\$71,000 Will be Spent On 3 Highway Projects

The state highway commission has announced that a total of \$71,000 will be spent in Runnels county on three jobs which deal with maintenance of present highways.

Approval of the work was given by the commission at its September meeting and entered on the minutes as follows: "In Runnels county the state highway engineer is directed to proceed in the most feasible and economical manner with the following work at the estimated cost as shown."

State highway No. 158, ten miles from the Coke county line east, will get additional surfacing and seal coating at a cost of \$17,000.

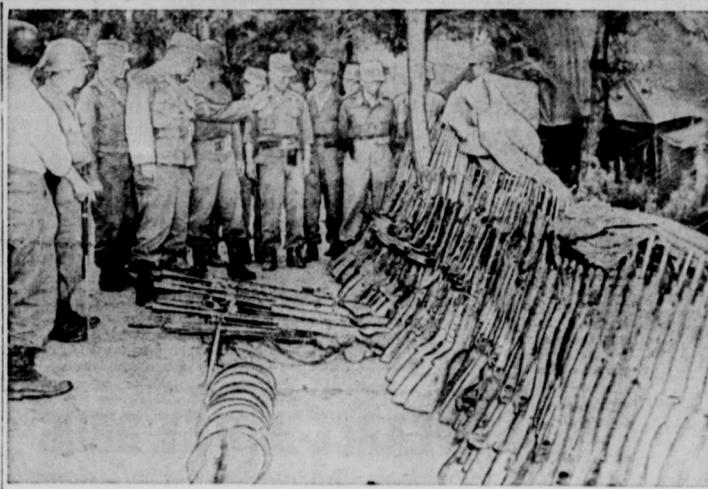

U. S. highway No. 83, 5.8 miles from Winters south, is to get additional surfacing and seal

coating at an estimated cost of \$10,000.

U. S. highway No. 83, 5 miles south from Ballinger, will be widened and resurfaced at an estimated cost of \$44,000.

No information has been received whether the jobs will be contracted or done by the regular maintenance crews. Widening of highway 83 south of Ballinger has been considered for several years and a portion in the city limits from Hutchings Avenue south has already been made some wider.

Information on the proposed work was received the past week-end by County Judge E. C. Grindstaff from George M. Garrett, deputy state highway engineer. Garrett was resident engineer in Runnels county when the first paving was done on highway 83.

VAN FLEET LOOKS OVER ENEMY WEAPONS . . . On a tour of the front lines in the Korean war zone, General James A. Van Fleet, commander of the United Nations ground forces, inspects an array of Communist weapons captured by a South Korean division in the recent skirmishing while armistice talks have been on and off. Much of this equipment used by the enemy was made in Russia or was of Russian design. Beside the commander is ROK General Choi Yong Hui. Van Fleet has announced that in the event of a complete breakdown of truce negotiations, his arm is ready and waiting for any assault the Reds can throw against him.

Local F.F.A.s Prepare For Various Activities

The instructors and members of the Ballinger chapter of Future Farmers of America are facing a busy season which will get underway at once.

An announcement has been received that Herman Stokes will receive the American farmer's degree at Kansas City in October when the National F.F.A. convention is held there. This is the highest award which can be given a member of the organization. The award includes a check for \$25 from the state organization and a \$50 check from the national organization.

Pins have been received for three members who will receive the Lone Star farmer's award. This is the highest award which can be given by the state organization. The pins will be presented to David Fowler, Weldon Lange and Carl Midgley. In the state livestock judging contest held the past spring at A. & M. College, the Ballinger team was one of the high-

est ranking three teams of the state. The locals will go to Dallas and the state fair on October 9 to compete with the other two teams to determine who will represent Texas at the national contest to be held in connection with the national convention at Kansas City in October. Members of the Ballinger team are Bobby Smith, David Fowler, Weldon Lange and Mark Campbell.

The chapter's grass judging team will go to Dallas on October 6 to take part in the contest at the state fair. Members are Henry Wolf, Wilbur Wehman, Donald Bales and Garland Davis.

Chapter members will send 30 to 40 head of livestock to Dallas October 14 to be entered in the junior livestock show. The show will be held from October 16 through October 20. Arrangements are being made to take all chapter members to the opening of the fair and Rural Youth Day on Saturday, October 6.

Fire Prevention Features Planned Here October 7-13

National Fire Prevention Week will be observed in Ballinger beginning Monday, October 7, and continuing through October 13.

Chester Cherry, representing the Ballinger Chamber of Commerce and the fire department, has made extensive plans to conduct programs in the schools and at a number of other places.

"Curly" Hays, of Abilene, will join Mr. Cherry here Monday, October 7, and will bring with him a large amount of special equipment for demonstrations. Some equipment also has been made here to show how fires originate.

The school authorities will give full cooperation and Mr. Cherry said demonstrations are to be given in a number of other towns in district G of the West Texas Utilities Co.

Mr. Cherry stated that other features would be added before the beginning of the special week. All firemen and equipment will be alerted to assist in the programs here.

Mr. Cherry stated today that the program would start at the central elementary school at 8:30 on the morning of October 8. All mothers of pupils in this school are invited to be present.

At 10:30 a. m. the program is to be given at the West Ward school, where a street demonstration will be featured.

In the afternoon the program will be presented at the negro school.

The high school program is to be presented at the chapel period on Wednesday, October 10.

Salvation Army Quota for Area Nearly Attained

Clifford Cook, chairman of the Salvation Army drive, said today the quota for 1951 is nearly reached and every effort will be made to conclude the campaign this week.

Indications the first part of the week were that a few additional subscriptions would be needed to raise the full \$1,200 asked locally.

A total of \$957.69 had been turned in to the treasurer Monday. Reports were to come from Miles, Rowena and the Ballinger schools. Mr. Cook also stated that he expected to make a number of calls this week where citizens were missed by the committee that covered the territory.

Committees at Rowena and Miles were at work last week with fair results and chairmen stated they would be ready to turn in receipts by the end of the week. With the clean up here and reports from the Miles, Rowena and the school chairmen, Mr. Cook expected the quota to be attained.

A separate quota is being raised at Winters and the northern part of the county, where a chapter was recently formed.

Norton-Millersview Six-Man Grid Game To be Played Here

The Ballinger Lions Club will sponsor a six-man football game between the Norton and Millersview teams at Bearcat Field on the night of October 19. These teams are members of the same district and this is a regularly scheduled contest in which Millersview will be the "home" team.

These two teams are shaping up as the fastest in their district and both schools will have a large number of adult fans and students here for the tilt. The Lions will furnish the playing field, the officials, sell the tickets, provide programs and attend to other business.

Officials of both teams met here Monday night with a Lions committee to complete plans.

The Lions will conduct an advance ticket sale and try to fill Bearcat Field for this game. In the near future a number of other special features will be arranged which will attract large attendance.

October 19 is an off-football week in Ballinger, no other games being slated at Bearcat Field.

SHERIFF'S DEPARTMENT KEPT BUSY PAST WEEK

The sheriff's department is looking for four tires and wheels stolen from the Cree-Sykes lease some time Tuesday. The tires are for a trailer, size 8.25 by 20, and the wheels are red.

Eugene Spann was taken to Wichita Falls Tuesday to be placed in a hospital.

Theibert Moneyhun was arrested at Odessa Tuesday for removing mortgaged property from this county. The car was recovered.

Ewing Hilton Peel was arrested and charged with reckless driving. He was fined \$50 and costs in justice court.

Supervisor to be Elected at Norton By Farmer Group

Farmers and land owners in soil conservation district No. 3 of Runnels county will meet at Norton on the night of October 2. Important business will include the election of a supervisor for the area to serve for a five-year term.

Kirby Robinson has completed a two-year term as supervisor, having been elected to serve for this period.

John A. Barton, county agent, has announced that the meeting will be held at the high school and will start with a picture show. Other items will be discussed before the regular business session and the convention type election is held.

District No. 3 starts at Ballinger and includes land north of the Colorado River to the Coke county line and from Ballinger all land west of highway 83 to Winters. The northern boundary is a line practically west of Winters to the county line. All those who are farming in the district and all land owners are urged to be present.

Mr. Barton will talk on rodent control and an effort will be made to organize for a campaign against rats and mice in the community. Farmers of the Norton section have asked for this program in order that damage to feed and other commodities be stopped.

H. J. Zappe will act as chairman for the convention-type election.

Club Women's Tour For South Section To Start October 9

The annual tour for home demonstration club members of Runnels county has been planned. Visits will be made in the southern part of the county on October 9, and in the northern part on October 17.

A group composed of Mmes. John Duke, Tom McEntire, J. H. Shelburne, John Zak, Jack Fry, Tom Moreland, Clarence Routh, Ben J. Halfmann, Ferd Rohlfeld and Ralph Russell will meet Monday at 9:00 a. m. in the office of Miss Ollie Chenoweth, county home demonstration agent, to plan events on the first tour.

Those making the trip in the southern section will meet at the court house at 9:00 a. m. and will visit the following places and demonstrations:

South Ballinger—Mrs. J. L. Oihlhausen, home improvement; Rowena—Mrs. Tom Egan, landscape project.

Olifen—Miss Geneva Egge-meyer, home improvement; Mrs. Theo Halfmann, home improvement.

Bethel—Mrs. Claude Simmons, storage and plans for next year; East Ballinger—Mrs. Everett Witter, bedroom improvement.

Friendly Neighbors—Mrs. Ralph Russell, home improvement.

The noon meal will be eaten in the Olifen hall and each member is asked to bring a sack lunch.

A tea will be served at Mrs. Russell's home in the afternoon to conclude the tour.

A schedule of the trips in the northern section of the county will be published next week.

Penny and Nickel Shortage Acute; Public Can Help

Ballinger banks have been advised by the treasury department, comptroller of currency, that due to the acute shortage of copper, the mints will be unable to meet the present heavy demand for pennies and nickels.

Banks are being called upon to give publicity to this and to encourage people to turn in the pennies and nickles accumulated in sugar bowls, and other places around the home. Officials believe that there are enough of these coins lying idle in homes to alleviate the shortage. Bankers are asked to use every means possible to have these coins returned to circulation and give currency in exchange.

Ballinger banks are cooperating in the request of the treasury department and urge citizens who have savings in these needed coins to turn them in as soon as possible.

Locations Made for Oil Tests in Ballinger Area

Two new wildcat oil tests are of much local interest, being located near Ballinger.

Anderson & Reynolds have started work on their No. 1-Mrs. J. F. Currie, northwest of Ballinger. The well is slightly northwest of the No. 1-Hugh Campbell. Surface pipe was set Tuesday and regular tours are making hole.

R. B. Heinzen and Fritz Lantton, of Houston, have staked a location for a 4,200-foot well to be drilled with rotary equipment on the A. J. Thorp place, five miles southeast of Ballinger.

Humble No. 57B-Sallie Odom flowed at the rate of 390.37 barrels daily upon completion. This well is in the Fort Chadbourne field and bottom hole depth is 5,445 feet.

Jim McMurrey and others No. 4-I. W. Rogers, in the Nora Gardner field, flowed 182 barrels of 46 gravity oil when complete from a depth of 4,088 feet.

Humble No. 7C-Sallie Odom is being completed this week

after receiving 2,000 gallons of acid at 5,350 feet.

Humble No. 53B-Sallie Odom gauged 422.1 barrels of 46.3 gravity oil when finished at a depth of 5,425 feet.

Currie & Wylie No. 8-Mrs. J. F. Currie flowed 468 barrels of 45 gravity oil when completed. Total depth is 5,290 feet.

Robinson-Puckett, Inc. No. 3-Minzenmayer gauged 40 barrels of 42.9 gravity oil upon completion. The location is in the Winters West Canyon field and the depth is 3,550 feet.

B. C. Morrison, of Los Angeles, has filed an application to drill a wildcat 1½ miles northeast of Crews, to be known as his No. 1-J. T. Brandon.

N. P. Powell No. 2D-Sallie Odom, in the Fort Chadbourne field, will go to 5,400 feet.

Vincent & Welch No. 1 Ellwood Brown, wildcat four miles east of the Elm Creek field, was finished for a 24-hour flow of 52.41 barrels of 41 gravity oil. The discovery is a Pennsylvanian find in a stray sand at 3,950 feet.

Fire Zone Extended By City Commission

The city commission attended to considerable business pertaining to city operations Monday morning.

Mayor J. W. Moore was instructed by the commission to call the public housing administration and ask that repairs being made at Harman Park to buildings now being rented by the city. He was further instructed to either get authorization for repairs or to inform the PMA that the city wishes to terminate the contract for operation of the project.

It was pointed out that most of the units were in bad condition and some unlivable. The city has been operating Harman Park since the closing of Bruce Field at the end of World War II.

The commission voted to employ an assistant for chief of Police Lee Moreland to keep the office, answer telephone calls, operate the radio and do clerical work.

The commission passed the abbreviated edition of the national building code and extended the fire limits of the city. The provisions of the

building code will become effective as soon as the ordinance is published for a period of ten days.

Acting on the recommendation of the state fire marshal, the fire zone was extended to take in five additional blocks and the court house grounds. Blocks 5, 20, 31, 32 and 33 of the original town of Ballinger are included.

Block No. 5 is between Broadway and Sixth Street with the new Bissett Bros. station located on it. Block No. 20 is between Fifth and Sixth Streets and Hutchins and Strong Avenue with the Park Hotel a part of the area. Blocks 31, 32 and 33 are located between South Sixth and South Ninth Streets and Strong and Sealy Avenues. A fire recently damaged four business buildings in one of these blocks.

A \$2,000 building permit was approved for Mrs. Aileen Noyes Miller for improvements on a business building at the corner of Hutchings Avenue and Tenth Street.

Tom Agnew received a permit for \$150 for construction of a car port in Wilke Terrace.

Fire Prevention Demonstration At Club Meeting

Ballinger Lions heard an interesting and educational program Friday afternoon on fire prevention.

Joe Fogaley, for thirteen years fire marshal at Corpus Christi and at the present time field instructor for fire marshals' training, engineering extension bureau of the Texas firemen's school, A. & M. College, was the speaker.

Mr. Fogaley has been holding schools in this section of the state and appearing before service clubs and other groups. He was brought to Ballinger through the efforts of the Ballinger fire department and was presented and assisted by Chief Charles Webb in the program Friday.

Considerable equipment is used in the lecture-demonstration to show common fire hazards in homes and business houses. Explosions of gasoline, cleaning fluids, insect sprays and oily cloths were a part of the demonstration. Safe and unsafe use of cigarettes was a special part of the program.

Much time was spent in showing dangerous uses of electrical equipment and appliances, the results being shown on a special board.

Chief Webb has been working with Mr. Fogaley in a school at Coleman and also appeared in several service club programs there with the state instructor.

A contract has been awarded the B.C.D. Construction Co. for the remodeling of the Underwood Motor Co. building at the corner of Tenth Street and Hutchings Avenue. Work got underway Monday morning and will be pushed as much as possible.

Roy Miller, of Orlando, Florida, owner of the building, is having part of the work done and Arthur Underwood, operator of the Bulck agency, which include interior decorations and refinishing, a modern office and several other items.

The portion of the building formerly used as a drive-in service station will be enclosed in the building with glass. A drive-in will enter the building from the center of the front, with display rooms on the Tenth Street side and offices on the other. The rear of the building will be used for a service department.

The contract includes a modern front for the building and numerous features for a better display of Buick cars and service.

Mr. Underwood stated that he would maintain the used car building and lot on Tenth Street at the rear of the building. Contractors will strive to complete the job in 30 days if weather is favorable.

Sheriff Don Atkins will go to Dallas Saturday, and Sunday will receive his commission as a deputy provost marshal in disaster district No. 8 of Texas. He will be accompanied by Sheriff Gay Miller, of Menard, who will receive a similar commission.

Modern Cooking School to be Conducted Here on October 2

How would you like to cook your family's meals simply by turning a switch? Today, the homemaker can accomplish just that—cook a complete meal by just turning a switch. Mrs. Abigail Andrews, widely known home economist, will demonstrate the most recent and proven developments in modern cooking at the demonstration to be held Tuesday, October 2, at the Library building, commencing at 2:30 p. m.

She has recently had special training in food preparation, preservation, and quick-freezing techniques at the nationally famous Frigidaire home economics department at Dayton, Ohio.

Recipes and favors will be given homemakers who attend the demonstration. All the food used in demonstrating the modern electric way of food preparation will be presented to women attending the school.

Labor is Needed To Complete Job Of Sodding Park

T. J. Mansell is in charge of a maintenance program at Cat Park and anyone interested in the improvement and upkeep of the park who will give a few hours work will find the gate open any afternoon from 5:00 p. m. until dark.

Last week a crew was used to cut "goat-heads" and other weeds and grass, clean out the clubhouse and make repairs. Gates were repaired so they can be locked and locks were put on the concession stand and rest rooms.

Mr. Mansell hopes to sprig grass on the infield and irrigate it the remainder of the year. If the sprigging can be completed this week, he believes there will be a good turf before frost.

If enough interest is shown, painting may be done on the steelwork in the stands.

A number of baseball fans think leagues may be looking for members next season and that a town with a park ready for play will stand a good chance of securing a berth.

Roland G. Bell, son of Mr. and Mrs. R. L. Bell; and Fred McShan, son of Mr. and Mrs. W. M. McShan, of Ballinger, have enrolled in the freshman class at Daniel Baker College, Brownwood. Both are on the basketball squad.

Mrs. Abigail Andrews

W. O. Wallace, West Texas Utilities Co. district manager, has issued an invitation to all housewives in Ballinger and surrounding area to be his guests at the demonstration, which is planned as one of the best ever conducted here.

The demonstration, sponsored by the West Texas Utilities Co., will be conducted by Mrs. Andrews, senior home economist for Frigidaire Sales Corp. Mrs. Andrews will be assisted by Mrs. Ruth Clappitt, home economist for W. T. U. Co.'s Ballinger district, and by other members of the district staff.

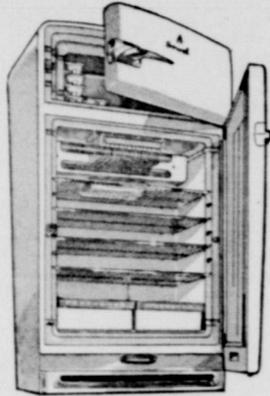

Mrs. Andrews, who will present the very latest in food preparation and time saving methods, is a graduate home economist with more than 15 years of practical experience.

dent, directed the business period, and presented the welcome to old members as well as introducing new members. Mrs. Fred Harwell, Mrs. Mack Bowers and Mrs. Pauline Pragua Honorary members presented were Mrs. F. C. Miller and Mrs. Loyd Herring. In the president's message, she pointed out that membership in the club is a valuable possession, which means much for the individual, but above all, it can do much for others by cooperation. The club voted to assist with the clerical work of the mobile X-ray unit which will be in Ballinger on October 6, 8 and 9.

The well arranged year-book, with "Information Please" as the course of study, which includes programs on art, television, citizenship, federation, international relations, and other interesting topics, with an autumn leaf place card marking places for members and a guest, Mrs. Tony Morgan.

The T-shaped table was centered with arrangements of yellow and bronze daisies interspaced by autumn leaves. Mrs. W. E. Elkins, art chairman, gave the invocation preceding the two-course breakfast.

Other officers are: vice-president, Mrs. Billy F. Brown; recording secretary, Mrs. Ted Tisdale; corresponding secretary, Mrs. Price Middleton; treasurer, Mrs. Coy Estes; parliamentarian, Mrs. Elliott Kemp; historian, Mrs. John Castor; critic, Mrs. R. A. Bagwell.

The program committee is composed of Mrs. W. K. Wheatly, Mrs. W. O. Irby and Mrs. M. A. Davidson.

At the conclusion of the group repeated the club collect.

Other active members are: Mmes. A. H. Dallinger, Preston Fitzhugh, Lloyd Downing, W. O. Irby, J. Dexter Eoff, Joe A. Forester, E. C. Grindstaff, R. A. Hanson, Jr., R. S. Lowmy, C. E. "I ain't very much, but..."

In THE PLAY Green Pastures, the character Noah observed, "I ain't very much, but I've all I got." This is simple but eloquent reasoning.

The realization of responsibility to yourself and to others to be cheerful, sympathetic, and helpful is the basis of a sound personality. Ill and disgruntled people are a burden to all. Take good care of yourself. Do not forget that both your family physician and your pharmacist are on your side to help you stay well and happy. All you have to do is ask for their help. When ill, see your physician. We are fully equipped to fill your prescriptions and furnish the needed sickroom supplies.

OLDFATHER HOME DEMONSTRATION CLUB

The Oldfather home demonstration club met Tuesday of last week at the community hall, nineteen members and Miss Cille Chenoweth, county home demonstration agent, attending. Roll call was answered with "Something My Mother Taught Me" Mrs. Ferd Rohmfeld gave the report on the county council meeting.

The following officers were elected for the ensuing year: Mrs. B. J. Halfmann, president

Miss Geneva Eggemeyer, vice-president
Miss Lucile Halfmann, secretary-treasurer
Mrs. Erwin Halfmann,

reporter

Mrs. Ferd Rohmfeld, council delegate

Mrs. Theo Halfmann, alternate council delegate

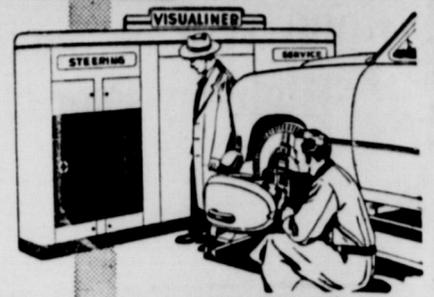

Mrs. J. J. Fuchs and Mrs. Ferd Rohmfeld, food demonstrators.

Miss Chenoweth gave a demonstration on glazed ham surprises, baked frozen corn, ice cream pie and the proper table setting. These delicious dishes were served to the members by Mrs. Paul Halfmann and Miss Lucile Halfmann.

Miss Mildred Hoelscher is a new member of the club.

At the next meeting, October 3, nylon corsages will be made. Today the world isn't worrying so much about who's who, as it is what's what.

HEIDENHEIMER'S

Late Touchdown Rally Gives Bearcats Victory

The Ballinger Bearcats took advantage of a driving north wind Friday night and scored three touchdowns in the closing four minutes of the game to defeat the Colorado City Wolves by a score of 26 to 18. It was wild, hard driving football that left Ballinger fans limp at the conclusion.

Early in the fourth quarter the Wolves had scored to take an 18 to 6 lead and it looked bad for the locals until they started passing and plunging to shatter the visitors' defense and score 20 points.

The Bearcats drew first blood on the first play of the second quarter when Harold Merrifield cut into the secondary and ran

35 yards to count. Payne's kick from placement was wide.

In the second quarter the Wolves knotted the score when Corbell threw a long fourth down pass to Swan, who was standing on the goal line. The Wolves also failed to make the extra point.

Later in the second period the Wolves drove down field from their 43-yard line with Swan carrying over from the one-yard line. The kick for the extra point was blocked.

No damage was done in the third quarter and the Bearcats got possession of the ball on the first down in the final quarter, taking over on their own one-yard line after hold-

ing the Wolves for downs.

The Bearcats were operating on the Colorado City 35-yard line when a flat zone pass was intercepted by Corbell, who raced 65 yards to pay dirt.

Later in the game the Bearcats recovered a fumble on their opponents' 17-yard line. A beautifully executed screen pass, Bell to Payne, was good for a touchdown, Payne adding the extra point.

The Bearcats took the ball after a kick which came to rest on the 26-yard line. Payne ripped off 8 yards and Merrifield skirted end for the remaining 13 yards and a touchdown. A pass, Payne to Maedgen, was good for the extra point.

The final score came after the Wolves were unable to get a kick-off out of dangerous territory and the Bearcats took over on the three-yard line. On the second play, Bell went over from the one-foot line. The kick was blocked.

The Bearcats were considerably outweighed and were outplayed during the first half, the Wolves stacking up seven first downs to two for the Bearcats. The Ballingerite reversed this in the second half and were outstanding both on offense and defense.

A crowd of about 3,000 fans watched the game all the way.

SPORTS

The Ballinger Bearcats will be the underdogs tomorrow (Friday) night when they meet the Stamford Bulldogs here. So far this season the Stamford boys have won all their games and have met some of the strongest class AA teams in this part of the state. They hold the advantages of experience and weight over the locals.

Game time is 8:00 p. m. and the largest crowd of the season is expected. Ballinger fans witnessed a thrilling finish last Friday when the Bearcats put on a last minute rally to cut down the Colorado City Wolves.

The Ballinger juniors will be in action tonight at Bearcat Field in a tilt with the Winters lads. Fans are urged to attend.

Coach Dillard Adair will have his Dublin Lions at Winters Saturday night for a game with the Blizzards. So far this year the Lions have won three and lost none and Adair has probably his best team since going to Dublin. The game will draw a large number from Ballinger.

PAYOFF MAN . . . Atlantic city gambler Francis Smith tells senate crime committee that he made a \$250 payoff to State Senator Frank S. Farley, reputed political boss. Smith testified under a threat that he would be "rubbed out."

'Jim Thorpe, All American' Tracei Thrilling Career of Sports Hero

Another great film biography comes to the Texas Theatre screen Sunday and Monday, September 30, October 1, when "Jim Thorpe—All American," starring Burt Lancaster in the title role, is to be shown. A tender love story, a thrilling sportsman's saga, a story of an American Indian who became one of the most widely known heroes of his day, the real life story of Jim Thorpe packs more interest and drama than half a dozen fictional pieces.

Phyllis Thaxter plays the girl for whom Jim turned from track to the glamorous sport of football to become the nation's No. 1 star. He apparently impressed her, a fellow student at Carlisle Indian School, for they were married when Thorpe returned from Europe, where he performed the prodigious feat of winning both decathlon and pentathlon events in the 1912 Olympics. It was in Stockholm that the King of Sweden crowned him champ and said, "You, sir, are the greatest athlete in the world."

Last year Thorpe was declared by sportswriters of America in a nationwide vote, "the greatest athlete of the first half of the 20th century."

Charles Bickford essays the role of "Pop" Warner, the coach and friend of Thorpe. Steve Cochran, Jack Big Head and Sam Warcloud also are in the cast.

Starring Spring Byington in the title role, "According to Mrs. Hoyle," at the Texas today, tomorrow and Saturday, tells the story of a retired teacher who always wields an influence for good, yet finds herself in jail on a serious robbery charge.

Anthony Caruso, Brett King and Tanis Chandler head the supporting players.

On the same program is another feature, "Little Big Horn."

'Woman on the Run' Hits High in Suspense

Screen suspense reaches a new high at the Texas Theatre with the showing of "Woman on the Run," a Universal production, billed Wednesday and Thursday, October 3, 4.

Ann Sheridan, Dennis O'Keefe and Robert Keith head a cast whose individual performances add up to make "Woman on the Run" one of the most absorbing thrillers to come from Hollywood since the early days of Alfred Hitchcock.

The story concerns a sensitive, moody artist played with restraint and understanding by Ross Elliott, a Broadway newcomer, who accidentally witnessed a gangland killing. When the police decide to hold him as a witness, he runs away. Keith, as the police detective,

'Frenchie,' 'Flying Leathernecks,' 'Yank in Korea' Banner Ensuing Week at the Hillcrest Drive-In

Introducing Hollywood's newest glamor gladiators—Shelley Winters and Marie Windsor. The feminine foes square off against each other—with no holds barred—in the Universal Technicolor film, "Frenchie," starring Miss Winters with Joel McCrea and to be shown at the Hillcrest Drive-In Theatre tomorrow and Saturday.

Others prominent in the cast are Paul Kelly, Elsa Lanchester, John Russell and John Emery.

Presenting the story of World War II's marine corps fliers for the first time on the screen, Howard Hughes' "Flying Leathernecks," in Technicolor is the first run feature at the Hillcrest Sunday, Monday, Tuesday, September 30 through October 2. John Wayne and Robert

Ryan are starred.

As a major commanding a squadron of fighter pilots, Wayne holds views on discipline which do not mesh with those of his executive officer, Ryan. The ensuing conflict between the two men, as the group fights through the crucial days on Guadalcanal and other Pacific islands, forms the underlying theme of the stirring action.

Don Taylor, Janis Carter, Jay C. Flippen and William Harrigan have featured parts.

Brought to the screen while still in the headlines, the story of "A Yank in Korea," Columbia picture starring Lon McCallister, is billed at the Hillcrest Wednesday and Thursday, October 3, 4.

The mess line laughs, the front line fury and the flaming drama of the Korean campaign come to life in "A Yank in Korea," which tells its story through the experiences of Andy Smith and his sergeant.

believes he is running away from the dangers of being a gangland murder witness, and from this point on the suspense builds up.

\$30,000 GROSS REPORTED AT LIVESTOCK AUCTION
One of the best livestock sales here in recent months was held Tuesday afternoon at the Ballinger Auction & Commission Co. barns. The largest number of animals for some time had been brought in and there were more buyers than could be supplied. Gross sales for the afternoon were slightly over \$30,000. During the afternoon 250 head of cattle, 125 head of sheep, a few horses and a few hogs were sold.
Butcher calves brought 34 to 35 cents, fat bulls 27½ cents, stocker calves 38 cents, stocker lambs 27½ cents and top hogs 20½ cents.
Another sale will be held next Tuesday and livestock raisers are urged to bring in their surplus animals. Plenty of buyers will be in the stands.
Ross Fowler left Friday for Lubbock, where he will attend Texas Technological College.

County's Club Boys Will Exhibit Swine At 5-County Show

The annual fall Sears five-county swine show will be held at San Angelo Saturday and a number of Runnels county 4-H club boys will enter exhibits. Judging will take place at the fair grounds, where more than 50 purebred Duroc hogs will be entered.
Runnels county boys will show eight registered Duroc gilts, a registered Duroc boar, and a pen of three fat hogs. The competition will be with other 4-H club boys in the five counties of district 7. The counties are Runnels, Coke, Concho, Menard and Tom Green.

The following boys with their parents will attend from this county: Harry Kalina, Rowena; Jack Gray, Jr., Winters; Carol Turk, Wingate; Winford Hogan, Winters; A. T. Halfmann, Jr., Ballinger; Richard C. Robinson, Wingate; Charles Kellermeier, Miles; Bobby Thomasson, Ballinger; Frank Hoelscher, Rowena.
John A. Barton, county agent, and Joe C. Johnson, assistant county agent, will accompany the boys to San Angelo.

TWO NEW MEN EMPLOYED BY JACOB'S FOOD STORE

Two new employees have been announced by Otis Jacob, manager of the Jacob Food Store.
Clyde Wiginton, formerly with Gabbert's Market, is now in charge of the meat to render service to the patrons of the store.
Bob Farmer, formerly with Safeway, is now in charge of the produce department, and also assisting in the grocery sections.
Mr. and Mrs. Ed Norman left today for Biloxi, Mississippi, to visit their son-in-law and daughter, Capt. and Mrs. Frank N. Chambliss. Mrs. Chambliss is the former Miss Lorene Norman. Capt. Chambliss served in the air force during World War II, and being in the reserve, was recalled to duty recently. He was enrolled at Louisiana State University as a law student when called back in service.

DENTISTS

Joe L. Horton
Joe L. Horton, 75, died at the home of a daughter, six miles south of Winters, Monday. He had been in failing health several years and was confined to bed the past six months.
Decedent moved to Runnels county with his family in 1919 and lived at Norton and near Wilmet. In his active years he engaged in farming. He was a member of the Methodist Church.
Funeral services were held at the graveside in the Norton cemetery Tuesday afternoon, Rev. William Lancaster and Rev. D. Cox officiating. Burial was at Norton with Spill Bros., of Winters, in charge.
Survivors besides the wife include five daughters, Mrs. Ivy Savage, Mrs. Vassie Lancaster and Mrs. Vera Perkins, Wilmet; Mrs. Oda Sherman, Winters; Mrs. Lillie Smith, Bronte; four sons, Erving Horton, Norton; Miri and Joe L. Horton, Wilmet; R. C. Horton, Andrews. A sister, Mrs. Mollie Fenwick, resides in Ballinger.

Baptist Revival To Start Sunday, Closing October 7

A series of revival services will begin at the First Baptist Church next Sunday. The revival will continue throughout the week, closing on Sunday, October 7. The pastor, Rev. Joseph Emery, will preach at the two daily meetings and Richard Eden, of Frederick, Oklahoma, will direct the music. Mr. Eden is minister of music and education of the First Baptist Church of Frederick. He is a graduate of Hardin-Simmons University, Abilene, and Southwestern Baptist Theological Seminary, Fort Worth.
An early morning service has been scheduled, making it possible for business men and school children to attend. This service will start at 7 a. m., when coffee and doughnuts will be served to all present.
The evening services will begin with a prayer meeting in groups at 7 p. m. and will be followed by the preaching service at 7:30.
Next Sunday is promotion day in the church and about 500 are expected in the Sunday school. A goal of 600 has been set for the last day of the revival.
All friends of the First Baptist Church are invited to attend these revival services. "Our visitors are always honored guests at our church," states Rev. Emery.

Dallas Glee Club Pleases Audience

The high school auditorium was filled Tuesday evening for the concert by the Dallas Rotary Glee Club. The group of 40 arrived Tuesday afternoon by chartered bus and returned home after the performance.
The ensemble became a hit with the audience from the first number and each song brought a storm of applause. After final curtain the audience recalled the club for one last song.
The singers' appearance here was sponsored by the Ballinger Rotary Club, which conducted an advance ticket sale for the previous three weeks.
Clyde Neville, master of ceremonies, invited Rotarians to attend Rotary Day at the state fair on October 19 and outlined special features for that weekend.
The glee club is under the direction of Herbert Kaszynski and features John Bumstead, tenor soloist; and Ray Scott, baritone.
Ballinger Rotarians will use the proceeds from the concert to carry on youth activities.

CORRECTION
Last week Edgar Hoelscher was reported as the new supervisor of district 2 of the Runnels county soil conservation district. This should have been Edward G. Hoelscher, who will assume the duties at once.
Mr. Hoelscher has practiced soil conservation on his place for many years and is a strong believer in all the work of the organization.

641 BALES OF COTTON GINNED IN COUNTY TO SEPTEMBER 25
Runnels county gins had turned out a total of 641 bales of 1951 cotton up to closing time Tuesday. Tabulations made here Wednesday showed gins in the southern part of the county ginned 336 bales and those in the northern part of the county 305.
Farmers report that cotton is opening faster this week and pickers will be in greater demand soon.

BAR PROBES CADET OUSTER . . . The New York bar association opens hearings in its hearing room into the recent ousting of 98 cadets from the United States military academy for cribbing. On the witness chair at left is Charles Shira, who was a tackle on the football squad at the academy. At right, asking the questions, is Robert Daru, general counsel for the bar association. Other cadets are in the background waiting to testify. Shira said he was kept in the dark on the charges against him and was denied legal representation when he was summoned before the West Point investigating board for the ouster.

Linda Lou Saylor's Honored at Party

Carol Sue Berry, assisted by her mother, Mrs. C. A. Berry, honored Linda Sue Saylor with a birthday party Saturday night in the Berry home on Ninth Street.

A red verberna corsage was presented each guest and bubble gum and balloons were plate favors.

After gifts were opened and wishes made, refreshments of chocolate cake with ice cream were served to Linda Lou and

Dee Ann Saylor, Midge Adair, Jane Nixon, Jim Beth Flynt, Linda Kay Crockett, and the hostesses.

A theatre party followed after which cake and hot chocolate was served.

Mary-Martha Class Entertained in Maples Home

Mrs. Lee Maples, Mrs. L. B. Rudder and Mrs. L. R. Tigner were hostesses to the Mary-Martha Class of the First Baptist Church, in the Maples home on Ninth Street follow-

ing the prayer service at the church Monday evening.

Mrs. Rudder conducted the business and heard yearly reports from group captains and other officers. A nominating committee composed of Mrs. W. D. Duke, Mrs. Paul Best and Mrs. William Hill, was named. The class will be reorganized next Sunday when new officers will be elected, and the installation of officers will be at a later date. Mrs. Maples gave the prayer.

The class presented Mrs. Maples, the retiring teacher, a gift.

Garden flower arrangements were used about rooms where hostesses served a sandwich plate with cookies and fruit punch. Others were: Mmes. Odie Barrington, C. W. Jennings, J. F. Owen, Otto Wood, Fred Holliday, George Scruggs, O. C. Sykes, H. G. Burkhart, Paul Best, Hill, Duke; and Miss Curtis Gregory.

Presbyterian Women's Meeting Led by Mrs. Wharton

Mrs. Conway T. Wharton directed the program on "My Place in the Church of Christ," for the regular inspirational meeting of the First Presbyterian Women of the Church Monday afternoon in the church parlors.

Mrs. Joel Bates presided for the opening of the meeting and

Mrs. F. M. Pearce gave the opening prayer. Mrs. Wharton was assisted in presenting the program by the following, who gave scripture readings; Mrs. Alex Saunders, Mrs. E. W. Stasney, Mrs. L. J. Campbell, and Mrs. Q. V. Miller. Mrs. B. W. Claunch gave the closing prayer.

The parlors were decorated with bouquets of zinnias where Mrs. R. R. Mizell and Mrs. K. V. Northington were the social hour hostesses, serving a refreshment plate with iced tea. Others present were: Mmes. Harry Lynn, R. T. Hall, Warren Lynn, Alex McGregor, Chester Cherry, J. M. Pyburn, W. B. Woody, C. L. Baker, Paul Trimmer, and Miss Jennie Bennett.

After a period spent in doing individual handwork and an informal get-together, the hostess served cake with iced tea to: Mmes. Don Atkins, Melvin Beddo, Caleb Brown, Alvin Holbrook, Jack Chisholm, Fred Monerick, Buck Coleman and M. A. Davidson.

Nelda Jo Barnett Complimented at Party

Mrs. Wallace Barnett honored her daughter, Nelda Jo, on her tenth birthday anniversary Tuesday afternoon with a party in their home on Broadway.

Mrs. J. T. Gregory and Mrs. Donald Lightfoot assisted in serving the pretty white birthday cake with strawberry ice cream and salted nuts, following the opening of gifts, and games were played on the lawn.

Those present were: the honoree's grandparents, Mr. and Mrs. L. E. H. Barnett, Mrs. John Duke, Mrs. Ted Price and sons, Cecil Merle, Stonie Ross, Teddie Lewis and Jimmie H. Price, Judith Thomas, Nancy and Phyllis Lightfoot, Calvin Kirk, Buddy Stasney, Jimmie Barnett, Lucia Clark, Jerry

Candler, Judy Ann Brown, Pauline James, Linda and Lane Crockett, Jimbeth Flynt, Mac St. John, Rebecca Davis, Mary St. John, Rebecca Davis, Mary garet Lou Campbell, Kay and Wayne Dodson, Jr., Dorothy Smith, Loa Beth Croder and Paula Jean Bishop.

Music Club to Meet Tuesday

The Ballinger Music Club will hold its first meeting of the year Tuesday evening in the home of Mrs. Paul Trimmer. All members are requested to attend this first meeting when regular programs will start.

BETHEL HOME DEMONSTRATION CLUB

Mrs. Claud Thompson was hostess to the Bethel home demonstration club for the regular meeting held on Thursday of last week. This was an all-day meeting and time was spent in making nylon flowers.

Mrs. Claude Simons had charge of the demonstrations. A business session was held in the afternoon.

A covered dish luncheon was served to fifteen members and one visitor at the noon hour. One new member was added to the club. The next meeting will be held in the home of Mrs. Milton Harris.

EAST SIDE HOME DEMONSTRATION CLUB

Mrs. Harold Routh was hostess when the East Side home demonstration club held an all-day meeting in her home September 25. Quilting furnished diversion.

A covered dish luncheon was served at noon, followed by a business period.

Fourteen members answered roll call with "What I Like Best About Our Club—Family Night." An interesting council report was heard and the following officers were elected: president, Mrs. Willie Stephens; vice-president, Mrs. Clyde Flanagan; reporter, Miss Edna Routh; council delegate, Mrs. Everett Witter; alternate, Mrs. Harold Routh.

FLOWERS AND WARNING . . . Richard Stokes, head of Britain's oil mission in Iran, is handed flowers and a warning by Persian priest, Seyed Abolghassom Kashani, during a friendly meeting in Teheran. The priest, reported to be the man behind the terrorist who shot Iranian Premier Kazmara five months ago, warned Mr. Stokes "to tell the British government that if Premier Mossadegh deviates in the slightest from all nationalization laws, the people will send him where Kazmara was sent." Latest developments in the talks are that agreements are possible.

Two new members were welcomed into the club. They are Mrs. Huby Clark and Mrs. Bud Fagle.

The next meeting will be held in the home of Mrs. Herman Hallmark on October 23. This will be an all-day meeting at which time Mrs. Roy Holstead will give a demonstration on making flowers of nylon. Shadows will be revealed.

All agencies in Runnels county that work with agriculture and livestock producers have centered their efforts on securing an experiment farm for this section. For some time local leaders have noted the need for an experiment farm in this area to deal with problems peculiar to this immediate vicinity. The soil and rainfall here make conditions very different from areas which are now served by similar farms or experiment stations. Following a meeting last week, study has begun to list special needs of this section and these will be presented later in a petition seeking the establishment of an experiment farm. In this project the group has the backing of the West Texas Chamber of Commerce and a number of other regional organizations. Insect control, livestock disease control, testing certain varieties of seed to obtain better production and other problems would get special attention from a government operated farm which would be leased by the state and operated by the A. & M. extension service.

Fire Prevention Week, October 7 to 13, will be observed in Ballinger, members of the fire department taking the lead in programs which teach fire prevention. Plans have been made to present interesting and educational programs in the public schools and before other groups. Clean up goes along with fire prevention and this too will

come in for attention. Leaders point out that a general clean-up at this time will be good for the entire fall and winter as weeds and grass are about through growing. The firemen can give educational information on fire prevention but the people must translate the facts into action. Inventory should be taken in every home and business house of possible hazards and efforts made to correct them. This would hold the Ballinger fire loss to a minimum.

Ballinger business men have been visited by a large number of solicitors the past two weeks and contributions have reached a peak for the year. There is scarcely a day when one or more calls are not made on local business houses. Most of the calls are on local propositions that have approval of the city and chamber of commerce and are worthwhile. Last week nine different groups sought donations or special advertising from business men.

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

WEST TEXAS NOTES

Directors of the Winters Chamber of Commerce last week talked measures which might be taken to improve the telephone service in their city. Also pointed out was the need for securing a large number of new telephones for new businesses and home owners. The chamber will cooperate with Santa Anna, Coleman, and Sweetwater organizations in placing a large traffic sign on the Brownwood-Coleman Highway directing traffic over farm-to-market road No. 53, which was recently completed.

Comanche county farmers have started gathering the first commercial crop of castor beans in the history of the county and some report excellent results from their first effort. Hezlie C. Dean marketed 7,572 pounds of beans last week from which he received a check for \$775 less a \$37 hull fee. The crop is not all gathered and for some time growers will be busy with the new crop.

The Concho county infantile paralysis chapter received \$500 last week to help take care of patient treatment. The check came from the national foundation after the chapter had spent all its funds. Mrs. Ellen Sims, chairman, declared that a record breaking condition has caused a number of cases in the area, which brought heavy expense.

Mayor H. O. Whit, of Bronco, states that the water situation in Bronco is now good and that samples taken last week showed a vast improvement in quality. Samples sent to the state health department have been reported without contamination. The city filtration plant has been cleaned and everything possible done to improve the supply.

One teacher was added to the Miles school faculty last week to take care of the heavy enrollment. Miss Betty Hyatt, of Brownwood, who recently received her degree from Howard Payne College, has been assigned to teach in the elementary school. Supt. L. M. Hays announced that the additional teacher would complete the faculty.

A number of Rowena young people left last week to resume studies in various colleges.

Henry Tepleck, Jr., returned to A. & M. College, Frederick Flost went to the University of Texas, Ginger Cervenka to Texas Technological College, Florene Lisso to Southwest State College, Harvey Maas enrolled in San Angelo College, where he is a freshman.

The Coleman chapter of the American Red Cross had a blood mobile unit there for several hours Wednesday to take 123 pints of fresh blood. Preliminary work by committees showed that little trouble would be experienced in securing the quota. The increasing need for whole blood and plasma by the armed forces and civilian needs has caused the Red Cross to conduct a nationwide campaign. Donors were accepted between the ages of 18 and 59½ years.

Railroad brotherhoods withdrew objections to temporary suspension of Santa Fe service between Sweetwater and San Angelo at a meeting of the state railroad commission at Sweetwater last week. Service would be discontinued while a new bridge is built over Oak Creek lake in Coke county. The new bridge is needed because the old bridge and tracks will be under water when the lake is full.

The first active step toward reactivation of Camp Bowie, Brownwood, was taken Monday when consultant engineers from San Antonio opened an office at the site to make a survey and plan construction. Frank T. Drought is in charge of the small crew of surveyors and draftsmen. Legislation authorizing construction at Camp Bowie has been passed by congress and sent to the president, but an appropriation must be approved before actual work can be done.

Over 200 registered at the meeting of the Old Trail Blazers' Association in the Rising Star American Legion hall Tuesday of last week. At the business session, I. W. Robertson, old time resident of the Amity community, was elected president of the organization for the ensuing year. The group voted to meet again at Rising Star in 1952 for a one-day

program. Tarleton State College, Stephenville, has been selected for one of the three education for citizenship clinics to be held in West Texas. Don Morris, chairman of the education for citizenship committee of the West Texas Chamber of Commerce, announced the selection last week. These one-day programs are designed to inculcate high school seniors with their responsibilities and with some of the basic concepts of our free enterprise economy.

Menard city officials have stated the city's position in regard to the proposed paving program. Mayor Ike Hallman pointed out that the problem was up to the property owners, as the city did not have funds for street work at this time. He stated that the city commission had agreed to maintain pavement once it is built. A number of property owners there have signed for street pavement and it is probable that some work will be done, the citizens to pay the cost.

METHODIST HOME GIVES RADIO PROGRAM SERIES

Rev. C. D. Wooten, pastor of the First Methodist Church, has announced a series of radio programs originating at the Methodist Home in Waco. The programs began last Sunday and are to continue through December 16, and can be heard each Sunday morning at 8:15. The theme, "These Are Your Children," will be featured.

It is estimated that in 12 months the White House, Congressmen, and government bureaus will send 1.6 million pieces of mail to the nation's 150 million people—11 letters or pamphlets for every member of your family. Printing and mailing costs fall on the taxpayers.

Postage is free despite a half-billion Post Office deficit to be met by taxes. Many essential and helpful services are performed by our central government, but even good things may be overdone. There is waste when economy is needed to strengthen our position for defense.

Every breath of VICK'S VAPORUB IN STEAM

relieves croupy night coughs of colds

Special medicated steam brings soothing DEEP-ACTION RELIEF. Now those croupy, coughing spells that attack children without warning are relieved so fast with this home-proved treatment... two heaping spoonfuls of Vicks VapoRub in a vaporizer or bowl of boiling water as directed in package. It's easy, too... Your little one just breathes in the steam. Every breath carries VapoRub's relief-giving medication deep into troubled throat and large bronchial tubes. There this wonderful treatment medicates and soothes dry, irritated membranes, eases away coughing, helps restore normal breathing. And real comfort comes in no time at all.

For coughing spasms, upper bronchial congestion and that choked-up feeling caused by colds, there's nothing like using Vicks VapoRub in steam.

And always rub it on for continued relief. To insure continued action, always rub VapoRub on throat, chest and back. Works for hours—even while your child sleeps—to relieve distress. It's the best-known home remedy you can use when any cold strikes child or grown-up.

When better automobiles are built BUICK will build them

YOU'RE going to be surprised about lots of things the first time you and this Buick get out on the road.

Take the easy way it responds to your every wish—steps away from a stop light—soars up a hill—lets loose a surge of power at the touch of your toe on the treadle—or gentles to a stop at the touch of the brakes.

Take the way it rides the road—with an easy stride, sure-footed on turns, level as a lance on straightaways.

Take the way it steers—so light and true that it seems to guide itself.

Take its ease of control. More than a million owners now know the wondrous freedom from tension and strain that goes with Dynaflow Drive.*

It's easy to see where this eager beauty gets its standout performance, when you glance at the list of all-star engineering features shown above.

But how about price? Can you afford it? "Easy does it" is the answer to that one too.

Fact is—if you can afford a new car, you can afford a Buick. Better come in to see us soon.

Equipment, accessories, trim and models are subject to change without notice.
 *Standard on DYNAFLOW, optional on extra cost on other Series.

First Run WORRIED?

Marines' Greatest Hour Gloriously Depicted in 'Sands of Iwo Jima'

Featured for the current week at the Horseshoe Drive-In Theatre is Republic Studios' major production, "Sands of Iwo Jima," telling of the U. S. marines' greatest hour in World War II. This picture is billed at the Horseshoe next Tuesday, October 2, for one day only.

The famous Texas rangers play a prominent part in "Law of the Badlands." RKO Radio's trigger-paced western starring Tim Holt and to be shown at the Horseshoe tomorrow and Saturday in conjunction with "Barnyard Follies," a rural comedy.

In "Law of the Badlands," Tim and his pal Richard Martin portray a pair of the noted law enforcers in the drama which revolves around the search for a gang of counterfeiters. Joan Dixon, Robert Livingston and Harry Woods head the featured players.

Mary Lee, "Pappy" Cheshire, June Storey, Ralph Bowman, Rufe Davis and the Our Gang kids head the cast of "Barnyard Follies," which tells of the tribulations of a kindly orphanage head who tries to help his charges by putting the institution on a paying basis. When he runs into trouble, the children come to the rescue in a highly resourceful and hilarious manner.

"Francis Goes to the Races," to be shown at the Horseshoe Sunday and Monday, September 30, October 1, is a hilarious sequel to "Francis," original story of the talking mule. The Universal comedy stars Donald O'Connor, Piper Laurie and Francis, the mule. Jesse White and Cecil Kellaway have supporting roles.

"Sands of Iwo Jima," Republic's remarkable production of the marines' bloody triumph, at the Horseshoe next Tuesday, probably will rank as one of the really great war pictures of the age. Made with the complete cooperation of the U. S. marine corps, the film combines all of the majesty and wretchedness, the courage and cowardice, the hope and despair, and glory of war with a human, tender, story of a group of men, their dreams and their women.

A romantic episode is provided by John Agar and Adele Mara, the former playing the part of Pfc. Peter Conway. In addition, the cast includes Forrest Tucker, Wally Cassell, James Brown, Richard Webb, Arthur Franz, Julie Bishop, Bill Murphy, James Holden, Peter Coe and Richard Jaeckel. The three survivors of the original flag-raising on Mt. Suribachi, John H. Bradley, Ira H. Hayes and Rene A. Gagnon, portray themselves. More than 1,200 furnish authentic background.

Barry Sullivan finds himself caught in the web of a big-city racket in "No Questions Asked," new M-G-M action drama, to be shown at the Horseshoe next Wednesday and Thursday, October 3, 4, in addition to a Dead End Kids comedy, "Come Out Fighting."

Arlene Dahl, George Murphy and Jean Hagen are others in the four-star cast of "No Questions Asked."

"Come Out Fighting," stars Leo Gorcey, with Huntz Hall and 9 pounds after cremation, giving an able assist.

Whadda ya mean
"Little Things?"

Drop the wrench, buddy! We can catch the little things that go wrong before they develop into major breakdowns—if you bring your equipment to us for service at regular intervals.
We take care of countless truck troubles for wise haulers who count on us to keep their present carriers running smoothly. Our mechanics know all makes—it's second nature with them to watch for and correct the "ping" in an engine, or a steering shimmy.

Checking trouble points often overlooked in ordinary service is part of our maintenance program. For our men know the "little things" are important to the life of a truck—even more important in these uncertain times.
So make regular stops at our shop—save 3 ways: (1) cut down the possibility of costly repairs, (2) get better performance with less "down time," (3) get more years of service from the equipment you now own.

Get more "run" for your money!

SATURDAY LAST DAY FOR CROP INSURANCE

Saturday, September 29, is
the last day for Runnels county
producers to sign applications
for multiple crop insurance.

This insurance covers the
four main crops grown in the
county, wheat, oats, cotton and
grain sorghums. The coverage
rates for these crops in 1952
are cotton \$25, grain sorghums
\$12.50, wheat \$11.50 and oats
\$7.00.

In case of loss the rates at
coverage will be determined as
cotton 31 cents per pound,
wheat \$2.08 per bushel, grain
sorghums \$2.10 per hundred
and oats 77 cents per bushel. If
the commodities sell for more
than the above set prices it is
the insured's advantage. If the
quality causes the commodities
to sell for less than the set
prices, and there is a loss, the
set price will be taken.

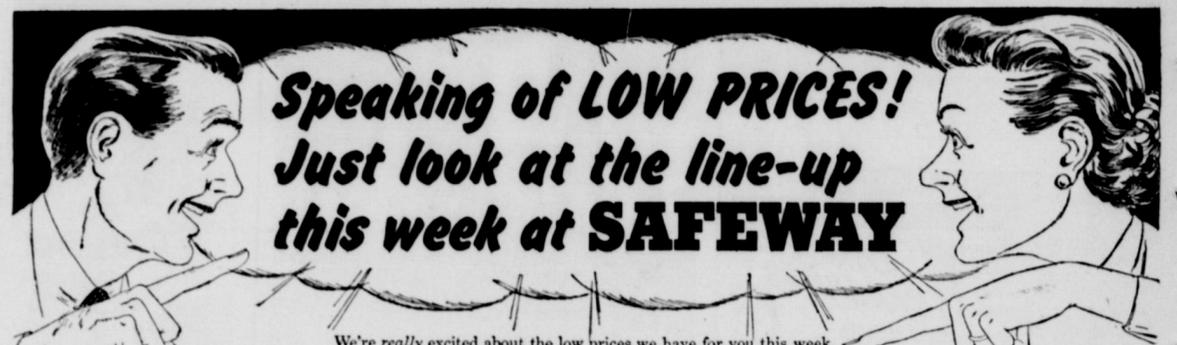

All farmers interested in cov-
ering their crops for 1952 are
urged to call at the PMA office
before closing time Saturday.

MIRACLE BABY HUSKY BOY... Nurse Doris Hansen, Hackensack, N.J., hospital, holds Raymond Donnelly, Jr., who was born via caesarean section to Mrs. Ida Donnelly. The baby represents a triumph for medical science. Mrs. Donnelly suffers from a dread form of anemia—an heredity condition in her case in which red corpuscles are destroyed so rapidly that frequent transfusions are required. Doctors say that Raymond, a 7 lb., 4 oz. boy did not inherit her disease.

SOCIETY
Virginia Douglass Class Has
Officer Installation

Mmes. Walter Middleton, E. C. Tinsley, G. M. Hargus and W. O. Irby were co-hostesses to the Virginia Douglass Class of the First Methodist Church, entertaining in the church parlors on Tenth Street Monday evening.

Rooms were beautifully decorated with a profusion of fall zinnias in pastel tones com-

bined with queens wreath trailers, where Mrs. W. O. Irby presided at the business routine. Mrs. Jack Nixon, Jr., brought the devotional on "Prayer," which she concluded by singing "The Lord's Prayer."

Mrs. Troy Simpson was the installing officer for the inspiring service, at which the following were installed: president, Mrs. Lewis Brown; vice-president, Mrs. R. A. Bagwell; secretary, Mrs. Henry Moody; assistant secretary, Mrs. Pauline Richardson; treasurer, Mrs. George Newby; teacher, Mrs. J. W. Guynes; assistant teacher,

CLEAN-SHAVEN PEACHES . . . Soon, thanks to this machine being tried in Spartansburg, S. C., your peaches will come to you in shifting nudity. The gadget is a peach polisher designed to take the fuzz off the peach and apply a thin coat of wax to seal in the natural flavor of the fruit and reduce shrinkage. Revolving brushes do the job. Examining some newly-shaved peaches as they come through the machine are Les Collier and Ben Gramling. No, an electric razor won't work.

Mrs. Lee Parks.

The class presented gifts to the class teacher, Mrs. Guynes, to the assistant teacher, Mrs. Lee Parks; and to the retiring president, Mrs. Irby.

IN SOCIETY

Methodist W. S. C. S. Circles Meet in Homes

Mrs. Arch Brookshier was hostess to the Ettie Gressett Circle of the First Methodist Woman's Society of Christian Service Monday afternoon in her home on Broadway.

Mrs. Marion Hays directed the business period and heard reports from officers. Mrs. Brookshier gave the devotional, "Thy Kingdom Come On Earth"; and Mrs. Jack Nixon, Jr., presented the lesson on "Religion and Economics."

The hostess served frosted coca colas, cookies and mints to: Mmes. J. W. Barr, R. A. Dickinson, W. D. Donham, W. E. Midgley, J. W. Guynes, George Newby, Troy Simpson, Nixon, Hays and Tom Caudle.

Mrs. Lee Evans and Mrs. John Loveless entertained members of Ida Campbell Circle in the Evans home on Eighth Street.

Mrs. C. D. Harris presided at the business session. Mrs. Felix Itz brought the devotional and Mrs. Tom McEntire gave the lesson.

Hostesses served cake with an ice cream plate to: Mmes. A. O. Strother, Tom Crockett, Herbert Tickle, E. L. Rampy, C. D. Wooten, Itz, Harris, McEntire, and O. R. Lasater.

The Sally Odom Circle members were guests of Mrs. R. D. Midgley, entertaining in her Ninth Street home, where Mrs. Grady Richards conducted the business period. Mrs. Ewing Holt

gave the devotional and Mrs. C. P. Shepherd gave the lesson.

A sandwich plate was served with cake and punch. Others present were: Mmes. Oliver Cochran, W. R. Clark, D. L. Vestal, W. O. Irby, J. F. Currie, O. R. O'Neill, W. W. Chastain, and O'Kelly.

Luncheon Club Entertained in Lynn Home

Mrs. Harry Lynn was hostess to members of the Dessert Luncheon Club and added guests when she entertained at her ranch home north of Ballinger last Thursday afternoon.

Arrangements of zinnias in autumn shades gave added beauty to party rooms where games of contract were played following the dessert course served with iced tea. In games, Mrs. Troy Simpson was awarded the traveling prize.

Guests were Miss Sue Williamson, of New Orleans, Mrs. E. L. Williamson, Mrs. R. R. Mizell, Mrs. Melvin Holt, Mrs. L. R. Tigner, Mrs. W. B. Clauch and Mrs. Simpson. Members were: Mmes. Paul Trimmer, Alex Saunders, F. M. Pearce, Joel Bates, Bruce Creasy, Malcolm McGregor, Q. V. Miller, George Holman, John Gulon, Estes M. Lynn and Miss Winnie Trail.

Shakespeare Club to Reconvene Next Thursday

The Ballinger Shakespeare Club will open its club year at

12:30 noon on Thursday, October 4, at a luncheon which will be held at the Central Hotel.

Mrs. J. O. Satterwhite, president, will give her welcome to members and guests, and present the T.P.W.C.'s gracious president, Mrs. J. Howard Hodge, of Midland, who was selected as one of the ten most outstanding women in Texas this year.

Mrs. Dorsey Read, program chairman, will outline the year's work. Mrs. P. C. Miller, the charter member, will be presented, and four new club members will be introduced.

Fancy Doers Meet in Bailey Home

Carol Ann Bailey and Sally Bailey were co-hostesses at the meeting of Fancy Doers Club with all the new members present, entertaining with a big get-together that was really a lot of fun, and some knitting was the diversion among a few older members.

The affair was held in the E. Y. Bailey home on Third Street Monday evening. Mrs. Bailey assisted in serving potato chips topped with cheese spread, wafers, cookies and iced tea centered the dining table.

Margaret Ann Hampton presided for the business, at which time many activities were discussed by members. Others were: Mrs. O. L. Hart, club sponsor; Dian Tuckey, Mary Harrel, Shirley Thompson, Pat Tisdale, Deanie Rountree, Carolyn Bigby, Theresa Elkins, Ann Stasney, Gale Hays, Joyce Hite, Merle Richards, Barbara Stuart, Clyde Wilkins, Wynell Dodd, Norma Jackson and Cordelia

Planagan.

Mr. and Mrs. S. E. Baker and Mr. and Mrs. Dudley Atwood and sons, of Paint Rock, visited in Fort Worth the past week-end and witnessed the T. C. U.

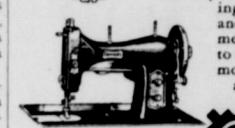

Kansas U. football game.

AN ORDINANCE Providing for Fire Limits, and Regulations Governing the Construction, Alteration, Equipment, or Removal of Buildings or Structures BE IT ORDAINED BY THE City Commission of the City of Ballinger, Texas:

Section 1

There is hereby adopted by the City Commission of the City of Ballinger, Texas, for the purpose of establishing rules and regulations for the construction, alteration, removal, demolition, equipment, use and occupancy, location and maintenance of buildings and structures, including permits and penalties, that certain building Code known as the National Building Code, Abbreviated Edition, recommended by the National Board of Fire Underwriters of New York, being par-

ticularly the 1949 edition thereof and the whole thereof, save and except such portions as are hereinafter deleted, modified or amended, of which not less than three (3) copies have been and now are filed in the office of the Clerk of the City of Ballinger, Texas, and the same are hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this ordinance shall take effect, the provisions thereof shall be controlling in the construction of all buildings and other structures therein contained within the corporate limits of the City of Ballinger, Texas.

Section 2

(A) Wherever the word "Municipality" is used in said code, it shall be held to mean the City of Ballinger, Texas.

Section 3

The fire limits of the City of Ballinger, Texas, are hereby established as follows: Blocks 5, 6, 7, 8, 9, 10, 11, 16, 17, 18, 19, 20, 31, 32, 33, Original Town of Ballinger, Texas. In addition to the foregoing named blocks, the land known as the Railroad right-of-way lying between Park Avenue and Railroad Avenue and between Sixth Street and Eleventh Street, all in the said City of Ballinger, Texas, and the land known as the Court House Square in the said City of Ballinger, Texas.

Section 4

Nothing in this ordinance or in the Code hereby adopted shall be construed to effect any suit or proceeding now pending in any Court or any rights acquired, or liability incurred, nor any cause or causes of action accrued or existing, under any act or ordinance.

Section 5

The invalidity of any section or provision of this ordinance or of the Code hereby adopted shall not invalidate other sections or provisions thereof.

Section 6

Ordinances or parts thereof in force at the time that this ordinance shall take effect and inconsistent herewith, are hereby repealed.

Section 7

This Ordinance shall take effect thirty (30) days after its approval as required by law.

Mrs. Elvin Bidwell and Mrs. Petrie transacted business at San Angelo Friday.

Mr. and Mrs. Owen Boynton, of El Paso, were visitors in the Russ Boynton home Saturday.

Mrs. Roy Grosshans and children, of San Angelo; Mr. and Mrs. Quincy Jenkins and children, of Wall, visited in the Lester Jenkins home Sunday. We are glad to report that Mrs. Jenkins is improving from recent surgery at San Angelo.

Survivors besides the wife include five daughters, a son and several grandchildren. Two brothers, R. L. and J. T. Wiley, live in Ballinger. The sisters are Mrs. W. F. Athipp, of Ballinger; and Mrs. Charley Fitchey, of Colorado City.

Former Ballinger man expires at San Antonio. T. F. (Frank) Wiley, 79, died in Baptist Memorial Hospital at San Antonio on September 17. He suffered a stroke of paralysis three days before death. Born in McMinnville, Tennessee, decedent would have been

80 years old next Christmas day. He came to Texas with his parents in 1880, settling in East Texas. He was married in 1894 to Drucie Fowler and the couple moved to Coleman county in 1901. He built and operated cotton gins at Ballinger and Hatcher and assisted in building the compress here. He moved to San Antonio in 1918 and had resided there ever since.
