

### SPECIAL NOTICE REGARDING PIANOS

Prices have advanced several times in the last few months, and our factories tell us we may expect more price advances at any time, and one factory told us that they would not be surprised if they were out of pianos by March 1.

We have a few pianos that we are selling at LESS than the old list prices. When these are gone, we will, of course, be forced to sell at higher prices. If you are interested in a new piano write us here at Gainesville, or call Miss Marryatt Smith in Ballinger.

We allow extra high prices for old pianos.

## Capacity Crowd Attends Jaycee Football Banquet

The 1951 Jaycee banquet honoring the Ballinger Bearcats was held Monday night at the high school cafeteria, more than 300 attending.

The honor guests and fans assembled in the high school gymnasium, here preliminaries were held and the invocation was spoken by Rev. B. J. Martin. The banquet was served and the program was presented in the

cafe-teria. George Newby, master of ceremonies, presented the Jaycee president, Bob McGarvey, who extended the welcome to the guests and introduced the coaching staff, composed of Douglas Cox, Frank Barnett and John Drennan. Coach Drennan, who is leaving this week for Roysie City, was unable to attend. Harold Merrifield and Jimmie Parrish, all-

district selections from the Ballinger team, also were introduced. Charles Hambrick presented the speaker for the program, George Sauer, head coach at Baylor University, Waco. Coach Sauer proved an excellent after-dinner speaker, aptly mingling humor with serious thoughts in an entertaining manner. The speaker said that our athletic program was part of the

American way of life and urged that it be retained. He praised football for the part it played in character building and in producing leaders and quoted military leaders of the last war to verify this statement. Directing remarks to the team members, he told the boys that if they needed urging, they should take an inventory of themselves and would find out they were not giving their best.

Near the end of the program checks were presented the coaches in appreciation from the fans for their fine work of the past year. A spur clip and a \$50 Stetson hat were given the guest speaker.

At the conclusion of the program the audience went to the high school auditorium where a motion picture of the Baylor-A. & M. football game was shown.

protect your child  
against whooping cough

WORLD-WIDE in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old.

Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.

We carry fresh stocks of vaccine under refrigeration at all times.

Any fortune teller will tell you that palm reading is tricky stuff. Because no two hands are exactly alike. The hands shown above, for example, reveal different temperaments and abilities. Most American hands, however, have this similarity: they belong to owners of business-managed electric companies like the West Texas Utilities Company.

Several million Americans, in every walk of life, own the securities of these companies.

And some 72,000,000 are indirect owners, through their life insurance and savings accounts. For when banks and insurance companies accept your money, they must invest it wisely, and much of it goes into electric light and power companies.

## Built in Texas... and helping build Texas

**Ford is the only Automobile Manufacturer Building Cars and Trucks in Texas**

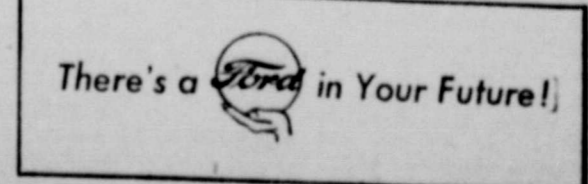

ALL THE FORDS made are not built in Detroit. There are plenty of them built right here in Texas—last year over 128 million dollars worth of cars, trucks, parts and products were made at Ford's Dallas Assembly Plant. What's more, 1,722 Texans put them together or followed through with their consignment to dealers in the Dallas, Houston, Oklahoma City and New Orleans Sales Districts.

The folks who work in Ford's Dallas Assembly Plant and District Sales Offices earn over \$7,000,000 every year. They spend it mostly in Texas. Texas benefits from Ford in other ways, too. For example: during 1950 Ford bought over \$1,000,000's worth

of material and supplies from Texas merchants and manufacturers and paid over \$7,500,000 for incoming and outgoing transportation. Then, too, there is a total of over \$148,000 paid by Ford in local and State taxes.

Yes, Texas is building a lot of cars and trucks for Ford... and in the process Ford is helping to build Texas, too!

**Irene Dunne Starred with MacMurray In Romance 'Never a Dull Moment'**

Irene Dunne and Fred MacMurray co-star in "Never a Dull Moment," RKO Radio comedy, to be presented at the Texas Theatre Sunday and Monday, January 21, 22.

"Never a Dull Moment" chronicles the topsy-turvy heart throbs of a beautiful New York songwriter who marries a rodeo performer she has met at a charity performance. Transplanted to her husband's western ranch, this sophisticated Manhattan lass finds life utterly rugged, bewildering and—ultimately—delightful.

Her efforts to adapt herself to the ways of the life into which she has been transplanted, and to make a home for her husband and his two suspicious children, lead to ludicrous situations and untold mirth. Serious elements are added by the enmity of a neighboring ranchman and the determined efforts of a former admirer of the wife to lure her away from her rough-riding husband and back to the familiar life of New York.

Aiding in the fun are William Demarest, as the grouchy neighbor; Andy Devine, as a foreman; Gigi Perreau and Natalie Wood, as the children; and Philip Ober, as the would-be reinstated suitor. Miss Dunne sings two songs in the film, "Once You Find Your Guy"

and "The Man with the Big Felt Hat."

**Two Strong Dramas Runnells Latest Films**

"The Glass Menagerie," Warner Bros. drama, which concludes a three-day run at the Runnells Theatre tomorrow (Friday), deals with a family caught in an undertow of poverty and unrest until the cheerful "gentleman caller" comes to dinner and changes their whole life.

Jane Wyman, Kirk Douglas, Gertrude Lawrence and Arthur Kennedy are the top players.

"Crisis," a new drama of adventure, romance and excitement-packed suspense, is the attraction at the Runnells next Wednesday, Thursday and Friday, January 24 through 26. Stars are Cary Grant and Joe Ferrer, with the lovely new M-G-M "find," Paula Raymond, in the leading feminine role, and with a supporting cast featuring Signe Hasso, Leon Ames, Ramon Novarro and Gilbert Roland.

As a courageous surgeon, Cary Grant plays his first dramatic role in some time, coming on top of comedy parts in such pictures as "Every Girl Should Be Married," "I Was a Male War Bride," and "The Bachelor and the Bobby Soxer."

**'Three Little Words' is Technicolored Musical**

"Three Little Words," attraction at the Texas Theatre Tuesday and Wednesday, January 23, 24, offers a big M-G-M Technicolor musical with a heart-warming story, eleven of America's best-remembered song hits of the past quarter of a century and a great cast topped by Fred Astaire, "Red" Skelton, Vera-Ellen and Arlene Dahl.

Supporting parts are portrayed by Keenan Wynn, Gale Robbins, Gloria DeHaven, Phil Regan and Harry Shannon. A number of specially written songs and dance numbers are offered by the principals.

**'Cheaper by the Dozen' 'Barricade' to Hillcrest**

"Cheaper by the Dozen," a warm and tender comedy about a family of twelve children, and "Barricade," story of a two-fisted man and his girl who risk death to defy the ruthless boss of a gold-mining camp, make up the double feature program at the Hillcrest Drive-In Theatre Saturday and Sunday, January 20, 21.

Clifton Webb, Jeanne Crain and Myrna Loy have the leading roles in "Cheaper by the Dozen," 20th Century-Fox Technicolor adaptation of the true-life best seller.

Dane Clark, Ruth Roman and Raymond Massey co-star in "Barricade." Robert Douglas, Walter Coy and Morgan Farley portray important supporting parts.

A large number of workers in the county swung out Monday morning to raise the money needed to meet the quota for the March of Dimes. More effort is being put into the drive for this cause than ever before. During the past two years officers of the Runnels county chapter have spent several thousand dollars to care for cases which developed in this county. Twice, large grants were obtained from the national infantile paralysis foundation to help meet expenses here, and at the present time the local chapter is about \$3,000 "in the red." More than \$10,000 has been given this county by the national organization in the past two years and all of this has been spent in addition to the money on hand. This represents an amount far greater than the county has contributed in many years. After the personal solicitation is completed, various other means will be taken to raise money. Coin collectors will be found in many stores and leaders for the campaign plan a number of special events to attain the goal. During the two years when polio reached epidemic pro-

portions, every patient in this county who needed financial aid was helped. Every Runnels citizen is asked to be generous in giving to this cause.

Members of 4-H club and F. F. A. chapters will have their choicest animals on exhibit in Runnels county livestock show here tomorrow. Boys have worked for several months feeding and grooming these animals for the first show of the season and a big part of the reward for their efforts will be in their friends coming to view their accomplishments. The show will be unusually large this year in that for the first time in Ballinger, it will be county-wide. It will include fat calves, hogs, sheep and capons, some of which probably will be taken to the larger shows in the state, where they will provide real competition. The show has been moved to a downtown building in order to get more space and it will require only a few minutes to reach the location. Both of these organizations are doing good work in preparing farm and ranch boys for a better life in the future. Show your appreciation by attending their exhibit.

Ballinger is now in line for the reactivation of Bruce Field as a training center for pilots under civilian operators. When it was learned such a program was to be launched, quick action was forthcoming here. Representatives were sent to Washington and to the headquarters of the air force training command to present Ballinger's claims for a designation. Follow-up work will be continued until all the proposed schools have been placed. Bruce Field offers one of the best pieces of land, perfect drainage, more flying days per year and many other advantages. Its past record also is a benefit and some of our best citizens today are the men who received friendly hospitality when they came to this city to train in World War II.

**WEST TEXAS NOTES**

The March of Dimes campaign was started in Concho county Monday and a number of organizations are assisting. Home demonstration clubs were in charge of the drive at Paint Rock, Millersview, Lowake, Henderson and White Point. At Eola the study club is in charge and at Eden the campaign will be organized by M. J. Green. The campaign will end on January 31 and it is hoped to raise one of the largest sums ever contributed to this cause. Concho county has had a number of cases of polio in the past two years.

Mayor H. O. Whitt, of Bronte, has issued an appeal to the citizens of that town to conserve water in every way possible. He declared that the water situation is getting more critical every day and asked that patrons use water only when necessary. He said that the acute shortage was caused by temporary trouble and that the town was not completely out of water. Pump breakdowns and well cave-ins caused the immediate shortage, but there is need for conservation.

Terrell Graves, Coleman school superintendent, told a local service club last week that a junior high school was needed in that city. Mr. Graves stressed the fact that ward schools were built to take care of 800 students and this year 1,066 were enrolled in the two buildings. Trustees favor a plan to erect a junior high school on the high school campus where some 300 students of the seventh and eighth grades can be taken care of adequately. It is probable that a bond election for \$180,000 will be submitted to the voters of the district.

Citizens of Mozelle regularly hold "town hall" meetings where community problems are discussed in the open and cooperation is given proposals that meet the favor of the majority. Most of these meetings are held by the Farmers Club and all who attend

are allowed the right to bring up any problems for which he believes the community has an interest. In recent months much has been accomplished by this method.

The Comanche county telephone cooperative is now receiving applications for service. Good progress has been made in signing patrons for service, more than 800 having indicated their desire for telephones. Engineers are making maps of the county, showing places where service has been requested and upon completion will make application to the rural electrification administration for a loan to construct the lines. Some communities south of Comanche have signed up 100 per cent and during the making of applications many who have not signed lists are expected to ask for phones.

Preliminary work has been started on the construction of a casinghead gasoline plant eight miles south of Rising Star. Purpose of the plant will be to manufacture casinghead gasoline, propane and butane and possibly synthetic rubber. A 20-acre lease has been acquired by the company on the A. O. Angel place and it is estimated that about \$200,000 will be spent on the plant.

Representatives of the David S. Castle Co. recently told Winters citizens that the present physical properties of the Winters school are not adequate to carry on a well rounded educational program. The company was employed by the board to make a survey of the community needs as the first steps of an expansion program. Costs of the expansion are estimated at \$750,000. Plans call for a new gymnasium, a lunch room, an elementary school building and a band hall. The growth of Winters due to oil production has caused a crowded condition in most of the buildings.

Construction was started at Brownwood last week on the \$398,880 federal housing project. The first structure will be an office

**Forecast... Cold and Stormy**

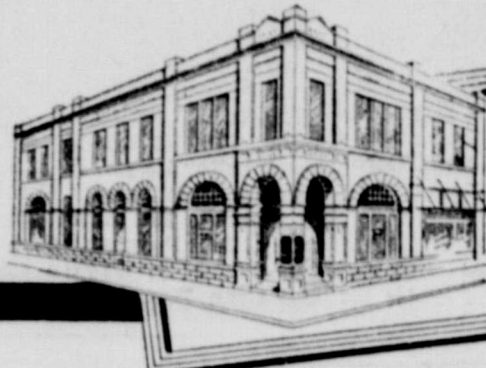

We have never posed as weather prophets, but it is safe to predict that each winter will have many cold, blustery days. This one has been unusually severe. It has brought frigid temperatures and crippling storms to regions where they are seldom known.

But even when it is stormy it is easy to bank by mail. A trip to town may be avoided with a saving of time during this long season of short days. It is a simple operation to mail deposits, when it is inconvenient or impossible for you to come in person, and service is dependable, for the mails must go through.

No matter where you live you can bank with us by mail. Some mail deposits from many miles away. They appreciate the importance of dealing with a strong bank where their business will be highly valued.

### Mrs. Haliburton Complimented at Gift Tea

Mrs. David Haliburton, who before her recent marriage was Miss Isolda Bukkemper, was paid a pretty compliment Monday afternoon when Mmes. W. J. Ealfmann, Charles Ocker, W. J. Egemeyer, J. T. Haechten, Tom Egan and Harvey Schraeder were hostesses at a pretty gift tea in St. Joseph's Hall at Wadena, including 150 friends of the honoree.

The bride's chosen colors, white

and green, were given decorative emphasis in all details with the tea table centered with a miniature bride on a reflector encircled with ferns and flanked by white candles in double crystal holders. Mrs. Erwin Halfmann registered guests in the bride's book at the table appointed with miniature bridesmaids.

The game, "Rambling Through the Bride's Kitchen" and other games were played at which prizes were won by four guests, which were presented Mrs. Haliburton.

EISENHOWER PICKETED . . . The Denver home where General and Mrs. Eisenhower spent Christmas with Mrs. Eisenhower's parents was picketed by three Denver housewives who said their action was merely in protest against rearming Germany. They claimed great respect for the general. They identified themselves as (left to right) Mrs. Lee Wood, Mrs. Bailey Lindemeyer and Mrs. Susan Clute. Three Denver housewives haven't been the only ones voicing opposition to German rearmament. France has repeatedly held up Atlantic pact conferences protesting German rearmament, and the Germans themselves, in a recent election, indicated strong dislike for bearing arms.

The honoree was assisted by her sister-in-law, Mrs. Leon Gibson, in opening gifts from the shower.

Miss Geneva Eggenmeyer and Mrs. Alfred Moulter assisted the hostesses in serving chicken salad sandwiches, potato chips, angel squares and coffee. Plate favors were plastic brides on heart-shaped candy bases.

Out-of-town guests were: Mmes. Weldon Buxkemper, Joe Halfmann, Alex J. Halfmann, Frank Gerngross, Fred Richter, all of San Angelo; Mmes. Norbert Halfmann and Rupert Beach, Paint Rock; Mmes. W. H. Shiller and Edwin Book, Miles; Mmes. Harry Halfmann, Bennie Wilde, Roman Lange, Arnold Fuchs, Charles Halfmann, and Miss Lydia Halfmann, Olfen; Mrs. D. J. Goetz, Winters; Mmes. Jack Haliburton, Ray Fuqua, Johnnie Wessels, W. O. Middleton, Charles Dankworth, E. M. Batts, O. W. Priem, Wallace Barnett, Leon Russell, S. E. Cloninger, Price Middleton, George Newby, Kenneth Feist and Allen Davis, Ballinger.

Current Book Club Installs New Officers

Arrangements of daffodils, acacia and yellow mums decorated the home of Mrs. John Barton on Eighth Street where members met for their regular monthly meeting and for the installation of officers Tuesday afternoon.

Mrs. J. O. Satterwhite directed the business period and also con-

ducted the installation service when the following were installed: president, Mrs. J. W. Guynes; vice-president, Mrs. O. R. O'Neill; secretary-treasurer, Mrs. Tom Caudle. After Mrs. Guynes took the chair, she appointed the following committees: program, Mmes. O'Neill, Jack Nixon and Chester Cherry; social, Mmes. Satterwhite, A. H. Dallinger, and Barton; library chairman, Mrs. J. W. Barr; and reporter, Mrs. Alex Saunders.

Mrs. Sam Behringer, program leader, introduced Mrs. Price Middleton, who gave several readings by Laura Ingalls Wilder and Edgar A. Guest. At the conclusion current books were exchanged.

Mrs. Barton served pecan pie topped with whipped cream with coffee from the dining table centered with a fruit arrangement.

Others were: Mmes. O. R. Lasater, O. C. Sykes, C. A. Watson, James A. Wear and Gertrude Woods.

### Presbyterian Evening Circle Meets in Rue Home

Mrs. Alvin O. Rue was hostess to members of the Evening Circle of the First Presbyterian Church, U. S. A., entertaining in the home of Rev. and Mrs. Rue on Eighth Street Monday evening.

The meeting was opened with the group singing "He Lives." Miss Eva Lilly brought the devotional, which was followed by the installation of officers. Miss Eunice

presided at the silver coffee service from the dining table which was appointed in the Valentine theme. Mrs. Stultz assisted the hostess in serving cookies.

Others besides those mentioned were: Mmes. Walter F. Lange, Kathleen Windham, Roy Hill; and Misses Maggie Lilly and Frances Routh.

Mr. and Mrs. Walter F. Mueller returned Sunday from Portales, New Mexico, where they visited relatives.

Maybe it isn't a disgrace to be poor, but it's mighty inconvenient.

## Girl Scout Troop No. 7 Meets

Mrs. R. A. Hanson, leader of Girl Scout Troop No. 7, met with members in the Scout Home Tuesday afternoon where work on good health and good grooming charts were discussed and studied. After the business routine and reading the Scout Pledge, the group set Saturday, January 13 as the date for a hike to the city park. Peggy Virden was hostess to the group and served sandwiches and hot chocolate. Others were: Mary Ann Buchanan, Linda Darby, Gwen Wade, Jane Brevard, Shirley Polsten, Dorothy Sue Heath, and Carol Sue Berry.

## Ace of Clubs Entertained by Mrs. Sommer

Mrs. Edward Sommer hosted Mrs. F. G. MacGowen, of Houston, as an extra guest when she was hostess to members of Ace of Clubs last Thursday afternoon. The Sommer home on Ninth Street was given added beauty by arrangements of red roses and red carnations, and potted azaleas, where games of contract were played. Mrs. W. O. Irby won high score prize and the bingo award went to Mrs. Price Middleton. The hostess served a salad plate with cake and coffee. Others were: Mmes. H. G. Agnew, George Newby, Earl Barr, John Bradley, W. E. Moss and Sam Conner.

## Miss Betty Hudgens, Gene Ischar Wed in Home Ceremony

In a ceremony performed at seven-thirty o'clock Saturday evening, Miss Betty Hudgens, daughter of Mr. and Mrs. T. M. Hudgens, became the bride of Gene Ischar, son of Mrs. C. V. Ischar. The Rev. C. D. Wooten, pastor of the First Methodist Church, read the double ring ceremony in the rural home of the bride's parents, before an altar of ferns and baskets of yellow gladioli. Relatives and close friends were in attendance. The bride wore a two-piece dress of winter white wool. The high neckline jacket with Peter Pan collar, fashioned with dolman sleeves, was trimmed with self covered buttons. Her only ornament, which was something

old, were gold earscrews. Her corsage was of yellow gladioli. Miss Evah Jo Payne, aunt of the bride, was maid of honor. She wore a dress of winter blue gabardine with black accessories. Her corsage was white carnations. Mr. Henry Fowler attended his brother-in-law as best man.

After a trip to the Carlsbad Caverns in New Mexico, and to the Davis Mountains, the couple will be at home on Eighth Street in Ballinger. Mr. and Mrs. Ischar are graduates of Ballinger High School. They are both employed at the Western Auto Associate Store.

Mrs. Don Atkins and Mrs. Barnett Frank, leaders of Brownie troop No. 3, met with seventeen members Friday afternoon at the Scout Home where snow cards were made following the regular Brownie activities.

Linda Tuckey and Margaret Warren were hostesses and served refreshments. Mrs. Eugene Baker was hostess to members of the Friendly Neighbors home demonstration club last Friday afternoon, entertaining in her home. The meeting opened with a prayer and members answered roll call by giving their favorite magazine article. Mrs. Eugene Baker presided at the business routine and named the following committees: program, Mmes. Johnny Wessels, Leon Russell, W. J. Curtis; finance, Mmes. A. W. Tyree and Cecil Lander; three-E, Mmes. C. T. Moonen and Chester Barnett; yearbook, Mmes. Charles Stubbfield, Harold Mueller, M. A. Dusek; marketing, Mmes. Roy Tyree and J. A. McClelland; recreation leaders, Mrs. Lee Parks and Mrs. Merle Taff; 4-H chairman, Mrs. C. T. Moonen. At the conclusion, magazine articles were exchanged. The hostess served a sandwich plate with punch to sixteen members and one visitor, Mrs. Roy Baker. The next meeting will be

held in the home of Mrs. Raymond Berryhill. CLAUDE WILMETHS OBSERVE 64th WEDDING ANNIVERSARY Mr. and Mrs. Claude Wilmeth observed their 64th wedding anniversary here last Friday at their home at 509 Broadway. Mr. Claude Wilmeth and Miss Josephine Kendall were married on January 12, 1887, in Collin county. They resided at McKinney prior to moving to Ballinger in 1915, where they have made home since. Until six years ago Mr. Wilmeth operated a meat market in Ballinger. He had to retire because of failing health. The couple had three children, one son and two daughters. The son died during the influenza epidemic in 1918, and a daughter, Miss Fannie Wilmeth, died several years later. The other daughter, Mrs. Joe Blagg, makes her home with her parents here. Mrs. Wilmeth has one sister, Mrs. S. W. Chaney, of McKinney, and a brother, J. P. Kendall, of Eldorado, Oklahoma. Mr. Wilmeth has two sisters, Mrs. Will L. Newsom, of Fort Worth, and Mrs. Fred Turner, of Cooper. The couple have two grandsons, Joe W. Blagg and Raymond Blagg, both residents of Brownwood, and they have one great granddaughter and a great grandson. No special celebration was held in observance of the anniversary.

## Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B, B<sub>12</sub>, Niacin and Iron, which HADACOL contains. Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

Lone Star delivers  
comfort, cleanliness and convenience  
to 17,871 new stores

If you go shopping today, the comfort of the store you trade at will likely be provided by Lone Star Natural Gas Service. The store will be cleaner and the merchandise will be fresher because natural gas is so clean.

It is impossible to imagine a modern and successful store without natural gas service. In the last five years 17,871 new stores have been opened in cities we serve. That's one of the reasons for our building program in which we have invested over 80 million dollars. Though virtually all materials and labor for building natural gas pipe lines, compressor stations and other facilities have gone up in price, our commercial rate has not been increased. The truth is, Lone Star commercial rate for stores is lower today than 10 years ago.

Lone Star is keeping abreast of the growth of every community it serves. At the same time we are keeping the price of natural gas service down.

VOL. 65

BALLINGER, TEXAS, THURSDAY, JANUARY 18, 1951

NO. 21

## SOUTH BALLINGER HOME DEMONSTRATION CLUB

The South Ballinger home demonstration club met in the home of Mrs. Neuman Smith Tuesday, January 16, with fifteen members present.

Roll call was answered with "Reading Material I Enjoy Best." Each member related a story or current event she had read. The recreational period was led by Mrs. Tom Crockett. New year-books were given to all members present.

A sandwich plate was served with cake and coffee by the hostess.

The next meeting will be held in the home of Mrs. Fred Moncrief on February 6.

## RUNNELS GIRLS' 4-H CLUB

The Runnels 4-H club held its regular January business meeting Saturday in the office of Miss Ollie Chenoweth. The club will plan recreation and games for the community party which will be held each month during the year.

CLOSEUP OF ONE ASPECT OF WAR... The grim reality of modern warfare is very much in evidence as the camera moves in to record the price paid by wounded American G.I.'s and South Korean soldiers who await removal to the rear and care in army hospitals from a United Nations forward clearing station on the Anju front in North Korea. When this was taken, 60,000 additional Chinese Communist troops were moving through Manchuria toward Korea and hundreds of allied planes were trying to prevent their march by lashing bridges and convoys on the Korean side of the Yalu river border area.

Greeting cards and stationery will be sold by the members as a means of making money during 1951.

Miss Chenoweth presented pins to members for outstanding work during the past year. Dorothy McShan received the clothing award for winning in the county-wide dress review. Ellen Shelburne was presented the garden pin, and Glenda Harris received the achievement pin for an outstanding record in many projects.

The next meeting will be held in the home of Mrs. J. H. Shelburne on February 10 and will be an all-day affair. Miss Chenoweth will give a demonstration on making cookies.

## ROWENA HOME DEMONSTRATION CLUB

Members of the Rowena home demonstration club met on January 10 at the parish hall, the vice-president, Mrs. John Zak, presiding at the business session.

New 1951 year-books were distributed to the members.

New officers will attend a training school at Ballinger on January 19.

Hostesses were Mrs. Ralph Kettler and Mrs. Frank Lammert, who served pie, ice cream and hot chocolate to ten members and two children.

## NORTON HOME DEMONSTRATION CLUB

The Norton home demonstration club met in the home of Mrs. Hal Dry at 2:30 o'clock on January 11. Mrs. Harvie Bryan presided at the business session. Roll call was answered with reading material most enjoyed. "Our Thought for the Week" was made more impressive with the reading of a poem by Mrs. Lawrence Bryan. A program of magazine exchange was carried out with interest to all members.

The following committees were named: year-book, Mrs. Lawrence

Bryan; 3-E, Mrs. W. W. Mitchell; marketing, Mrs. Cone Robinson; recreation, Mrs. Kirby Robinson; flower, Mrs. Dave Underwood; finance, Mrs. Lawrence Bryan and Mrs. Kilgore.

Refreshments were served by the hostess.

In memory of Mrs. George M. Vaughn, "The Greatest Story Ever Told," by Fulton Ousler, presented by Mr. and Mrs. J. C.

Sturges, Jr., of San Angelo; "A Firm Faith for Today," by Harold A. Bosley, presented by Mr. and Mrs. W. B. **PRISON INMATES HELP FIGHT JAIL BLAZE . . .** Prisoners of a West Berlin youth prison help firemen subdue a fire that swept the prison recently. American and German firefighters got the fire under control before serious damage was done. Authorities believe that the fire may have been deliberately started and have begun investigations to determine the cause of the blaze. They have commended the cooperation of the prisoner firefighters and their willingness to save their prison from the flames when they might have used the confusion to have escaped from the walls that held them.

Sledge, Malone, McFarland and Clarence Jennings were co-hostesses in the parlors which were decorated with arrangements of red gladioli and red azalias. A sandwich plate was served with coffee and the Valentine theme was used for table and plate

appointments. Others were: Mmes. F. C. Miller, B. H. Erwin, Rufus Allen and B. H. Erwin.

If you want to make friends at the right time, make 'em before you need 'em.
