## Over 600 Cars Grain Shipped from County

Small grain shipments from Runnels county will run well past 600 carloads and may reach 650 before the season ends. Some grain was still moving Monday morning but local dealers and shippers believed most of the season was over.

Tabulations made Monday disclosed 278 cars of grain shipped from Ballinger and 204 from Winters, making a total of 482 cars from the two points. It was estimated that about 150 cars had left Miles which would bring the county total to around 632 cars.

It was pointed out that some farmers had grain stored on their farms which has not been brought in but will be handled later. In addition large quantities of grain have been stored on farms for feeding and planting. The amount held by farmers cannot be estimated very closely but many have signified they would use most of their grain for feed during the fall and winter.

Ballinger shipping records show 212 cars of oats, 54 cars of wheat, 11 cars of speltz, and 1 car of maize. At Winters wheat shipments have been heavy, 116 carloads, and 88 cars of oats have left there. In Ballinger the Abilene & Southern Railway had handled 186 cars and the Santa Fe 92 cars of small grain to Monday morning. The exact number of cars to leave Miles was not available, but a loading elevator was built there at the beginning of the season and all shipments there are taken by the Santa Fe.

## District Governor Installs Officers For Rotary Club

Marvin Davies was installed as the new president of the Ballinger Rotary Club at a special meeting held Thursday night at city park. The club with their Rotarians and guests gathered there for a chicken barbecue and also to welcome the newly-elected district governor and a group of Rotarians from Brady who came to have charge of the installation.

District Governor Earl Ferguson was presented by retiring president James A. Wear and had charge of the remainder of the program. In his remarks directed to Mr. Davies and Sam Behringer, president and vice-president, he told of the proper operation of a club to encourage growth and interest. Other parts of the program instructed the secretary and the sergeant-at-arms in their duties in club meetings.

Visitors from San Angelo included the president and vice-president of the San Angelo club, Bryan Dickson and Fred Humphrey, and Mmes. Dickson and Humphrey.

Retiring president Jas. A. Wear has served the club for the past two years and during the most crucial time has shown a growth each year. The club now has thirty-five members and attendance at meetings has been good during the past year.

The report of activities for the past year showed 27 cogs earned on the rotary wheel which is excellent club interest in action. To achieve this practically all committees were required to function on all projects outlined by Rotary International.

Mr. and Mrs. H. T. Forson are spending a few days near Austin, fishing in Lake Sandy.

Rufus Wheeler, of Abilene, transacted business in Ballinger Tuesday.

## Allied Hero Returns to a Grateful Country

General of the Army Dwight D. Eisenhower is shown in upper circle as he was welcomed home by his wife. To his right is his father, David, and his mother is to his left. Lower left shows the hero and his bride in 1915, shortly after he married Mamie Doud of Denver. Lower center shows him as he finished his training at West Point. Lower right shows the Eisenhower family taken in 1902 at their home in Abilene.

Lt. Robert Bruce, of the U. S. naval base, Corpus Christi, has joined his family here for a visit with his parents, Mr. and Mrs. R. W. Bruce.

Lt. and Mrs. E. M. Leonard are on leave from Goodfellow Field, visiting his parents in Newport News, Va.

Charles H. Patton, son of Mr. and Mrs. Charles N. Patton of Norton, is at home with a discharge under the point system. He served in the ETO 16 months and in the CBI theatre 14 months with the air corps ground forces.

Clarence Richards, RMic, son of Mr. and Mrs. C. D. Richards, is at home on leave. He went to France last July where he served in a mobile radio station attached to the army, the first such special service rendered by the navy. In the service 4 years and 9 months, he was on sea duty almost four years, making four different trips to various zones. He will report to Galveston August 2.

Horace Roberson, son of Mr. and Mrs. Calvin Roberson, is another Ballinger boy at home wearing the honorable discharge button. A sergeant in the service company of the 142nd infantry, he was mobilized in 1940 with the 36th division and served overseas. He is entitled to wear four stars on the ETO ribbon.

Lt. William Lee Garrett, of Randolph Field, was a guest in the Claude Stone home last Friday and Saturday. While a cadet at Bruce Field he was one of the Stones' "boys."

Mrs. W. M. Forgey and Miss Marjorie Forgey, of Lubbock, have been visiting relatives here. Only recently they received a message from the war department confirming the death of their son and brother, Cpl. Jed Forgey. A member of the 131st field artillery, and missing since Java, the message stated he was killed in action September 27, 1943, while a prisoner of the Japs.

A letter was received by relatives of Cpl. Alex Halfmann of the army air forces, informing them that he had been transferred from England to Algeria in North Africa.

Sgt. Arthur Dooze, Jr., is at home on a thirty-day furlough. He was in England with the 8th air force, a gunner on a B-17, and had only flown a few missions when the war ended. After Germany surrendered his ship and crew made a number of trips to fly prisoners out of Germany and into France. He will be at home for thirty days and will then rejoin his crew in South Dakota.

Pfc. Vincent Schertz, son of John Schertz of Ballinger, has received his promotion from private to his present rank and awarded the combat infantryman badge for action against the Japs in Northern Luzon. He is a communications wire man with the 138th infantry, 33rd division. He was engaged in farming before he entered the service. In addition to the combat infantry ribbon, he wears the Asiatic-Pacific ribbon, the Philippine liberation ribbon with a battle star for the Luzon campaign.

Cpl. Olean C. Gunyon, of the Fort Worth air field, has been on furlough the past two weeks, visiting his wife in Ballinger and relatives and friends at Norton and Paint Rock.

S-Sgt. William Warren, of Paint Rock, who recently returned from overseas and 19 months in German prison camps, visited the past week with friends at Ballinger and Norton.

T-4 Davy W. Crockett left Sunday for San Antonio, where he will report back after a month's furlough with home folks, Mr. and Mrs. Bob Crockett, and other relatives at Abilene, Norton and Ballinger. Davy has just returned from three years overseas in the European theatre.

Mr. and Mrs. J. M. Willis, of Norton, have received word from their son, Cpl. Clyde C. Willis, that he is now based in Trinidad. Cpl. Willis spent a year in Sicily and Italy in the quartermaster's department with the 12th air force.

## 2 Encampments Slated In Ballinger This Month

Three encampments are scheduled for the boys, girls and women of Runnels county in the near future. On July 19, 20 and 21 ten 4-H club boys of this county will go to Brownwood to attend the district 7 encampment. The attendance is limited this year and only ten from each county are permitted to attend.

The first highest ranking boys at the annual livestock show were selected for their fine work in their clubs the past year. They are: Johnnie Kohutek, Kenneth Fuchs, Ralph Schwartz, Irvin Lisso and Joe Hoelscher. Names of five other boys were drawn from those who turned in completed record books of their work during the past year. These names have not been revealed.

The annual county 4-H club boys' encampment is to be held at the Ballinger city park on July 25 and 26. All club boys in the county and their adult leaders are being urged to make plans to attend this two-day program.

County Agent John A. Barton has arranged a good program for the boys, including swimming, games, other recreation and instruction. The Ballinger Board of Community Development will provide free picture show tickets for the boys. At noon the last day of the encampment a barbecue dinner is to be served and at that time directors of the B. C. D. and others will be special guests.

The 4-H club girls and members of the women's home demonstration clubs of the county will assemble at the municipal park here on July 18 and 19 for their annual encampment. The county council voted to make this program one of entertainment and recreation and no demonstrations or other instruction are slated.

Leaders preparing for this meeting anticipate the largest attendance in several years. Many of the girls and women have already indicated they will attend and be present for the entire program.

Miss Ozzie Folkes, county home demonstration agent, is preparing the program and will announce it next week. Only a speaker is needed now to complete the program.

### 20,000 POUNDS WASTE PAPER COLLECTED HERE SATURDAY

The waste paper drive here last Saturday was the best in several months, Ballinger Boy Scouts collecting about 20,000 pounds which was stored at the center of the court house lawn and will be picked up this week by trucks from Brady. Practically all citizens of Ballinger helped in the collection Saturday and there was a bundle in front of almost every home.

Scout leaders announced another collection of paper on the last Saturday in July and ask that everyone save all paper until that date.

Joe E. Schram, son of Mrs. Tom Gibson, had a minor operation in the Winters hospital Friday and is getting along well at this time.

Mr. and Mrs. Ed Spill, of San Antonio, are here for a visit in the home of Mrs. Sim Cottle and with Mr. Spill's mother, Mrs. Joe Spill.

## Officers Installed By Ballinger Lions At 'Ladies' Night'

The Ballinger Lions Club held "ladies' night" and installation of officers Friday night with a banquet at the Central Hotel attended by about 100 people. Visitors from San Angelo, Winters, Coleman and Santa Anna were present for the program.

Judge E. C. Grindstaff presided over the meeting and Harry Lynn was in charge of the program. Mrs. Charles van de Putte rendered two piano numbers.

Ernest Caskey was installed as president, and J. G. Tuckey, secretary, along with other elected and appointed officers. District Deputy George Johnson, of Santa Anna, was in charge of the installation and instructed all the incoming officers.

Hon. Olin Culberson, member of the state railroad commission, was the principal speaker. Mr. Culberson talked on national and international affairs, giving his opinion on what would occur since part of the war was over and the other part progressing satisfactorily. He explained some aspects of the security conference, and the charter signed by representatives of 46 nations at San Francisco recently.

Mr. Caskey, incoming president, who succeeds W. J. Hembree, has served the club as secretary for several years. Mr. Hembree moved to Sonora several months ago and since then Rev. Edward B. Postert served as president of the club.

### SGT. ROBERT NICHOLSON AT HOME, DISCHARGED

1st Sgt. Robert Nicholson, son of Mrs. Eulalia Nicholson, came in Monday from Fort Sam Houston, San Antonio, where he received his discharge after arriving there from overseas.

Sgt. Nicholson was mobilized with company C, 142nd infantry, in November, 1940, and was with the 36th division during all the time he was in the army. He first went overseas in 1942 for special training but returned to the States and went over again when the 36th division was sent to North Africa. He took part in the invasion of Italy and was wounded there, spending several months in a North African hospital before rejoining the division.

In recent months he has been with division headquarters and came home on the point system for his discharge. After arriving at Fort Sam Houston he waited there until he was given his discharge rather than accept a pass and return later to await final separation from the service.

Sgt. Nicholson wears four battle stars on his theatre ribbons, the purple heart, the infantryman's combat badge, and the presidential citation.

Mr. and Mrs. J. C. Sturges, Jr., and children, of San Angelo, spent the Fourth here, visiting relatives and friends.

Lt. Jim Tom Patteson was a guest July 4 in the home of Mr. and Mrs. Thomas G. Patteson.

## Davis is Champion Of Golf Tournament At Annual Club Fete

The Ballinger Country Club named a new golf champion at its annual tournament Wednesday when Top Davis went the entire route to take over that honor. He defeated Rev. H. B. Loyd in the finals in a nine-hole match. The pair was all even at the end of the 18th hole and one extra was required to decide the championship.

Loyd won his way into the final by defeating H. G. Agnew in his first round and Troy Simpson in the second. Davis went into the finals with a defeat of Alton Underwood and W. J. Hembree.

In the consolation matches, H. G. Agnew came out with honors, winning the last round from Ollie Floyd.

Bob Agnew was champion of the first flight, defeating Tom Caudle for that honor. Shorty Touchstone was winner of the consolation in this flight.

Members of the club assembled for the annual Fourth of July party and tournament with the highlight the barbecue dinner served at the noon hour. Bridge, swimming and other games provided entertainment for the day.

## Rotary Committees Named for New Year

The Ballinger Rotary Club at its meeting Tuesday heard Paul Petty speak on racial matters as he sees them now and to follow the war. He directed his remarks in particular to the negro question and especially in regard to how people in other sections condemn the South for its attitude.

President Marvin Davies made the following committee appointments for the year:

Club Service—Sam Behringer, E. Shepperd, Elmer King, Degres Posey, Frank Pearce, Troy Simpson, Weldon Howell, Estes Lynn.

Program—E. Shepperd, O. C. Sykes, H. B. Loyd

Fellowship and Attendance—E. King, K. V. Northington, Clifford Cook

Classification and Membership—Degres Posey, Frank Flynn, Leonard Stallings, Ralph Erwin

Rotary Information—Frank Pearce, Allen Davis, Paul Petty, Joe Forrester

Public Information—Troy Simpson

Magazine—E. M. Lynn, Allen Davis, Clifford Cook

Vocational Service—Leonard Stallings, R. T. Williams, Bob McDonald, Neal Nutt, Bill Wallace

Community Service—E. Shepperd, Oscar Batts, Jim Douglas, John Barton

Youth Service and Boys' Work—Oscar Batts, Frank Pearce, Estes Lynn, Fletcher Currie, Clifford Cook, Walter Mueller

International Service—Joe Forrester, Jim Guynes, H. O. Kelly, Arthur Bartlett.

Mrs. Chester Fowler and children, Crylon and Monty Lee, of Corpus Christi, visited the past week in the homes of her brother, Wilbur Martin, and family, of Maverick; and aunt, Mrs. Tom Crockett, and family, of Norton. They left Thursday for Borger to visit her parents, Mr. and Mrs. R. D. Martin, and were accompanied by Mr. and Mrs. Wilbur Martin and son.

## Ballinger Over the Top In 7th War Loan Drive

### Navy Men May Get Papers Hereafter On Request Only

There is still some confusion concerning the mailing of newspapers to personnel of the navy, marine corps and coast guard serving overseas. The following regulations govern sending papers to men in these branches of the service. The rules do not apply to army personnel.

1. Individual copies of newspapers and magazines offered for mailing by publishers, addressed via the fleet post offices at New York or San Francisco to navy, marine corps and coast guard personnel on duty overseas, shall be accepted only when they are being sent in fulfillment of written request initiated by the addressee for subscription or renewal of subscriptions.

2. Postmasters at the office of mailing shall require publishers to present for their examination the requests from the addressee for subscription or renewal.

3. Relatives or friends may pay for the subscriptions or renewals provided the addressee has initiated requests.

4. Complimentary copies sent by publishers, copies paid for by advertisers and copies sent under any kind of an arrangement whereby the requests are solicited, shall not be accepted.

### LT. EDWIN SPEER AT HOME FROM NAZI PRISON CAMP

Lt. Edwin Speer, who has been a prisoner of the German government since May 17, 1943, is at home on a 60-day leave to visit his mother, Mrs. Emma Speer, and other relatives and friends here and at Winters. He was liberated from a prison camp near Moosburg, Germany, and arrived in Norfolk, Va., last week. After reporting to Fort Sam Houston for further orders, he arrived in Ballinger Friday night.

Lt. Speer, a bombardier on a B-26 Marauder, a medium bomber, was shot down on his first mission over LaTrit, Holland. It was a mass attack over the Holland target.

He was confined at Stalag Luft III near the Polish frontier until the Germans began concentrating prisoners in the Moosburg area after the Russian break-through in Poland. As others have said, Lt. Speer said the long forced marches were the worst phases of his life as a prisoner. He has gained 30 pounds since his liberation.

Lt. Speer received his wings and commission in January, 1942, and went overseas early in 1943. He will report to Miami, Fla., for reassignment.

Mrs. E. D. Pierce, of El Paso, visited the past two weeks with her son and wife, Cpl. and Mrs. Olean C. Gunyon.

A committee of bond salesmen took to the streets here Tuesday and sold more than \$40,000 in E bonds to put Ballinger over the top on both the E bond and the overall quotas in the 7th war loan drive. Chairman Allen Davis stated late Tuesday afternoon that the Ballinger quota had been reached but urged that buying continue through Saturday as other parts of the county were still short and that the goal was now to reach the full quota for Runnels county before Saturday night, the last date that purchases can be counted for the 7th war loan.

The Ballinger selling effort commenced in earnest last week when a mass meeting was held and a number of those present obligated themselves to sell \$5,000 or more in E bonds. This drive netted about \$50,000 and with the city quota still short \$40,000 the salesmen sallied out Tuesday with good results. Ballinger's E bond quota was \$319,194 and the overall \$495,978.

At Winters special committees were organized the first of the week to work in that city and also in the rural sections the rest of the week. Citizens of Miles and Rowena also were selling by personal solicitation and expected to reach their quotas this week.

E. C. Grindstaff, county chairman, revealed today that the county must buy \$100,000 worth of the securities this week if the quota is to be reached. He has been visiting a number of communities where there are issuing agents and urging them to put forth every effort possible to attain their goals before the deadline. The federal reserve bank at Dallas has agreed that all purchases received in the mails by Saturday, July 9, will be counted.

Wingate was the first of the five issuing agents in the county to report over the top with E bond and overall sales. In a report from there Saturday it was stated that the community's assigned quotas in both classes had been topped.

Winters, Rowena and Miles committees still need more E bond purchases to meet their goals. Rowena citizens were nearing their quota and expected to reach it this week.

Mr. Grindstaff stated that he would put forth every effort in other communities to reach the quotas or as near as possible by the closing hour of the issuing agents Saturday.

### SPECIAL PROGRAM AT FIRST PRESBYTERIAN CHURCH JULY 8

Superintendent and Mrs. Nelson Hawkins and five children from the Presbyterian Orphans Home at Files Valley will tell of the work at the home at a meeting to be held in the First Presbyterian Church here Friday evening, July 8.

All members are urged to attend the all-church fellowship supper which begins at 7:30 and hear Mr. and Mrs. Hawkins and these representative children.

## Bailey Clinic-Hospital Closed While Repairs Being Made

The Bailey Clinic-Hospital was closed July 1 to give employees a rest and to make repairs and improvements in the interior which could not be done while patients were being treated. It is planned to open the institution about the middle of July.

Dr. Charles F. Bailey will go to Ann Arbor, Michigan, where he will transact business a few days while work on the hospital is underway.

Miss Alice Smith, superintendent, and her brother, Ross Smith, are going to California for a short visit.

For more than a year the local hospital has been filled to capacity with patients and the institution has been under-staffed. Rest

for nurses and employees comes at a time when it was most needed and improvements to be made will put the hospital in better condition to care for its patients.

Just before closing on July 1, patients had been dismissed until most of the rooms were empty and none was taken the last few days.

Mr. and Mrs. Jim Duncan will visit in Fort Worth for a few days. Mr. and Mrs. W. E. Lee plan to spend part of their time in Waco vacationing. Miss Margaret Colvin will visit at Lubbock and Miss Mae Good will go to Cameron for her vacation.

Mrs. Ray Holstead, in charge of the hospital kitchen, will spend her time off at home resting.

Seaman M. A. Dornier Wounded in Action

Andrew M. A. Dornier, seaman 1c, husband of Mrs. Bertha Voss Dornier of San Angelo, and son of Dan Dornier of Ballinger, was wounded in action in the Asiatic area May 12, according to a message received from the war department.

Seaman Dornier sustained shrapnel wounds in the right leg and was retained on board ship for treatment.

He attended the Ballinger schools and was employed at Bruce Field before volunteering for the navy 2½ years ago. He has been overseas most of that time.

1st. Lt. Warren M. Murphy has been awarded the combat infantry badge for outstanding performance of duty with the 163rd infantry division. He is serving with the 419th regiment of the "Cactus" division. Lt. Murphy is a son of Mr. and Mrs. Horace Murphy of this city.

Archie L. Wallace, flight engi-

neer on a C-47 aircraft, 51st troop carrier squadron, based in Italy, has been promoted to the rank of technical sergeant. His wife, Joyce Wallace, and his father, A. G. Wallace, reside in Ballinger. Sgt. Wallace enlisted in January, 1942, and after training at Sheppard Field, Wichita Falls, continued his training at Santa Monica, Calif., and in September, 1942, was sent overseas. With the squadron he has seen service in every major operation in the Mediterranean theatre and has piled up 900 flying hours and 12 combat missions.

S. H. Wood, MOMM2c, is at home on leave for a visit with his parents, Mr. and Mrs. M. F. Wood, after 3½ years in Pacific. He served on the U. S. S. Seluga, an older AO-20. He will report to Norfolk, Va., on July 22 for further orders.

Mr. and Mrs. Shannon McWilliams have received an interesting letter from their son, Sgt. Leland McWilliams, who served with the "Famous Fourth" division from June 6, 1944, until V-E Day.

In part he wrote: "From June 8, 1944, until we reached Zweifel on November 7, we lived in the fields and woods—sleeping in fox holes in all kinds of weather, and digging our installations in. Switchboards were always six or seven feet below ground level. From Zweifel on in, we took over houses and put our installations in basements. Some were nice houses from which we ran the German civilians and some were mere hells of homes where the people had been killed or had left when the fighting got too hot. In every set-up, there were miles and miles of field wires to be got in. Although oftentimes we were about to drop with fatigue, through rain, and shellfire, we always got the job done.

the Germans from D-Day until the unconditional surrender. He wound up at Pilsen, Czechoslovakia, and has remained there to handle German prisoners since the war. It was revealed recently that the 2nd division would be sent to the Pacific via the United States.

Eugene C. Payne, seaman 1c, has reported at the U. S. naval armed guard center, Treasure Island, Calif., after serving thirteen months as member of a gun crew on a merchant ship. The center at Treasure Island directs the training of all men and officers assigned to crews on merchant ships.

John Charles Wessels, 18, seaman 2c, is now serving aboard an Atlantic fleet destroyer which is a veteran of much Pacific fighting. He is doing storekeeper work in the supply department aboard the ship. The son of J. J. Wessels, he is a graduate of the Ballinger high school. Seaman Wessels entered the service in November, 1944.

S. H. Wood, MOMM2c, is at home on leave for a visit with his parents, Mr. and Mrs. M. F. Wood, after 3½ years in Pacific. He served on the U. S. S. Seluga, an older AO-20. He will report to Norfolk, Va., on July 22 for further orders.

L. S. F. Kallina, daughter of Dr. and Mrs. F. M. Hale, has been transferred from Des Moines, Ia., to New Orleans for duty with the woman's army corps.

Capt. and Mrs. D. D. Axtelm were week-end guests of Mr. and Mrs. E. C. Caskey. While a cadet at Bruce Field, Capt. Axtelm was often in this Ballinger home. He received his wings and commission with class 42-G, and went to the CBI theatre, where he flew missions for 18 months. Recently he has been stationed at Moore Field, Mission, and is now on his way to Fort Leavenworth, Kansas, where he will be discharged. Then he will return to his home at Lincoln, Nebraska.

He wears the distinguished flying cross, the air medal with three oak leaf clusters, two battle stars on the Asiatic-Pacific ribbon, and the American theatre ribbon.

Pvt. Jimmy Agnew left Camp Hood Saturday for ASTP training in electrical engineering at Rutgers University, New Brunswick, N. J. Mr. and Mrs. Tom Agnew, Marilyn Agnew, Pat Caule, and Nancy Guynes were visitors at the camp Saturday afternoon. They were accompanied home by Pvt. Don Williams, who is receiving basic

army training at Camp Hood.

Mrs. Q. V. Miller, Jr., and daughter, Margaret Jane, are here for a visit with relatives. After special training at Boca Raton, Fla., following a tour of missions as a B-17 pilot with the 8th air force, Capt. Miller has reported to the

general staff school at Fort Leavenworth, Kansas.

Thomas Kelly, S2c, of the navy V-12 at Texas Christian University, Fort Worth, and Miss Joan Coffman, of Fort Worth, are between-semester guests of Mr. and Mrs. H. O. Kelly.

THEY DID IT BEFORE— THEY CAN DO IT AGAIN With Farmall Tractor Power

Throughout the Spring, from the Rockies to the Atlantic seaboard, worried farmers searched the skies for signs of clear weather, but the cold rains fell relentlessly.

For more than a month the seed should have been germinating in the warm soil. Millions of acres lay unplanted because the ground was too wet for preparation of the seed bed and too cold for germination of the seed.

Only a generation ago there could have been but one outcome—crop shortage and food scarcity. Nature allows scant time for planting when the warm sun waits till late May or June before drying the soggy soil. Horses are too slow and tire too quickly to get the job done then.

But the farmers remember May of 1943—only two years ago—when their fast, untiring tractors averted crop failure. Then, too, rains flooded the fields and the month was all but spent before they could go in on the land and plant.

In 1943, most farmers drove their tractors

from dark to dark, and longer. Many planted around the clock, working in two or three shifts. They made one of the greatest crops in history.

In today's war-torn world—with hunger and disease already stalking many peoples—even one major crop failure could bring famine. This is why the sound of tractors and planting machinery was heard, day and night, from the Plains states to the Eastern seaboard—why headlights stabbed the darkness over the fields.

America's farmers are doing it again, in spite of an unprecedented combination of adverse circumstances—bad weather, shortages of machines and shortages of manpower. For the second time in three years, they are relying upon their tractor-powered machines to help rescue large areas of the world from catastrophe. More of these tractors are products of International Harvester than of any other company.

### New Laurel & Hardy Comedy Solves Acute Servant Problem

Servant problems of today, blended with a bit of European intrigue and governments in exile, form the background for the latest caving of Stan Laurel and Oliver Hardy in Metro-Goldwyn-Mayer's "Nothing But Trouble," to be shown at the Ritz Theatre next Saturday, Sunday, Monday, Tuesday, July 7, 8, 9 and 10. The antics of the comies, their first film for M-G-M since "Air Raid Wardens,"

blend laughs with a little tense drama, which, however, ends in hilarity.

Comedy highlights include the mad scramble of wealthy folk in an employment agency, trying to get servants, the near-kidnapping of Laurel and Hardy by Mary Boland, as one of the frantic servant-hunters, the ludicrous attempt of the two to be chef and butler, their cooking mishaps, their comical adventure with a lion, a hilarious corner lot football game, and a usually comical climax.

Players include David Leland, English-born boy actor who recently scored a hit in his first picture "The Hour Before Dawn," Philip Merivale, former Broadway stage actor of "Death Takes a Holiday" and other hits.

"Honeymoon Ahead," Universal's latest romantic comedy-musical starring Allan Jones, is the second feature of the double feature program at the Ritz next Sunday, Monday and Tuesday. Jones renders three of the film's special songs, "Round the Bend," "How Lovely," and "Now and Always." Another musical number, "Time Will Tell," is rendered by the film's chorus. Grace McDonald, Raymond Walburn, Vivian Austin, and Sarah Padden are others in the cast.

Highlighting the action is an exciting bank robbery and consequent round-up of the bandits who committed the crime as a means of forcing their pal, Jones, back into the convict choir.

#### SGT. WALDROP IS AT HOME FROM GERMAN PRISON CAMP

T-Sgt. Hubert Waldrop, son of Mr. and Mrs. Roy W. Waldrop, formerly of Ballinger, is here this week visiting friends.

Sgt. Waldrop went overseas in September, 1943, and was based in England with the 8th air force as an engineer gunner on a B-24. On February 4, the entire crew was forced to bail out when with three engines gone, the plane went out of control. He was on his tenth mission which was over Frankfurt.

Captured by the German wehrmacht, he was in a prison camp about 30 miles from Luxembourg most of the time. He was liberated by the Russians.

He wears the air medal and two stars on his ETO ribbon. After a 60-day furlough, he will report to Santa Monica for reassignment.

### 'Diamond Horseshoe'

Scene from "Billy Rose's Diamond Horseshoe," principal attraction at the Texas Theatre next Sunday, Monday and Tuesday, July 8, 9, 10.

### 'Rose's Diamond Horseshoe' Romantic, Dazzling Spectacle

Telling one of the most enchanting love stories ever brought to the screen, set to the rhythm, laughter and glamor of Hollywood's most spectacular technical musical triumph, "Billy Rose's Diamond Horseshoe," starring Betty Grable and Dick Haymes, is scheduled at the Texas Theatre next Sunday, Monday and Tuesday, July 8, 9, 10.

Packed with dazzling splendor, glorious song, joyous laughter and gorgeous girls, the 20th Century-Fox film boasts six new song hits by Mack Gordon and Harry Warren, including "The More I See You," "I Wish I Knew," and "Acapulco."

An exciting new kind of screen entertainment, "Billy Rose's Diamond Horseshoe" tells the romantic story of a girl who looked for love, and of a boy who wanted to sing, with Betty Grable, Hollywood's outstanding musical star, and Dick Haymes, singing sensation of radio, records and screen as the romantic team.

Phil Silvers, ace screen comedian, heads the featured cast which includes William Gaxton, Broadway idol of musical comedy fame; Beatrice Kay who, as "The Gay Nineties Girl," is known the length of breadth of the country through radio and records; Carmen Cavallaro, brilliant piano stylist, whose records currently are the rage; and Willie Solar, internationally famous comic singer.

#### Rug-Cutters Delight and Mystery on Double-Feature Program Tomorrow, Saturday

A jive-dance comedy, "Blonde from Brooklyn," and a murder-mystery, "Circumstantial Evidence," are the two features at the Texas Theatre tomorrow (Friday) and Saturday.

A new idea for rug-cutters appears to have been thought up by Carl Anderson, art director on Columbia's musical, "Blonde from Brooklyn," which features Robert Stanton, Lynn Merrick, Thurston Hall and Mary Treen. Instead of the jive adds jamming a sector of the dance floor in front of the bandstand, the stand is spotted in the center of the floor and revolves with the dancers. This obviates congestion and enables all the hep cats to have an equal chance at the band leader.

"Circumstantial Evidence" is the

### Wear Gives Report For Past Two Years On Rotary Projects

James A. Wear presided over the last meeting of the year of the Ballinger Rotary Club Tuesday noon and had charge of the program outlining achievement of the past twelve months. At the conclusion of his talk he handed the president's pin to the incoming president, Marvin Davies.

Mr. Wear was finishing two years as head of the local club, taking over in 1943 when the membership totaled 22. He completed that year with 29 members and as this year ended there were 35 active members on the rolls.

At the beginning of this year a goal of 24 projects was set and each completed was to provide a cog in the Rotary wheel. At the program Tuesday he revealed 27 projects had been completed and displayed the wheel with all cogs in place. Mr. Wear expressed his appreciation to the members for their help in making the past two years so successful.

Proceeding the president's talk, Miss Mary Lou Ridings rendered two vocal numbers, with Miss Marjorie McGregor accompanist. It was announced that E. Shepperd was the program chairman for the new year.

Mrs. Fred Horn is at Artesia, New Mexico, where she is relief operator for the Western Union Telegraph Co.

### 'The Topeka Terror' and 'Youth Aflame' Double Feature Program at the Palace

A juvenile delinquency story, "Youth Aflame," and a fast-paced western, "The Topeka Terror" comprise the feature offerings at the Palace Theatre Friday, Saturday and Sunday, July 6, 7, 8.

Quick-trigger thrills and daring feats of horsemanship make "The Topeka Terror" one of the most excitingly enjoyable western films ever to come from Republic.

"The Topeka Terror" is the latest of the popular series starring Allan Lane. The story is laid in the turbulent days when the Cherokee Strip was opened for public settlement, with Lane appearing as a secret investigator for the U. S. territorial land department. In the guise of a wandering cowboy, he leads a desperate fight to prevent scheming land promoters from cheating

honest settlers out of their homesteads.

Linda Stirling, pretty western star, plays the top feminine role in the film, which has Earle Hodgins, Twinkle Watts, Roy Barcroft, Tom London, Frank Jaquet and Bud Geary in important parts.

### Mrs. Cope Presents Piano Pupils in Recital

Mrs. Earl Cope, teacher of piano, presented her pupils in a formal program on Thursday evening of last week in the auditorium of the First Baptist Church.

Pat Richards and Dorothy Holliday were ushers and Virginia Cope and Peggy Floyd distributed attractive printed program folders. Bowls and vases of colorful zinnias, gladioli, and daisies gave floral decoration where the varied program was rendered. Included were classical and popular numbers both sacred and secular; the novelty piano solos "Nola" and "The Doll Dance," and a South American number, "Tango in D." Mrs. Cope played two duet numbers with Frances Thomas and accompanied Gwen Morgan and Dickie Cope, vocalists. Souvenir pictures were made by Tom Agnew.

Other pupils were: Tommie Lou Curry, Patsy Dietz, Peggy Hays, Billy Flynn, Ellen Shelburne, Carolyn Bigby, Willa Wayne Neely, Jeannette Sparks, Gayle Hays, Wanda Richards, Catherine Hays, Dorothy Thomas, Eva Jo Flynn, Harlan Forbus, Joyce McCorstin, Janet McShan, LaVonda Forbus, Lidel Fuschal, Ruby Jean Alvarez, Verchal Smith, Bobbie Neely, Betty Joyce Shelburne, Gwen Morgan, Betty Jean Underwood, Jo Rita Duke, Carolyn McClenny, and Evelyn Bigby.

### Garden Club Announcement

The Ballinger Civic-Garden Club will hold its July meeting Tuesday afternoon, July 10, at four o'clock, in City Hall auditorium.

Interesting topics to be discussed are "How Best to Irrigate" by Mrs. B. Frazier; and "Iris, Violets, and Pansies for Next Year," by Mrs. Tom Caudle.

### Lillian Keithley Entertains Tabus

Lillian Keithley was hostess to Tabus recently, entertaining in her home on Ninth Street.

Mixed summer flowers graced rooms where Pat Richards presided for the business session and Lillian was assisted by her mother, Mrs. Naomi Keithley, in serving frosted punch with cookies.

Visitors were Dava June Woodson, Nancy Barton of Carrizo Springs, Pauline Witter, and Dorothy Bruce of Corpus Christi. Others were June Wright, Carolyn Cheatham, Joanne Glover, Charlotte Miller, Gwen Morgan, Virginia Routh, Nancy Guynes, Mary Brian Woody, Dorothy Holliday, Betty Jean Underwood, Anna Sue Hembree, Elizabeth Wear, Louise Kinney, Martha Saunders, and Virginia Baker.

### Mrs. Claude Stone is Triple-Four Hostess

Mrs. Claude Stone was hostess at a morning party Tuesday for Triple-Four members and a few added friends.

Lovely white hibiscus blossoms centered the lace-covered dining tables and vases of crepe myrtle and other blossoms in tones of pink and orchid decorated the living room. Mrs. K. V. Northington won high club score award, Mrs. Felton Wright, high guest, and Mrs. Tom Agnew, the bingo.

At the luncheon hour, a salad plate was served with cookies and iced tea.

Others included: Mmes. F. M. Pearce, Robert Bruce of Corpus Christi, Jack Silliman, E. W. Stasney, Frank Perry, Ford Taylor, R. W. Earnshaw, Alex McGregor, L. R. Tigner, Troy Simpson, Harry

The Bluebonnet, Clover, and Meadowlark troops met in overnight camps at the country club.

### BALLINGER F. F. A. CHAPTER PLANS PROGRAM FOR 1945-46

At a meeting of the Ballinger Future Farmers held last Friday evening in the agricultural building on the high school campus, seventeen members were present with their advisor, F. C. Shillingburg, to discuss plans and map a program for 1945-46.

This program includes an outline of activities to cover a definite period of time, goals for each activity, ways and means for reaching the goals, and provisions for checking on the results achieved. The basis for success of the chapter is determined by its program.

Happy Jack Farmer, chapter president, named committee members for the eight program heads as follows: supervised farming, Milton Fulton and Lucius Stokes; cooperation, Billy Shelburne and Charles Dankworth; community service, Merl Taff and Herbert Norman; leadership, Wilburn Davis and Jack Aycock; earnings and savings, Riley Spann, Joe Lee Bennett, and Billy Ralph Russell; conduct of meetings, Clyde Reese; Troyce O'Neal, and Happy Jack Farmer; scholarship, Johnny Caudle and Johnny Hays; and recreation, Mack Ransberger and Elwood Harris.

These committees will meet separately and make reports at the next meeting to be held on July 27.

## Plunketts Here for 3 Night Performances

The Plunkett stage show, featuring plays, comedy and vaudeville, will open here tonight for a three-night engagement under the auspices of the local American Legion post. This family show has played many West Texas cities this year and comes to Ballinger with an excellent record for pleasing audiences.

The tent is set up on the lot behind the Talbot building, on Seventh Street, and performances are to be given tonight, Friday and Saturday.

The Legion junior baseball team will share in the proceeds and these boys will be on hand each evening to assist in taking tickets, ushering and otherwise helping with the crowds.

### SCHOLASTIC TRANSFERS MUST BE MADE BY JULY 31

County Superintendent Ernest Caskey calls attention to the fact that July is the month for scholastic transfers to be made. Those desiring to send children to another district for high school work should notify the county superintendent this month so the transfer can be made properly and reported.

The final date for making a transfer is July 31.

Mrs. Cone Robinson returned to her home at Norton Wednesday of last week from the Ballinger hospital, where she had been a patient following appendectomy.

Mr. and Mrs. J. C. Reese left Wednesday for the Arkansas Ozarks where they will spend several months for Mr. Reese's health.

## A New "House of Magic" for Postwar America

"... one of the strongest guarantees of progress and world peace is continuous scientific preparedness through industrial research."

"General Electric has approved plans for a new \$8,000,000 Research Laboratory. This expenditure has tremendous significance. Scientific research has contributed much to our progress as a nation. "Many things have been discovered during this war, and we can and must develop them into better things for peacetime. "Today we have 550 research people on our staff. These new facilities will not only give increased outlet for their abilities, but will provide opportunities for new research minds with new talents. "From this new laboratory we think new achievements will come. In the past, G-E research has contributed much to better living in America—not only through new developments in x-ray,

electricity, metallurgy, electronics and chemistry, but also through reduced cost and increased efficiency, as in the modern incandescent lamp. "Even more than in the past the laboratory will emphasize research in pure science—continuing and expanding the work begun by Dr. Whitney and the late Dr. Steinmetz forty-five years ago. "To find new facts of the physical world, to extend the limits of knowledge, is a forward step in creating More Goods for More People at Less Cost."

*R. G. Erwin*  
President  
GENERAL ELECTRIC COMPANY

New \$8-million-dollar G-E Research Laboratory will be built five miles east of Schenectady, New York, on the Mohawk River. The geographic location offers special advantages for television, high voltage x-ray, and radar research. Buildings with 300,000 square feet of floor space will accommodate an expanded post-war research staff of about 800. Research rooms will be a scientist's paradise of equipment for experiments in chemistry, physics, mechanics, electronics. It is hoped that construction can start in six months.

**MASONIC LODGE HOLDS INSTALLATION PROGRAM**

New officers in the Ballinger Masonic lodge were installed in a special program held at the lodge hall last Thursday night. Roger Brooks and L. Q. Sparks, both of San Angelo lodge No. 1260, were here to assist with the installation.

They took over the ceremony as soon as the lodge was opened and the following officers were installed to start the new year: J. M. Williams, worshipful master; B. Ravellette, senior warden; Allen Davis, junior warden; A. F. Brock, treasurer; George M. Beard, secretary; Herman Dempsey, senior deacon; Carl Black, junior deacon; Lee Parker, senior steward; R. E. Harris, junior steward; A. F. Brock, chaplain.

**SUPERINTENDENT WILSON ARRIVES TO BEGIN WORK**

Supt. and Mrs. J. D. Wilson and family arrived here Tuesday and are moving into the J. A. Osterger residence on Sixth Street. Mr. Wilson was down town a short time Tuesday and stated that he would get down to business as soon as they were straightened up at home.

Mr. Wilson has much work ahead of him this summer, including completion of the faculty and numerous other details.

**I. O. O. F. INSTALLATION HERE IS HELD TUESDAY**

Roy L. Hill, I. O. O. F. district deputy grand master, installed officers for local lodge No. 291 Tuesday evening.

Fred Parker will direct activities of the organization as noble grand. To serve with him are E. A. Martin, vice grand; T. M. Marsh, warden; Morris Stokes, conductor; John B. Rayburn, right supporter to noble grand; J. F. Elders, left supporter to noble grand; T. C. Corder, chaplain; Ruel Boswell, right senior supporter; Horace Holland, left senior supporter; L. M. Bowden, right supporter to vice grand; Kenneth Kevill, left supporter; inside guardian, J. M. Cordell; and outside guardian, Arthur Ballew.

Miss Peggy McGregor has accepted employment at Bruce Field.

**COUNTY COMMISSIONERS WILL ATTEND SAN ANGELO PARTY**

The entire commissioners' court of Runnels county will go to San Angelo this (Thursday) evening to join other county officials at a picnic on the Concho River, honoring members of the state highway commission. The meeting was arranged to bring together the commissioners of a number of West Texas counties and members of the highway department in order that they might become better acquainted and to discuss post-war plans for road work and other construction.

County Judge E. C. Grindstaff stated that the Runnels county officials would attend in a body.

**\* NORTH NORTON HOME \*  
\* DEMONSTRATION CLUB \***

"My Hobby" was the program theme when the North Norton home demonstration club met on Thursday of last week in the home of Mrs. K. G. Corley. At the roll call each member answered by telling what her hobby was and the group presented many different hobbies in this part of the program.

Miss Ozzie Folkes, county home demonstration agent, told why each person should have a hobby, the main reason being to get minds off routine work. A number of the club members had demonstrations of their hobbies on display. Mrs. W. W. Mitchell's was conceded the best, a large display of handwork.

The next meeting will be held on July 11 in the home of Mrs. Bob Crockett and the program will be on child delinquency.

H. G. Agnew was in Abilene Monday to play in an invitation golf tournament.

Mrs. Alex Saunders and Martha spent the first of the week in Sweetwater.

Mr. and Mrs. Joe W. Williams and son, Fred, left Sunday for Harlingen, where they will make their home. Mr. Williams, who was AAA head here, went to Harlingen in the same work several months ago and returned here last week-end to move his family and household goods. Mrs. Williams has been assisting Miss Ozzie Folkes in the office of the county home demonstration agent.

E. B. Gilliam, III, of Brownwood, has been visiting in the Leonard Stallings and Loyd Herring homes.

Mrs. Ollie Power, of Pueblo, Colorado, has returned to her home after a visit in the home of Mr. and Mrs. Max Phillips.

Asa Cordill is much improved at his home on Ninth Street.

The biggest small grain harvest in the history of Runnels county is about to be finished. During recent weeks shipments from this county have been heavy, all loading places being rushed as the grain was hauled in. Other crops in the county are doing fairly well but need a general rain. Showers the past few days have helped cotton and other row crops are making good progress. The range is in fair condition but is in need of moisture to keep weeds and grass growing.

Movement of soldiers home from Europe is underway with most of the wounded and prisoners of war already back in the United States. Transfer of combat divisions, slated for the Pacific war, is now progressing apace. Large numbers of ships are arriving daily at New York and other East Coast ports and all railroads and other means of transportation will be crowded to capacity for the next several months. During their stay in the United States, all men will be given 30-day furloughs so they can visit relatives and friends and have time off to rest up before the next assignment. Many army camps are being opened for this purpose and the men will be stationed there for brief periods while divisions are brought up to full strength, issued new equipment and given special training to meet the Japs. The number of men in uniform at home will be much larger during the next few months. Most of those returning from battles against the Germans are real heroes and should be treated as such. There will be many who are only going from one war theatre to another and they will not be too happy about their new assignment, so help them to enjoy their stay at home as much as possible.

Runnels countians are still struggling with their quota on the 7th war loan and only have the rest of today and tomorrow in which to buy bonds and have them count in this campaign. Ballingerites rallied the last four days of last week to purchase \$50,000 in E bonds and Monday had only \$40,000 more to buy to go over the top. If you possibly can buy one more do it before the banks close tomorrow (Friday) and help meet the quota of this, the first war loan drive of 1945.

**More Than Hundred Veterans of 2 Wars Attend Legion Party**

The annual barbecue and party for veterans of the first and second world wars was held Friday on the Marion Hays place south of Ballinger on the Colorado River, approximately 100 men attending. The affair opened soon after noon when the first meal was served and a large number were on hand for this part of the program.

During the afternoon and evening veterans of the present war outnumbered the older veterans, a large number of the former group holding discharges and others at home on 30-day furloughs. Many of the new veterans joined the local American Legion post, bringing the total of these members to about 50 for the new year which began July 1.

No set program had been arranged and all during the afternoon and evening the men huddled about in small groups talking over experiences or gathered about the barbecue pit.

It was the first time many of the veterans of the present war had been together since they were called into service and the men enjoyed seeing each other after their return home. Some of those present had been in German prisoner-of-war camps for many months.

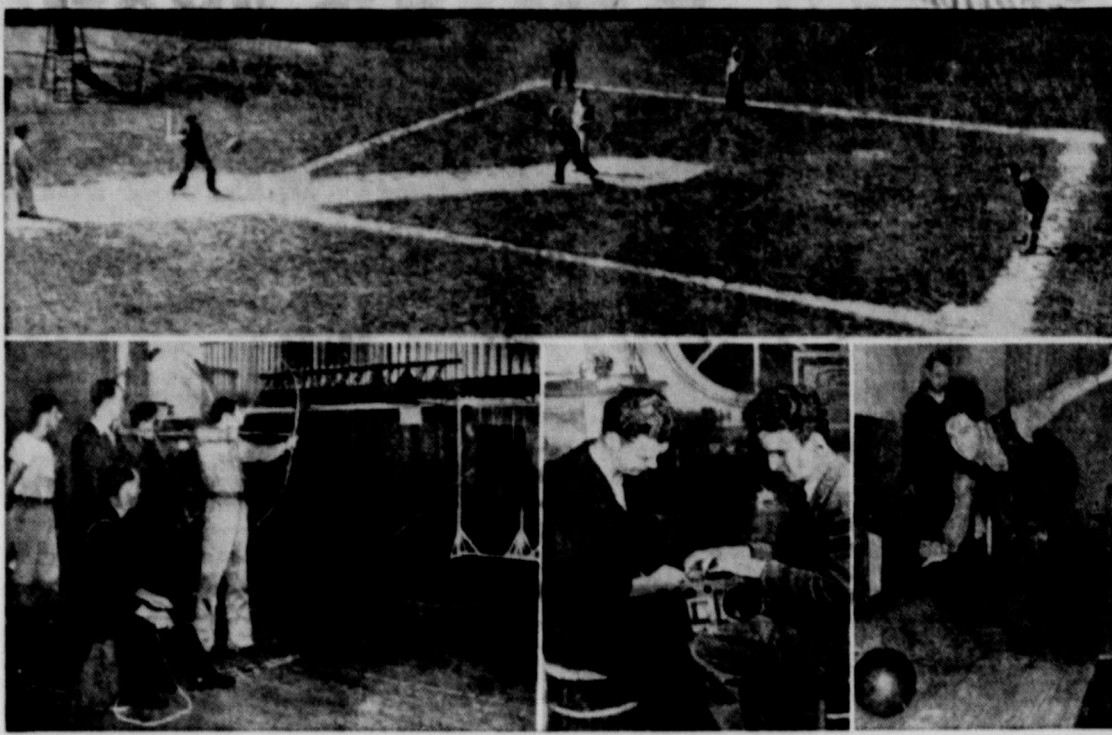

Several World War II veterans who have accepted employment in other towns were at home for the occasion and joined their buddies in having a good time. From Odessa were Alvin Richardson and Joe Cozby. Others who are working nearby also returned here for the day.

A number of those present contributed to a fund so that another such meeting could be held next year, at which time the attendance is expected to be many times as large.

Mr. and Mrs. Clinton Reese and children have returned to their home at Hereford after a week's visit with Mr. and Mrs. J. C. Reese.

Clays for the manufacture of bricks are found in approximately 80 Texas counties.

**Blind Vets Learn to Play and Work Again**

At the New York Institute for the Education of the Blind, navy men and marines who lost their sight in the service of their country are engaged in a baseball game, as shown in the upper photo. They follow the movement of the oversize ball by sound. Lower, from left to right, archery, radio repairing and bowling.

**WEST TEXAS NOTES**

Work got underway last week in Comanche on the construction of a new plant, the Texas Peanut Plant. The main building will be 44x70 feet, and will be three stories high. A separate storage warehouse will have a capacity of 1,100 tons of bulk storage. The plant will have a shelling capacity of 50 tons per day and will be as modern as any in the Southwest. Owners expect to be open and receiving peanuts by the time the Comanche county crop hits the market.

For the second consecutive year the Melvin F. F. A. chapter has been ranked first in area II, and because of outstanding activities in the accomplishments of the state program, it has been rated a Lone Star chapter with the gold emblem rating, the highest given by the state department. Before receiving the Lone Star rating a chapter must make at least 300 points out of a possible 1,000.

Allen Davis, Ballinger chairman for the 7th war loan drive, was speaker at a rally held at Miles last week, one of a two-night series sponsored in an effort to wipe out the town's deficit. On the two nights, sales totalled \$5,555.00.

As the result of a donation taken recently from business firms and individuals of the community, a well is being put down on the public square in Rowena. A concrete storage tank, 18 feet high and 15 feet in diameter, is being constructed. The work will be finished in about two weeks. This water supply will furnish the town with fire protection and will be available for farmers and others who have to haul water.

The Eastland county ration board has asked those who received their rationed sugar early to return a portion of the sugar issued so that an equitable share may go to the 50 per cent who have been issued no sugar. The mix-up was caused in the change of OPA regulations as to the amount to be issued per person.

J. T. Hammett, well-known West Texas golfer, of Rising Star, has been discharged from the air forces and will again be a participant in annual invitation golf tournaments over the state.

The estimated number of hogs in Nolan county has dropped considerably this year, and the number of beef cattle has fallen off slightly.

The Brady post office has been advanced to the rating of first class. The rating of a post office is based on postal receipts for the preceding calendar year, and the records of the Brady office disclosed a large excess over the required sum. From July 1 the Brady office is dealing directly with the post office department in Washington, D. C., rather than with the central accounting postmaster at Austin.

A county-wide mass meeting was held in Stephenville Monday with John W. Carpenter, successful operator of a demonstration farm in Dallas county, speaker on the all-important subject of soil conservation. In planning the meeting, Mayor Clark said that much of Erath county had paid a heavy penalty in the loss of its top soil for 25 years. This is considered one of the most important problems facing the county.

The Brownwood Junior Chamber of Commerce has sponsored a shipment overseas to the special service office of the 142nd infantry regiment, 36th division, at Ulm, Germany. A wide assortment of play equipment and leisure time devices, stationery, boxing gloves, and books were included in the shipment to this Texas-trained veteran outfit. Gifts were contributed by numerous individuals and firms of the Brownwood area.

The 8th annual Coleman rodeo is scheduled July 11 to 14. Men directing the big event are giving assurance that there will be four big nights of outstanding performance.

Features will include a matched calf roping contest between Rex Beck, of Talpa, and Buff Doughett, of Roswell, N. M. saddle bronc riding, bull riding, boys' calf roping, wild cow milking, besides the grand entry with 200 horses and riders in colorful array.

The grain shipment from Winters is the largest since 1917. To the last of last week 80 cars loaded with oats and 125 loaded with wheat had been shipped. The average yield of wheat per acre was estimated at 7 to 28 bushels and oats 35 to 60. Damage to fields by rain and hail may have reduced the shipment by as much as 100 cars.

Capt. R. T. Caperton, son of Mr. and Mrs. Emmett Caperton, of Bronte, was director of the first rodeo ever given in Burma. A newspaper clipping gave this report: "The Wild West coupled with a wilder monsoon featured the first annual Burma Rodeo. Fifty-four G. I. cowboys rode the amphibious brones and bulls and roped the flying calves at the specially constructed rodeo arena."

Pecos county went well past its quota on all bonds last week, the second in the El Paso region to reach its goal in the 7th war loan drive.

**MARINE CORPS SEEKS 100 RECRUITS DURING JULY**

The marine corps recruiting station for this district with headquarters at Lubbock announces that June recruiting of marines was a good job and also stated that 100 17-year-old boys would be recruited during July. Enlistments will be for the duration plus six months and recruits can either go on active duty at once or be put on the inactive list for thirty days.

All who volunteer in the July campaign will go to Parris Island, South Carolina, for "boot" training. Applicants should write or call the marine recruiting office at Lubbock and enclose birth certificates when writing.

**BALLINGER GIRL TO APPEAR IN OPERATIC PRODUCTION**

Miss Lavinia Faubion, daughter of Mr. and Mrs. L. A. Faubion, a sophomore student at North Texas State Teachers' College, Denton, will appear in the production of

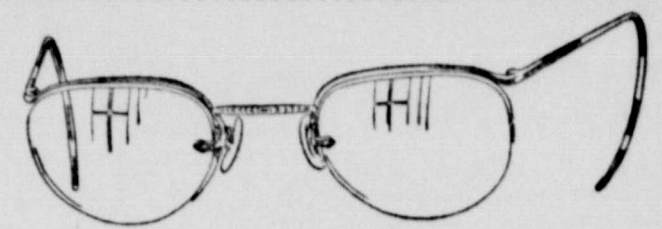

Balfe's opera, "The Bohemian Girl," to be presented by the school of music on July 12 in the school auditorium. Miss Faubion will portray a nobleman in the chorus.

A 1944 honor student from the Ballinger high school, she is a member of the "Grammations," a freshman and sophomore honorary society.

**How women and girls may get wanted relief from functional periodic pain**

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion,\* thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardui. If it helps, you'll be glad you did.

Take care of your eyes and your eyes will take care of you.

It is wise to have your eyes examined periodically. Eyes examined--Glasses fitted

## Double Wedding Ceremony for Hoelscher Twins

The St. Boniface Catholic Church in Olfen was the scene of an impressive double wedding ceremony on Wednesday morning of last week when Miss Norine Hoelscher became the bride of Staff Sergeant Edward L. Kujawski, son of Mr. and Mrs. John Kujawski of Swanton, Ohio, and Miss Lotjine Hoelscher became the bride of

Melvin Braden, son of Mr. and Mrs. Andrew Braden of Wall. The Misses Hoelscher are twin daughters of Mr. and Mrs. Ed Hoelscher. The Rev. Father F. M. Kaminsky officiated for the double ring ceremony and the nuptial mass at 8:30 o'clock. He was assisted at the mass by Monsignor F. Pokluda of Wall, and Rev. Father F. Bosen of Rowena. Yellow gladioli filled the altar

vases, and many white tapers burned in branched floor candelabra against a background of ferns and palms.

Mrs. H. E. Halfmann was at the organ for the traditional wedding music and played accompaniments for the nuptial mass sung by the St. Boniface choir.

Miss Evelyn Halfmann, niece of the brides, was maid of honor for Miss Norine Hoelscher. She wore a dress of yellow net made with fitted bodice and full skirt, and carried a colonial bouquet of orchid asters. Norbert Rohmfeld, cousin of the brides, attended Sgt. Kujawski as best man.

The bridegroom's sister, Miss Verdice Braden of Wall, attended Miss Lotjine Hoelscher as maid of honor. Her dress, similar in design to that of Miss Halfmann's, was of sky-blue net, and her colonial bouquet was fashioned of pink asters. Mr. Braden's best man was Joe Hoelscher, brother of the brides.

The brides wore identical gowns of white silk marquisette designed with fitted bodices and full skirts which extended into trains. Lace trim marked the sweetheart necklines and the long fitted sleeves were pointed at the wrists. The finger-tip length veils of illusion were caught to bandeaus of illusion trimmed with orchids. Frills of white tulle encircled their colonial bouquets of white carnations. Their only jewelry were double strands of pearls.

After the mass the brides were presented with statues of the Blessed Virgin from the Children of Mary Sodality by Miss Geraldine Halfmann, and Miss Genevieve Hoelscher, sister of the brides.

The brides' parents were hosts for the wedding dinner, served immediately following the ceremony in their home, with Mrs. John Kujawski and Miss Irene Kujawski, mother and sister of Sgt. Kujawski, of Swanton, Ohio, assisting in receiving.

The two three-tiered decorated cakes, which were topped with miniature bridal couples, centered the brides' table while arrangements of white gladioli with lace fern were at each end.

A dance in the community hall at Olfen for a large assembly of friends was the dinner aftermath.

Sgt. and Mrs. Kujawski will be at home in San Angelo where Sgt. Kujawski is stationed at SAAAF, and Mr. and Mrs. Braden will live on their farm at Veribest following short wedding trips.

## Roland McWilliams and Gloria Currie Marry in San Angelo

Miss Gloria Gayle Currie, daughter of Mrs. B. F. Harris of San Angelo, became the bride of Seaman Roland McWilliams, son of Mr. and Mrs. R. E. McWilliams of Ozona and formerly of Ballinger, in a ceremony read in the First Baptist Church in San Angelo on Thursday morning of last week with the Rev. Leroy H. Russell, assistant pastor of the First Methodist Church, officiating.

Mrs. G. Herman McLaughlin, church organist, played the traditional wedding music and accompanied Miss Mary Duncan, who gave the pre-nuptial solo. Miss Sara Morrison, of Center, was maid of honor for the bride, and Bill McWilliams, of Ozona, attended his brother as best man.

Mr. and Mrs. J. M. T. Sparks were hosts for an informal reception which immediately followed the service.

After a wedding trip to Mexico City, the couple will be at home at Corpus Christi, where Seaman McWilliams will be stationed. He attended the Ballinger schools and graduated from the San Angelo High School, and attended San Angelo Junior College. He served two and one half years overseas in the navy. Recently he

was stationed at Southern Methodist University at Dallas where he received a B. S. degree June 25. Mrs. McWilliams attended S. M. U. last year after graduation from the San Angelo High School.

## First Baptist W. M. S. Meets for Business and Inspirational

Mrs. Homer C. Daniel, president of the First Baptist Woman's Missionary Society, directed its regular monthly business meeting Monday afternoon in the church parlors on Eighth Street. After the union singing of the Woman's Hymn, with Mrs. Elmer Shepperd leading and Mrs. O. G. Joiner, accompanist, reports of officers, circle and committee chairmen were heard and the attendance banner awarded Circle One, of which Mrs. E. P. Talbot is chairman. Mmes. B. C. Kirk, A. O. Bartlett, and O. T. Toney were appointed nominating committee members.

Mrs. Carl Black brought the inspirational message, using the theme "Enlarging Fields of Endeavor." Mrs. R. P. Canady gave the closing prayer.

Others present were: Mmes. A. S. Love, Mattie Holliday, Bartlett, A. F. Brock, H. W. Doherty, Toney, M. M. Alexander, L. Varley, T. J. McCaughan, L. L. Strohle, E. E. King, Jim Golden, J. H. Endacott, R. D. Jackson, W. J. Hembree, O. L. Britton, E. L. DeWitt, W. E. Harvey, Fred Holliday, Paul Best, Weidon Howell, Earl Cope, Fred Moncrief, Taylor Henley, John Castor, Joe Vaughan, Misses Emma and Alice Thomas.

## First Christian Women Attending Buffalo Gap Encampment

Mrs. Horace Murphy is attending the annual adult conference of the Sixth District of the Christian Church being held at the Presbyterian encampment grounds at Buffalo Gap. Mmes. A. B. Stobaugh, Charles Bailey, and M. A. Foy are attending the sessions today (Thursday).

## ONLY NINE WEDDING LICENSES ISSUED BY CLERK HERE IN JUNE

County Clerk John B. Rayburn issued only nine wedding licenses during June, which is a very low record for this month. June is traditionally called "the month of brides," but the manpower shortage is believed to have cut the clerk's business short.

Those obtaining licenses during the past month were: Howard Henry Holt and Mrs. Aline Spradlen; Gary Hoffius and Miss Sarah Ann Stowe; Leonard Hoelscher and Miss Lucille Calder; Warren Alvard Criswell and Miss Dorothy Jane Brown; R. A. Morgan and Mrs. Leona Morgan; Lester D. Cape and Miss Doris Danford; Don H. Wilson and Miss Mamie Maxine Curbo; T. A. Ellett and Miss Ina Faye Pruitt; Moses Strambler and Miss Helen Johnson.

Caddo Lake, on the Louisiana-Texas border, is one of the South's largest natural lakes. Approximately 700 communities in Texas are served with natural gas.

"Yessir, Jim's got a great system"

A GREAT SYSTEM for Jim, that is. But a little unfair to the other swimmers.

Swimming a race or running a business is pretty easy when you don't have to pull your own weight!

Take government-owned electric power-systems, for example. They pay little or no taxes. When they need money, they can call on the U. S. Treasury and get it at little or no interest. If they have losses, why worry? You, as a taxpayer, will take care of that.

Business-managed power-systems do not have these special privileges. They pay their full

share of taxes, pay fair interest on any loans, pull their own weight all the way through.

Fortunately for you and your tax bill, over 80% of all the electric power in this country is produced by tax-paying, self-supporting electric companies owned and operated by millions of Americans.

And how well are these companies doing their job?

Electricity is still available at low pre-war prices. There is enough to meet even the gigantic demands of war. And there will be plenty to help give you greater comfort and convenience in the electric living of the post-war world.

\* Listen to "THE SUMMER ELECTRIC HOUR" with Robert Armstrong's Orchestra and guest stars. Every Sunday afternoon, 3:30, C.W.T., CBS Network.

What does this mean to you? Government ownership of any business is a threat to every American in business. Whether you run a shop, garage or factory, government ownership means you have a rival across the street who enjoys special privileges at your expense. He has little or no rent to pay, can borrow money at little or no interest, can keep on operating at a loss—and YOU are called upon to help make up that loss!

- TAG THAT BUNDLE...

During the rush of war-time travel—hundreds of pieces of baggage go astray—in crowded coaches, sleeping cars, baggage rooms and baggage cars.

Every piece of baggage, whether it is checked or carried with you, should be carefully tagged—with the full name and complete address of the owner. Help us to protect your belongings from being picked up by mistake by other travelers.

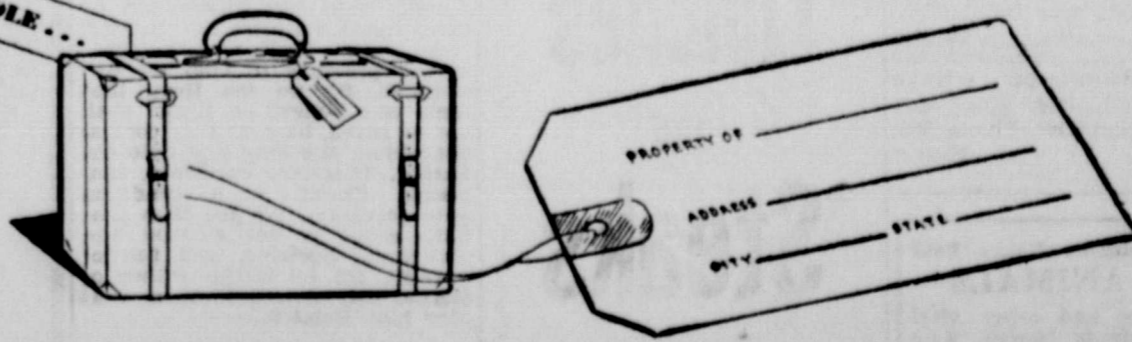

If you have baggage to check, please

be at the station early, so proper records may be made, avoiding mistakes in "rush" handling.

Please use only receptacles which are strong and can take war-time handling—frail packages damage easily.

Please do not put money, jewelry, valuable papers, liquids, groceries, household goods or merchandise in baggage to be checked. Send these articles by parcel post, mail, express, etc. They are non-checkable as baggage.

How empty oil drums are being used in the Pacific area is shown by these photos. Left, the drums were used in asphalt plant, as stacks, etc. Center, household use, wash sinks made from drums. Upper right, view of one of the oil drum farms. Lower right, used for barbecue. Other uses include bomb shelters, gateway arches, legs for water tanks, incinerators, sewer pipes and reflectors on light poles.

## Serving Uncle Sam

(Continued from Page 1)

Henry Wood, MOMMIE, is home from the Pacific theatre on a 30-day furlough and is visiting his parents, other relatives and friends. He will report at Norfolk, Va., July 22 for reassignment.

Mrs. C. L. Baker had a letter this week from her son, Lt. David Baker, who is stationed on the U. S. S. Pickens APA 190, telling her of being initiated into the Order of King Neptune. This ceremony takes place when a sailor crosses the equator for the first time. He also stated he was very happy to be out of the immediate war zone for the time being. His ship was a part of both the invasions of Iwo Jima and Okinawa.

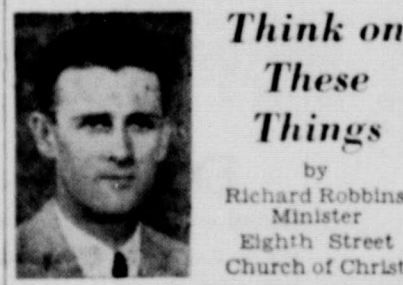

Mrs. Paul Kirk and son, Calvin, left Saturday for Big Spring, to meet Mrs. Kirk's brother, Sgt. Dick Davis, who has been a German prisoner of war.

Sgt. Davis hurt his back when he was forced to bail out over Linz, Austria. He was cared for in a German hospital until his liberation, when he was sent to a U. S. base hospital in France.

Lloyd W. Nixon, SKIC, and Mrs. Nixon are here on a 20-day leave from Port Hueneue, Calif., for a visit with his parents, Mr. and Mrs. Jack Nixon, Sr., and other relatives. Storekeeper Nixon has been stationed at Port Hueneue most of the two years he has been in service.

## Sidney Dunn at Home with Bride

Pvt. Sidney Dunn, held by the Germans as a prisoner of war since the invasion of Italy, came home Monday morning, bringing with him his bride, the former Miss Opal Ferguson, of Oklahoma City. Dunn, a member of company C, 142nd infantry, 36th division, was captured on September 9, 1943, at Salerno, the first day of the Italian invasion. Since then he had been held in prison camps and only arrived in the United States about two weeks ago. As

## Think on These Things

by Richard Robbins Minister Eighth Street Church of Christ

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." "Nevertheless among the chief rules also many believed on him; but because of the Pharisees they did not confess him, lest they should be put out of the synagogue." Jno. 12:42. "But whosoever shall deny me before men, him will I also deny before my Father which is in heaven." Matt. 10:33. "Jesus said unto him, I am the way, the truth, and the life; no man cometh unto the Father, but by me." Jno. 12:6. Christ has entered "into heaven itself, now to appear in the presence of God for us." Heb. 9:24. So we see then, that some who believe on Christ, that faith alone is not a good and wholesome doctrine, and full of comfort, for he is the author of eternal salvation unto them that obey him. Heb. 5:9.

MALARIA CHECKED IN 7 DAYS WITH LIQUID for MALARIAL SYMPTOMS Take only as directed

tomorrow to join his ship's crew, after a visit at home with his parents, Mr. and Mrs. Cal Adair, other relatives and friends. He recently arrived on the West Coast after a tour of duty in the Pacific and expects to head to sea and the battle area again soon after boarding his ship. Lt. Adair has done several tours in the Pacific and has been in many of the hottest places where Americans have fought. He has little optimism in regard to the war against the Japs, having seen beaches where Americans have died by the thousands to gain a foothold on Jap-held territory.

FAR EAST AIR FORCES, Philippines—Master Sergeant Louis M. Ruhmann, of Ballinger, is chief clerk on duty at the adjutant general's office of Gen. George C. Kenney's Far East air force.

As chief clerk it is Sgt. Ruhmann's responsibility to handle the enlisted personnel of this section and all correspondence of the adjutant general's office.

Sgt. Ruhmann attended North Texas Agricultural College before entering the service in November, 1940.

Mrs. Undene Ruhmann, Sgt. Ruhmann's wife, resides at Bangs.

Capt. and Mrs. H. E. Speer and daughter, Marion, were holiday guests of Mrs. Emma Speer. Capt. Speer is with the 8th service command at Dallas. Mr. and Mrs. H.

L. Speer, of Winters, were also in Ballinger for the day.

T-Sgt. T. M. Barrett, of Randolph Field, was a visitor here over the Fourth.

Lt. Tommy Allison, S-Sgt. and Mrs. Charlie Allison, and Mr. and Mrs. C. G. Allison, of Dalhart, visited Ballinger relatives and friends the first of the week.

Lt. Allison, who flew more than 600 operational hours over "the Hump," spending almost a year in the CBI theatre, wears the distinguished flying cross, the air medal with oak leaf clusters and two stars on his theatre ribbon.

Sgt. Allison spent 18 months with the ground forces of the 8th air force in England.

Both will report to Florida for reassignment.

Dayton Elwood Wilson, seaman 1c, came in Sunday night after serving 18 months in the South Pacific. After a thirty-day leave he will report at Kingsville for reassignment.

Joe Forman was better today after being seriously ill the first of the week with a foot infection. From a blister on top of his foot, an infection developed Monday night, causing high fever until Wednesday. He was free of fever today and his condition much improved.

Bill Griffin, of Coleman, was here Wednesday for a visit with friends.
