BALLINGER, TEXAS, THURSDAY, JULY 26, 1945

NUMBER 29

## Employment of Veterans To be Assisted by B.C.D.

Directors of the Ballinger Board of Community Development in session last Thursday night studied a number of important projects coming up in the near future.

The B. C. D. will assist the reemployment committee set up by the selective service system to obtain positions for returning veterans. A questionnaire will be prepared at once and with the aid of the B. C. D. a survey is to be made of all local business concerns to determine how many service men can be employed in Ballinger. The reemployment committee will assist veterans in getting their jobs back where necessary and also will act as an employment agency to help others obtain work.

### Livestock Building

Acting on a report from the agriculture and livestock committee plans are being considered for a building here to serve a two-fold purpose. The building would be so constructed that it could be used for housing the annual livestock show of the Future Farmers of America and 4-H club boys, and in the fall to billet cotton pickers who come this way looking for jobs. The committee report revealed that it is getting more difficult each year to stop large crews of pickers in Ballinger for work on nearby farms since there is no place for these people to stay on week-end trips to town or while they await employment. A building for this purpose with camping facilities, water, etc., would greatly aid farmers and labor agencies in halting enough laborers here to take care of crop harvesting. A definite proposal will be submitted at the next meeting of the directors, including estimates and a plan for raising the required money.

### Swimming Pool

Considerable time was devoted to discussing a public swimming pool. Youth programs are now being carried out in many towns and it was pointed out in a report to the directors that one of the most needed things here was a modern and well-operated pool. Many local boys and girls are said to be going to other towns for swimming parties and it was declared that this project should be carried out to fill a long-felt need here.

### House Numbering

A discussion was held on a uniform system for numbering all Ballinger houses and marking of streets. A committee is to report at the next regular meeting on the cost and what will be necessary to carry out this plan. It was pointed out that many new citizens have moved here and that some sections of the city are not numbered or marked in any way so residences can be located for delivery service and other reasons. In some instances houses are numbered wrong and others have numbers on them which cannot be read from the street.

### 20 New Members

A report of the membership committee showed twenty new members signed up last week and a number of other contacts to be made.

### Planning Board

A nominating committee composed of W. B. May, A. O. Bartlett and Stanley Price was named to submit twelve names, six of whom would be elected for membership on the planning board. Those elected will serve two years.

## Ruin of War Making Delayed Visit to Germany

The result of the Allied bombardment of Cologne, Germany, is shown by photograph at right. Bonn, the birthplace of Beethoven, also meets the fate of other German cities, as shown at left, as American troops advance through the city. Inset shows the bombed Adolf Hitler bridge across the Rhine at Urdingen, Germany. Reports indicate that all cities in path of advancing Allies are in complete ruins.

## Virgil Reynolds Here For Visit to Friends; Once at Bruce Field

R. V. Reynolds, former flight instructor at Bruce Field and at one time manager of a grocery store in Ballinger, was here Saturday from Beaumont General Hospital, El Paso, for a brief visit with friends.

After leaving Ballinger, Flight Officer Reynolds entered the army air forces and was sent to India where he flew a C-46 from India to China over "the Hump." It was on his 40th mission that he was forced to abandon his ship and he jumped at about 15,000 feet but there was only about 500 feet between this and the mountain over which he was flying. The thin air did not hold the parachute in check and when he landed he sustained broken bones in both legs, injuries for which he is still in the hospital and likely will remain there for another year.

After landing Reynolds crawled for two days and nights before he found a small animal trail. The third day he was discovered by two Chinese boys with whom he made friends and they offered him help. The two boys carried him for more than a day until he reached the Burma Road and was picked up by an American convoy, taken to an airfield and flown by transport to a hospital. It was five days from the time of the accident until he reached a hospital and his right leg with compound fractures and breaks had developed infection. He was treated two months overseas before being flown to the States and to the El Paso hospital.

After a short leave he will go back to the hospital where breaks in his right leg will be reset and further treatment given in an effort to save the limb.

Mr. Reynolds said a number of former instructors at Bruce Field had been killed in the area where he crashed and he added that he met many former Bruce Field cadets who are living in the CBI theatre. He said the man who took him off the transport plane and rushed him to a hospital was a former student at Bruce Field and knew him.

## 47 Women Attend Meeting of County Council in City Park

A meeting of the Runnels county home demonstration club council was held here last Thursday afternoon as the concluding part of the annual encampment. Seven clubs were represented and 47 members attended.

The year book committee chairman reported that the committee would meet in August to start this work. A vote of thanks was extended to all who assisted in any way with the arrangements for the successful encampment. Officials stated that they were looking forward to a bigger and better encampment next year. A vote of thanks was extended Miss Vera Taylor who was in charge of singing and games.

A demonstration in necktie making was a feature of the encampment program. Before the first necktie was completed one girl decided it could be used as a bandana and another decided to convert hers into a belt.

Mrs. Hedrick Shelburne, Mrs. Eugene Baker and Mrs. Henry, of the Bethel club, did not let the shortage of materials keep them from making some much-needed bedspreads. With material such as sacks available they produced beautiful bedspreads. Mrs. Baker did hers candlewicking in design. Mrs. Henry did an all-over hobbly, while Mrs. Shelburne dyed hers and all three obtained excellent results. The cost of each spread was less than five dollars.

### Veteran Enjoys Family Reunion

Pfc. Jack Lee, who was wounded on Okinawa, is at home on a 60-day convalescence furlough and was visited the past week-end by his brothers, Joe W. Lee, of the coast guard, and wife, of Port Arthur; and Mr. and Mrs. L. L. Lee and daughter, of Lake Charles, Louisiana.

Sunday night the six boys and their families and their mother, Mrs. N. D. Lee, had a picnic in the Ballinger park. This was the first reunion of the family in eleven years.

Present were: Mrs. N. D. Lee, Mr. and Mrs. Hurlin Lee, and sons, Martin and Thomas Craig; Mr. and Mrs. James Lee and son, Jimmy; Pfc. and Mrs. Jack Lee and daughter, Linda; Seaman Ie and Mrs. Joe Lee, Mr. and Mrs. Winford Lee, Mr. and Mrs. L. L. Lee and daughter, Mary Elizabeth, Mr. and Mrs. D. G. Posey, and Miss Hills of San Marcos.

The families had dinner Sunday with Mr. and Mrs. James Lee and an ice cream supper with Mr. and Mrs. Hurlin Lee, Mr. and Mrs. L. L. Lee and daughter, and Seaman and Mrs. Joe Lee returned to their homes Monday. Pfc. Jack Lee will be here until September 1, at which time he will return to William Beaumont General Hospital, El Paso.

1st Sgt. Thomas E. Borders has recently returned home with a discharge from the army on the point system. He served more than 2 1/2 years overseas, practically all of which time was spent in action against the enemy in North Africa, Sicily, from England where he took part in the invasion of France, through France, Belgium and Germany, with the 9th infantry division of the first army. After 5 1/2 years' service he has returned home without a scratch and is entitled to wear the good conduct ribbon, the pre-Pearl Harbor ribbon, the bronze star, and service ribbons with one silver and several bronze stars. He had 125 points which entitled him to discharge. The son of Mr. and Mrs. A. J. H. Borders, he is now employed by the Lone Star Gas Co. at San Angelo.

Willie Franklin Heath, Pfc. has written his wife here that he expects to go to the Philippines immediately and to see some real action again soon. He was in the early invasion of Okinawa and has recently made a trip from Saipan to the Solomons and Russell Islands and back to Saipan. He was in boot camp at San Diego a year ago and immediately after being assigned to his ship, an L. S. M., the ship burned with a number of casualties but he was lucky enough to escape unharmed and also came through the invasion of Okinawa without injury.

Sgt. Leland McWilliams is at home on a 30-day furlough after returning last week from Germany. Sgt. McWilliams was with the signal corps of the 4th infantry division which went into the fight from England on D-Day and continued until after the surrender of Germany. The division served in the first, third and seventh armies in the war against the krauts and pushed its way across Germany in the final days of the struggle.

Sgt. McWilliams saw action from the morning he stood on the deck of a landing boat and watched the first wave hit the Normandy beach, through the Siegfried line and the wild dash through Germany. He compliments the striking power of the American army, navy and air corps and their excellent timing to put all this power into one drive. His experiences were many, some humorous now but very serious when they occurred. His description of the destruction in France, Belgium and Germany makes one realize the horror of war.

Sgt. McWilliams is the son of Mr. and Mrs. Shannon McWilliams. After a 30-day stay at home he will rejoin his division in North Carolina.

Mr. and Mrs. Claude Stone received a telegram from their son, Claude R. Stone, Jr., AEM3c, that he was leaving Key West, Fla., for San Diego, Calif.

S. Sgt. Pierre van de Putte of San Antonio, is visiting his sister-in-law, Mrs. Charles van de Putte, in the home of her parents, Mr. and Mrs. H. Ravellette, this week. Sgt. van de Putte has been in England 17 months with the 8th air forces ground personnel. He is on 30-day furlough and will report back to Fort Sam Houston for reassignment.

Pfc. Roland K. Brandon has reported to the army ground and service forces redistribution station at Hot Springs, Arkansas, after a 60-day furlough at home. Pfc. Brandon was a prisoner of war of the Germans until his liberation. The turneeps stay at big tourist hotels in Hot Springs for a period of two weeks, during which time they are given a physical examination and then receive new assignments.

Sgt. James Q. White, son of Mr. and Mrs. R. E. White, now in Germany, has requested that all mail for him be held until another address is supplied. Sgt. White served overseas with the 180th infantry and saw action with the 7th army.

Mrs. Roy Phelps is at home from St. Louis, Mo., where she and Lt. Phelps visited his parents for a part of his 30-day leave. An 8th air force navigator in England, Lt. Phelps has reported to Sioux Falls, S. D., for reassignment.

Pvt. Walter T. Jones, of Shepherd Field, spent the week-end here, visiting his parents, Mr. and Mrs. Cecil Jones.

Cpl. Lawrence D. Cothran, son of Mr. and Mrs. H. E. Cothran of Ballinger, is at home on a 30-day furlough after serving 17 months in the European theatre with the 8th air force. Prior to going across the Atlantic he served in Cuba a short time. Another son, Doyle E. Cothran, is now stationed in the Philippines. He has been overseas 13 months. His wife and baby reside in Los Angeles.

Cpl. Bn A. Odom, son of Mrs. E. Odom, Ballinger, has begun training as an engineer of the army air forces at Geiger Field, Spokane, Wash. He is taking a number of engineering subjects in the AAF school.

## Scouts to Collect Waste Paper Here Saturday Morning

Saturday is the regular waste paper collection day for Ballinger and local Boy Scouts will again be in charge. The Scouts ask that all Ballinger citizens help by having their newspapers, magazines and other scrap paper properly bundled and on the front sidewalks Saturday morning.

The June collection was one of the best made here since the campaign began. More people joined the movement and the bundles were better tied and more convenient for loading than in past drives.

The boys will cover all streets and will only be able to make each street one time, and for this reason request that paper be put out either Friday evening or early Saturday morning. Truck crews will also cover the business district and waste paper from stores should be put on the front sidewalks where it can be loaded easily.

## RUNNELS COUNTY MELON CROP BEING MARKETED

Runnels county watermelons are being marketed this week and the local trade is absorbing many of the melons grown on nearby farms. The large round variety weighing from 40 to 50 pounds are plentiful and for several weeks the local crop will be on sale.

Recent rains have helped the melon crop and vines were said to be in excellent condition this week and most growers are pleased with their production. A few have contracted their entire output to local dealers who will sell them the remainder of the season.

Mrs. J. Dexter Eloff and sons, John and Jerry, left Monday for a week's visit in Pampa.

## December 3 to 15 Dates of Issuance Of Ration Book 5

New rationing books are to be issued at the schools from December 3 to 15, 1945, and government officials state that rationing will continue into 1946. The No. 5 book contains enough coupons for 10 to 15 months.

The food rationing book 5 and a new gasoline rationing book will be issued at the same time. The new gasoline book will become valid on December 22 and the food book will be called for soon after January 1. Book 5 will contain coupons for meats, fats, canned goods, sugar and shoes, as all these items are listed as scarce for some time in the future.

OPA officials at Washington expressed the hope that book No. 5 would be the last wartime rationing book necessary and that plenty of unused stamps would be left untouched.

School heads charged with the responsibility of issuing the new books will make announcements in their communities in advance of issuance dates, giving complete instructions on how the work is to be handled and on what dates between December 3 and 15 they will be issued. Book 5 will contain only half as many stamps as were included in book 4.

## H. E. Fulcher Resigns As Commissioner; Chapman Appointed

H. E. (Hub) Fulcher resigned as county commissioner this morning and County Judge E. C. Grindstaff announced the appointment of Clyde Chapman to fill the unexpired term.

Mr. Fulcher, serving his second term, stated that he would engage in the implement business at Temple and that his new connection would make it necessary for him to resign as commissioner.

Mr. Chapman was connected with county road work in precinct No. 1 for about fourteen years and is thoroughly familiar with the duties of the office. Judge Grindstaff stated that groups from several communities in the precinct had called on him, asking that Chapman be appointed in case of a resignation. Mr. Chapman will assume the duties of the office at once. Recently he has been employed by the city street department.

## Congressman Fisher Urges Planning for Post-War Era

Congressman O. C. Fisher, visiting here Tuesday, spoke briefly to the Ballinger Rotary Club Tuesday noon. He urged proper planning by cities and communities for after the war in order to provide jobs for returning veterans, to maintain a high earning capacity for all the people so that the American way of life could continue and the national debt could be liquidated. He declared that Washington could not pull any trick out of the hat that would provide permanent jobs and said all sections of the country would by proper planning be expected to provide their share of jobs.

Mr. Fisher stated that high costs would continue after the war, that armies of occupation must be kept in Europe and in the Pacific, veterans must be properly cared for, hospitals would be built and operated, and that our tremendous fleet must be maintained so that never again would we be caught unprepared. He reminded his listeners that this, plus the help that must be given other nations of the world, adds up to billions and billions.

K. V. Northington discussed Ballinger's needs and projects proposed. He emphasized a good and adequate water supply plus proper sanitation facilities. Showing a city map he pointed out where water mains needed to be enlarged, asserting that some sections of the city were now served only by two-inch lines. He pointed out that less than half of the city had sewerage connections and that a make-shift of cess pools, septic tanks and pit toilets were in service in most of the city.

The speaker declared that industry, schools and prospective citizens looked first to the water supply, which must be pure, adequate for any emergency and easy to obtain. Next they asked about sanitary facilities on which is based the general health of a community.

Mr. Northington also called for more paving, more parks and numerous other improvements which would help Ballinger and for post-war projects which would provide returning veterans with employment and at the same time make Ballinger a better place in which to live as well as make future growth possible.

The annual boys' 4-H club encampment in progress at city park Wednesday and today is the largest ever held by the boys' clubs of Runnels county, 128 being registered yesterday evening and 14 leaders attending. The program is reported to be one of the best ever held and all present were having a good time.

The boys were divided into two groups Wednesday for a softball game, group 1 taking the honors. This morning the Offen team won the club championship and received a ball and bat from Marvin Davies as a prize.

One of the highlights of the encampment was a swim Wednesday afternoon and this morning at the Ballinger Country Club lake. The more than 100 boys were transported to the lake on one large truck and a school bus and for about two hours kept the water splashing.

After supper yesterday a short business session was held with the following elected officers of the county organization: Calvin Pelzel, president; Johnny Kobel, vice-president; Quinton Halfmann, secretary. Retiring officers were Corby Hensley, Floyd Fritch, Morgan Haechten.

Following the business period the clubbers enjoyed a picture show presented by J. M. Williams in which two films, "Our America" and a comedy, were shown. Games and guessing contests provided additional entertainment.

This morning John R. Wood, of Brownwood, state game warden, talked and gave a demonstration on wildlife, and J. M. Williams gave a demonstration of defatting and displayed equipment necessary for this work.

The highlight of today's program was the noon barbecue dinner attended by all the boys, their leaders and a number of local business men. Spreen Bros. and Walter Schwartz helped to provide the meat and other dishes were furnished locally.

The boys then broke camp and came to town for a parade, after which they all attended local picture shows as guests of the Ballinger Board of Community Development.

Club leaders stated that not only was the encampment program the best, the attendance the largest, but the boys were the best behaved bunch they had ever looked after at an encampment.

Mr. and Mrs. Clabe Harris have returned from Big Spring, where they were called last Friday to be at the bedside of their granddaughter, Gloria Jeanne Terrell, who was seriously ill with diphtheria. Gloria Jeanne is slightly improved.

**Notice of Election for the Re-Allocation of County Taxes**

THE STATE OF TEXAS  
COUNTY OF RUNNELS

To the Resident Qualified Property Taxpaying Voters of Runnels County Texas:

TAKE NOTICE that an election will be held on the 25th day of August, 1945, in said County, in obedience to an order duly entered by the Commissioners Court on the 9th day of July, 1945, which is as follows:

On this the 9 day of July, 1945, the Commissioners Court of Runnels County, Texas, convened in regular session, the regular meeting place thereof in the Court-house at Ballinger, Texas, with the following members of the Court, to-wit:

E. C. Grindstaff, County Judge  
H. E. Fulcher, Commissioner Precinct No. 1  
F. D. Bedford, Commissioner Precinct No. 2  
Ralph Burns, Commissioner Precinct No. 3  
R. A. Perry, Commissioner Precinct No. 4

being present, and, among other proceedings had by the Court were the following:

Commissioner Bedford introduced an order and moved its adoption. The motion was seconded by Commissioner Fulcher. The motion, carrying with it the adoption of the order, prevailed by the following vote:

AYES: Commissioners Fulcher, Bedford, Burns, Perry  
NOES: Commissioners \_\_\_\_\_

The order is as follows:

WHEREAS, at the general election held throughout the State of Texas on November 7, 1944, the qualified electors of the State, voting on the proposition, approved the amendment to Section 9, of Article 8, of the Texas Constitution, which amendment provides that the Commissioners Court in any county may re-allocate the county tax levies authorized in said Section 9 of Article 8, by changing the rates provided for any of the purposes authorized in said Section by either increasing or decreasing the same, but in no event shall the total of such taxes exceed Eighty (80) Cents on the one hundred dollars valuation for any one year, provided that before the Commissioners Court may make such re-allocations and

changes in such levies the same shall be submitted to the qualified property taxpaying voters of such county at a general or special election; and in event such re-allocations and changes are approved by a majority of the qualified property taxpaying voters of any such county, such re-allocations and changes shall remain in force and effect for a period of six (6) years from the date of the election at which same shall have been approved, unless the same again shall have been changed by a majority of the qualified property taxpaying voters of such county, voting on the proposition; and

WHEREAS, the Commissioners Court of Runnels County, Texas, deems it advisable and to the best interest of said County to re-allocate the county taxes authorized to be levied annually by Section 9, Article 8, of the Constitution, by changing the rates in respect to certain county taxes as herein provided;

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF RUNNELS COUNTY, TEXAS:

That a special election be held in said County on the 25 day of August, 1945, which is not less than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified property taxpaying voters, who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"Shall the Commissioners Court of Runnels County, Texas, be authorized to levy and collect in each year for a period of six (6) years from the date of said election, county taxes as follows:

Not exceeding Thirty-Five Cents (.35c) on the \$100.00 valuation, in any one year, for County purposes;

Not exceeding Thirty Cents (.30c) on the \$100.00 valuation, in any one year, for roads and bridges;

Not exceeding Five Cents (.05c) on the \$100.00 valuation, in any one year, to supplement the jury fund of the County; and

Not exceeding Ten Cents (.10c) on the \$100.00 valuation, in any one year, for the erection of public buildings and other permanent improvements."

In the event that the annual levy of a tax not exceeding fifteen (15) cents on the one hundred dollars valuation for the further maintenance of the public roads of said County has heretofore been, or shall hereafter be, authorized by a majority of the qualified property taxpaying voters of the County, voting at an election held for that purpose, nothing herein shall be construed as rescinding or in any manner affecting the power and authority of the Commissioners Court to levy and to continue to levy said

tax.

The said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly amended Section 9, of Article 8, of the Constitution, and Section 3a, Article 6, of the Constitution, and all persons who are legally qualified voters of said County, and who are resident property taxpayers who own taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election.

The ballots for said election shall have written or printed thereon the following:

"FOR RE-ALLOCATION OF COUNTY TAXES."  
"AGAINST RE-ALLOCATION OF COUNTY TAXES."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

The polling places and presiding officers of said election shall be respectively as follows:

**VETERAN'S FAMILY MAY GET SOCIAL SECURITY BENEFITS**

Survivors of deceased service men who worked in employment covered by the social security act prior to their entrance into the armed forces were urged to contact the nearest social security board field office by Elliott W. Adams, manager of the San Angelo field office.

"In addition to any benefits payable from war risk insurance, there may also be some payment from the old age and survivors insurance system," Mr. Adams stated. "These payments," he continued, "can be made if the worker (the service man or woman) was insured under the social security plan, particularly if the deceased is survived by minor children, since monthly payments continue until the youngest child reaches age 18.

"Delay in filing the claim after notice of death is received may result in some loss of benefit by the survivor," Mr. Adams added.

**Just Friends Talking!**

THE TEXAS AND PACIFIC RAILWAY COMPANY  
TEXAS AND PACIFIC BUILDINGS  
DALLAS 2, TEXAS

I am proud to become a member of the Texas and Pacific Railway family. Although our primary function is to serve the public with adequate and satisfactory transportation, I can assure you that our interest in you and your community extends far beyond the mere carrying of passengers and freight.

The members of the Texas and Pacific family think of their railroad as an integral part of the life of each community it serves and a contributor to its future welfare.

The Texas and Pacific wants to go forward as an outstanding, progressive and friendly public service institution, and to make it pleasant and easy for people to do business with us.

I promise that we will work tirelessly for the building of a greater transportation service to complement a growing Southwest. This railroad will strive in the future, as in the past, to fulfill its role as a good neighbor.

I graciously solicit your friendly criticisms and suggestions.

### Advancement to be Given at Cub Pack Meeting Tomorrow

Cub Scouts will meet tomorrow (Friday) night at city park in an important assembly at which a large number of boys will receive advancement for work completed in recent weeks. Members will be given wolf, bear and lion awards with gold and silver arrow points representing extra work done after earning the awards.

Cub leaders state that attendance at meetings during the summer has been good, 40 to 50 boys being present. There are five dens of Cubs, one being abandoned recently because there was no den mother for the group. C. E. Maedgen, Cub executive, stated that den mothers were needed badly and that any mother interested is urged to accept this responsibility as a number of additional dens can be formed as soon as mothers are available to look after them.

Den mothers need no special qualifications. A willingness to help the boys, supervise them in their activities, provide a backyard, porch or outdoor where a den can be set up for meetings, is all that is necessary. All five dens operating now are full and there are a number of boys in the age limits trying to secure admission.

Mr. Maedgen stated that parents of Cubs are urged to attend the meeting at the park tomorrow night. Business men and others also are invited.

The August meeting also will be an outdoor affair, the last of the summer, and at this time a number of members will be ready for graduation. These boys have become twelve years of age and will be ready to leave the Cub organization and enter Boy Scout groups at that time.

A special announcement of this meeting will be made and everyone interested in other Cub or Scout work invited to attend.

Word has been received from Mrs. C. P. Shepherd that her son-in-law, Howard Parker, has been able to return to his home in Cleburne after his second operation in a Dallas hospital. He will be confined to his bed for two months. Mrs. Shepherd will remain at Cleburne for an indefinite time.

# SOCIETY and CLUBS

### Inter-Denominational Meeting of Church Women

Members of every organization of Ballinger church women are given a cordial invitation to attend the meeting of the inter-denominational group next Monday afternoon, July 30, at 4 o'clock, at the First Christian Church. These inspirational programs are held regularly on fifth Mondays.

Mrs. C. R. Stephens will be presiding officer and the program was planned by Mrs. J. G. Douglass, A. B. Stobough, and W. A. Erwin. The Rev. Gary Hoffius, pastor of the First Presbyterian Church, will be the main speaker, and Mrs. Joe Forman will bring the devotional. Mrs. Charles van de Putte will give the prelude and hymn accompaniments. Piano solos will be played by Mrs. Hoffius and Miss Clara Beth Lynn; and Mrs. W. O. Wallace will sing. Mrs. W. A. Erwin will give the concluding prayer.

### Housewarming for Branham's

Mr. and Mrs. E. T. Branham, Jr. were guests of honor last Friday evening in their attractive new home on Seventh Street when a group of close friends and relatives surprised them with an after-supper housewarming.

After a tour of inspection of the home and the many pretty and useful gifts were opened and admired, grown-ups enjoyed games of forty-two on the lawn and children were directed in an hour of play.

Mrs. Rollin Campbell and Mrs. Charles Shepherd were assisted by Mrs. Milton Harris and Mrs. C. D. Branham in serving punch and cookies.

### Methodist Virginia Douglass Class Feled with Garden Party

Zinnias and petunias and other garden blossoms were used by Mrs. Hill Bell, T. A. Barnes and Fred Pierce Tuesday evening when they were hostesses to the First Methodist Virginia Douglass Class in the Pierce home on Ninth Street.

Mrs. Barnes led the opening prayer and Mrs. Pierce gave the devotional after the unison singing of "In the Garden." Mrs. Carl Poteet presided for the routine business period.

The back garden provided the setting for group games and contests and for the serving of homemade ice cream with cake. Others present were: Mrs. J. W. Guynes, E. L. Rumpy, Ruel Bonnell, W. E. Moss, George Newby, Edward Sommer, Marvin Davies, Guy Jones, and Allen Davis.

### Naomi Class Entertains Families with Barbecue at Campbell Ranch

The First Baptist Naomi Class entertained family members and a few added guests with a delicious barbecue supper with all the trimmings at the ranch of Mr. and Mrs. Rollin Campbell Tuesday evening.

The old picnic grounds, used for many years for the annual get-together of Runnels county pioneers, was the scene of the informal affair. Mr. Alton Underwood spoke the invocation. As grown-ups talked children enjoyed boating, horseback riding and wading.

Others present were: Messrs. and Mrs. Hugh Campbell, Pat Michaelis, Stanley Price, J. H. Endacott, O. T. Toney, Earl Cope, Cam Blackmon, Underwood, Melvin Patterson; Mrs. J. T. Hornburg, W. A. Jacob, Vivian Marshall, Homer Bibb, Wesley Whitman, Joe Vaughan, Naomi Keithley, Miss Lillian Knowles, Gail Kump, Jimmy and Joe Vaughan, Mark and Hugh Campbell, Earl Michaelis, LaRita Price, Jimmy Endacott, Patsy and Freddie Bynum, Arabella Toney, Sue Jacob, Markey Touchstone, Joan Blackmon, James Lee Underwood, Wesley and Joan Whitman, and Barbara and Sandra Patterson.

morning when Mrs. Marvin Davies entertained with a bridge breakfast in her home in Wilke Terrace.

Daisies and zinnias were used to give floral beauty to rooms where Mrs. H. G. Agnew won high score prize, Mrs. Edward Sommer second high, and a guest remembrance went to Mrs. Atkinson.

The breakfast menu was served preceding games and a fruit drink in mid-morning. Others were: Mrs. W. E. Moss, Carl Poteet, W. O. Irby, Alton Underwood, and Miss Bea Becton.

Mrs. Moss is Ace of Clubs Hostess

Mrs. W. E. Moss was hostess to Ace of Clubs members Wednesday afternoon in her home on Fifth Street.

Multi-colored summer blossoms graced rooms where high score prizes went to Miss Bea Becton and Mrs. Edward Sommer, and table bingos to Mrs. W. C. Irby and Carl Poteet.

A sandwich plate was served with coca colas. Others were: Mrs. George Atkinson, Marvin Davies, and H. G. Agnew.

### Know Your Neighbors in Clark Home

Know Your Neighbors were guests of Mrs. Bill Clark Wednesday afternoon in her home on Fifth Street.

Mixed arrangements of mid-summer blossoms gave added beauty to rooms where the usual sewing period was followed by the serving of cake with iced tea.

Included were: Mrs. Derwood Bissett, Jones Taylor, Joe Flynt, John Castor, Cecil Jones, J. H. Endacott, Dee Saylor, John A. Barton, Jack Nixon, Sr., LeRoy McAulay, L. C. Adair, and Malcolm Morgan.

### St. Louis Visitor Honored with Slumber Party

Shirley Brown of St. Louis, who is visiting her aunt, Miss Edna Mae Lowry, was honored at a slumber party given Monday by Eva Jo Flynt in the home of her parents, Mr. and Mrs. Joe Flynt on Sixth Street.

On Tuesday morning, Mrs. Flynt served a two-course breakfast. Others were: Cynthia Tuckey, Earlene Miller, Patsy Paris, and Martha Ann James.

### Chicken Supper for Local Group at San Angelo

A chicken supper and watermelon feast in the park at San Angelo was an enjoyable affair for a group of Ballinger folk and their visitors last Monday.

Attending were: Mr. and Mrs. William Gentry, Mrs. Maude Bannowsky, Jenella Ray Gentry, and Tom Paschal, of Ballinger; Mrs. Davis Vickery, Carlos Vickery and son, of Los Angeles, California; Mr. and Mrs. Andy Varner and children, Mr. and Mrs. Cecil Roy Baker and son, and Lt. and Mrs. A. M. Bannowsky and son, of San Angelo.

### DEATHS

Mrs. Refugia M. Dominguez  
Mrs. Refugia M. Dominguez, 69, died at her home on Sealy Avenue Wednesday, July 18, at 6:40 p. m. Although in failing health for 30 days, her condition was not considered serious until a short time preceding death.

Decedent came to Ballinger 31 years ago and was a member of St. Mary's Church here. She is survived by three daughters, Paula, Guadalupe, and Andrea, all of Ballinger.

Funeral services were held at 5 o'clock Thursday afternoon, July 19, Rev. Edward B. Postert officiating. Interment followed in the Latin-American Catholic cemetery. Agnew Funeral Home was in charge of arrangements.

### SEVERAL TEACHERS RESIGN FROM BALLINGER FACULTY

Supt. J. D. Wilson is out of town this week trying to fill vacancies on the Ballinger school faculty. Two weeks ago all places had been filled but resignations were received which makes it necessary to employ new teachers, some of them very important and in the hard-to-get bracket.

Two of the vacancies were caused by the resignations of Leo Varner, junior high school principal, and F. C. Shillingburg, vocational agriculture teacher. Both these positions require men, and Supt. Wilson expected to contact prospects this week. Other resignations are in prospect later.

Mr. and Mrs. O. L. McElroy are returning this week from San Francisco, Calif., where he has been employed as an airlines mechanic and Mrs. McElroy worked in an auto parts department. They will visit relatives and friends here and in Breckenridge before Mr. McElroy enters the armed forces.

Guano has come intermittently from the caves in Burnet, Mason, Gillespie and Edwards counties.

Approximately 64 per cent of the total of 137,683,372 acres of agricultural lands in Texas are suited primarily for livestock raising.

### RAT EXTERMINATION DRIVE HERE APPEARS SUCCESSFUL

A check-up made here last week on the recent rat extermination campaign shows good results, some local business managers reporting that no rats have been observed in recent weeks. In stores where damage had been the greatest before the two drives, there has been no evidence, of rats since soon after the last poison baits were put out.

Other inspections will be made later and poison put out at the first signs of the return of rodents to the downtown area. Store managers and clerks have been asked to report to the Ballinger Board of Community Development any rats seen or any damage about the premises.

**HAS YOUR ADDRESS CHANGED RECENTLY**

Ledger subscribers are requested to notify the publisher of any change in their address promptly.  
Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.  
The best plan for all concerned is to send the change of address in advance.

The best method for starting quick sales nowadays is to get a rumor started that the item is short and will be hard to get. People as a whole will purchase anything in any amount if they are convinced that the article is hard to get. One Ballinger store recently had one of its clerks approached by a customer who asked that she be notified if they got in any scarce or hard-to-get items. Clerks in local stores also state that some customers make the voluntary rationing program hard to handle. They accuse them of holding items for pet customers, of keeping merchandise hidden under the counter for special friends and many other practices which are not followed in local stores. Some patrons have become so angry at old friends for not holding articles back for them that they have moved their business elsewhere. Stores that have offered hard-to-get merchandise at special sales with a limit to customers have been criticised and some patrons say they do not like to line up for this reason. Ballinger store operators believe this is still a democracy and that scarce items should be distributed so everybody can get his share. Usually the clerks have nothing to do with the sale methods and certainly did not cause the shortage. Be fair to your local merchant and considerate of the clerk who waits in you.

Texasans will go to the polls on August 25 to vote on four constitutional amendments. These amendments are important and all eligible citizens should read them, inform themselves as to the merit of each and show enough interest to go to the polling places. Usually amendment referendums attract little interest. Even when submitted in a general election

only about one-third of the voters scratch for or against the amendments. At this election the county commissioners' court is also submitting a special issue which would permit reallocation of county funds from one account to another. To make this action legal a majority of the voters must give approval. The change is needed as funds set up in the county's annual budget are often misplaced. One account will have a surplus while another has a heavy deficit. Approval would not raise taxes, in fact it might possibly allow lowering them. The measure merely gives the court the right to use the money in one fund for another purpose if required.

Within a short time there will be many serious fire hazards in Ballinger. Recent rains have brought a rank growth of woods and grass on vacant lots and as soon as this vegetation is dead and dry will be highly inflammable. Property owners should watch these spots and as soon as possible burn them off, with firemen standing by when the blaze might not be controlled by ordinary means.

**Records Show Many Many People Make Park Reservations**

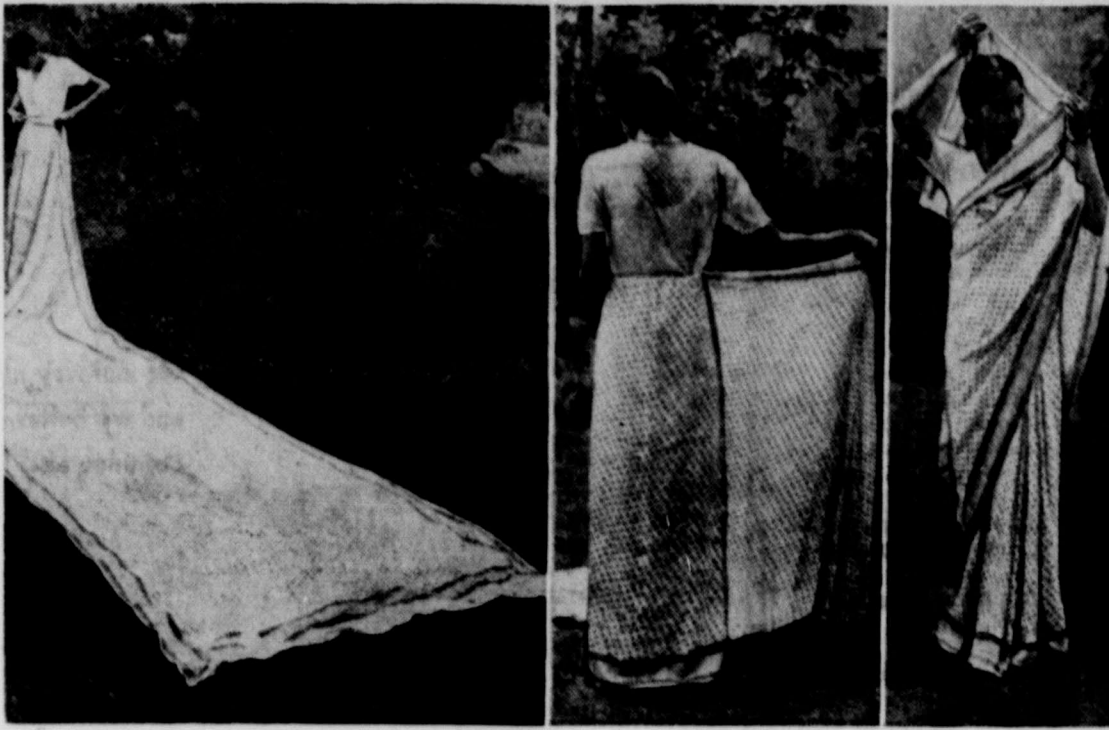

Reservations at city park reveal heavy use of the recreation spot this summer. Last week members of the county's home demonstration clubs and girls' 4-H clubs were here for their annual encampment and this week 4-H club boys camped at the park yesterday and today. The records show many out-of-town visitors as well as use by local organizations and private parties.  
The report on municipal activities issued last week discloses water consumption for June was 15,837,000 gallons or an average per day of 521,000 gallons. These figures mean a heavy revenue and July water bills will be higher than usual.

Collections for the month were \$2,136.02, and water receipts totaled \$2,080.50. Delinquent tax collections continued good, \$355.42 coming in from this source plus penalties and interest of \$36.98.  
A check on water meters shows no decrease in population, and 1,452 cards were mailed to consumers at the close of June.  
The street department continued work during June, widening several dips and making other improvements on dirt streets.

Mr. and Mrs. Nat Williams and children, of Gladewater, spent the week-end here with friends. Miss Natlynnne and Owen remained for a longer visit and Mr. and Mrs. Williams returned home Sunday afternoon.

**How to Don Traditional Sari Shown by Indian**

The sari is the traditional costume for women in India. It is a one-piece garment, really just a long length of cloth, reaching from waist to ankles and fastened with a drawstring. It is six to nine yards in length and has neither hooks nor eyes, but may be elaborately embroidered. The wearer picks up the border of the sari with both hands and, with a quick twist of her body, wraps it about torso.

**WEST TEXAS NOTES**

The Stephenville Lions Club, through its board of directors, has assigned every club member to some specific duty for the coming year. The Stephenville club, recognized as one of the strongest in district 2-E, has been organized for more than 20 years and claims credit for many civic advancements. The adopted program of activity for the new year is a very heavy one.

McCulloch county bank deposits show an increase of more than \$1,000,000 over last year's assets for a total of \$7,070,987.99 in the First National Bank of Melvin, and the Commercial National Bank and Brady National Bank of Brady. This financial condition reflects the improved county status as almost all the assets are liquid. Loans are steadily decreasing and deposits are largely made up of cash, government securities, and wool and equally good paper.

Capt. Gilbert Behrend, of Rowena, has received a discharge on the points system. He returned recently from a long period of service in the Aleutian Islands.

Menard countians overbought their quota in the 7th war loan by nearly 50 per cent and the county is 62nd in the state on E bond purchases recorded to date.

The 38th annual Comanche county Old Settlers' Reunion will be held tomorrow (Friday), July 27, at Lake Eanes. This will be the only picnic and public gathering of the kind in the county this entire year. A feature of the day's program will be a display of old relics and old-fashioned clothing.

The first county encampment for the home demonstration clubs of Coke county will be held at Bronte August 15. The one-day affair will be held in Legion park and the program speakers will include out-of-county men and women.

**How women and girls may get wanted relief from functional periodic pain**

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:  
1 Taken like a tonic, it should stimulate appetite, aid digestion, & thus help build resistance for the "time" to come.  
2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try Cardul. If it helps, you'll be glad you did.

**Banks, Like Churches, Are Indispensable**

If we had no banks in Runnels County our farm and ranch land probably would not be worth within \$10.00 an acre of its present value.  
If there were no banks, who would transfer funds by wire to the boys in the service?  
If there were no banks, who would supply the immediate credit so necessary in an emergency? Often a quick loan saves the life of a loved one.  
If there were no banks, who would provide the medium of exchange in the form of checks which are readily accepted at face value in payment of bills and the purchase of goods?  
If there were no banks, who would protect the accumulation of wealth in the county commonly called deposits? Would it not be dangerous to keep money lying around the various homes unprotected?  
If there were no banks, who would provide the necessary cash when livestock or farm products were sold? Checking privileges provided by the banks is the medium through which markets are established.  
If there were no banks, who would provide the insurance for the money obtained as a result of the year's labor?  
Yes, banks are indispensable—all of them in this county are entitled to the confidence and support of the people of the area.

**'Son of Lassie' Event for Fan Millions Who Loved Other 'Lassie' Productions**

In "Son of Lassie," new M-G-M hit to be shown at the Ritz Theatre next Sunday, Monday and Tuesday, July 28, 29, 30 and 31. Lassie's son, Laddie, proves a worthy son of a wonderful mother. Everyone loved "Lassie Come Home," and everyone will rave about "Son of Lassie," filmed in technicolor amid America's most rugged splendors.

Donald Crisp and Nigel Bruce repeat the roles they created in the previous success. Peter Lawford plays Joe grown up and pretty June Lockhart, in her most important role to date, is the duke's granddaughter, Priscilla,

played in "Lassie" as a child by Elizabeth Taylor.

"Son of Lassie" tells of Laddie, a foolish little pup who grows up to follow his daring young master into many dangers and passes the true test of courage when courage means life itself. It takes the spectator from Yorkshire, Lassie's home, to an air mission over occupied Norway, where Laddie and Joe are forced to parachute into dangerous and dog and master spend perilous days battling the enemy both physically and in duels of wits.

In addition to the already mentioned human actors are little Billy Severn, Nils Asther and Robert Lewis.

**Melodrama, 'The Missing Juror,' and 'Return of Durango Kid' Palace Bill**

Six members of the murder jury are dead. Who dies next? What is the red line around each victim's throat? Why does an innocent man confess he is the killer? Only a ghost knew the secret—and he wasn't talking to the cops. These and other clues are given in Columbia Pictures' "The Missing Juror," featuring Janis Carter, George Macready and Jim Bannon, and to be shown at the Palace Theatre Friday, Saturday and Sunday, July 27 through 29, in conjunction with "The Return of the Durango Kid," latest action-packed Columbia western starring Charles Starrett.

Rip-roaring out of the turbulent frontier days of the 1870s, "The Return of the Durango Kid" is a rousing tale of adventure and vindication of an honest man's

name. In support of Starrett are Tex Harding, Jean Stevens and John Calvert, with the Jesters providing the musical accompaniment.

**Shipyard Workers Urgently Needed To Maintain Navy**

DALLAS, July 25.—Crippled ships lying at Hunters Point and Mare Island emphasized to James H. Bond, regional director, WMC, the grave shortage of electricians and machinists in those navy yards, according to a statement released here after personal inspection of the San Francisco Bay area.

Many ships, Mr. Bond said, are returned to duty with but a small percentage of the needed repairs completed. Consequently they must put into port oftener, greatly lowering their fighting value. Among those waiting were the famous Hornet, submarines, carriers, and other types of fighting ships, but manpower is frightfully lacking.

Seven thousand men should be hired in Texas, Louisiana and New Mexico for these yards, according to Mr. Bond, who said plenty of housing is available, that meals and transportation will be provided by the navy, that wages are good with overtime after forty hours a week.

Men for these jobs are hired through U. S. civil service recruiting representatives in principal cities of the three states. Those eager to go at once can get under-way in as little as one day. Information is available at first and second class post offices, or may be had from the U. S. civil service in either Dallas or New Orleans.

**'Flame of Barbary Coast'**

William Frawley, as "Smooth Wylie," with two seductive belles, June Eberling and Beverly Reedy, in a scene from Republic's lusty, romantic melodrama, "Flame of Barbary Coast," starring John Wayne and Ann Dvorak. This is the main attraction at the Texas Theatre Sunday, Monday and Tuesday, August 1, 2, and 3.

**Old San Francisco Depicted In 'Flame of Barbary Coast'**

Certain American cities, among them San Francisco, seem to lend themselves to colorful drama, adaptable equally to stage and screen.

"Flame of Barbary Coast," which is the principal attraction at the Texas Theatre next Sunday, Monday and Tuesday, July 29, 30, 31, is a superb example. Republic has rebuilt sections of the old "coast" from photographs and the story by Borden Chase recaptures the character of the place with nostalgic charm.

Choice of the cast was fortunate, with John Wayne starring as a carefree Montana cattleman on a visit to the big town for pleasure and adventure. Ann Dvorak plays the title role, her first American part in four years since she left Hollywood to drive an ambulance in London. Joseph Schildkraut is seen as a prince of gamblers who loses in romance and roulette not too easily.

The story is held in bounds from opening sequence to spectacular finale, which presents the fire and earthquake in one of the most thrilling scenes ever filmed.

Wayne, as the ranchman, drifts into San Francisco to collect for a horse he sold to Schildkraut. The price is \$500, which he immediately drops in the gambler's elaborate house of chance. His luck is to meet the girl they call "the Flame" and win her approval. From there on it becomes a rivalry between Wayne and Schildkraut, ended by the catastrophe. Wayne saves the girl's life in a highly dramatic rescue and his gamble, of course, is for keeps.

Prominent in the support are William Frawley, Jack Norton, Jan Ullrich, Virginia Grey, Paul Fix, Russell Hicks, Marc Lawrence, Al Murphy, Emmett Vogan, Eve Lynn, Hank Bell and Butterfly McQueen.

**'A Royal Scandal,' New Lubitsch Hit, Billed at the Texas**

Saucy as a wink of the eye... scandalous as a keyhole peek... Ernst Lubitsch's "A Royal Scandal," the scintillating new 20th Century-Fox comedy-romance hit, starring Tallulah Bankhead, Anne Baxter, Charles Coburn and William Eythe, is the mid-week attraction at the Texas Theatre, Wednesday and Thursday, August 1, 2.

The delightfully scandalous story of a glamorous queen and her handsome lieutenant, brings Miss Bankhead to the screen in her first comedy role. Tallulah plays the part of Catherine the Great who felt alone on her throne and needed men to surround her.

Academy award winner Charles Coburn is seen in his most unusual role to date, that of the wily chancellor who juggles the romantic and political intrigues of the imperial palace.

Movie-goers will be treated to a new and glamorous Anne Baxter in the role of a lady-in-waiting who unexpectedly finds herself in romantic competition with the queen.

The young lieutenant is tall and rugged William Eythe who, breaking into the palace to warn the queen of an impending revolution, finds Catherine more interested in losing her heart to him than in the prospects of losing her throne to the royal opposition.

## Serving Uncle Sam

Mrs. Richard Baker will join Lt. Baker in San Antonio Friday and they will return to Houston, where Lt. Baker will be reassigned at Ellington Field. Lt. Baker is completing an air inspector's communications course at Kelly Field. Previously based at Ellington in the 80th wing headquarters, he was sent to San Antonio for this special training. Lt. Baker was a navigator with the 12th and 8th air forces, flying in the early days of American aerial participation from North Africa and England.

He returned to the States in June, 1943.

Capt. and Mrs. Sam Machotka and daughter and T-Sgt. M. Machotka have visited in Rowena with Mrs. Fred Machotka. Capt. Machotka has returned from the South Pacific, where he participated in five major landings including New Guinea, New Britain, and Leyte. Sgt. Machotka is stationed in New Hampshire.

Sgt. Charles W. Johnson, veteran of 27 months overseas in the ETO where he served in the infantry and was awarded the bronze star, presidential unit citation, purple heart, good conduct ribbon, ETO ribbon, and five battle stars, arrived in the United States July 20 aboard an air transport command trans-Atlantic plane and landed at LaGuardia Field, New York. He will visit his wife, Mrs. Aileen Johnson, who lives at 700 Park Avenue.

Capt. Chris A. Dooze has been awarded the bronze star for meritorious service in the European theatre. He is serving as commanding officer, 4th military police, criminal investigating detachment, office of provost marshal, 9th army. The citation points out that Capt. Dooze assumed the responsibility of supervising and planning the investigation involving many of the personnel in the railroad operation battalion on the European continent. The citation said he contributed to the far-reaching investigations. His work helped with the delivery of critical sup-

plies to armies on battlefronts.

Capt. Dooze entered the service as a private, later attending an officers' candidate school where he was commissioned. Prior to entering the army he was engaged in ranching in this area. He also was connected with the government service in Washington for a number of years. His wife resides at San Angelo.

Lt. Hallie Wheelless, who for the past year has been an instructor on a B-24 at the army air base in Fort Worth, will report at San Antonio August 1 as an instructor on a B-29.

Sgt. Dale Brown reported back to his base at Denver, Colo., the past week-end after a ten-day furlough. He has been an instructor in gunnery since he returned from England last spring.

Sonny Parrish, Sic, wrote his parents, Mr. and Mrs. Hugh Parrish, this week that he had been in several invasions since the Borneo, which was the sixth one for him. They also had a letter from their other son, Pvt. Ben Sims Parrish, telling of his coming within a few miles of home on a troop train. He had been stationed at Camp Lejeune, N. C., and was

transferred to Camp Pendleton, Oceanside, Calif.

Joe Lee, Sic, and Mrs. Lee have returned to Port Arthur, after a five-day leave spent with relatives and friends at Ballinger and Norton. Seaman Lee is with the coast guard.

Willard L. McMillan, fireman 2c, wife and son, Bobby, of Tuscola, spent the week-end in Ballinger with his mother, Mrs. W. L. McMillan, and other relatives. McMillan had five days delay en route from his base at Gulfport, Miss., to San Francisco.

Mrs. Murrell Landreth has returned from a visit in Montgomery, Alabama, with her husband, Lt. Landreth, who has completed P-51 transition training there and reported for replacement training at Tallahassee, Fla.

S-Sgt. Earl L. (Dick) Davis has been visiting his sister, Mrs. Paul Kirk, and friends here the past week. Sgt. Davis, who formerly lived in Ballinger, was a gunner on a B-17 and was shot down on his second mission over Austria in November, 1944, and was a prisoner of war of the Germans until his liberation. He wears the

purple heart, the air medal, and two campaign stars.

Mr. and Mrs. George Atkinson and daughters are leaving today for Albuquerque, N. M., where Mr. Atkinson will resume his pre-war position with Remington-Rand following his discharge at Dallas last week-end.

Mrs. J. W. Castelle and children met Capt. Castelle in San Antonio Wednesday. Capt. Castelle has served with the medical corps in the European theatre for two years.

## University of Texas Closes Out ESMWT; 16,800 Get Training

AUSTIN, July 25—Glowing with pride at having sent 16,800 trained technicians to war industries, the University of Texas has closed out its ESMWT program—engineering, science and management war training.

In this five-year program, the university has chalked up a record that ranks along with the top half dozen colleges in the country, according to C. Read Granbury, coordinator.

More than 30,000 trainees have started the intensive highly technical short courses which the university has conducted under the U. S. office of education-financed program, but many of them have been pulled off by industry before completing their training.

In addition to numerous courses here at the main university—necessitating keeping the university's engineering building in operation 22 out of the 24 hours a day—training centers have been set up in strategic war factory areas from Texarkana to San Antonio, from Fort Worth to the Gulf Coast, under university direction.

Shipyards, bomber plants, synthetic rubber factories, aviation gasoline refineries, army and navy communications laboratories and scores of other vital war activities have called on the university to train technicians for skilled jobs.

Several other Texas colleges, including A. & M., A. & I., S. M. U., and Rice, has also conducted ESMWT courses, Granberry said.

"In fact, Texas has probably been the third most important area in the whole ESMWT program, lagging behind only California and Pennsylvania in the number of courses given and the number of trainees trained," he said.

### -CAN'T SLEEP-

No need to lie in bed—toss—worry and fret because CO'STIPATION or GAS PRESSURE won't let you sleep. Be sensible—get up—take a dash of ADLER-I-KA

to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adlerika assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Caution, use only as directed. Get Adlerika from your druggist today.

### OFFICE OF DEFENSE TRANSPORTATION GENERAL ORDER 52 Effective 12:01 am, June 30, 1945

"No carrier shall reserve, assign or allocate seating or sleeping space on a passenger train more than 120 hours in advance of scheduled departure time of such train. No carrier shall issue a ticket for a reserved seat or sleeping space on a passenger train more than 120 hours in advance of scheduled departure of such train, except in the case of tickets for reservations made prior to the effective date of this Order which have not been picked up."

### OFFICE OF DEFENSE TRANSPORTATION GENERAL ORDER 53

"On and after 12 o'clock noon, July 15, 1945, no common carrier by railroad or sleeping car company shall operate or transport any railway car containing sleeping space or sleeping accommodations to a point of distance 450 miles or less from the point of origin of such car, such distance being measured by the shortest distance by railroad over which sleeping cars are operated between such points. Each common carrier by railroad shall forthwith cancel all reservations for space after 12 o'clock noon on July 15, 1945."

# What about Travel now....

under the new Government rulings?

The Government has curtailed civilian travel by ordering the railroads not to make reservations on passenger trains more than five days in advance of departure and by banning sleeping car service on trips of 450 miles or less.

A lot of people are assuming that, with the European war over, the travel situation on trains should have eased up by now.

But they are finding out that it's harder than ever to get space. They're asking themselves, "Why?"

The reason is simply that the railroads are being called upon to repeat a job of moving over 3,000,000 soldiers. But this time it is to be done in 6 to 9 months whereas originally it took more than 2 years to move these men.

The railroads are still operating with the same number of passenger cars that they had when the war started. Building new passenger cars has not been permitted since Pearl Harbor.

Many Pullman cars have been converted into

hospital cars, and, of course, more Pullmans and coaches than ever are being withdrawn from civilian service to use in the movement of men to the Pacific.

The great bulk of traffic for the Pacific funnels into 4 railroads to ports of embarkation in California. Santa Fe, with its improved facilities, is carrying a large part of this traffic.

This all adds up to the fact that only a very limited amount of space is left over for civilian travel.

Of course we like to accommodate our friends and make new acquaintances. But you, too, agree that the troops and materials needed to whip Japan *must* come first.

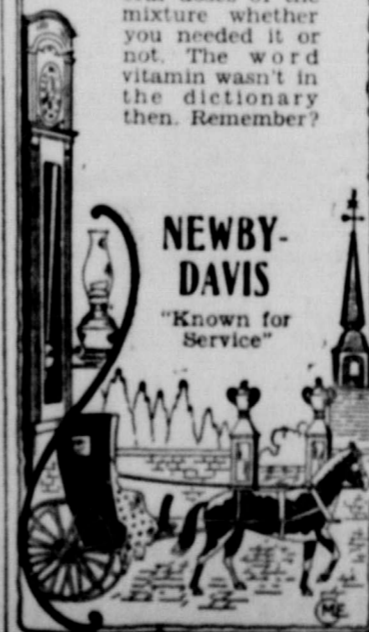

New cars are now on order. Santa Fe has enough new chair cars on order to seat 3186 people. 16 new lunch counter-diners are also on order. A substantial number of new sleeping cars will be placed in service on the Santa Fe as soon as War Production Board orders permit.

# Women's, Society and Club News

**Mrs. Delbert Vancil Club Hostess**  
Triple-Four Contract Club members and a few added friends were included by Mrs. Delbert Vancil on Thursday morning of last week when she was hostess in her home on Sixth Street.

Lovely mixed blossoms, dahlias, zinnias, roses, and perennial phlox were arranged about rooms where Mrs. Tom Agnew received high score prize for club members and Mrs. Leslie Baker high guest. The

bingo award went to Mrs. Alex McGregor.

Mrs. McGregor and Mrs. L. R. Tigner assisted in serving a salad course with sandwiches, cookies, and iced tea at the luncheon hour. Others were: Mmes. R. W. Earnshaw, E. W. Stasney, K. V. Northington, Claude Stone, Ross Murchison, J. A. Schnable, Harry Lynn, F. M. Pearce, C. W. Cheatham, R. T. Williams, Bruce Creasy, F. T. Wright, and Troy Simpson.

**Mrs. Nixon Entertains Methodist Youth Choir**

Mrs. Jack Nixon, Jr., was assisted by her mother, Mrs. T. J. Forgey, in entertaining the Methodist Youth Choir last Friday evening.

The attractive summer house at their home on Seventh Street was the scene of the affair. A picnic supper served on the screened porch was followed by group games.

Present were: Dorothy Harral, Cordie Lou Forgey, Kathryn Sen-sabaugh, Betty Morrison, Mary Edith Loyd, Margaret Ann Hampton, Norma Holland, Billy Middleton, Paul Harral, and Neal Loyd.

**Methodist Circles Meet**

Mrs. H. B. Loyd and Mrs. Marvin Davies were hostesses to the Sally Odom Circle of the First Methodist Woman's Society of Christian Service Monday afternoon in the church parsonage on Broadway. Varied blossoms decked rooms

## G.I. Meets General—His Father

Rarely, if ever, does a mere lieutenant greet a general of the army with "hello, pop." But Lt. Bruce Arnold did it that way when he met his dad, General of the Army H. H. Arnold, on Okinawa. The general is commanding general of the army air forces. His son is with the 834th AAA on Okinawa. Meeting took place during inspection trip.

where Mrs. Loyd presided and Mrs. Davies gave the Bible lesson, a continuation of the study of Ephesians from "The Word of His Grace." The afternoon's topic was "The Christian Home." Angel cake squares were served with fruit punch.

Mrs. W. L. Sturtz and Mrs. Jack Hampton entertained Etta Gressett members in the Sturtz home on Ninth Street. A profusion of colorful petunias and zinnias were arranged about rooms where Mrs. Elma Mann was presiding officer and Mrs. J. W. Guynes gave the Bible lesson discussion.

Lovely dahlias were used by Mrs. W. E. Midgley and Miss Thelma Midgley to decorate their Eighth Street home where Etta Burrows members were guests. Mrs. J. L. Davis conducted the business period and Mrs. R. W. Earnshaw was program leader. Frosted cocoa colas were served with cookies.

All three groups voted participation in the supplies project for the quarter, which will be a cash contribution to the Chinese missionary work as requested by the conference supplies secretary.

Others present were: Mmes. E. L. Rampey, Fred McClanahan, Levy Lee, John Weeks, Hugh Campbell, Hamp Byler, O. R. Lasater, W. W. Chastain, A. T. Campbell, R. D. Midgley, Sam Behringer, O. R. O'Neill, L. T. Allen, R. A. Dickinson, Cecil Jones, R. A. Williamson, Joe Forman, and Troy Simpson. Tipton Lee, and Mary Louise Hampton.

**First Presbyterian Auxiliary Entertained at Church**

Mrs. C. R. Stephens led an interesting and informative quiz program for the First Presbyterian Woman's Auxiliary Monday afternoon with the discussion cen-

tering around various phases of the work planned by the defense council. Mrs. Alex McGregor, accompanied by Mrs. Estes Lynn, sang "Seal Us O Holy Spirit."

Social hour hostesses, Mrs. Alex Saunders and Mrs. R. F. Zedlitz, served cake and ice cream. Others present were: Mmes. E. A. Trail, H. W. Lynn, Paul Trimmer, M. E. Boggess, Harry Lynn, Bruce Creasy, and F. M. Pearce.

### Jerry Eoff is Birthday Party Honoree

Jerry Eoff was guest of honor on his sixth birthday anniversary Monday afternoon when forty little friends shared the fun of a gala circus party in City Park given by his mother, Mrs. J. Dexter Eoff, assisted by his aunt, Mrs. E. Hoyce McMurtry, Mrs. W. C. Bryan, and Mrs. Levy Lee.

After games and directed play on the park equipment the big round birthday cake which was a clever replica of the loved merry-go-round, complete with emblems in red, white, and blue, and canopy top, was cut and served with pink lemonade and ice cream cones from circus booths.

### Carolyn Cheatham Honors Out-of-Town Visitors

Lila Rae Mills of Dallas, Natlynn Williams of Gladewater, and Jeanie Thorp of Austin, shared honors on Saturday evening at a slumber party for which Carolyn Cheatham was hostess in the Wilke Terrace home of her parents, Dr. and Mrs. C. W. Cheatham.

Others included June Wright, Marilyn Agnew, Pauline Witter, Pat Caudie, Betty Jean Underwood, Pat Richards, Margaret Ann Wilson, Joanne Glover, and Charlotte Miller.

## Runnels County 4-H Club Boys Return From District Camp

A delegation of Runnels county 4-H club boys were in Brownwood Thursday, Friday and Saturday of last week to attend the annual district 7 encampment. The meeting for boys in seven counties was held at the old CCC camp in Lake Brownwood park. Kitchen and dining room facilities as well as hutments were available for all attending.

The Runnels county boys were winners in the softball tournament, taking the honors over the other county teams, and then defeated a team composed of county agents. Other recreation was provided on the daily program, including swimming.

A number of demonstrations and impressive ceremonies were presented. The Brown county group was in charge of a flag-raising ceremony each morning which was attended by all the boys at the camp. All club members were given tests on the rifle range, firing thirty rounds under national rules.

Don Russell, of A & M College, the principal speaker, was heard each day. R. E. Callender talked on wildlife. C. W. Simmons gave an explanation of treating West Texas timber with chemicals.

Attending from Runnels county were: John A. Barton, county agent; Walter Schwartz, Sr. and the following boys, Jim Reese, Donald Ray Schwartz, Kenneth Fuchs, Ben Moeller, Johnny Kohutek, Ervin Lisso, Joe Hoelscher, David Halfmann, Leon Frick and Quentin Halfmann.

## Insect Damage Reported Light In This County

Weekly reports on insect damage to crops in Runnels county reveal only a few spots hit and in these the damage is light. This year, as in the past, 4-H club boys are keeping a close watch for insects and are reporting weekly to the office of County Agent John A. Barton. About twenty of the club boys volunteered for this duty and reports come in each week from all sections of the county.

Cotton and row crops are said to be doing fine, growing fast and fruiting. Much of the feed is considered made and combine maize is in excellent condition at this time. Other crops, including a small acreage in corn, are doing well, some farmers reporting the best corn crop in many years.

During the growing and fruiting period a close watch will be maintained in cotton fields and the first indications of insect damage will be reported so that methods can be recommended for combating the pests. Cotton acreage is not as heavy as in previous years, but the planted area is large enough to produce a fairly large crop.

## WILSON COMPLETING FOOTBALL SCHEDULE

Supt. J. D. Wilson is making an effort to complete the football schedule for the Ballinger Bearcats. Due to a number of schools in the district dropping out of football, it has left a number of open dates on the local calendar and efforts are being made to match games with schools about the size of Ballinger. At least two games are needed and three could be slated before the end of the fall season in district competition.

Practically all games with conference teams will be played away from home this fall and games at Bearcat Field to date number only two. The three main games, with Coleman, Brady and Winters, will all be away from home this year, on the home-and-home rule.

## HARTGROVE MEMORIAL HALL NOW UNDER CONSTRUCTION

In tribute to the late Shultz Hartgrove, charter president of the Paint Rock Business Men's Bible class, the building now under construction there to house the class and to serve as a community center, will be known as

"Hartgrove Memorial Hall." Cash, materials and labor are being donated.

Frank Rubin left the past week-end for New York and other eastern markets to buy merchandise for his store here.

Buster Parrish was here this week looking for living quarters and stated that he intended to return to Ballinger and make home here.

## TOWN AND FARM WOMEN BEATING CITY FOLKS AT FAT SAVING

Our government knows that city women have done an outstanding job saving used fats—but, now that you town and farm women have rolled up your sleeves, you are providing more used fats per kitchen than any other group in the U. S. Keep it up! 100,000,000 more pounds of used fats are needed this year to help make vital war supplies. Without your record savings, we'll never make that quota.

Save every drop! Remember, it's the small amounts that fill the salvage can faster. Drippings, skinmings, scrapings, and fat scraps melted down. Your butcher will give you 2 red points and up to 4¢ a pound. If you have any difficulty, call your Home Demonstration or County Agent. Approved by WFA and OPA. Paid for by industry.

## Two simple steps in building STURDY BODIES!

- 1—Promote the flow of VITAL DIGESTIVE JUICES in the stomach.
- 2—Energize your body with RICH, RED BLOOD!

**YOUNG PEOPLE**, especially those of grammar and high school age, are prone to be deficient in stomach digestive juices and red-blood. In such cases Nature needs extra help. If an organic trouble or focal infection is suspected, consult your physician. Tissue foods must be digested and rich, red-blood must be present to build sturdy bodies. S.S.S. Tonic is especially designed (1) to promote the flow of VITAL DIGESTIVE JUICES in the stomach and (2) to build-up BLOOD STRENGTH when deficient. It helps nature work faster when extra help is needed. ## "Sorry, but we're short on Coke today"

You and your own neighborhood store aren't the only ones hit by the Coca-Cola shortage. From coast to coast it's the same story.

The world-wide disorder and confusion caused by war have made the sugar shortage. Coke is short because sugar is short. But there's one thing you can always be sure of—the Coke you get is the real thing. The same quality you have always known.

So the next time you find yourself missing your Coca-Cola, don't blame your dealer. He is doing his best in a mighty tough situation. If he can't let you have Coke today, will you remember to try again tomorrow?

"Coke" = Coca-Cola  
You naturally hear Coca-Cola called by its friendly abbreviation "Coke". Both mean the quality product of The Coca-Cola Company.

## Serving Uncle Sam

(Continued from Page 1)

Lt. (J.G.) Clyde W. Simmons  
 has reported back to New York  
 city for reassignment after being  
 on leave here. Lt. Simmons has  
 made four round trips across,  
 having served fifteen months sea  
 duty in the Mediterranean and  
 North Atlantic as communications  
 officer of his ship. He has been in  
 ports of North Africa, Sicily, Italy,  
 Corsica, France, England, Belgium  
 and Holland.

Rex Nixon, AOMC, is here on  
 a short leave from his base at

 Vernon Cook, CMIC, has arrived  
 home after two years in the  
 Pacific with the seabees. His wife,  
 the former Miss Maxine Wood, has  
 been making home here with her  
 parents, Mr. and Mrs. Frank Wood.

T-5 Robert M. Hodges returned  
 to Camp Crowder Sunday night  
 after spending an 18-day furlough  
 here with his parents, Mr. and  
 Mrs. R. H. Hodges and other  
 relatives. His wife went to  
 Tahoka to visit her mother.  
 Mr. and Mrs. Hodges have  
 another son, Pfc. Rufus Hodges,
