and adorned with white wedding bells and white satin streamers. Large baskets of Easter lilies and white gladioli and cathedral candles burning in branched candelabra were placed at either side of the arch. Kentia palms and commodore ferns formed the background.

A white priedieu with satin pillows was placed in the center of the altar.

The bridal aisle and family pews were marked by tall candle stands, wrapped with baby smilax and white Easter lilies.

Tommy Coleman, organist, presented a medley of pre-nuptial selections and accompanied Jimmy Paschal, of Amarillo, who sang "Because." He also played the accompaniment for "Wonderful One," sung by Miss Peggy Bozman. At the close of the ceremony Miss Bozman sang "The Lord's Prayer."

Candles were lighted by Misses Alice Mainer, Carolyn Wells, Martha Williams, and Carolyn Phillips. They wore identical gowns of pale blue taffeta, fashioned with strapless bodices, softened at the top with tiny ruffles of nylon net, and bouffant overskirts of polka dot net in a deeper tone of blue. Matching nylon stoles completed the costumes. They wore pink rosebud corsages and matching hairdresses.

Miss Sally Bailey, sister of the bridegroom, was maid of honor. Bridesmaids were Misses Deanie Roundtree and Gale Hays, both of Ballinger, and students at Texas Technological College, Lubbock; Carol Bailey, of Dalhart, the bride's roommate at T. C. U., Fort Worth; and Sue Coleman, Joy Chambers, Beverly Bauman, Nancy

daughter of Mr. and Mrs. John Lee Simmons, of Gladewater, and the bridegroom is the son of Dr. and Mrs. Charles F. Bailey. Both are members of pioneer Ballinger families.

The Rev. M. R. Turner, Methodist pastor, read the doubleing service before an all-white altar centered with a white gothic arch entwined with fern and dotted with Easter lilies.

Hearrell, Ann Brown, Jean Grayson, Claudyne Brewer, Betty Kersh, Carolyn Vernon, Joyce Ann McGill, Suzanne McKean, all of Gladewater.

The attendants were identically attired in gowns of coronation blue nylon tulle over matching taffeta. The gathered skirts were accented by three rows of ruffles. Their shoulders were draped with tulle scarfs. Miss Bailey carried a crescent bouquet of blue hyacinths tied with a satin bow in matching color with tinted fleur d'amarou. She wore blue hyacinths in her hair. Other attendants carried cascade bouquets of blue cornflowers tied with matching laceon tulle, and their semi-halo hats were of blue cornflowers.

Dr. Bailey was his son's best man. Groomsman were Lynn W. Neil, Francis Florey, Wayne Martin, Neil Hulings, E. A. Kennedy, all students of T. C. U., Jimmy Pascal, of Amarillo, Jimmy Williams, of Ballinger, Donald Vaughn, Kendrick Phillips, Billie Ray Johnson, Bobby Gray, James Hall, Billy Day, and Billy Nelson, all of Gladewater.

Pamela Oder, daughter of Mr. and Mrs. R. B. Oder of Gladewater, was flower girl. She wore a blue organdy floor length dress designed like those of the attendants. She wore a wristlet of pink rosebuds and the same flowers in her hair. She carried a pastel basket of spring

flowers. John Lee Mauldin was ring bearer.

Wearing a gown of imported Alencon lace made over dulceter candlelight satin, the bride was given in marriage by her father. The very full skirt of the hand-run Alencon lace terminated in a sweeping cathedral train. The close-fitting bodice was designed in the Elizabethan period with round neckline and long sleeves tapering to points over the fingertips. Her two-tiered fingertip veil of imported silk illusion fell from a tiara of creamy seed pearls and rhinestones.

Her only ornament was a strand of Mikimoto cultured pearls, a gift of the bridegroom, and she carried a wedding handkerchief of Mrs. W. B. Halley, great aunt of the bridegroom.

The bride's bouquet was white rosebuds and lilies of the valley, centered with a white orchid, showered with white satin ribbons used on the wedding bouquet of the bridegroom's mother, and with stephanotis.

For her daughter's wedding, Mrs. Simmons wore a gray lace dress designed by Frank Starr. The bodice was lined with chartreuse, and the cummerbund extending to the hemline was chartreuse. Her gray lace hat was pearl and rhinestone trimmed. She wore long white kid gloves and a corsage of

white gardenias.

Mrs. Bailey wore an ice blue Chantilly lace dinner dress studded with mother of pearl sequins. A pink marabou stole completed her ensemble. She wore a corsage of white camellias and hyacinths.

A reception was held at the Pineland Country Club. Decorations included white gladioli, Easter lilies and white rosebuds. The bride's table was laid with blue organdy cloth, underskirted with white satin. An arrangement of white rosebuds, lilies of valley and white satin leaves flanked by lighted white tapers in silver candelabra formed the centerpiece. The three-tiered wedding cake embossed with blue sugar spun rosebuds and encircled with rosebuds and ruffles of maline was served by Mrs. Exa Mae Phillips and Mrs. Dana Williams. Mrs. Jack Hearrell and Mrs. Claude Lee alternated at the punch bowl. Others assisting were Mrs. W. O. Chambers and Mrs. J. C. McKean. All table appointments were of silver.

Other members of the house-party were: Mmes. Ovid Phillips, Carl Bruce, Grady Coleman, Robert Young, Felix Wells, W. M. Day, H. L. Reeves, M. D. Swearington, Dal Smith, Clyde Mainer, Gordon Grayson, Frank Bauman, J. O. Brown, Janelle Lynn, Karoline Kincaid, Martha Vaughn, Jean Goar, Pat Phillips, and Peggy Bozman. Members of the houseparty wore white carnation or pink rosebud corsages.

Miss Hazel Ponder presided at the bride's register.

When the couple left on a wedding trip to Dallas, Mrs. Bailey was wearing a navy and white wool suit, styled with large pearl buttons and white pique collar and cuffs. Her accessories were navy and white. She wore the orchid taken from the bridal bouquet.

Mr. and Mrs. Bailey will live at Fort Worth, where they are students at Texas Christian University.

Christian Women's Fellowship Honors Mrs. Burkes

Mrs. J. W. Longnette conducted the business routine for the meeting of the First Christian Women's Fellowship, held in the church parlors Monday afternoon.

Mrs. C. B. Orahod gave the prayer and the dedication of the offering. The Fellowship made plans to help a local girl who has been placed in the Abilene State Hospital. The spring project, the making of layettes for African babies was discussed. The missionary benediction was repeated at the conclusion.

At the social hour, Miss Lila McElroy and Mrs. A. B. Stobaugh were in charge of arrangements when the Church Fellowship were hosts at a gift shower honoring Mrs. Lynn Burkes. A sandwich plate with punch was served. Plate favors were miniature pink and blue baskets filled with candies.

Others present were: Mmes. E. H. Crawford, J. R. Lusk, J. O. Satterwhite, D. B. Crockett, Herman Price, Stinebaugh, Archie Parr, J. M. Carpenter, Curtis Reece, Marlin Foy, W. V. Connelly, R. E. George, C. F. Bailey, Miss Lilly Clayton and Miss Nan Kevil.

Wesleyan Service Guild Elects Officers

The Wesleyan Service Guild met Monday evening in the Deas Bible Class room at the First Methodist Church.

Mrs. Herman Roundtree conducted the business and heard reports from officers. The nominating committee, composed of Mmes. Gertrude Woods, Ona Penn and L. C. Daugherty, reported the names of new officers for the coming year, and they were unanimously elected. They are: president, Mrs. M. T. Camp; vice-president, Mrs. Herman Roundtree; secretary, Mrs. L. F. Jackson; treasurer, Miss Ann Midgley. New officers will be installed at the May meeting.

Mrs. A. M. Smith, program leader, brought the scripture reading and gave the prayer after the opening song by the group. Mrs. Jack Hampton presented a talk on "The Call of Jesus." Mrs. Smith directed the group in repeating "The Lord's Prayer" at the conclusion.

After the Love Offering the Guild benediction was repeated. Others present were: Mmes. John A. Barton, Mae Setzer, Luke Forgey, C. P. Shepherd, and Miss Ollie Chenoweth. New members are Mrs. Hampton and Mrs. Willie Bell Middleton.

APPRENTICE AGRICULTURIST—Springtime is plowing time on the farm of Louis P. Shoemaker of Mt. Clemens, Mich. He and his four-year-old son, Peter, are seen above driving their respective tractors to the fields. The father's heavier machine will probably do most of the work but he believes "a boy is never too young to learn."

Miss Janis Slaten, of El Cajon, California, and Mr. and Mrs. A. E. Pape, of Ballinger, were visitors in the E. W. Bridwell home the past week-end.

A group from the Baptist church attended a district training service at the Kickapoo church Sunday.

Mr. and Mrs. P. R. Dietz and Patsy visited Rev. and Mrs. Jack Pape and family at Scranton Sunday.

Rev. and Mrs. Peyton and boys visited in the R. Boynton and Clarence Hambright homes Sunday.

Rev. and Mrs. C. L. Carroll were at Morton for the week-end. Rev. Carroll filled the pulpit at the Baptist church Sunday for his son, Rev. Curtis Carroll, who was holding a revival at Levelland.

Mr. and Mrs. Boynton have returned home after visiting their children at Odessa and in New Mexico. They were accompanied home by Mr. and Mrs. Eargle Berry and Travis and Mr. and Mrs. Troy Wood, of Portales, New Mexico.

MAPLE SYRUP SYMPHONY—Gulping the sweet distillation of maple tree sap are these New Hampshire youngsters enjoying a "sugaring off" party on the farm of Alth. Freeman near Claremont.

CREWS

Mr. and Mrs. Porter Baker and family, of Pecos, spent the week-end in the home of the former's parents, Mr. and Mrs. E. W. Bridwell.

Mrs. Ola Miller, of Sweetwater, is spending the week with her sister, Mrs. Lena Burrus.

Cheryl Bragg and Jerrye Hambright visited with Shirley Hambright Sunday.

Mr. and Mrs. Arnold Alcorn and Charles and Mr. and Mrs. Steve Hale, of Glen Cove, visited in the Arthur Alcorn home Sunday.

Ralph Brandon, of Port Davis, was a recent visitor in the M. R. Petrie home.

Mr. and Mrs. Chester McBeth and boys spent the week-end at Lubbock, visiting their daughter, Mrs. Armol Tounget, and family.

J. T. Brandon received word this past week of the death of his brother, W. L. Brandon, of Yorkshire, North Carolina.

Mr. and Mrs. W. L. Porter had their children from Abilene with them Sunday.

Several persons from the Crews Baptist Church attended the district Women's Missionary Auxiliary meeting at the Kickapoo church near Bronte Thursday. A good meeting was enjoyed. The goal was a nice offering for two ministerial students of this district.

The M. Y. F. gave a party Wednesday night in the home of Mr. and Mrs. Cecil Hambright for Eldon Joe Hambright, who left Thursday to enter the service. The group presented him with a billfold. Two guests, Don Ballard and Elaine Parrish, also were present.

Mrs. R. E. Burrus accompanied Mr. and Mrs. Joe Irvin and Jerry, of Winters, to Dallas for a visit with Mrs. W. T. Brown and Mr. and Mrs. Jack Davis from Friday through Sunday.

Mr. and Mrs. Cecil Hambright and Luther Summer-ville, of San Angelo, were dinner guests Sunday in the M. R. Petrie home.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

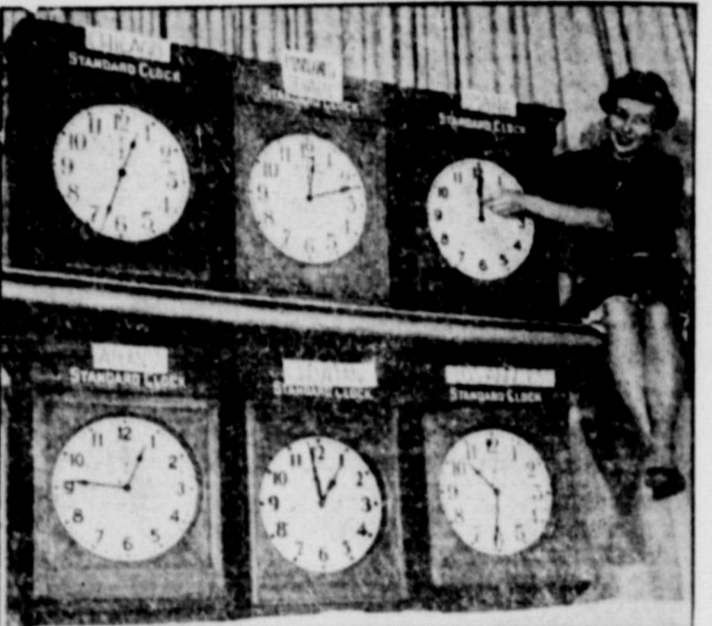

Mrs. Troy Simpson reviewed "Wrap It as a Gift" by Ralf Kircher, a book which is being called the "laughingest book of the year" for the South Ballinger home demonstration club Tuesday. Mrs. Austin Williams was hostess at her rural home west of town.

Mrs. J. L. Ohlhausen, president, conducted the business after the Song of Peace was sung, the club women's collect read by Mrs. J. W. Jones, and "Thoughts for the Week" by Mrs. Ed Farley. A new fashion idea was given for roll call. The council report was given by Mrs. Dick Holstead.

Mrs. Neuman Smith directed the recreation period. Shadow names were revealed and new names drawn for the next three months.

Refreshments were served to 22 members and to visitors, Mrs. Simpson and Mrs. Johnny Baker.

The next meeting will be held in the home of Mrs. Archie Wallace on April 21.

OLD TIME—Daylight-saving time, which becomes effective April 26, will move our clocks ahead an hour. Until 1883, when standard time zones were adopted by the nation's railroads, each city had its own "sun" time. Sunny Marshall of Omaha, Neb., shows the times which clocks in five different American cities registered when it was noon in Omaha. Today's TV, radio, train, bus and plane schedules would be impossible under this method.

Shakespeare Club Has Poetry and Music Program

"Poetry" and "Modern Trends in Public School Music" were the two topics for the program presented last Thursday afternoon for the Ballinger Shakespeare Club. Members met in the library club room.

Mrs. Joel Bates, leader, introduced Mrs. Powell Wear and Mrs. T. J. McCaughan, who gave life sketches of the poets. Elinor Wylie and Emily Dickinson, and also gave poems by each author.

Mrs. Sim Cottelle presented the program on "Modern Trends in Public School Music," stating the value derived from experiences in modern school music will carry over into adult life.

Miss Peggy Gaston, public school music teacher, presented groups in songs, as follows: fifth grade, composed of Ellen Herring, Dorothy Lane, Steve Brown, Bobbie Jo McDaniel, Brenda Sharp and Fred Kendrick; sixth grade, Martha Gallant and Neome Prender; seventh and eighth grades, Nita Duke, Lynn Herring, Pat Darby, Bobby Burton and Ernest Beaver who sang "Chop Sticks."

The Senior High School group, composed of Twila and Joyce Foreman, Mary Buchanan, and Faye McDorman, sang "I Wonder as I Wander," and "Easter Parade." Twila Foreman, soloist, sang "Into the Night."

Mrs. Alex Saunders, president, conducted a business session. The treasurer's annual report was given by Mrs. A. B. Stobaugh. It was announced that the last club meeting of the year would be an installation breakfast to be held at the Central Hotel on April 16, at which time the delegate's report on the Sixth District Convention at Colorado City would be given. Mrs. Saunders presented Mrs. Chester Cherry, chairman of the library board,

Dailey Starrer, 'Meet Me at the Fair' 'Million \$ Mermaid' Horseshoe Pics

Ten song numbers are presented in Universal's Technicolor "Meet Me at the Fair," to be shown at the Horseshoe Drive-In Theatre tomorrow and Saturday on a double-bill with "Branded," starring Alan Ladd and Mona Freeman.

The song numbers in "Meet Me at the Fair" are capably handled by Dan Dailey, "Scat Man" Crothers, negro entertainer; Carole Mathews and Chet Allen, 13-year-old singing sensation from the Columbus Boychoir. Included are "All God's Chillun Got Wings," "Ave Maria," "Ezekiel Saw de Wheel," "I Got the Shiniest Mouth in Town," "Sweet Genevieve," "I Was There," "Oh, Suzanna," "Meet Me at the Fair," "Bill Bailey" and "Remember the Time." Diana Lynn is co-starred with Dailey.

Girls and glamor, romance and spectacle, laughs and love, and the most beautiful and spectacular water ballets ever staged. These are the highlights of M-G-M's newest Technicolor extravaganza, "Million Dollar Mermaid," booked at the Horseshoe Sunday, Monday and Tuesday, April 12 through 14, in addition to "The Showdown," starring Bill Elliott and Marie Windsor.

Esther Williams, Victor Mature, Walter Pidgeon and David Brian are starred in "Million Dollar Mermaid," inspired by the life story of the famous Australian swimmer, Annette Kellerman. Seldom in the history of Hollywood has a story so perfectly fitted a star, with Miss Williams, the modern mermaid, portraying Miss Kellerman, equally celebrated mermaid of another era. It comes on top of such previous Esther Williams hits as "Skirts Ahoy!" and "Texas Carnival."

Others present were: Mmes. J. B. Dankworth, Lanham Flynn, J. W. Guynes, Loyd Herring, B. C. Kirk, F. C. Miller, Paul Petty, J. O. Satterwhite, Jack Moore and Howard Bramley.

Brought back by overwhelming popular demand, Cecil B. DeMille's spectacular extravaganza, "Cleopatra," has Claudette Colbert in the title role. This fabulous film, one of the greatest ever produced by Hollywood's master showman, tells of the immortal love between Cleopatra, the Queen of the Nile, and the stalwart Roman, Marc Antony, who lingered with love white great empires tottered at their feet. The story of these two heroic figures is set against the monumental background of the glorious days of early Rome and ancient Egypt.

Spraying Weeds in Grain Should Get Good Results

County Agent John A. Barton has been getting many inquiries in regard to killing weeds in small grain with chemicals. Mr. Barton says now is the time to kill weeds with 2-4-D. This poison can be used effectively especially on rag weeds and bitter weeds which are showing in small grain of this section.

Mr. Barton points out that weeds in small grain take much of the moisture and that where infestation of careless, sunflowers, lamb's quarter and other similar weeds are found, a fair job can be done with 2-4-D.

From $\frac{1}{4}$ to $\frac{1}{2}$ of a pound of the ester or acid type in 10 to 15 gallons of water per acre or $\frac{1}{2}$ of a pound of the amine or sodium salt type per acre in 10 to 15 gallons of water are

approved formulas. The time to apply is when the small grain, wheat, oats or barley, is in the full tillage to boot stage.

Rag weeds will be found in both crop and pasture grasses, along fence lines, ditches, yards, vacant lots and alleys. April 10 to 15 is the best time for spraying these with 2-4-D, using $\frac{1}{2}$ to $\frac{3}{4}$ pound of the ester or acid type in 10 to 50 gallons of water to the acre. It will usually require from 4 to 6 weeks for the rag weeds to die entirely but the effects of the spraying will be shown in a few days.

Bitter weeds can be fairly well handled by spraying with 1 pound of ester type of 2-4-D in 30 to 50 gallons of water to the acre. Best results will be had by spraying when the weeds are young and four to five days after a rain when growing good.

Mr. Barton warns to always remember 2-4-D will kill or injure broad leaf plants, especially cotton, many garden crops and shrubs. Near these plants 2-4-D should be applied very carefully.

**WEST TEXAS
NOTES**

Students and teachers of the Ballinger schools have started their final six weeks. During the remainder of the term there will be numerous student activities. Each class and organization holds a banquet or some kind of a social meeting in conjunction with commencement and many of these have been planned. School officials are making up a schedule of the various events so that there will be no conflicts. The final program will be the commencement exercises on May 26. Some of the important events include the senior trip, the junior-senior banquet and the graduation programs. Ballinger schools have had a successful year in all phases. The enrollment has been high but new buildings made it possible to take care of all classes and departments.

New heads have taken over the business of operating the city government. These men get small compensation, but devote much time to looking after the business and planning for future development. A municipal government in a town the size of Ballinger needs the full cooperation of all citizens. It is on the receiving end of many kicks and most of these are unjust. Finances provided by taxation are pretty well tied up as to what can be done in improvements, paving, trash disposal, impounding dogs and doing various other things citizens demand. The new commission urges our people to acquaint themselves with the city's business, know what has been done, what is planned for the future and what can legally be done.

Girl Scout leaders will call on people of Ballinger on April 14 to obtain operating funds for another 12 months. The drive comes after several have just been made and some may think they have been asked for money too often. These are reminded that scouting for the girls is just as important as for the boys. While a smaller fund is asked than by some other organizations it does not mean that this work is not just as intensive and effective. Girl scouting in Ballinger is well organized, leaders are well-trained and the organization

W. Frank Craddock, veteran chamber of commerce manager at Hillsboro, has been employed as manager of the chamber at Colorado City. Craddock's acceptance was announced by the Colorado City directors last week-end. Craddock is 58 years old and has a fine record of commerce work. At Hillsboro he was instrumental in getting a fine diversified agriculture program started and in bringing nine industrial plants to the city. He was selected after more than 20 men were investigated and interviewed.

Supt. H. H. Homsley, superintendent of schools at Lorraine, has declined to renew his contract and has revealed he will enter private business. He told trustees he would remain at Lorraine. He will be stated representative of the T. G. Nichols Co. of Kansas City. His wife will remain on the Lorraine faculty.

Mrs. Lee Bullock, of Coleman, found an early day dog tag while working in her garden last week. The tag was issued in 1893 and is believed to have been the first year dog tag tags were issued in the county. The tag was a heavy copper disc with a dog's head and the wording "Coleman dog license." Coleman

man was incorporated in 1892 but city records do not show when dogs were first taxed.

A Little League organized at Comanche will provide baseball for boys. Three teams have already been formed and enough boys have signed up for the fourth team when adult supervision can be found. J. S. Brewer has been named head of the league and has secured all information on the operation of the teams, schedule, rules and other items. A park has been made ready and a schedule will be prepared as soon as the fourth team is signed up.

A biodynamic unit of the Red Cross collected 88 pints of blood at Bronite last week. Bronite leaders were delighted with the results. A total of 123 persons signed pledge cards and of that number 108 appeared at the clinic. Physicians turned down 35 but others who had not signed came to make the 88 pints. The blood obtained at Bronite will be used for defense entirely, it was stated by officials in charge of the unit.

The Rowena Lions Club staged a clean-up day on Tuesday of last week with excellent results. Nearly all citizens joined in the work and had their places clean and trash piled up where it could be loaded by the truck crews.

The Hamlin Chamber of Commerce will have its annual banquet and membership meeting on April 21. Rev. Sterling Price, of the University Baptist Church, Abilene, will be the principal speaker. Musical numbers and other entertainment will be provided by local talent. A committee has been working for the past week in enlarging the budget. The goal is \$8,500 and workers stated they had met with the best of success in their effort.

The Pacific Vegetable Oil Co., of San Francisco, will take over the castor bean program in the Stephenville area. This was revealed last week by PMA officials and Henry S. Carder, of Ballinger, who is in charge of the castor bean program for Texas with offices at College Station. The shelling plant will remain at Stephenville, at least as long as the annual production is as large as in 1952.

The school census at Winters will show an increase according to Earl Bruce, business

manager. The work is about completed but a few more were expected to be enumerated before the closing. Bruce disclosed last week that a total of 1,194 had been counted to date, 115 of which were in the six-year-old group. In tabulations last week, the number was about 100 ahead of the count of last year. Newcomers are being urged to report their school-age children if they have been missed by the enumerator.

Republicans of 25 West Texas counties have been invited to Brownwood on April 17 to hear H. J. (Jack) Porter, of Houston, national committeeman for Texas. Porter will be heard at a luncheon sponsored by the Brownwood Jaycees. Following the dinner and address, Porter will meet with Republicans in a conference. He will be introduced by E. E. Kirkpatrick, prominent Texas and Oklahoma oil man.

Farm-to-market road No. 1311, connecting Calf Creek in McCulloch county with Hext in Menard county, became a reality last week when the formal opening of the important route which is a paved link from Fort Worth to Del Rio. E. H. Thornton, Jr., chairman of the state highway commission, was the main speaker. Following the ribbon cutting and program, a barbecue was served to all

Last Saturday was Wool Day at Brady, four events being scheduled for Heart of Texas ranchers and farmers. The program was held in the Robbie & Co. warehouse. Brady business houses sponsored the educational program and Jim Gray, sheep specialist of the extension service of A. & M. College, was in charge. All sheep raisers in the vicinity were invited to attend for first-hand information on sheep and wool.

Worth more... and why

There's an old saying that a thing is worth what someone is willing to pay for it. Well, if you could tour the wholesale and retail used car auctions around the country, if you could survey hundreds of used car lots you would discover that used Fords bring higher prices than any competitive make—and by substantial amounts.

WHAT'S WHY we feel our '53 cars should not be compared with cars in the same price range. Not because our competitors don't do a good job—obviously they do—but because we feel Ford Cars have more in common with the highest priced automobiles. The similarities are far greater than the differences.

For example. Today, the most expensive cars in this country have V-type, 8-cylinder engines. Ford Cars have had this exact same type of engine for over 20 years.

What's more astounding, the current Strato-Star V-8 sells for hundreds of dollars less than several other makers charge for a six-cylinder car. Now there's nothing wrong with a Six but they do cost less to make. Ford makes a Six—the most modern overhead valve Six in the industry. And if it's a six-cylinder car you want, Ford has it and for less money than the V-8, which is as it should be.

What about ride? Here's another Ford similarity with high-priced cars... *Riding Comfort.* One of the misconceptions for many years has been that weight—sheer weight—is what it takes to make a car ride well. Ford has found that you can make a 3000-pound car ride softer and hold the road better by far than many cars that weigh a full 1000 pounds more. In the '53 Ford, for example, front end road shock has been reduced up to 80%. We say it compares most favorably with the heaviest cars sold today.

What about automatic transmissions? It would take the fingers of both hands to count the various kinds of automatic and semi-automatic transmissions on the market today. The one we offer is called Fordomatic. It is the most versatile on the market, it represents the most profound consideration of engine-to-wheel power transfer—and that it does the best job for our engines isn't even open to question. It "shifts" better than you could shift by hand.

What you can see is also important. Here again Ford cars lead not only in their price field but in the medium and upper brackets as well. Ford visibility is *Full-Circle Visibility.* This means huge, curved unobstructed glass area, front and rear, plus side windows that allow all passengers what the hotels call "room with a view."

Appearance? A higher price, of course, does not make a car more beautiful. Conversely, beauty in a Ford comes "for free." Ford has found that it costs no more to develop a beautiful car than one that is less pleasing in appearance. You can drive up to the most exclusive doorways in the world and feel perfectly at home in your Ford. Fords "belong" . . . in exactly the same social category as the finest, one-of-kind creations. After all, a Ford is a custom creation multiplied.

What about running costs? Here's one place that Ford's advantages are obvious. For oil and gas economy Ford has the big cars whipped. Ford parts cost less. Ford service charges are less. Ford tire mileage is thousands of miles greater. And, Ford depreciation is the lowest of any car on the market—bar none.

What are Fords made of? Some people have the idea that the costliest cars are made of "better stuff." It's true that some high-priced cars have costlier upholstery and fittings. What Ford has is so good, both in durability and appearance, that you probably could not tell the difference. You might even prefer it, because of its better design and more pleasing appearance.

Then there's the question of sheet metal. If you were to measure and analyze the sheet metal structure in the most expensive car, you most likely would find it identical in thickness to the corresponding panels in Ford.

After all, then, what is the difference between a Ford and the costliest cars?

In our opinion, the difference is largely a matter of dimensions, weight (and the power required to move it) plus the distinction of owning a car that not so many other people own. The desire for these things is understandable . . . and probably justified for people who are willing to pay the price to satisfy it.

As to comparing Ford with other cars in its price range, by all means do so if you wish. But, as we said before, you'll get a better picture of Ford value by comparing with cars that are most like Fords—those that are priced up to twice as much. In fact, we think you'll quickly begin comparing the other cars with Ford—because the 1953 Ford has really established the New Standard of the American Road.

15 People for Dinner

A farmer today has to feed himself and fifteen other people. Back in 1930 he had to supply food for 11 other people. By 1975, experts predict, for each farmer there may be 25 at the dinner table.

It would be nice if there were more land. But last year there was only 1% more land under cultivation than prewar.

What's more, there are fewer farmers. 17% fewer man-hours were spent in agriculture last year.

Yet the farmer in 1962, with less help and about the same acreage, managed to produce 40% more livestock, vegetables, cotton, grain, milk than before the war.

Who helps the American farmer in a spot like that?

Electricity for one thing, and of course, more tractors, trucks, farm machinery, pesticides, chemical fertilizers, and a lot more.

One big clue to productivity is his increased use of electricity. Farmers today use 500% more electric power than in 1940.

Electricity pumps water, dries hay, keeps chicks warm, grinds feed, milks cows. In fact, the "electrical hired man" can do more than 400 farm jobs.

But the important thing is that there need be no empty plates tonight, and that this was done in a typically American way.

Many people and many companies, General Electric among them, developed labor-saving ideas and products. The best were tried and chosen. They have helped to make the American farmer the most productive in the world.

HOPEWELL

The primary and junior training union classes of the Hopewell church were given Easter egg hunts Sunday at the home of Mrs. V. E. Fisher.

L. C. Fuller, Sunday school teacher for the young people, entertained them with a fish fry Saturday night following an afternoon of fishing. Extra guests were Reed McMillan, Mrs. Fuller, Mickey Worthington, Mr. and Mrs. V. E. Fisher and Mr. and Mrs. Ernest Toung.

The young people of the church presented the Easter program Sunday, using the theme of missions.

Mrs. Quincy Traylor and Quincy Ray visited relatives at Midland the past week-end.

Mr. and Mrs. Arthur Kerby and Lynda and Mr. and Mrs. A. B. Stovall spent the past week-end at Buchanan Lake.

The Clyde Brevard family visited Mr. and Mrs. Lawton Brevard, of Andrews, recently.

Mr. and Mrs. Connie Morrison and Sheri, of Corpus Christi, spent the Easter holidays with their parents, Mr. and Mrs. Joe Morrison and Mrs. I. J. Burson.

RUNNELS CEMETERY WORK DAY TUESDAY

Every person interested in the upkeep and beautification of the Runnels cemetery is asked to meet there Tuesday morning for a day of work. Work is to be started between

7:00 and 8:00 o'clock and those who come are asked to bring tools with them.

This is the oldest cemetery in Runnels county, being started in the pioneer days when Runnels was the county seat. Upkeep of the plot is by volunteer labor only.

County Council To Plan Menard Trip Tomorrow

The Runnels county home demonstration council will meet tomorrow (Friday) afternoon in the office of Miss Ollie Chenoweth, county home demonstration agent. Plans will be completed for the trip to Menard on April 23 to attend the district meeting of the Texas Home Demonstration Association.

Three delegates have been elected from this county to attend the business sessions. About 25 club women probably will attend the all-day program

and others may be added after the council meeting tomorrow. Arrangements will be made to assemble here and leave in a body at a certain time.

Plans also will be made for holding the upholstery school for the northern section of the county. Miss Chenoweth will teach the course and later in the year will conduct another school for the southern section of the county. This school will be open to all women who desire to attend.

Clubs are holding their regular programs this month and good attendance is reported.

Plainview Ponies Bill 3 Games Here For the Week-End

The management of the Plainview Ponies has scheduled a good week-end for local baseball fans. Three games will be played and all fans are urged to be in the stands at Cat Park for these contests.

Tomorrow (Friday) night at 8:00 the Big Spring Broncs will come to town to contest the Hosses. The colorful Broncs probably will draw well as the club is again made up largely of Cubans.

Saturday night at 8:00 the Lubbock Hubbers will be here for an exhibition tilt. The Hubs moved into San Angelo last week for spring training.

Sunday afternoon at 2:00 o'clock the Artesia Drillers, of the Longhorn League, will be here for a round with the Ponies.

Manager Jack Sullivan is whipping his plainview team into condition pretty fast. New candidates are due and some may be used in the week-end games. All men on the squad will get some action in the three games.

The Ponies defeated the Lamesa team last Sunday by a lop-sided score.

Westerns, Pioneer Tale, Bowery Boys Comedy, Adventure Yarn, Baseball Saga Hillcrest Films

Susan Hayward, Robert Mitchum, Artur Kennedy and Arthur Hunnicutt are starred in "The Lusty Men," dramatic, behind-the-scenes story of the rodeo circuits, which is the feature film at the Hillcrest Drive-In Theatre today and tomorrow. The action is based on the rough and risky sport of rodeo riding, one of the leading American sports in attendance figures. It was largely on location at famous rodeos at Pendleton, Cheyenne, Spokane, Tucson and Livermore.

Whip Wilson uses with effective skill the sinuous tool that gave him his name in "Night Raiders," to be shown at the Hillcrest Tuesday and Wednesday, April 14, 15, in conjunction with "The Pride of St. Louis."

Fuzzy Knight is featured in "Night Raiders," which also has Tom Farrell in a leading part.

"The Pride of St. Louis," 20th Century-Fox's biographical comedy of the immortal baseball star "Dizzy" Dean. Dan Dailey and Joanne Dru have the starring roles. The story of the zany Diz who captured the hearts of baseball enthusiasts with his prowess on the diamond and as a radio sports broadcaster, the film presents the highlights of a career that is truly fabulous.
