding months. Three couples requested that their names not be published and the others are listed below:

Fenton August Wilde and Miss Velma Lena Jacob  
Earl Tubbs and Miss Gervis Marcilla Wood  
Raymond Watson and Miss Willie Mae Herridge  
Floyd M. Pounders and Miss Lola Mae Kiser

E. C. Condra and Mrs. Julia Thompson  
Albert J. Brewer and Miss Virginia Katherine Denton  
Harold Norman Allen and Miss Marie Birkett  
Fred Harold Davis and Miss Cora Nell Dodd

## Klondike Saga, 'The Spoilers' Stars Marlene Dietrich, Wayne

Heralded as one of the most memorable pictures of screen history and based on the best of Rex Beach's best-seller books, "The Spoilers," comes to the Ritz Theatre next Saturday, Sunday, Monday, Tuesday, June 6, 7, 8, 9.

The raw, teeming saga of the Klondike co-stars Marlene Dietrich, Randolph Scott and John Wayne. Produced by Frank Lloyd, maker of such screen smashes as "Mutiny on the Bounty" and the contemporary "Saboteur," the film backs its three-way constellation with a pretentious supporting cast. Among the featured players are Margaret Lindsay, Harry Carey, Richard Barthelme, and William Farnum, star of the original picture of same name.

In addition, Robert W. Service, poet laureate of the Alaskan gold rush and writer of "The Shooting of Dan McGrew," appears on the screen for the first time, playing himself in a brief sequence.

The keynote of the new "Spoilers" is the famous quotation from Kipling, "There's never a law of man or God holds North of 53."

It is the story of La Dietrich as Cherry Malotte, a shrewd, seductive, beautiful woman, and of the two men who fought to the death over her love and the possession of the fabulous Midas gold mine.

It is said that the unforgettable fast-flight of the first "Spoilers" has been re-filmed with even closer vividness and spell-binding action. Another highlight is the scene in which Miss Dietrich turns on Wayne with wildcat fury at the break of their love affair.

### JAMES STRIPLIN INJURED HEAD DIVING IN CONCHO

James Striplin, son of Mr. and Mrs. J. B. Striplin, received a deep cut in his head Sunday afternoon while swimming near Paint Rock in the Concho River. He dived from the dam into the swimming hole just below the Paint Rock reservoir and struck his head against a rock.

He came to the surface and a minute later swam to the dam where friends assisted him to a car and he was rushed to the hospital here. Eight stitches were required to close the wound in his forehead.

Miss Gwen Morgan will visit friends at Schulenburg several days following the state firemen's convention at Corpus Christi.

## Gather Eggs Often, And Keep 'em Clean, Texans Are Advised

COLLEGE STATION, June 3.—Produce infertile eggs, keep 'em clean, gather them at least three times daily, and more Texas eggs will reach the consumer, says George P. McCarthy, poultry husbandman of A. & M. College extension service. After gathering, cool them promptly in an open wire mesh, or wicker basket which allows the air to circulate between the eggs. Placing the basket in a cool, slightly moist room, helps the eggs to keep their quality.

As fertile eggs tend to spoil rapidly, McCarthy suggests removing all roosters from the flock when the hatching season is over. He also warns that overcrowding in a flock will do as much harm as the outbreak of a disease, and often is a contributing cause to coccidiosis. Shortage of housing space can be relieved by building a range shelter or brush arbor, which permits pullets to roost in the open beneath a roof to protect them from rain or hail.

"If you are feeding a good mash and they have a good green range, you won't recognize them as the same pullets after a couple of weeks."

Management is declared a highly important factor in obtaining satisfactory production from a poultry flock. If the hens are not eating as they should, are pale and losing weight, and feathers are rather dry and brittle, they should be treated for intestinal parasites, McCarthy says.

Floor line ventilators in summer are one of the best things to have in a poultry house. It makes the house cooler, and a flock of chickens which are comfortable can be expected to produce. A copy of the poultry house bulletin may be obtained from county agricultural agents.

As careless handling and packing are responsible for most breakage, McCarthy suggests packing all eggs in standard cases, with the small end pointing downward. Cover the top of the case with a pad of excelsior because it is the top layer which most often get crushed.

### Second Front?

Lieut. Gen. Brehon E. Somervell, head of supply, U. S. army, whose arrival in London to join American military leaders already there caused much speculation as to a "second front." He is shown above returning the salute of a U. S. sailor near the American embassy in London.

### MISS CREASY GETS DEGREE AT STATE WOMAN'S COLLEGE

DENTON, June 1.—Miss Mary Lou Creasy of Ballinger was one of the 351 students to receive degrees at the thirty-ninth annual commencement exercises at Texas State College for Women Monday morning at 9 o'clock.

Miss Creasy, daughter of Mr. and Mrs. N. B. Creasy, received a bachelor of science degree, majoring in home economics education and minoring in science. During her college career, Miss Creasy was a member of the student council of religious activities and was president of the Aglaia Club, a campus social and literary organization.

Dr. L. H. Hubbard, president of the college, conferred 214 bachelor of science degrees, 125 bachelor of arts, 4 bachelor of science in library science, and 8 master's degrees at the recommendation of Dean E. V. White. The commencement address was given by Dr. Hubbard.

The program for the exercises included an organ processional and recessional, the TSCW "Alma Mater" and special music by members of the music faculty. Honor

students were recognized and awards for artistic achievement were made.

### JACK BANDY MCGREGOR IN ARMY RESERVE CORPS

Jack Bandy McGregor, junior at A. & M. College, has been accepted after enlisting in the reserve corps of the quartermaster's department as a second lieutenant. He passed the stiff physical and mental examinations and received his appointment soon after returning to school last week.

Young McGregor is also assisting with the Aggeland orchestra and is trying out trombone players for the college band. Under the new 12-month plan he will finish at A. & M. in September, 1943.

'Happy Birthday' to Der Fuehrer

The people of New York celebrated Adolf's birthday in Duffy's Square by hanging an effigy of the leader of the Reich. The purpose of the rally was to urge the purchase of war savings bonds and stamps. Der Fuehrer was hung and burned and his bier rested in view of thousands who saw a fresh nail driven into his coffin for each bond or stamp purchased.

Caring for Woolens Is Advised to Meet War Requirements

COLLEGE STATION, June 3.—Two or three times this nation's domestic production of wool will be necessary to meet military needs in 1943. With the manufacture of woolen blankets prohibited and a similar order for clothing expected shortly, homemakers should take the best possible care of these articles.

Louise Bryant, extension service specialist in home management, offers these suggestions for making woolens last longer:

Collect all winter clothing, blankets, and woolen accessories which will not be used again until next fall. Inspect the garments carefully for soil and grease spots. If they are spotted or dingy, send them to the cleaner. Dry cleaning or washing in a correct solution of neutral soap kills all forms of moths.

Articles not soiled enough to warrant cleaning or laundering should be hung out to air on a sunny, breezy day and given a thorough brushing.

Give each garment as much chance as possible to keep its shape. If articles are packed in chests or trunks, place the heaviest things at the bottom and the lighter things on top. Fold everything lightly, sprinkling flake naphthalene or paradichlorobenzene between each fold.

There are dust-proof bags on the market made of heavy paper treated with a special preservative. These will hold several garments and will allow the garments to hang in natural lines. Stuffing the sleeves and body of the garment with wads of tissue paper will help keep it free of wrinkles. Do the same with folded garments.

PEANUTS MAY BE PLANTED UP TO MIDDLE OF JUNE, A. & M. AGRONOMIST SAYS

COLLEGE STATION, June 3.—If soil moisture is sufficient, peanuts may be planted up to mid-June over a large area in Texas with assurance of a crop, says E. A. Miller, agronomist of the A. & M. College extension service.

The U. S. department of agriculture asked Texas farmers to grow 1,056,000 acres of peanuts. But they may plant as much more as

they wish for oil. This acreage, more than three times greater than was planted in 1941, is an important part of the war effort. Fats and oils are needed for consumption by the people at home, by the people of allied nations, and for the manufacture of glycerine, an important element in high explosives.

It is estimated that 12,500,000,000 (billion) pounds of oils and fats will be needed in the United States in 1942. Farmers will have to produce a large part of this. Peanuts is one of the best sources, Miller says.

The secretary of agriculture has fixed a price support of \$2 a ton, or \$1.23 a bushel of 30 pounds for No. 1 white Spanish nuts, delivered to an approved agency.

"With this bottom price the peanut is a good cash crop on sandy and sandy loam soils over a large part of Texas," Miller points out. "In many cases it is a more profitable crop than cotton on such soils."

To obtain maximum yield the land should be prepared by flat-breaking or bedding. The seed—Spanish type peanuts are best suited to Texas—should be planted in 36-inch rows at the rate of about 45 pounds of unshelled, or 25 to 30 pounds of shelled nuts an acre. Soaking unshelled nuts overnight before planting hastens germination, but shelled seed should never be soaked. Enough shallow cultivation should be given to destroy weeds and grass and gradually work soil to the plants until they begin to bloom and set pegs. From 100 to 200 per cent superphosphate an acre is recommended on loamy soils, or an equal amount of 4-12-4 on lighter sandy soils.

Miss Ruth Davis has returned to Texas Wesleyan College, Fort Worth, after a short visit here with her parents, Mr. and Mrs. J. L. Davis.

Miss Patricia Doss, daughter of Mr. and Mrs. Henry Doss, is attending the summer session of Texas Technological College, Lubbock.

DEATHS

Mrs. T. D. Commander Mrs. T. D. Commander, 58, died at her home here Monday afternoon following illness of three weeks. She had been a resident of Ballinger for 22 years.

Funeral services were held at the Agnew chapel Wednesday afternoon, Rev. M. C. Golden officiating. Interment followed in Evergreen Cemetery.

Survivors besides the husband include one son, C. V. Thorp; one daughter, Mrs. O. R. Jonas, both of California; the father, N. W. McMillan, Ballinger; three brothers, Roy and Rhea, of Ballinger, and T. V., of Memphis, Tennessee; two sisters, Mrs. C. B. Mannings, of Houston, and Mrs. Ollie Whittlesey, of Kansas City; and six grandchildren.

Agnew Funeral Home was in charge of arrangements.

Joe L. Spoons Joseph Lane Spoons, 76, died at his home here Wednesday evening at 8:30 following illness of only three days.

Decedent was a Ballinger pioneer, residing here for the past 40 years. For a number of years he operated a gin in this community and at Norton. He also built and operated the first ice plant to serve this city and served as jailer for a number of years. In recent years he had retired but continued to make home in Ballinger.

Survivors besides the wife include a son, J. W. Spoons, Belton; two daughters, Mrs. Ollie Thomas, Moody; Mrs. Ruth Turner, Ballinger; three brothers, Bob Spoons, Belton; L. W. Spoons, Amarillo; O. D. Spoons, San Angelo; three sisters, Mrs. Lydia Duncan, Temple; Mrs. Annie Goode and Mrs. Ida Corley, Belton.

Funeral services were held this afternoon at 4 o'clock at the Agnew chapel, Rev. Wayne Sears, pastor of the Church of the Nazarene, officiating. Interment followed in Evergreen Cemetery.

Pallbearers were Leon Thomas, Paul Trimmer, John Rayburn, I. D. Little, — Scarborough, and G. A. Cordell.

Agnew Funeral Home was in charge of arrangements.

Mrs. Otto Weiss Mrs. Otto Weiss, 55, died at her Rowena home Monday afternoon at 3 o'clock following illness since March 8 when she suffered a stroke of paralysis which had kept her confined to her bed.

Decedent was born in Mills and married in Travis county. The family moved to the Rowena section in 1925 and made home in that community ever since.

Survivors besides the husband include one daughter, Mrs. L. B. McCoy, Rowena; a son, Nolan Weiss, Lowake; four sisters, Mrs. H. A. Pearson, Bishop; Mrs. W. H. Nichols, Miami, Florida; Mrs. Herman Wolff, San Antonio; Mrs. W. E. Porter, Jourdan; five brothers, C. W. Shafer, Flagstaff, Arizona; G. F. Shafer, Bertram; H. A. Shafer, Rowena; Sam Shafer, Marshall; F. E. Shafer, Bishop; and four grandchildren.

Funeral services were held Wednesday morning at 9:30 at the Rowena Baptist Church, the pastor, Rev. Cecil Ray, officiating. Interment was in a Rowena cemetery.

Pallbearers were T. H. McCoy, William Lisso, W. A. Schuhmann, A. B. Cervenk, A. L. Ruppert, and J. B. Nail.

King-Holt Funeral Home was in charge of arrangements.

John Phillips, of Long Beach, California, left for home today after transacting business and visiting relatives and friends here several days.

Mr. and Mrs. George Stowe and daughter, Cyrena, are at home after a visit at Dallas and Abilene.

Miss Maryatt Smith and Mrs. J. M. Skinner are visiting relatives at Gainesville. Miss Smith will spend the remainder of the summer there, while Mrs. Skinner will return home in a few days.

Miss Edna Ashton has returned to her home here after teaching in the El Paso schools the past year.

Albert Sledge, of San Angelo, visited relatives and friends here Saturday.

Before Japs Cut Burma Road at Lashio

SUPPORT THE COLLECTIVE NATIONS. SECURE THEM OF THE WORLD WITH ARMS.

Two years ago when Lashio became the buzzing hive of industry as the jumping off place for the fleet of trucks that fed China's war machine over the Burma road, this rail line was laid from Mandalay to Lashio. Supplies were run over the line by train, and then transferred to trucks for the run into China. The Japs smashed the British-Chinese trains halting about Mandalay, and the Burma road has been cut at that vital junction. Lashio was taken by the Japs in one of the swiftest drives in their whole startling campaign.
