

Humble-Tyree Flows Oil; Eleven Producers Added

The Humble No. 1-Roy Tyree, located 8 miles northwest of Ballinger, made oil and a little water Wednesday. Casing was perforated from 4,206 to 4,214 feet and after swabbing the well flowed.

This well has held the interest since in a drillstem test several weeks ago it flowed oil at the rate of 35 barrels per hour. The hole was drilled on below the Ellenburger, plugged back to the pay in the Goens lime of the lower Strawn, and will be produced from this level.

Ten producers were completed in Runnels county oil fields and a number of locations made the past week.

J. K. Dobbs, of Fort Worth, No. 3-Freeman, in the Hull-Dobbs field, was completed for 247 barrels daily from 3,999 feet.

Murray Petroleum Co. No. 1-G. Neely, in the Nora Gardner field, flowed 336 barrels on a 24-hour gauge.

Union No. 6C-Sykes has been dually completed from the upper and lower Gardner sands, making 95.14 barrels from the lower.

Drug Store to be Opened at Pampa By Malone & Keel

Sam Malone, Jr., and Gene Keel plan to open the Malone-Keel Pharmacy at Pampa about April 1. Plans for the opening of the new store have been underway several months, the formal opening being delayed pending completion of a new building.

The store will be located in the first floor of a six-story office building, completion of which has been delayed because of shortages and government restrictions. Present indications are that they will be able to stock the new store and open on April 1.

Mr. Malone will go to Pampa to manage and operate the store there and Mr. Keel will remain in Ballinger with the local store.

Plans for the new store were started last September and both men have made numerous trips there to check on progress of the building.

Operation Porchlight Brings in Over \$1,000 For March of Dimes

The Mothers March of Dimes and the radio program carried simultaneously by station KRUN raised more than \$1,000 on Thursday night of last week.

High school students representing the football team, band and pep squad were rushed to their assigned blocks in cars and began calling at doors where lights were burning. As soon as they completed their blocks they made reports to downtown headquarters and within a short time more than \$800 had been collected.

A radio request program was conducted, money being contributed for special tunes and this also brought in a considerable sum.

No official check has been made in all communities of the county but leaders believe the total will reach approximately \$7,500.

Ewell Jones, county chairman, was out of town the first of this week, but plans to close the campaign and make a full statement of what was done in each community. He expressed thanks to the many workers the past week-end and for the fine cooperation all during the campaign.

Any person who has not made a contribution and desires to do so may still send a check to Mr. Jones or O. L. Huddleston, secretary, and it will be included.

Mr. and Mrs. Hurlan Lee, of Brookshier, were here Tuesday morning to bring money collected during the March of Dimes drive in their community. Citizens of Brookshier made one of the finest records of any community in the county, \$81.75 being turned in. This represents a contribution from every family but one, who will send in a remittance before the middle of the month to make it 100 per cent. The total contributed figures \$1 per capita or \$5 per family.

21 from Ballinger Attend Regional Firemen's Meeting

A delegation of 21 from Ballinger attended the meeting of the Hill Country Firemen's Association at Coleman Tuesday. Bad weather cut attendance from long distances and also caused cancelling of races scheduled for late in the program. Other events on the convention opening with a downtown parade Tuesday morning.

Floyd Sims, of Winters, was elected to the presidency, and D. O. Posey, of Ballinger, became first vice-president. Bill Duncan, of Eden, was elected second vice-president. John Hankins, of Junction, who has served the organization 20 years as secretary, was awarded an engraved gold watch for his long time service.

For the first time in 21 years the association now has a ladies' auxiliary. The group, organized Tuesday, will be known as the Hill Country Firemen's Association Auxiliary Luncheon Club. Meetings will be held twice a year in conjunction with the semi-annual meetings of the association.

The Colman department served a turkey dinner Tuesday night to all registered members. O. C. Culbertson, speaker for the occasion, was detained at Austin in business. Chester Cherry, former state and regional president and a fireman for 49 years, pinch-hit for Mr. Culbertson in addressing the banqueters. He praised the volunteer fireman for his loyal performance of duty without pay.

Those attending from Ballinger included Mrs. Charles Webb, Messers and Mmes. D. G. Posey, Chester Cherry, Walter F. Mueller, Bill Bell and Pat, Lynn Caudler and Jerry, and Messrs. Bill Selby and Messrs. Stokes and R. E. Harris.

The next meeting will be held at Junction in August.

\$100,000 Bond Issue Election Set Saturday

Citizens of Ballinger will go to the polls Saturday to cast ballots in the \$100,000 bond issue to be spent on improvements of runways at Bruce Field, should a contract be approved by the Air Force Training Command for reactivation as a training school.

The success of the bond issue will largely determine Ballinger's chance of securing reactivation. Should the money for runway improvements not be authorized the city would be left without contractors to bid for a school located here.

A group of citizens representing the chamber of commerce, Lions and Rotary clubs and Jaycees, met with the city commission Monday morning to get authentic information on the issue.

If the issue is authorized by the voters Saturday, city officials stated that the bonds could be handled on present municipal valuations with a tax rate of not more than \$2. This will represent a 40-cent reduction in the tax rate for 1951 and also take care of the new issue.

Members of the commission explained that the 1950 tax rate of \$2.40 cents was set to take care of past due accounts and to pull several departments out of the "red" and put them on an even basis. This has been accomplished and while the tax rate is set by the city ordinance, assurance of the commission gave members that the new rate would not exceed \$2.00.

Bonds probably will be issued for an 18-year period and not more than 20 years. The \$100,000 issue will positively be the only issue called for improvement of the airport. Should the contractors fail to receive approval for Ballinger, no bonds will be issued and the entire issue will be declared void.

While no contract has been let for runway extensions, and will not be until the field is approved for a training school, only enough bonds will be issued to meet the requirements. In other words, if a contract is secured for \$60,000 for the necessary work, only that amount of the \$100,000 will be issued.

All city money would be spent for improvements on the grounds to make them suitable for military flying and at the end of the emergency would revert to the city.

The voting box will be located at the city hall and will be open from 8 a. m. until 7 p. m. All property paying eligible voters may take part. Poll tax receipts will be necessary for all except citizens over 60 years of age or with exemption certificates.

Excellent progress is being made by local workers and the contractors in securing necessary information. Fred Harman was in Dayton, Ohio, the first of this week, where he has been briefed for making a bid later. The bid will be submitted this month and contracts are due to be announced on March 4. Successful bidders will be expected to take their first class for training on May 29.

Location of a field here would call for a huge building program to be completed by July, when the field would be operating at full strength. All buildings formerly at the field and numerous others would be included and a number of the buildings already there would be enlarged and improved.

All Twelve Clubs Represented At Meeting of County Council

The Runnels county home demonstration council held its regular meeting on February 9, at 2:00 p. m. in the office of Miss Ollie Chenoweth, county home demonstration agent. Mrs. Thomas Egan, chairman, presided.

The finance committee chairman, Mrs. Claude Simmons, reported that the club calendars would be ready for distribution by February 19.

Mrs. H. O. Abbott, marketing chairman, passed out copies of the "Garden World," and stated that this monthly publication could be ordered for 50c per year through the clubs.

All twelve clubs were represented in council. Presidents' reports showed that all clubs were active. Several had completed their demonstration on sweet dough and the various ways of preparing it. All clubs adopted the recommendations of the council committees.

Drasco, Friendly Neighbors, Norton and South Ballinger, each gave \$5.00 to the "March of Dimes," while East Side donated \$10.00.

Friendly Neighbors had a program on kitchen questions, Norton on household hints, and Victor on "Dangers of Atomic Attack."

Victory club plans to send a package of gifts to an orphanage in Japan, also to have a social. East Side mailed cards to shut-ins.

Rowena club made \$62.00 at their game party and Mexican supper, and Winters made \$87.00 by serving luncheons to the civic clubs there, which they donated to the polio fund.

All clubs had paid the 25c THDA fee per member. This fund is used to help educate two 4-H girls who need financial aid.

Under new business, Miss Chenoweth asked each club to have a program on "Survival Under Atomic Attack," as soon as possible. She read a letter from Miss Hearne of the extension service at A & M, suggesting that each club elect a civic defense leader to report to the county judge for a 22 hour course in first aid training. Mrs. J. H. Sheldburne, of the Bethel club, volunteered to be county leader or chairman of the first aid group to work with the community leaders. Their duties will be to pick out a centrally located first aid station for their community, provide one hospital bed equipped, provide one light other than electricity, make a list of all persons in their community and give training to all women and girls of their community, on first aid.

A food production program is to be stressed during the spring and summer, with each family raising enough food for their own needs and extra for storage and to supply others.

Miss Chenoweth stated that rat poison will be available at Mr. Barton's office in the near future. From 3 to 5 pounds is needed for each farm at 20c per pound. This poison is mixed at College Station and is harmless to farm animals and poultry.

The council voted to donate \$10 to the polio fund.

A district T. H. D. A. luncheon was announced for February 12 to plan the district meeting at Brady.

NEW GARBAGE TRUCK PROVING SUCCESSFUL

The packer type garbage truck in operation in Ballinger is doing the job, has taken the sanitary department out of the "red" and is now on a paying basis. A check-up after thirty days of operation shows a faster movement of trash and garbage and at a reduction in employees.

The one truck and four men are doing what had been accomplished by two trucks and six men. Larger loads, faster loading and the ability to unload in 15 seconds, has made a big saving in time for the department.

SNOW, RAIN AND SLEET BLANKET THIS SECTION

Snow, rain and sleet hit this section Tuesday, dropping the mercury to 13 degrees early Wednesday morning and the entire section was blanketed with about an inch of sleet and snow. High Tuesday was 28 degrees and Wednesday afternoon the high was around 30 degrees.

The cold snap was accompanied by a hard north wind and following Monday, the hottest day of 1951, the cold hurt more than the blizzard of two weeks ago when temperatures dropped to near zero.

Most sections of the state were covered with sleet Wednesday and parties arriving here from other points reported as much and more sleet seen elsewhere.

Estonian to Speak To Methodist Men

A program of special interest has been planned for the meeting of the Methodist Men at their dinner meeting on Thursday, February 22.

Juri Lou, Estonian D. P., now a student at McMurry College, Abilene, will be the guest speaker. Nou, landed in New York and found that his American friend had deserted him and that he had no place to go in America. He received work and after a time was taken in hand by a church group and sent to the Abilene school to study.

Nou is in the Russian zone for many months and has a message that will hold any American audience. He will be brought to Ballinger by Rev. Doyle Ragle, of Abilene.

It will be "ladies night" for the Methodist Men and all members of the church are invited to attend the meeting and hear the guest speaker.

Underdog Bearcats Overtake Bluecats In Thriller, 34 to 30

The Ballinger Bearcats handed the Coleman Bluecats a 34 to 30 defeat here Friday night, the only conference loss for the Bluecats so far this season. They have one game left, with the Winters Blizzards, and a loss in this contest would throw the Coleman and Ballinger cagers in a tie for top honors in the district.

The gymnasium was jammed with fans Friday evening to see the very thrilling set-to, the final minutes developing much action as the Coleman lads made a strenuous effort to come back. The Bearcats kept up their strong defense and held on to the ball in the waning seconds of play until the electric clock sounded the final signal.

Bill was high-point man of the game, accounting for 18 of Ballinger's points.

The Coleman B team took a hard game from the Ballinger B's by the score of 31-27.

SERVING UNCLE SAM

S-Sgt. and Mrs. Chester D. Williams have been here visiting the former's parents, Mr. and Mrs. H. M. Williams. For some time Sgt. Williams has been stationed at Kelly Field, but left from here Saturday for San Francisco, and from there will be flown to some station in the Far East. While he is overseas, his wife will make home at Odessa, where she has employment.

Pfc. Hal D. Caskey, of Ballinger, has been assigned to headquarters squadron of the 1600th air base group at Westover Field, Massachusetts. He has been in the air forces since December, receiving preliminary training at Lackland AFB, San Antonio. He has been assigned to the training of recruits at Westover.

Pvt. Frank H. Smith, who has been at Fort Sill, Oklahoma, since his enlistment February 1, was sent last Friday to Camp Stuart, Georgia, for basic training. Leaving here with Pvt. Smith were Billy Ferguson and Bobby Edmiston, who also have been transferred from Fort Sill.

Pvt. Clyde B. Boggess, of Ballinger, is one of 496 Texans who has arrived at Camp Cooke, California, for basic training in the 40th infantry division. Before he enlisted in the army he was a salesman for N. B. Creasy, of Ballinger. He is a 1950 graduate of the Ballinger high school and is the son of Mr. and Mrs. M. E. Boggess, who reside at 403 Fifth Street.

City Candidates Must File Names; March 3 Deadline

A city ordinance, setting up the requirements for filing for places on the municipal election tickets, is published in The Ledger this week and the citizens of Ballinger are invited to read and give it study.

According to the ordinance, March 3 will be the final date for any candidate to file for a place on the ballot. The election will be on April 3. The ordinance requires that all candidates file at the city hall thirty days before the date of the election.

This April a mayor and two commissioners will be elected. At present no names are filed and there is less than one month left in which to complete the ticket. City officials are elected for a two-year term.

Present office holders are Bill Moore, Raymond Mallico, commissioners. Other city officials are appointed.

Any person interested in becoming a candidate, is invited to file his name for any one of the three places not later than March 3.

Mr. and Mrs. George M. Beard spent the past week-end at Tulsa, visiting their new grandson and his parents.

King Elected Chairman Of Red Cross Chapter

E. E. King was named chairman of the Runnels county chapter of the American Red Cross at a meeting held Monday night at the Central Hotel. Sam Behringer was elected vice-chairman, and Albert Purifoy secretary-treasurer. Mrs. M. A. Foy will continue as executive secretary, and within a short time Mr. King will appoint the chairmen to complete the executive board.

Mr. King is not new to Red Cross work, having been active in the organization on numerous occasions, serving as county chairman back in World War I before coming to Ballinger from Jones county.

The first big task of the county organization will be the raising of the 1951 fund campaign quota next month. Organizational work is to be started soon in order to get a good start and complete the job as fast as possible.

A. A. Warren, of Goodfellow Field, field director, spoke on various phases of the program this year. Mr. Warren stated that the national quota was \$85,000,000, an increase from \$87,000,000 last year. He said the increase was necessary because of the increase of strength in the armed forces and the natural demands caused by war. This was evidenced, he said, by the fact that at the beginning of the Korean war there were 102 workers in the Far East and today the total is 420.

The speaker explained the blood procurement program of which the Red Cross is the only gathering agency. He said that to meet demands this year one out of every 26 people in the United States must become a donor.

In the defense program the organization must train 20,000,000 people in first aid besides nurses' aides and help in other phases of defense, as well as disaster relief.

As chartered by congress, the Red Cross must give first service to the men and women in the armed forces of the country and secondly, serve civilians in regions of disaster.

Commissioners Fight Bill to Change Plan For Gasoline Levies

Elliott Kemp and Andrew Englert, representing the Runnels County Farm Bureau, and members of the Runnels county commissioners' court returned Wednesday from Austin, where they attended a conference of Farm Bureau members and county officials to fight a bill which would change the handling of funds in the county and district road accounts.

The bill was killed in committee Tuesday night by a vote of 17 to 3.

Mr. Kemp stated that more than 240 Farm Bureau members and numerous county officials attended the hearing.

Heretofore the money from gasoline taxes has been concentrated in this fund. Sometime after September when all bills have been paid, all money in excess of \$100,000,000 has been allotted to the counties.

Under provisions of the new bill, instead of remitting each county its part, all money in excess of one million dollars would be transferred to the state highway fund and spent on the construction of farm-to-market roads.

Last year Runnels county was given about \$32,000 from this fund and the loss of the county's part of the gasoline taxes would seriously handicap road work in this county or force the raising of additional money from some other taxable source.

Commissioners from all over the state were in Austin for the meeting Tuesday night.

The court approved the Farmers & Merchants State Bank as the county depository for the next two years and approved the bond of Walter Blackmon as constable of precinct No. 5.

TWO ALARMS ANSWERED BY FIREMEN TUESDAY

Ballinger firemen were called to the Paul Richardson Cash & Carry Grocery on Strong Avenue Tuesday night when fire threatened the store and other buildings.

The fire was soon under control after firemen arrived but not before considerable damage was done.

Tuesday morning the firemen were called to Hatching, where an oil transport belonging to Art Tucker was ablaze. The truck was considerably damaged but the oil load did not become ignited.

TWO BUILDING PERMITS ARE APPROVED BY CITY

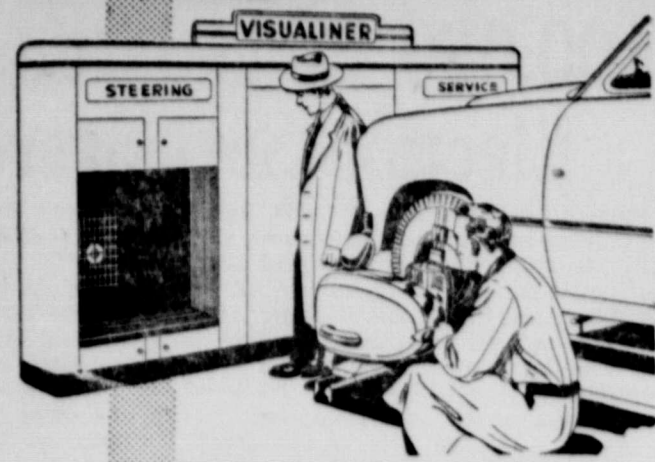

Two permits were given city approval Monday for construction of dwellings.

Clifford Cook received a permit in the amount of \$6,000 for construction of a residence in Park Heights of Fourth Street.

Willis Sparks received an \$8,500 permit for a residence on Sharp Avenue between Fifth and Sixth streets.

Ted Tisdale attended to business at Dallas the past week-end.

First Baptist T. E. L. Class Has Covered Dish Luncheon

Members of the T. E. L. Class of the First Baptist Church met in the church parlors last Thursday morning for their regular meeting. Blooming pot plants were used for decorations.

Mrs. Emma Speer directed the business routine and heard reports from officers and various committees. Mrs. C. J. Lynn gave the devotional and also conducted the recreational period.

At noon a no-host covered dish luncheon was served. In the afternoon members quilted a quilt which will be sent to the Baptist Orphans' Home at Round Rock.

Those present were: Meses Max McCrary, Lynn, Speer, E. E. Woodson, Lee Butler, E. T. Branham, A. F. Brock, J. W. Bladell, George Holliday, B. C. Kirk, T. J. McCaughan, T. J. Pharrish, Beulah Rape, John McKay, Carl Smith, H. W. Doherty, M. M. Alexander.

Mrs. Satterwhite New President of Shakespeare Club

Mrs. J. O. Satterwhite was elected president of the Ballinger Shakespeare Club at the regular meeting held in the club room at the Library last Thursday afternoon.

Others elected to serve for the ensuing year are: vice-president, Mrs. H. Ford Taylor; recording secretary, Mrs. Edgar Boelsche; corresponding secretary, Mrs. Lankam Plynt; treasurer, Mrs. Marvin Clark; historian, Mrs. Dorsey Read; parliamentarian, Mrs. Alex

Saunders; critic, Mrs. A. B. Staugh.

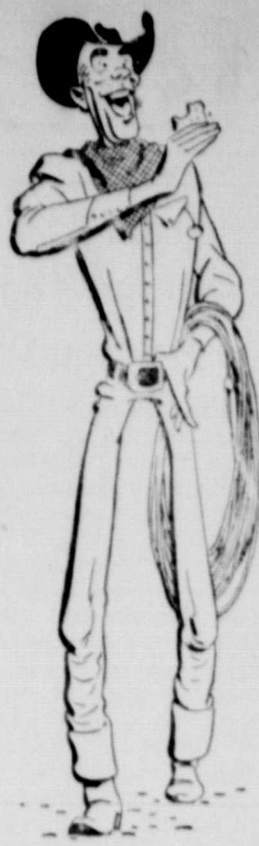

Mrs. Arthur Giesecke directed the business when the executive committee submitted that the club recommend the following donations: to the Penny Art Fund, the Scholarship Fund, the Latin-American Fund, the Frances B. Fisk Art Fund, the Brightwell Fund, and the Perry Musical Fund. The club voted to contribute to all these funds. Mrs. Marvin Clark, treasurer, gave a financial report. Tickets for the International Relations Luncheon, to be held February 24, were put on sale for members.

Mrs. Alex Saunders, program chairman, presented Mrs. Giesecke, who reviewed the book, "Blue Ghost," a biography of Lafcadio Hearn, who was born in Leucadia, Ionian Islands.

Mrs. Giesecke exhibited a deep admiration of her own for Hearn, although she did not approve or understand why Hearn rebelled and rallied against authority and civilization.

With ability she extracted the personal and intimate details of Hearn's life, over which her audience enjoyed, especially when Hearn was seeking inspiration through foreign countries until he reached Japan, where he found his true sphere of influence. There he became a professor of English literature at the Imperial University of Tokyo, married a Japanese woman and adopted the Buddhist religion.

Davis-Hambright Marriage February 1 Revealed

Mr. and Mrs. Jesse Hambright announce the marriage of their daughter, Lanelle, and Marlin Davis, son of Mr. and Mrs. Clyde Davis, of Norton, on February 1. The ceremony was performed at the home of Buster Mullin, solemnized with the double ring service.

The bride wore a navy blue dress with navy and white accessories and carried a corsage of white carnations. Miss Mamie Murphy was maid of honor, and Burl Ford, cousin of the bridegroom, was best man. Miss Dorothy Nell Camp was an attendant.

The couple is at home at the Davis farm after a short wedding trip to San Antonio. Both are graduates of the Norton High School in 1950. Since graduation the bride has been employed at the Malone Drug Store and the bridegroom has been farming.

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Mrs. W. J. Curtis was hostess to fifteen members of the Friendly Neighbors home demonstration club and five children last Thursday afternoon, entertaining in her rural home west of town.

Roll call was answered by giving "The Unnecessary Things I Carry in My Purse," after the opening at club songs were sung with Mrs.

Andy Riddle and Mrs. Charles Stubblefield directing. Mrs. John Duke was elected a delegate to attend the T. H. D. A. meeting at Brady April 7.

The recreation period was directed by Mrs. Leon Russell. The hostess served a salad plate with coffee.

The next meeting will be held in the home of Mrs. M. A. Dusek on February 21.

Sweetheart Banquet Compliments Baptist Seniors

Honoring the high school seniors of the First Baptist Church and including members of the A string of the Ballinger High School football team and their dates, also the senior class sponsors, the annual sweetheart banquet was given by the Woman's Missionary Society Monday evening in the church parlors on Eighth Street.

The program theme, "The Thing," taken from the song hit, was used exclusively in the banquet room for decorations. Caricatures of the "Man and the Box" covered the walls, were used on the program folders, and arrangements of red carnations and white statice flanked by burning red tapers in crystal holders accented the Valentine theme as did other table appointments.

The Rev. B. J. Martin as "A Talking Thing" was master of ceremonies and introduced the following program: "An Opening Thing" (Invocation), Supt. Ernest Caskey; the three-course dinner, followed by "A Welcome Thing" (Welcome), Mrs. Elmer Shepperd, president of the W. M. S.; "A Happy Thing" (Response), Zane Branham; "A Musical Thing" (songs by the High School Sextet, directed by Miss Lucille Phillips); "An Inspirational Thing" (Address), Rev. B. T. Shoemaker, pastor of the First Baptist Church, Abilene; "A Closing Thing" (Benediction), Joe A. Forester. At the conclusion the guests were presented favors which were little red boxes filled with Valentine hearts and the picture of Principal Joe Forester, revealing "The Thing."

The banquet was served by sophomore girls: Betty Sue Cloninger, Charlene Evans, Billie Eva Hamilton, Adelaide Cramer, Patsy Manning and Pat Watson.

Mrs. John Castor, educational chairman, was in charge of all arrangements and was assisted by Miss Winifred Strickland. Mrs. Joe Flynt, social chairman of the W. M. S., and committee, Mmes. Jim Golden, Frank Flynt, A. O. Bartlett, R. P. Canady, Frank Kemp and David Duke, were in charge of the menu.

Honored seniors were: Cynthia Burkhardt, Frances Thomas, Norma Pratt, Nanell McGahey, Joanel Caudle, Virginia Cotham, Mickey Morgan, Zane Branham, Jimmie Parrish, Glenn Chapman and Lanny Maedgen.

Members of the football team were: Harold Merrifield, Graym Hart, Snooky Herring, Carol Doty, Joe Selby, William Morris, Henry Dreyer, Roland Bell, Elroy Payne, Harland Forbus, Lewis Zuehke, J. D. Marek, Bobbie Horner, Lavell Foy, Bob Bruce, Joe Stubblefield, Frankie Jackson, Bill Warren, Delbert Smith, Fred McShan, Rufus Allen, Jr., Jackie Rudder and Glenn Ferguson.

Senior sponsors were: Mrs.

Josephine Stallings, O. G. Joiner, Mrs. T. L. Epting, Joe Forester, M. E. Sweeney. Other guests were: Mrs. Joiner, Mrs. Forester, Mrs. Sweeney, Supt. and Mrs. Caskey, Rev. and Mrs. Martin, Mr. and Mrs. Shepperd, Mr. and Mrs. Castor, Miss Strickland, and T. L. Epting.

Brownie Troop Makes Purse

Members of Brownie Troop No. 1, made small purses as their project for the week when they met at the Scout house Monday afternoon. Mrs. A. J. Thorp, Jr., was assisted by Mrs. Woodrow Wilson in directing activities.

Kay Mansell and Dorothy Wilson were hostesses and served cookies and cold drinks to: Paul-ette Jones, Carol Kay Jobe, Marcia Whittenburg, Pat Jones, Frances Dankworth, Elaine Zappe, Gloriana Crawford, Joan Morris, Billie Marie Selby, Barbara Stubblefield, Vicki Lynn Pleasants, and Georgia Newby.

Akers-Sanders Engagement Revealed

The engagement and approaching marriage of Patsy Akers, daughter of Mr. and Mrs. F. L. Akers, of Anson, to Marvin Sanders, of Ballinger, was made at an announcement breakfast held in the Akers home Sunday morning, February 11. Mr. Sanders is the son of Mrs. J. C. Miller, of San Angelo, and V. V. Sanders, of Ballinger.

The wedding will be solemnized at the First Methodist Church in Anson March 24.

House decorations were in pastel shades, chosen colors of the bride-elect. The table was covered in blue damask, with pink tapers flanking a centerpiece of blue carnations and white stock.

Favors and place cards were miniature bride's books, with the fronts formed with hand-painted sachets. The inscription, "Patsy and Sandy, March 24," was inside the book.

The menu consisted of assorted fruit appetizers, little pig sausage, Canadian bacon, scrambled eggs, hot biscuits, preserves, jelly and coffee.

Alpha Beta Chapter Has Luncheon in School Cafeteria

Mrs. S. T. Allen, of San Angelo, president of the Alpha Beta Chapter of Delta Kappa Gamma Society, directed the business session for a meeting of the organization last Saturday preceding a luncheon in the high school lunch room. Mrs. Anson Dewey, of Winters, gave the invocation.

Miss Mattie Cook, of Winters, acted as toastmistress, and Miss Marryatt Smith introduced the guest speaker, Mrs. Conway T. Wharton, retired missionary to the Congo, who spoke on "Education in Africa."

The Valentine motif was stressed in red and white decorations. Individual corsages were presented to each member. About 30 were in attendance.

Hostesses were chapter members from Ballinger and Winters. They were: Mmes. V. C. Lasater, Anson Dewey, Myra Dorsett, Eva J. Kelly, Charles Kruse, Dixie Louder, V. L. Tatum, Miss Mattie Cook, all of Winters; Mrs. Ernest Caskey and Misses Marryatt Smith, Curtis Gregory, Mary Jane Kiechle, of Ballinger.

16,000,000-Bale Cotton Crop Problems Talked

Approximately 250 cotton farmers, G. I. instructors, students, 4-H and F.F.A. boys and business men attended the mass meeting at the Winters school Friday. Talks emphasized the growing of Texas' part in the 16,000,000-bale crop for 1951.

Speaking on why 16,000,000 bales of cotton will be needed, Joe C. Johnson, assistant county agent, stated that at the end of the next cotton year, August 1, we would have not more than 1,000,000 bales, which was a dangerously low stock pile for America to have at such a time that the nation now faces.

Woody Alder declared the outlook was not too bright for farm machinery and that new tractors and tractor parts were becoming scarce and that the number would still be decreased. He also told farmers that a check should be made of tractors and if repair parts are needed they should be ordered now, as more and more delays can be expected. He added that farmers should not buy more than needed. He presented facts regarding the allocation of critical materials to defense.

C. R. Kendrick talked on labor saving devices for growing cotton more economically and stated that two pieces of new equipment, the rotary weeder and the disc tiller, would be of great benefit.

Bayless Fletcher talked on tractor maintenance and his subject was divided into four parts, dealing with safety, parts, engine, and lubrication. He stressed care under each of the four heads to give the machine more life and better performance.

Supt. I. L. Lasater, of the Winters school, stated that a number of conferences have been held and that so far no definite program has been decided on the child labor law provisions.

James Glenn and Pete Davidson discussed the seed outlook and stated that with the great increase in acreage, farmers should begin looking for certified seed at once. They also declared various types of seed improvement would benefit in better and more lint cotton.

Harvey D. Jones urged the payment of poll taxes and pointed to the need of citizens keeping leaders in congress informed on their needs.

Elliott Kemp, of the Runnels County Farm Bureau, stressed the need of farmers keeping themselves informed on new legislation.

Bill Fox, of Winters, talked on how the 4-H club boys and F.F.A. members could aid in raising the 16,000,000-bale crop in 1951.

John Barton, county agent, told farmers that with the many new and improved insecticides and better equipment for applying it, results have greatly increased. He emphasized that by community action greater results can be obtained and gave examples of how this worked. He told of farmers in Runnels county who doubled their production in 1950 by applying poison. He told the audience that more meetings would be held in 1951. He recalled that in 1950 185,000 pounds of dust and 15,000 gallons of poison were used in this county, and suggested that those who intended to buy poisoning machines place their orders as soon as possible.

SHAMROCK GIRLS' 4-H CLUB

The Shamrock 4-H girls' club met last Wednesday in the home of Mrs. W. F. Minzenmayer, sponsor. During the meeting the girls were taught how to make doughnuts and brownies by Miss Ollie Chenoweth, county home demonstration agent.

Miss Chenoweth also instructed the girls in good table manners and the proper table setting. The girls then set their own places at the dining table and were served the brownies and doughnuts along with cocoa.

Those present included: Juanita Bredemeyer, Janie and Naomi Busher, Frances and Serena Minzenmayer, Patricia Brown, Janice Frick, Miss Chenoweth, Mrs. C. H. Stoecker, Mrs. Minzenmayer. Visitors were Mrs. Jack Romans and daughter, Mrs. Frank Brown, and children.

Joel McCrea Travels Colorful Trail In Technicolor 'Saddle Tramp'

Bringing to the screen in beautiful Technicolor one of the most unusual westerns yet filmed, is Universal's "Saddle Tramp," to be presented at the Texas Theatre Sunday and Monday, February 18, 19. With Joel McCrea in the title role as a hobo on horseback, "Saddle Tramp" weaves a truly off-beat tale of the West, ignoring the usual cliches seen in such film for a solid, action-packed adventure filled with intelligent story twists that will please both old and young.

Wanda Hendrix, teamed with McCrea as an orphan whose childish appearance belies her womanly charms, fits the unusual role perfectly and plays it to perfection. Child actors Orley Lindgren, Jimmy Hunt, Gordon Gebert and Gregory Moffett share supporting honors with John McIntire, John Russell, Jeanette Nolan and Antonio Moreno.

Racketeers who prey on grief-

stricken people who seek comfort in fortune-telling are exposed via the plot of RKO Radio's absorbing "Bunco Squad," at the Texas today, tomorrow and Saturday. Leading players are Robert Sterling, Joan Dixon, Ricardo Cortez, and Dante, the magician. In support are Douglas Fowley, John Kellogg, Elisabeth Risdon, Bernadene Hayes and Marguerite Churchill.

Revolving around the plight of a young doctor who is entrapped in the desperate schemes of a beautiful but mentally deranged girl, "Where Danger Lives," is the attraction at the Texas Tuesday and Wednesday, February 20, 21. Robert Mitchum, Faith Domergue and Claude Rains are starred, and Maureen O'Sullivan, and Charles Kemper top the supporting actors. The RKO Radio production is said to be unusually thrilling in its motivation and situations.

'China Sky,' Pearl Buck's Novel, with Randy Scott, Secret Service Film, 'Southside 1-1000' Runnels Films

Double-Feature Programs All Week at the Hillcrest

Dealing with an attempt by secret agents to foment revolt of desert tribesmen in a remote corner of the Sahara, Edgar Rice Burroughs' "Tarzan's Desert Mystery," to be shown at the Hillcrest Drive-In Theatre tomorrow and Saturday, February 16, 17, stars Johnny Weissmuller, Nancy Kelly and Johnny Sheffield.

On the same program at the Hillcrest is "Back to Bataan," starring John Wayne. This production is said to be startling in its revelations of the great work accomplished by the Filipinos in resisting the Japanese invaders and preparing the way for Gen. MacArthur's return to the islands.

"China Sky," RKO Radio's picturization of Pearl Buck's best-seller, the story of the rivalry of two women for one man, in a remote Chinese village, is the attraction at the Runnels Theatre, closing tomorrow, February 20, 21. Ruth Warrick and Ellen Drew are starred in this revival of romantic adventure in the Far East.

"Southside 1-1000," an Allied Artists dramatization of the U. S. secret service's grim war with counterfeiting rings, comes to the Runnels for four-day run commencing Saturday, February 17 and ending next Tuesday. Don DeFore and Andrea King are the stars.

DeFore, who was in "My Friend Irma," "It Happened on Fifth Avenue" and other important pictures, portrays an undercover operative who risks his life to round up a powerful pack of bogus money men. Miss King, one of moviedom's better younger actresses, appears opposite him as queen of the mob. George Tobias, Barry Kelley, Morris Ankrum, Joan Miller, Charles Cane, Joseph Turkel, Mickey Simpson, Robert Osterloh and Kippee Valez have other prominent roles.

Marta Toren tackles an exciting action role in Universal's "Mystery Submarine," at the Hillcrest Sunday and Monday, February 18, 19. The film also stars Macdonald Carey and Robert Douglas. This is Marta's eighth film since her arrival in Hollywood from the Royal Dramatic Academy in Stockholm.

The second feature on the twin-bill is "Rogues of Sherwood Forest," starring John Derek and Diana Lynn. George Macready and Alan Hale head the supporting players.

Warner Bros.' romantic comedy, "Pretty Baby," starring Dennis Morgan and Betsy Drake, is the No. 1 feature on the program at the Hillcrest Tuesday, Wednesday and Thursday, February 20, 21, 22. A riotous satire on the advertising business, the film deals with a minor employee in an agency, who is suddenly skyrocketed into major importance when a crotchety client takes a fatherly interest.

Martha Kay Northington Honored on Birthday Anniversary
Mr. and Mrs. K. V. Northington were assisted by Mrs. Lee Butler and Mr. and Mrs. K. V. Northington, Jr., when they complimented their daughter, Martha Kay, on her twelfth birthday anniversary last Saturday afternoon.

The guests met at the Northington home on Seventh Street at two o'clock, where they were accompanied by Mr. Northington on a "hay ride" to their rural home near the Country Club.

After games were played and hikes made to the lake the group returned to the cabin where hot dogs, pop corn balls and cold drinks were served. The pretty white birthday cake topped with twelve pink candies was served with punch.

Guests were: June Hash, Jerry Ann Frusser, Irene Piel, Peggy Branham, Sue and Lynn Herring, Sharon Tuckey, Ruth Ann Hennigar, Nancy Thompson, Dorothy Bishop, Rodney Flanagan, Truman Conner, Mike Foy, Bobby Burton, Johnny Burk, Walter Thomas, Dwaine Brown, Tommy Branham, James Hays, Barton and Buzzy Underwood, Gerry Bob Kemp, Hugh Campbell, Malcolm Hall and William Watson.

O. E. S. Chapter Meets in Norton Masonic Hall

Mr. and Mrs. H. P. Largent were in the East for the regular monthly meeting of the Ballinger Chapter No. 266, Order of Eastern Star, when it was held in the Masonic Hall at Norton Monday evening.

At the business period the special committee reported that the chapter would present a gas range to be placed in the new Masonic Hall when completed in Ballinger. Mrs. Largent, worthy matron, appointed a special committee to assist in making preparations for a banquet which will be held on February 23, when the chapter will honor the Deputy Grand Matron when she makes her official visit. A food committee was appointed to furnish refreshments for the formal opening of the Masonic Hall, which will be held by the Masons sometime in March.

Those present were: Messrs. and Mrs. H. P. Largent, J. M. Williams, Marvin Clark, George M. Beard, R. D. Midgley, R. E. Harris, Mmes. Harriett Witter, Willie Hoover, Hilda Satterwhite, Nettie Edwards, Lovey Golden, Dorothy Moody, Inez McEntire, Edrie Petty, Dolly Williams, Johnnie Marie Frank, and George Cain. Visitors were Mrs. Zada Lewis and Mrs. Claude Gentry.

Barbara Gleghorn Party Honored on Thirteenth Birthday

Mrs. Wood Gleghorn named her daughter, Barbara, honoree when she entertained Tuesday evening with a party in their home on Ninth Street. Barbara was celebrating her thirteenth birthday anniversary.

The large red heart surrounded with lights on the door signified not only that a party was in progress, but that the Valentine season was being celebrated.

Bouquets of pink carnations and blue Dutch Iris were arranged at vantage points about the living room, where games were played and dancing was enjoyed. The lace laid dining table was centered with a large red heart with a large red candle, and white candles were at each side. The pretty white birthday cake centered with a red heart made of cherries, which was made by Mrs. Jerry Hampton as a birthday gift to the honoree, was cut and served with sandwiches and punch by the honoree's aunt, Mary Lou Howell, and her four-year-old twin sisters, Betty Irene and Eddie Woodline Gleghorn.

Those present were Mr. and Mrs. C. L. Howell, grandparents of the honoree, Wood Gleghorn, and Patricia Davis, Janie Brevard, Dee Ann Saylor, Loretta Brown, Delle Tisdale, Thelma Holland, Mary Ann Buchanan, Linda Darby, Sally Underwood, Catherine Richards, Marvella Ashton and Peggy Virden.

Mrs. Shepherd Installed President of Garden Club

Mrs. Elmer Shepherd, re-elected president of the Ballinger Civic-Garden Club, was installed at the regular monthly meeting held in the club room at the library Tuesday afternoon.

Mrs. Robert Bruce was the installing officer, using an impressive flower service, and as she installed the president, a white carnation corsage was pinned on. Others were: the two vice-presidents, Mrs. J. O. Satterwhite and Mrs. Chester Cherry, who received red carnation corsages; the secretary, Mrs. Clark, a blue daisy corsage; treasurer, Mrs. A. O. Bartlett, a gold daisy corsage; historian, Mrs. Beulah Frazer, a green daisy corsage.

Mrs. Shepherd directed the business when the club voted to give a donation for the Blue Star Markers, which will be placed on the highways in memory of World War veterans. Mrs. Max McCrary reported that the local library had issued 223 books in January; 10 new children's books and 6 adult books had been added to the library shelves; that Mr. and Mrs. John W. Doss, of San Angelo, had presented a book, "Abby Aldrich Rockefeller," by Mary Ellen Chase, to be placed in the library in memory of Mrs. George M. Vaughn.

Programs for the ensuing year were discussed and plans made.

Mrs. T. J. McCaughan, program leader, gave introductory remarks on the Valentine program, and presented Mrs. E. A. Saunders, who gave "Traditions of St. Valentine's Day and Its Significance."

At the conclusion of the program a planter containing several house plants was presented Mrs. Bruce as a gift from the club.

A floral exhibit, a red and white heart centered with red carnations, was displayed by Mrs. Shepherd.

Others besides those mentioned were: Mrs. James A. Wear, Mrs. J. W. Guynes, Mrs. H. W. Lynn and Mrs. W. O. Irby.

Mrs. Baker Hostess at Series of Parties

Mrs. Lena Belle Baker was hostess at a series of Valentine parties, entertaining in the dining room at the Central Hotel Wednesday.

In the morning Mrs. Baker was assisted by Mrs. Tex Bullock in entertaining a Contract Club at breakfast, where the table was centered with red carnations in a white pottery bowl. The Valentine motif was used for table appointments.

In games of contract which followed, Mrs. L. R. Tigner was awarded high score prize and the bingo award went to Mrs. Hill Hampton.

Others were: Mmes. Tom Agnew, R. T. Hall, Sam Conner, W. B. Woody and R. T. Williams.

For the afternoon party, the high score award went to Mrs. R. T. Williams, and the bingo awards were presented to Mmes. Claude Stone, R. Mizell, W. O. Irby and L. R. Tigner.

The hostesses served pie a-la-mode with coffee. Others were: Mmes. Jack Scales, H. G. Agnew, Herman Price, C. P. Shepherd, K. V. Northington, Bruce Creasy, E. A. Saunders, Loyd Herring, Ted Tisdale, E. W. Stasney, John I. Guion, A. J. Thorp, John Bradley, C. W. Cheatham, T. A. Parrish, Robert Bruce, Ross Marchison, C. F. Bailey, Malcolm McGregor, R. G. Ona Penn, Edward Sommer, Albert Kitchens, Sam Malone, Jr., M. St. John, W. K. Wheatly; Miss Winnie Trail and Miss Maryatt Smith.

Mrs. Kingston Honors Miss Bryan at Dinner Party

Miss Neita Fay Bryan, who will become the bride of M. L. Forgey, Jr., on February 17, was complimented by Mrs. J. E. Kingston Tuesday evening when she entertained with a dinner party and a kitchen shower in her home in Wilke Terrace.

Yellow and green, the bride-elect's chosen colors, predominated in the pretty floral decorations of rooms, where yellow daisies were combined with ferns.

Following the dinner menu, the shower of kitchen articles was presented the honoree.

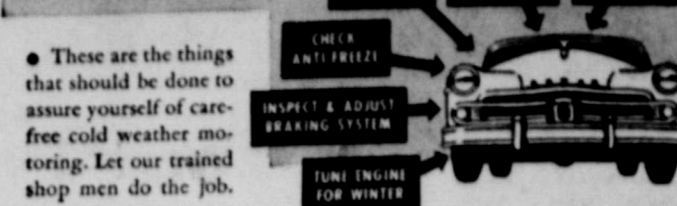

Those present were: Mmes. Alma Bryan, M. L. Forgey, Sr., L. R. Rieger, Joe Strahar, Jr., Lester Cape, Everett McGehee, Barnett Frank, E. B. Clampitt and August McWilliams.

Survivors include three daughters, Mrs. M. L. Trimble, Las Vegas, Nevada; Mrs. Ruby Carter, Ballinger; Mrs. C. L. Whisenant, Bell Flower, California; 22 grandchildren and 40 great grandchildren.

Funeral services were held Monday at 10 a. m. at the Eighth Street Church of Christ, John L. Davis officiating, assisted by Rich-

ard Robbins, Eden minister. Burial was in the Rannels cemetery.

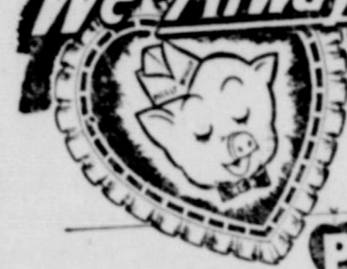

Mrs. Martha Gulley

Mrs. Martha Gulley, 70, lifelong resident of West Texas, died at her home Saturday following protracted illness.

Decedent had been a resident of Rannels county 15 years, moving to Ballinger from Concho county. Survivors besides the husband include two sons, R. C. Gulley, Odessa; R. E. Gulley, Avenal, California; three daughters, Mrs. Tom Riley, Ackerley; Mrs. N. E. Waits, Odessa; Mrs. P. G. Gregg, Atlanta; four brothers, a sister, 14 grandchildren and 11 great grandchildren.

Funeral services were held Sunday at 2 p. m. at the Eighth Street Church of Christ, John L. Davis, minister, officiating. Burial followed in Evergreen Cemetery.

Clark Gable Film Closing at Horseshoe; Other Big-Name Stars to be Seen Soon

Twenty-six violin players provided a romantic musical background for love scenes between Clark Gable and Barbara Stanwyck in their exciting M-G-M co-starring vehicle, "To Please a Lady," now showing at the Horse-

shoe Drive-In Theatre. The last presentation will be given tonight. "Gypsy Airs," "Wonderful One" and romantic Strauss melodies are said to add to the effectiveness of the love scenes.

On the same program is a Tex-

Williams western, "Coyote Canyon." Smokey Rogers, Deuce Spriggins and Donna Martell are other leading players, and there is music by Tex Williams' band. The cowboy songs, written especially for this release, add to the thrills and action.

Revealing the inside story of a sinister plot to tie up maritime business on the San Francisco waterfront, is RKO Radio's excit-

ing "The Woman on Pier 13," to be shown at the Horseshoe tomorrow and Saturday. Laraine Day, Robert Ryan and John Agar are starred, and featured are Thomas Gomez, William Talman and Janis Carter.

"Stagecoach," starring John Wayne and Claire Trevor, is the other feature-length film on the same program.

Columbia's "On the Isle of

Samoa," South Sea romantic adventure starring Jon Hall, will be presented at the Horseshoe Sunday and Monday, February 18, 19. Susan Cabot, Raymond Greenleaf and Henry Marco are featured in the film which relates how a fugitive from justice finds refuge.

Hedy Lamarr and Ray Milland head the stellar cast of Paramount's blazing action drama, "Copper Canyon," on the same program with "On the Isle of Samoa." In color by Technicolor, "Copper Canyon" also features Macdonald Carey, Mona Freeman and Harry Carey, Jr.

EAST SIDE HOME DEMONSTRATION CLUB

Mrs. Joe Jones was hostess Tuesday afternoon, February 13, when members of the East Side home demonstration club met in her home.

Mrs. Harold Routh presided at the business session. Roll call was answered with the name of a shut-in to whom cards might be sent. The council report was given by Mrs. Jones.

The club members voted to open each meeting with a prayer. Mrs. Clarence Routh and Mrs. Tom Moreland gave a demonstration on basic sweet rolls with variations.

A short recreational period was held following the business with Mrs. Leonard Barnes leading the group.

Refreshments of coffee cake, fruit rolls, doughnuts and coffee were served to ten members.

EVANGELISTIC CENTER IS ESTABLISHED HERE

Rev. James G. Bush is announcing the opening of the Evangelistic Center, located in downtown Ballinger, over Wiginton Auto Parts, at 7:30 p. m. Saturday, February 17.

The evangelist will hold special healing services and all are invited to bring the sick for special prayers. Sunday services will be at 10 a. m. and 7:30 p. m. Mid-week services are scheduled each Wednesday at 7:30 p. m.

Rev. Bush, from California, is a former radio evangelist. He has held many meetings in the larger towns of California and stated this week that he was moving to Ballinger to make home. He has a wife and five children.

"SOUTH OF SANTA FE"

Starring TEX WILLIAMS

Now—How about traffic on the Santa Fe?

With the cooperation of our officers, and of the employees who remained at work, Santa Fe managed to keep thousands of freight cars and all its passenger trains moving during the "outlaw strike" which began January 30th and which so severely crippled our country's rail transportation. Santa Fe could not, of course, operate at its top efficiency.

Now vital supplies, which have been piling up in freight terminals during the past several days, are starting to move.

A complex situation

There is one point, however, we know the public will understand. So complex a thing as America's transportation system cannot be turned off and on like a water faucet.

Thousands of "car days" were lost due to freight cars standing still. Even though cars are now moving it is bound to take a while before congestion

is relieved and delayed cars are unloaded at their destination.

Santa Fe was able to deliver more cars to other railroads than other railroads delivered to Santa Fe. Consequently, Santa Fe now has substantially less cars on its rails than when the "outlaw strike" began. Naturally, this will result in a shortage of cars until this complex situation has been cleared.

A word to our shippers

We are doing everything possible to speed up the return to normal. We ask, however, that shippers who now need cars bear with us during this period.

Santa Fe expresses its thanks to its shippers and passengers for their patience and understanding during the trying times we have all just passed through—and also to all our people who cooperated in this emergency, many of them responding beyond their normal call of duty.

**WEST TEXAS
NOTES**

Mayor H. M. Mathis, of Menard, has announced that he will soon offer his resignation, not later than April 1. His resignation will make it necessary to elect a mayor as well as three aldermen at the municipal election in April. Mathis was named to the post a year ago but his business is demanding so much of his time that he will not serve longer. It was revealed that the city went through the recent blizzard with only a minimum loss in the water department.

The First Methodist Church at Brady is planning a new educational plant and youth center, to cost about \$35,000. Plans and estimates will be presented to the membership at an early date. The building, of 39,000 feet floor space, would contain a fellowship hall, two departmental rooms, a kitchen and a small stage. In addition it would have modern heating and air conditioning. An architect is also due to meet with the building committee of the First Christian Church on plans for an annex to the church.

Dr. W. P. Johnson, of Fayetteville, has moved to Santa Anna to practice medicine. The town had been without the services of a physician for two weeks. Dr. John E. Green, who moved to Santa Anna last summer, was recalled to the armed forces and left on January 29. Dr. Johnson has purchased a home for his family and opened offices.

The Stephenville March of Dimes committee reported last Thursday a total of \$3,847 raised and other events to be held before the end of the campaign. The amount already in the bank exceeds the total raised in 1950 by more than \$700. The Tarleton State College cadet swing band will provide the music for a dance tonight to conclude the drive. A number of communities in Erath county also had basketball games and other benefits slated before the final tabulation.

Founders' Day will be observed by the Miles Parent-Teacher Association in a special program this afternoon. A historical pageant under the direction of Mrs. Ralph Wilmett and Mrs. Ruth Williamson will be the program highlight. Mrs. Paul Gordon, program chairman, will be the leader on the general theme of "Moulding the Child into the Best Type of Citizen." The executive board will be in session an hour before the

Ballinger will soon have a sewer system covering all parts of the city. Some plan or ordinance will be enacted on connections and those who intend to tie in to the lines would save money if they would have the connections made with the city's lines while the ditches are open, thereby saving digging a second time to the depth of the main line. For years leaders have advocated a city-owned plant which would serve all sections and compulsory connections as a matter of health. In the spring this issue will be faced here. Most of the lines have been completed and good progress is being made in those areas which previously had no service. Main trunk lines have been finished and large ditch digging machines are making their way through the alleys for the feeder lines. When completed this will give Ballinger a very modern plant with capacity for a population much larger.

A committee of the Ballinger Chamber of Commerce is studying the establishing and operation of a community chest. This has been

agitated for some time by civic leaders who are striving to find a way of saving time for business men who are called upon from six to twelve times a year to make solicitations. Of late it seems that one drive closely follows another and every month busy men are called upon to leave their stores to raise money for some cause which is of equal interest to everyone, or should be. Some believe that many of these drives can be lumped in the community chest, a quota set for each and the grand total of all raised in one campaign. This plan would not eliminate all solicitations. There are some organizations who do not cooperate in the chest and there are always some special drives necessary which cannot be anticipated in advance. The chest plan is worthy of serious consideration, however, and should be carefully studied and observed in other towns of this size before being adopted. People who have been accustomed to giving in small amounts will be hard to get lined up to pay one large sum.

On the subject of financial drives, numerous business men have been soliciting Boy Scout funds this week. And during all of next month the 1951 fund campaign for the American Red Cross will be conducted and a large quota is imperative.

Coach Gordon Wood, of the Winters high school, has tendered his resignation to the board, effective June 1. He has accepted the position of head coach at Stamford and will go there in the summer to live and to direct the Bulldogs in their 1951 schedule. Wood came to Winters from Seminole a year ago and did much for the Blizzards during the one season. The Winters board has not contracted his successor for the fall season.

Building permits at Brownwood hit a new high in January, 61 being issued for construction amounting to \$836,433.70. Total cost of 41 new residences is \$499,098, according to the permits. Two school structures are listed at \$311,925, and 33 permits were approved for home improvements and repairs. In addition permits were sought for building 26 units

Banking---Just Banking

The banks of this country operate under strict laws and when these regulations are followed their continuation is secure. Individuals provide the capital and a large part of the bank's profits are absorbed in taxes. Affiliation with a conservative bank is more helpful than some of us realize—building credit in a conservative bank is a source of pride and may be relied upon when funds are most needed.

The banks are in position to give support, not only to financial needs, but they are often called upon to appraise the character and credit standing of their customers. To be well and favorably known at your local bank may give support to programs of individuals and business which many have thus far failed to recognize.

This bank is favorably known throughout the country—for this reason we are in position to perform in many ways so often necessary to success.

for the federal housing authority to cost \$398,989. Twenty-five of the FHA units will be brick duplex apartments to house 50 families.

Mrs. Ellen Sims, of Paint Rock, Concho county chairman for the March of Dimes, urged last Friday that everyone send in contributions at once so a count could be made of all money raised. Mrs. Sims said she believed the county would reach its goal of \$1,772 before the end of the campaign. She added, however, that addi-

tional donations must come in and urged that everyone realize the great need and do his part. Supt. J. L. Carroll, of the Bronte schools, stated last Friday that enrollment had reached an all-time high with 351 students in the various departments. Carroll declared a number of causes had brought the daily attendance down to 321 but believed this condition would improve soon. He requested parents to help in preventing colds, pink eye and other ailments that are keeping some pupils from classes.

Water services was resumed at Talpa Wednesday of last week after being tied up a full week because of the recent blizzard, when the line from the reservoir to town was frozen. Many other burst pipes required considerable time to repair.

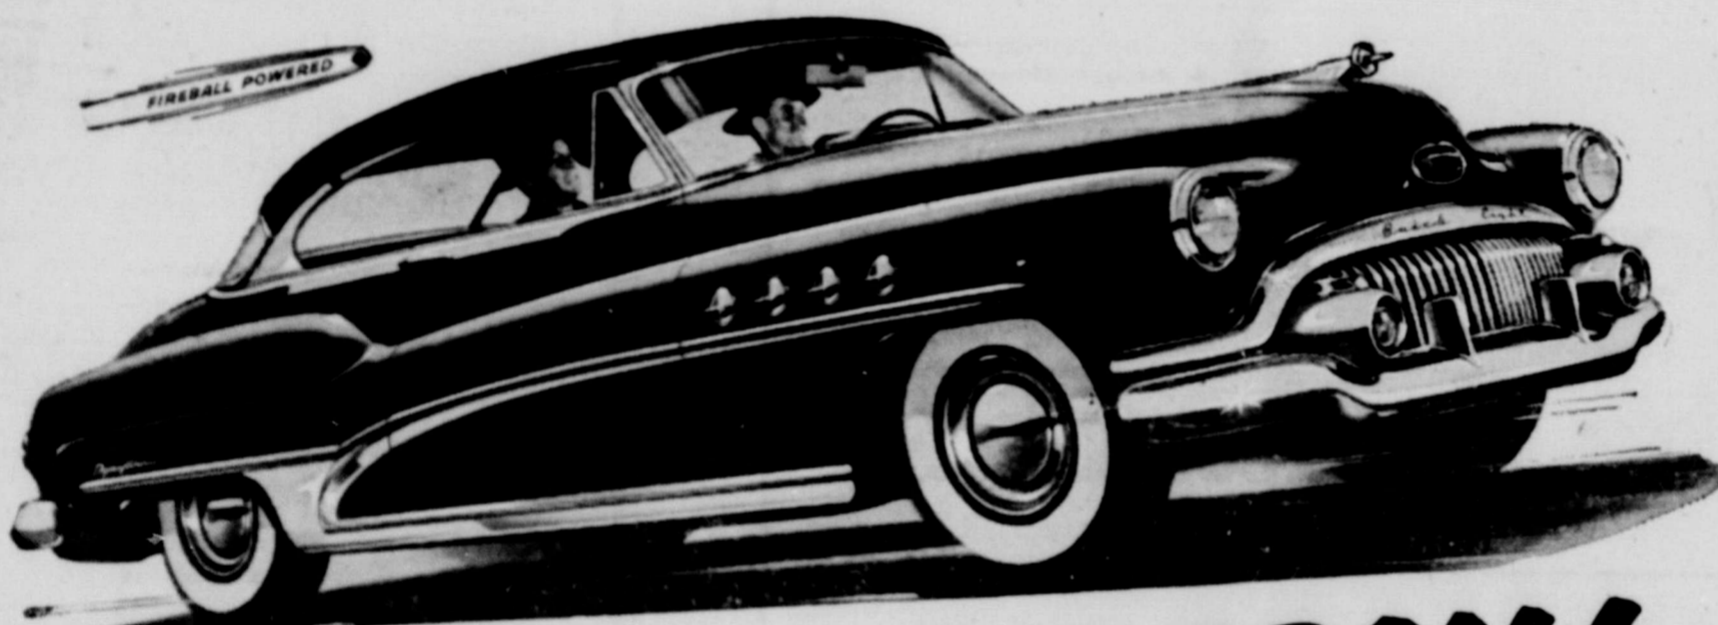

For the first time in over twenty years, Rising Star will have a cotton gin operating in the fall. This was assured last week when the chamber of commerce luncheon club provided four acres of land in the eastern part of the city for a site. The plant will be built and operated by Roy White, Case implement dealer, and J. W. Smith, who for many years was a gin operator. The men became interested when they checked up on the acreage to be planted in cotton near Rising Star this season.

The board of trustees of the

Comanche school district has called a \$75,000 bond issue election for next Tuesday, the money to be spent in completing the building program underway. Construction was started last year when bonds were voted for the purpose, but rising costs have made it impossible to complete the proposed program unless additional funds are provided. The additional issue also would furnish enough money to renovate and repair the high school building.

The Coleman Board of Community Development has added 50 members in a campaign which was started last week with a goal of 175. Macon Freeman, Jr., is chairman of the committee working the entire city. Prospect cards were given committee members and contacts will be made with all new citizens and others not affiliated.

What's its Power? FIREBALL!
(Only Buick can make this statement)

BEND an ear to the deep baritone song of this marvel motor, and you'll know we aren't fooling when we call it Fireball.

Mister, that's Power, with a capital P! What happens beneath that brawny Buick bonnet happens in no other car in the world.

Years ahead of the rush to high-compression valve-in-head engines, Buick was in there pitching for more power from every drop of fuel.

The result was—and is—a spectacular engineering phenomenon that makes itself felt the instant you touch toe to gas treadle.

You command a rapid-fire sequence of tiny tornados, letting loose their pent-up power every five inches that a Buick travels.

If you could look inside that Fireball engine, you'd see the reason. Instead of the flat-topped pistons used in other cars, Buick uses a *turbo-top* piston, contoured like this:

So the inrushing fuel whirlwinds into a compressed ball that adds a super-urge to the down-stroke of the piston.

And you get the thrill—and thrift—of this Buick "first" in every mile you drive.

More than that, you get an engine tried-and-true—an engine that's been polished and perfected in every detail up through the years.

Again and again, compression ratios have been stepped up to keep pace with advances in fuels. Self-setting

valve lifters contribute to silence. Micropoise balance and Hi-Poised engine mountings add two more Buick exclusives.

And the silken might of this Fireball's power has been made more beautifully obedient by still another "first"—Dynaflo Drive.*

So we list as a prime reason why "smart buy's Buick" this Fireball power plant—and a host of happy owners will say "Amen."

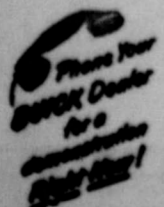

Better see your dealer soon, to find out what you've been missing.

Good Reports Made At Annual Meeting Of Farmer-Owners

The eleventh annual meeting of the Runnels county farm-owner borrowers was held in Ballinger last Thursday. Families represented at the meeting were Mr. and Mrs. Andrew Hoelscher, Mr. and Mrs. William Patterson, Mr. and Mrs. Fritz F. Deike, Lee Parks, J. T. Ford, Jr.

Records of the Runnels county farm owners who have received loans through the farm home administration to buy their places indicate they had a prosperous year in 1950, according to John H. Curry, FHA supervisor.

The average gross cash income per family was \$12,150. The high gross income was \$20,000 while the lowest was \$6,200. Of this income the average family had a net income of \$4,700 after farming operations and living costs were paid.

Payments made on their land notes in 1950 averaged \$1,525, Curry said. The average owner is now \$3,675 ahead of schedule.

Applications for this type loan from successful tenant farmers are still being accepted by the FHA offices.

Rotary Club Hears Talks on Bond Issue At Program Tuesday

The Ballinger Rotary Club Tuesday heard a discussion of the proposed bond issue election to be held here Saturday in which facts were given in a series of questions and answers.

Announcement was made that the youth improvement committee would present the picture, "King of Kings," here on March 6 in the high school auditorium for the young people of Ballinger. An organ recital will be played by Dr. L. A. Eisenhuth thirty minutes before the start of the picture.

Dr. Eisenhuth made the musical score for this picture and has presented it in a number of places.

The rural-urban committee of the club recently entered four Runnels county 4-H and F.F.A. boys in the state contest conducted by the San Antonio club.

The committee was informed this week that Hubert Frerich was a winner and he will receive a reg-

istered Duroc in a special meeting at San Antonio in the near future.

Dr. Conway T. Wharton, minister of the First Presbyterian Church, was presented as a new member.

MILITARY SPEAKER FOR LIONS FRIDAY

Guest speaker for the Ballinger Lions Club tomorrow (Friday) will be Col. Crosby, stationed at Good-fellow Field, San Angelo. He will address the club on some phase of the present national defense program, making a talk which has been censored and approved by the air forces.

Col. Crosby was in World War II and was on Bataan when the death march started and survived that ordeal. He was a prisoner of war for many months and has a background filled with interest. He has addressed one Ballinger audience, speaking several months ago to Methodist Men at a banquet.

President Joe Satterwhite is urging full attendance at the meeting tomorrow noon.

CREWS

Ann Boatright is visiting her brother, Ted Boatright, and family at Sulphur, Louisiana, this week. Clara McKissack is on the sick list.

News has been received that Mr. and Mrs. Arnis Pape, of Melrose, New Mexico, have taken their baby son home from the hospital. He was born on December 25 and has been in the hospital in an oxygen tent, but has gained some weight.

Mrs. O. L. Curbo and daughters, of Hobbs, New Mexico, are visiting relatives here and at Ballinger. Mrs. Curbo will be remembered as Buna Bell Berry.

Howard Collium visited his parents last week-end. A friend, LeRoy Conner, who has visited here several times, had the misfortune to get his leg broken last week. We hope he will soon be up and able to visit here again.

Mrs. Arzel Edwards, of Brownwood, visited in the P. R. Dietz home recently.

ST. JOSEPH'S GIRLS' 4-H CLUB

The St. Joseph's girls' 4-H club held its regular meeting in the parish hall at Rowena February 3, at 1:30 o'clock.

After a short business session, Miss Ollie Chenoweth, county home-demonstration agent, gave

a demonstration on making doughnuts. At the close of the meeting songs were sung in unison by the group.

Refreshments were served the members and Miss Chenoweth.

4,150 TEXANS TO BE CALLED TO ARMY SERVICE IN APRIL

The state selective service system has announced that the April call in Texas will be for 4,150 men. This is in line with quotas for the past several months and is only five more than the call for March.

Pre-induction physicals were set for 8,857 men in March and dates are being made up for each board in the state to send in its quota.

Paint Rock Lions To Stage Musical Show February 27

The Paint Rock Lions Club will present a musical-comedy, "North Atlantic," at the Paint Rock high

school auditorium on February 27. Ballinger Lions and others will attend in large numbers and members of the local club will have tickets to sell for this entertainment.

The production is all home talent, a cast of 32, 16 roaring Lions and sixteen girls, presenting the show. The setting is an air

force base on an island in the North Atlantic during World War II and musical numbers include tunes from "South Pacific."

The play contains some humorous situations in the problems that arise for the commanding officer of the base. Nine members of the Paint Rock high school girls' choral club play the roles

of nurses and are in the choruses. Principal parts are enacted by Wilbur Waide, Mrs. Tommy McIver, Bill Melver, Mr. and Mrs. Ed Whitesides, Mrs. Ann Bradshaw, J. P. Roach and M. Sansom.

Admission will be 50 cents for adults and 25 cents for students.

BOND ISSUE FACTS

A committee composed of F. M. Pearce, of the Ballinger Rotary Club; O. L. Huddleston of the Ballinger Jaycees; E. C. Grindstaff, of the Ballinger Lions Club; and Troy Simpson, of the Ballinger Chamber of Commerce, met with the entire city commission Monday to obtain facts regarding the bond issue election Saturday, February 17. Members of the city commission attending the

meeting were: Bill Moore, mayor; Malcolm Morgan and Raymond Berryhill, commissioners; and Fred Underwood, city secretary.

Without any effort to color the issue, the following questions have been asked and the following answers are given:

Question—What is the amount of bonds asked in Saturday's election?

Answer—\$100,000. They will be retired in 18 years with interest of 2½ per cent for the first ten years, 2¾ per cent for the next five, and 3 per cent for the last 3 years.

Question—For what purpose are the bonds to be used?

Answer—They will provide money to be used by the city in meeting requirements at Bruce Field and permit operators to secure a contract for a flight training school for cadets.

Question—Has a contract been approved for Ballinger?

Answer—No, but operators have been secured and before getting a contract they must have assurance that the flying field here will be improved to meet requirements of the air forces.

Question—If these bonds are approved by the voters, and contractors fail to get approval for a school at Ballinger, what would happen to the bonds?

Answer—The bonds would not be issued, or sold, and the entire issue would be declared void.

Question—Could these bonds be sold and the money used for any other purpose?

Answer—No, money from the sale of this issue

could only be used for airport improvement.

Question—Will \$100,000 meet the requirements, or may a second issue be called?

Answer—Assurance has been given that the work can be done for \$100,000 and city officials have guaranteed that no second call will be made on the voters.

Question—What are the requirements?

Answer—The city will be required to provide three hard-surfaced runways 150 feet wide and 4,000 feet long, give the present ramp a seal-coat job, repair streets inside the field and erect a specific number of field lights.

Question—Will the entire \$100,000 be needed?

Answer—That has not been determined, but only bonds for the needed amount will be sold.

Question—If these bonds are approved, how will it effect our tax rates?

Answer—The city commission has given assurance that with the bonds approved, the tax rate for 1951 will not exceed \$2.00 on the \$100 valuation. This will be a decrease of 40 cents on the tax rate for 1950.

Question—How can the tax rate be reduced when an added expense such as retirements of the \$100,000 in new bonds, is added to the city's liabilities?

Answer—The city collected \$2.40 on the \$100 in

1950 in order to clear up some past due obligations and get all departments out of the red. This has been accomplished and the tax rate will be reduced this year.

Question—How will the field benefit the people of Ballinger?

Answer—It will provide an annual payroll of around \$1,500,000 plus the purchases of the field made locally. In addition, it will provide good employment for many local people who will be needed in the operation of the field and training program.

Question—How will the size of the proposed school compare with the one operated during World War II?

Answer—It will be much larger. Approximately 200 more cadets will receive training, the air force personnel will be greatly increased and more civilian instructors and other workers will be employed. In addition, the school may be expanded, and it is because Ballinger has ample room for expansion, that we have a fair chance to secure a school.

Question—Will any of the money from the bonds be used to replace buildings?

Answer—No. The building program will be up to the contractor, and the city will have no obligation other than improvements in making runways meet approval.

Girl Scout Troop 7 Begins Studies on Two Subjects
At a short business meeting,

held in the Girl Scout home on Fifth Street Thursday, February 8, troop 7 decided to begin earning badges on "Child Care" and "Outdoor Cooking" under the

direction of their leaders, Mrs. R. Ann Buchanan, Dorothy Heath, A. Hanson and Mrs. C. A. Berry. Carol Sue Berry was hostess and served chocolate pecan cake squares with hot chocolate to:

Gwen Wade, Janie Brevard, Mary Ann Buchanan, Dorothy Heath, Bettie Calshaw, and Mrs. Hanson and Mrs. Berry.

Presbyterian Conquest Class Hears Mrs. Gibson

Mrs. Rodney Gibson, of San Angelo, spoke on "Fun vs. Drudgery in Church Work" when the Conquest Class of the First Presbyterian Church, U. S. A., met for its regular monthly meeting in the home of Mrs. F. C. Miller on Seventh Street Monday evening.

The Valentine theme was carried out in room decorations with red carnations and primrose pot plants in the living room, and orchid stock blossoms formed the centerpiece for the dining table.

Miss Eva Lilly directed the business routine and Miss Lillian McMillan brought the devotional. Mrs. Aurelia Webb, class teacher, presented the guest speaker, and the class presented a gift to Mrs. Gibson.

The hostesses, Miss Edna Routh, Mrs. Altus Stokes, and Mrs. Kathleen Windham, served a salad plate with coffee to: Mmes. Gibson, C. J. Jennings, B. B. Stultz, Wesley Wood, W. F. Lange, Alvin O. Ruse, F. C. Miller, Rufus Allen, Ed McMillan, B. H. Erwin, John Reese, Harper McFarland, E. S. Malone, Oscar Routh, C. F. Washburn of San Antonio, and Petticoat of San Angelo; Misses Eva, Maggie and Eunice Lilly, Lillian McMillan, and Frances Routh.

First Christian Loyalty Class Has Spanish Chicken Supper

Members of the Loyalty Class of the First Christian Church included their husbands when they entertained at a no-host Spanish Chicken supper in the home of Mr. and Mrs. Bailey Mack on McCarver Drive Monday evening.

The red and white of the Valentine season was reflected in the table appointments and tally

cards for games of canasta and forty-two which followed the menu. Bouquets of red carnations were arranged at vantage points about the living room, and the dining table was centered with an arrangement of jonquils.

Miss Lula McElroy and Mrs. Ann Kelly directed the exchange of gifts among the secret membership list, and Mrs. A. B. Stobaugh, class teacher, conducted a Bible quiz. The menu committee was composed of Mrs. Mack, Mrs. E. B. Clappitt, and Mrs. R. R. Williams.

Those present were: Dr. and Mrs. L. A. Eisenhuth, Messrs. and Mmes. Ross Black, John Albright, J. O. Satterwhite, R. R. Williams, A. B. Stobaugh, E. B. Clappitt, R. E. George, H. K. Corum, Joe Thomas, Emmett Stuart, Hill Hampton, L. V. Boggess, Herman Price, Hiram Price of Eden, Mmes. F. M. Kump, Frank Jenkins, Dick Ueekert, James Clayton, Ann Kelly, and Mrs. L. Roe of Austin; Misses Lola Eubank, Lilly Clayton, and Lula McElroy.

Four Compliment Miss Bryan at Gift Tea

Miss Neita Bryan, bride-elect of M. L. Forgey, Jr., was paid a pretty compliment Monday afternoon when Mmes. J. W. Bahlman, Dayton Smith, James Midgley, and James Knight were hostesses at a pretty china and crystal gift tea in the Bahlman home on Fifth Street, including friends of the honoree between four and six o'clock.

The brides chosen colors, green and yellow, were given attractive emphasis in all details with yellow blossoms being used to decorate party rooms where Mrs. Bahlman extended welcome and presented Miss Bryan and her mother Mrs. Alma Bryan, and Mrs. M. L. Forgey, mother of the bridegroom-to-be.

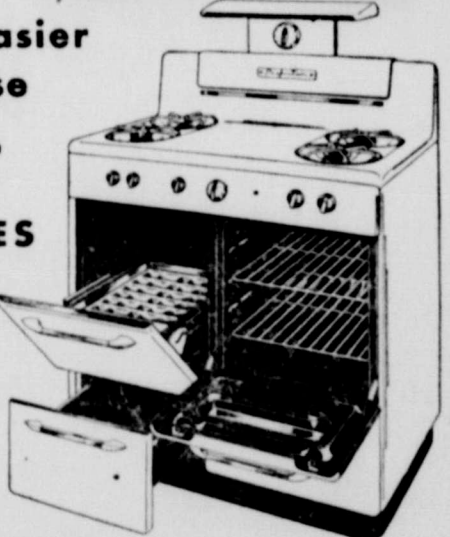

The dining table, which was lace laid, was centered with a snow-foam heart outlined with yellow net and garlands of acacia and calendulas. Mrs. Elmer Dameron presided at the punch bowl, which was encircled with fern and acacia. Mrs. Buster Mullin and Mrs. Midgley served cake squares iced in white. Plate favors were lace baskets tied with green and yellow ribbons filled with nuts.

Mrs. Alton Bryan registered guests in the bride's book at the table, which was centered with an arrangement of yellow rosebuds. Mrs. James Knight displayed gifts. Miss Bryan and M. L. Forgey,

Mrs. C. H. Sanders, sister of Mrs. A. B. Legate, formerly of Ballinger, died at her home in Lindsay, Oklahoma, last Thursday. Funeral services were held at Lindsay Friday and interment followed at High, Texas. Friends of Mrs. Legate received the information the past weekend.

3 Schools in County Will Make Surveys Of Community Life

The Miles, Olfen and Norton schools will use materials furnished by the Texas education agency to make a detailed survey of the schools and community, according to County Superintendent W. E. Elkins.

More than 800 schools over the state are expected to take part in the school-community survey plan.

The material is now being used by schools with fewer than 100 pupils in high school. If results of the program are satisfactory, all high schools in the state may eventually take part in the survey, J. W. Edgar, state commissioner of education, has stated.

Purpose of the survey is to gather information about the community which will help school leaders in planning a better program of education for the school and community. Because a good school is so closely tied to community life, many of the questions will be concerned with community resources.

After the material has been col-

lected by the teachers and pupils, a group of local citizens will be asked to examine the results in the light of their knowledge of the community.

Supt. Elkins, L. M. Hays, of Miles; J. L. Kilgore, of Norton; and William P. Galligan, of Olfen, recently attended a meeting at Abilene, where members of the Texas education agency staff explained the use of the study guides.

When the surveys have been completed in all communities and the findings reported the state agency will have a vast fund of information about education in Texas that could not be obtained from any other source. The rapid changes that have taken place in social and economic life in the past few years have made available information out of date.

Teams given the responsibility of making the surveys will start work on March 1.

Chief Bird told of the workings of a district council, how the budget is made up and spent, and how programs of activities are planned and carried out.

He complimented Ballinger on the fine work done in 1950 and stated that troop 42 was the leading troop of the district, and that troop 29, sponsored by the Lions Club, was in second place. He also complimented the Lions for sending three boys to the national meeting in the summer of 1951, for their participation in camps and for the excellent work as reflected by many scouts being advanced and receiving merit badges.

He stated that last year there were 198 members in the district, including cubs, and that already this year there are 270 members and many cubs, running the total well over 300.

Scout Executive Is Club Speaker

National Boy Scout Week was observed by the Ballinger Lions Club Friday, with Chief Bird, executive of the Concho Valley

council, the principal speaker.

present and in attendance the following members, to-wit: J. W. Moore, Mayor; M. H. Morgan, Commissioner; Raymond Berryhill, Commissioner; and the following absent, None, constituting a quorum, and, among other proceedings had, were the following:

Commissioner Morgan introduced an ordinance, and moved its adoption. The motion was seconded by Commissioner Berryhill. The motion, carrying with it the adoption of the Ordinance, prevailed by the following vote:

AYES: Mayor Moore and Commissioners Morgan and Berryhill. NOES: None.

The Ordinance is as follows:

An Ordinance Prescribing the Procedure for Candidates to file for the Offices of Mayor, Alderman (or Commissioner) and Other Officers for the City of Ballinger, Texas, providing for Election Officers, Place and Manner of Holding City Elections and Providing for Notice.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF BALLINGER, TEXAS:

Section 1. All elections pertaining to municipal affairs shall be governed by the election laws of the State of Texas. In all city elections, the Mayor, City Secretary (or Clerk), or the governing body shall do and perform each act in other elections required to be done and performed, respectively by the County Judge, the County Clerk, or the Commissioners' Court. In all city elections the Mayor, or if he fails to do so, the governing body, shall order the election, give notice and appoint election officers to hold the election. In general elections for officers the notice or proclamation shall be issued and posted at the polling places not later than thirty days before the first Tuesday in April of the year in which the election is to be held.

Section 2. Any eligible and qualified person may have his name printed upon the official ballot as an independent candidate for the office of Mayor or Alderman (or Commissioner) or other city office by filing his sworn application with the Mayor at least thirty (30) days prior to the election day. The application shall state the specific office or place being sought by the applicant and that the applicant is eligible and qualified under the laws of the State of Texas to become a candidate for and hold the office being sought, if elected.

Section 3. (a) The form of the sworn application shall be substantially as follows:

"To the Mayor of the City of Ballinger, Texas, Greetings:

"I, _____, hereby make application to have my name printed on the official ballot as an independent candidate for the office of _____ to be held on the 3rd day of April, 1951; and I hereby certify that I am qualified to make this application and that I am legally qualified to hold such office, if elected.

"State of Texas, _____ County of Runnels

"_____, being duly sworn, deposes and says that the statements contained in the foregoing

application are true.

(Signed) _____

"Subscribed and sworn to before me this the _____ day of _____, 1951.

(Seal)

"Notary Public in and for Runnels County, Texas."

(b) Such sworn application may be accompanied with a petition signed by qualified electors, although such petition is not required.

(c) Such sworn application shall be accompanied with an executed copy of the "Loyalty Affidavit" as required by Article 2978a, Vernon's Texas Statutes, in substantially the following form:

"I, _____, of the City of Ballinger, County of Runnels, State of Texas, being a candidate for the office of _____, do solemnly swear that I believe in and approve of our present representative form of government, and if elected, I will support and defend our present representative form of government and will resist any effort or movement from any source which seeks to subvert or destroy the same or any part thereof, and I will support and defend the Constitution and Laws of the United States and of the State of Texas.

(Candidate's signature) _____

"Sworn to and subscribed before me at Ballinger, Texas, this the _____ day of _____, A. D. 1951.

(Seal)

(Notary Public) _____

"In and for Runnels County, Texas."

Section 4. The names of all those who have filed their sworn applications to have their names printed on the official ballot as candidates shall be posted by the City Secretary in a conspicuous place at his office for the inspection of the public for at least ten days before he orders the ballots to be printed. All objections to the regularity or validity of the application of any person shall be made within five days after such posting, by written notice filed with the City Secretary, setting forth the grounds of objections. In case no such objection is filed within the time prescribed, the regularity or validity of the application of no person whose name is so posted, shall be thereafter contested. The City Secretary shall preserve in his office for a period of two years all applications, notice of objections and other related papers.

Section 5. Any person eligible to the office of Mayor, Alderman (or Commissioner) or other office who has filed his sworn application in accordance with the provisions of this ordinance shall have his name printed on the official ballots. Any such person may cause his name to be withdrawn at any time before the official ballots are actually printed, by filing in writing with the City Secretary a request to that effect over his own signature, duly attested to by a Notary Public. No name so withdrawn shall be printed on the ballots. Not later than twenty (20) days before the city general election the City Secretary shall have the official ballots printed.

Section 6. Each qualified voter who desires to cast an absentee vote and who expects to be absent on the day of the city general election shall be entitled to an official ballot and the right to cast such a ballot in accordance with the provisions of Article 2956, Vernon's Texas Statutes.

Section 7. That hereafter all municipal elections shall be conducted by one presiding officer or judge and two assistant judges to be appointed by the Mayor of the City of Ballinger, Texas; that the presiding officer shall be compensated for his services at the rate of six dollars (\$6.00) per day and said assistant judges shall be compensated at the rate of five dollars (\$5.00) per day, which services shall be paid from the general fund of the city. (If additional voting places or help are used, this Section should so specify.)

Section 8. That hereafter all elections for the selection of officials shall be held at the City Office or City Hall in the City of Ballinger, Runnels County, Texas, between the hours of 8:00 a. m. and 6:00 p. m.

Section 9. The City Marshal (or Chief of Police) shall post a properly executed copy of the election proclamation and notice at the place (places) where the election is to be held. Said notice shall be posted thirty days before the date of said election.

Section 10. It shall be the duty of the City Secretary to notify all persons elected, and all newly elected officers may enter upon their duties on the fifth day thereafter, Sundays excepted. If any such officer fails to qualify within thirty days after his election, his office shall be deemed vacant, and a new election held to fill the same.

Passed and Approved this 6th day of February, A. D. 1951.

High Blood Pressure

The blood pressure of the human body is dependent on two conditions—the strength of the heart beat and the resistance offered by the arteries to the flow of blood. The pressure has a normal variation; a higher pressure always following exercise, emotion, and the taking of stimulants and food. This rise in pressure is brought about by contractions of tiny muscle fibers in the walls of the arteries. The action of these muscle fibers gives elasticity to the artery wall, and when they are contracted the resistance to the flow of blood is increased and blood pressure is higher.

The increased pressure due to the four conditions mentioned is temporary and occurs in all healthy bodies. Permanent high blood pressure is unhealthy, and if not corrected, will lead to trouble.

When the resistance to the flow of blood is great the heart must work harder to maintain circulation. If this resistance is permanent the heart muscle is overworked. Nearly all cases of permanent high blood pressure are due to failure of the kidneys to eliminate waste materials from the blood stream.

The kidneys are supplied with nerve force through nerves arising from the spinal cord, and it is because these nerves are impinged and cannot convey the nerve force properly that the kidneys fail to do their work.

High blood pressure can be readily brought down by Chiropractic adjustments, and the lowered pressure relieves the heart of its overburden, and so prolongs life.

SOCIETY

Past Matrons Club of Eastern Star Holds Quarterly Meeting
Members of the Past Matrons Club, Order of Eastern Star, met in the home of Mrs. O. R. Lasater on Sixth Street for the quarterly meeting last Thursday evening.

After a short business period at which Mrs. Clyde Gabbert presided, and Mrs. R. F. Zedlitz gave the secretary's and treasurer's reports, a fellowship hour was enjoyed. Mrs. T. A. Rape gave the opening and closing prayer.

Foursome tables laid with red cloths were attractive with white lace mats where the hostess served hot chocolate and cake. Favors were fluted red and white cups filled with candy hearts. Party rooms were decorated with red and white blossoms. The next meeting will be held in April.

Lake Superior is the largest fresh-water lake in the world.
