Increasing Rain Topic Of 4-County Meeting

More than 200 men from four West Texas counties were here Tuesday night to hear an explanation of the cloud seeding method to increase rainfall. Similar meetings were held in a number of West Texas cities this week to detail the plan and cost of service to land-owners and others interested. C. J. Schmid, of Austin, president of the Farm and Ranch Club and chairman of the Colorado Water Association, presented Jack Williams, of Paint Rock, who presided for the meeting. Mr. Schmid pointed out that seeding of clouds was done to increase but not to make rain. C. W. Hoyt, of Denver, representative of the American Institute of Aerological Research, spoke to the group

and answered questions. Facts gathered at the meeting indicated that approximately 5,000,000 acres would be required and the cost would be one penny an acre. It was voted to organize and launch a fund raising campaign at once so that if the program were favored, it could be started soon. Chairmen were named for Concho, Coleman and Tom Green counties and Runnels county leaders are trying to secure a chairman for this county. Chairmen are Barney Bernard, Concho; R. G. Hollingsworth, Coleman; Floyd McMullin, Tom Green. Directors of the Colorado Water Association who accompanied Mr. Schmid here were Jack Williams, Paint Rock; W. T. Stevenson, Santa Anna; and C. W. Hemphill, Jr., Coleman.

Supplies Donated for Rotary's Pancake Supper Slated May 1

The Ballinger Rotary Club has completed plans for its pancake supper on the night of May 1. Serving will start at 6 p. m. and continue until everybody has eaten. Rotarians will start next week on a ticket selling campaign and hope to dispose of 2,000 tickets before the night of the supper. The tickets are 50 cents each and will be good for one supper. Special features are being planned, which will bring fun for the kiddies as well as the grown-ups. Proceeds from the supper will be used to pay for improvements made in the park recently. The club members will complete their job before May 1 and they ask that citizens take time to look over the park and see what has been accomplished. In addition to repairing and repainting all playground equipment and park

picnic units, twelve new 8-foot concrete tables with benches have been built. The Bearcat band will play a concert for the first part of the program and furnish dinner music. The club is being assisted by a large number of firms who are contributing all the necessary supplies for the supper. The take will all be profit. The Pillsbury Co. is furnishing the pancake mix and will send a man with griddles here to assist in preparing the supper. The syrup will be furnished by the Kimbell-Angelo Co., of San Angelo. The butter will be provided by the Tennessee Milling Co. The coffee will be White Swan furnished by the Waples-Platter Grocery Co. Plates and cups will be provided by the Abilene Paper Co.

City-Wide Youth Council Invites Others to Affiliate

Young people of Ballinger met Sunday afternoon and accepted a plan for a city-wide youth council. The meeting was presided over by Harlan Forbus and was attended by representatives of eight local and nearby churches. The meeting was declared a success and every member voted for the plan which has God as the Supreme Leader and a firm foundation built upon the belief that all churches are equal. The plan is set up so that all churches, large or small, will have the opportunity to present a program and take part in any service. The plan also has provision for additional churches who desire to come into the council. It was decided to meet on the second Sunday of each month at 2 p. m.

Representatives at the first meeting were Harlan Forbus and Nelda Faubion, First Baptist Church; Pete Bryan and Mike Foy, First Christian Church; Graym Hart and Barbara Stuart, First Methodist Church; David Fowler and Ruth Erwin, First Presbyterian Church, U.S.A.; Ann Stasney, Robert Wilson, First Presbyterian Church, U.S.; Shirley Dodson and Rosaline Dixon, Seventh Street Baptist Church; Charles Long and Tommy Collins, Church of God; Darlene Wade and Henry Stokes, Blanton Baptist Church. The first program by the council will be at the Blanton Baptist Church with Henry Stokes and Darlene Wade acting as presiding officers of the day. The date was set for Sunday, May 11.

The original plan was not to select any officers, but the council is already so large that a few officers were designated. They are: Nelda Faubion, secretary; Ann Stasney, historian; David Fowler, reporter. It was suggested that officers remain in their places for only a few months, the short terms making it possible to spread the work among more members.

Mr. and Mrs. Foy Farmer and Mr. and Mrs. Hilton Morgan attended the wedding of Miss Rosemary Bruce, at Ranger, Saturday. From there they went to Lawton, Oklahoma, to attend the sunrise Easter service.

Swimming Pool Site To be in City Park

Engineers for the municipal swimming pool were here the first of the week to perfect several details before preparing an advertisement asking for bids. Location of the pool has been made in the northwestern corner of city park, just across the lane from the Elm Creek pumping plant and settling basins. This site was considered the best available. It is near the water facilities of the old lake, the treatment plant, and on a 12-inch line which can be used for filling and draining the pool. It will be nearly 30 days before bids can be opened for construction and after that considerable time will be needed for actual work, meeting water requirements, building bath-houses and setting equipment. At present no date can be indicated for the opening but the pool should be in service late in the summer. A number of firms have made inquiry in regard to making bids for construction of the pool. They will be furnished with blueprints and specifications when the engineers prepare them.

REGIONAL LITERARY EVENTS AT BROWNWOOD TOMORROW

The regional meet for literary events in area 2 will be held at Brownwood on April 18 and 19. Ballinger will have three district winners entered in declamation contests. Billy Tatum, senior boys' division; Maurice Carder, junior boy, and Lynda Cervenka, junior girl, will participate. Each won first places in the district contest held at Winters two weeks ago. Claudine Lange will participate in the typing event as one of the five winners in the district meet. Visitors in the home of Mr. and Mrs. A. O. Bartlett the past week-end were their grandson, Mike Bartlett, Mission; and Mrs. Bartlett's sister, Mrs. Bernice Beitler, Ukiah, California.

Farmers of Area Permitted to Use New Equipment

The Ballinger vocational agriculture department has charge of several pieces of equipment which belong to the Runnels county soil conservation association. This equipment is for use of farmers of this section. Equipment on hand includes a Hancock land leveler, a Hancock grass drill and a grain drill. Within a short time the association will also turn over to the department a new tractor equipped with posthole digger, scoop and manure spreader. Any farmers who desire to use this equipment may come to the agriculture building on the school campus and the instructors will show him how to operate the machinery. There is a small charge made by the conservation association for use of the equipment, but this is very reasonable. The machinery has been purchased so that approved practices can be carried out by local farmers.

Rev. C. B. Orahoad Called as Minister of Christian Church

Rev. C. B. Orahoad, of Taylor, has accepted a call to the First Christian Church of Ballinger and will come here either May 15 or June 1. Rev. Orahoad was here on Wednesday of last week, at which time he delivered a sermon and attended a church fellowship hour. At the conclusion of the service, the board extended a call and he accepted, with the understanding that he would be allowed time to complete a number of church programs which he had started at Taylor. A graduate of Texas Christian University, Fort Worth, Rev. Orahoad has been in the ministry for some time. The past three years he has been minister of the Taylor church. His wife is also a graduate of T. C. U. and is very active in church affairs. Not only does she work in her own church but with the state convention for women.

Rodeo Prevue to be Given Here by H-S Student Musicians

A western musical show will be presented here Saturday morning by a group of students from Hardin-Simmons University, Abilene. The Ballinger visit is to advertise the sixth annual Hardin-Simmons inter-collegiate rodeo, to be held at Abilene on April 24, 25, 26. Featured in the show here will be the Ranch Hands, one of the newest musical groups on the school campus. The nine-man band and all members are of the varsity football squad except one, Dan "Lopin" Logan, vocalist. The collegians will give a full program of entertainment while in Ballinger and extend an invitation to local people to hear them. Time of arrival has not been set but they will make stops at Tuscola and Winters before arriving here. More than 125 cowboys and cowgirls from a dozen western states are expected to participate in the 1952 rodeo.

STATE HIGHWAY ENGINEER AND STAFF WILL CONFER WITH LOCAL COMMITTEE

D. C. Greer, state highway department engineer, and staff will be in Ballinger on May 2 for a short meeting with the highway and roads committee of the Ballinger Chamber of Commerce. The party will arrive here at 10:15 a. m., stopping at the Central Hotel, and will be here only fifteen minutes. Mr. Greer and staff are touring the entire state and have a heavy schedule. They are inspecting roads, especially noting where work is needed. Members of the local committee are K. V. Northington, advisor; Allen Davis, chairman; Tom Caudle, Frank Flynt, H. J. Zappe, Clyde Chapman and Stanley Price. Jack Pridden, secretary-manager; County Judge W. H. Rampsy and several others will attend the meeting.

Eleven Clubs Represented At County Council Meeting

Twenty-four members represented eleven home demonstration clubs when the county council meeting was held Friday afternoon in the office of Miss Ollie Chenoweth, county home demonstration agent. Mrs. Thomas Egan, council chairman, called the meeting to order. Mrs. Hedrick Sheilburne, 4-H committee chairman, reported the county 4-H style show is to be held in the court house on the morning of April 19. The 4-H county camp will be held June 2-5. The council is to pay the expenses of two 4-H girls and one leader who will attend this camp. Bethel club members enjoyed the program, "Fill the Cookie Jar," given by their food leaders. Many members are making cakes by the quick mix method taught by Miss Chenoweth. Club members served a dinner to one of the men's clubs in Ballinger. One new member has been added to this club.

The Crews club plans to have an all-day get-together in observance of National Home Demonstration Week. This club has one new member. The Drasco club is planning a social for the families of members for National Home Demonstration Week. The club donated to the Red Cross drive.

One member of the Friendly Neighbors club taught Girl Scouts and their leaders how to make red baskets. Another member collected donations for the Red Cross fund. The Norton club members enjoyed a program given by two of their members on tailor tacks and the proper way to put in hems. They also had a discussion on home nursing. A 42 party is being planned and the proceeds are to be used to defray the expenses of the club. Members donated to the Red Cross drive.

The Rowena club is planning a community party for National Home Demonstration Week. One member gave a demonstration on basket weaving at Paint Rock. The club had a demonstration on making organic corsages. Three more members have joined the club. The South Ballinger club had a demonstration on "Fill Your Cookie Jar" given by a food demonstrator. One member refinished the floors in her home. The Victory club is planning a luncheon in observance of its twenty-fifth anniversary and National Home Demonstration Week. The club members contributed to the Red Cross fund.

The Wilmeth club members enjoyed a program on "Fill Your Cookie Jar" and "Short Cuts in Housekeeping." The Winters club members are landscaping the lawn of their club house with the assistance of Miss Chenoweth. Members are taking the courses on tailoring and textile painting which is being taught by the home economics teacher of the Winters school. Miss Chenoweth gave tracts on "Freedom First, Peace Second," by Ruth Buxton Sayre, to all clubs to read and discuss. The yearbook committee is to meet and plan the new year's work.

Miss Chenoweth gave a short talk on flower arrangements. Miss Bernice Clayton, home demonstration specialist, will be here on May 8 and 9. Miss Sadie Hatfield, landscape specialist, is to be here on May 30 and 31. Miss Harris, food specialist, will be here May 26. Members of four clubs planned to attend the district meeting being held at Colorado City today.

The council meeting date has been changed from May 9 to May 2, due to a conflict with programs of the home improvement specialists who are to be here.

Mrs. J. C. Reese joined her sisters, Mrs. P. H. Hamilton, of Paris; and Mrs. L. A. Dillard, of Temple, for a visit at their old home place in the Pleasant Valley community. It was the first visit by the sisters to their old home in 50 years. Mrs. Reese also visited Mr. and Mrs. Curtis Reese, of Shreveport, and sisters-in-law, Mrs. Ben O'Daniel, of Longview; and Mrs. J. M. Chase, of Dallas.

Grain Sorghum Seed Treatment Urged by Agent

County Agent John A. Barton is urging the treatment of maize seed for best results, especially in guarding against false wire worms.

These worms live two years in the soil and develop a small black beetle, some 1/4 inch in length, which may live many months or even a year. False wire worms are worse on grain sorghums than on small grain—oats or wheat. They live through the winter in the worm state.

Here is a treatment recommended by the Texas experiment station: before planting maize seed, treat each 100 pounds with 8 ounces of 25% lindane powder. This can be mixed at this rate in planter box at the time of planting.

If a pure lindane powder, 100% is used, then 2 ounces is all that is required for 100 pounds, but it must be previously well mixed with the maize. If the 25% lindane is not available, then benzene hexachloride, 10% strength, can be used at the rate of 1 pound to 60 pounds of seed. The last material has a very decided smell, so keep it off hands and clothes.

SUNRISE EASTER SERVICE IN FIRST BAPTIST CHURCH

The sunrise Easter service, scheduled at Cat Park, was moved to the First Baptist Church Sunday on account of the cold weather. Plans had been made in advance to move inside if it was too cold outside. A large congregation was on hand for the early program which began at 6:15. Ministers who are affiliated with the Ballinger Ministerial Alliance participated in the program. Rev. J. H. Shell, pastor of the First Church of God, delivering the sermon.

METHODIST CHURCH PRESENTS EASTER MUSICAL PROGRAM. The First Methodist Church auditorium was filled Sunday evening for the Easter musical program presented by the choir under the direction of James Everitt. "The Crucifixion," by John Stainer, was the subject and a chorus of more than 30 voices was heard. The numbers gave a meditation on the sacred passion of the Holy Redeemer in the days leading to the crucifixion.

Mr. Everitt was at the organ console for all numbers and Mrs. Jack Hampton was narrator for the cantata. TWO BUILDING PERMITS APPROVED BY COMMISSION. The city commission approved two building permits the first of the week. R. W. Talbot received a permit in the amount of \$2,500 for construction of a help-yourself laundry on Thirteenth Street between Hutchings and Railroad avenues. Ira D. Hale was issued a permit for \$3,500 to construct a storehouse on Thirteenth Street between Pou and Snapp avenues.

GARDEN PILGRIMAGE TO BE MADE BY BALLINGERITES

A group of Ballinger women will go to Abilene on April 24 to attend the district garden pilgrimage. Picnic lunches will be eaten at the home of Mrs. Lucas, 702 Sayles Boulevard, and each woman is to bring her own lunch. The pilgrimage will start at 1:30 p. m. and continue until 5:00 p. m. Six gardens are to be visited and a flower show and tea will be held from 3:00 to 8:00 p. m. Admission is fifty cents. CONTRIBUTIONS CONTINUE TO COME IN ON THE RED CROSS FUND CAMPAIGN AND TABULATIONS THIS WEEK SHOWED A TOTAL OF \$4,100 RAISED IN THE SOUTHERN HALF OF THE COUNTY. To date Ballinger has donated \$2,781. The above amount is only \$150 short of the quota for the southern section of the county with the emergency flood money added.

RED CROSS DRIVE SHORTLY ONLY \$150

Contributions continue to come in on the Red Cross fund campaign and tabulations this week showed a total of \$4,100 raised in the southern half of the county. To date Ballinger has donated \$2,781. The above amount is only \$150 short of the quota for the southern section of the county with the emergency flood money added.

Mrs. J. A. James, of Fort Worth, is visiting in the home of her son, Mack Bowers, and family.

Goens Lime Gives Good Production In No. 1-R. Burns

Midwest Oil Corp. No. 1-Ralph Burns was finished last week in the Goens lime and gauged 272.83 barrels a day. The new strike is in the north-western part of Runnels county. Sojourner Drilling Co. No. 2-Ralph Burns, to be drilled to 4,700 feet, has been staked. Midwest Oil Corp. No. 3-Burns will be one location east of the discovery and is approved for 4,800 feet.

Texas & Pacific Coal & Oil Co. No. 7A-Bouldin Crofton, in the Hull-Dobbs field, will be drilled to 4,290 feet. O. P. Leonard No. 1-A. V. Livingston has been approved for 2,500 feet. The location is four miles south of Talpa.

Geochemical Surveys No. 1-Effie Wood, in the Crews South (upper Gardner) field, is projected for 4,000 feet. Casing has been set to 4,935 feet in LaGloria Corp. No. 1-W. P. King, one mile south extension of the Cree-Sykes field. The upper Gardner was topped at 3,861 feet.

Hanco Oil & Gas Co. No. 1-T. C. Hall will go to 4,500 feet. The location is 2 miles northwest of Ballinger.

Thomas D. Humphrey Nos. 2 and 3 J. L. Elkins, in the Lindemann (McMillan sand) field, are projected for 2,500 feet.

20 from County Attending THDA District Meeting

A group of home demonstration club members of Runnels county left this morning for Colorado City to attend the district meeting of the Texas Home Demonstration Association.

Miss Ollie Chenoweth, county home demonstration agent, and about twenty club members compose the delegation from this county. Official delegates are Mrs. B. M. Batts, Mrs. Robert Fowler and Mrs. Ralph Kettler. They will attend all sessions and will cast votes for the Runnels group. Others attending will enjoy the program and the special entertainment provided by the host city.

Each woman wore a hand-made badge on which was an oil derrick in gold. Lettering on the badge was "750 Producing Oil Wells in Runnels County."

Fire Siren to be Installed Soon, To Aid Firemen

The city has received the fire siren which was authorized about a month ago. The new siren arrived Monday and will be installed on Broadway at the rear of the Broadway Food Market.

Wiring will connect it with the siren at the city hall and the same switch will operate both alarms.

The auxiliary equipment was purchased when some firemen stated that the downtown siren did not wake them at night when they were at home. A number of the firemen live in Wilke Terrace, which is at least a mile from the city hall. The two sirens are expected to be sufficient to sound calls to all parts of the city.

Installation of the new alarm system will soon be made by the West Texas Utilities Co. In case one alarm fails to respond to the switch, the other will be loud enough to arouse many of the firemen.

RUNNELS COUNTY JAIL EMPTY PAST WEEK-END

The Runnels county jail was empty the past week-end for the first time since Sheriff Don Atkins has been in office. The county jail has had from two to twelve inmates until the past week-end when the last prisoner was released. Sheriff Atkins stated Tuesday that the vacation would be short as two prisoners were expected late in the afternoon and several investigations were about ready for arrests.

Mr. and Mrs. Henry Schorsch and Mr. and Mrs. Pete Schorsch and Linda, of Jourdanon, were guests of Mrs. J. D. McNutt Tuesday.

Sheep Field Day to be Held Here on May 1

John A. Barton, county agent, has arranged a sheep field day to be held here on May 1, starting at 1:30 p. m. Part of the program will be held on the court house lawn and the second part in the district court room.

Two groups of eight ewes each will be selected on the L. A. Wilbanks place for the field day. One pen of 3 to 5 bucks will also be selected and put in a third pen.

The two groups of ewes will be judged and placed and later will be sheared and the fleeces properly prepared. Then the wool will be inspected and the shorn animals again inspected from a judge's standpoint. Those present will select the

sheep which should be used for the breeding of the pen of the eight AL ewes.

The shearing demonstration will show the proper use of equipment, preparing the fleeces for market and other important details.

Jimmy Gray, sheep specialist, of San Angelo, will have charge of the demonstrations.

During the afternoon a short program will be held in the district court room which will deal with feeding practices, general handling of ewes and lambs during the spring and summer, drenching, marking lambs and other details. All interested in raising sheep are urged to attend the field day.

State Director to be Speaker At F.F.A. Parent-Son Banquet

The Ballinger F.F.A. chapter will have its annual parent-and-son banquet and program Friday, April 25. The dinner-program will be held at the junior high school cafeteria and preparations are being made to serve 300 people.

School officials point out that limited space will make it impossible to throw open the invited list as much as they would like. There are about 100 boys in the chapter and with their parents only a small amount of space will be left. The capacity of the cafeteria is 300. For this reason it was stated that invitations will be only for the persons addressed and will not include wives or other firm members.

Robert A. Manire, state director of vocational agriculture, will be the principal speaker. It will be Mr. Manire's first visit to Ballinger and the local chapter feels complimented that he included the Ballinger meeting on his 1952 schedule. After the dinner, Curry-Hambrick Jewelers will make special awards to a number of local members. The awards are for the most outstanding breeder-feeder, most outstanding worker, and the F.F.A. boy with the highest scholastic standing this year.

Three local men will receive honorary memberships in the chapter.

Supt. Ernest Caskey will present special team awards and individual honors to chapter members. The present officers will be in charge for the opening of the meeting and at the conclusion new officers will be presented and the stations turned over to them.

Hatchel Township Dissolved By Order of Commissioners

The commissioners' court approved a resolution Monday giving County Judge W. H. Rampsy authority to sign social security reports for county employees. When county officials and employees first came under provisions of the social security act, E. C. Grindstaff was county judge, and recent reports were returned because of the change in the signer for the county.

Acting on an application from Ross Campbell, the court dissolved the township of Hatchel, the land going to Mr. Campbell. For some time the town has had no official government, streets and the public square were not used for municipal purposes, but the land has been tax free. The change will bring the acreage into the county's tax rolls.

The commissioners inspected the old jail building on the southeastern corner of the court house lawn and instructed the county judge to secure an estimate on a new roof and an estimate for making available the additional space for offices and departments.

Discussions were held on land which was deeded to Runnels county many years ago near Fort Chaddbourne and in Pecos and Upton counties. McCamey authorities are interested in obtaining some of the land to expand a cemetery, and private capital has sought a lease on another small tract. Investigations will be made of the present status of titles to the tracts.

FORMER AGENT VISITS TWO CLUBS OF COUNTY

Mrs. Lura Hollingsworth, formerly home demonstration agent for Runnels county, was here the first part of the week to attend two special club meetings and to appear on the program at each.

She was a guest of the South Ballinger club Tuesday, in an all-day meeting in the home of Mrs. Archie Wallace. In the afternoon she gave a special demonstration in aluminum tray etching.

Wednesday she was a guest at the 25th anniversary meeting of the Victory club. Tony Morgan was elected secretary-treasurer of the Pontiac Parts and Service Managers Club, which met at Abilene last Thursday.

Local F.F.A. Teams Win Area Contests; Will Enter Others

Members of the Ballinger Future Farmers of America chapter are meeting a full schedule at this time and will continue until after the state meeting the first part of May. In the recent area meeting at Stephenville the Ballinger livestock judging team, composed of Delbert Smith, Henry Stokes and Bobby Patton, won first place and will represent district 4 in the state contests. Bobby Patton was high pointer for the day and also won a scholarship at Tarleton State College. Henry Stokes was third high individual. The locals won over a field of almost 100 teams.

At the same meeting the Ballinger poultry team took 14th place and the dairy team 12th place. Sixty teams took part in each of these divisions. This week-end H. B. Edmondson, instructor, will take the milk and meat teams to Fort Worth for contests which will determine the representatives at the state meeting.

R. A. Hanson, instructor, will accompany the wool team to San Angelo to participate in the competition there. On Saturday, April 26, both Edmondson and Hanson will accompany 35 boys to Texas Technological College, Lubbock, to take part in nine events. The local teams include livestock, poultry, dairy cattle, milk, meat, cotton, wool and mohair, grass and crops.

For the past four weeks, Claude Ray Ash and J. N. Womack, students at Texas Technological College, have been working with the local instructors in getting the various teams selected and trained. Both student instructors have B.S. degrees and will receive their master's degrees at the end of the 1952 school year.

Mr. and Mrs. J. B. Robertson, of Austin, spent the week-end with the latter's parents, Mr. and Mrs. Gay Edwards. Other guests in the Edwards home Sunday included Mr. and Mrs. D. C. Robertson and daughter, Pat, and Mr. and Mrs. Willis Davis, of Winters.

Everywhere you look you will find something new, something different, something wonderfully better—"forerunner styling" that puts automotive design to work for you as it never has before; space-planned interiors which put your comfort and convenience first (nearly 9

inches more hip room in the rear seat alone!); plus new power, pickup, and economy. And that's saying plenty when you think of the prize-winning Mercury performance of recent years.

You will also have the opportunity to inspect one of the most modern service shops in town—equipped with the latest factory-approved, scientific tools and staffed with factory-trained Registered Mechanics ready to give you fast, expert service at low cost.

So please accept our invitation and call on your newest Mercury dealer soon. We know you'll enjoy your visit.

*Merc-O-Matic Drive, and white side-wall tires when available, optional at extra cost.

You can help your boy with his homework

... by Light-Conditioning his study desk

You don't have to do his arithmetic, answer his history questions, or write his compositions to help a boy with his homework. The way to do it is with light!

BRIGHTER, HAPPIER STUDY HOURS
Light Conditioning (shown in the above photo) makes homework easier by cutting glare, reducing shadows—lessening eye-strain. The study desk looks so bright and cheery that homework almost becomes fun!

BETTER POSTURE, SPEEDIER WORK
A light conditioned desk helps posture—no hunching to dodge shadows. It's easier to concentrate, too. Homework goes faster. More time for other things.

ACTUAL RECIPES SHOW YOU HOW

LONE STAR GAS COMPANY

Not "warmed over" but strictly brand new!

You owe it to your pocketbook to drive this Chrysler engine before you buy any fine car today.

It's not a "warmed-over" engine, but a basically brand-new one!

It gives a new kind of performance that means new value for every dollar you pay out for purchase, upkeep, or operation.

It was built brand-new around a hemispherical combustion chamber which makes better use of gasoline, and also permits sounder all-round engine structure, than any American motor car engine has had before.

It delivers 180 horsepower... without requiring you to buy premium gasoline. It runs with less waste, less heat, less friction and less wear than previous designs can equal. Its combustion is so clean it literally develops almost no carbon deposit at all.

It will last longer than any engine you've ever known. It will cost you less along the way. It will stay "young" in performance thousands of miles past the point where an ordinary engine shows old age.

And on top of all that, it makes driving a lot more pleasure! Its smooth response... its safety-power, in reserve for emergencies... its easy scorn for distance or hills... make you just plain feel good at the wheel as you've never felt before.

For the good of your purse and your pleasure too... we invite you to drive it, soon!

Engagement of Miss Holliday, Wayne Fowler Announced
Announcement of the betrothal and approaching marriage of Miss Dorothy Holliday, only daughter of Mr. and Mrs. Fred Holliday, to Wayne Fowler, of Shreveport, Louisiana, a student at Baylor Dental College, Dallas, was made at a luncheon Saturday by the bride-elect's mother at their Broadway home.

The couple will marry June 14 at the First Baptist Church. The bride-elect's chosen colors, deep rose and white, were featured in the flower arrangements about party rooms.

Mrs. Powell Wear presided at the silver service and Mrs. John McDonald served the three-course buffet luncheon.

The double-heart theme was carried out in a centerpiece for the dining table, which was laid in an Italian cutwork and embroidery cloth. A bowl of pink ranunculi was flanked by two lacy starform hearts on a white base, one of which was garlanded with silver mesh wedding bells tied with white satin ribbons and lily-of-the-valley sprays. Similar miniature double-heart arrangements centered foursome tables, with a card attached which read "Dot-Wayne, June 14, '52."

Others assisting in the house party were Mrs. Alex Saunders and Mrs. George McDonald, of Wisconsin.

Guests were: Misses Elizabeth Wear, Marilyn Sommer, Betty

Lou Batts, Cynthia Tuckey, Pat Claude, Nancy Guynes, Frances Clark, (the latter three from Dallas); Mmes. Al Purifoy, Curtis Davenport, of Monahans, Lanham Flynt, Frank Barnett, Pat Davis, John McDonald, Barry Williams, of Roswell, New Mexico, Hilton Morgan, Powell Wear, and Mrs. Edgar Payne and Mrs. Verne A. Scott, Jr., both of Dublin.

Fidelis Class Entertained in Gabbert Home

Mrs. Clyde Gabbert and Miss Ruth Morgan were hostesses to members of the Fidelis Class of the First Baptist Church last Thursday evening, entertaining in the Gabbert home on Eleventh Street, which was decorated with Easter floral arrangements.

Mrs. H. B. Scoggins directed the business routine, at which time the class voted to adopt a needy family and contribute a basket of food. Miss Morgan gave the prayer and Mrs. Jim Flynt brought the devotional.

Following the program a social was held in the den, where games were played and pictures made. A sandwich plate with cake and ice cream was served.

Others present were: Miss Anna Belle Hash, Mrs. Doxie Louder, Mrs. Zuelke, Mrs. Rollin Campbell and Mrs. Jim Golden.

Cary Grant, Betsy Drake Happily Starred in 'Room for One More'

Starring Cary Grant and Betsy Drake, "Room for One More," the heart-warming story from the best-seller novel by Anna Perrott Rose, comes to the Texas Theatre next Sunday and Monday, April 20, 21.

The story of a happy but many couple who suddenly becomes involved with a flock of family problems, "Room for One More" is one of Warner Bros.' top productions and has been heralded in advance as a

great comedy with a few happy tears besides.

As an engineer working for the city, Cary is seen as a happy-go-lucky fellow who tries to maintain peace and harmony among the members of his household. However, due to the over-generosity of his well-meaning spouse, played by Miss Drake, Grant undergoes a series of madcap experiences which nearly cost him his job, but which at the climax bring him and his wife the prize of becoming the city's most honored couple. How all this is brought about, including all the attendant laughs and heart tugs of the not-so-average family situations, forms the background of "Room for One More."

"Jungle Jim in the Forbidden Land," latest of Columbia's popular "Jungle Jim" series starring Johnny Weissmuller, is one of the two features to be shown at the Texas tomorrow and Saturday. In supporting roles are Angela Greene, Jean Willes, Lester Matthews and Tamba, the talented chimpanzee. The story is based on the famous King Features syndicated newspaper strip.

Also on this program is "The Harlem Globetrotters," Columbia picture about the red-hot team that brought laughter to basketball. The film features Thomas Gomez, Dorothy Dandridge, Bill Walker and the players of the original Harlem Globetrotters.

Everybody is willing to give a man a boost when he gets to the top.

THE WILL TO LIVE

Disease is a manifestation of living things struggling for their existence. Tiny organisms invade higher orders of life in a desperate search for a suitable place in which to live. When a pathogenic organism achieves success and begins to reproduce, its host is taken ill. The disease may be called tuberculosis, measles, typhoid fever, or some other more or less familiar name. Fortunately, humans, although far outnumbered, have the ability to destroy undesirable organisms by the millions. Our business is to compound and supply the medicines needed to fight disease. We consider it a privilege to serve.

be smart when he meets a naive little dancing school teacher, played by Miss Taylor. Josephine Hutchinson and Tom Tully have important parts.

A rollicking jamboree of joy, filled with music, romance, dancing and hilarity, "Two Senoritas from Chicago," will be the laugh attraction at the Hillcrest Tuesday and Wednesday, April 22, 23, to be shown in addition to "Okinawa," tale of naval adventures.

Featuring comedienne Joan Davis and magazine cover girl, Jinx Falkenberg, "Two Senoritas from Chicago" is concerned with the madcap exploits of two Chicago gals who pose as Portuguese actresses to win fame on Broadway.

In addition to the featured stars, the cast also includes Ann Savage, Leslie Brooks, Bob Haymes and Ramsey Ames. "Okinawa," Columbia picture, stars Pat O'Brien, as the commander of a navy destroyer.

Cameron Mitchell, Rhys Williams and Richard Denning head the supporting players.

Doris Day Featured In Song-Filled Epic

"I'll See You in My Dreams," Warner Bros.' scintillating new musical based on the life and songs of Gus Kahn, will be shown at the Texas Theatre next Tuesday, Wednesday and Thursday, April 22, 23, 24.

Headlining Doris Day, Danny Thomas, Frank Lovejoy and Patrice Wymore, the picture revolves around the noted song writer who rose from Tin Pan Alley to become one of America's ace tunesmiths.

Among the Kahn melodies in the film are "Memories," "Toot Toot Tootsie," "Pretty Baby," "Nobody's Sweetheart," "It Had to Be You" and the title tune.

Mrs. M. E. McClenny directed the business routine and gave a report on the meeting of the youth recreational center program, which was attended by representatives of all clubs in the city. The resignation of Mrs. Jack Moore as an active member was accepted. The club voted to contribute a library book to the Colored School in appreciation for the interesting Texas Day program which was presented the club by the Colored School faculty.
Mrs. Malcolm Morgan, who was a delegate to the Sixth District T. F. W. C. convention held in Cisco this month, gave a report and announced that the local club had received honorable mention on the club Press and Art Book, and won third place on the club's oral report which Mrs. Morgan gave.
Mrs. B. C. Kirk, the club's guest, presented an interesting parliamentary drill. Mrs. Kirk spoke mostly on club ethics, and outlined the most important ordinary rules.
The installation tea will be held in the home of Mrs. W. E. Moss on Fifth Street on May 7.
Mrs. J. A. James, of Fort Worth was a visitor. Other members present were: Mmes. Mack Bowers, Billy F. Brown, L. L. Downing, Joe Forester, Pauline Fragua, R. A. Hanson, Jr., W. O. Irby, Elliott Kemp, C. E. Maedgen, Price Middleton, W. A. McDonald, Ted Tisdale.

McKee-Lee Engagement Announced
Mr. and Mrs. Jesse F. Lee, of El Paso, announce the engagement and approaching marriage of their daughter, Joyce, to Billie Jack McKee, son of Mr. and Mrs. G. S. McKee, of Galveston. The wedding will be solemnized at the Belle Plain Baptist Church, Brownwood, on May 23. Rev. Fred Blake to perform the ceremony. Miss Patty Morrison, of Lometa, will be maid of honor.
For the past several years, Miss Lee has made home with her grandparents, Mr. and Mrs. Freeman B. Morgan, of Ballinger. She is a graduate of the Ballinger High School, where she was editor of the school paper, Cat Tracks, and a member of the Quill and Scroll and Cue and Curtain Clubs. She is now a sophomore at Howard Payne College, Brownwood, and is editor of the school paper, Yellow Jacket.
Mr. McKee is a graduate of Galveston High school and is also a sophomore and a ministerial student at Howard Payne College.

**SHYTTLES ANNOUNCES
FOR REPRESENTATIVE**

R. W. Shyttles

R. W. (Bob) Shyttles, Winters lawyer, is announcing this week his candidacy for State Representative from the 77th Representative District, composed of Rannels, Coke, Concho and Coleman counties.

Shyttles was born in Fort Worth, Texas, and graduated from Waco high school, Waco. After attending Texas A. & M. College he served in the Air Corps in the South Pacific and Far East areas. He returned to Baylor University in 1946 and

graduated from Baylor Law school in the class of May, 1950. He has been associated with John W. Norman, a lawyer, in Winters for the past two years.

Shyttles is married to the former Brownie Hope Wimberly, of Wortham, Texas, and they have one son, Wyck, ten months old. He is the son of Mr. and Mrs. H. M. Shyttles, who recently moved to Dallas from Waco.

A member of the Winters Methodist Church, he has just recently been elected to serve on the Board of Stewards of his church. He is the past president of the Winters Co-Op Club, secretary-treasurer of the Winters Lions Club and president of the local Chamber of Commerce. He is quite active in Boy Scout work, Rannels County Tuberculosis Association, and other civic organizations in Winters.

A young man of unusual business ability, 26-year-old Bob (as he is familiarly known) pledges himself to work diligently and faithfully serve the people of this area as their representative if elected. He stated that "My platform will be to serve my district to the best of my ability. My desire is that if I am elected, after completing my term in office, I will be able to look back to a job well done."

DEATHS

Mrs. Anna Redman
Mrs. Anna Redman, 76, died Monday morning in the Ballinger Clinic-Hospital after illness contracted on April 9.

Decedent had been a resident of Rannels county since 1905, living most of that time in the Rowena community. She was one of the oldest members of Zoar Evangelical Church, Rowena, a member of the Eastern Star at Miles and of the Sons of Herman at Rowena. She was married to W. F. Redman in 1895 and he passed away on May 2, 1948. She was born in a wagon shortly after her parents' arrival in this country from Germany.

Funeral services were held at Zoar Evangelical Church Tuesday at 2:30 p. m., Rev. O. P.

Schroerlue officiating. Interment was in the Rowena protestant cemetery.

Survivors include three sons, Gus Redman, Norton; Fritz Redman, Winters; Alvin Redman, Rowena; three daughters, Mrs. Lilly Rose, Mrs. Volle Urbantke, Mrs. Rosie Urbantke, all of Rowena; two brothers, Herman Neidig, Elgin; Willie Neidig, Burton; four sisters, Mrs. Reka Wolff, Round Rock; Mrs. Mary Braunstetter, Colgate, Oklahoma; Mrs. Emma Krenek, Elgin; Mrs. Hattie Zieger, Austin; 24 grandchildren and 5 great-grandchildren.

Ray Walter Graham
Ray Walter Graham, 53, died at Midland Sunday night following a heart attack. He was spending the night there and when a son, Keith Graham, went to his room Monday morning he found his father had expired.

Decedent came to Ballinger more than two years ago and was an independent oil operator in this section. Most of his interests were in the eastern and northeastern sections of Rannels county. He and his wife purchased a home at 304 Sharp Avenue in Wilke Terrace, race.

Mrs. Graham was on a visit to her parents, Mr. and Mrs. Porter Braswell, at Stillwater, Oklahoma, and did not arrive at Midland until late Monday. A veteran of World War II.

NOTES**

City officials are speeding preliminaries as much as possible to get construction begun on the municipal swimming pool. Engineers have been several times, have viewed numerous locations and have started preparing blueprints for bidders. In the meantime the bonds are being printed and will be inspected so that the money for the project may be available soon. Bids must be advertised for 28 days before a contract can be let and this will take most of the time. After the bids are opened and the contract awarded, it is believed no time will be lost until the pool is finished. It is too early to make even an estimate when the pool will be completed but city officials will make every effort to have it ready as early in the summer as possible.

The Ballinger Rotary Club is to be commended for its work at city park. For the past three weeks, teams have been putting in time there, making repairs, painting and doing other work which is beginning to show. The Rotarians gather in their work clothes with tools and with one man as superintendent they are replacing rotten boards, painting tables and seats, repairing barbecue pits and reconditioning playground equipment. When the project is completed the club will hold a city-wide pancake supper in the park to which the public

The Santa Fe depot at Blackwell was completely destroyed by fire early last Thursday. The blaze was discovered by Bud Radiar, of Maryneal, relief agent, when he came for the early train at 3:45. He managed to save the mail and most of the express. The building was almost demolished by the time the fire was located. It was a temporary structure, as the original depot was burned about two years ago. No cause for the fire had been reported Saturday.

George C. Stineman, of McMurry College, Abilene, nationally known authority on hobbies, was speaker at the Bronte high school Friday afternoon. He was brought to Bronte in connection with the hobby show being sponsored by the Bronte Diversity Club. During his lecture he also showed many of his own hobbies and at the close of the program remained for conversation with anyone interested. A large number of people of the Bronte section participated in the show.

Cecil Gray was guest speaker at a meeting of the Coleman Lions Club last week, talking on parking problems. He proposed a voluntary agreement

will be invited at fifty cents per person. This money will go on the cost of the improvements.

The great amount of yard improvement being done in Ballinger is a sure sign of spring. More citizens are improving the grounds about their homes than has been the case for a number of years. Many yards have been plowed up and complete new lawns planted. Other home owners have mapped landscape projects with shrubs, flower beds and trees. Already water consumption has jumped to almost mid-summer proportions and will get heavier unless supplemented by rain. The one thing necessary for beautiful yards is an adequate water supply and unless rains come soon the Valley Creek lake will get a good test. Only a few years ago 500,000 gallons daily was considered heavy consumption here. This summer will likely see Ballinger requiring about 2,000,000 gallons on peak days.

of employers and employees in the most congested business areas, which would make room for customer parking. "If something is not done at once, parking meters will have to be the answer," Mr. Gray declared. A committee of Lions will work with groups from other service clubs in an effort to secure agreements on downtown parking.

The sunrise Easter service held Sunday in State Ranger Park on the mountainside at Santa Anna attracted a large congregation. Rev. Carroll Thompson was the principal speaker and other Santa Anna ministers participated. Singers of the town cooperated in the musical program, which was directed by Miss Elsie Lee Harper and Kent Martin. Following the service the national guard company served doughnuts and coffee to all who attended.

The agricultural building of the Melvin school was partially destroyed by fire on April 4. Damage to the building and contents was estimated at between \$3,000 and \$3,500. All trophies and awards received by the Melvin F.F.A. chapter were lost in the fire. Most of the furniture and other items of value was taken from the building by firemen and helpers. Cause of the fire was believed to have been a defective gas stove.

The Rowena Lions Club sponsored the play recently presented by the Paint Rock Lions Club Wednesday night. The play, "Billy, the Kid," proved a big success at Paint Rock and since the production there has been presented at Millersville and Melvin. The Paint Rock club will use the proceeds from the play to apply on the purchase of a community fire truck.

The Heart of Texas sunrise Easter service was held at Mercury in McCulloch county Sunday morning. This annual program is sponsored by Lutheran men of Brownwood and Brady, assisted by the Lutheran College of Missouri. The Mutual Broadcasting Co. radioes the service and following the program last year more than 18,000 pieces of mail were received by the sponsors.

Miss Laura Sharp, Concho county home demonstration

agent, made plans for future 4-H club work at a meeting of the county council held in the Paint Rock community hall on April 3. Clubs are now engaged in dress revues and the county revue is slated at Paint Rock Saturday. Three winners from each club will take part in the county revue and the winner will enter the district competition at San Angelo May 3. Members of home demonstration clubs have received year-books and badges have been sent out for the THDA meeting at Colorado City.

John Q. McAdams, president of the Winters State Bank, will attend an executive council meeting of the American Bankers' Association at White Sulphur Springs, West Virginia, April 19 through 22. Mrs. McAdams will accompany him and will visit relatives and friends at Greenville, South Carolina. They plan to be away from Winters about two weeks, taking a short vacation after the business meeting.

Brownwood Jaycees were hosts Saturday to all children of Brownwood and Brown county under ten years of age. An Easter egg hunt in Coggin Park was the feature and more than 5,000 eggs, many of them good for prizes, were hidden in the park area. A diaper derby and several other features were

included in the program. Every member of the Jaycees was detailed to work on the program and to help look after the children.

Red Cross workers at Rising Star completed their 1952 fund campaign last week, going over the top for both the regular and the emergency quotas. The final tabulation showed a total of \$655.52 donated at Rising Star to meet the combined quota of \$650. J. F. Robertson was local chairman.

The Miles Lions Club will present a minstrel tomorrow (Friday) night at the high school auditorium. The show is under the direction of Jerry Williamson and Mrs. Jim Weatherly. Money from the sale of tickets will be used to purchase a 16 mm. projector for the community. A large cast has been rehearsing the lines and song number the past two weeks.

The board of directors of the Comanche Chamber of Commerce completed its organization for the year last week when officers were elected. J. Vasco Lee was named president; Herbert Goodson, vice-president; and Boyd Anthony, member delegate to the West Texas Chamber of Commerce. Eddie Jones was re-elected secretary-manager.

John Royal, re-elected a school

trustee at Menard last week, has been named president of the board. First act of the new board was to approve contracts to all members of the faculty. Royal replaces Roy Tomers, n as board president after the latter decided not to seek reelection.

Sam S. Hanover, administrative officer of the Erath county PMA, has issued a statement on the seriousness of the feed situation. He points out that feed will likely decline this year and with no surplus on hand there must be a downward adjustment in the production of animal products. He is urging that farmers plant the desired acreage to each crop provided moisture and other conditions will warrant the planting of seed.

IN SOCIETY

Conquest Class Entertained
by Miss Vorbeck
Miss Mickey Vorbeck and Mrs. John Reese were hostesses to the First Presbyterian, U. S. A. Conquest Class Monday evening, entertaining in the home of the former on Ninth Street.

Easter lilies graced rooms where Mrs. B. H. Erwin, president, directed the business. It was voted to sponsor the project of beautifying the church lawn.

After the class song, "Jesus

I Have Promised," was sung in unison. Mrs. E. S. Malone gave the devotional.

At the social hour, Mrs. Aitua Stokes, program chairman, conducted a Bible quiz in which Mrs. Aurelia Webb, class teacher, was awarded the prize.

Hostesses served a sandwich plate with pecan pie and coffee. Others present were: Mmes. Lillian Jennings, Joe Beard, A. O. Rue, Rufus Allen; Misses Eva, Maggie and Eunice Lilly

and Lillian McMillan.

Current Book Club Meets in Dallinger Home

Current Book Club members were guests of Mrs. A. H. Dallinger Tuesday afternoon in her Wilke Terrace home.

Spring flowers decked rooms and an arrangement of petunias centered the dining table. Mrs. O. R. O'Neill presided for the opening business period. Mrs. J. W. Barr, pro-

gram chairman, outlined the purchase of new books.

For the afternoon program Mrs. O. C. Sykes introduced Mrs. Joseph L. Emery, who reviewed the book, "A Sitting Habitation," by Agnus Rothery.

After the exchange of current books the hostess served a dessert plate with coffee. Others were: Mmes. James A. Wear, E. A. Saunders, Chester Cherry, Sam Behringer, J. O. Satterwhite, Tom Caudie, J. W.

Guynes, Gertrude Woods, John A. Barton and K. V. Northington.

Bar Association Members Guests in Norman Ranch Home

John Norman and children, Steve and Nancy, were hosts to members of the Runnels County Bar Association and county officials and their wives when they entertained at a barbecued chicken dinner with all the trimmings in their ranch home near Winters.

Arrangements of snapdragons centered tables where the dinner menu was served. Cecil Hunter, of Tulsa, was the after-dinner speaker and in a very humorous fashion spoke on "Implied Covenants of an Oil and Gas Lease." Mr. Norman presented the guest speaker.

The Bar Association held a short business session following the program, at which time the following officers were re-elected: president, Judge O. L. Parish, Sr., of Ballinger; vice-president, W. G. Bedford of Winters; secretary-treasurer, Jack Moore of Ballinger.

Those present at the dinner were: Judge and Mrs. O. L. Parish, Sr., Messrs. and Mmes. E. C. Grindstaff, Jack Moore, Roy L. Hill, A. O. Strother, Paul Petty, O. L. Parish, Jr., Drury Hathaway, R. R. Mizell, Tom Patterson, Q. V. Miller, E. B. Underwood, W. H. Rumpy, Price Middleton, Willie Stephens, Dalton Crockett, Sheriff and Mrs. Don Atkins, Mrs. Josephine Stallings, Frankie Berryman, all of Ballinger; Dr. and Mrs. J. W. Dixon, Mr. and Mrs. W. G. Bedford, Mr. and Mrs. Bob Schytles, Mr. and Mrs. F. D. Bedford, all of Winters, Mr. and Mrs. Bill Harmon of Wingate, Mr. and Mrs. W. O. Bigler of Miles.

Gift Tea at Rowena Honors Miss Kalina

Streamers of pink ribbon with "Stanley and Alice" and "April 17" in gold lettering announced the wedding date of Miss Alice Kalina and Stanley Gleich when Miss Kalina was honored Monday afternoon with a gift tea in St. Joseph's Hall in Rowena.

Miss Kalina and Mr. Gleich are to be married today in St. Joseph's Church, Rowena.

Hostesses at the affair were Mmes. Charles Olsak and John Zak, of Ballinger, Mrs. Kenneth Feist, of Rowena, and Mrs. R. R. Olsak and Mrs. Frank Olsak, of San Angelo.

Salmon and white were the colors used in all decorations. The tea table was laid in lace and centered with an arrangement of salmon glad-loll flanked with pink candies and the pink announcement streamers. Mrs. R. R. Olsak and Mrs. Charles Olsak presided at the punch bowl and Mrs. Kenneth Feist served cake squares iced in pink and a salad plate. Plate favors were nosegays of pink and white forget-me-nots.

Mrs. Paul Harral registered guests in the bride's book and gifts were displayed by Misses Betty Gleich and Germaine Kalina. A musical program was given by Miss Lorene Hoffmann, and Miss Ruby Moeller gave a reading, "Sea of Matrimony." About 70 friends of

the honoree were included.

The bride-elect was wearing a white gladioli corsage, and mothers of the couple were wearing salmon pink corsages.

Mrs. Morgan Gives Lesson for Y. W. A.

Mrs. Malcolm Morgan gave the lesson on "Mary and Martha" when members of the First Baptist Y. W. A. met for their regular inspirational program Tuesday afternoon in the Morgan home.

Dian Tuckey directed the business and Dorothy Thomas gave the prayer. Plans were discussed for the mother-daughter tea, to be held in the church chapel April 29. The president gave the closing prayer.

Others present were: Joan Blackmon, Carolyn Davidson, Helen Kennedy, Carol Bailey, Theresa Elkins, Lou and Sue Manning, Ann McDonald, Lou Hayes, Catherine Mauldin, Delphane Berryhill, Emilie Burton and Joyce Wiginton.

Girl Scout Troop Completes Folk Dancing Project

Members of Girl Scout Troop No. 5 completed their work on

games and folk dancing when they met for their regular meeting Monday afternoon. They will begin on their next project, which is tying knots.

At the business period, at which Linda Lou Saylor was in charge, the group made plans for a hike, which will include a nature study. Lucia Clark was assisted by her mother, Mrs. Bill Clark, in serving sandwiches and cold drinks to: Nelda Jo Barnett, Paula Bishop, Glenda Cook, Jane Nixon, Dorothy Smith, Linda Wright, Hettie Mae Her-ring, Pauline James, Linda Moncrief, Jim Beth Flynt, Margaret Lou Campbell, Linda Crockett, Maudie Lee Brook-shier.

Mrs. Alton Seidel and Mrs. Harold Mueller, leaders, were in charge of activities.

HEIDENHEIMER'S

CREWS

Mr. and Mrs. R. E. Traylor visited Mr. Traylor's sister, Mrs. H. H. Harrison and mother, Mrs. Annie Stevenson, of Abilene. Mrs. Stevenson has been ill but is reported to be improving.

Those visiting recently in the home of Mr. and Mrs. Edgar Jayroe were Mrs. Daisy Cade, of San Angelo; Mrs. E. E. Brown and Mrs. Elwood Brown, Jr., and children and Mrs. Farrell Henderson.

Rev. and Mrs. W. B. Morton visited in the J. O. Wood home last Sunday.

There was an Easter service at the Methodist Church Sunday at 9 a. m., the new pastor doing the preaching. He went to Talpa for the 11 a. m. service. Some of our people attended the 11 o'clock services at other places.

Mr. and Mrs. M. R. Petrie and Neysa visited in San Angelo Sunday. They visited Cpl. Luther Dommerville while there.

Rev. Curtis Carroll, of Talpa,

has accepted a call to the Crews Baptist Church. He preached his first sermon as pastor last Sunday night. The church feels very fortunate in getting this fine man and his wife. They plan to move into the parsonage in the summer.

Guests in the home of Mr. and Mrs. W. H. Schwartz the past week were Mr. and Mrs. John Roseford, of Weatherford; Mrs. Marshall Hamilton and twin sons, of Mineral Wells; Mr. and Mrs. Ed Thompson, of Fort Worth; Mr. and Mrs. Charlie Gerhart and children of Lometa.

Mr. and Mrs. Troy Foster, of Abilene, spent Sunday with her parents, Mr. and Mrs. J. D. Lee.

Mr. and Mrs. Charlie Berry and Claudine attended services at the Nazarene Church in Ballinger Sunday.

Mr. and Mrs. Eldon Mathis and children, Mr. and Mrs. Minnis Mathis and son and Mr. and Mrs. Doc Foreman visited Mr. and Mrs. Sam Mathis Sunday.

Steve Davis visited Gerald Dietz Sunday afternoon.

Mr. and Mrs. Clarence Ham-bright and children, Miss Selma Osborne, Miss Eunice Polk, Mrs. J. O. Wood and children attended the Easter pageant at Junction, Saturday night.

Mr. and Mrs. Arthur All-corn attended church services at Talpa Sunday.

Mr. and Mrs. J. T. Lucas, of Midland, visited Mr. and Mrs. J. A. Traylor Sunday.

Mr. and Mrs. Thea Lucas have moved to Winters, where Mr. Lucas is employed in oil field work. Mrs. Lucas has a position in the office of Dr. Williams.

Care of Tractor Being Taught 4-H Club Boys

The tractor maintenance school for Runnels county was held at the Winters Truck & Tractor Co. Monday night, twelve 4-H club boys and four adults attending the first session. M. E. Edwards conducted

a training period on cleaning a tractor, valve service and service to the cooling system.

The maintenance school is conducted to instruct tractor operators on how to take care of the machines in order to receive the greatest benefits, cut down loss of time from breakdowns and increase the life of the tractor. Due to the present shortage of steel, copper and other vital materials, the instructor urged his class to use every possible care in handling equipment.

The next meeting will be held at the Farm Supply Co., Winters, and all 4-H club boys are urged to attend and bring their parents. Any adult interested in the course is welcome to attend.

Mrs. Jones: "I only paid \$9.95 for this dress."

Mrs. Moore: "Where in the world did you get it?"

Mrs. Jones: "Foolish question! I got it at Higginbotham's of course. They had some very pretty dresses at \$5.95 and \$7.95."

HARDEMAN CANDIDATE FOR STATE SENATOR

Dorsey B. Hardeman, of San Angelo, has announced his candidacy for State Senator for the newly created 25th district

of Texas. The district is composed of the following counties: Brewster, Coleman, Coke, Crane, Crockett, Edwards, Glasscock, Irion, Jeff Davis, Pecos, Presidio, Reagan, Run-

nels, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton and Val Verde.

Hardeman was first elected senator in 1946, following his return from more than 3 years military service. He was re-elected in 1950 without an opponent.

Senator and Mrs. Hardeman reside at San Angelo with their two young sons, Mark and Bryan.

Hardeman is a member of the San Angelo law firm of Runge, Hardeman & Steib. Senator Hardeman is well known throughout West Texas. He was mayor of San Angelo for 2 years, and then elected to the House of Representatives without an opponent. He was re-elected in 1940 and again in 1942. Mr. Hardeman resigned from the legislature and enlisted as a private in the army. After several months enlisted service he was sent to officer candidate school and

A Tribute to . . . Our Laborers!

Sometimes we forget that the unsung man who mixes cement or repairs your motor car is worthy of the highest commendation. Could YOU, the average citizen of Ballinger, handle a trowel or cure the costly ailments of a temperamental car? This requires specialized knowledge and this is the day of highly-trained specialists. The Laboring Man, whatever his calling, is a factor in our community life that cannot be discounted. Look upon him as someone who contributes largely to your modern way of life. Pay him the respect that is due his trade or specialty . . . and remember that he, too, is one of our good citizens!

received a commission. He was honorably discharged with the rank of captain.

In the Senate, Hardeman is the recognized leader for constitutional and economical government. He has held membership on all of the major standing committees of the Senate and has served as chairman of various ones. In addition, he served on the general investigating committee and numerous special committees. His work thereon is considered outstanding. Mr. Hardeman also served as a member of the legislative budget committee, which was created as the result of the bill he sponsored.

Mr. Hardeman stated that he expected to make an active campaign, as has always been his custom, in an effort to visit with as many citizens of the district as possible. Incidentally, this is the largest senatorial district in the state and covers almost one-sixth of the land area of Texas.

In his formal announcement, Senator Hardeman said: "It is with pleasure that I submit my candidacy for State Senator for the new 25th senatorial District. For the help and support given me in prior campaigns, and subsequently, I am most grateful.

"Naturally, as official ties are thus severed with several of the counties comprising the former 25th district, it is not

without regret on my part, because of my sense of gratitude for the support they gave me. I could not have hoped for finer co-operation.

"With the reapportionment of the state, district lines were rearranged and different counties were grouped together. I think that no finer district exists than this which I am seeking to represent in the Senate of Texas. The new district unites a conservative, thrifty and self-reliant people, with common interests, into a single political subdivision of the state.

"It shall be my purpose, as ever, to represent this fine district and the state within constitutional provisions and the principals of sound governmental practices.

"I have sponsored or supported much constructive legis-

lation. Likewise I have opposed legislation designed to gain advantages for special interests and pressure-groups. My position has been often sustained by decisions of the supreme court when such matters have come before it for judicial review.

"I have been conservative in the expenditure of public funds and have opposed discriminatory and unconstitutional appropriations. I have voted for the reduction of expenditures and have opposed increasing the already heavy tax burdens of our people.

"Limited space suggests that I not discuss my legislative record here. As I go about the district during the coming months, I shall discuss it, however, as opportunity and occasion arise.

"I earnestly solicit your help and your vote in the primary election of next July 26."

Broadway Play at Horseshoe Sunday Stars Tony Martin and Janet Leigh

Scheduled at the Horseshoe Drive-In Theatre today, tomorrow and Saturday are two feature pictures, "Lone Star" and "Rich, Young and Pretty."

"Lone Star," tale of early Texas, stars Clark Gable, Ava Gardner and Broderick Crawford.

In M-G-M's Technicolor musical, "Rich, Young and Pretty," Jane Powell has the leading role.

The romance of a pair of young people trying to get a start in show business motivates the gay plot of Howard Hughes' "Two Tickets to Broadway," in Technicolor, to be shown at the Horseshoe Sunday, Monday and Tuesday, April 20, 21, 22. This is billed as a first run attraction.

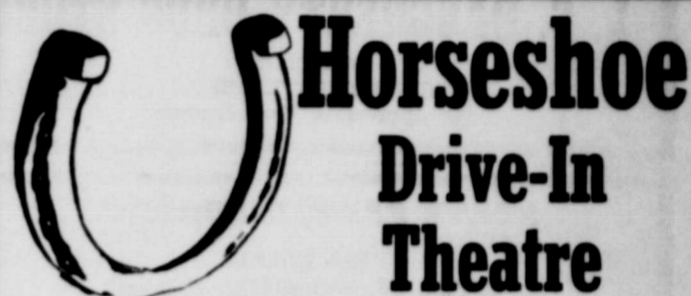

Tony Martin and Janet Leigh are starred, and other performers are Gloria DeHaven, Eddie Bracken, Ann Miller and Barbara Lawrence.

Charlives, the vaudeville duo of Smith and Dale, Buddy Baer and Taylor Holmes are featured.

"No Highway in the Sky," 20th Century-Fox's drama of transatlantic aviation, is one of the feature attractions at the Horseshoe Wednesday and Thursday, April 23, 24. James Stewart and Marlene Dietrich are starred, while Jack Hawkins, Glynis Johns and Janette Scott provide top support.

Acclaimed as even better than "Smoky," 20th Century-Fox's outdoor dramatization of Will James' "Sand" is the other half of the double-bill at the Horseshoe next Wednesday and Thursday. The Technicolor film stars Mark Stevens, Coleen Gray and Rory Calhoun in a story of the West today in the tradition of the West of old.

Featured players in "Sand" are Charley Grapewin and Bob Patten.

Will James' THRILLING OUTDOOR STORY!!
MARK STEVENS · COLEEN GRAY

It makes you comfortable all over

BUICK engineers have a habit of getting at the bottom of things. So they're not content to stop with putting beneath you cushions that are luxuriously soft and deep.

They also put big, soft, deep coil springs between you and all four wheels—and big, soft tires between the wheels and the road.

But real riding comfort calls for more than cushioning up-and-down jolts and jars.

There's end-sway and side-roll and wander" to be controlled. There's

sure-footed balance on curves. Not to mention the importance of having a frame stout and husky enough to make the whole car feel safely solid.

So Buick engineers have gone through the list—come up with a ride that cost a cool million dollars and more for special engineering, tooling and components.

Does that cover Buick's comfort story? It certainly does not.

There's the comfort of driving a car that instinctively holds the road—

the comfort of ample room and a wide-open view of the world around you—the comfort of fabric colors that please the eye and fabric textures that please the touch—and the effortless smoothness of Dynaflo Drive.*

Then there's the mental comfort of bossing power mighty enough to meet any demand you make upon it in emergency—8-cylinder power—high-compression power—valve-in-head power—Fireball power, that makes you proud of the miles you get from a gallon of gas.

And maybe you'll also find comfort in knowing that this great automobile can be yours at a price that is still just a small step above what's known as "the low-priced three."

On top of all this, driving a Buick's a barrel of fun. Why not drop in tomorrow and ask us to prove it?

Equipment, accessories, trim and models are subject to change without notice. Buick Create standard on ROADMASTERS, optional at extra cost on other Series. White sidewalls optional at extra cost when available. *Standard on ROADMASTERS, optional at extra cost on other Series.
