Mobile Chest X-Ray Unit to Visit County

The Runnels County Tuberculosis Association has arranged a visit of the state mobile X-ray unit. The unit will be in four towns in the county where efforts will be made to have all adults take advantage of this free offer.

All the costs of the bringing of this equipment to the county will be borne by the county association from funds received in the annual seal sale, which is conducted annually from Thanksgiving until Christmas.

Those in charge of the organizing of the clinic state that all persons above the age of 15 are urged to attend at any of the towns where stops are made and have chest pictures made.

The clinic will open at Miles on October 21. The unit will be at Rowena one full day on October 22, and will move to Winters for pictures on October 23, 24 and 25. The last stop will be for four days in Ballinger, on October 27, 28, 29 and 30.

Local people will be on duty at the clinic to assist the technicians in registrations and other work.

County Farm Bureau Member Drive Pushed

Members of the Runnels County Farm Bureau met here Thursday night of last week for a chicken barge at the Runnels County Implement Co. building. The meeting was for the purpose of launching the 1953 membership campaign, a goal of 500 being set for the ensuing year. During the current year there have been 439 members in this county.

A. T. Halfmann, president, presided at the meeting and recounted some of the progress made by the organization the past year.

Dave Crockett spoke on "Why I Belong to the Farm Bureau." Joe Satterwhite and John A. Barton gave pep talks to the membership solicitors as they prepared to start the drive.

Work of securing members started Friday and is being continued this week. Elliott Kemp is chairman for the campaign and other committeemen are: Dave Crockett, Norton; Tom Moreland, Ballinger; Erwin Halfmann, Rowena; Leo Freeman, Andrew Englert, F. D. Gardner, Kirby Robinson, F. E. Albro, Winters; Sam Faubion and E. B. Tounguet, Talpa; Ben Frerich, Erwin Engemeyer, Walter Werner and Erwin Schraer, Miles; Joe Droll and Frank Lange, Rowena. Miss Nell Phelps, secretary, with offices in the Runnels County Implement Co. building, also is helping in the campaign.

New officers are to be nominated at the next Bureau meeting and the president appointed a nominating committee composed of Ben Frerich, Erwin Halfmann, Elliott Kemp, Dave Crockett and Jake Pressley to make a report.

Program features for the meeting last Thursday included musical numbers by Benny Mayo, of Winters.

454 Tons Hay Arrive; 1,895 Tons on Order

Signing contracts for hay has slowed down somewhat at the local PMA office but railroads are making deliveries to farmers. A total of 454 tons have been delivered since the beginning of the emergency requests. A total of 1,895 tons have been requested and ordered by 407 producers. At the present time 145 producers have received all or part of their orders.

PMA officials make the following statement: "Some producers may wonder why their number has not been called when hay is being delivered to numbers larger than their own. In taking orders, producers were listed as they signed up, whether for legumes, mixed or grass. They were asked at the time if they would substitute mixed hay for legume if their number one choice was not legume. As long as we can order legume we will still take orders for it and hold these orders until they are filled.

"If farmers want shipments to keep coming, they may come in and re-order, even though their first shipment has not been received. So far, the Runnels county committeemen have been very well pleased with condition of the hay received. Very little has been turned down. If the hay is damaged, moulded, etc., the farmer is not obligated to take it and he is next in line for hay that comes in later. If he turns it down because he is not satisfied with the looks, and it is believed to be good hay, he is placed at the bottom of the list to wait for delivery."

BALLINGER HUNTERS OFF FOR PHEASANTS

Jones Taylor, of Fort Stockton, and Sam Malone, Jr. of Pampa, joined Dr. C. F. Bailey and Frank Flynn here Wednesday for their annual hunting trip to South Dakota. The four men will hunt pheasants until they get the limit and will return home some time next week.

Mr. and Mrs. James Lee, of Midland, visited here the past week-end with the former's parents, Mr. and Mrs. C. H. Lee. They had attended an insurance convention at Washington, D. C., and from there went to New York and into Canada.

Masons Sponsor Special Program Here Tomorrow

Members of Masonic lodges in this section will assemble here tomorrow (Friday) evening to witness work by the degree team of the Scottish Rite Lodge, Dallas.

Groups will assemble between 6 and 6:30 tomorrow evening and dinner has been arranged at the high school cafeteria at \$1 per plate. All local masons and visitors are being advised of this special service. Mrs. W. E. Elkins and staff of workers will prepare and serve the meal starting at 6:30 and it will be over before the opening of the lodge meeting.

Lodge stations and other necessary equipment will be moved to the high school gymnasium and the meeting will be held there.

The visiting team will give a master's degree and all visitors are urged to be in the hall before the work gets underway.

O. L. Sims, of Paint Rock, district deputy grand master, assisted the Ballinger lodge in securing the Dallas team.

Lodges to have delegations include Ballinger, San Angelo, Coleman, Brownwood, Winters, Miles, Eden, Wingate and Paint Rock.

Odd Fellows Will Hear Grand Master

The Ballinger Odd Fellow Lodge announces that the grand master, Hon. E. O. Wood, will pay his official visit here Monday, October 20. He will be heard in an address at the lodge hall over the Bobo Drug Store in a program which will start at 7:30 p. m., and to which the public is invited.

The Ballinger lodge is sending invitations to Odd Fellows of this section and large attendance is expected. Friends also are invited to attend the open meeting.

Besides delivering an address the distinguished visitor will present interesting motion pictures.

FIRST CHRISTIANS ATTEND CONVENTION AT ABILENE

A group representing the First Christian Church of Ballinger attended the annual convention of Christian Churches, district II, Disciples of Christ in Texas, at Abilene Wednesday. Members who attended some of the sessions during the day were: Mr. and Mrs. C. B. Oranhood, Herman Price, J. O. Satterwhite, O. P. Dorsey, Marvin Clark, Mmes. J. O. Satterwhite, R. R. Williams, J. R. Lusk, C. F. Bailey, Horace Murphy, D. B. Stinebaugh, W. B. Halley.

SALLY GOODEN CLUB WILL MEET MONDAY

The Sally Gooden Square Dance Club will hold a meeting Monday night, October 20, at the library building. All persons interested in square dancing are invited to attend.

Dr. and Mrs. Verne A. Scott, Jr., and baby son, Bob, of Dublin, were recent visitors in the home of Mrs. Scott's parents, Mr. and Mrs. Joe Flynn. Bob remained for a longer visit while Dr. and Mrs. Scott are away on a trip.

Mr. and Mrs. Walter Crockett and children, of San Angelo, were week-end guests of relatives and friends. They have just returned from a 10-day vacation spent with Mr. and Mrs. W. L. Lampe, of Harlingen.

Mr. and Mrs. D. L. Vestal and Mr. and Mrs. L. M. Bowden spent the past week-end at Dallas, attending the state fair. They were joined there by their daughters, Joan Vestal and Pat Bowden, students at North Texas State College, Denton.

Salvation Army Fund Campaign Short About \$300

Workers for the annual Salvation Army fund drive had turned in \$964.25 Tuesday morning to apply on the quota of \$1,000 set for Ballinger.

Those in charge stated that all the territories had not been worked, some were incomplete and that additional funds were expected by the end of the week. A large number of letters had been mailed asking for contributions and these have had good response. Each mail is bringing in checks from people.

Every effort will be made to reach the 1952 goal. The Salvation Army drive has never failed to get the quota set for Ballinger and W. C. Witt, local chairman, expects the goal to be reached or exceeded when all contributions are in and counted.

In a campaign of this kind it is impossible to contact everybody. Anyone who has not been solicited is asked to leave or mail a check to Joe Forman, at the First National Bank. Mr. Forman is treasurer of the Ballinger chapter and will receive all funds. The campaign will be kept open for another week to give all citizens opportunity to help in this worthy cause.

Officers Report Number Cases For Past Week

County, city and highway officers had a fair run of "business" the past week. Officers received many calls, and investigations of some criminal offenses are still underway.

Alfred Bryant was arrested Sunday and charged with driving while intoxicated. He entered a plea of guilty Monday and was fined \$72.50.

Bill Kinsey was lodged in jail on a DWI charge, second offense.

Oracio Sanchez was arrested the past week-end and a charge of transporting liquor for the purpose of sale was filed against him. He entered a plea of guilty Monday and was fined \$122.80.

Lawrence D. Diagle was fined \$72.80 Saturday and a charge of driving while intoxicated.

William Mac Tootle was arrested here last Wednesday for San Angelo officers. He was charged with stealing a truck in that city and was returned there for trial.

PROCLAMATION

In as much as the Runnels County Tuberculosis Association, in cooperation with the Texas Tuberculosis Association, is bringing a mobile X-ray unit to Runnels county to offer free chest X-rays to all adults;

And whereas, the service is a safeguard for the benefit of better health and living for all, and all people above the age of 15 are offered this diagnosis without cost;

Therefore, I, W. H. Rampy, County Judge of Runnels County, do hereby proclaim October 21 through October 30, 1952, as a special chest X-ray period and urge that every person take advantage of this service. Especially do I call attention to the following dates: Miles, October 21; Rowena, October 22; Winters, October 23, 24, and 25; and Ballinger on October 27, 28, 29, and 30, when the mobile X-ray unit will be at work in the above named places.

Given under my hand and seal of office at Ballinger, Texas, this 16th day of October, A. D. 1952.

W. H. RAMPY County Judge, Runnels County

Captain Tom A. Crockett, of Randolph Field, has returned to his base after a 15-day leave. He and his mother, Mrs. T. A. Crockett, made a 12-day trip to Los Angeles and Bakersfield, California. They saw results of earthquakes at Bakersfield and other places near there.

BAPTIST DEPARTMENT POSTPONES MEETING

The junior-adult training union department of the Seventh Street Baptist Church has postponed its social meeting originally scheduled for tomorrow (Friday) night in the home of Mrs. F. J. Cowan. A new date will be set.

3 New Producers, 2 New Locations, In County's Fields

Geochemical Surveys No. 3-M. L. Wood was reported as a one location western extension of the South Crews (lower Fry) field this week. The well was drilled for a daily flowing potential of 279.84 barrels of 44 gravity oil. Top of pay was encountered at 3,616 feet.

Texas Pacific Coal & Oil Co. No. 1-John M. Mitchell has been completed for a daily flow of 214 barrels of 44 gravity oil. It is one location west of production in the Suisse (Fry) field and top of oil is 4,351 feet.

Piacle Oil Co. No. 10-Alexander has been gauged at 85.01 barrels of 43.5 gravity oil after being brought in last week. Oil is coming from 3,825 to 3,836 feet.

Union Sulphur & Oil Co. No. 22B-O. C. Sykes will be drilled half a mile north of production on the eastern side of the Cree-Sykes field. The permit is for 4,500 feet and drilling will be done with rotary equipment.

Geochemical Surveys No. 2-Effie Ward, one location north and west of the northwestern side of the South Crews field. Drilling is to start November 3, the permit specifying 4,200 feet.

TAX PAYMENTS GOOD HERE FIRST 10 DAYS

Dalton Crockett, county tax assessor-collector, stated that collections were good at his office the first 10 days in October. A total of \$23,689 was paid in state and county taxes and this did not include the 117 poll tax payments.

Large tax accounts are being paid in October, the state and county offering the usual 3 per cent discount during this month.

A discount of 2 per cent will be offered in November and 1 per cent in December. The full amount will be collected in January.

George L. Britton, son of O. L. Britton, of Ballinger, has been recalled to the service as a second lieutenant at Fort Lee, Virginia. He will be assigned as a student at the quartermaster school. Britton is a graduate of the Ballinger high school and attended the University of Texas. He served in the cavalry from December, 1946, to December, 1947, in the Far East command. His decorations include the Japanese occupation ribbon and the World War II victory medal.

Major and Mrs. Clark Koller and daughter, Linda, have returned to their home at Wichita, Kansas, where Major Koller is stationed. They were visitors in the home of Mrs. Koller's parents, Mr. and Mrs. Rufus Allen.

Mrs. Glen McFarland and children, Kenneth and Marcia, of Miles City, Montana, came in Monday for a visit with Mr. and Mrs. Johnny Baker, and Mrs. Harper McFarland. They will be joined here by Mr. McFarland in several weeks.

Mrs. Bill B. Stultz, a delegate from the Brownwood presbytery, was accompanied by Mrs. John Nunn, of Big Lake, to Denton Tuesday morning to attend the three-day Texas Synodical meeting being concluded today.

C. L. Baker Resigns From Bank Board; Williamson Hired

C. L. Baker, a director of the First National Bank for the past 25 years, has sold his stock and resigned from the official board. He will devote his time to other business interests in this section.

Stock held by Mr. Baker was purchased by other stockholders. The transaction was completed Tuesday afternoon at a directors' meeting.

It was also announced by bank officials that Jim Williamson has been employed for the position made vacant by the resignation of Reid Caskey.

For a number of years Mr. Williamson was with the merchant marine and made trips to all parts of the world. His parents and wife live here and he is giving up his work at sea in order to permit him to be at home.

Foursquare Church Revival Underway

A revival began Tuesday at the Foursquare Gospel Church, located at 104 North Twelfth Street. The preacher is Rev. Yvonne Terry, who recently returned to this section from the evangelistic tour of the Great Lakes region.

The evangelist has her own Hammond electric organ and a Spanish guitar, which are played at all services. Rev. Terry is a dynamic speaker and the public is urged to hear her messages.

Rev. L. Beaver, pastor, said services would be held each night beginning at 7:30.

Commissioners OK Sale of Warrants For Several Jobs

The Runnels county commissioners' court authorized Monday the selling of county warrants for two projects.

The first would permit the sale of warrants, not to exceed \$10,000, for three bridge projects in the county. Bids on the structural steel for the bridges will be opened here next Saturday.

One of the bridges is just west of Norton, across Oak Creek; another is near North Norton, over Valley Creek; and the third is near Drasco, over Bluff Creek. All three are on school bus routes and will replace bridges that have been condemned.

The commissioners voted to issue warrants, not to exceed \$35,000, for remodeling the old jail to provide additional office space. Bids on this project will be opened on November 10, when it is expected that a contract will be let.

The court also authorized the purchasing of a radio receiver to be placed in the car of the highway patrolman so that he can stay in communication with the sheriff's office and with other cars operated by Runnels county peace officers.

Bills were approved and other routine business attended to at the meeting Monday.

WILBANKS NAMED MEMBER OF HEREFORD ASSOCIATION

L. A. Wilbanks, Ballinger, has been named to membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters at Kansas City.

A total of 200 Hereford breeders were put on association's official roster during September to boost the total membership to an all-time high of 21,490.

No Action on Gas Rate; Plan Water Expansion

The city commission in session Tuesday held a discussion on the application for an increase in gas rates here. The application was filed by the Lone Star Gas Co. about two weeks ago and was tabled at that time for more study. No action was taken Tuesday but commissioners promised an answer by October 28, when company officials will be notified of the decision.

Commissioners spent much of their time Tuesday in discussing needed improvement and expansions for the municipal water system. It is probable that a \$100,000 bond issue will be submitted soon to provide funds for the necessary expansion to give the city an adequate supply from the Valley Creek lake.

If a bond issue election is called for the above amount, \$100,000 in outstanding airport bonds will be cancelled at the same time. These bonds were voted about two years ago when efforts were being made to secure some kind of military training program at Bruce Field. The bonds were never sold and as they cannot be used for any other purpose than airport expansion, will be voided at the election.

Last summer the pumping facilities at the Valley Creek lake could not furnish the daily water consumption here and it was necessary to put in service the plant at the Elm Creek reservoir and use from it until that supply was exhausted.

City officials are making plans to insure local patrons no shortage or rationing of water in the future.

Meeting Scheduled Here For Area Broiler Raisers

Herman Price, manager of the Price Feed & Hatchery, has announced a meeting here on the evening of November 3 which will be of special interest to every person interested in poultry raising.

This meeting will feature the new broiler industry which has been operating in this region for some time but on a scale not large enough to anything like supply the market demand.

For sometime Mr. Price has been interested in arranging a plan so that more and more people of this county could get into the broiler business on a paying basis and at the meeting a plan will be submitted for financing buildings, equipment, chicks and feed.

To be held at the court house, the meeting will start at 7:30. Every person who thinks he would be interested to any degree, is asked to be present.

Martin Lindsey, Sears representative, of Dallas, will explain the financing plan for broiler houses and equipment. These houses will take care of about 3,000 chicks at a time and are about as small as suggested for making money on each batch of chicks.

C. W. Crawley, of the Purina Mills, will also be present and with Mr. Price will discuss the baby chicks and feed items.

It is probable that financing of these items can also be arranged for those starting into the business.

Mr. Price declared that he knew of no better or faster way to market a cash crop. About twelve weeks is required to finish the broilers and put them on the market. At the present time the business in West Texas does not in any measure supply the demand and many birds are brought in from East Texas and outside the state because of the meager supply raised locally.

Poultry people of this section will be contracted in person, by direct mail and with other publicity in an effort to have a large crowd here for the meeting. The public is welcome.

Carnival Queen and King Contest Now Underway

Ballinger seniors are pushing plans for their annual Halloween carnival, to be held at the library building Saturday, October 25. The entire student body will participate in some of the carnival acts and all members of the senior class will help in staging the annual money raising event.

Big feature of the carnival is the selection of a queen and king preceding the coronation ceremony, which will climax the program. A contest has been started and the couple will be selected by voting, each vote costing one cent. Campaign managers have been named and all students and school patrons are asked to help in selecting the regal couple.

The contest will be kept open until about an hour before the crowning of the queen and king and faculty members will tabulate and announce the results.

Classes have chosen their candidates and the contest was launched Monday morning. Nominees are:

Senior Class—Margaret Hampton and Buddy Clark

Junior Class—Marcelline Lange and J. F. Lee

Sophomore Class—Bobbie Dell Truitt and Spike Dykes

Freshman Class—Patricia Davis and John Duke

Eighth Grade—Peggy Branham, boy to be selected

Seventh Grade—LeNeil Holbrook, boy to be selected

Bingo, a cake walk, games, side shows and the House of Horrors are some of the features for the 1952 carnival. All citizens of this section are invited to attend the carnival and help the seniors in raising their fund.

Mr. and Mrs. B. H. Underwood, of Sanderson, spent the past week-end here, visiting the latter's brothers and their families, Mr. and Mrs. Renza, Charles and Alto Lee, of Norton; and Robert Lee, of Ballinger. Sgt. Ross Underwood, of Connally AFB, Waco, joined his parents here for a week-end visit.

McMurry Artists In Program Here On 'Family Night'

McMurry College students provided the feature entertainment Wednesday evening for the first "family night" held at the First Methodist Church. The program started at 5:45 Wednesday afternoon with group meetings, a devotional by the pastor, the dinner served in the basement of the church and followed by the program in the church auditorium by the visiting artists.

Raymond T. Bynum, director of the McMurry band, was introduced and in turn presented the program numbers.

Servando Trevino, Santa Barbara, Chihuahua, Mexico, was the headliner on the xylophone with a medley of Latin-American numbers.

A saxophone quartet composed of Gary Zook, Florenceville; Nelda Vaughter, Haskell; Margaret Grisham, Junction, and Rosser Menoher, Denver City, offered a group of numbers which pleased the audience.

Zook also appeared in solo numbers on the saxophone with Miss Grisham playing the accompaniment on the accordion.

To conclude the program, Shirley Hamm, of Andrews, was presented in a group of vocal selections.

Miss Dodson Complimented at Gift Shower

Miss Shirley Dodson, bride-elect of Max Wolverton, was complimented last Friday evening when Mrs. Louis Walden and Mrs. Curtis Jones were hostesses at a pretty miscellaneous gift shower in the Louis Walden home on Sixth Street.

The bride-elect's chosen colors, white and orchid, were featured in all details with orchid and white fall blossoms being used to decorate party rooms where Mrs. Jones greeted guests and presented the honoree and her mother, Mrs. W. C. Dodson, and Mrs. L. McLaughlin, of Winters, mother of the bridegroom-to-be.

The dining table, laid in lace, was centered with orchid and white asters. Miss Wanda Smith presided at the punch service and Mrs. Walden served cake squares iced in white and decorated with orchid florals.

Mrs. Chester Simpson registered guests in the bride's book.

Present were: Mmes. Bill Snyder, Levi McLaughlin, Bud Clark, Misses Juanita and Shirley Gayle Ingram, Mrs. Margaret Gideon, all of Winters; Mmes. Joe T. Jones, Sid Davis, J. V. Smith, C. E. Smith, L. L. Conner, Horace Atnipp, A.

Mr. and Mrs. W. B. Hodges, Sr. Celebrate Anniversary

Mr. and Mrs. W. B. Hodges, Sr., quietly celebrated their sixty-first wedding anniversary at their home, 407 Eleventh Street, on October 8.

The couple was married October 8, 1891, in Mills county. Mr. Hodges was in the ranching business for many years in Lampasas county, where the couple reared their family.

Mr. and Mrs. Hodges are the parents of ten children, six of whom are still living. They are Mrs. Mack Setser and R. H. Hodges, both of Ballinger; W. B. Hodges, Jr., of South Houston; Mrs. Gordon Warren, of Lampasas; Mrs. Norman Butts, of Sweetwater; and G. W. Hodges, of Winters.

There are 19 grandchildren and 24 great grandchildren.

Mr. and Mrs. Hodges moved to Ballinger last year. They were honored at an open house by their children last year when celebrating their sixtieth wedding anniversary.

Girl Scout Troop No. 5 Works on Textile Painting

A regular meeting of Girl Scout Troop No. 5 was held at the Scout House Monday afternoon, when work on textile painting was begun. Plans were made for a trip to San Angelo to visit the Concho Museum. The girls will go by train on Saturday, October 25, and return with their mothers in cars.

Paula Jean Bishop was named honoree at a birthday celebration following the troop meeting when her grandmother, Mrs. W. R. Clark, was hostess to the group and served the pretty white birthday cake,

OCT-12-18 THIS IS OIL PROGRESS WEEK

Progress 1952

Texas have a natural interest in the oil industry, which is so important in our State, and in the progress made since Oil Progress Week was last observed.

Here are a few quick facts:

New Wells—During the twelve months ending August 31, 1952, the Texas oil industry drilled 17,000 new wells, at a cost of over \$700 million. Most of the heavy expense of drilling these new wells was paid from earnings plowed back into the development of the State's oil resources.

Transportation—The total mileage of Texas' trunk pipe lines for oil and finished products is over 29,000. This low-cost transportation system is a major factor in the maintenance of the low prices you pay for petroleum products.

HUMBLE

TEXAS OPERATIONS	
Twelve Months Ending August 31, 1952	
Wells Drilled	891
Average Production, in barrels daily	330,100
Employees in Texas, August 31	17,775
Baytown Refinery: Average crude runs to stills, barrels daily	249,310
Humble Pipe Line Co. operates 5,895 miles of trunk lines for oil and finished products, which had transported a daily average of 722,400 barrels in the year ending August 31.	

Production—Production has reached a record level. Texas currently is producing about 46 per cent of all the crude oil produced in the U. S. In the year ending August 31, Texas production totaled about 1,015 million barrels. There are now 133,800 producing oil wells in Texas.

Reserves—Proved oil reserves in Texas of 18 billion barrels represented 57 per cent of the U. S. total at the beginning of 1952. During 1951, the last year for which figures are available, proved reserves increased two billion barrels. These are developed oil reserves and the figure is important: developed reserves supply our needs currently and provide reserve capacity that is immediately available when we need it.

Refining—The Texas refineries will have a big year. They now employ, in round numbers, 46,000 Texans, and process about 28% of all the oil refined in the U. S. The daily refining capacity of all Texas refineries exceeds 2,000,000 barrels. A program to expand and improve these facilities has been general throughout the industry.

Taxes—The Texas oil industry continues to be the largest tax-payer in the State. Through the year ending August 31, gross production taxes alone on Texas oil and natural gas amounted to more than \$137 million; in addition, the industry pays large amounts in other taxes.

In brief, the Texas oil industry during the past year continued to do its part in meeting the demand for oil. It has expanded pipelines to provide low-cost transportation. It has improved facilities for making more and better petroleum products for your use. Today, two gallons of gasoline do work that required three gallons in 1925; and the gasoline costs no more than it did then.

20% SAVING

Have you been told all Fire Insurance rates are the same? That All Companies Must Charge No Less than the Rate Set by the State Insurance Department? If you have you have been misinformed. White the State Insurance Department does set the MAXIMUM rates at which Fire and Extended Coverage can be written (see Article 4879 of the Insurance Laws), however, any company can file with the Insurance Department for a LOWER rate than the maximum. That is what State Farm Fire & Casualty Company has done, as we do not solicit or write certain kinds of hazardous risks but try to insure select property only.

If your dwelling or building is better than average, you may be entitled to our 20% savings under the maximum rates set by the State Insurance Department. This 20% is deducted at the time your policy is written on city and farm property.

County Council Hears Annual Club Reports

The Runnels county home demonstration council held its regular meeting in the office of Miss Ollie Chenoweth, county home demonstration agent, Friday.

Mrs. Thomas Egan, council president, called the meeting to order, asking Mrs. Glen Eager to read the "Club Woman's Collect." Twenty club members represented twelve clubs at the business session.

Dr. Lloyd L. Downing gave a short lecture illustrated with charts, showing that deaths caused by some diseases were on the decline. He announced dates for the mass chest X-rays

in this county the latter part of October.

Reports indicated that each club had used its year book and had followed the program outlined.

Each club in the county sent gifts to the Abilene state hospital at its designated time and has received a thank you note from the institution.

Recommendations made all council chairman at the beginning of the year have been carried out.

During the year Miss Chenoweth and others have trained two leaders from each club in baking and home improvement and those trained have given the training to their clubs.

Helping 4-H clubs has been one of the outstanding achievements of all clubs. To keep informed on 4-H club work, each club has invited a club girl to present a program and outline projects.

Norton, Rowena and South Ballinger clubs added a total of 13 new members during the year.

The clubs of the county now have a small library in the office of Miss Chenoweth, to which new books are being added. These books are for use of all club women.

Runnels county club women gave to and collected for the Red Cross and March of Dimes. Each club also made contributions to the two organizations.

One program of parliamentary drill was given each club during the year.

A skit by each club was enjoyed by other club members and their families on rally day.

Members from the Bethel, Crews, Rowena, Friendly Neighbors, Ofen and South Ballinger clubs attended the district meeting at Colorado City in April.

Mrs. Homer Tubbs gave a report for the year book committee and added that all clubs have handed in suggestions for the 1953 book.

The chairman of the 3-E committee, Mrs. B. M. Batts, reported on activities of the year. These included all the regular duties, helping select the gold star 4-H club girl and demonstrations in tray making.

Studying labels, better buying, selling better quality eggs were included in the report of Mrs. W. J. Curtis, marketing

chairman. Clubs purchased forms for belts, need for baskets, aluminum for trays and other materials during the year.

Mrs. Calton Smith, finance chairman, reported that each club was to raise council funds in its own way.

Mrs. Robert Fowler, recreation chairman, reported on work of this committee which included recreation for all special meetings during the year.

Mrs. J. H. Shelburne, 4-H club chairman, helped plan all activities for the girls during the year.

Mrs. Bob Fowler, THDA

chairman, reported the planning meeting held in Ballinger, an article sent to the THDA magazine, attendance at the district meeting and other activities.

Club members reported all were making plans for the Achievement Day program to be held in Ballinger on October 25.

The following officers were elected for the 1953 council: Mrs. Calton Smith, chairman; Mrs. Kirby Robinson, vice-chairman; Mrs. Homer Tubbs, secretary; Mrs. Leon Russell, treasurer.

The South Ballinger club will

serve the annual council Christmas luncheon. The next meeting of the council will be held on November 14.

CHOICE AND VALUABLE PIECES

Vendors in ancient times featured wares of lesser value. Choice and valuable pieces were reserved for the man who knew enough to ask for them. In our business, such a practice would be had indeed. One drug or formula may look exactly like another. The quality of a pharmaceutical can be discerned only by those trained in such matters. Responsibility for supplying high-quality pharmaceuticals rests entirely with the pharmacist. This is a responsibility which we shoulder with pride and profound integrity. Our attitude is that the sick and ailing need the finest medicinals obtainable. That is the kind we always supply.

John Wayne and Nancy Olson Star In Actionful Story, 'Big Jim McLain'

John Wayne, following recent success in a picture called "The Quiet Man," is far from quiet in his latest adventure epic, "Big Jim McLain," a Warner release, to be presented at the Texas Theatre Sunday and Monday, October 19, 20. Nancy Olson provides the romance and James Arness also stars in this rugged outdoor drama, the first modern motion picture story filmed in Hawaii and featuring Dan Liu, head of Honolulu's internationally-famous police department.

As a trouble-shooting special agent assigned to the investigation of a world-wide terroring headquartered in Hawaii, Wayne plays one of the most two-fisted roles of his career. From local informers, the investigator learns the names of the top terrorist leaders, and sets out to prove their guilt. How "Big Jim McLain" digs into his bag of sleuthing tricks to smash his adversaries makes for the one of the season's big action offerings, according to advance reports.

Featured are John Hubbard, Veda Ann Borg and Alan Napier.

"Rancho Notorious," Technicolor offering by RKO Radio, co-starring Marlene Dietrich, Arthur Kennedy and Mel Ferrer, an outstanding melodrama of the early days of the West, will be shown at the Texas tomorrow and Saturday in conjunction with "Last Train to Bombay," featuring Christine Larson, Jon Hall and Lisa Ferraday.

In "Rancho Notorious" Miss Dietrich portrays a former

saloon singer and ranch owner whose establishment is a hide-out for outlaws, and Ferrer has the role of a suave gunfighter. Gloria Henry and William Frawley have the principal supporting parts.

Widmark and Monroe Star in Torrid Drama

Booked at the Texas Theatre for mid-week presentation on Tuesday, Wednesday, Thursday, October 21 through 23, is "Don't Bother to Knock," taut and torrid suspense melodrama produced by 20th Century-Fox in which Richard Widmark and Marilyn Monroe are starred.

Playing featured roles in the film, which has been connected with adult tastes in mind, are Anne Bancroft and tiny Donna Coccoran.

Chirography is the art of handwriting.

Notice of Execution Sale
THE STATE OF TEXAS
COUNTY OF RUNNELS

WHEREAS, by virtue of an Execution issued out of the Justice's court of Runnels County, Texas, on a judgment rendered in said court on the 25th day of April, A. D. 1952, in favor of the said Gay Henkell and against the said Will Walls, No. 6286, on the docket of said court, I did on the 23rd day of September, A. D. 1952, at 3:30 o'clock p. m., levy on a certain lot situated in Ballinger, Runnels County, Texas, and belonging to the said Will Walls, to-wit:

Lot No. 8 in Block No. 64, of the Original Town of Ballinger.

And on the 4th day of November, A. D. 1952, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4:00 o'clock p. m., on said day, at the Courthouse door of said County, I will offer for sale and sell at public auction for cash, all the right, title and interest of the said Will Walls in and to said property.

Dated at Ballinger, Texas, this the 25th day of September, A. D. 1952.

Shelley Winters and Ricardo Montalban, an exciting new romantic team, and Wendell Corey and Claire Trevor, two of Hollywood's top dramatic stars, bring to the Hillcrest screen.

Adventure Thriller, Drama and Comedy Billed As Feature Offerings at Hillcrest Current Week

With Jean Peters, Jeffrey Hunter, Constance Smith and Walter Brennan assuming the major roles, 20th Century-Fox's "Lure of the Wilderness," new Technicolor outdoor adventure thriller, is the main attraction at the Hillcrest Drive-In Theatre today, tomorrow and Saturday.

Photographed for the most part in Georgia's Okefenokee Swamp Park, "Lure of the Wilderness" tells the story of a primitive girl who lives in the swamp for eight years before returning to civilization. Tom Tully, Harry Shannon, Harry Carter, Will Wright and Jack Elam are featured.

Hollywood has a tradition that Texas, among all of the states, leads in the number of film beauties it has contributed to the screen, and now another newswoman has joined the Lone Star sisterhood to increase the surprising total. She is Karen Sharpe, featured with Stanley Clements in his latest starring picture, "Army Bound," to be shown at the Hillcrest Tuesday only, October 21.

Steve Brodie, John Fontaine, Harry Hayden, Lela Bliss, Jean Dean and Mona Knox.

Bearcats Look Good In Swamping Loboes

The Ballinger Bearcats flashed a smooth running and passing attack last Friday night to crush the Cisco Loboes by the score of 43 to 0. Not only was the Ballinger team on the offensive in scoring, but a hard charging line added four points to the Bearcats' total with two safeties when Cisco players were thrown behind their own goal line.

Coaches Douglas Cox and Frank Barnett used their entire bench in the Cisco game to give reserves experience in actual play. Gary Ferguson's kicking toe spelled bad luck for the Loboes as his kickoff went far downfield and a fast moving Bearcat line kept the opposition backed deep into their own territory.

Early in the first quarter Jerry Bell tossed a 27-yard pass to Billy Maedgen who went over for the first score of the evening. Buddy Clark added the extra point with a place kick. The No. 2 score, also in the first quarter, was made on a 6-yard plunge over the line by Weldon Brevard. The kick for the extra point was blocked.

In the second quarter, Bell threw a 26-yard pass into the waiting arms of Jerry Baker, who took the oval on the run and went over for the counter. Clark converted for the extra point. Black dropped a Bearcat kickoff in the end zone and was covered by tacklers before he could reach the playing field. This safety gave the Ballingerites two points.

Score No. 5 came on a pass from Bell to Maedgen which put the pigskin on the 2-yard line. On the next play W. A. Roberts carried over. The try for the extra point failed.

Early in the third quarter Bell, Roberts and Brevard carried the ball to the Cisco 22-yard stripe. Bell broke into secondary and carried over for the touchdown. Clark kicked the extra point.

Score No. 7 came after a 38-yard pass by Bell to Clark with the ball down on the one-yard line. Roberts carried over on the first play but the kick for the extra point was not good.

In the final period Black was pulled down again behind his own goal line for the two-point safety, making the score 43-0.

BALLINGER JUNIORS WHIP WINTERS TEAM
The Ballinger junior football team defeated the Winters

at Blizzard Field last Thursday night by the score of 14 to 7. The set-to at Winters was a double-header, the Ballinger seventh graders winning from the Winters seventh grade boys by the score of 7 to 6 in the opener.

Coach Bill Scoggins was well pleased with the performance of his lads. John Duke passed to LeRoy Rollwitz for the first score, Dwain Patton adding the extra point with a place kick. A short time later Duke passed to Ronald Maedgen for a touchdown and then passed to Patton for the extra point.

Patton, James Buxkemper and Charles Johnson were defensive standouts for the juniors. Members of the Olfen girls 4-H club held a regular meeting Monday. Miss Ollie Chenoweth, county home demonstration agent, gave a demonstration on beaten batter rolls. She also urged that all the girls attend the home demonstration club display in Ballinger on October 25.

For entertainment at the recreation period the girls played scrambled states. Norma Lee Halfmann winning.

The East Side home demonstration club met in the home of Mrs. Leonard Barnes Tuesday afternoon. Thirteen members and two visitors were present.

Mrs. Willie Stephens opened the meeting with a prayer and members answered roll call with the most outstanding thing they have accomplished during the year.

Mrs. Everett Witter gave the council report and a committee was appointed to look after details of the exhibit to be made in Ballinger on October 25.

The club voted to buy birthday gifts for the children's home at Abilene. A discussion of new books for the club's library was held.

Mrs. B. M. Batts gave an interesting report on the state THDA meeting held recently at Kingsville. Mrs. Batts and Mrs. A. L. Fuller, of Texarkana, were guests. A salad plate with cookies was served.

The next meeting will be in the home of Mrs. Clarence Routh on October 28.

SPORTS

Football action here this week will be furnished by the Ballinger juniors. They clash with the Lake View juniors tonight at 7:30 at Bearcat Field. This is a conference tilt.

The Ballinger Bearcats have completed their road trips for the year and after an open date this week, will start the home schedule Friday night, October 24, against the Comanche Indians.

The Comanche team is rated one of the best class AA aggregations in this part of the state and will give the Bearcats a full evening of work. The Chiefs have won five straights, some by very impressive scores. A 78-0 clobbering handed the Lake View Chiefs of district 9AA has been the Comanche lads' largest score.

Coach Frank Barnett will take the Ballinger B team to Coleman tonight to meet the Bluecats.

Host Trio Honors Bride-Elect Jo Ann Rayburn

A gift tea honoring Miss Jo Ann Rayburn, bride-elect of Airman Walter Weaver, stationed at Goodfellow AFB, San Angelo, was hosted Tuesday evening by Mrs. W. L. Manning, Mrs. K. I. Sharpes and Mrs. C. B. Taylor at the Manning home on Eleventh Street.

The bride-elect's chosen colors, rose and blue, were featured throughout the house.

Receiving guests was Mrs. Manning, who presented the honoree and her mother, Mrs. John Rayburn; Mrs. Doc Wilson, and Mrs. Colbie Taylor.

Mrs. Roland Allen registered guests in the bride's book.

The lace-laid dining table was centered with an arrangement of rose and blue carnations and was appointed in crystal and silver. White cake squares were served by Miss Shirley Phoebe, of San Angelo, and Miss Sue Hampton. At the punch service were Miss Nita Sikes and Miss Patsy Manning.

Mrs. Aivn Spreen displayed gifts, and Mrs. C. B. Taylor spoke goodbyes.

Among the 135 guests included, from out-of-town were Mrs. Joe Webb, of Coleman; Mmes. Ada Davis, Stanley Mosteller, Floyd Currie, J. P. Roach, Scott Hartgrove, and Miss Imogene Waide, all of Paint Rock.

Miss Rayburn and Mr. Weaver will be married next Saturday afternoon at 5 o'clock at Wing Chapel, Goodfellow AFB, San Angelo.

G.G.s Meet in Jones Home

Shirley Jones and Sally Underwood were hostesses to members of the G.G. Club Monday evening, entertaining in the home of Mr. and Mrs. Rodgers Jones on Sixteenth Street.

Bronze mums were used in the living room and an arrangement of pink roses formed the centerpiece for the lace-laid dining table. A report on the sale of the book of poems by Mrs. Una V. Doose was given. The class will receive all proceeds from the book. Plans were made for a bake sale on Saturday, November 8, the place of sale to be named later. Mrs. John Reese and Mrs. McFarland were appointed a committee to be in charge of arrangements for the sale.

Mrs. Malone gave the devotional taken from the 5th chapter of James. Table appointments featuring the fall season were used for the refreshment period when frosted orange punch was served with cookies.

Others present were Miss Vickie Vorbeck, Mrs. Aurelia Webb, Mrs. Rufus Allen, and Mrs. Wayne McDorman.

The popularity of the Salvation Army has been proven again in Ballinger by the fine response to the fund campaign being conducted. Workers got most of the local quota within a short time and all reported that citizens gave willingly to this cause. Of all the service groups that seeks funds once a year, the quota for the Salvation Army is the easiest to raise. Since local chapters have been established in towns and part of the money is left with the chapter to look after the needy with no red tape attached to the gifts, the Salvation Army has become more popular than ever. For several years the Ballinger quota has been exceeded and this year with donations expected to be reduced because of the crop failure it speaks well for an organization when donors keep their contributions on a par with previous years.

Absentee balloting for the general election began Monday and will continue until three days before the voting on November 4. There is possibly more interest in the 1952 election than for many years and one of the largest totals ever recorded is expected. Many organizations have as major projects getting out the voters and campaigns are underway. These groups are not working for any party but are interested in seeing the people of America use their right to help select the officials who guide the nation. The percentage of eligible voters going to the polls has dropped low in this country and strong efforts will be made to get voters to go to the polls 100 per cent and cast ballots for the men of their choice.

A highway problem in which many West Texans are interested will come to a head this week. The Coleman county commissioners' court has been asked to provide land for right-of-way for a short cut from Valera to Santa Anna on highway 67. In return the court is promised a good road from the new highway into Coleman so that traffic to that city will not be affected. The court has also been warned that farm-to-market road construction may suffer unless this road is made possible. Coleman newspapers

WEST TEXAS NOTES

Thirty-two members of the Menard Future Farmers of America chapter attended the state fair, Dallas, on October 4. The group traveled by bus and spent one night at Dallas, returning home Sunday. The boys visited most departments of the fair and were guests at some of the better shows. Mr. and Mrs. Burt Hendricks accompanied the group.

A commercial livestock feeding was launched at Melvin on October 11. All youths in the community who plan to feed were in a meeting with T. Woods to make plans and get information. It was pointed out that there would be no feeding of show animals this year and that all projects would be on a strictly a commercial basis. Under this plan a boy may sell any time during his program.

An organization has been formed at Brady to push the March of Dimes next January. Numerous polio cases in the vicinity during the past summer have increased interest in making plans for the drive now. Norman S. Lawler, county chair-

man, has enlisted a large number of workers, and publicity has been started to acquaint the people with the need for a large contribution.

Dr. E. A. Reed, pastor of the First Methodist Church at Colorado City, has tendered his resignation, effective November 7. Dr. Reed was advised by his physician to retire and will quit his life's work after serving as a pastor 41 years, 17 of which were in the Northwest Texas conference. He stated that he would make home at Vernon, where he served for four years.

More than a quarter of a million dollars in PMA hay has been ordered by farmers and ranchmen of Erath county. Tabulations of the purchases made at Stephenville last week revealed that 780 producers had bought 450 carloads. Approximately 500 stockmen have already received their orders and other shipments will arrive weekly. Most of the hay received has been of good quality. The average price of the hay has been about \$32 a ton.

James W. Allen, of near Bronte, will enter the broiler business. He has received 4,000 White Rock chicks and will feed them until ready to be sold. Allen has completed a building 24 by 180 feet to house the chicks during the feeding period. The building is equipped with automatic feeding and water devices so that adequate supply will be available at all times.

A Stephenson rescuistator has been presented to the Comanche fire department. Money for the equipment, which cost \$437, was raised by friends. The firemen had noted the need for such an instrument a number of times to revive injured persons. Fire Chief Bob Graham has expressed the thanks of the entire department for the gift.

The Davis Custom Leather Co. is a business at Coleman which grew from a hobby into a small industry. Mrs. Pauline Davis began working with leather in 1946 and within two years was sought for instruction in this work. She moved to Coleman two years ago and now employs five people to make numerous western leather articles. Davis purses, billfolds, belts and other items are sold in a number of Texas towns and in other states.

Police Chief Bill Whitley, of Winters, has organized a

have given wide publicity to what they term is the demand of the highway department, and there is considerable feeling at Coleman. The short cut would miss Coleman by several miles and through traffic on highway 67 would not touch that city. Livestock shippers in a wide area of West Texas have been interested in the shorter route as well as a straight and modern highway to replace the narrow, winding strip from Coleman to Valera that is about worn out.

special patrol among the students and they are assisting him in handling traffic at the busy periods. The boys have been uniformed and given special training and are to be found at intersections in the school zone in the morning, at noon and in the afternoon. The young policemen are receiving wonderful cooperation from motorists and are rendering good service.

After a dinner and reports from committees, a permanent camping site was proposed for the area and committeemen were appointed to study the possibilities. At the present time the girls are going to Camp Holland, near Weatherford.

An open house for the Walker Memorial Library was held on the campus of Howard Payne College, Brownwood, Tuesday. The program started in the morning and was continued through the evening, when the building was officially presented. The two-story brick structure has been under construction the past year. The library is part of the \$1,250,000 expansion program being pushed by the board of trustees.

A group of men conducted a successful Boy Scout fund campaign at Miles last week, raising more than \$200 for the cause. The drive was launched

Tops all pickups!

Think of every feature you've ever wanted in a pickup truck. Then come in and see International. You'll find them all. You'll find them right. And you'll find more besides.

Here's a real thoroughbred truck engineered to serve you economically for years. A sweetheart to handle and park. With the pep and power of a rugged valve-in-head engine that's downright stingy on gas.

This is all yours in International—the pickup that tops 'em all.

- **International light-duty trucks**—1/2, 3/4, and 1-ton sizes, 115, 127, and 134-in. wheelbases. Body types include pickup, stake, panel, Metro, utility and others.
- **Real truck engines!** Silver Diamond valve-in-head engines are TRUCK engines through and through! Extra power when you need it. But here's the payoff. They're real gas misers, too!
- **Man how they handle!** International has really taken the work out of truck driving with its new super-steering system. Wider front axles make possible a full 37° turning angle for easier handling and greater maneuverability.
- **Real driver comfort!** Because it was designed by drivers for drivers, the Comfo-Vision Cab is the roomiest, most comfortable cab on the road. The seat holds three with ease. You look through the one-piece Sweepstake windshield for perfect visibility. New green-tinted, non-glare safety glass available.

Better roads mean a better America

Look what a **FEW EXTRA DOLLARS** will buy

WE'LL be the first to admit that you can buy a car for less than the price of a Buick. But not so much less as most people think. And just to save those few extra dollars, you'll miss a fortune in fun. For the few extra dollars you pay for a Buick, you get the ginger and thrill of a lot more power than you'll get in any other car of its price and pounds—plus the big miles-per-gallon figures of Buick's famed high-compression Fireball 8 Engine.

You get size and room and looks to do you proud—comfort you'll hardly believe—and that good sense of security that only ample weight can impart. You get the all-coil-spring ride that a million dollars couldn't duplicate. You get handling, steering, braking, turning—all with an ease that women especially appreciate.

We could go on at length about a lot of other things, including a fair-sized list of items you get in every Buick but which cost extra on lesser cars. But why go on? The fun and fine feeling and wondrous comfort you enjoy in a Buick are things you shouldn't be missing for just a few extra dollars. And the value—you just can't pass that up.

Got a little time to drop in and let us prove our points?
