

THE BALLINGER LEDGER

BALLINGER, TEXAS, THURSDAY, JULY 31, 1952

NO. 41

BOMBER CRASH KILLS TWO, DEMOLISHES HOUSES . . . With two of the houses on this street already in flames and demolished, fire fighters are attempting to save the 10 other houses that were set aflame when a Royal Air Force bomber of the twin-engine Brigand type crashed into a group of prefabricated houses at Wilts, England, and caught fire. The pilot of the large plane and a ministry of supply official were killed in the crash, and nine other passengers aboard the plane were seriously injured. Part of one of the engines of the Brigand bomber can be seen under the fireman's ladder. Plane parts were scattered over a wide area.

Dairying Specialist Will Conduct Two Meetings in County

County Agent John A. Barton has been informed that R. E. Burleson, A. & M. College dairy specialist, will hold two meetings in Runnels county on August 7. The first meeting of the day will be at Miles and the other will be held at Wingate. All dairymen in the county are invited to attend and especially those who supply grade A milk. At the meeting in the Miles high school James Wright, president of the San Angelo Milkshed Producers, will be in charge of the program. Mr. Wright stated that 20 grade A producers live and operate in and around Miles and all have been invited to attend. The program will commence at 10 a. m. and last until 11 a. m. At the end of the program there will be a 30-minute period in which any producer can take up special questions with Mr. Burleson. Among other things the specialist will delve into the feed problem facing dairymen next winter. He will also discuss herd replacement and the effects of Bangs disease on the grade A dairyman. The second meeting will start at 2 p. m. at the American Legion Hall in Wingate, where the specialist will take up the same subjects. Duncan Hensley will have charge of local arrangements at Wingate and is chairman for the program. Mr. Burleson is well acquainted with the dairymen of Texas and their problems and will have available the latest information from the experiment stations. Mr. Barton is urging full attendance at both of these meetings.

Light Vote Cast in First Demo Primary Saturday

A light vote was recorded in Runnels county Saturday for the first Democratic primary. Only about 2,500 people went to the polls during the day which is about 60 per cent of the county's eligible voters. Election managers reported a strong turnout late in the afternoon which caused tabulations to be slow coming in Saturday night. Of particular local interest, A. J. Bishop, Jr., was elected state representative in the 77th district, defeating R. W. Shytle by about 2 to 1 in all four counties. He will take the place in the state legislature made vacant by the recent resignation of W. H. Rampy, who resigned to become county judge of Runnels county. O. C. Fisher, of San Angelo, defeated Ira Galloway, of Coleman, to return to congress from the 21st district. While this race was much closer in Runnels county than predicted, Fisher carried all counties in the district except Brown and his election was made clear early Saturday night. Bill Harman was reelected county commissioner in precinct No. 3, defeating Dave Underwood 325 to 210 in the unofficial tabulations. Unofficial results in all races in which there was opposition are as follows:

Public Meeting of A.A. Club To be Held in Hall Tuesday

A public meeting of Alcohol Anonymous will be held at the club here on Hutchings Avenue Tuesday night, August 5. The program will start at 8 p. m. and will last an hour. The meeting is to be held here to officially open the new club located in Ballinger and to give the public information on the purposes and operations of the A. A. Leaders sponsoring the meeting stated there would be no collection and no obligation on the part of anyone attending. A group of men from Wichita Falls will come here to present the program and delegations from fifteen other West Texas towns will be present. The club is located on the second floor of the building housing Smith's Cleaners and L. B. Rudder. Clubroom facilities have been installed and a small group here is carrying on in an effort to assist others. Every person in Ballinger and surrounding territory who is interested in the work of the organization is invited to attend.

County's Fields Get Several Producers' Gravity Rates High

A King sand discovery has been completed in the north-eastern section of Runnels county. Geochemical Surveys No. 1-J. A. Traylor was rated at 65 barrels of 42 gravity oil upon completion of the past week-end. Production in the King sand is through perforations between 2,260 and 2,274 feet. J. K. Hughes Oil Co. No. 1-C R. Kendrick's is projected for 4,800 feet, drilling to start on August 15. Thomas D. Humphrey, of Dallas, has filed an application to drill a 5,300-foot well on the D. O. Lee place, one mile south of Maverick. G. W. Strake No. 1-Joe Awallt has been approved and will go to 5,300 feet. The location is four miles southeast of Wingate. E. K. & E. M. Burt and the West Central Drilling Co. No. 1-Charles Adami, southeast of the Messenger field, will be a 4,600-foot rotary test. Their No. 2-Adami will probe the same depth. J. K. Dobbs No. 11-Freeman has been finalized as a two-location eastern extension of the Hull-Dobbs field. It was brought in for a daily potential of 159 barrels of 41 gravity oil. Total depth is 4,045 feet. Gilchrist Drilling Co. No. 1-Donnie Mae Bomar has been finalized as a small flowing Gray sand discovery in the eastern part of the county. Potential was declared 65 barrels of 42 gravity oil. Pay was topped at 3,465 feet. Placid Oil Co. No. 6-Alexander has been completed as an eastern extension of the Cree-Sykes (upper Gardner) field. The daily flowing potential is 159.21 barrels of 43.2 gravity oil. Union Sulphur No. 16-O. C. Sykes has been completed for a daily production of 192 barrels of 42.3 gravity oil. Top of pay was encountered at 3,952 feet.

Home Visits Made in Drive For Ballinger Youth Center

Young people of Ballinger were busy Monday evening making calls at every home in Ballinger and soliciting aid in making possible a youth center. At each home the workers explained the purpose of their visit and left pledge cards. They plan to return this week and collect these cards after the adults have decided what they can pledge in money and time to secure and operate the center.

The young people are asking that some kind of building, suitable for their needs, be provided and equipped for their social affairs. This would call for a continuous program with the building open evenings for the gathering of young people for recreation and social events.

Those asked to contribute to this cause have a number of options. They may make an outright contribution, donate monthly to the operation of the club, pledge time in helping to maintain the club and assist in the social features or agree to teach classes on hobbies such as handicraft, photography and other subjects in which the young people are interested.

The young people first sought the establishment of a center last spring and a council of adults was set up to plan with them. Since no building was available, the expense became a major factor, and before the council can go further it will be necessary to obtain pledges of financial support. If enough money is pledged on the card canvass, a new building can be constructed and furnished and young people believe little difficulty will be experienced in securing adult leadership for the operation.

All who have taken pledge cards are requested to fill them out and have them ready to turn in when the solicitors make their next call.

LAD WOMAN'S RELATIVES SOUGHT IN THIS SECTION

Sheriff Don Atkins received a telegram Wednesday from the chief inspector, New York city, asking that he check with the Winters Enterprise to see if relatives of one Mary Jones could be located. The woman died in New York on July 28 and the body is being held at the Bellevue Hospital.

Questioning of a number of Winters citizens failed to reveal anyone who knew the woman. George Hill, publisher of the Winters Enterprise, said the effort to find relatives or friends would be continued a week.

The message to the sheriff asked him to check with the Enterprise to see if relatives were connected with the newspaper but no one of that name has ever worked there.

Recent visitors in the home of Mr. and Mrs. Floyd Arthur were Mr. and Mrs. John D. Scott and their nephew, Bronnie Brooks, all of Santa Anna; and Mr. and Mrs. George B. McCamey, of McCamey, Texas.

Baptist Revival To Start Sunday; Metcalf Speaker

Dr. Grady W. Metcalf, pastor of the First Baptist Church of Temple, will be the evangelist in a revival at the First Baptist Church of Ballinger.

Dr. Grady W. Metcalf

The campaign will begin next Sunday, August 3, at the 11:00 o'clock hour, and close the following Sunday. Rev. Joseph L. Emery, pastor, announced the revival and guest speaker this week.

Dr. Metcalf is an outstanding Baptist leader in Texas and among Southern Baptists. He has been pastor of the First Baptist Church at Temple 14 years. An invitation is extended to all Baptists and the general public to attend the services and hear this popular, magnetic speaker.

J. E. French, minister of music, will be in charge of the music throughout the campaign.

Prayer meetings will be held each evening at 7:30 at the church and the revival services will start at 8:00 p. m. Morning services will be from 7:00 to 7:40 a. m.

BATES HOME & AUTO STORE MOVED TO NEW LOCATION

The Bates Home & Auto Store, formerly located on Hutchings Avenue, has been moved to its new location on Eighth Street, next door to Mode O'Day.

The building, formerly occupied by Otis Power, has been remodeled and made ready for the merchandise store and fixtures and merchandise is being moved there for the opening Saturday.

Miss Myra Tankersly, formerly home demonstration agent for Runnels county, was here the first of the week for a visit with Miss Ollie Chenoweth. She remained over Wednesday to attend a meeting of home demonstration club women who came here to attend a special course in purse making.

Miss Betty Sue Cloninger, of Gorman, is visiting Miss Theresa Elkins this week.

Gas Rate Boost Will be Sought By Lone Star Co.

Mack Young, district manager for the Lone Star Gas Co., stated this week that the company was contemplating requests for rate increases in all towns where it operates. The requests have already been filed in some of the larger cities and later will be presented in the smaller towns. Mr. Young stated that each town will be made a separate case and that he had no idea what would be asked by the company here. The district manager stated also that the Lone Star Gas Co. has never requested a rate hike in Ballinger and that a decrease was made in 1941 amounting to about 20 per cent. Higher wages, increased operational costs, a heavier charge for gas at the source and the higher taxes being paid by the company are the reasons given for the revenue increase. When the new rate is sought here, evidence will be submitted to the city commission, which will have to authorize the increase sought by the company.

Scoreboard Being Installed at Field By Factory Crew

An installation crew of the Electric Scoreboard Co., Webster City, Iowa, arrived here this morning to install the new scoreboard at Bearcat Field. The first of the week Ballinger Jaycees received a letter explaining preliminary work and urged that everything be ready for the crew when it arrived. Towner Dickinson was in charge of the concrete work and setting of two large I-beams which will support the scoreboard. Jaycees were informed that the crew would require only about six hours to complete the installation and was on a schedule that would permit no delays. The committee stated that everything would be ready for the technicians and the board will be tested tonight to see that it is in perfect working condition. Ballinger Jaycees took the scoreboard for the football field as a project early in the year. They started out to raise \$1,800 for the purchase and after their last fund-raising event reported they were still short \$250. This deficit will be erased about the time for the first game.

Local Speed Arena Races Draw 1,500 At First Program

A crowd estimated at 1,500 spectators attended the first auto races at the Ballinger speed arena Sunday afternoon. Races are carded here again next Sunday, time trials start at 2:30 and the races at 3:30 p. m. The bowl is located a short distance off the San Angelo highway 1 1/2 miles from town. It is operated by M. L. Jarrett. A. M. Farris, of San Angelo, was top money winner in Sunday's races, taking four places. He was first in the dash, first in the third event, first in the semi-finals and first in the feature event. He was driving a Chevrolet body with the G-M motor. Clyde and Ray Johnson, of Abilene, were next money takers. Other close contenders included Toby Cooksey, LeRoy Gilbert, Bill Smith, Glenn Simpson and Blundy Cooksey, of San Angelo. Ballinger boys were in the races, vying against these veterans of the speedways. The only local man in the money was Bob Poindexter, who took third in the second heat. Bob Arnold, of Ballinger, broke an axle early in the race which forced him out of competition. Malcolm Davis, of Ballinger, failed to win but showed much promise. Ballingerites are expected to make better showings when they become accustomed to driving in races and will be seen in the fast action next Sunday.

Eugene Loika and Jack Nixon, Jr., have been named delegates to the state American Legion convention at Dallas on August 8, 9 and 10.

MRS. GIESECKE ATTENDS FUNERAL OF RELATIVE

Mrs. Arthur Giesecke was in Cuero last week at the last illness and death of her grandmother, Mrs. Otto Buchel. Decedent, 92, had been critically ill several months. Mrs. Jimmy Cusenbary was reported improved this morning after being ill at her home the past week and a suspected case of polio. She was able to be up a short time Wednesday.

Mr. and Mrs. Ernest Caskey returned Sunday from a vacation trip to Salt Lake City, Yellowstone National Park and points in Colorado.

The daily flowing potential is 159.21 barrels of 43.2 gravity oil. Union Sulphur No. 16-O. C. Sykes has been completed for a daily production of 192 barrels of 42.3 gravity oil. Top of pay was encountered at 3,952 feet.

Insurance Drive To Cover Crops In '53 Underway

The Runnels county PMA office is engaged in taking applications for multiple crop insurance for 1953. No time limit has been set for making applications but the county office has been notified that it can accept applications for a limited time. Farmers who do not have insurance for this year may take it on next year's crops by signing up during the campaign. Coverage may be had on cotton, wheat, oats and grain sorghums. The slogan for the current campaign is "It is better to have it and not need it, than to need it and not have it." Farmers who are interested are invited to call at the office in Ballinger where the complete details will be explained. A large number of Runnels county farmers have their crops insured for 1952 and many will collect all or part of the loss caused by the extended drought in this region. Most small grain acreage has already been declared a total loss and acres have been measured for payments.

Beneficial Showers RECEIVED IN COUNTY

Beneficial showers have been reported from several sections of Runnels county and were continuing this morning. An area northwest of Ballinger received from 1/2 to 7/8 of an inch Tuesday evening, the hard downpour causing water to stand in terraces and putting out some stock water. Several spots in the northern section of the county got showers. Wednesday evening and early today 3/8 of an inch was gauged in Ballinger and it is reported that much harder rains fell in other parts of the county. No definite reports on the early showers today were available before press time.

Veniremen Called For County Court Service as Jurors

County court will convene here Monday morning at 10:00 o'clock with a number of trials docketed. County Judge W. H. Rampy will preside at the sessions and County Attorney Jack Moore will announce ready on a number of cases awaiting jury trial. The following men have been notified to appear for jury duty this term: L. C. Adair, Ballinger; E. B. Tounget, Taiga; C. H. Roper, Norton; A. B. McMillan, Lawn; Fred Young, Winters; T. C. Stanley, Winters; Milton Patterson, Winters; M. R. Smith, Wingate; Clarence Sharp, Winters; Hugo Vogelsang, Winters; E. L. Bryan, Norton; W. B. McShan, Bronte; F. A. Tidmore, Maverick; Clyde Davis, Ballinger; Chester Barnett, Ballinger; Ellis Lee, Maverick; Grover Wilson, Miles.

Mr. and Mrs. R. G. Erwin are at home after a short vacation in Colorado.

Democratic Committee Opposes 2nd Primary

The Runnels county Democratic committee was in session here Tuesday to canvass the votes and attend to other business. Most important discussion was in regard to whether or not a second primary would be held in this county. It was finally decided to await the outcome of one state race and see what action the state committee takes in regard to counties where there are no district, county or precinct races.

Bryan Electric Club Will Seek Revenge From B-W Tonight

The Bryan Electric team of the Concho Basin Baseball League will be back in town tonight to try for revenge on the Ballinger-Winters boys for the 6 to 5 drubbing it took here last week. The local club has won its last two starts, whipping the loop-leading Bryan Electric last Thursday night at Cat Park and defeating the highly-placed Robert Lee Rabbit Twisters in a league contest Sunday afternoon by the count of 7 to 6.

The game here this evening is expected to be one of the best of the entire season and fans are urged to turn out. All recent games have been close ones, a one-run margin being enough to decide. T. J. Mansell stated there would be a good line-up and strong pitching to confront the invaders tonight.

The Bryan Electric manager has boasted that he is trotting over a team to bury the locals. The Ballinger-Winters team will play the Miles Giants here next Wednesday night at 8:15. Reporting this date, Mr. Mansell said, "I am tired of beating a team that says it is not up to par," pointing out that he had let the Miles manager select the night so he can have no alibi for getting beat. For the entire season games here have been played on Tuesday night, but next Wednesday was selected to accommodate the Miles boys.

A definite announcement will be made as soon as action is made by the state executive committee this week-end.

The voiding of the second primary would not only save considerable money for Runnels county but candidates would get a refund on their first assessment.

SIX COUNTY OFFICIALS RESIDE IN BOX NO. 28

Box No. 28, Ballinger, has its full share of county officials who have just been named Democratic nominees for the 1952 general election ticket. Those residing in box 28 at the present time include: W. H. Rampy, county judge; Jack Moore, county attorney; Price Middleton, county treasurer; Dalton Crockett, tax assessor-collector; Don Atkins, sheriff; E. C. Grindstaff, district attorney.

This is all of the official county family with exception of three, Frankie Berryman, county clerk; Willie Stephens, district clerk and W. E. Elkins, county superintendent.

Mr. and Mrs. O. L. Huddleston and daughter, Carol, and Judy Garrett returned Saturday from a vacation trip to New Mexico.

JACOB IMPROVING

A report this morning from the bedside of Otis Jacob, in the polio ward of a San Angelo hospital, was that he had a good night's rest and was definitely improving. He is still in an iron lung but received his first treatment yesterday.

THANKS

TO THE VOTERS
OF RUNNELS COUNTY:

I feel deeply grateful to the voters of Runnels County for the support given me in the first Democratic primary last Saturday.

It has been a privilege to serve you as your County Treasurer and I wish to express my appreciation to the voters for again making me the nominee for this office. I have tried to serve you well and will continue to put forth every effort to attend to the business of this office in the interests of every tax payer of the county.

Again let me say thanks for your cooperation and support. When I can serve you in any way, call on me.

Sincerely,

PRICE MIDDLETON

Miss Davis, Harris Mitchell Wed in Home Ceremony

In a pretty home ceremony read at seven-thirty o'clock Saturday evening in the home of Mr. and Mrs. Kenneth Kump on Seventh Street, Miss Betty Don Davis, daughter of Mrs. Raymond Collins, of this city, and Donald Davis, of San Angelo, and Harris Mitchell, son of Mrs. Kenneth Kump, exchanged wedding vows in the presence of relatives and close friends.

Mr. Buster Mullin, minister of the Church of Christ on Ninth Street, officiated at the double ring service. The improvised altar before the archway between the living and dining rooms was decorated with floor baskets of white gladioli at each side and an arrangement of white gladioli in a crystal bowl centered the lace laid dining table, which formed the background. Pink and white carnations were on the living room fireplace and on occasional tables.

Miss Joy Campbell was maid of honor. She wore a nylon frock of melon color, with white

accessories. Her corsage was of white carnations. Billy Clyde Davis attended the bridegroom as best man.

The bride wore an afternoon dress of white silk shantung with a bolero of imported lace. Her hat was of navy straw, and other accessories were navy. She carried a white Bible which had been given her by the bridegroom's aunt, Mrs. Carlos Mathis, of San Angelo, topped with a white orchid showered with narrow satin ribbons. For something old she wore ear screws belonging to her grandmother, Mrs. J. E. Gaddy.

Mr. and Mrs. Kump were hosts for the reception and were assisted in entertaining by the bride's mother.

The pretty white and pink three-tiered cake, which was decorated with sugar spun roses and silver dragees, encircled with a ruffle of white lace tulle, was served by Mrs. B. C. Cantwell, of Dallas, cousin of the bridegroom. Miss Billy Joy Scurlock, of San Angelo, cousin of the bride, presided at the punch bowl. Mrs. Cecil Darby and Mrs. Buck Sanders assisted

Thanks Former Patrons of Jacob's Fountain

We wish to thank the many loyal friends and customers who made our work as operators of the fountain at Malone Drug Store a success. We feel that we have made many friends since beginning these operations and we deeply appreciate each one.

In giving up this business on August 1, we wish to assure all our friends that the drug store owners will do everything possible to continue to serve you with the best and at all times keep an ample and courteous staff of workers on the job.

We congratulate Gene Keel on becoming sole owner of the drug store and wish for him every possible success.

Again let us express our deep appreciation for every courtesy shown us during the past months.

HOUSE JOINT RESOLUTION NO. 38

providing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from which grants, loans or scholarships may be made to students desiring to study medicine; providing that such students shall agree to practice in rural areas of this State; providing certain restrictions and limitations; providing for an election; and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 50a which shall read as follows:

"Sec. 50a. The Legislature shall create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations therefor to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon

such terms and conditions as shall be prescribed by law. The term "rural areas" as used in this Section shall be defined by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1952, at which all ballots shall have printed thereon "or in counties using voting machines the machines shall provide for the following:

"FOR the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

"AGAINST the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state. The expense of publication and election for such amendments shall be paid out of proper appropriation made by law.

SHADES OF YORE . . . This two-horse-powered treadmill in the Pioneer Village near Wisconsin Dells, Wis., was used to saw wood and to provide power for other uses back in the 19th century. Pioneer Village is a ghost village of the past in which nobody lives and yet through which thousands of people pass yearly. Tourists from all over America come to Pioneer Village to enjoy the "good old days" for a nostalgic hour and remembrance and laugh at this most amazing exhibit of every old object imaginable as used by our great or great-grandparents. Remembrance to some is the only paradise from which we cannot be driven.

Following the court of honor and presentations, a skit was presented by Mr. Dosser and a few of the Scouts, assisted by fathers of Scouts.

CIVIL SERVICE RATING DATE ENDS AUGUST 4

Word has been received by the Ballinger post office from the civil service commission that the examination for substitute carrier-clerk here is still open. At the present there are no eligibles on the local register and no one has asked for examination papers.

K. V. Northington, postmaster, stated that anyone who has taken an examination in the past or those who have not may do so at this time. Applications are available at the local post office and interested persons may secure them and file them in time to take the next examination.

The closing date for making application is August 4.

PRIDGEN ATTENDS ABILENE MEETING

Jack Pridgen was in Abilene Wednesday to attend a meeting of the community service committee of the West Texas Chamber of Commerce. Mr. Pridgen is a member of this committee which is offering special services to chambers of commerce in all towns served by the regional organization.

Will Collins, of Midland, chairman of the committee, presided at the Abilene meeting.

Parade Producer To Present Film At Club Meeting

Grady Carrothers, of Goldthwaite, was in Ballinger the past week-end to meet with local groups in regard to staging a Christmas program here.

He will be here Friday to show motion pictures to the Ballinger Lions Club of how reindeer are caught in Alaska and brought by plane to his ranch near Goldthwaite, where they are trained for Santa Claus programs.

This year he plans to have four programs operating and has bookings in ten states.

Complete equipment is furnished for the parades, which include well costumed professional Santa Claus performers.

Mr. Carrothers presented a parade in Ballinger last year and will meet with chamber of commerce committeemen to explain his 1932 program. The appearance here would include a parade of one and one-half miles which would pass through all business streets.

The program and entertainment committee and the retail store committee will confer on the proposition tomorrow.

To the Voters of Runnels County

At this time I wish to express my deep appreciation to the voters in the first primary last Saturday for the fine support given me.

As your nominee for the office of county judge, I want to promise my best effort in attending to the affairs of the county, looking after court matters and in serving the people in any capacity that is possible.

Although unopposed in the primary election, I feel grateful to the friends who gave me such a fine vote for the office I now hold.

Your friend,
W. H. RAMPY
County Judge, Runnels County

To the Voters of Runnels County

I wish to express my thanks and appreciation for your support in the first Democratic primary held last Saturday.

As your district clerk I have tried to render a service which would meet the highest requirements and as to how well I have succeeded, I let you judge. As the nominee for this office I will continue to stay on the job, look after the business of the office and be ready to serve all who have business in the district court.

Again let me say thanks for your vote and also for your fine cooperation in the past.

Sincerely,
WILLIE STEPHENS
District Clerk, Runnels County

Virginia Mayo Cutie In Gay Campus Film

Virginia Mayo, Ronald Reagan, Gene Nelson, Don DeFore, Phyllis Thaxter and Patrice Wymore combine their talents in Warner Bros. gay Technicolor musical, "She's Working Her Way Through College," to be presented at the Texas Theatre Wednesday and Thursday, August 6, 7.

The film is about a beautiful burlesque queen who forsakes the bumps and grinds for a college education and brings show business to the classrooms.

Among the hit songs featured are "With Plenty of Money and You" and "I'll be Loving You."

Climax of Week at Hillcrest 'Quo Vadis.'
Starting Monday, Continuing Four Days

Highlighting the current week at the Hillcrest Drive-In Theatre is the towering spectacle of the early Christian era, "Quo Vadis." A special preview audience who saw the production last Wednesday highly praised the M-G-M production, some even declaring it the greatest film they had ever seen.

Mickey Rooney is the star of Columbia's new musical, "Sound Off," being shown at the Hillcrest Drive-In Theatre today, tomorrow, July 31, August 1.

The background is an army camp and a night club. Prominent in the offering are six songs, including the title theme, a hit parade favorite, "Bugle Blues," "Lady Love," "It's the Beast in Me," "Home Sweet Home in the Army," and "Blow Your Own Horn."

Supporting players include Anne James, Sammy White and John Archer.

"The Outcasts of Poker Flat," 20th Century-Fox's new suspense western based on the classic Bret Harte story, is billed at the Hillcrest Saturday and Sunday, August 2, 3. Anne Baxter and Dale Robertson have the starring roles.

A sharply-etched story of humans in conflict with the elements of nature and the sadistic brutality of a half-

Miriam Hopkins, Craig Hill, Cameron Mitchell, Billy Lynn

and Barbara Bates are seen in support.

Robert Taylor and Deborah Kerr head a cast of thousands in "Quo Vadis," M-G-M's spectacular Technicolor drama of the birth of Christianity in a pagan world, which is the big attraction at the Hillcrest Monday, Tuesday, Wednesday and Thursday, August 4, 5, 6, 7.

Taylor is seen as Marcus Vinicius, victorious Roman warrior, with Miss Kerr cast as the Christian hostage, Lygia.

Patricia Luffan, English star, enacts the luxury-loving and scheming Poppaea, wife of the Emperor Nero. A woman reputed to have persuaded the emperor to murder both his mother and his first wife, Poppaea's only love is for her pet African cheetahs. Peter Ustinov is Nero, and Ralph Truman enacts the emperor's advisor, with Leo Genn cast as Petronius, arbiter of elegance in ancient Rome.

Yvonne DeCarlo Foil for Rock Hudson In Vivid-Action Story, 'Scarlet Angel'

FRIENDLY NEIGHBORS HOME DEMONSTRATION CLUB

Mrs. W. J. Curtis presided for the regular meeting of Friendly Neighbors home demonstration club, which met in the home of Mrs. Roy Tyree Friday afternoon, when plans were completed for the Rally Day program.

The meeting opened with the club pledge and prayer, repeated in unison, and the singing of "America." Mrs. Curtis gave the council report, and named the program committee, composed of Mrs. Eugene Baker, Mrs. Ralph Russell, and Mrs. M. A. Dusek, to rehearse the skit which club members will present at the Rally Day program at Bruce Field on August 20 and 21. The rehearsal will be on August 15. A program committee report was given by Mrs. John Wessels.

Miss Ollie Chenoweth gave a demonstrative talk on "How to Improve Walks and Driveways," and showed slides on the topic.

At the social hour, the hostess served homemade ice cream and cake to eight members, Miss Chenoweth and two children.

San Juan is the capital of Puerto Rico.

The accent is on action and romance in Universal's "Scarlet Angel," which is to be presented at the Texas Theatre Sunday and Monday, August 3, 4, with Yvonne DeCarlo and Rock Hudson in the starring roles.

Violent, brawling action highlights this post-Civil War epic in Technicolor which spans the continent in unfolding its story. Famed as Hollywood's "Belle of the Brawl," Miss DeCarlo is at her best in the role of a New Orleans dance hall siren, Hudson, one of the most promising young actors in pictures, fits snugly into the part of a sea captain who likes his romance rough.

Excellent supporting work is said to be accorded by Richard Denning, Bodil Miller, Amanda Blake, Henry O'Neill, Whitfield Connor and other capable performers.

Leo Gorcey, Huntz Hall and the other Bowery Boys, who have been in the army and the navy in previous films, join another branch of the armed services in "Here Come the Marines," one of the two features on the double-bill at the Texas tomorrow and Saturday. Myrna Dell plays the high voltage come-on girl for a gambling house in the Monogram comedy.

The second feature is a stirring drama of a honest police officer's battle against a ruthless gangster, "The Rocket," starring Robert Mitchum, Elizabeth Scott and Robert Ryan. Mitchum portrays the police captain and Ryan the crook, with Miss Scott as a night-club singer. William Talman and Ray Collins head the featured players in the RKO Radio production.

Labor Conference For This Region Slated at Sonora

Jim Cusenbary, assistant county agent, will attend the Mexican labor conference at Sonora Saturday afternoon. This meeting is sponsored by the Sonora Chamber of Commerce, Texas Cotton Ginners Association, Trans-Pecos Cotton Association, El Paso Valley Cotton Association, Texas Sheep and Goat Raisers Association, Texas and Southwestern Cattle Raisers Association and the West Texas Chamber of Commerce.

To appear on the program will be Michael J. Calvin, under-secretary of labor; William S. Tyson, solicitor of the U. S. Department of labor; Henry LeBlanc, Texas employment association; R. M. Fielder, agriculture chairman for the WTCC; and a number of others representing the sponsoring organizations.

The representatives of the federal government will explain changes in the laws affecting migrant labor and also the user's responsibility. At the close of each address there will be a question and answer period open to all present.

Visiting minister to be heard by Presbyterians. Rev. Allen Gutherie, of San Angelo, assistant to Dr. B. O. Wood, of the First Presbyterian Church there, will be the guest speaker at the First Presbyterian Church, U. S., in Ballinger Sunday morning.

Sunday school will be at the regular hour, 9:45 a. m. Morning worship will be at 11 a. m. and there will be no evening service.

Towner Dickinson and R. E. Bruce will be in Abilene on August 3 and 4 to attend the 81-county West Texas chapter meeting of the Associated General Contractors of America.

Big Bend Region Park Attractions Told by Visitors

Curtis Hancock, of Dallas; and C. W. Meadows, president of the Big Bend Trail Association and member of the Texas Good Roads Association, were here Monday for a meeting with the highway committee of the Ballinger Chamber of Commerce.

Meeting with the visitors were K. V. Northington, Jack Moore, Stanley Price, Allen Davis, Sam Behringer and Jack Pridden.

Expounded on were some of the beauties of Big Bend Park which last year attracted over 90,000 tourists and this year is expected to have registration of 110,000. The visitors also told of plans for an advertising campaign to attract more tourists to the region and over highway 67. It is hoped to raise \$5,000 through the sale of memberships. Ballingerites are expected to take 25 memberships at \$5 each and a number of these have already been placed.

The association plans a booth at the Dallas fair in the fall with continuous showing of motion pictures of the beauty spots of the Big Bend region.

The association officials pointed out that the government appropriates annually about \$30,000,000 for national parks. An effort will be made to secure more from this fund in the future.

At the meeting of the local chamber directors Monday evening a report on the Big Bend project will be made and consideration give local support for the plan.

Mr. and Mrs. C. B. Seldon, of San Angelo; and Winston Burks, of Ballinger, recently returned from a vacation trip to Carlsbad, New Mexico, and points of interest in Colorado.

Loss of Memory Ascribed to Man Held by Officers

Ray Pack is being held here until officers arrive to escort him home. Pack was arrested at Winters on July 5 and later was filed on for resisting arrest and assault. At first he refused to be fingerprinted but later was persuaded to submit to officers and have his prints taken.

The sheriff was contacted in Patrick county and he stated that the boy had committed no crime but had left his aged parents for a visit with relatives over the week-end and did not return. He apparently is suffering from a loss of memory.

Kenneth Magard was charged with reckless driving the first of the week and paid a fine in justice court.

Dan Grimes was charged with driving while intoxicated Monday and a warrant was sent to Abilene for his arrest.

Buck McNaughten has been arrested and held in the jail at Brownwood. He is wanted here on a "hot" checking charge.

Eugene Baker paid a fine of \$47.80 Monday on a charge of aggravated assault.

BURKS REUNION HELD IN BALLINGER PARK

The descendants of the late Mr. and Mrs. J. H. Burks met in the city park for their annual family reunion Sunday, July 27. A picnic dinner was served at noon and the afternoon was spent in visiting and picture taking.

It was agreed upon that the next reunion will be held in the same place on the first Sunday in August, 1953.

Attending were: Billy Burks, Jal, New Mexico; Miss Mary Lois Burks, McCombe; Mr. and Mrs. J. T. Hill, Coleman; Mrs. Tom Burks, Ralls; Mr. and Mrs. Melvin Lee Burks, Lee and Gayle, Shepherd; Miss Wilma Bush, Mr. and Mrs. R. O. Burks, W. K. Burks, Mrs. S. W. Burks and Winston, Mr. and Mrs. Clarence Hill and Wanda, Mr. and Mrs. Cecil Hill, Joyce and Marion, Peggy Warren and Patsy Ford, all of Ballinger.

Mrs. C. B. Looney and son, Mickey, are visiting in Fulton, Kentucky, and Nashville, Tennessee, this week.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Fifteen members were present for the meeting of the South Ballinger home demonstration club in the home of Mrs. Tom McEntire on Ninth Street Tuesday afternoon.

Mrs. Calton Smith conducted the business, at which time methods of making added money for the council were discussed. A number of club members plan to attend the Rally Day at Bruce Field on August 20 and 21. A family night picnic was scheduled for August 15, at 7:30 o'clock.

Members answered roll call by giving "One of My First School Memories."

The next meeting will be held in the home of Mrs. Roy Holstead the first Tuesday in September.

Mr. and Mrs. Harry Lynn left the first of the week for Dallas and points in Oklahoma on a vacation and business trip.

SNATCHED BY REDS... Dr. Walter Linse, member of anti-Red Free Jurists committee, was attacked and kidnaped in broad daylight in West Berlin and whisked into the Soviet zone by Red agents. His organization compiles data on Red violation of human rights.

ANCIENT CEREMONY OF OLYMPIA... Young Greek girls, dressed in ancient Greek costumes, light the Olympic torch. The flame is created by the sun's rays on the concave mirror. Flame is to be transferred to the marble bowl held by girl at right, then it will be taken to the Olympic altar where it will burn throughout the Olympic games. A torch is to be lit from the altar and carried by relays of runners to Helsinki.

July 30th - Waves Tenth Anniversary

PLANNING AND PLANNING—In the technical sense, in the technical sense, are the list of the Navy's technical staffs. They work in the reading and interpretation of a variety of maps, hydrographical, architectural, mechanical, electrical, and statistical drawings, plans, sketches, reports, notes and charts. Vito Olson, Seaman, of Long Island, New York, is using her skill at the drafting table.

A YOUNG MAN'S WORK IS NEVER DONE—but every WAVE seaman enjoys being a member of the Navy's tremendous office force. Mary Schultz, Yeoman first class, of Milton, Massachusetts, makes an important entry in an exhaust mail's service record which follows him wherever he goes.

YES, IT'S TAPE, BUT NOT RED TAPE—WAVES are a familiar sight in a Naval Communication Station where they perform many functions. These Yeoman trainees (1 to 3) Lillian Jennings of Longwood, Colorado and Lora Lacy of London, Indiana, check the tapes as they come into the San Francisco office as part of their duties.

MAINTAINING COMMUNICATIONS EQUIPMENT IN TOP OPERATING CONDITION requires highly trained personnel. Lorraine Adams, Electronics Technician second class, of Rogers, Arkansas, like many other WAVES serving at naval communications centers throughout the country, makes a routine check on a radio receiver.

GOOD HEALTH IS A FORM OF INSURANCE AGAINST INEFFICIENCY. It is vital to the success of the WAVES. Lorraine Adams, Electronics Technician second class, of Rogers, Arkansas, carries out some of her highly technical work in the pathology laboratory of the Charleston Naval Hospital.

EFFICIENT NAVIGATION OF MODERN NAVAL AIRCRAFT depends upon coordinated electronic equipment. WAVES have proved their aptitude for the detailed technical work involved in maintaining such equipment. Edna Carter, Aviation Electronics Technician, airman, of Patterson, New Jersey, looks through an operator's scope testing equipment for alignment and tracing circuit trouble.

QUALITY PLUS PERSONAL CAPABILITY are necessary attributes of Navy Photographers. Mildred Stelling, photographer's mate first class, of Kingsport, Tennessee, climbs to the top of a gun mount aboard a vessel at the Charleston Naval Base, in order to gain the best vantage point for shooting a picture.

KEEPING TABS ON NAVY PERSONNEL IS A BIG JOB. WAVES have been taught to operate almost all of the complicated machinery by which big business (and that includes the U. S. Navy) tabulates its records. Helene Roberts, Machine Accountant second class, of Fort Fort, Pennsylvania, is determining how many personnel of a certain category are on duty within the Twelfth Naval District through the use of an IBM sorting machine.

THE NAVY'S VAST SUPPLY SYSTEM involves the providing of, and accountability for, vast amounts and various types of materials. Any WAVE who works in a naval supply activity must know the stock. E. S. Harney, Stockkeeper first class, checks the description of materials on orders against their Navy stock number for accuracy.

SAFE DIRECTION OF NAVY AIR TRAFFIC demands a high degree of accuracy, precision, and reliability, and continues in time of stress. Gertrude Anderson, Air Controller first class, of Springdale, Virginia, gives the "All clear" signal from the tower to aircraft preparing to take off from the Naval Air Station, Norfolk.

Marion Ferris, Aerographer's Mate second class, of Arroyo, California, checks the weather map with pilot Lt. E. E. Dunlap, USN, at Watsonville, California, before he takes off as a flight instructor.

BIRTHS

Mr. and Mrs. Gilbert Loika, of San Angelo, are parents of a son, born Tuesday, July 22, at St. John's Hospital. Named Larry Frank, the baby weighed 5 pounds 12 ounces upon arrival. Grandparents are Mr. and Mrs. Jim Dankworth and Mr. and Mrs. Louis F. Loika, all of Ballinger. Mrs. Loika is the former Miss Eloise Dankworth. The couple has another son, James Gilbert, aged three.

Old Age Grants To be Increased \$5.00 in October

All Texas receiving old age assistance and aid to the blind will receive a \$5 increase in their grants beginning in October. This was announced recently by officials of the state department of public welfare. Exemptions will be those who are receiving both old age assistance and old age and survivors insurance, since the automatic increase will be received by them through social security. A lesser increase will be available for youngsters who are receiving aid to dependent children.

The increase is made possible by recent legislation which raised the federal contribution \$5 starting in October. This now makes a maximum grant of \$55 instead of \$50. This does not mean that everyone will receive the maximum. The amount of each grant is determined by the basic recognized need of the individual less his income, and varies in most cases.

It was explained that these automatic increases would be made at Austin and it will not be necessary for local people to call on the local welfare office or to see Mrs. Aurelia Webb or A. L. Penuel.

Fastball League Play-Off Places All Determined

The Runnels county fastball league is nearing the end of its season and four teams have already clinched places in the play-off series.

Official records the first of the week showed the following standings:

- Mereta, won 14, lost 4
- Winters, won 12, lost 4
- Rowena, won 13, lost 5
- Oifen, won 13, lost 5
- Norton, won 8, lost 10
- National Guard, won 5, lost 13
- Wingate, won 4, lost 15
- Talpa, won 3, lost 13

Games remaining on the regular schedule are:

- August 1: Winters at Oifen; Talpa at Rowena; National Guard at Norton
- August 4: Oifen at Rowena; Winters at Talpa; Wingate at Talpa
- August 8: National Guard at Rowena; Mereta at Winters

As soon as the schedule is completed, dates for the play-off will be arranged, the Mereta, Winters, Rowena and Oifen teams to participate.

Reunion of Crews Ex-Students Slated Sunday, August 10

The annual reunion of the Crews school will be held on August 10 and publicity is being given over a wide area in the hope that all former students and teachers will attend.

A reunion program was presented last year and was such a success that it was voted to make it an annual event. All former students, whose addresses are known, will be informed of the meeting and newspaper and radio publicity is expected to reach others.

Each attendant is asked to bring a basket dinner which will be spread and served picnic style.

Students are asked to bring old report cards and prizes will be given for the oldest ones presented to the committee.

A good program will be arranged which will include ample time for renewal of old acquaintanceships and for schoolmates to visit. Those who attended the Crews school and are still living in this section are asked to help in notifying others.

LT-Com. and Mrs. Ira B. West and children, formerly of Chocoma Falls, Massachusetts, will arrive in Norton Monday for a visit in the home of Mrs. West's parents, Mr. and Mrs. T. R. Setser. They are en route to Alameda, California, where they will make home. Also visiting in the Setser home will be the other son-in-law and daughter, Mr. and Mrs. Robert Aitken, of Houston.

Mr. and Mrs. Pedro Jaques and daughter returned home Saturday from Lawton, Oklahoma, where they visited relatives the past week. They were

accompanied home by Mr. and Mrs. J. A. Hurley and grandchildren, Patricia Butler and Larry Jean Bennett.

Mr. and Mrs. Caleb Brown, Jr., and Steve returned home Sunday after spending several days with Mrs. Brown's sister, Mrs. C. A. Archer, and family, of Pecos. While away they drove through the Davis Mountains and returning home went sight-seeing in the Big Bend National Park. They also visited at Del Rio and points of interest in Mexico.

CANADA TO BUILD SEAWAY ALONE . . . In an exchange of notes at the state department in Washington, D.C., recently, Canada acted to go ahead alone with the construction of the St. Lawrence seaway and power development. The United States is not participating in the seaway project because congress, which has had it under debate for years, has never approved it. Left to right are Canadian Ambassador Hume Wrong, Canadian Transport Minister Lionel Chevrier and U.S. Secretary David Bruce.

FAIREST OF THE UNITED NATIONS . . . Rene Malhame (center) of Lebanon was judged "Miss United Nations" at a fashion show held at the Waldorf Astoria hotel in New York City. Young women of the United Nations colony were models at the show. Close contenders for the title won by Miss Malhame were Blanca Alvarez (left) of Venezuela and Myra Yaron of Israel. Many types of feminine beauty from far away lands competed in the show that designated Miss Malhame as the fairest.

NEW UNIVERSITY HONORS EINSTEIN . . . Prof. Albert Einstein is presented a special scroll by Hadassah, the women's Zionist organization of American and the American Friends of the Hebrew University to mark the ground-breaking ceremony for the new Hadassah-Hebrew university medical center in Jerusalem. Presenting the scroll is Mrs. David de Sola Pool, former national president of Hadassah, and Dr. George W. Wise, president of the American Friends of the Hebrew university.

MODEL OF ATOMIC SUB . . . Navy Secretary Dan Kimball (right) and Capt. Hyman Rickover, navy nuclear director, inspect a model of the navy's atomic submarine after Rickover was presented with the gold star in lieu of the second legion of merit award at the Pentagon. Experts said that one pound of the sub's nuclear fuel will generate as much power as 2,600,000 pounds of coal.

Work is underway which will make the Runnels county court house more modern. Air conditioning, already provided for the district court room, is being installed in all offices. The past week water lines were being laid, electric connections made and machines set up in windows. The modernization was ordered several weeks ago by the commissioners' court but before the job could be done it was necessary to install additional electric circuits as most of the lines were already carrying a heavy load.

Ballinger young people are making a strenuous effort to secure a youth center. For several years the young people have been asking for a place where they could meet for social affairs and where a regular program of activities could be possible. In the past they have held dances and socials at the library building but this is available only on reservation. During the past two years their important socials have been held in the American Legion hall at Bruce Field. This place provides ample facilities but also is available only on reservation and is too great a distance from town. The Catholic hall has been used numerous times on reservation but the young people believe they are entitled to a place of their own where programs can be presented any time and one in which they can have representatives on the controlling board. At this time citizens are being asked to sign pledge cards, both for money and time, in making the center possible. Every Ballingerite is urged to give the young people a hearing and consider their request.

The summer is wearing on and during the next month back-to-school will be the main advertising slogan of local merchants. It is nearing the time of year when students start making plans to reenter school, get their wardrobes ready, call a halt to the summer vacation and begin the nine months grind of obtaining an education. The opening of local schools will signal the beginning of numerous fall activities in which many will participate. In addition to the 1,400 or more students in the Ballinger school system, many local young people will be entering colleges and universities.

A revival is in progress at the Wilmeth Church of Christ and Olan Holland, of Turkey is the speaker. The meeting will continue through August 10 with services at 8:15 each evening. On August 8 the Wilmeth Baptist Church revival will begin with Evangelist T. P. Patterson to do the preaching. This revival will continue through August 17 with services at 10 a. m. and 8 p. m.

The Brownwood school board has again set the tax rate at \$1 on the \$100 valuation. The rate was higher in 1948 and 1949 but was lowered in 1950 and has remained \$1 since. Officials called attention to the fact that operating costs have advanced and that \$450,000 was voted in bonds for improvements but that the increased load was being taken care of with the \$1 levy. Property formerly outside the corporate limits has been taken into the Brownwood district.

August 2 is the date set for holding a special school bond election at Bronte to make \$260,000 available for a new building. Officials said last week that the proposed building would have ten classrooms, a lunchroom, auditorium, teachers' room, first aid room,

nurses' room, rest rooms and janitor's room. It was pointed out that Bronte has one of the lowest tax rates in the state, \$1 on the \$100 valuation, and that the bonds would not require raising the levy. Values in the district because of oil development make this possible. Over 300 people attended the meeting of the Winters Sportsman's Club last week. The affair was held at Lake Winters and at the business session reports of work accomplished the past year were given. Awards were presented in the fishing rodeo and a number of firms were publicly thanked for building and helping to operate the concession stand. After refreshments, pictures of outdoor life were screened.

The educational committee of the Brady Chamber of Commerce has arranged a tour of Brady business houses for all teachers in McCulloch county on September 15. The group will start with an inspection and get acquainted meeting at the Brady Aviation Corp. plant, where lunch will be served. Later they will visit a number of Brady firms to meet the owners, inspect the stores and cover the town in general. This will give all teachers a conception of the county seat and what services the merchants render before they begin their year's work.

Coleman Jaycees conducted a "go to the polls" campaign last week. Various publicity got over the message without indicating in any way how citizens should cast their ballots. All day Saturday cars were available by telephone and took those without transportation to the polling places. Large street signs were painted and printed material was left at each door last week.

The Rowena Lions Club last week made possible the spraying of the entire town. The county spraying machine was used for fogging with DDT. Lions also started a campaign for all citizens to keep their premises clean and to fight flies and mosquitoes. This is being done in an effort to keep a clean record on polio, which has struck in many Texas towns.

THANKS
TO THE VOTERS OF RUNNELS COUNTY:
I cannot let this occasion go by without expressing my thanks and appreciation for the fine vote given me Saturday which makes me the nominee for the office of County Clerk.

While I had no opponent this year, I do appreciate the friends who cast their ballots for me in the first primary. During the years I have served you as county clerk, I am grateful for the fine spirit of cooperation shown me and my staff of workers by the people of the county. I ask for a continuation of this loyal support.

Feel free to call on me for any service I can render in line with my duty. Again I say thanks to the fine friends of Runnels county.

Sincerely,

Service stations were also notified to discontinue washing cars and trucks and not to use water for cleaning driveways. For several weeks patrons have been permitted to use water four hours a day but the total consumption was more than the supply could stand.

The Comcho county home demonstration council met at Eden last week to hear reports and attend to other business. It was decided to hold a one-day encampment on August 5. Previously it had been planned to meet August 4 and 5, club members to spend one night at the camp, but the small number indicating they would attend the first day changed these plans. A committee was named to look after arrangements for achievement day.

The formal opening of the last leg of the Stephenville-Alexander highway was opened last week with a special program before a crowd of 300 people from several towns of the area. Fred Wimpey, of Midland, member of the state highway commission, delivered the principal address. Other state highway men from Dublin and Stephenville were presented by the master of ceremonies. The road had been sought several years by civic groups of the two towns.

The Comanche city council last week passed a peddler's ordinance which in the future will prohibit sales by itinerants. The new city law prohibits them from selling their wares on the city square or on streets, sidewalks or alleys within a block of the city square. To My Friends

I just want to say thanks to each of you for the fine vote cast for me last Saturday in the first Democratic primary which makes me the nominee for the office of Sheriff.

Although I had no opponent, a fact I appreciate, your fine support in the election and all during the time I have served you as sheriff, means a lot to me. I will be more determined than ever to perform the duties of my office in a manner that will be fair to everyone.

I want to be the sheriff of all the people and to do this I need the cooperation of every citizen of the county. You can greatly help in curbing crime and making this county a better place in which to live.

Accept my deep appreciation for your support and feel free to call on me at any time for any service I can render.

HOUSE JOINT RESOLUTION NO. 20

proposing an Amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 61 to authorize cities, towns, and villages of this State to provide insurance for employees; providing for the submission of the proposed Amendment to the qualified electorate; and providing for proclamation and publication by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipalities and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Monday in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state. 31-46

Hill Area Firemen To Meet at Miles; Program Planned

The Hill Country Firemen's Association will hold its next meeting at Miles on August 12. Firemen and others at Miles have been arranging an interesting program which is expected to attract large attendance.

The opening feature will be a parade in which visiting delegations will have entries and a local committee will solicit clubs and firms to prepare floats.

Following the morning session the Miles Auxiliary will take over and serve dinner at noon.

In the afternoon a memorial service will be held and this will be followed by speakers on subjects interesting to the firemen. In the late afternoon races will be staged on the streets.

D. G. Posey, of Ballinger, is president of the association and John M. Hankins, of Junction, is secretary.

Ballinger firemen will send a large delegation to Miles and will participate in the races.

FRENCH COMMANDO IN INDO-CHINA . . . Typical of the tough fighting men engaged in the bloody hit-and-run battles against the Communist-backed Vietminh rebels in Indo China is sergeant Couillard (right), whom you see here during a recent engagement against the enemy in a jungle village. Sergeant Couillard is a 26-year-old commando who is currently in the 20th month of his second hitch with the French forces. French expense here lessens her NATO contributions in Europe.

TO THE CITIZENS OF THE 77TH DISTRICT:

I wish to express my deepest appreciation for the support you gave me in the recent election. The only way I know of repaying you for your confidence is to make you the best representative I possibly can, and to serve the district honestly and well. I want every one of you to feel free to discuss any issue with me at any time and I will do my utmost to give every matter fair consideration.

SOCIETY

Methodist W.S.C.S. Circles Meet in Homes

Circles of the First Methodist Woman's Society for Christian Service met in three groups Monday afternoon for the study, "The Good Earth."

Mrs. D. L. Vestal and Mrs. Ed O'Kelly were hostesses to members of Sally Odom class in the Vestal home on Eleventh Street, where garden flowers were used for decorations.

Mrs. Ewing Holt presided for the business. Mrs. W. R. Clark, Jr., brought the devotional, "The Earth is So Full"; and Mrs. Tom McEntire presented the study lesson, "The Good Earth."

A sandwich plate was served with cookies and punch. Others were: Mmes. W. O. Irby, W. W. Chastain, Grady Richards, Arch Brookshier, Blair Hays, Oliver Cochran, J. W. Guynes, John Loveless, R. A. Dickinson, J. P. Currie, W. E. Middleton, and E. C. Tinsley. Ida Campbell circle members were guests of Mrs. Tom Crockett and Mrs. Hatton Laxson in the Crockett home in South Ballinger, which was decorated with marigolds and zinnias.

Mrs. Crockett directed the business, at which time Mrs. Laxson was appointed flower committee chairman, and Mrs. George Beard was named to serve on the W.S.C.S. committee. After the opening song, Mrs. Lee Evans gave the devotional and Mrs. Felix Itz brought the lesson.

The hostesses served ice cream and angel food cake. Plate favors were flower corsages. Others were: Mmes. T. J. Forgy, Jack Nixon, Jr., C. M. Gibson, Henry Moody, C. D. Harris, H. C. Smith, A. O. Strother, C. L. Howell, O. R. O'Neill and Walter Duke.

The Wilke Terrace home of Mrs. Price Middleton was the meeting place for the Ette Gressett Circle.

Garden flowers were used to decorate rooms where Mrs. Elizabeth Coleman presided for the business routine. Mrs. C. P. Shepherd brought the devotional and Mrs. Marion Hays gave the study lesson.

and cookies was served with iced tea to: Mmes. J. W. Barr, W. E. Midgley, Coleman, Shepherd, Marion Hays, R. A. Bagwell, Tom Caudle, W. R. Clark, Sr., Herbert F. Tickle, Hugh Campbell, Hamp Byler, Troy Simpson and R. A. Williamson.

Presbyterian Women Continue Study of Protestant Leaders

Mrs. Alex McGregor directed a program on John J. Eagan, which was a continuation of the study of "Great Protestant Leaders" for the regular monthly inspirational meeting of the First Presbyterian, U. S. Women of the Church, held in the church parlors on Broadway Monday afternoon.

Mrs. Estes M. Lynn directed the business and presented copies of the book, "Let In Triumph," by Mrs. Ethel Taylor Wharton, which is just off the press. Mrs. Wharton and the Rev. Conway T. Wharton have both written books on the Belgian Congo, as they were missionaries there for a number of years.

Mrs. McGregor was assisted in presenting the program by Mrs. W. B. Woody, who gave the prayer; Mrs. Chester Cherry, who discussed "John J. Eagan and His Church"; Mrs. Paul Trimmer, who talked on "Eagan's Social Activities"; and Mrs. J. M. Pyburn, whose topic was "Eagan's Business."

Hostesses at the social hour were Mrs. Warren Lynn and Mrs. Trimmer, who served frosted coca colas and cookies to those previously mentioned and to: Mmes. R. T. Hall, B. W. Claunch, R. T. Trall and Alex Saunders.

Mrs. Nixon Entertains Members of Know Your Neighbors Club

Mrs. Jack Nixon was hostess to members of Know Your Neighbors Club in her Eighth Street home Wednesday afternoon.

Arrangements of garden flowers were used to decorate party rooms where individual sewing and visiting provided diversion for the afternoon. A salad plate was served with iced tea.

Included were: Mmes. R. A. Bobo, Malcolm Morgan, Lee Roy McAulay, John Castor, Dee Say-

Jors, Fred Harwell, Joe Flynt, Flay Brevard, Herman Rountree, John Barton, Bill Clark and Cal Adair.

Miss Droll Given Prenuptial Honor

Miss Jackie Droll, of Rowena, bride-elect of Dr. Troy Taylor, of Ballinger, was complimented Monday afternoon when Mmes. Robert Brunner, Tony Zentner, Forest Pohler, Joe Droll, Felix Huebner, Joe Mahaffay and Emmanuel Halfmann, all of Rowena, and Mrs. John Straach, of Miles, were hostesses at a pretty gift tea in St. Joseph's Parish Hall in Rowena, including 60 friends of the honoree.

A pink and white theme was given attractive emphasis in all details with pink and white summer blossoms being used to decorate the hall where Mrs. Brunner greeted guests and presented Miss Droll and her mother, Mrs. Otto Droll.

The lace laid tea table was centered with a reflected arrangement of pink and orchids. Tall pink candles burned in crystal candelabra at each side. Hostesses served punch and cake squares iced in pink. Others assisting in serving were Karen Zentner and Clare Frances Droll.

Mrs. Tony Zentner registered guests in the bride's book. A musical program was given by Mrs. William Jansa, pianist.

The Taylor-Droll wedding will be solemnized next Wednesday, August 6, at 8:30 a. m. at St. Joseph's Catholic Church.

June Graham, Wilson Marks Betrothal Announced

Mr. and Mrs. A. E. Graham, of Ballinger, announce the engagement and approaching marriage of their daughter, June, to Wilson Marks, son of Mr. and Mrs. Riley Marks, of Winters.

The marriage will be solemnized in the home of the bride-elect's parents at 1208 Seventh Street on August 16.

Firemen's Convention Discussed at Auxiliary Meeting

Mrs. Bill Bell conducted the business period for the regular monthly meeting of the Firemen's Auxiliary, which was held

DUE TO PRESENT CIRCUMSTANCES, THE ACTING MANAGEMENT FINDS IT NECESSARY TO SELL THE ENTIRE STOCK AND FIXTURES OF THIS STORE.

Sale Starts Friday, August 1

Every Item Reduced 15%

No Limit on Quantities

All Sales Cash and Carry

Due to the expected long illness of the manager, Otis Jacob, it is with deep regret that the acting manager must announce to the public, that the only course to pursue is to sell the entire stock and discontinue operation of the business.

As a special inducement to the people of this trade area, a 15% discount will be given on all bills, regardless of what you buy. Every item in the house is fresh, clean merchandise and the price has been cut deep in order to dispose of the stock without delay.

Those in charge of the sale hope to see all the old faces who have been loyal customers for years as well as many new ones during this disposal sale.

FIXTURES FOR SALE

The acting management will sell all fixtures, one piece at a time, or the entire store. Contact Roy Jacob for prices on these items.

The art of transmutation

Spurred by dreams of great wealth and power, alchemists of long ago frantically searched for a method of making gold in the laboratory. Fantastic chemical mixtures and processes were tried—all to no avail. Only in recent years have the dreams of the alchemist materialized. By subjecting platinum to neutron bombardment, gold can be produced in the laboratory. Because of the low yield and high expense involved, however, it is unlikely that gold produced in an atomic pile will ever replace that obtained in the conventional way. We are unable to make gold in our prescription department, but the medicines carried here are more powerful than all the gold in the world. We are prepared to help you when sickness strikes.

NOTICE OF SALE

THE HOUSING AUTHORITY NOTES (FIRST ISSUE) SERIES A and Series B Notes will be sold by Housing Authority of the City of Ballinger, Texas, at its office, corner of Avenue and Kansas Street, at 12 o'clock noon, (C.S.T.) on August 14, 1952, for the purpose of \$42,000.00 of the following described Series A Notes and Series B Notes. The Series A Notes will be sold in denominations equal to the principal amount maturing in one year, bear interest from the date at the rate to be determined as hereinafter provided, and mature on September 1 in each of the years and amounts as follows:

| Year | Amount |
|--------------|--------------------|
| 1953 | \$ 6,000.00 |
| 1954 | 6,000.00 |
| 1955 | 6,000.00 |
| 1956 | 6,000.00 |
| 1957 | 6,000.00 |
| 1958 | 6,000.00 |
| 1959 | 6,000.00 |
| TOTAL | \$42,000.00 |

The resolution of the Local Authority, authorizing the above-described Series A Notes will also authorize an additional \$361,000.00 of its Series B Notes which will be dated the same date as the Series A Notes, will bear interest from their date at the rate of 2 1/2% per annum payable annually. None of the principal of the Series B Notes will mature until one year after the last maturity of the Series A Notes. The Series B Notes will be sold to the Public Housing Administration (hereinafter called the "PHA") pursuant to the Annual Contributions Contract between the Local Authority and the PHA relating to the Project. The Series A Notes and Series B Notes together constitute an issue of Housing Authority Notes (First Issue) of the Local Authority being issued to aid in financing its low-rent housing project designated as Project No. TEX-77-1.

Each proposal must (1) be submitted on a form prescribed by the Local Authority which will more particularly describe the Series A Notes and the conditions of the contract to purchase the Series A Notes, (2) prescribe a single rate of interest which shall be a multiple of one-eighth (1/8) of one per cent (1%) per annum to be borne by all of the Series A Notes, (3) offer to purchase all of the Series A Notes at a price

How Bureaucracy Grows

Twenty years ago there were less than 600,000 employees on governmental pay rolls. Now there are 2.5 million. The budget was about 4 billion instead of 85 billion. Debt was 17 billion instead of 262 billion.

There is no such thing as government money. It must be extracted by taxes from those who work and produce. If their incentive is killed, the nation will slip backward. All will suffer as the result.

No government ever spent itself into permanent prosperity. Something for nothing is always an illusion in the end—when the truth is learned too late.

of not less than par and accrued interest to the date of delivery and payment therefor; and (4) be enclosed in a sealed envelope addressed to the Local Authority which should be marked on the outside "Proposal for Series A Notes." The award will be made to the bidder complying with the terms of sale and offering to purchase the Series A Notes at the lowest rate of interest, without reference to premium; provided, however, that if two or more bidders offer to purchase the Series A Notes at the same lowest rate of interest, then such award will be made to the bidder offering the highest premium. The right is reserved to reject any or all proposals.

Prescribed proposal forms will be furnished to bidders upon request addressed to the Local Authority, the Field Attorney, Public Housing Administration, 911 T & P Passenger Building, Fort Worth 2, Texas, or to the General Counsel of the Public Housing Administration, Longfellow Building, Washington 25, D. C. Bidders may condition their proposals upon the right

to designate the Fiscal Agent for the Local Authority during the life of the Series A Notes in the manner prescribed by the proposal form.

The Series A Notes will be general obligations of the Local Authority secured, together with the Series B Notes, by a first pledge of annual contributions unconditionally payable pursuant to the aforesaid Annual Contributions Contract in an amount which together with other funds of the Local Authority which are actually available for such purpose, will be sufficient to pay the principal of and interest on all such Notes when due, and bidders may condition their proposals upon receiving the unqualified approving opinion of counsel designated by them to that effect and whose fees or charges the Local Authority will agree to pay up to a maximum amount of 1% of the total amount of the Series A Notes subject to a minimum fee of \$100.00.

NEW OFFICERS IN CHARGE AT BENOIT CLUB MEETING

The Benoit Social Club met Thursday, July 24, with nine members present.

New officers were in charge of the program. They are: Mrs. Aubrey Ashton, president; Mrs. Gordon Brookshier, vice-president and reporter; Mrs. Fred Spreen, secretary; Miss Clara Werner, treasurer.

Gifts were presented to the retiring officers and a picnic was planned to be held at the Ballinger city park on August 14, at 7 p. m., for club members and their families.

The next club meeting will be held on the fourth Thursday in August.

The wife maintains that backseat drivers are no worse than men who cook from the dining table.

T H A N K S

For the fine vote given me in the first Democratic primary last Saturday.

For making me the nominee for the office of County Attorney.

For the fine cooperation given me in the past on matters of law enforcement.

For the fine friends I have made in Runnels County and for the loyal friends who have helped me in so many ways.

For every courtesy extended me, I am deeply grateful.

Sincerely,

Richard Widmark's latest starring vehicle, "Red Skies of Montana," 20th Century-Fox's Technicolor action story of the U. S. forest service's "smoke jumpers," is one of the features on the twin-bill at the Horseshoe Drive-In Theatre tomorrow and Saturday. Constance Smith and Jeffrey Hunter are co-starring with Widmark in this saga of the parachute fire fighters who protect our national resources. Richard Boone, Warren Stevens, James Griffith and Joe Sawyer play top supporting roles.

Gifts were presented to the retiring officers and a picnic was planned to be held at the Ballinger city park on August 14, at 7 p. m., for club members and their families.

"Scaramouche," Rafael Sabatini's swashbuckling novel of an 18th century swordsman and mountebank who fights and "acts" his way through love and adventure, is the first-run offering at the Horseshoe Sunday, Monday and Tuesday, August 3 through 5. The lavish, spectacular and star-studded Technicolor production is an M-G-M release.

Stewart Granger, Eleanor Parker, Janet Leigh and Mel Ferrer are the principals in this arresting action-drama, which takes place in the days of Marie Antoinette's extravagant court in the explosive period leading up to the French revolution.

Supporting players include Henry Wilcoxon, Nina Foch, Lewis Stone and young Richard Anderson.

Filed in color by Warner-color in the hitherto untracked territory near Kanab, Utah, "The Lion and the Horse" is to be shown at the Horseshoe Wednesday and Thursday of next week, August 6, 7.

Steve Cochran is the star of the picture, with 9-year-old Sherry Jackson in one of the featured roles. Bob Steele, Ray Teal and George O'Hanlon (the Joe McDoakes comedy star) are also featured.

The animals in the cast are headed by Wildfire, handsome black stallion, and Jackie, the lion that wrestled Victor Mature in "Samson and Delilah."

On the same program is a Zane Grey western, "Nevada."

BIG BANG for the Bored Car Owner

Have you ever driven a Buick SPECIAL? Do you know how it feels to touch off the most powerful engine you'll find in any car of its pounds and price? Do you know that it almost steers itself—holds its course like an airliner on the beam—even comes back on course after taking a turn? Do you know that there's silken magic in its Dynaflo Drive*?

Do you know how many miles it can get from a gallon of gas? Do you know that it has a Million Dollar Ride? Mister, if you haven't found out such things, you're missing a lot of fun every mile you drive. You're missing the fun of bossing around a big hoodful of high-compression, valve-in-head Fireball 8 Engine. You're missing the fun—and comfort—of riding on four big, soft, easy-acting coil springs. You're missing the fun of feeling daisy-fresh with half-a-thousand thrilling miles behind you. You're missing, in short, the fun of owning a Buick.

And it's nobody's fault but yours because—at the prices we're asking for this beauty—you can afford a Buick if you can afford any new car. How about checking up on what you've been missing?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.
