

THE BALLINGER LEDGER

BALLINGER, TEXAS, THURSDAY, AUGUST 28, 1952

NO. 45

Patrons Asked to Cut Water Consumption

The Ballinger city commission is asking for a voluntary reduction in the consumption of water commencing next week. It will be necessary to stop pumping from the Elm Creek lake Monday and the pumping facilities at the Valley Creek lake cannot supply the amount of water which has been used daily here for several weeks.

City water department officials point out that only about 1,250,000 gallons can be pumped daily from the Valley Creek lake and consumption here the past month has been 1,500,000 to 1,700,000 gallons daily.

Those who have observed the situation closely believe that if citizens will be careful there is little danger of yards or shrubbery suffering. It was pointed out that a check-up this week revealed many people wasting water. In some instances water was left running, a stream extending several blocks along the pavement. Others leave sprinklers running while they attend picture shows or ball games.

Starting Monday, all patrons are asked to be as saving as possible and it is hoped that daily consumption will drop below the 1,250,000-gallon mark. If it does not, restrictions

will have to be imposed as the pumps will not furnish more than this amount each 24 hours.

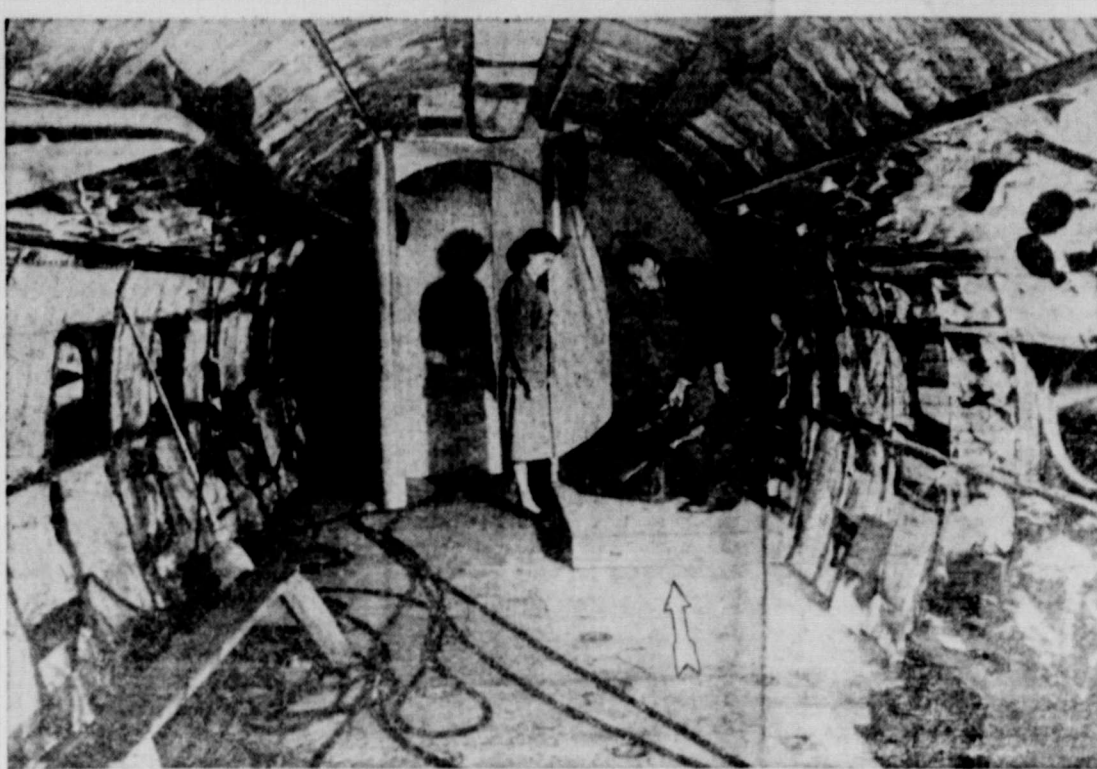

A few people have inquired about the small amounts of water being shipped to Talpa and Paint Rock. All this would not amount to as much in a month as has been pumped from the Elm Creek lake in a single day. Talpa receives about 10,000 gallons a day and this is sold there at the rate of \$4 per 1,000 gallons. The use there is limited to drinking water and household needs and none is wasted.

Paint Rock gets only about 500 gallons a day for drinking purposes only.

The schools, county and cemetery have been taking about 6,000,000 gallons monthly. The schools will use much less after Monday.

Every effort will be made to supply local requirements without damage to yards, trees and shrubs. Mayor Bill Moore said Wednesday that if all citizens would cooperate and use water sparingly there would be enough for the remainder of the high consumption period.

As soon as consumption drops to a point where it can be safe, additional pumping facilities will be installed at the Valley Creek lake.

KING'S PLANE... An unglamorous plane of World War II vintage has been converted into the world's most luxurious aircraft—the royal "flying carpet" of King Saud of Saudi Arabia. Above is a picture of the plane under construction. This interior view shows the door into the royal suite and the platform (arrow) which is to hold the king's throne. King Saud is one of the world's richest monarchs. His wealth is derived from vast oil fields now under management of an American oil company.

Harman Park Buildings To be Sold to Bidders

The city of Ballinger will accept bids on the houses and furniture at Harman Park until 9:30 a. m. September 16. There are 11 buildings in the group and bidders may submit proposals on single buildings with contents or on the entire group.

Those purchasing the buildings and furniture must sign a contract that they will be moved outside the corporate limits. This is done to protect local taxpayers who own rental property. It also is to assure home-owners that one of the well depreciated buildings will not be located in a residential section where it would mar the attractiveness of the surroundings.

Harman Park was recently deeded to the city by the public housing administration. In the transaction the city was out a small amount of money which it is hoped to recover by selling the house and furnishings.

As soon as sales are made the buildings are to be removed from the city land upon which they are now located.

Until a few months ago most of the apartments were rented, but since the city became the owner no houses were rented and tenants were asked to vacate as fast as possible.

Mayor Bill Moore pointed out that the houses would make ideal labor housing on farms. Many farmers provide similar shelter for extra labor during rush periods.

All the houses are wired for electricity, piped for gas, and have fair furnishings, including cook stoves, water heaters and refrigerators.

Anyone interested in making a bid or one or more houses can get full information at the city hall or may arrange for an inspection of one or all of the apartments.

'Ladies Night' Set By Ballinger Lions For Friday Night

The Ballinger Lions Club will have anniversary and ladies' night tomorrow (Friday) at the junior school cafeteria, starting at 7:30. Each year the club observes its anniversary with special guests and a special program.

Mrs. W. E. Elkins will be in charge of serving the meal and will have a staff of school workers on duty for the first time since the closing of schools last May.

Louie Throgmorton, of Dallas, a popular after-dinner speaker will make the main address. He is one of the most sought entertainers in the state and provides good clean humor in a manner that delights audiences. A date was made with him several months ago in order to secure his appearance on the club's anniversary.

Premium is Paid For 1st 1952 Bale Raised in County

The Ballinger Chamber of Commerce has issued a check in the amount of \$25 to Garland Neff, of the Rowena community, for the first bale of cotton produced in the county in 1952.

At the time the bale was ginned at Rowena, a misunderstanding occurred which was corrected as soon as it came to light. The local committee had offered a premium for the first bale from the Ballinger trade territory, ginned at Ballinger. Shortly after the Neff bale was ginned at Rowena, two bales were brought here at the same time and a full premium was paid each of those owners.

In presenting Mr. Neff with premium money, he was also recognized as the producer of the first bale in this trade territory. Apologies were extended for any misunderstanding which had arisen and a committee visited Rowena to call on leaders there and to contact Mr. Neff in person.

In part the chamber of commerce letter stated: "As a chamber of commerce, our primary interest is in the growth and development of Ballinger and its trade territory, of which the fine people of Rowena are certainly an integral part. We have long appreciated the splendid cooperation given to Ballinger by the people of Rowena on projects of mutual interest. We hope that this spirit of cooperation may forever continue and that it may grow to the greater benefit of both communities."

Roping and Other Western Contests Billed Here Again

Officials of the Ballinger rodeo arena announced that roping contests and other events will be resumed next Tuesday night. A new bunch of calves has been secured and some of the best ropers in the country will be seen in action at each program.

In addition to the jack-pot roping, ladies' barrel races, bronc riding and other rodeo events will be included in the programs. The performers will be on hand each Tuesday and Friday nights for full shows. Starting time is 8 p. m. The new calves are fast and big and there will be plenty of excitement each night. Fans are urged to support these contests and program leaders will see that some of the outstanding ropers in the state are here in each show.

The arena is located on the Bronte highway just west of the baseball park.

DR. TAYLOR NAMED SEAL SALE CHAIRMAN

Officials of the Rannels County Tuberculosis Association announced this week that Dr. A. T. Taylor had been appointed seal sale chairman for the ensuing year.

Dr. Taylor has accepted the appointment and will start soon preparing for the annual campaign which opens in November and continues until after the Christmas holidays.

American Legion Officers Elected For Ensuing Year

The Ballinger American Legion post held its regular August meeting Tuesday night for the purpose of electing officers, hearing reports on the state convention and attending to routine business.

Eugene Loika was named post commander and will begin the duties at the next meeting. He has served the past year as vice-commander and chairman of the entertainment committee. Other officers to serve with him for the next year are:

C. R. Stone, first vice-commander
Hugo Braden, second vice-commander
D. B. Crockett, third vice-commander
Price Middleton, adjutant
Troy Simpson, finance officer
Deibert Vancil, sergeant-at-arms
O. C. Sykes, chaplain
D. G. Posey, service officer
Frankie Berryman, child welfare
Jerry Hampton, historian
Jack Nixon, Jr., retiring commander, and Loika gave a detailed report on the state convention held at Dallas two weeks ago.

The Legion Auxiliary will meet later to elect officers and appoint committees.

Labor Day Closing To be General Here

Ballinger business houses will be closed Monday to celebrate Labor Day. This holiday was set up by directors of the chamber of commerce in January after a number of firms stated they would be closed whether it was a general holiday or not. It is the first time that Labor Day has been taken as one of the regular holidays here.

As soon as the city-wide holiday was announced, Supt. Ernest Caskey stated that school would be postponed one day in order not to interfere with local activities. School opening is Tuesday, September 2.

A check-up with Jack Pridden, manager of the chamber of commerce, Wednesday, revealed that no complaints has been registered in regard to the closing Monday and indications were that all firms would suspend business for the day. The closing will provide a double holiday for local workers.

PARKER WOODWARD DIES AT BUENOS AIRES HOME

Mrs. C. W. McAden has been informed of the death of her uncle, Parker Woodward, at his home in Buenos Aires, Argentina. The date of his death was not given in the message received here but it occurred suddenly on the day before he was to sail for the United States.

Decedent was 76 years of age and had been in excellent health. He was a pioneer of this county but for many years has been making home in Argentina and all members of his family are there.

Mr. and Mrs. Loyd Howland and sons, Tom and Dan, left Friday for their home in Sioux City, Iowa, after spending two weeks here, visiting in the home of Mr. and Mrs. Paul Williams and son, Stephen.

Monday, Tuesday Will be Opening Dates for Schools

County Superintendent W. E. Elkins said Monday that the schools at Olfen, Miles, Rowena and Norton would be opened Monday, and at Winters, Wingate and Ballinger, Tuesday. For some of the schools teachers were still being sought but were expected to be contracted by the opening date.

Lunch rooms will be operated in all schools of the county and staffs are lined up and ready to look after this phase of the work.

Mr. Elkins stated that a temporary method had been set up to distribute surplus commodities during the first semester. This plan will be followed until the January session of the legislature when the state will be asked to finance and provide facilities for handling these foods. Some school officials believe considerable surplus foods can be handled by the temporary method for the first few months of the term.

Opening enrollment in all the schools is expected to be near that of last year.

Home Furniture Remodeling Two Store Buildings

The Home Furniture Co. started remodeling two buildings this week to obtain more room and provide better displays for merchandise.

The store management recently purchased the building occupied by the Jacob Food Market which faces on Seventh Street. This building is being made ready for a store to handle used furniture and low priced articles. A complete display will be kept in the new building which will be staffed with salesmen.

A building at the rear of the main Eighth Street Store and facing on Railroad Avenue is being remodeled. A new front will be built, new ceiling installed, floor covering laid and the space turned into a display and salesroom for linoleum. This building will be connected with the Seventh Street building by a rear opening.

The additional room will make possible a better display in all stores and will solve a crowded condition which has existed for some time.

Special Baseball Feature Tonight; Scouts Sponsors

Tonight will be appreciation night at Cat Park and the attraction will be a baseball game between the Ballinger-Winters team and the Miles Giants, both of the Concho Basin League. Game time is 8:15 p. m.

Sponsored by the Boy Scouts of troop 30, the affair is in honor of the boys who made baseball possible here this summer. Fans have been able to see good games the past three months and extra good contests have been played. It also is the reason for putting Cat Park in condition and maintaining it for the future.

Scouts started a ticket sale Wednesday morning and are to share in the proceeds with the players. All fans are urged to attend this game and help show the young players that their efforts were appreciated.

The regular season of the Concho Basin League ended Sunday, the locals barely missing the play-off series.

STORES TO BE CLOSED ONE HOUR LATER SATURDAYS

Ballinger dry goods, hardware, variety and auto parts stores will be closed one hour later on Saturday nights hereafter. Starting August 30, stores will be open until 8:00 p. m. instead of the summer closing time of 7:00 p. m.

A meeting of the retail store managers was held Tuesday morning at the chamber of commerce office when agreement was reached on the time.

Previously the stores have been closed earlier, but due to the double holiday this week-end and school starting Tuesday stores will be open Saturday night until 8:00 to accommodate late shoppers.

Producer at Maverick Possible Field Opener

Oil interest around Maverick reached a high pitch when the Thomas D. Humphrey No. 1-D, O. Lee flowed oil into the pits after encountering pay at 5,108 feet, the first of the week. Gas surfaced in three minutes and oil began flowing in 50 minutes on a drillstem test. Production, from lime, flowed eight minutes before being shut off. No estimate has been made of concrete poured and a spudder is to be moved to the location to drill in the well.

The rotary rig has been skidded over to the A. E. Rusk place to start an offset.

Trouble was encountered in Aster Oil Co. and Anderson & Clayton No. 1-Hugh Campbell after drilling into production in the Serratt sand last week. The casing pulled in two at slightly below 2,100 feet and Tuesday the rotary rig was replaced on the location and will drill from the top of the casing in the

hole at an angle. This will require a little over 300 feet of new hole.

Union Sulphur & Oil Co. No. 21-O. C. Sykes was completed the past week-end for a daily flow of 225 barrels of 42.6 gravity oil. Production is from perforations between 3,901 and 3,918 feet.

B. C. Morrison No. 4-J. T. Brandon, Cree-Sykes field, was completed for a flow of 106 barrels per day of 41.7 gravity oil. Top of pay is 3,870 feet.

American Trading & Production Co. No. 7-P. R. Dietz, in the McMillan sand field, was finished for a daily flow of 246.01 barrels of 46.4 gravity oil. Top of pay was encountered at 2,470 feet.

T. F. Grisham No. 1-C. C. McKnight, wildcat, 2½ miles northeast of Crews, is projected for 3,900 feet.

American Trading & Production Co. has staked its No. 9-P. R. Dietz, one location east of production in the McMillan field.

Opening of Schools Scheduled Tuesday

Supt. Ernest Caskey stated Monday that everything was ready to start the fall semester of the Ballinger schools next Tuesday. The opening was postponed until Tuesday because the business district is observing Labor Day (Monday) as a holiday.

The faculty is complete, and while Supt. Caskey is keeping his fingers crossed every time he opens mail, no resignations have been received.

He will meet the faculty of the negro school at 10 a. m. Monday to give full instructions. At 1:30 p. m. Monday he will meet all other teachers for a short general conference and this will be followed by separate sessions, principals of each school meeting with the teachers.

Mr. Caskey said all summer work had been completed on buildings and grounds and that every effort would be made to get started with the least possible delay.

All students will be enrolled

in their classes Tuesday morning and the day's routine will be rushed through by noon. Buses will be operated Tuesday morning and will return pupils to their homes at noon. Regular classwork will start Wednesday morning, the full day's schedule to be followed in each building.

The lunch rooms will serve meals Tuesday for teachers and a few students who make arrangements for their noon meal. Both cafeterias will begin operations for all students on regular schedule Wednesday.

Football practice will commence Monday when coaches are to issue equipment and begin drills. The school paper staff began selling ads for the year last week and is preparing for the first issue of Cat Tracks soon after the term is underway. Members of the high school band and the pep squad will start intensive work to get ready for the football season.

The Ballinger schools have a faculty of 65 as the 1952-53 term begins.

Home Demonstration Clubs Offer Skits at Encampment

The annual encampment for Women's home demonstration clubs of Rannels county closed Thursday afternoon after a two-day program.

Members registered at the American Legion hall in Bruce field Wednesday evening at 7 o'clock with their families as special guests. A picnic dinner was spread and served to all present.

Following the evening meal, clubs presented original skits which provided good entertainment.

The Olfen club presented a wedding complete with the complacent bride, the jittery groom, the excited father, the over-anxious mother, the talkative little brother and the minister. All performers were in costume.

The Bethel club offered a playlet in which a boy gave his girl a ring, a bad man stole the ring, officers recovered it and arrested the thief with only the word "ah" being spoken.

Crews club members presented a shadow graph of a surgical operation in all its gruesome details.

The South Ballinger club's skit was about an old time one-teacher school with the players dressed as small children.

Friendly Neighbors club members modeled Hedda Hopper habits.

The Rowena Club gave a revue of the maidens of 50 years ago with the boy-crazy girls dressed in costumes of the 1900 period. One of the dresses worn was actually 54

years old. Twelve members spent the night at the clubhouse, the others returning home with their families and coming back early Thursday morning.

At 9:30 Thursday morning the group went to the new home of Mrs. J. W. Little, home improvement leader of the Bethel club. From there they went to the home of Mrs. Elliott Kemp to see a landscape demonstration.

The group returned to the hall for a fried chicken dinner. Guests for the noon meal included Mr. and Mrs. Tom Agnew, Mr. and Mrs. Troy Simpson, Mr. and Mrs. Price Middleton, Messrs. John Barton, H. W. Rappy, Clyde Chapman, Frankie Berryman and Dalton Crockett.

A short business session was held by the county home demonstration council in the afternoon, Mrs. Thomas Egan presiding. Mrs. Calton Smith reported on plans to raise funds for the council budget, each club member to share in the council expenses for the ensuing year. This fund provides for expenses of three delegates to the state meeting at Kingsville, which closes today. The delegates are Mrs. B. M. Batts, Mrs. W. J. Curtis and Mrs. Charles Dankworth.

Mrs. E. T. Tickle and Mr. and Mrs. Harris Carter and children, of San Angelo, visited here last week with Mr. and Mrs. M. H. Tickle.

Dr. and Mrs. George McCulley, of Kingsville, are here for a visit with relatives and friends.

Agnew-Guynes Nuptial Rites Performed at Church

Miss Nancy Guynes became the bride of Thomas Wesley Agnew, Jr., at 8 o'clock Saturday evening in the First Methodist Church. The Rev. Hubert C. Smith, pastor, performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. James Wright Guynes. Mr. Agnew's parents are Mr. and Mrs. Tom W. Agnew, Sr.

Vows were repeated before an altar decorated with an arch entwined with lace fern and centered by palms. In the foreground were baskets of white chrysanthemums with large pink satin bows attached. The setting was completed with candelabra holding white tapers. Pews were marked by white satin ribbon streamers.

Mrs. D. L. Alford, Jr., of Caldwell, sister of the bride, played "Ave Maria" and traditional wedding marches. She also accompanied Mrs. Jack

Nixon, Jr., soloist, who sang "Because," by a Hardlot, and "The Lord's Prayer" by Malotte, for the benediction.

The bride, given in marriage by her father, was gowning in an ivory satin and imported antique Alencon lace bridal gown. The bodice of satin was frosted with the lace and extended into the tulle yoke of the bodice. The long crushed satin sleeves were applied at the deep petal points with the same lace, and the voluminous satin skirt worn over hoops and crinoline swept into a formal length train.

Her veil of imported illusion cascaded to fingertip length from a shirred calot encrusted with seed pearls. The veil was worn by Mrs. Barry Williams, sister of the bridegroom, at her wedding. For something old she carried her maternal grandmother's white Bible, which her two sisters, Mrs. Alford and Mrs. Powell Wear, had carried at their weddings.

SUGAR AT ITS BEST!

topped with stepanotis and lilies of the valley centered with a white orchid.

Mrs. Williams, sister of the bridegroom, was matron of honor. Miss Pat Caudie was maid of honor. Bridesmaids were Mrs. Wear, sister of the bride, Mrs. C. Wayne Fowler, Jr., Miss Mary Frances Clark, and Miss Gaye Wilburn, the latter three of Dallas.

Bridal attendants were identically gowned in blossom-pink satin and nylon net formals. Full gathered skirts, accented with pink satin roses and worn over hoops, flared from fitted strapless bodices. The shade of the gowns was repeated in net stoles and tiny net bonnets with side clusters of roses. They wore pale pink linen pumps, and carried pink carnation nosegays tied with lacyon tulle.

Jaynece Guynes, of Grand Prairie, niece of the bride, was flower girl. Her white organdy floor-length dress had a pink velvet sash. She wore pink slippers and carried a white basket of pink rose petals.

Tommy Selby, son of Mr. and Mrs. W. N. Selby, was ring-bearer.

Tom W. Agnew, Sr., attended his son as best man. The bride's three brothers, H. K. Guynes, of Grand Prairie; Major Joseph Guynes, of Oklahoma City; and M-Sgt. Charles M. Guynes, of Palm Beach; Powell Wear and Dr. E. W. Stasney were groomsmen.

Candlelighters were Lee Alford, III, of Caldwell, and Steve Guynes, of Grand Prairie, nephews of the bride.

Mrs. Guynes, mother of the bride, wore a floor-length gown of gray lace and chiffon. Her hat and gloves were of purple, and her corsage was an orchid. The bridegroom's mother was gowning in floor-length navy lace and taffeta. She wore a pink feather hat and long pink gloves. Pink rosebuds formed her corsage.

Mrs. Alford, the bride's sister, was gowning in mauve tulle over matching lace with a Spencer lace jacket. Her flowers were American beauty roses.

Mrs. J. H. Conway, of Bryan, aunt of the bride, wore a gray and canary yellow net over taffeta with scattered rhinestones for ornaments. Her corsage was a yellow rosebud.

At the wedding reception in the banquet rooms of the Central Hotel, Mr. and Mrs. Guynes were assisted by Mr. and Mrs.

D. L. Alford, Jr., of Caldwell, Receiving were Mrs. Joe Guynes, Mr. and Mrs. Powell Wear and members of the wedding party. Mrs. H. K. Guynes registered guests in the bride's book. White and pink chrysanthemums decorated the room. The bride's table was laid with a white ruffled organdy cloth and centered with an arrangement of pink asters flanked by silver candelabra holding white tapers. White wedding bells marked the table corners.

Ruffles of sheer plastic lace outlined the base of the four-tiered cake. Calla lilies and lilies of the valley were interspersed with loops of icing in festoons on the sides of each tier, which was topped with a miniature bride and groom. Mrs. L. M. Bowden and Mrs. Earl Barr presided at the punch service and served the wedding cake. Assisting in serving were: Mrs. Walter Duke, Mrs. Dave Costlett, of San Angelo; Mrs. Latham Flynt, Mrs. W. N. Selby, Mrs. B. M. Batts, Jr., Mrs. Jack Kopecky, of Elgin; Misses Mary Jo Forman, Wilma Duke and Billie Marie Selby.

For her wedding trip to Clouderoft, New Mexico, and the Davis Mountains, the bride wore a brown suit interwoven with lighter brown threads and topped with a white pique collar. Her brown velvet hat had a bead trim. Other accessories were brown lizard. The bridal orchid was her corsage.

The couple will be at home in Dallas following their wedding trip.

Mrs. Agnew was graduated from Ballinger High School and North Texas State College, Denton, where she was a member of Zeta Pi Gamma sorority. She is a teacher at Roger Q. Mills School, Oak Cliff, Dallas.

Mr. Agnew was graduated from Ballinger High School and the University of Texas. He was a member of Phi Kappa Psi. A student at Baylor Dental School, he is a member of Psi Omega Dental fraternity.

Out-of-town wedding guests were: Mr. and Mrs. M. B. Wilson, Sandegson; Mr. and Mrs. Barry Franeks, Brady; Mr. and Mrs. J. H. Conway, Bryan; Mr. and Mrs. Gus Kellogg, Houston; Mr. and Mrs. H. K. Jimmy Agnew Complimented at Bachelor Luncheon

Thomas Wesley (Jimmy) Agnew, Jr., who married Miss Nancy Guynes Saturday evening at the First Methodist Church, was complimented at a bachelor luncheon at which his uncle and aunt, Mr. and Mrs. H. G. Agnew, were hosts in their home on Sixth Street.

Garden flowers were used to decorate rooms where Mrs. Bob Agnew, of Austin, assisted in serving the buffet luncheon. Others besides the bride-

groom-to-be and his father, Tom W. Agnew, were Messrs. Gus Kellogg, of Houston; J. H. Conway, of Bryan; J. W. Guynes, H. K. Guynes, of Grand Prairie; Joseph B. Guynes, of Oklahoma City; M-Sgt. Charles M. Guynes, of Palm Beach, Florida; Powell Wear, D. L. Alford, Jr., of Caldwell; Bob Agnew, of Austin; Rev. Hubert C. Smith, Dr. E. W. Stasney, and Johnny Earnshaw, of Dallas.

Coke Party in Simpson Home Honors Guest of Grindstuffs

Miss Jeannette White, of Fort Worth, was honored Friday morning at a Coke party given by Mrs. Troy Simpson. The affair was held in the Simpson home in Wilke Terrace.

Miss White, a student of Baylor University, Waco, is in Ballinger as the house guest of Mr. and Mrs. E. C. Grindstaff and son, Everett James, who is also a student at Baylor University.

Green and gold, the colors of Baylor University, were featured in room decorations and table appointments. The dining table was centered with gold zinnias combined with greenery, where Mrs. Grindstaff assisted in serving canapes and open face sandwiches with coca colas.

A hostess gift was presented the honoree and to Miss Nancy Guynes, bride-elect of Jimmy Agnew.

Patsy Darby Entertains Friends at Coke Party

Patsy Darby was assisted by her mother, Mrs. Cecil C. Darby, in entertaining a group of friends at a coke party in the Darby home Tuesday morning.

Games of bingo, maestro and original games were played. Those taking part in directing and imitating were: Patsy Lou

Ashton, Midge Adair, Margo Brunson, Patsy Darby, Jere Sommers and Nita Duke. Mrs. Darby served cookies with coca colas to those previously mentioned and to: Marilyn Mason, LaNeil and Barbara Holbrook and Frances Allen.

Strake Oil Co. Employees and Families Complimented
Ralph Crockett and Dick Thompson were hosts to

employees of the George W. Strake Oil Co. at Winters, and their families last Friday evening. The affair was held in the garden at the home of Mrs. Tom Crockett in South Ballinger.

The fried chicken menu with all trimmings and ice cream and cold drinks was served following an informal get-together.

Guests were: Messrs. and Mmes. Dick Thompson, Wayne Larsh, Wilbur Martin, R. D. Markd, Horace Coleman, Gary D. Simpson, James C. Colburn, Grady Byers, Charlie Awalt, Bill Halbert, Jack Patton, Miss Wanda Bredemeyer, Miss Naomi

FURNACES LIGHT UP... James Madison, a first helper (left), and Foreman Art McKinney light one of the big open hearth furnaces at the Homestead works of the Carnegie-Illinois Steel Company as the steel industry slowly started to come to life after the recent strike. The industry is now in full production after the strike that idled nearly 2,000,000 men in steel and allied industries. The strike lasted for 53 days and cost millions in lost pay and defense production.

Something significant for the occasion was that there were five generations present, and each one was the eldest member of that generation. These were the honor guest, Mr. Witt; his eldest daughter, Mrs. Peppers; his grandson, Willie Peppers, of Alvarado; his great-granddaughter, Mrs. Joe Davis; and Joe Harold Davis, great-grandson, of Alvarado.

The other grandchildren were Mrs. Bill Hardin, of Alvarado; Mrs. Glen McClelland, of Ballinger; Bert and Catherine Witt, of Ballinger. Other great-grandchildren are Charles Peppers, Mrs. David Carlisle, Keava and Jane Self, all of Alvarado; and other great-great grandchildren are Joe Harold Davis and David Ray Carlisle.

Mr. Witt's only sister, Mrs. T. S. Davis, was also present, and others were Bill Hardin, Glen McClelland, Joe Davis, W. B. Keesee, Mrs. Bert Witt.

The birthday dinner and supper were served along with the pretty birthday cake. Pictures of the five generations and group pictures were made.

Virginia Douglass Class Elects Officers

Mmes. John Bradley, Earl Barr, Grady Richards, and Herbert F. Tickle were hostesses to the Virginia Douglass Class of First Methodist Church at the regular meeting held in the Bradley home on Tenth Street Monday evening.

Arrangement of white mums decorated rooms where Mrs. Lewis Brown conducted the business and heard a report given by the nominating chairman, Miss Ann Middleley. The following new officers were elected: president, Mrs. R. A. Bagwell; vice-president, Mrs. George Newby; secretary, Miss Bonnie Clark; assistant secretary, Mrs. Pauline Richardson; treasurer, Mrs. M. E. McClenny; and teacher, Mrs. J. W. Guynes. Officers for the ensuing year will be installed at the September meeting.

Mrs. G. M. Hargus gave the devotional, "Recipe for Daily Living," and Mrs. Price Middleton brought the lesson.

At the social hour, hostesses served a sandwich plate with cookies and punch. Others present were: Mmes. J. W. Guynes, Hill Hampton, W. E. Moss, E. L. Rumpy, Ted Thadale, Flay Byvard, M. E. McClenny, Bill Witter, Ruel Boswell, Tom McEntire, R. A. Bagwell.

REV. RUE TO RETURN FOR SERVICES SUNDAY

Hardeman Details Second Amendment To be Considered

Following is a review of the

second proposed constitutional amendment to be voted on at the general election in November. The report on clauses of this amendment was written by State Senator Dorsey B. Hardeman, 25th district. "Another of the proposals

Jones Parrish

TENTH AND HUTCHINGS

would authorize workmen's compensation insurance for municipal employees, either by being provided by the municipality itself or by procuring such coverage from a private insurer.

"The policy of this type of insurance has long since been recognized in private industry. It has afforded the worker protection and has also given industry an opportunity to limit its liability, thereby providing a practice of mutual security between employer and employee, in the event of injury or mishap to the individual covered.

"The proposed amendment would extend this policy and the benefits to the employees of cities, towns and villages, and at the same time, authorize such municipalities to provide for or set up their own insurance risks for all such employees. Naturally, if this latter procedure is adopted, a new bureau or board for the administration thereof, will inevitably follow.

"It would seem better, that such insurance be obtained from private sources, in any

event. "There is no sound reason for depriving such public employees of insurance protection. Workmen's compensation insurance is now authorized for state and county employees. The source of such insurance, necessarily, would be determined by the duly authorized and elected officials of the various municipalities."

'Has Anybody Seen My Gal' Roaring 20s Comedy Opens at Texas Sunday

Universal has reached back to 1928, period of raccoon coats, rah-rah boys, speakeasies and the Charleston, to put the nostalgic comedy-drama, "Has Anybody Seen My Gal" on the screen. The Technicolor hit, starring Piper Laurie, Rock Hudson, Charles Coburn and Gigi Perreau, is booked at the Texas Theatre Sunday and Monday, August 31, September 1.

"Has Anybody Seen My Gal" relates the amusing problems faced by the members of a small town family when an unknown benefactor turns over \$100,000 to them.

Song favorites of the roaring 20s also add flavor to the production, including "Five Foot Two, Eyes of Blue," "When the

Red, Red Robin Comes Bob, Bobbin' Along," "Gimme a Little Kiss, Will Ya, Huh?" "It Ain't Gonna Rain No More," and "Tiger Rag."

Lynn Bari and William Reynolds head the large supporting roster.

Universal's "Red Ball Express," being screened at the Texas today, tomorrow and Saturday, is the dramatic story of an emergency unit of the U. S. army transportation corps that carried desperately needed gasoline and supplies to Gen. Patton's tanks which had outrun their supply lines during a breakthrough in World War II. Jeff Chandler, Alex Nicol, Judith Braun and Charles Drake are starred in this first-run film.

Compelling Suspense Drama, 'High Noon,' and Five-Star Comedy Hillcrest Offerings for Week

For the first time in the history of motion pictures, Stanley Kramer's "High Noon," opening a three-day run at the Hillcrest Drive-In Theatre today, the period covered by the film is exactly the same as the running time of the picture itself. The entire action of the picture takes place within an eighty-five minute period of almost unrelieved suspense, culminating in a gun duel at high noon. The film runs exactly 85 minutes.

A United Artists release, "High Noon" stars Gary Cooper and features Thomas Mitchell, Grace Kelly, Lloyd Bridges and Katy Jurado.

What happens to five couples who, after several years of wedded life, learn that the ties that bind them are not legal? That's the core of "We're Not Married," big all-star comedy from 20th Century-Fox, to be shown at the Hillcrest Sunday and Monday, August 31, September 1. This is a first-run picture in Ballinger.

"We're Not Married" is said by preview critics to be a delightful romp, expertly played by a cast with top names. The stars include Ginger Rogers, Fred Allen, Victor Moore, Marilyn Monroe, David Wayne, Eve Arden, Paul Douglas, Zsa Zsa Gabor, Eddie Bracken, Mitzzy Gaynor and Louis Calhern. An

The sleeping-pill habit

Sleeping pills, unless taken under a physician's supervision, may be harmful. Foolish is the man who, without medical advice, thinks he must have one at bedtime. Although they are not habit-forming in the same sense as morphine, a psychological addiction often develops, especially in weak-willed individuals. When prescribed by a physician during illness, sleeping pills produce much-needed sleep and rest. On a physician's imaginary list of most important drugs, barbiturates rank high. But never take one unless it is ordered by your doctor. Only then is it safe.

Fontaine, Milland Star In Provocative Drama

A searching romantic drama that daringly deals with the seldom-mentioned problems of modern marriage will occupy the screen of the Texas Theatre next Tuesday and Wednesday, September 2, 3. The feature is George Stevens' "Something to Live For," a Paramount picture starring Joan Fontaine, Ray Milland and Teresa Wright in an absorbing story of a young executive, his wife, and the "other woman." Featured players include Richard Derr, Her-

bert Hayes and Douglas Dick.

In his sensationally successful "A Place in the Sun," Producer Stevens frame a memorable commentary on the trials and confusions besetting modern youth. In "Something to Live For," he dramatically uncovers the forces that can shelter an ideal marriage.

It Means So Much - To So Many!

In all the history of the world's commerce, it is doubtful whether another manufactured product has ever had such a hold on the affections of its owners as the Cadillac car.

There is a well-to-do gentleman in a southern state, for instance, who will permit no one to minister to his Cadillac except himself—other than for its mechanical needs. He washes it, polishes it and cleans it... himself.

There is a family in New York which has owned a long series of Cadillacs to which have been given the names of people—because they regard their cars as all but members of the household.

There is a professional man in a mid-western state who insists that his whole life changed for the better when he got his Cadillac.

These are but typical of innumerable instances of the deep regard in which Cadillac owners hold their cars. The loyalty and respect a Cadillac engenders are extraordinary indeed.

You might well ask what there could be about

a motor car to make it mean so much to so many.

The answer is not far to seek. Because of its world-wide standing as one of life's better things, it reflects credit upon its owner and indicates that he is a person of substance and good taste.

Because it performs so well and so dependably, it is conducive to his desire to travel and to see the world—an inspiring companion for his daily movements among his fellows.

Because it is beautiful and luxurious, it is a joy to own and a pleasure to contemplate.

Standing in his driveway, rolling down the streets of his favorite city, or parked at the entrance to a distinguished club or hotel—it is a credit to his judgment and a testimonial to his work.

No wonder he cherishes it, and thinks of it as all but a part of his own personality.

Don't you think that a car which can mean so much to so many could mean a great deal to you?

Better come in today—and talk it over.

BALLINGER-WINTERS CLUB LOSES PLACE IN PLAY-OFF

The Ballinger-Winters team of the Concho Basin Baseball League lost its chance for a place in the Shaughnessy play-off series Sunday when it was cut down by the Big Lake-Texon club by the score of 6 to 1. The two teams started the game tied for fourth place in the standings.

Archie Peel allowed Ballinger-Winters only two hits, a

single and a double, while Frank Taylor was being touched for ten base blows.

Bryan Electric defeated Miles to take first place for the regular season and win the league trophy offered by the San Angelo Standard-Times.

Dr. and Mrs. A. J. Tickle and daughter, of San Marcos, were here last week for a visit with Dr. Tickle's parents. He is employed by the Green Valley Cotton Co.

MAINE'S FIRST QUADS . . . Mrs. Elizabeth Pinkham, 35, holds her quadruplets born recently at the osteopathic hospital in Portland, Me. She lives with her husband, Silas, 45, and a daughter, Roxanne, 9, in a tiny, two-room cottage in the country town of Sandish. The three girls and a boy were reported in excellent condition and above average weight. The attending physician said, "We sort of expected twins, but I don't know how Pinkham is going to react to quads." He reacted as any husband would.

MIGHTY MUSCLE . . . Mayor Gerald Lucey of Rocky Marciano's home town of Brockton, Mass., feels the mighty muscle that kayoed Harry Matthews in the second round of their scheduled ten round battle. In winning the bout with Matthews, Marciano is now the nation's leading heavyweight contender and gains a crack at Joe Walcott's title. Walcott recently successfully defended his title in a battle with former champion Ezra Charles. No date has been set, as yet, for the Marciano-Walcott title fight.

Bureau Members Attend Program And Hear Talks

Runnels County Farm Bureau members met Thursday night at city park for their annual social gathering. The program opened with a fried chicken dinner at which 200 chickens were consumed along with the other food which had been prepared by officials. The chickens were brought by the families. About 500 people attended the program.

Marvin Carter, organization director for the state organization, was the principal speaker. He declared that the biggest national trouble was big government. He urged increased effort for legislation which the Bureau has been seeking and which would prove beneficial for farm families. This legislation includes a strong rural road program and a state tax on natural gas.

Farmers and ranchmen were urged to join the Bureau in order to better organize and also to add strength to their legislative efforts.

Joe Droll, local insurance representative, explained the Bureau plan for coverage.

For entertainment Steve Norman presented an act of magic and the Lone Star Male Quartet of Ballinger sang.

Special guests included Bob Lilly, field representative; and B. J. Gist, district director, both of Abilene.

SPECIAL SERVICES AT GRACE CHURCH

Special services are being held at the Grace Baptist Church under the direction of Dr. Horace C. Goodman, well known evangelist, Bible teacher and lecturer.

Dr. and Mrs. Goodman have been on the West Coast more than two years but both are native Texans and were both educated in Texas schools.

These talented people will be in Ballinger for the next ten days, teaching and lecturing on the Bible. The public is given an invitation to attend the services at the church on Tenth Street at 8 each evening.

Mrs. Goodman is a soloist and will be heard each night.

Notice to Bidders

Sealed proposals addressed to the Honorable Mayor and City Commission, of Ballinger, Texas, will be received at the office of the City Secretary until 10:00 a. m. September 16, 1952, from persons, firms or corporations interested in purchasing certain buildings or building, known as Harman Park, to be moved from the site. The city reserves the right to reject any or all bids and to waive formalities.

Information for bidders is on file at the office of the City Secretary.

Miss Halfmann, Paul Jansa
Wed at Olfen

St. Boniface Catholic Church at Olfen was the scene of the wedding service and nuptial high mass Tuesday morning at 8:30 o'clock when Miss Ethel Halfmann, daughter of Mr. and Mrs. H. E. Halfmann, became the bride of Paul Jansa of Rowena. The Rev. Fr. Norbert Wagner, church pastor was officiating clergyman for the double-ring ceremony. Daniel and Henry Halfmann, Jr., brothers of the bride, Bernard and Clyde Halfmann, cousins of the bride, served as acolytes.

Arrangements of white gladioli were used to decorate the altar lighted by white tapers in branched candelabra.

The bride, given in marriage by her father, wore an ivory satin gown with a fitted bodice designed with a sweetheart neckline outlined with tiny seed pearls and rhinestones. The fitted sleeves terminated in points at the hands. The very full skirt edged with lace extended into a cathedral-length train.

The fingertip bridal veil of illusion fell in tiers from a crown of orange blossoms. The bridal bouquet was of white carnations and lily of the valley surrounding a white orchid. Her only ornaments were a rhinestone necklace and matching earrings, a gift of the bridegroom.

Miss Lorene Halfmann, sister of the bride, was maid of honor. Bridesmaids were Miss Gertrude Jansa, sister of the bridegroom, Misses Gertrude and Patsy Halfmann, sisters of the bride.

The maid of honor wore a gown of toast nylon net over matching taffeta. Designed similar to the bride's gown. The bridesmaids wore Nile green, toast, and yellow, identically designed as the maid of honor. They carried white carnation Colonial bouquets with ribbons matching their gowns. Little Betty Ruth Halfmann, sister of the bride, was flower girl.

Stanley Lange, nephew of the bridegroom, was ring bearer.

Wilfred Schniers, cousin of the bridegroom, served as best

man and groomsmen were Hubert Lange, James Jansa, and C. B. Schniers.

Miss Beatrice Halfmann, cousin of the bride, was organist. She played the accompaniments for the church choir to sing the "Mass of St. Aloysius," and accompanied Misses Mildred and Dolores Hoelscher when they sang Rossini's "Ave Maria."

Following the nuptial mass, a reception was held in the Parish Hall. Mrs. Alphonse Jansa and Miss Beatrice Halfmann registered guests in the bride's book. Mrs. Wilfred Kitten presided at the punch bowl, and Mrs. Walter Lange, Jr., served cake squares iced in white and decorated with yellow florals and green foliage.

At noon a wedding dinner was served to relatives and close friends in the home of the bride's parents. The couple was honored with a dance at the Olfen Hall in the evening. After a wedding trip, the couple will be at home in Rowena.

Mr. and Mrs. Jansa are graduates of St. Joseph's School at Rowena.

On Sunday evening a supper was served at the bridegroom's home when the wedding couple and all the attendants, Mr. and Mrs. H. E. Halfmann, and relatives of the bridegroom were included.

MISS SCHAWA RETURNS FROM EXTENSIVE TRIP

Miss Olga Schawe has returned from a vacation spent in the southern states after attending the annual International Piano Teachers' Association convention at Washington, D. C., in July.

On her return route she took a plane from Miami for Havana, and spent some time sightseeing. Her last stop was at Brenham, where she enjoyed a Schawe family reunion.

After returning home her brother and sister-in-law, Mr. and Mrs. E. O. Schawe, of Kerrville; her sisters, Miss Louise Schawe, of Dallas, and Miss Willidell Schawe, of Wimberly, were visitors in the Schawe home. They returned to their homes Monday.

Guests in the home of Mr. and Mrs. Floyd Arthur and children have been Mr. and Mrs. John Scott and Mr. and Mrs. Darrell Ashley, of Santa Anna; and Mr. and Mrs. Jim Hoskins and children, of Talpa.

SERVING UNCLE SAM

S-Sgt. Richard Reader was a recent visitor in the home of Dr. and Mrs. R. P. Zedlitz. Sgt. Reader had been visiting his parents at Kingsville and was on his way to Roswell, New Mexico, where he has been assigned to Walker AFB. He recently returned from Korea, where he was a buddy with Cpl. Bill Halley Zedlitz, son of Dr. and Mrs. Zedlitz, who is still in the Korean theatre.

SFC Solomon J. Allbright, of Hatchel, has been awarded the medal for human action for his participation in the Berlin airlift while in the military police in the European command. His commanding officer, Capt. George R. Nelson, of MP company 8455, made the award at Killeen AFB recently. SFC Allbright attended high school at Winters and was a member of the Hatchel Baptist church. While in Europe he was married to the former Lill Coma, of Frankfur, Germany. They have one son, two years old.

Seaman Anita Wade, daughter of Mr. and Mrs. V. O. Wade, is at home on a 30-day leave. She has been stationed at Great Lakes, Illinois, following enlistment in the Waves last December. Miss Wade will attend a personnel school at one of the navy's training bases after her leave is up.

Mr. and Mrs. B. C. Colom received a letter from their son, Sgt. Howard Colom, who has been stationed in Germany for the past year. He is expecting to be returned to the United States within a short time. He is with the 78th division.

Jack L. Rudder, son of Mr. and Mrs. L. B. Rudder, of Ballinger, is one of the 45 Texans aboard ship for a two weeks cruise and training course. Rudder is a seaman apprentice and with a group of eighth naval district reservists who boarded ships at New Orleans last week for a training trip to Kingston, Jamaica. They will return on August 30. The reservists will be taught many drills and practices that make shipboard life safer.

STATE T.H.D.A. CONVENTION BEING ATTENDED BY THREE

Three Runnels county club members, Mrs. B. M. Batts, Mrs. W. J. Curtis and Mrs. Charles Dankworth, left Monday for Kingsville to attend the annual meeting of the Texas Home Demonstration Association. The Runnels countians will attend sessions three days and return home some time tomorrow.

Mr. and Mrs. W. C. Bryan, of San Angelo, met their daughter, Ann, in Ballinger Saturday and attended the wedding of Miss Nancy Guynes and Thomas Wesley Agnew, Jr. The Bryans are formerly of Ballinger. Miss Bryan, senior journalism student at Texas Technological College, was journalism counselor at Camp Mystic this summer, teaching journalism and editing the camp paper. She will return to Lubbock in two weeks and will be co-editor of the campus publication.

Mrs. Laura Crockett, Miss Maggie Taylor, Mrs. Tom Crockett and son, Ralph, visited relatives at Rowena and Miles the past week-end.

Tom McEntire, driver of the Ballinger fire department truck, and Police Chief Lee Moreland are in College Station this week, attending a short firemen's training course.

Miss Hattie Mae Dunlap, of Seminole, is here to visit her mother, Mrs. G. W. Dunlap, and her aunt, Mrs. Annie Arterburn.

Mr. and Mrs. M. E. McClenny and daughter, Carolyn, returned Saturday from a vacation trip to South Dakota, Yellowstone Park and other points of interest.

Camels and pigs are said to be unable to swim.

WEST TEXAS NOTES

Coleman firemen are urging full cooperation of the citizens in establishing a record low fire loss for the year. With approximately 8 months gone, losses there are less than \$3,000 at this time. The record for Coleman was established in 1948 when the actual loss totalled \$5,953. If the present record can be maintained, property owners probably will get an insurance credit. Coleman's heaviest loss was in 1950 when the total exceeded \$75,000.

At a meeting of the Rising Star Chamber of Commerce last week the annual fall fair was cancelled for this year. The

action was taken because of drouthy conditions and the few entries booked to last week. Members of the county's home demonstration clubs had stated they would help in every way possible but were at a loss on just what they could enter.

More than 3,000 people assembled at Comanche Friday for the annual meeting of the Comanche rural electric cooperative. The meeting of members and their families was held at Lake Eanes and in addition to the program and business session, an electric appliance show was presented under huge circus tents. There were approximately 15 booths showing the latest in home helpers.

Talpa grammar school students will start classwork in a new building, according to an announcement by Supt. Glynn Mitchell. The building is a remodeled version of the high school which has been reduced from a two- to a one-story building. There are three classrooms, a combination auditorium and visual education room and rest rooms. The building program also included a new teacherage, which will be occupied by the vocational agriculture instructor.

Arrangements are being made for the second home-coming of students of the Bronte high school on October 10. Last year, at the first meeting, more than 200 assembled for the program. This year more publicity has been given and an even larger crowd is anticipated. The program will feature a visit in the schools from 2 to 5 p. m. A banquet will be served at 6 p. m. and the ex-students will attend the Bronte-Trent football game at night. All former students of the school are invited.

Mrs. Leon Broughton was employed to teach at Winters last week and Supt. I. L. Lasser announced that several teachers are still needed. The list unfilled at that time included an elementary principal,

Ballingerites have been fortunate this summer in that no restrictions have been put on city water. An adequate supply has been made possible by use of the old Elm Creek plant and reservoir to supplement the Valley Creek facilities. There is possibly one more week of pumping left in the Elm Creek lake and after that the supply will be limited to what can be pumped by the new plant, approximately 1,300,000 gallons a day. Consumption is still running high and there is much water being wasted. It is not uncommon to see water running down the pavement to a storm sewer where sprinklers have been placed too near the edge of a yard. Some people turn on sprinklers and go to a movie, letting it run for two hours or more in one spot. No restrictions have been imposed but officials request that waste be eliminated and the department given every chance to supply the actual needs. It is believed that daily consumption will drop after school begins and this may solve the problem which will confront us when the Elm lake is sucked dry. Every person using city water is asked to cooperate and not let water run down the streets.

Runnels county was one of ten in Texas that did not hold a second primary Saturday. With all district, county and precinct races settled and only one state race to be voted on, chairmen of the 29 precincts decided the run-off was unnecessary. The new election code requires that no less than three people be employed in each voting box. In this county the rate of pay is \$3 a day and allows for overtime. At straight pay this would have cost \$696 in salaries alone. The additional cost of election supplies, the assembling for a canvass of the ballots and other expenses would make about \$1,000 for

the August election. Money for holding the two primaries is raised by assessments, mostly coming from county candidates. A saving on the second primary will mean a refund to them.

If the heat wave continues into September, teachers and students are going to find it uncomfortable crowded into classrooms without fans or other cooling devices. A check was run on some of the rooms with western exposures last week and during the afternoon they were unbearably hot. All schools here will open next Tuesday morning.

7 reasons Central Heating is your best buy

Now costs about same as several individual units required to heat entire home

- 1 Reduces wall sweating — Fuel burns in sealed chamber. Flue-vent carries water vapor out of doors.
- 2 Safe — Tested and approved by American Gas Association Laboratories for safe performance.
- 3 Clean — Filters remove dust and dirt from air. Drapes stay cleaner longer; almost eliminates dusting.
- 4 Automatic — Furnace fills house with warmth before you wake; turns down automatically when you go to bed.
- 5 Automatic ventilation, if desired — System takes in fresh air from outdoors, mixes it with indoor air. Ventilation is maintained through ducts without opening windows.
- 6 Healthful — Air is circulated gently from floor to ceiling; drafts and cold spots are banished.
- 7 Economical — Automatic temperature control turns fuel on and off as needed. A miser with fuel!

 DIESEL 2 1/2 TO 35 TONS
 Your key to greater hauling profits

PAYLOAD - 1195 extra pounds of it!

- to cut your costs, increase your profits!

GMC engineering brings you this great new Model 470 highway tractor that hauls up to 1,195 pounds more cargo than any other vehicle in the 45,000 gross weight class.

Here are the reasons why. It will pay you to study them carefully.

Sensational new engine. Model 470 is powered by GMC's new 145 h.p. valve-in-head "302" engine—the most powerful gasoline engine for its weight in truck history.

Maximum power-to-weight ratio. The "302" engine weighs as much as 500 pounds less than other engines of comparable power, due to new high efficiency design.

Highest compression—7.2 to 1—exceeds any other standard gasoline truck engine, accelerates faster. Delivers full power at an easy-stroking 3,200 r.p.m.

More ton-miles per gallon—less dead weight in engine and chassis means more profit in every mile.

Highest payload capacity—upwards of one-half ton greater than any other tractor of the same GCW rating.

Price—the biggest surprise of all. Compare the price you have to pay for this pace-setting GMC against the field. Nowhere else will so little buy so much in a 3- to 4 1/2-ton tractor.

Why not come in and see for yourself?

Bearcats Picked To Finish Fourth In District Race

Phil Collier, sports writer for the Fort Worth Star-Telegram, has picked the Ballinger Bearcats to end the season in fourth place in district 9AA. Collier places Brady, first; Winters and Coleman to tie for second and third slots; Ballinger, fourth;

and Lake View, fifth. After a check-up on the strength of all teams in the district he has made his selections on the number of lettermen and starters returning to each squad. Coach Chuck York, of Brady, will have 14 lettermen back along with a squad of big boys to make up ample reserve strength. The Winters Blizzards will have 12 lettermen as well as 5 of their regular starting lineup of last year, when they won the

championship. They also have good prospects in a large roster of big boys who have had experience on the B team and in junior play. Coleman is not out of the picture with 14 lettermen candidates for the 1952 team. In the list are 11 regular starters on the 1951 team. Lake View, picked to finish last, has 10 lettermen returning but only one starter from the 1951 team. Ballinger lost heavily by

CONVENTION OVER . . . With both political conventions over, Congress Hotel songstress Kay Martin takes time off to relax with a big, cool drink atop the breezy roof of the hotel. It was at this hotel that many delegates stayed.

OIL TANKERS ON FIRE . . . Fire raged over two Union Oil Company tankers after one of them was rocked by a series of explosions as both ships were discharging at the company docks at Oleum near Redco, Calif. The ships are the Lompoc and the Victor H. Kelly. The Lompoc left the pier under its own power while burning in the bow. The fire was brought under control in mid-stream. The Kelly, in the meantime, was unable to leave the pier and burned fiercely as shown in this air view.

Drought . . . and the price of Milk!

The milk producers of North Texas have asked processors for a price increase of 72c per hundredweight for Class I raw milk due to drought conditions and the resulting higher prices paid for feeds. Manager J. O. Woodman of the North Texas Producers Association advises that the price of No. 1 alfalfa hay has jumped from a range of \$23-\$25 a ton to \$50 a ton and that cottonseed meal has jumped from \$72.50 to \$100 a ton.

Without the requested voluntary 72c per hundred-weight increase, Mr. Woodman fears that many dairy herd owners will have to sell their cows for slaughter.

We of Safeway Stores believe that it is important to the economy and the health of this area that the dairy herds be kept intact; therefore, Safeway's Lucerne Milk Company plant, in an effort to help the herd owners through a distress period caused by the drought, has agreed to pay the producers their requested 72c per hundredweight increase in price for Class I raw milk.

Effective Monday, August 25th, the price of Lucerne milk at Safeway stores was increased to . . .

Lucerne homogenized or pasturized 25¢ quart
Lucerne homogenized or pasturized 49¢ ½-gal.

These prices are still 2c under the ceiling recently set by OPS in order to give the milk producers relief during this distress period.

graduation and this year has only 4 lettermen back, three of which were starters. Coach Douglas Cox expects a squad of 45 to report next Monday, including several good prospects, but will be handicapped by a starting team with scant experience. It is fortunate that all the first games of the season are non-conference and by the time of the first district game the locals will have considerable field experience.

Coaches of this district anticipate a hard time getting the boys in condition by the date of opening games on September 12. The heat will be rough on players at the beginning of the season and there will be only ten days to get into condition.

Season on Doves To Open Monday

The dove hunting season in this zone of Texas will open Monday, shooting to start at noon and continue until sundown each day. The season will end on October 10 and the bag limit remains at ten per day.

Hunters are not expecting too much luck in this immediate section. The summer has been dry and hot and there is practically no grain in the fields and little feed for the birds in the pastures. What few doves are still in the area are to be found at water holes late in the afternoons and hunters probably will be able to get the limit at these places for a few days.

Anyone who shoots doves outside his home county must have a license. Shotguns must be permanently plugged to three-shell capacity and no gun larger than a 10 gauge

may be fired. Doves were plentiful in this section until about a month ago when the extreme heat hit. Since then the number has decreased sharply. Some birds are still nesting, farmers and ranchmen report.

Local F. F. A. Boys Hold Last Meeting Of Summer Period

The Ballinger F. F. A. chapter held the last of its summer meetings Wednesday night of last week. Members discussed the national convention and participation in the livestock show at the 1952 Texas State Fair, Dallas.

Soon after school starts the chapter will hold its sweetheart contest and is also planning a party to be held in a few months.

Initiation of the chapter's greenhands will be held some time during the first semester.

LITTLE BROWN JUG . . . Excavations at Pompeii continue to reveal the arts and sciences of ancient Romans. The eruptions of Mt. Vesuvius in 79 A.D. "embalmed" the city in a sea of lava within a few hours' time. Maria Verde is shown inspecting a 2,000 year old "self-refrigerated" water jug. Of porous construction it allows water to seep into the jug's surface. Evaporation keeps contents much cooler than air temperature.

Charlie Berry has accepted a position at Hobbs, New Mexico. Mrs. Otto Wood and Miss Ophelia Dietz visited Boyd McClure, who is a patient in a San Angelo hospital, Friday.

Mr. and Mrs. Irvin Phipps and sons spent the week-end with her parents, Mr. and Mrs. D. O. Smith, of Iowa Park.

Mr. and Mrs. Walter Schwartz, Lanny and Nancy visited Hartwell Schwartz at Moriarty, New Mexico, recently. They also visited Mr. and Mrs. Emmett Schwartz, of Meadow, Texas.

Mrs. Ara Dial, mother of Edmond Dial, suffered a stroke last Friday at Coleman and is reported critically ill. She is living with her mother, Mrs. May, who is 98 years of age.

The W. S. C. S. of the Crews Methodist church held its reg-

ular social at the church Monday afternoon. Mrs. Charlie Berry brought the devotional. Sunshine gifts were passed out and Mrs. Effie Wood served orangeade and cookies to ten members and five visitors.

BIRTHS

Mr. and Mrs. Curtis Patton, of Fort Worth, are parents of a daughter born on August 25. The baby was named Deborah Merle. Grandparents are Mr. and Mrs. Cecil Patton, of Norton; and Mr. and Mrs. I. N. Hallmark, of Fort Worth. Mrs. Patton is the former Gladys Hallmark.

The term "hand" in measuring the height of a horse, is four inches.

BARRIER TO FOIL RED KIDNAPPING . . . As the result of the daring kidnaping of Dr. Walter Lise, prominent German anti-Communist, by Red agents in broad daylight in the American sector of Berlin, west German authorities are now erecting barricades on all streets and highways running from the west zone to the east. One such barrier is shown here in foreground with the regular east-west common barrier in background beside a Communist guardhouse.

TRAFFIC VICTIM . . . Heavy traffic in downtown Los Angeles came to a stop while an unidentified traffic victim who had been nudged by an automobile is comforted by Mrs. Eita Junker, a passerby. As yet, Los Angeles police have not arrived at the scene of the accident. America's 1952 accident rate is breaking records in nearly all parts of the country, the National Safety Council reports. The millionth fatality occurred last year.

CREWS

Visitors in the Will Porter home the past week-end were Mr. and Mrs. Loyd Porter, Mr. and Mrs. Johnnie Brooks and children, of Abernathy; Mr. and Mrs. Bernice Porter and Mr. and Mrs. Edgar Porter and children, of Abilene.

Mr. and Mrs. Will Porter visited Mr. and Mrs. Tom King and son, of Ballinger, Wednesday.

Recent visitors in the Otto Wood home were Mr. and Mrs. B. C. Collum, Pat and Frances Wood, Mr. and Mrs. Horace Whitley.

Mr. and Mrs. Arthur Alcorn had as visitors Sunday, Mr. and Mrs. Lonnie Alcorn and sons and Mr. and Mrs. Arnold Alcorn and Charles, of Talpa.

They Are Going Somewhere

Those who have accounts here, and who use their banking connection to full advantage, are going somewhere. They are building up a cash reserve which will fortify against emergencies, and will enable them to carry out their plans.

Some may travel only a short distance. Others may travel far. It all depends on the goals they set. But all will be sure to profit by planning ahead, and by consistently following a sound and predetermined financial program.

This bank is always pleased to have opportunity to help those who want to get ahead—those who are going somewhere. And the size of an account is never the measure of our service.

Miscellaneous Gift Shower Honors Miss Wilkins
Miss Clydelle Wilkins, who will become the bride of Bobby Bryan on Saturday in the First

Baptist Church chapel, was paid a pretty complement last Thursday evening when Misses Erwin, Claude Thompson, Doc Wilson, Marvin Bird, Herman Rountree, O. L. Hart, Hal Yoder,

mothers, Mrs. W. E. Elkins and Mrs. J. G. Tuckey, were hostesses at a miscellaneous gift shower in the Elkins home on Eighth Street.

Pastel shades were featured in all decorations, both floral and table appointments, with dahlias and asters being used for the dining table and living room.

Following a number of quiz games, Miss Elkins presented the hostesses' gift with an appropriate tribute to the bride-elect. Other gifts were presented also.

A chicken salad plate was served with iced tea to the honoree and her mother, Mrs. H. C. Wilkins, and the bridegroom-to-be's mother, Mrs. S. W. Bryan, and to: Mmes. A. L. Holbrook, Joseph L. Emery, Ted Tisdale, Frank Flynt, Dub

Triplet, Paul Williams, Hank Erwin, Claude Thompson, Doc Wilson, Marvin Bird, Herman Rountree, O. L. Hart, Hal Yoder,

Charles Miller, J. E. French, E. T. Branham, Jr., Hilton Morgan, Fred Harwell, Foy Farmer, Josephine Stallings, M. E. Sweeney, Marion Hays; Misses Gale Hays, Neida Faubion, Pat Tisdale, Wanda Smith, Athlea Foster, Deanie Rountree, Louise Miller, Dian Wilson and Shirley Thompson.

Agnew-Guynes Wedding Party Rehearsal Dinner at Agnews

Mr. and Mrs. Tom W. Agnew, parents of Thomas Wesley Agnew, Jr., who was married to Miss Nancy Carolyn Guynes Saturday evening, were hosts for the rehearsal dinner in their Wilke Terrace home Friday evening following the rehearsal.

The reception suite was decorated with pink and white garden flowers while the lace laid dining table was centered with white double styrofoam hearts and pink carnations flanked by double crystal candelabra holding white tapers. Place cards were designed with a bride and groom.

Mrs. Barry Williams, Miss Pat Caudle and Miss Ann Stasney assisted in serving the buffet dinner.

Miss Guynes and Mr. Agnew presented gifts to their attendants.

Others were: Mr. and Mrs. J. W. Guynes, Rev. and Mrs. Hubert C. Smith, Mr. and Mrs. D. L. Alford, Jr., and children,

Lee and Jimmy Joe, of Caldwell; Mr. and Mrs. Powell Wear, Mr. and Mrs. H. K. Guynes and children, Steve and Jaynee, of Grand Prairie, Major and Mrs. Joe Guynes, of Oklahoma City; Mr. and Mrs. J. H. Conway, of Bryan; and Mrs. Gus Kellogg, of Houston; M-Sgt. Charles M. Guynes, of Palm Beach Florida; Dr. and Mrs. E. W. Stasney and children, Ann and Buddy, Mr. and Mrs. W. N. Selby and children, Billie Marie and Tommy, Mr. and Mrs. Jack Nixon, Jr., Mr. and Mrs. Tom Caudle, Mr. and Mrs. Wayne Fowler, of Dallas; Misses Mary Frances Clark and Gaye Wilborn, and Johnny Earnshaw, the latter three of Dallas.

Dessert Luncheon Compliment for Miss Guynes

To compliment Miss Nancy Guynes, bride-elect of Jimmy Agnew, a dessert luncheon followed by bridge, was given Thursday afternoon by Mrs. W. N. Selby in her Wilke Terrace home.

Pink zinnias and other garden flowers gave added beauty to party rooms where a chocolate cake roll topped with whipped cream was served with iced tea.

Before games of contract, individual gifts of odds and ends like clothespins, dishrags, and other necessary household items were presented the hon-

oree. High score prize in games went to Mrs. D. L. Alford, Jr., of Caldwell, low score to Mrs. Jack Kopecky, of Elgin, the bingo to Mrs. H. K. Guynes, of Grand Prairie. Mrs. Selby presented an aluminum tray to Miss Guynes.

Tea guests were Mrs. J. W. Guynes and Mrs. Tom Agnew. Others were: Mmes. Powell Wear, Barry Williams, Tom Epting, John King, Charles Webb, Edgar Payne, of Killen; O. L. Parish, Jr., Al Purifoy; Misses Marilyn Sommer, Dorothy Bruce, and Pat Caudle.

Mmes. Moss and Barr Honor Miss Guynes at Luncheon

Miss Nancy Guynes was honored Friday at a buffet luncheon in the W. E. Moss home on Fifth Street when Mrs. Moss and Mrs. Earl Barr were hostesses.

A silver slipper theme was carried out in decorations and bridge appointments. Twin silver slippers holding pink rosebuds and trailers of queen's wreath formed the centerpiece for the linen laid dining table, a slipper with the same kind of flowers being on the coffee table. Other pink garden flowers were about party rooms.

Contract tallies were also designed with silver slippers. Following games, gifts of lingerie were presented Miss Guynes from hostesses. High score award went to Mrs. Barry Williams, bingo to Mrs. Joe Guynes of Oklahoma City.

Others present were: Mmes. Powell Wear, D. L. Alford, Jr., of Caldwell; H. K. Guynes, of Grand Prairie; Frank Barnett, Al Purifoy, B. M. Batts, Jr., Jack Kopecky, of Elgin; Latham Flynt, W. N. Selby, Tom Epting, Edgar Payne, of Killen; John King, Hilton Morgan; Misses Dorothy Bruce, Pat Caudle, Wilma Duke, Marilyn Sommer and Cynthia Tuckey.

C. C. DIRECTORS MEETING SLATED TUESDAY EVENING

The regular September meeting of the directors of the Ballinger Chamber of Commerce will not be held Monday night because of the Labor Day holiday. Directors will meet Tuesday night for the regular business.

There are a number of items to be considered at this meeting, dealing with the chamber's fall activities and all members are urged to attend. The beginning of the school term will bring more activity for the directors and committees and some of the projects are to receive attention at once.

Suspense-Filled 'The Green Glove' and Realistic 'Bronco Buster' at Horseshoe

The famed Casino at Monte Carlo is the actual setting for many of the suspense-riddled scenes in United Artists' fast-paced thriller, "The Green Glove," being shown today and tomorrow at the Horseshoe Drive-In Theatre. Glenn Ford, Geraldine Brooks and Sir Cedric Hardwicke are starred.

Colorful Parisian landmarks, such as the Eiffel Tower, the Arch of Triumph and the Versailles Palace, several new and elegant night clubs on the Riviera, and a 400-year-old chateau also are used as settings for this fascinatingly-told tale of the search for a fabulous, jeweled green gauntlet which was stolen from a church situated high in the mountains. Supporting players are George Macready, Gaby Andre and Roger Treville.

Universal's Technicolor "Bronco Buster" is the second feature on the twin-bill today through tomorrow. Capturing the thrills, spills and excitement of the rodeo ring, the film stars John Lund, Scott Brady and Joyce Holden. Lund and Brady are cast as feuding performers who battle for top honors on the rodeo circuit.

Larry Parks and Elizabeth Taylor form the happy new co-starring team in M-G-M's "Love is Better Than Ever," to be one of the feature attractions at the Horseshoe Saturday, August 30, one day only. This romantic comedy is set against the backgrounds of New York's Great White Way and backstage scenes of dancing school classrooms.

Miss Taylor dances for the first time on the screen. And 150 dimpled darlings, led by Liz, dance to the nostalgic tunes of "Amaryllis," "The Irish Washerwoman," "After the Ball is Over" and "Acheson, Topeka and Santa Fe." A group of glamorous Hollywood beauties are featured as "Copa Girls"

in the musical number, "Copa Routine," an original song-and-dance extravaganza by Earl Brent.

"The Wild North," No. 2 feature on Saturday's program, brings another adventure-drama in the tradition of the noted "King Solomon's Mines," with its action shifted from the torrid plains of Africa to the frozen wastelands of the Canadian trapping country.

Actor Stewart Granger, Director Andrew Marton and academy-award winning Photographer Robert Surtees, who were associated with the former hit, joined forces for the new M-G-M offering, which co-stars Granger and Wendell Corey, with Cyd Charisse playing the film's only feminine part.

The two features on the twin-bill at the Horseshoe Sunday and Monday, August 31, September 1, are "Summer Storm," starring George Sanders and Linda Darnell, and "Mob Town," a Bowery Boys comedy starring Leo Gorcey and Huntz Hall, and featuring the East Side Kids.

Featured players in "Summer Storm" are Anna Lee, Edward Everett Horton, John Abbott and Hugo Haas. Walter Winchell says of this picture: "It's the talk of the whole country!" Another reviewer says: "The most beautiful woman God ever forgot to put a soul into."

On Tuesday and Wednesday, September 2, 3, the Horseshoe will present "Wake Island," starring Brian Donlevy, and "Red, Hot and Blue," starring Victor Mature and Betty Hutton and featuring June Haver and William Demarest. Miss Hutton will be remembered last for her performance in "The Greatest Show on Earth."

A span is ten and seven-eighths inches.

Do you believe in ^{Dollar} signs?

Do that—and look at the dollars on the price tag—and we know what you'll find out: If you can afford a new car, you can own a Buick—and boy, what fun that will be!

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

When better automobiles are built **BUICK** will build them

There are a lot of signs to guide you to the best buy in automobiles. Popularity is a good sign. It means that a lot of people have tried a car and found it good. So it's important to know that Buick is today—and has been since 1938—the most popular car outside the "low-priced three." Room, comfort, power, ride are good signs. So it's important to know that you can pay

hundreds of dollars more and not beat the room and comfort you get in a Buick SPECIAL. Nor, at the price, can you match its power. And only Buick gives you a real million dollar ride. Doesn't all this give you a hint? Doesn't it suggest that you ought to try out a Buick—sample its Fireball 8 Engine—find out how it takes you over the road—feel the sure control that is yours on curves—discover its "big car" room and smoothness?

Crop Insurance Campaign to End Here This Week

P.M.A. Officials wish to remind farmers that this is the last week to sign up for federal crop insurance. The salesmen are glad to announce that the county has a considerable number of new policies sold for 1953 and want to urge all farmers to take this opportunity before the final date.

Those who already have insurance are automatically covered unless they cancel their policies. Inquiries from surrounding counties on how they can qualify for federal crop insurance proves that farmers of this county have something that is desirable. This week is the last chance until another crop year rolls around. Farmers who are in doubt are invited to come to the P.M.A. office and someone will be glad to give assistance and an estimate on 1953 crop insurance.

The campaign has been underway for the past month and many have taken advantage already of the protection offered. A number of local merchants cooperated with the government in advertising the 1953 campaign. Many farmers of this county will benefit this year because their main crops were covered.

BALLINGERITES ATTEND TRINITY GRADUATION

Mr. and Mrs. Baylis Fletcher and son, Curtis, were accompanied by Misses Barbara Stuart, Annie G. and Wanda Smith, and Mrs. Bert Fletcher, of Maverick when they motored to San Antonio Friday to attend graduation exercises of Trinity University, held in the First Presbyterian Church.

Howard Fletcher, son of Mr. and Mrs. Baylis Fletcher, received his B. S. degree from the University and has been employed in the office of a tire company at San Antonio. Other friends attending the graduation program were Capt. Tom A. Crockett, stationed at Randolph Field, and Miss Becky Maughan, of San Antonio.

HARRISONS RETURN HOME FROM DISTRICT ASSEMBLY

Rev. and Mrs. J. M. Harrison, Esther and Ann attended the Nazarene District Assembly at San Antonio last week. They returned to Ballinger Saturday night and Rev. Harrison will continue as local pastor. Gains were reported along all lines for the year.

The Harrissons attended the General Assembly and Conventions at Kansas City in June, when the district superintendent, Rev. Ponder Gilliland, was elected general young people's president.

Woodrow Wilson issued the first Mother's Day proclamation.

A WILD RIDE... Rafael Sanchez Saco is lifted off the ground and appears about to be taken for a ride—free of charge—as he battles to outwit a bull in the arena. Fortunately, although Saco was in danger of a severe goring, he escaped unscathed. He tangled with the bull as alternate for Rafael Santa Cruz, a Peruvian apprentice bullfighter who scored an early cherished prize among bullfighters. Bull fighting is the national sport in many Latin countries.

DIAPER QUEEN... "Miss Diaper Division Queen" as chosen recently by famed comedian Jimmy Durante from the baby daughters of the 75th Infantry division veterans is Loretta Marie Wille, 11-months, of Garner, Iowa. The 75th division vets will hold their 6th annual reunion at Chicago, August 15-17. The 75th was known as the "Diaper Division" because of the youth of its personnel. It was also known as the "Bulge buster division" because of activity in Battle of the Bulge.
