BALLINGER, TEXAS, THURSDAY, OCTOBER 30, 1947

NUMBER 1

Rodeo Mass Meeting Called Monday Night

A mass meeting has been called for Monday night at 7:30 at the city hall to discuss the forming of a permanent Ballinger Rodeo Association. The chamber of commerce has issued the call and every person interested in making the rodeo an annual affair is urged to make arrangements to be present.

The organization of an association has been discussed for several weeks and one meeting held but a number of problems had to be worked out before further steps could be taken. One of the major factors was a place to hold the annual show and Bill Moore has given verbal permission for the baseball park to be used again.

Roger Wheeler, secretary-manager of the chamber of commerce, stated that cards were mailed to a list of people known to be interested in the association, asking them to be present at the

meeting Monday night. Believing that there were many others not on this list who would like to participate, a general invitation is extended to everyone.

Mr. Wheeler stated that at the meeting Monday the capital stock would be determined and the value of the shares in the corporation settled. Preliminary plans call for a capital of \$10,000 with shares to be sold at \$100 each. As soon as the required amount of stock is sold, corporation papers will be obtained from the state.

The first annual rodeo held here in August drew large crowds at three night performances. Chutes and pens were built and these could be obtained from Mr. Moore if the organization decides to make the rodeo an annual show for Ballinger and this section.

Business men and any others interested are urged to be at the meeting Monday night and express their views on the proposal.

First of Military Overseas Dead To Arrive Friday

The first body of an overseas soldier of World War II to be shipped to Ballinger will arrive here Friday morning on the Santa Fe. It will be that of Pfc. Alvin R. Williams who died fighting in the Pacific theatre.

Pfc. Williams was among the dead brought back from the Pacific area on the Hondo Knot which landed at San Francisco on October 10. The body was shipped from there to Fort Worth and from there will come to Ballinger with Master Sergeant George R. Mowers as escort. The body will leave Fort Worth tonight. Mrs. Minnie E. Williams, of Ovalo, is the next of kin.

Funeral services will be held from the Pumphrey Methodist Church Saturday afternoon at 2:30 with the Spill Funeral Home in charge of local arrangements. The American Legion posts of Winters and Abilene will officiate at the funeral services.

Several other bodies of West Texas soldiers arrived in New York last Sunday from the European theatre. Among this list was First Lieutenant Clarence Jaeggli, formerly of this county but whose wife now resides at Abilene.

Jaeggli was killed with the American forces while fighting in Belgium. No announcement has been made of the date of the arrival of his body or where services will be held.

Another body is that of Cpl. Marion Flynn, of Midland. Flynn formerly lived in Ballinger and has a number of relatives here including his grandparents, Mr. and Mrs. J. P. Flynn, and three uncles, Frank, Jim and Joe Flynn.

Campbell Well Being Prepared for Pump

Operators were preparing to put the Pan American No. 1-Hugh Campbell on pump this week. The derrick has been skidded from the hole and the pump arrived the first of the week. Drillers are getting the well ready for pumping and continued to swab considerable oil at the top of the Ellenburger.

Location of another well in this vicinity has not been announced to date.

Drilling is proceeding rapidly on Southern Minerals No. 2-K. V. Northington, second test on this tract, and the bit was going down below 3,000 feet this week. Within a short time the depth where oil was found in the first well will be reached.

The No. 1-Northington is now making a fair amount of high gravity oil on pump.

Ballinger Stores All will be Closed On Armistice Day

All Ballinger business houses will be closed Tuesday, November 11, in observance of Armistice Day. This is one of the agreed holidays of the year here and no petition is circulated.

No public program will be presented here but it will be a busy day for veterans and most of the citizenship. Members of the local American Legion post will gather Armistice morning for their annual breakfast and program and large attendance is expected.

Ballinger football fans will begin leaving for Coleman Armistice morning as many plan to eat dinner there. Other fans will depart after an early dinner in time to be in the stands at Hufford Field by 2 o'clock. The game between the Coleman Bluecats and Ballinger Bears is to begin at 2:30 p. m.

This game is expected to determine the district championship and will attract many people from places other than Coleman and Ballinger.

New Valley Creek Lake Catches About Half Full

While less than an inch rain fell in Ballinger, all streams in this section were at flood stage the past week-end from heavy downpours on the watersheds of Valley Creek, Elm Creek, and the Colorado River.

Some places in the northern part of the county received as much as five inches and several land owners in the vicinity of Crews stated they had received approximately seven inches this month.

Valley Creek was at flood stage Monday and the new city water reservoir was getting its first large amount of water. All day Sunday the water poured in and Monday the lake was about half full. It was estimated that from five to six feet more water would fill the lake and put water over the spillway.

Hundreds of Ballingerites visited the lake Sunday and Monday to see the large body of water. Many ducks and some wild geese came in to light on the lake and were still there late Monday afternoon.

Elm Creek was also up, pouring over the spillway at the city lake. The Colorado River was up about ten feet Sunday and most tanks and smaller streams in the northern portion of the county were filled.

Tentative Dates Are Set For Annual Stock Show

Members of the Runnels County Livestock Association, chamber of commerce and representatives of the Future Farmers of America and Runnels county 4-H clubs were in session Wednesday morning to discuss plans for the next annual livestock show.

John A. Barton, county agent, represented the 4-H clubs and H. B. Edmondson, vocational agriculture teacher, was the F.F.A. representative. Tentative dates were set for January 26 and 27 and a tentative program was arranged.

The city commission in session Wednesday morning gave permission for the use of one of the large hangars at Bruce Field for the show this year.

The chamber of commerce will provide all necessary working committees, which will be named next week. Members of the livestock association will have charge of soliciting the prize money.

Spokesmen stated that efforts would be made to make the 1948 show the best ever held in the county and one that would be a model for future shows. It is the first time that two days have been set. The first day is to be devoted to judging and in the evening the show will be kept open and the people of this territory invited to attend a program and inspect the livestock.

The second day is to be devoted to the auction sale, with a barbecue dinner served at the noon hour.

In recent years the large number of animals entered in the show here caused a rush to complete the show and sale in one day. It was pointed out that there had not been time enough for any of the work and with a two-day showing more people would be permitted to attend and the sale could be handled much better.

All committees will be named at once and the work started so that everything will be ready. Messrs. Barton and Edmondson stated that the number of animals being fed by the two organizations would insure one of the best shows in history.

Coleman-Ballinger Tickets go on Sale Saturday 10 a. m.

School officials announced today that tickets for the Ballinger-Coleman football game, Armistice Day, at Coleman, would go on sale here Saturday morning at 10 o'clock. The local school received 900 reserved seat tickets for the game and these will be offered to first come, first served. A board, showing the layout of the grandstand, will be at the drug store so customers can select their favorite places.

Before putting the board in the drug store, faculty members and members of the A grid team will be given a chance to make seat reservations. Players may secure tickets for their parents. There also will be some general admission tickets on sale for adults and students.

Reserved seats will sell at \$1.20 each, this including the tax. The Ballinger patrons will occupy the east side of Hufford Field.

Achievement Day Exhibits Attract Crowds Saturday

Home demonstration clubs and girls' 4-H clubs held achievement day here Saturday with displays in the Cloud Motor Co. building on Hutchings Avenue. Booths and table displays were set up in an attractive manner and all day Saturday a good crowd was on hand to inspect the exhibits.

The achievement day exhibits were carefully arranged so that the entire display was an educational showing of all projects studied or attempted by any of the clubs during the year. All demonstrations given the women and girls by Miss Ollie Chenoweth, home demonstration agent, were included in the showing and were attractively arranged. Corsage making, reseating chairs, leather work and hand tooling, cooking and many other things were projects of the year. Displays of food, wardrobe, and home improvement were also included.

Each club in the county took one of the major demonstrations as their part in achievement day and displayed it in the finished item. The East Side club made corsages during the day and the Norton club had a table of food including every demonstration. Miss Chenoweth had given during the year.

Exhibits of dresses, bed spreads, canning and many other pieces of work were also on display, indicating a well balanced program had been carried on by the club women during the past twelve months.

On display from Concho county was a tile top table made by a club woman of that county. This will be one of the projects for Runnels county and will be included in the 1948 yearbook. The table attracted much attention during the day.

The exhibits were arranged last Friday and left in the building until late Saturday afternoon.

Hillbilly Contest Arranged at Gym; Cash Prizes \$125

A hillbilly contest, featuring hillbilly bands, fiddlers, singers with guitars and square dance calling, will be staged Saturday night in the high school gymnasium. This program is sponsored by the Ballinger Jaycees and radio station KRUN and a broadcast will be made from the stage as the show progresses.

The show will be open to the public and admission has been set at 50 cents for adults and 25 cents for students. Cash prizes totalling \$125 are offered contestants and the public is urged to attend.

The show will begin at 8 o'clock and continue for two hours and already a large number of performers have entered for the first performance. This is the first of a series of similar shows and if they prove popular, one will be staged each Saturday evening.

Members of the Jaycees stated that for the first performance, some of the best talent in this section has been secured and the two-hour show will be highly entertaining and with plenty of variety.

Any other performers who wish to appear on the program are asked to bring their instruments and secure entry blanks.

John A. Barton and Miss Ollie Chenoweth attended a meeting of county farm agents and county home demonstration agents at Sweetwater Monday and Tuesday.

Roger Wheeler and R. E. Bruce went to San Angelo Friday and Saturday to attend a meeting of the Colorado River Basin Association.

SERVING UNCLE SAM

Cpl. Don Hirschfeld is home on furlough, enroute to Kilmer Field, New Jersey, from where he will leave for overseas duty. He has been assigned to the Caribbean theater.

Sgt. Elwood Harris, son of Mr. and Mrs. M. J. Harris and grandson of Mrs. C. D. Harris, is at home after having served in the army 18 months, a year of which was spent overseas, more recently at Soudal, Japan. Elwood intends to enroll at A. & M. College next semester.

M-Sgt. Vember Taylor and little daughter, Mona, were here this week for a visit with Sgt. Taylor's father, J. C. Taylor, and other relatives. While en route here Sgt. Taylor and daughter were in a train wreck near Marshall, but neither was seriously hurt.

Mr. and Mrs. R. W. Earnshaw received a telephone call from their son, John Weeks Earnshaw, Sunday and he stated that he would get a furlough and be on the way home by the middle of this week. He expected to arrive by the week-end and will have 60 days at home. With a marine corps detachment in China the past two years, he recently landed in California and since then has been stationed at Oceanside.

Charles C. Campbell, son of C. C. Campbell, has been discharged from the navy and is at home. His ship was used in the atomic bomb test at Bikini and he took part in that operation.

Firemen's Banquet Set Tonight, Central Hotel

At the annual meeting of the Ballinger fire department last Thursday night officers were elected for the ensuing year, set tonight for the annual banquet, new members were named on the advisory board, and other business was transacted.

Officers elected are: Lynn Candler, president; Charles Webb, vice-president; Fate Parker, secretary-treasurer; D. G. Posey, chief; Jerry Candler, mascot; and Martha Kay Northington, sponsor.

New members for the advisory group are: Marvin Davies, L. C. Adair, John Bradley, Ray Fuqua, Price Middleton and A. H. Dalling. Hold-overs are: Tom Agnew, Marvin Williams, Fred Harman and W. B. May. Advisory members who have served two years and retire this year are: Sam Behringer, Oscar Harber, J. G. Tuckey and Weldon Howell.

Life members of the department are: Chester Cherry, E. M. Lynn, L. L. Stroble, Jim Hash, E. Shepperd, Chester Cape and K. V. Northington.

The following committees were appointed:

Audit—J. A. Schnable, Charles Webb and Jack Fry

Refreshments—Mrs. M. H. Morgan, Mrs. Bill Bell and Mrs. Weldon Howell

Entertainment—Mrs. J. A. Schnable, Mrs. Lee Parker and Mrs. Oscar Batts

Decorations—Mrs. J. A. Schnable, Mrs. Chester Afferbach, Mrs. E. Shepperd

Publicity—Troy Simpson and Fate Parker

A steering committee, composed of D. G. Posey, W. E. Lee, Fate Parker, Martha Kay Northington and Mrs. Charles Webb, has arranged the program for the annual banquet, to be held tonight at the Central Hotel.

Toastmaster, Chester Cherry, who will introduce all guests

Entertainment, Martha Kay Northington, sponsor

Speakers, Hon. Olin Culberson, Austin, and H. R. Brayton, College Station

Chief Posey will name assistant chiefs and appoint other members for special work during the year.

In the annual report to be read by the secretary, fire losses in Ballinger this year will be listed as \$93,500. This loss was on buildings insured at \$52,350 and contents insured at \$126,228.

During the year there has been an average of 35 men in the department and 34 fire alarms have been answered. In addition the firemen have attended nine other meetings, five special called meetings and 16 drills. In addition to general fire alarms equipment and some of the members have answered eleven calls where no alarms were sounded and helped in four out-of-town fires.

Mrs. Buddy Hall, of Water Valley, was a week-end guest of her parents, Mr. and Mrs. Harry Lynn. The Lynns have moved to their new home on their ranch northwest of town.

Tuberculosis Bond Sale to be Started Soon by Jaycees

Ballinger Jaycees in their regular meeting Wednesday noon voted to take the responsibility for the sale of tuberculosis bonds in Ballinger this year. Friday, November 7, was the date set for the sale of bonds and Jaycees will ask other civic groups to provide teams to assist in making a canvass of the stores and a number of individuals. Otis Jacob is bond sale chairman.

The bond campaign precedes the Christmas seal sale, and is designed to get larger gifts. The bond drive this year will be completed within a few days and bonds of any denomination will be offered by the soliciting committees.

Mrs. Carl Black presented the proposition to the Jaycees yesterday and stressed the importance of raising money for the work in this county.

Last year the association met with ready response in the early sale of bonds and expect the total contributions to be exceeded this year. Seals will be mailed to prospective purchasers on November 24.

Boy Scout Finance Drive to be Held Here November 12

Members of the Ballinger Boy Scout finance committee met Wednesday morning at the chamber of commerce office to map the annual drive for funds here.

C. E. Maedgen, district chairman, stated that the committee on preparations was getting workers lists and compiling contributors' name cards for use in contacting merchants and individuals.

Attending the meeting were: Mr. Maedgen, Roger Wheeler, Jack Hodges, A. H. Bird, Joe Galbreath, executives. Mr. Maedgen said the drive would be launched with a "kick-off" breakfast on November 12. The entire drive is to last only one day, report sessions being scheduled at the city hall at 6 p. m. the same day.

Frank Pearce, district finance chairman, is editing the card lists to cover all available contributors. Roger Wheeler, manager of the chamber of commerce, is in charge of worker personnel.

The goal for the day has been set at \$1,000, the same amount as raised in 1946.

About thirty-five workers and ten team captains are expected to participate in the kick-off breakfast at the Central Hotel at 7 a. m. November 12 and start the campaign as soon as they receive their material and instructions.

Mr. and Mrs. Dan Woodroof went to Dallas the first of the week to attend the market for men's wear.

VALLEY CREEK CAUSEWAY DAMAGED BY FLOOD WATER

The causeway being constructed across Valley Creek by the city and county was damaged about 20 per cent the past week-end by several rises on the stream. Foundation dirt work was washed away during the flood and other minor damage done.

The damage will not be difficult to repair and this is already in progress. Work on the causeway will be pushed to complete it before another rise on the creek if possible.

CONTRACTOR TO LAY 5,000 FEET OF NEW SEWER LINE

R. T. Swilling & Son, of Whitney, are moving in equipment and crews to begin laying 15-inch sewer line from a point near the Morrison gin on South Eighth Street to the new disposal plant. This line will be approximately 5,000 feet long.

Good progress is being made on the disposal plant and the 15-inch pipe arrived here this week to connect the present sewer system to the new plant.

Mr. Swilling stated that he hoped to organize crews and be ready to start work Monday. In 1928 he had a crew here to lay water mains after the lake on Elm Creek was enlarged.

O. C. Sykes went to Junction Wednesday to look after business on his ranch near that city.

Rev. H. B. Loyd returned Monday from Gatesville, where he conducted a revival.

K. V. Northington was down town Tuesday after being ill several days.

BOYD SELLS FRUIT FARM, NURSERY TO EOLA MAN

Mike C. Boyd stated today that he had sold his fruit farm and nursery in South Ballinger to T. J. Denton, of Eola, and the new owner would take charge in a few days.

Mr. Boyd, who has operated the nursery for more than twenty years, is retiring because of his health. He said he would go to San Antonio for an indefinite rest, but added that he would return to Ballinger to make home.

The veteran nursery man said he would not become inactive but would assist anyone in yard beautification and would continue to work for the civic improvement of Ballinger.

County Vocational School Said One of Best in State

The Runnels county vocational school for veterans is continuing to expand and is now one of the largest and best equipped in this section of the state.

At this time ten vocational agriculture classes and one class in trades and industries are being taught under the Runnels county set-up of which James Parrish is coordinator.

The program was launched in Ballinger when thirty local business men signed notes to provide operating capital for the first few months. These notes have long since been paid off and the school now has ample resources to take care of all expenses and continue to secure equipment for expansion and improving classwork.

While the school is always behind in payments for tuition from the veterans' administration, funds on hand warrant this delay.

The territory served by the local organization includes classes in Ballinger, Winters, Wingate, Miles, Bronte, Robert Lee, Paint Rock and Eden. Two supervisors are on duty full time in addition to the teaching staff. Preston Fitzhugh is supervisor for V-A classes and Bayless Fletcher for the farm shops.

Farm shops established by the school are located in Ballinger, where two classes are instructed, at Winters, two classes; and at Paint Rock, Wingate and Bronte. The Bronte shop serves classes at Bronte and Robert Lee. Within the near future a shop will be equipped at Eden.

The apparatus in these shops was given the school from army surplus and the value cannot be estimated. The packing and shipping charges alone would exceed \$2,500.

In recent months a considerable amount of training aid equipment has been purchased. This includes two 18 n.m. sound projectors with slide attachments, and an opaque projector for large slides. The latter machine makes possible the projection of any printed or type-written page, maps and various other classroom written work. A teachers' library is maintained and all required equipment and tools for instructors have been acquired.

Bernie Mika recently was employed as a vocational agriculture teacher at Miles.

Mr. Parrish stated this week that the Runnels county school was getting along in an excellent manner and was serving approximately 240 veterans. The school provides a sizeable payroll here and in other ways is an asset to the city and county.

Agronomist Offers Pointers on Winter And Spring Grazing

COLLEGE STATION, Oct. 29.—It's going to take plenty of winter and spring grazing to fall in line with the government program of saving feed grain.

E. A. Miller, extension agronomist of Texas A. & M. College, offers a few pointers on planting winter grain crops. He says that as soon as there is enough moisture in the ground, forage crops can go into the soil. If the land is not too hard, it's safe to go ahead and plant even in dry soil. The seed will germinate when it finally rains.

Grain planted for grazing can be planted a lot thicker to provide more forage. Oats, wheat, barley, rye and Italian ryegrass are good winter grazing crops. A mixture of oats, wheat and barley makes a good combination for grazing when no harvesting is planned. In this mixture, barley provides more grazing in the fall while wheat usually offers good and early winter, while oats and grazing in the spring. Rye, especially abuzzi and balbo are good crops on the sandy soils of East Texas and the West Cross Timbers area.

Vetch or other winter legumes can be planted with grain to improve the grazing. Over a large area of Texas, hairy vetch is planted with rye or other grain crops for seed production and soil improvement as well as grazing.

In the southern half of Texas, when enough moisture is in the soil, hubam and annual yellow blossom sweet clover are first-rate crops, good for grazing, seed and soil improvement.

Mr. Miller says that winter and spring grazing not only will help to save badly needed grain, but will also cut down on the cost of livestock production.

Grindstaff Attends National Meeting Of County Officials

Judge E. C. Grindstaff returned home October 16 after attending the National Association of County Officials convention, held in the Stevens Hotel, Chicago. The meeting was attended by representatives of all states in the union and an interesting two-day program, featuring a large number of nationally known speakers, was presented.

The association voted to use its influence in correcting some federal laws and to encourage new acts which would better serve the states.

C. of C. Directors Discuss Important Matters at Session

Directors of the Ballinger Chamber of Commerce held their regular meeting October 13. Committee reports indicated a good deal of activity in several projects during the past month.

W. O. Wallace was reelected as a director of the West Texas chamber of commerce for the thirteenth time. He gave the directors a full explanation of the planks in the referendum of that organization for this year.

Reports of the fire prevention campaign were given but all discussions were held on public welfare, health, safety, and a considerable time was devoted to public works, especially those dealing with highways, airports and hospitals.

One of the most interesting sections of the program was that dealing with public lands. It was pointed out that in Idaho, the government owns 64 per cent of the land and this created a tax problem to assess taxes against the privately owned land to take care of the needs of the various tax-supported governments.

The association in its final session voted to ask congress to raise benefits to old people to meet increased living costs.

Judge Grindstaff, an officer in the state association, represented Texas at the meeting.

Does Stomach Gas and Bloat Make You Feel Miserable?

If so, here is how you may get blessed relief in freeing your stomach from this nervous distress. It works this way: Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles, else the food may ferment, sour, acid indigestion and gas frequently cause a morbid, lousy, fretful, peevish, nervous condition, low of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing the flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps build sturdy health.

Susan Hayward, Lee Bowman In Story of Ex-Career Woman

Like any other housewife, a beautiful, talented radio singer who sacrifices her career to make her husband a success, has domestic problems to solve.

How one charming red-head meets and solves such problems will be revealed at the Ford Theatre Sunday, Monday and Tuesday, November 2, 3, 4, in "Smash-Up—the Story of a Woman," starring Susan Hayward as the wife and Lee Bowman as the husband. Marsha Hunt and Eddie Albert are featured. The dramatic film, highlighted by a poignant interpretation of the degenerative effects of alcohol on the heroine, is a Universal picture.

Bowman is getting nowhere warbling on a small radio station's cowboy hour, when Miss Hayward promotes a better spot for him and his partner, played by Albert. Bowman makes good, gets in the big time, and hires a secretary, Miss Hunt.

Nothing is too good for Susan in the role of the successful crooner's wife—New York penthouse, emeralds, sequins, and an elaborate rumpus room.

But when Bowman lets his suspicious secretary perform services his wife considers part of the domestic routine, such as preparing guest lists and selecting flowers for a party, Susan lets go and raises the roof. To express her indignation, she absorbs too many highballs, and the first

Romantic Thriller, 'Cry Wolf' Teams Errol Flynn, Stanwyck

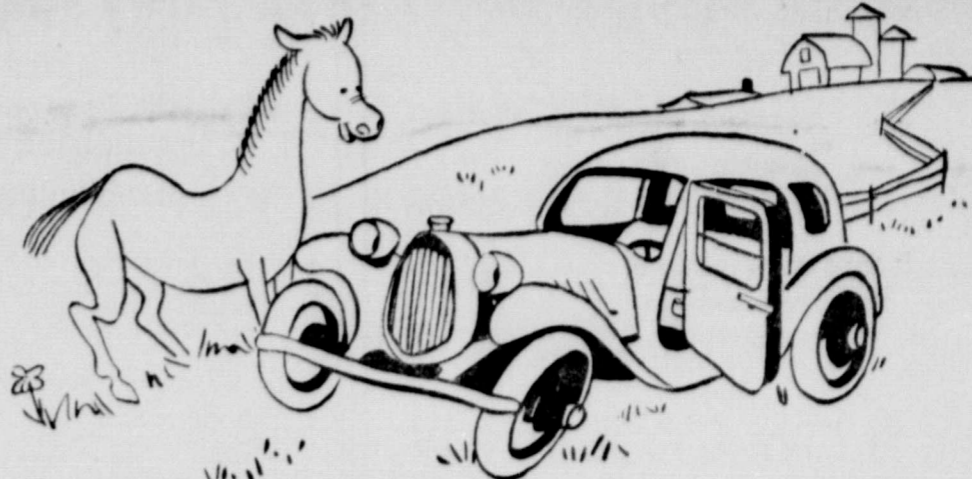

Two leading romantic stars are thrilling together for the first time in their notable screen careers in "Cry Wolf," Warner's drama of adventure and romance to be presented at the Texas Theatre Sunday, Monday and Tuesday, November 2, 3, 4. They are Errol Flynn, dashing star of memorable action films like "Captain Blood" and "Robin Hood," and Barbara Stanwyck, whose consistently outstanding portrayals in both drama and comedy have made her one of the most sought-after feminine stars in Hollywood today.

Both stars have appeared often in the past in pictures on the Warner Bros. lot, where Flynn has been under contract ever since he came to this country more than ten years ago and, when mail started coming in from the fans asking that the two be paired,

Executive Producer Jack L. Warner lent an ear and soon found the right vehicle in "Cry Wolf," Marjorie Carleton's popular novel of suspense. The result is a highly adventurous screenplay, with overtones of mystery and romance.

"Cry Wolf" tells the story of Sandra Demarest (Barbara Stanwyck) whose young husband, Jim (Richard Basehart) is believed dead. When Sandra arrives at the family's vast and mysterious Massachusetts country estate, she is greeted with open hostility by Jim's uncle Mark (Flynn), lone executor and guardian of Jim's trust. The eerie dangers which both face throughout the film provide a suspenseful background against which the stars play out their deeply moving romance.

The competent supporting cast includes Geraldine Brooks, Jerome Cowan and John Ridgely.

Mystery Builds Solid Suspense In Hallowe'en Special at Texas

"The Crimson Key," a new film, venture into thrill-packed mystery, which, in the unfolding of its exciting story builds she-r suspense and solid screen entertainment, is the Hallowe'en midnight special at the Texas Theatre, the screening to begin at 11:30 p. m. tomorrow night, October 31. Only one performance will be given.

**Eddie Dean Western,
 Philo Vance Thriller
 At the Palace Today**

Kent Taylor, Doris Dowling and Dennis Hoey have the leading roles in this 20th Century-Fox thriller, the plot of which turns around a missing key which holds the answer to violence and murder. Kent Taylor appears in the role of the private detective who finds his trail complicated by beautiful women and plenty of gunplay as he hears the solution of his case.

"West to Glory," starring Eddie Dean, and "Philo Vance's Secret Mission" with Alan Curtis in the title role, make up the double-feature program at the Palace Theatre today, tomorrow and Saturday. In addition the week-end bill contains several short subjects.

Doris Dowling appears as an

Eddie Dean, outdoor action star, sings three new songs in "West to Glory," as follows: "Cry, Cry, Cry," "West to Glory," and "In the Shadow of the Mission." Roscoe Ates is again seen as Eddie's comedy sidekick. Others in the

large supporting cast include Dolores Costello, Gregg Barton and Jimmy Martin.

"Philo Vance's Secret Mission" is a swiftly-paced mystery film but there are no sliding doors, no appearing or disappearing ghosts and no secret closets. As in all the famous detective's stories, this one is chiefly a problem in deduction. The arden mystery fan, who likes to have down-to-earth clues presented in a logical manner so

'Lost Honeymoon' Booked at Texas Next Mid-Week

"Lost Honeymoon," romantic comedy coming to the Texas Theatre Wednesday and Thursday of next week, November 5, 6, stars Franchot Tone, Ann Richards and Tom Conway in a hilarious story about an architect who cannot remember his marriage—or his twin children. Tone employs all his charm and talent as a polished comedian in his efforts to clear himself and straighten out his life.

Ann Richards, Australian-born actress, plays the friend of Tone's late wife who brings the twins over to America from England in search of their father. Ann gets into many difficulties, and out of several others.

Headed the supporting cast are Frances Rafferty, in her first free-lance role after three years with M-G-M; Clarence Kolb, marking his 50th year in films in this picture; and Winston Severn, 3.

Auxiliary to Sell Poppies to Public Here November 8

The American Legion Auxiliary has made complete plans for the annual poppy sale in Ballinger on November 8, the Saturday before Armistice Day. The local unit has ordered 2,000 small poppies from veterans' hospitals and members of the Auxiliary with the assistance of girls will give everybody an opportunity to wear a poppy that day.

Women who will have charge of the downtown sale include Mrs. Clie Floyd, Mrs. Price Middleton, Mrs. J. P. Owen and Mrs. Delbert Vancil. Each will organize high school girls and Girl Scouts to assist in the work and the streets will be filled with girls offering the small red emblems.

The sale of poppies twice a year is part of the rehabilitation work of the Auxiliary. Poppies are hand-made by disabled veterans in hospitals and are sold to Auxiliary units who in turn sell them to the public. The hospitalized veterans are paid for making the flowers and the net proceeds are used by the Auxiliary in carrying on worthwhile projects, especially in hospitals.

War veterans have launched a membership campaign for the American Legion and between now and November 11 all who served in any war for their country will be asked to join. A goal of 500 members has been set and officers of the local post hope to exceed this number. The American Legion is the largest ex-service men's organization in the history of the world, having more than 3,500,000 members enrolled in more than 16,250 posts. This organization, born in Paris, France, at the end of the first World War, has grown to be the largest group of its kind, and this year many World War II veterans are throwing their support to the Legion to make it take its rightful place in this country. The Legion's first interest is in taking care of those who still fight and the widows and orphans of former service men.

A few local business men are

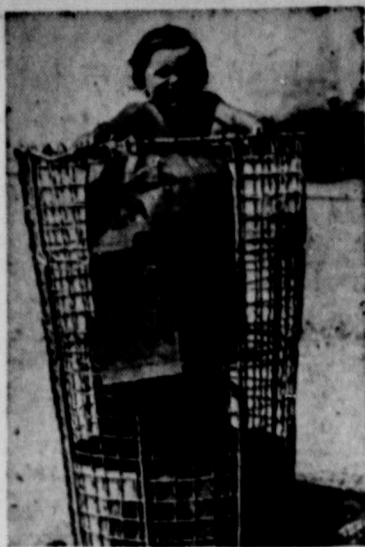

beginning to envision an oil field in Runnels county with Ballinger as the center to service the production and take care of the many who would move here because of the development. A number of housing plans are to be submitted soon which would supply low-cost dwellings for those who want to buy. The purchase of these houses by permanently-located citizens would release rent property for others who would come in for a short period. Since 1940 Ballinger has been crowded and at times the demand for rooms, apartments and houses becomes embarrassing. Should considerable oil be found here, Ballinger must be ready to profit in every way possible and one of the first requirements is a program for more residences and business buildings.

With warm weather holding on it is difficult to realize that Christmas is not far away. Ballinger merchants are not asleep and already plans have been made for a program to continue through the holiday period and promote gift buying. The success of this program depends on the cooperation of all. With every business concern joining many additional Christmas shoppers can be attracted and retail sales greatly increased. If only a few participate the plan will fail. Purely as a business getter every firm should shoulder its share of the load and boost early holiday buying.

BRIDGE BEING CONSTRUCTED TO REPLACE LOW CAUSEWAY

County commissioners of precincts Nos. 1 and 4 are building a bridge across Valley Creek about two miles above the city's new water reservoir dam. The bridge will replace a low water causeway that serves as an outlet to those living on the west side of the creek in that vicinity.

When the new lake is filled the water will be about 8 feet deep at the site of the bridge and it

was necessary to replace the causeway with a bridge which would be higher than the present water level.

The Eastland County Livestock Raisers' Association held its 1947 meeting in the Eastland city park October 22. The climax was the barbecue dinner served at 7:30 p. m., attended by a large crowd. A program was presented which included talks and entertainment numbers.

In a \$41,000 school bond issue election at Rising Star last week only three no votes were cast. A previous election to issue bonds was held last summer and passed but failed to get the approval of the attorney general's office due to a technicality.

Rev. Walter Deaver, formerly of Sylvester, has been called and accepted the pastorate of the Paint Rock Baptist Church. The church has been without a pastor since the resignation of Rev. C. K. Roberts about six months ago. The new minister will move to Paint Rock to take over the pastorate as soon as he can make arrangements with the Sylvester church.

The Brady Jubilee committee has scheduled a race meet this fall, the main features being

booked on Armistice Day. Races will be held on November 10, 11 and 12, and box seats for the big show are going fast. The committee said the program calls for longer races than ordinarily run on the Brady track.

Publicity is already being given the annual Menard Parent-Teacher Association auction. The program in connection with Armistice morning when the American Legion parade of decorated cars passes through the business district. The sale will be conducted at Legion Park, and in the afternoon a football game will be the attraction. Livestock and other items will be offered in the auction.

Representatives of the Trans-Texas Airways have leased office space at Gibbs Field, Fort Stockton, and expect to establish service there soon on the San Antonio-San Angelo loop. Officials of the company in Fort Stockton last week stated service probably would be given within 60 days.

Rev. O. B. Darby, formerly of Moody, is the new pastor of the Miles Baptist Church. He and his wife moved into the parsonage last week after it had been repaired and redecorated.

Rowena gins have been operated at full speed the past several weeks and the movement continued fast last week. To last Thursday noon a total of 2110 bales had been ginned at Rowena. It was estimated then that 25 per cent of the cotton was still in the fields.

Four Bronte business houses were victims of a hot check artist last week. Three firms took checks written on a San Angelo bank for \$10 each and the fourth cashed worthless paper on the same bank for \$15. In each instance the stranger entered the store, made a small purchase, and

wrote a check. At a fifth store the merchant refused to cash the check.

A traffic light was installed at the intersection of Main and Dale streets in Winters last week and Mayor E. S. Baker announced regulations which will be in effect. The new state highway traffic code prohibits double parking on these streets and city police have been instructed to enforce this provision. A petition was being circulated asking that the city install parking meters in the near future. This proposal was meeting with some opposition and a referendum was expected to be called for in the rural trade area.

Committees have been named at Brownwood to plan Christmas decorations and activities to create interest. Brownwood Jaycees, who in 1946 won state honors for work of this kind, are taking an active part in promotion of the Christmas program.

The Nolan County Farm Bureau has launched a membership drive, probably to end November 1. The county's quota for this year is 750 members and each community has been organized for the campaign.

The Erath County Electric Cooperative Association will soon begin work on a 179-mile extension. The company given the contract for the new lines has set up offices at Hico and will receive material there. Most of the equipment is already on hand and residents along the route have signed applications for service.

A contract for 8.45 miles of farm-to-market road east of Santa Anna was let by the state highway department last week. A. L. Bucey, of Brownwood, was given the contract on a bid of \$71,942. The road is to begin at the Liberty Store and extend south into a farming area. This is one-third of the farm-to-market road program approved for Coleman county.

Dates for the Coleman County Livestock Show are January 19 and 20. The affair is being sponsored by the Coleman Chamber of Commerce. It is estimated by vocational agriculture teachers and the county farm agent that 103 calves, 379 sheep and many hogs will be entered by 4-H club and F. F. A. boys in the county.

Comanche county peanut growers forecast that about half a crop will be harvested this year. The yield was greatly cut by dry

A large number of Ballinger football fans deserted the Bearcats Friday night in their game against Santa Anna and went to Coleman to watch the Bluecats beat Winters. Saturday morning there were mixed opinions of the Coleman team. Some fans said we would beat them with ease, while the more conservative shook their heads and said we could beat them but that the Bluecats had a smooth working machine that would be hard for any team to stop. They run, pass and have a good defense which all Ballinger fans should know from 1946. The Bluecats and Bearcats tangle at Coleman Armistice afternoon.

Before playing Coleman, the Bearcats have a game tomorrow night at Brady and they must defeat the Bulldogs as well as Coleman and Winters to take the district crown. Brady has lost several games this year but has played a difficult schedule and the Bulldog losses have been to

good clubs. They will give the Bearcats plenty of competition and it will take all hands to win. Ballinger fans have been allotted 300 reserved seats at Brady and most of these have been sold. The Ballinger crowd at Brady will be large and should fill the stands on the visitors' side of the field.

Ballinger fans will have an opportunity to purchase 900 reserved seats for the Coleman game. These will be placed on sale early the week before the game and announcement will be made of the time and place.

Only three conference games remain on the Bearcat schedule and all are away from home. These tilts bring up the big competition with Brady, Coleman and Winters.

For the next three football games there will be several hundred cars making the trips. Most of these cars will be loaded with fans and students and drivers should use every precaution to avoid wrecks. Leave in time to arrive at the games without speeding and risking lives.

One of the best football games seen on Bearcat Field this year was Thursday night when the B team defeated the San Angelo Crimson Tide by the score of 12 to 6. Reese was the outstanding ground gainer and scorer for the B team and fans were held at attention until the last play.

COUNTY GROUP WILL ATTEND STATE MEET NOVEMBER 3, 4, 5

Judge E. C. Grindstaff, commissioners Clyde Chapman, Fred Bedford, Ralph Burns and George Schovajsa and County Clerk Frankie Berryman will leave this week-end for Laredo, where they will attend the annual meeting of the County Judges and Commissioners Association. Judge Grindstaff is secretary of the state organization and will be on hand to start registrations Sunday afternoon.

The meeting will be in session November 3, 4 and 5 and the group will return to Ballinger November 6. Mr. Berryman will attend a meeting of county clerks held in connection with the meeting.

Hill Leads in Scoring Against Mountaineers

The Ballinger Bearcats made a race-track of the gridiron Friday night at the expense of the Santa Anna Mountaineers with the final lopsided score 72 to 12. In the latter stages of the game the Bearcats quit running any offense and were kicking on first downs to get a chance to try their defense altogether.

With the B team playing San Angelo Thursday night, Coach Wayman Wilson only had 17 men eligible for the game and all these were in each quarter. Except for passing, the Mountaineers showed little offense and their defense could not stand up against the powerful running attack of the Ballinger backs slicing off the T formation.

The Bearcats received the kick-off and marched down the field, Hill carrying over for the first score. Hill also added the extra point from placement.

A Bearcat recovered a Santa Anna fumble on the Santa Anna 31-yard line and four plays later Black went over from the 10-yard line. Hill again kicked.

A few minutes later Hill intercepted a pass on the Ballinger 35 and the Bearcats went to work again. Davenport circled end for 41 yards, Burks and Hill made yardage and Black went the last eight yards to cross the goal line. Hill kicked.

Santa Anna was forced to kick and Ballinger started a running attack with Curry and Black carrying. Curry got the honors, going over from the nine-yard line. Hill kicked.

Santa Anna was forced to punt and Curry made a nice return to the Santa Anna 24-yard line. On the first play Curry broke into the open and went the distance to score. Hill missed from placement.

Marshall pounced on a Santa Anna fumble on the 38-yard line and Hill featured in the drive going over from the 12-yard line. The kick was blocked.

Starting the second half Santa Anna received and was deep in its own territory. The Mountaineers punted out and Davenport returned all the way to score. Gressett kicked.

The sensational run of the night was on the next play when Ballinger again kicked off and Sellers of Santa Anna gathered the ball in and raced 83 yards for a touchdown. The kick was blocked.

The Bearcats blocked a Mountaineer kick and took over on the Santa Anna 12. A pass, Davenport to Hill, was good for a touchdown in the end zone. Atinpp kicked.

In the final quarter Ballinger got possession of the ball on its own 10-yard line and started a passing attack which netted five completions, Agnew taking four of them, the last for 11 yards and a score. The kick was no good.

The visitors received the ball on their 30. In the first play Sherrid flipped a pass to Horton who was in the clear and went all the way to score. The kick was blocked.

The next score came when Davenport passed to Agnew, the pass and run netting 38 yards and a score. Marshall's kick was wide.

The last score of the game came in the final period when Hill grabbed a Santa Anna pass and

powered his way 30 yards across the goal line. Black's kick was low.

Although outclassed and outweighed, the Mountaineers battled all the way and were hustling as the lopsided game ended.

Longhorn Reelects Green; Adopts Slower Ball for '48

The first meeting of the new year of the Longhorn Baseball League was held at Abilene Sunday afternoon with the owners and directors of the original six clubs present to make plans for the 1948 season. All club owners optimistic over the outlook for next year, some forecasting a doubling of attendance in their parks.

Howard Green, of Abilene, was reelected president of the class D loop. Bill Moore, of Ballinger, was named first vice-president; and Pete Starnes, of Sweetwater, second vice-president. Other officials will be appointed.

A franchise was granted San Angelo with the understanding that one other club was to be admitted to make it an eight-town circuit. Two different groups sought the franchise for San Angelo and league officials will make an investigation to determine who is permitted entrance. No other cities were represented to apply for franchises, but several known to be interested were

discussed by the loop moguls.

It was voted to keep the same player limit—three class men, five limited service players, and seven rookies. It further was decided to raise the player limit to 16 if this action is allowed at the national association's winter meeting. President Green was instructed to vote for this proposal if submitted at the meeting in Florida. It was pointed out that this would permit carrying six pitchers, two catchers, and an utility infield-outfield player.

The Worth ball was adopted for the 1948 season. This ball is hardly as lively as the McGregor Goldsmith, used the past season. The large number of home-runs made with the "rabbit" ball was said responsible for this change. However, it was pointed out that the Worth ball is considered a lively ball and gives some help to the naturally heavy slugger but also has some advantages for the pitcher.

Schedules and numerous other details will be considered at a

later meeting. Efforts will be put forth at once to find another city in this region that wants a franchise for next year. If there are eight clubs in the league a 140-game schedule will be adopted. Several Longhorn clubs already have working agreements with clubs of higher classification and some have already begun signing up players for next spring. Most of the clubs will start spring training in March and be ready for the opening in April. If a 140-game schedule is ordered the season will open earlier than last year.

Legionnaires Plan Details of Program For Armistice Day

The executive committee of the American Legion was in session Saturday afternoon to attend to some business needing immediate attention and to complete plans for holding the Armistice Day breakfast.

Commander Price Middleton appointed a number of special committees who will look after the preparation of food, program, house and other details. It was decided to hold the breakfast at the Ballinger Country Club November 11 at 6 a. m.

All gold star fathers in this area will be invited as special guests of the post. Most of these have been

issued honorary membership cards in the local post.

Wilson Middleton will select a crew and have charge of preparing and serving the meal. Ollie Floyd will secure the house and attend to tables. D. G. Posey will have charge of dishes. Jack Nixon, Jr., will look after invitations and Troy Simpson will have charge of the short memorial program.

Commander Middleton specified that every member of the post and every prospective member was invited. Those who have not joined and who would like to will be able to pay their 1948 dues at the breakfast.

Admission to the breakfast for members will be \$1 each and this will take care of the food and entertainment. The affair will start at 6 a. m. and will be over by 11 a. m.

At the meeting Saturday Commander Middleton also checked up on the membership drive now underway to secure 500 1948 members. He stressed the need of fast work and at the meeting made the state commander a promise of 250 by November 11. The drive will continue through the remainder of this year.

NORTON HOME DEMONSTRATION CLUB

The Norton Home Demonstration Club met October 23 in the home of Mrs. Dave Underwood with seven members and two visitors present. Roll call was answered with an absent minded stunt.

After a short business meeting the program was turned over to Mrs. Harold Routh, of the East Ballinger club, who gave a very interesting report on the state meeting held in Galveston.

Miss Ollie Chenoweth gave several demonstrations on milk drinks and stressed the important food value in milk. Refreshments were served and the Halloween color scheme was carried out in rooms used for entertaining the club.

The next meeting will be in the home of Mrs. Harvey Bryan on November 13.

Lions Club Show Rehearsals to be Started Monday

The steering committee for the Ballinger Lions Club minstrel, to be presented November 14, stated today that rehearsals would get underway at the high school gymnasium Monday night and would be pushed until the performance is polished off for the public.

A cast of approximately fifty has been selected and the script written for the comedy-packed two-hour show. The Lions Club is trying to make each show better than the one the year before and the 1947 minstrel promises to set a high standard for the future.

Such local comedians as George Newby, Ernie Earnshaw, Jack Nixon, Jr., Cal Adair, C. D. Richards, Claude Stone and a number of new faces will be given parts

41 Sheep on Feed By 4-H Club Boys For Spring Shows

Thirteen Rannels county 4-H club boys have selected 41 sheep for fattening demonstrations and to enter in the 1948 spring shows. On Monday, October 30, the boys received 30 lambs from a raiser in Tom Green county. In the bunch were extra good lambs averaging in weight from 60 to 80 pounds.

The boys plan to try for a showing in singles and a group of 25 at the San Angelo spring show and also to exhibit at the spring show in Ballinger.

Receiving lambs Monday were: Dan Dankworth, Lewis Calk and Bobby Ransberger, Bethel club; Cecil Patton, Richard Cope, Royce McKenzie and Larry Meiser, Norton; Bobby and Dwayne Patton, Ballinger; Jerome Beach, Cross Roads. Other boys who had already bought sheep are: Werner Halimann, Olfen; Henry Stokes, Ballinger; and D. B. Underwood, Norton.

The boys have selected purebred Southdowns, Southdown cross-breeds and Suffolk-Rambouillet crosses.

During 1947 the 4-H boys have been busy with their sheep feeding demonstrations, having fed out and exhibited some 80 head during the year, 55 for the Ballinger spring show and 25 that were selected, fitted and taken to the State Fair, Dallas.

County Agent John A. Barton says there is a real opportunity for feeding sheep in this county. He pointed out that plenty of grains such as maize, oats, barley, bundled feed and cottonseed meal are always available. With some 125,000 ewes and plenty of feed at home, the boys are being trained in the feeding program.

County and State Tax Payments Big For First 15 Days

State and county tax payments at the office of W. A. Forgy, county tax assessor-collector, have run high this month, a total of \$54,668.54 having been paid in by property owners up to Saturday night, October 18. Heavy payments are made in October because of the 3 per cent discount offered during this month.

Mr. Forgy said collections had been good as compared with previous years and that the amount collected to the above date included only a few payments by large corporations. He said most of these would probably pay their current taxes before the end of the month, however.

The discount in November for state and county tax payments is 2 per cent, and 1 per cent is allowed during December.

Other tax collecting offices, the independent school district and the city, do not offer discounts for early payments but their collections also were good the first half of this month. Many firms and individual property owners pay all their tax bills when they take advantage of the discounts offered by the county and state.

All offices for collection of taxes are now open and clerks are prepared to issue receipts.

The candy sale, a fixture with the Lions show, will be a show within itself. About 20 people in costume will take part in the sale which will offer far more value in prizes than the total take from

the candy. Other entertainment numbers will be presented by professional talent from out of town.

Seats will go on sale next week at the Curry-Hambrick store. Reserved seats for adults are \$1 each, including federal tax. Students will be offered tickets through the schools at 25 cents each, including tax.

Dr. O. H. Chandler is chairman of the general steering committee for the minstrel and is naming other committees as needed to look after the big task of producing the show. Committees are already functioning to secure prizes for the candy sale, ticket sales, cast, and stage.

Lunch Rooms Will Get Surplus Food; To Hold Bus Clinic

County Superintendent W. E. Elkins has been advised by the department of agriculture's food distribution service that school lunch rooms of Rannels county will soon receive 258 bushels of sweet potatoes and 136 cases of tomato juice. As soon as received, the food will be parceled out to the lunch rooms for serving. The shipment of sweet potatoes is about half a carload.

Inspections of all school buses will be held in Ballinger November 5. Supt. Elkins stated. This will be under the direction of the state public safety department and a drivers' clinic will be held in connection. All school busses will be driven

HEADACHE... Nature's Semaphore

The causes of headache are multitudinous. It is, perhaps, the most common ailment of man. Many headaches are simple, and respond to simple home treatment.

It should be remembered that headache is a symptom, and not a disease. It is nature's semaphore, signaling that the track is not clear.

If headaches persist or recur, see your physician at once. If medication is needed, we are equipped to fill your prescription promptly and accurately.

IN SOCIETY

Mrs. Sommer Entertains Contract Club

Mrs. Edward Sommer was hostess to the Thursday Evening Contract Club, entertaining in her home on Seventh Street.

Party rooms were given added beauty with fall foliage and crocus blossoms where capsule prizes went to Misses Lillian Knowles, Griffie Atkins and Mary Jane Kiechle, and the traveling prizes in games were awarded to Mrs. John Barton and Miss Atkins.

The hostess served a sandwich plate with cake squares and punch. Others were: Misses Ollie Chenoweth and Pearl Currie; Mmes. Marie Carter, John Castor, Naomi Keithley, George Newby, Sim Cottelle and Tom Agnew.

Ace of Clubs Meets in Agnew Home

Mrs. H. G. Agnew was hostess to members of Ace of Clubs and a few added guests Thursday at noon, when a no-host Mexican luncheon was served at the Aca-pulco Cafe, followed by games in the Agnew home on Sixth Street.

Bronze and yellow chrysanthemums decorated the luncheon tables and also living rooms where Mrs. R. W. Earnshaw was awarded high guest prize; Mrs. Marvin Davies, the high club prize; and bingo awards went to Mrs. Earl Barr, Mrs. W. O. Irby, and Mrs. John Bradley.

Cake squares were served with coca colas following games. Others were: Mmes. Leonard Scales, Sam Conner, Edward Sommer, Robert Bruce, W. E. Moss, Levy Lee and Tom Agnew.

Mrs. Malcolm Lacy, Recent Bride, Complimented With Gift Shower

Mrs. Malcolm Lacy, a recent bride, was honored at a gift shower when her aunt, Mrs. Malcolm Morgan, entertained in her home on Sixth Street Thursday afternoon.

Reception rooms were beautifully decorated with gladioli where Mrs. Morgan presented the honoree. Tall white baskets of white gladioli stood at each side of the archway leading into the dining room, where the lace-laid table was centered with a reflected arrangement of white blossoms with ferns and flanked by white tapers in crystal holders. Mrs. Cam Blackmon presided at the silver service. Mrs. O. F. Forbus and Mrs. Paul Burk assisted in serving heart shaped sandwiches and cookies. Mrs. O. G. Joiner was at

the piano playing "Home Sweet Home" while Mrs. Morgan read an original poem, "Eleven Steps to Build a Happy Home," and the honoree found the array of gifts on the landing after ascending the eleven steps on the stairway. Mrs. James E. Garrett sang love medleys with Mrs. Joiner as accompanist. Yvonne Forbus, cousin of the bride, assisted with the musical program. Betty Jo Burk, sister of Mrs. Lacy, was at the bride's book.

Those included: Mmes. Dewey Burk, Claudia Humble, J. P. Burk, M. A. Foy, E. E. Woodson, Sid Caskey, J. D. Coulter, J. C. Lacy of Winters, L. B. Watkins, Chester Afferbach, Stanley Price, Pat Barron of Winters, Ernest Watkins, J. E. Cooper, R. O. Weathers, Paul Petty, Othele McCorstin, J. K. Nicholas, Oay Edward, E. W. Stasney, O. K. Senior Carnival Nets About \$500

About five hundred dollars was taken in when the senior class of the Ballinger high school staged its annual carnival Saturday night in the library building. The carnival was for the purpose of raising funds for the annual senior trip, usually taken in May.

The attractions consisted of bingo, penny pitching, dart throwing, bowling, a fun house, kissing booth, etc. The Andrews Sisters, Sonny Davenport, Junior Henderson and Junior Curry, wearing hula skirts; the movie scene, which included the director, Billy Jack Thomas and the stars, Marilyn Agnew, Charles Mapes, Junior Curry, Junior Henderson, Sonny Davenport, Clifton Reneau, H'le Atnipp, Mary Jean Bell (the announcer), Jackie Bankston, Wanda Zuelke, Sylvia Mueller; and the Corn Cob Sisters, Helen Reese, Bobbie Jo Smith and Lourdeen Bryan, furnished the side show attractions. Song numbers were given by Elnita Faubion.

Bobbie Jo Smith and Sonny Davenport, both seniors, were crowned queen and king of the carnival. Other candidates from each class were: Juniors—Cleo Burks and Arlene Miller; sophomores—Daniel Hallmark and Patty Morrison; freshmen—Jimmy Parrish and Eva Jo Flynt.

Senior sponsors, M. E. Sweeney, Miss Merrell Lewis, Mrs. Hazel Johnson, and Mrs. Tom Epting assisted the seniors in making all arrangements for the carnival. The entire high school student body helped make it a success.

TURKEY'S EYE SAID TO TELL WHETHER GOOD EGG LAYER

COLLEGE STATION, Oct. 29.—An experienced poultryman can often tell, by the look in a turkey hen's eye, whether or not she's a good egg producer.

As poultry raisers go to market now with their turkeys, many are asking how, in selecting breeding birds for next year, can I tell if I'm selecting a bird of high egg production?

And that's where the "look in her eye" comes in. William J. Moore, assistant poultry husbandman of the Texas A. & M. College extension service, says the only really dependable way to select a hen for egg production is through trap netting—keeping an individual record of her laying.

But many pedigree breeders doing record of performance work say that there are certain characteristics that are associated with

What to Do About Meatless Tuesdays Suggestions Given

COLLEGE STATION, Oct. 29.—Homemakers are as anxious as anyone else to help out in the government's food conservation program, but when it comes right down to planning menus for meatless days, the questions that are hard to answer are, "What will take the place of meat? Will the family like it?"

Louise Mason, food preparation specialist of the Texas A. & M. College extension service, says that meatless Tuesdays may develop

high production. "A prominent, alert eye" is one of those points, says Moore. Birds that have a medium short beak and a broad head are usually good layers, too. Experienced breeders say that medium-sized birds will lay more than extra large ones. Pullets ranging from 15 to 17 pounds at six months give high production. And a medium bone and flat shank also are associated with good laying.

into more of a problem in the home than poultryless Thursdays, because most families plan two and sometimes three meals a day around meat.

Take the meat away and the gap that is left in the menu is mighty hard to fill. Wholesome menus for meatless Tuesdays are not impossible, however, and to prove her point, Miss Mason has several suggestions. Irish potato pancakes can be substituted at the breakfast table for the usual main dish—they are delicious with either honey or

syrup and take the place of toast, flour pancakes, or bacon or ham-and-eggs. For a noon-day meal there's macaroni ring with creamed salmon. The 8-oz. can of salmon will serve six, which is an important thing to remember in these days of high prices. For supper, few people can resist the sight of a fluffy, piping hot cheese omelet.

The addition of fruit, fresh and cooked vegetable to each of these main dishes will provide appetizing as well as nutritious meals.

Here's Post-war Power for Pre-war Buicks

A brand-new 1947 Fireball engine puts today's Sparkling Zip into your 1937-1942 Buick

If you've been itching to get the thrill of a power-packed 1947 Buick engine under your treadle toe, here's the quick and happy solution.

It's a factory-fresh Fireball engine right off the 1947 production line. It's exactly the same mighty package of power that goes into the flashing new Buicks. You can get it now to repower any Buick built in the last ten years.

How can we do it—when new cars are so hard to get? Here's the answer:

While shortages of bodies and other parts slow up completed cars, Buick engine production has forged ahead. So engines are available now—ready to go into your car and step it up with today's up-to-the-minute power performance.

And it's as simple as this: We take out the old engine—put this new one in its place—and your car's young again, rarin' to go, with a new lease on life and headed for thousands and thousands of miles of smooth, spirited service.

It doesn't take long—far less time than a thorough overhaul—and often at less cost. Convenient payments can be arranged, if you like.

It's the next best thing to getting a new Buick—and a good investment because it makes your car worth so much more.

Certainly well worth while looking into, isn't it? Come in and let's talk it over.
