

Mothers' March on Polio Scheduled Tonight

Soil Conservation Work Approved for 22 Places

At the January meeting of the Runnels county soil conservation committee approval was given to conservation plans on 22 farms and ranches in the county.

Conservation plans approved were for: George Seltz, Winters; Lee Smith, Ballinger; C. D. Branham, Ballinger; Tad Richards, Maverick; Arthur Eggemeyer, Miles; Willie J. Halfmann, Rowena; James W. Barr, Ballinger; James T. Moreland, Ballinger; Cecil H. Roper, Norton; Joe Houbec, Rowena; Claude B. Smith, Content; Walter Wilde, Ballinger; Harley Hilliard, Norton; C. J. Robinson, Norton; Frank Greger, Norton; O. C. Sykes, Ballinger; Gus Redman, Norton.

The organization of the soil conservation district and land classification will be discussed at a meeting to be held at the Wilmett church Thursday, February 7, beginning at 1:30 p. m.

Sheep Quarantine On Auction Barns Because of Scabies

The Texas livestock sanitary commission has placed a quarantine on all auction barns, livestock rings and stock yards where sales are made.

All animals sold in these places will have to be dipped before leaving the ring, except where sheep are sold for immediate slaughter and consigned directly to slaughtering establishments, maintaining federal or municipal post mortem veterinary inspections.

It is the duty of operators of sales rings of any kind, to provide necessary dipping vats and pens, together with dipping fluid and materials for dipping all sheep sold through their rings.

Motor Vehicle Number Plates Received Here

Dalton Crockett, Runnels county tax assessor-collector, has received new 1952 number plates and will begin issuing them on February 1.

Passenger plates this year are black with yellow letters. The series for Runnels county runs from FL-4550 to FL-9999 and FM-10 to FM-949. Mr. Crockett stated that passenger car plates would be distributed at Miles, Winters and Ballinger.

Commercial numbers for this county will be IX-9650 to IX-9999 and IY-10 to IY-749. Farm trucks are 5P-8000 to 5P-9249.

All that is needed in the registration of cars this year is the 1951 license receipt and the certificate of ownership.

County's Teachers In Banquet Here; Downing Speaker

A meeting of the Runnels County Teachers' Association was held Friday night at the junior high school cafeteria, more than 100 attending.

County Superintendent W. E. Elkins presided and in the business session delegates were elected to attend the annual meeting of the Mid-Texas Teachers' Association, to convene at San Angelo March 14.

Musical numbers were rendered by the Ballinger high school girls' sextet under the direction of Miss Nelda Key. M. A. Foy, local board member, introduced Delbert Downing, Midland civic leader. Mr. Downing interspersed his talk with humor that engaged the perfect attention of those present.

Program Arranged For Youth Meeting Sunday Afternoon

Plans are complete for the county-wide youth rally, to be held Sunday afternoon at the First Methodist Church of Ballinger.

These rallies are nation-wide and all Christian youths have been asked to meet for deepening their commitment to Jesus Christ, contributing one million dollars for Christian youth work and participating in a program of united action through youth evangelism, projects of service, world Christian citizenship and youth work in other lands.

Miss Jean Parramore, of Winters, will preside for the program. Numbers to be presented are: Organ Music, James Everitt; Song Period, Bob Schydlie; Prayer, Rev. George Sharp; Scripture, Sally Bailey; Offertory; Special Music, youth choir; Address, Rev. Joseph Emery, pastor First Baptist Church of Ballinger.

MEXICAN SUPPER TO BE SERVED BY TALPA P-T.A.

The Talpa Parent-Teacher Association will serve a Mexican supper on Thursday night, February 7. Serving will start at 6 p. m. in the Talpa school with adult plates 75 cents and children 50 cents.

HOUSTON SYMPHONY WILL FEATURE NEW GUION COMPOSITION

On February 5 the Houston Symphony Orchestra will present a commissioned work, "Texas," subtitled "A Symphonic Work for Orchestra and Solo Voices," by David Guion.

In the new composition, Guion presents 14 movements, some familiar pieces, with each movement listed as an area of the Lone Star State. Included in the dedications are East Texas, South Texas, West Texas, Houston, Huntsville, Dallas, San Angelo, and "Country Jig," an early Guion transcription now rewritten and greatly expanded, is dedicated to Runnels county.

Miss Alice Bachelor and Miss Virginia Griffith attended the Helene Curtis brush-up clinic on hair styling at San Angelo Wednesday of last week.

OLD SAWTOOTH HURLS CHALLENGE... This hill ascends back from Grand Marais, Minn., and rises to an elevation of 1,700 feet. Known as Old Sawtooth, it presented a challenge to ski enthusiasts of Grand Marais. In 1948, a handful of civic-minded men, led by Howard Joyner, then president of the chamber of commerce, decided to accept the challenge.

16 Men for Induction; 13 Will Get Physicals

Coleman-Runnels draft board No. 21 has issued a call for 28 men to be inducted into the armed forces on February 4.

Those reporting on the above date for induction from this county are: Vernon Lee Jones, Miles; Morris S. Sullivan, Winters; Kenneth W. Flowers, Winters; Daniel Redman, Winters; Simon B. Rodriguez, Ballinger; Henry Jaques, Rowena; Jesse S. Albarado, Miles; Donald R. Bennett, Ballinger; Lloyd C. Jackson, Ballinger; Arnulfo M. Salazar, Ballinger; Bernie Joe Michalewicz, Rowena; James John Urban, Miles; Clarence John Book, Miles; Arrastus Cotherman, Talpa; Ray G. Hoelscher, Rowena; Daniel David Fischer, Jr., Ballinger.

Those included in the call for physical examinations from this county are: J. A. Henderson, Winters; Maxful E. Wright, Winters; Hilmer E. Wagner, Rowena; Charles M. Bryan, Norton; Alfred E. Keeling, Miles; Wayne P. Thompson, Maverick; Vershel H. Smith, Ballinger; Frank A. Gully, Rowena; Lee Allen J. Halfmann, Ballinger; Vicente G. Medrano, Ballinger; O. R. Long, Ballinger; Darrell G. Gresman, Winters; Homer Eggemeyer, Ballinger.

MISS CHENOWETH ATTENDS DISTRICT FOOD MEETING

Miss Ollie Chenoweth was in San Angelo Monday and Tuesday, attending a meeting called by the state food specialist of the extension service. Items demonstrated on the program at the area meeting will be incorporated in the program for clubs this year.

Miss Chenoweth stated that next county council meeting would be held here on February 8.

YOUNG PEOPLE TO LEAD PRESBYTERIAN SERVICE

The young people of Westminster Fellowship, First Presbyterian Church, U. S. A., will have charge of the service Sunday morning at the 11 o'clock hour. The theme will be "United Committed in Christ."

Bob Vance, student at the University of Texas, Austin, visited his father and other relatives here the past week-end.

Magician to be Topliner At Local C. C. Banquet

The Mothers' March on Polio will be staged in Ballinger tonight between the hours of 7 and 8 p. m. Mrs. W. O. Irby, general chairman, has secured workers and there will be one woman for each block in the city.

Oil from Palo Pinto Flows in Currie 2; Another Located

Slick-Murman No. 2-Nettle Currie, brought in this week, highlighted activities in the Ballinger Palo Pinto field. Additional wells are being drilled and good progress is reported.

J. K. Dobbs No. 8B-Freeman was completed last week for a daily flow of 147 barrels of 41 gravity oil. Casing was cemented to 4,053 feet. Top of the pay was found at 3,987 feet.

Texas & Pacific Coal and Oil Co. No. 1-C. A. Dickinson flowed at the rate of 108.33 barrels of 42 gravity oil when finished at 4,016 feet.

16 Men for Induction; 13 Will Get Physicals

O. K. Reynolds, Boy Scout executive for this area, is calling attention to a number of special dates which should be remembered by all interested in scouting.

The first is February 6 to 12 when National Boy Scout Week is to be observed. The next two are the district committee meeting at Brookshier on February 21 and the round-table discussion for scouts at the city hall in Ballinger on February 22.

Dates for summer council camps have been set. Camp Sol Mayer, near Menard, will be opened Sunday, June 8, and the first period is from that date until June 14; the second period beginning June 15 and continuing through June 21. Camp Fawcett will be opened June 22 and two divisions of one week each will be operated, the last closing July 5.

The cost per member is \$12.50 for each period. A troop must attend camp under its own leadership and must select the period it desires and make reservation not less than four weeks in advance. The troop also must send in a \$10 reservation fee.

Dimes March Gets \$230 from Auction Staged by Jaycees

Ballinger Jaycees held a special meeting Monday night, when the national charter was to have been presented. At the last minute it was learned that L. D. Whitley, of Lubbock, state president, could not be present on account of illness, and a state vice-president, of Stamford, failed to arrive.

This was the second meeting arranged for presentation of the charter and was a disappointment to local officers and members. Special banquet hall decorations had been arranged and guests included Jack Pridden, manager of the Ballinger Chamber of Commerce; Mayor Bill Moore; George Newby, Lions Club president; and Ewell Jones, Rotary Club president.

FORMER BALLINGERITE HONORED AT HOUSTON

James C. Taylor, son of Mr. and Mrs. M. L. Taylor, of Waco, formerly of Ballinger, was named Houston's outstanding young man of the year by the junior chamber of commerce of that city. He is a law graduate of Baylor University, Waco, and at present is director of the downtown school, University of Houston.

Little Bob Scott, of Dublin, is spending the week with his grandparents, Mr. and Mrs. Joe Flynn, while his parents, Dr. and Mrs. Verne A. Scott, Jr., are in New Orleans attending a convention. The Flynts will accompany their grandson home this week-end.

Mrs. Ross Black, Jr., who underwent major surgery at San Angelo Tuesday, January 22, has returned home and is recuperating nicely.

Country Club Hires Program Director; New Work Planned

Directors of the Ballinger Country Club have started an improvement program which is expected to add new life to the organization in the near future.

"Skeeter" Millican has been employed as golf manager and program director. Work was started last week on redecoration of the clubhouse, refurnishing of furniture and adding a number of new features.

Mr. Millican has received approval from directors for a work project on the lake which will improve the bathhouse, swimming pier and add a number of fishing piers.

A playground for children will be built on ground near the clubhouse, a putting green and several barbecue pits with complete facilities for outdoor picnics are to be built.

District 7 THDA Members to Meet Here February 4

All county chairmen of the Texas Home Demonstration Association in district 7 and all home demonstration agents of the district will meet in Ballinger on February 4.

Mrs. Maxie Harvey, of Leuders, vice-president of district 7, will preside. A luncheon at the Central Hotel at noon will be for all attending.

Purpose of the meeting is to plan the annual district meeting of the THDA, to be held at Colorado City in April.

District 7 has been greatly enlarged and now comprises 22 counties with Kerr county the boundary on the south.

Representing Runnels county will be Mrs. Bob Fowler, Mrs. Tom Egan, Mrs. B. M. Batts and Miss Ollie Chenoweth. Some time during the day a meeting of agents will be held with Miss Thelma Casey, district agent, presiding.

Miss Chenoweth is making arrangements for the meeting and luncheon. The opening session is to begin at 10 a. m. and adjournment will be in the afternoon.

Jack Hampton received a message Tuesday telling of the death of his brother-in-law, Carl Stevens, at Temple. Mr. Stevens underwent surgery at Temple after being taken there from his home at Dublin. Funeral services were held Wednesday.

Magician to be Topliner At Local C. C. Banquet

Plans are completed, tickets sold and everything is ready for the annual meeting and banquet of the Ballinger Chamber of Commerce tomorrow (Friday) night. Time is 7:30 and the place the junior high school cafeteria.

About 250 people will be on hand to fill the dining room to capacity. E. B. Underwood will be toastmaster for the occasion and will present Joe Forman, retiring president, who in turn will call attention to the printed report of the chamber and introduce retiring directors. Jack Moore, incoming president, will introduce other officers and board members for the ensuing year.

The plan is for those who intend to make contributions to turn on their porchlights during the one hour. The solicitor will call during the hour and accept any amount. Leaders are urging that every citizen turn on his porchlight, and if there is no porchlight, to light a candle in a window.

There will be only two major drives for the 1952 March of Dimes. The first was in the business district when firm managers were asked to make a contribution and all clerks were solicited for donations. The other will be the "Mothers' March" tonight.

The fund is far below the amount raised last year and for this reason all Ballingerites are asked to be as liberal as possible tonight.

Large window stickers were affixed to store windows Wednesday night reminding the public that the mothers would make a canvass of all homes tonight. Boy Scouts also distributed circulars to all residences. Wednesday reminding citizens to be at home from 7 to 8 o'clock and to turn on their outside lights.

The 1952 March of Dimes continues in Texas under a cloud of polio cases, unusually high for this time of year, and a warning from the state health officer to expect the worst in polio in 1952. Spurred on by knowledge of four bad years of the tragic disease, Texans are urged to rally to the support of the National Foundation for Infantile Paralysis.

To assist Mrs. Irby in the house-to-house solicitation are the following: Mrs. C. F. Bailey, captain for the colored and Latin-American sections will have as co-workers, Felix Cortez, Mrs. C. L. Lewis, Mrs. I. Merritt, Mr. and Mrs. F. A. Jernigan.

Mrs. Price Middleton is captain for the downtown district and east of business section. Co-workers are Mrs. Carl Freeman, Mrs. Herman Price, Mrs. W. K. Wheatly, Mrs. R. E. Bruce, Mrs. Tom McEntire.

Mrs. Jack Nixon, Jr., is captain for Eighth Street, Harris Avenue and Wilke Terrace. Mrs. Bill Bell, Mrs. H. W. Ketchum, Mrs. Sam Conner, Mrs. Ralph Payette are co-workers. Mrs. Jack Scales is captain for Eighth Street, Harris Avenue and west of this area. Assistants are Mrs. Powell Wear, Mrs. Jerry Hampton, Mrs. A. G. Wehrley, Mrs. Loyd Herring.

Hillcrest—Mrs. C. E. Maedgen and Mrs. Lewis Brown. Lone Star Station—Mrs. M. E. McClenny.

District 7 THDA Members to Meet Here February 4

South Ballinger will be canvassed by Mrs. J. Wesley Jones captain, assisted by additional workers she will secure to cover the entire territory.

### Audie Murphy Has Leading Role In Technicolored 'Cimarron Kid'

One of those suspense-laden westerns, "The Cimarron Kid," starring Audie Murphy and Yvette Dugay and backed with a strong supporting cast, is to be shown at the Texas Theatre Sunday, Monday and Tuesday, February 3, 4, 5.

From opening to fadeout, the picture is said to contain all of the ingredients necessary to a successful action film. The Old West is its settings, and gun-play, breath-taking horsemanship, suspense and movement, together with a nice dash of romance, stamp it as one of the best.

The story concerns the release from prison of the Cimarron Kid, played by Audie Murphy, his joining of the notorious Dalton gang through no choice of his own and the gang's subsequent failure in a series of attempted bank robberies. A poignant and tragic love affair between the Kid and the daughter of a rancher, played by Beverly Tyler, runs through the story.

Supporting players include Leif Erickson, David Wolfe and James Best.

Authentic scenes of aerial combat in the Pacific are incorporated in the stirring melodrama, "Flying Leathernecks," billed at the Texas tomorrow and Saturday in conjunction with a western, "When Redskins Rode."

John Wayne and Robert Ryan are co-starred in the exciting saga of U. S. marines fighter pilots at Guadalcanal and elsewhere. Don Taylor, Janis Carter, Jay C. Flippen and William Harrigan are seen in featured roles. The Technicolored production features not only action, but hinges upon personal friction between Ryan and Wayne in the conduct of their operations as officers in the South Pacific, in the RKO Radio thriller.

### 'The Golden Horde'

Rated Action Film

Universal's Technicolor spectacle, "The Golden Horde," starring Ann Blyth and David Farrar, is to be shown at the Texas Theatre Wednesday and Thursday, February 6, 7.

The action-packed story is laid in the 13th century when a mighty barbarian host, led by the brutal Genghis Khan, swept westward out of Asia to destroy Samarkand, fabulous gateway city to Persia.

"The Golden Horde" is British star David Farrar's first American film. Supporting players include Richard Egan, George MacReady, Peggy Castle and Poodles Hanneford.

How OFTEN have you heard it said, "I've paid all my bills except the doctor's. He can wait?"

When we have recovered, the fearful urgency of that night call is easily forgotten. In answer to our frantic call, what if the doctor had said, "Oh, it's nothing serious. Wait until morning and come down to the office." The chances are we would agree to pay double if he would come at once.

## It's Loaded — So Be Careful!

Before you drive the Golden Anniversary Cadillac, there is one thing we should like to impress upon you: It's loaded—so be careful!

There's more power in that dynamic engine than you'll ever need—except for the rarest emergency. And it should never, never be used for dramatic display on the get-away.

If somebody else wants the honors when the light turns green—let 'em go. You don't have to prove anything, anyway.

But that great power works for you—even when you're not unleashing it to the limit.

It works for you as a reserve—and gives you that easy, quiet, flowing ride which makes a Cadillac such a joy to own and such a thrill to drive . . .

It gives you that slow-moving engine—that simply loaf's at all legal speeds—and which is a literal Methuselah when it comes to long life . . .

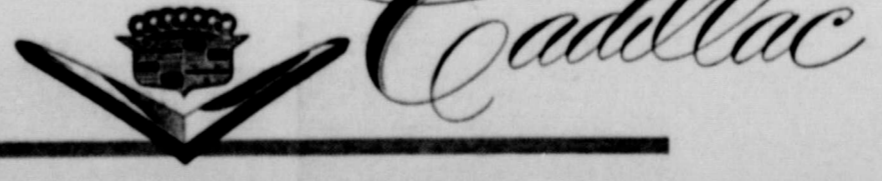

And it is a primary reason for that unbelievably low upkeep expense, at which Cadillac owners never cease to marvel. Some fleet owners have found, for instance, that Cadillacs cost less to operate and maintain than any other cars they have ever used. And the easy-going engine, that never operates under strain, is a big factor in this economy.

Yes—Cadillac's great power works for you—and is necessary—and is one of the vital reasons why Cadillac's performance is so outstandingly different.

But we trust that no Cadillac owner will ever use it for dominating the highway. To do so is not only counter to the rules of safety—but it is not in keeping with the graciousness the motoring public has come to expect from the person who sits at the wheel of a Cadillac.

Have you seen this great Golden Anniversary creation? If not, we should be pleased to welcome you to our showrooms—at any time.

## IN SOCIETY

### Bride-Elect Peggy Fox Honored at Tea in Middleton Home

A Saturday tea continued the party series feting Miss Peggy Fox, whose betrothal to Troy Smith has been announced. The party was given at the home of Mrs. Price Middleton in Wilke Terrace, with Meses. W. O. Middleton, Wilson Middleton of San Angelo, Frank Barnett and Tom Epting as joint hostesses.

Mrs. Price Middleton greeted guests and presented them to Mrs. W. O. Middleton, the honoree, her mother, Mrs. P. G. Fuller, her fiancé's mother and grandmother, Mrs. J. Frank Smith and Mrs. L. N. Graham.

The bride-elect's colors, pink and green, were given attractive decorations with arrangements of pink gladioli being used on the piano and on the credenza where Miss Betty Middleton registered guests in the bride's book.

The dining table, which was laid with an imported cloth of linen, was centered with a reflected arrangement of pink carnations. Tall green candelabra burned in branched crystal candelabra on the table. Mrs. H. G. Agnew and Mrs. Tom Epting presided at the crystal punch bowl, and Mrs. Bill Scoggins and Mrs. Frank Barnett served cake squares iced in white and decorated with pink rosebuds. Misses Joan McCurdy, Jackie Droll of Rowena, and Grace Ann Bryan of San Angelo assisted in serving.

Gifts were displayed by Mrs. Wilson Middleton. A musical program was given by Miss Peggy Hays while more than 100 guests called during the tea hours.

### Mrs. Neely Honored by Three at Shower

Mrs. W. L. McMillian, Mrs. Arlie Miller and Mrs. Oren Dean were co-hostesses at a Pink and Blue Baby Shower last

Friday evening, complimenting Mrs. Bill Neely, of Winters.

The affair was held in the home of Mrs. McMillian on Tenth Street which was decorated with pink and blue floral arrangements. The lace laid dining table was centered with a reflected arrangement of pink and blue floral arrangements. Mrs. Jimmy Dankworth ladled frosted punch and Mrs. Clarence Richards served cake squares iced in white and decorated with the word "Baby" in blue and pink. Favors were miniature stork symbols filled with mints and nuts.

Mrs. Ralph Burris registered guests in the baby book.

Others present were: Meses. R. L. Bell, Bill Bell, Bill Goetz, Melvin Evans, Turner, Paul Best, Tom Marsh, Lee Moreland, George Scruggs, L. L. Clark, O. R. 235 Attend Eastern Star School  
Here

Two hundred and thirty-five  
members of Eastern Star chapters  
from 25 cities attended an  
Order of Eastern Star school  
here Saturday, conducted by  
Mrs. Leon Carr, of San Angelo,  
district deputy grand matron;  
Mrs. Flora Best Boone, of  
Littlefield, worthy grand  
matron of Texas; Cheba  
Deweese, Forth Worth, past  
grand matron, district 3,  
section 1; Katherine Poulis, San  
Antonio, grand examiner, district  
5; Bessie Willmann, Miles,  
deputy grand matron of District  
5, Section 1.

Members of the Ballinger  
chapter, of which Mr. and Mrs.  
J. M. Williams are worthy patron  
and worthy matron, were  
assisted by the following chapters  
as hosts for the all-day  
affair: Brady, No. 167; Christoval,  
No. 761; Concho, No. 826;  
San Angelo, Eden, No. 357;  
Melvin, No. 661; Mertzon, No.  
251; Miles, No. 672; Norton, No.  
28; Paint Rock, No. 391; Robert  
Lee, No. 187; San Angelo, No.  
10; Sterling City, No. 29; and  
Winters, No. 80.

Registration began at 8.30 a.  
m. with Miss Anna Belle Hash  
as chairman of the committee.  
The morning program included  
a welcome by Mrs. Willmann,  
deputy grand matron; response  
by Mrs. Carr, district deputy  
grand matron. After the invocation,  
the pledge of allegiance to the  
flag, and the singing of "America,"  
the grand officers were introduced.

Mid-morning refreshments of  
coffee and cookies were served  
by Mrs. Inez McEntire, chairman,  
and her helpers.

Luncheon was served at the  
Junior High School cafeteria at  
noon with instructions in the  
afternoon.

A banquet was held at the  
Junior High School cafeteria in  
the evening, honoring Mrs.  
Boone, worthy grand matron.  
A musical program was given  
by Jimmy Hamner and Mrs.  
Willie Hoover. A School Days  
skit was presented by Misses  
Thelma Gabbert, Stella Hargus,  
Inez McEntire; Misses Demma  
Barron and Mary Jane Kiechle;  
R. D. Midgley and George  
Beard.

Table decorations for both  
the luncheon and banquet  
included arrangements of yellow  
and white carnations and  
daisies in the same shades.  
White satin ribbons embossed  
with gold letters "Our Faith is  
Real," outlined the tables.

At the evening session in the  
chapter room, Mrs. Mary Jo  
Kemp sang "Star of the Sea,"  
and "Ah, Sweet Mystery of  
Life." Mrs. Hoover playing the  
accompaniments. Mrs. W. B.  
Halley, past Grand Matron,  
gave a piano number. Addresses  
were given by both Mrs. Boone  
and Pat Boone, worthy grand  
matron and past grand patron.  
Mrs. Carr, district deputy grand  
matron, directed the closing  
ceremony.

Mrs. Nettie Edwards and Miss  
Anna Belle Hash were in  
charge of the refreshment committee,  
which served cookies

and punch following the evening  
session.

Grand officers present were:  
Molly Goodpasture, Brownfield,  
deputy grand matron, district  
2; Lois Burnett, Fort Worth,  
grand warder 820, district 3,

Fannie Nixon Y. W. A. Meets  
in Morgan Home

Dian Tuckey conducted the  
business period when members  
of the Fannie Nixon Y.W.A. of  
the First Baptist Church met  
in the home of Mrs. Malcolm  
Morgan Tuesday afternoon.

After the opening prayer by  
Joan Blackmon, Sue Manning  
acted as secretary and read a  
note of appreciation from Mrs.  
Fannie Nixon. Emilce Burton  
was elected treasurer. Nelda  
Faubion has been named to  
check the standards and find  
whether the group is meeting  
all requirements and keep the  
standard marked with excellence.  
Plans were made for the  
publicity chairman, Theresa  
Elkins, to make a scrap book. A  
tea honoring mothers of the  
Y.W.A. to be given in May was  
discussed. It was announced  
that Focus Week would be  
February 10 through 16, when  
the church group would be  
approved.

Mrs. Morgan brought the  
Bible lesson, and Dian Tuckey  
gave the closing prayer. Others  
were Lou Hays, Catherine Mauldin,  
Lou Manning, and Ann  
Catherine McDonald.

MRS. AGNEW ATTENDS  
FUNERAL OF RELATIVE  
Mrs. Tom Agnew left Sunday  
for Brookville, Pennsylvania, in  
response to a message announcing  
the sudden death of her  
brother-in-law, Gordon Mc-

Griffin. Decedent has visited in Ballinger a number of times and is well known here. He was in good health until Saturday evening when a heart attack caused his death.

Funeral services were held at Brookville Tuesday.

A lot of women would rather dye than admit their age.

## Activities of Farm Agents Many and Varied in 1951

A year's progress of County Agents John Barton and Joe Johnson show that a number of important activities were carried out during the year, such as:

**Conservation of natural resources**, with a special emphasis on a water-holding program and soil-building crops.

**Agricultural engineering**, featuring a special program in the county on tractor maintenance for both adults and 4-H boys.

**In field crops and cotton insect and disease control**, new varieties of grain sorghums were tested and a new variety of Quannah wheat to develop rust-resistant strains was used.

**Program on beef cattle** include parasite control, improved feeding practices and better breeding stock.

**In swine**, emphasis was given the six-point successful feeding program introduced through 4-H and adult demonstrations, and this resulted in improved breeding stock.

**In sheep**, parasite control and handling ewes under dry weather conditions, along with improved practices in feeding, were all conducted during the year.

Other subjects receiving attention were: poultry feeding, insect and parasite control, range and pasture improvement through management and the introduction of new and suitable grasses, rodent control, practiced on rats, mice, rabbits and prairie dogs; trucks and orchards; wildlife, general insect control, various organizations and the seven 4-H clubs.

Some sixty-four days were spent in agricultural conservation of natural resources and agricultural engineering. Fourteen fields were laid out for terraces, with a total of 926 acres. Ten farms contoured had a total of 830 acres. Seven farmers were aided in getting their soil tested, with recommendations for their soil-building program. A few over fifty farmers used the two farm levels maintained by the county agent's office, to run contour lines for holding water.

In farm machinery, two men attended a tractor school at Coleman, and through the year ten tractor clinics were held, some seventy 4-H boys attending. Five community meetings were held where tractor information was given to 593 adults by Baylis Fletcher.

Instructions on better uses of farm electric equipment was given to 4-H boys, one boy entering the state electric contest. He won second place in the state, and a district prize of \$25.

Demonstrations in the past have shown that sub-soiling is a practice that returns extra money for labor and time. This program was encouraged during 1951, some 10,000 acres being sub-soiled. Past demonstrations and activities have advanced the terracing program to an all-time high of around 175,000 acres for this county, which probably returned farmers of Runnels county well over a million dollars in increase in cotton and grain sorghums in 1951.

**Field Crops**

In grain sorghums, five variety tests were set up, but due to dry weather, results were not what were desired but out of these tests, much useful information was gained. On the farm of Garland Nunn, at Old Runnels, combine kafir corn No. 60 gave a good account of itself. Mr. Nunn stated that he intended to plant a number of acres of this variety in 1952.

Another promising variety is that of the Redbine No. 60, which ripens early, stands up well, has a fairly soft grain and dries out well for combining.

A demonstration that is being carried for 1951 as well as a number of past years, shows the best yield of combine grain sorghum crops are the ones planted early or late. Elwood Brown planted Martin maize around the middle of March, and harvested an average of 900 pounds per acre, on 145 acres.

In wheat, our program has continued through the wheat improvement committee, to get more desirable results more desirable varieties and higher yields.

Cotton is our No. 1 crop, so special work was conducted throughout the year, fifty-one days being spent on the various phases of growing this crop. During the early months of the year five meetings were held in centrally located communities, about 600 people attending. In these meetings our material was given on insect control, labor programs, and farm problems were discussed.

Carrying out the cotton program, a county-wide Field Day was held at Cat Park, which about 800 people attended and

high place in a state contest. They also had programs on entomology (especially termite control), soil sampling, grass judging, county, district and state camps, fitting and showing beef calves, swine, sheep, capons and chickens. The boys entered three state, two district and one county show.

Results were that at the Fort Worth stock show Mark Campbell won grand champion steer of the boys' division. George and Robert Pruser won first and second Shorthorn steer, then at the San Antonio show the Frerich brothers won champion and grand champion Shorthorn steer. At the Dallas fair the Frerich brothers again won reserve champion Shorthorn steer. In the county show the boys exhibited nine steers, eight getting blue ribbon awards and one red ribbon. In sheep, eleven boys exhibited 43 sheep at the county show, winning fourteen blue, fifteen red and fourteen white awards. Some seven boys are on their way as breeders.

Thirty-eight boys carried on projects with 96 swine, showing 19 fat hogs at the county show, getting nine blue ribbons; four trios getting second, fourth, fifth and seventh places. Glynn Hill was awarded the grand championship of the show. There also was a champion gilt and boar in the breeding division of the county show. Victor Hoelscher won the reserve Hampshire fat hog at the Dallas fair. Another state winner, Hubert Frerich, won a unit of Durocs in the San Antonio Rotary contest.

In the 4-H poultry program 4-H boys hung up records in the state shows. At Dallas Obie Dee Bradford had the best white-laced Cornish in the entire show. Alpheus Hill and Obie Dee Bradford entered white Leghorns and New Hampshires and received superior ratings.

Another special feature for the boys in 1951 was that of grass judging and identification. Four state contests, one district and one county contest results in first place at San Antonio, first at Dallas, first in 4-H round-up at College Station, first in the district at Abilene. Alpheus Hill was first place individual winner in the county contest. The Winters Lions Club and the Ballinger Rotary Club honored these boys for their successes.

An electric program was entered, Alpheus Hill winning second place in the state contest and a district award of \$25.00.

Some 70 boys entered and took part in the tractor contest, a district winners team going to the A & M. round-up. This was one of the top counties in district 7, entitled to attend camp. Fifteen won and went to the round-up and took part in some state contests. First place was won in grass judging.

The district camp at Buffalo Gap was attended by thirteen boys and two adult leaders. Another trip made by the boys was a wildlife and safety program at Lake Brownwood. Twenty-four boys made this trip, with five local leaders.

The Blue Award was given

to the Cochran Tip-Top Club boys for their outstanding activity during the year on their recreational program. Runnels county boys and girls were awarded \$25.00, with the Cochran boys getting half of this award for their county 4-H fund.

Thirty-four boys received county, state and national medals, with Marcus Hoelscher getting the top award of a \$250 scholarship award given by the Texas Farm Bureau. Marcus is now at A. & M. College taking advantage of this award, along with a \$300 award won in the tractor program the previous year.

Dry weather held the 4-H club boys back, but in spite of bad conditions, thirty-two boys planted 420 acres of maize, two boys with three acres of legumes, thirty-eight boys had 660 acres of cotton, six boys had two acres of garden, and three boys worked on 180 acres of improved pastures.

In summarizing, here are a few figures: 583 days worked by both county agent and assistant; 574 meetings of an agricultural nature held with approximately 40,000 in attendance; 265 different farms or ranches visited; 1,736 office calls; 1120 phone calls answered; 306 news articles published in daily, state and national publications; 4,615 bulletins and circulars distributed; cooperated with and worked with many organizations, such as newspapers, commissioners' court, chambers of commerce in Ballinger and Winters, service clubs (Lions and Rotary), Station KRUN, Gins, 6-point Agriculture Committee; 7-point Cotton and Wheat Improvement Committees; G. I. schools; P.M.A., S.C.S., S. C. district; Farm Bureau, local leaders, agricultural council, 4-H council, demonstrators and co-operators, and many individuals both in urban and rural areas.

**Card of Thanks**

We wish to thank the neighbors, friends and relatives who came to our place January 17 to break our land. Twenty tractors worked in three different fields and were through at 11 a. m. Ladies prepared and served dinner for all at the home of Mr. and Mrs. Burley Campbell. Commissioner Fred Bedford furnished the gasoline for the tractors. We want to thank each of you for your kindness and good will in helping break our land. If you ever need help, we hope it will be given in the same willing spirit you have shown us since Marvin was injured. Thanks again.

**Future Farmers Talk on Records At Lions Meeting**

The Ballinger Lions Club heard a program Friday noon presented by H. B. Edmondson and R. A. Hanson, local vocational teachers, and six members of the Future Farmers of America. All the boys, members of the Ballinger chapter, showed champions or reserve champions at the recent Runnels county livestock show with the exception of one, and he was voted the most outstanding F. F. A. boy in the county.

The Ballinger chapter made its finest showing the past year and most of the boys with feeder projects left Sunday for Houston where they will seek higher honors.

In opening the program, Mr. Edmondson explained that the feeding of animals was not all the program of the chapter and mentioned other items included in the year-round instruction.

Mr. Hanson introduced the six boys and asked questions of each concerning his work.

Mark Campbell, owner of the grand champion calf in 1932, told how to select and start a calf, how to prepare the animal for show purposes, and on showmanship after the calf is in the ring. Campbell won one of the showmanship awards in the 1932 show.

Werner Halfmann, owner of the reserve champion calf, told of his years of experience and talked on the kind of calf necessary to start a feeder project. He explained the necessity of weighing calves regularly and how to increase or decrease feeds.

Weldon Lange, owner of the reserve champion Southdown lamb, talked on the preparation of animals and the best methods of showing the sheep before the judges.

Charles Parrish, who showed the reserve champion capon and the champion pen of 3, stated that good parents were necessary for the chickens in such projects. He stressed the best in sanitation and food.

Delbert and Bobby Smith each came in for honors this year. Awards for the champion hog, the best pen of 3 and the fourth pen of 3 were won by the brothers with only six hogs. Lobby was named the most outstanding F. F. A. boy in the county and he recited some of the activities in which

**BALLINGER JUNIORS WINNERS IN TOURNEY**

The Ballinger junior basketball team won the invitation tournament at Coleman the past week-end, defeating the Brownwood juniors in the final two seconds of the game. With time running out, Hart sank a goal to give the Ballinger quintet a 20-19 margin. The Ballinger high school team attended the tourney at Ozona, winning the first game and losing the second. Tomorrow night the A and B teams will play at Lake View in a regular conference affair. Principal Joe Forester stated today that a district tournament for girls would be held here on February 9. The exact number of entries has not been determined but all games will be set by next week.

## Visitor to Organize Sorority Here

Mrs. James C. Cope is in Ballinger for the purpose of organizing a new chapter of Epsilon Sigma Alpha, social and cultural international sorority for young women. Mrs. Cope is field secretary for the organization composed of some 25,000 members in the United States and other countries.

Mrs. Cope came here from Denton, where she is vice-president of the Theta Phi chapter of Epsilon Sigma Alpha. "Only women of high character are accepted into the sorority," Mrs. Cope said. Fundamental purposes of the organization are personal improvement, benevolence, cultural appreciation, and education by means of organized study plans. Individual applications for membership are not considered; members are received by invitation only.

The first chapter of Epsilon Sigma Alpha was established 50 years ago in Texas. There are chapters established throughout the United States and in Canada, Alaska, England, Holland, Scotland, Japan and Mexico.

International headquarters is located at Loveland, Colorado. The sorority also is affiliated with a non-profit dude ranch in the scenic Rocky Mountains for ESA members and guests.

The chapter in Ballinger will be a charter chapter and Mrs. Cope expressed the wish to have the rush party Monday evening, February 4.

## In-Honor Affair for Miss Fox in Yoder Home

The climactic complimentary affair for Miss Peggy Fox was a linen shower Monday evening for which Mrs. Hal Yoder, Mrs. O. L. Hart and Miss Joan McCurdy were hostesses in the Yoder home in Wilke Terrace. Members of the Fancy Doers Club, of which the honoree

formerly was a member, were included.

Pink and green daisies outlined with a yellow streamer which bore "Peggy-Troy" in green, and a large bow formed the centerpiece for the dining table where a dessert plate with coffee was served.

As gifts of linen were presented, Mrs. W. O. Middleton gave an original reading depicting the life of the honoree.

Present besides the guest of honor and her mother, Mrs. P. G. Fuller, and the bridegroom-to-be's mother, Mrs. J. Frank Smith, were: Meses. Bill Scoggins, M. E. Sweeney, Herman Rountree and Frank Barnett; Misses Betty Middleton, Clydelle Wilkins, Cordelia Flanagan, Shirley Thompson, Gail Hays, Merle Richards, Norma Jackson, Joyce Hite, Deanie Rountree, Mary Jo Forman, Tookie Wade, Mary Harral, Wynell Dodd, Carolyn Bigby, Barbara Stuart and Nora Lynn Fox.

## Mary-Martha Class Entertained by Three

Mrs. H. Clarke, Mrs. Odie Barrington and Mrs. Paul Best were hostesses to members of the Mary-Martha Class of the First Baptist Church Tuesday evening, entertaining in the Clarke home on Seventh Street.

Bouquets of pink carnations were used to decorate rooms where Mrs. L. B. Rudder conducted the business period and heard reports from standing committees. Mrs. Fred Holliday brought the devotional. Miss Mary Elizabeth Truay gave the opening prayer and talked on her work in the Nigeria, Africa, girls' school. A remembrance gift from the class was presented Miss Truay.

Miss Truay is making preparations to return to her post in Nigeria, where she has been a missionary for 13 years. Hostesses served a sweet plate with hot chocolate and nuts. The group hemmed cup towels

## FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Fourteen members attended the regular meeting of the Friendly Neighbors home demonstration club, held in the home of Mrs. W. J. Curtis Friday afternoon.

After the opening song, sung in unison, members answered roll call by naming their favorite reading material. Mrs. Ralph Russell conducted the business period and the recreation program. At the conclusion each member donated to the March of Dimes.

Miss Ollie Chenoweth, county home demonstration agent, gave a demonstration on pie making. Refreshments were served by the hostess.

## Mrs. Hattie L. Sturtz

Mrs. Hattie L. Sturtz, 62, died at the Ballinger Clinic-Hospital Sunday morning after critical illness during the previous five days. She had been in failing health the past three years.

Born on July 1, 1889, at Cleburne, decedent came to Runnels county with her parents in 1906. She resided at Norton until 1916, when she moved to Ballinger.

Mrs. Sturtz was a member of the Ballinger Eastern Star chapter and had held membership in the Methodist Church since childhood.

Survivors besides the husband, W. L. Sturtz, include her mother, Mrs. Emily Merideth Venus; two sons, Elmer L. Williams and Truman M. Williams, Sioux City, Iowa; a daughter, Mrs. Jack Hampton, Ballinger; two brothers, two sisters, ten grandchildren and five great-grandchildren.

Funeral services were held Tuesday afternoon at 2:30 at the First Methodist Church, Rev. C. D. Wooten officiating. Interment followed in Evergreen Cemetery.

Ronnie Glenn McQueen, 18 months old son of Mr. and Mrs. Marvin W. McQueen, died on January 18 after illness of one week.

Funeral services were held at the Seventh Street Baptist Church at 3:00 p. m. Sunday, January 20, Rev. Emmett Brooks and Rev. Joseph Emery officiating. Burial followed in Evergreen Cemetery.

Survivors are the parents, a sister, Sandra Kay, and the grandparents, Mr. and Mrs. B. U. McQueen and Mr. and Mrs. J. H. Curbo.

## LOCAL FIREMEN'S SCRAP COLLECTION MAKES NEWS

The work of the members and friends of the Ballinger fire department is making coast-to-coast news in the scrap iron campaign recently conducted here.

The story of the Ballinger community scrap pile will be distributed coast to coast by Associated Press and radio station WFAA will broadcast it on a program.

The drive was started here in an effort to secure enough scrap iron to raise money for the purchase of a large booster tank truck to be used in fight-

ing rural fires. Charles Webb, fire chief, stated that the campaign had not been too successful and that only between 15,000 and 20,000 pounds was on the pile at the present time. None of the iron has been sold.

## FIVE PLEAS OF GUILTY TAKEN IN COUNTY COURT

County Judge W. H. Rampy heard five pleas of guilty in county court Monday morning and fines were assessed in each case. Most of the defendants paid their fines as soon as they were set and were released but two asked for more time and were left in jail.

Lloyd Foster King was fined \$50 and costs for driving while his license was suspended.

Thomas Moreno Pallanez pleaded guilty to driving while intoxicated and was fined \$50 and costs, a total of \$72.80.

Luther Abner Cornwell was fined \$50 and costs for driving while intoxicated.

John Jackson was fined \$100 and costs on a charge of transporting whiskey.

Woodrow Joiner pleaded guilty to carrying a pistol and was fined \$100 and costs.

**SPEED-KILLER NO. 1**

Out of 35,000 lives lost in traffic accidents in 1950, 26,700 were sacrificed on the altar of carelessness. Speed—excessive, killing speed—accounted for nearly half that number. Speed, claiming 13,300 dead and 475,000 injured victims in a single year, is the nation's Killer No. 1.

While all traffic deaths declined from 1946 through 1949, even then fatalities on the open road kept creeping up. In 1950 a deadly spurt of speed accidents claimed 3,200 more victims in rural areas than it had the year before. Last year speed deaths again mounted.

Why do drivers race so heedlessly to destruction on the highway? Hard to save time. Scorching at 70 is an invitation to disaster. Over any distance, 50 m.p.h. takes only a few minutes longer and offers a better chance of a safe arrival.

When you start out with your family or friends, discount speed before you take off. Give yourself and others in your car an extra margin of safety by leaving earlier and holding your speed within bounds. It's your responsibility to them and to others on the road.

Remember—more than one out of every three fatal accidents is due to speed.

Members of the Ballinger Chamber of Commerce will gather tomorrow night to review accomplishments of the past year, install new directors and officers and enjoy good food and an entertaining program. This affair is a highlight of the year in Ballinger and there is always capacity attendance. The new directors and officers have already initiated a number of worthwhile projects for the betterment of Ballinger and Runnels county. In all their undertakings these leaders need the full support of every citizen. Membership in the chamber has never been as large as the town should have. Drives are made but there are always some who do not affiliate for one reason or another. During 1952 the membership committee will strive to enlist the largest number in the history of the organization and every person who calls Ballinger home is invited to join, pay

dues and work for the adopted program.

In this day and time people are called upon often to contribute to worthy causes and some complain that these drives come too close together. Each year begins with two very important campaigns. The first is the March of Dimes for the national foundation, which is constantly seeking ways to wipe out dreaded polio and to give hospitalization and treatment to victims. While Runnels countians have given liberally to this cause in the past, they have not contributed as much as the foundation has spent in the county. In March comes the annual fund campaign for the American Red Cross, seeking to raise about \$7,500 in this county. The quota is heavier this year because of the war in Korea and the defense program which is getting in high gear. The Red Cross is being called upon for many additional duties among service men and women and therefore the need for funds is greater.

Those who drive automobiles and do not carry insurance which would protect them in case of a wreck, should investigate the new state law. Financial liability for costs in case of a crash is such that few people could satisfy the law without insurance. For a small sum insurance can be purchased which protects the driver even

### WEST TEXAS NOTES

Approximately 150 attended a special program for the Paint Rock Parent-Teacher Association Wednesday of last week. Girls of the homemaking department of the high school presented a showing of garments made at home and in classes. Prizes were provided by the P-T-A for the best dress, shorts, blouse and pajamas. Following the revue refreshments were served.

The city of Miles completed a new water well last week which will be tied in by the water department in the near future. The well was drilled in the corporate limits and the quality and quantity were reported good. Pumps will be installed soon. Water in the new well is said to be softer than that in other wells now supplying the city.

A new 500,000-gallon water reservoir will soon be put in service at Coleman. Constructed on a hill west of the city, the lake will be filled and then the 500,000 gallons of water turned loose on the hillside. Filling is necessary to check for leaks and to flush out the big reservoir. The contract for the additional storage was let last December 19 and the city will pay the contractors \$21,000 when the job is completed.

At the annual business meeting of the Upper Colorado River Authority, held at Bronte Wednesday of last week, all officers were reelected. Most important item before the board was the contract to provide water from the Oak Creek reservoir to the city of Bronte. Signing of the contract was postponed until the pipeline is built from the lake to the Bronte corporate limits. Surveying for the pipeline has been finished and work is expected to begin soon.

Brownwood may be host city to the Republican state convention on May 27. Leaders there were notified to submit a facilities report and when this

scheduled in the near future in most of the communities to be served.

Elmo Smith, who lives 5 miles west of Rising Star, has started work on a large barn which will house some 3,000 turkeys. The 30 by 100 foot wood and metal structure will replace a rock building which was destroyed by storm last summer. At the time of the storm the turkeys were not under the shelter and were saved. Smith's next shipment of young birds will arrive as soon as the barn is ready to receive them.

At a meeting of the Menard Parent-Teacher Association last week it was voted to purchase tympani drums for the school band. The price accepted by the organization was \$416 and the new instruments will be added as soon as received. The P-T-A heard a program by the fifth grade and a speaker on the subject, "Should Parents Help with Homework."

Dr. Arthur A. Smith, vice-president of the First National Bank, Dallas, will be the principal speaker at the annual meeting and banquet of the Brady Chamber of Commerce. The date has been set for April 4, in the fellowship hall of the First Christian Church. Other program features are to be arranged, and Otto Frederick, president of the chamber, will preside. Women of the church will prepare and serve the meal.

The PMA castor bean plant at Stephenville is the only one being operated in Texas at this time. The plant can process 10,000 pounds an hour and at present beans are being graded, weighed and sacked and will be

sold for seeding the 1952 crop. Operators say the demand for seed is strong and that many more sections will be planted in this crop this year. Shipments are arriving daily at the Stephenville plant.

**Meet the Most Challenging New Car of the Year** and for Years to Come!

**the New 1952 MERCURY with MERC-O-MATIC Drive\***

FEAST your eyes on this, America. Mercury has done it—brought you a really new 1952 car that's far, far ahead... that stands as an even greater challenge to the motoring world than last year's Mercury, one of the most popular cars that ever came down the American Road.

Your first look begins to tell you why. For here's something entirely new in car design... swift, clean lines that sweep from the new "Jet-scoop" hood (inspired by the smartest European cars) to a strikingly new rear deck design. Here's styling made possible for the first time in automotive history by revolutionary new techniques in metal engineering.

But wait till you feel the stepped-up pace, the steady balance of this beauty. There's more power—125-horsepower high-compression V-8—greater pick-up, and even better efficiency. And that's saying plenty when you think of the prize-winning Mercury performance of recent years.

So hurry on down to our showroom. Be one of the first to see, drive, and own the car with the "future features" today... the challenging new 1952 Mercury.

Standard equipment, accessories, and trim illustrated are subject to change without notice. While while-wait lines when available, at extra cost.

**CHALLENGING NEW FUTURE FEATURES**

No other car on the road offers so many advanced features for your comfort and convenience. Features like the up-front, "quik-sight" Interceptor instrument panel, matchless Merc-O-Matic Drive\*, suspension-mounted "Floor Free" brake pedal, and the centralized "Hide-Away" gas cap for easy fueling from either the right or left. It's your look today at the cars of tomorrow!

**Rev. Ward Given Welcome at St. Mary's Church**

The Rev. Pat Ward, O. M. L. who has recently been made pastor of St. Mary's Catholic Church, was complimented with a welcome party following the evening devotions last Sunday.

Members of the Altar Society were hostesses at the affair. H. J. Zappe was in charge of the program. After introductory remarks by Mr. Zappe, the Rev. Mike Slattery, O. M. L. spoke. Welcome remarks were made by Frank Gregor, representing the church committee; Mrs. Alton Seidel, president of the Altar Society; and Mrs. Chester Gerbach, director of the church choir; followed by response and words of appreciation by the Rev. Ward.

About 100 were in attendance at the affair. A sandwich plate was served with cookies, punch and coffee.

**Girl Scout Troop No. 5 Has Flag Ceremony**

The regular meeting of Girl Scout Troop No. 5 was held at the Scout House Monday afternoon, when plans were made for a new project after the flag ceremony. Plans also were made for a hike and a wiener roast Monday afternoon.

Jane Nixon was assisted by her mother, Mrs. Myles Nixon, in serving refreshments to Paula Bishop, Maudie Lee

**THE CHUMMY DAYS OF YORE . . .** Promotion by Winston Churchill, English prime minister, of another big three meeting to solve world differences brings to mind the last time Churchill, Truman and Stalin met. This three-way handshake highlighted the 1945 meeting of the big three at Potsdam, Germany. The occasion was a dinner given by Churchill for President Truman and Generalissimo Josef Stalin. All three were allies at the Potsdam conference but recently their relations haven't been too chummy.

Brookshier, Nelda Jo Barnett, Margaret Lou Campbell, Lucia Clark, Glenda Cook, Linda Kay Crockett, Sharon Cook, Rosalie Jones, Jim Beth Flynn, Dorothy Smith, Linda Kay Moncrief, Linda Wright, Pauline James and Hettie Mae Herring.

Leaders, Mrs. Harold Mueller and Mrs. Alton Seidel, were in charge of group activities.

**Presbyterian Westminster Group Meets in Erwin Home**

Miss Ruth Ann Erwin was assisted by her mother, Mrs. B. H. Erwin, in entertaining members of the Westminster Fellowship Group of the First Presbyterian Church, U.S.A., Monday evening in their Tenth Street home.

Ruth Ann Erwin, vice-moderator, directed the business routine for the reorganization of the group. The main topic for discussion was the program, "The Call to United Christian Youth Action," which will be presented at the local church Sunday, February 3, at the 11 o'clock service.

At the social hour which followed the business, hostesses served a sandwich plate with cake and cold drinks in party rooms decorated with pink tulle and white streamers.

The devotional on "Faith" was given by Mrs. Oliver Cochran, and Mrs. D. L. Vestal taught the lesson on "Our Gifts We Bring." Cherry pie was served with

Stultz, youth counselors.

**Girl Scout Troop Folds Letters for March of Dimes**

Members of Girl Scout troop No. 9, under the direction of their leaders, Mrs. O. H. Chandler and Mrs. Ray Graham, folded March of Dimes letters for mailing Tuesday afternoon in the chamber of Commerce office.

Frances Allen served refreshments following the working period to: Lynn Herring, Midge Adair, LaNell Holbrook, Nita Duke, Linda Crockett, Margo Brunson, Gale Jennings, Patsy Ashton, Pat Darby, Patti Robertson, Sharon Tuckey, Sarah Chandler, and Jane Wade.

**Methodist Circles Meet for Bible Lessons**

Two circles of the Woman's Society of Christian Service, First Methodist Church, met Monday afternoon for Bible lessons.

Mrs. Grady Richards conducted a meeting of the Sally Odom Circle which was held in her home on Eleventh Street. Winter plants and foliage gave added attraction to rooms.

The devotional on "Faith" was given by Mrs. Oliver Cochran, and Mrs. D. L. Vestal taught the lesson on "Our Gifts We Bring." Cherry pie was served with

**FROZEN SMOKE? . . .** When the thermometer dropped to 10 degrees below zero recently, shivering Milwaukee, Wis., citizens would have sworn the above scene depicted a column of smoke solidified in the frigid air as it attempted to rise from the chimney of a local residence. Actually this "smoke" was caused by the engine fumes of a high-flying plane passing over, or so says the news service photographer who made the picture for us. It is one of those camera illusions that make picture snapping interesting.

coffee to: Mmes. W. O. Irby, C. P. Shepherd, O. R. O'Neill, C. A. Watson, Ewing Holt, W. R. Clark, Sr., W. R. Clark, Jr., Vestal, W. W. Chastain and Cochran.

Mrs. J. C. Reese and Mrs. Tom Crockett were hostesses to members of the Ida Campbell Circle, entertaining in the home of Mrs. Reese in South Ballinger.

Mrs. C. D. Harris directed the business and Mrs. A. O. Strother gave the opening prayer. Mrs. Herbert Tickle brought the devotional from the 16th chapter of Matthew and 12th chap-

ter of Hebrews on "Faith," and the lesson was presented by Mrs. C. D. Wooten. Part of the lesson also was given by Mrs. Harris, Mrs. Hutton Laxson and Mrs. Tom McEntire.

Hostesses served custard topped with whipped cream, orange chiffon cake with hot chocolate and coffee. Appointments were in the valentine theme and mints were red hearts.

Mrs. J. Wesley Jones was a visitor and others were: Mmes. A. J. H. Borders, George Beard, Lee Evans, C. M. Gibson, Felix Itz, John Loveless, O. R. Lasa-

ter, Henry Moody, Asa Cordill and those mentioned above.

A love offering was given at each circle meeting.

**Week of Prayer Launched by Presbyterian Women**

Mrs. Conway T. Wharton, secretary of World Missions, was in charge of the programs for Week of Prayer and Self Denial for World Missions, which is being held by Women of the Church of the First Presbyterian Church.

Mrs. B. W. Claunch brought the devotional for the Monday afternoon program. Mrs. Joel Bates, president, directed the business and presented Miss Elizabeth Truly, missionary to Nigeria, Africa, who spoke on the work as a missionary and teacher in a girls' school. Mrs. Alex Saunders presented a gift to Miss Truly from the Women of the Church.

Prayer services will continue throughout the week. Each morning at 10 o'clock World Mission services will be held in the homes of Mrs. Chester Cherry and Mrs. F. M. Pearce. At the culmination program, Rev. Conway T. Wharton will review the book, "We Americans, North and South," at which time an offering for World Missions will be given.

Arrangements of red geraniums decorated church parlors where Mrs. Saunders and Mrs. R. F. Zedlitz were social hour hostesses and served a sandwich plate with cookies and spiced tea to: Mmes. Cherry, Bates, Harry Lynn, Estes Lynn, J. M. Pyburn, Ernest Cezeaux, M. B. Wardlaw, E. W. Stasney, W. B. Woody, John I. Guion,

Lela McAdams, F. M. Pearce, Claunch, Alex McGregor and Miss Truly.

**Engagement of Miss Strakos Announced**

The engagement of Miss Josephine Regina Strakos to Daniel J. Egan has been announced by the bride-elect's parents, Mr. and Mrs. L. A. Strakos, of Miles.

Miss Strakos is a graduate of the Paint Rock High School. Mr. Egan, son of Mr. and Mrs. Thomas Egan, of Ballinger, is a graduate of Ballinger High School and San Angelo College.

The wedding date has not been set.

**LOCAL FIREMEN ANSWER BETHEL GIN FIRE CALL**

Ballinger firemen were called to the Bethel gin, south of Ballinger, at 11:30 Monday morning. A blaze inside the gin caused heavy smoke and employees could not locate the fire.

A small amount of water from a booster tank was used to put the fire under control with practically no damage to the plant.

**2,880 POLL TAX RECEIPTS ISSUED TO MONDAY NIGHT**

Poll tax payments in Runnels county to the close of business Monday numbered 2,880. Dalton Crockett, tax assessor-collector, stated that payments had been good the past several days and by closing time today the total probably will exceed 3,000.

Special efforts have been made here to encourage citizens to pay their poll taxes and be eligible for the 1952 elections. The total probably will be short of the number issued in the previous presidential election year.

**THE GREATEST CAR EVER BUILT**  
 IN THE LOW-PRICE FIELD

**The big 1952 FORD**

*Out-rides them all!*  
 The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

*Out-sizes them all!*  
 The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

*Full-Circle Visibility!*  
 With narrower corner pillars, picture windows all around and a rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

*Out-performs them all!*  
 Ford's completely new 101-h.p. high-compression, low-friction Six, with free-running overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

*Exclusive Power Pilot Economy!*  
 Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

*New Coachcraft Bodies!*  
 Ford's new Coachcraft bodies are longer, stronger... distinctive in their modern beauty. They offer new half-light construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

*Out-values them all!*  
 With such modern design and engineering features as new Light-Style Control Panel, new Power-View Glass and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

Fordomatic Drive, Overdrive, white sidewall tires (if available) and two-tone colors on Customline (extra optional) extra cost. Equipment, accessories and tires subject to change without notice.

Comedies, Westerns and Sea Drama Horseshoe Offerings for Next Week

Universal's Technicolor comedy-romance of piracy on the high seas, "Double Crossbones," starring Donald O'Connor and Helena Carter, and to be shown at the Horseshoe Drive-In Theatre tomorrow and Saturday, is O'Connor's first saga of the sea, a type of role the popular comedian had hoped for since he began his screen career.

O'Connor executes the most spectacular dance routines of his career in the comedy and at the same time makes serious love to the attractive Helena Carter. Sea battles on merchant and pirate ships are of unsurpassed scope and realism.

On the same program is a western, "The Daltons Ride Again," starring Allen Curtis, Lon Chaney, Noah Beery, Jr., and Martha O'Driscoll.

"Katie Did It," released by Universal-International and starring Ann Blyth and Mark Stevens, will be presented at the Horseshoe Sunday and Monday, February 3, 4. This is reportedly a fast-paced comedy dealing with a small town girl, played by Miss Blyth, who has

been brought up in a strict manner in a prudish New England community.

The comedy reaches a high when Miss Blyth falls in love with a city slicker commercial artist, played by the handsome Stevens.

Jesse White, Cecil Kellaway, Craig Stevens and William Lynn head the strong supporting cast.

The spectacular, colorful and even bizarre adventures of a pirate queen are unfolded in "Anne of the Indies," 20th Century-Fox production in Technicolor, booked at the Horseshoe Tuesday, Wednesday, Thursday, February 5 through 7.

Jean Peters, Louis Jourdan and Debra Paget are starred in a cast including Herbert Marshall, Thomas Gomez, James Robertson Justice and thousands of others. George Jessel produced and Jacques Tourneur directed "Anne of the Indies" from a screen play by Philip Dunne and Arthur Caesar based on a story by Herbert Ravenal Sass.

Also on the same program is "Senorita from the West," a western comedy starring Bonita Granville and Allan Jones.

"Out of thin air" comes the HIGHEST HORSEPOWER in Buick history

NOTE FROM YOUR BUICK DEALER: Presented here is the story of a great new engine development, as told by the men who did the job. We reprint the story here in its entirety—as we couldn't beat it if we tried.

No, we didn't have to build a new engine to do it. We took Buick's valve-in-head Fireball Engine—which makes the most of high compression. We drew on 12 patient years of Buick carburetion research. And we came up with more might, more miles, from gas—right out of thin air, in more ways than one. When you talk about "miles per gallon" you think of fuel. That's what you buy. But air's free—and for every gallon of gasoline, a busy engine can gulp more than 8,000 gallons of air. The problem is to deliver air in the right proportions, throughout the full range of speeds at which you drive. A carburetor—big enough to supply the air needed at full throttle—can be wasteful in stop-and-go driving.

A carburetor sized for thrift in city traffic literally smothers your engine when you really give it the gun. So Buick engineers came up with the Airpower carburetor—a four-barrel automatic—and here's how it works. Loafing along, two barrels are working, two stay closed. And you get a low-speed thrift and smoothness that's out of this world. As you pick up speed, the "stand-bys" smoothly come into play—feeding not just more gas, but more air too—which means that you keep on getting maximum power from each drop of fuel. You have 170 effortless horsepower when you need it—a tremendous reserve ready to go into instant action at the nudge of your toe. You have the satisfaction of knowing that you get this power with a frugal use

of gas. At 40 you use less gas than you formerly used at 30. That's the story of Airpower carburetion in factory facts and figures. But statistics can't tell you the breathtaking joy of heading for new horizons in a great-powered new ROADMASTER. Better come in soon. Lots of other folks are flocking into our showroom these days to see the greatest array of new Buicks we've had in years. Sure is true for '52. When better automobiles are built BUICK will build them

More Dollars---Higher Costs

The government reports that farm income was 15 billion 400 million dollars during the first 7 months of last year—17% above the year before. Costs increased about 12%, which still leaves a greater margin of profit than for 1950.

This means that on the average farm more dollars are coming in, but costs must be carefully watched to make this a better year. Successful operation more than ever depends on sound financial management. The business end of farming takes on ever increasing importance.
