Miss Holliday, C. Wayne Fowler Wed in Church Service

In a candlelight ceremony performed at 7 o'clock Saturday evening, Miss Dorothy Ann Holliday became the bride of Chester Wayne Fowler, Jr., of Dallas. The double ring service was solemnized in the First Baptist Church with the Rev. Joseph L. Emery, pastor, officiating.

The bride is the only daughter of Mr. and Mrs. Fred Penn Holliday, of Ballinger, and Mr. Fowler's parents are Mr. and Mrs. C. Wayne Fowler, Sr., of Cotton Valley, Louisiana. Grandparents of the bride, early West Texas pioneers, are Mrs. J. R. Holliday and the late Mr. Holliday, and Mr. and Mrs. L. L. Storbie, all of Ballinger.

White baskets holding white gladioli against a background of ferns and commadore formed the setting which was lighted by burning white cathedral tapers in seven-branched candelabra. Pews were marked with white satin ribbons and clusters of white flowers.

Traditional wedding marches were played by Mrs. Charles Hambrick, organist. She also played pre-nuptial music and accompanied Mrs. Joe B. Denson, of Bay Springs, Mississippi, who sang "Give Me Your Hand and You Are Love." Mrs. Denson is an aunt of the bridegroom.

Given in marriage by her father, the bride wore a gown of frosty white imported lace and ivory tulle. The fitted lace bodice was designed with deep heart-shaped tulle yoke edged with floral lace motif outlining the shoulders and small lace cap sleeves. The bouffant skirt of demitasse length was of ivory tulle applied in lace Maching lace gauntlets complemented the gown. Her veil of imported illusion, which fell in tiers to her waistline, was caught to a white lilac hat.

She wore a single strand of pearls, a gift of the bridegroom, and an antique gold engraved bracelet which had belonged to her great-great aunt. Her colonial bouquet was of white split carnations and stephanotis centered with an orchid and showered with satin ribbon.

The bride's attendants were Miss Nancy Guynes, maid of honor, and Miss Ann Buatt, of Dallas, Miss Pat Caudle and Mrs. Al Puritoy, bridesmaids.

They were identically gowned in rosewood silk net over matching taffeta. The fitted bodices were strapless and were topped with matching net stoles. The full skirts were of ballerina length. Their headdresses were nose veils caught to flowers in rosewood shades. They carried colonial bouquets of white gladioli.

Sally McDonald was flower girl. She wore a white ogrady gown and carried a basket of pink rose petals. Martha Kay Northington and Sharon Tuckey, candlelighters, wore ballerina-length dresses of pink organdy.

C. Wayne Fowler, Sr., father of the bridegroom, was best man. Groomsman were Jack Cole, of Bastrop, Louisiana, and Robert and Fred Holliday, twin brothers of the bride.

For her daughter's wedding, Mrs. Holliday wore a light blue lace dress with white accessories and a corsage of white gladioli. Mrs. Fowler wore a champagne faille dress with bronze accessories and cream-colored gladioli corsage.

A reception was held at the home of the bride's parents. Mrs. J. W. Guynes greeted guests and presented the couple and their parents. Mrs. Frank Barnett registered guests in the bride's book. The brides' table was laid with lace and centered with an arrangement of white gladioli. Orange blossoms, roses and lilies of the valley decorated the three-tiered cake which was topped with sugar spun wedding bells.

Mrs. Powell Wear served cake and Mrs. John McDonald presided at the silver service. Arrangements of white gladioli were used throughout the house. Others in the house party were: other members of the wedding party and: Mmes. K. V. Northington, Alex Saunders, Barry Williams, Lanham Flynn, B. M. Fact No. 2: Mile after mile at rock bottom cost. Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Fact No. 3: Right truck for the job saves money. Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Read-Tucker Wedding Read in San Angelo Church

Miss Ruberta Tucker became the bride of W. Winfield Read in a candlelight ceremony read at six o'clock Saturday evening in the First Presbyterian Church, U.S.A., at San Angelo.

The Rev. Rodney Gibson, pastor, read the double-ring vows before an altar decorated with tall baskets of yellow gladioli flanked by seven-branched white wrought iron candelabra holding yellow cathedral tapers. The bride is the daughter of Mr. and Mrs. Rupert B. Tucker, of San Angelo. Parents of the bridegroom are Mr. and Mrs. Dorsey Read, of Ballinger.

The church organist played the prenuptial program and traditional wedding marches. Given in marriage by her father, the bride wore a gown of bronze Swiss orandy over gold taffeta designed with a fitted bodice featuring self covered buttons extending from the Peter Pan collar to a point in the front and buttons were also on the crushed sleeves, which tapered to petal points. The ballerina-length skirt was extremely full.

Her veil of gold illusion cascaded to shoulder length from a caplet of gold taffeta encrusted with seed pearls and lace leaves. She carried a colonial bouquet of yellow rosebuds which featured gold tulle puffs and showers of ribbons.

Comedy, Musical, Western, Unusual Drama, Biblical Story on Hillcrest Calendar for Week

"Rose of Cimarron," starring Jack Buetel, Mala Powers and Bill Williams, is one of two feature films at the Hillcrest Drive-In Theatre today, tomorrow and Saturday. This first-run, action-crammed drama of the old West was photographed in the new Natural Color process which enhances the beauty of the Dodge City locale and concerns the adventurous life of a white girl reared by Cherokee Indians.

Also billed at the Hillcrest through Saturday is "Change of Heart," revised from "Hit Parade of 1943," Republic's musical comedy triumph. Teamed as a romantic duo for the first time in films, John Carroll and Susan Hayward play the principal roles, with Gall Patrick, Eve Arden, Mary Treen, Walter Catlett and Melville Cooper importantly cast. Very much in the spotlight are the orchestras of Freddy Martin, Count Basie and Ray McKinley.

Humphrey Bogart, Ethel Barrymore and Kim Hunter head the roster of stars in the first-run 20th Century-Fox melodrama, "Deadline—U.S.A.," booked at the Hillcrest Sunday and Monday, June 22, 23.

Emphasis is on realism-plus. "Deadline—U.S.A." exposes big city crime and the bearing it has on power politics. A free press, personified in the crusading editor portrayed by Bogart, is offered as one solution to the problem.

Margaret Sullivan, Wendell Corey and Viveca Lindfors are starred in Columbia's "No Sad Songs for Me," billed at the Hillcrest Tuesday only, June 24. Featured are Natalie Wood, John McIntire, Ann Doran and Richard Quine. The film is based on the unusual novel of a woman with only ten months to live, who shatters conven-

tion by grooming another woman to take her place in the affections of her husband and child.

Darryl F. Zanuck's epic production, "David and Bathsheba," co-starring Gregory Peck and Susan Hayward and filmed in Technicolor, is to be presented at the Hillcrest next Wednesday, Thursday and Friday, June 25, 26, 27.

Peck and Miss Hayward are cast as the immortal lovers of Biblical history in the faithful 20th Century-Fox rendition of a classic drama, replete with the spectacle of a fierce battle and the slaying-by-slingshot by David the giant killer.

The massive supporting cast includes Raymond Massey, Kieron Moore, James Robertson, Justice, Jayne Meadows, John Sutton and Dennis Hoey.

If and when West Point plays Sing Sing we'll know for sure then whether the pen is mightier than the sword.

THE CHRYSLER NEW YORKER CONVERTIBLE

(This body style also available in Windsor DeLuxe with Sporter Engine.) White side-wall tires at extra cost.

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need use. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more quietly, and with less wear than any other engine ever built into an American automobile.

... and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?

Committee chairmen made the following reports: Mrs. Homer Tabbs, yearbook, announced that all suggestion sheets were in and that the committee would meet soon for final program planning; Mrs. B. M. Batts, Sr. Three "E" reported that plans were being

made for the rally day in August and an exhibit in September; Mrs. W. J. Curtis, marketing, said that materials for trays, baskets, flowers, handicraft, books and buckles were being bought through pooled orders at savings; Mrs. Bob Fowler, recreation, informed

clubs to be prepared for individual stunts for rally day; and Mrs. J. H. Shelburne, 4-H clubs, expressed appreciation for the cooperation in the district camp, and for assistance in sending two club girls, Ellen Shelburne and Betsy Glass, and a leader, Mrs. Marion Hays, to

the state round-up at College Station. Pamphlets on polio were distributed for study. Of special interest to all clubs were the programs "Outdoor Recreation," by Miss Chenoweth, and "Small Repairs About the Home," by two leaders, trained by Mrs. Bernice Clayton, home management specialist.

Miss Chenoweth has invited the Taylor county home demonstration agent to train club leaders in purse making. Miss Chenoweth will train Taylor county leaders in reed basket-making.

H. L. Mosley, of Abilene, were at her bedside. Mrs. Carlton Washburn and son, Johnny, of San Antonio, and Mrs. Ralph Routh and daughter, Mary Helen, of Kansas, were recent visitors in the home of the grandmother, Mrs. F. C. Miller, and their mother, Mrs. Oscar Routh.

**WEST TEXAS
NOTES**

The county attorney has recently received a number of complaints on photographers who have made pictures, collected in advance and offered promises which were not kept. The official stated he had investigated a number of these cases and cannot locate the home office of the travelling picture makers. In some cases considerable money has been collected and in addition valuable pictures taken from which hand paintings were to be made. Citizens are warned that they should make a careful investigation before dealing with these strangers and are reminded that there are good photographers in the county who live here and can be trusted.

September 6 is the final date for getting certificates of inspection on automobiles in Texas. After the inspection deadline was postponed early this year, car owners slowed down on visits to approved garages and the few cars have been driven in for the tests. State agencies have been urging all car owners to have inspections made as soon as possible, pointing out that those who wait until the last minute will crowd testing stations and make it impossible for all to be serviced before the deadline. Those who do not have certificates of inspection on windshields by the final date will be without use of their cars until they can be tested and meet requirements. There are a number of stations in Ballinger which will be glad to check over your car.

The various armed services have given newspapers information to show where the defense dollar goes. A comparison is made on prices in 1945 and in 1952. For instance a pair of combat boots cost \$6.25 in 1945 and today cost \$10.50. Some of the bigger items are: a two and a half-ton truck sold for \$2,521 in 1945, and today costs the army \$8,555; a 105 howitzer was \$8,262 in 1945 and today is \$31,000; and an M47 Patton tank cost \$55,145 seven years ago and today hits the defense outlay for \$307,779. The various services require many items and with costs mounting today's defense dollar is pretty low in buying power.

The Miles city council has set a new irrigation rate for water patrons. The rate will apply in the residential section only and no change will be made for commercial consumers. The old rate was \$2 for the first 3,000 gallons and 25 cents per 1,000 over that amount. The new rate will be \$2 for the first 3,000 gallons, \$1 for the next 4,000 gallons and 15 cents for each 1,000 over 7,000 gallons. Should wells show signs of failure the schedule will be revoked.

Stephenville was host city to the 186th district Rotary convention the past week-end. The meeting and programs were held on the campus of Tarleton State College with the local club presenting entertainment and program features. Dr. E. H. Hereford, of Arlington, called the meeting to order and presided at the business session. The four main projects were discussed at sectional periods. There was good attendance from each club in the district.

Members of federated women's clubs at Menard have surveyed 624 homes in their campaign for mosquito and fly control. Sheets have been compiled on each and sent to the state health department. Leaders stated that some of the reports would call for immediate improvements in ridding the town of breeding places and harborage. The work will

be continued by the club women until corrective measures are initiated. Covered garbage cans is one of the requirements.

Mayor H. O. Whitt, of Bronte, presided at a city-wide meeting Tuesday night for the purpose of discussing water rates which must be applied when the city is supplied from the Oak Creek reservoir. The mayor called attention to the fact that the city will have to pay the Upper Colorado River Authority \$700 a month on the pipeline which will bring the water to the corporate limits. The mayor wanted an expression from the citizens on several proposals before a definite rate is set.

The Winters Round-Up Club has announced that store windows will be used to display old relics and articles of pioneer days during the rodeo on June 26, 27, and 28. A number of interesting articles have already been received and others are expected to make the exhibit very interesting to rodeo visitors. James West has been named chairman for the new feature and he will care for and return all articles.

A new bridge is to be constructed over the Concho River near Lowake in the near future. Bids were opened by the state highway commission Wednesday and a contract will be let soon. The Concho county court recently held condemnation proceedings on the land required, which became final Tuesday of last week. The approach to the bridge will be straightened. The route, designated as farm-to-market road 381, connects Eola and Ballinger.

Meetings were held at Brady last week which will likely lead to the organization of a Kiwanis Club. A group of Colemanites who were present will sponsor the organization. After meetings were held with the visiting Kiwanians a number of Brady business men signed petitions asking that a club be formed. Warren Kimsey, representative of Kiwanis international, also assisted in the preliminary work.

The Eastland county commissioners' court has employed Miss Mildred Daniel as county home demonstration agent. Miss Roselle Winston reported June 16 as assistant and the two agents will reorganize the women's and girls' work in the county. Eastland county has been without the services of a home demonstration agent several months. There are a large number of home demonstration clubs in the county.

If you've been doing a bit of shopping for a new automobile, we'll tell you this: The price on this one will open your eyes. It's the price of the six-passenger, two-door SPECIAL—ready to roll. When you put this price against the local delivered prices of other cars that folks usually associate with Buick—you'll have a hard time finding a single one as low. When you put this price against what you'll pay for cars with the reputation of being "lower priced"—you'll find why this Buick gives them such keen competition. And—if you want to go in for extras—you can still add up what goes on the bill of sale of other cars and a Buick—you'll find out that Buick's an even greater buy. We know that price is important to a lot of folks, especially with the price of groceries—and even baby shoes—where they are today. But you also want some fun for your money—and that's where a Buick really shines. Just wait till you give a gentle nudge to the power that's under that big, broad hood and feel your shoulders sink back as this beauty takes off. You'll feel like the million dollars it cost to perfect its ride, when you sample the steady smoothness of its gait. It's eager, alert, alive—makes each mile a new experience.

Want to try it? Why not? We're willing to let this beautiful bundle of high-powered energy speak for itself.

A Tribute . . .

To Mothers!

Abraham Lincoln said, "All that I am, or ever can be, I owe to my mother." And that, we think, sums up what all of us think about our mothers. It isn't only on Mother's Day that we should revere the name and memory of Mother. Every minute of every day we should unstintingly show our love and endeavor to make her life easier and happier. If your Mother has passed on, show that her memory still lives in your heart. Visit the cemetery frequently and lay lovely living flowers on the sacred spot where she sleeps forever. This will be a token payment of all she did for you.

We Salute Our Town

Western Comedy-Drama and Kettle Comedy Lead off Horseshoe's Week

Legions of Smiley Burnette fans have a treat in store for them when they see "Laramie Mountains," in which the rotund comedian is starred with Charles Starrett. Burnette is reported to be involved in a number of comedy situations in this first-run Columbia picture, being shown at the Horseshoe Drive-In Theatre today, tomorrow and Saturday, in conjunction with a Kettle family comedy.

"Ma and Pa Kettle at the Fair," fourth in the Universal popular laugh series, starring Marjorie Main and Percy Kilbride. As in previous films, the couple is surrounded by their 14 kids.

The picture highlights "Ma

Kettle's" participation in a county fair bread- and jam-making contest, while "Pa" becomes involved in a zany harness race. Lori Nelson, as the eldest Kettle daughter, and young James Best provide the romantic interest.

Columbia's "Death of a Salesman," starring Fredric March, distinguished American actor and twice winner of the Academy award, will have its local premiere at the Horseshoe on Sunday, Monday and Tuesday, June 22 through 24. On the same program is a cartoon carnival of Walt Disney subjects.

"Death of a Salesman," said by Hollywood to be the most extraordinary motion picture of the year, is based on the Pulitzer prize winning play by Arthur Miller as produced on the stage by Kermit Bloomgarden and Walter Fried.

Supporting players prominent in the film version are Mildred Dunnock, Kevin McCarthy, Cameron Mitchell and Howard Smith.

Tense, undiluted drama throbs in I. G. Goldsmith's suspense thriller, "The Scarf," to be presented at the Horseshoe next Wednesday and Thursday, June 25, 26. This United Artists first-run picture stars John Ireland, Mercedes McCambridge, James Barton and the famous British actor, Emyln Williams.

Realistically directed by E. A. Dupont, "The Scarf" tells a powerful, earthy story about a wealthy young war veteran who is framed into a duncion-like insane asylum for a sex murder he claims he cannot remember committing.

Lloyd Gough, Basil Ruysdael, Harry Shannon, David Wolfe and other top-name performers keep "The Scarf" humming at an electric pace.

Also on the double-bill for the same dates is "The Treasure of Lost Canyon," adapted from the famous Robert Louis Stevenson short story, "Treasure of Franchard."

Filmed in Technicolor, the new Universal offering stars William Powell, Julia Adams, Charles Drake and Henry Hull. Rosemary DeCamp and young Tommy Ivo head the supporting players.

Peaces Host Fowler-Holliday Rehearsal Dinner

Miss Dorothy Ann Holliday shared honors Friday evening with her fiancé, C. Wayne Fowler, Jr., at a rehearsal dinner hosted by Mr. and Mrs. F. M. Pearce and Mr. and Mrs. E. Y. Bailey at the Pearce home on Eighth Street.

The rehearsal was held at the First Baptist Church, where the marriage of the couple was solemnized at 7:00 o'clock Saturday evening in a ceremony read by Rev. Joseph L. Emery, pastor.

The bride's table, laid in embroidered Chinese linen, was centered with deep rose

carnations, with pink and white candies in silver candelabra at each side. Places were marked by white and silver designed wedding motif cards. Pink carnations centered foursome tables, and other floral adornments in the bride-elect's chosen colors, rose pink and white, were used about the living room.

Miss Holliday and Mr. Fowler presented gifts to their attendants.

Guests included: Rev. and Mrs. Joseph L. Emery, Messrs. and Mmes. Fred Holliday, C. Wayne Fowler, Sr., of Cotton Valley, Louisiana, Joe B. Denson, of Bay Springs, Mississippi, Charles Hambrick, Al Purifoy; Misses Nancy Guynes, Pat Caudie, Ann Buatt, of Dallas, Martha Kay Northington, Sharon Tuckey, Carol Ann Bailey and Sally McDonald; Jack Cole, of Bastrop, Louisiana, Robert Holliday, Fred Holliday, Jr., and Charles W. Pearce, of New York city.

Compare GMC's new gasoline-powered Series 450-30 with any other truck-tractor rated 19,500 lbs. GVW to 35,000 lbs. GCW

- IN HORSEPOWER** Its new "302" valve-in-head engine has the greatest power-to-weight ratio in truck history! 145 husky horsepower packed into 545 pounds of engine—and it maintains its rated output at an easy-stroking 3200 r.p.m.!
- IN HIGH COMPRESSION** The highest compression ratio of any standard, gasoline-powered truck—7.2 to 1—achieved on regular fuel! Built-in or "mechanical" octanes in its super-efficient combustion chambers wring new power, more ton-miles from every gallon!
- IN PAY LOAD** It weighs up to 1,285 pounds less than competitive trucks in the same capacity class. Being the freest of "dead weight"—these new GMC's put more pure pay load, more revenue, into every ounce and every mile!

And for the biggest surprise of all—come in and see us about the price of this sensational performer! Compare the cost with that of any similarly rated truck, tractor or six-wheeler and you'll agree: Nowhere else will so little buy so much in the 2½-3 ton class!
