Exhibit of Grasses Attracts Attention At Field Crop Show

The twenty-four specimens of grasses grown in Runnels county, which were displayed at the cotton and field crop show here, attracted much attention. The exhibit was to illustrate a cross-section of the good, fair and poor grasses that grow in this county.

Nine of these grasses, K-R blue-stem, blue panic, big bluestem, buffalo, Canada wild rye, green sprangletop, Indian, little bluestem and side oat grama, were listed in the top class and so classified as to their palatability rating and production per acre.

The nine grasses rated fair were: Weeping love, suender triodia, pinhole bluestem, Rhodes, curly mesquite, hairy grama, Hall panicum, mesquite and silver bluestem.

The six classed as poor were: white triodia, hairy triodia, red grama, Texas grama, tumble and Wright's threeawn.

The exhibit was collected and displayed by Oran W. Bigby, teacher in the Ballinger veterans' school, and Lloyd H. Rumsey, assistant county agent. According to Bigby and Rumsey these grass varieties are found in most pastures of the county, but to lesser or greater degree, depending on how the pasture has been treated.

Animals will eat the ones they like best, so if the range is overstocked the best grasses will disappear first, then more or less in order as given above.

Doyle Riley Wins Matched Roping For Purse of \$500

Doyle Riley was winner in the matched roping contest held here Saturday night and Sunday afternoon in connection with other rodeo events. The two performances staged at the Ballinger Baseball Park drew very small attendance.

Some of the outstanding talent of the Southwest was on hand to take part in the various events, including Royce Sewalt, of Brownwood, and Rex Beck, of Coleman. Riley roped his six calves in an average of 13.9 seconds to win over Ted Powers, of San Angelo, who averaged 18.8. The first three calves were roped at the Saturday night show and the contest was concluded Sunday afternoon. The purse for this event was \$500.

In another calf roping match Jack Newton, of Abilene, came from behind to defeat Max Horne, of Coleman. Newton had an average of 17.3 for six calves and Horne had 18.9.

In the professional calf roping first place went to Royce Sewalt, of Brownwood, with an average of 11.3; second to Rex Beck, of Coleman, with 12.5; and third to James Skinner with 14.0.

In the ladies' barrel race San Angelo riders made a clean sweep of the event, winning all three places. The winners were Ann Young, first; June Probst, second; and Mrs. Ted Powers, third.

Ross Smith Honored At Lions Luncheon; Minstrel Date is Set

The Ballinger Lions Club paid special honor to Ross A. Smith Friday noon. Mr. Smith recently retired as a rural mail carrier after 40 years' service in this county.

He was introduced by a fellow worker, Melvin Patterson, who paid Smith a compliment as a fellow employee, a neighbor and as a citizen. He praised the type of service which Smith rendered for so many years and especially for the many things outside his line of duty.

Mr. Smith expressed appreciation to the club for the honor paid him at the special luncheon and told of some of his early day experiences. He described the first days of rural service when he used a cart, buggy or a red mail wagon over a route without a single foot of improved road. A number of humorous personal experiences were inserted in his remarks to the club members.

President Cal Adair presented a number of suggestions from the board of directors to the club, one being the staging of a minstrel show. The club voted to sponsor the annual show to be presented at some date in February. Members also favored presenting the show at the Texas Theatre provided arrangements can be made for the house.

Ed Curry, Boy Scout finance chairman, discussed the annual fund raising event for the organization and named a group of workers to assist in making the solicitation.

Mr. Mansell conducted almost a one-man campaign, signing up more members himself than were in the post the year before. He will receive a one-hundred member certificate and award from the state department along with other special honors including a national citation.

John Bradley, post commander, stated that a short business session would be held at the breakfast on one important matter but otherwise the meeting would be strictly social and play.

All 1949 and 1950 members are invited to attend and any veteran who desires to join the post will be welcome.

The affair will break up at 11 a. m. and practically all the members will go to Coleman for the afternoon football game between the Ballinger and Coleman high school teams.

County's Polio Fund Total Passes \$5,800

O. L. Huddleston, treasurer of the Runnels county polio emergency fund, disclosed Monday that a total of \$5,803.35 had been contributed in the county with a few scattering reports yet to be received.

Reports turned in the past week included:

Mr. Huddleston stated that one remittance had been made to the national foundation and that the remainder of the fund would be sent in shortly.

Fannie Stephens Club Observes American Art Week

American Art Week, sponsored by American Art Professional League and the General Federation of Women's Clubs, was observed by the Fannie Stephens Study Club Wednesday afternoon, when club members and their guests met in the parlors of the First Methodist Church on Tenth Street.

Mrs. Joe A. Forester, president, welcomed members and guests, and presented the program chairman, Mrs. Lee Parker, who introduced the guest speaker, Miss Eudora Hawkins, director of home service for the West Texas Utilities Co. Miss Hawkins lectured briefly on Indian Arts and Crafts, calling particular attention to pottery making, basket weaving and metal work. Following her lecture Miss Hawkins showed two instructional color films, which portrayed the Navajo and Hopi Indians, their customs and traditions, along with views of their blanket weaving, pottery making and silver smithing.

Following the program, Mrs. Marvin Davies, art chairman, invited guests and members to view various exhibits, consisting of paintings, Indian art, leather and plastic work, which included a number of contributions from local talent.

'Oh, You Beautiful Doll' New Musical-Melodrama to Texas

"Oh, You Beautiful Doll," 20th Century-Fox's very newest musical-melodrama, is the principal attraction at the Texas Theatre Sunday and Monday, November 13, 14.

Produced by George Jessel and directed by John Stahl, "Oh, You Beautiful Doll" tells the story of Fred Fisher, composer of numerous song hits, among them "Peg o' My Heart." Fisher's story, told in flashbacks, starts with the efforts of Larry a song-plunger in the early 1900s, to convert Alfred Breitenbach's classical arias, against the latter's protests, into popular and successful music. Breitenbach, disdainful of popular tunes, allows Larry to sell his songs on the condition that the pseudonym of Fred Fisher is used for his name. Interwoven with the song-writer's climb to success are the episodes of Larry's friendship with Marie, popular singer of the

day, and his romance with Fisher's daughter.

Top-ranking players who interpret the roles include June Haver, Mark Stevens, Gale Robbins, S. K. Sakal and Charlotte Greenwood.

Headed by four star names, a large cast of players was flown to Arizona by Universal-International to appear in "The Gal Who Took the West," Technicolor action comedy to be shown at the Texas tomorrow and Saturday, November 11, 12.

The starring quartet are Yvonne DeCarlo, Charles Coburn, John Russell and Scott Brady. Supporting performers include Myrna Dell, Clem Bevans, John Litel, Russell Simpson and Housley Stevenson.

The story is told by an unusual method. Each of three characters describes Miss DeCarlo as she was 50 years before, but they disagree on important points of her per-

personality. For the final sequence Yvonne is made up as an elderly woman, an odd bit of characterization for the glamor girl.

Miss Jeanne Multer, of Dallas, and Miss Bernice Englert, of Gonzales, visited their parents, Mr. and Mrs. Willie Englert, of Rowena, the past week-end. Miss Multer returned to Dallas Thursday. She will leave Dallas next Monday for Gonzales, where she has accepted a position with the Warm Springs Polio Foundation. Miss Englert went back on duty Sunday.

'Tarzan' Film and 'Casablanca' Next Presentations at Runnels

"Tarzan" comes out of the jungle and ventures into the dead Sahara desert in Edgar Rice Burroughs' "Tarzan's Desert Mystery," a thrilling production starring Johnny Weissmuller, Nancy Kelly and Johnny Sheffield, and to be shown at the Runnels Theatre Sunday, Monday and Tuesday, November 13, 14, 15.

Weissmuller again plays "Tarzan," and young Sheffield is seen as his son, "Boy," while lovely Miss Kelly takes her place beside "Tarzan" in coping with sinister agents in a desperate cause.

"Casablanca," the great Humphrey Bogart-Ingrid Bergman starrer which won the Academy Award, is to be shown at the Runnels next Wednesday and Thursday, November 16, 17.

This prize-winning romantic drama tells the story of wartime intrigue in the colorful North African seaport. Bogart is owner of a cafe to which the political refugees fleeing Nazi Europe come to await visas before moving on. Miss Bergman is one of these and it is Bogart, with whom she was once in love in Paris, who aids her to escape.

Supporting players include Paul Henreid, Claude Rains, Sydney Greenstreet and Peter Lorre.

William Powell and Shelley Winters Star In Comedy-Mystery

One of the screen's best-loved veterans, and one of Hollywood's fastest-rising new stars—William Powell and Shelly Winters—make their debut as a romantic team in Universal-International's comedy-melodrama, "Take One False Step," to be shown at the Texas Theatre next Tuesday, Wednesday and Thursday, November 15, 16 and 17.

Powell, after an absence of several years, is back in his favorite type of film. Once more he is deeply involved in a comedy mystery, moving from one funny scrape to another.

Powell's new leading lady, Miss Winters, is a provocative blonde with soulful blue eyes. She erupted into popularity with her performance as a murdered waitress in "A Double Life."

Supporting roles are played by Marsha Hunt, James Gleason and Dorothy Hart.

Joe Vancil and Jimmy Davenport attended the Texas A. & M.-S. M. U. football game at College Station last Saturday.

Auxiliary Will Ship Gift Shop Articles To Legion Hospital

The Ballinger American Legion Auxiliary has started plans for participation in the gift shops at Legion veterans' hospital. During the next two weeks packages will be assembled and made ready for early shipment to Legion, where they will be placed in the gift shop of the hospital.

The plan of assisting at Christmas in the hospitals was changed last year and proved highly successful.

Some of the gifts most preferred are: hand-embroidered items, tea towels, pillow cases, dresser scarfs, luncheon cloths, pretty lengths of materials for dresses, bath towels, face towels, wash rags, house shoes, boxed stationery, anklets, undies, nylon hose, toys, boxed candy and practically anything that could be used by a man, woman, boy or girl.

Early shipments are stressed in order to allow time for arranging them in shops at hospitals, and giving veterans time to make selections for their loved ones at home.

The Ballinger Auxiliary will assemble the gifts at Stone's store where they will be packed and shipped. November 14 has been set as the date for the first shipment.

National Guard Manual Received By Ballinger Unit

Copies of the national guard "bible" have been made available to members of company I, 142nd infantry, the commanding officer, Lt. Henry B. Edmondson said.

The 726-page national guard manual, first of its kind written specifically to meet the training requirements of the guard, is filled with material on military subjects necessary to the well rounded training of the state's citizen soldier. It is based on the guard's new three-year training program.

Developed by the army organization and training group of the national guard bureau at Washington, and approved by General Omar N. Bradley, then army chief of staff, the manual covers in detail such subjects as leadership, drill and exercise of command, hygiene and first aid, maps and aerial photography, military organizations, individual weapons and marksmanship and military methods.

Lt. Edmondson pointed out that numerous opportunities for advancement to non-commissioned and commissioned grades exist for members of the Texas national guard dependent on individual ability and ambition. He added that company I is currently

accepting enlistments from qualified young men and veterans. Those interested should apply to him at Bruce Field or call 7760 for information.

Tuberculosis Board Meeting Scheduled Here November 14

The executive board of the Runnels County Tuberculosis Association will hold its regular quarterly meeting at the Central Hotel on November 14. The affair will be a dinner meeting and all members of the committee are being urged to attend.

The program will deal principally with the annual seal sale, to be launched in Runnels county on November 21 and continued until Christmas.

Work has already started on the seal sale campaign, envelopes being addressed and seals placed in them. These will be mailed by November 21 to many people in the county, asking them to return checks in payment for the seals and thereby help in this great health program during the ensuing year.

T. Whitehead, executive secretary of the association, is making arrangements for the quarterly meeting.

Proceeding the seal sale, committees will offer bonds to business firms and other large contributors. Efforts will be made to reach a goal equal to that of the past two years and this will permit a continuance of the program outlined.

The Olfen home demonstration club held its regular monthly meeting October 18, eleven members answering present.

Mrs. Theo Halfmann was named living room demonstrator and Mrs. Ben J. Halfmann baking and food demonstrator. The council report was heard and Miss Genevieve Hoelscher and Mrs. Louis Rohlfeld were delegated to attend a demonstration on making cookies and candy.

The following committees were appointed: Marketing—Mrs. A. T. Halfmann

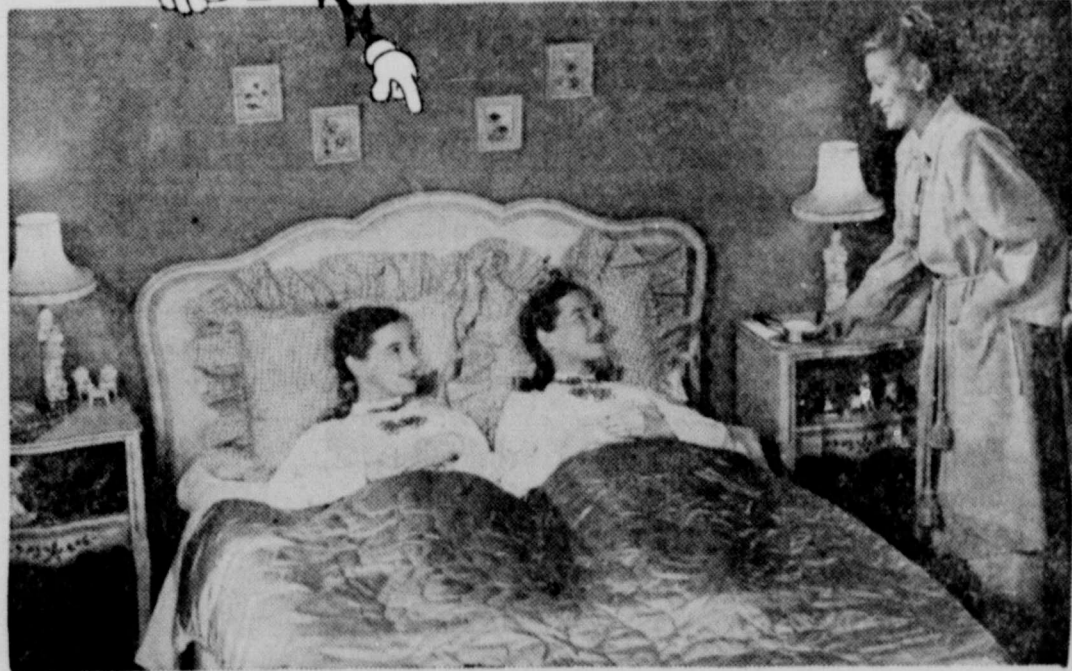

Yearbook—Mrs. J. J. Hoelscher Exhibit—Miss Bernice Hoelscher 3E—Miss Rita Halfmann Finance—Mrs. Ferd Rohlfeld Recreation—Mrs. Alfred Multer

A demonstration on reupholstering was given by Mrs. Wilburn Pelzel and Miss Geneva Eggmeyer.

7th Street Baptist Revival Will Begin On Friday Evening

Rev. Miles B. Hays
 The Seventh Street Baptist Church will begin a fall revival at 7:30 Friday evening, November 11. Rev. Miles B. Hays, pastor of the First Baptist Church, Stamford, will do the preaching.

Rev. Hays is a well known worker among Texas Baptists and the public is invited to hear his stirring gospel messages each evening.

Harold Cartee, student at Southwestern Baptist Seminary, Fort Worth, will have charge of the music for the entire revival. He also will direct activities of the children, who will assemble each evening at 7 o'clock for a booster band meeting.

The public is cordially invited to attend all services.

VARIETIES OF WHEAT FOR AREA SUGGESTED

Extension service workers in Runnels county are striving to have farmers plant wheat varieties that are acceptable to millers and thereby get this county listed favorably by buyers.

A recent chart issued and made available to all county agents gave Runnels county only 30 per cent desirable by millers. This was due to the number of undesirable kinds planted in this county in past years.

Westar, Pawnee, Comanche, Triumph and Wichita are listed as the better varieties for Runnels county and samples of all these wheats are on display at the county agent's office.

Farmers who are preparing to plant their winter wheat are invited to visit the agent's office to inspect the most recent charts showing the counties of the state and their ratings and also discuss the five varieties suggested for this section.

Members of the Ballinger junior high school football team with six junior high school girls, Barbara

Joiner, Ann Stasney, Sally Bailey, Elaine Gressett, Ginger Gurley and Arlene Wessels, presented a negro minstrel at the high school auditorium Friday evening.

Mickey Hart, soloist, sang several numbers, and Gary Ferguson and Jerry Bell sang "I Want to Die from Eating Possum Pie." Tap dances were given by Sally Bailey and Ann Stasney. The other four girls assisting sang as a quartet, and a boys' quartet was heard.

Gross receipts were about \$150. This fund will be used in buying football equipment for the junior high school football team.

NOTES**

All Ballinger streets and avenues will soon be properly marked and all houses have the correct numbers where they can be seen from the street. The Rotary Club took on the project several weeks ago and raised the cash for most of the work and will see the job through. This is a worthwhile project and all citizens are indebted to the Rotarians for this fine civic work.

Ballinger Lions also are due flowers for public work. An eye-testing machine is now in use in the schools of the county which was bought by the local club. The equipment, of the very latest type, has been received and will be operated by the county health nurse and county health supervisor in their work in the schools. This club last year purchased an audiometer for testing hearing.

The Runnels County Tuberculosis Association is preparing to raise funds to carry on its program for another year. The 1949 Christmas seal sale will begin on November 21 and continue until Christmas. During this period it is hoped to sell approximately \$4,000 in seals to Runnels countians. The value of the work of

A total of \$356.41 had been contributed in the Miles section for the emergency polio campaign up to the past week-end and two committees had not reported. C. C. Pippin, local chairman, was assisted by Joe G. Simmons and B. E. Volander, who canvassed the business district.

The Comanche Lions Club concluded a program contest Tuesday which proved highly successful. During the year various committees have presented programs and the members will vote on the outstanding program of the year and the committee which arranged it will be given a free trip to a

this organization cannot be questioned. Each year it gives patch tests to all school children and where necessary, follow-up with chest X-rays. One county-wide chest X-ray program has been conducted and it is planned to again bring a state mobile unit to the county in 1950 to make chest pictures possible for every adult and high school senior. In addition to this work, the association gives aid to many tubercular cases and their dependents, provides hospitalization for some and during the year has numerous indigents X-rayed for positive diagnosis. Watch for the envelope containing seals and when it arrives fill out a check and mail it to the association as your part in this worthy health project.

Many people of this section will be on the highway tomorrow in going to the Ballinger-Coleman football game. All are urged to drive carefully and thereby help forestall accidents. More than 1,000 Ballingerites have already purchased tickets and it is estimated that another 1,000 local fans will attend. This will put many cars on the highway at the same time and create a traffic hazard. Check your car for defects and drive carefully.

Southwest Conference football game. The trip will include tickets and expenses for the members and their wives. The plan has brought a number of excellent programs before the club during the past twelve months.

Three new additions to Brady were taken in last week by the city council. The Lawler plot was approved for annexation and two other additions which experienced considerable growth during the past year had previously been approved. The three new sections adjoin each other in the southern portion of the city. Still another subdivision has been laid off in 66-foot lots and construction of restricted residences will be begun in the near future. All utilities will be provided.

The Armistice Day celebration at Menard tomorrow will include an auction by the Parent-Teacher Association. The American Legion post will assist in the day's features, staging a parade to open the program at 10 a. m. Following the parade the auction will be held at American Legion Park. Last year the Menard P.T.A. spent \$3,410 on the high school band, lunch room, school library, music records and recorder, the health program, a public address system and other school needs.

The Concho county soil conservation district, Paint Rock Lions Club and the extension service sponsored a tour of the O. L. Sims ranch this week. A large group assembled at Paint Rock for the trip, the main purpose of which was to inspect the planting of King Ranch bluestem grass and other grasses on the ranch. K-R bluestem is reported to have done well in this section.

Paul Good, Coke county sheriff and tax collector, reported that last month's payments of taxes had been good, about 80 per cent of the rolls being paid on October 31. The Sun Oil Co. was the largest tax payer, being receipted for \$93,000. The discount offered for

Striving Toward Peace

On November 11, in 1918, an armistice ended the first World War, and the hope was born for permanent peace. This hope was not realized, but it is a goal toward which we have steadfastly set our minds and our hearts.

Our wars enabled us to continue to live in the way of our choice—the American way. On Armistice Day we honor those who died to safeguard the principles of life and liberty which we hold dear. The greatest tribute we can pay to them is to preserve by the strength of unity the peace for which they fought.

bers. The boys started the past week-end on this task, which is the last of the street marking and house numbering campaign. The boys will work in groups with supervisors and will have the numbers, ladders and other equipment for putting the numbers on each residence.
A big Armistice Day program is to be presented at Brownwood tomorrow in which many civic groups of the city will participate. A parade with the theme of "The Four Freedoms" will open the celebration and other features are to be presented. Floats featuring

the "freedoms" will be entered in the parade and prizes are to be paid for the best. The main afternoon attraction will be the Brownwood high-Ablene high football game in the afternoon and school officials anticipated a sell out at Lion stadium.

Latest oil development in Coleman county finds two locations staked within the city limits of Coleman. Work on the new tests will get underway about November 15 and the new field south of Coleman will be given extension play. Several other wells are being drilled south of Coleman and two were brought in last week. Tanks and separators were to be installed before taking the potential gauges.

More than 800 former members of the Talpa Immanuel Baptist Church attended the home-coming program on Sunday of last week. The program started at 10 a. m. and was concluded at 4 p. m. A telegram was received from Gov. Allan Shivers expressing regret that he could not attend and another from President Truman's personal secretary extended con-

gratulations. A number of former pastors were heard during the day. Rev. Burgess P. Baggett is pastor of the church.

Two gins operated at Rowena had turned out 5,337 bales of cotton up to Thursday of last week. The gins were operated last week at full capacity, 24 hours a day, and there was still much unpicked cotton in fields of the vicinity.

B. C. Murphy, grader for the government at Rising Star, said last Thursday that a total of 694 tons of peanuts had been received there this season. Murphy said by the end of this week the nuts would be sufficiently dry for ready sale. Farmers have been told to expect a heavy acreage cut in peanuts for 1950. The department of agriculture has revealed that Texas acreage will be cut about 200,000 acres.

That's what we said -

PRICED LIKE A SIX!

PARDON us if we appear persistent on one point.

But we still find people who look over this new Buick SPECIAL, admire its style, its room, its handy but impressive size, and say:

"It's wonderful! Too bad it's too rich for my blood!"

That's our point—*How do you know?*

Have you gone to see this car—and learn how very much there is in it?

Have you got the actual delivered price figures—including the equipment

you want—and matched them against others?

Have you worked out down payment, trade-in, monthly installments? Have you weighed this against the longer period of years you'll be happier with this Buick—and Buick's established high level of resale values?

Some surprising things show up when you do this.

You find you can raise your standard of car travel—step up to Buick levels of style, comfort, handling, ride, power—more easily than you think.

Rotarians Complete Street Marker Fund; Purchase Standards

The Ballinger Rotary Club has placed an order for street markers and expects to have them here and ready for installation by November 25. A total of 156 signs were bought and will place a sign at each intersection from Third to Thirteenth streets and from Sealy Avenue to Broad Street.

Stakes are being driven for the locations and anyone who does not want a sign on his corner is asked to get in touch with the Rotary committee at once. It is very desirable to have all signs erected on the same corner throughout the city.

E. Shepperd, a member of the committee, said that two-inch boiler tubing had been purchased for the standards and is now being cut and painted. Aluminum paint is being applied on the upright pieces.

A contract has been set for digging the holes and a power posthole digger will be used in most sections of the city. In a few places where there is much rock, hand labor will be employed. Later a contract will be let for putting the standards in concrete.

Efforts will be made to have all signs in place and all houses properly numbered before Christmas.

A few streets not included in the program can be taken care of later in case there is enough interest and payments from property owners.

Members of the committee stated that the fund was short but the club will make up whatever deficit there is when the project is completed.

Mr. and Mrs. Ramsey Randolph and son, Frank, of Junction, were guests in the home of Mr. and Mrs. Joe Forman the past week-end.

Civic-Garden Club Holds Annual Flower Show

The Ballinger Civic-Garden Club held its annual flower show and entertained guests at a program tea in the Library Tuesday afternoon.

The large assembly room was decorated with floral arrange-

ments in the bright colors of autumn where Mrs. W. O. Irby presided for the business. Mrs. Tom McEntire, nominating committee chairman, submitted the following names, who were elected: president, Mrs. E. Shepperd; first vice-president, Mrs. Cal Adair; second vice-president, Mrs. Roy L. Hill; secretary, Mrs. W. O. Irby; treasurer, Mrs. A. O. Bartlett; historian, Mrs. Beulah Frazier.

Mrs. Chester Cherry, program chairman, spoke on the Early His-

tory of Thanksgiving and Mrs. A. B. Stobaugh talked on horticulture. Mrs. J. O. Satterwhite outlined period flower arrangements. Six displays of flowers grouped in Dutch and Flemish of the 17th and 18th centuries, the Victorian, Georgian, French, Colonial and modern styles were explained by Mrs. Satterwhite, by pointing out the combinations of colors, the adding of fruits to some exhibits, combining of figurines and other methods.

Other displays featuring artful arrangements of autumn blossoms and unique centerpieces using fruits, garden vegetables, nuts, nandina berries and autumn leaves carrying out the Thanksgiving theme were arranged by Mrs. Shepperd, Mrs. C. F. Bailey and Mrs. Cherry. Other beautiful chrysanthemum bouquets were displayed by Mrs. C. E. Jones, Mrs. O. R. Lasater and Mrs. Frazier.

Mrs. L. P. Johnson, of Abilene, an affiliated State Flower Show judge, gave a talk and practical

demonstration on correct flower arrangements. Mrs. Johnson offered a critical analysis of representative examples on the basis of color combination, relation to container, design suitability of combination material, and the place of display.

At the tea hour Mrs. Irby presided at the frosted punch and Mrs. Bill Clark served cookies and presented yellow mum corsages. The lace-laid table was centered with a low bowl resting on magnolia leaves with floating silver wedding chrysanthemums which was arranged by Mrs. Shepperd.

Arrangements for the flower show and tea were made by the program committee, Mmes. Lee Maples, Cherry, Satterwhite and D. R. Hall, and the flower show committee, Mmes. James A. Wear, E. A. Saunders and Frazier.

The period displays were arranged by Mrs. Satterwhite, Mrs. Frazier and Donald Phillips.

Thirty-five members were present, and guests from the Winters Garden Club were: Mmes. Ralph Lloyd, W. E. Coley, W. R. Gannaway, Keet Dunn, W. D. Sanders, Homer Ford and Howard Baldwin. Other visitors were Mrs. Fraser Wishart of Edinburgh, Scotland; Mrs. Sam Kennedy, chairman of the Flower Show Schools and Clinics of the Abilene Garden Club; Mrs. D. L. Vestal and Mrs. J. S. Williams.

Those present were: Rev. and Mrs. C. D. Wooten, Messrs. and Mmes. Ernest Caskey, Ed Curry, Wylie Hearne, Charles Webb, Gene Keel, Clyde Simmons, Curry Brookshier, Mack Young, Dillon, Tom Epting, Eldon Holley, Tom Adams; Mmes. E. B. Davidson, Bill Selby and Fred Middleton.

Miss Hazel Juanita Lee Weds James Vyrie Lee at Abilene

The Fourteenth and Vice Street Church of Christ in Abilene was the scene Friday evening at six o'clock of the wedding of Miss Hazel Juanita Lee and James Vyrie Lee.

Mr. and Mrs. C. H. Lee of Maverick are parents of the bride and Mrs. A. W. Reed of Ackery is the mother of the bridegroom.

Homer Hailey, minister of the Graham Street Church of Christ in Abilene, read the double ring service. Woodwardia ferns formed the background for the wedding scene, with light from white cathedral tapers in floor candelabra silhouetting white calla lilies against the greenery.

Staff North directed a chorus which sang the Bridal Chorus from "Lohengrin" and Mendelssohn's "Wedding March". Miss Sheila Hunter, Kansas City, Kansas, sang "Because" and the bride's cousin, Betty Jane Simmons, sang "I Love Thee."

Given in marriage by her uncle, Malcolm Morgan of Ballinger, the bride wore a sweeping princess-styled gown of bridal satin fashioned with an imported Chantilly lace yoke and sleeves. The bodice and sleeves were designed with seed pearls. Her fingertip veil of illusion was attached to a halo of pearls and illusion. She carried white orchids and white roses showered with ribbons on a white Bible.

Miss Joy Younger, roommate of the bride at Abilene Christian College, was maid of honor. She wore an ice blue satin gown made similar to that of the bride. Her short veil fastened to a shirred head band. She carried a bouquet of calla lilies and pom-pom mums.

Miss Wanda Morgan of Stephenville, the bride's cousin, and Miss Sue Gibson of Abilene were bridesmaids. They wore matching headbands of shirred satin and net, and carried calla lilies and pom-poms.

Misses Wanda Moody of Dodge City, Kansas, and Ann Yowell of Gilmer, lighted the candles. Their dresses were identical to the bridesmaids' and they wore wrist corsages of white pom-poms. Sue Denton of Ballinger, the bride's cousin, was flower girl.

Ronny Bradshaw of Ballinger, the bride's cousin, and her nephew, Charles Ben Lee of Maverick, were ringbearers. Max Lipscomb of Austin was best man. Ushers were Willie Anderson, Wichita, Kansas, and Joe Ward of Sidney.

A reception followed in the parlors of McKenzie Hall at ACC. White calla lilies were used for decorations. Bridesmaids bouquets centered the bridal table. Miss Rita Walker presided at the punch bowl.

For the wedding trip to South Texas the bride wore a royal blue suit with white and Balenciago accessories. Her corsage was of white orchids.

Mrs. Lee graduated from Norton high school and is a senior at ACC. She is a member of the West Texas Club, home economics club and several other social clubs. The bridegroom graduated from Ackery high school and ACC and also attended Texas Tech and the University of Texas.

Armistice DAY

NOVEMBER 11

Just 31 years ago today, the first World War officially ended—on the 11th hour of the 11th day of the 11th month. The war had cost 37,508,686 military casualties, immeasurable human suffering, and billions of dollars; when hostilities ceased, there was deep rejoicing.

We will be closed tomorrow in observance of Armistice Day.

The First National Bank of Ballinger

The club president, Mrs. W. J. Hembree, welcomed guests in the large living room of the Ballinger Country Club, and presented Mrs. Ford Taylor and her sister-in-law, Mrs. Alice Taylor Moseley, of Brownwood, who was the guest speaker, and Mrs. J. O. Satterwhite.

Mrs. Paul Petty, art chairman, introduced Mrs. Moseley, and stated that Mrs. Moseley was an educator and lecturer in addition to being an artist. She is a graduate of the Art Institute, Chicago, and holds a master's degree from Columbia University, New York. She is now teaching art in the Brownwood schools which includes all mediums, such as water colors, oils, lithographs, miniatures on porcelain and hand decorated china and ivory.

Mrs. Moseley spoke mostly on various art found in Persia, Egypt, France, Russia, China and Japan. She also told briefly of her experiences as a painter in the New England states and in Mexico. Following her talk she showed her own paintings, lithographs, miniatures and china. A collection of jewelry, a jacket, shawls and other oriental gifts which had been given her also were displayed.

The social committee, Mmes. J. G. Tuckey, Dorsey Read and K. V. Northington, was assisted by Mrs. Satterwhite in serving a sandwich plate with cheese wafers and spiced punch. The artist's palette theme was used on the refreshment plate appointments and as floral arrangements of chrysanthemums and other fall flowers.

Special guests were Linda Cloninger, Sarah Chandler and Midge Adair, members of the Humming Bird Brownie troop, which the club sponsors.

Other members and guests were: Mmes. Edgar Boelsche, Ernest Cezeaux, Chester Cherry, Marvin Clark, Sim Cottelle, Arthur Giesecke, Loyd Herring, B. C. Kirk, Lela McAdams, T. J. McCaughan, Orland Middleton, F. C. Miller, Q.
