This pickup pinches pennies!

There are two simple reasons why you save money when you buy an International pickup truck.

First, you get lower operating and maintenance costs. You get a pickup truck that is engineered throughout to do more work for less money.

Second, you get longer truck life. Even the smallest International pickup truck has the traditional stamina that has kept Internationals first in heavy-duty truck sales for 19 straight years.

You get these all-truck savings right

along with features that no other pickup truck gives you. For example—the **COMFO-VISION CAB** is "the roomiest, most comfortable cab on the road." The Silver Diamond engine is an outstanding development of the world's largest exclusive truck engine plant. Super-steering gives you maneuverability and ease of handling that make driving a pleasure.

But get all the facts for yourself. Come in and learn why International pickup trucks are the best truck value in pickups today.

Betty Grable Sings, Dances, Romances In Gala New Technicolor Musical

With Betty Grable, America's favorite musical star, leading the entertainment parade, 20th Century-Fox's Technicolor musical romance, "Meet Me After the Show," is the main attraction at the Texas Theatre next Sunday and Monday, November 18, 19.

Co-starring Macdonald Carey and produced by the veteran showman George Jessel, the story is that of a Broadway star and her producer-director husband who rock the Great White Way and the city of Miami with a host of hilarious romantic complications.

Luscious Betty is surrounded by a luring new musical score by Leo Robin and Jule Styne, including "A Daytime in Maytime," "It's a Hot Night in Alaska," "No Talent Joe," "Let Go of My Heart" and the title song. In addition Miss Grable is teamed with the fast stepping dance duo of Steve Condos and Jerry Brandow, and cavorts

with Gwyneth Verdon. Top supporting parts are portrayed by Rory Calhoun, Eddie Albert, Fred Clark, Irene Ryan and Lois Andrews.

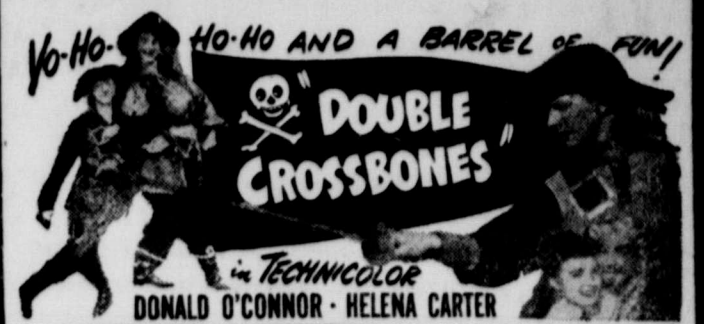

Donald O'Connor and Helena Carter share star billing in Universal's Technicolor "Double Crossbones," a pirate saga which casts O'Connor in the role of a bloodthirsty buccaner. To be shown at the Texas tomorrow and Saturday, the film features Will Geer, John Emery and Hope Emerson.

The other feature on the same bill is the story of a brave man who had to join an outlaw band to clear his name, RKO Radio's "Best of the Badmen." In Technicolor, this is an exciting epic of the Kansas-Oklahoma border at the close of the Civil War. Robert Ryan, Claire Trevor, Jack Buetel and Robert Preston are starred. Other players are Walter Brennan, Bruce Cabot, John Archer, Lawrence Tierney and Barton MacLane.

DEATHS

Mrs. Rebecca Schawe
 Mrs. Rebecca Kieke Schawe, 94, resident of Ballinger the past 60 years, died at her home, 205 Ninth Street, Friday afternoon following illness of five years' duration.

Mr. and Mrs. A. Schawe came to Ballinger in the pioneer era and most of their residence here was in their home on Ninth Street. Mr. Schawe passed away in 1925 and since then Mrs. Schawe lived with daughters here. Decedent was a member of the Lutheran Church since childhood.

Mrs. Schawe represented her generation in her untiring devotion to her home, to the rearing and education of her children and in the gift of administering to the sick during the early years when there were few doctors, no nurses and no hospitals. During World War I she established the first Red Cross surgical dressing unit in Ballinger, organized classes and taught others to carry on the work.

Funeral services were held at the family residence Sunday afternoon at 4 o'clock. Rev. L. D. Braun, of Winters, officiating. Interment followed in Evergreen Cemetery.

Survivors include two sons, E. O. Schawe, Kerrville; W. A. Schawe, Waco; three daughters, Miss Louise R. Schawe, Dallas; Miss Olga Schawe and Miss Williedell Schawe, Ballinger; a brother, William Kieke, Albuquerque, New Mexico; a grandchild and two great grandchildren.

 Residence, 9371 (not as listed in directory)

Following the death of his father, C. A. Doose, Sr., he returned to West Texas to make home at San Angelo and to look after ranching interests in Runnels county.

A sister, Miss Marguerite Doose, of San Antonio, had been visiting him for the past month and was with him at the ranch last Friday. He took a pickup and told her he would look after work on the place soon after lunch. When he did not return, she became alarmed and went in search of him, finding him dead near a water tank.

Funeral services were held here Sunday afternoon at 2:00 o'clock at the First Presbyterian Church, U. S. A., the pastor, Rev. A. O. Rue, officiating. Interment followed in Evergreen Cemetery.

Survivors include a son, Christopher Doose, III, San Angelo; the sister, two uncles, William Doose, San Angelo, and Arthur Doose, Ballinger; five aunts, Mrs. James Osborn, Mrs. R. Q. Gordon, Mrs. George Hill, all of Dallas; Miss Mattie Richardson, Moody; and Mrs. George B. Wright, Tallahassee, Florida.

Mrs. Jennie Wallace
 Mrs. Jennie Wallace, 82, died at the Ballinger Clinic-Hospital Tuesday morning from a heart attack suffered Monday.

For the past several years she had been making home here with her son, W. O. Wallace, manager of district G of the West Texas Utilities Co.

Decedent was a native of Indiana. She was married to Daniel A. Wallace in Illinois in 1888. She resided in Carlsbad, New Mexico, for a number of years before coming here in 1945 to make home. She had been a member of the Presbyterian Church since early childhood.

Funeral services were held this morning at the Newby-Davis chapel, Dr. Conway T. Wharton officiating. Burial was in Evergreen Cemetery.

Survivors include a daughter, Mrs. Fern Walker, Norwalk, California; a sister, Mrs. W. W. Gaulton, Carlsbad, New Mexico; and the son, W. O. Wallace.

Mrs. Sam Malone, Jr., and daughter, Melinda, returned to their home in Pampa Sunday after a week's visit with relatives and friends here.

C. A. Doose, Jr.
 Christopher Alfred Doose, Jr., 42, was found dead at his ranch northwest of Ballinger Friday afternoon. After an investigation by Justice of the Peace B. G. Sharp, a verdict of accidental death was rendered.

Decedent was a native of Ballinger, born here, and a graduate of the Ballinger high school. Following high school graduation he was a star football player at Howard Payne College, Brownwood; Texas Technological College, Lubbock; and George Washington University, Washington, D. C.

A veteran of World War II, he was discharged with the rank of captain. He entered the service as a private in 1942 and was later commissioned. While overseas he was chief of the investigation section of the ninth army and saw considerable service in Paris as an investigator of theft cases.

SOCIETY

Fannie Stephens Study Club Observes Art Week

The Fannie Stephens Study Club met at the Home Economics Cottage of the Ballinger High School Wednesday afternoon with Mrs. Billy F. Brown and Mrs. W. E. Elkins hostesses. Observing National American Art Week an Arts and Craft Program was presented by high school Home Economics students under the direction of Mrs. Brown, Home Economics teacher.

Mrs. Elkins had charge of the program, and "Give it Thought" was the topic of a talk given by the leader, when she discussed the youth's mind on arts and crafts. Three students from the Home Economics Class spoke. Pauline Maas talked on "Introduction of Arts and Crafts," Peggy Warren's topic was "The Necessity of Pattern Design," and Carolyn Bigby gave a "Review of Activities in the Class."

After the program members were taken on a tour of the cottage where crafts were displayed. Ginger Gurley presided at the display of nylon flowers and textile painting on luncheon cloths, men's ties and scarfs, explaining how the work was done. Ann Stasney showed pins and earrings made with colored shells and trays and plaques made with aluminum and copper on which designs had been made with acid burning. Helen Kennedy displayed leather craft work of belts, bill-folds and pictures. Displays of tied and dyed scarfs and gift wrapping were also shown.

Mrs. M. E. McClenny, president, conducted the business session at which time the resignation of Mrs. Alvah Stephens was accepted, and Mrs. Lyman Yoder was voted in as a new member.

Members present were: Mmes. Billy F. Brown, M. A. Davidson, John Castor, Lloyd L. Downing, W. E. Elkins, J. Dexter Eoff, Preston Fitzhugh, Pauline Fragua, E. C. Grindstaff, R. A. Mrs. Malone Complimented at Dessert Luncheon

Mrs. Sam Malone, Jr., of Pampa, who was spending the week with relatives and friends, was complimented at a dessert luncheon last Thursday afternoon when Mrs. Jack Scales entertained a group of friends in her Eighth Street home.

Arrangements of chrysanthemums and marigolds and other autumn decorations gave added beauty to party rooms, where games of contract followed the dessert plate of pecan pie a la mode with coffee.

Autumn tallies and table appointments were used for games at which Mrs. H. G. Agnew won high score award, and bingo awards went to Mmes. Gene Keel, W. E. Moss and John Bradley. Hostess gifts were presented Mrs. Malone and Mrs. John D. Harvey, of Robert Lee, who is a sister of Mrs. Scales.

WEST TEXAS NOTES

A house numbering committee composed of about 40 men are making progress towards getting every dwelling in Ballinger properly designated with a number. Blocks that have been misnumbered are being corrected and many houses that never had numbers posted have new numbers visible from the street. A few places in some sections of the city are yet to receive attention but leaders hope to have every street and avenue properly marked and each house numbered by the end of the campaign. The numbering will be worth much to those who maintain delivery service or who depend upon numbers to make service calls. It will be beneficial in many ways and will fill a need which has been felt here for many years. Those serving on the committee report all citizens cooperative in the plan and rechecks will be made this week-end to see what progress has been made.

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

men's banquet made the statement that "Ballinger is too big for a volunteer department and too small for a paid department." Volunteer firemen perform a service that few realize the full value. They spend much time in training, they leave their beds in the coldest weather to fight fires and protect life and property, they damage their clothing and often suffer illness from exposure. They do all this without compensation and the thanks of the people is their only reward. An adequate fire department is the main factor on which insurance rates are based. In recent years the Ballinger department's membership has not been at full strength. The local department should have a membership of 36 with a waiting list of prospects. More should become interested in the special training and join the local fire fighters. They have an excellent record and every citizen should realize their efficiency and show proper appreciation for those who serve.

Ballinger will be closed again next Thursday, November 22, to celebrate Thanksgiving. This city will go along with many others in the nation in observing Thanksgiving on the fourth Thursday of the month. Some Texas towns, however, will take the last Thursday, November 29. Practically all business here will be suspended next Thursday and numerous Ballingerites will spend part of the day with their friends at Olfen.

on the subject and a radio program was presented Monday by station KRUN in which the theme was "Unite for Freedom." Five special subjects were announced, one for each school day of this week.

The Comanche Salvation Army unit has benefited by a gift of an estimated 20,000 pounds of old shoes. The Higginbotham store conducted a bicycle contest in Comanche, DeLeon and Gorman and thousands of shoes were collected by entrants. The accumulation filled a large truck van and Salvation Army officers will sort the shoes and issue them to needy persons during the winter.

Eastland county was leading all counties in its district last week in the purchasing of defense bonds. This announcement by the state committee showed a total of \$266,972 sold in the county. The current drive is not over and Cyrus Frost, Jr., Eastland county chairman, stated that a large number of bonds will be sold. Scurry county was second in the district with \$107,300 reported.

The Brownwood fire department will start putting up special street decorations on December 1. Colored lights will be strung on the business streets and tinsel streamers run between each row of lights. Stores will cooperate by decorating show windows, store fronts and interiors. Merchants are helping to defray the cost of street decorations.

Frey Hall, a dormitory on the campus of Tarleton State College, Stephenville, was destroyed by fire Tuesday of last week. Fire of undetermined origin swept through the former army barracks, causing a total loss, estimated \$100,000, to the frame building and contents. The dormitory housed 125 air force cadets. The Dublin fire department was called upon for help and assisted in retaining the fire to one building.

Brady merchants will officially open the Christmas season on December 3 with a visit from Santa Claus and his reindeer. A number of organizations are working on the program and expect to entertain many people of the trade area.

When Memory Fails

It is all right to depend on memory for some things. But in business transactions when you pay out money it is always desirable to have a record. You need a receipt as a safeguard. It is provided without trouble when you pay by check.

Even the most careful business houses make mistakes, and "past due" statements are sent for bills already paid. Or those to whom you pay money may forget. Disputes are usually over transactions which took place months ago. It is difficult to recall details, and you have no proof without a receipt. When mistakes are made, or when memory fails, the record provided by bank checks give full protection.

W. F. Houston, of Paint Rock, is arranging transportation for all who will give blood and will take them to San Angelo where a Red Cross unit is operating today. Only a few had volunteered but a canvass was being made the first of the week in an effort to line up a large number. Red Cross units are touring West Texas at this time to obtain blood for the defense effort. Urgent calls have been made for whole blood and plasma to be sent to Korea and other places.

Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curb-side—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this

trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up

as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other models.

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLOW DRIVE***—saves strain on driver and car
- FIREBALL ENGINE**—high compression, valve-in-head—gets more miles from every tank of fuel
- PUSH-BAR FOREFRONT**—combines smart style and unsurpassed protection
- WHITE-GLOW INSTRUMENTS**—greater clarity at night
- TORQUE-TUBE DRIVE**—soaks the chassis, steadies ride, improves driving control
- 4-WHEEL COIL SPRINGING**—cushions ride, saves servicing costs
- DUAL VENTILATION**—outside air fed separately to right or left of front compartment
- SELF-ENERGIZING BRAKES**—hydraulic—multiply pedal pressure five times at brake drum
- DREAMLINE STYLING**—tapered, car-length fenders, gleaming sweepers on most models
- Plus:** Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

Wedding Rites for Two Couples Performed at Eden

At 10:00 o'clock on November 5, high mass in St. Charles Catholic Church at Eden united in marriage Miss Mae Jacoby and Marvin Hoelscher; Miss Fae Jacoby and Albert Kohutek, the Rev. Edward Postert, O.M.I., of Ballinger, assisted by the Rev. Moore, of Eden, and the Rev. Sitters, of Brady, performing the double ring ceremony.

The altar was enhanced with arrangements of autumn chrysanthemums of gold, accented with altar and upright candelabra. Candle lighters were Dan Jacoby, brother of the brides, and Harold Franke, cousin of Marvin Hoelscher.

The brides are the daughters of Mr. and Mrs. Frank Jacoby, of Eden. Marvin Hoelscher is the son of Mr. and Mrs. Reinhold Hoelscher, of Norton, and Albert Kohutek is the son of Mr. and Mrs. Frank Kohutek, of Ballinger.

Mae was escorted to the altar by her father and Fae was escorted by her brother, H. W. Jacoby. Their gowns were of diamond white satin with rounded yokes of nylon tulle, which were joined to the bodice with a band of chantilly lace embroidered with iridescent sequins and bugle beads. Tiny self covered buttons extended down the back of the tight fitted bodice. The fitted sleeves terminated in points over the hands. The bouffant skirt swept to a wide train in the back.

The fingertip veil of imported illusion fell in two tiers from the headresses of lace embroidered with sequins and bugle beads. The brides carried white prayer books covered with white rosebuds.

Miss Mary Lou Hoelscher was maid of honor to Mae and Miss Alice Kohutek was maid of honor to Fae. Misses Anna Lee Holder and Marilyn Rabon were flower girls.

John Frank Jacoby served as best man to Marvin Hoelscher and Rector Jacoby, of Fort Hood, served as best man to Albert Kohutek. Milton Schultz and Johnny Kohutek served as ushers.

Traditional wedding music was furnished by the nuns from Brady, who also sang high mass.

A reception was held in the home of the brides following the ceremony. Miss Mary Virginia Jones presided at the silver service and Mrs. Charles Alexander, of San Angelo, served the cake. Guests were registered by Miss Jo Ann Jacoby.

After the wedding dance at O. D. H. S. Hall in Rowena, the couples left for a short wedding trip to South Texas.

Both the grooms served in World War II.

Mr. and Mrs. Hoelscher will be at home on their farm near Norton. Mr. and Mrs. Kohutek will be at home in Ballinger, where he is employed by the Runnels County Implement Co.

Table Arrangements Exhibited at Garden Club Meeting

Nine Thanksgiving table arrangements, ranging from autumn flowers combined with seasonal colored leaves, to many kinds of fruits, vegetables and pyroantha berries were displayed by members of the Ballinger Civic-Garden Club at a meeting held in the club room Tuesday afternoon.

Mrs. Elmer Shepherd conducted the business routine when the club voted to sponsor a Christmas pilgrimage, to include visits to not less than ten homes. There will be a pilgrimage fee of thirty-five cents which will entitle the visitor to see all the decorated homes. Visitors from surrounding towns are invited to make the pilgrimage. The date will be set later. It was reported that the library circulation the past month was 237 books. The president named the nominating committee, Mrs. J. W. Barr, Henry Moody and E. S. Malone.

Members displaying Thanksgiving arrangements were: Mmes. Shepperd, Bill Clark, F. M. Pearce, Max McCrary, Joe Flynt, Chester Cherry, Joe Satterwhite and A. O. Bartlett.

Mrs. Cherry, program leader, presented Mrs. John Castor, who gave a talk on "Chrysanthemums."

Others present were: Mmes. Tom Routh, Estes Lynn, Claude Stone, J. W. Guynes, T. J. McCaughey, M. B. Wardlaw, H. O. Campbell and Oscar Pearson.

Phillip Kramer Honor Guest at Party

Phillip K. Kramer, a former resident of Ballinger, now in the armed forces and stationed at Carswell AFB, Fort Worth, visited friends recently and was named honor guest by Mrs. O. R. Lasater when she entertained a group of friends at a forty-two and canasta party in her Sixth Street home Saturday evening.

Party rooms were elaborately decorated with arrangements of bronze chrysanthemums and bouquets of small yellow and white mums where games were played. Barbara and Tommy Medlen assisted in serving a refreshment plate of peach ice cream with angel and devil's food cake.

Those present were: Messrs. and Mmes. E. P. Talbott, Ewell Jones, Chester Cherry, Aubrey Ashton, West Talbott, Tom Medlen, Al Wehrly; Mrs. J. C. Sturges, Mrs. W. H. Coleman, Donald Phillips, Bill Canada; Mrs. Ellen Sims and sons, Ben and Billy Sims, of Paint Rock.

Miss Conner Honoree at Gift Tea

Miss Janice Conner, bride-elect of Alvin Spreen, was paid a pretty compliment last Saturday afternoon between two and six-thirty o'clock, when Mrs. Charles Dankworth, Mrs. D. J. Goetz, Sr., and Mrs. D. J. Goetz, Jr., were hostesses at a gift tea in the country home of Mr. and Mrs. Charles Dankworth on the Paint Rock highway, including 150 friends of the honoree.

The bride-elect's chosen colors, white, blue and pink, were given attractive emphasis in all details in reception rooms where Mrs. Dankworth extended welcome and presented Mrs. D. J. Goetz, Jr., Miss Conner and her mother, Mrs. Robert L. Conner, and Mrs. Albert Spreen, mother of the bridegroom-to-be.

The dining table, which was laid in a cutwork of linen, was centered with three bouquets, all the white carnation bridal bou-

quet, the pink and blue carnation bouquets which the maid of honor and the bridesmaid will carry. The central arrangement was flanked by silver candle holders with white taper candles. Mrs. D. J. Goetz, Sr., and Mrs. Otto Spreen presided at the silver service and Misses Joyce Spreen and Jeanie Dankworth served cake squares and sandwiches. Plate favors were miniature white nosegays.

Miss Julie Lee Spreen presided at the bride's book, where a miniature cowboy doll and a bride doll centered the table. Miss Adelaide Conner displayed gifts.

The bride-elect was wearing a white corsage, Mrs. Conner wore a pink and Mrs. Spreen wore a blue carnation corsage.

Out-of-town guests were: Mmes. E. L. Conner, George Sparkman, Clyde Laranca, Wayne Sparkman, T. L. Sparkman, and Arthur Jennings, all of Coleman; Mrs. Otto Pride-

more, of Ozona; Mrs. Wilson Hartgrove and daughter, Miss June Hartgrove, of Paint Rock.

Miss Barron Entertains Sewing Club

Individual handwork was enjoyed and an informal get-together was held when Miss Demma Barron was hostess to the Busy Hour Sewing Club, entertaining in her home on Eighth Street last Thursday evening.

At the conclusion of the sewing period, secret pals were revealed and gifts exchanged. A refreshment plate of cake and coffee was served to Mmes. Clyde and Buster Gabbert, A. C. Graham, and Max Setser.

Mr. and Mrs. John McDonald are parents of a son, born at San Angelo Tuesday night. Mrs. McDonald and baby are doing fine.

Mr. and Mrs. Cicero Smith, of Gatesville, visited here the past week-end.

is medicine destroying itself?

THINGS DRAMATIC capture the imagination, sometimes to the point of distorting the perspective. This is as true in medicine as in other fields. The sensational results with sulfa drugs and penicillin are examples.

Less dramatic, but responsible for saving uncounted lives, are the broader public health measures. Sewage disposal, swamp clearance, and water, milk, and food inspection are but a few of these triumphs.

The physician and the pharmacist have always been leaders in the field of preventive medicine. This fact led James Brice to observe, "Medicine is the only profession that labors incessantly to destroy the reason for its own existence."

The fight, however, is far from won. Diagnosis and treatment of disease are still the primary functions of the physician. The filling of prescriptions is our responsibility as pharmacists.

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Twelve members of the Friendly Neighbors home demonstration club met in the home of Mrs. John Wessels Thursday for an all-day meeting.

For the morning program, Mrs. John Duke supervised the weaving of reed baskets. Nine baskets were made throughout

the day. At noon a covered dish luncheon was served.

In the afternoon, Mrs. Eugene Baker conducted the business routine and also made her yearly report, after Mrs. Merle Taff directed the singing of "America," and gave the secretary's report. Plans were completed to assist the council with the Christmas party for patients at the state hospital at Abilene. The club voted to reveal

Horseshoe Offers Comedy, Adventure, Comedy, Pirate Yarn in Week Ahead

Mongram's "Ghost Chasers," Bowery Boys comedy to be presented at the Horseshoe Drive-In Theatre tomorrow and Saturday, deals with ghosts, chief of which is portrayed by Lloyd Corrigan, veteran screen actor. The film stars Leo Gorcey with Huntz Hall. Others in support include Lela Bliss and Jan Kayne.

On the same double-feature program is RKO Radio's adventure picture, "Kon-Tiki." Hailed as the season's most outstanding adventure film, "Kon-Tiki" is the factual drama of Thor Heyerdahl's expedition undertaken to prove that distance was no deterrent to an ancient migratory people of South America who had sailed on tiny rafts from what is known today as Peru to Polynesia. Sune Waldimir did the music.

A new screen comedy with a top-flight cast and a refreshingly original story will be presented at the Horseshoe Sunday, Monday and Tuesday, November 18 through 20. Paramount's "The Mating Season" stars Gene Tierney and John

Lund, and with the fabulous Thelma Ritter in her richest comedy role to date, the film deals with the merry and tumultuous consequences of a marriage between a sumptuous socialite and a boy from the other end of town.

Miriam Hopkins and shapely Jan Sterling have important parts.

A lady pirate on the loose loots her way across the Spanish Main in Columbia's new Supercolor picture, "Hurricane Island," to be shown as a first run feature at the Horseshoe Wednesday and Thursday, November 21, 22.

Jon Hall is starred as an explorer who is intrigued by a pirate queen of outcasts, portrayed by Marie Windsor. The curvaceous temptress pursues the explorer to what she thinks will be a fortune in gold.

Supporting players are Marc Lawrence, Romo Vincent and Edgar Barrier.

On the same program is a 20-minute western, "Fargo Phantom," starring Tex Williams.

secret pals at the next meeting, at which time new names will be drawn.

Mrs. Wessels directed a round table discussion on civil defense.

The next meeting will be held in the home of Mrs. Eugene Baker on November 23.

women do the cooking

And women know what they want. 96 out of 100 women in this area prefer to cook on gas ranges. There's little need for us to talk about the cooking method that has always been, and will always be, such an outstanding favorite. You may, however, be wondering about some claims that are being made for another cooking method. That is why it may be to your best interests to read this ad that reviews several exclusive advantages of automatic gas ranges... so that you who do the cooking may never be persuaded into trying, at great cost, a cooking method that wastes the skill you have acquired through years of experience. Don't be misled into believing that modern cooking means cooking from a wire.

- Your next range** should be completely automatic. Gas is recognized as most flexible and controllable of all fuels.
- Your next range** should have the burners with a lifetime guarantee—burners that do not turn out like a light.
- Your next range** should be fast, should provide instant heat. You should not have to wait for burners to warm, wait for burners to change speed.
- Your next range** should have flexible burners that fit heat to the bottom of every pan in your kitchen — not 2 or 3.
- Your next range** should provide hundreds of burner settings — not just 5 or 6.
- Your next range** should be practical to operate. Modern automatic gas ranges cost less than one-fourth as much to operate as non-flame ranges — do a better cooking job.
- Your next range** should broil without creating a fog of smoke. Gas broilers consume food vapors. You broil with the door closed.
- Your next range** should cook "cool." All cooking methods take heat. You can turn gas heat off immediately, but a glowing wire produces lingering heat after every use.
- Your next range** should be safe. Year after year, underwriters' reports of fire show that more than ten times as many fires are caused by electricity than by gas.
- Your next range** should be easy to clean. Burner bowls on automatic gas ranges lift out, wash like a china dish. There's no need for an ice pick to chip charred food from an element.

The Modern Gas Range, and only the Modern Gas Range, embodies all the above features.
